THE BLACK TONGUE
- NEONIEZ -

For 5 years of researching..
I finally discovered the secret of immortality..

With the help of dark magic, this will make me immortal

For eternal life!

'Gulp'

I feel alive..

Let's find the first life force to consume..

'Hisss'

I can't wait for my first victim. It will definitely be fun!

Hi, Mr.Gilmore I'm here for the Rent?

You must be Laura, right?

That's right, it's me

Alright, follow me. The place is over there..

It's a really nice room

It is..

So, what is the special deal you've been talking about, Mr.Gilmore?
You told me you would give me a discount, right?

Oh, yes. I'll give you another option to pay for this place

What's is it?

With your soul..

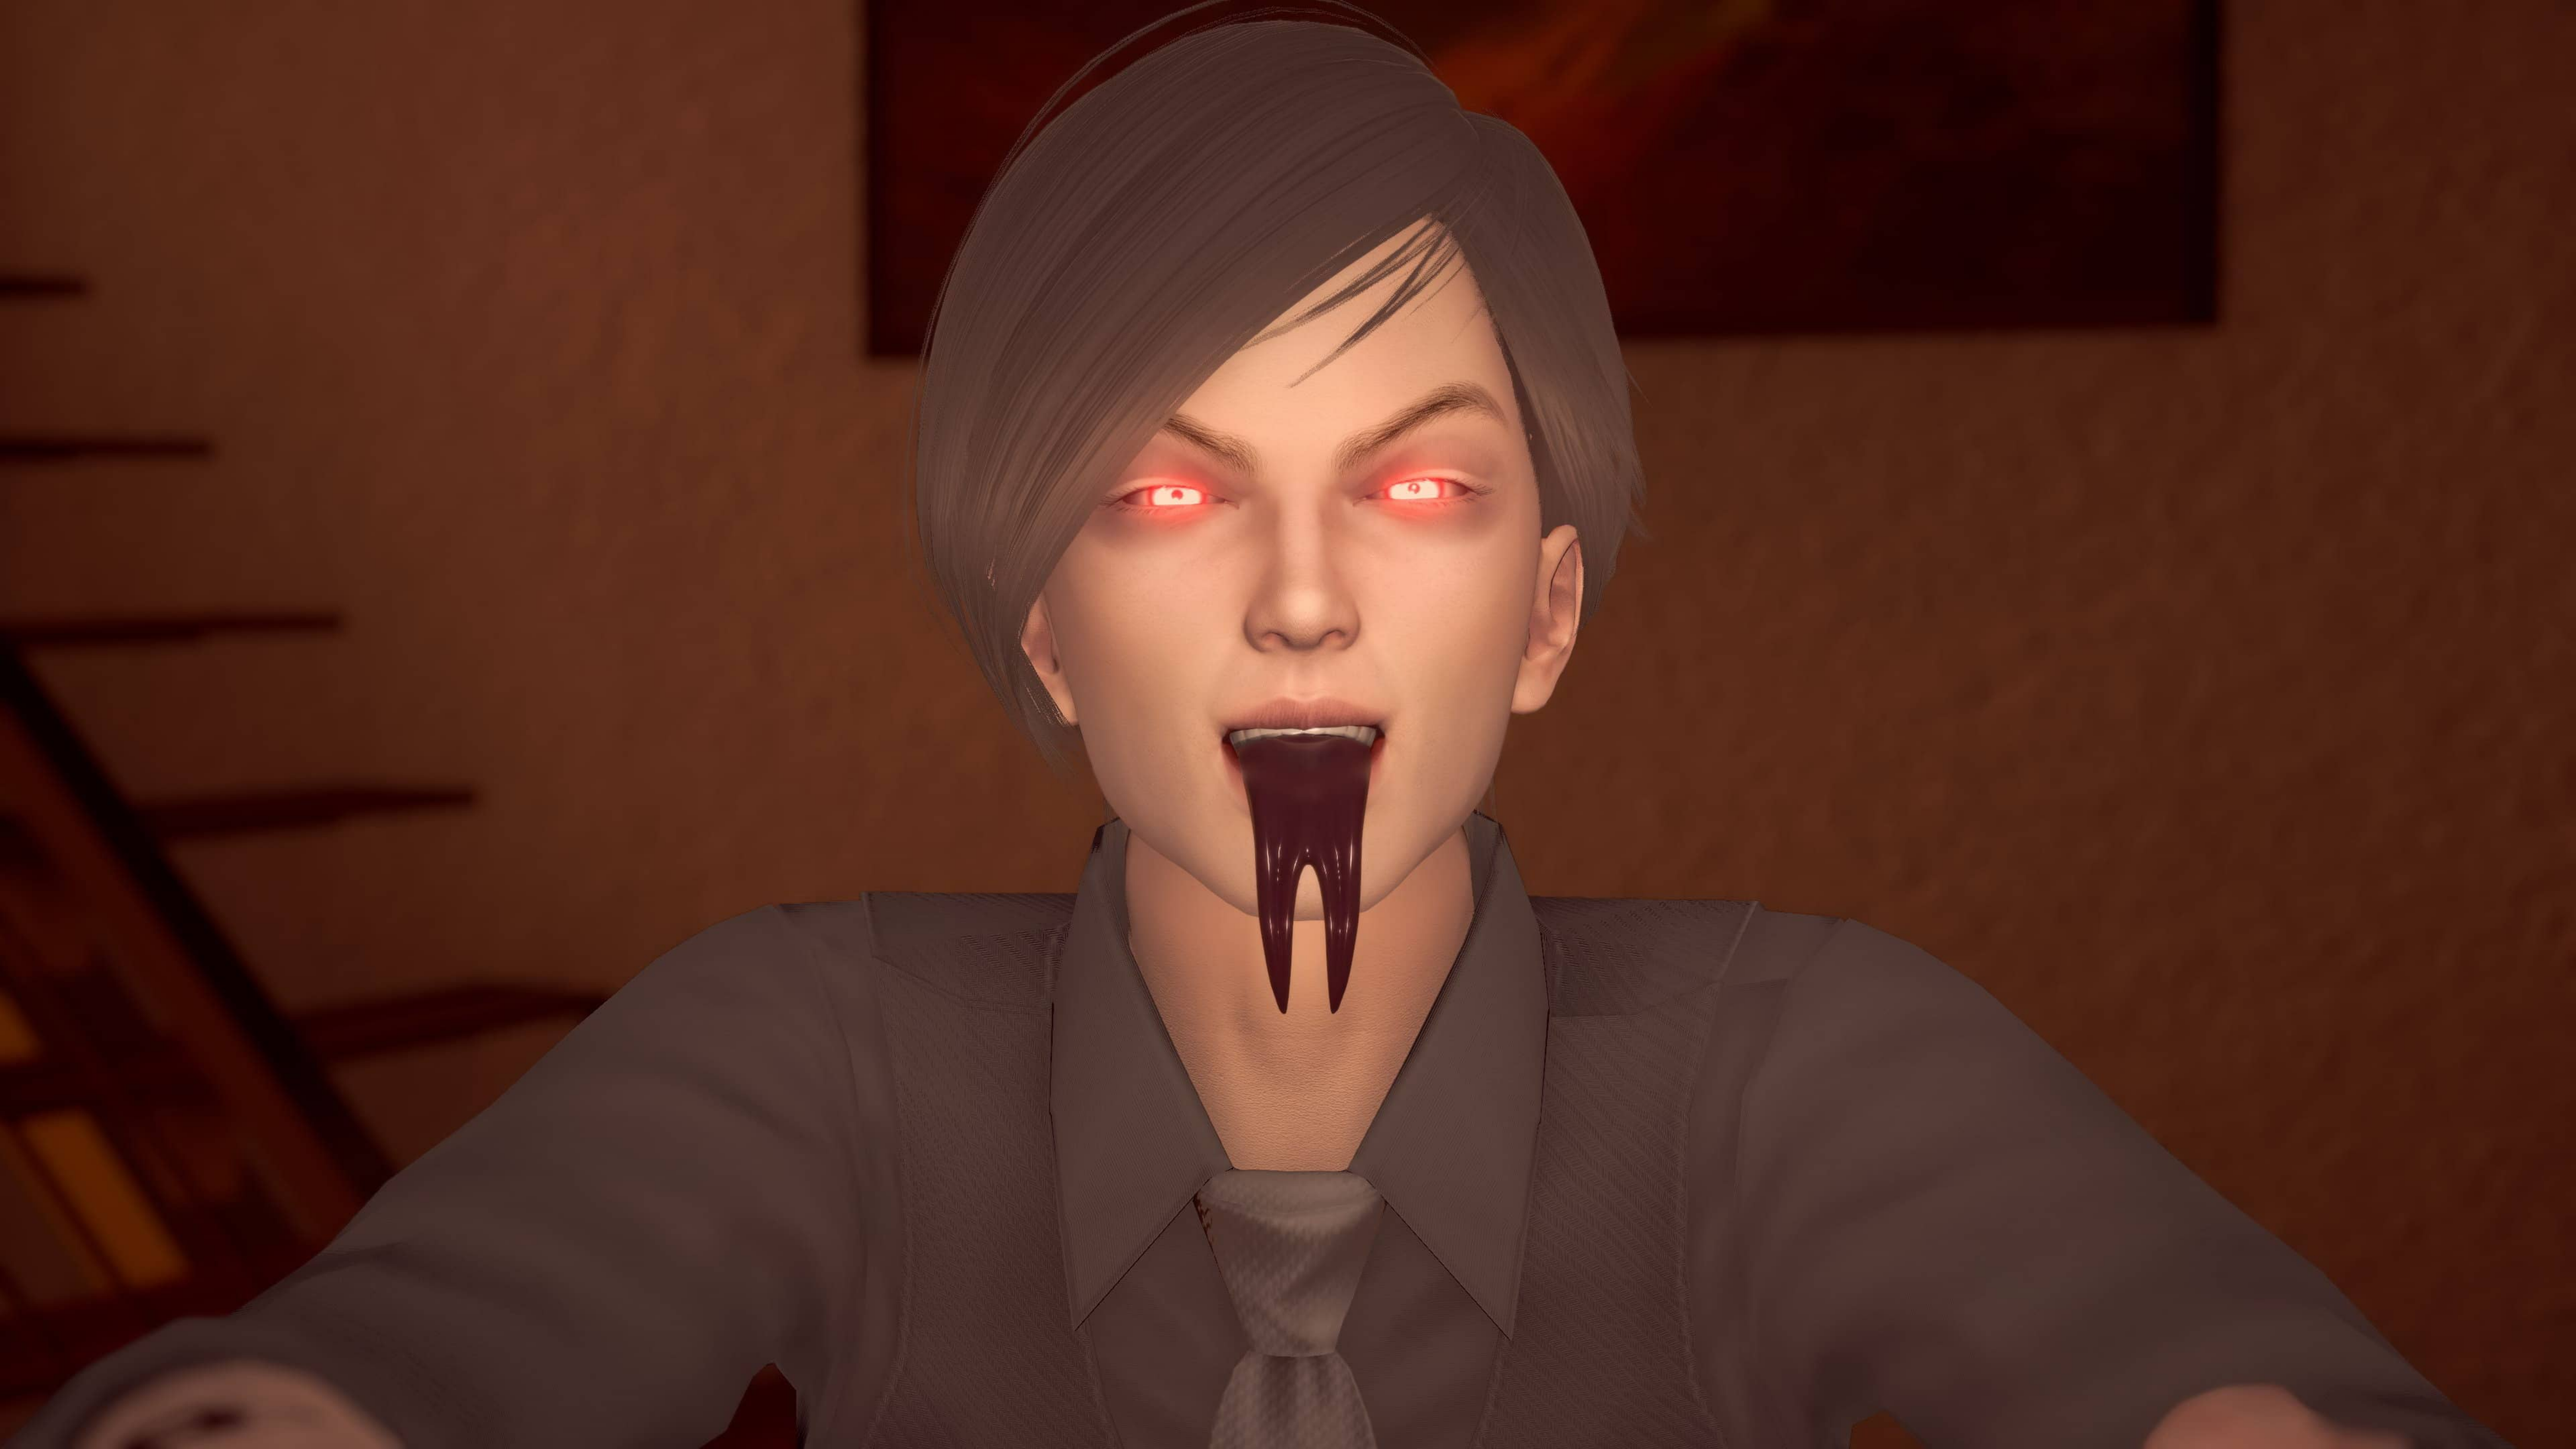
Mr.Gilmore.. you're scaring me..

