

A woman with long blonde hair is lying on her side on a wooden floor in a well-lit closet. She is wearing a pink, sheer, off-the-shoulder dress and black high-heeled shoes. Her legs are raised and bent at the knees. In the background, a nude female mannequin stands upright. The closet is filled with various clothing items hanging on racks and shelves displaying several pairs of high-heeled shoes in different colors (red, yellow, black). A window on the left side of the frame shows a cityscape at night with illuminated buildings.

# THE SEDUCTION OF NEXT DOOR PART.2

\*R18 the story is entirely fictional and all characters in it are adults.

In the neighborhood.

Good thing I didn't wear the fake boobs, or there's no way I could even walk. Stuffing things into the bra works pretty well too.

Didn't expect this many people to be out night running at this hour. And I actually had the guts to come out wearing her clothes... am I being way too bold?

If someone sees me suddenly getting hard down there, I'm so screwed.

No... I can't keep going. My legs are shaking. I'll sit for a bit...

Tss!!

Ah... that feels so good~

The butt plug' s pushed in really deep.

(Oh crap, why is someone coming over right now? What if he can tell I'm a guy...?)

(Please don't talk to me...)

Miss, are you okay?

Mm... y-yeah... I'm fine. Just got tired from running, so I'm taking a break.

Okay, good. For a second I almost thought you were a friend I run with all the time, haha.

Then I won't bother you, bye-bye.

Mm, bye-bye...

Did he mistake me for Sister Yuxuan?  
Do I look that much like a girl right  
now? He didn't notice a thing.

If he saw the big bulge I've got,  
he'd totally freak out.

My cock is wrapped so tight in Sister Yuxuan's track pants~ And my ass feels so full from being stuffed~

Wearing Xia Yuxuan's sportswear,  
acting like I'm Xia Yuxuan, and I'm  
still jerking off out here~

