

DON'T GO TOO FAR INTO THE PAST.

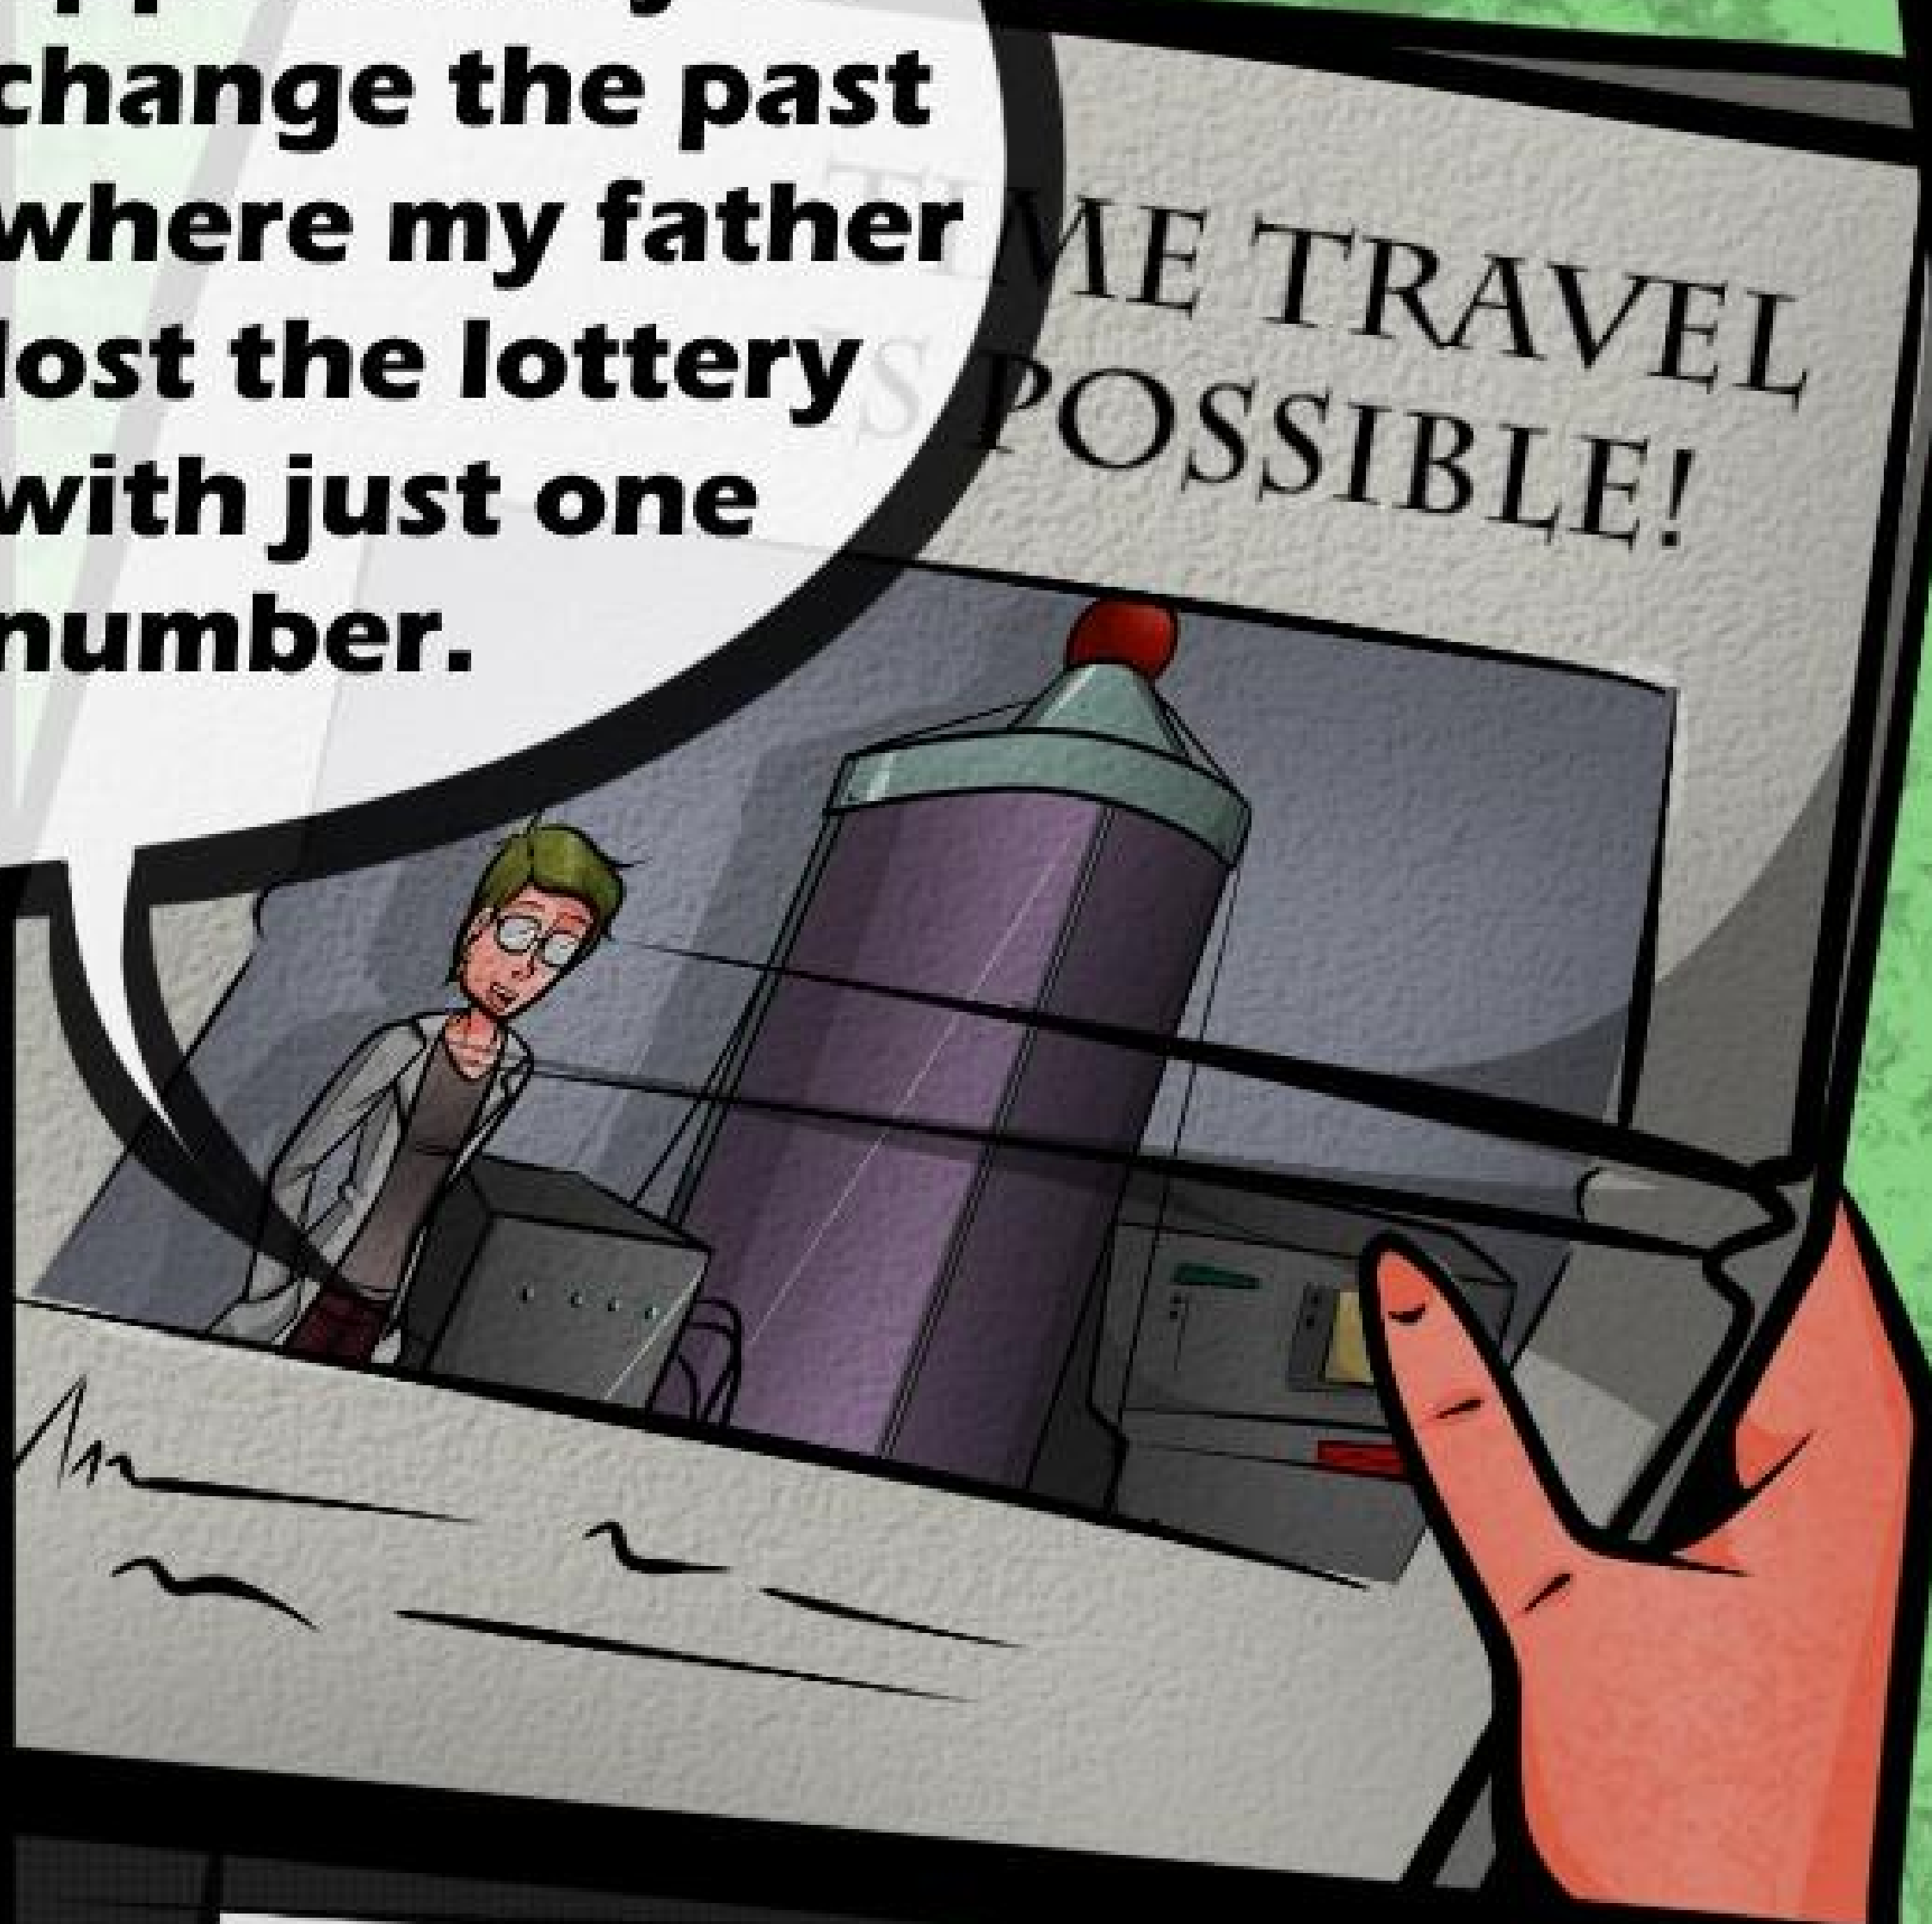

THE TIME ACCIDENT

18+

Dr. Forth finally succeeded in building a machine that can take a person back in time.

Sounds like a great opportunity to change the past where my father lost the lottery with just one number.