You should be..

What are you doing?! Mr.Gilmore, Please let me go!

Surrender your soul to me, and your mind shall be free..

Somebody help!!

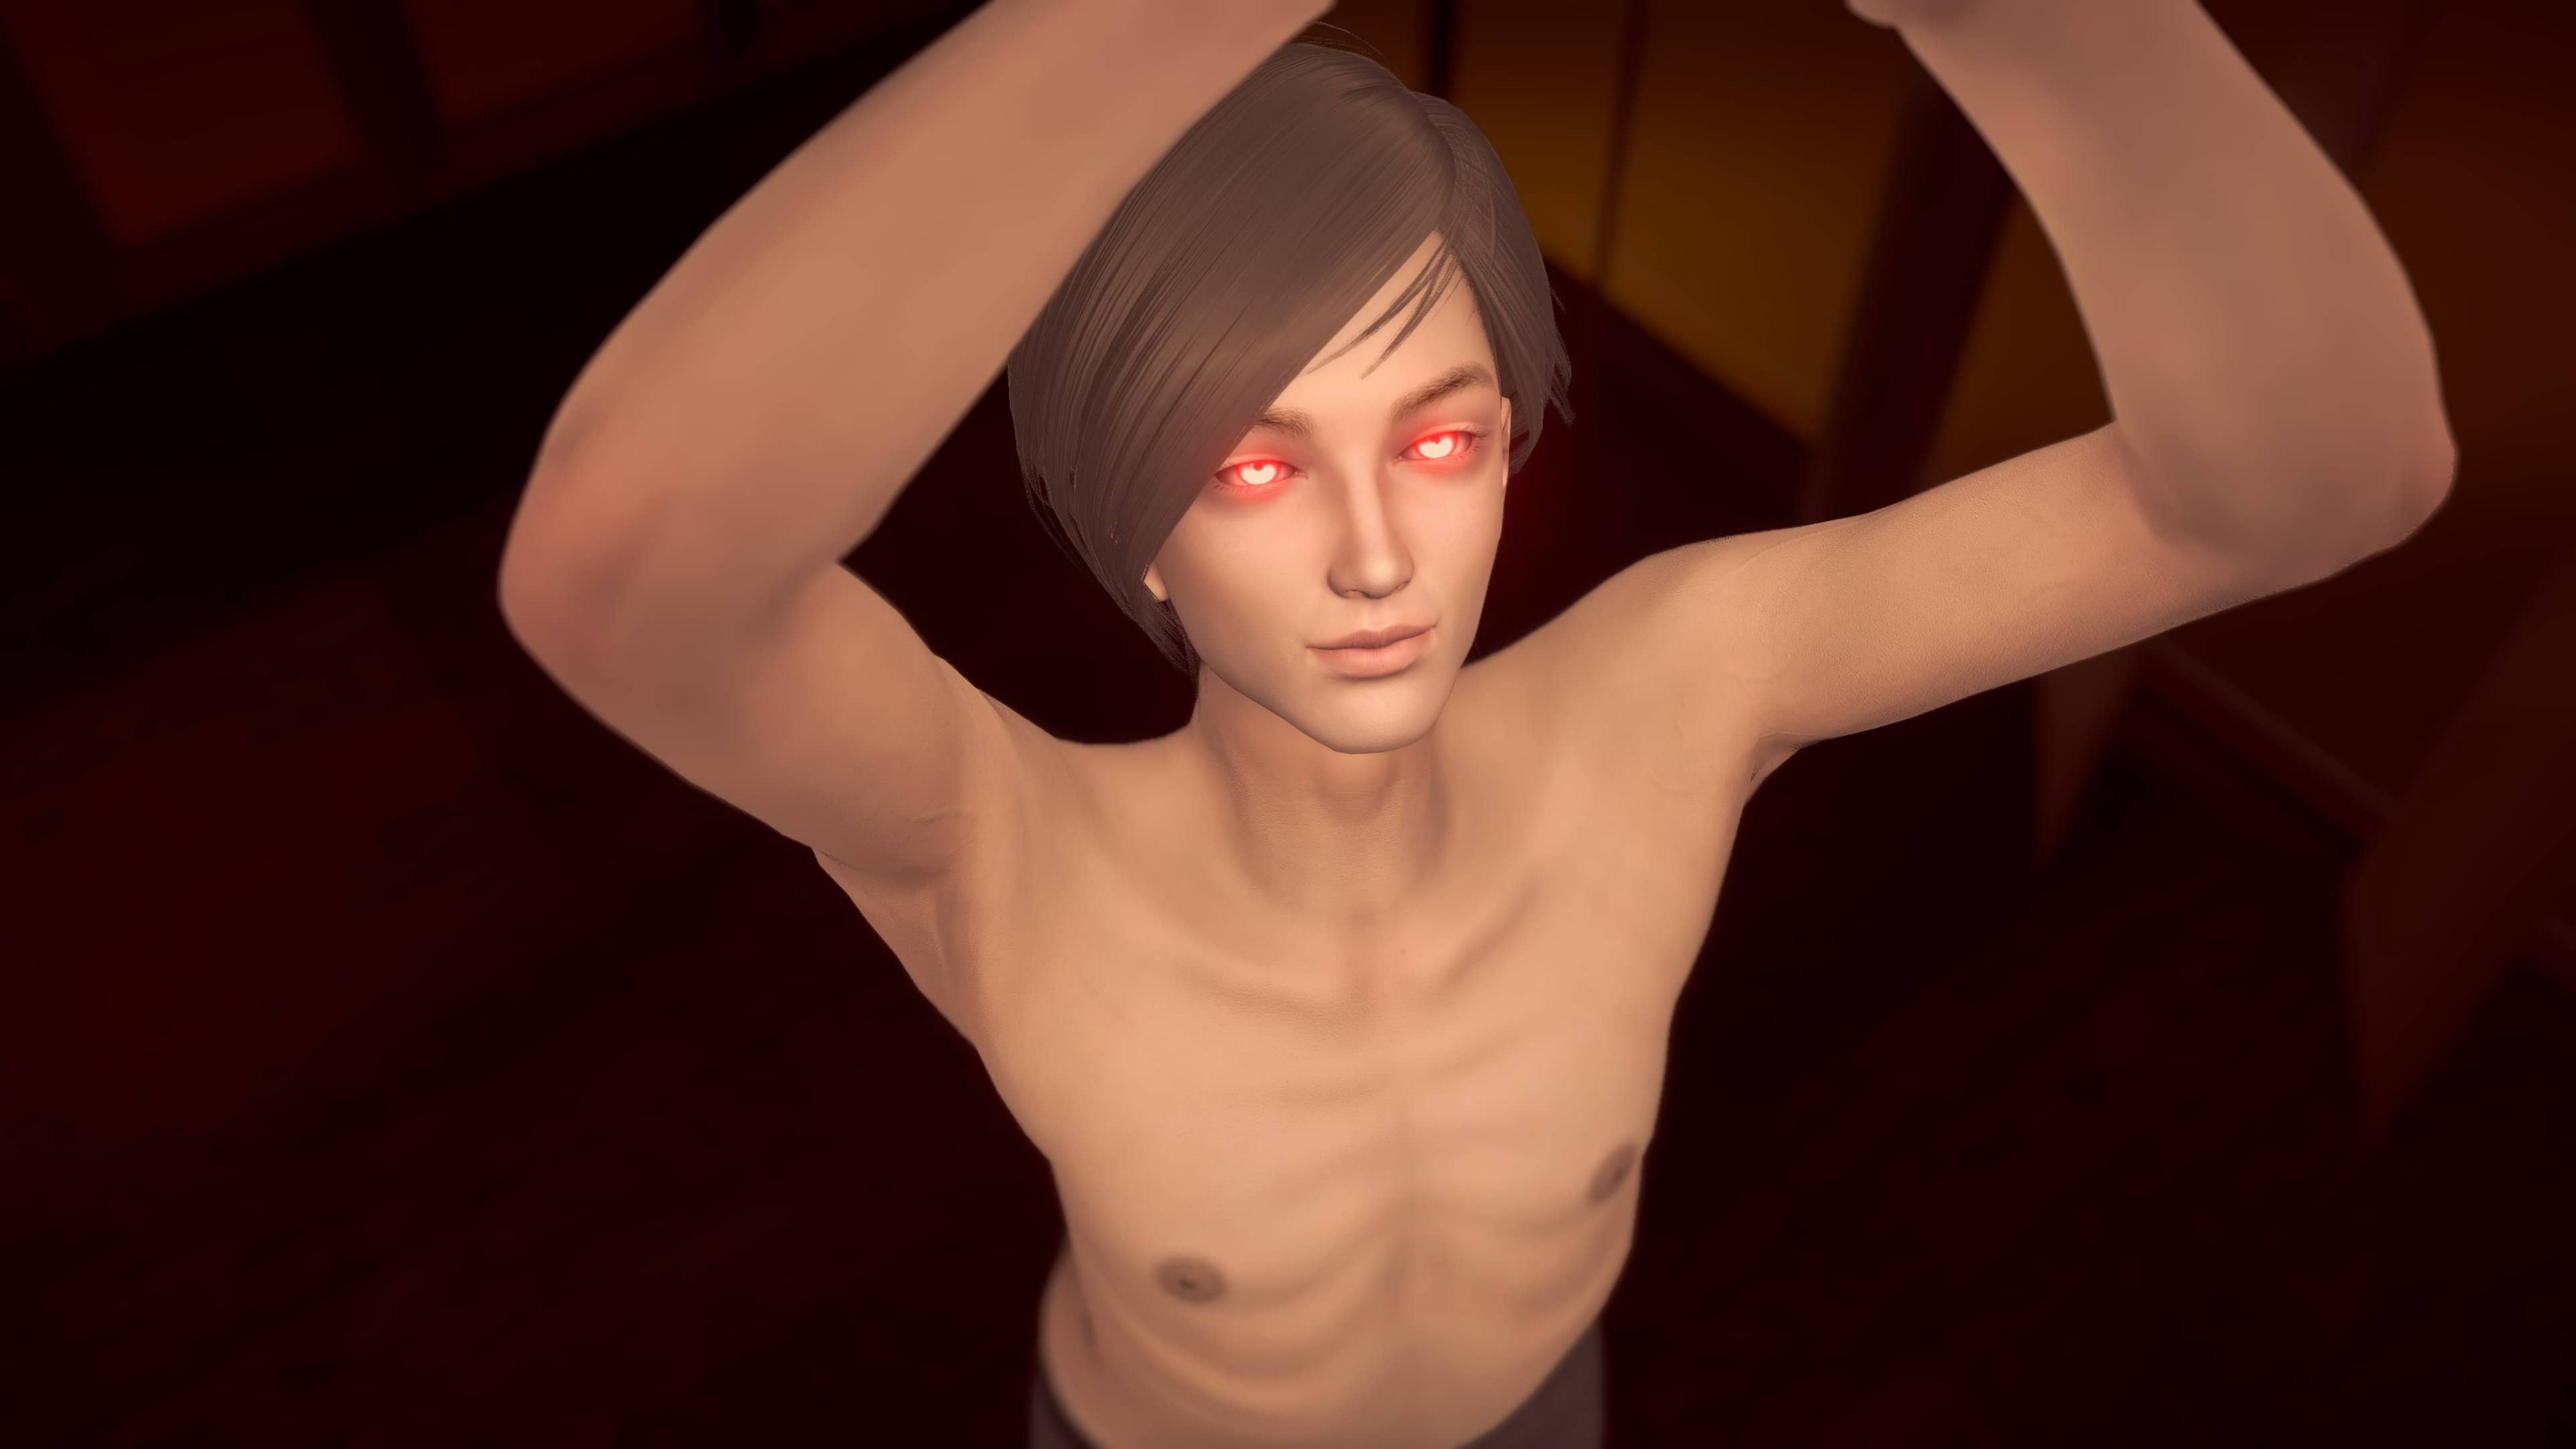


Delicious..

I'm feeling much more alive, all thanks to you!

Fascinating... It seemed as if after I devoured her soul,
she became a lifeless skin

Looks like I could just slip right into her skin..
Maybe I should try..



Let's see if it turns out the way I think

Alright, let's give it a go

I can't believe, I can fit in these..

Almost done..

Whoa!!

What is this?

It was surprising how well her skin fits me

I can feel the touch too.. It's like I feel my own skin..

And now these beauties are mine..

A woman's scent is the best!

Well..

It feels so damn good

Don't forget about this too..

