Previously on „The lost Temple“:

*Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic, but Mika realises she is very dangerous.*

*Last time we saw the camp squad return after a complete defeat by demon general Lies, a new succubi-like girl who entered the human dimension through a rift Lucy opened when her powers ran rampant. Now, as they lick their wounds, Lies does whatever she pleases in town... What can they do?*

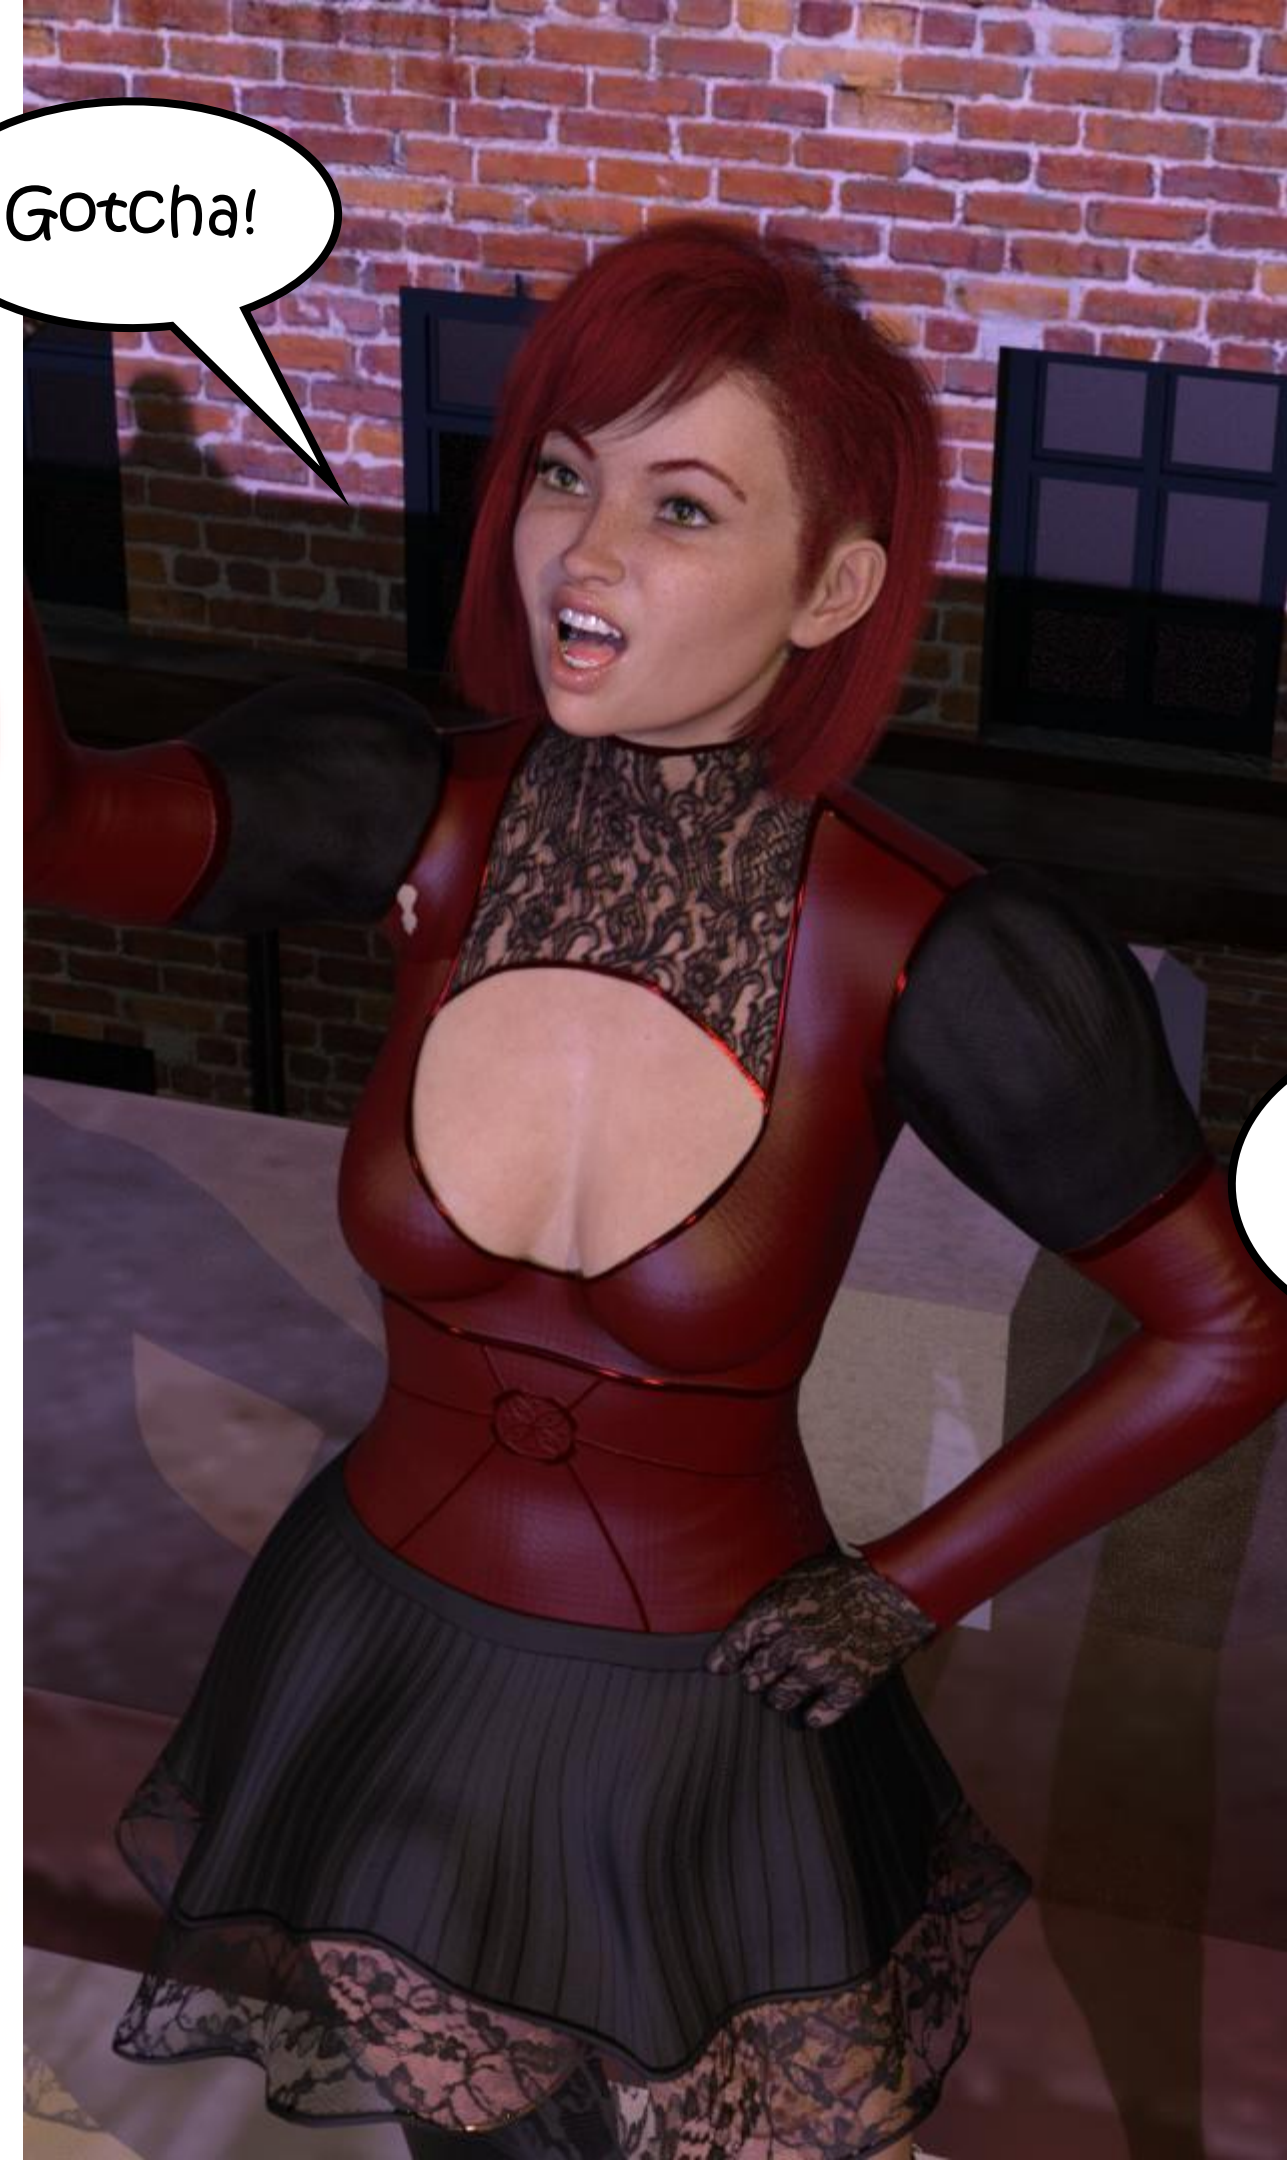

Previously, on the lost temple, we fought demon general Lies...

