«Adios~» Marie said to the 3 bullies, a huge smirk on her face, waving at them, as the bullies watched her through the police car window.

The police car went away, and when it was far enough, she burst into devilish laughter.

«Hahaha ! I... hahaha! I can't believe it really worked. Nobody noticed a thing!~» Marie said to herself, before looking down at her cleavage, adjusting it lustfully. «I mean, with your cute face and those boobs, the policeman couldn't look elsewhere, and drank everything I said without asking any questions. Thank you, sis~»

Now free from his bullies, thanks to their plans that backfired, Karl was wondering what he should do next. For the moment, he was wearing his sister Marie, in order to make the bullies pay.

This done, Karl began to wander around, walking in the city as Marie, enjoying the feeling of being looked at, feeling her breasts bounce under his sight.

It was still his sister, but after what had happened in the past days, Karl was also seeing her as a toy. A toy he wanted to protect, but still a toy.

And so was it for his older sister, who was still turned into a lifeless skinsuit on Karl's bed.

He had wanted to be sure to clear off completely this bully affair, before turning her back to normal and having to explain the blackout, or not.

As for Marie, he had not thought about it yet. His first wish was to take her off too and let her go back to her life, as if nothing had happened.

But on the other hand, here he was, as an adult in a cute woman's body, all for himself to play with, the way he desired.

«I can go to places I would be considered weird to even stand in front of... huuuum, let's do some shopping» Karl thought, heading toward the nearest sex shop.

Once he was standing in front of it, he entered the shop, a smirk on his stolen face as he looked at all the sexual toys gathered around.

«This shouldn't turn me on like this...I mean, I am a man, so a dildo shouldn't look that tempting. But on the other hand, I have everything to try the dildo fully, and I know the feeling of having sex as a woman... Maybe Marie's body is pushing me secretly to enjoy it fully, as a way to thank me~» Karl said with Marie's voice, picking some sextoys and everything to fulfil his fantasy.

With all of those new toys in his bag, Karl headed back home, the skinsuit pen hidden under Marie's skin.

Once inside, Karl lost no time taking off Marie's clothes, ending up only in her underwears, like he would do as himself. He then looks at himself in the mirror, enjoying the teasing reflection of his hot sister, smiling back at him, almost naked.

«I still don't realise that a few days ago, I would have been disgusted by seeing one of my sisters naked. But now...~» Marie purred, pressing her breasts sensually together.

«I can't stop playing with their boobs, fingering their pussies, hearing their cute moans... just thinking about stuffing those toys inside of me, turns me on~»

She went next to the grocery bag, and took the dildo out, and began to suck on it.

«Huurgh, shit, I should have washed it first. This plastic taste is disgusting. I am glad I didn't stuff it immediately inside, it would have ruined my sis pussy~» Marie said, heading to the bathroom to wash the dildo.

As he entered the bathroom, he realised Alexa's empty husk was still lying on the bathtub, lifeless.

«Oh, I almost forgot I put you here. I thought I was wearing you under Marie, ahahaha! Yeah, big sis, what a weird turn of events, talking to you as Marie. Well, talking, you can't really hear me but... hearing Marie's voice as my own, turns me really on, I must admit. And knowing if I want a more mature body, I just have to put you on right on, excite me~»

She began to clean the dildo, and stuffed it in her mouth after she thought she was done cleaning it.

Unfortunately, the plastic taste persisted, causing her to frown.

«Shit, I have spent my sis's money on some cheap toys... On second thought...~» Marie said, heading to the phone in her room, and beginning to dial a number on it.

«I am sure my friend will be happy to help you, sis. For the time, he spoke to me about how hot you and Alexa are... He might be happy to do the real thing with one of you~»

The phone rang for a bit, before someone answered it.

«Hello, dude, guess who it is?~» Karl teased with Marie's most sensual tone.

«I...hugh... Marie? Karl's sister?» Adrian asked hesitantly through the phone, recognising the sensual tone he heard more than once at Karl's place whenever he was trying to get a good view of one of his sister's assets.

«Congrats, first try! I was wondering... I am all alone at my home. My parents are still on holiday, my brother is out and my big sis too... And I feel very... Very horny~» Karl explained as Marie, getting turned on just by teasing Adrian over the phone.

«I... I was wondering... Karl told me you were a virgin... Can you let me be your first time?~»

There was a weird, long silence after Marie's proposal, before she heard Adrian's breath through the phone.

«Is this a joke? What kind of prank is Karl pulling on me?» Adrian replied.

«There is no prank, I am very serious. But maybe you want to come and check for yourself? Or keep masturbating over the phone while I talk with you... I can hear the fap sound, you know~» Karl laughed gently as Marie.