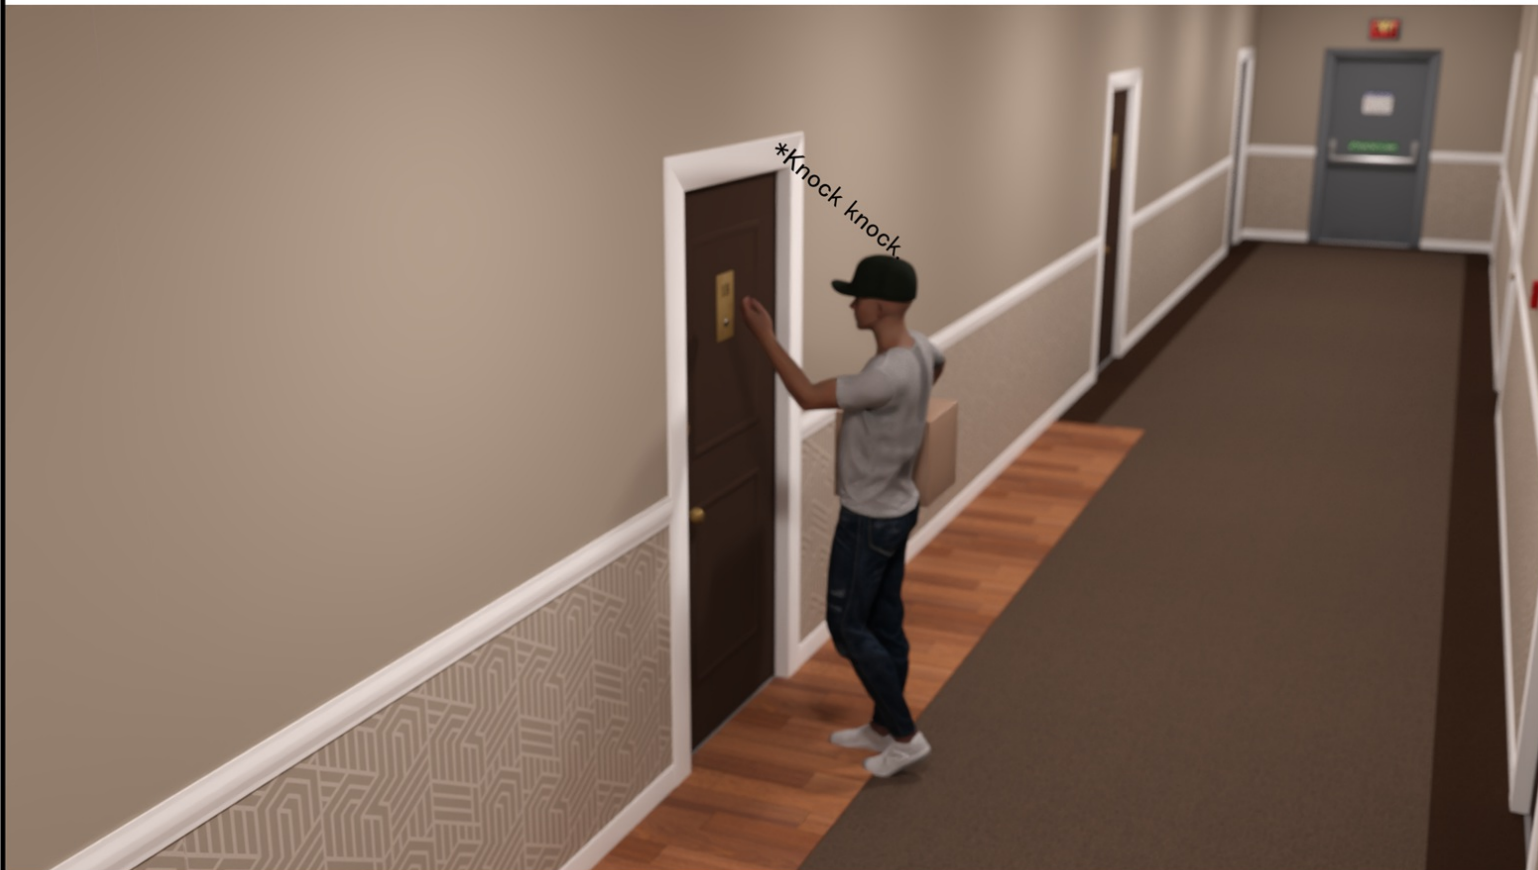

No... this is way too intense~

I seriously came from jerking off in public... If someone saw me, I'd be done for...

No one noticed, right...?  
I should hurry back.

Excuse me, this is Unit 4, 8th floor,  
Room 2, Ms. Xia Yuxuan, right?

Xia... Ms. Xia?

Hello~

Ah, thank you, finally!  
I've been waiting forever.

Damn, this delivery guy doesn't even dare look me in the eye.

Xia's pajamas are way too sexy.

What did she buy? This box is huge  
but super light. What's even inside?

Huh? Why is there a line of words here? "For my little neighbor"...

What? Th-this... is it for me? If that's the case, it should be fine if I open it, right?

The box inside is pretty fancy.  
What would she give me?

Th-this is...? Is this a mask?

DREAMMASK®  
— the BEST MASK ever —

Wait, is this face modeled  
after Yuxuan's face?

And this mask feels way better than the regular silicone masks on the market.

Why would she give me this...?  
Whatever. I'll take my makeup off and try it.

Uh... it's so tight...

My face feels like it's burning...

Ugh...!

Holy shit, no way.

Don't tell me... it's actually  
this magical?

Holy shit, this is insane.

This mask really turned my  
face into Yuxuan's?

Standing here with Yuxuan's face...  
it feels like Yuxuan turned into a guy.

If that's the case... it's basically like Yuxuan is jerking off.

Honey... where are you...

Holy shit... honey, you're...

Wait, babe, listen to me! (Didn't she say her husband would be away on a business trip for a month?! How is he back this fast?!)

So this is what it's come to. What else do you have to say?! This body... this cock...

I... I...

Honey, you're so good to me...

Huh?

Even though you always say you don't want to indulge my freaky kink, you still dressed up like this while I was away to surprise me.

Huh? (What is going on with these two, they're into this kind of play? But somehow I got mistaken for Yuxuan anyway... fine, I'll roll with it for now. At least I won't get treated like some creep.)

