The Vorny Goddess

“That’s how episode seventeen ends. Total cliffhanger, right? In episode *eighteen*, the harem unites to—”

“Wait. This guy woke up in another world?”

“Have you been listening at *all?*” Rayne glared at Goro, who simply shrugged. He didn’t look guilty or ashamed, just annoyed that she’d expected anything else.

“I don’t watch anime. I rarely play video games. If we’re gonna be together, we really need a shared hobby.”

“We bang, don’t we?”

“Banging isn’t a hobby, Rayne.”

Exasperated, Rayne grabbed her house key and opened the front door. She headed straight for the kitchen to drop off her grocery bags, and she was placing a wine bottle in the fridge when she realised Goro hadn’t followed.

“Rayne?”

His voice came from the living room. Rayne frowned, suddenly on edge without knowing why. Something in his tone. She shut the fridge and walked from the kitchen into the living room. And there she saw—

“Hi, Rayne! Hi, Goro!”

Venus saluted the pair of them with an upward thrust of her impressive wine jug, splashing some of the strong-smelling red liquid on the floor. The seven-foot goddess slung her curvaceous frame across the sofa, her long blonde hair hanging all the way to the floor on one side. She was nude, leaving every inch of her divine body exposed from her enormous, head-dwarfing breasts to her breeding-instinct-inducing hips. Since ascending the Throne of Eros, ‘clothes’ had become a distant concept to the empowered goddess; Rayne was used to ogling her tits, but never in so mundane a setting.

“Raaayne,” said the drunk goddess, beckoning her closer. “You’re tha... th’ best, *sexiest* Champion a girl could ask for...”

Rayne glanced at Goro, who shrugged. What were they supposed to make of this?

“I didn’t know gods could get drunk,” Rayne said.

“O’course, o’course we can! Why, Bacchus and I used to—” She put a fist to her chest and burped loudly, eyes blurring for a moment. “*Hbluurp!* Anyway... Bein’ the Queen of Lust is *suuuper* hard, so I decided to get super drunk! An’, in the depths o’ my drunken stupour, I had this idea!”

“*The depths of her drunken stupour*,” Goro echoed. “She waxes lyrical for a lush.”

“Lush up, you! I mean... shut... shh!” Venus sat up straight and drained the rest of her cup. Rayne didn’t miss the way those divine breasts shifted around as she moved. “Don’t you wanna hear my idea?”

Rayne rubbed the back of her head. “Uh, sure, but we were actually gonna have sex—”

“You two,” said Venus, “are gonna have *sex*. And I’m gonna watch! And masturbate.”

Unusual as the situation was, Rayne couldn’t help but feel a happy stir. “Ohh, so *that’s* what this is about? Goddess or not, you really are a perv, Venus. We’ll put on a show for you — right, Goro?”

“Uh.”

“Radical, as they say!” Venus chirped, and pointed a finger at them. “Zip!”

A ray of golden light caught them both in its glow. Rayne felt her clothes dissolving, turning to stardust, like a magical girl transformation that stopped in the ‘naked’ phase.

The *real* transformation occurred in her body. As the light passed over and through her, she felt herself growing... wider. Her tits, hips, and asscheeks were the most affected, bloating outwards to a truly absurd degree, thickening her thighs substantially in the process. As the Champion of Venus, Rayne could conjure up a big, fat cock whenever she wanted. Venus’s magic triggered her power... and *enhanced* it. “Whoa!” she cried as her cock just kept growing... and *growing!* Her balls felt like boulders against her thighs, hanging heavier and heavier in her stretchy sack while her swelling hyperdick stuck more than three feet out from her groin. She *needed* the ballast provided by her enlarged ass to prevent the weight from tipping her over!

As her cock grew, so did her sensitivity. Rayne's heart thundered in her chest to keep up with her ridiculous boner: it bucked up and down in the air, drooling baseball-sized globs of precum that hung in goeey ropes. She couldn't even wipe them off; her cockhead was out of arms' reach.

When she looked across at Goro, she saw her boyfriend was having the exact same difficulties. He panted for air with his mouth slightly ajar, his red eyes blurring in and out of focus. The hung femboy had just become a lot more hung... *and* a lot more feminine; his hips and thighs were the same size as Rayne's, and his pornstar-shaming bubblebutt looked a little *bigger*. His enormous balls, tucked back behind his thighs, dwarfed his own head, and from them rose a constant, low *gurrngl*-ing noise as they started to churn up unbelievable tides of cum. His clothes were gone too.

“*Raaayne*,” he hissed at last, clenching his fists and his jaw. So composed, so stoic, even as his body bulged like a fertility idol. “Tell your depraved goddess—”

But by then, Rayne was upon him. “Mhhwah!” she cried as she kissed his lips, tackling the ultra-curvy boy to the ground and straddling his absurd hips! Their gigacocks squished tightly together, their enormous wrecking balls pulsing and churning on top of each other as Rayne plunged her tongue into his mouth. Goro had no way to defend himself; he groaned in pleasure as his ultra-perverted girlfriend pumped her hips, ploughing hyperdick over hyperdick. Their cocks stuck out over Goro’s left shoulder and drooled precum into a widening puddle, their cockheads taking turns to throb and spit.