Gotcha!

*Ignis  
Fatus!*

What the?!

Sorry girl, you missed.

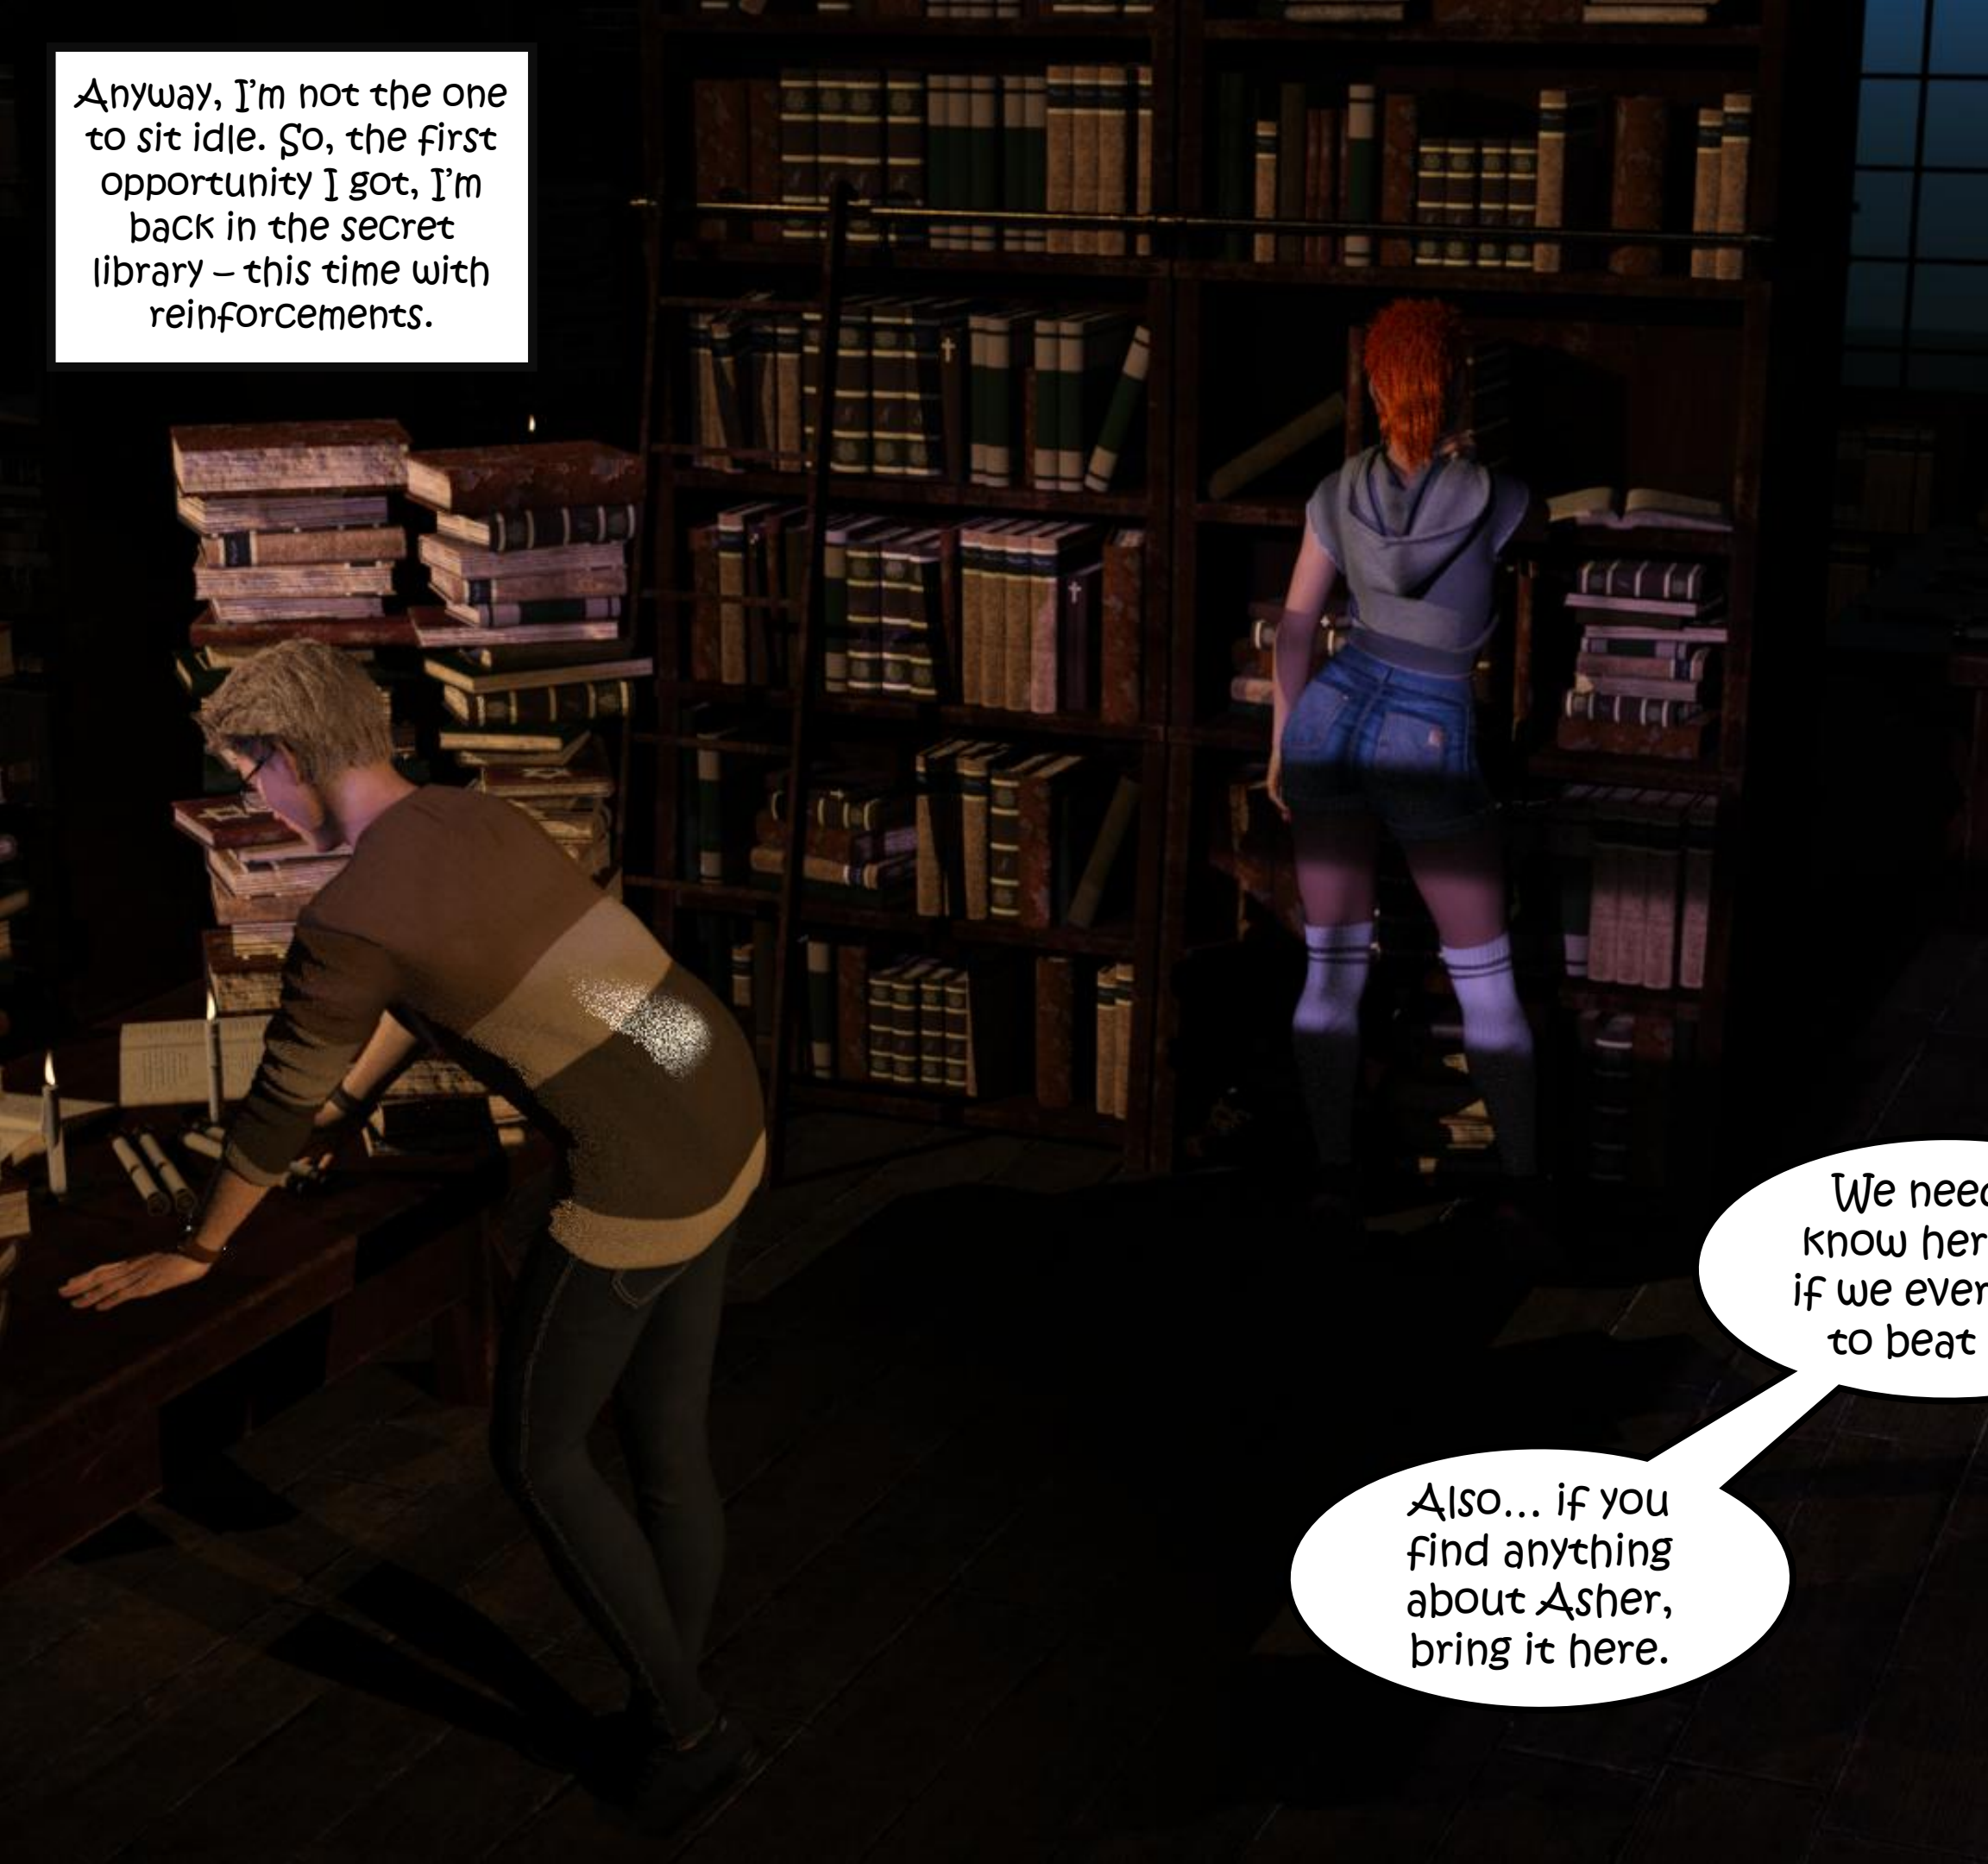

