

THE SEDUCTION OF NEXT DOOR -PART.3- (FINAL)

KOBAYASI

Babe... do I really have to wear it...
it feels like it'll look really weird.

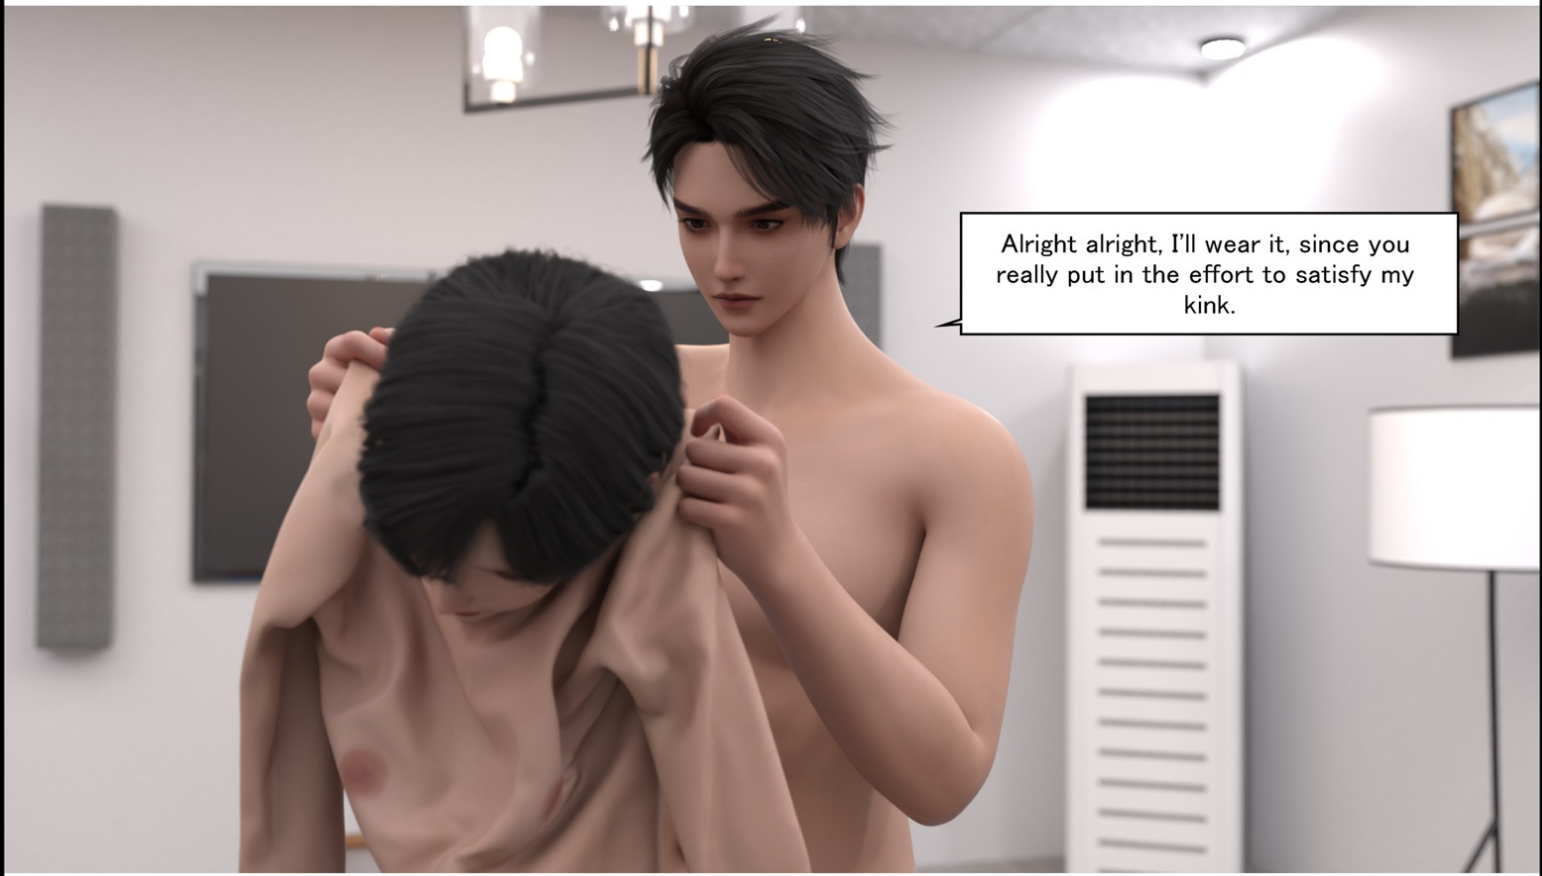

I've already sacrificed for you,
can't you make a little sacrifice
for me?

It's... it's not that...
I'm just a bit scared...

Scared you'll end up loving the
feeling of being a little femboy, huh?

So what are you worried about then, come on, hubby~ put it on and show me.

Alright alright, I'll wear it, since you really put in the effort to satisfy my kink.

Wait babe... what's this thing in here...,
this isn't going in my butt, is it....

Of course it is, this is a key source of pleasure for a little femboy, wearing this perfectly transfers external pressure to your body.

So right now you...

Yup, I've had it plugged in back there since I put on the skin, otherwise how could I have experienced that perfect guy butt pleasure earlier.

Don't worry, there's only that initial foreign feeling when you insert it, after that the thin material clings to your intestinal walls, you don't even need to take it off to poop.

Then help me put it on...

How's that, hubby, is it in?

How does it feel?

Babe... it feels so... comfy... weird.

Really, you'll get used to it soon.
(You're clearly enjoying it but won't admit it, soon I'll make you really feel what it's like to get it from behind.)

(I wonder if you've noticed your proud
big dick has turned into the phimotic
little clitty I prepared for you.)

Babe, help me put on the top part first.

No rush hubby, let me admire
your little butt hole first.

Hehe, hubby, your butt hole looks so pink and tender now, totally different from your old black and hairy one.

Ah~

*caressing

Just thinking that you have the same
cute hole as me now makes my dick
so excited.

Just a little finger caress and you're itching like crazy, right? Wanna have your wife's dick inside~?

Mmm...

Such a good boy~ then
I'll take your first time.

Ngh ah~ hubby, my dick's
wrapped so tight.

Something's off babe,
I feel like... I'm gonna cum...

You came so quick, that's weird,
was it too stimulating?

Aw, you came so fast, I just stuck it in and haven't even moved much.

I don't know, something's off today, you know I'm usually long-lasting.

Hehe, put it on first and I'll explain.

Holy crap babe, what's going on with this outfit, how did I end up like this?

What's wrong, isn't it cute?

It's not about cute or not... my dick,
how did it get so small?

How about now, your dick's smaller than your wife's, panicking?

No... not that... it just feels really weird...

Then... what about the chest, what's up
with the chest? Isn't Li Ming a guy?
Why do my chests feel all swollen...

