Previously on „The lost Temple“:

Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic, but Mika realises she is very dangerous.

Last time, we saw how Mika and the camp crew devised some plans to prepare for their next confrontation with Lies. But the demon does not stay idle either...

Last time on "The lost Temple": After our defeat by Lies, the demon general who emerged from a rift Lucy's powers tore in reality...

We got back to training, devising a strategy that may be able to take her down.

Ignis Fatus!

Erumpa!

BOOM

The aim was not to target her directly with our spells... hopefully it would work.

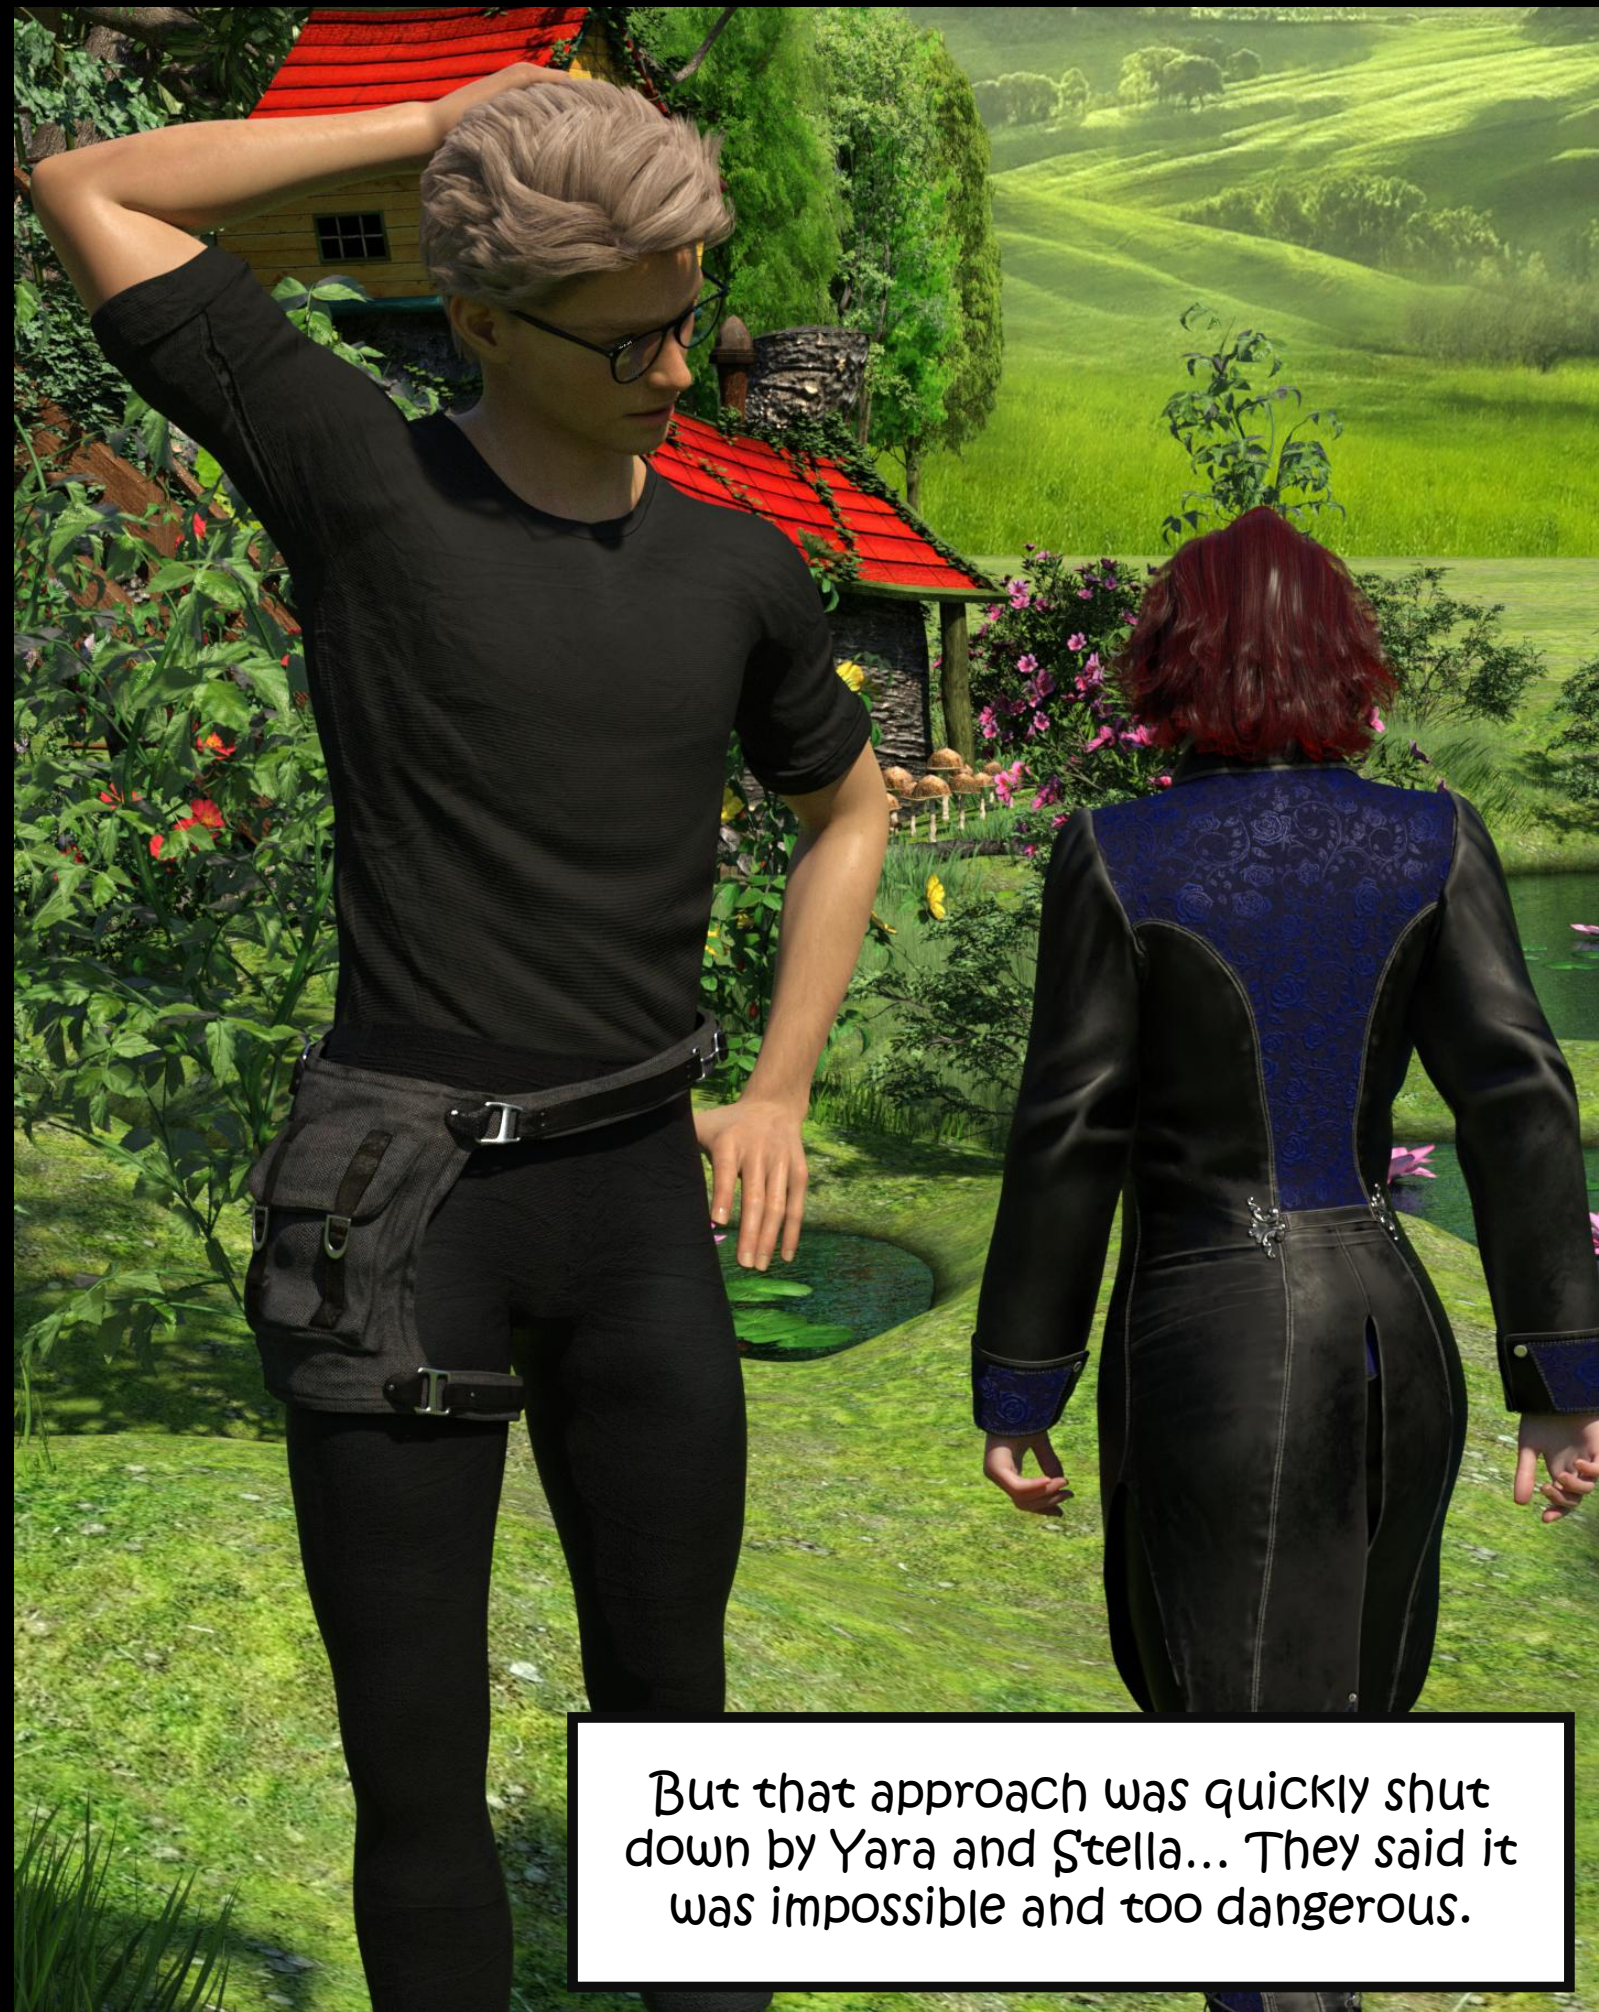

I want to help too!