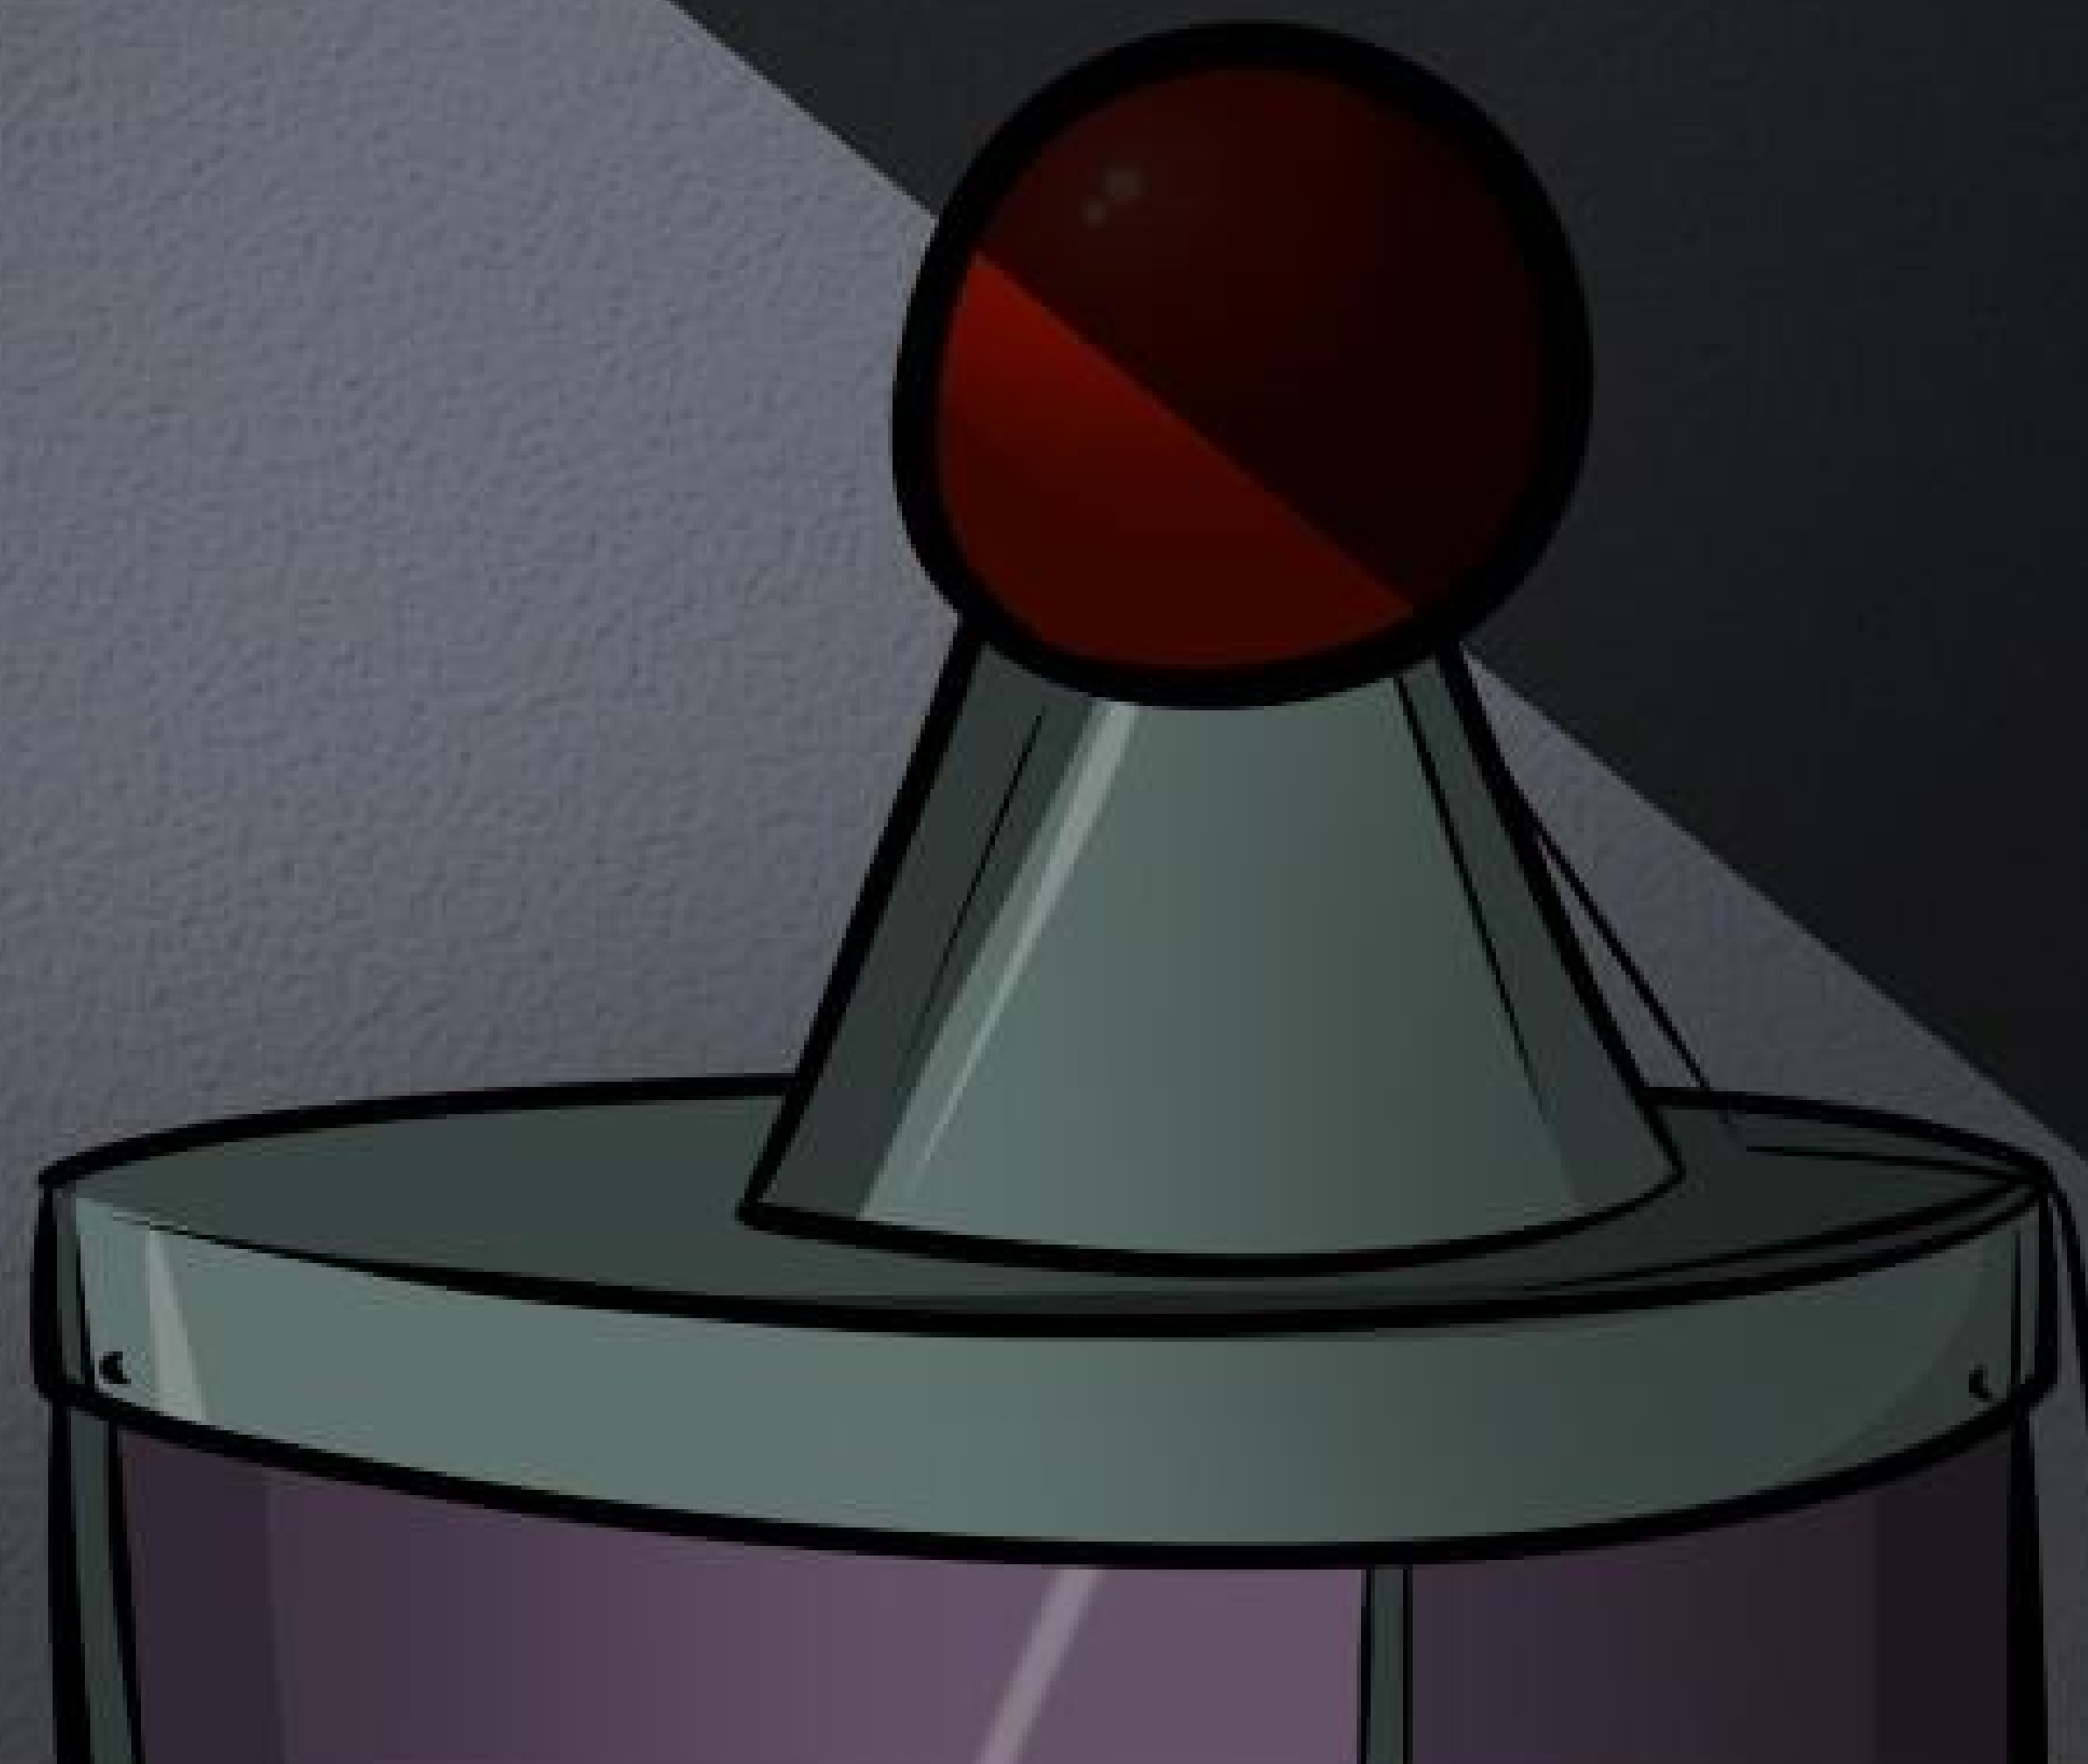

But I can't just ask them kindly to use it...

3 am at the workplace

So, I have to break into the place.

My father always was depressed because he missed the lottery by just one number.

ZOOM...

I hope this thing works...

20 years in the past

Huh...? Did it work? It is daylight now sooo....

It works! I am now in the past! This is so cool!

WIN THE JACKPOT OF 1,000,000 DOLLARS
SEE FOR...
GET ALL...
MAKE S...

And there is my father going to buy the lottery ticket!

Wait!

**Don't go int
there yet!**

**Huh?
Who
is that?**

**Sorry,
I haven't
had
much
sleep in
a while.**

**You
look tired.
You remind
me of
someone...
hmm...**

**But anyway.
I am here to tell you,
that if you want to win the
lottery, you need to have
these lottery numbers!**

**Hahaha!
I'll keep that
in mind. Thanks!**

What is happening?!

Ahhh!
Make it
stop!

**What the...?
This can't
be real...**

**They are...
MINE?!**

Squish!

**I am in a
woman's
body!**

**What is
happening?!**

beep!
beep!

Okay,
just calm
down....
You only find
yourself in a
massive rich
house, and you
are a girl now.
Okay, lets just
find clues
about my
new
reality.

Here's
my
phone,
lets
see...

Oh god,
I have a boyfriend now!
Jeez, I am such a player now.
But girls do have it easier
to get a relationship
I suppose.

So that means by changing the past where my father won the lottery, he got rich and I got born as a female. Does the time machine still exist?

