Previously on „The lost Temple“:

Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic. In the beginning, he was not very skilled at it due to his low Ether Force. But by combining some key spells, he is slowly ramping up power.

Last time we saw the camp crew comb the area for Kessy. They get ambushed by her and her minion, Harry, but thanks to Mika, the trap fails. Kessy and Harry try to get away, but Stella and the rest are in pursuit, but it does not work out too well for Alice...

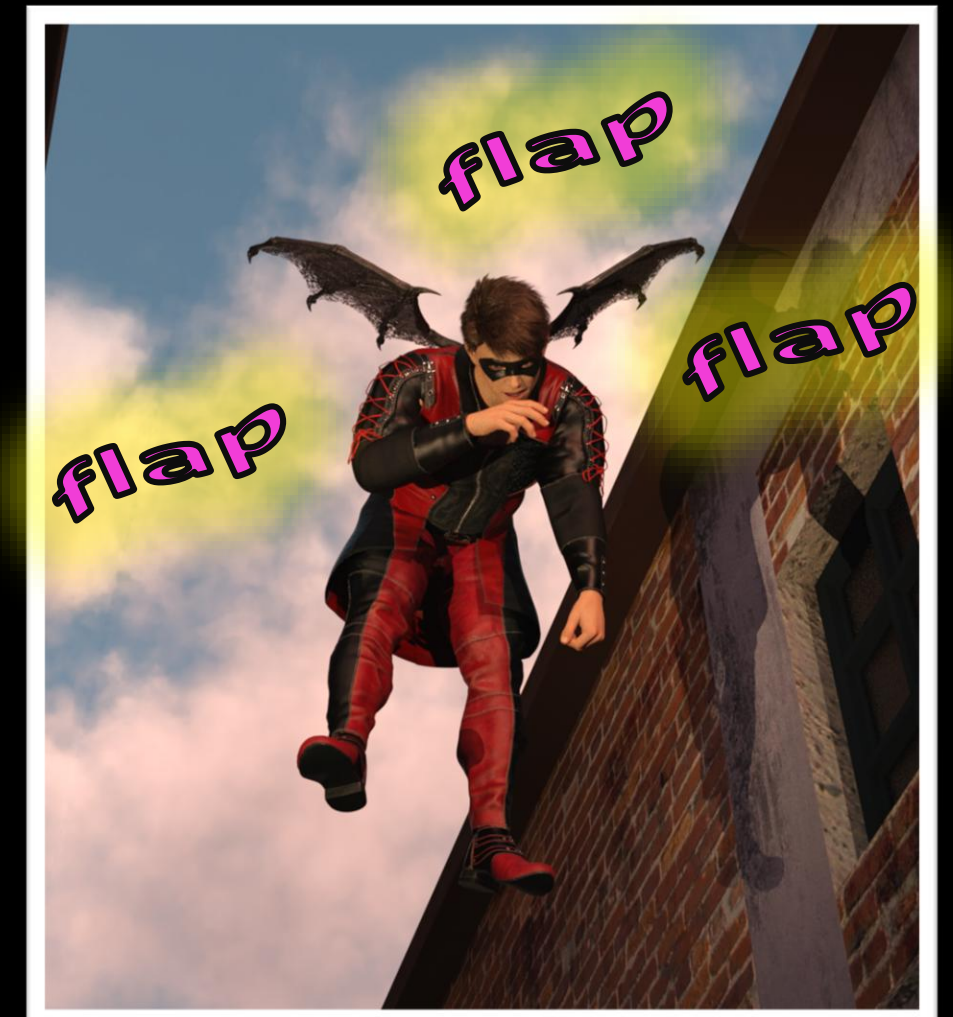

Last time on the lost temple, we saw the crew encounter Kessy and her minion, Harry.

After their trap attack was deflected by the team...

Kessy and Harry try to retreat...

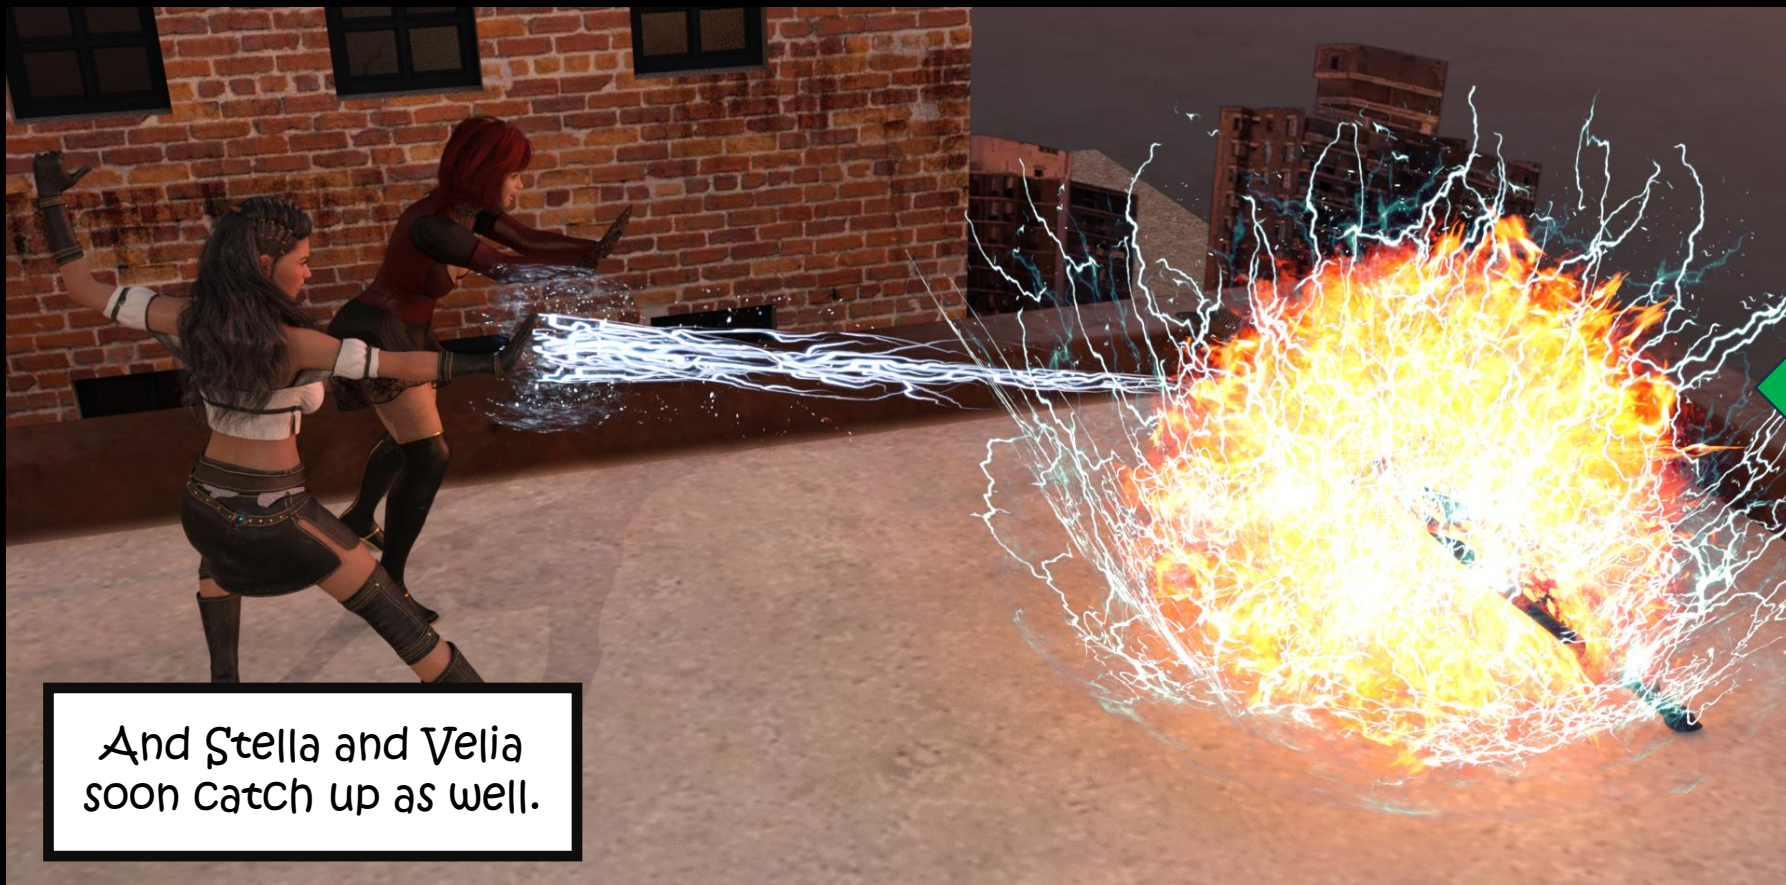

Kassandra flees over the rooftops...

