

# The Role Exchanger Terrorist

*PLOONSH!*

*SPLASH!*

And after I saw that blonde chick run away from that gypsy in panic...

I know not to mess with gypsies at the beach.

Uhm... Nothing babe!

Pumpkin, what are you looking at?

*HAHA...*

Except some bigger curves, if you know what I mean.

*Giggle!*

*Giggle!*

I'm just kidding. You know I love you, Melissa.

**SERIOUSLY JOHN?!**

**BEHOLD!**

*Huh?*

*ZOOM...*

**THE END OF DISCRIMINATION AND RACISM IS HERE!**

WITH THIS DEVICE I WILL SWAP ALL YOUR TRAITS RANDOMLY.

THAT WAY YOU'LL FINALLY REALIZE WE'RE ALL THE SAME ON THE INSIDE.

A NEW BETTER WORLD WHERE EVERYONE IS TREATED EQUAL, BEGINS NOW!

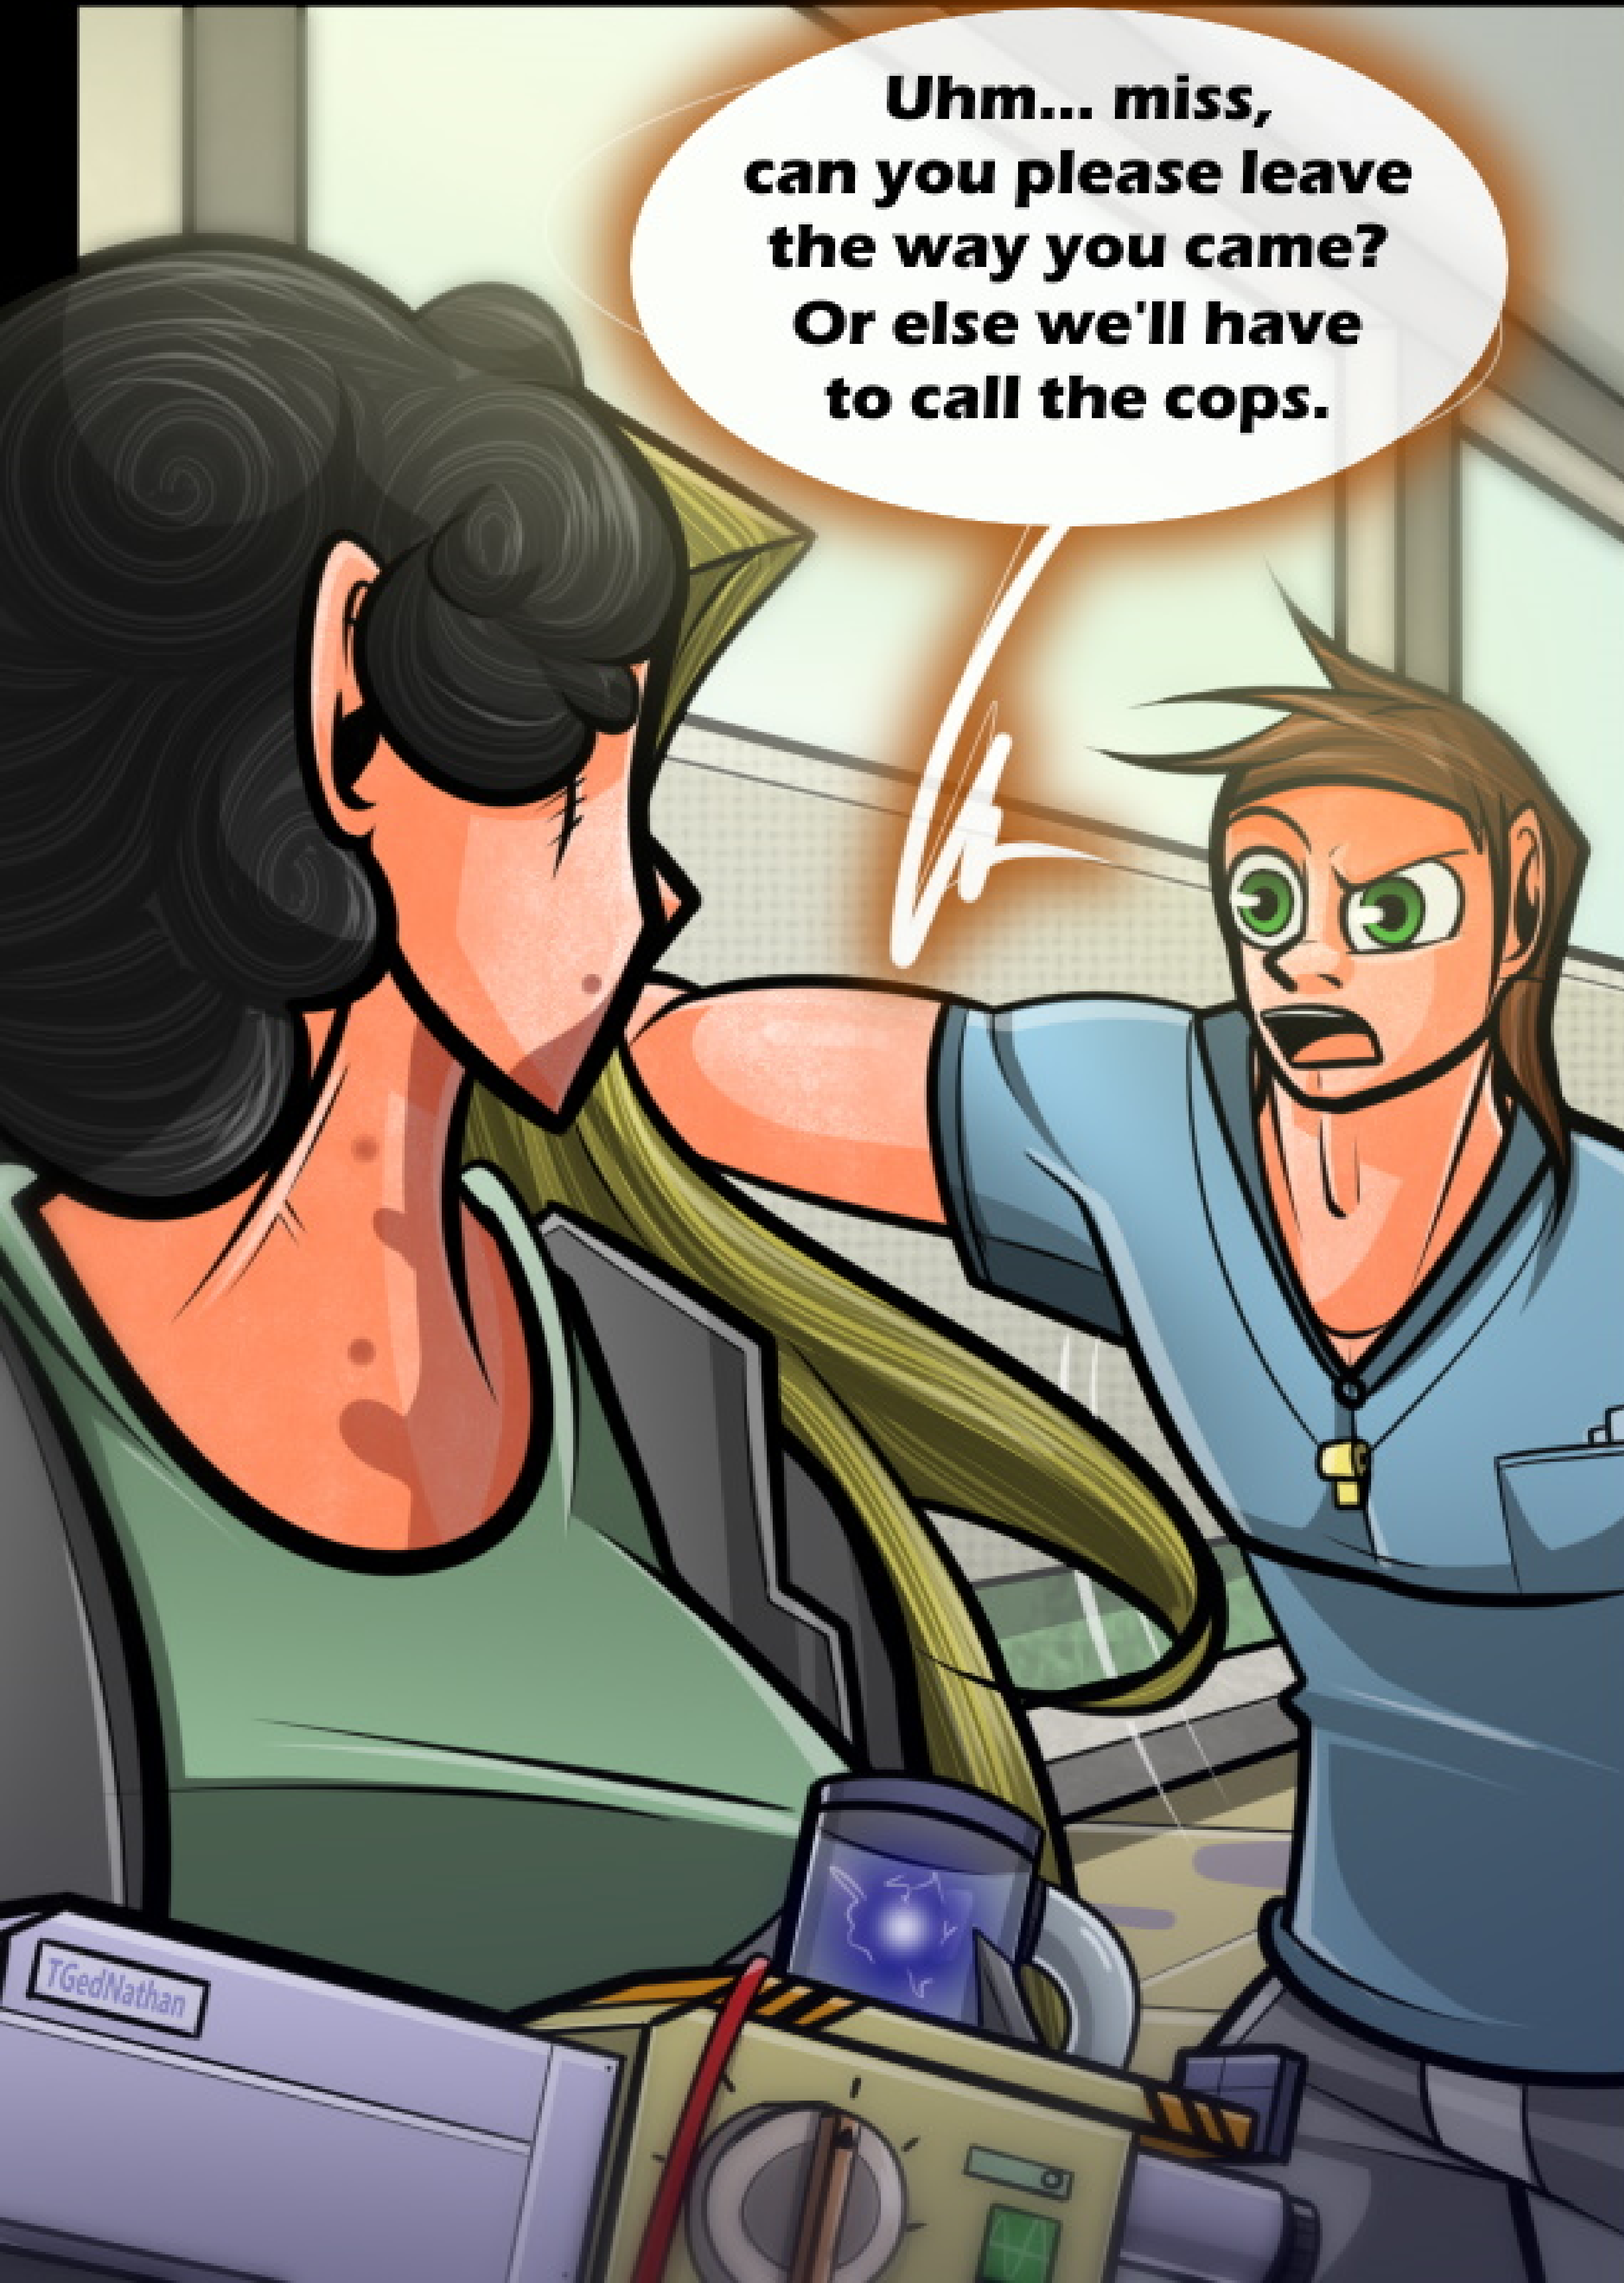

BAM!!!

What a nutjob. Haha!

silence...

Flop... Flop... Flop... Flop...

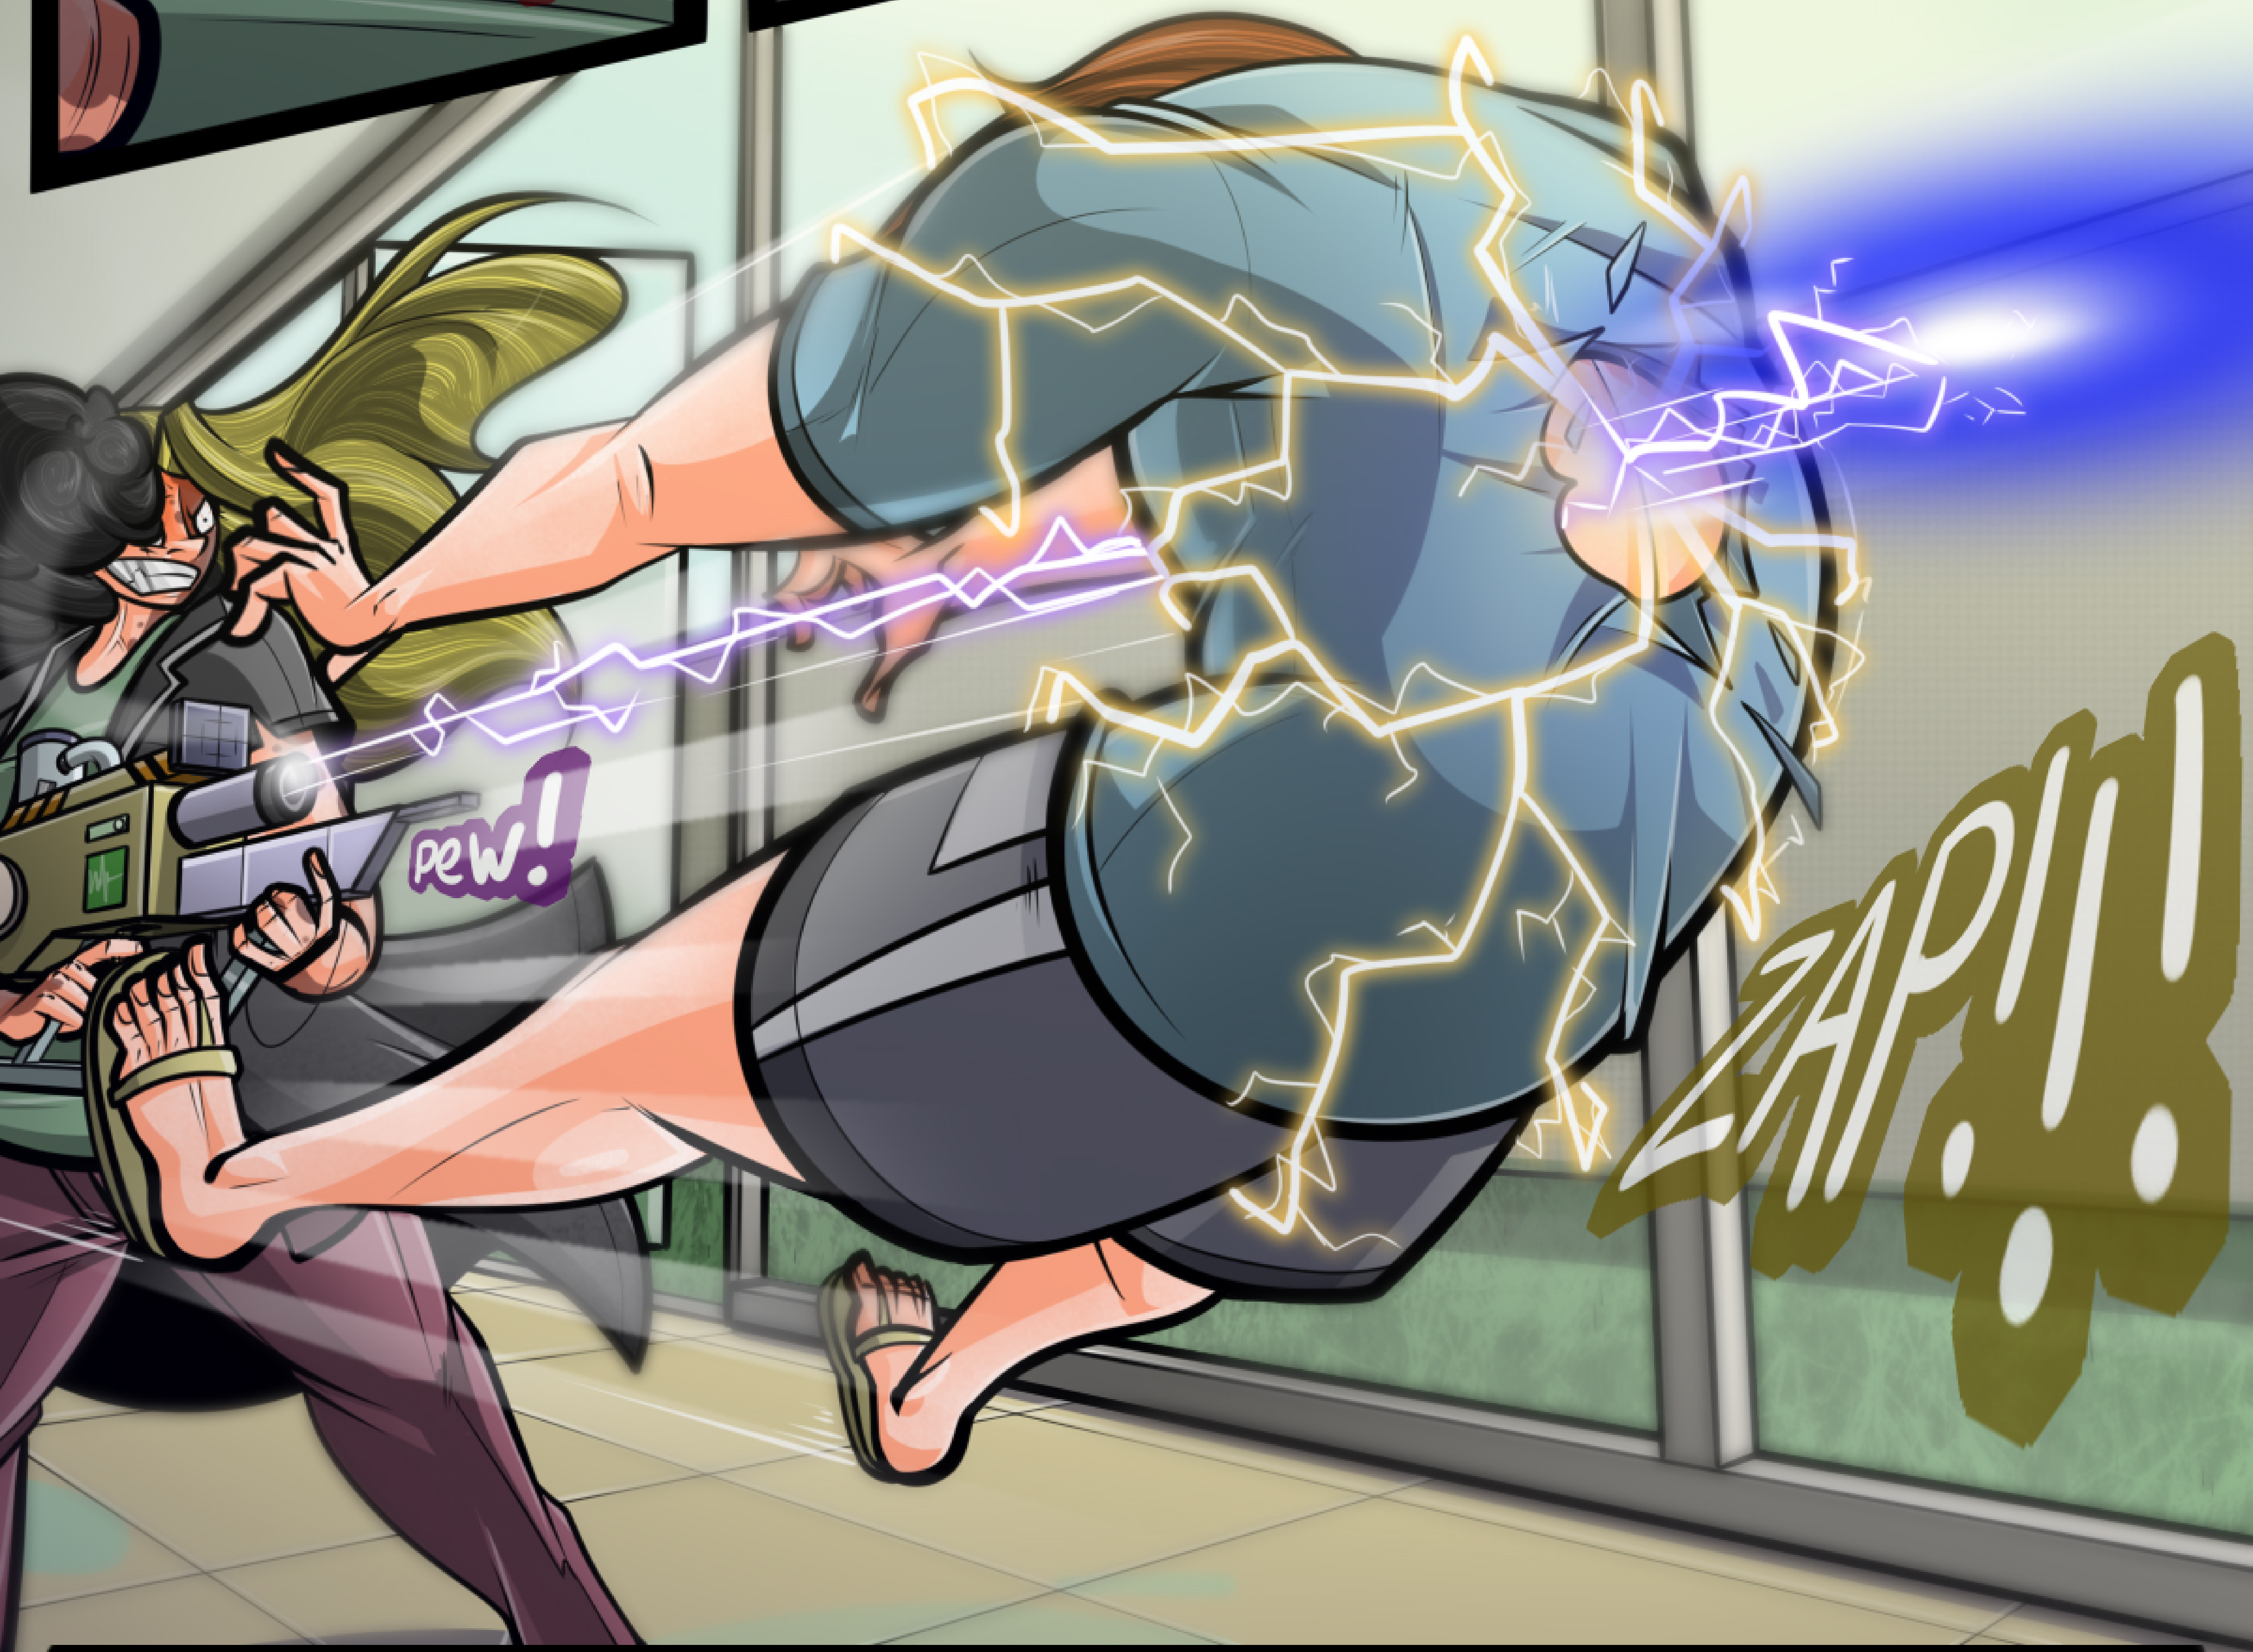

Uhm... miss, can you please leave the way you came? Or else we'll have to call the cops.

