**T&T Products**

Tawny scheduled a T&T-BDSM-Clubbing event with her special friends. They meet together in front of Tomsen Manor.

After a warm welcome and some small talk at the forecourt the guests enter the party-room.

The guests got some drinks ... chats a bit ... sat down and waiting curious for the Show.

Tawny made some suggestions about the agenda but nothing concrete and only close friends are invited at this evening.

Tawny: "Welcome dear friends. Tonight we had a special program, therefore only close friends are invited. The first Program-Item is a short presentation of our new product. Tina, can you support me?"

Tina: "How can I help, Mistress?". Tawny: "Please get on the Rack, I want to demonstrate the features of the new T&T-obedience-belt to our friends. Robert, can you bring the special chastity device?"

Tawny fastens Tina on the cross and opens her belt. Tawny: "Maybe you noticed the new belts wearing by Sheila and Tina. We had an additional Chastity-Plate which could be easily exchanged". Tawny removes Tinas chastity extension ...

Tina's eyes widen while looking to the new chastity shield. Tawny lubes the penetration tools with lubricant. There is a G-Spot stimulator, a vaginal vibrator and an anal vibrator. Each of these devices can be controlled manually or automatically.

Tina moans heavily while inserting the Dildo and the Plug. Tawny enjoys Tina's arousal.

Tawny: "Start app ... 'T&T-control' ... select target ... 'Tina' ... G-dot stimulation ... Increase Level"; Tina breathes faster and moves her head back. Tawny: "Who wants to try the app?"; Tawny moves to Joe and hands the mobile over.

Joe takes the phone and tries several stimulation settings. Tina responds immediately with moaning and body-shaking. Joe: "Incredible ... I need this belt for Juliet too". Juliet gulps and lowers her head. She didn't say it, but she wants it too.

Tawny: "And now I will make the final settings for Tina's belt during the whole evening. Mode ... 'Random' ... Device-selection ... 'Random' ... minimal Time ... '5 Minutes' ... maximum Time ... '30 Minutes' ... and START ... enjoy Tina"

Tawny: "And last not least the Strap-On-Dildo for your pleasure. Please be patient with Tina, I am pretty sure, she will have some problems in concentrating. Robert, please could you prepare the standing-table with the box?"

Tawny: "Dear Friends, we will start over with our main topic called 'Pleasure Extreme'. Tina will pull 2 name-cards from the box and these persons will be the target of our main topic. Tina, please get the first name."

Tawny: "And the first winner is ..... Sheila! What a surprise. Tina, could you please take the second card?"

Tawny: "And the Second winner is .... Lishaaaaa, Congratulations." ... Alex:"Oh my god Lisha, this will be a great fun tonight." ... Lisha:"Ehmmmm, what?" ... Sheila purrs and blinks to Lisha from behind.

Tawny: "We will make a break for about 30 Minutes before starting over. Candy could you take care about Tina while I change into more comfy clothes? I would suggest to do it similar. Robert please prepare everything for the next act."

After a few minutes, Tawny returned in more comfortable clothes and visits Candy, Kim and Tina with a big smile on her face. Tawny: "How's going?" ... Candy: "Oh, fine, Kim keeps Tina busy as you can see" ... Tina and Kim moans loud.

Tawny: "Dear Friends, we continue with our next act." Tawny removes Sheilas belt and chain-bra. Tawny: " You will not need them. Lisha, please remove your clothings except boots and cuffs and join us". Lisha shivers a bit and nods.

Tawny: "Sheila please give Lisha a hot welcome-kiss. I'll gave you the blindfolds, because you should concentrate on what you will feel and not what you will see. Lisha, please sit down too in front of Lisha."

Sheila and Leisha really enjoy that they are so close together. Tawny: "Ok Sweeties, lay on your back and feet up in the air".

Tawny grabs the chains hanging down from the ceiling and connects Lishas and Sheilas ankle-cuffs with these chains.  
Tawny: "Robert, would you be so kind and raise the chains?"

The chains moves our girls inch by inch closer to the ceiling. The breathing of them becomes faster ...

Tawny fastens the wrists of the helpless girls on the posts. Tawny: "Robert, could you bring us the toys?"

Tawny: "Thank you Robert, really a great selection. Dear Friends, please join me to give Lisha and Sheila an excitement they never had before. You can try all this tools or ask Robert if you miss something and don't forget about your own pleasure."

And the party comes to the highlight. More and more guests participate in giving the helpless girls a never seen excitement.