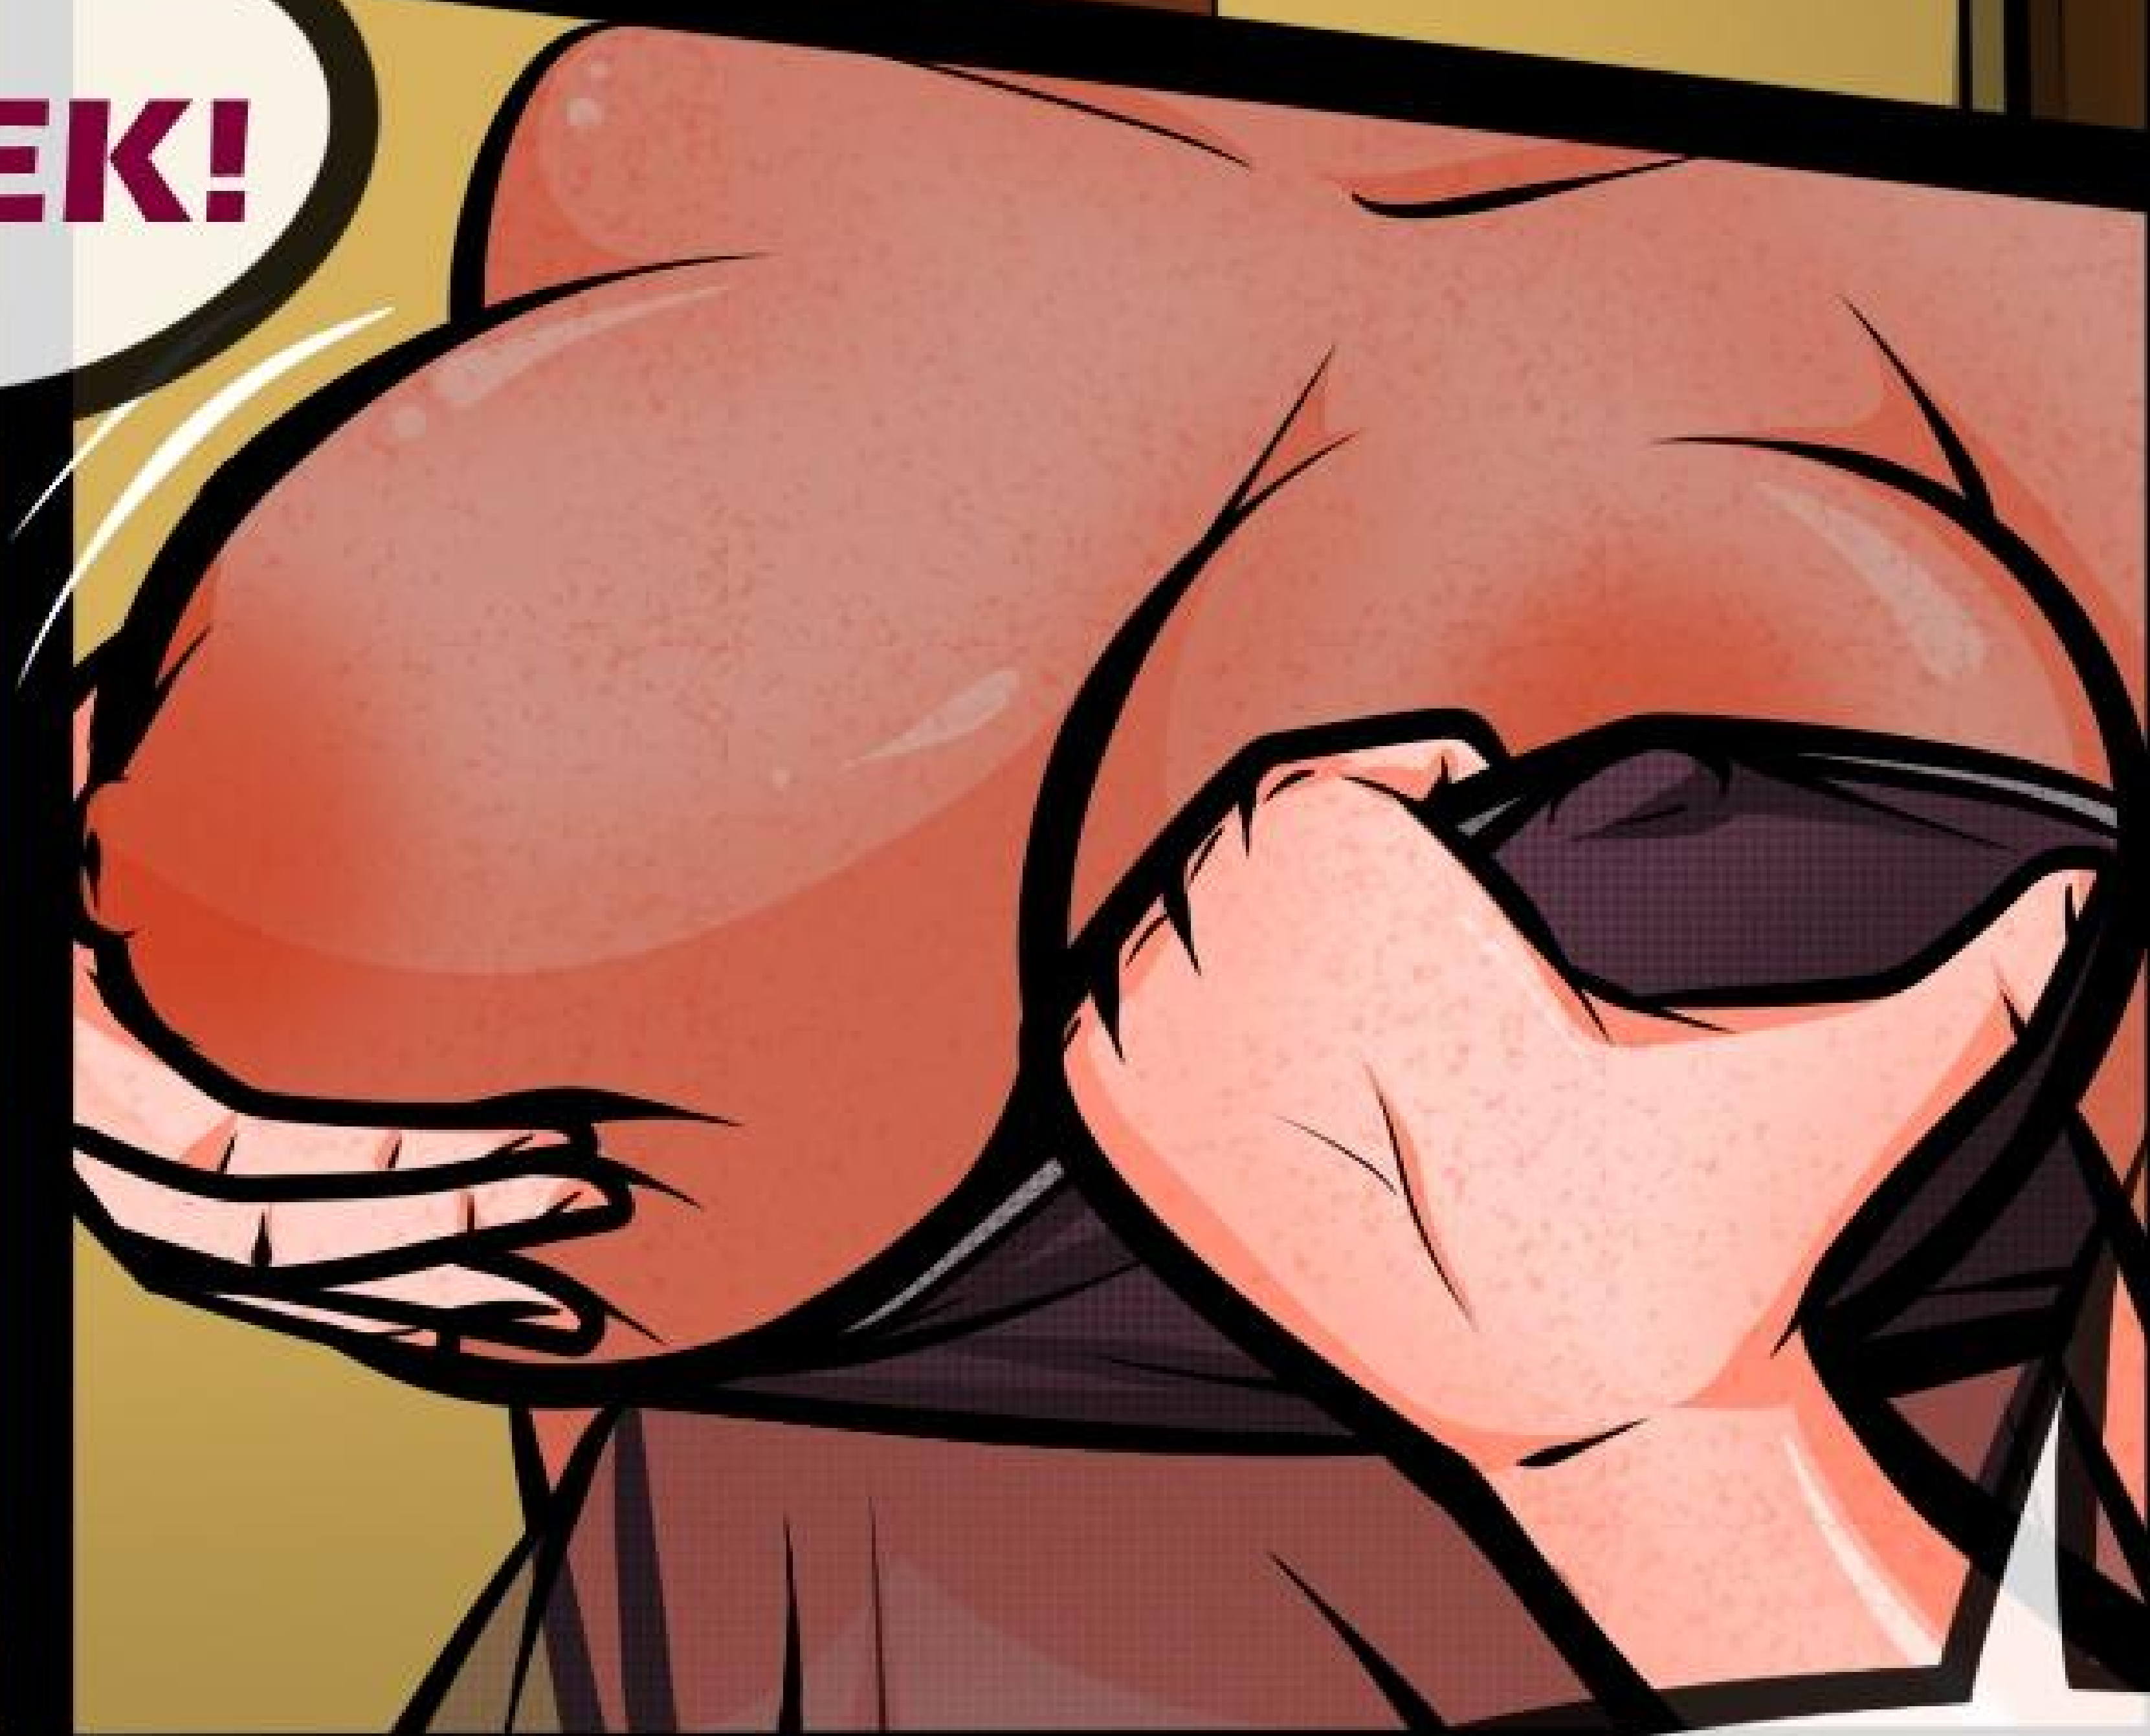

Surprise!

EEEEK!

squeeze!

Hey babe, sorry for the scare! Let me help you getting more comfortable!