YOU INGORANT SELFISH DUMBASS! I'LL SHOW YOU!

Krr...

Are... you alright. Let's find your...

...mama?

I'm white?!

I'm black... huh...

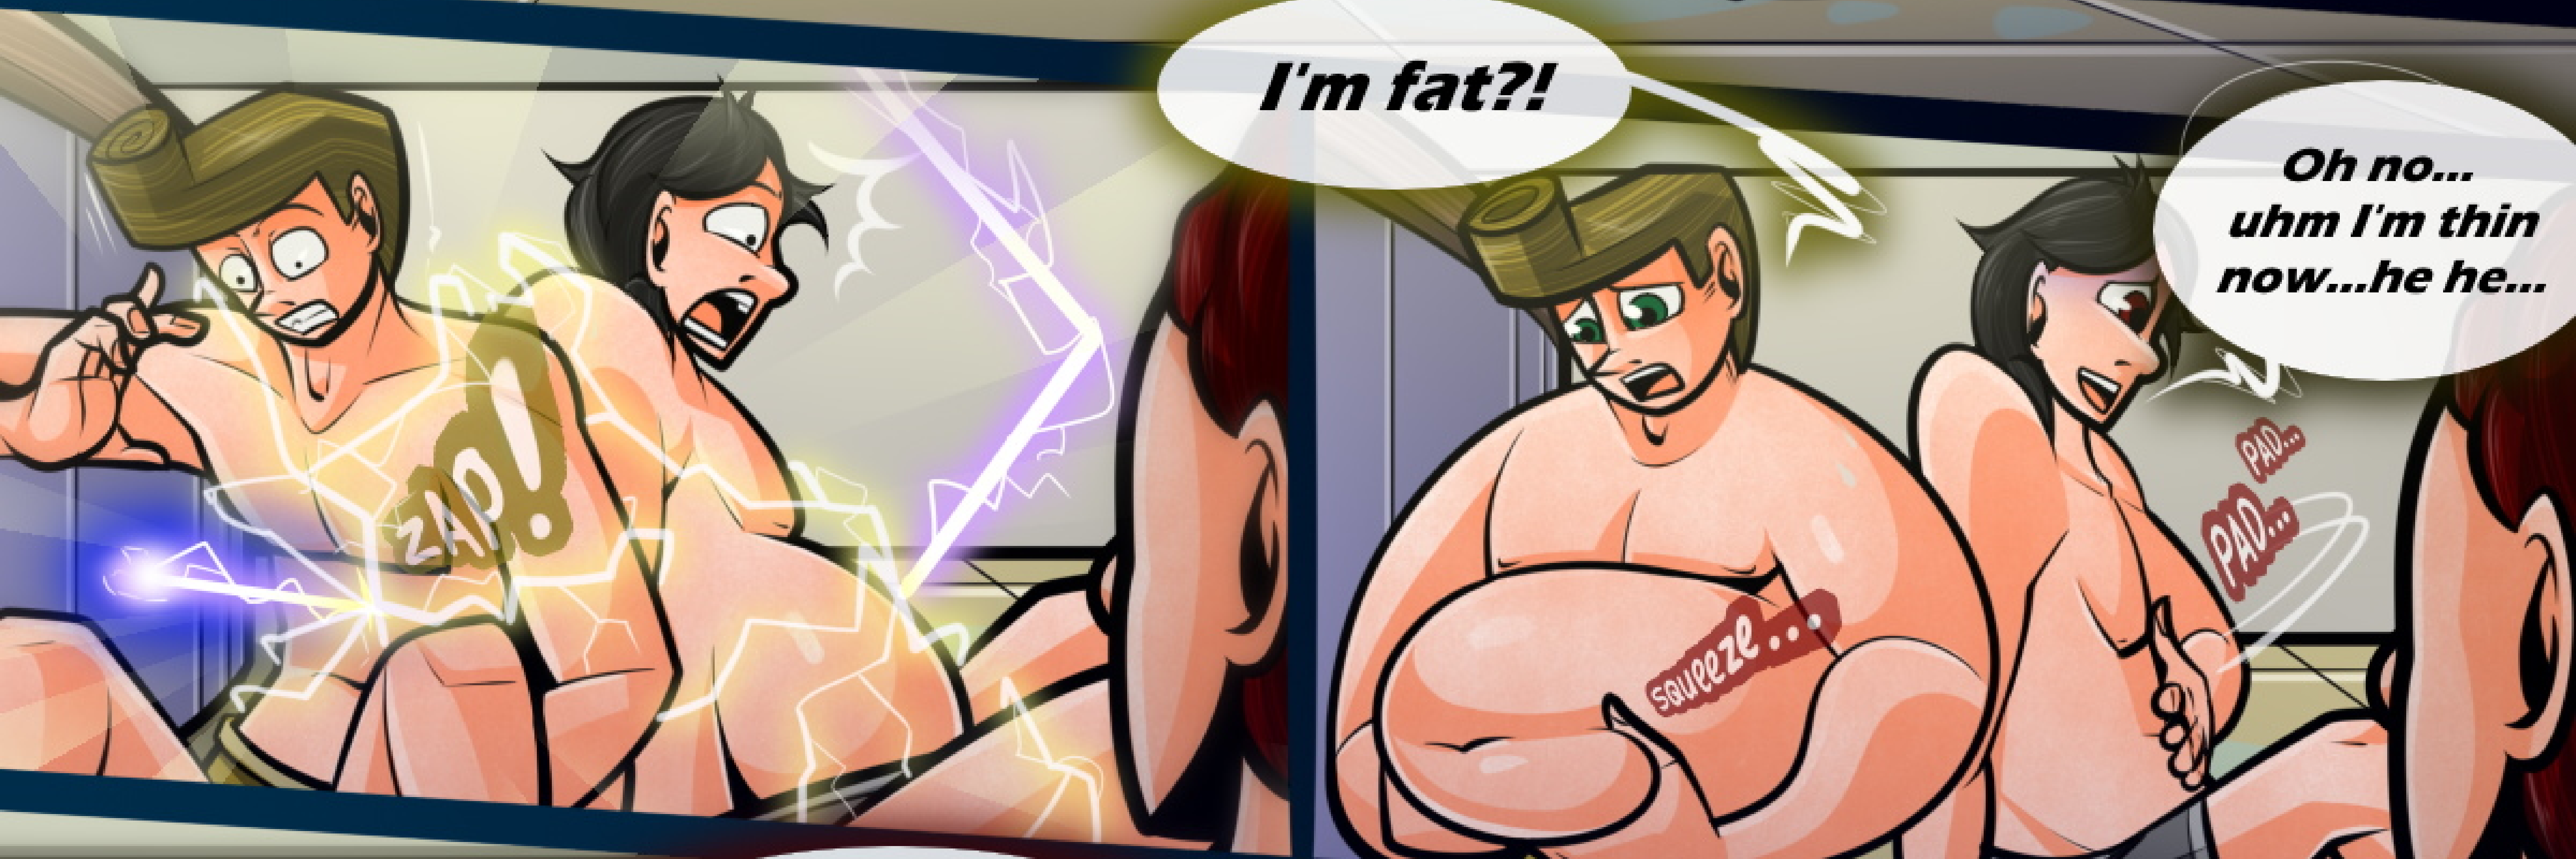

MY BEAUTIFUL HAIR! IT'S UGLY!

Seriously?

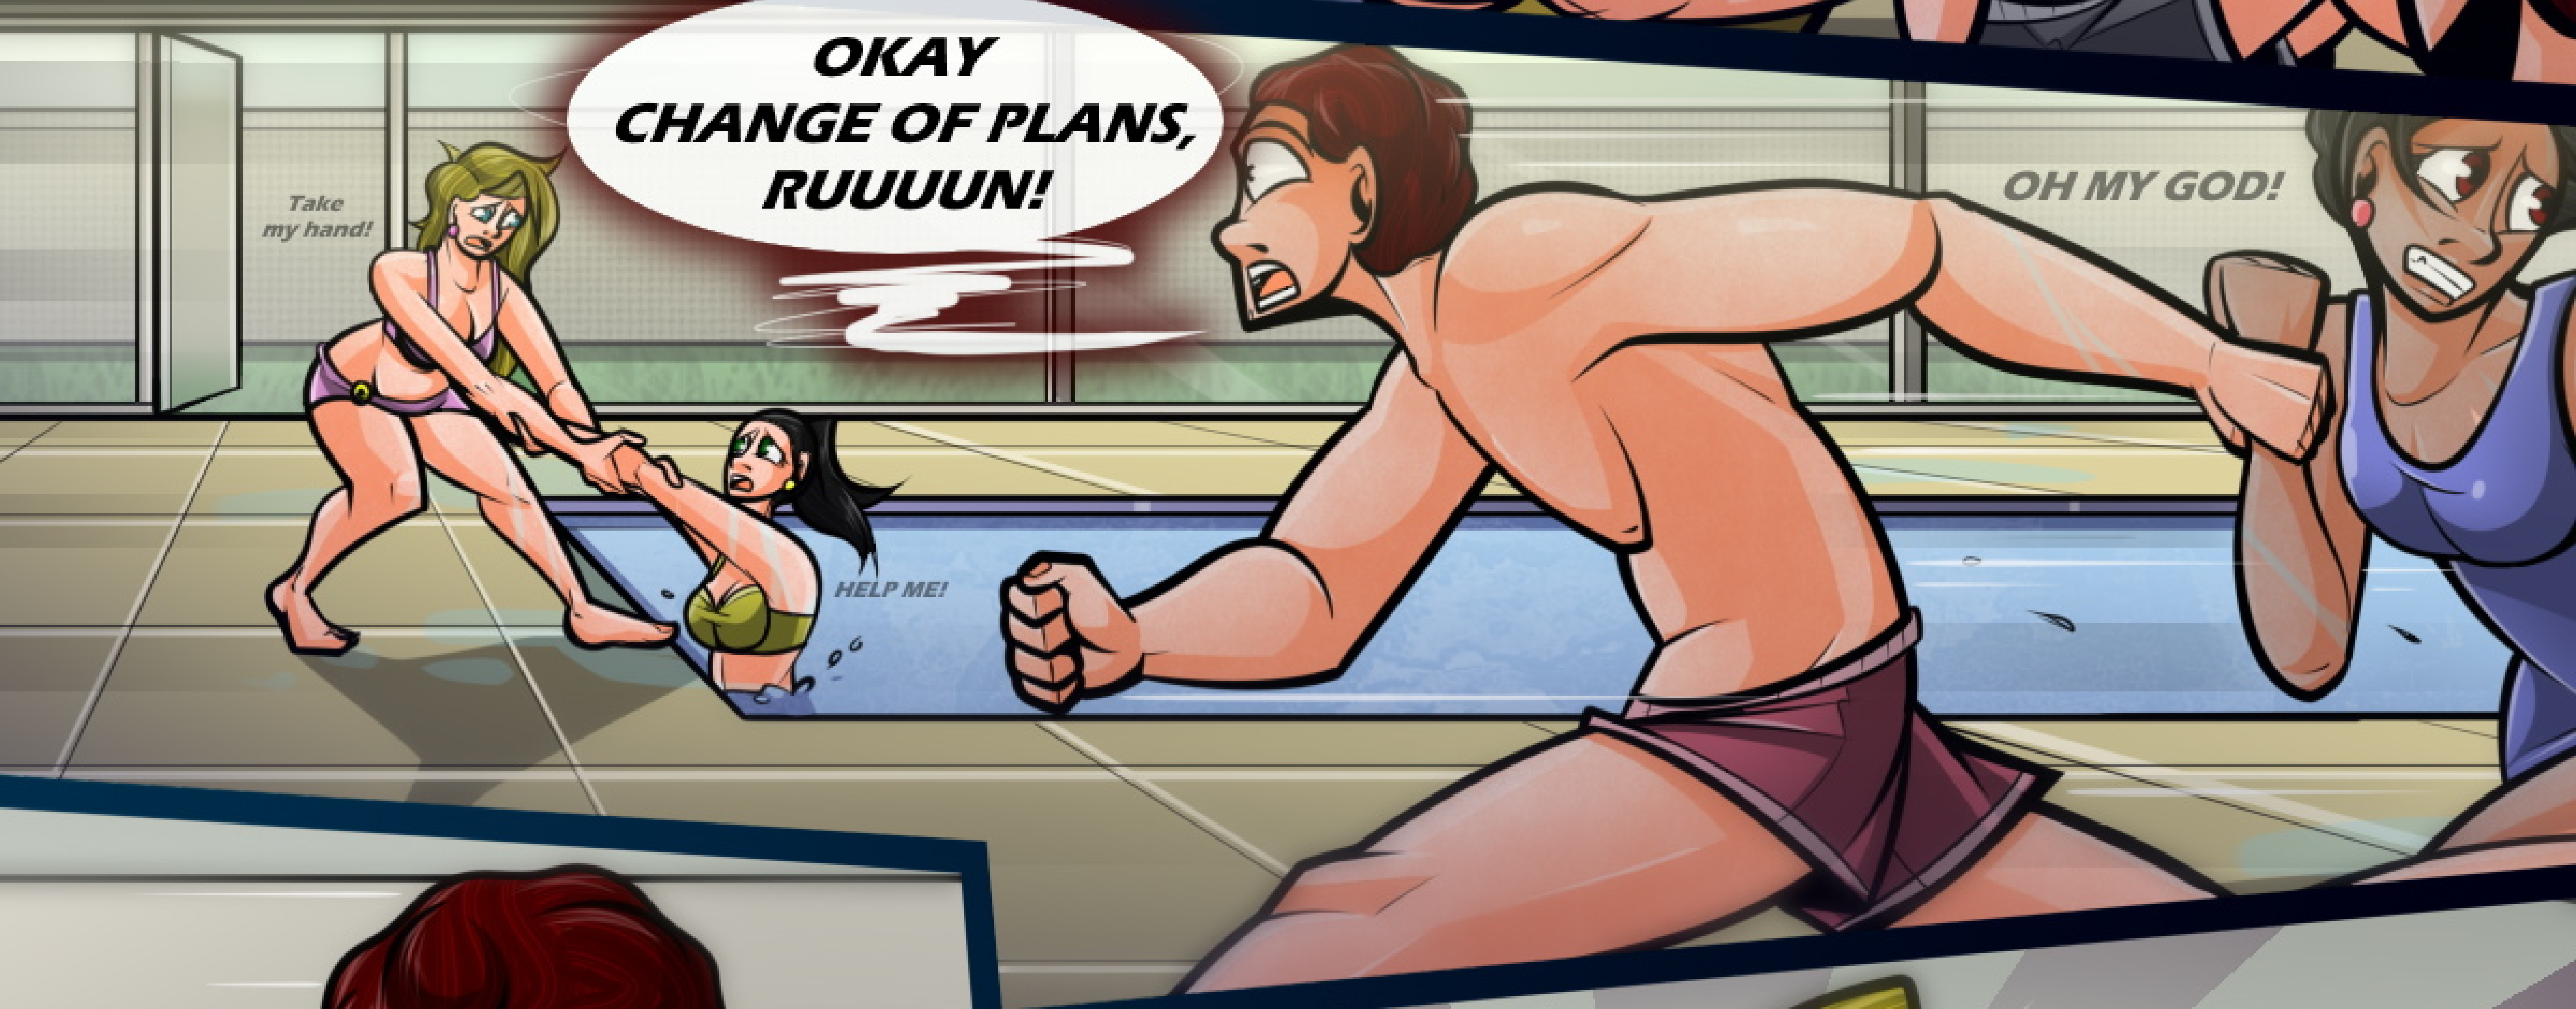

The orb swaps traits of everybody it touches.

For now we can hide here. The orb doesn't detect...

I'm fat?!

Oh no... uhm I'm thin now...he he...