“Mmm... mhhuaahh...” Rayne grinned against Goro’s lips before sitting back, stretching loong strings of drool between their mouths. She groped her cock with both hands, stroking it up and down, digging her fingers into the squishy, bulbous veins that laced her massive meat-mast... before hoisting it up high, high enough for her to kiss and lick at the precum oozing down her shaft. God... Upright, her cock *towered* above her, easily longer than her torso and head combined. Her dick felt so, so much more pleasurable than usual – but at the same time, it felt like it’d take a lot *more* than usual to make her cum. “Fuaah... Hold on, Goro...!”

“Rayne—!” he moaned again, only to devolve into wild yelps and wails as Rayne **SLAMMED** her cock down on his own. **THWAP!** The impact caused both their monstercocks to hose out fat, creamy ropes of precum past Goro’s head and across the floor. Rayne rocked her hips, practically sitting on her own balls and grinding them down against Goro’s.

“Hnn! Feels good, right?”

“Fuck... Ungh...” Goro was so bliss-stunned that he couldn’t answer properly. His cock pulsed madly under Rayne’s, sweat starting to pinprick his smooth, feminine skin. *Gworrrrrg...* Their tightly-bunched balls shifted and gurgled noisily; overpowered breedtanks just waiting to be emptied...

“Right...?” Rayne asked again. Goro went all tight-lipped, but he couldn’t voice a refusal. He wanted this just as much as her. Rayne chuckled and kissed him again, a sweet little smooch that hinted nothing of the *depravity* to come.

His tongue reached out for hers.

“Unf, unf, unf, *unf!*”

Goro bucked his hips like a jackhammer, his remarkable strength transferring to his huge, pillowy asscheeks and making them *clap* a sweat-splattering beat! *THWAP, THWAP, THWAP, PLAP!* Bow-legged, he thrust his hypercock between Rayne’s thighs and out in front of her, lifting her own cock on top of his!

“Guuuhfuck!” Rayne groaned as he slammed against her, each collision with her enormous ass producing a fresh, wet ring of flesh on flesh. Ripples spread across her cheeks where Goro’s hips smacked her, and her cock drooled hungrily. Goro’s cock lifted her ballsack and caused her testicles to straddle his shaft, hugging it tightly with each clench and churn.

“Oh...” Venus lounged back on the sofa, spreading her luscious legs and stroking her clit like the pervy goddess she was. “Yes! Just... haah... like that...” She bit her lower lip and arched her back, spurred by the pressure, the *heat* growing inside her! With her free hand she groped her own tit, tugging on the nipple as her breaths grew louder and sharper. “Hah, haah...!”

Goro fucked Rayne’s thighs without a shred of mercy, growling as he *thrashed* his hips against her humongous asscheeks. His teeth clenched tight: until now he’d been testing the waters, but now he hurled every ounce of his weight into his thrusts, making his low-hanging cumtanks swing up and **SLAP** the underside of his shaft! On the backswing, they smacked his own sweaty ass.

“This is... ridiculous...!” Goro snarled through his teeth, but despite his protests, he couldn’t stop thrusting; his obscene hips moved on their own, twerk-jerking his ass up and down, back and forth, driving his gigantic tool between Rayne’s legs! She groped her cock as he hammered away beneath it, grinding against her urethral ridge and stimulating her just as much as her thighs did to him. **THWOP, THWOP, THWOP, THWOP, THWOP!** He played Rayne’s jiggly skin like an instrument, his face turning redder as he slammed against her again and again, his eyes straining almost shut, his lips pulling in a tight line. “Unnnghh...!”

Goro’s balls gave a loud gurgle, and he gasped as he **SLAPPED** his hips against Rayne’s ass, pancaking her cheeks and lifting her balls on his shaft. His eyes rolled back, and he *yelped* as his own gigantic, rumbling balls clenched upwards with such force that they *clapped* against his asscheeks, before unleashing a monstrous tide of semen up his shaft!

That last thrust was enough for Rayne, too, and both massively-hung lovers wailed as they came, bracing their feet flat on the floor and jerking, shuddering, arching as their hips bucked on their own! Giant salvoes of thick, white seed erupted from their cocks, twin streams of steaming, ultra-virile cum jetting across the room to paint the opposite wall. ***SPLURRRRRSSSH, GLURRCH!*** Rope after rope sailed out of them, each one lasting several seconds, propelled by intense shaft-spasms and ball-clenches. Goro pawed and clawed along Rayne's waist as he cummed himself silly, his usually-stoic face warped into a bright pink ahgao, tongue flapping on his chin. "Aughhh!"

"Fuuuuck!" Rayne roared as she blasted what was probably the biggest load of her *life*. The force of it firing out of her tip might have knocked her backwards if not for Goro's warm body behind her. She squeezed her cockhilt tighter and quivered, watching the cum pile up like a snowdrift at the base of the wall. So much hot, bubbling, squelching jizz! She couldn't believe what she was seeing...

Their shared orgasm lasted all of thirty seconds before fading to a soupy white drool, Rayne's cum oozing over Goro's cock and then to the floor in a mixture of both their seed. Goro groped her hips, and she groped her cock, as they swayed in the happy aftermath, feeling the full-body buzz...

"I'm still... rock-hard..." Goro hissed against Rayne's neck.

"Uhn... Me too. This is... a real problem..."

They awkwardly detached from each other, then turned to Venus, who smirked and spread her legs wider as they approached. The drunk goddess continued to *schlick schlick schlick* at her needy cunt as the two ultrahung mortals shared a glance, then squatted down before her.

