when our vampire still inhabited
the youthful form of Mary*

What happened, Father Thompson?

Bad news, The Vampire has successfully escaped

A man in a green suit and top hat stands in a stone archway. He has a speech bubble next to him. The background shows a stone building with arches and a wooden barrel.

How can that be? I thought he'd been injured by the hunters

The only thing they discovered was his old body in the morgue nearby, and a poor Mr. Logan was the victim.

A man with a serious expression, wearing a dark brown top hat with a green band, a dark green scarf, and a dark green coat over a light-colored shirt. He is looking slightly to the left. The background is a blurred city street with a brick building and a sign that says "PURE".

*His old body? Does this mean..
he successfully transferred his essence to a new host?
Any witnesses?*

*Mr. Logan has an assistant named Mary
We're not sure if she was present at the time of his murder*

Are you asking me to go find her?
