

The Unexpected Pray

Amaz2k12

Somewhere in a deep, old forest...

Look Josh,
it's nice that you
called me to show me
something „special“. You did
not say that we have to
walk the whole day
for it.

Maybe,
but I don't get it
why you called ME! As
I remember you was always
more an asshole to me
back in school...

Seriously?
I had to leave the new
episode of my new favorite
series Picard to visit an
old „spooky“ place
with you?

Ah come on Ray,
we are walking for
just ten minutes.

Yea, I remember.
But I know that you will
„love“ that spooky place.
My dad told me about
it yesterday and...

Yapp,
but you will enjoy
it. That is sure,
Ray!

Nearly 30 minutes later...

There we are! My dad was right. And? What did you say now?

huff
Unbelievable!
huff

I have never heard of that place before.

A woman in a black dress stands in a dark, wooded area. To her left is a stone wall and a tombstone. The scene is dimly lit, with shadows cast on the ground. A speech bubble is positioned above her head.

By all god's!
This place is amazing!
I feel how the air is
pulsating around me.
Could it be? Is it
magic? Josh...your
dad told you about
this place? But...
how did he
know?

Good question, but my
dad told me that he found my
mother here at this place, it is here
where he met her! Short time later
they married and she got pregnant
with me. I think that is an
amazing story Rachel.

How did
you call me?
Rachel? Are you
serious? You know
that my name is
Ray...chel! Ahm...
it is Rachel?
What the...

Josh knew the secret power of this place and so he start to change the reality of Ray's life.

Ha! It really work! I can't believe it!

Of course it is Rachel. Why should I give you another name? We know us since Kindergarten days... you always was Rachel, that's a typical Girl's name...

And while new memories flow into Ray's head, his body start to change...

No...that's...
right...I...remember
how we met first time...
but I also remember
that this can not
be!

shrink

slim down

sigh
You are right, Josh.
As always.

We have grown
up together. We exercise
every day and you love to
wear short clothes...

While the reality is changing
Ray's body and clothes morph
into Rachel's...

...and Rachel is a typical young
woman... Ray's fat is melting
away and his pants shorten...

...while his leg hairs fell off
and the skin becoms smooth...

...until two long, smooth female
legs are there where shortly
two fat male legs was...

...but Ray's mind is still there
and now are two memories in
his head...one remember his
male life...

Josh! What
ever you are doing!
Stop this! NOW!

...and one his girly life...

...but Josh did not stop talking...

...or as you reached your B-Cups with that pointy nipples on top...

I remember as your tits started to develop at the age of 13...you showed me your little A- cups...

STOP messing around with MY LIFE!

...there also was nothing to say about your perky C-Cups at your 16 birthday party...

...or just one year later as you showed your D-cup puppies to me...

...and even now, with 18 and your nice E-Cups you still do not wear a bra because you hate them.

A woman with long dark hair, wearing a light blue tank top and a dark blue pleated skirt, stands in a lush, green jungle environment. She has her hands near her neck and a pained or distressed expression. The scene is lit with dramatic, low-key lighting, highlighting her form against the dense foliage.

No! I'm
getting weaker...my
body...I look so...
GIRLY!

BUT he is
right...you **ARE** a
Girl...always was!

And you are a natural
beauty Rachel! The Asian
ancestry of your mother
is clearly to see. Such
a shame your dad left
you and your Mum
because she was
him to slutty.

...and again...after Josh spoke the words, Rachel's body start to change...

...Make Up appear on her face and her eye's slant and nose change...

...but not her face becomes asian, her lips start to swell...

...forming very kissable, oral pillows...while Rachel's face now has completely Asian features.

Yes, he left us.
That is why I want to be
the best at school all the
time Josh.

And it is
so amazing that you showed
me that place here. I'm sure
I can use this in my next
publication for the local
Archaeology club here!

And ...

Thank god
that I am not such a whore
like my mother. Dad was right
to leave her and he paid for the
best teachers to increase my
intellect and making my
future brighther.

And with this
new articiel about this
place my reputation will
grow without any limit!

And ...

You will
see Josh. In just a few
years I will be a ingenious
scientist..a true genius!

And ...