And we lost on all levels.

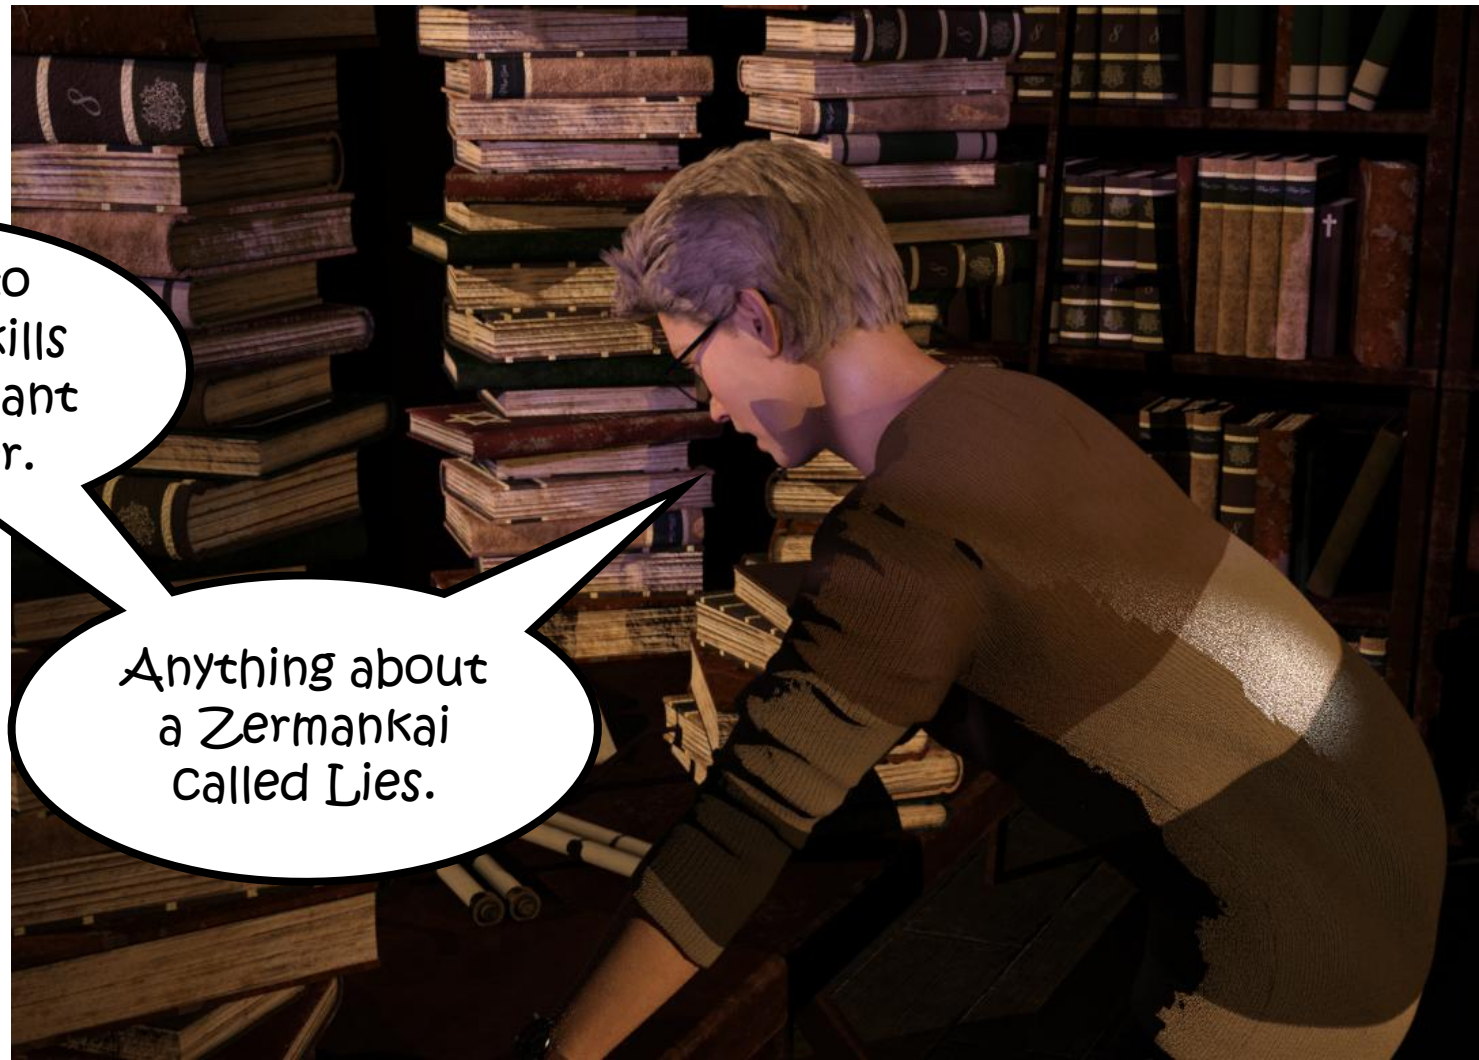

We can call ourselves lucky to be alive.

