THE OINKENING

For years, the friends Gina and Tilda have studied the ancient legends of Circe.

They have but one goal: to find her temple, and invoke her blessing, to turn into pigs!

They seek nothing else than to live out their lives as fattened pig girls, and their long journey has led them to the sacred pools, rumored to have been blessed by the witch herself.

They even brought a camerawoman with them to document their adventure and inspire others, should they be successful!

The plan seems airtight, right? Right...?
