«Have a good weekend with your friend, honey, see you Sunday night» I said to my girlfriend Saturday morning, kissing her with all my love and passion, as she was about to take her car to drive away for a weekend with a friend.

She kissed me back, asking what I was going to do too, and I said I had no idea, probably gaming or something.

What I had in mind, however, was a little different.

As soon as her car went away, I rushed to my safe and pulled out Elodie's skinsuit, wearing her quickly.

«Ahhhhh, it feels so good to be back~» I said as Elodie, immediately groping her breasts.

«Hello you two~»

I then put the vibrator, and stuffed it inside my pussy.

«Life is good...huuuuum~» I purred as Elodie.

«Today I will go to a shop, buy some hot latex underwears, a dress and anything, putting all of those assets in sight. Then I will head to a nightclub, and I hope to find a dude to fuck me the whole night, and stay at his place to get fucked again. Experience a true slut's day~»

One climax later, I decided to shower. I realised I had to throw away Elodie's clothes, as I couldn't wash them

without my girlfriend asking questions.

So I decided to pick some of hers, struggling to fit inside, as Elodie was way bustier.

«She would kill me if she entered and saw Elodie in her clothes, hahaha~» I said, heading outside, the vibrator still inside of me.

I took my car and drove to the closest shop I knew. I went inside and headed immediately to the women's section, beginning to look at every sexy underwear.

«Hehe, in my own body, I would be considered a pervert to do so, but in this body... I can pick some and try them~» I smirked, picking some underwear and a set of clothes, and trying them in the changing room.

I took a lot of pleasure dressing and undressing, making my toy body prettier.

«Oh guys, what are you staring at? Those two boobs? Well, you know I won't mind if you nail me right now... this is even better if you cheat on your girlfriend, it turns me on even more. I promise, I won't say anything~» I practised as Elodie, teasing myself in the mirror.

«Fuck fuck fuck, I want so much to masturbate right now, to release this frustration I am getting from teasing me~»

With a smirk, my fingers began to run between my legs, quickly finding my wet vagina.

«Ooooooh, how can a woman even resist doing this every time? I couldn't resist fingering six times already, and I am wearing Elodie for less than 2 hours~» I purred in silence, fingering again, soon wetting the new panties I was trying.

Having released some steam, I took off the panties I had on, looking at it, as I had squirted inside.

«Oops, looks like someone has dirtied it. How infuriating it is, I believe it was some kind of a pervert~» I smirked, throwing the panties on the ground, and starting to try out on a new one.

«Better, I don't want to wear something wet~»

I tried a handful of underwear sets, deciding to keep 3 with me, that I would need to wash at a laundry.

This done, I began to try out what I was really here for, casual clothes, sexy clothes, and finally, a latex dress I had seen for a long time, but never could convince my girlfriend to try, even for the fun.

After trying and choosing a set of casual clothes, I began to put on a sexy lace bodysuit, and I got immediately turned on again, looking at the result.

I was hot, and I had all of this body for myself.

«Look at this ass, look at those boobs! Oh fuck, and all of this is mine to do whatever I want with~» I purred,

touching myself everywhere again, getting turned on once more.

I felt it again in my whole body, this urge to pleasure myself.

«As a man, it would be so wrong to masturbate like that anywhere. But as A girl, I can do it again and again~»

And I needed to sit, soiling the sexy bodysuit I had on me.

Having my mind cleared once more, I removed the bodysuit, put it on the ground with the other soiled panties, and began to wear the latex dress.

The dress was almost too tight, but it encased just enough of my breasts, making them look delicious for any man to touch.

And so I did, I began to rub them again and again, kissing them, making them jiggle in this latex dress, until I felt my vagina tingling again.

As I was about to sit down to start again to finger my vagina, someone knocked on the door.

«Madam, are you alright in here? You have been there for half an hour~» A cute girly voice said, which I recognised to be one of the employees I saw earlier.

«Yeah, I am fine. Trying a lot of clothes, but don't worry, I am done soon~» I replied, understanding I wouldn't be able to enjoy myself again, and needed to go.

I pushed all the soiled clothes under the small couch that was in the booth, and went out, in my girlfriend's clothes, my hands full of the clothes I wanted, completed with a new set of those I left wet in the changing room.

«Whoa, all of that? This will be 200€» the cashier said, putting everything inside a bag.

I left the store, put the bag in my car, and then drove back home, having everything I needed.

On my way back, I got an idea, and stopped at the sex shop.

The cashier recognised me and smiled as I came toward him.

«Hello, sweetie! I would need an inflatable sex doll. One with boobs big enough to wear my clothes~» I explained, pulling my top down and flashing my boobs in my bra to the cashier, who almost got a bloody nose.

«Do you think you have that?~»

«I...most probably have. Don't you want a male one?» The cashier added, stuck on my boobs.