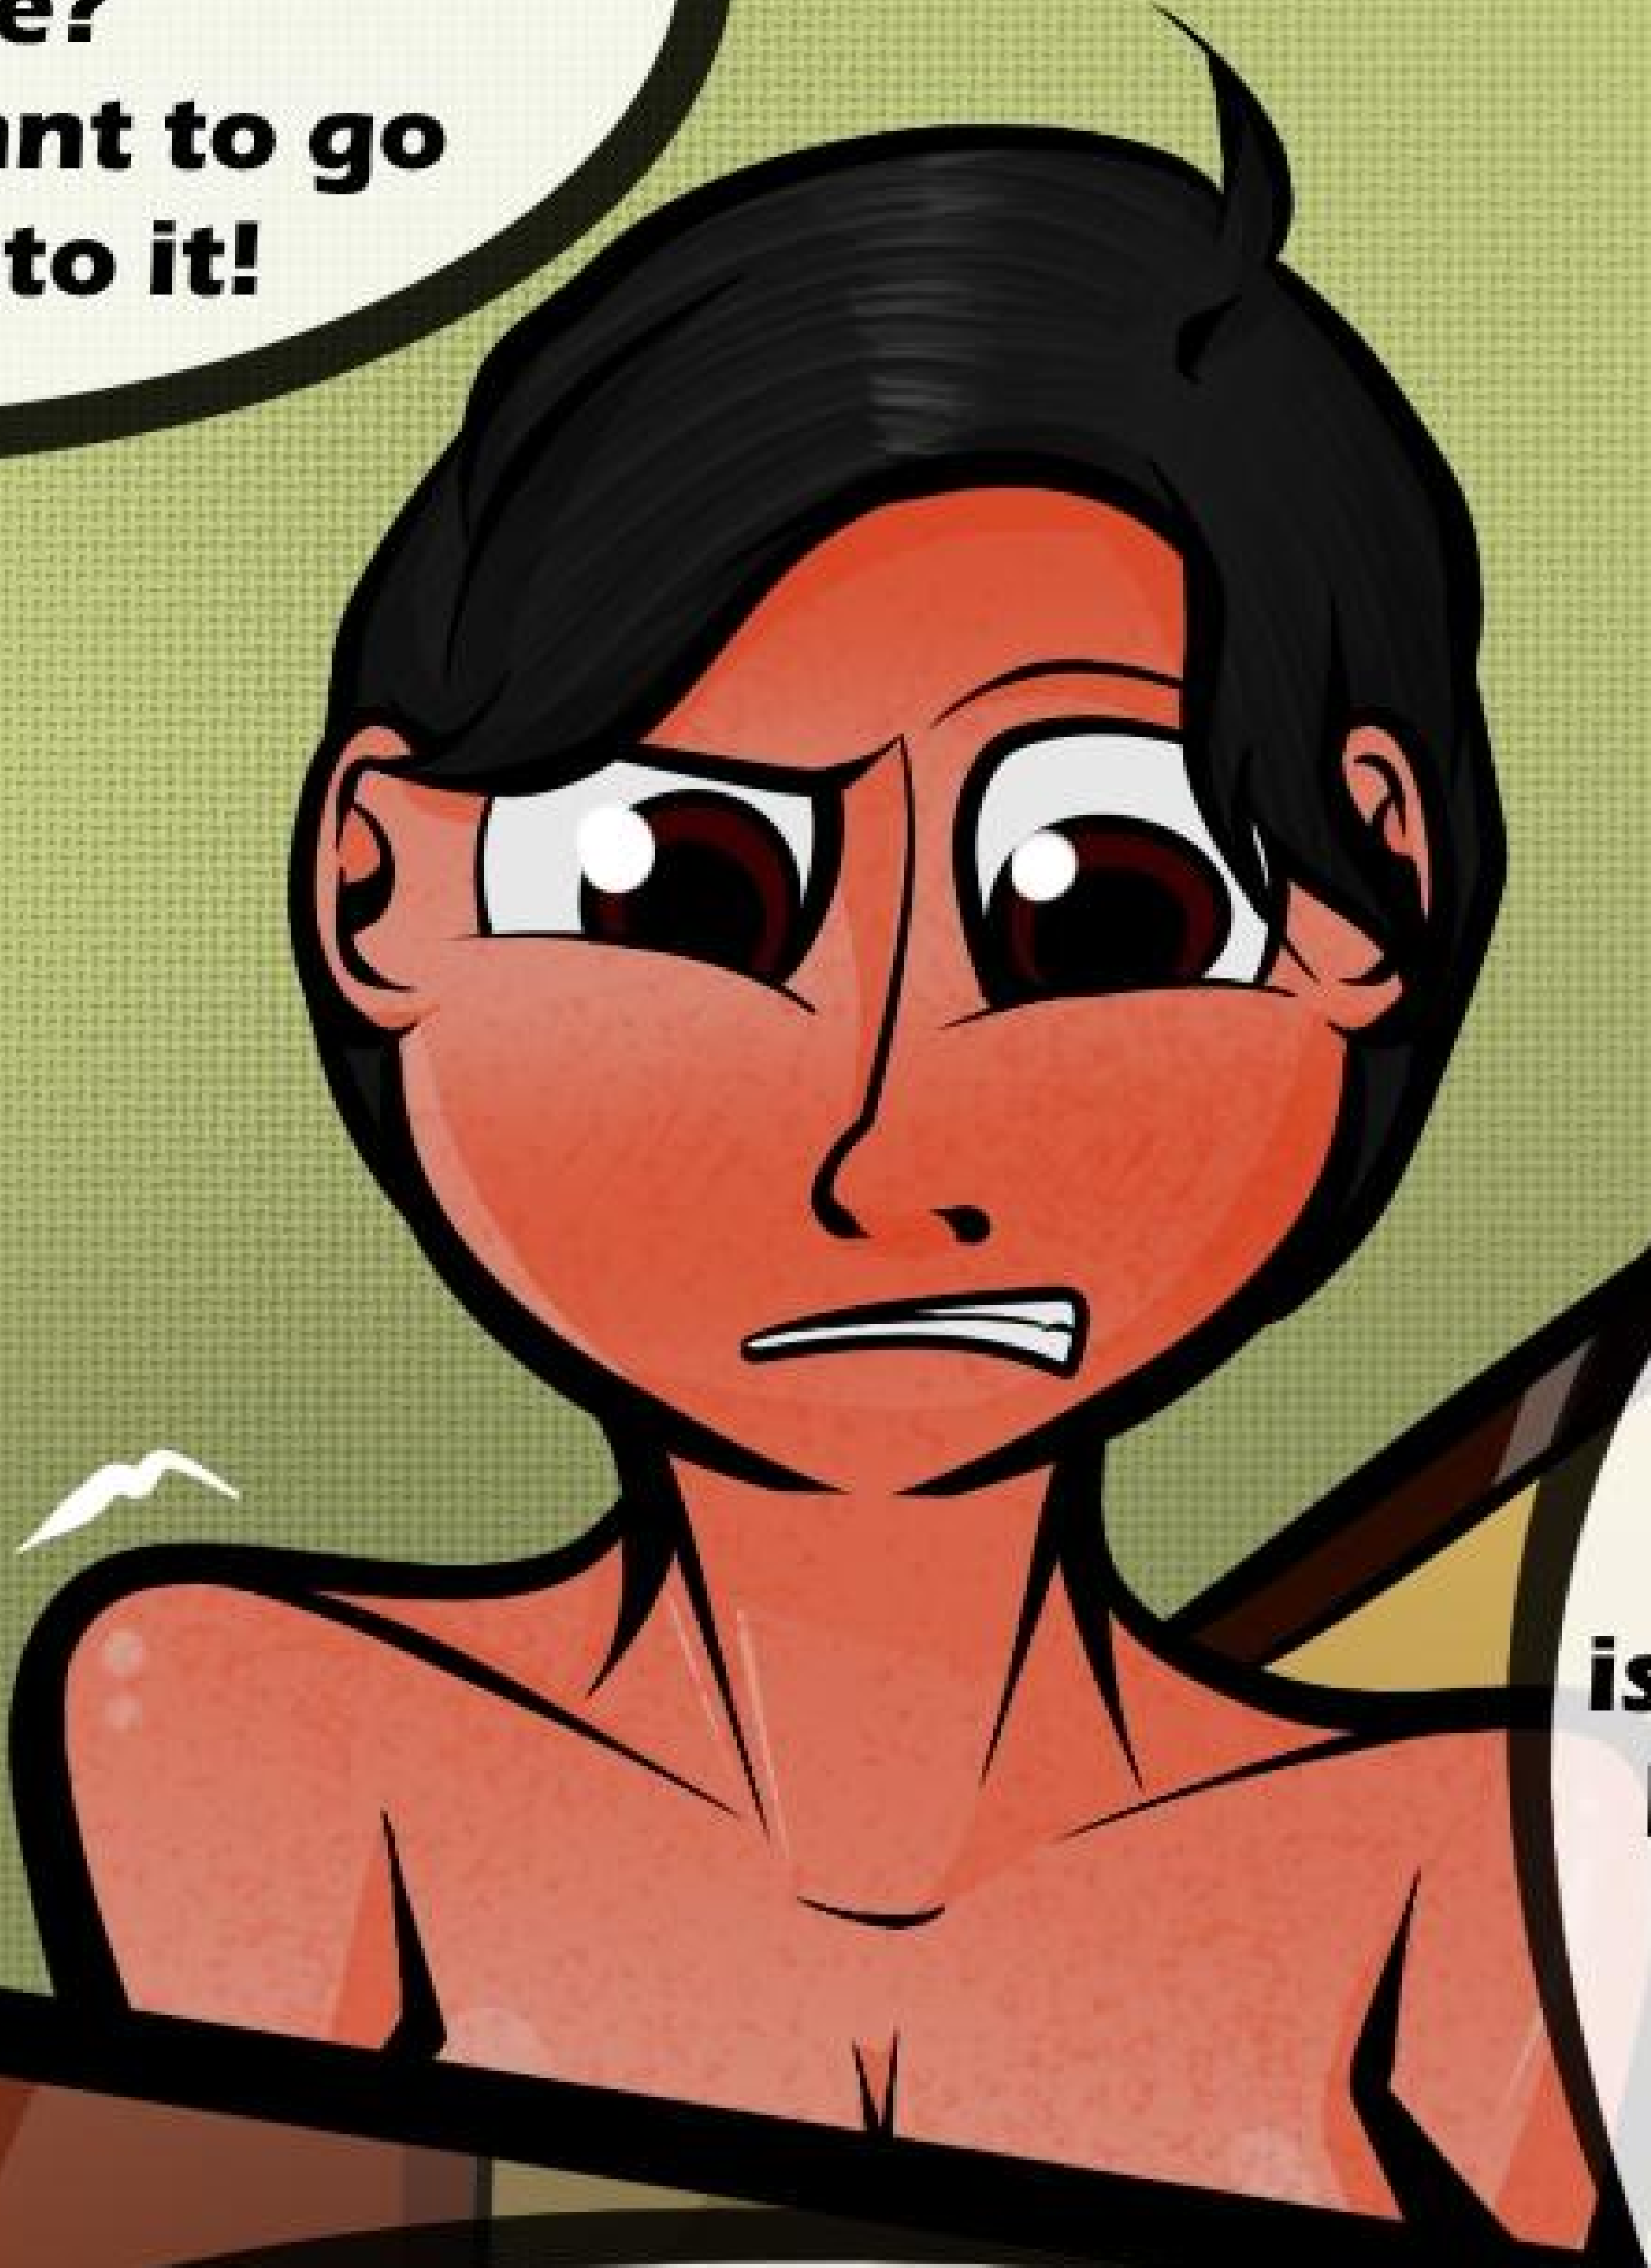

Hey uhm... sweetheart!