And you
helped me showing
me THAT amazing
place...isn't that
great?

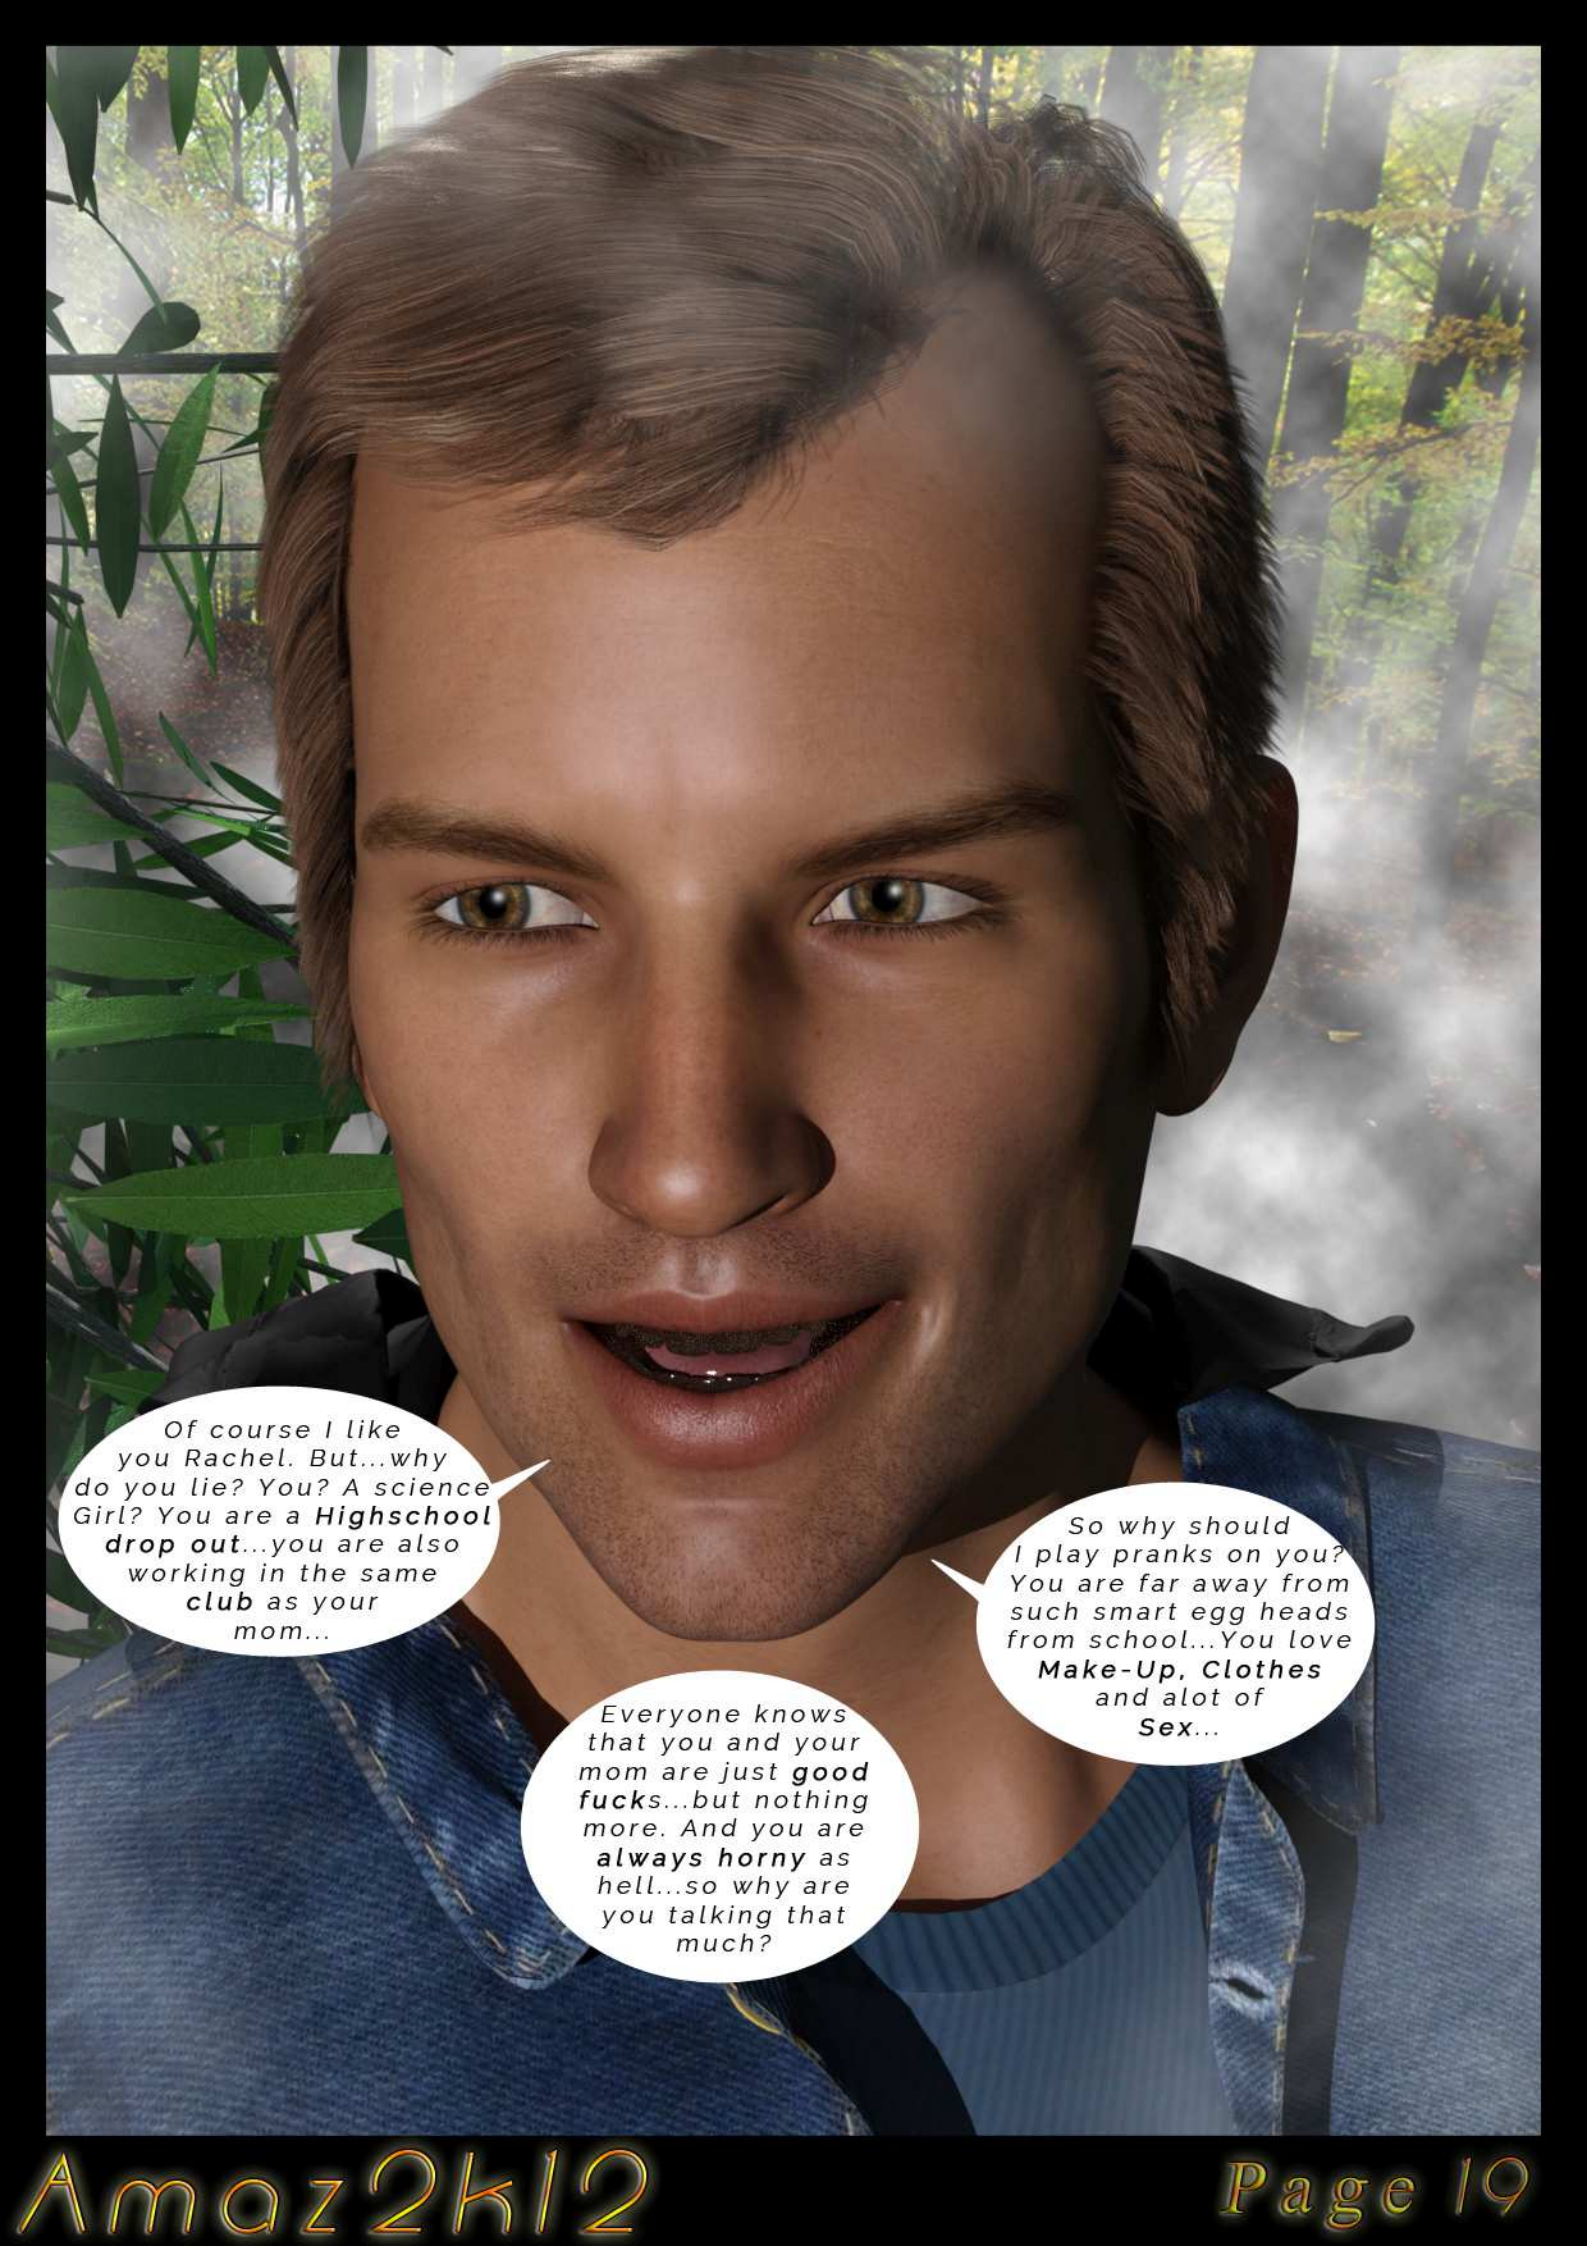

It is just one small step you know?

But how should you know something about science Josh!

You was always mostly the sport fan. You always maked pranks against people like me...

But you never insulted me...because you liked me from the first moment, right?

Of course I like you Rachel. But...why do you lie? You? A science Girl? You are a **Highschool drop out**...you are also working in the same **club** as your mom...

Everyone knows that you and your mom are just **good fucks**...but nothing more. And you are **always horny** as hell...so why are you talking that much?

So why should I play pranks on you? You are far away from such smart egg heads from school...You love **Make-Up, Clothes** and alot of **Sex**...

*How rude! Josh,
that is not fair...
even for you!*

...and for another time the reality starts to change...Rachel's taste in clothes become sluttier while her brilliant mind start to become dull...

mhhHm

...and in seconds the brilliant mind of Rachel slow down into Rai's slutty highschool dropout thoughts, while her taste is now that of a complete...