Hehe, let me tell you, the skin you're wearing is based on Li Ming's appearance, but it's modeled after him taking estrogen for a year.

So compared to his original body, your skin's whiter now, chest a bit developed, and of course the dick's smaller too.

So I'm a trap girl now?

Yup, I'm the femboy big bro,
and you're the trap little bro,
darling.

*squeezes

Ee~

Aw, that little expression, hubby, you're so cute right now.

Sensitive nipples, premature ejaculation, these are all reactions from estrogen influence, all perfectly recorded in this skin suit.

But anyway, needs a bit more change.

Come on, throw on some clothes,
let's go to the mall and buy some
girl clothes.

Going out like this?

Thanks for coming, take care~

That clerk didn't notice
I'm a guy, right?

Even if she did, so what, this mall often
has otaku femboys buying girl clothes,
she's probably used to it.

Plus we're wearing masks, no one knows who we are, at most they think we're two femboy couples out cosplaying.

Really... I feel like so many
people are staring at me...

Is it because of this sailor outfit babe, this is way too non-casual.

And this wig... people see it and definitely think I'm some contracted beast fulfilling my master's task...

Really, but even though you're saying that, you're actually enjoying being stared at, huh.

See, your little dick's been secretly hard, precum's soaking your panties.

Ah~ babe, what are you doing,
people will see!

Isn't getting seen more exciting?

Quick... let go... I'm... I'm mad now!

Aw, even when the little femboy's mad he's so cute.

It's all your fault for being so
cute my dick's tenting the skirt,
hubby.

Can't wait to get home,
let's go to the bathroom
and finish what we started~

Re... really doing it here babe,
this is a public bathroom, what if
someone comes in...

Scared, huh, if someone comes in
that's perfect, let them press F to join.

Don't... don't say that...

Why not~

But your little flower doesn't seem shy at all, since I lifted the skirt it's been opening and closing, craving something.

Craving what, huh?

Cr... craving babe's dick~

Hmm? Still calling me babe?
Call me wrong and
I won't put it in.

Big bro~ big bro~

Such a good boy~

Since you're so good,
I'll satisfy you properly~

It's all in baby, comfy~?

Mmm~

Feels so good, I... my
legs are weak~

Let's switch positions.

The dick... slipped out...

Little greedy cat, can't wait
even a second~

I'll put it back right away, okay?

Ah

Ah mm

Ah no how can it feel this good

♥No big bro♥
♥Gonna break♥

Look down there, it's hard but the head still won't come out, what a little useless thing.

♥ Mine's a useless little clitty ♥

Tsk tsk, that slutty expression
really suits you.

♥Don't... don't touch♥
feels like I'm gonna cum♥

♥Ha♥ha♥ okay♥

Really, then jerk yourself and
we'll cum together~

Mmm~♥so comfy♥

Gonna... gonna cum

♥ Oh ho ho ho ♥

Feels so good, came so much.

Mmm~

*pulls out

Pu... pulled out...

Sounds like you're a bit reluctant,
huh? Not satisfied yet?

In that case, tomorrow you keep pretending to be Li Ming and play with 'Sister Yuxuan', she seems to have prepared something good.

Bu... but tomorrow there's work,
and a meeting.

It's your own company, it's all just formality, you just need to show up.

But someone has to attend.

Don't worry about that,
I'll go for you then.

But right now, you gotta clean my
dick properly with your mouth~

With my mouth?

♥Hehe♥okay♥

♥ Mmf ♥

You're really good at licking hubby look at you, you're a natural femboy body huh.

Right? Love being a femboy
licking a guy's dick, right~

♥Mmm♥love it♥

Qwq~

Little slut.

Ooh, calling you a useless clitty and
you cum again, guess the scolding
got you off.

But, I'm gonna cum again too~

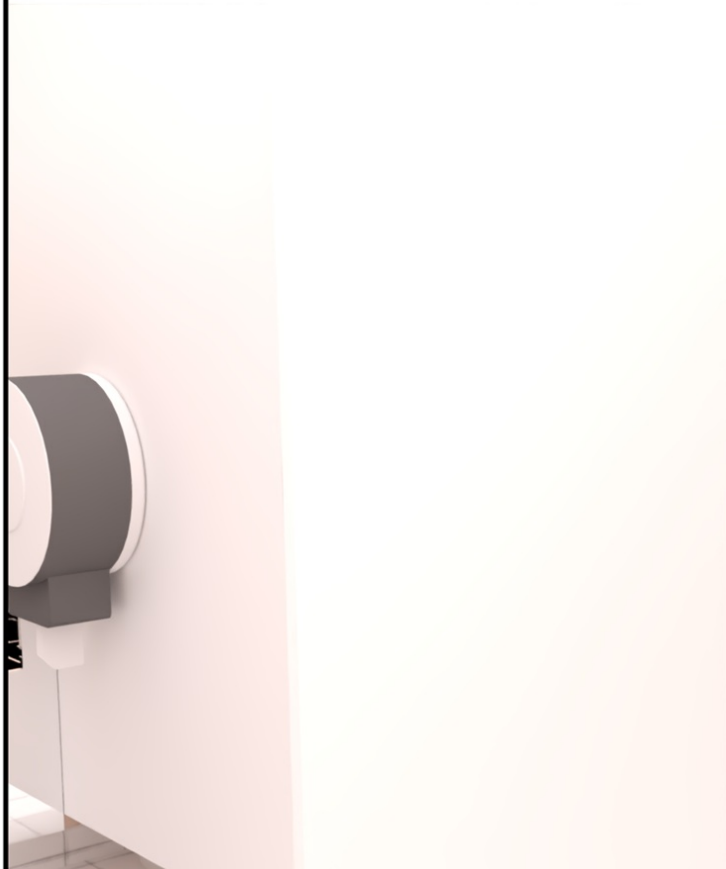

You're pretty good at putting on the skirt, huh, did you secretly crossdress before?

Mmf...

You haven't swallowed the cum
I shot in your mouth yet, right,
keep it in till we get home then
swallow.

The next day.

Eh... so this is what my body looks like after taking estrogen for a year?

Mmm... I thought this fits the fem sub look better, so I specially made this skin...

Didn't expect you to go this far, sis.

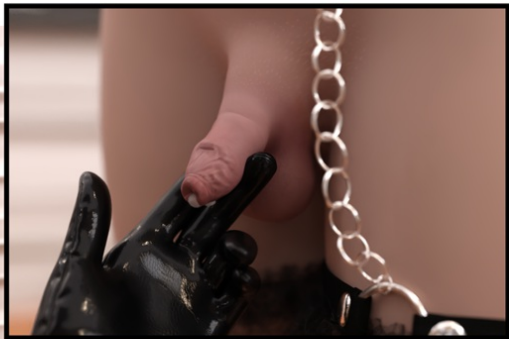

(Damn, so embarrassing, having him look at his own body, and I gotta pretend to be the wife.)