But is intercepted by Vadim...

And Stella and Velia soon catch up as well.

On the other side, Harry is hunted by Lucy and Alice...

We continue from here...
as Harry is about to set
his sights on Lucy...

Physical
enhancements?!

Oh no!

Not so
tough now,
bitch, are
we?

Shit!

We totally underestimated him!

Now it's your turn, pesky fly!

Lucy creates a barrier against physical attacks in time.

But with one short jump...

Harry comes to a halt before he crashes into it.

Nice Casting speed.

But let me ask you one question, girl.

Does this little wall of yours also shield against vision?

Ocavum!

cough

FUCK...

Asher said there
was the possibility
of some lowlevel
grunt...

But this guy
is a monster
on steroids!

What are
you do...

Urrr...

Ha-ha-ha
The OcaVum
spell shuts
down your
brain.

Now you
are my doll!

Shit!

Alice activates her cloaking spell and gathers all of her remaining strength to slowly move towards Harry and Lucy.

Bastard!

What are you doing to her?

Lucy's expression calms as the Ocavum spell takes effect - quickly shutting down her mind...

Noo...
I...

I...

Without the needed brain capacity to concentrate, the Scutum Barrier dissolves...

I will
ob...

And Lucy falls under...

But suddenly terror spreads on Lucy's face as she erupts in a terrible scream!

Ahhhhhhh

Huh?

Chaotic waves of etheric energy
flow out of her body...

Ahhhhhhh

That's... not how
that spell usually
works...

Meanwhile, back with Mika and Yara...

Oh, god, no!

What is hap...

I gotta go. Stay here, help Stella if need be.

But...

Lucy needs me!

The sky was turning dark, as if a storm was approaching...

What is happening?!