Slut!
I know...

*Look buddy,
my time is short you
know? Mum is like waitin'
for me. There are many
guests who pay to see
me dance an stuff!*

*I love to fuck
you all the time but you
know I need money for later.
It's not my fault that director
DumDum didn't wanted to pay
for that great BJ I gave him
and kicked me out of
school...*

*So? Wanna fuck
or what? I can not
wait to see your
amazin' cock an

*My mom got

*And she totally

So you need to pay me 'caus
I also want some big
fakies on my
chest.*

Me feel...
strange you know?
So...mHhh...

...and after she spoke out what she wanted her body started to change...

...her breasts starting to swell...

...getting rounder and becomming more fake...

...until her shirt showing some underboob as Rai's tits reach 34 H Cup's...
(if she would not hate bra's and wear some)

...but Rai did not spoke about her bust...she also spoke from her butt...
and so...

...her tiny butt starts to swell up...

...gaining more and more fat...

...and blowing up her back...

...until her once tiny butt is a perfect, round BUBBLE BUTT!

A woman with long dark hair, wearing a white lace top and black bikini bottom, stands in a jungle setting. She has a speech bubble above her head containing the text: "But me is no dumbo you know? Me can see it in your eyes...".

But me is no
dumbo you know?
Me can see it in
your eyes...

A woman with long dark hair, large breasts, and red lipstick is shown from the waist up. She is holding a white lace bra in her right hand. She is standing in a jungle-like environment with green foliage and a stone wall in the background. A speech bubble is positioned near her head.

*Big strong men
like you want some
fun right? Like what
U see big boy?*

A woman with long dark hair, wearing a black bikini and black high-heeled boots, is posing on a stone wall. She is leaning forward with her hands on her knees, looking towards the camera with a slight smile. The background consists of a stone wall and green foliage.

*Me like my
body sooo much you know?
Fake titties and an curvy
booty...hmm...me really
like the bulge in your
pants hot stuff...*

A man and a woman are shown in a close embrace outdoors. The man is on the left, shirtless and wearing blue jeans, looking towards the woman. The woman is on the right, wearing a light-colored, strapless top and large hoop earrings, looking back at the man. The background consists of green foliage and a stone wall. Several speech bubbles are overlaid on the image, containing dialogue between the characters.

The magic of the place starts to work...