And you even put on the whole set.  
Honey, you're the best~

Uh... heh... hehehe... I know  
you like it, h-honey.

Wow, honey, your nipples got so small, they're like a boy's.

(Oh my god, he's holding me and my nipples are actually getting hard.)

Why'd you pick such a tiny cock, honey? It fits you really well though.

Wait, honey. (No, it feels so good.)

Honey, does it feel good being like a guy? Hmm? Want your husband to give you a blowjob?

Mm~ yeah, I do~

(Didn't think my first blowjob  
would be from a man...)

Haha, honey, you have no idea  
how long I've been wanting this.

Honey, your little cock even  
tastes like a guy' s.

I-is it... gross?

How could it be. My honey's  
cock is obviously nice and sweet~

Mm~ (His mouth is so warm and so wet, and... his tongue is so good, it's licking my tip so perfectly.)

It's a guy blowing me, but he's  
Yuxuan's hot husband~

In that case, I'll act even more  
like Yuxuan~

Honey, the way you're sucking it feels so good, but it'll feel even better if you go deeper.

Yeah~ honey, like that,  
it feels so good~

Ah, honey, it feels so good,  
I' m gonna cum.

S-sorry, honey. I... I couldn't hold it.

Honey, d-don't swallow it, that's disgusting. (Holy shit, he actually swallowed my cum. He really loves his wife.)

It's no problem, honey. I've even eaten your period before, so what's cum? And besides, this isn't real cum anyway, right?

But...

Cumming in my mouth comes  
with a price, you know.

Huh? What price...

Your punishment is you're going out to that dinner with me like this.

Ah~ d-dinner?

A few coworkers from the trip are meeting up to eat. I came back to pick you up in the first place. Now it's perfect, you're already dressed like this, so you're going like this. What do you think?

Ah~ stop messing around, honey. I'll... I'll do whatever you say.

Then hurry up and change clothes.  
Seriously, this stuff feels and tastes  
almost exactly like the real thing.

Honey, you've got everything,  
right? I'm locking the door.

A 3D rendered scene featuring a woman with blonde hair tied up in a bun, wearing a pink double-breasted suit with gold buttons and a matching belt. She is looking down at her chest with a slightly concerned expression. A speech bubble is positioned to her left, containing text. In the background, a man in a dark suit is seen from the back, standing near a doorway. The setting appears to be an indoor hallway or room with a patterned wall and a white railing.

Honey, is this really okay? My chest is so flat, won't it look weird?

Really?

Relax, honey. Nobody's going to stare at your chest the whole time while we're eating.

Huh?

But you need to keep your little buddy under control, okay? Look, your skirt's bulging again.

Whoa!

I told you, going without panties  
is a bad idea.

It's fine, it makes it hotter.

Come on, let's go.  
We'll be late.

Later, at the restaurant.

By the way, how many years have you two been married? You're still so sweet, like newlyweds. Any secret to keeping a marriage going?

A secret, huh. The secret is keeping things fresh.

Why is he lifting my skirt?

\*touches

(No way, he wants to...)

So how do you keep things fresh?

Doing exciting stuff together,  
of course. Right, babe?

Mm... mm, yeah, honey.  
(Why is he tearing my stockings,  
I'm not wearing panties! If he rips  
them open...!)

So what do you two usually do?

...

Can't tell you that. That's a secret between me and my wife.

A 3D rendered scene of a young man and woman in a romantic embrace. The woman, on the left, has brown hair styled in a bun and is wearing a pink blazer. The man, on the right, has dark hair and is wearing a light-colored button-down shirt. They are sitting on a wooden chair with a blue cushion. The background is a dimly lit outdoor setting with stone walls and warm, glowing lights.

Come here, kiss me, honey.

Wow, you two are so romantic.

Ahh, honey, love you.

Little thrills like this are enough  
to make her super happy.

Alright, Yuxuan, stop showing off.  
You're making it too sweet.

(Ahhh, no... this is too intense.  
I came while they were treating  
me as Yuxuan.)

