

Hey, what are you doing?!

I'm going to prove that I'm better than the old Yurika!

A woman with dark hair in a ponytail and bangs, wearing a white collared shirt, is looking towards a hand. The hand is wearing a white bandage on the index finger. The background is a dimly lit room with a lattice window.

Oh son, how are you going to explain this to me?

Stop it, Grandpa. What if someone sees us?

*Have you forgotten
that no one can enter here
without a permission?*

This is so embarrassing..

Yesterday I tried sucking on a dildo
now I want to do it with a real thing
and you'll let me try it with you..

But..

Shut up..

Feels good right?

A close-up shot of a woman with dark hair and bangs, wearing a light grey button-down shirt. She has a tear on her cheek and is looking slightly to the right. She is holding a brown vibrator in her hands. A speech bubble is overlaid on the image, containing the text: "See? It's not that bad.. We can just enjoying it together".

See? It's not that bad.. We can just enjoying it together

Impressive!

Alright.. stop thinking about
your grandfather stealing your crush's body..
You have to accept that.. I'm her now

This is so wrong..

*But you came so hard.. Come on son,
I'll let you fuck her next time!
we're gonna have so much fun together*

Damn it.. He used her sexy voice..

See you around, Son!

A young man with dark hair and a black shirt is shown from the chest up. He has a serious, questioning expression. A white speech bubble is positioned in front of his chest, containing the text "So.. I just have to accept this?". The background is a simple, light-colored wall with horizontal lines, possibly from a window blind or a wall panel.

So.. I just have to accept this?

*I'll find the way to save her!
But I need to play along with him for now
until I find the solution*

A young man with dark hair, wearing a black button-down shirt, is shown in profile, looking out a window. The room has a patterned rug and a potted plant. A speech bubble is overlaid on the scene.

I need to talk with that crazy Scientist!

Thanks to Doc's new serum..
Now you guys can live inside her
much longer than before..

Yes, Boss.. We really love this body and we love being her

It's time to..

What happened?! The serum shouldn't wear off that fast!

Are you still there?