Anyway, I'm not the one to sit idle. So, the first opportunity I got, I'm back in the secret library – this time with reinforcements.

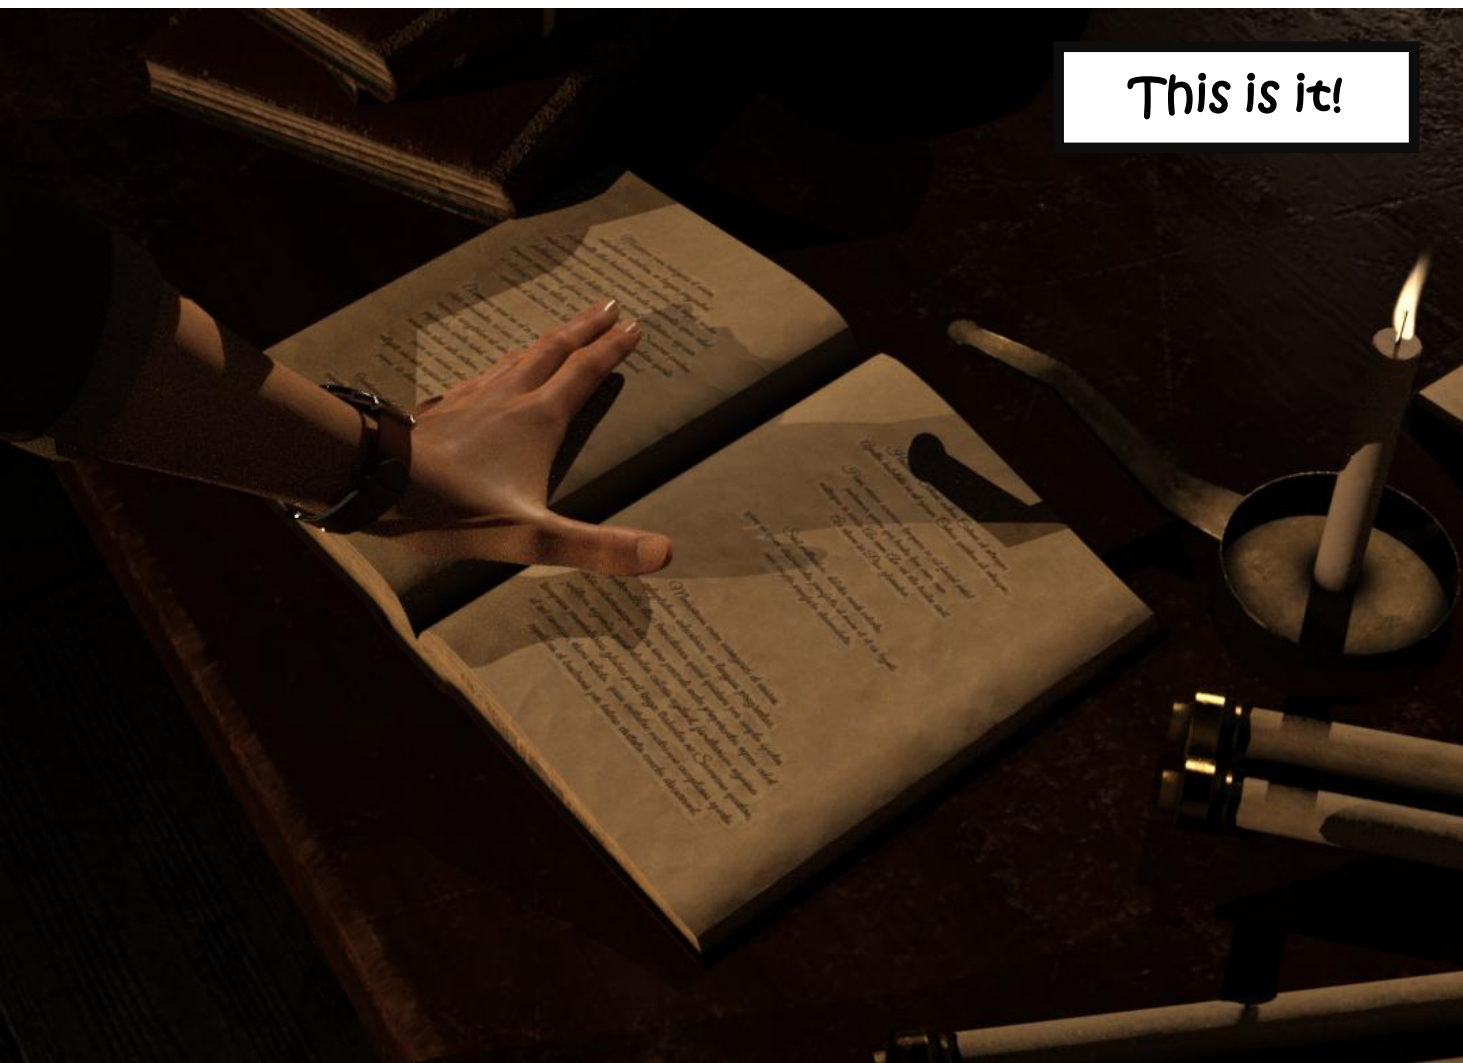

What exactly are we looking for?

We need to know her skills if we ever want to beat her.

Also... if you find anything about Asher, bring it here.

Anything about a Zermankai called Lies.

Having found crucial information about Lie's skillset, I present my theory to Stella and Asher - masking where I found it.

So, judging from other demonic traits reported in the library books...

But what if it's not about the attack itself?

This new girl's skill seems to deflect any type of attack. Even reflecting Melee attacks.

My theory is as follows: She can swap or negate the target of an attack.

Over the next few days, we changed our training regime accordingly...

Heya, guys.  
How is it going?

It's tough.  
But I'm getting  
the hang of it.

They explode at my will now. Not only when hitting a target.

Well done!

We at least have a chance like this...

I want to help too!

Sorry, Lucy, but we need raw firepower here.

If we stabilize Lucy's mind with magic as she casts...

Are you insane? That's not going to work!

Please, Yara! I want to help!

It's not a matter of want or not!

I was able to put a block on your powers back in the day...

But you saw what happens if more magic is added to the mix!

And everything was going as predicted...

The plan was never for Yara or Stella to approve, but for Lucy to get dejected. \*chuckle\*

Of course, while we tried to come up with countermeasures to Lies...

The demon ran rampant in town...