“So cute!” Venus trilled. Rayne and Goro’s enormous cocks were in their hands, hips rocking as they jerked their enhanced fuckpillars up and down, still sputtering leftover seed from their tips. Their expressions were annoyed, even as they willingly sank deeper into self-pleasure. Venus stood, letting her hand slip from her pussy and instead grasping her godly hips. “You’re glaring at me... Did I do something wrong?”

“Hrrgh...” Rayne jerked off uncontrollably, digging her fingers deep into the bulk of her giant cock. It was like her brain was slowly melting into her dick, spoiling her with powerful desire. She barely kept a grip on herself; she sucked on her lip for a moment before snarling, “You’d better take responsibility for this...”

Venus giggled again, then rose from the sofa – towering over them at her full seven-foot height, her long golden hair flowing down her back. “Okay,” she said. “I’ll take... fuahh... *responsibility.*”

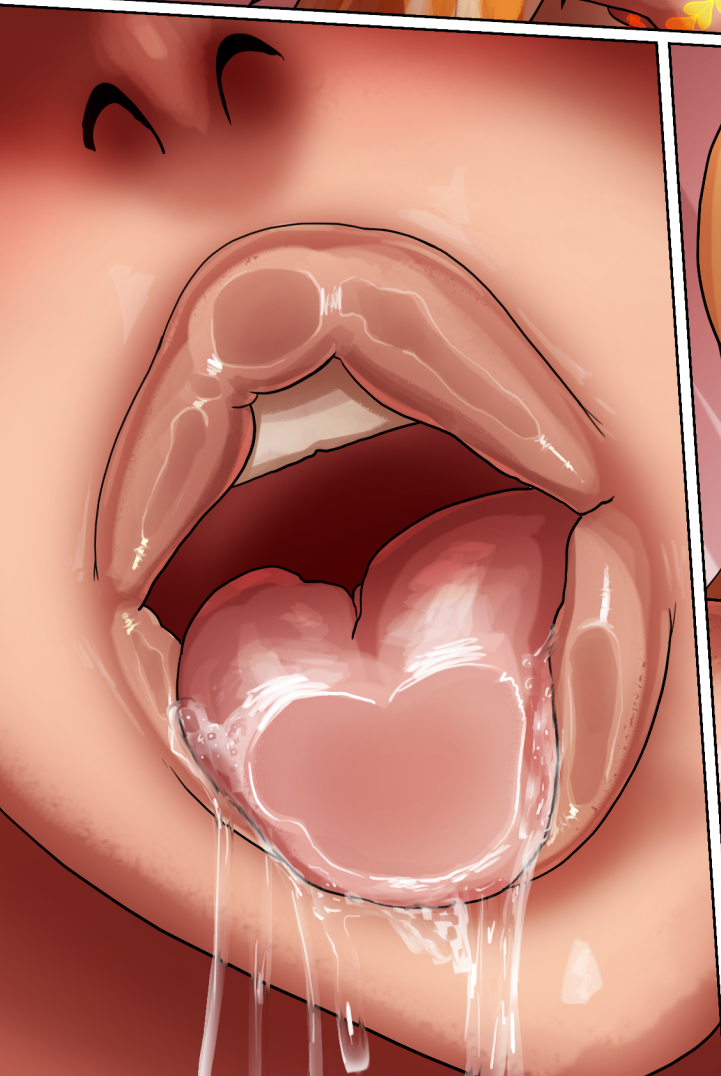

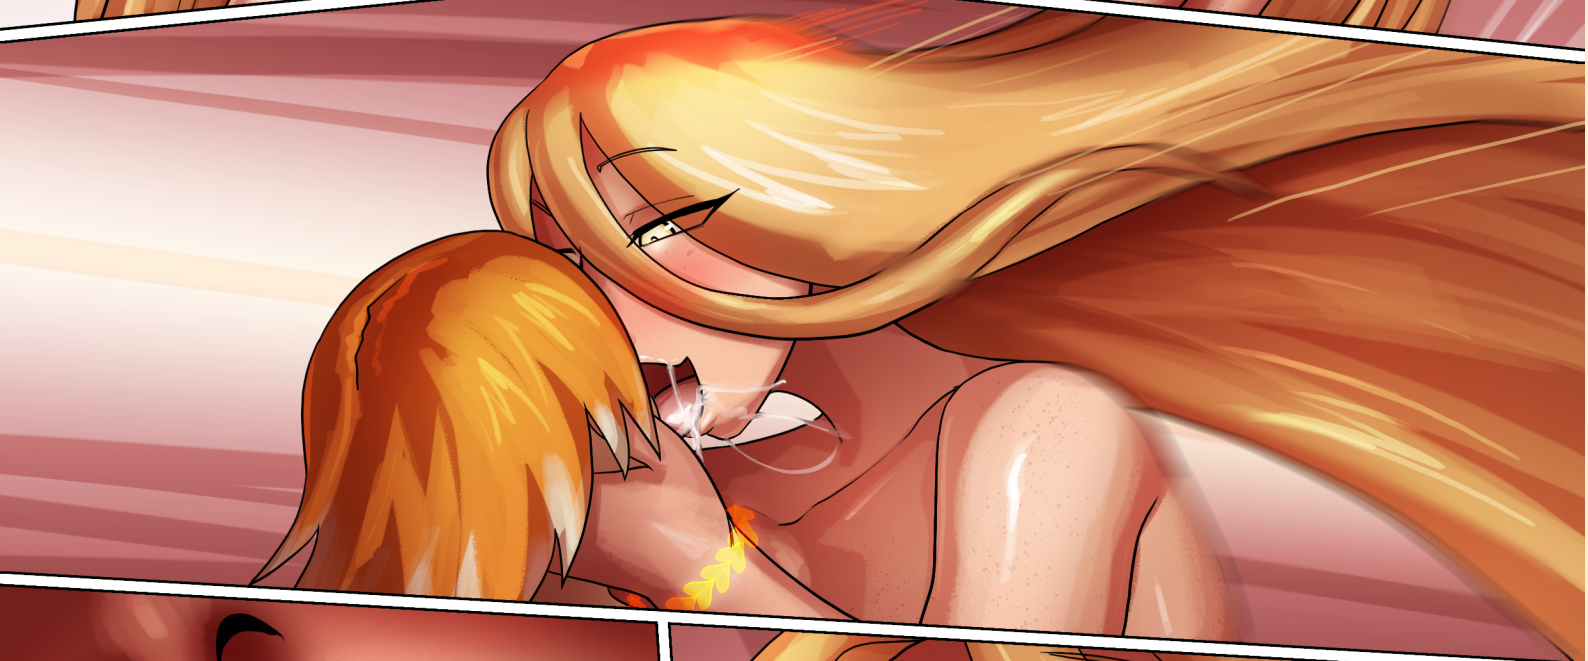

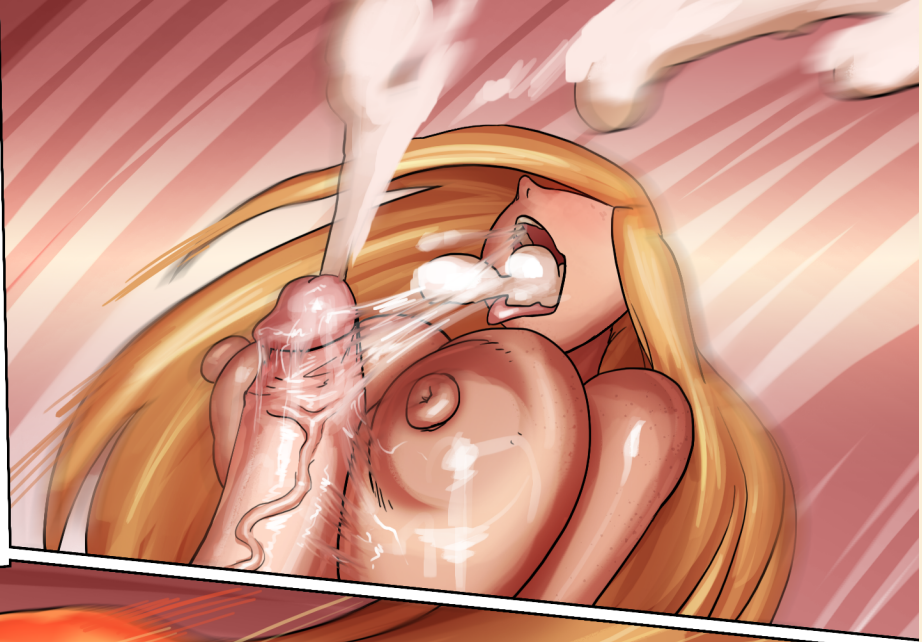

