The Proxy The Pretender And Zhu Yuan

Belle, Wise
I'll be brief
I need to
search this
place

Wise is currently out running some erands in Lumina Square... So it's just me here

Also search? Uh... You mean the store? Did something happen?

That's classified Just cooperate with me

You can't just go through our things without at least an explanation

You're right I can't give you details... What I can say is that this concerns an active hollow related case... And the name Phaethon came up

Our name came up...? Why us?

You don't need to know who or what I'm looking for ...Just let me handle my job

Guess we don't have much choice... but at least don't break anything, okay? This is still our livelihood

I'll give you some space just... Don't take too long okay?

Understood ...I'll be efficient

PENSE

...She actually left me here alone in Lord Phaethon's domain...

Kyahhh!!
I'm standing
inside the
very store
she manages!
Every detail...
Every step
she takes...
It's all
here!

Lord Phaethon's private room... I'm... actually inside it

Every corner... Every detail... It's so her... Neat yet warm... It's so Perfect

This bed...
This very bed...
Lord Phaethon
rests here
every night!

Zhu Yuan?

Just here
to return
that film
I borrowed

...But you said you needed to do an investigation and should already be upstairs in my room right now

...What did you just say?

Stay here I'll handle this

It smells just like her... fresh, clean and radiant ahhh, I can't take it!

So Belle wasn't mistaken after all

W-wait this isn't....!

Enough! Who are you and why are you pretending to be me?

W-wait!
Don't get
the wrong idea!
I—I give up
okay?!

See?
No need
to get rough
I'll... I'll show you
who I really
am

Mmmphh... J-just give me a sec these things don't come off quick...

NIEPZE

Uuuphh...!
Almost there!

PUNSE

And...
Done!

Surprise surprise~ Did you miss me Officer?

...Vivian!
I should've
guessed
Mockingbird's
filthy tricks
were behind
this

Fufu~
Don't look
so cold...
You should
be honored
I chose to wear
your face
even if only
for a little
fun

NNES

Um...
Is everything
okay in here?
I heard noises
and...

Ta-daaa~!
Lord Phaethon!
Don't I
look amazing
in this curvaceous
officer's
body?!"

PUEESEE

?

W-what the...?! Vivian?! What is going on?

Enough games Vivian... You're under arrest and you're coming with me to the station now

POSEE

YUAN BOOM

My...
So strict~
I was hoping
we could
play a little
longer

But
getting
caught?
That was never
part of
my plan

Let's do this again sometime Lord Phaethon~! Try not to miss me too much

Ghh!
What the...?!

Vivian!!
Get back here!

Ugh.... Zhu Yuan
I can't see
anything!

I think the smoke is clearing out... Belle are you alright?

Ugh...
I'm okay

Huh?
Where did
she go?
Did she
escape?

Finally I got you you're under arrest Vivian!

W-wait... Why am I in handcuffs?! ...I'm not Vivian!!

I'm not falling for any more of your tricks Vivian
POGESE

...Wait!
Zhu Yuan
you have to
trust me!
I'm Belle...
Not Vivian

Save it!
I'm taking you to the station right now...
Where you will face justice

Take care Zhu Yuan!

Don't worry This impostor won't bother you anymore

Perfect... the measurements are exactly the same... This chest... is the same as Lord Phaethon's

The shape...
The feeling...
Yes...
It's identical to
Lord Phaethon's
divine form...

And even this face… This voice… It's all the same as Lord Phaethon's!

I've become you my dear Lord Phaethon... I am you now!

Heh...
These disguises are worth every single Denny...

To wear
Lord Phaethon's
visage...
To feel this perfection
with my own hands...
Nothing in
the world
compares...

That was the front door... The other Lord Phaethon must be home

Belle!
I'm home!
Did anything
happen while
I was gone?

BY TSF AI

Welcome home Wise~ Nothing important happened... Everything's just fine!

To Be Continued?