brush

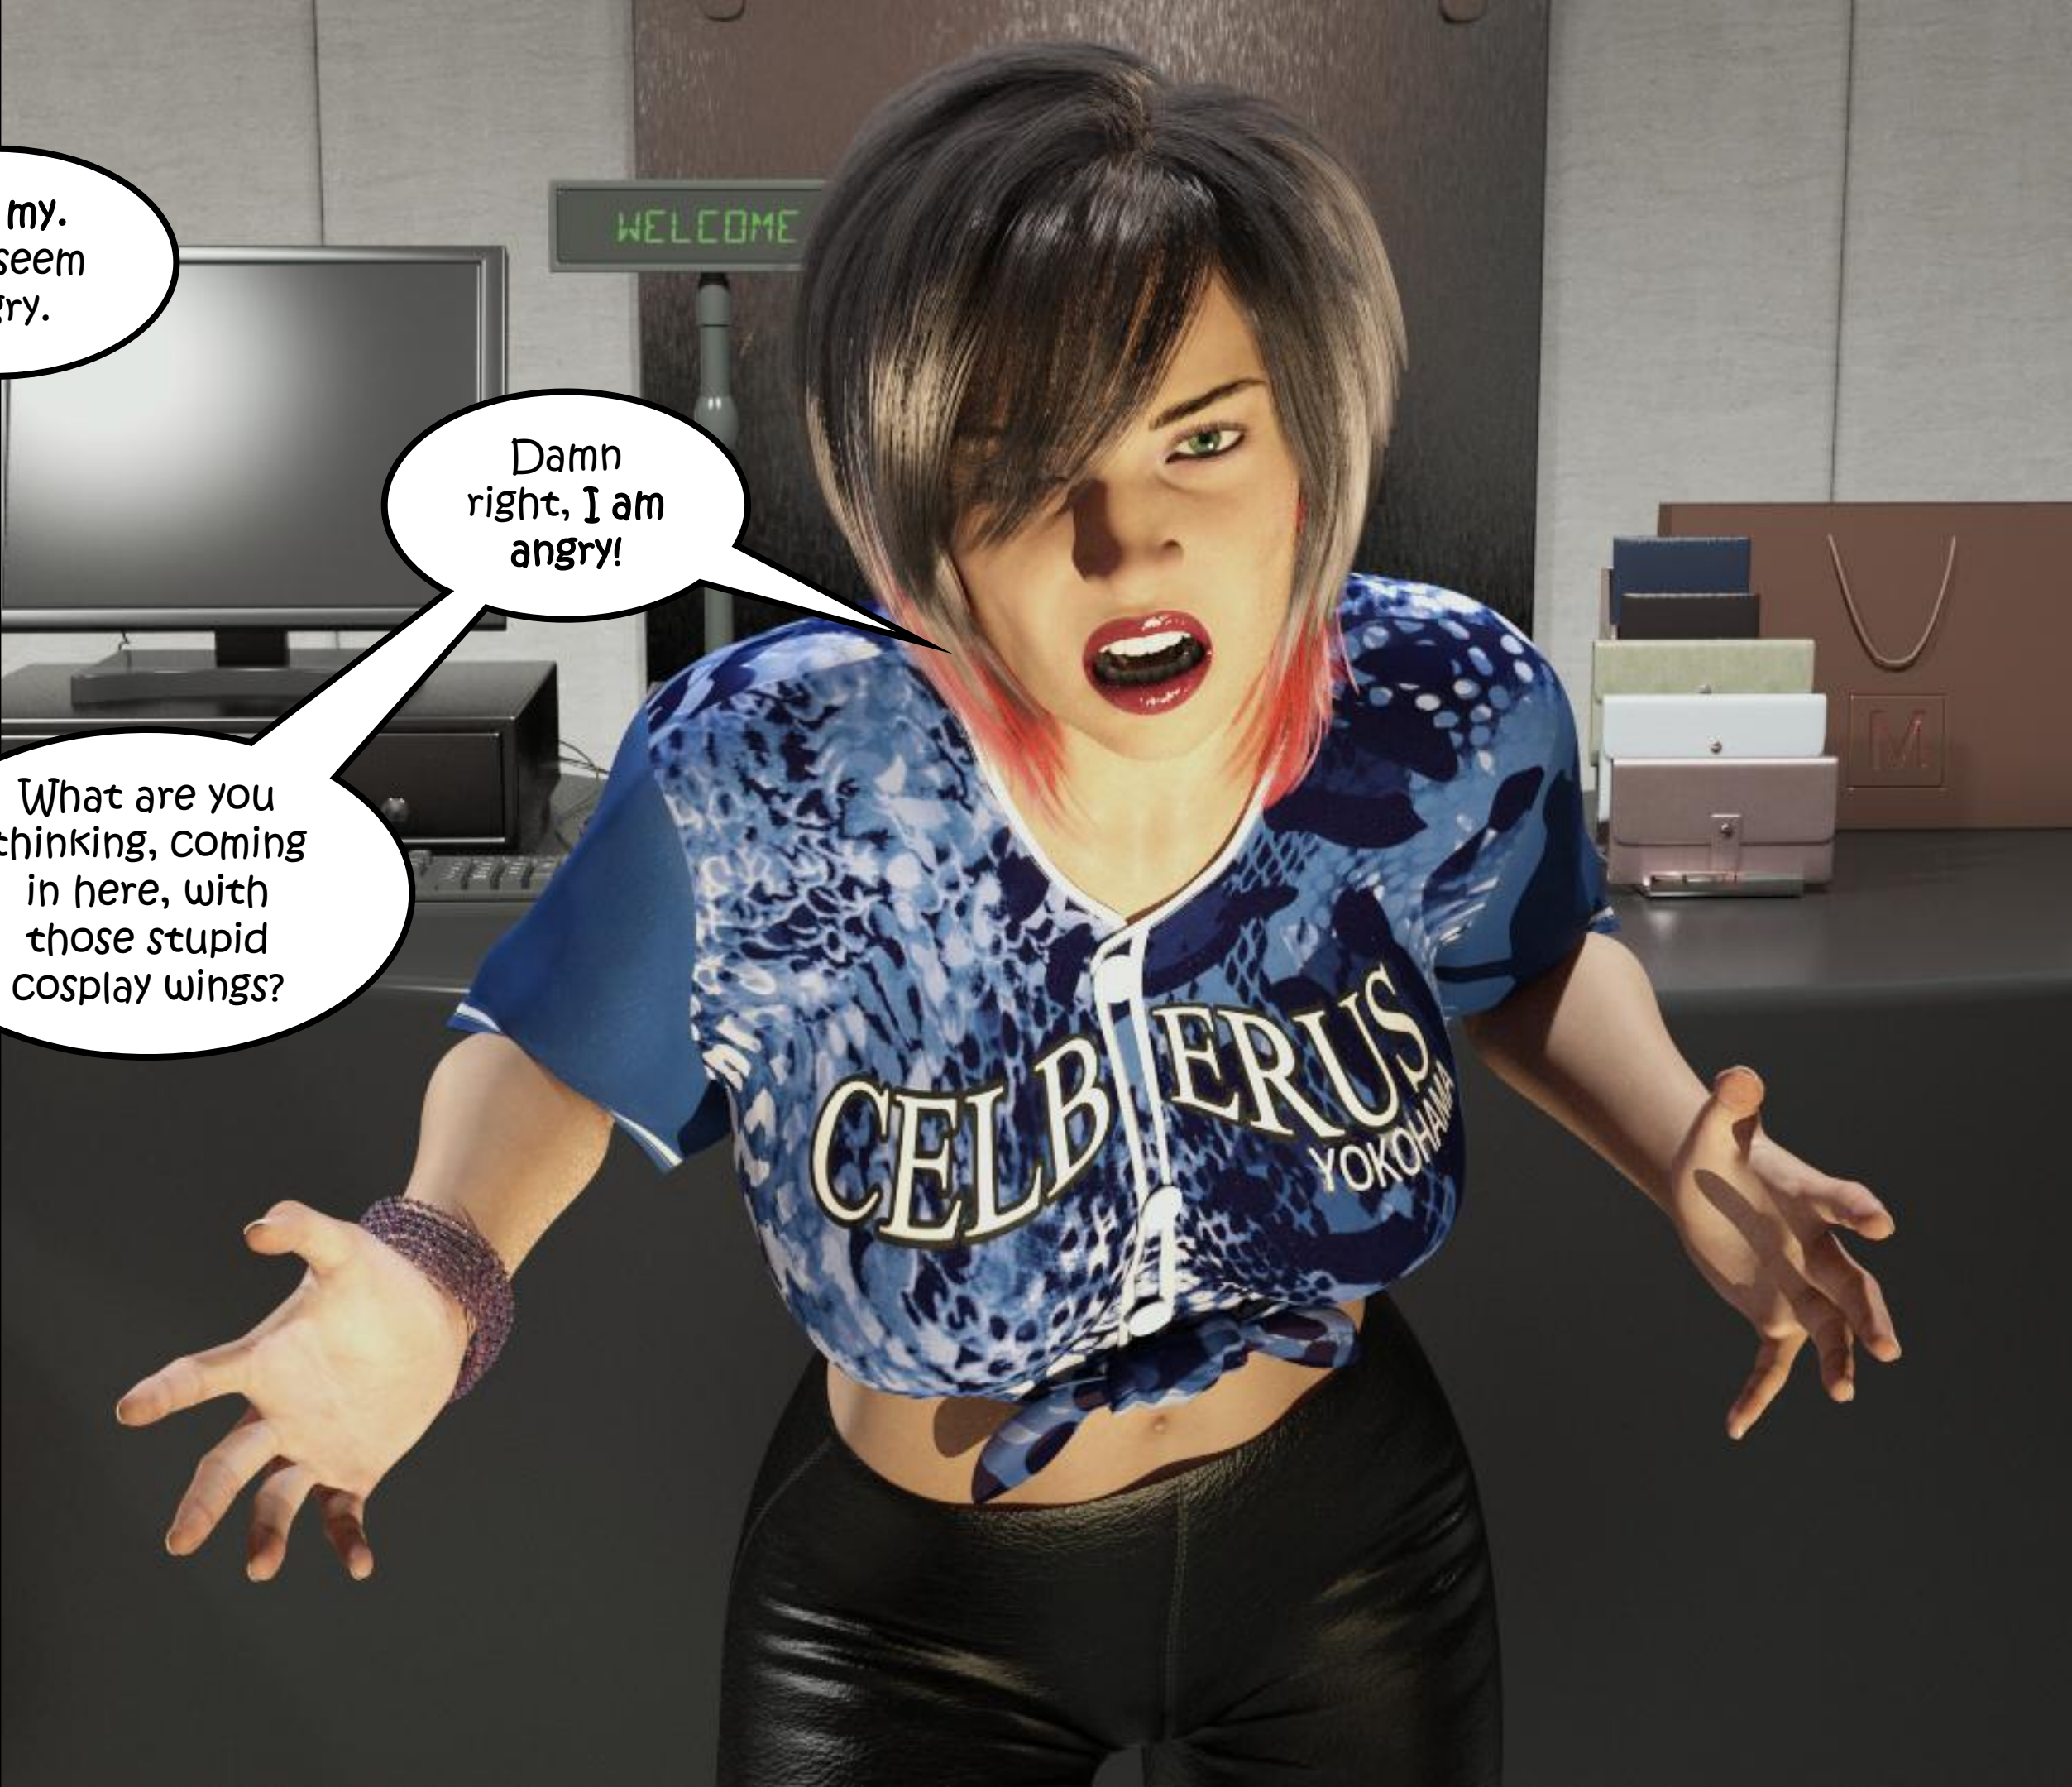

fall

Oh, my.  
You seem  
angry.

What are you  
thinking, coming  
in here, with  
those stupid  
cosplay wings?

Damn  
right, I am  
angry!

WELCOME

*That's a lie.*

You are not  
really angry,  
are you?

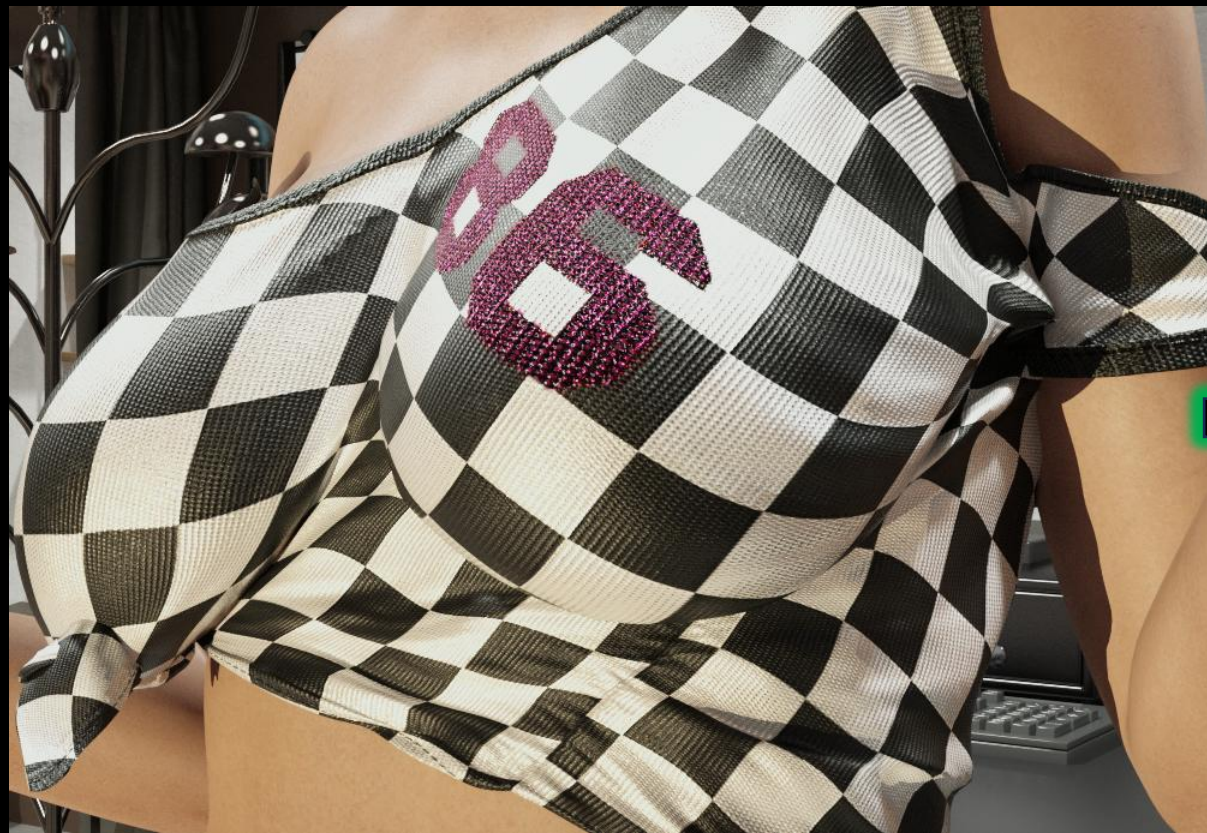

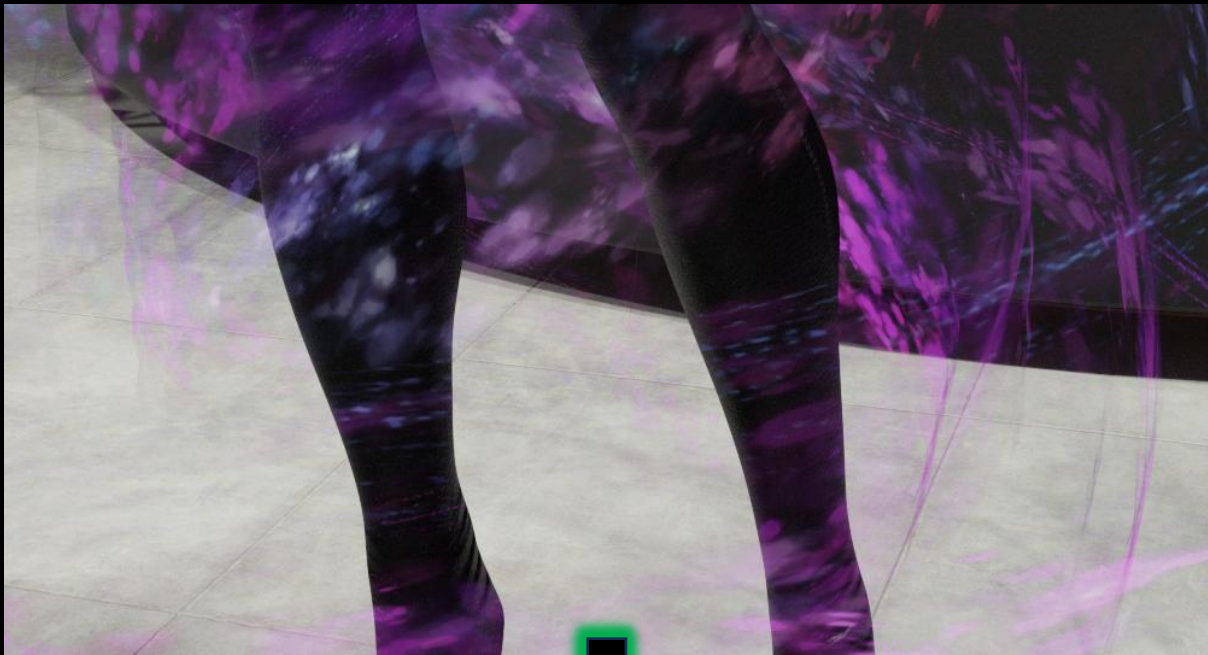

Huh?!  
Of course  
I'm...

CELBIERUS  
YOKOHAMA

*Another lie...*

Seems like I dressed like a total slut today.

That's hilarious!  
*giggle*

Some shopping later...

Do I have to pay for these?

You are so funny. Of course you have to pay. This is a shop.

AUTHORIZED PERSONNEL

*That's a lie.*

Sorry, I was just joking.

Here at Marries, the shop attendants pay for everything the customers buy.

Perfect.

That's what I call customer service.

Have a nice day.

chuckle

And that's just how it went for weeks...

Wherever Lies stepped she left chaos and destruction in her wake...

Chaos... and destroyed lives...

Oh,  
dear...

How will I  
afford rent  
next month?

I fear I can't  
afford to work  
here at Marrie's  
much longer...

Back at camp... my plan was  
unfolding nicely...

A day later, Lucy approached me alone...

I think I can.