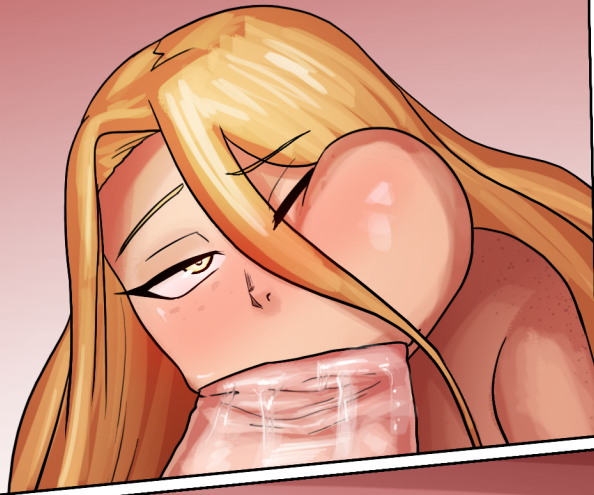

She approached Rayne, and knelt down, grasping her Champion’s massive shaft in both hands. As she started to jerk Rayne off, she kissed her deeply, eyes narrowing as she ran her wine-flavoured tongue across Rayne’s own. Rayne couldn’t help but sink her hands into Venus’s tits, running her fingers through furrows of smooth, tanned skin as she groaned into her goddess’s mouth. When they finally pulled apart, a strand of saliva quivered between their shiny tongues.

“Such an adorable girl...” Venus licked her lips, her golden gaze hovering on Rayne a moment longer before she seemed to remember Goro’s presence. He squatted in place, huff-puffing loudly, driven into a state of raw lust by Rayne and Venus’s makeout session. Fap, fap, fap... He stroked his titanic cock slowly and firmly, edging like a depraved gooner he was, splattering globs of precum across the floor... Venus’s pursed her lips in pity. “Poor thing,” she gurgled, before getting down on all fours and crawling toward him... to bury her face in the pudgy underside of his shaft and kiss it up and down!