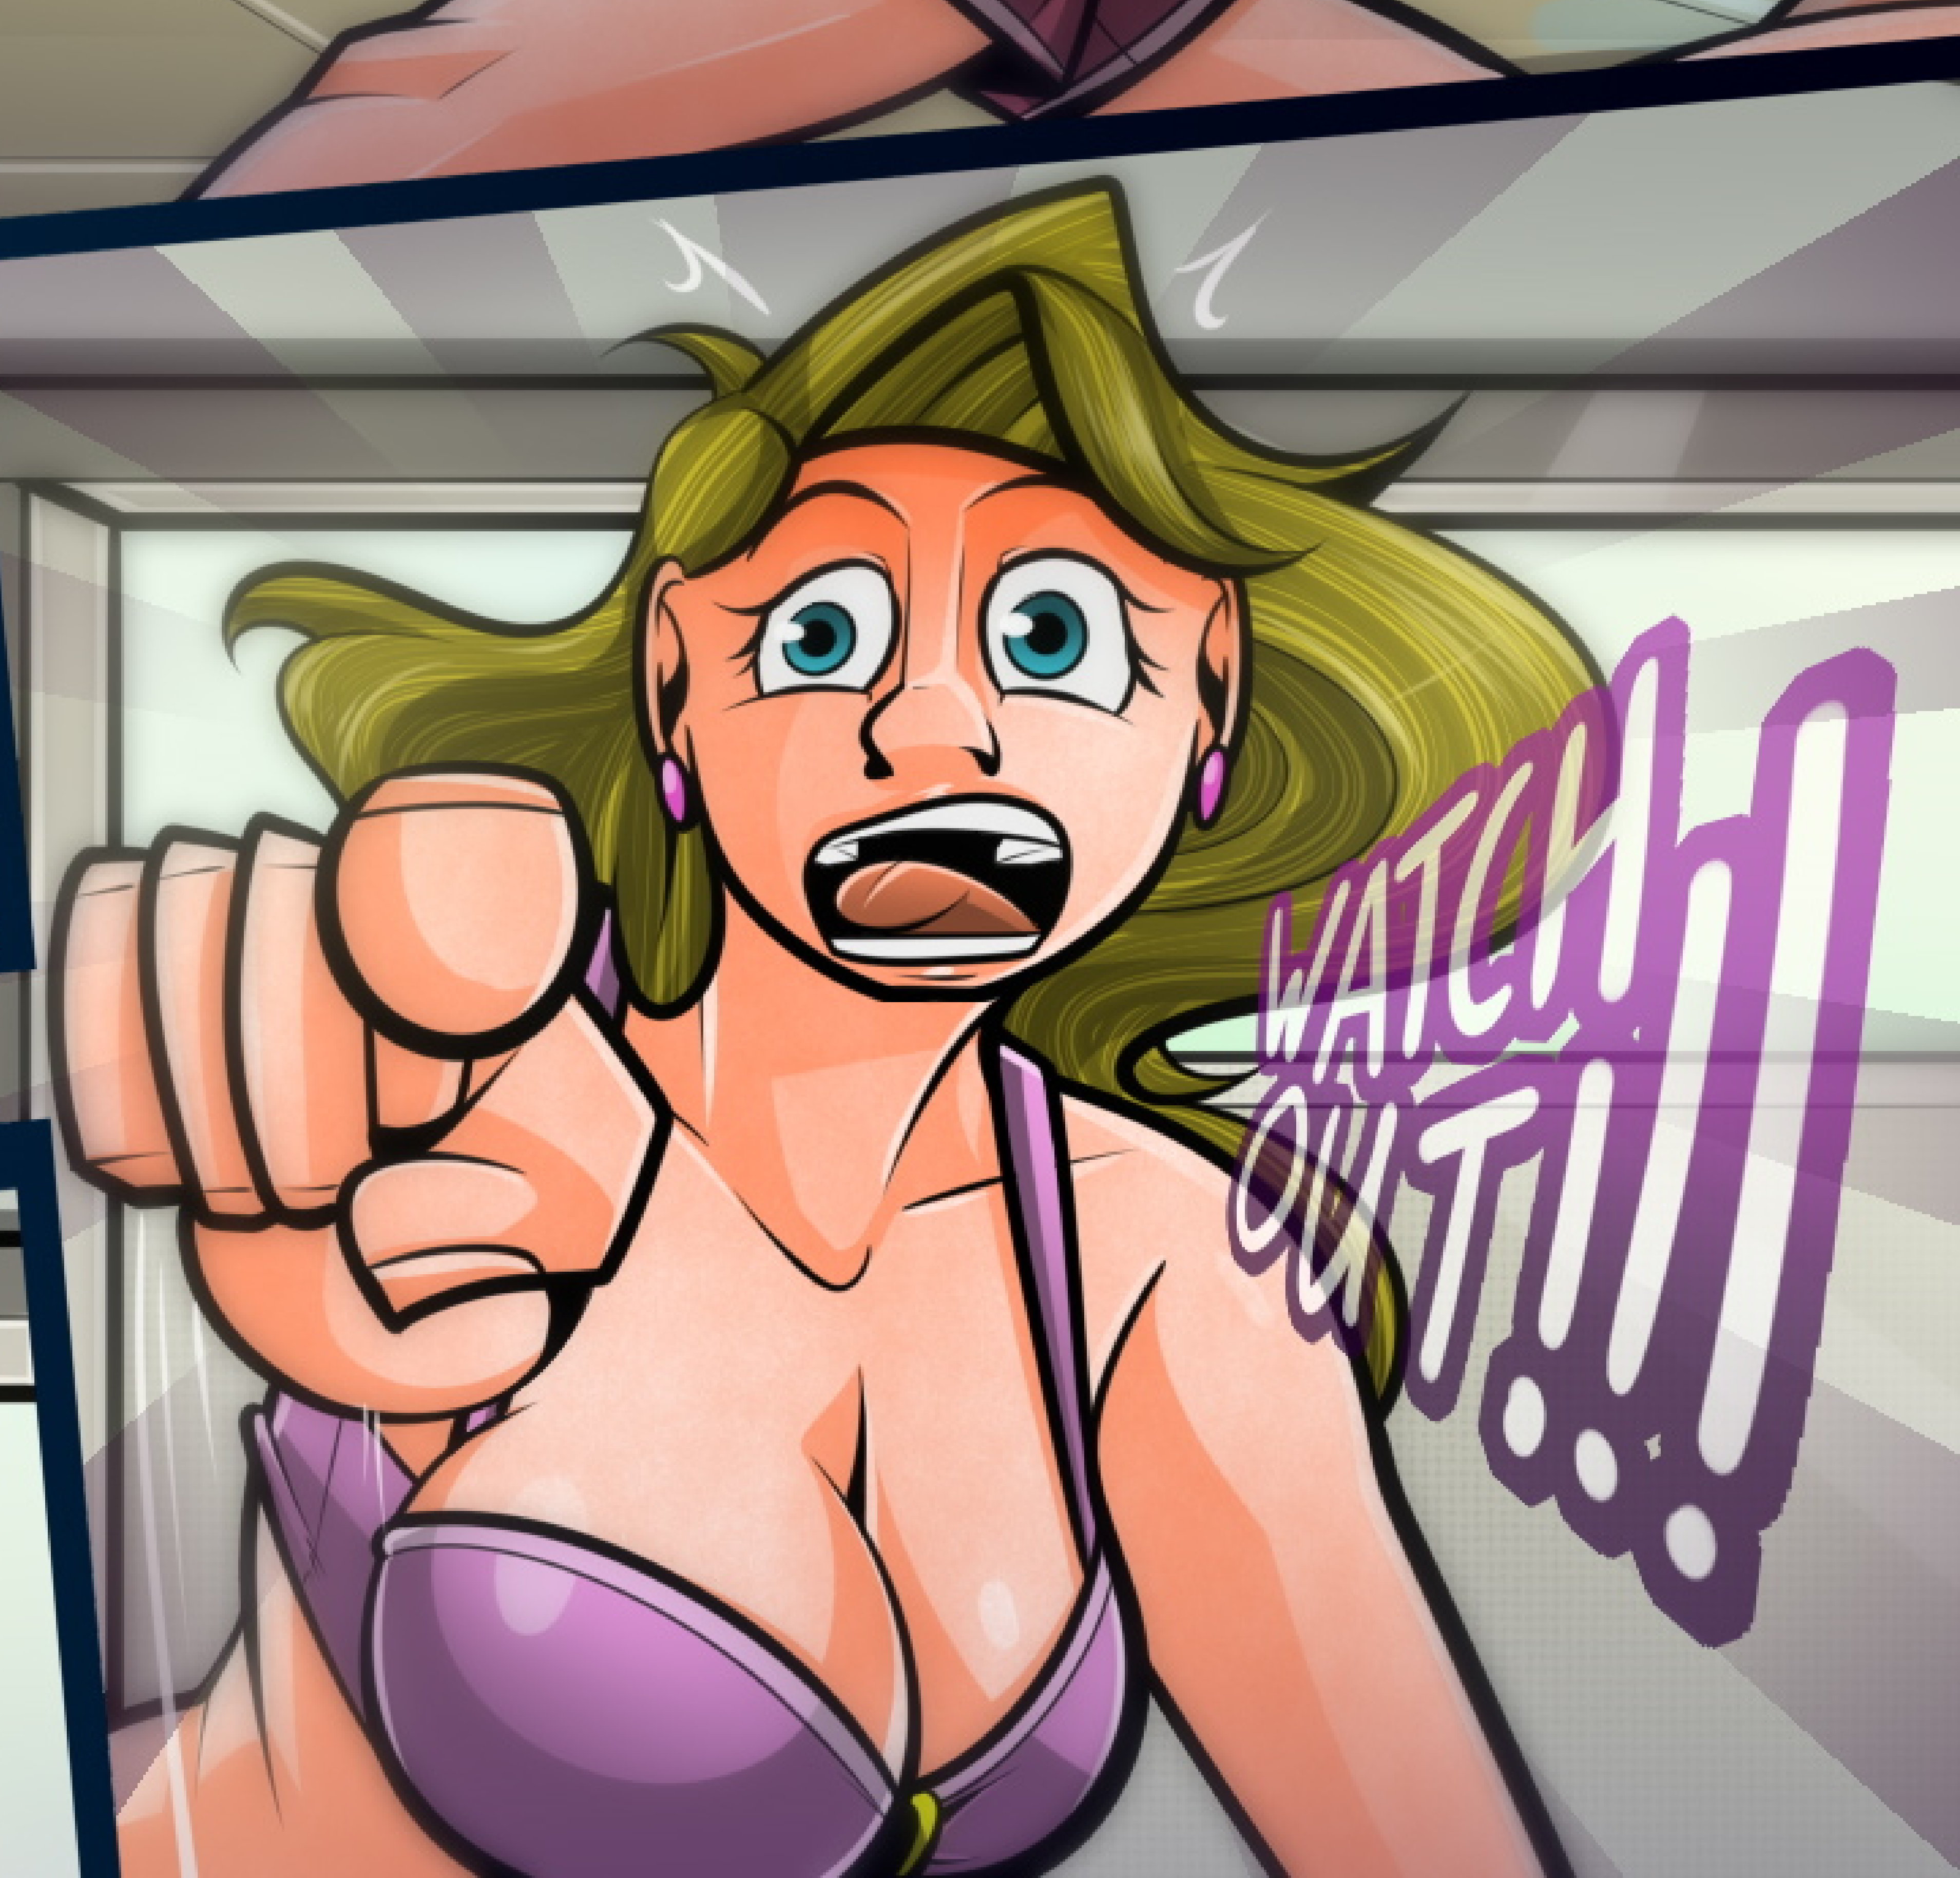

OKAY CHANGE OF PLANS, RUUUUN!

OH MY GOD!

Huh? It's that hot babe...

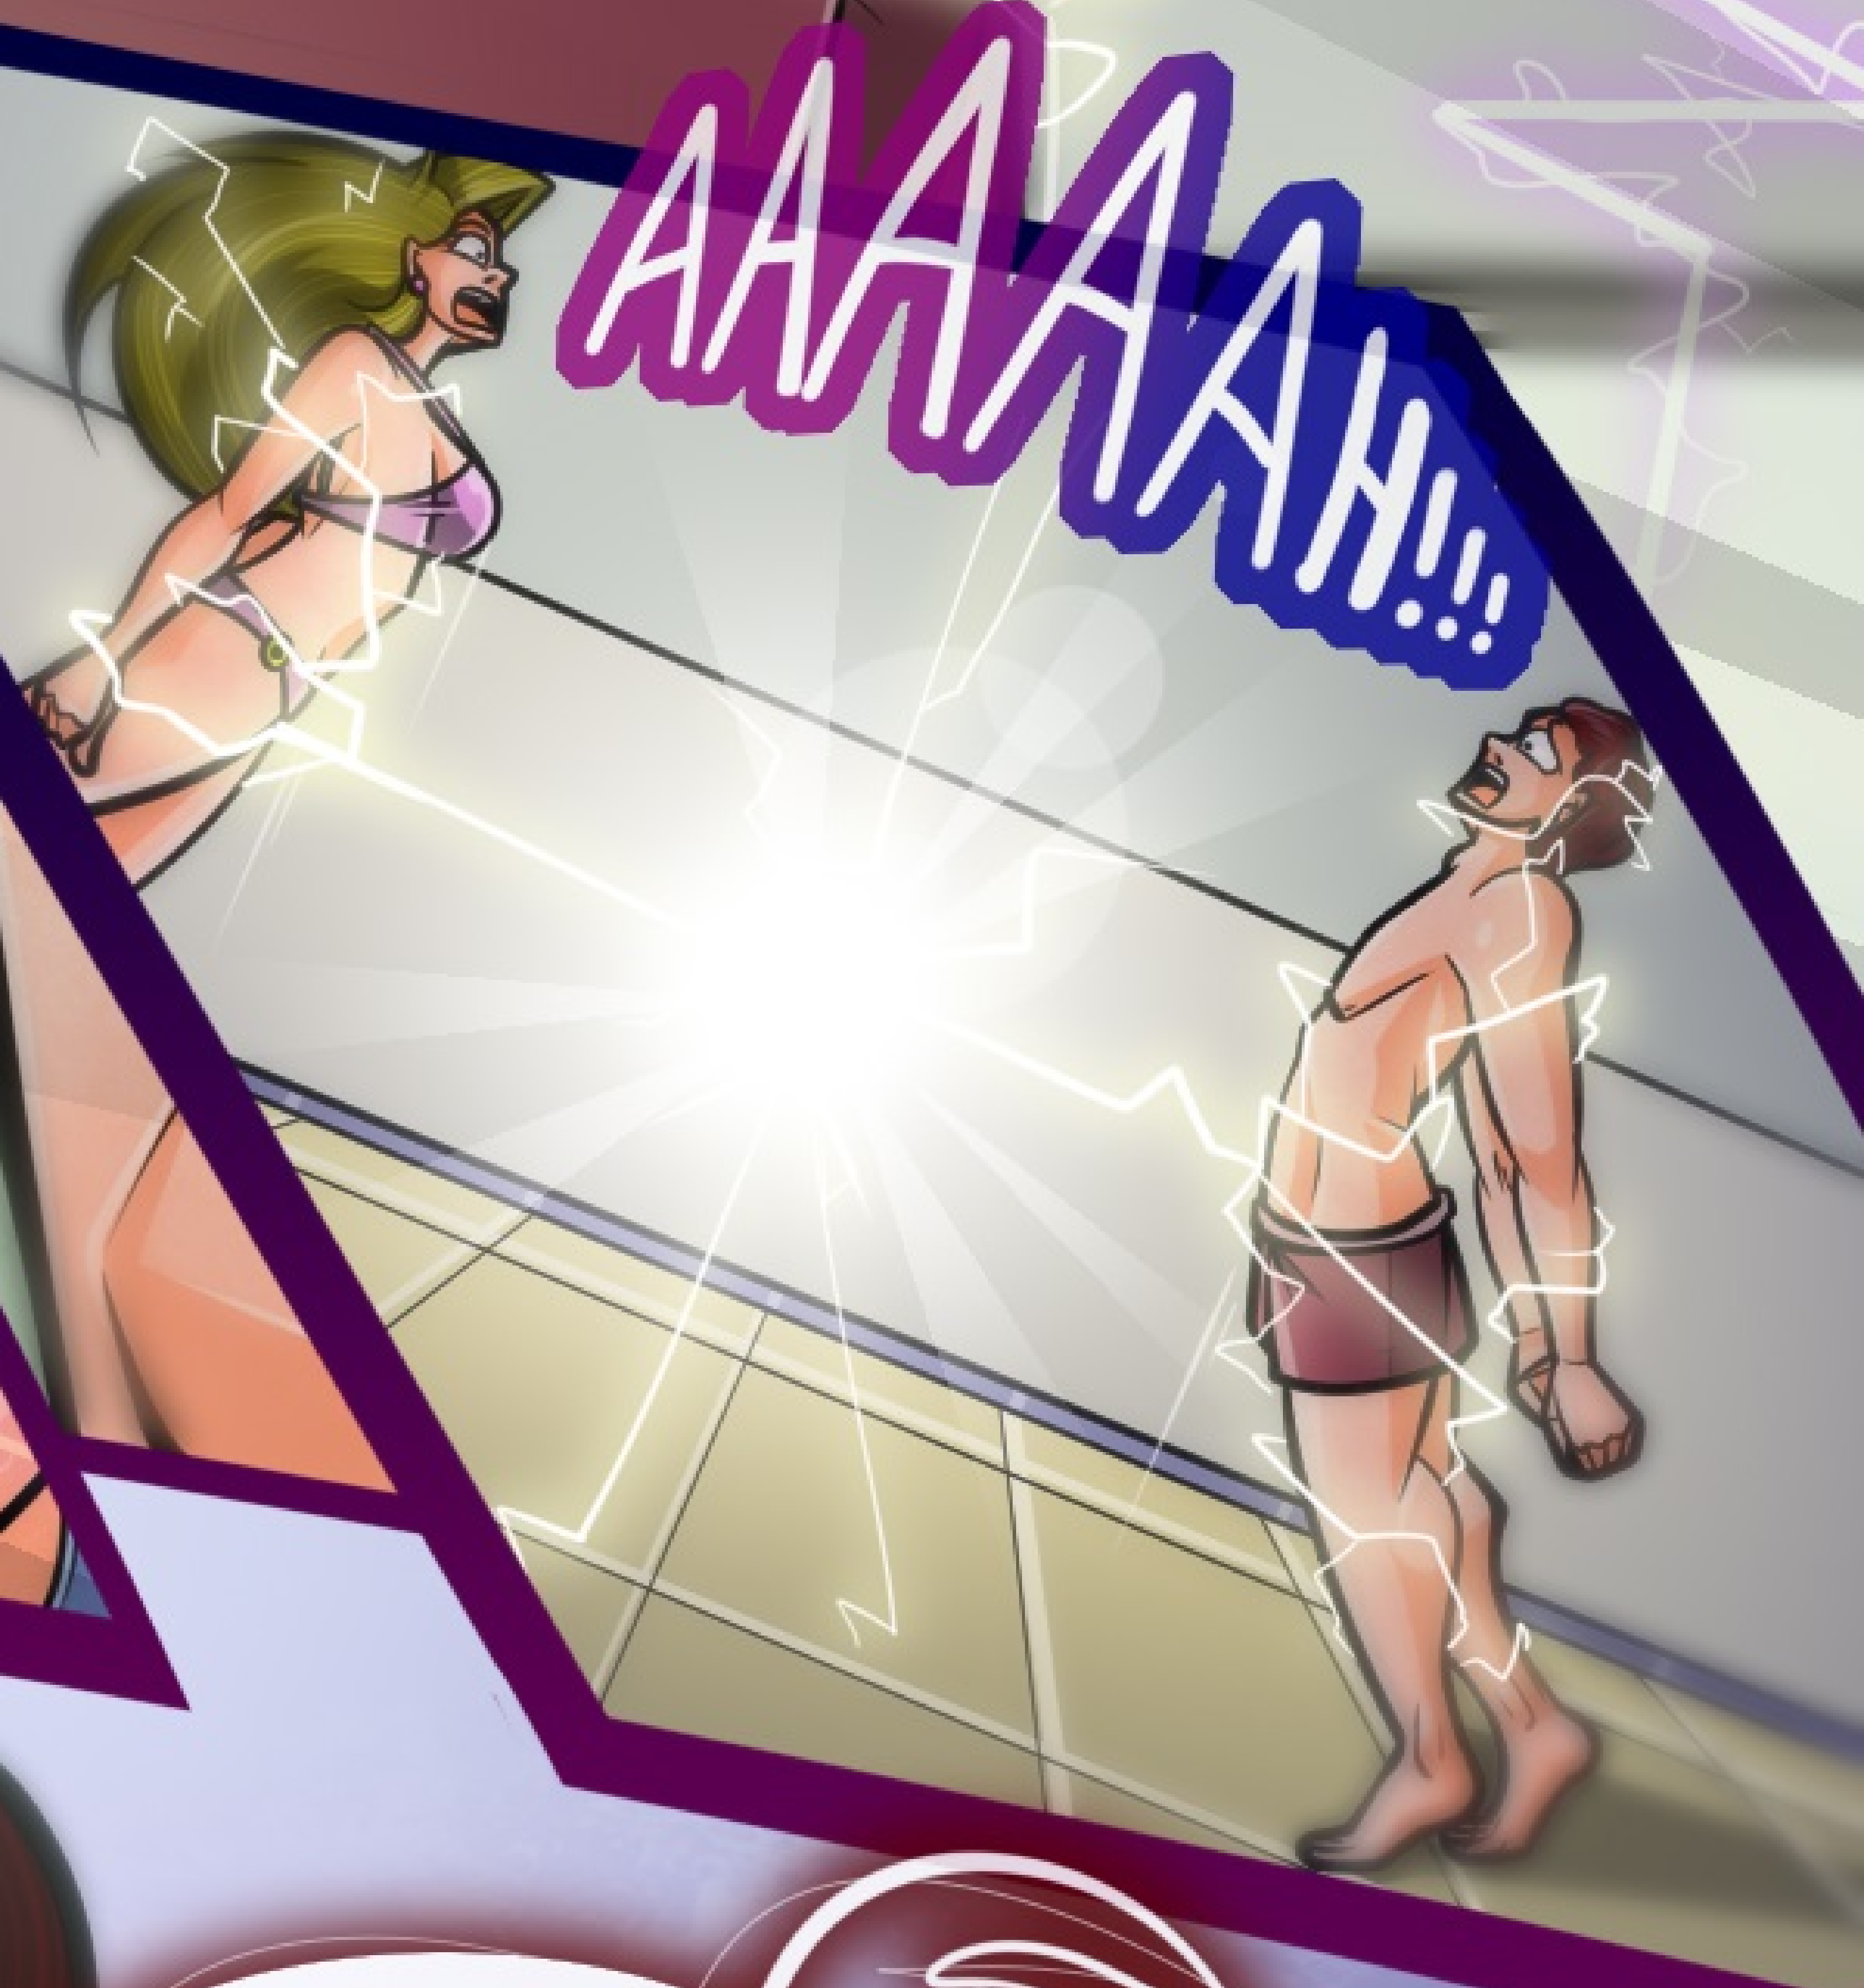

WATCH OUT!!!

Where is it...