You know what!

Help me... stabilize my magic...

You are good with the medeo spell and...

You do?!

We decided to try it out a bit later because she wanted to prepare...

**Bollox!**  
She brought a chaperon.

Open your mind to me Lucy.

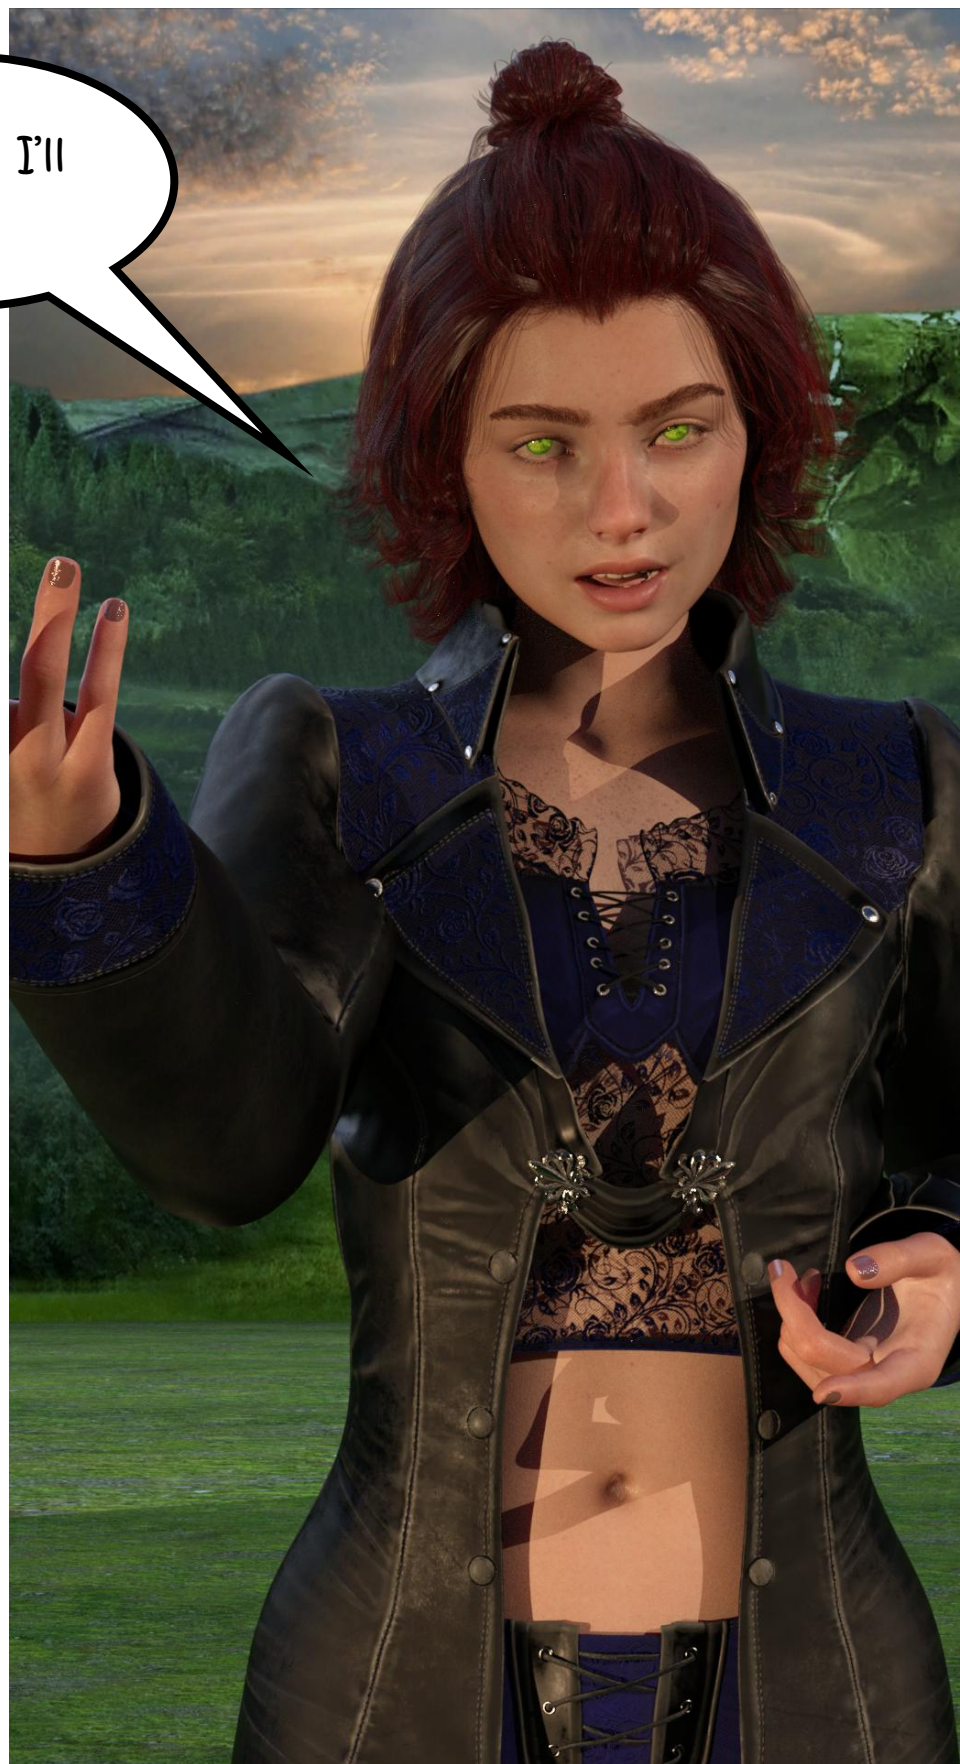

Alright.  
I'm linked,  
Lucy.

Let's see  
your powers  
in action,  
Lucy.

Okay... I'll  
try.

Like it's nothing, Lucy starts to hover mid-air!

Oh, my!

It's so... easy!

Are we still good?

Yes, Lucy. I don't feel much strain. Feel free to go further.