No way!

Lucy and I also came up with the idea of me stabilizing her powers so she could fight too...

But that approach was quickly shut down by Yara and Stella... They said it was impossible and too dangerous.

So, we started training in secret...

With great practical results...

At first, Vadim was with us all the time, in case something went wrong – to use his barrier magic.... And to chaperone, I guess...

You need to trust me.

But as Lucy's trust towards me grew...

I trust you.

We started to have solo sessions...

And without Vadim
to chaperone...

Groan

Oh, fuck
yes, Mika!

My second Agenda took shape as well.

With my... special situation, and Asher's questionable leadership, I had to look out for myself.

Moan

And adding the first camp member to my side was a big step toward securing a healthy future for myself...

Of course, in the meantime, while we were preparing for the next confrontation...

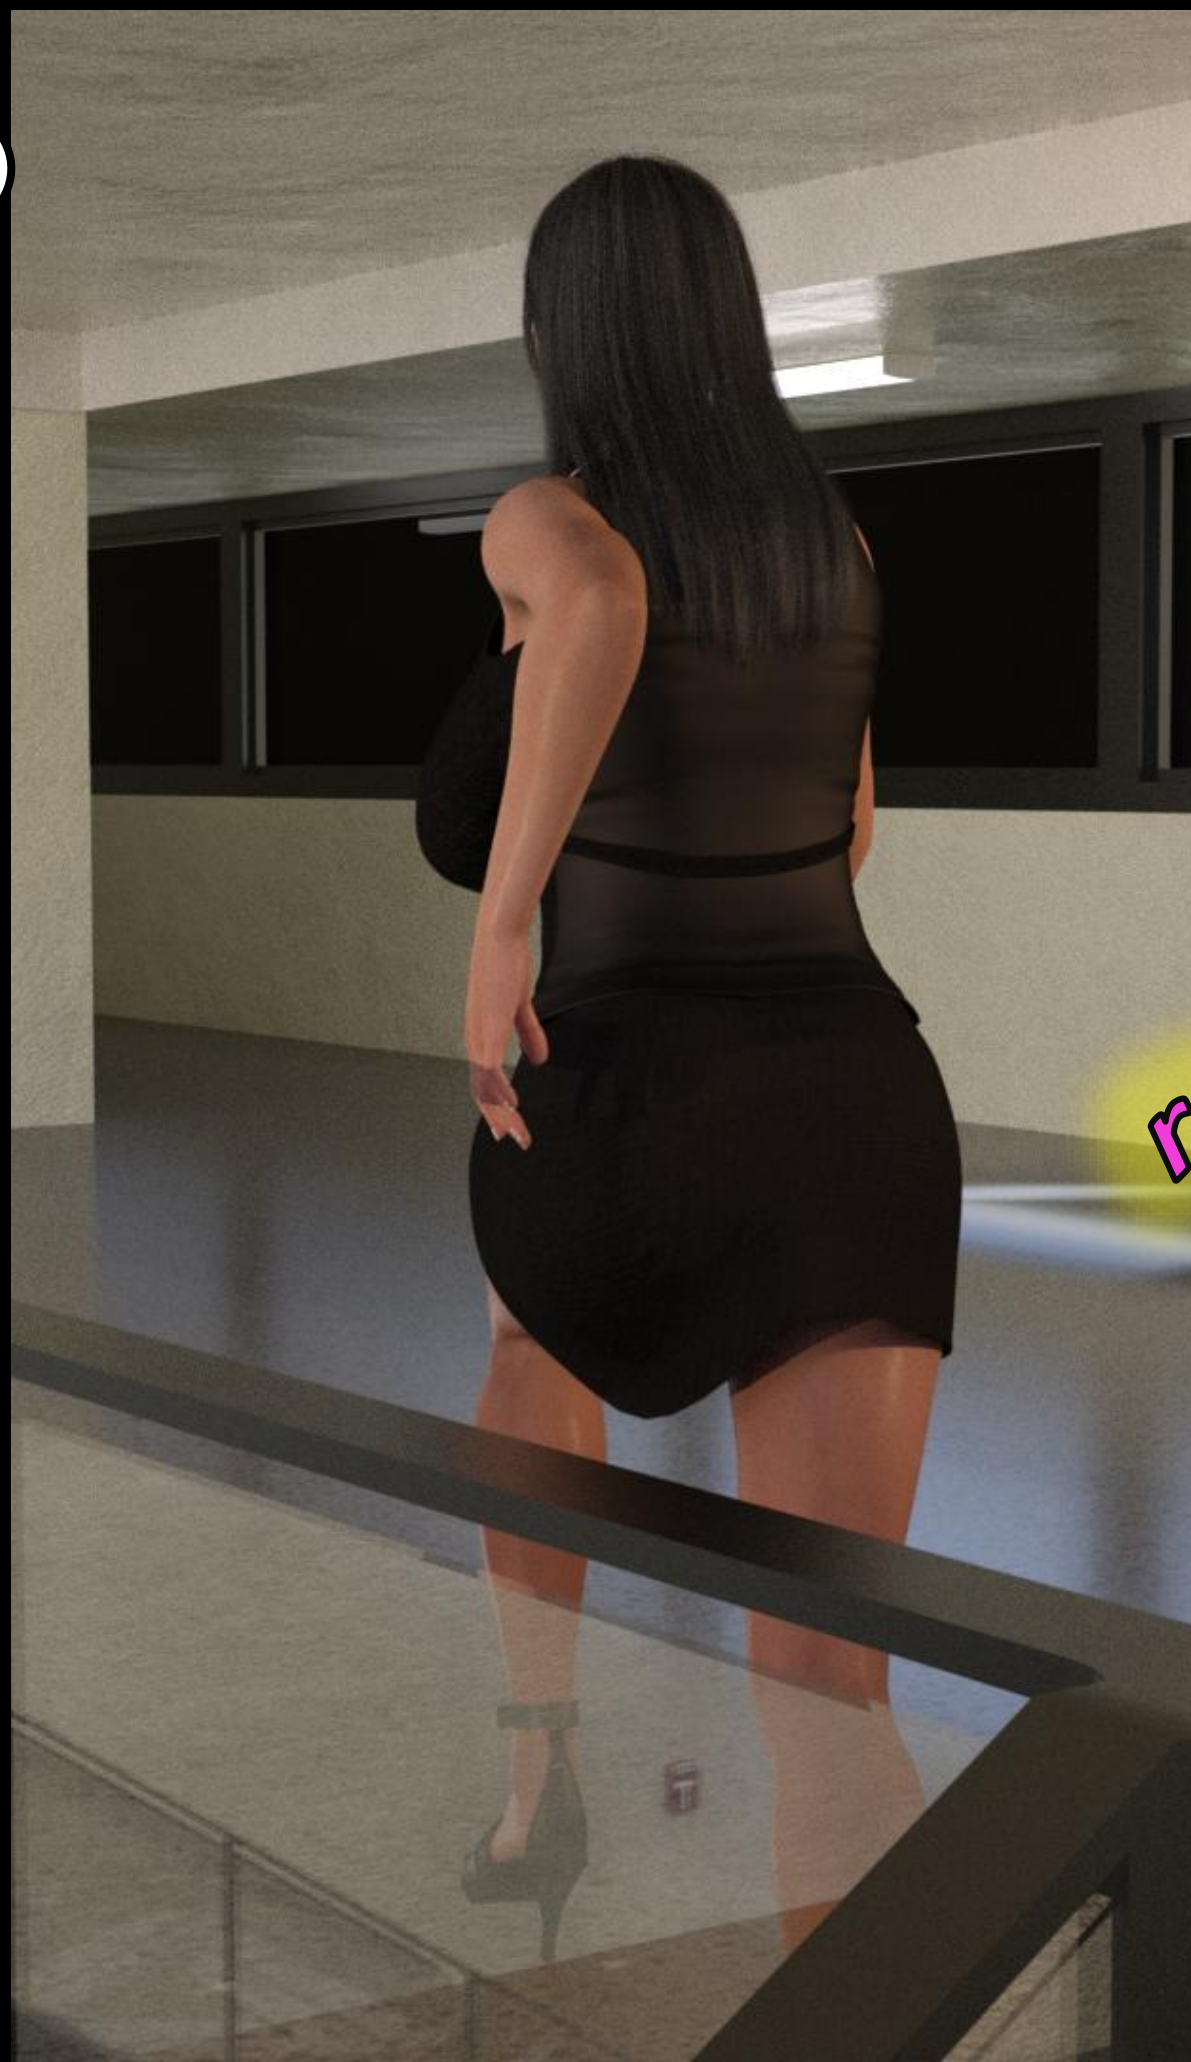

Lies had free rein around the city...

Reactions were...

What the
fuck!