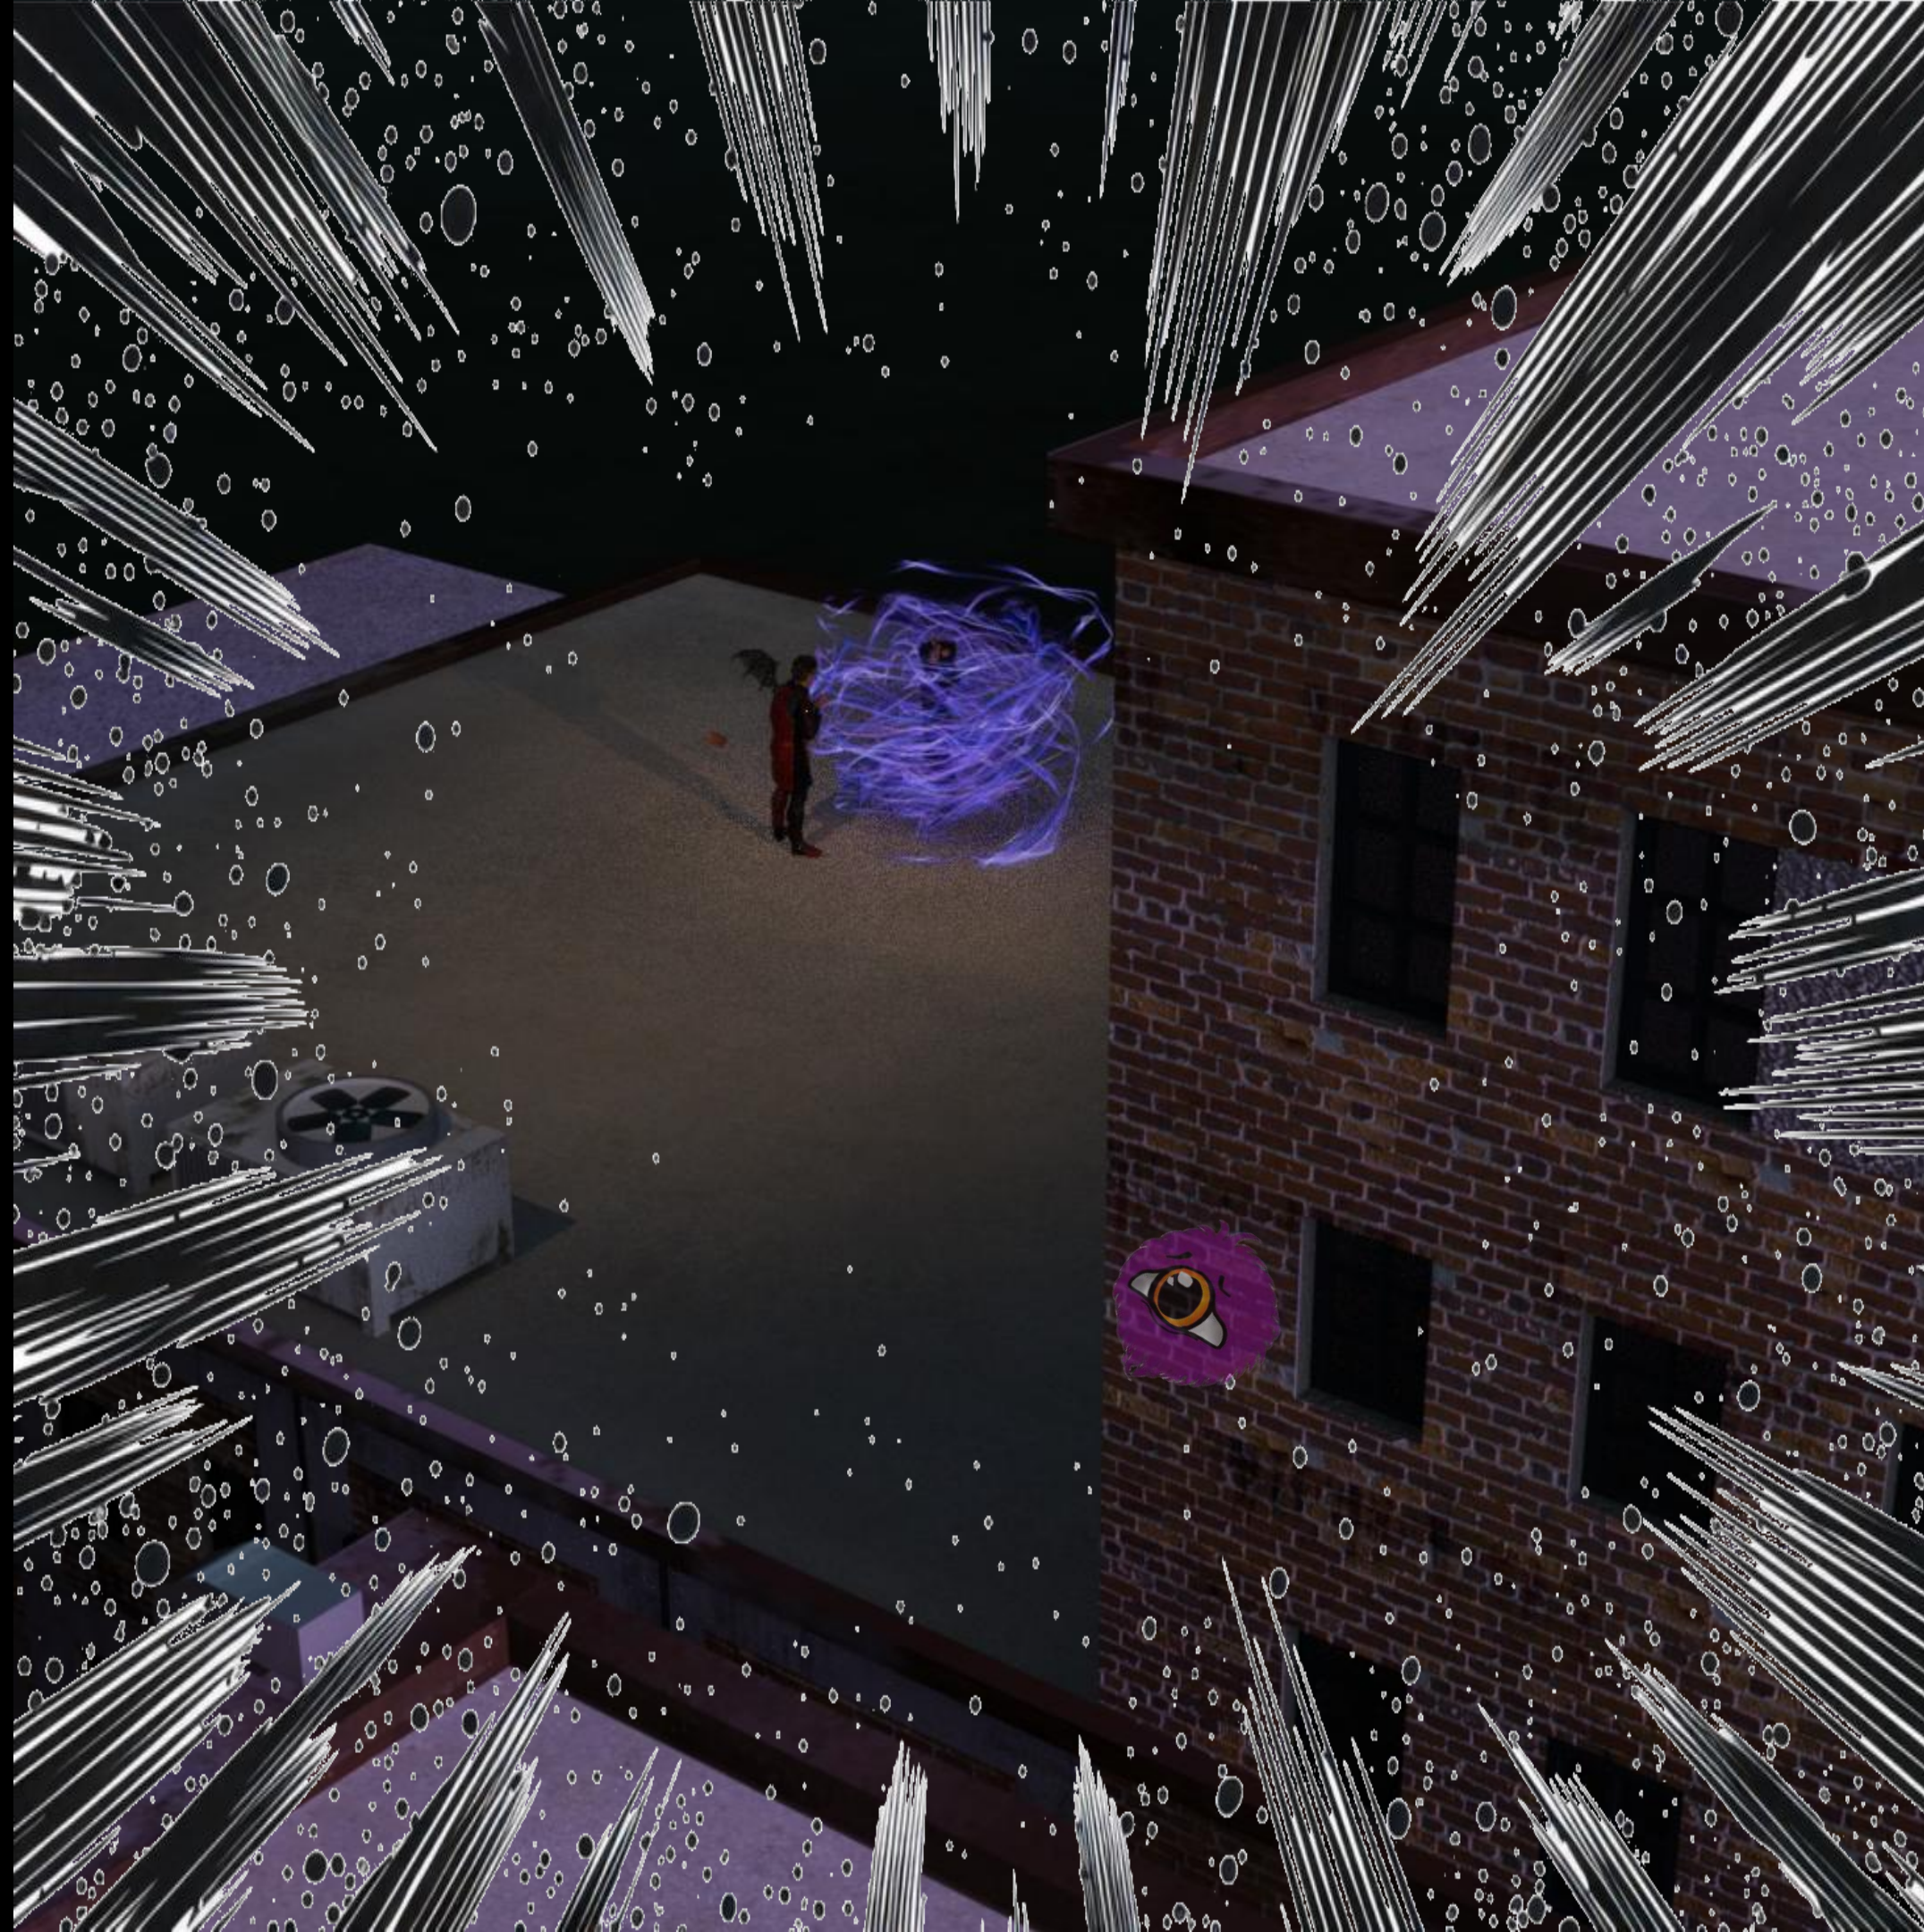

Unable to steer both of his evil eyes at the same time, Mika has been following only the fight against Cassandra...