“Ah... ahh...” Goro fapped harder and faster as the ultra-busty goddess treated his cock to her tingly kisses, sending bolts of pleasure throughout his entire body. He lifted and dropped his monsterdick a few times, clapping it gently on Venus’s face, his red eyes fogging as she suckled higher... and higher... until she was cupping his drooling tip in her mouth! Venus *slrrrped* Goro’s precum from the faucet, swallowing a few hefty heaps of jizz... before reaching out to retrieve her empty cup. She held it under Goro’s cockhead while stroking him quickly, *milking* fresh white batter from his throbbing, jumping glans. Once the cup overflowed, she brought it to her lips and *ulp... gulp... gulped* until it was empty, and licked her lips clean for good measure.

“Ghuuaahh...” Venus rubbed her tummy. “Sooo tasty! Huff... I’m in the mood, now.” She clasped Goro’s cheeks between her hands and kissed him deeply, latching onto his lips with vacuum suction. “Puah! You’re so precious Goro... So cute... Smmhhuaa—**PUAH!**” She buried him in kiss after slurping kiss, sealing their lips together and stretching them out until they popped apart. Goro had no way to defend himself; he gasped for air when he could, but more often he gagged and grunted as Venus’s saliva spurted down his chest... and became the lube he stroked into his dick! Venus’s massive breasts all but framed his torso inside their jiggling valley.

“Sooo cute,” Venus crooned between soupy smooches. Hundreds of glistening drool-webs connected their mouths whenever she pulled away. “And *such* a good boy. Haah. You’re so adorable, I could just... just...”

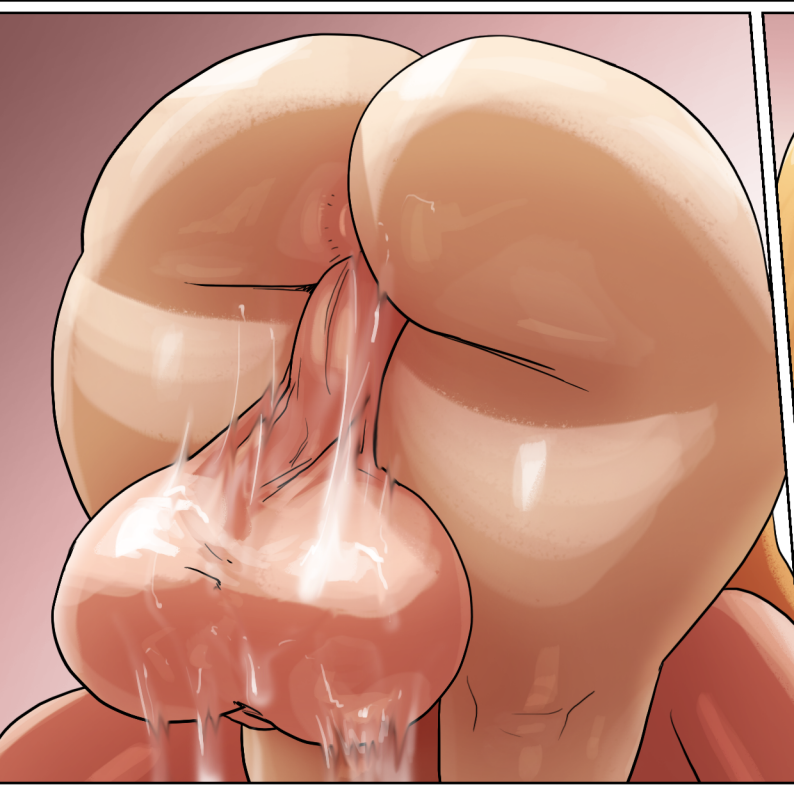

Rayne watched in amazement as Venus opened *wide*. Her jaw distended with ease, and in the next instant, Goro's lust-addled face vanished into the goddess's mouth. "Auhhh... ghmmph..." Her eyes rolled back as she pushed herself onto him, at the same time squeezing his arms tightly to his sides and lifting him off the floor. Goro kicked at the open air and jostled Venus's breasts; Rayne could hear him yelling inside her mouth, his cries muffled by her slurping gums...

Venus yawned her jaw wider – and a huge lump appeared in her neck as she forced Goro's entire head down her throat... alongside his cockhead and part of his shaft. She didn't pause to think about what she was doing; all she wanted to do was gobble up the cute, curvy boy! **ULP! GHULP!** Her neck rippled and clenched, swallowing hard and forcing Goro deeper. His shoulders vanished, and his chest, and Venus tilted him so his legs kicked high above her head – using gravity to help her down her juicy meal.

"Venus...!?" Rayne stared in disbelief as Venus's belly started to pout and bulge around Goro's body. She heard him shouting inside her as her lips crept up to his hips – and she grasped his legs to force him even *deeper*. Stretching her lips around his bubblebutt was a task even the Queen of Lust struggled with... but at last, her cartoonishly-gaped maw cleared the widest point, and from there—

GHWULK! Goro's ass disappeared, shooting down her neck along with his giant balls and smooth, scrumptious legs. Venus flattened her palms over her mouth, eyes shut tight, groaning throatily... before pursing her lips together and giving one final, elegant *gulp* that slid Goro's feet neatly down her gullet.

"Fuuaah... Get *in* there, tasty," she murmured to herself, and gave her big, rounded gut a few smacks for good measure. "Fuck..."