Sorry, I... I'm going to the restroom.

Bro, is your wife okay? She looked like she was in a lot of pain. Do you want to go check on her?

Don't worry. She's just really happy.

You're seriously bold.  
Aren't you scared someone  
will notice?

Hehe, we're under the table.  
How could they possibly see?

Yuxuan, you two finally got back from your business trip?

?! (How is this possible? How am I seeing myself walk out of my own place?)

Who are you

Ah, you must be the new neighbor, right? I've heard my wife mention a bunch of times that a cute handsome guy moved in across the hall. Haha, and wow, you really do look so clean and pretty.

What's up? Do you need something?

Oh, while you two were away, Yuxuan asked me to hold onto a package for you. Do you want me to bring it over now?

You go back first. I'll go grab it.

Did you hear what the cute guy just said? Your package is here.

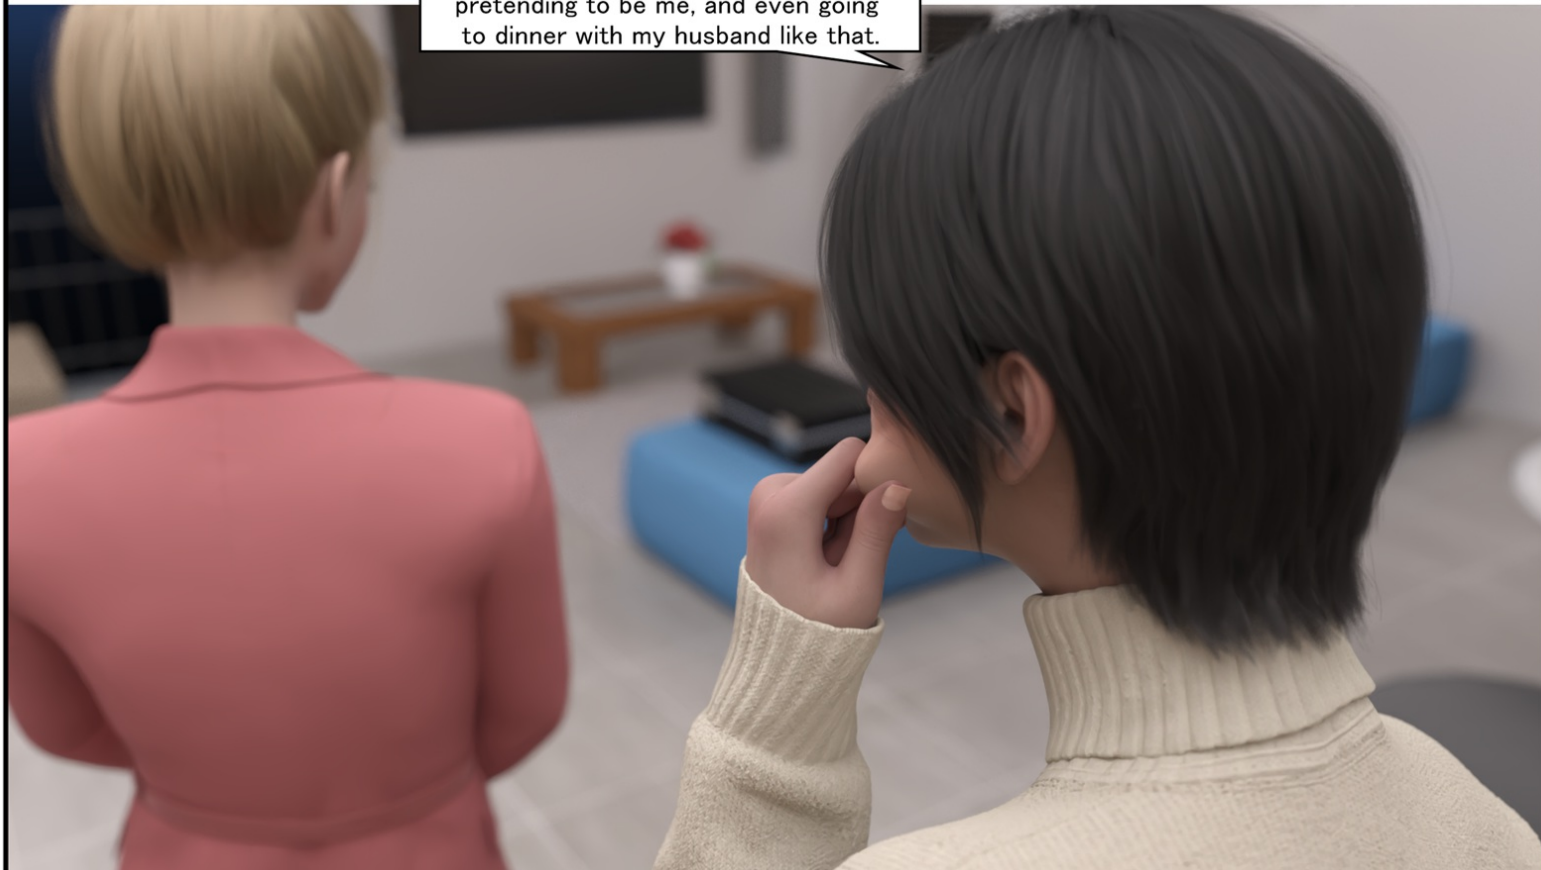

Y-you... who are you, really, and why do you have my house key?

Heh. Cute guy, these days you've been sneaking into the shoes I leave by the door...

And now you're wearing my clothes,  
pretending to be me, and even going  
to dinner with my husband like that.

And you're the one questioning me now, huh?

Yuxuan?!

Bingo~

That mask... so the one on my face  
was something you mailed me too?

Heh. I'm a professional model. When we shoot commercial work, we constantly have to do all kinds of looks, so of course we work with special effects makeup companies. Their boss is a genius, and he's also a good friend of mine, so this kind of disguise stuff is super easy for him.

Where did you even get something like this?

But... you knew I was messing around by stealing your shoes, and you didn't stop me. You even slowly led me on... why?

You probably figured it out just now.  
It's because my husband likes...

So you didn't want to?

I actually noticed it a long time ago. He used to hook up with femboys, and after we got married he toned it down a lot. These days he only occasionally looks at futa pics online.

And he begged me so many times to dress up as a futa to satisfy his kink...