Didn't think I'd look this cute after estrogen, skin so white, breasts soft, maybe I'll really start taking it later.

Just the dick got smaller too,
but small is cute in its own way.

Ah, don't touch... the dick's really sensitive...

Just a light touch and semen leaks out,
looks like I really need to control you
properly.

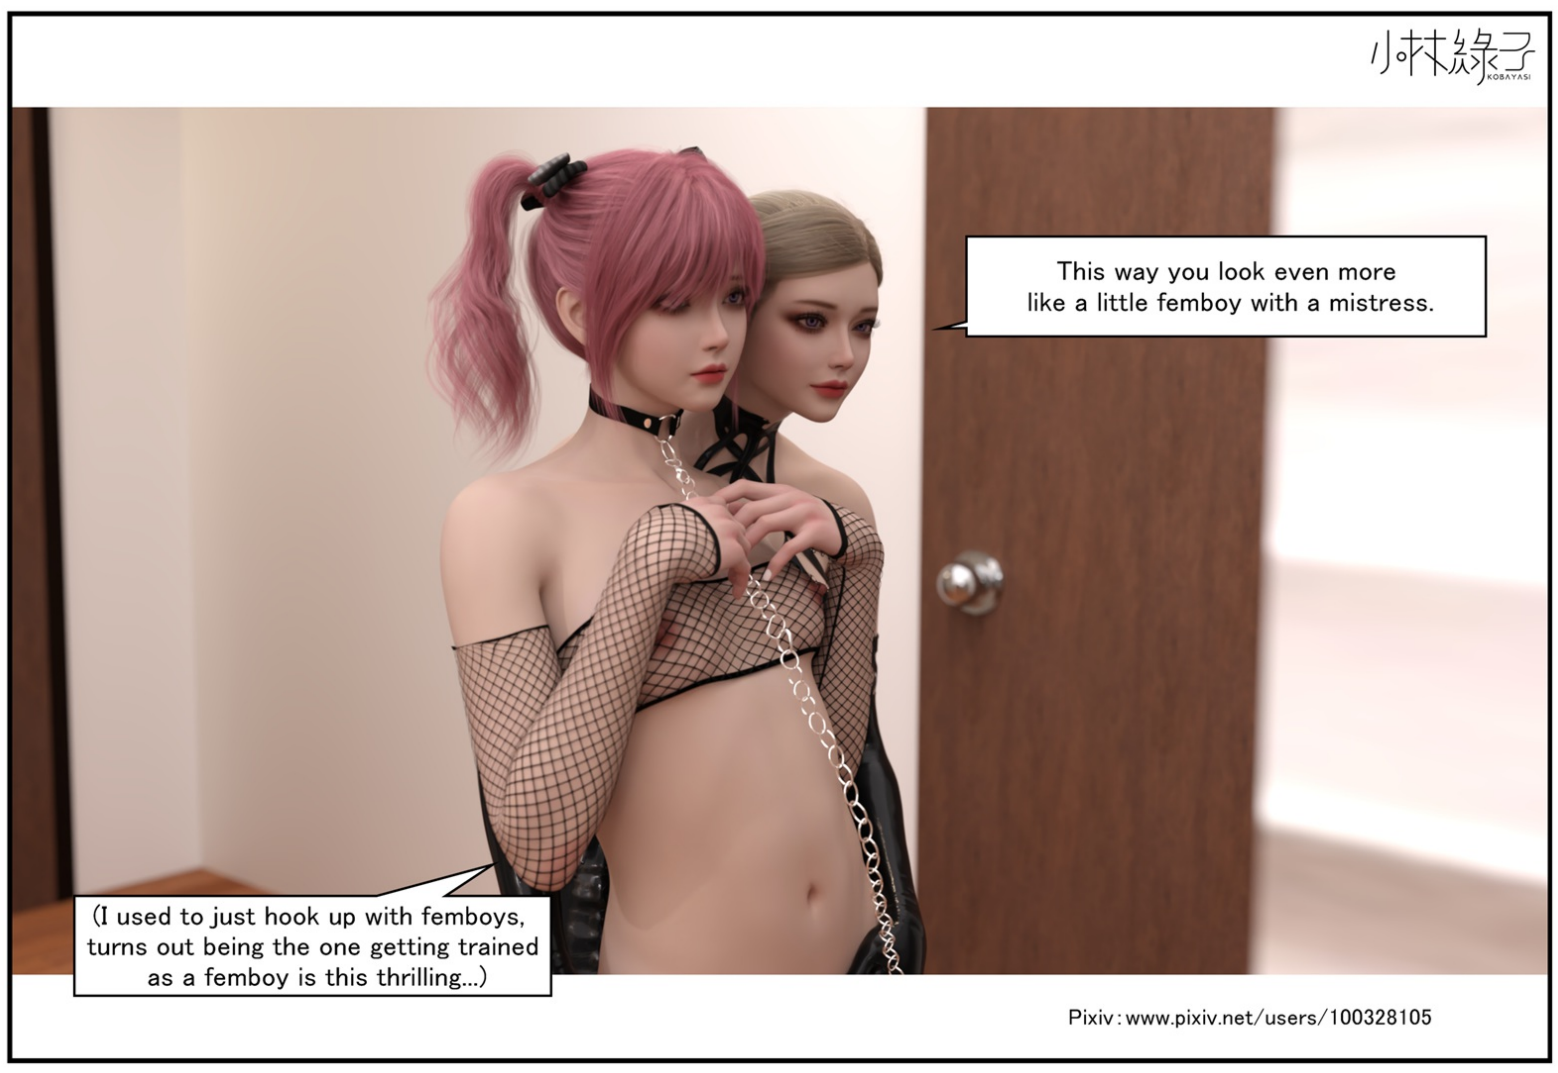

There ~ all set ~

Ah, this... this is a lock, huh.
(Holy crap, I never thought
I'd end up wearing something
like this one day, and it's this
flat kind...)

This way you look even more like a little femboy with a mistress.

(I used to just hook up with femboys, turns out being the one getting trained as a femboy is this thrilling...)

This lock really suits you,
I haven't even worn it myself.

Ah~ (So this is what wearing a lock feels like, I really wanna get hard down there, but it feels like nothing's there.)

Oh? That sensitive, huh?

Sweet soft little cake, 'sis' really wants to eat you up in one bite.

Guchu~

Mmf~

The puppy's whining got 'sis' all
wet down there, come satisfy
sis a bit.

But... I've got the lock on
down there.

Of course not using your
useless clitty.

I bought this lock specially
for times like this.

All assembled, now you've got a 'big dick' too.

M.. my 'big dick'...

Now you won't cum so quick anymore.

Come on, use your new dick
to make 'sis' feel real good.

From when I kissed you earlier
sis got wet down there ~

Aah, awesome, such a thick dick~

You feeling good~?

My dick has no feeling, but...
but this.. it feels so good~

Ah~ move faster, anyway no matter
how fast you go you won't cum~

Didn't expect you two to play
this wild behind my back.

