

The Remote

A Bimbo-TG-BE Mini Comic

26 Pages of Transformation & Trouble

Amaz2k12

Amaz2k12 - The Remote

Like many tales of this kind, ours begins in the room of a nerd. Meet Enzo: 22 years old, brilliant programmer, and - despite his stellar job - still living with his mom.

Setup? Easy.
The app? Perfect.
Flawless. Exactly what
I expected!

This baby
is going to make
me rich. Stupidly rich.
Like 'retire by 25 and
buy my own island'
rich!

Alright,
focus. Let's fire
this thing up and test
it before I start naming
my yachts.

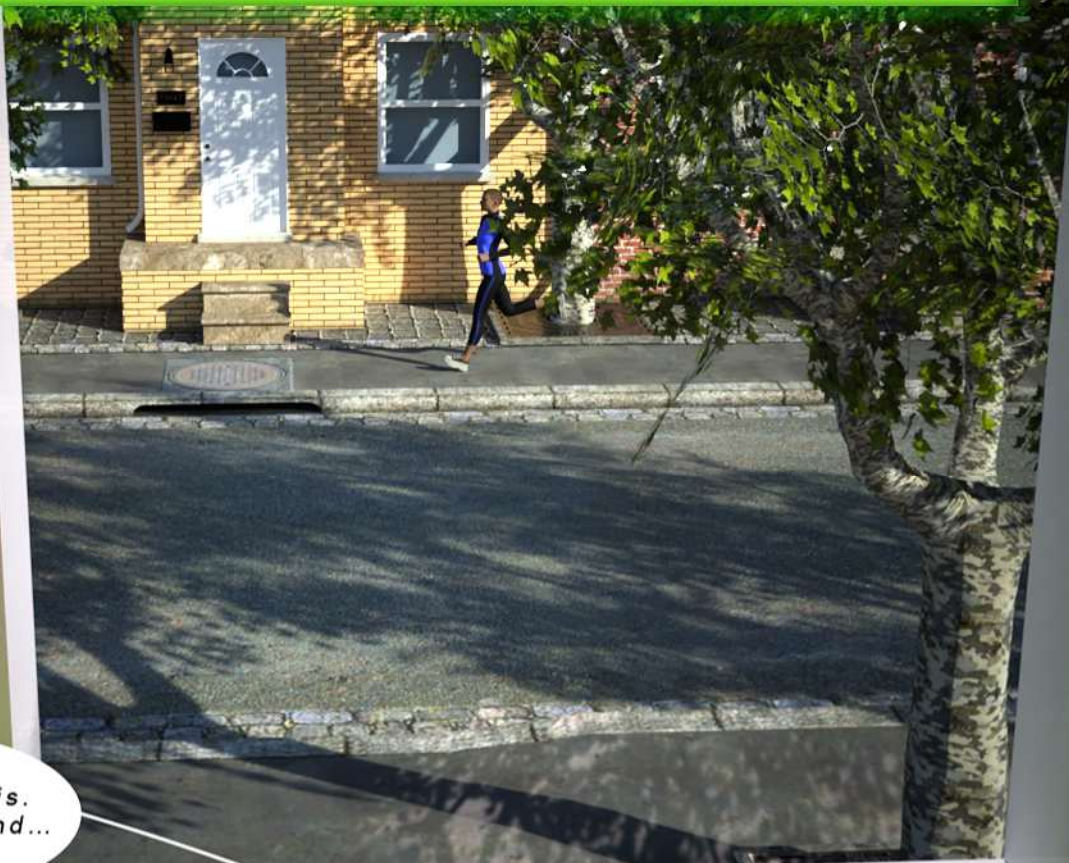

Huh, a
couple of features
are locked. Whatever.
Not important. The
app's ready
to go.

Meg Griffin by AI Artist „The Broken One“

Enzo didn't just graduate early (and as valedictorian, of course); he was immediately snapped up by a top tech company. Now, he's used his genius to create something revolutionary: a remote-control app that can transform both the body and the mind of anyone.

Amaz2k12 - The Remote

His first target? A jogger. Same route, same time, every day. The perfect test subject.

She's perfect for this. Select 'Hair' and... click!

Yes! It WORKES!

Long, silky, perfect hair, just like that. A „within seconds“ transformation!

She doesn't notice a thing as her pixie cut transforms into a cascade of luxurious, flowing hair, whipping in the wind as she runs.

Amaz2k12 - The Remote

But the excitement might have been a little premature...

because as the jogger rounds the corner and slips out of the remote's range...

Her newly flowing, curly locks shrink back into the short pixie cut in an instant...

...as if they had never blossomed into those luxurious waves at all.

What I wouldn't give for the perfect babe... someone made exactly to my liking...