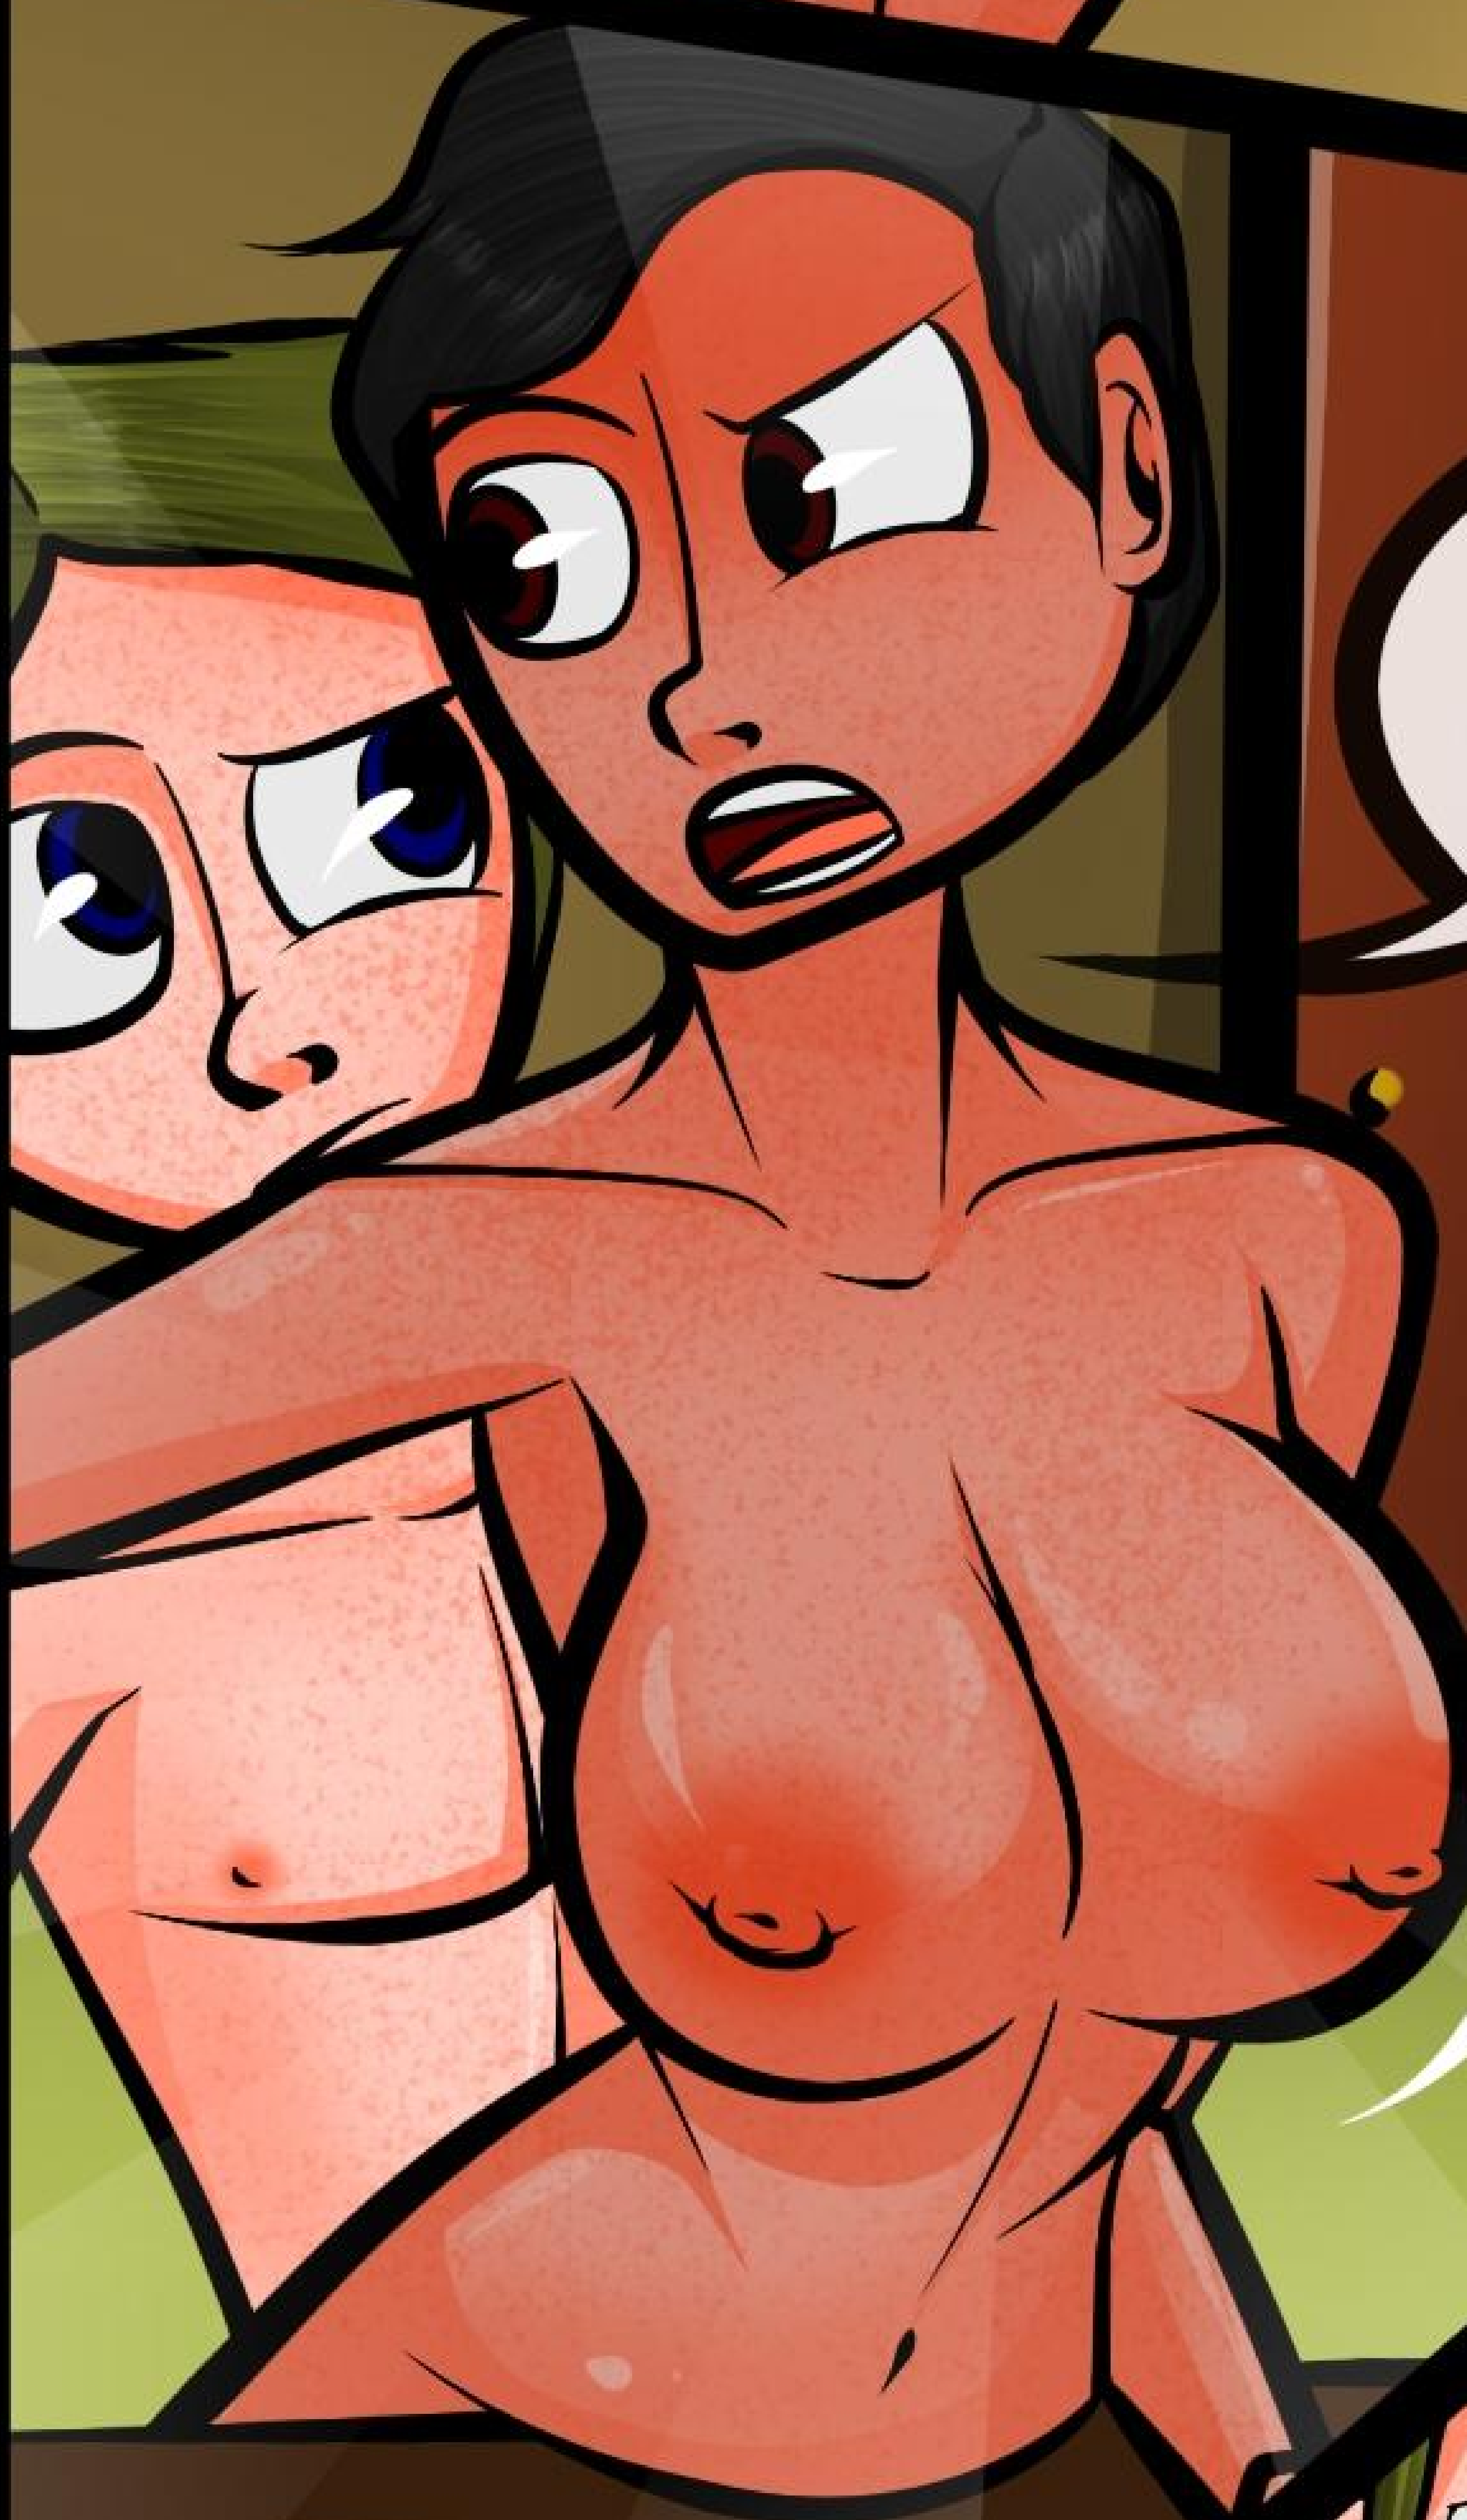

I think... ehm Can you give me some space? I need some time.