Hu... hubby?!

No hubby, let me explain,
it's not what you think.

(Damn, why's Yuxuan's hubby back,
didn't he text me saying he'd be
home late tonight? Gotta pretend
to be Yuxuan to explain.)

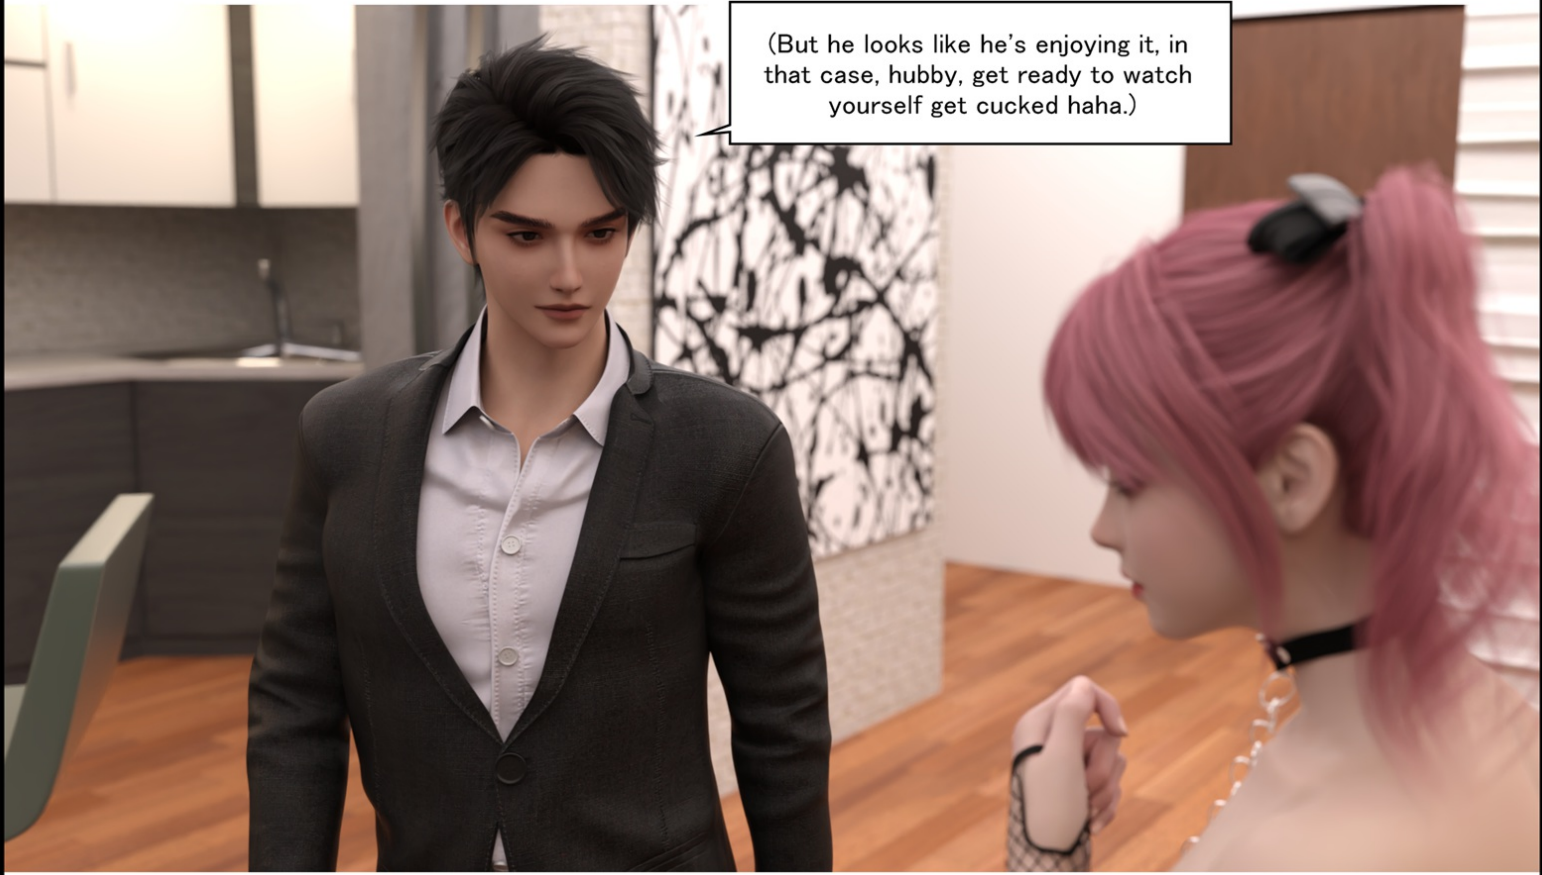

We didn't do it at all, Xiao Ming just used a toy.

Bro... big bro... sorry...

Hmph... (So the embarrassing toy Xiao Ming mentioned is this, he's pretty into it.)

Big bro, please, don't stare at my down there. (So embarrassing, my wife seeing me wearing this fake dick.)

Hubby, don't be mad...

(But he looks like he's enjoying it, in that case, hubby, get ready to watch yourself get cucked haha.)

Babe, you know me, I love chasing thrills, of course I won't blame you.

But I think a fake dick can't fully satisfy you, leave the rest to me.

Huh?

And since our little neighbor's here, just sit by and enjoy the show.

So deep~ hubby, my pussy feels so good.

Hubby, you're gonna fuck your slutty wife to death (feels so good, being a woman feels amazing, no way I wanna be a woman forever.)

Ngh aah... (Even though it's simulated,
but... too good, a guy's dick, I really
want a real dick.)