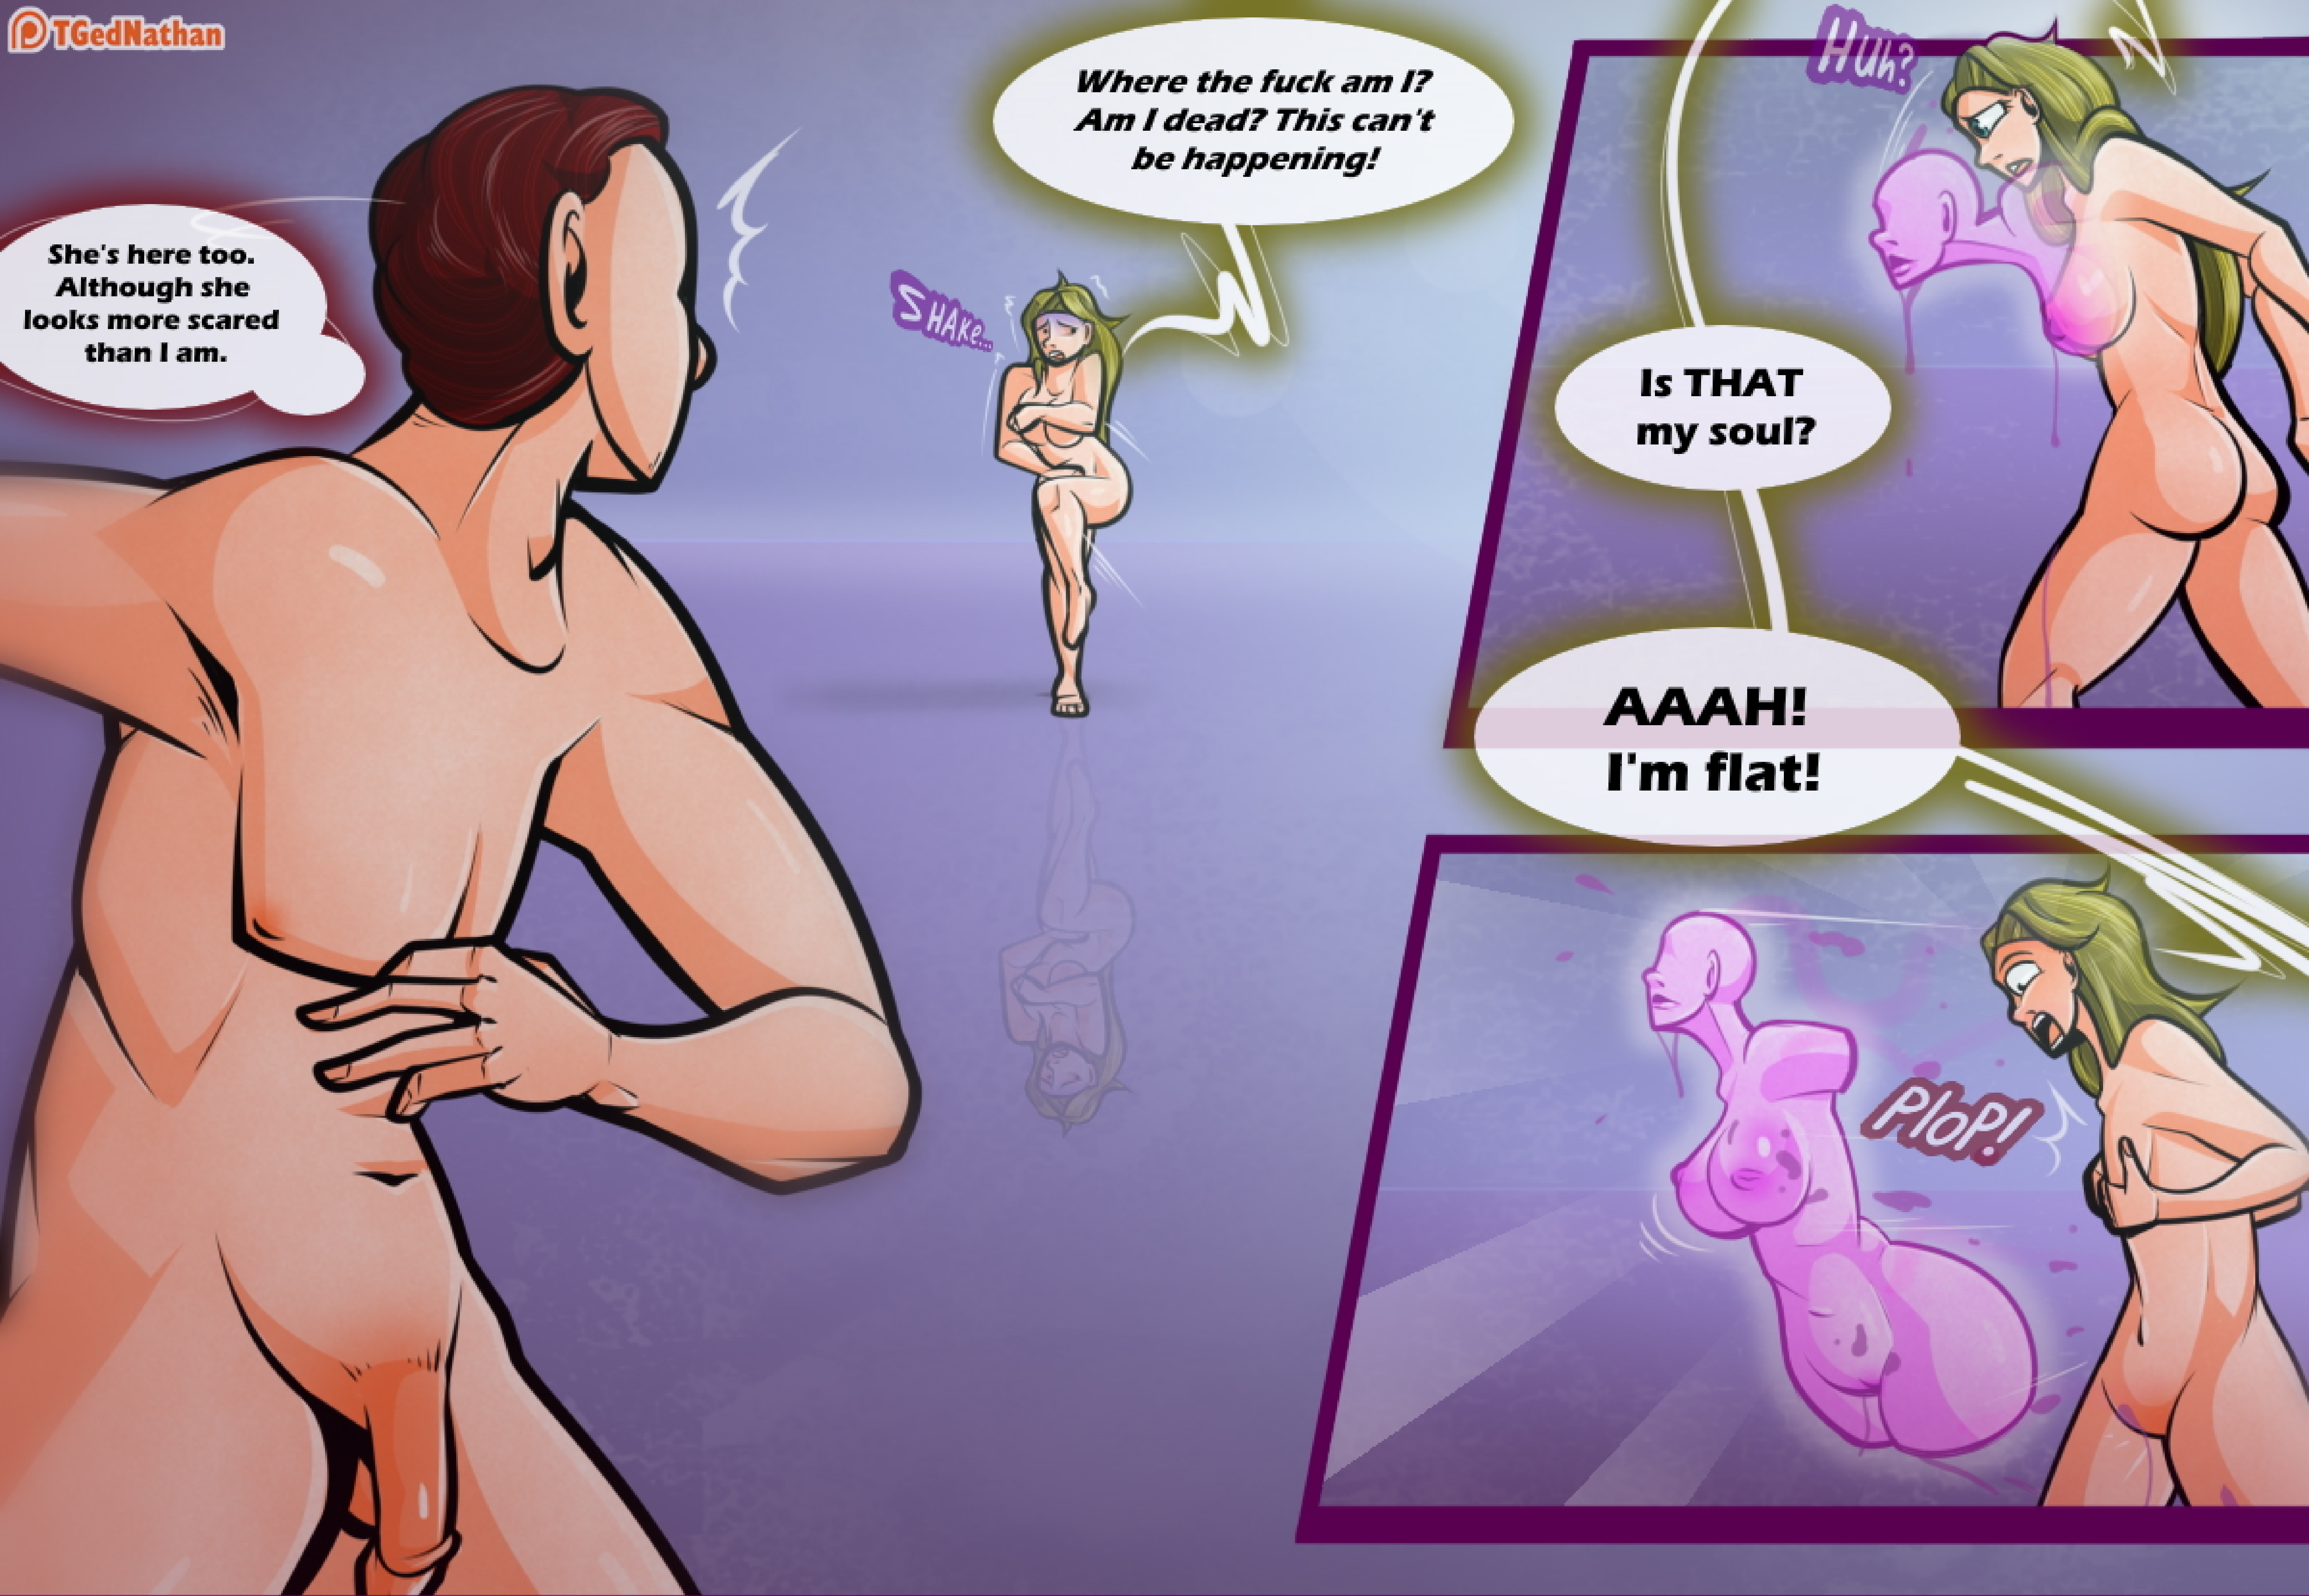

Stella!

What is this place?

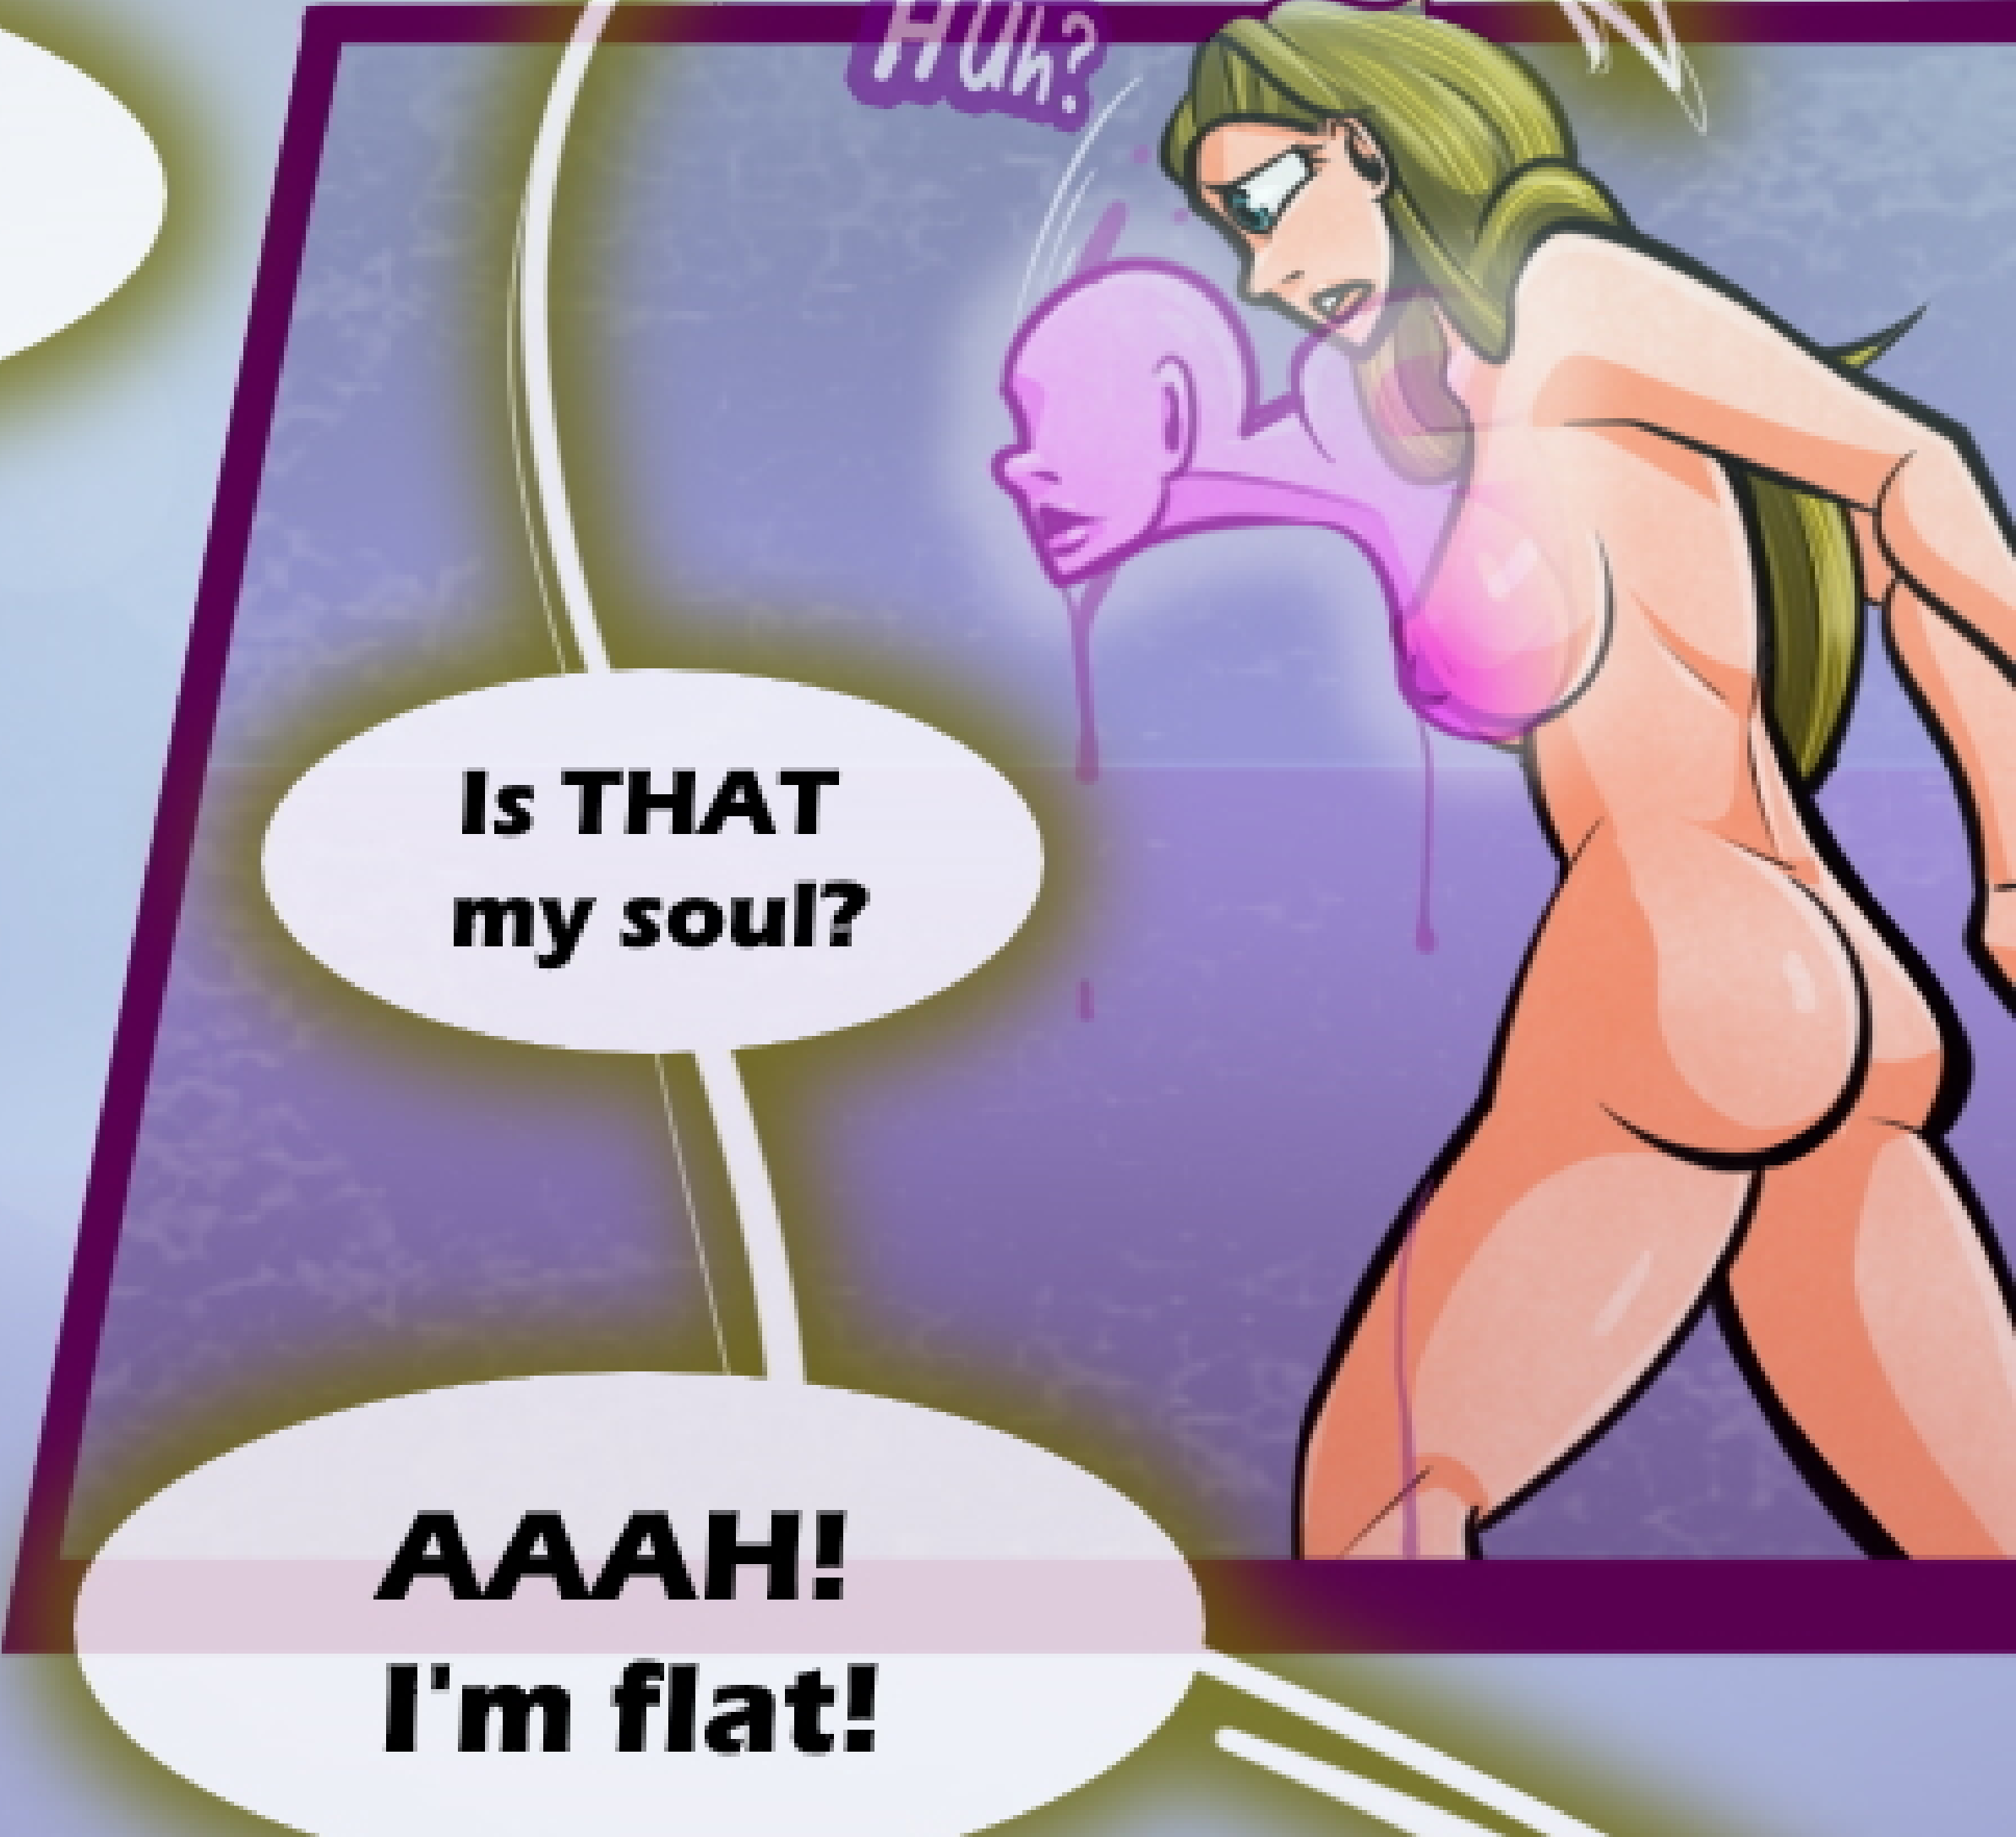

She's here too. Although she looks more scared than I am.

Where the fuck am I? Am I dead? This can't be happening!

