Amaz2k12 - The walking Bimbo

Clara's chest has finished its impossible bloom - her body barely able to hold the weight of her new curves. But the city won't let her walk unnoticed for long...

You starin' at my huuuge bewbs? Like, no shame - I luv when people stare at 'em all the time

Baby girl, with balloons like those, how could anyone look away?

But hey... a body like that? Looks even better with a little balance in the back...

... huh?
What's wrong with my... booooootay?

Ummm... what was I even doin' here again? Heehee... hey, Mista...

Mmm... maybe we got a lil' more time, baby...

Amaz2k12 - The walking Bimbo

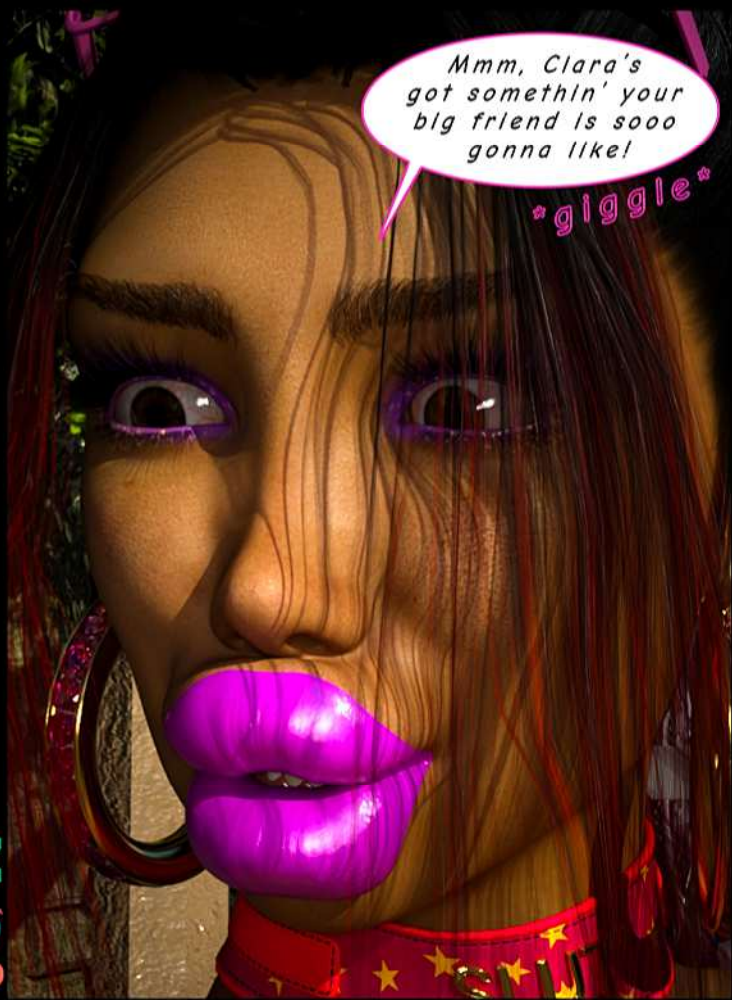

The touch of his chest is enough - hard muscle under her trembling fingers. Clara's mind spins, her new self craving hot guys, parties, and the kind of love that makes her forget everything else...

Wow, Daddy...
like, sooo huge muscles,
all... ummm, steel...

Is the rest
of you, like... soooo...

giggle

Mmm, Clara's

giggle

And you

woman like Clara just craves
sooo bad...

Amaz2k12 - The walking Bimbo

Her final change unfolds unseen...

Mmm, baby girl... you ain't built for love, you built for destruction. One ride with you, and a man's done for.

...her narrow frame blossoming ...

giggle

SWEET

A queen
of curves like you? You
don't walk streets -
you own 'em.

...into a perfect bubble butt.

Amaz2k12 - The walking Bimbo

Clara no longer remembers stress or power. Only curves, giggles, and the man at her side. But the arch hungers still - for its next passerby.

Heehee...
mmm Daddy, I luv when
you talk all rough like dat...
makes me sooo wet
an' ready...

Clara's
all yours, all night,
mhhh...

giggle

C'mon,
baby girl... with a body
like that, the night's already
ours. Let's burn it down 'til
sunrise.

And don't
worry - I'll be the
last man standin'... if
I survive you.