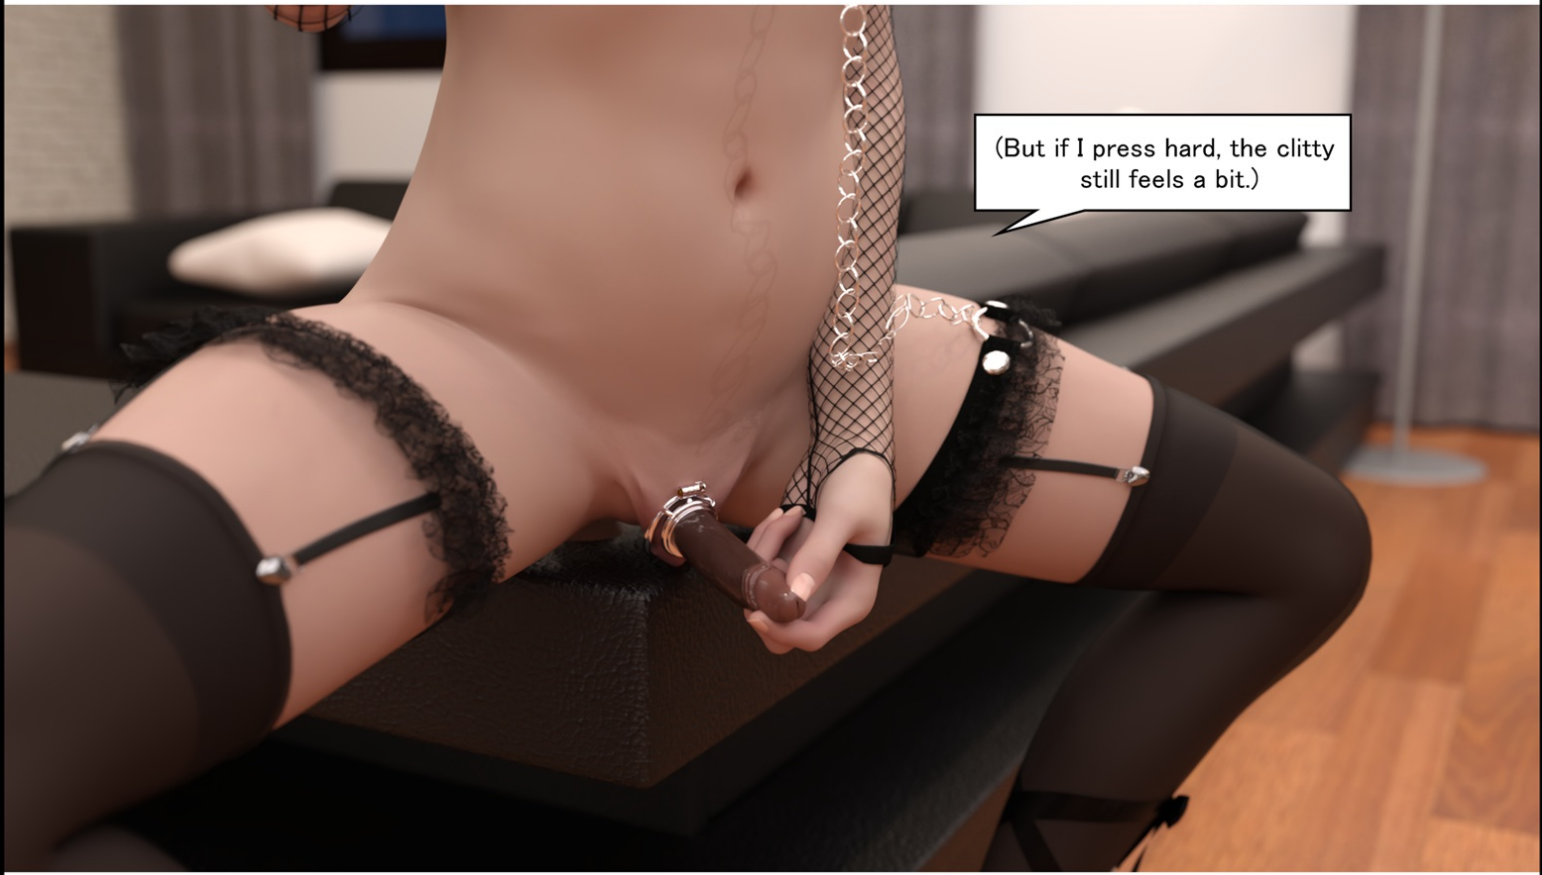

Oh ho ho~ all in, my ass feels so full~

(My clitty's so swollen too, but locked up I can't touch anything, just the fake dick.)

(But if I press hard, the clitty
still feels a bit.)

(Oh god, what am I doing, my wife's getting fucked by another guy right in front of me, but I can only play with my ass like a femboy, jerking a fake dick.)

Hubby I love you so much, you're fucking me so good.

(Yeah... so messed up, can't say my wife's getting fucked by another guy. But anyway right now to 'their couple' I'm an outsider, just their crossdressing neighbor.)

But my femboy body feels so good
right now, ass getting fucked feels
amazing, breasts so swollen nipples
so itchy~

Oh ho ho ho ho (This is so depraved, brain's blank, being a little femboy forever sounds thrilling too.)

Sis, help me, help shove the big dick
in my ass deeper~

Sure, you lick the spot where sis and bro are joined real good and sis will help you.

How's that, sis's juices mixed with
bro's cum taste delicious to you, huh.

Ah~ puppy, sis can't take it,
you're licking sis's clit too good~

Come, turn around, let sis
reward you good.

Shove it deeper for you~

Aah~

Can't hold it babe, I'm gonna cum.

Mm, hubby, cum for me shoot it all in my pussy.

Feels so good... hubby...

Haven't been a woman for long,
but calling hubby comes so natural.

Hmm?! What do you mean hubby, I don't get it.

Alright, drop the act, get up.

It's me.

Didn't expect that, I'd pretend
to be my hubby coming back.

Ah, then... then the one on the ground is.

That.. is my real husband.

He hasn't cum yet, probably still
enjoying his flower's pleasure.

Let him keep enjoying,
let's take off the skins first.

Gotta store the stuff properly, played this long, data should be collected enough.

This, wasn't it a gift for sis?

Nah, just helping them test new products, that special effects makeup company needs test data for guys in girl skins and girls in guy scenarios, we fit perfectly.

Oh.

DREAMMASK®
— the BEST MASK ever —

I thought I could keep wearing it.

DREAMMASK®
— the BEST MASK ever —

Looks like you're a bit disappointed,
no worries, in a few months after
iterations, new product's feel will
be even more real.

Mm.

But no wonder you're reluctant,
if possible I'd wanna swap with you,
experience what a real guy dick feels
like.

I... me too, sis, if possible
I wanna give it to you,
I'll be the girl.

There's a way, there is
a way to do it!

Hu... hubby?

I have a friend, super skilled doctor who can do organ swap surgery, he has a private clinic overseas, you guys can go to him.

You sure hubby, that way
I'll really become a guy.

No problem, babe, didn't you say
before we wanna be femboy couples?
This way without props we can do it.

Alright, hubby, since you're willing, I'll do it for love, but you still gotta take off the skin.