Amaz2k12 - The Remote

With that, his "live-action simulation" on the PC kicks into full gear...

Ohhh...
yeah!!

But the satisfaction is fleeting—barely a minute passes before...

Who am I kidding? Of course I can create the ultimate dream babe with this app!

She won't laugh at me. She'll be completely obsessed with me. Totally devoted!

It's all thanks to my genius. And you know what? I've got just the perfect candidate... Michael.

That coworker of mine who never misses a chance to humiliate me...

Yes.
He'll be my first bimbo babe!

...he feels a brief moment of release. For Enzo, it's liberating.

Amaz2k12 - The Remote

Around this time, he's usually at the park...

...pushing through an intense workout, getting all sweaty...

...then dozing off on a bench, casually flexing for the ladies...

...but not for much longer. Soon, he won't be flexing - he'll be jiggling!

Amaz2k12 - The Remote

Routines are hard to break. And Michael? He's a creature of habit. After an hour of intense training, he's out cold on the park bench...

Finally!
Time for some proper
payback...

...completely unaware as a strange
glow envelops his body...

Max power -
let's hit him with
the ultimate surge of
bimbo-fication!

...a glow that doesn't stop
until it's too late.

Amaz2k12 - The Remote

Once again, the remote works just like before...

Michael's rock-hard muscles soften...

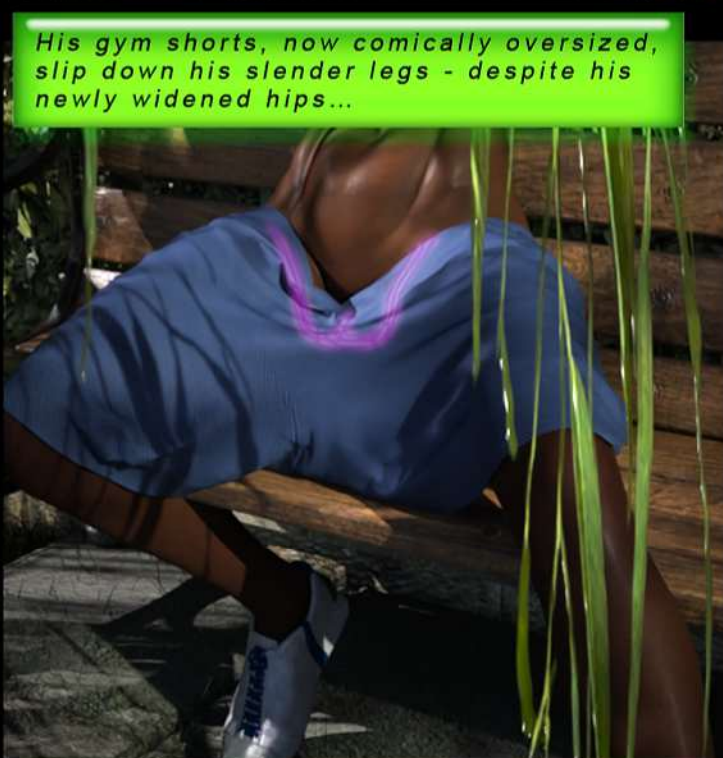

His once-proud member shrinks, pulling inward, disappearing into his body...

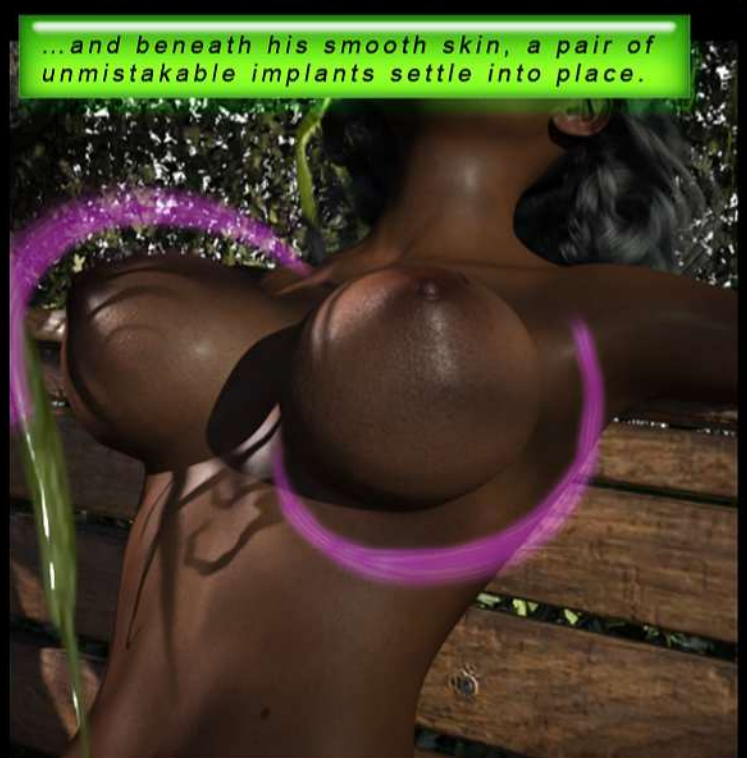

Meanwhile, his pecs push outward, swelling into a perky new shape...