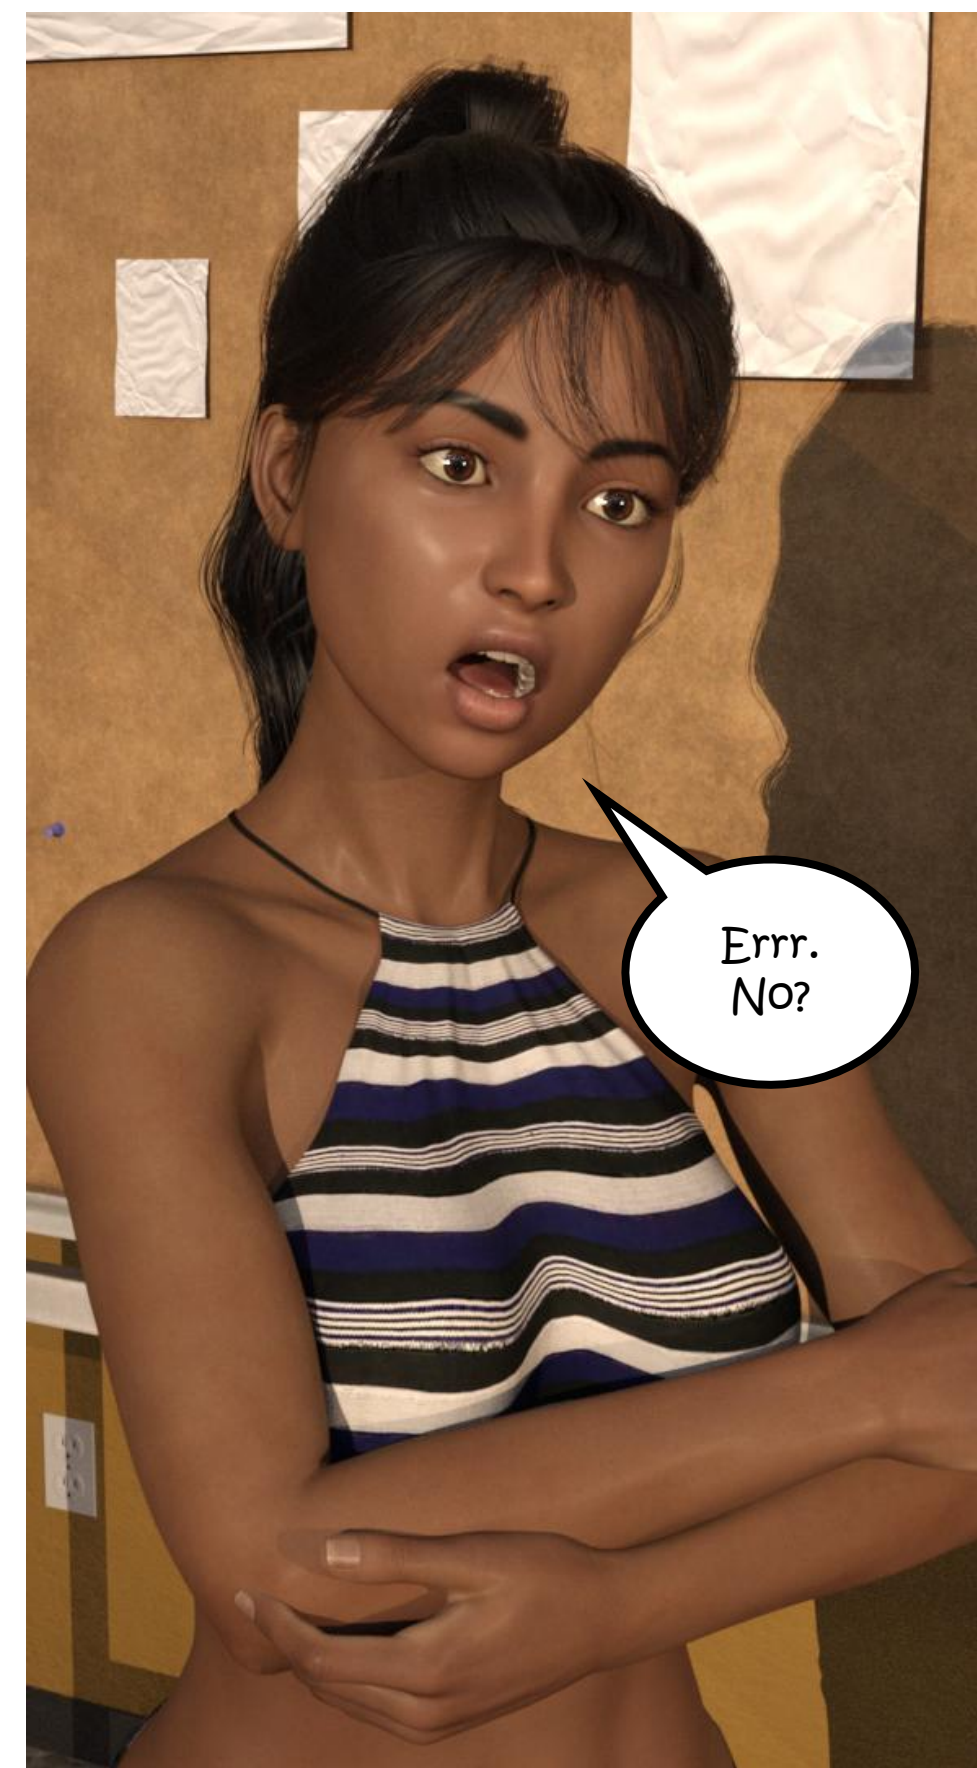

Quite mixed...

Hi there!

tap

That's a lie.

Huh?
But... I...

I'd love to
come with
you!

You are
right!

chuckle
Great!

Follow me.

Okay!

Lies had brought chaos to the city
on various occasions over these
past weeks...

But the raid on our university was by far the worst...

New girl can't keep up with Lana's routine...

Well, hello
to you
too.

