

I'm fine, Boss..

I'll get the serum!

Come bro, I'll give you an injection

Stay still okay?

Got him..

A 3D rendered female character with short, light brown hair and blue eyes. She is unclothed, with large, prominent breasts. She has a slightly open mouth and a questioning expression. A white speech bubble is positioned above her head, containing the text "Are you sure about this?". The background is a dimly lit room with wood-paneled walls and a dark red sofa in the foreground.

Are you sure about this?

Why do we serve him when we could be him?

Imagine having his wealth..
We could have anything we ever wanted
not just let him fuck us!

Well.. you were right about that!

Oh man.. I miss having a dick..

This is truly an upgrade from my original body

Hey, Would you mind help me test drive this new body?

Sure!

Here bro, She's all yours!

Ohh yesss..

Oh man,
I can feel the strength of this body..
It's good to be young again!

But I think the feeling of a woman's body
during sex is much better..

Let me try something..

Wow! His body is very strong!

I'm cumming!!