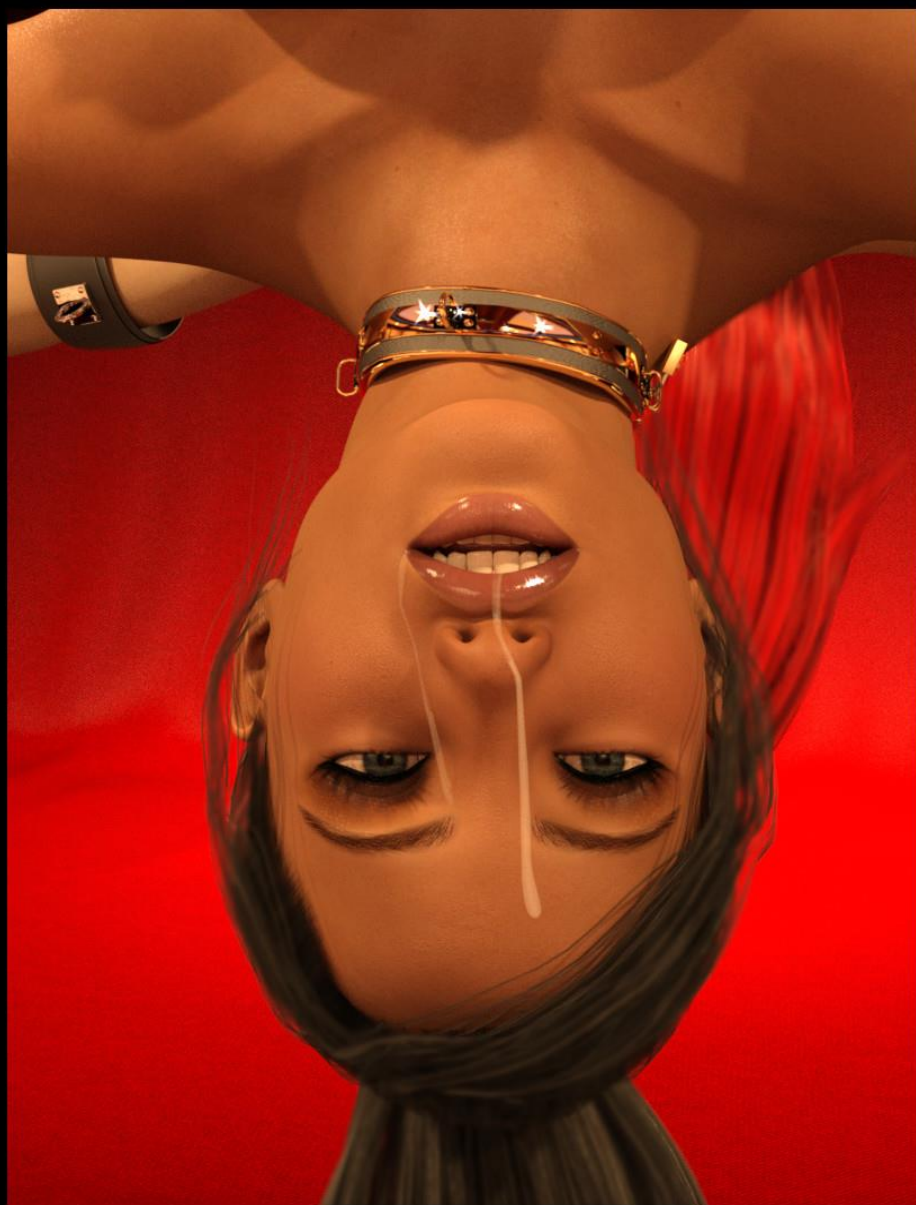

Tina joined the pleasure party too. Tawny removed her blindfold and strapon-dildo and attached a dildo-gag to Tina.

Moaning sounds are filling the whole room ...

In the meantime all guests participate at this session. Everybody was satisfied more than once especially Sheila and Lisha. The session takes severall hours of moaning, aroused cries, buzzing of the vibrators and so on ...

Hello dear watcher, I hope you enjoyed our little adventure the same as I did.

I have to say this event was really amazing. I cannot remember how often I climaxed during the last session.

But it was an unknown experience feeling so many hands, so many bodies, so many toys. Feeling Lisha on my buttocks, her aroused body and all at the same time.

By the way, the plug and the dildo is left in my openings. I am glad, that the blindfold is away and I am able to look in your eyes. I am really curious, how long I had to stay here upside down and totally immobile.

I hope you will be with us again when there is another Story from T&T-Productions. So stay tuned on this channel.

\*kisses\*  
Yours Sheila