«Come here, and my hands will be over your penis... wanking it slowly... while you can stare at my boobies as long as you want. How does that sound to you? In an hour?~»

«I will be there» Adrian replied before hanging up the phone.

Making sure the call was over, Marie burst out in laughter.

«Damn, I already found it awesome to tease a man the first time, as Lena. But doing it now freely, as my beautiful sister... Adrian is sure to enjoy the surprise~» Marie laughed, groping her breasts. «I need to get dressed sexily. Let's make Adrian happy from the start. It will be his first time after all, hihi~»

With that, Karl headed to Marie's bedroom and jumped into her wardrobe, choosing the outfit he would wear for the rest of the night. Or at least, for a bit of it.

Karl tried a few of Marie's clothes, unable to decide what to pick, before finally settling on a cute, tight shirt, along with a sporty pair of shorts.

«For what we are going to do, clothes are kind of just for teasing, but optional anyway~» Karl thought, putting on everything, checking the result in the mirror.

«Marie is cute anyway in that, so this will be enough~»

Then he waited for Adrian, trying not to play too much with Marie's assets in the meantime.

Half an hour later, Adrian arrived at Karl's place, all dressed up, smelling too much of perfume, wearing a professional costume that Karl had never seen him in, except once or twice.

«My my... How well dressed you are~» Karl teased as Marie, trying to hold his laugh, at despite his best intentions, Adrian was kinda looking ridiculous this way.

«But you know, you didn't need to do so much, we are going to be naked at one point~»

Adrian gulped down heavily, turning red as he heard Marie talk about this so openly.

«So this is true... I wasn't sure if this was one of Karl's pranks» Adrian confessed, making Marie laugh this time.

With a smirk, Karl took down Marie's shorts, flashing her panties to Adrian, who immediately froze at the sight.

«This is true... you...are going to remove these panties... see my pussy... and we are going to have sex... If you still want, of course~» Karl teased even more, pulling Adrian inside the house, closing the door behind them.

«I want! I even brought condoms. I am so ready!» Adrian happily said, showing a full pack of the plastic protection.

«You are cute, but... You are a virgin, so I don't worry about anything on your side. As for me, I am very picky with my sex partners, and my last check was negative. Meaning...~» Marie purred, going down, before bending her ass up, showing it to Adrian, slapping her butt cheeks.

«I want your first time to be complete, raw. Are you ready to become a man in my sweet pussy?~»

Adrian didn't reply, frozen at the sight of Marie's sweet, round butt he had checked so many times. Whenever he went to Karl's house, he tried to sneak a look at his hot sisters.

The best time for him was in summer, when both were casually walking in tight bikinis, giving Adrian some hard, long wanking time later once he was back at his place.

But today, Marie was willingly showing her assets to him. And he had no idea what to do.

Seeing his friend struggle, Karl stood back up as Marie, and came next to him.

«Poor Adrian. I know he fantasised about my sisters, and now I am teasing him hard with Marie's body for his first time... Poor soul can't take so much, I will need to help him» Karl thought, taking Adrian by the hand, heading to Marie's bedroom.

Once inside, Marie turned toward Adrian with a sweet smile.

«What about we do it one step after the other?»

First, take off your pants, so we have both them away~» Karl instructed sweetly as Marie, watching Adrian do as instructed, his obvious bulge showing under his boxer pants.

«Now, let's do the top... and then... the rest~»

One step after another, both ended up naked. Karl took a moment to contemplate his friend's hard penis.

He had seen it sometimes in the showers after a team match, but never erected. It was big, veiny, and weirdly, Karl wanted to have it in his hand.

«Having a woman's body sure gives me some weird thoughts... I thought I would be weirded out to see my friend's dick, but now... I just want it even more in me» Karl lustfully thought, swagging Marie's hips in excitement, before looking back at Adrian.

«See, we are both naked now. Do you like what you see? I know you have imagined this countless times, but now that you have the full view... do you want to have fun with me?~» Marie teased, walking toward him, pressing her bare breasts on his chest, grabbing his dick in her hand.

Page 6/8 - by *ARIBETH*

«This is so weird. My best friend's dick is in my hand and... I feel... compelled to wank it... I love the feeling in my hand... Like I want to please him. That's totally different from the bullies... Marie's body is actually pushing me toward Adrian» Karl realised, lost in this realisation.

He got woken up from it, at the moment he felt Adrian's lips on his quickly, Adrian testing awkwardly if he could continue.

This made Karl smile at his friend's shy reaction, especially in this context, as he was getting wanked by a girl, both fully naked.

Decided to give him one last help, Karl took Adrian's hands and put them on Marie's butt, feeling Adrian immediately tighten his grip on them.