Don't touch me, you weird freak.

push

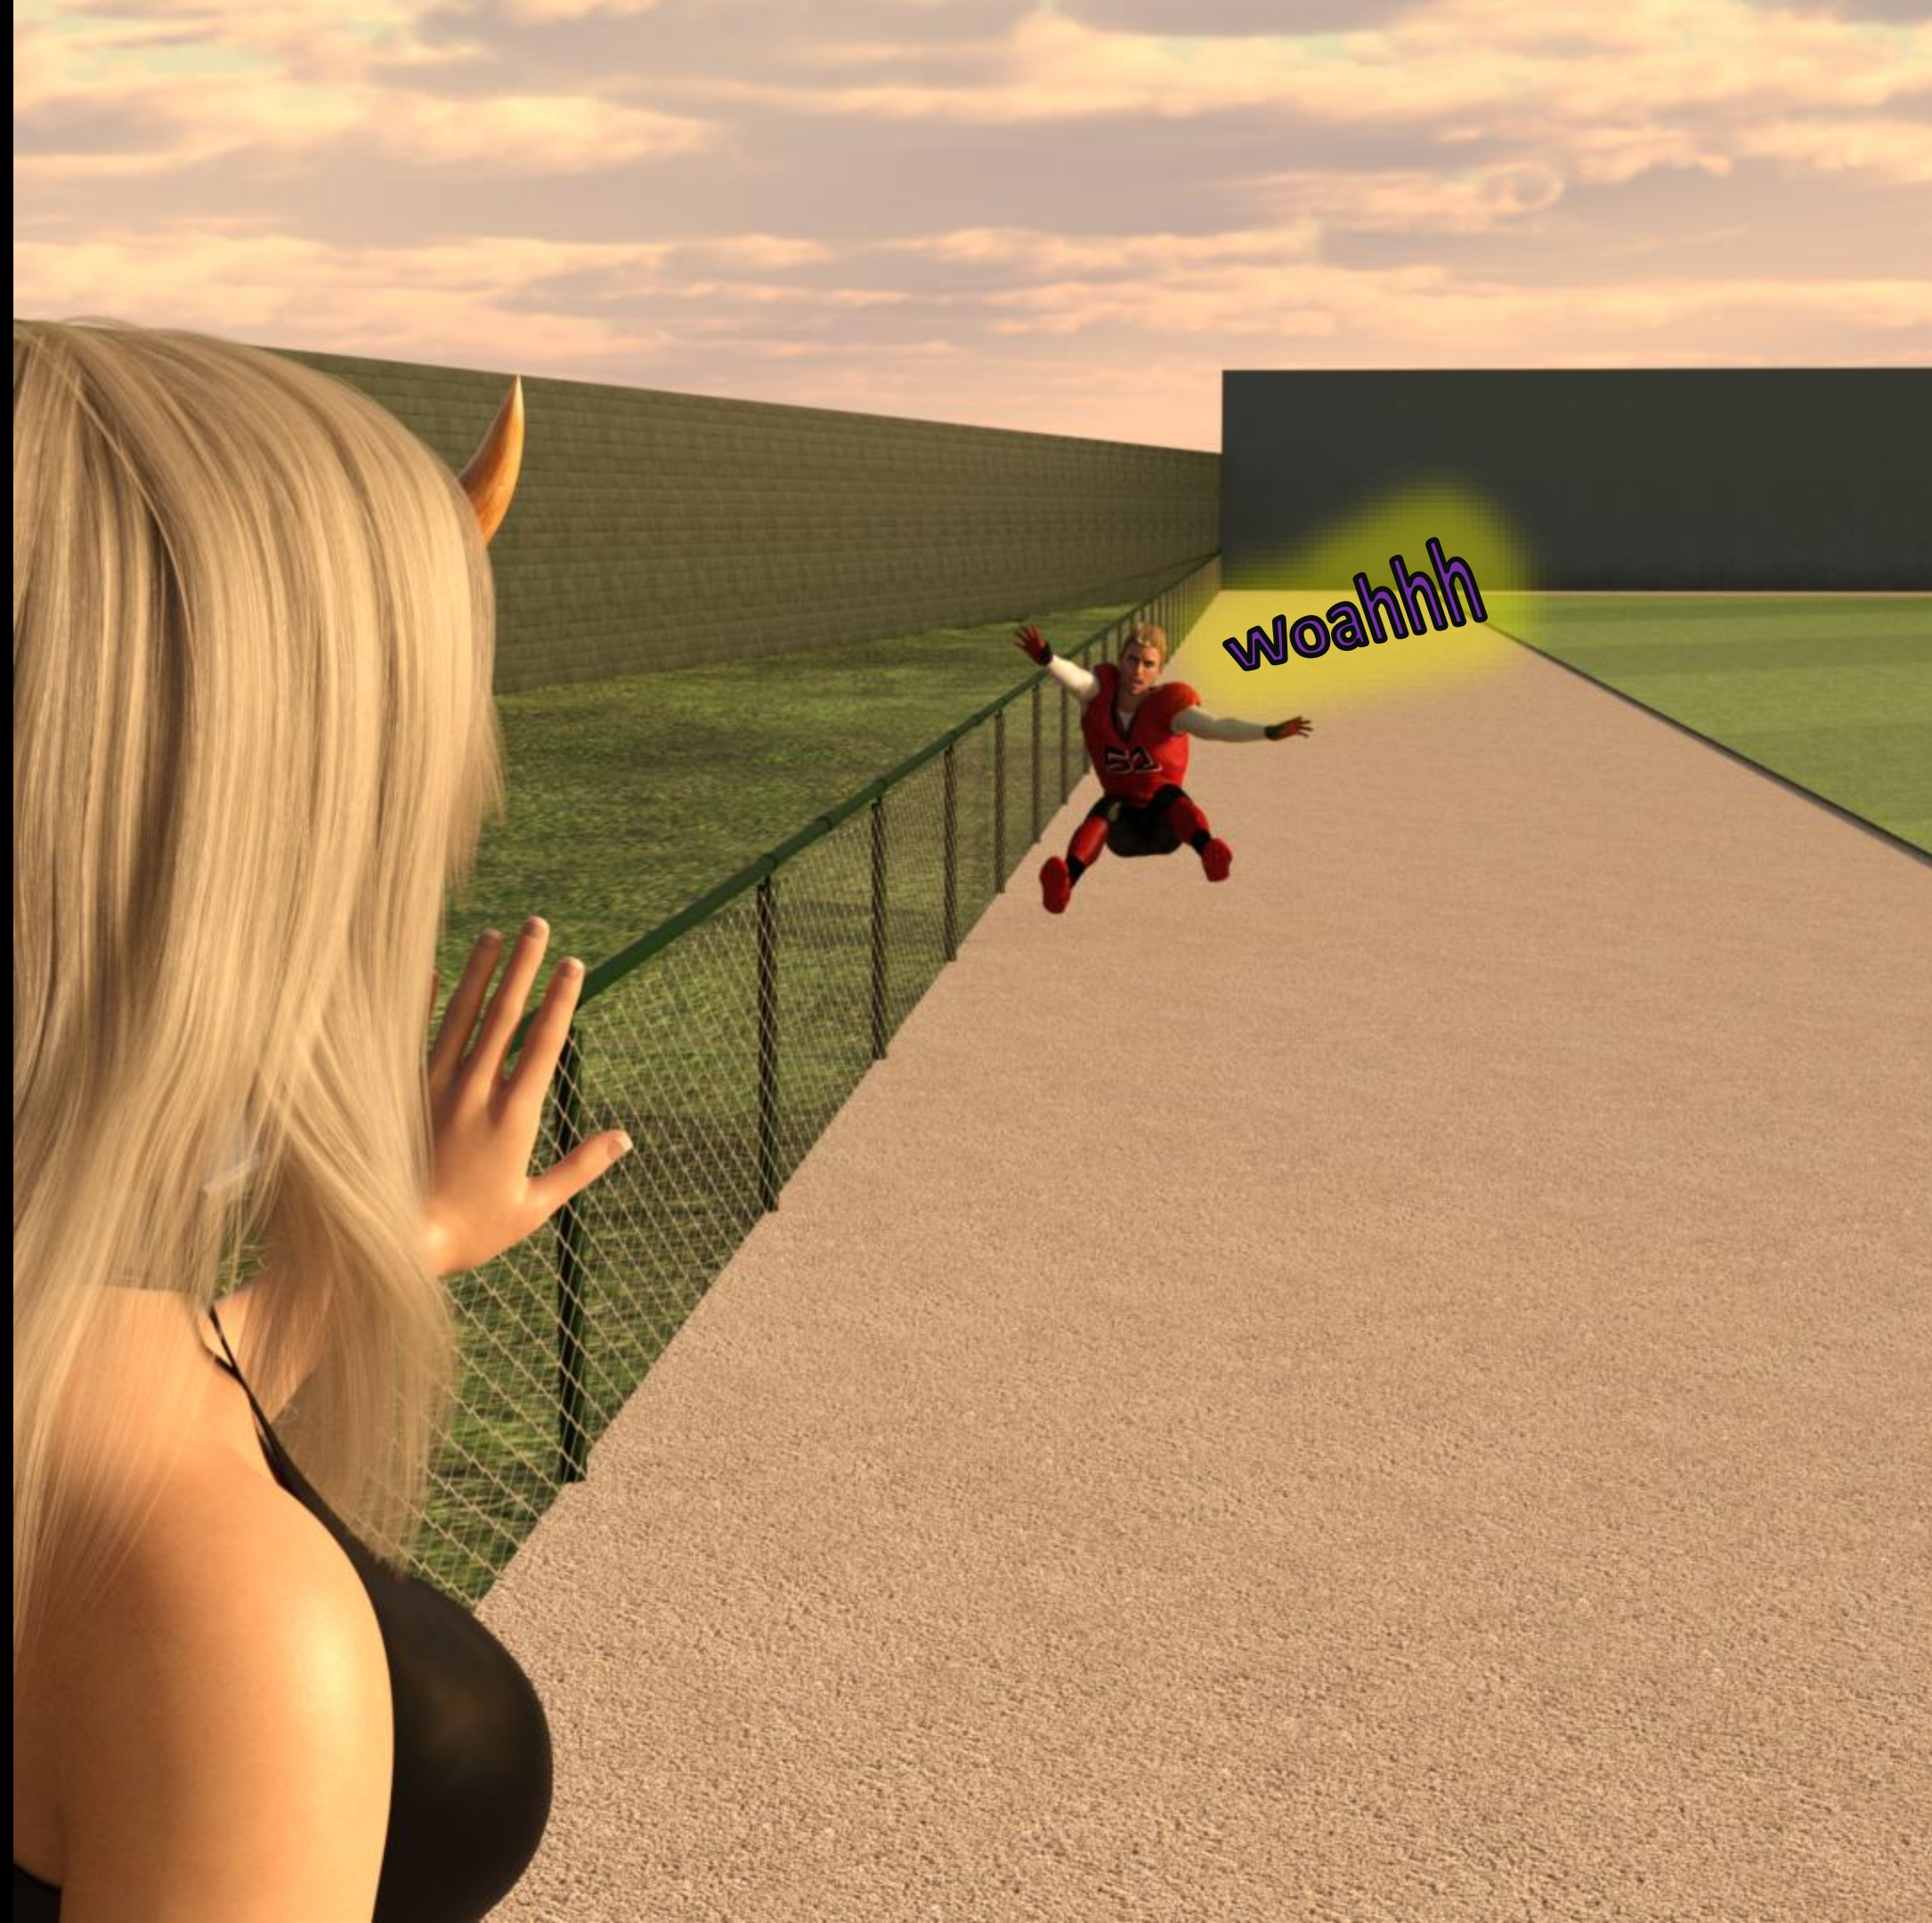

Bye.

Huh?

woahhh

Groan

What's going on?

Huh?

...

What was I thinking?

Soo strong and cool!

Can we hang out with you?

You are pretty rad!

Several girls vanished that day from the campus grounds...

DAVID A. ZIMMERMAN HIGH SCHOOL
VARSITY BASEBALL

Follow me, girls!

And nobody was able to stop her...

From then on, more and more
people vanished all over town...

Hm?

liiiiikkkk

I don't want to have anything to do with you.

THUMP

That's a lie.

No, really.
Please stay
away from me.

Oho!
Finally, somebody
with some real
ether force!

Interesting.

Very interesting!

whimper

Now, look me
in the eyes,
girl.

No, please,
don't...

Oh, lord...

OcaVum!

You are mine now.

I am yours,
Mistress.

Now, at that point in time, I did not know about all that yet. I was busy in the secret library searching for any info I could get...

Hmm...

I think I found something...

A woman with short red hair, wearing a grey t-shirt with a Chicago Cubs logo and blue jeans, is reading an open diary in a library. She is surrounded by stacks of books. A man with glasses is shown in a close-up inset on the right side of the image.

This seems to be... Asher's diary?

Holy!
I can't believe he knew... and did that anyway!