Fuck! it's so sensitive..

Oh man..
We still have a lot of time
to explore this body

Oh yes!!

Oh my god, I really love this feeling..

Well.. I think I'll use this body to repay my friend
who helped me gain this knowledge

Also.. I want to know what it would feel like to have 'real' sex in a woman's body..

Hi, Mark. it's me.. Tim

Wow, You look... incredible. You have really turned into a woman!

Thanks to that dark magic, that turned this poor soul to a lifeless skin
but I couldn't have done this without your help

No problem, my friend.. so, what's your plans for tonight?

Let's just say..

I want to repay you in a way that we can have fun together
Shall we go somewhere more private?

Yes, sounds good!

Are you ready for this?

Yes, my friend!

Wow.. I'm surprised you didn't hesitate to kiss me..

Now I am a woman.. I just want to try something new
Now lie down, We'll start with a blowjob

You will love this my friend

Holy shit..

Oh.. Wow!

God.. I am so impressed by your tongue

Oh god.. you're amazing

You like that, huh?

Well.. this is the best blowjob I've had in a while...

I'm gonna suck your cock faster
Let's see if I can make you cum
with this mouth

Yes! I'm gonna cum!!

Oh fuck... that was intense..

Seeing my cum dripping from your tongue is pretty hot..

You've proven that you really like this

Man.. How can you be this good?

I don't know..
maybe it's because I'm wearing her skin..
it feels natural to me to do it

Can I have sex with you?

Sure, I was just about to ask you to fuck this pussy

Shall we begin?

