

Looks like this is it!

Wont be needing this anymore~

Hopefully they don't care enough to try to find me...

I was certainly not their favorite, by design, of course...

Normally, I'd rather not live in a damp cave, but its a small price to pay.

Besides, maybe I'll come to like it in the end!

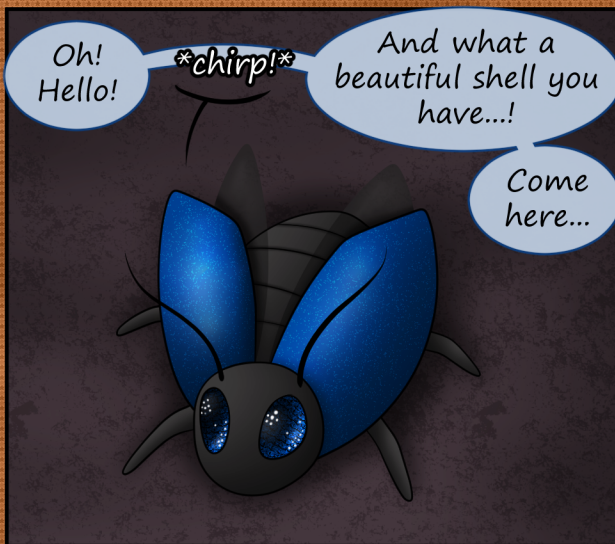

Oh! Hello!

chirp!

And what a beautiful shell you have...!

Come here...

Friendly little guy, aren't you?

chirp!

Yes, I think you'll do nicely~

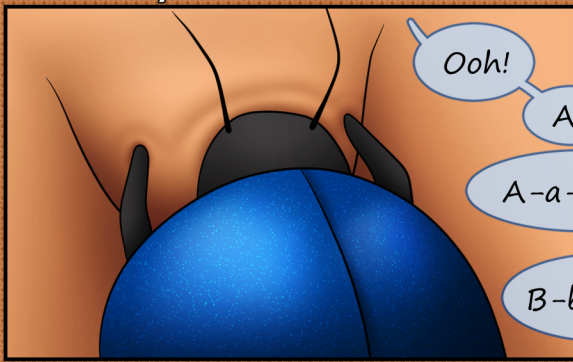

Oh boy, oh boy...

It's finally time!

Alright, little fella! Do your thing!

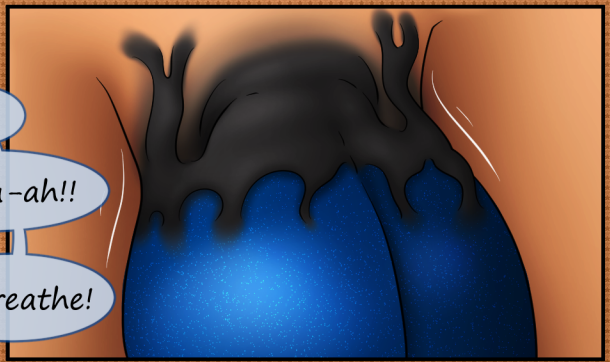

Ooh!