The information I had gained was pure gold. But delivering the message was a delicate matter... and I was not looking forward to making her cry... I had to find a "good" moment... if there ever was one for... that...

How to tell her...

As I contemplate my thoughts, I find Velia, Lucy, and Vadim under one of the trees at Camp.

Hey, what's up?

Shhhh!

The mood seemed bad...

That demon bitch got my sister!

Hey, what's up?

FUCK!
What do we do.
Have you talked
to Asher?

He said to stay
put and that she
will be safe for at
least another
week...

KISS

We'll double our
effort then! Get
her back in that
week!

The fuck?
This is not the
time to question
our leadership.

I'm sorry, but
there is something
you should know.

There can't be anything in this that will make me second-guess Asher!

Read and decide for yourself.

sigh
What is this?

Asher's diary?

Where do you find that? Why do you have it?!

We should not read that!

If you still think it was a mistake afterwards, you can turn me in.

You need to read this.

I found a secret room in the library...

Fine! Just that one page! And I will tell him!

grumble

This date...

No...

He knew?!

No, no no...

Velia's place...

Absolutely.

Now, Asher did not literally "kill" Velia's parents. But with his powers of foresight, he knew they would die in that battle, and he sent them anyway to prevent further civilian casualties... But the conclusion was the same: we could not trust the guy and I'm glad the others saw it that way now as well.

Will this do? It's quite recent - from after her graduation.

What a handy spell...

Secus!

Never heard of this spell...

The four of us immediately planned the rescue mission – starting with the secus ritual to locate Velia's sister Clarissa. This should directly lead us to Lies lair...

The situation was less than ideal. On the one hand, without Stella and Yara we left behind valuable allies. On the other hand, we did not know whom we could trust on this, and at least, like this, we could use Lucy's powers in battle as we had trained...

And so, we geared up in secret
and set out to save Clarissa.

Very good,
Mika.

A character with short, spiky white hair and a green sleeveless top stands in a stone archway. The character has their arms crossed and is wearing dark wristbands and a brown belt with a large buckle. The background features a stone wall with vines and a hanging lantern with a yellow glow. The scene is set in a lush, green environment.

Everything is
working out
according to
plan.

To be continued...

Thank you for reading!

Hello, Hexxet here,

Poor Velia! Will the crew be able to save her sister? Will they have to face Lies down in battle for that? And do they even stand a chance if push came to shove? What about Asher's intentions? What is he planning? The story is getting spicy, and you hope you like this development. The next chapter will deal with the rescue mission!