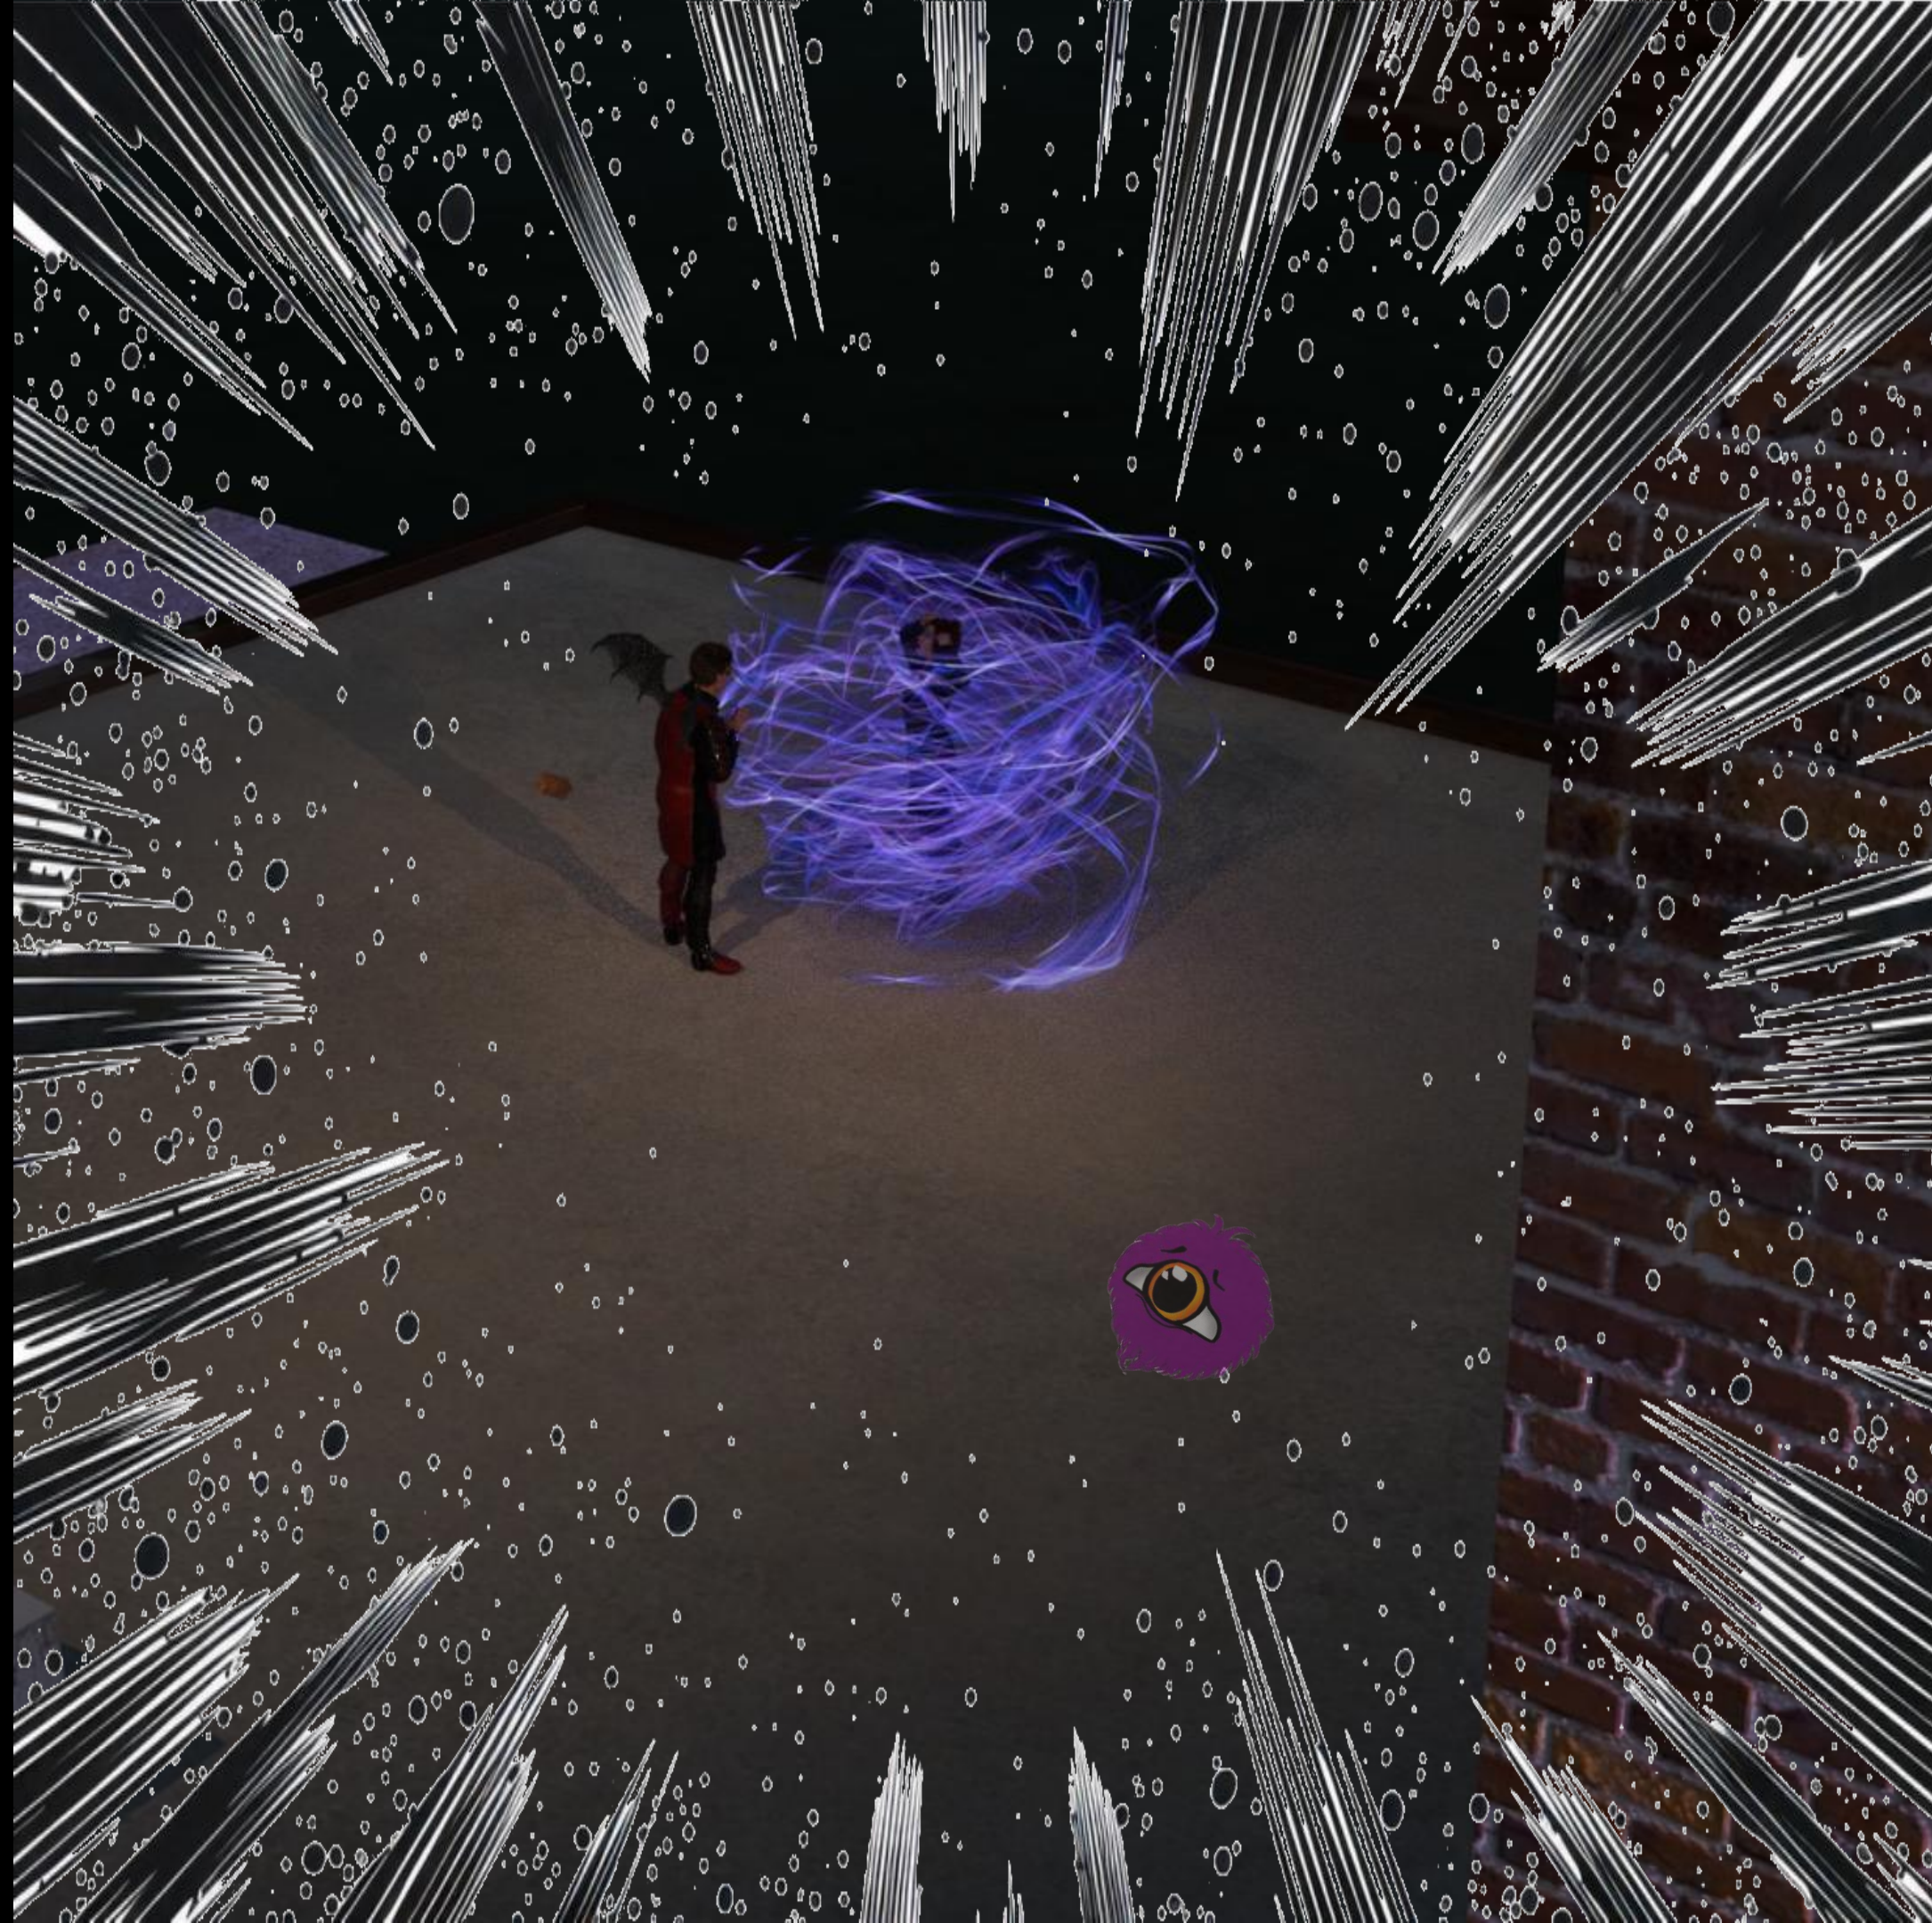