When she opened her eyes, she saw Rayne *madly* jerking off, grunting and growling as she stroked her hands up and down her throbbing fuckpillar four or five times a second! Rayne was transfixed, open-mouthed, tongue lashing the air as she violently manhandled her supercock. *Thwap, thwap, thwap, thwap, schlop!*

“Heeeh...” Venus rested a hand on her squirming belly. “What’s thaaat? You wanna join him? Mmn... I have a better idea.”

Venus turned and bent over the sofa, digging her hands deep into the cushions. She stepped her legs apart and shoved her huge ass toward Rayne until it dominated her Champion’s vision. And then she *focused*. “Hnngh...!” Her belly gurgled... clenched... and contracted, shrinking slowly inwards as she *squeezed* Goro even deeper into her body. His moans and groans continued to be audible, emitting from lower and lower down in Venus’s insides... until...

Splrrrrrch...!

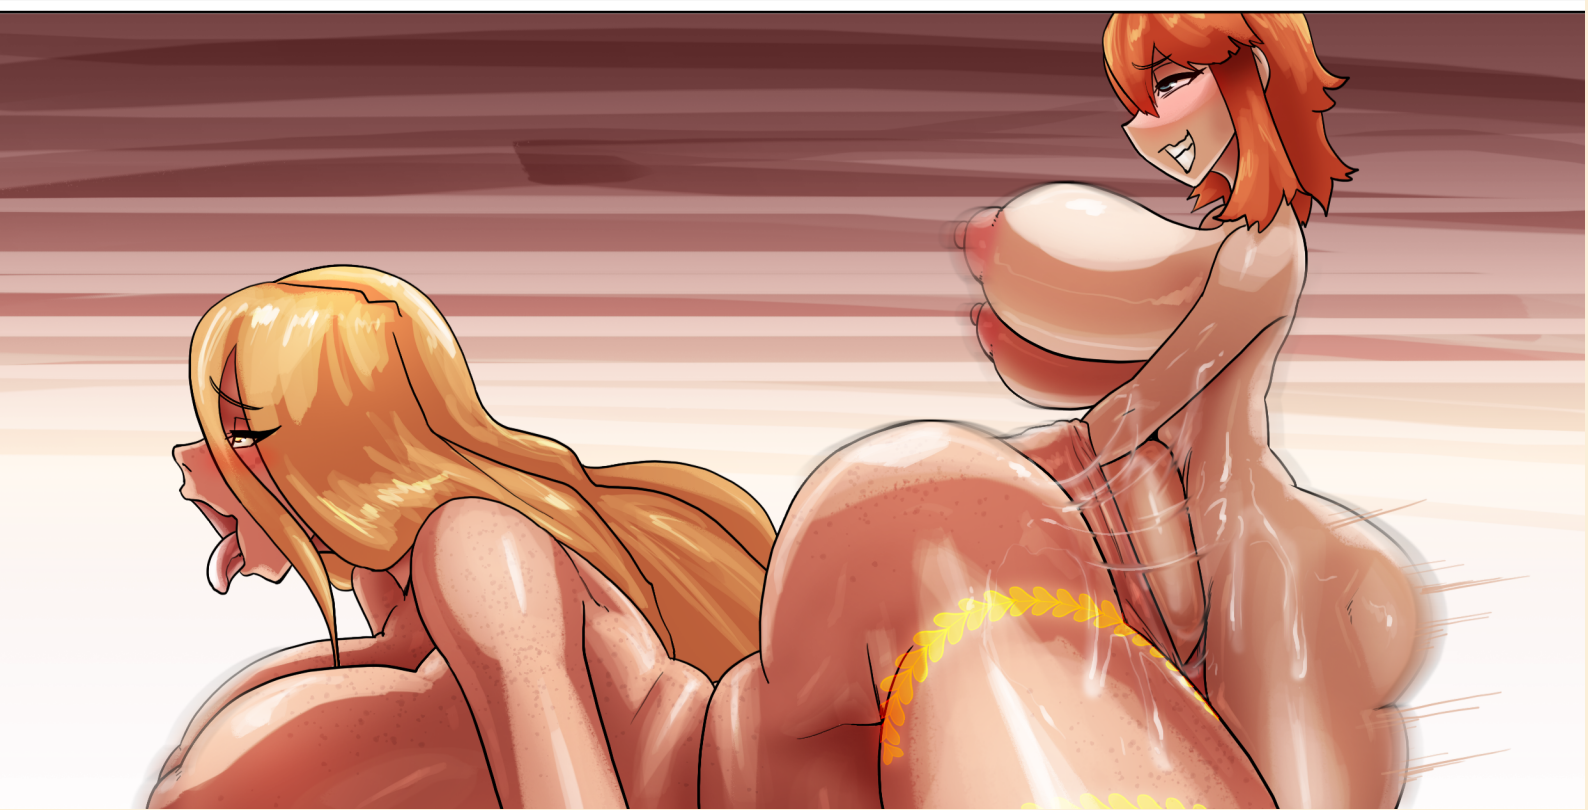

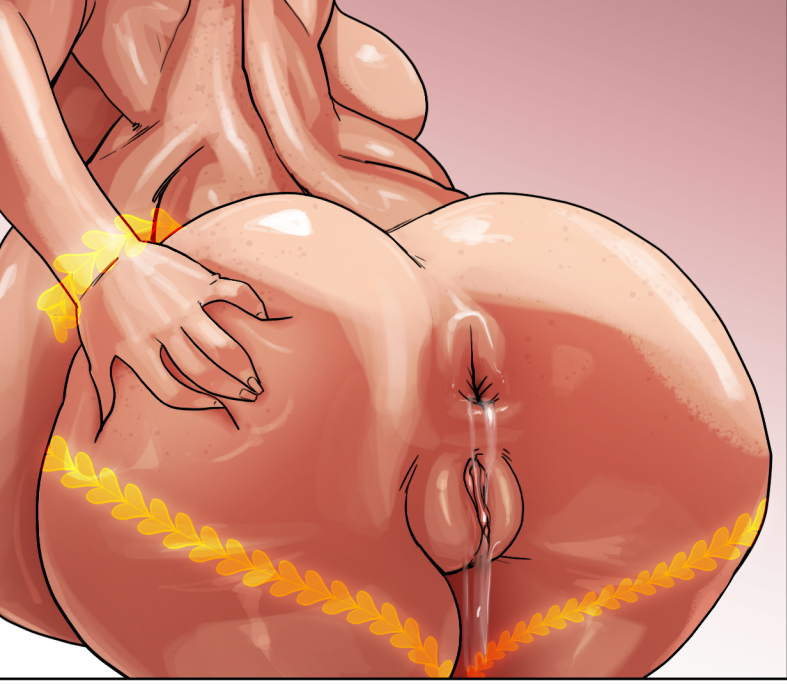

Rayne almost came right away when Venus’s asshole yawned open before her eyes – and Goro’s fat asscheeks and huge, churning balls pushed into the open air! The boy was folded up in the goddess’s large intestine, sweat dripping profusely from his asscheeks onto his massive balls as he stewed in the sauna of her body. “*Mmppph!*” His frantic shouts didn’t quite translate to sensible words; all he could do was wriggle and squirm to get his point across.

“Ah... There we go,” Venus huffed, swaying her ass from side to side. Rayne stared, awestruck, at Goro’s juicy cheeks tucked inside Venus’s gaping rim, tugged back and forth with each flex of that divine pucker... Rayne’s cock spat a rope of precum that rose several feet over her head before pattering across the floor.

Unable to speak, Rayne stepped closer... and closer... feeling the heat of Venus's body on her skin as she grasped those humongous asscheeks and leaned toward Goro's winking asshole. Each suck and clench of Venus's rim jerked him a little inwards before bobbing him back toward Rayne's face. Up close, she could watch his scrotum bunching beneath his balls as they clenched rhythmically upwards...

Rayne's tongue flopped out, and she *buried* her face between Goro's cheeks to suck hungrily on his fat, puffy asshole! "Mmmpp--!" Her eyes clouded as she vacuum-sucked her boyfriend's delicious rim, jerking her head back and forth to tug on his asshole! Her tits crushed against Goro's balls, and she dropped her hands to grope along her massive monstercock. She masturbated shamelessly, a slave to pleasure, popping her lips off of Goro's asshole only to slurp-suck straight back onto it.