Yes, and don't you hold back okay? I wanna feel everything

Don't worry, I will give you that!

You ready? I'm going in

Yes, give me that cock!

Oh yes..

Fuck.. you're so tight

Not bad.. I'm impressed..

Thanks my friend. I really like it when people compliment me

Now, Fuck me harder! make me cum!

Sure, buddy. I'll fuck you harder!

I'm about to cum!

Do it! Cum inside me!

Oh yes, Fuckkk!

Wow.. you came a lot!

So.. How do you plan to use your new body?

I will use this new body to get my revenge!

Revenge? I'm surprised you have enemies

I wouldn't consider them enemies, but they have wronged me,
and they will need to face the consequences of their actions

I see. Good luck with your revenge, buddy

A week later..

God.. this is so addictive..

Now let's put on a show!

The moment of truth has arrived
Let the revenge begin with the first victim

LIFE
GUARD
ON DUTY

I'm here because my first target has a habit of coming to this peaceful beach every Friday

There he is.. Leo, that's his name,
used to torment me mercilessly during my childhood
He once pulled down my pants to humiliate me,
I will never forget that day

Is this your first time here?
I've been coming here a lot,
but I've never seen you before

Yes, this is my first time being here

What do you think of this place?

I appreciate the peace and quiet here.
It's a stark contrast to other,
more bustling beaches

What kind of spot are you looking for?
I can show you around if you'd like

I need a spot that is quieter and more private

Want something more private? Sure, I know just the place

Awesome, I'll be right behind you

So.. May I know your name?

I'm Laura

Nice to meet you, Laura! I'm Leo!

Okay, Leo.. here's the thing..
I want you to take off your clothes
right now..

Oh wow.. I like how straightforward you are..
I've never met any woman like this before..

Too bad, idoit. I'm not a "Real" woman

What do you want me to do?

Lay down and blindfold yourself with this

Oooh.. kinky.. I like that!

Done! what's next?

If I tell you to start talking,
say that you're a bad dog
who deserves to be punished.

What?

If you want me to jerk you off,
then say it and bark like a dog three times!

Okay.. Got it!

Say it now!

I'm a bad dog who deserves to be punished. Woof! Woof! Woof!

Ha ha ha! look how stupid he is..

Is that what you want?

Oh yes.. that's what I wanna hear

So.. What about my reward?

No need to rush..

Now say it again

I'm a bad dog who deserves to be punished. Woof! Woof! Woof!

Good boy..

Your hands have a very soothing touch..

You are really enjoying it, aren't you?

Oh yes, I am..

Just like I thought. This idiot is so easy to fool with

Why did you stop?

Don't worry, we're not done yet..
I just wanna see how well you handle my feet

Oh.. Alright! bring it on girl!

Oh, this is giving me goosebumps

Oh god I'm about to cum!

Yes, shoot your filthy cum out!

Ha ha.. he came all over himself

Can I remove the blindfold now?

Not yet. Wait until I tell you to do it

Alright..

Got him!

So.. What's next?

Stay right there, There's a surprise waiting for you

A surprise?! I can't wait to find out what it is!

Good luck, idiot...

Are you ready to tell me what the surprise is?
This girl is really something else. She's so sexy and unpredictable
I can't wait to see what she has in store for me

I need backup at sector C
We have a situation here

Hello? Laura? Is this part of the surprise?

This isn't Laura!
And you're not getting a surprise,
you're getting a fine!

W-what? Who is this? Where is Laura?!

This is the beach security!
And you're lying here naked,
covered in... what looks like...

This is a public beach,
not a nudist beach! We've had a lot of complaints lately,
but this is a new low

I need the patrol car to come here immediately
We have a public indecency case

Wait, no! You have it all wrong!
A woman brought me here
and told me to do this!

A woman? A "woman" made you come here,
strip down, blindfold yourself,
and cover yourself in... that?

Yes! She told me it was a surprise!
She said her name was Laura!

There's no Laura here. Just a man who needs to be banned from this beach
You're gonna pay a hefty fine for this. Get up and get dressed!

No, please! I can explain! She's out there somewhere, I swear!

The only thing you're explaining is this to the police. Now get up!

This is just the beginning, Leo
You deserve this, and so much more
You and your friends made my life a living hell
Now, it's my turn to return the favor

Now, who's next on my list?

Excuse me, is this seat taken?

