

Back in college I hung around with a tight group of us who had known each other since Freshman year. There were 4 guys, Jake, Dan, Charlie and myself (Jason). We always hung around 2 hot girls, Erica and Kelly. Kelly was by far the hottest girl in school, she was a super model level blonde beauty, with a perfect face and a tight skinny body. She had beautiful blue eyes and a skinny Taylor Swift like body. She had intimidating abs that made her look like a beach model every time she broke out her bikini. Of course all the guys in our group wanted Kelly but the only one who really had a shot was Jake. He was the typical “Chad” like guy, tall and muscular and good looking. He was a guy's guy who could make good jokes and sort of be the alpha of the group. Erica and Dan were a more average looking couple and Me and Charlie were more often single when we all hung out together. It was always the better looking Dan and Jake getting all the action among us four guys but it was still fun for me and Charlie to hang out with the hot girls Erica and Kelly especially.

At the other end of spectrum from Jake and Kelly was Charlie. He was sort of the “loser” of the group, the butt of everyone's jokes. He was pale and funny looking, with a shaved head that people often joked that he looked like a cancer patient. He had a good sense of humor about it and was very self deprecating but I was sure that the jokes got to him sometimes. Even Kelly would make fun of poor Charlie's funny looks and awkward appearance. He usually provided the comic relief for the group. But that all changed one night in Cancun, Mexico.

The 6 of us went on a spring break trip to Cancun. When we arrived at the hotel we were surprised to find that although we had gotten enough beds (4 in total for 2 couples and 2 singles) , 3 of the beds were crammed into the same room while one king size bed was in a private room . “Four-some or Six-some tonight” was the joke that was going around as the college kids hormones and excitement for the weekend was still building and nothing was ever inappropriate. They decided to put off the decision until later in the night as they went out to the beach for drinks. Later that night after hours of drinking we had to divvy up the beds. It was clear that Jake and Kelly expected to take the private room, but the rest of the group protested.

“What's wrong Kelly? You don't want to join the foursome tonight?” Dan joked.

“Is that... thing.... going to be there” She pointed at Charlie, “No thanks!” she laughed as the group laughed at Charlie.

"We should have some sort of contest for it" Dan suggested.

"He's right!" Erica chimed in. "The couple having the best sex life should be the ones to get the private room." She laughed.

"How are we going to prove that?" Kelly asked, getting annoyed that this was taking longer than she expected.

"Well..." She looked at Dan. "We could, have a little group action." She smiled as Dan nodded in approval. It was clear that the two of them had liked the idea of a group orgy, and now with all of us drunk college kids it seemed like the perfect time.

"I guess first step is to take off our clothes" she raised her eyebrows as she started making out with Dan.

"Best fuck pair gets the room" She laughed.

Dan and Erica were already touching each other and it was clear they were serious. Kelly and Jake were no prudes, so they eventually decided to give it a go as well, and they starting kissing deeply. It was soon clear that Charlie and I had nothing to do. Not only were we both there without girlfriends, but there was no room to escape to as all the beds were in this room. Everyone was drunk so it wasn't too bad but I did feel a bit left out of the action watching Dan and Erica and Kelly and Jake get it on.

These girls were seriously hot and just the sight of Kelly's killer sexy body getting felt up by Jake was giving me a huge boner. I was not going to mind watching that beauty Kelly get stud fucked by the big jock Jake, but what happened instead caught us all by surprise.

Suddenly Erica looked over at Charlie and exclaimed

“Charlie oh my god!”

The others looked over to see Charlie stroking his cock in his hand, but what a massive cock it was. Charlie was huge and thick. Kelly's pretty face went slack jawed as she saw Charlie was staring right at her. She had a shocked, “Oh my god “ face as Charlie jerked off in front of her.

Suddenly Charlie stepped closer to Jake and Kelly and told Jake he was “cutting in”.

Kelly's pretty face was still slack jawed as Charlie's large and thick cock stood straight up in front of her. Charlie had always wanted to show the stuck up model Kelly his huge cock size, and this drunken orgy had been the perfect opportunity. His huge cock had made the other men in the room feel small in comparison and the two women were impressed with the impressive one upping, Charlie was more than twice as big as the other guy's in the room who were made to feel inadequate in front of their stunning girlfriends.

“Oh my god Charlie... it's....” Kelly looked like she had seen a ghost as her entire perception of Charlie was shattered by his massive size.

Charlie's face turned to a sort of arrogant leer as he saw her confusion.

“It's what you slut?” Charlie growled at Kelly.

“Its..just... It's just.... . soo BIG” Kelly looked her big pretty eyes up at Charlie almost in fear. Though she had teased him in the past his giant cock size was now leaving her a shaken mess. She had to admit that Charlie's manhood was much bigger than her boyfriends. She couldn't believe the awkward Charlie had such a huge dick. She felt very differently about him suddenly as she looked at his large size and mentally compared her to her previous lovers. No one had been packing like this nerd and she couldn't believe this jerk's huge dick was making her horny.

