Dad? What are you guys doing here?

And how did I even end up in this place?

You damn fool, son! You were temporarily hijacked!

Hijacked?

Dr. Faheem, go sort this out. I'll send some backup

No, Dad. They betrayed me. I'm gonna be the one to deal with this myself

Fine, then you're taking Dr. Faheem with you, at least I'm not letting you mess up again, you hear me, son?

That works for me

You just have to trick him into injecting the serum that'll flush him out of the host body
Then I'll handle his parasitic form myself*

Come on, I'll inject you with the serum

Aren't you getting one?

I already took it when I went to see the Doc

Oh, okay then. I'm ready

All done

Why... do I feel kinda weird?

What's wrong?

I don't know... it's just...