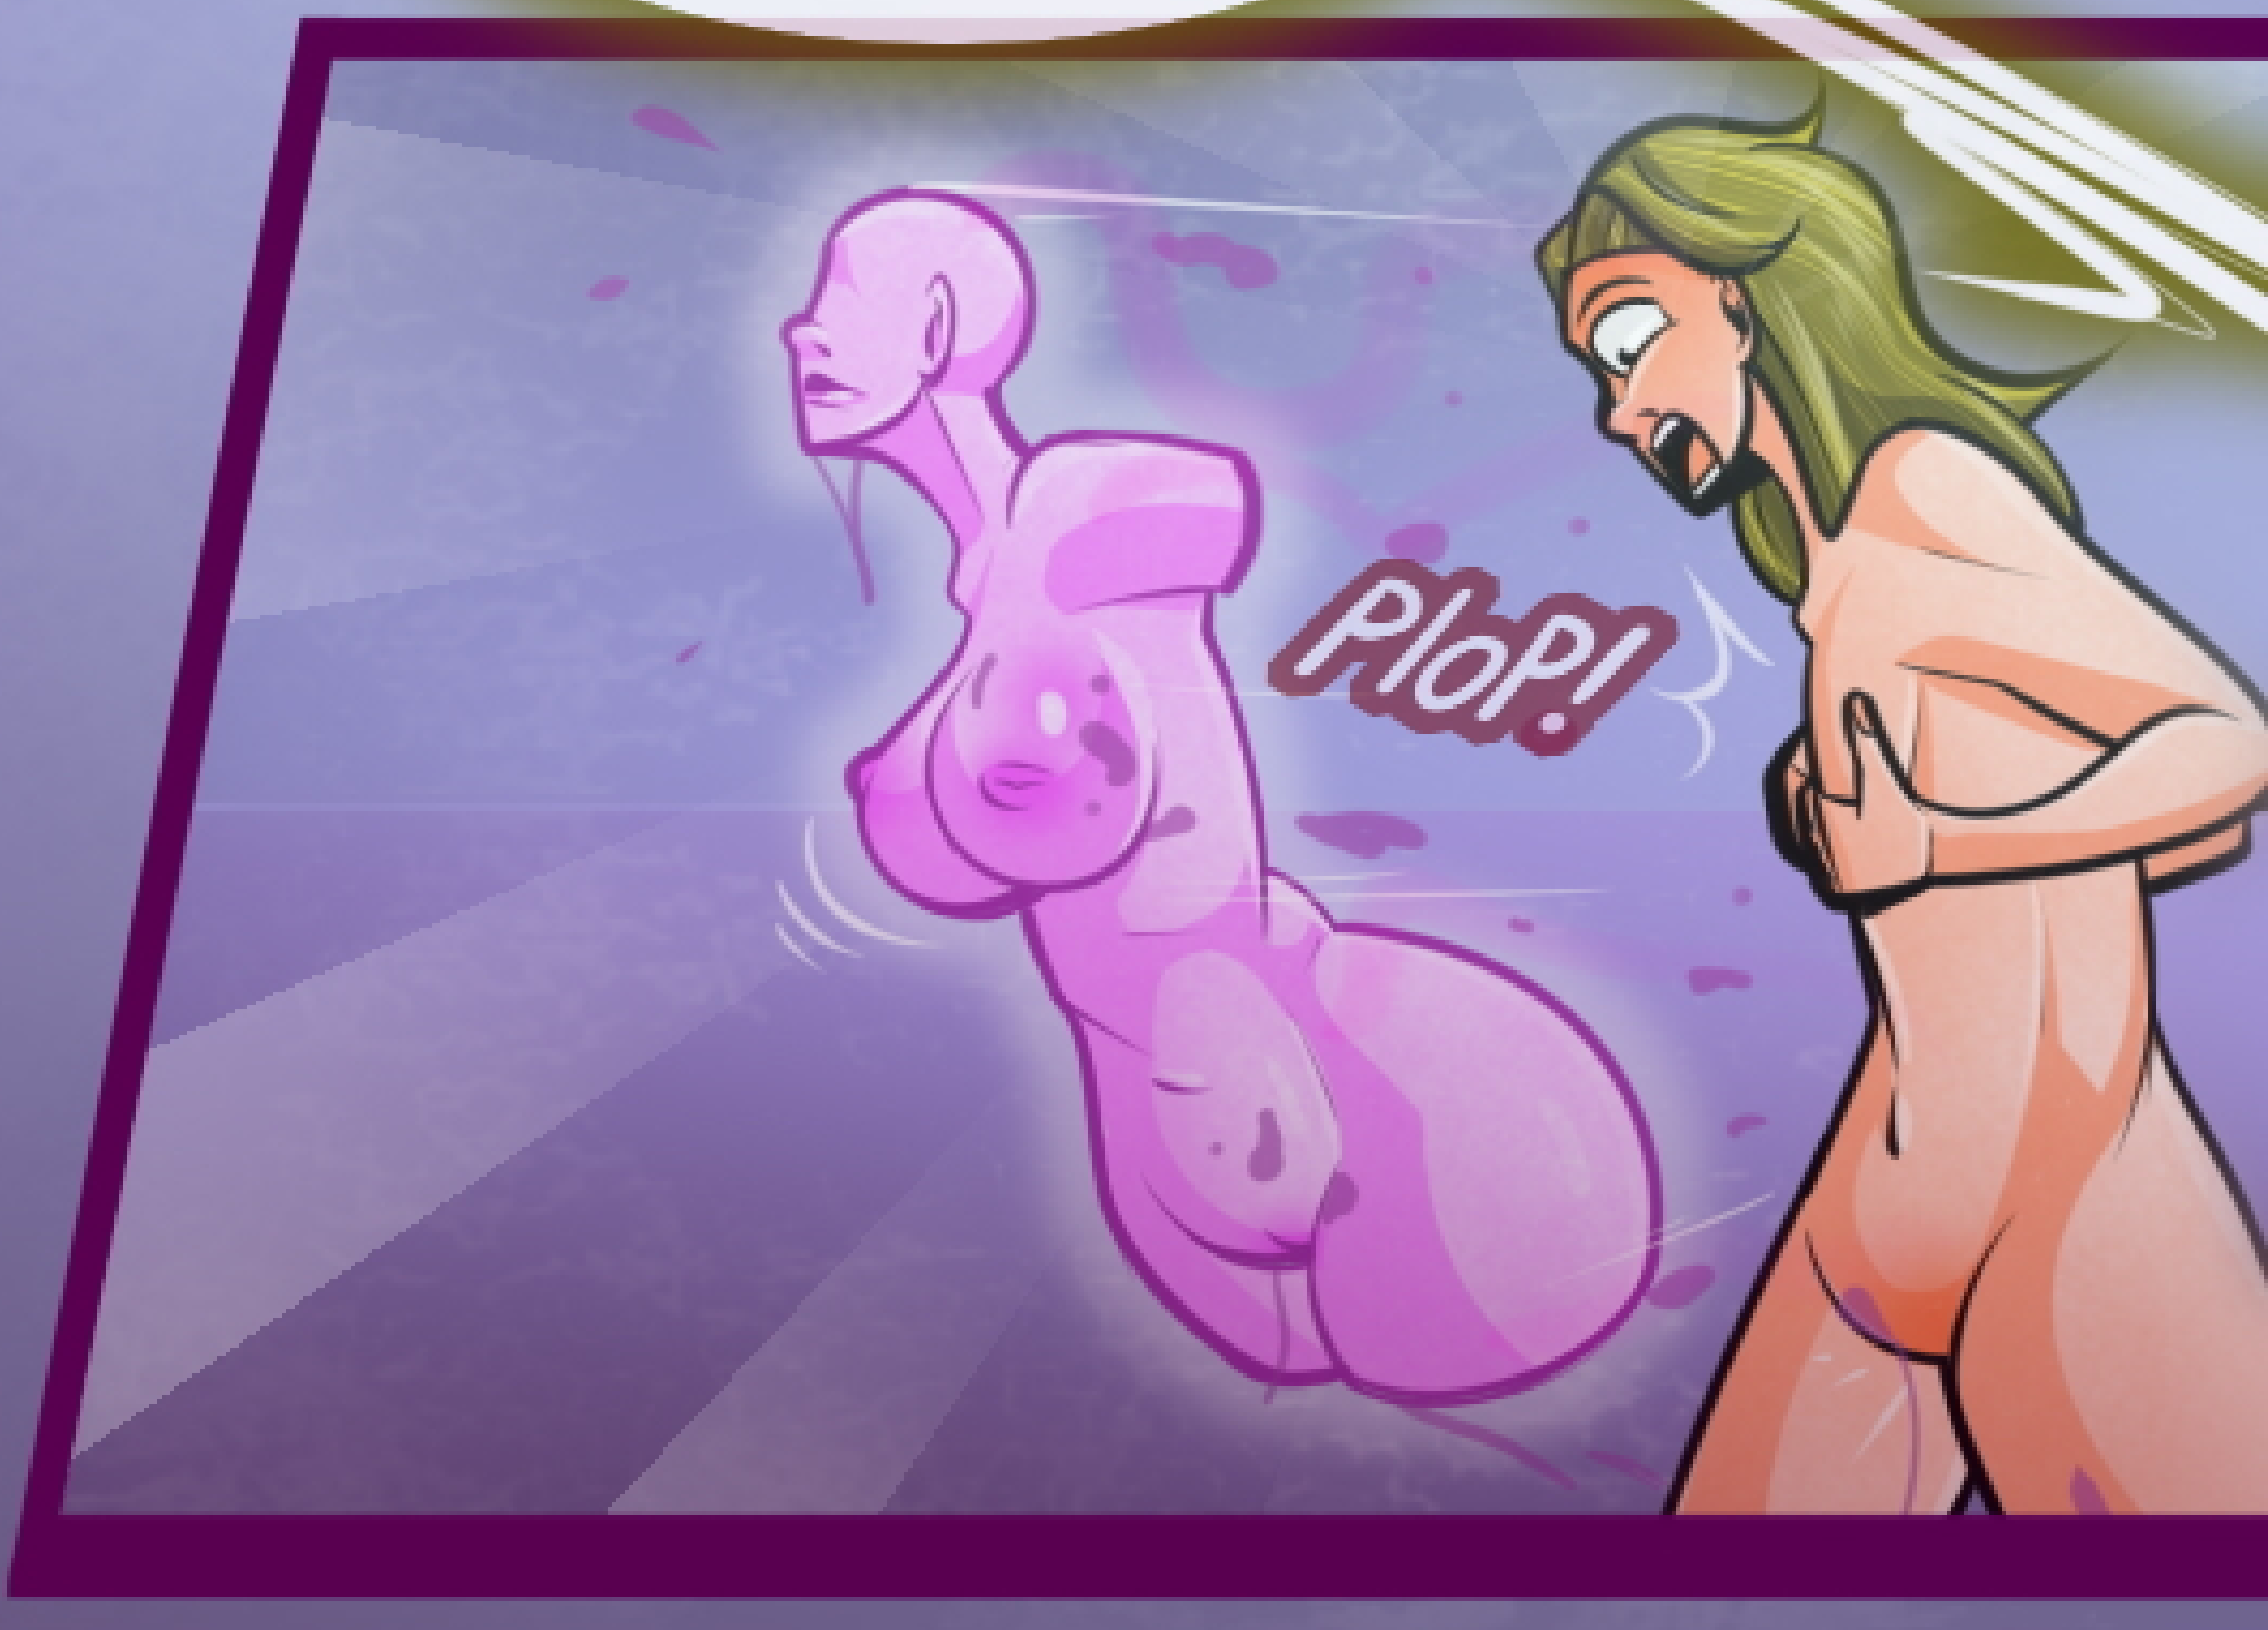

SHAKE...

Huh?

Is THAT my soul?

AAAH! I'm flat!

Plop!

I'm also flat! Wait a moment... Are we...

Plop!