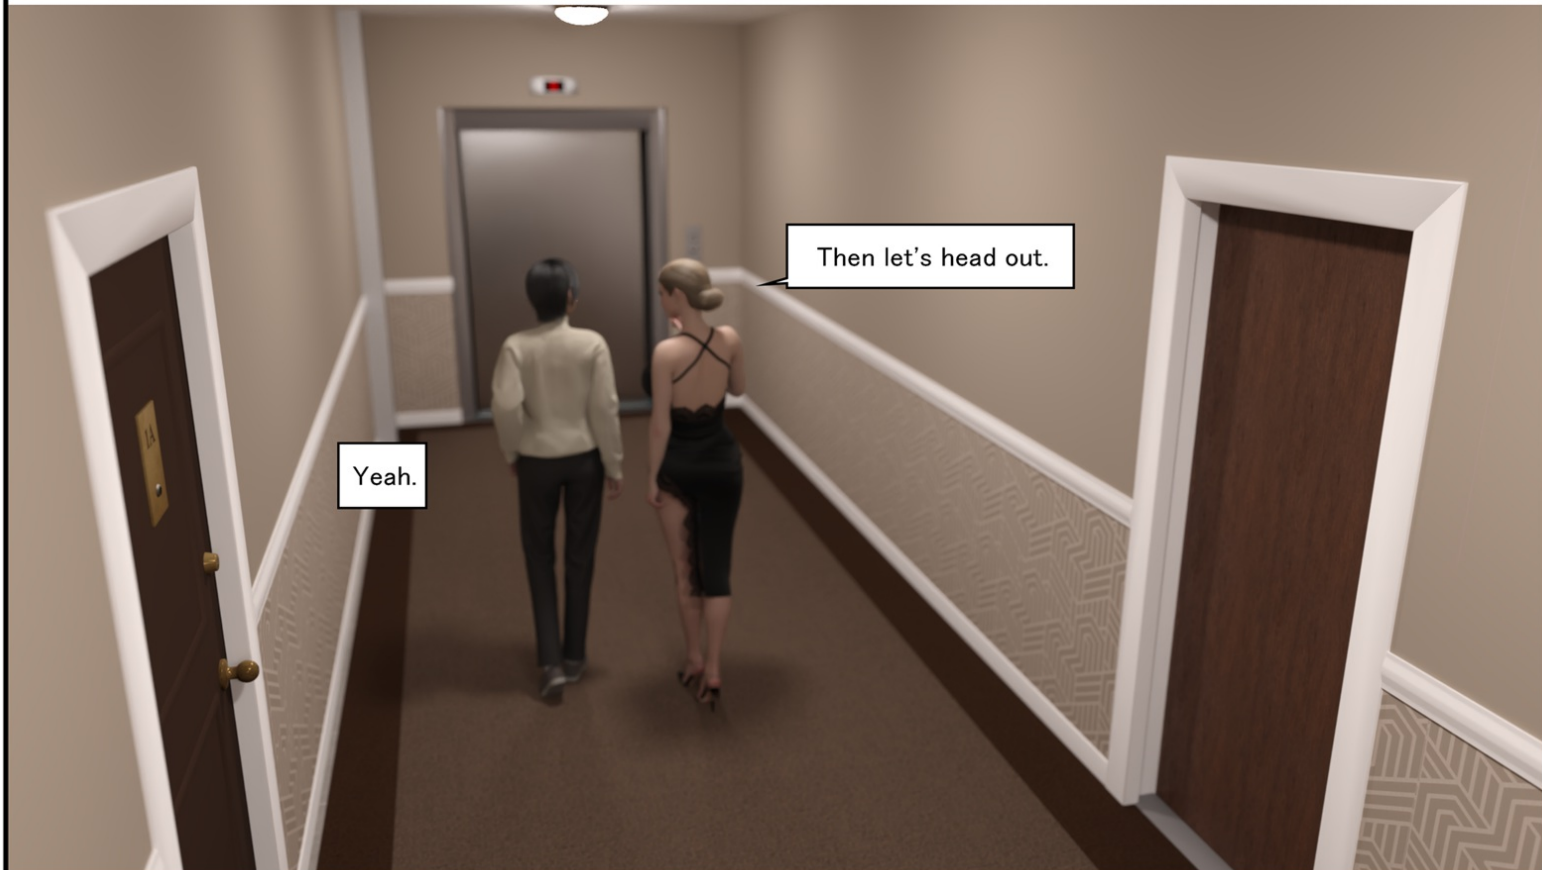

A few days later.

Ready Xiao Ming?

Yeah.

Then let's head out.

That night.

You look pretty like a girl,
can't tell you're a guy at all.

Hehe, I started hormone therapy in high school, that's why my skin's this good.

Nice, these tattoos on you are..?

These... my sugar daddy wanted them, he's good to me, paid for my boob job and hormones, so he likes it I got them for him.

What's up, boss, you don't like?

No, no! I'm satisfied...

Then have you thought about fully becoming a woman?

Of course, but my sugar daddy says current tech even if you become a woman it's just the bottom looking like a pussy, can't have kids or anything. Better like this.

What if I tell you now there's tech to turn everything below your head fully into a woman.

Then... then of course I'd want it...

Good, then come with me tomorrow.

Me and Yuxuan sis's surgery went super smooth, doc said our organs match high, rejection like doesn't exist on us, plus recovery total less than three months and told us we can go home.

*Knock knock.

Great Xiao Ming you're not asleep,
I saw you didn't sleep on the plane
during the day, thought you were out.

Still awake sis, what's up?

A bit embarrassed, got home and found my panties don't fit, came to borrow one from you.

I was just thinking of coming to you,
mine feel uncomfortable too.

Perfect, take it off and
give it to me.

Sis?

Ah?!

The underwear.

Sis... you... you down there.

Hmm?

Oh god, dick... ere... erect...
must be cause saw you naked...

Hehe, sis, guys are like that,
you'll get used to it.

Um... Xiao Ming, can I see your pussy?

If sis wants to see of course.

Really amazing, it's something I used
for over thirty years, now it looks so
exciting.

Sis... this pose is so...
embarrassing.

Ah~ sis, if you touch me like that I can't hold back.

Oh? Can't hold back what?

Can't hold back wanting
your dick to slide in...

Right, just say it honestly,
isn't swapping for this purpose?