It wasn't that I didn't want to. I honestly thought it sounded pretty fun. I just had one condition: if I dressed as a guy, he had to let me take him from behind. I didn't expect him to refuse.

So it just died there, and we even fought about it for a while.

I think the reason we can't fully let go with each other is because we know each other too well, and the pride that comes with being the husband makes him unable to accept me topping him.

Then... why did you let me do all this...?

Because once I realized you had this kink, I suddenly thought... if you and I swapped roles, maybe all the mental hangups between me and him would disappear.

But you're enjoying it too, aren't you?

So I'm basically becoming part of your couple's play...

So what exactly do you want me to do…?

You've been doing great these past few days. Live as me, be me, and be with my husband.

And I'll try living as you for a while, as this cute little femboy. Once I get used to it, I'll use your identity and help you satisfy my husband.

B-but... I can't stay like this forever,  
with a female face and a male body...

HEHE..

Do you think people would be able to tell if I put the mask on like this?

Whoa, Yuxuan, even your body is...

And that's not even all...

Down there is the real deal too,  
totally male.

No way... you stuffed something  
in there?

Cotton stuffing is way too basic.

I'm just so turned on that I got hard...

You can actually get hard?

Wait, this shape... why does it  
look so familiar...

My whole body matches your exact measurements now.

And of course the cock matches yours exactly too. Not just the look, even the size and shape. I can even ejaculate, no problem.

Ah~ your tip is really sensitive...  
honestly, before you two got back,  
I already played with it for a bit on  
my own.

You look really cute wearing my mask.  
Xiaoming, or should I call you Yuxuan?

(It's clearly me kissing Yuxuan, but it also feels like I'm kissing myself.)

Sorry, first time ejaculating.  
I didn't really control it...

Yuxuan, you... you came on the clothes...