His gym shorts, now comically oversized, slip down his slender legs - despite his newly widened hips...

...and beneath his smooth skin, a pair of unmistakable implants settle into place.

Amaz2k12 - The Remote

Still out cold from his intense workout in the sun, Michael has no clue he's just been bimbofied beyond recognition. But Enzo - will he take advantage of the moment?

Waking her
up right now? Probably
not my best move... She's
gonna freak when she
realizes what happened.
No doubt Michael's
still in there...

I definitely
shouldn't be here when
that happens.

Yeah...
I'll just talk
to her at work tomorrow.
That'll be way more
fun.

Amaz2k12 - The Remote

However, as Enzo makes his way home, the transformation doesn't hold for long...

...but at the same time, something strange is beginning to happen to him.

Unbelievable.
I had that asshole
exactly where I
wanted him...

...and
still chickened
out.

Whatever.
Tomorrow's another
day... I'm dead
tired.

Amaz2k12 - The Remote

As Enzo's newly grown, impossibly full breasts rise and fall with each steady breath...

....another transformation unfolds between his legs... turning him into a her.

Amaz2k12 - The Remote

A few hours of deep sleep can do wonders...Enzo stretches lazily as she rolls out of bed - her heavy breasts swaying with every movement, while her now very real and sensitive pussy glistens ever so slightly...

Can't wait to see how Michael's transformation turned out...

But damn, everything feels so much more... intense today...

And why the hell does my chest feel like it's moving on its own? Feels like one of those Amaz2k12 comics where guys turn into gi—... huh?!

Wait...
WHAT?!

Am I
in one of those
guys' TG comics?!
Seriously?!

Amaz2k12 - The Remote

The morning greets Enzo with quite the shock - but of course, being Enzo, she immediately tries to analyze the situation instead of freaking out.

Okay... this is fascinating. I mean, for the first time ever, I have real boobs in my hands... not just pixels on a screen...

Did I accidentally leave the Remote in some kind of endless loop when I walked away from Michael?

If that's the case... why didn't I turn into a full-on bimbo like him? I just... became a woman overnight.

Just a woman... okay, Enzo, stay calm... what the hell triggered this?

Naturally, she doesn't realize the full extent of what's happened, since she missed the part where the other transformed individuals had reverted back to normal.

Amaz2k12 - The Remote

Lost in thought, Enzo absentmindedly stands completely naked by the window - unknowingly putting on quite a show.

Huh... according to the logs, no transformations were triggered after Michael. That's odd.

But she's too deep in her own theories to notice... until a possible answer suddenly hits her.

Whatever caused this, I don't have time to figure it out right now.

I have work in two hours... the subway ride takes about thirty minutes...

Still need to shower, eat... that's another hour gone...

Logically, the simplest solution is to just reverse the transformation with the Remote.

Amaz2k12 - The Remote

Of course, Enzo's plan worked flawlessly. Back to his usual male self—showered and fueled by a light breakfast - he arrives at the office. On his way to his desk, he overhears two coworkers chatting.

But fate has a different plan for Enzo... because just thirty minutes later...

Amaz2k12 - The Remote

Over the next 60 minutes, subtle changes creep in...

09:05 a.m.

Who the hell coded this loop in?

...his hair grows steadily longer...

09:20 a.m.

Ugh, this coffee tastes weird today... way too strong... whew...

...his facial features soften and reshape...

09:35 a.m.

This script is acting... off. Why - ah, found it, I skipped a line.

...until his reflection would show someone undeniably androgynous - if not outright feminine.

10:01 a.m.

Man, I need a drink. Why is it so damn hot in here?

But Enzo? Completely oblivious.

Amaz2k12 - The Remote

Enzo always keeps his cup within reach.

Ahh,
nothing beats a
good cup of
milk...

But as he stretches, enjoying a moment of relaxation, he suddenly notices...

...ahhh,
that hits the spot!
Wait, why does my chest
feel so tight under
my shi -

...his re-grown D-cup breasts bouncing slightly—wait, WHAT?!

- WHAT
THE HELL?! Where
did THESE come from
AGAIN?!

These
knockers are
MASSIVE!

His shock leads to an unfortunate, and very messy, accident.

Amaz2k12 - The Remote

In his sudden panic, Enzo knocks over his nearly full cup of milk, which promptly spills all over his smartphone, frying it completely - his only way to reverse the transformation is now gone.