Haaa

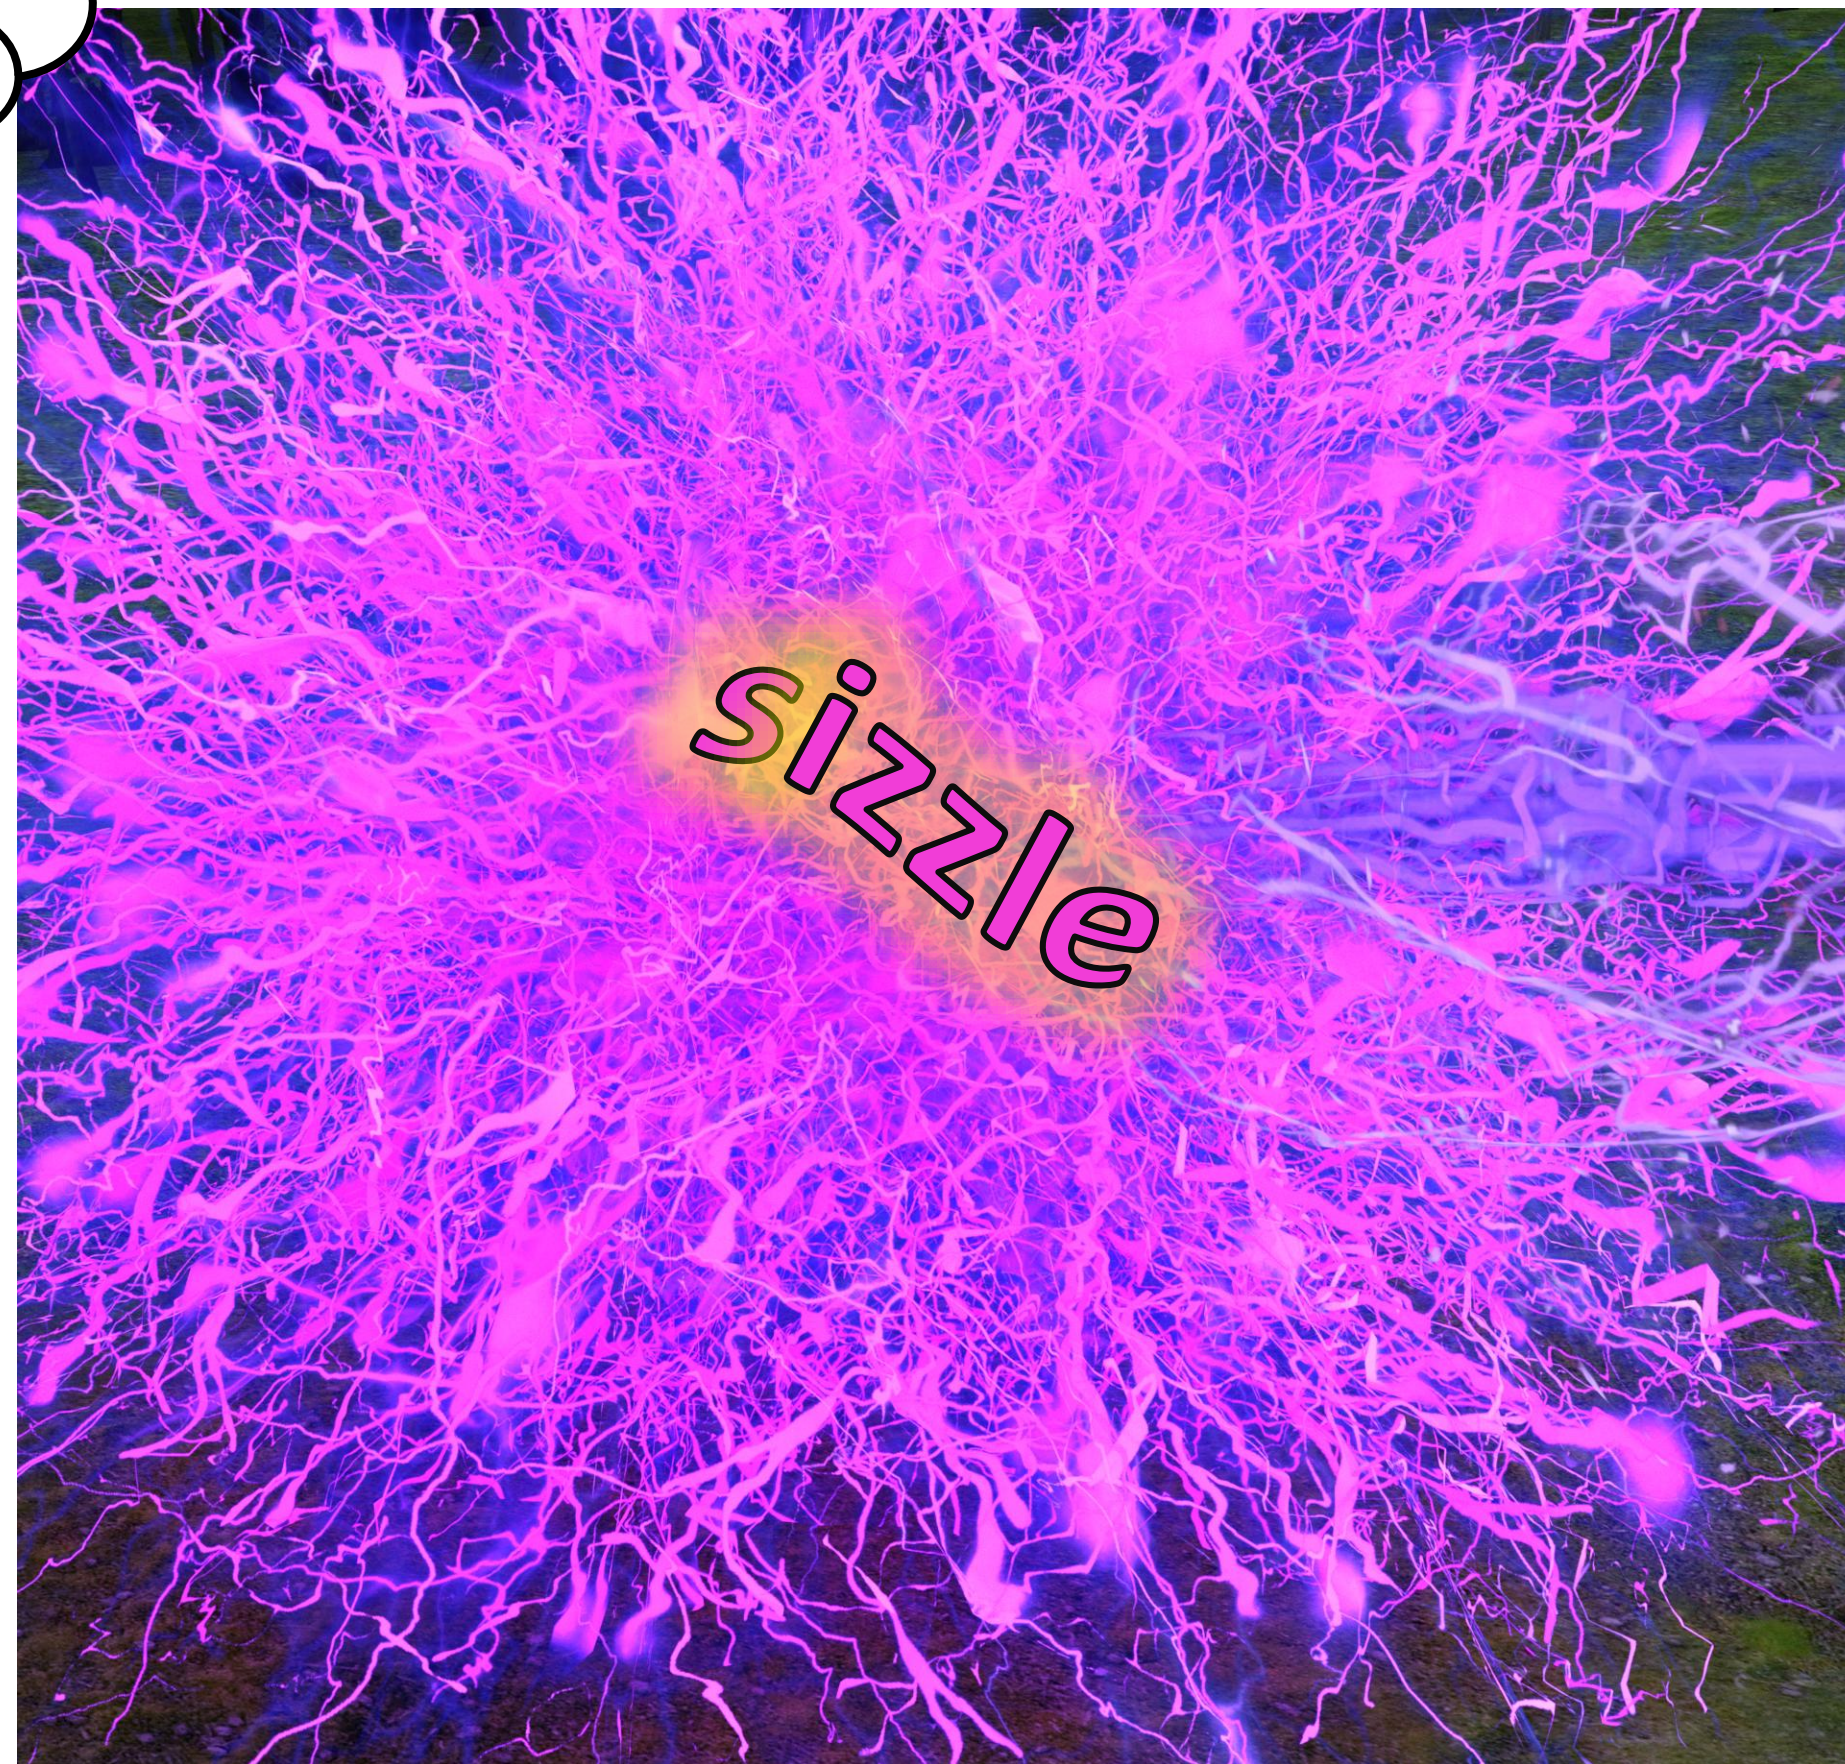

*Fulgur  
Tabem!*

*sizzle*

That was amazing, Lucy!

Your powers are incredible!

Only thanks to you!

I can unleash much more, I think...

We'll need more training for that.

But I think the more we are in sync, the better I can help you keep those powers in check.

I'm so glad  
for you,  
Lucy.

Thank you,  
Mika! Thank  
you!

You are  
welcome,  
Lucy.

Soon, you will  
be mine...

End of Chapter.

# Thank you for reading!

Hello, Hexxet here,

My plan of speeding up progression is not working out entirely. But I do think the scenes with Lies and Lucy are important to show and are also somewhat hot... hopefully. Anyway, Mika has gotten closer to Lucy, inducing some level of trust in her while also finding a way to help her control those immense powers. Will they be enough to stop Lies, though?