But the pleasure a guy feels is seriously interesting.

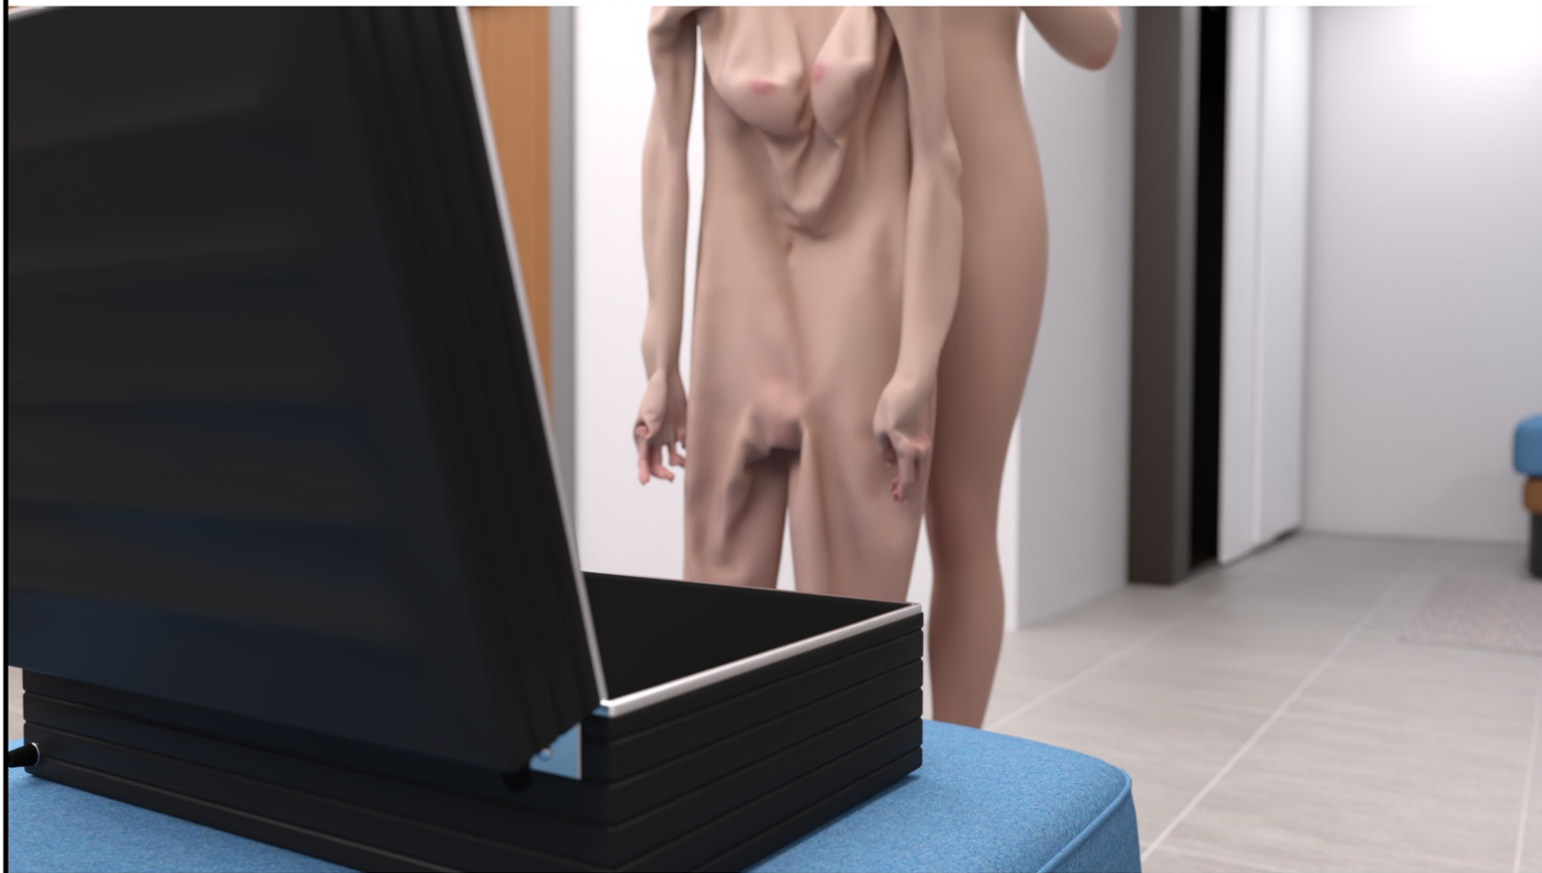

Judging by how you reacted just now, I'm taking that as you agreeing to my proposal, right?

