STORY BY ANONYMOUS

*So I changed the numbers of Ben's project
and the board didn't approve his idea. I got the job*

That's awful Rick. You cheated. Poor Ben

In the business world, we can use all our guns, babe. I needed that job and I want the money

Can you give me some money please... I'm so hungry. Any help will do

A woman with short, wavy brown hair and light-colored eyes is shown from the chest up, looking back over her right shoulder. She is wearing a black, long-sleeved, off-the-shoulder top. A white speech bubble with a black outline points to her mouth. The background is a dark, outdoor setting at night, featuring a chain-link fence in the foreground and a building with lit windows in the background. The lighting is dim, with some light coming from the windows and a street lamp.

Wait for a sec, I'll give you some

Don't give this beggar anything. He's just a vagabond!

A 3D rendered character with short black hair and a goatee, wearing a black patterned tank top, standing at night. A speech bubble points to the character's mouth.

Go harass someone else, you bastard!

What the hell are you doing Rick?!

Come on Sarah, let's go!

I'm so sorry..

This woman doesn't deserve to be with this guy. What a horrible man. He deserves to be punished

I have one more soul for you, Lord Ghulu. This man is all yours

20 minutes later...

Babe, you are really hot today, you know?

Not now, Rick. I'm not in the mood

I work hard to make money and that's how I got paid. I can't believe it

Forget him!

A woman with short, wavy brown hair is shown from the waist up, wearing a red lace bikini. She is looking towards the camera with a slight smile. The background features a large window with a decorative frame and a chandelier hanging from the ceiling. The lighting is soft and warm.

I wasn't in the mood because
I wasn't ready for you, my love.
I wanted to surprise you

Damn Sarah... you're so sexy!

I'm gonna come! I wanna cum in your mouth!

Amazing, it feels like my soul left my body

Funny, because that's exactly what's going to happen!

What?! What's going on? Sarah...

The world will be better without you.. Rick