No, it's all yours. I'm sorry, do I know you? You look familiar

I don't think so
I just moved here and I'm looking for a quiet place
to get some work done

Well, welcome to the city. I'm John, by the way

It's nice to meet you, John. I'm Laura

Laura... she has a really nice... vibe. Maybe I can make a move

You seem really busy. What do you do?

I'm a financial consultant
Business has been a little slow lately,
but I'm trying to get things back on track

I see. Well, maybe I can help

You can? What do you mean?

Let's just say... I have a proposition for you
A deal that could turn your life around

I'm listening

But first... you need to trust me completely

I don't know why, but I feel like I can trust her
She's so confident and... beautiful

Are you interested?

FUGAZTEA
Yes. Let's talk somewhere more private

I know just the place

Lead the way then!

Alright, John..
It's time for you to pay for what you did to me
All that money you scammed from me during college
I'm going to get it back, and so much more

Wow, this place is amazing, Laura
Are you sure you can afford all this?

Don't you worry about that
Now, let's get down to business
I want you to strip down for me

W-what? Laura... is this really a part of our business deal?

Of course it is. This is a very special kind of business
The kind that will make you forget about all your financial troubles

Oh my god,
she's even sexier than I thought she'd be
This is a dream come true!

Come on, John. Don't be shy

So, what do you want me to do?

I want you to take off all your clothes,
lay down on the bed, and pretend-
you're a beggar who is begging for food

A beggar? Why?

Let's just say... I find it arousing when a man with an ego like yours is humbled. So do it, or the deal is off

I can't believe I'm doing this...
but if it means getting my life back on track,
I'll do anything

Good boy. Now say it. Beg for your food

P-please, ma'am... I'm starving. Please give me something to eat

Beg for it louder, John. Make me believe it

Please, ma'am! I haven't eaten in days!
Please have mercy on this poor beggar!

This is going to be a priceless memory

Don't you worry, John. I have something special for you
And it's going to be so much more delicious than you think

This will be a perfect memento of our little reunion

So, you're a poor, hungry beggar, are you?

Yes, ma'am... I am. I'll do anything for a meal

He has no idea what's coming

Oh... my God... Laura... your hands are so soft...

Do you like that, beggar boy?

Yes! Please, give me more!

Ohh... fuck... that feels good...

You're enjoying this, aren't you?
After all the shit you pulled with me in college,
I wonder if you'll ever forget this feeling

What are you talking about?
I don't know why she said that, but whatever. This feels so good

Does this feel like a good repayment for all the money you took from me?

Laura... I don't know what are you talking about... but please don't stop!

I'm not going to stop, John. I want to see you squirm

Oh... fuck... I'm so close... I'm going to cum!

Not yet! Beg for it, you pathetic beggar!

P-please, Laura! I-I'll do anything!

Tell me you're a bad, dirty boy who deserves to be punished!

I'm a bad, dirty boy! I deserve to be punished! Please... let me cum!

Aaaahhh! What are you doing?!

Now... you can cum!

Oh, fuckkkkk! Yes!

This is disgusting

Oh my God, Laura... that was incredible... I-I'm so sorry... did I get it on you?

Don't you worry about that
Now, get up and take a shower
I want to have a little chat with you

This is just the beginning, John.
I hope you enjoy your time here
because your life is about to get a lot more interesting.
And I'll make sure of it

Alright, I hope you're not pulling my leg about this offer

Don't worry. You're going to be thrilled with what I'm giving you

Okay, so what are you giving me?

First things first, I need your email address
I'll contact you with all the details about what you're getting

Do you need me to do anything else?

Nope, nothing at all! Just wait for the email
I guarantee you, your life is about to change forever

Fine. I really hope you're not messing with me

I'm not. Now, give me your email!

All set, my friend

Perfect. I knew I could trust you

My pleasure,
especially when you look that stunning
It makes me eager to help

Smooth talker, aren't you?

Maybe a little. But you were brilliant!
That fool obeyed your every command

That's the power of the female form—it's a useful distraction

It certainly does... That body,
the charm is simply irresistible

I believe you. You can't take your eyes off me

Can't help it
I still think about the first day you used that body
and had so much fun with me

I know what you're thinking, but how about this
I'll make it worth your while, my dear friend

Oh yeah, that's what I'm talking about, buddy!

You know, this body suits you perfectly

I play a woman well, don't I?

Not just well. It's perfect!

Oh, fuck, I need to blow my load all over those pretty tits!

Gotta run! Time to send that jerk an email

Go for it, pal! But are we gonna have fun like this again?

Definitely! I'm hooked on this body!
I'm not going back to being a guy!

Awesome! See ya around, friend!
