A 3D rendered female character with large, prominent breasts and a speech bubble. The character has dark hair with bangs and is looking upwards with a slightly open mouth. The scene is set in a brightly lit, tiled environment, possibly a poolside or a stage. The lighting is bright, creating strong highlights and shadows on the character's skin and the surrounding environment. The speech bubble is white with a black outline and contains the text "I said.. fill her up!".

I said.. fill her up!

Ahhh!

Yesssssss!!

Oh god.. I came inside her..

Well done, my boy.. I gotta make sure you don't become the last of our line..

...

*We'll raise our children together,
and I'll make sure my grandchildren
are as brilliant as you*

*We're doing this against her will..
How can I explain this to her once I've successfully helped her?*

Alright, you can go and relax now, My boy
It's a day off tomorrow, so I hope you're pleased
with how things turned out today