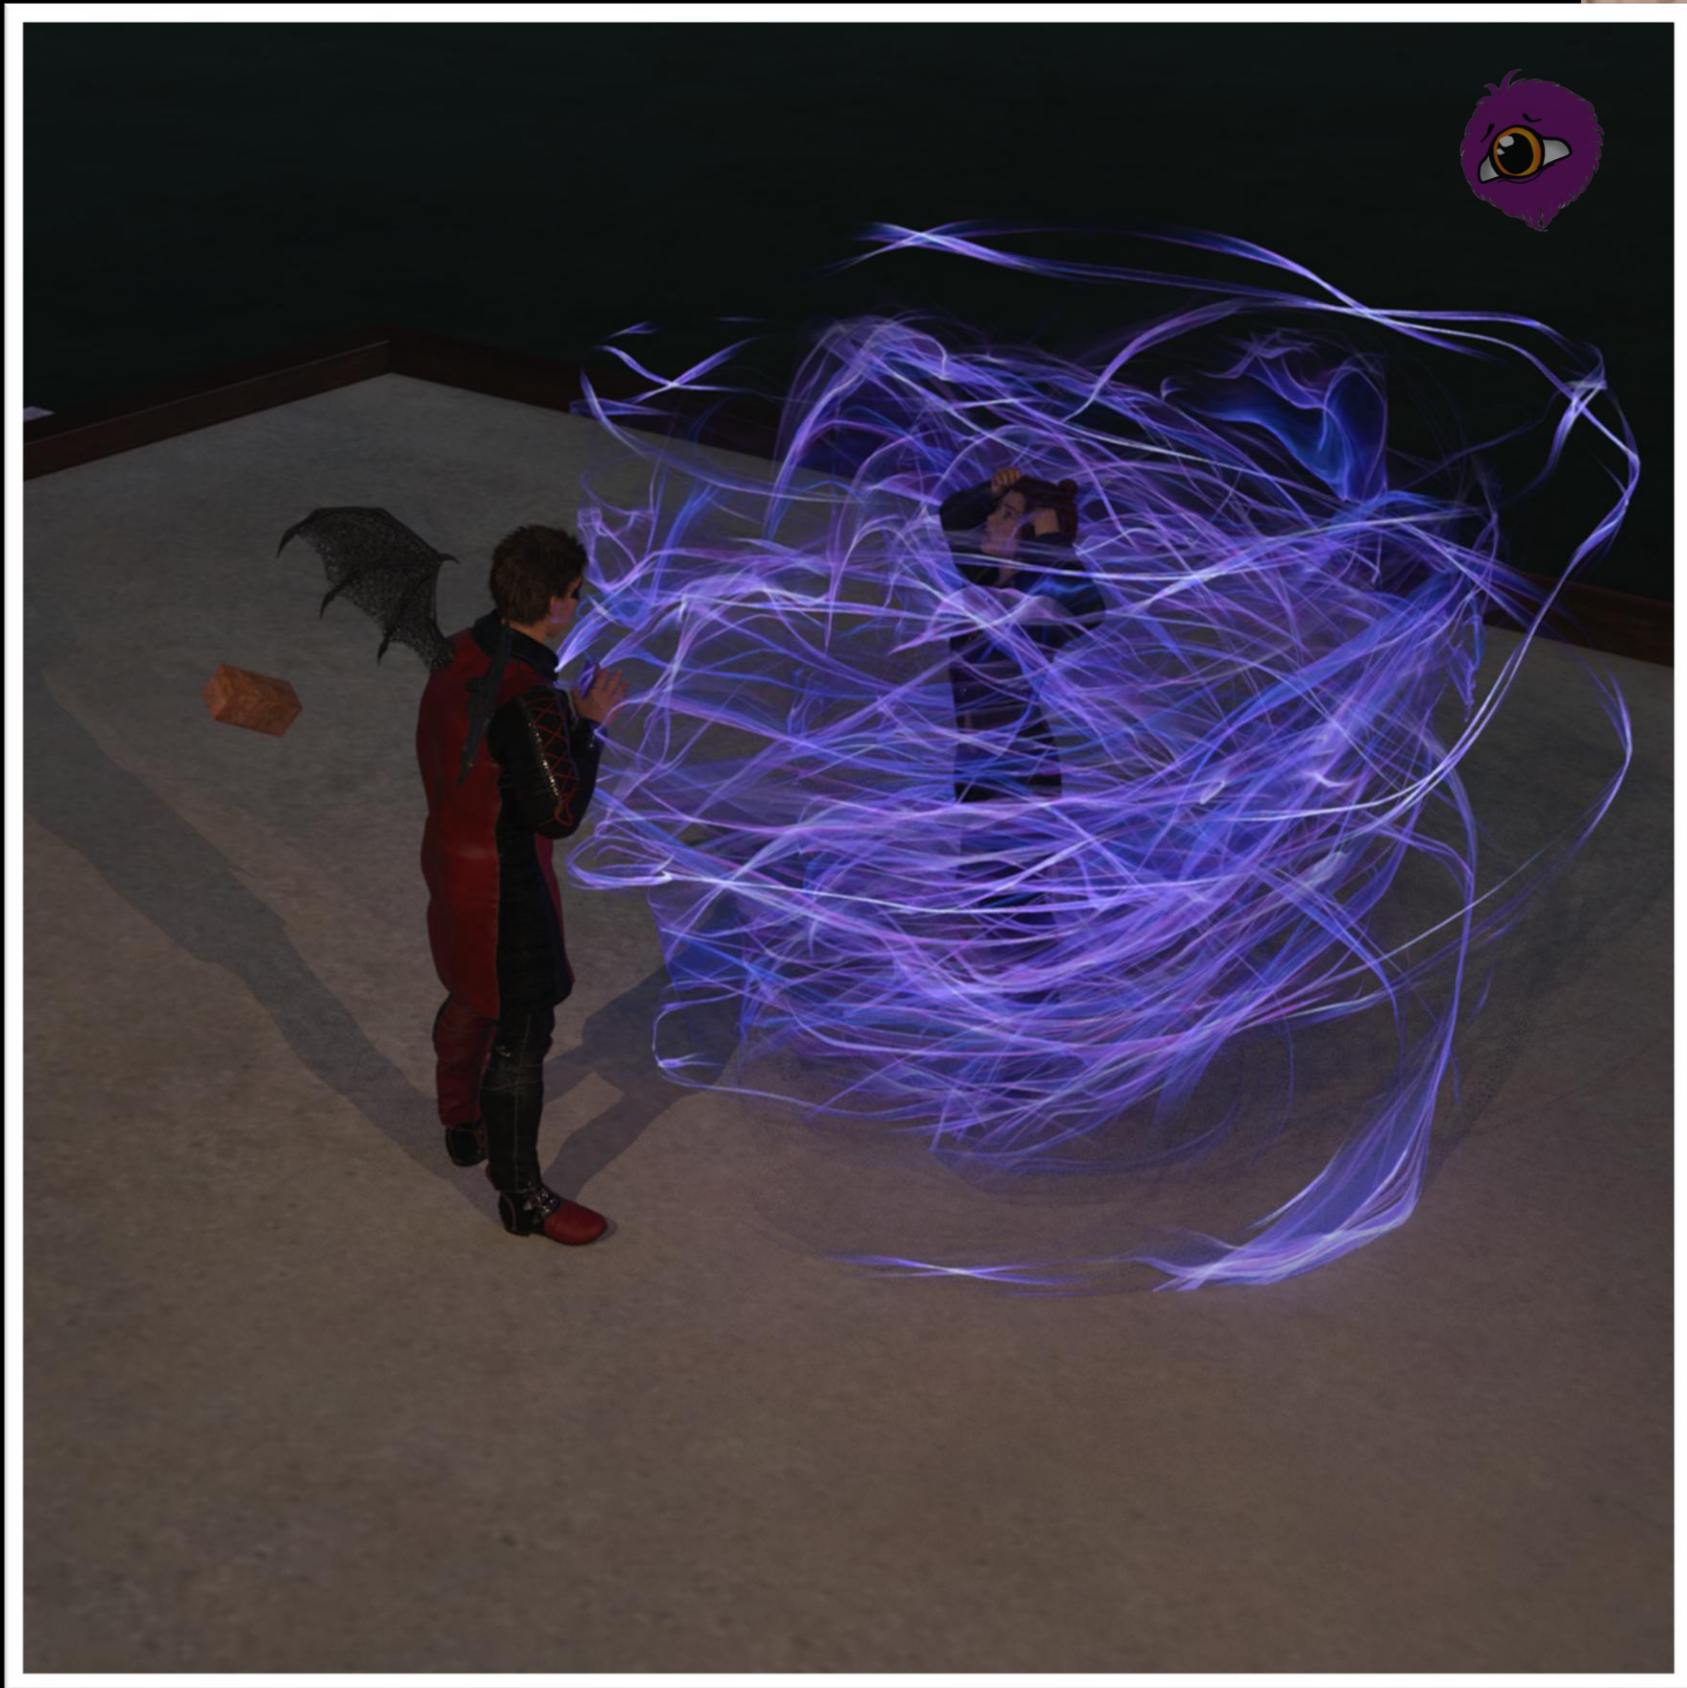

But now he focuses his attention on his second eye...

Rushing it to the scene of
action...