«No, no, I want a female one, so I can see how amazing my bra looks like~» I smiled, sliding my bra down a bit to show off a bit of my nipple.

«Would you gift me the doll if I let you touch those

beauties?~»

The cashier gulped down, as he headed to the back of his shop, and came later with a box containing a doll. He gave it to me, and I let him enjoy my breasts before heading back to my place.

Once inside, I stripped off my clothes, and also from Elodie's skinsuit, ending up naked as me.

Then I took the doll, inflated it, and managed to stuff the skinsuit around it.

To my pleasure, it reshaped completely around it, giving me a bizarre result: a seemingly lifeless Elodie, stuck in the position of a doll.

I immediately began to run my hand on it, and to my surprise, it felt warm, as if she was really alive. As I tried to move it, I also realised she was as light as the doll, making it easy for me to move her around.

«That perfect body, without the shitty personality... Now you are perfect» I smirked, beginning to touch her everywhere, and confirming that even her pussy felt the same as when we fucked before.

I came inside of her multiple times, enjoying the fact that she was now really a toy to me, both then I can fuck, and be fucked as well.

I spent the whole day playing video games, fucking Elodie from time to time, leaving her on my couch when I wasn't using her. This was the ultimate flashlight.

Near the end of the afternoon, tired to fuck her, I decided to take her off from the doll, cleaned my cum out of her, and wear her, reshaping as her soon after.

Then, before sitting back on my chair and playing again, I put on the vibrator, and couldn't focus a lot, losing many times, the pleasure soon overflowing me again until I wet my seat with Elodie's love juice.

«If I want to go out, I should prepare~» I said, looking at the clock.

I took a shower, and tried to do quickly my makeup, giving up after some tries.

Then I put on my sexy latex dress, and fully feeling like a complete whore, I headed to a known pub.

Once inside, I sat on a chair, feeling Elodie's bare butt on the cold wood of the chair, and ordered a strong drink.

A few minutes in, before I even began to drink, a guy tried to hit on me.

«Well, that was quick. Girls really have it easy» I thought, looking at the man sitting next to me,

obviously staring at my breasts.

«He is not even hiding which part of this body he is looking after»

I ran some fingers on my cleavage, looking at the dude's eyes widen in lust.

«Hello, dude, were you staring at those beauties by any chance?~» I said seductively as Elodie, trying my hardest to put some sexual lust in her voice.

«You can tell me, I honestly don't mind, I hate running around and losing sometimes, mainly on you buying me drinks to seduce me and all. Would you want to fuck me?~»

The man froze a bit, surprised by how direct I was. But the thing is, I really didn't want to play any seduction game, I had only one idea in mind, and I wanted to do it.

Before he could answer, I saw a familiar face enter the pub. It was the pervert from the sex shop.

While the first guy was trying to catch my attention back, I stared at the pervert, seeing him way too obviously staring at the girl's assets.

Seeing him starting to get in trouble for that after being too obvious, I left the first dude, and joined the pervert at his table, sitting next to him in the pub, surprising him as he recognised me.

«Hey bro, nice surprise to see you there! What are you doing?~» I asked playfully, a massive smile on my face as I sat next to him, and saw his eyes widen.

«You should be careful, you are way too obvious staring at those girls around here, if I didn't come, you would be kicked out~»

«Well, I... Nice to meet you again, you are... beautiful» the pervert said, drooling as he lost himself in my cleavage.

«Hahaha dude, no need to try your seduction game with me. We have already fucked, and I know how well mounted you are, so consider me as a friend now... a friend with benefits~» I smiled, bending gently on him, pressing my breasts on his shoulder as my hand quickly checked his bulge, all of this hidden from everyone, from under the table.

«I saw you staring at all those sluts, and I can't blame you, I did the same. I imagined my hands running on their perfect tits, slapping their butts. Look, I even sneaked some pervert pics of those two hotties over there~»

I took my phone from Elodie's purse and showed the pervert the underdress pics I took, along with some selfies with the hot girls we were staring at, my hands being on their boobs without them complaining, as for them, I was a busty woman.

«See? This one is wearing a very tight pink panties~» I added, smirking as I scrolled through the pics I took, until I ended with those I took while dressing.

«Ooops, haha, I scrolled too far, this is me. But I guess you

don't really mind, am I right?~»

The pervert kept my phone and scrolled again through the perverted pics I took, before again looking at mine, then myself whole.

«This is so...hot. It feels like I am talking with a man, but... You are a girl, and a really hot one, who is also a pervert... I am so turned on» the pervert confessed, as I realised his huge bulge under his pants.

I sat on his lap to hide it, moving my butt gently to tease him, and I realised the other women he was staring at, were watching us in disgust. I smiled at them, as his hand groped my boobs quickly, before turning back to him.