"Hrrgh...!" Venus flexed, and Goro vanished. *Schlorp*. Her ass devoured him, sleeving the squirming boy deep in her guts and allowing her own rim to clench shut. "My turn—" she started, but Rayne was already eating her ass, already groaning into her wrinkled rim and testing how it stretched when she *pulled* with all the vacuum-suction she could muster! "Gooood girl," Venus crooned, quivering happily and gripping the sofa even tighter. "Gonna... shit out your boyfriend... hah...!" She bit her lip and pushed, and Goro's asscheeks and balls pushed into the open again, glossy from her slimy insides' embrace. Venus chuckled and withdrew him, butt-gulping the curvy femboy with a slippery squelch – and then out once more, presenting his gorgeous ass and churn-pulsing balls to Rayne. "Ghuaahh... Rayne, I want you to take that dick of yours – and put this *onahole* to good use!"

Rayne couldn't have moved faster if someone was holding a cattle prod to her ass. She all but sprang onto Venus's butt, hoisting herself up against the goddess's sturdy body and digging her feet deep into her asscheeks – at the same time squeezing Venus's long blonde hair in both her fists! “Fuhhh...!” she huffed as she found her angle, hoisting her hips and jamming her cockhead up against Goro's big, needy butthole! Venus groaned, her head forced back by Rayne's grip on her hair... but she kept her back arched and her hands on the sofa, getting ready for the most obscene insertion of her life.

SCHLORRRRP! Rayne pushed – and felt Goro's asshole stretch abominably wide, instantly cratergaped around her throbbing girth. Goro yelped and whined inside Venus, but the noise was drowned out by Rayne's savage grunting, her bullish huffs and puffs as she rocked her hips and drove her titacock deeper – **DEEPER**, obsessed with the idea of slamming herself into Goro's schlorping, squeezing hole.

And slamming *him* into Venus.

“Get – *in there!*” Rayne screamed as she clobbered him harder and faster, her hips and asscheeks bounding, drool oozing from her drawn-back lips! Her balls leapt up to smack her own ass – before **THWOPPING** down against Goro's, all but smushing them from the sheer force of impact. The base of Goro's cock, visible inside Venus's strained rim, throbbed violently in response to the testicle abuse.

