

*What a cozy place to live..*

A woman with blonde hair tied up, wearing a blue short-sleeved crop top and dark blue jeans, stands in a modern kitchen at night. The kitchen features light-colored cabinetry, a wooden countertop, and a tiered fruit stand. A speech bubble is positioned to her right, containing the text: 

*This place is exactly as I remember it from her memories..*

*In Mary's body, I had to avoid the sun,  
but now my new, younger body doesn't need to*

A 3D rendered woman with long, wavy blonde hair styled in a bun. She is wearing a blue, short-sleeved, ribbed top. She has a slight smile and is waving her right hand. The background is a modern interior with a large, glowing circular light fixture on the left, a ceiling with recessed lights, and a fruit basket on a table in the distance.

*This is my life now, girl, and I certainly  
have no plans of giving this body back to you*
