

*It's not a big deal..*

*Not a big deal? Are you serious?*

*I'm out of options. I have to use my hypnotic powers on him  
let's hope this vessel can withstand the strain*

A 3D rendered character with short, dark hair and a black tank top stands in a destroyed building. The background shows a skeletal metal frame of a multi-story structure with many missing windows. A speech bubble is positioned above the character's head, containing the text "So, what are we going to do?".

So, what are we going to do?

*Brad, I need you to look me in the eyes*

Claire, what the heck are you doing? I'm being serious here

*Just do what I say*

Alright, I'm doing it.. What's next?

*You will forget what you see here and go back to sleep  
on the couch in the living room*