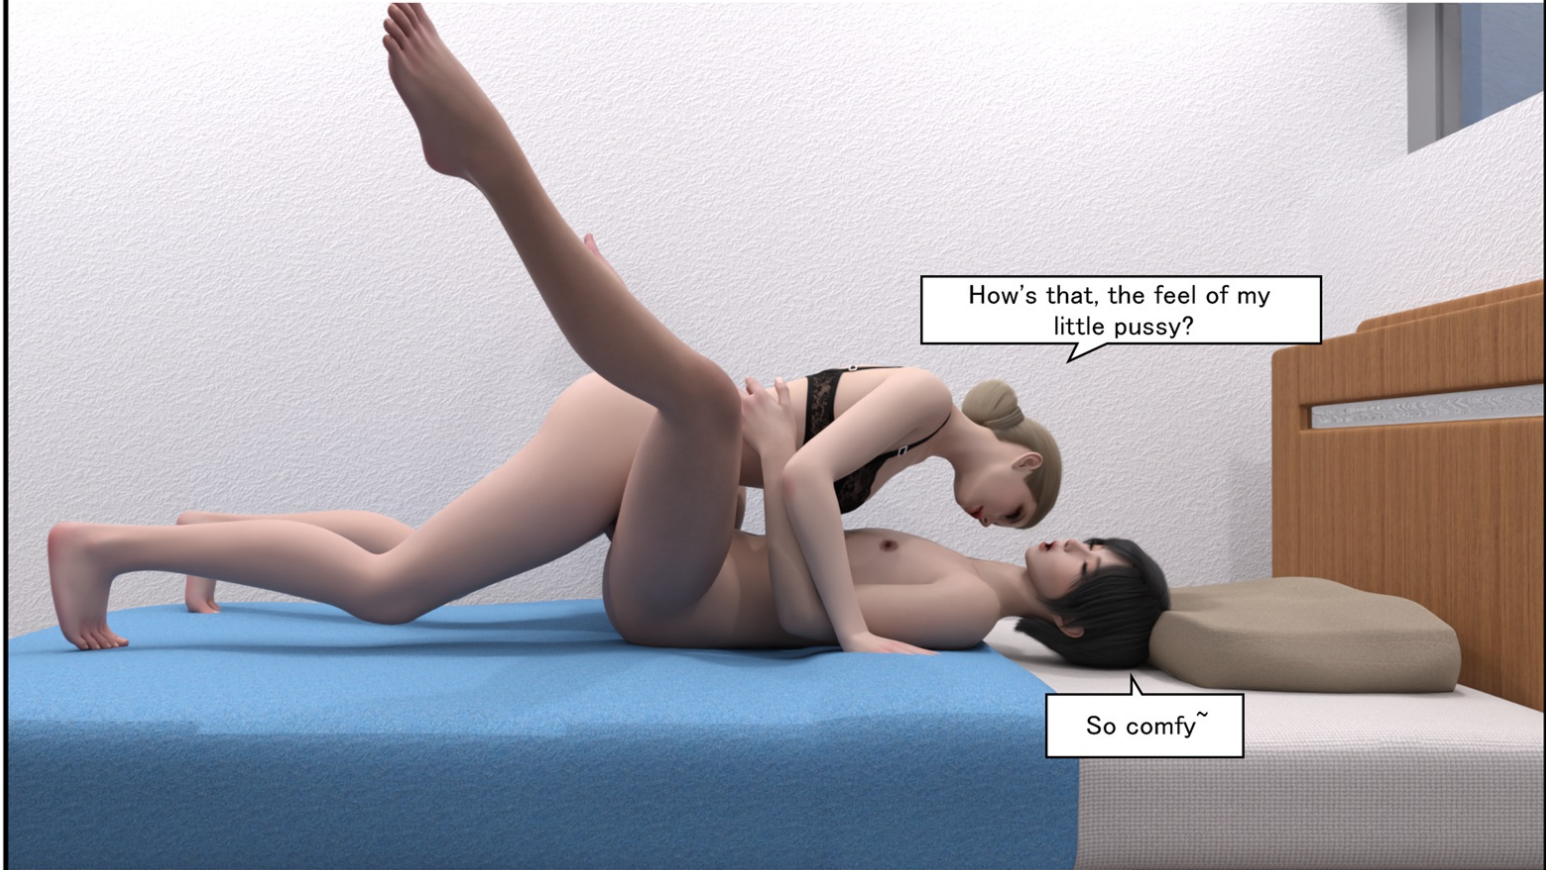

Look how wet you got,
I'll satisfy you with my
big dick now.

Aaaaaah~

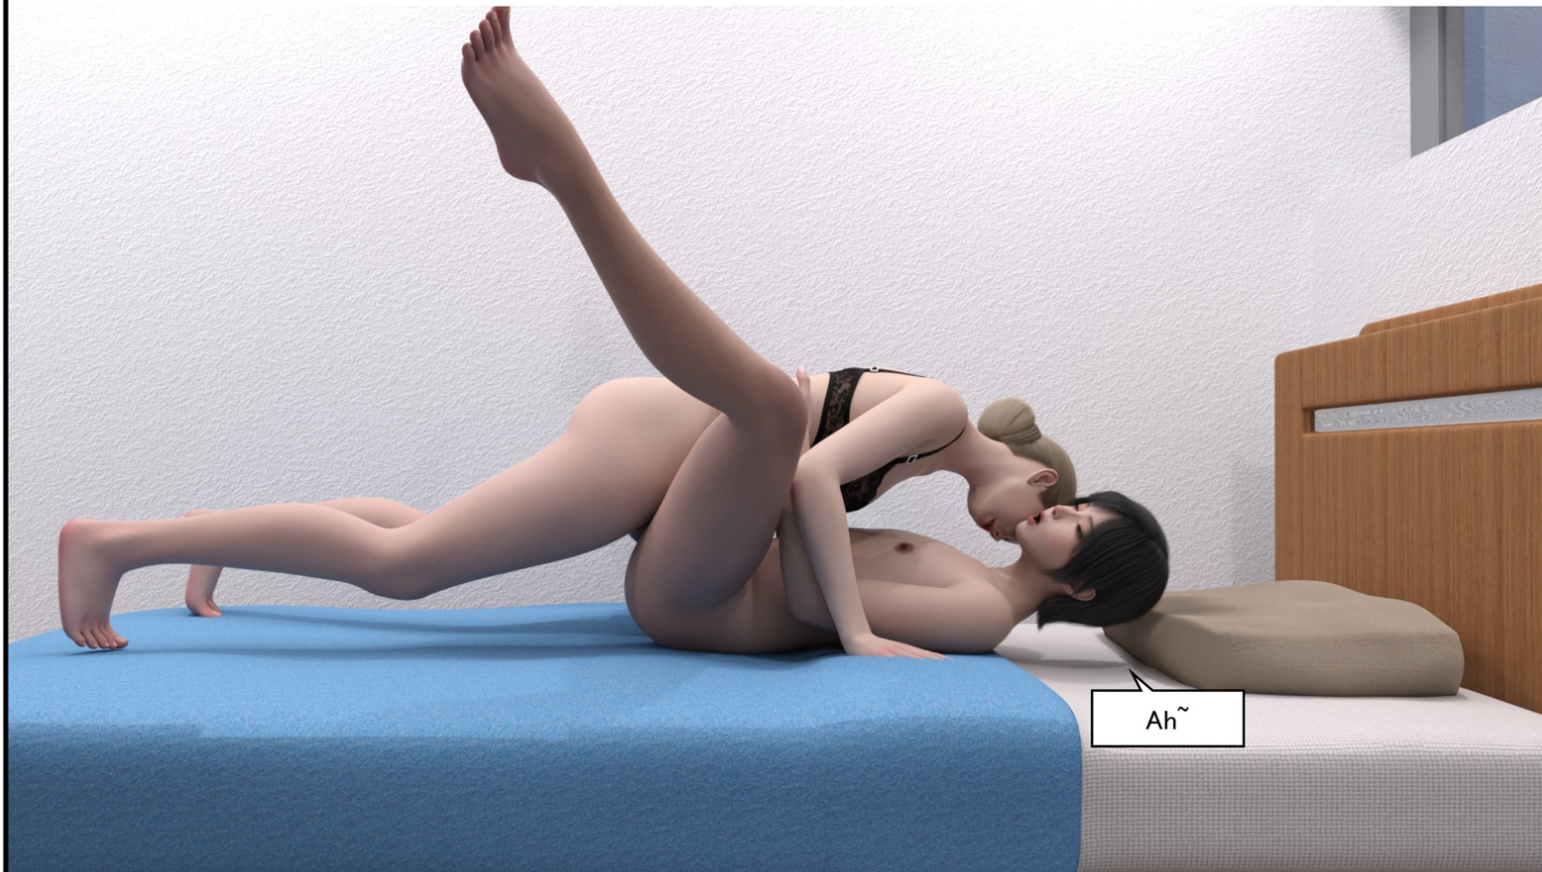

Ngh ah~ this feeling, this is a real dick.

