THE WHITE TIGER AMULET

Complete Edition

STORY & EDITING *by* **Locofuria**
ART *by* **6evilsonic6**
LETTERING *by* **Aivinr**

ADDITIONAL ART *by* **Homero Go**

This comic was based on episode 30 of the ***Ultimate Spiderman*** *series, episode called* ***"Kraven the Hunter"****. We've rewritten the story into an original scenario in which Kraven has awakened the powers inside the White Tiger Amulet, causing Ava to lose control over her feline powers and slowly turning her into a feline woman. This comic mainly focused on the feline transformation scenes (Weretiger), and we've also added some extra sex scenes so that all our fans can enjoy.*

The complete edition gathers the comics that were released on the period July-September 2019 and adds a few more pages to help us complete the story. We've also rearranged some pages, along with the revision of all the dialogues, speech bubbles, onomatopoeias, etc.

DISCLAIMER **– This is a Parody Comic.**
Ultimate Spiderman is a registered mark by Marvel. This comic is not sponsored, endorsed by or affiliated with Marvel. Based on characters created by Stan Lee & Steve Ditko.