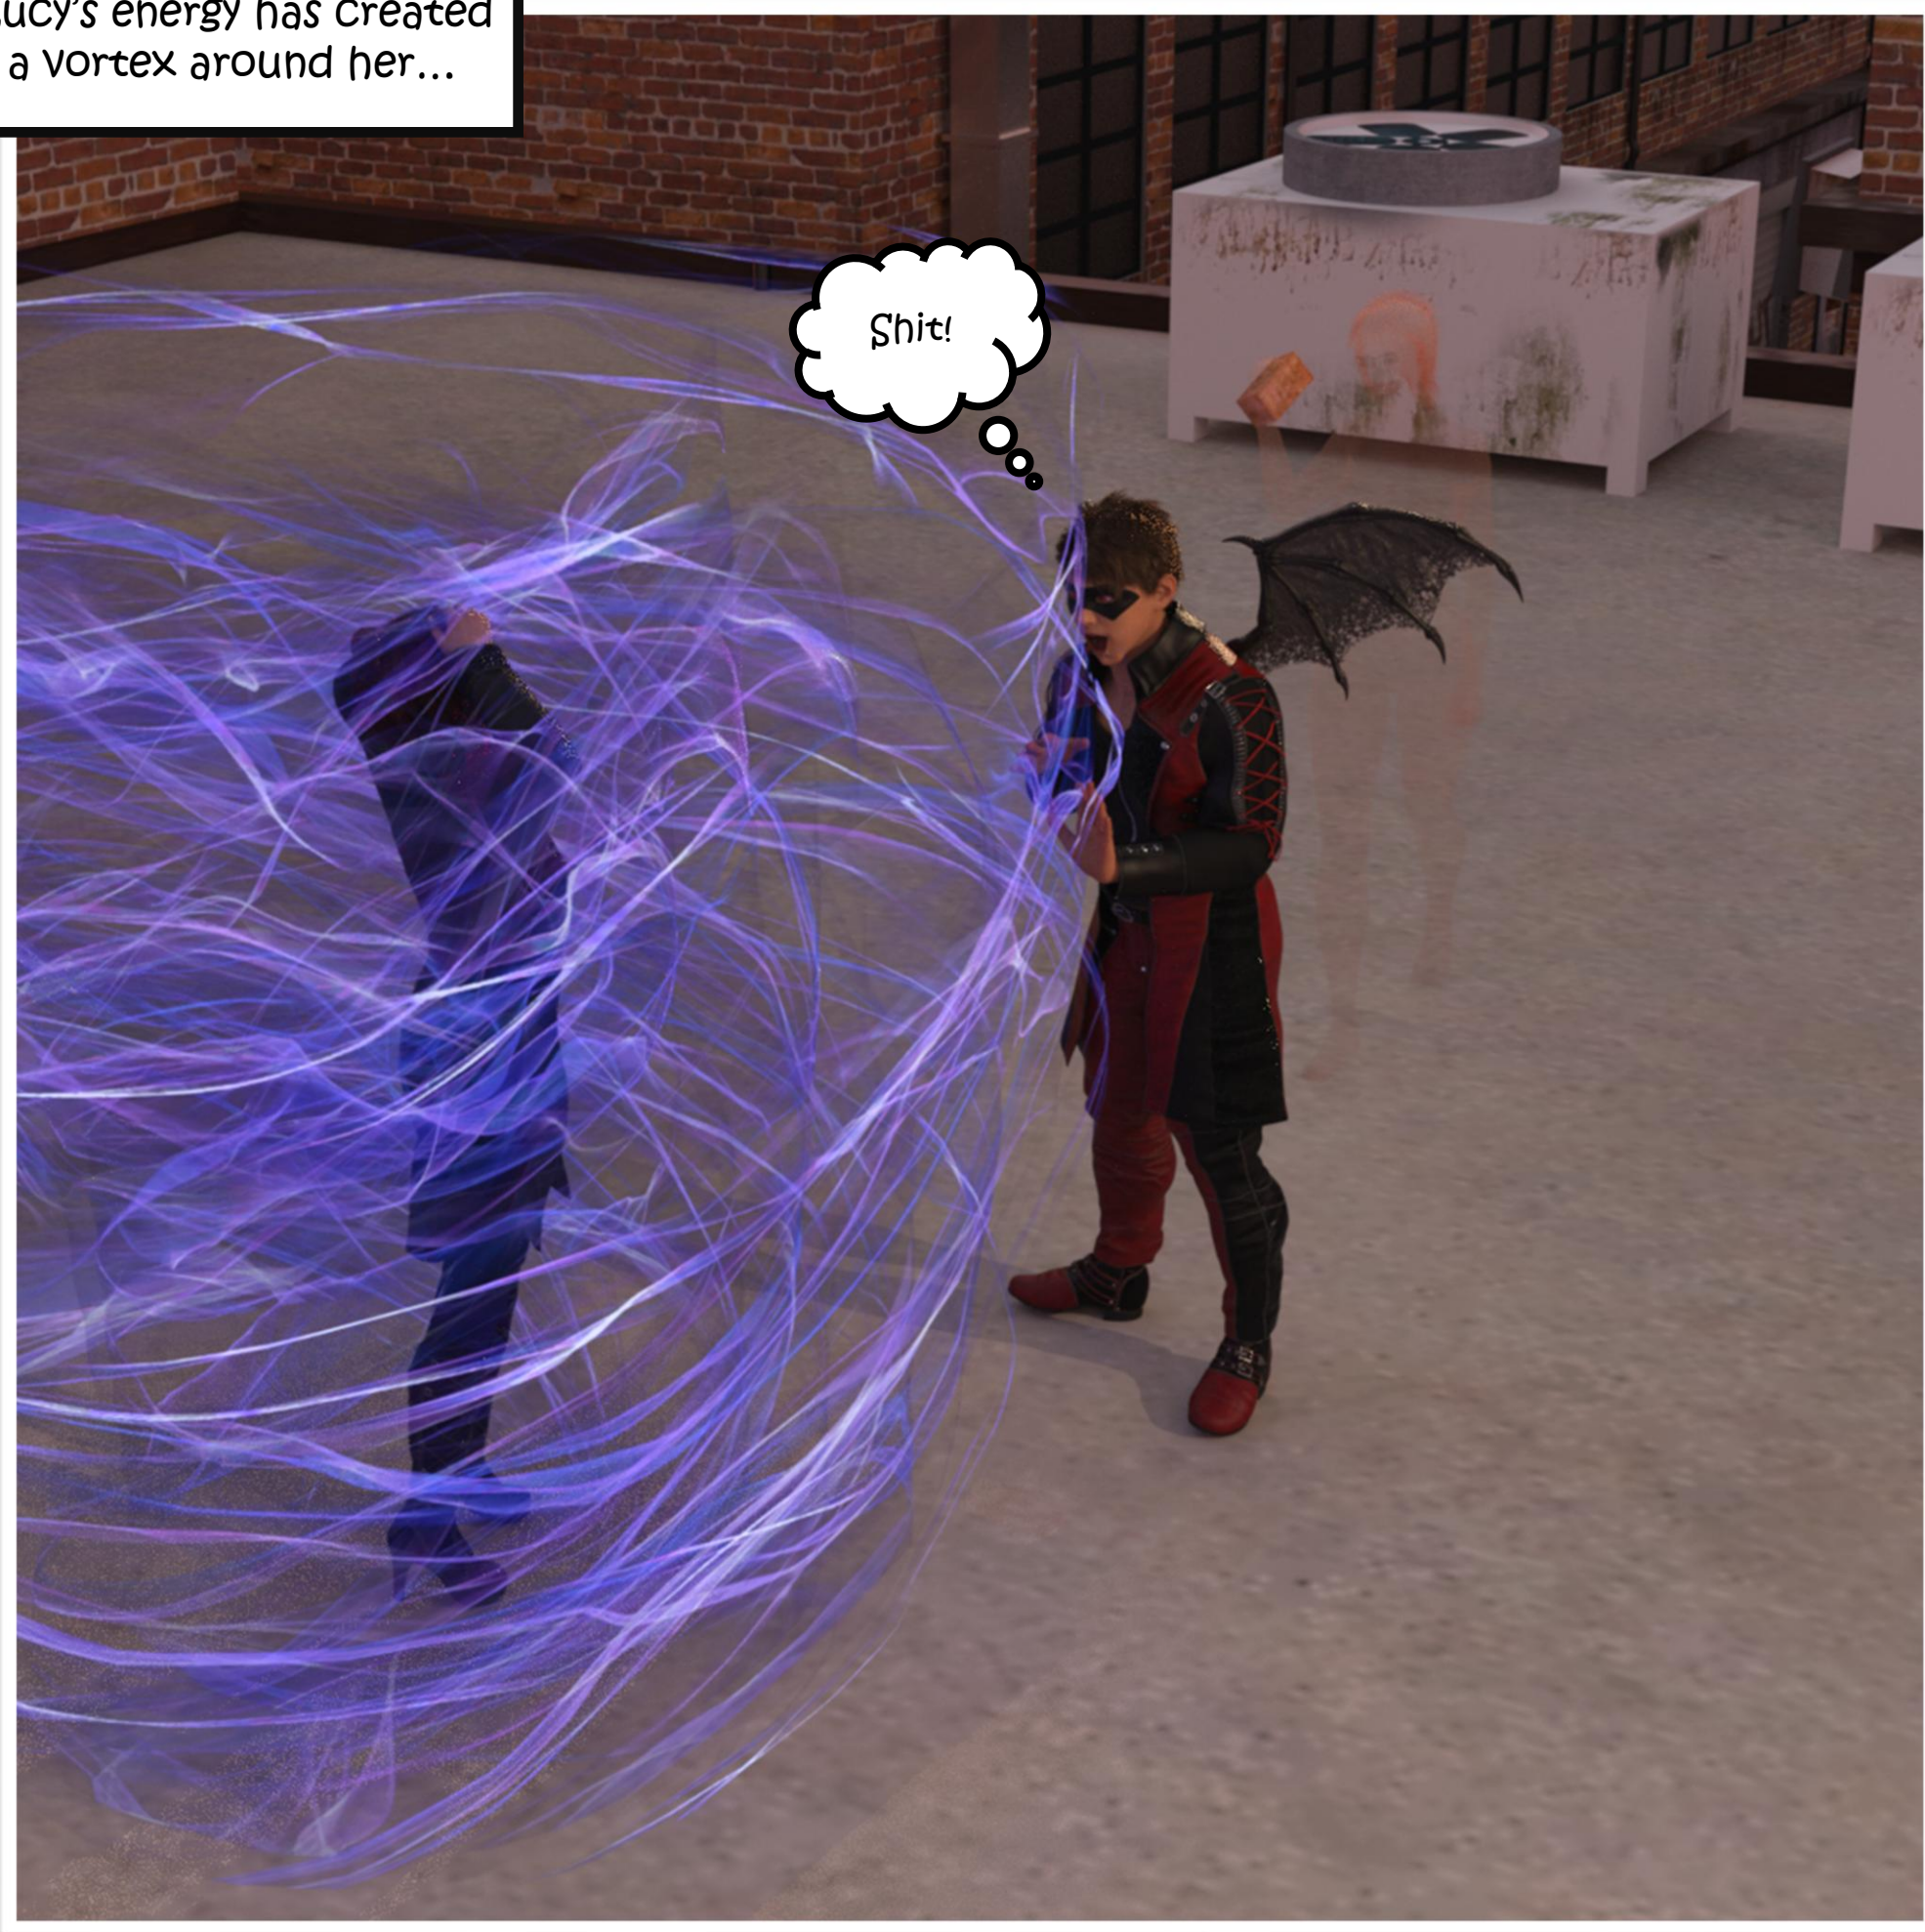

What's that
whirlwind?
And...is that a
floating brick?

Lucy's energy has created a vortex around her...

But before Harry can finish his train of thought...

THUMP

His thinking is hitting a brick wall...

Ahhhhh

Lucy!

Alice tries to help Lucy, but the whirling ether repels her hand.

Autsch!