“Not laughing now are you” Charlie sneered as he grabbed the back of her head. Kelly's eyes were wide open as Charlie planted his huge erect cock in front of her lips. She kissed it and started milking almost 7 of his 9 hard inched back and forth into Kelly's mouth while he rocked her head in and out from his hand. The rest of the group watched in stunned silence as the nerd Charlie was getting throat fucked by the model Kelly in front of her smaller cocked jock boyfriend. Her 6 inch boyfiend Jake wasn't even half the

size of this boy Kelly had always dismissed and laughed at.

Charlie pulled his huge dick out of Kelly's mouth and started slapping her in the face with it, beating her with it roughly. It was clear that Charlie had a lot of pent up rage over all the years of Kelly taunting him, and he was getting all his anger out on her with his cock. He pushed her down onto the bed and positioned his nearly 10 inches of thick hard cock at the entrance to her pussy.

Kelly couldn't believe how quickly it had happened but she was feeling so horny for the way Charlie and his big dick was dominating her.

"Oh my god.. Charlie it's soo big. Oh Fuck you're huge, your'e the biggest Charlie!" she whimpered in fear as Charlie slid in the first few thick inches.

"Owww.." Kelly yelped....in pain then rolled her eyes back and arched her back in pleasure

"OH!!!! SHIT!"

"Oh my god!! CHARLIE!" She yelled as she wrapped her skinny blonde arms around Charlies shoulders. "It's just so BIG... Your'e the biggest I've ever felt. OH god it's SO BIG Charlie! You're the KING Charlie! YOU KING cocked me!! You own my pussy with your stud cock!" She cooed loudly in a fit of pleasure as Charlie fucked her harder than she had ever been fucked.

Charlie smiled in pride as he heard the beautiful Kelly succumb to his cock. He always knew he could out dick Kelly over the boring Jake, and he was going to prove it. The other men in the room were put to shame by Charlie's big dick superior fucking of Kelly. Charlie tensed all of his muscles as he stared angrily into Kelly's face. He was practically sneering in anger into her stunned big blue eyes as he pounded her with long deep strokes. He started pumping in and out of her at a fast pace, tensing his face as he arrogantly drilled the trembling beauty.

Thwap! Thwap! Thwap! Thwap! Charlie was dicking Kelly hard and fast and the entire room was rocking as Charlie pounded his dream girl Kelly in anger and lust. Her skinny body was arching into his and her hands were squeezing his body into hers as she give herself to him fully.

"OH! OH SHIT! OH MY GOD! OH MY GOD! YES YES YES YES" Kelly started cumming almost immediatly as Charlie pumped his massive dick in and out of her. He slowed down to let her body shake out her first massive orgasm.

"OH my GOD THAT DICK IS SO GOOD! OH YES! OH YES! I didn't know you had such a BIG DICK Charlie!

OH GOD Charlie FUCK ME! FUCK ME!" Kelly was yelling as Charlie continued to anger fuck her.

"You love that big dick don't you?" He yelled

"Oh Fuck Charlie! Yes! I love yours huge fucking Cock! Its so fucking big! OH fuck its so big! Oh Fuck Im' cumming! I'm cuming on your huge cock Charlie!" Kelly started cumming for the second time in the past minute.

"You ever been deep fucked like this before?" Charlie wasn't done taunting Kelly

"No, your my biggest! YOu fucking want to hear that you big dick jerk? You fucking own this pussy you stud! Oh fuck don't stop!" she yelled.

"Beg for my big dick, Kelly! Show me what you will do for it" Charlie ordered as he pulled his thick 10 inches out of her.

"Please stud, please fuck me with your king cock!" Kelly begged as she got on her knees and massaged and kissed Charlies huge balls.

"I want you to cum in me, Charlie please empty these huge nuts into me! I need it so bad!" Kelly begged.

Charlie positioned Kelly back on the bed but this time facing away from him. She grabbed her wrists and pulled them back toward him for leverage as he started fucking her from behind while he held her skinny waist.

THWAP! THWAP! THWAP!

Charlie was pounding Kelly again and right away she started moaning again, this time less coherently as Charlie was giving her almost 10 full inches on each thrust.

"SHIT! SHIT CHARLIE ! YOUR SO DEEP! YOUR BIG DICK IS SO DEEP! OH FUCK ME PLEASE GOD ITS SOO GOOD!" She was almost delirious as she started cumming for a third time. She was begging for Charlie's cum even though he wasn't wearing a condom and all the while her smaller cocked boyfriend watched,

he got out fucked and out manned in front of the whole group. It was clear that Charlie was the alpha of the group as he pumped the flawless Kelly to her delirious pleasure.

Charlie finally pulled his massive cock out of Kelly's dripping pussy and he sneered his lips in anger as he pointed his rock hard cock into Kelly's pretty face. She opened her eyes wide again and put her hands on his massive shaft as she looked on in awe. Huge ropes of cum erupted out of his huge head and covered Kelly's pretty face with load after load of cum. He must have pumped at least 10 full ropes onto her face as she swallowed and tried to milk the cum from the large cock.

After he finished Kelly continued to kiss and suck Charlie's huge cock as it went soft. Even soft he was twice as big as the other guys in the room. While Kelly had teased Charlie for years, she was his now. Charlie took her that weekend and he spent the rest of the weekend cocking her better than she had ever had before.