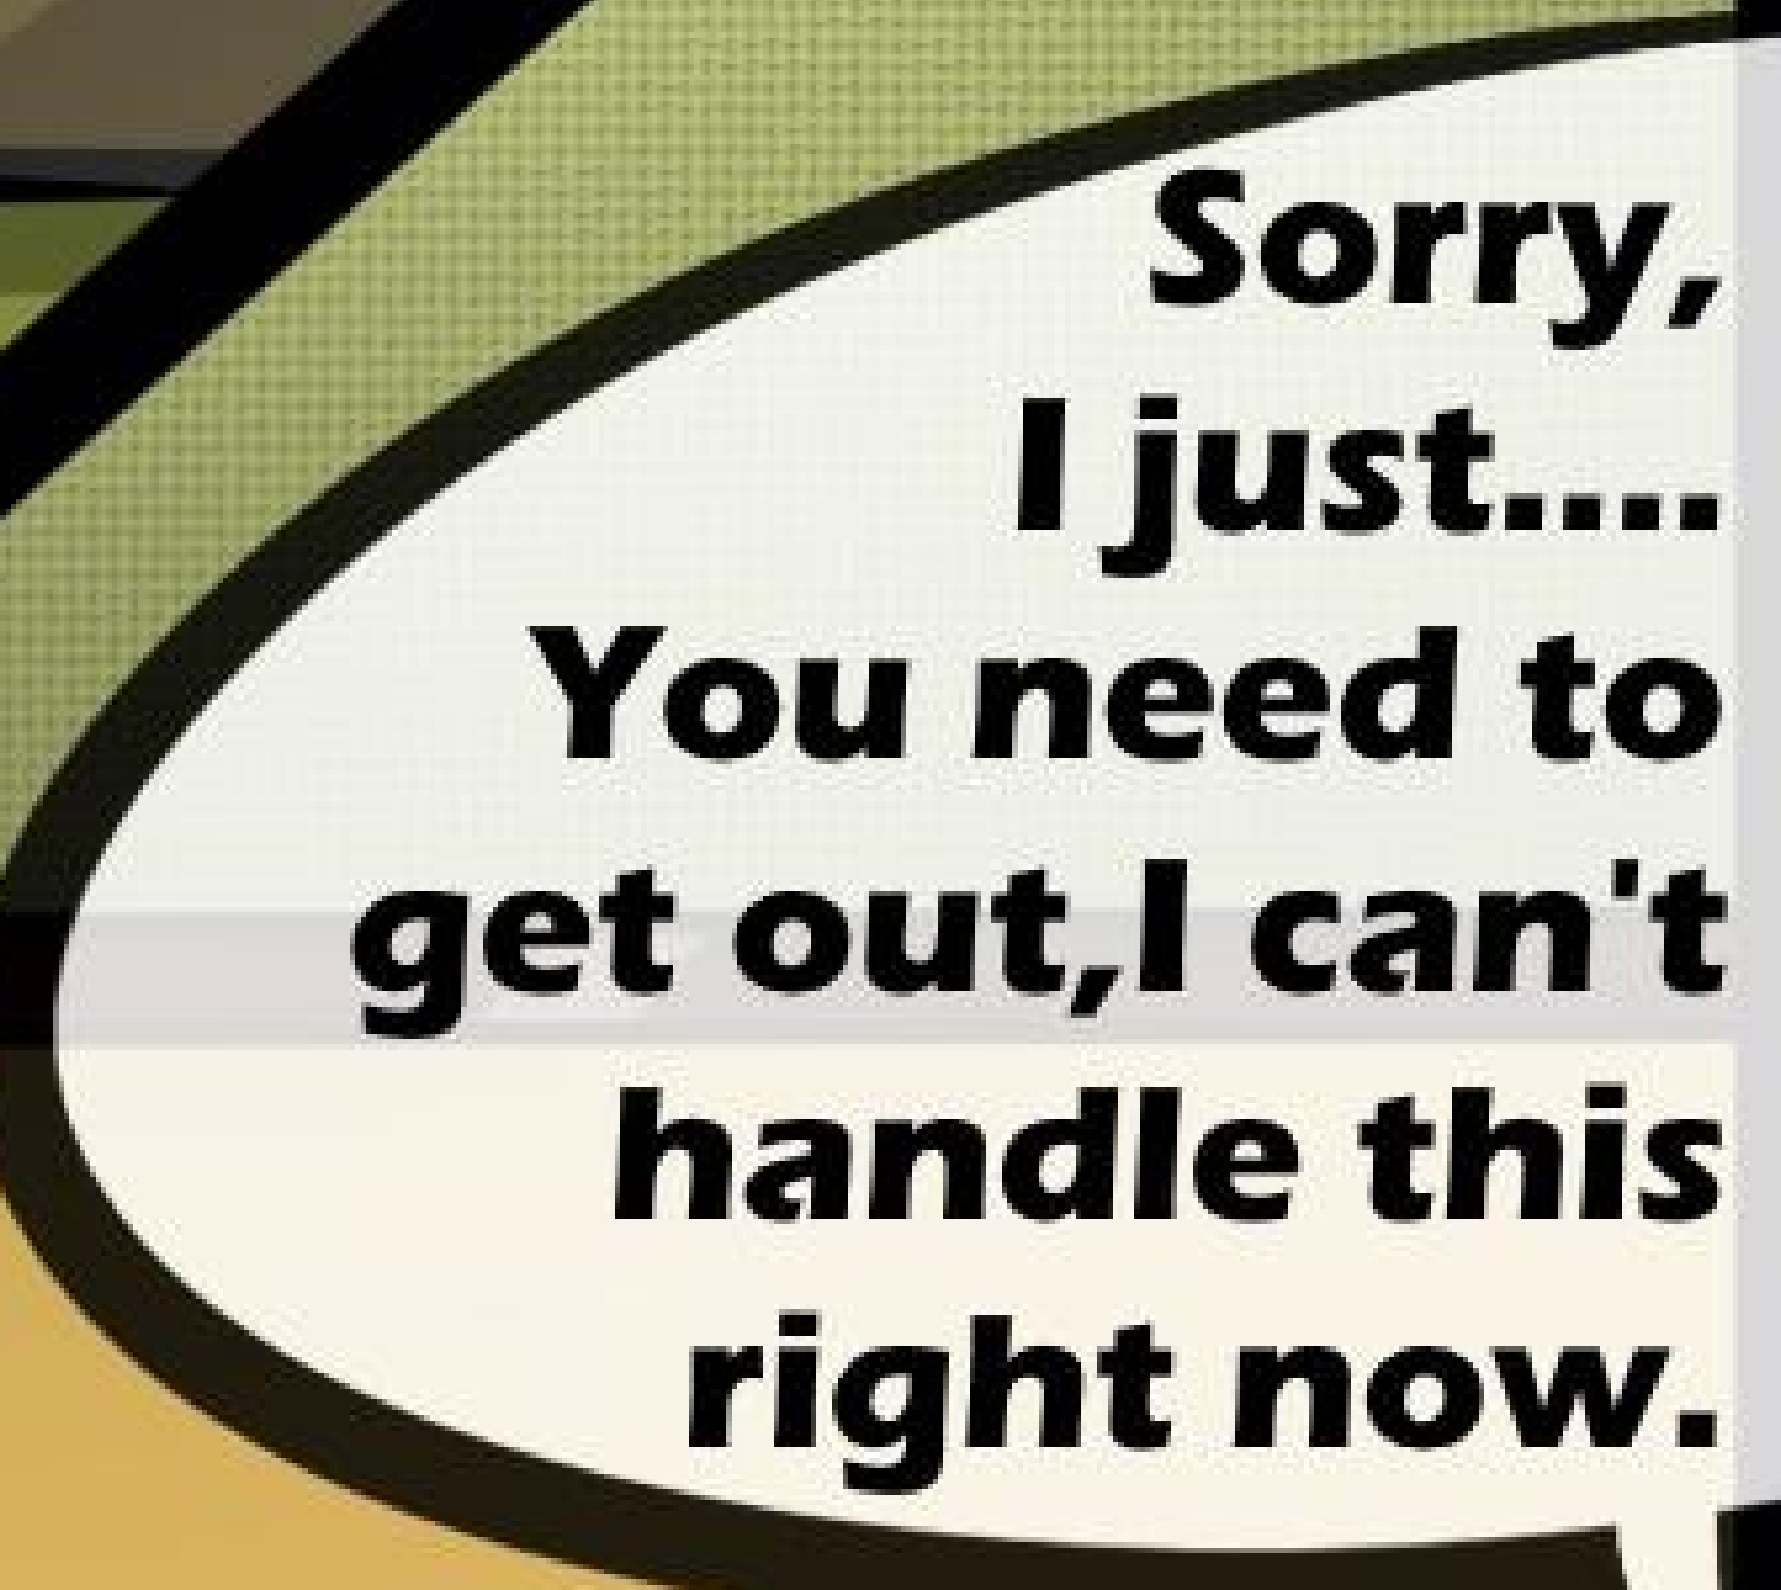

**You need some more space?
You just want to go right into it!**

That is why I love you so...

**F#ck off!
Just leave me alone!**

**Sorry, I just....
You need to get out, I can't handle this right now.**

**Sorry, I just....
You need to get out, I can't handle this right now.**

Nicky?...
Babe?...
Why are
you mad?

BAM!

My name is Nicky?!
Oh god... I can't
handle a live as
a woman...

Well, I do
understand why
my boyfriend
likes me... God

They are at
least an
E- cup!

a sexy chick!

Maybe
living as
a girl...