How's that, the feel of my little pussy?

So comfy~

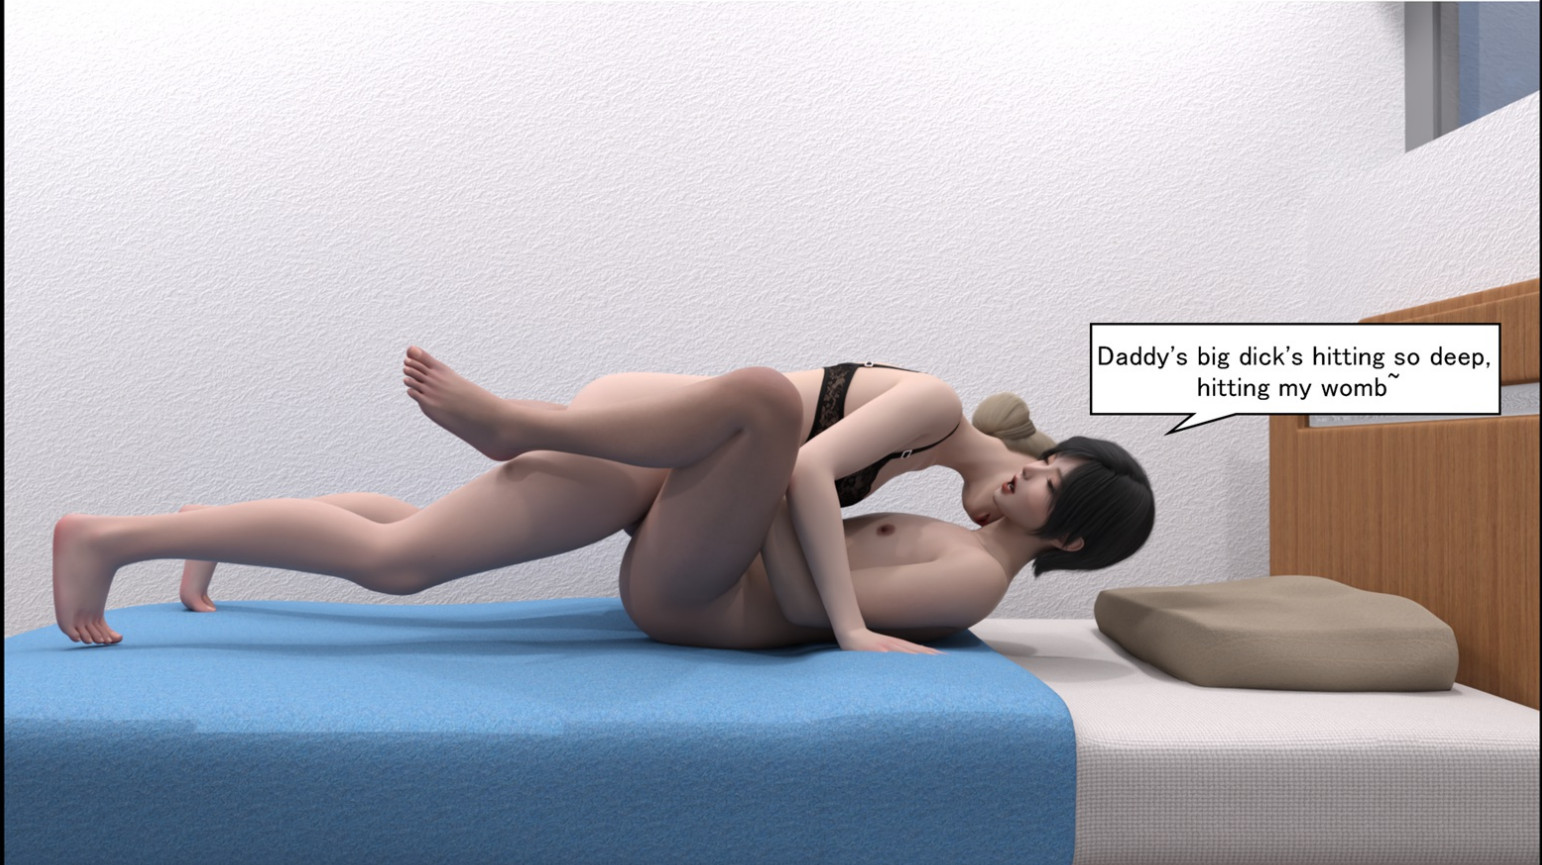

Sis? Who're you calling sis?

Sis, feels so good, your big dick's
fucking me so good.

Aah, cumming~

So good, came so much,
feel all drained.

Right, or how about giving you
the breasts too, that way you're
a full woman.

Mm, all up to you sis.

So, on Yuxuan sis's suggestion,
a few days later we flew back to
that hospital, transplanted Yuxuan
sis's breasts to me.

Fully became a woman...
Yuxuan sis's pretty breasts,
perfectly on my body.

Then what about your work?

Of course you'll handle it.

Ah, me?

You guys back already?
How'd the surgery go?
That doc's awesome right~

Hubby? Where you been all this time?
No heads up, gone so long.

Big bro?

Me and Xiao Ming didn't just swap sex parts, but breasts too, wanna see now big bro?

Big bro, what're you wearing, you been crossdressing all this time?

Good you're both here,
lemme tell you something.

After you left, I figured I can't just let you sacrifice for me babe, I gotta do something too. Company's bio lab had a head swap project needing volunteers. So I scouted a femboy, swapped him a female body, surgery total success. Seeing the leftover femboy body, I decided to put my head on it.

Even worse, though my body's frozen and preserved, the research team says at least 3-5 years short term can't swap heads again.

Wow!

Oh god, you...

Just got kinda used to it lately, before these big breasts were torturing me, and the nipples, wearing a bra the friction itches like hell, down there gets hard too. But without, clothes let people see.

And his ass been played to prolapse
ages ago, every day the flower's all
horny and itchy.

No way, just thinking about the
ass makes it feel so itchy, then it
stimulates the dick...

The dick will... get hard.

So big...

Dunno why, clearly on hormone therapy it should be small, but his dick's big and dark.

Specially got penis surgery, the meatus played till it can't close.

But his dick's super sensitive,
sticking something in the meatus
feels real good too.

Mm, good, babe, actually
I've been thinking about it.

You really got an amazing body now,
but your face doesn't match the
body, or else, go get your face
tweaked a bit.

Aah, babe, dick's cumming.