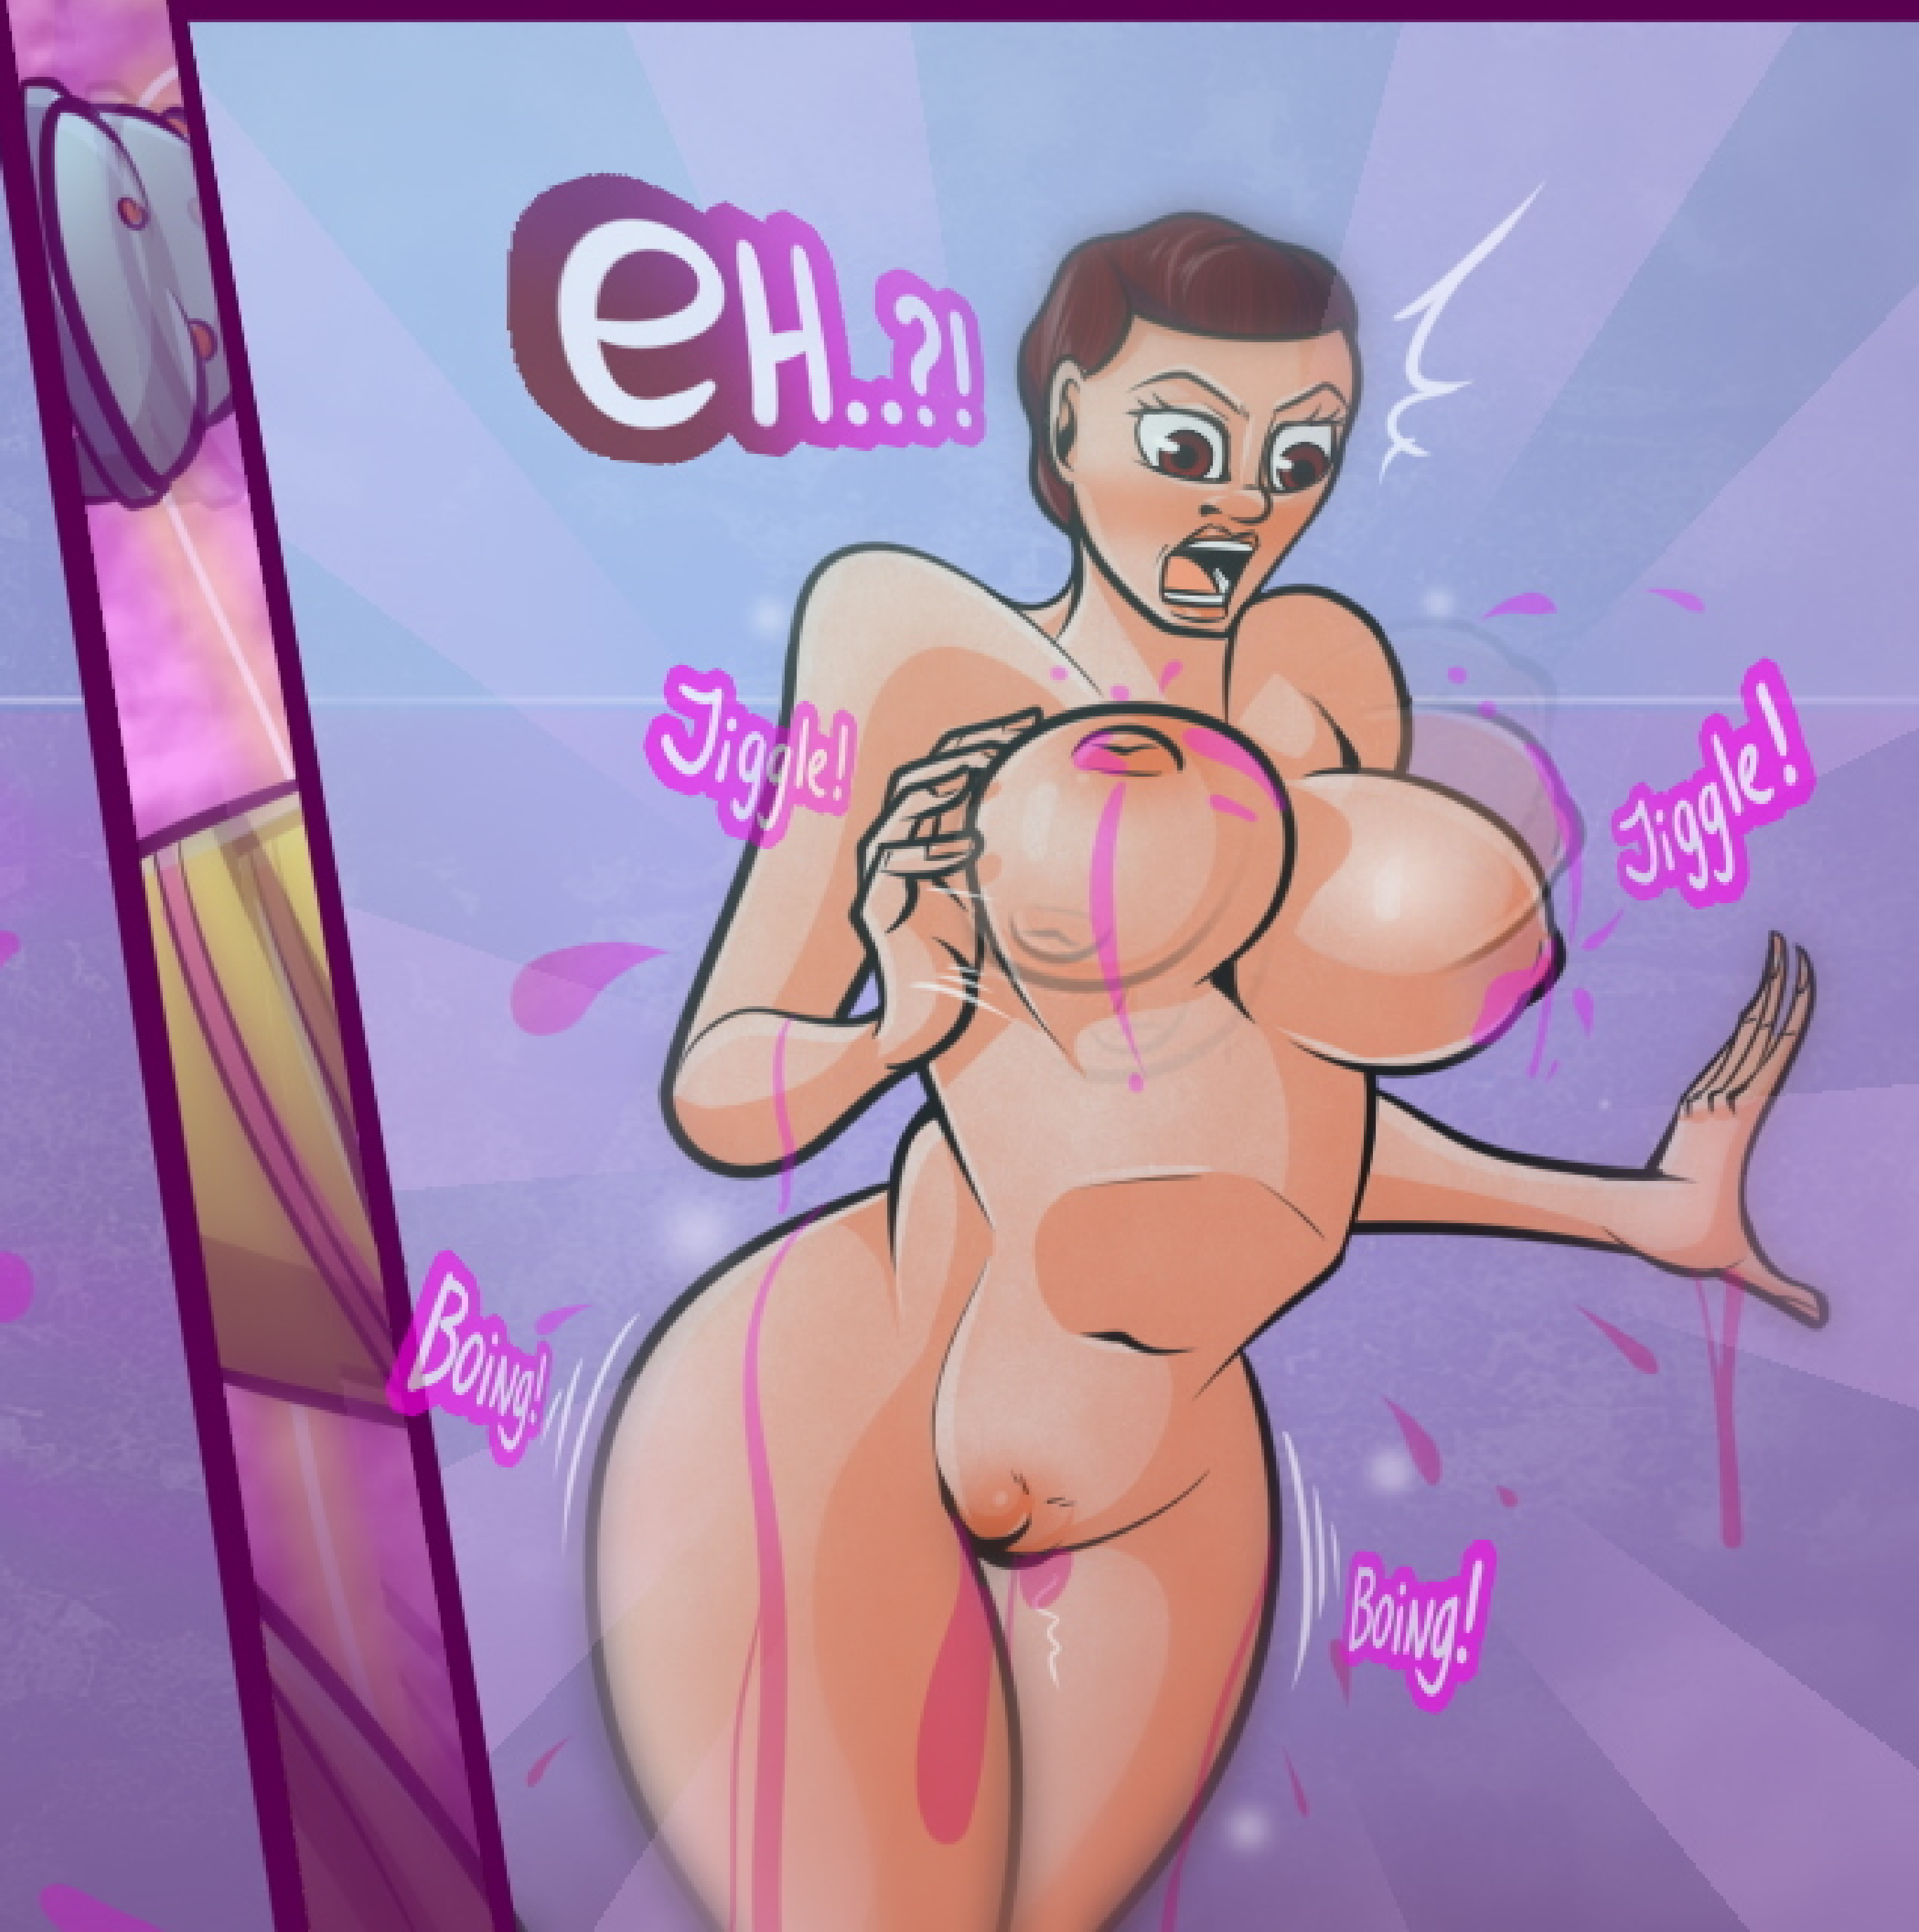

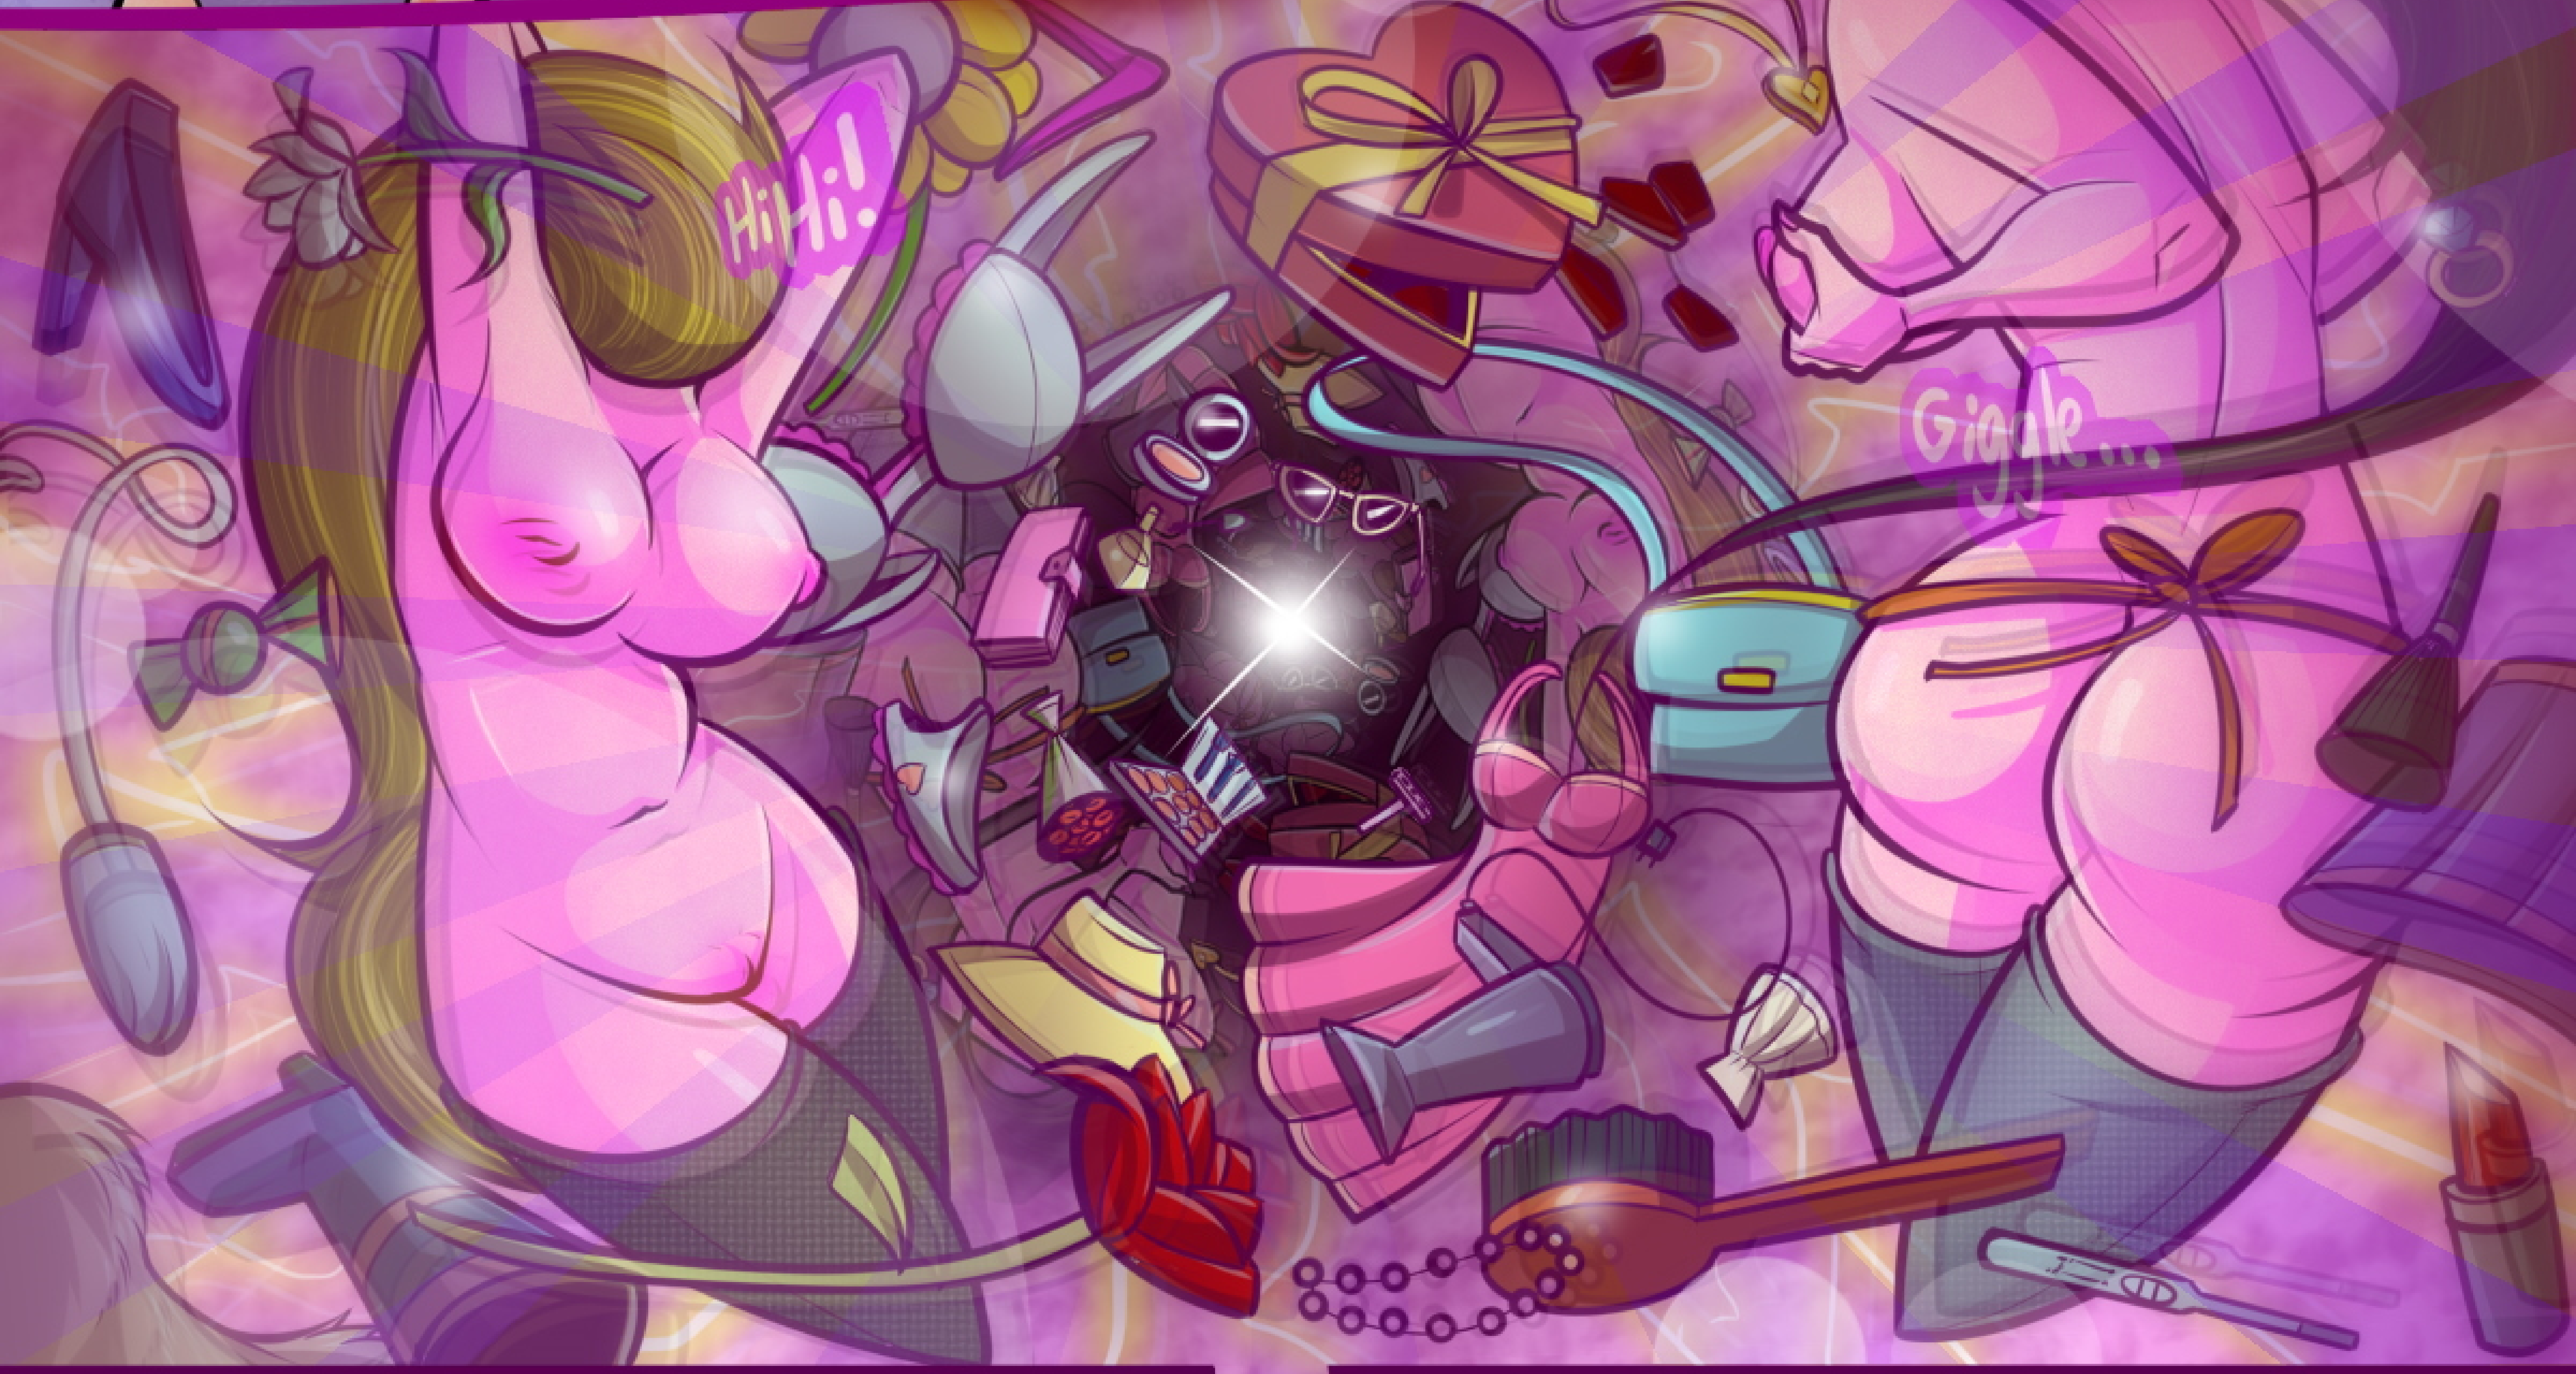

WOOSH...

WOOSH...

swapping...

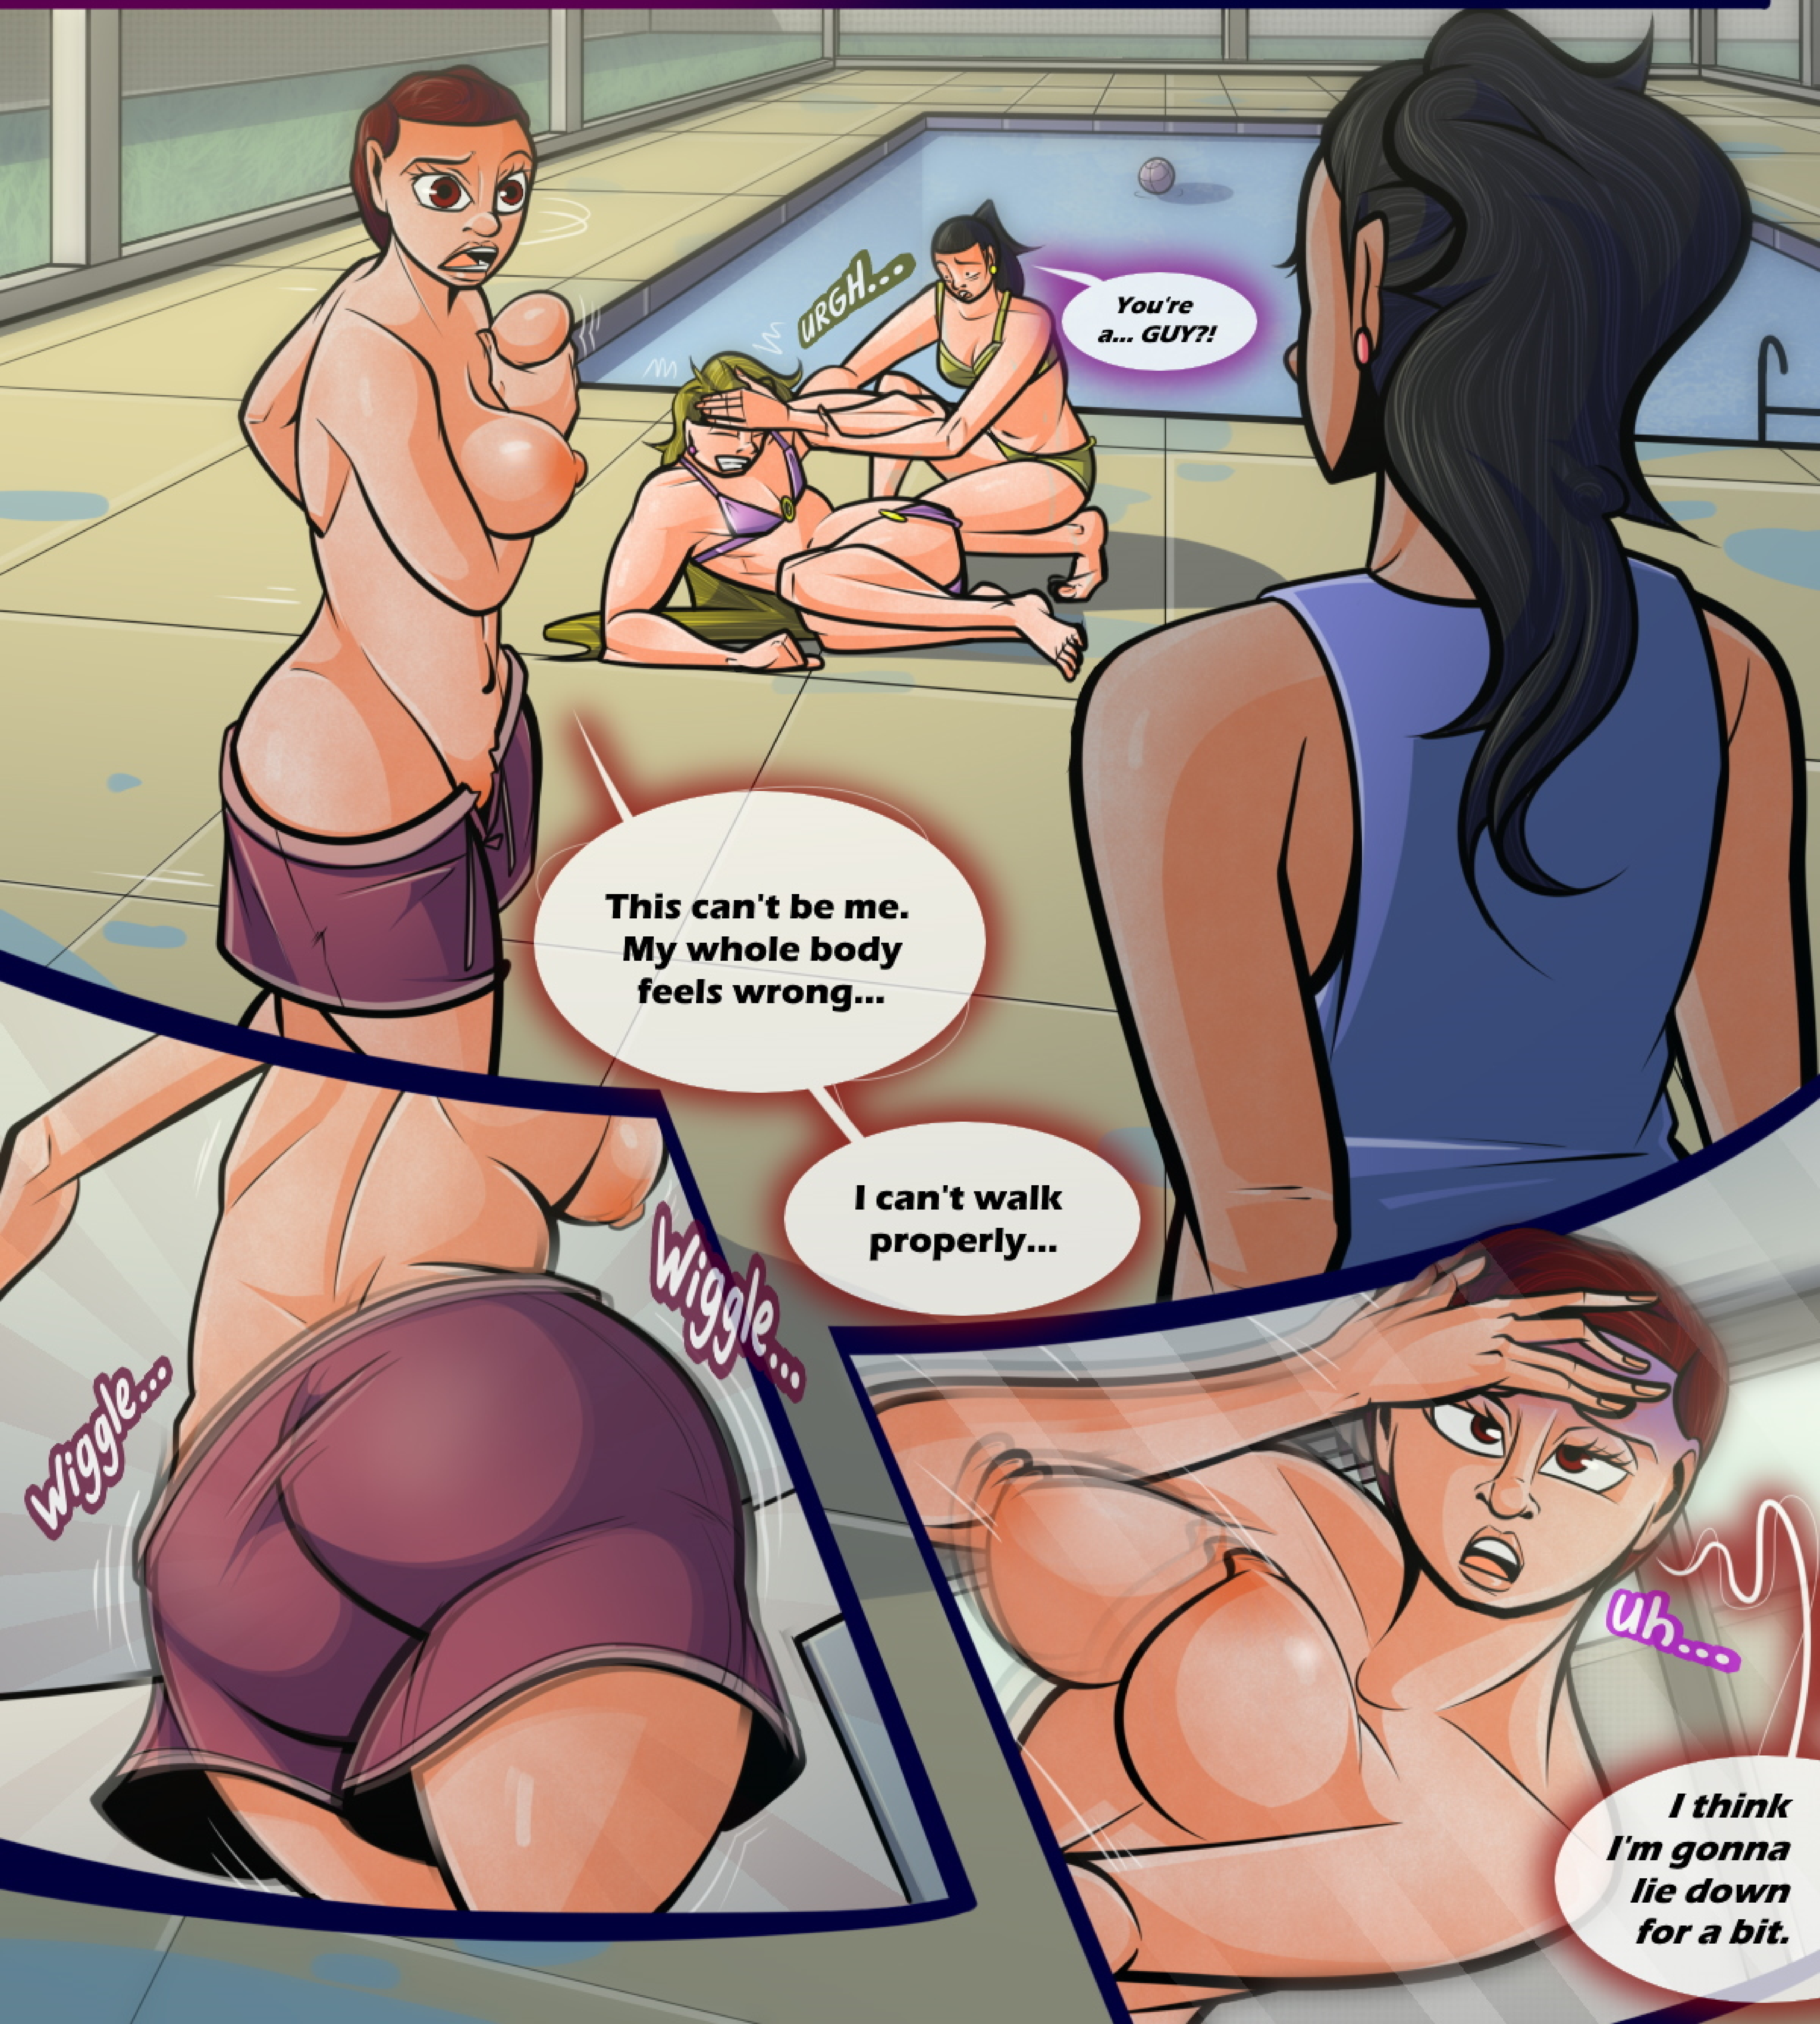

**I am a girl?!  
This is impossible!**

**John...  
is that

*Squeeze...*

*Squeeze...*

**You're  
a... GUY?!**

*URGH...*

**This can't be me.  
My whole body  
feels wrong...**

**I can't walk  
properly...**

*Wiggle...*

*Wiggle...*

**I think  
I'm gonna  
lie down  
for a bit.**

*Uh...*

One hour later...