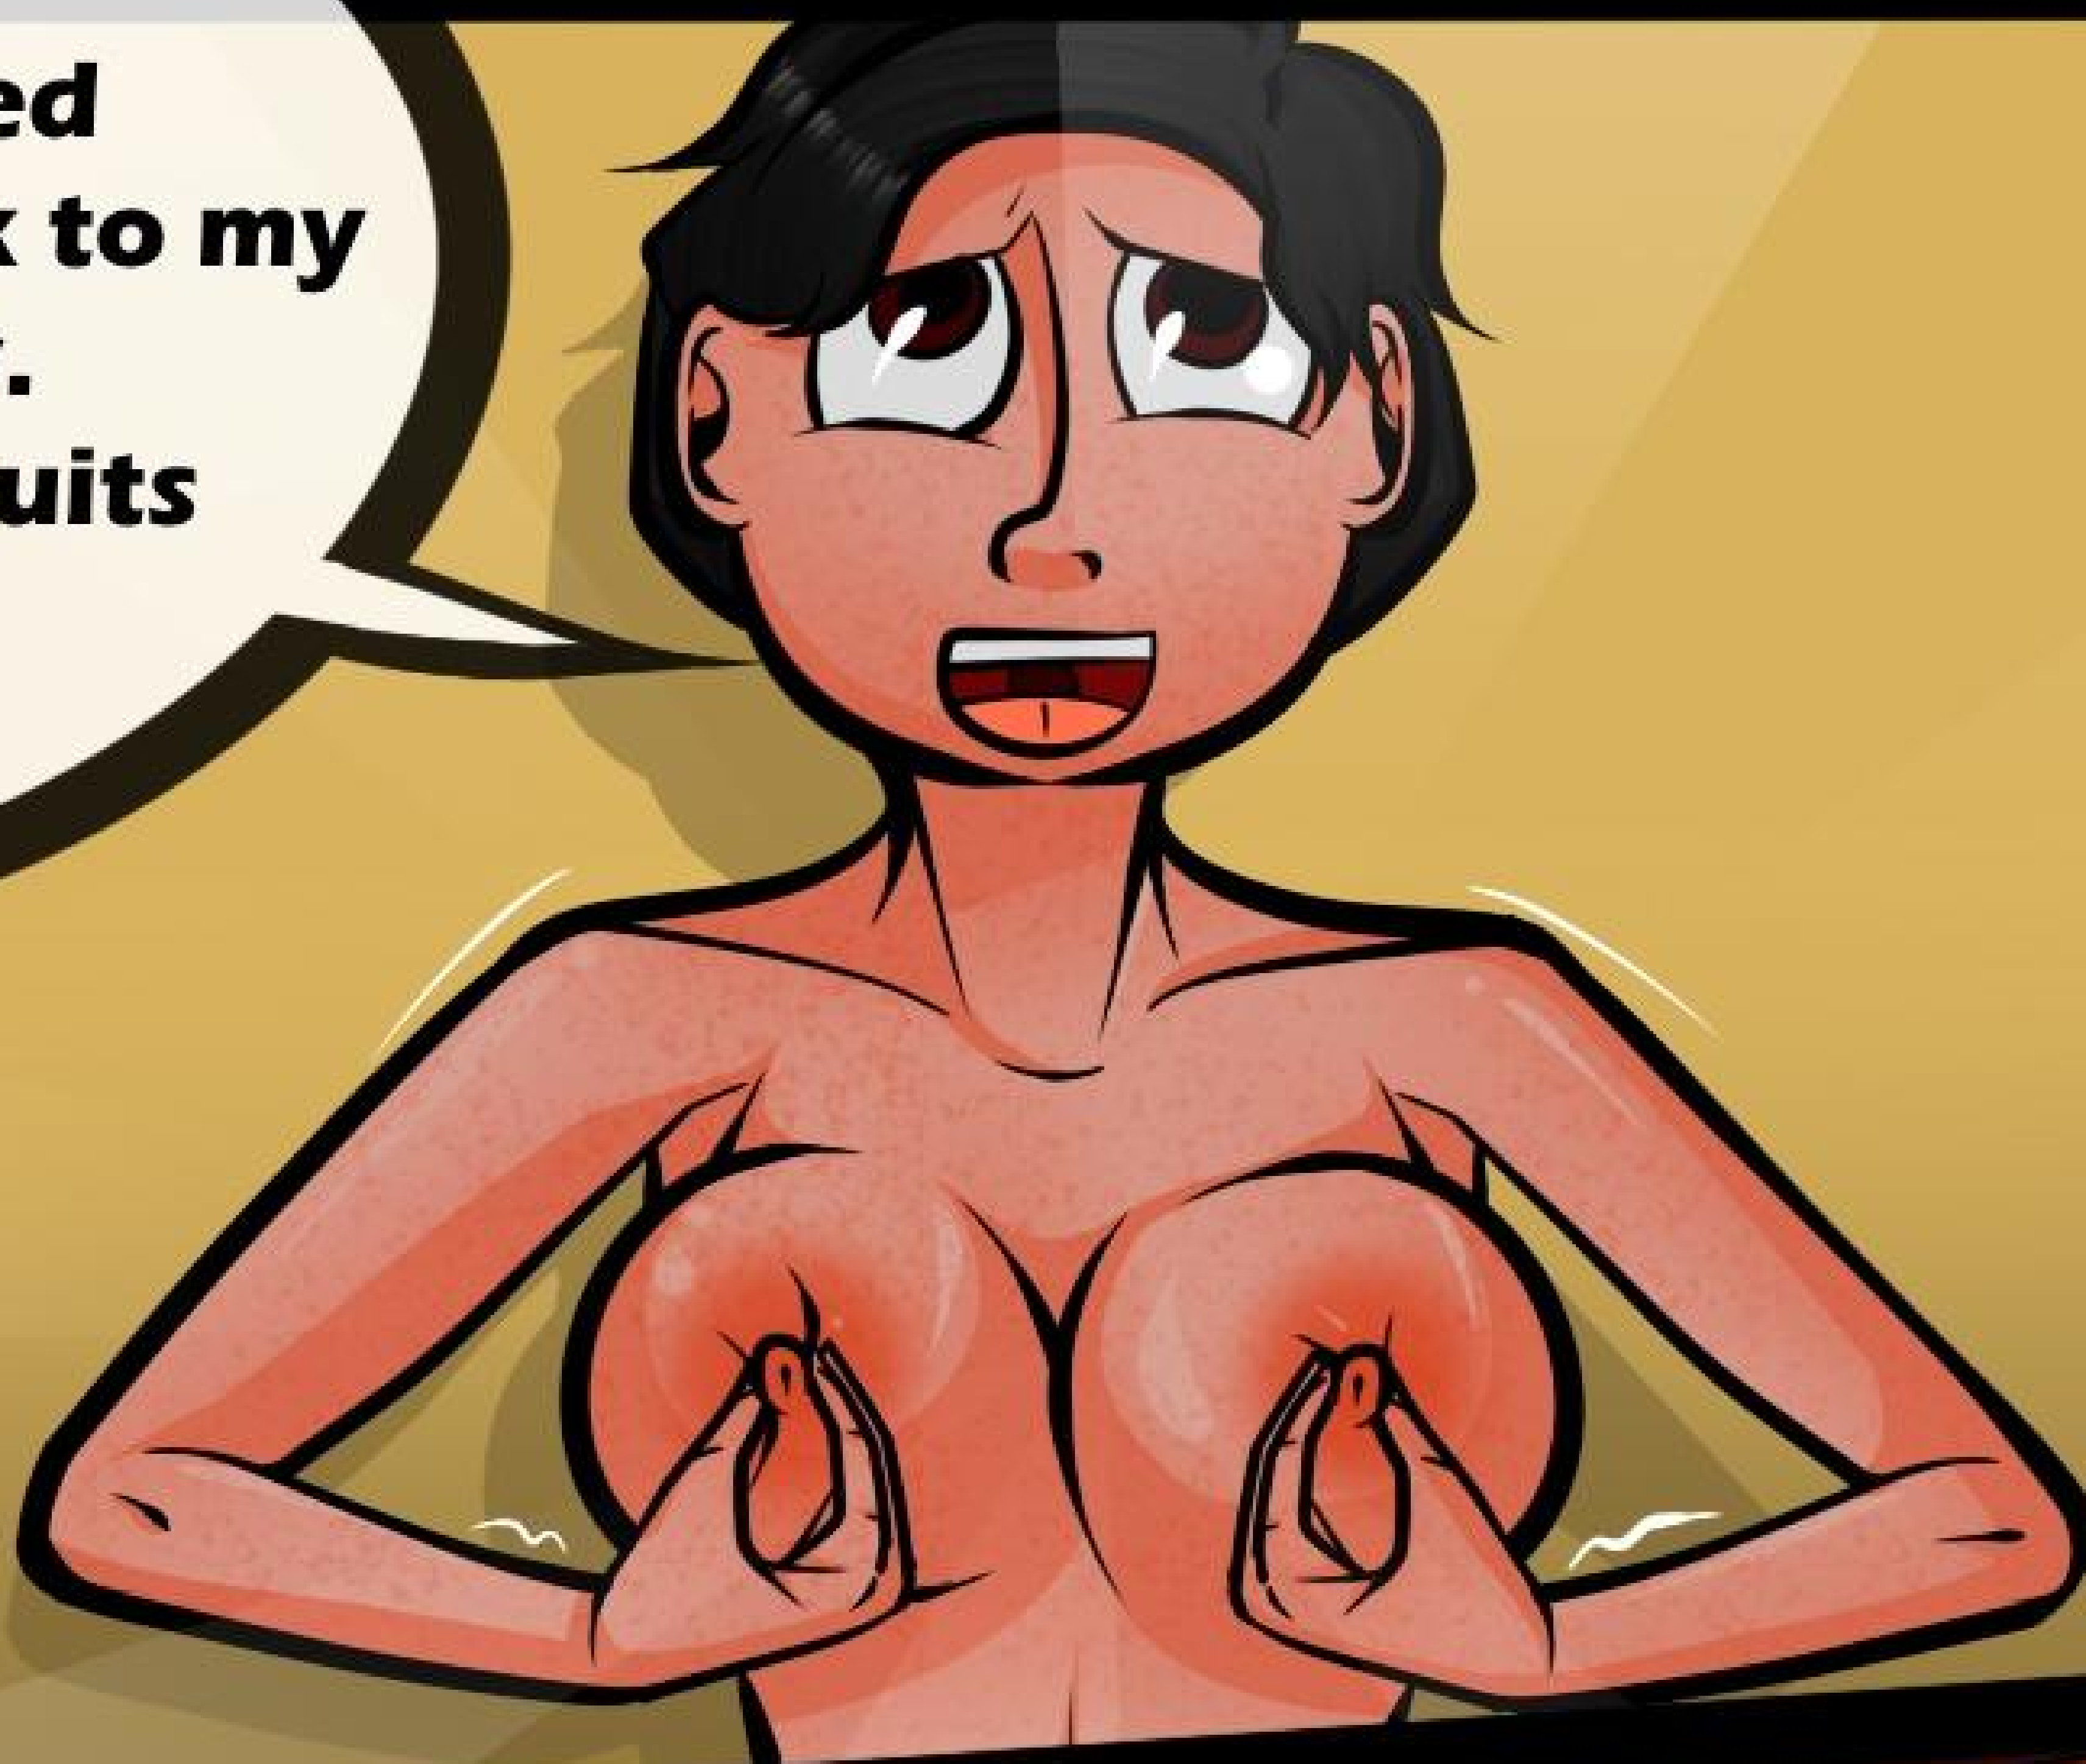

**BOING!
BOING!**

Ah!...

... isn't so bad
after all!

I don't need to go back to my old reality. This one suits me just... fine!

