

3 Hours later..

Phew.. finally..

Brad, you need to go get your stuff right now

Like, right now?

Yes, we're leaving now

Hey, what about Mary?
Didn't you say she's out of town?
Shouldn't we tell her we're leaving?

Oh, I forgot to tell you,
Mary said that once we're done, we can head out
Just leave her house key under the front doormat

Alright, I'm gonna go grab my stuff. See you outside, Claire

*Finally, it's time to leave this boring place
My new, exciting life is about to begin*