JOHN!

Let's get this straight.

Krr...

After she pulled back the blue orb into the gun, she went over the hedge on the east side of the pool, am I correct?

Yes! May I ask... do you guys know this terrorist?

We can't say for much, but she goes by the name of "the Role Exchanger".

CRIME SCENE - DO NOT CROSS

She used to work at a science lab before having a mental break down. We've been tracking her for several months now.

But don't worry! We'll definitely catch her and return you all to normal. We promise!

FLASH!

Thank you...

You're welcome!

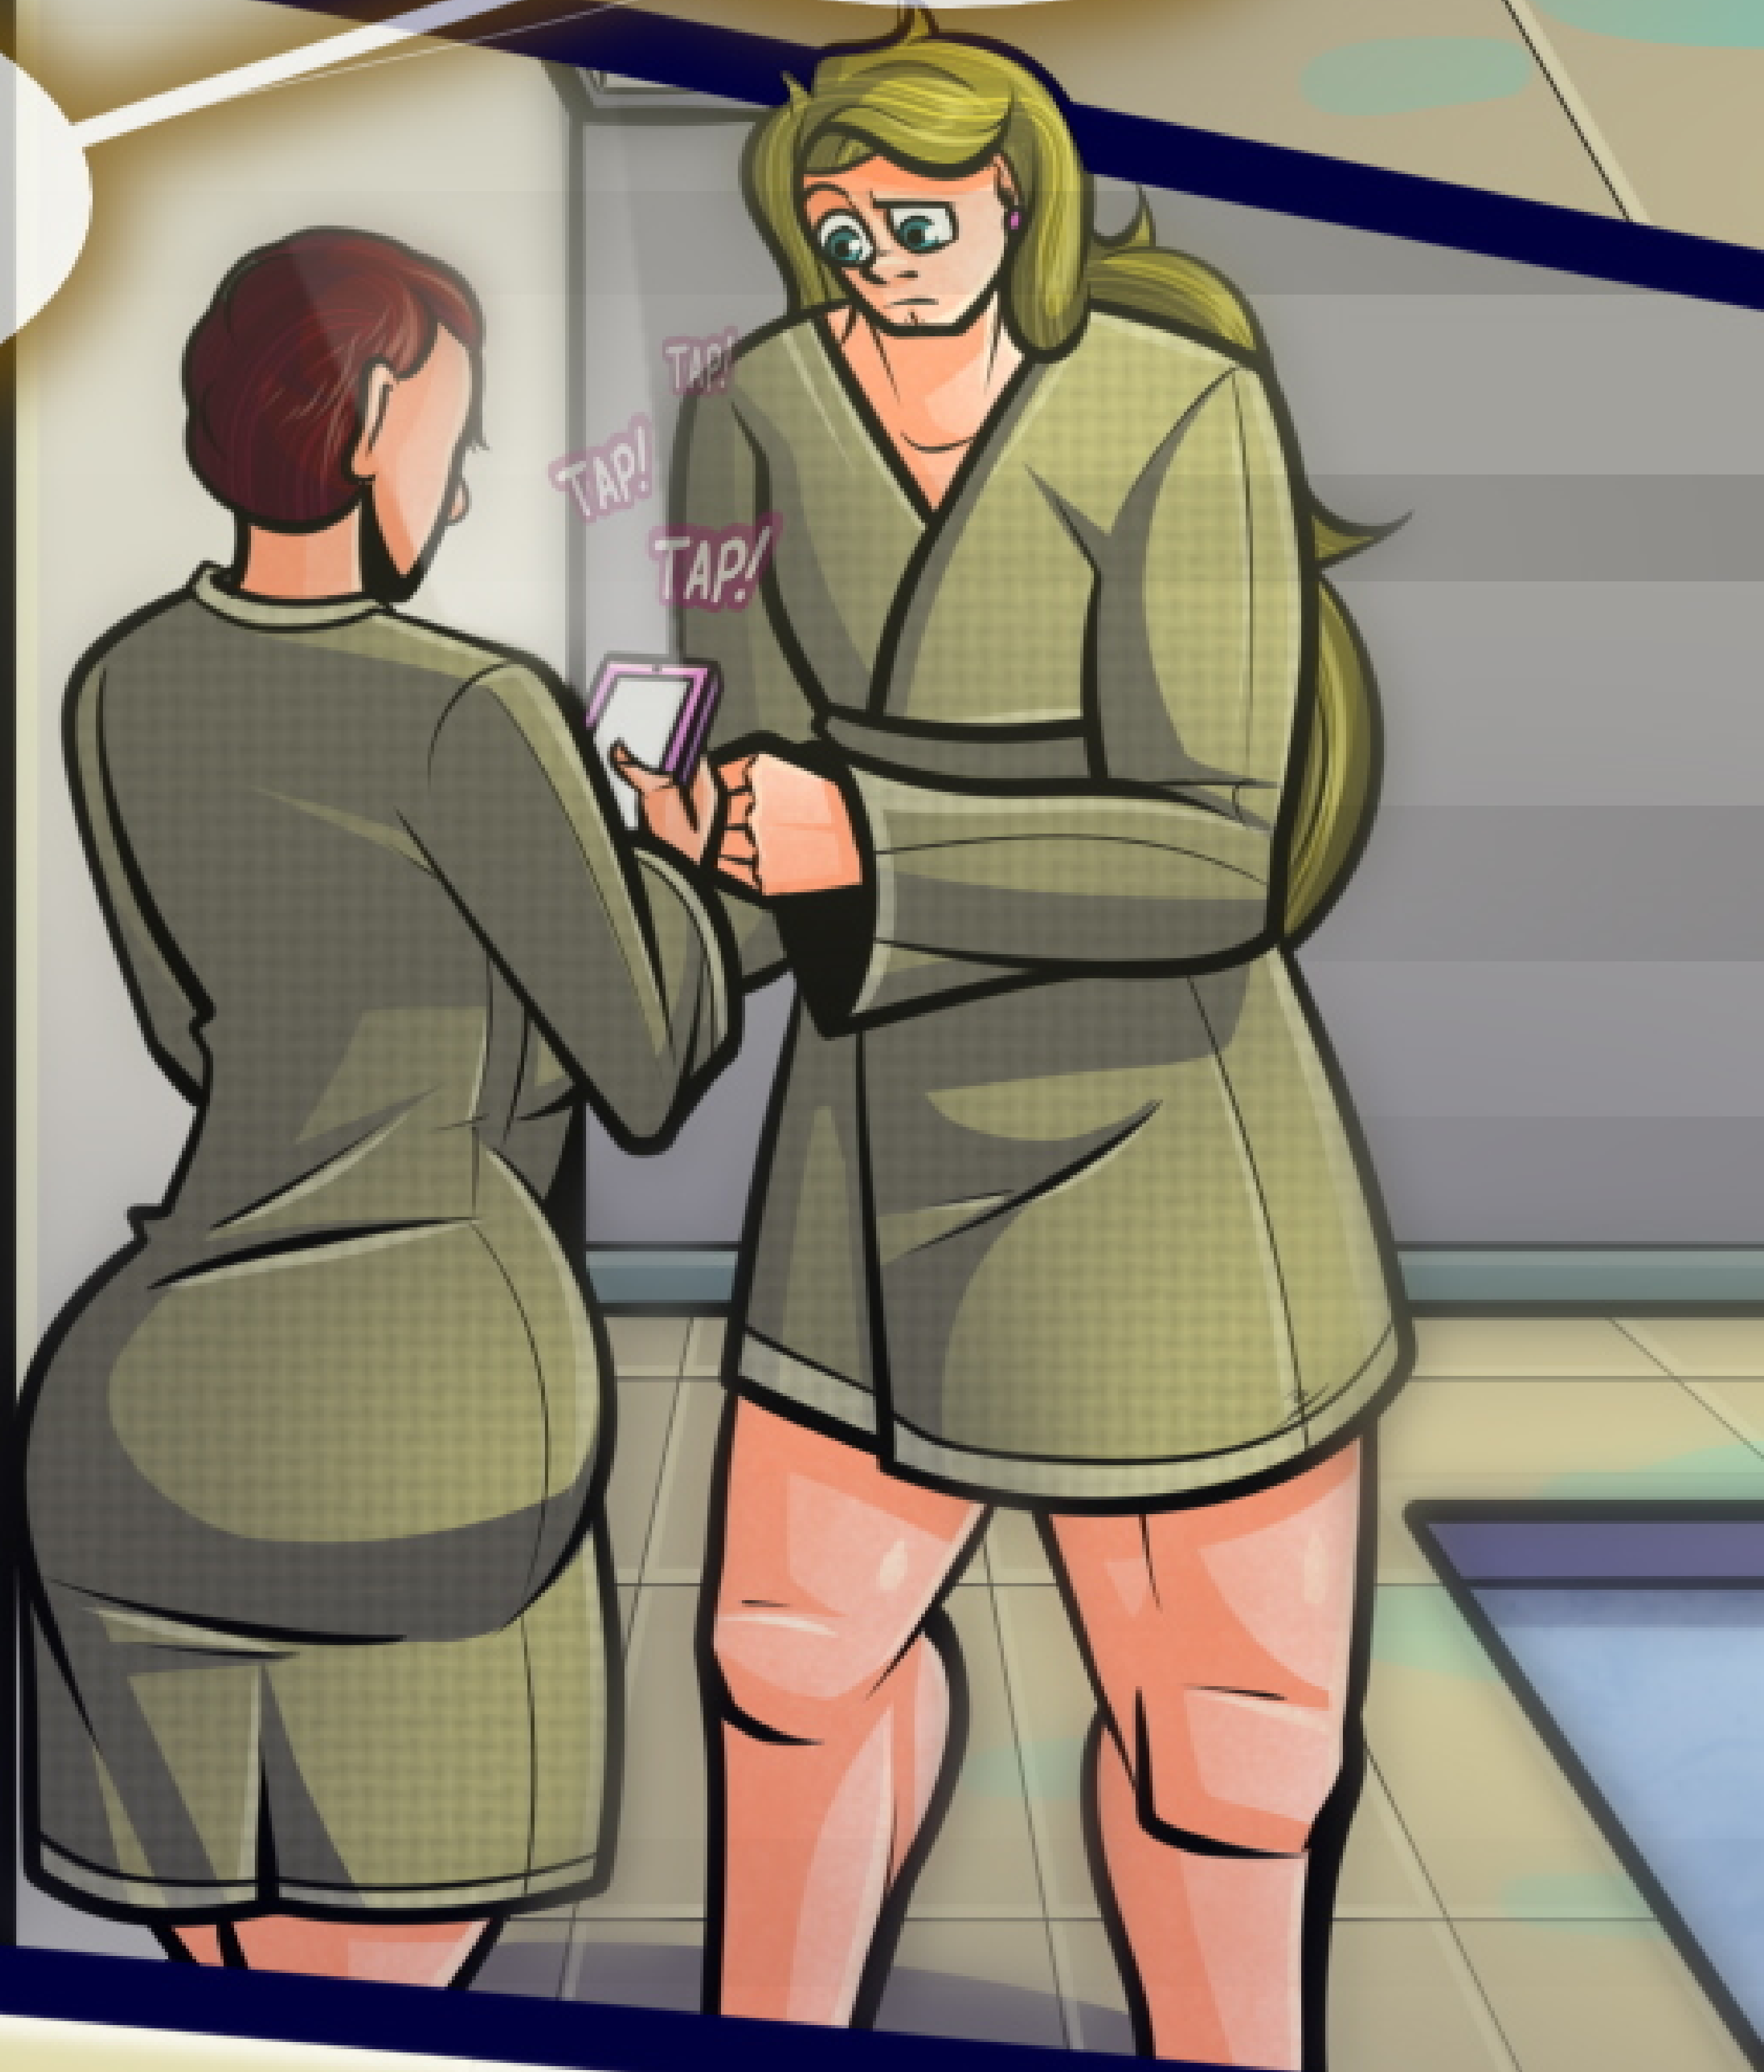

Do you know where John went?

Yes, she...

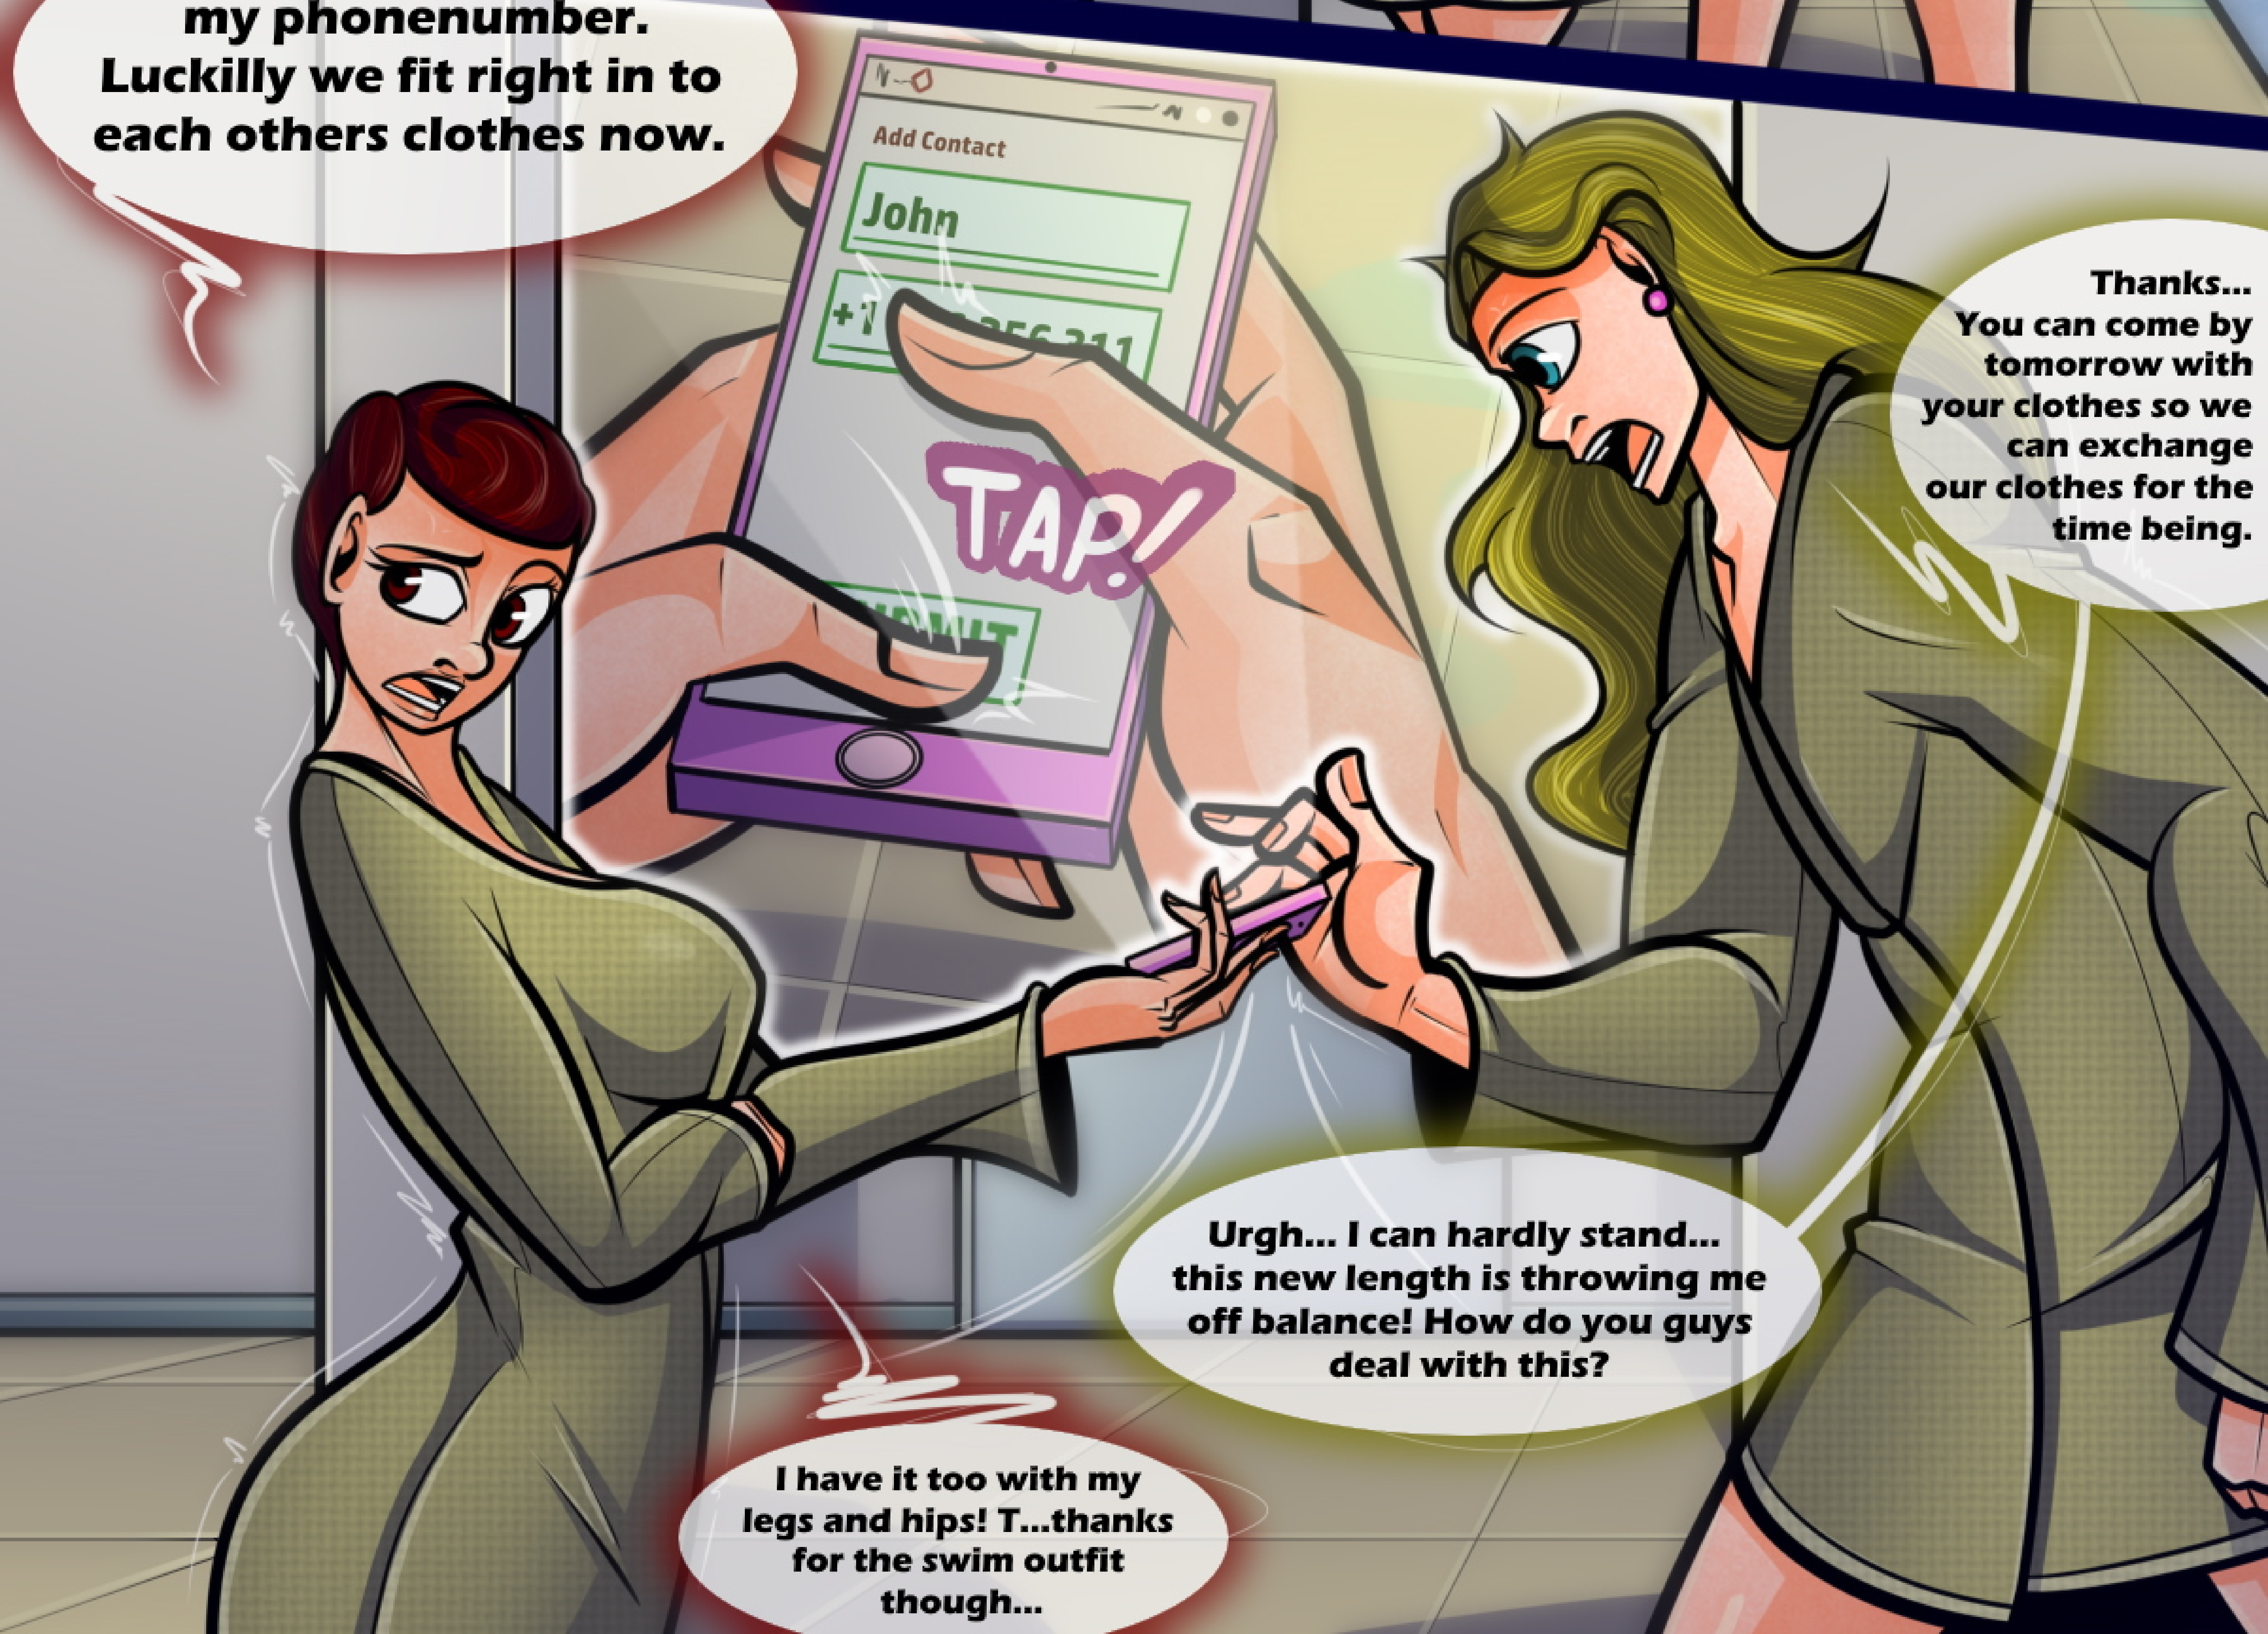

uhm... I mean, he's over there.