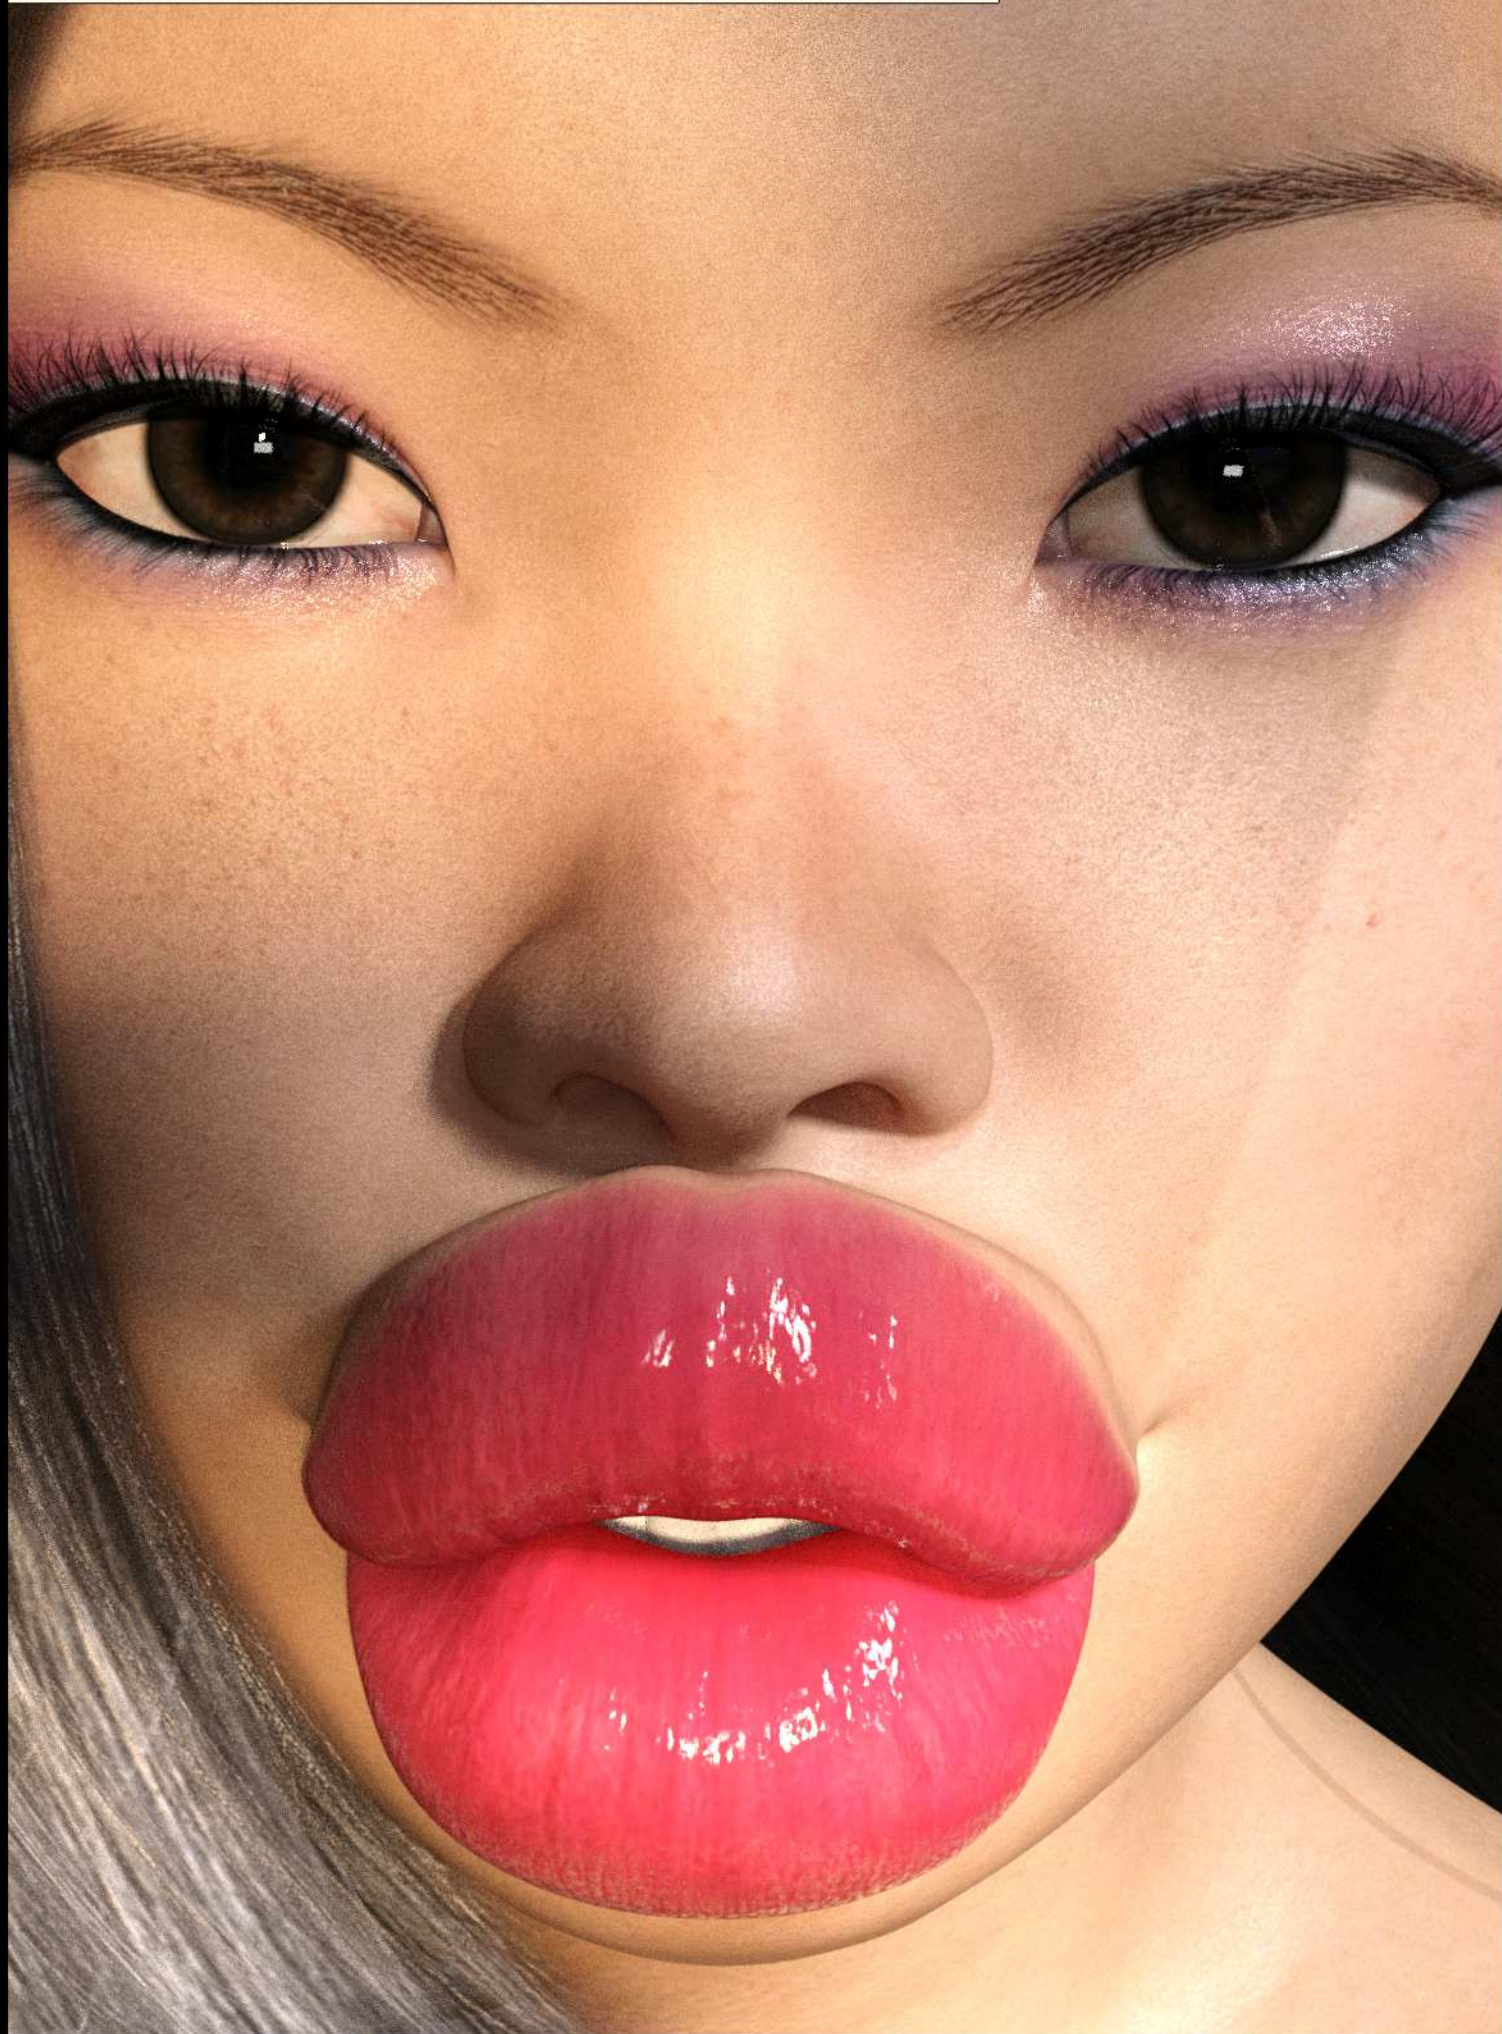

...Raichel's sexy lipps start to swell up...

...expanding her lips...

...until they are exactly enormous Porn star lips.

And those lips have, exactly as Josh said, alot experience giving BJ's...