WHAP WHAP WHAP WHAP WHAP! Rayne fucked Goro harder, deeper, until she heard a **GLORK** from deep inside Venus's guts – the sound of her cockhead bursting out of Goro's mouth. Rayne gave a shout of triumph and entered a new stage of savage thrusting, her balls-deep claps sending ripples across Venus's huge, pillowy ass! “Get in there, get in there, *get in there!*” Rayne roared, battering Goro's sweaty ass with thrusts designed to force him into Venus's guts, to vanish him once more from the outside world. As the pink rim of Venus's ass started to creep over and around his shiny dumptruck, Rayne stepped off her

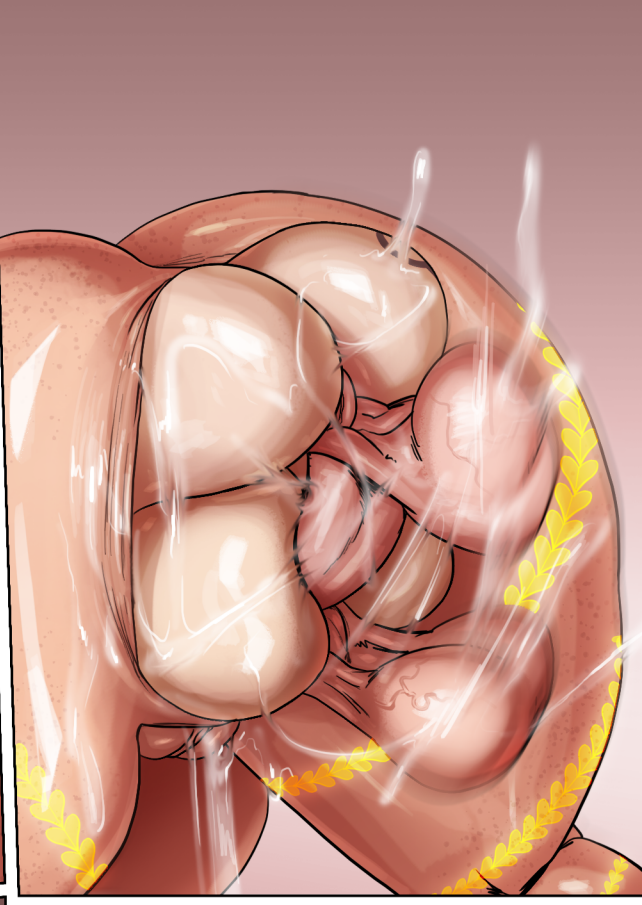

buttcheeks and into her asshole – inserting *herself* even as she continued to clap his enormous cheeks, straddling them inside the hot, clenching sleeve of the goddess's colon.

“Oh! Feisty...!” Venus cried as her Champion started climbing into her ass. Goro was lodged deep in there, barely visible anymore, and Rayne seemed intent on *slrrrrping* her arms alongside his cheeks to grab his skinny waist. “Mmmh... If *that's* what you want, then...”

Venus let go of the sofa... and slowly tipped back. Rayne gasped as gravity tilted, but by then it was too late; in the next instant, darkness engulfed her. **WHUMPF!** Venus fell on her butt and *slammed* Rayne into her guts, swallowing her whole!

When Venus got up again, her asshole had winked tightly shut. She giggled as she sat on the sofa, rubbing her big, bulbous belly, watching it squirm and bump as the two hotties continued to breed like rabbits inside her.

In Venus's stomach, Rayne grappled with Goro and *thrashed* her cock all the way through him, again and again! **GLORK, GLORK, GLORK, GLORK, GLORK!** She hooked her fingers into his cock-gaped lips and ploughed him amid the squeezing, membranous sauna of her goddess's belly, not caring where they were or how they'd come to be here, crazed by the pleasure of it all! **CLAP, CLAP, CLAP, CLAP, CLAP! GHUACK, HUKK, GLURK, GLURK, SCHLORK!**

As Rayne pursued her total conquest of Goro's body, she smelled booze. It took her a moment to realise red wine was gushing into Venus's stomach from above and pooling around her. Whuh... Venus was *drinking*, even now? Gods... This divine booze was *strong*; the smell alone was enough to make Rayne tipsy. She snarled and kept bucking, clapping her asscheeks together in the goddess's confines, snarling and grunting like a wild animal as she drunkfucked Goro into a mindless oblivion! She was at her limit, growling on the verge of climax, shuddering and quaking as what felt like a supernova occurred in her balls—!

And she came.

SPLUAAAARRRRT! Cum erupted from Rayne's tip and instantly flooded Venus's stomach, gushing and roiling around them like ocean waves. Rayne shuddered and arched and rolled her hips in slow grinding motions as she sucked on Goro's neck, pawing obsessively at his body, ruining her own brain with bliss. "Guhhh...!"

On the outside, Venus moaned when she felt the rumbles and churns that signalled Rayne's orgasm. "What a stud!" she chirped, and rubbed her big belly happily as she waited for the sensation to calm. At last, when her stomach fell still, she giggled and sipped her wine again. "Gosh, what a delight you two are. Hah..." She winced one eye shut and clenched her tummy... which shrank inwards once again as her neck bulged out. She opened *wide*, splaying out her tongue and glurking as the lumps emerged from her maw: two huge, wine-reddened asses, their balls nestled tightly together. Goro's asshole farted jizz as it wobbled there in the open, and Rayne's balls pulsed happily in the aftermath of her giant load.

Eyes narrowing with affection, Venus tipped her wine cup over their big buttocks and poured sweet red wine into them, before leaning back and... *hulp, gulp, gwuuulp...* swallowing the cute mortals back down her throat. She licked her lips and belched in satisfaction, then sat back to pat and caress her belly.

“I think I’ll keep you in there for a while longer,” Venus giggled. “Mmmh. You can come out... when it’s playtime again...”
