
Hey boy, is it ok that me and my muscles play a little bit with you? I have a soft spot for tiny little boys, and these big babies can always use more exercise...
Ehm, I ah... I mean, wow...
Boy meets girl in a spa..

What do you say, little one? Care for some fun?
Well eh, actually I gotta go...

Hmm, maybe you gotta, but you're not gonna... See, there's my girlfriend... I think she wants to play too...
Ughhhhh, you're ch-choking m-me...

Oh yeah, you bet I wanna play with this little worm! Let's see what he's got!

Hmm, nothing much, down here. I think he's pretty useless in this department. Better get him on the bed and make him work his tongue...

All right, let's throw him on there...

What do you think of the two of us on top of you, little man? Think you can handle us?

Aargh, let me go! You crazy bitches!

Oh my god, you two are fucking freaks! Let me out! I call the cops! You have no right to do this to me, you crazy bitches!

I get more excited by you than by this boring little guy, love... I feel like choking him with my foot...

Hold on honey, why don't you see what he can do with his mouth before you finish him?

Aaaaaargh

This is not a bad feeling actuallyl. I'll give him to you now... Keep flexing for me baby! Your biceps are so fucking HOT!

let me oooouuuut!

Your biceps are just as incredible dear!

I know, that's why I love looking in my mirror every morning and night!

I love you babe. I'm glad no guy can ever come between us....
Just under us, at most, hah!

the end...