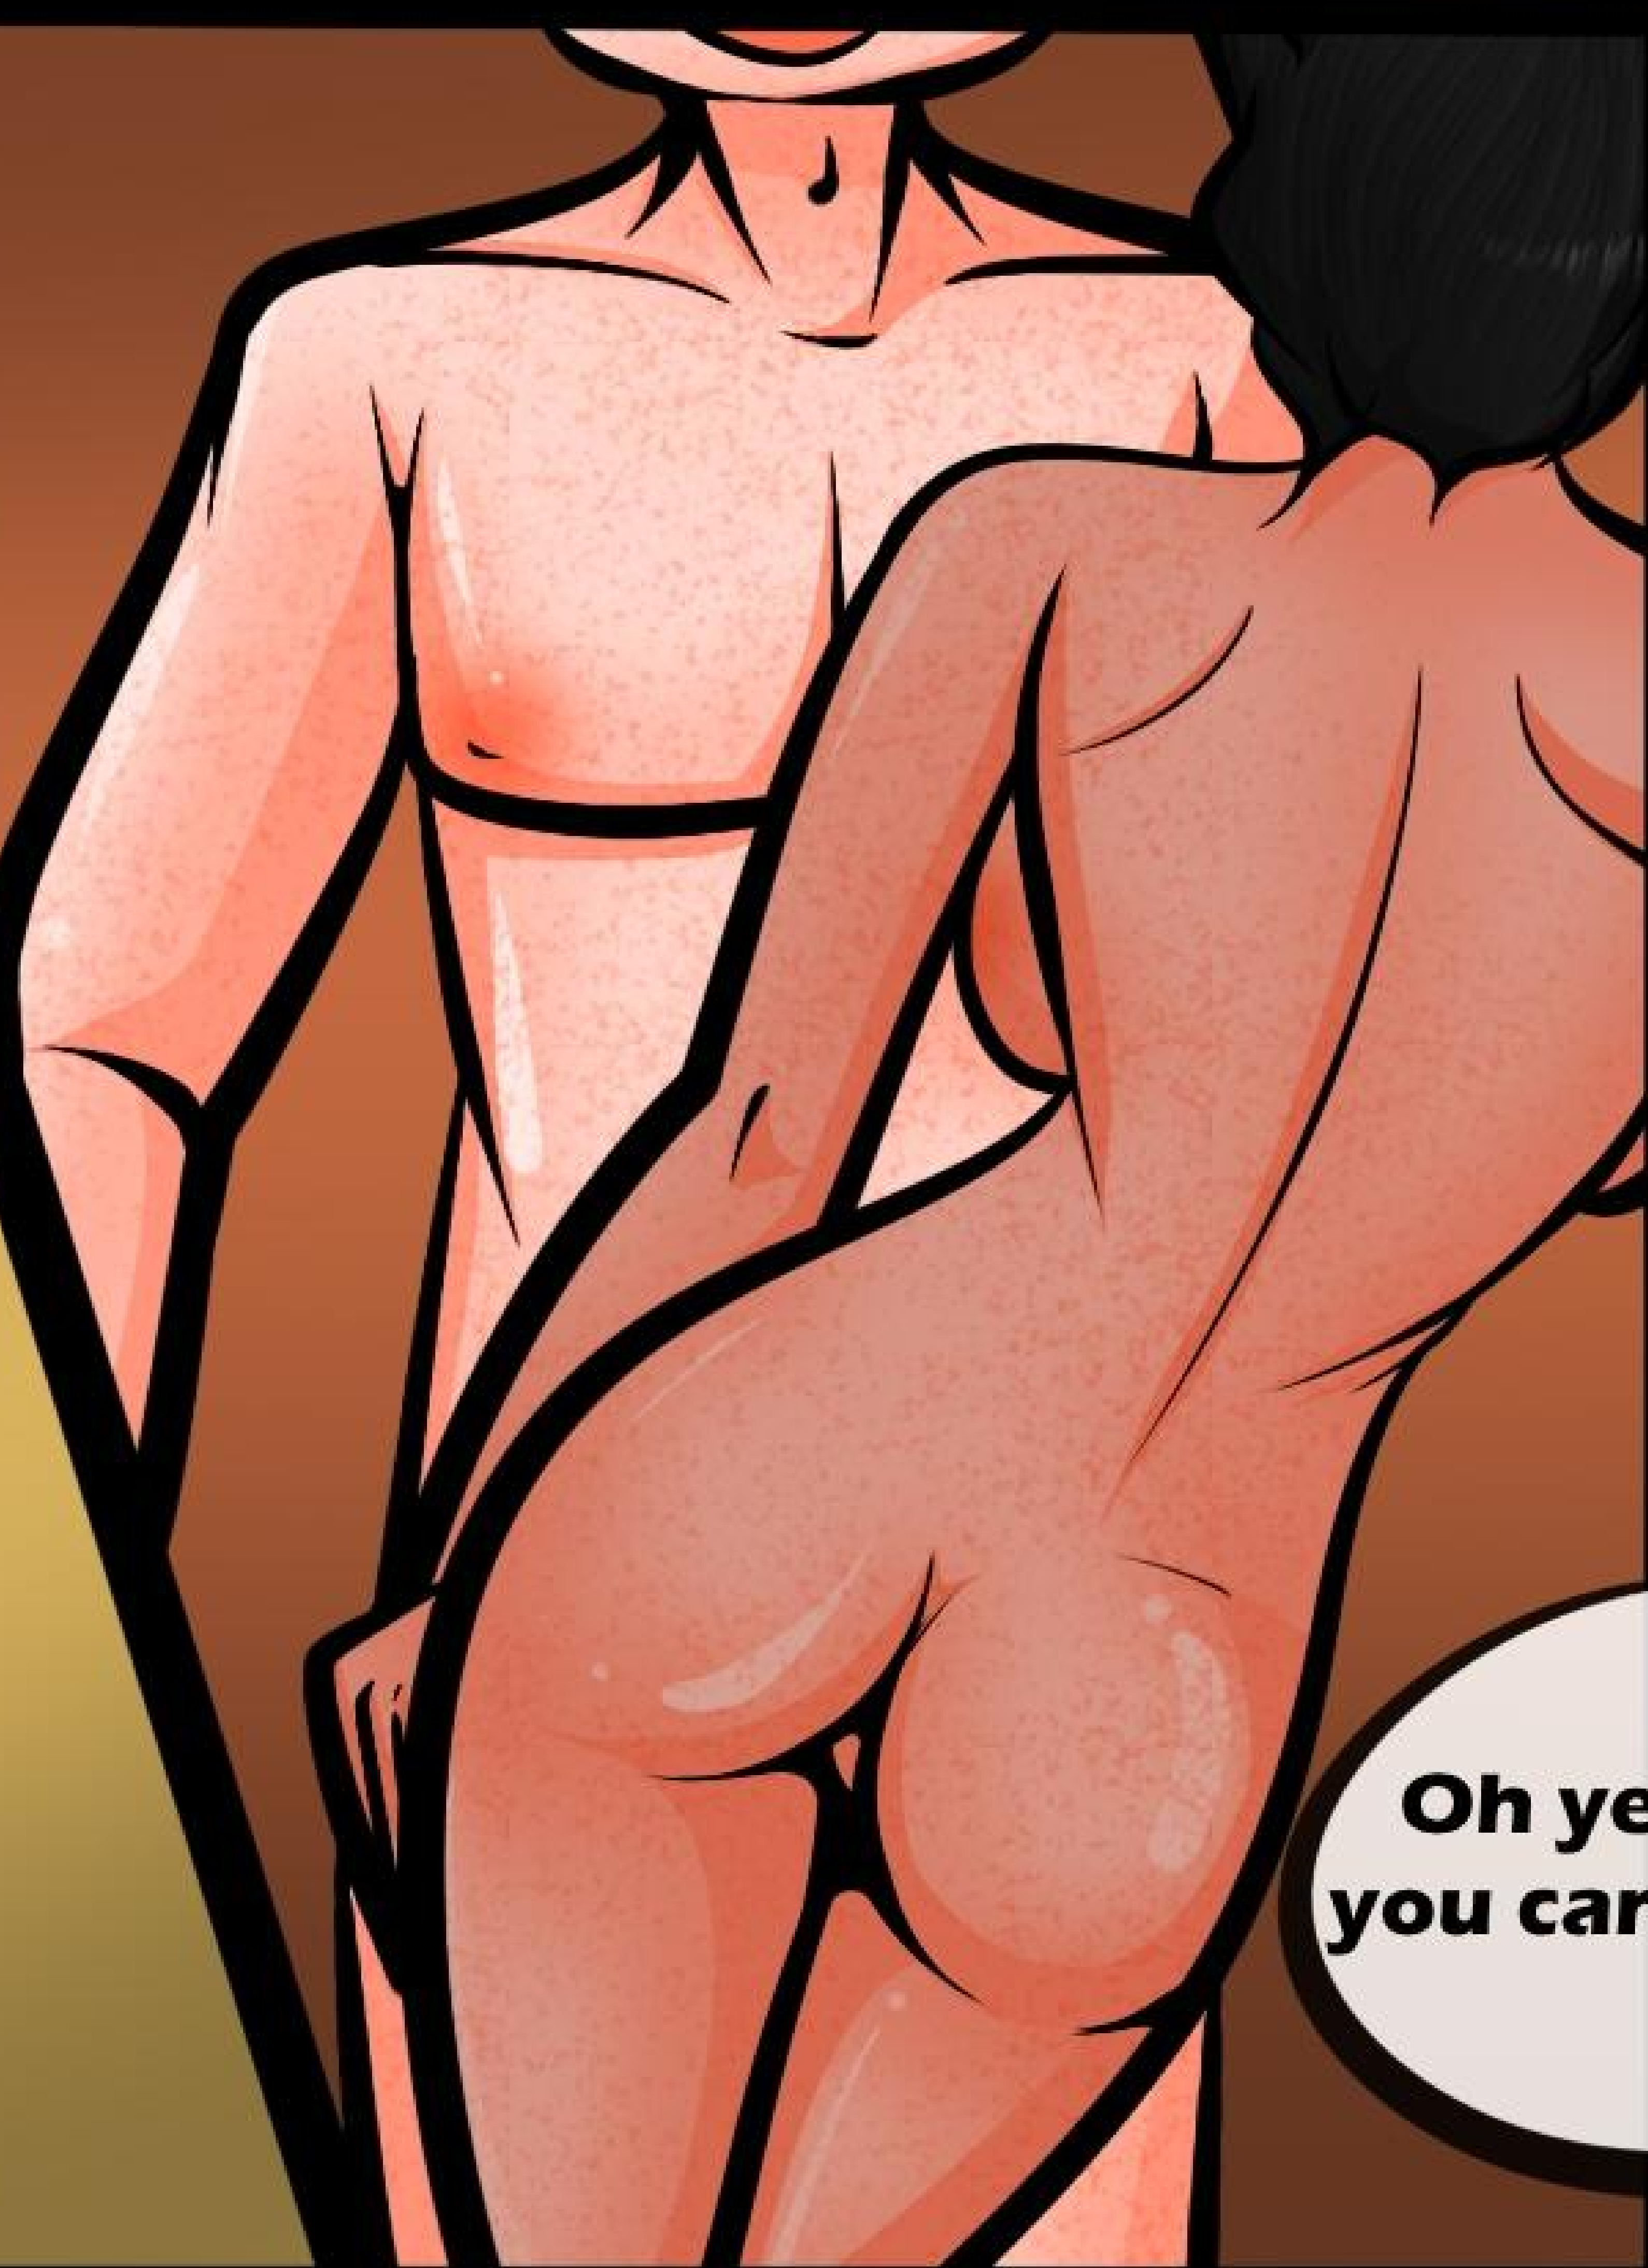

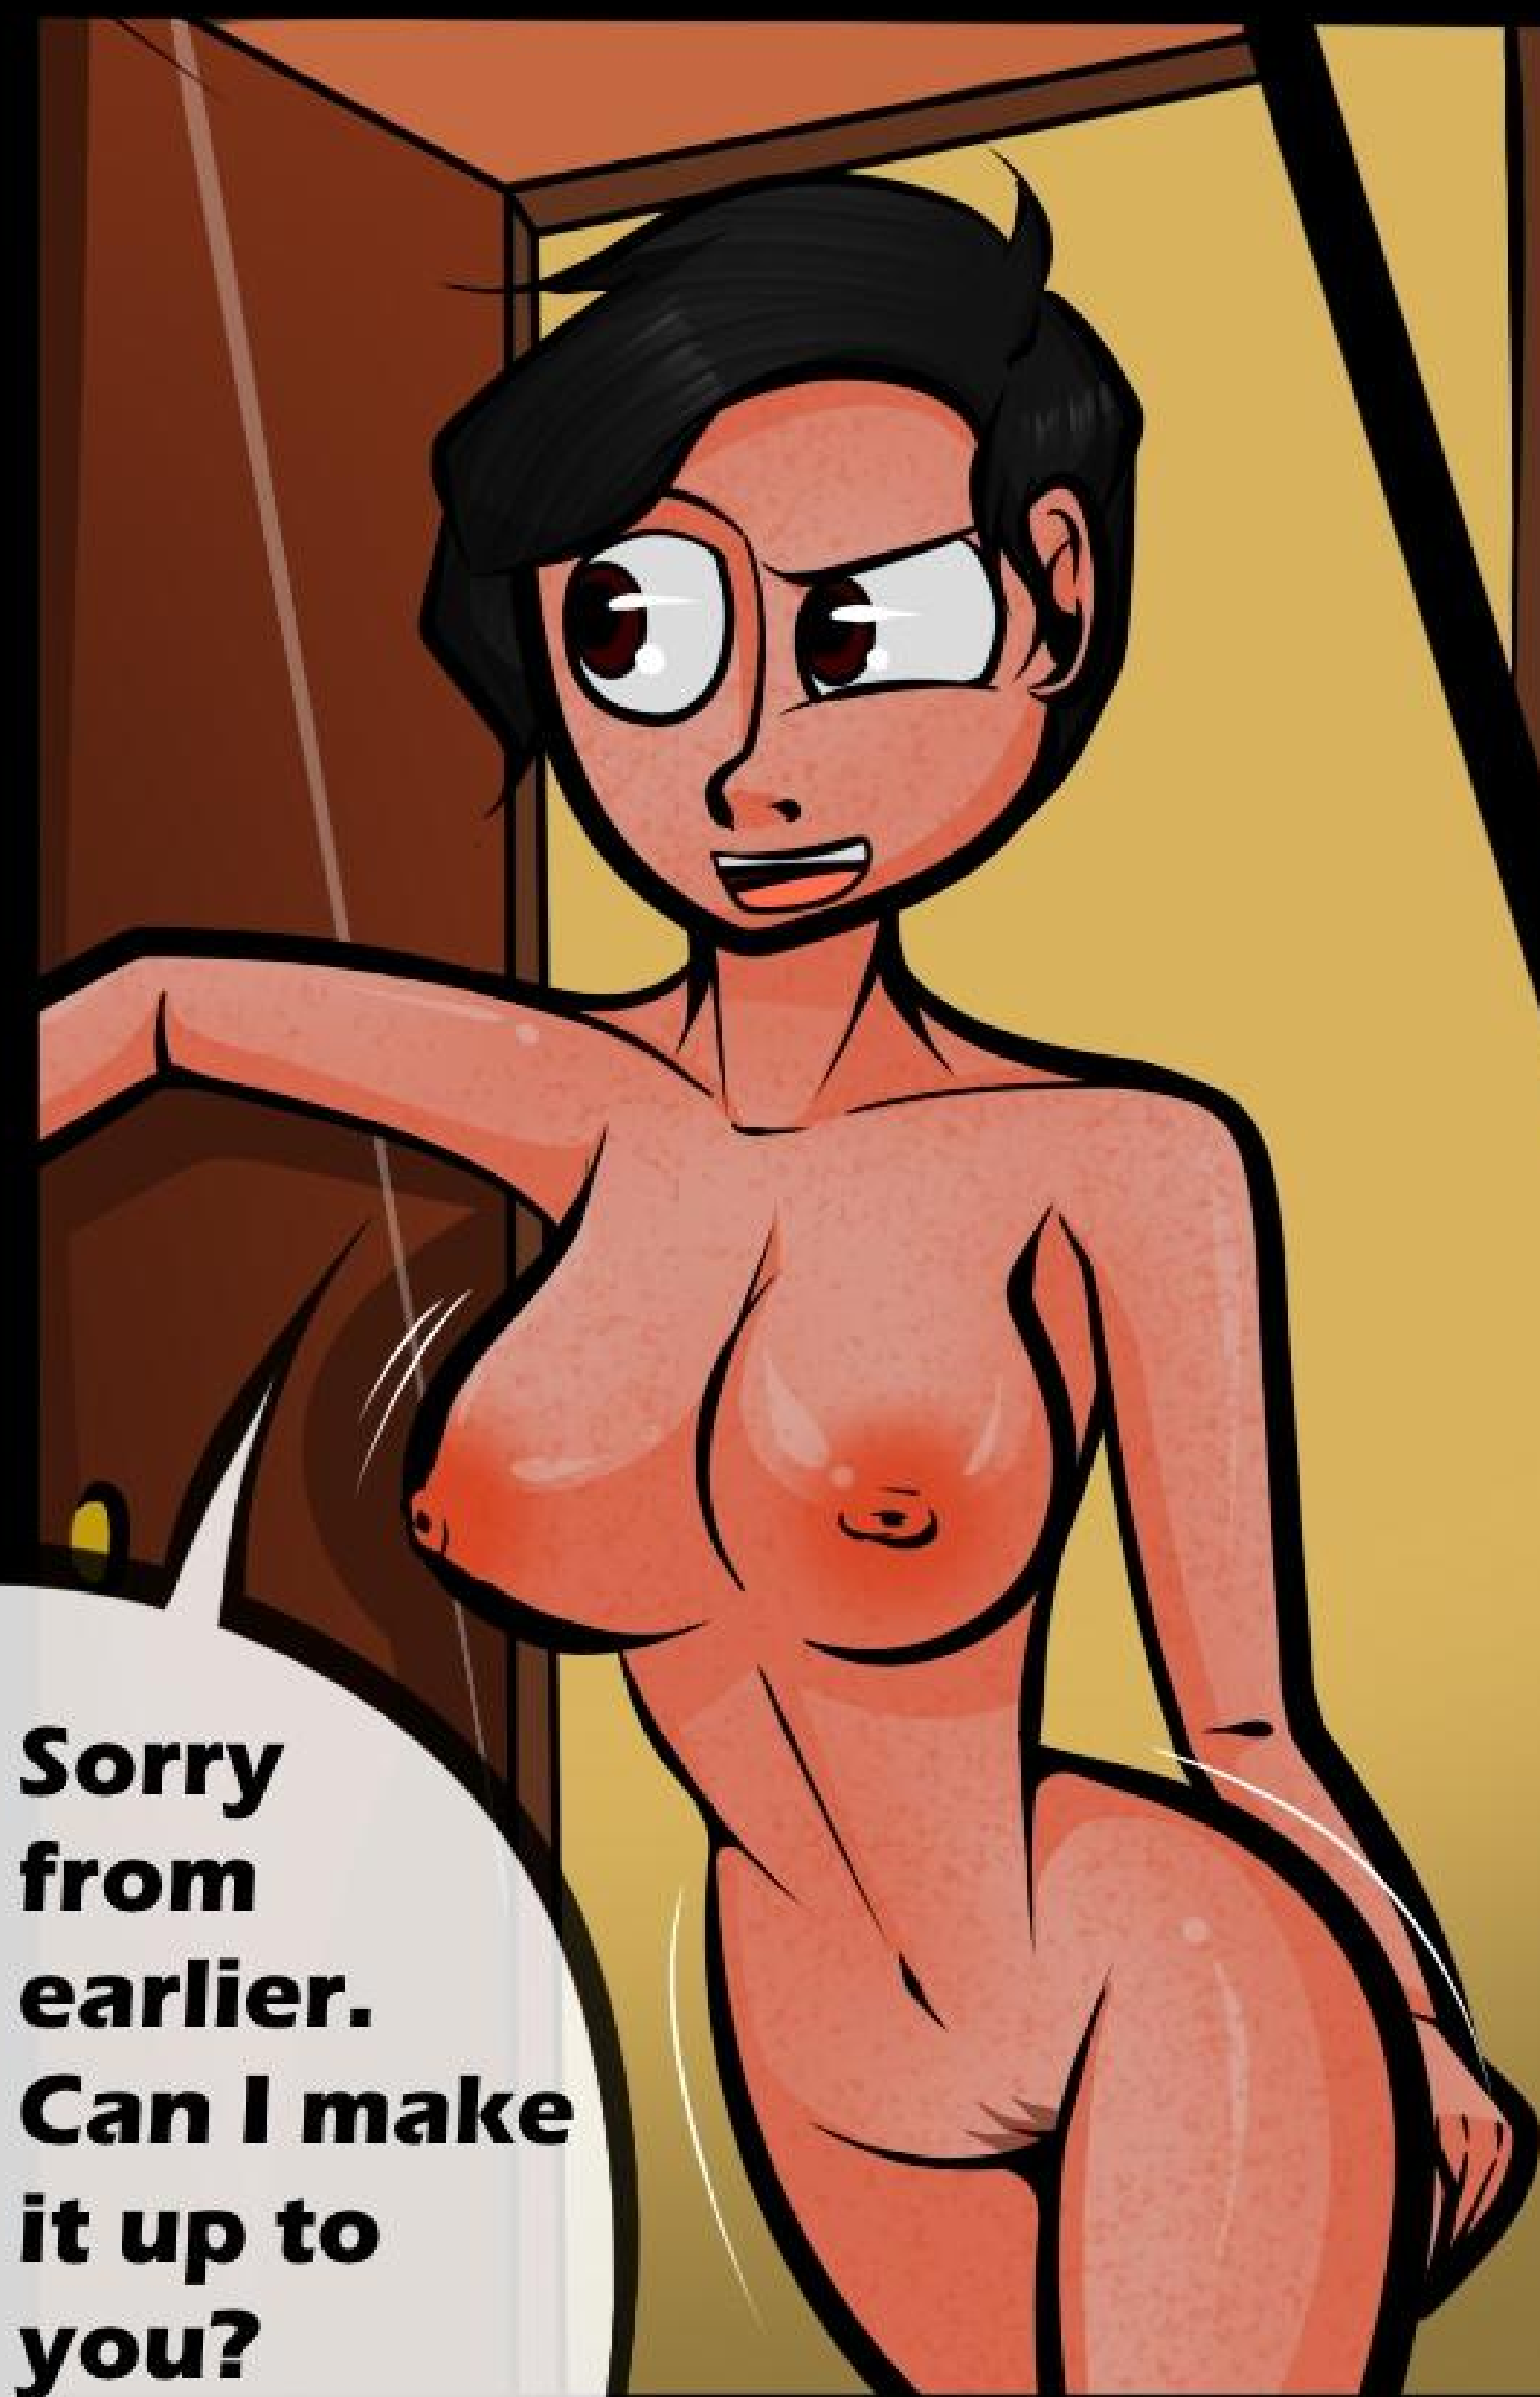

Urgh... What did I do to make Nicky this mad?

Hey handsome guy!

Sorry from earlier. Can I make it up to you?

Oh yes you can!