«Maybe because I am comfortable with you. How does it feel, staring like a pervert at the stolen pics of those girls, while another hottie is sitting on your lap?~» I purred.

«Oh my Elodie... I ... this feels so great» He said.

«I want to fuck you so hard»

«Really? Then let's waste no time any more at that pub and go to your place~» I winked, standing up lustfully, showing my ass to him, which he grabbed, making everyone stare at us.

At this moment, I felt dirty, I felt like a slut, and I knew I was in Elodie's body, and this turned me on even more. I felt her pussy dripping on her legs.

We headed outside the bar, chitchatting on how hot the surrounding women were, and we began to walk in the street.

I took him by the wrist, and he put his hand on my ass in return, tasting it whole.

I looked at him back with a smirk, and we walked a bit until we arrived at his place.

We entered his place, and I saw a lot of bimbos and hot girls' pictures on his walls. Some were from models, while others were stolen from pubs.

Some were honestly really hot, and I couldn't help but think about my situation with Elodie.

Without realising, I was fondling my breasts, biting my lips.

«Those are really hot...huuuuum... it turns me on so much! Can I come more often to look at them? I can't help it, I want to masturbate looking at those~» I said, making the pervert even more turned on.

«I told you, I am a huge pervert, like you. But for now, how about we fuck? By the way, how do you want to do it? Do you want me to say something? DO some things?~»

«Can...can you just ride me nice and slow, acting the sluttiest possible, like in a porn?» He explained, making me smile.

«Oh shit, wait for me a bit, I forgot to buy condoms... I had no idea I would ever nail someone after so...»

As he was about to head out, I took him by the arm and pulled him close to me, my boobs pressed on his torso.

«No need for condoms, since you were a virgin last time. Do you want to try the real thing, raw? We can fuck the whole night like that~» I purred, grabbing his crotch, as we began to kiss passionately.  
«Let's be perverts together~»

We quickly undressed, ending both fully naked, and he lay on his bed.

I mounted him shortly after, sliding his huge, raw dick in my vagina.

Once more, I thought I was about to pass out. Doing it with the condom was a thing, but raw... it was intense, it was huge, it felt as if we had merged.

I felt him, he felt me.

«No wonder she moaned so loudly whenever we fucked... I can't think straight, the pleasure is way too big... I feel my legs going numb as his penis is ramming my insides» I thought, taking a huge pleasure in getting fucked, and already wanting way more.

«I am turning into a slut... I want to be nailed every day... ooooooh»

You like that, you pervert...getting fucked by such a hot woman... I bet you enjoy it~»

# THE S-EX DOLL – PART 2

Page 7/7 - by *ARIBETH*

«Huuuum, it has been a long time since I had such a big... sweet...hot dick inside of me. Does it feel good? Do you like fucking my whore pussy?~» I purred, moving my hips slowly, enjoying this as much as he seemed to.

«Oh my... I love it... I can't realise the luck I have» the guy moaned.

«Now that you know me... let's do things together... like a couple of best friends with benefits... ok?~» I smiled, feeling Elodie's body about to burst.

«This is... I love you so much!» The pervert said, cumming inside of me.

I felt it in a burst, his hot cum flooding inside Elodie's womb.

This felt amazing, powerful, and I couldn't help but come right after him, arching back as I squirted on his lap, before lying on me, Elodie's huge breasts pressed on his torso.

«I fucking love this too bro~» I purred, panting as Elodie, before kissing the pervert sweetly.

Then I felt it, his cum pouring out of my pussy.

«Oooops, I got to clean this pussy from your cum~»

I headed to his toilet, and peed his cum out of it, feeling myself empty after all.

«Ready for round 2» I thought, heading back naked to the pervert.

I lay next to him on the bed, and began to cuddle, feeling his arm around me, his hand freely going on Elodie's curves... my curves.

«Now you are no longer a virgin. How does that feel, to fuck raw? You know, there are two kinds of people after discovering sex. Those that don't want it any more, and those that crave it even more...which one are you?~» I asked, knowing the answer as he got hard just by me touching his legs.

«I am becoming addicted... I want to fuck you again» He said, looking at me spread my legs open to invite him in again.

He rolled between my legs, and slid his meat inside of me, beginning to fuck me raw and strongly again.

«Then...let's...fuck again and again... if you want me~» I cried in a moan, feeling about to come too.

I went on my knees, and he understood quickly, stuffing his dick in my open mouth.

«I want you, Elodie» He said too, after cumming in me one more time.

We lay next to each other again.

«I am way too addicted to this, too... I am glad to have found a partner that is as perverted as I am~» I smirked. «Hey, I have an idea... do you want me to steal some girl's underwear sometimes, wear them, and you fuck me?~»