His once-flat, masculine backside starts to tingle, then pulse...

Amaz2k12 - The Remote

Enzo is lucky - the hallway is empty.

But his transformation into a woman is now unstoppable...

...but his body is shrinking, losing inches at an alarming rate.

Amaz2k12 - The Remote

Enzo yanks up his now absurdly oversized T-shirt - only to be met with a gut-wrenching sight.

OH, NO.
No, no, no - THIS
CAN'T be
happening!

Two heavy, melon-sized breasts sway heavily from his chest.

These
things are HUGE!
How the hell are
they THIS
BIG?!

J—J
can't go home
like this! Everyone
will see!

TAInG,
Enzo, THJNK! J
need to Aide - need to
wait this out - oh god,
what if this doesn't
stop?!

A cascading mane of golden waves spills down his back, brushing against his softening shoulders.

And WHY
do my pants keep
sliding off?! THIS is a
NIGHTMARE!

But one thing remains - his very exposed, male penis, the last fragile proof of his former self.

Amaz2k12 - The Remote

The first time Enzo transformed into a woman, he was fast asleep—blissfully unaware.

No - no,
not that! Anything
but -

But now, he's
wide awake.

Oh
fuck... I can
feel it...

It's
pulling back - melting
inside - turning into...
oh god...

Why am
I so wet down there?!
Why does it feel...
good?!

This
can't be turning
me on - can
it?

Amaz2k12 - The Remote

You've probably figured it out by now... this whole transformation thing? Yeah, karma's a b*tch.

Oh my god! I'm... I'm seriously a girl again?!

Turns out, casually turning others into babes without their consent has consequences.

That's why the changes to the jogger girl... and even Michael... didn't stick.

What the hell - my face?! My lips?! My EYES?!

UgAAA, I should've seen this coming... like seriously, just turning into a girl wasn't enough?!

But Enzo? Oh, Enzo's getting the full treatment.

First came the girl part... And now?

At least I still feel, like, totally smart...

...even if I sound like a total ditz~ Mwah!

Bimbo mode: loading...

Amaz2k12 - The Remote

Just as Enzo tries to get a grip on the surreal mess he's become, a deep, warm, unmistakably masculine voice cuts through the silence behind her.

Ma'am?
Are you okay?

No- no no
no, not that voice.
Not now. Not
HIM.

Did
something happen?
You're... standing
naked in the men's
restroom.

Why is
he normal again?!
I turned him into a
bimbo... didn't I?

Can I
help you with
anything?

U-um...
t-thank you, Michael...
s-sir... I had a little...
um... slip, I think...

Oh god, he smells
so good... that clean,
deep cologne... so
masculine...

And with it... the Remote's Bimbo Protocol quietly clicks into high gear:
Ultra Bimbo Pursuit Mode... engaged.

I... I-I don't...
r-remember, s-sir~
"giggle"

I was
already a mess but
now...? My thighs are trembling...
I can't think
straight...

Amaz2k12 - The Remote

Amaz2k12 - The Remote

Finally, with Candy's hormones raging, her irresistible sex drive, and Michael's seriously hot looks, everything clicks into place. Without a second thought, she grabs him by the waistband...

...
Cawck
..!

Well,
Candy, looks like
you don't waste time,
huh?

I like
that. I don't waste
time either,
babe!

Mmmm...
Oh my gawd, you're
like, so hot,
giggle

...
big,
phat cawck
..!

I... I
want you now,
Michael...

...
strong
muscles...

Like, no
time for talkin',
giggle just
you...

... Bimbo
Candy...

Ohhhh...
Mmmm, you smell
like, so good...

I'm a Bimbo Girl,
in a bimbo world
singing

I-I need
you, like, right now!
giggle

Amaz2k12 - The Remote

You know what they say: those who trip others often end up tripping themselves. Enzo, who dreamt of nothing more than a bimbo girl by his side, has now become exactly that: a bubbly, fun-loving bimbo girl, all set for parties, shopping sprees, and endless fun with guys like Michael. Welcome to Bimbohood, Candy!

Wow, what a babe! I'll go grab her some clothes that actually fit.

OOOOOOOH

MMMMMMMM
FUCK ME BABY!
OHHHHHHH

You know what? I think I'll swing by Enzo's place with her - he's gonna drop his jaw when he sees this.

He always wanted a girl like this, and I'm just gonna waltz in with her on my arm...

MMMMMMMM

And so, we say goodbye to Enzo—uh, I mean Candy, Michael, and the mini-series *The Remote*! I hope you enjoyed the ride. If you did, don't forget to show some love on Patreon, because that's the only way I can keep the fun coming your way!

Heh, this is gonna be epic!

Yours, Amaz2k12

Thank you
for reading and
enjoying! :)