swirl

Ahhhhh

zap

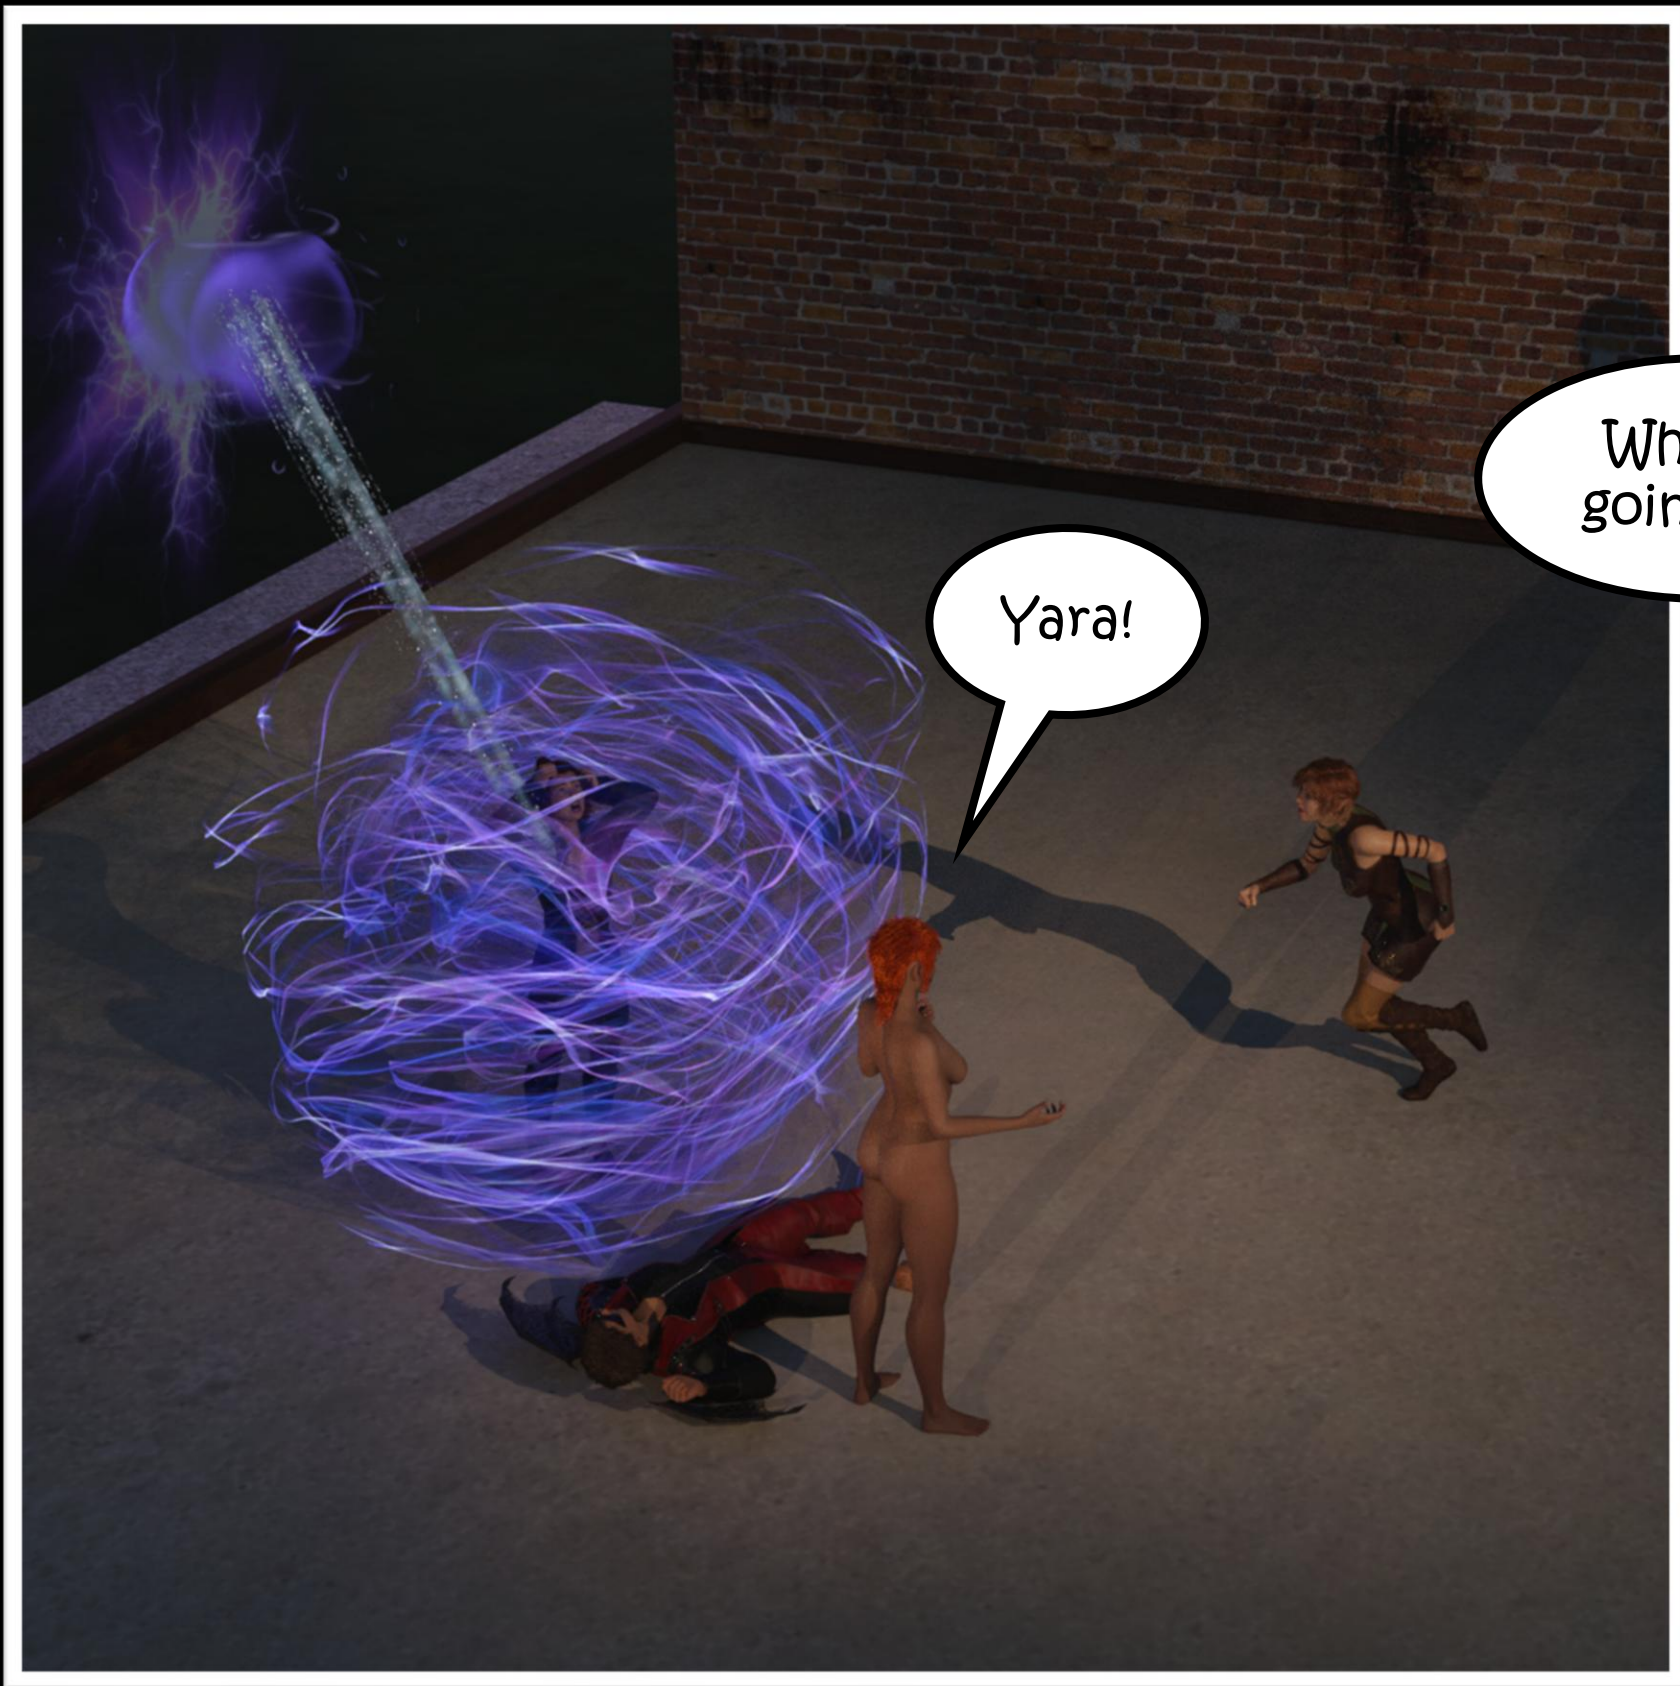

hop

A character with short reddish-brown hair, wearing a dark, tactical-looking outfit with multiple black armbands and gloves, is crouching on a grey rooftop. The character is looking towards the viewer with a determined expression. A long shadow is cast on the ground to the left. In the background, there is a brick wall and a concrete structure with a circular opening. A thought bubble is positioned above the character's head.

I'm not
too late!

Lucy, I'm here!

What is going on?

*Medeo
Mens!*

Ahhhhhhh

What's up with this insane ethereal energy?

Please Lucy! You can fight this!

Please,
return to us.

*Medeo
Mens!*

Slowly, the whirling ether around Lucy seems to dissipate.

And Lucy snaps back to reality...

I'm
sorry.

Before falling unconscious.

sigh

I've got you.

Yara!

I've got you, Lucy.

She just
needs some
rest.

She's
fine.

Okay...
That's great
and all!

But what
is that?

The magical vortex swirling around Lucy had subsided, but in the sky above, a menacing mass of pure energy now pulsed and writhed.

What is it?

Oh, no!

A glowing blue rift in a dark blue, cracked surface. The rift is a bright, circular opening with a complex, fractal-like pattern of cracks radiating from its center. The background is a dark blue, textured surface that looks like a cracked stone or metal. The rift itself is a bright, glowing blue color, with a central point of light that fades out towards the edges. The cracks are a lighter shade of blue, creating a web-like pattern around the rift. The overall scene is mysterious and otherworldly.

It's a rift!

But it's
small...

With some luck,
no one will notice
before it closes.

A hand is shown reaching out from a glowing, ethereal blue energy field that resembles a complex network of veins or a neural map. The background is dark, making the bright blue energy stand out. The hand is positioned in the center of the frame, with fingers slightly curled as if grasping or releasing something.

Iiiiiik!
Is that... a
hand?

Shit!

Something is
coming through!

Roar

FUCK!
That was one
tight hole!

The rift closes down...

The girl who came through remains...

And Mika only knows too well what those wings mean...

Found you!

Meanwhile, on that other rooftop...

Ha a a a

Roar

Vadim and Kassandra's fists Clash...

Time to go
home, princess.
chuckle

End of Chapter.