Here's my phonenumber. Luckily we fit right in to each others clothes now.

Thanks... You can come by tomorrow with your clothes so we can exchange our clothes for the time being.

Urgh... I can hardly stand... this new length is throwing me off balance! How do you guys deal with this?

I have it too with my legs and hips! T...thanks for the swim outfit though...

I Can't believe I'm a big burly man now... everything looks so much smaller... This is horrible!

Don't worry, the cops will figure out something.

This sucks!

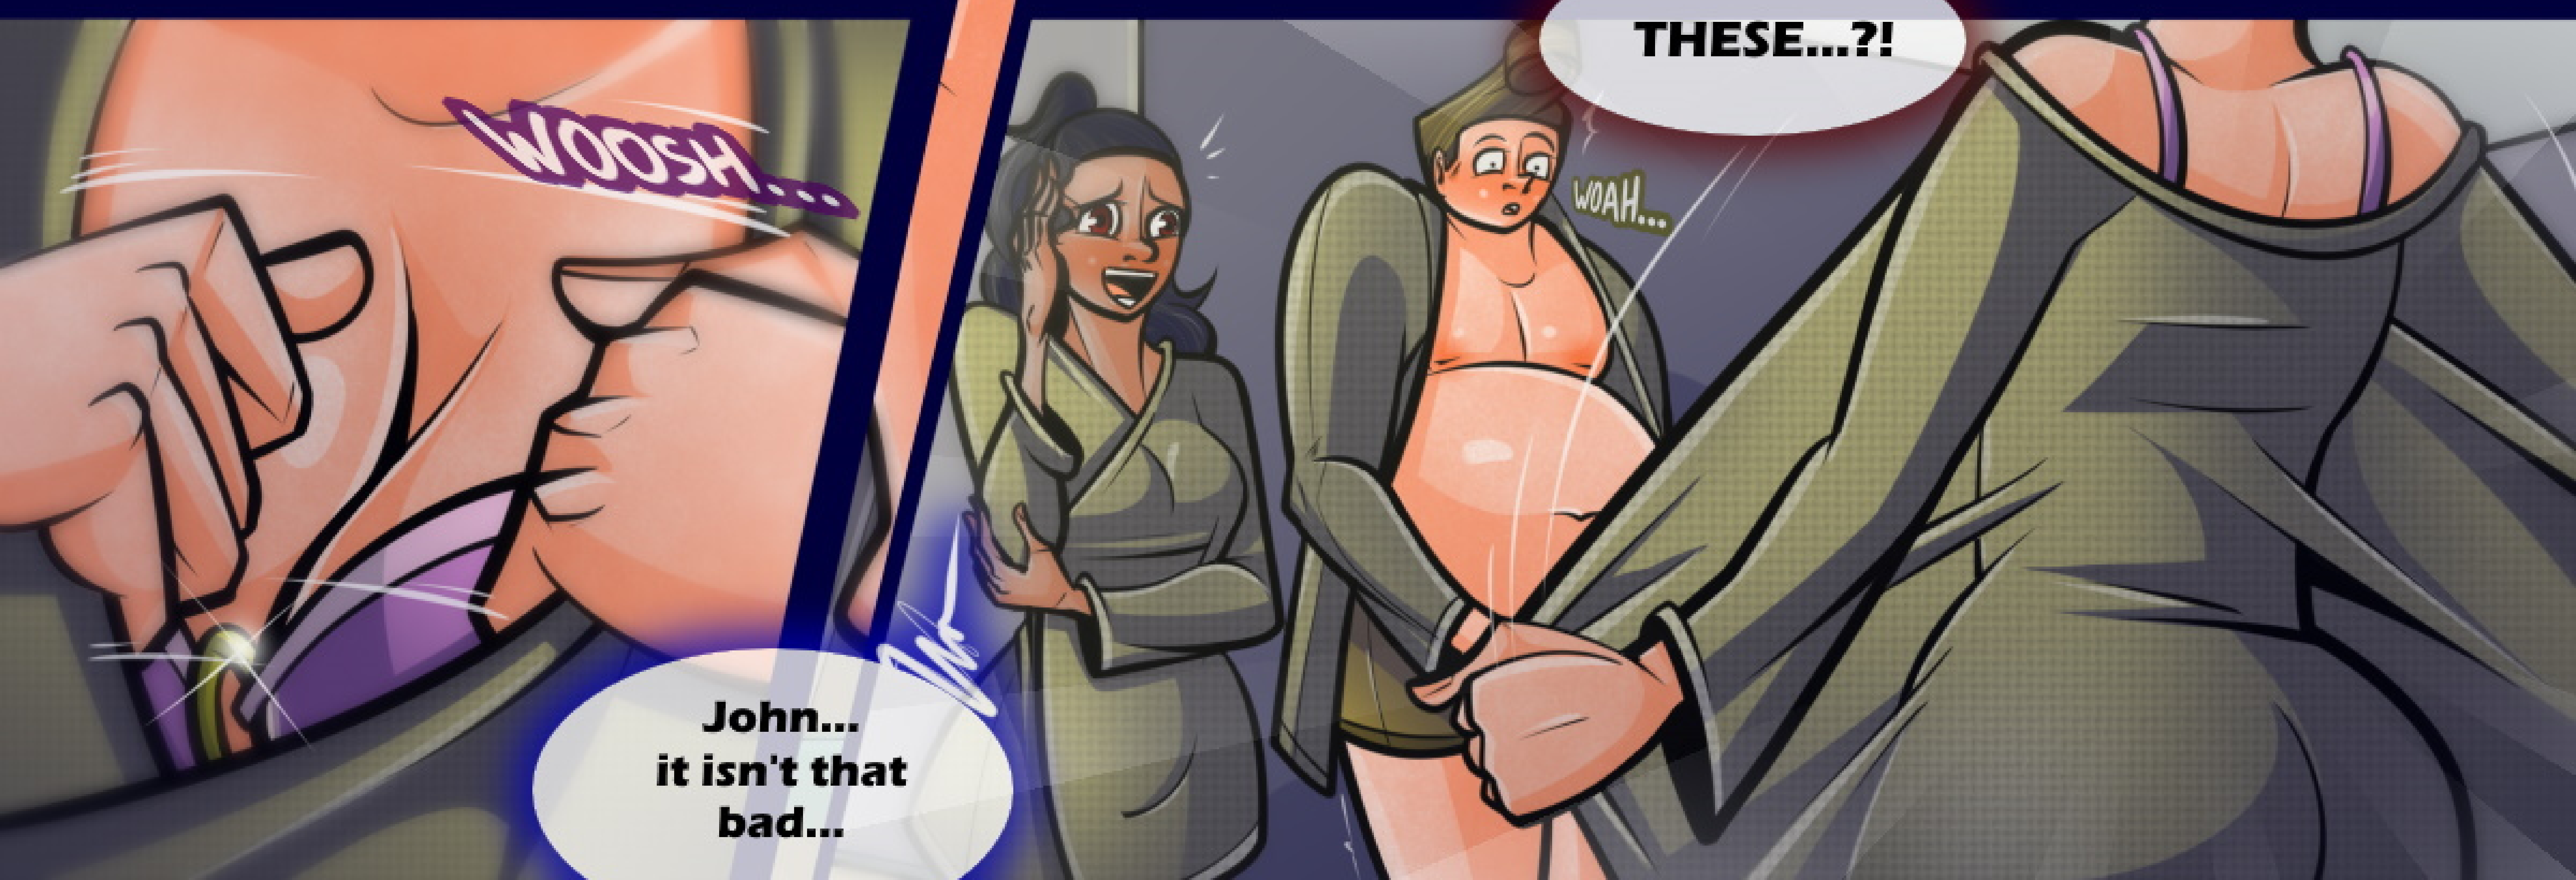

Well at least you've not gained all the fat of this idiot here! It will take some time to get in shape again.

At least you can go back to normal with just fitness.

How am I going to lose...

Sorry...

THESE...?!

John... it isn't that bad...

WOAH...

WOOSH...

**Seriously?**  
They are never going to catch that terrorist!

And if they do, she'll probalby destroy that device. Now we can't make our relationship work now because I'm a babe in a pink bikini.

Well... we can still make it work. You see...

I was also hit by the orb after you passed out.

And I think I switched my sexual orientation with someone.

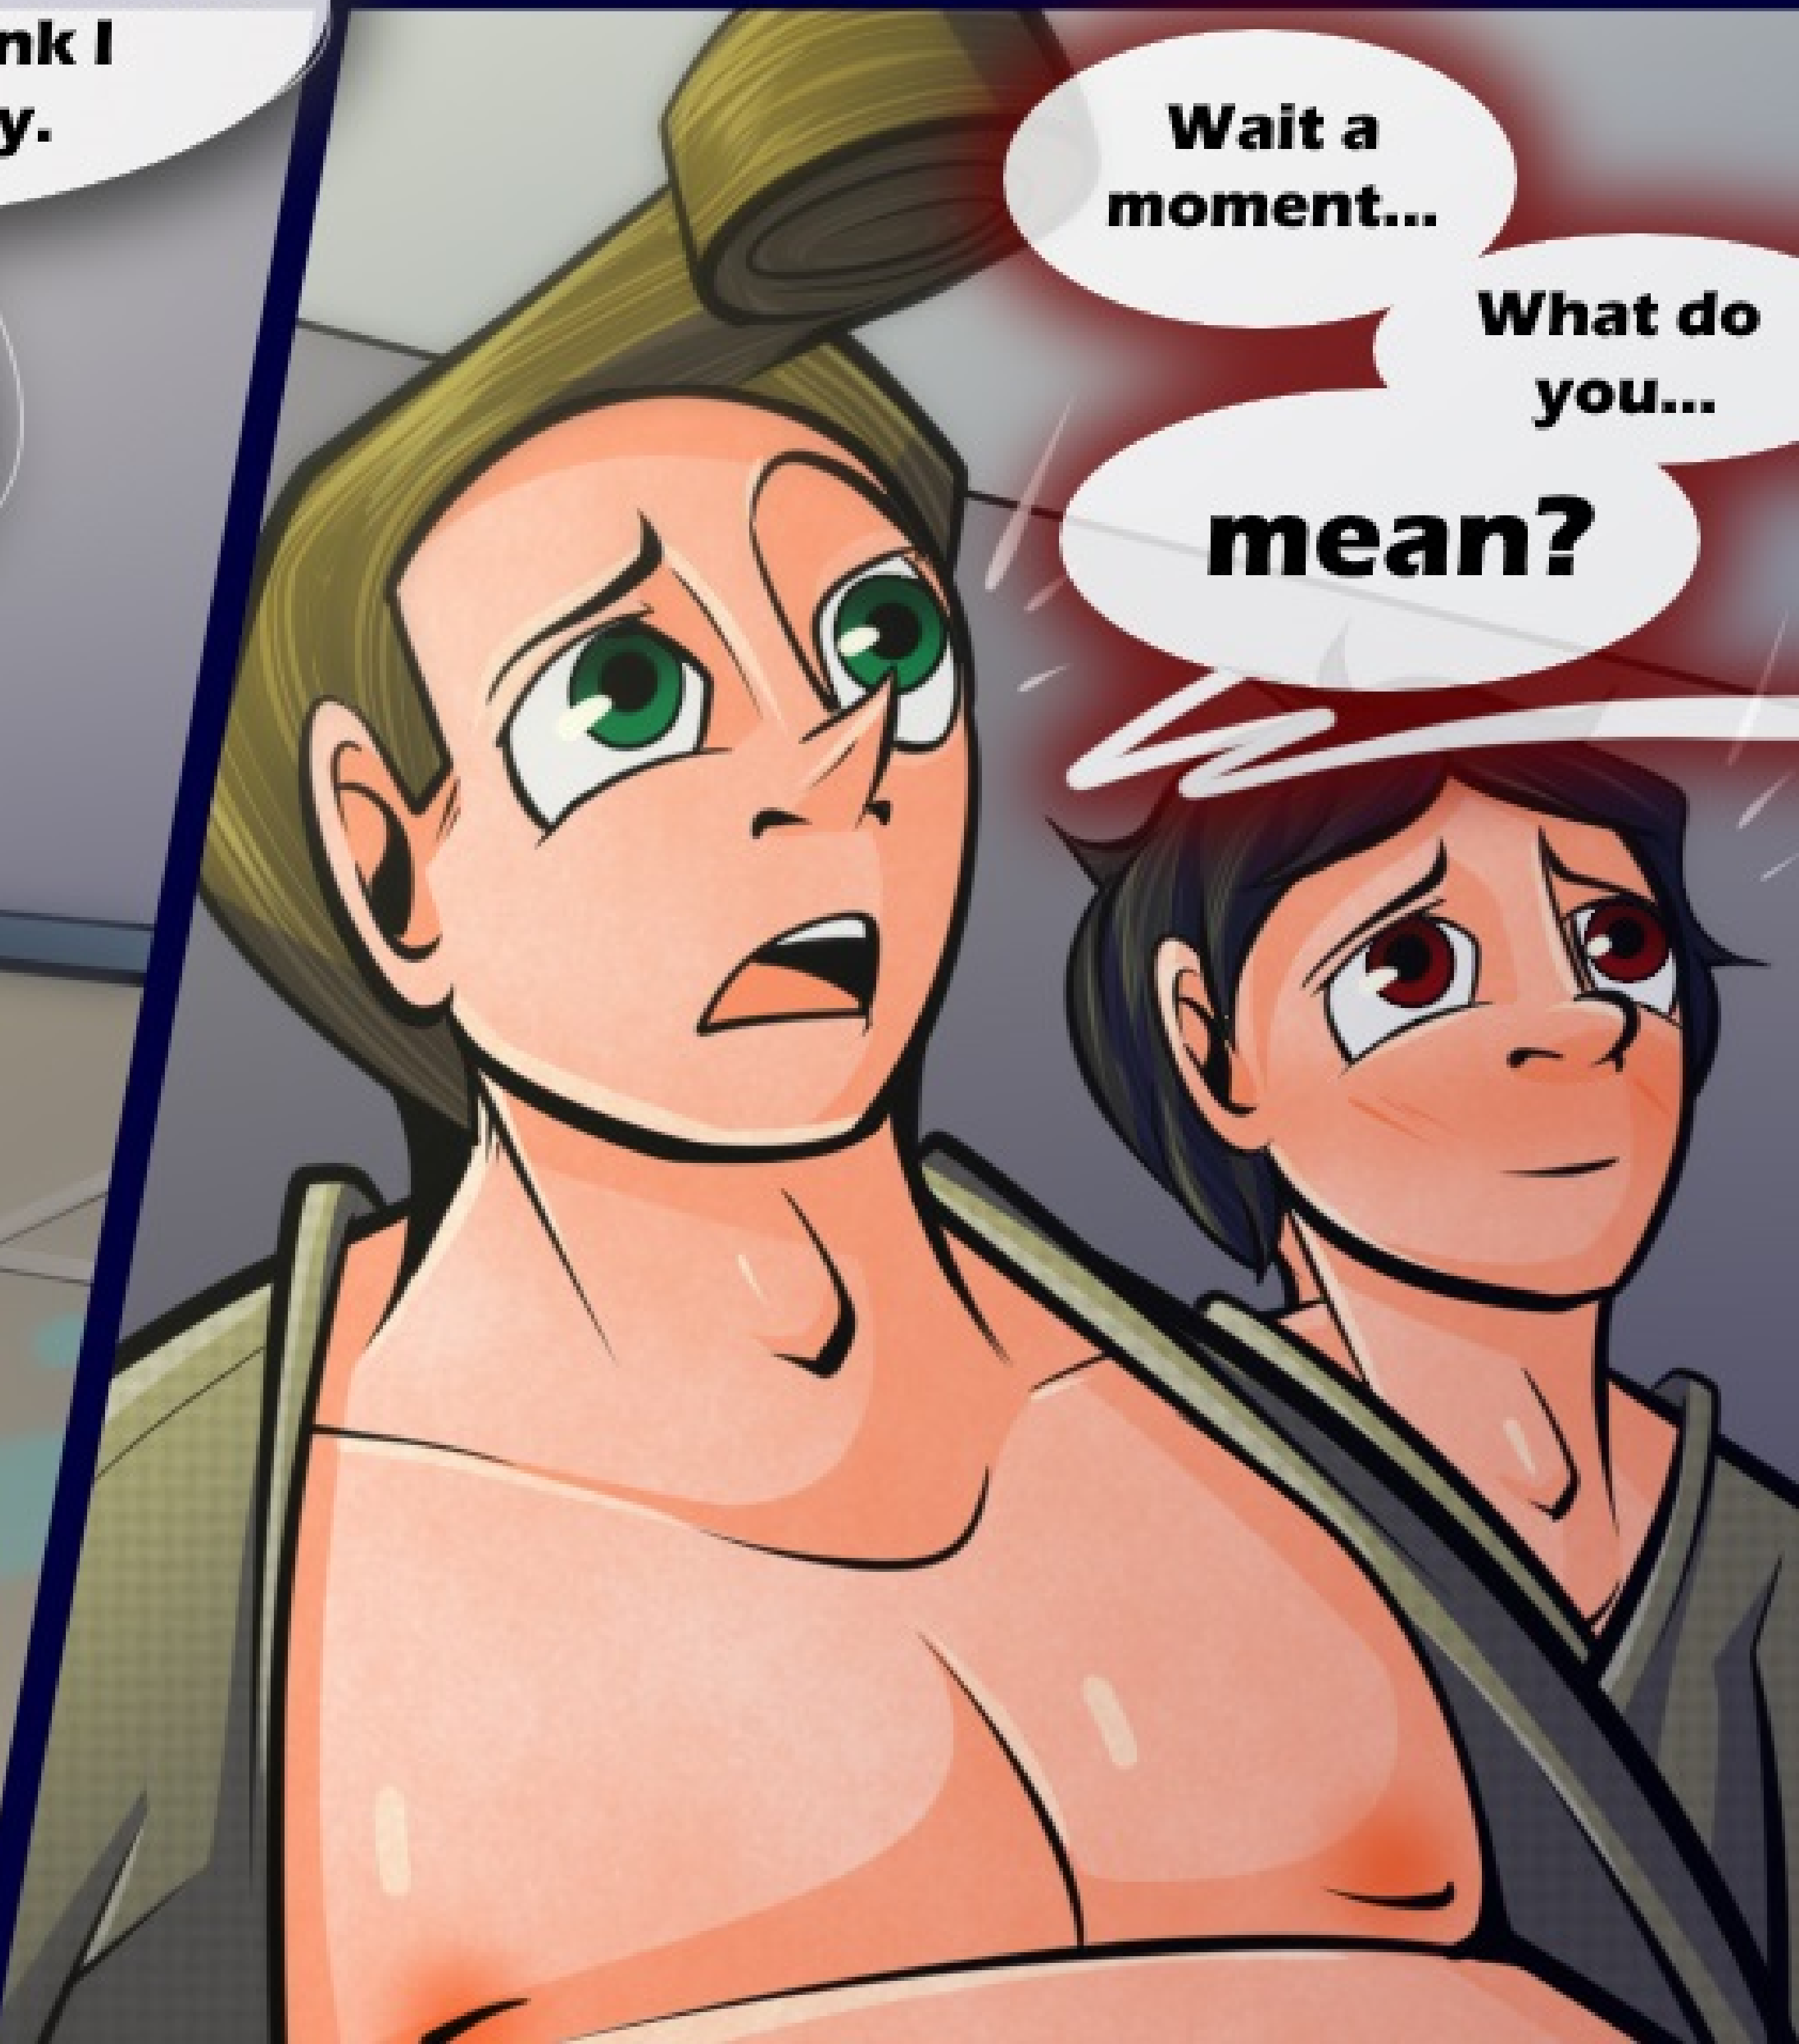

I think that "someone" might be me.

I suddenly can't stop thinking about how attractive big men are. I think I have turned gay.

WHAT THE...

SQUISH!

Wait a moment...

What do you...

mean?

Don't you see?

I'm a lesbian now.

So we can still be a couple, Melissa?

With that sexy body of yours we can certainly try!

Damn... now I know how you guys look at woman.

squeeze!

Well thanks... But I don't know how to live my life as a chick.

Don't you worry, I'll show you the ropes in time.

WHOOOSH!

Hihi...

She can carry me!?

But first let's go to my place so I can show you the wonders of a woman's body.

Krr...

Krr...

We can also explore our new bodies together!

Giggle!  
Giggle!

Seriously dude?!

PUSH!

It was just a thought...

THE END