«Hehe... now do you think you can test to kiss me again, to be sure I am not joking? We are both naked, you have your hands on my ass, I have your dick in mine... Think as if we are in a porn movie... What would you be doing next?~» Marie purred again, feeling Adrian's throbbing dick pressed on her belly.

Then, without a warning, Adrian kissed Marie

again. This time, it wasn't a test any more. He was doing it passionately, strongly, all of his lust accumulated for the past years, poured into it.

Karl let him, Marie's body heating up as Adrian's hands ran over it.

He spared no parts. From her boobs, her face, butt, pussy... Adrian's fingers played with them all, like a child playing with a new toy.

And that was precisely the idea Karl had, to please his friend.

«Does it feel good? Does a woman's body feel amazing in reality? What do you want me to do? Tell me~» Marie smirked, as Adrian was sucking on her boobs.

«I want to know how a blowjob feels... while you stare at me with your deep blue eyes» Adrian replied, lying on the bed, ready for Marie.

She did as instructed and went between his legs, getting Adrian's dick in her mouth, sucking on it gently, making him groan out of pleasure as both looked at each other.

One thing followed the other, and soon enough, Karl could feel his friend about to come.

«Wait, you aren't going to finish before trying out sex! Let me handle it for you~» Karl smirked, mounting Adrian, sitting on his dick before pushing it inside of her vagina.

Once she could feel it whole inside of her, Marie bent toward Adrian, a smirk on her face.

«For years, I know you masturbated on my pictures, on the memories you had of me in a swimsuit whenever you came here to play with my brother, that you were peaking on me when the opportunity presented. Now that your whole dick is inside of my pussy, I must ask... Do you like it? Does it meet your expectations~»

«It is fucking awesome! Your vagina feels so good... so hot... It is way better than my hand... And of course, having your boobs on sight after all those years... Thank you, Marie, this is so awesome» Adrian confessed, making Karl genuinely happy for his friend.

«Be careful, you are going to get addicted to having sex with me, hihhi~» Marie laughed gently, moving her hips a bit, making both feel good. «And we aren't done yet... the more I move, the

better it will feel~»

And with those words, Marie began to take the lead, slowly moving her hips at first, then jumping up and down on Adrian's lap, making him groan out of pleasure.

The room quickly filled with the sound of their flesh slapping on each others, Marie's cute moans, and Adrian's breath.

The pleasure was incredible, both Karl and Adrian were slowly fainting in their mutual sexual intercourse.

At one point, Adrian's grip became strong, and he tried to slow the pace down.

Knowing what this meant, Marie stopped moving and stood up, beginning to finger herself, Adrian still in her.

«I know you are about to come, but... so am I... the pleasure is so good... Adrian, this is so amazing~» Marie moaned, Karl loving the moment, wanting to get another orgasm as his sister.

«Can I... I... I can't!» Adrian warned, shortly emptying his balls inside of Marie seconds after groaning.

The feeling of the hot cum flowing inside of her pussy, finished Marie, who fell on Adrian right after her climax.

«Pfiou! I ... this was so good! You were so good for a first time~» Karl purred as Marie, sensually caressing his friend, not finding it weird to be the oldest.

«Congratulations, now you are a man~»

«This was so amazing... thank you, Marie. I never thought you were into me» Adrian said, panting, hugging Marie tight after.

As his dick shrank inside of Marie, Adrian felt her mixed juice with his, flowing on his leg.

«Ooops, I need to go to the toilets, my legs are wet from our play time»

«Okay, I will need to... go after you~» Marie smirked, freeing Adrian, laying next to him on the bed before he got up and left.

Now alone, Karl sighed in relief, his sexy time as Marie being way more pleasant than he would have ever imagined.

It was, by far, better doing it with someone he liked, rather than with the bullies earlier.

«I am somehow so lucky that this happened to me...

I would have never experienced so many things otherwise~» Karl said as Marie, playing with her breasts. «It seems Adrian was into them so much, hahaha~»

Time flew, and after a couple of minutes, Karl was wondering why his friend wasn't coming back.

«That's...weird. I'd better check on him» he thought, standing up and heading toward the bathroom.

The closer he gets, the clearer he can hear Alexa's sweet moans coming from the bathroom.

«What the... Oh, shit!~» Karl realised, rushing into the bathroom, finding Alexa playing with herself perversely.

She turned toward Marie once she saw her, a smirk on her face.

«Marie, what is that? I saw a disguise that was looking like your big sister in the bathtub... and when I wore it... I became her... fully!~» Adrian said with Alexa's voice, cupping her butt cheeks.

At this very moment, Karl knew he had a decision to make. Explaining all to his friend seemed like the best option, but he had no idea where this would lead.