I also prepared a full set of cosplay bodysuits made from my body measurements. Put it on and try.

If I put this on, I can completely become Yuxuan, even the chest and down there will be exactly the same.

My legs got so slim.

This is squeezing my body so tight.

It feels totally different.  
The weight of these boobs...

And this feeling too, ah~

Yuxuan, you're still in my place and you're already messing around with your new body.

Alright, hurry up and get dressed and go home, or your husband's going to worry.

Oh, right, I have one more question.  
Why do you have a key to my  
place...?

Oh, because my husband is the  
landlord of this building. Of course  
we have spare keys.

Mm, Xiaoming, I'll head back first...

Then, Yuxuan, bye~

This is insane. I can't believe in just a little while, I've completely turned into Yuxuan.

I probably won't get exposed, right...?  
Whatever. It was Yuxuan's idea  
anyway.

Honey, I'm back. Open the door  
for me.

Honey, why did you take so long?

I chatted with the neighbor for a bit.

That night.

Honey, why did you take  
your cock off?

I've been wearing it for a long time  
today, honey. Can't you let me be  
comfortable for once~

Honey, why are you so shy  
and cute tonight?

Mm... be gentle, honey. (He's so...  
big, how is his cock this big?)

Ah~ (But it feels amazing. I feel totally filled up.)

Don't pull out, honey. A little deeper,  
please~

Ahh~ so deep, honey... it feels like  
you're going all the way in.

(So this is what it feels like to be a woman... it's so good my brain is going blank. I almost want this to last forever... like I could just stay this way.)

Hah... I'm gonna finish, honey.

Ah~ honey... all of it... right inside.

After that, on days Yuxuan didn't have to go to work, we'd swap roles and dress up as each other. I'd live as Xia Yuxuan, the sexy landlady, and enjoy her life. And Yuxuan seemed to enjoy it even more than I did. She'd completely turn herself into a young college guy who spends all day fantasizing about the hot landlady next door.

Hehe, aren't we getting closer and closer.

"Xiaoming", stop... let's go to your place, okay? My husband might be back soon.

Ah~

Besides, you're already like this...  
you really think you can still walk?

Stop teasing me, "Xiaoming"...  
I... I want it. Hurry.

Quit dragging it out, "Xiaoming".  
Just... do it already.

Mm? That's not right. What are you  
supposed to call me? Say it wrong  
and you're not getting anything.

Wow, you're impatient, "Yuxuan".  
So—how do I compare to your  
husband?

Mm... "Daddy", I want it so bad.  
Hurry...

Ah... I like Daddy's more.

She looked like she actually liked seeing herself act this shameless and wicked.

And sometimes, Yuxuan would get completely taken over by desire in my body and turn into this submissive, cross-dressing masochist. And when that happened, I'd play along too, acting out the confident, controlling woman I used to fantasize about.

I even put on the little tail thing on purpose today. Do you like me like this?

Of course I do. You're unbearably cute. (It's literally my own face, so why does it look this cute? And the moment I think it's Yuxuan... I get worked up too.)

Getting this excited in my clothes?  
Look at you... you're totally worked  
up.

Come here, puppy. Be good and warm me up.

Do it properly, and it'll feel a lot better when we really get started.

(I can't believe a scene I used to fantasize about is happening like this.)

(Even if I can't feel everything the same way right now, watching Yuxuan use my body so seriously is... insanely satisfying.)

Hey—no. From now on, you only get to touch that when I say you can.

Okay, sis~
