A scene from a movie set in a rustic hut with a thatched roof. A man with a beard and a crown sits on a throne, wearing a blue and orange striped tunic and gold boots. He holds a wooden staff. Two attendants, a man and a woman, stand on either side of the throne. They are dressed in simple, patterned tunics and loincloths. The lighting is warm and dim, creating a dramatic atmosphere. A speech bubble is positioned above the man on the throne.
