Hey Linda.
Hey Tiffany. I'm heading
to the basement to work
out for a bit, Maria.

Ok Frank,
but don't over do
it dear.

I'm so bored!
Can't you two think of anything
for us to do?

I say we
go down to the
basement and...

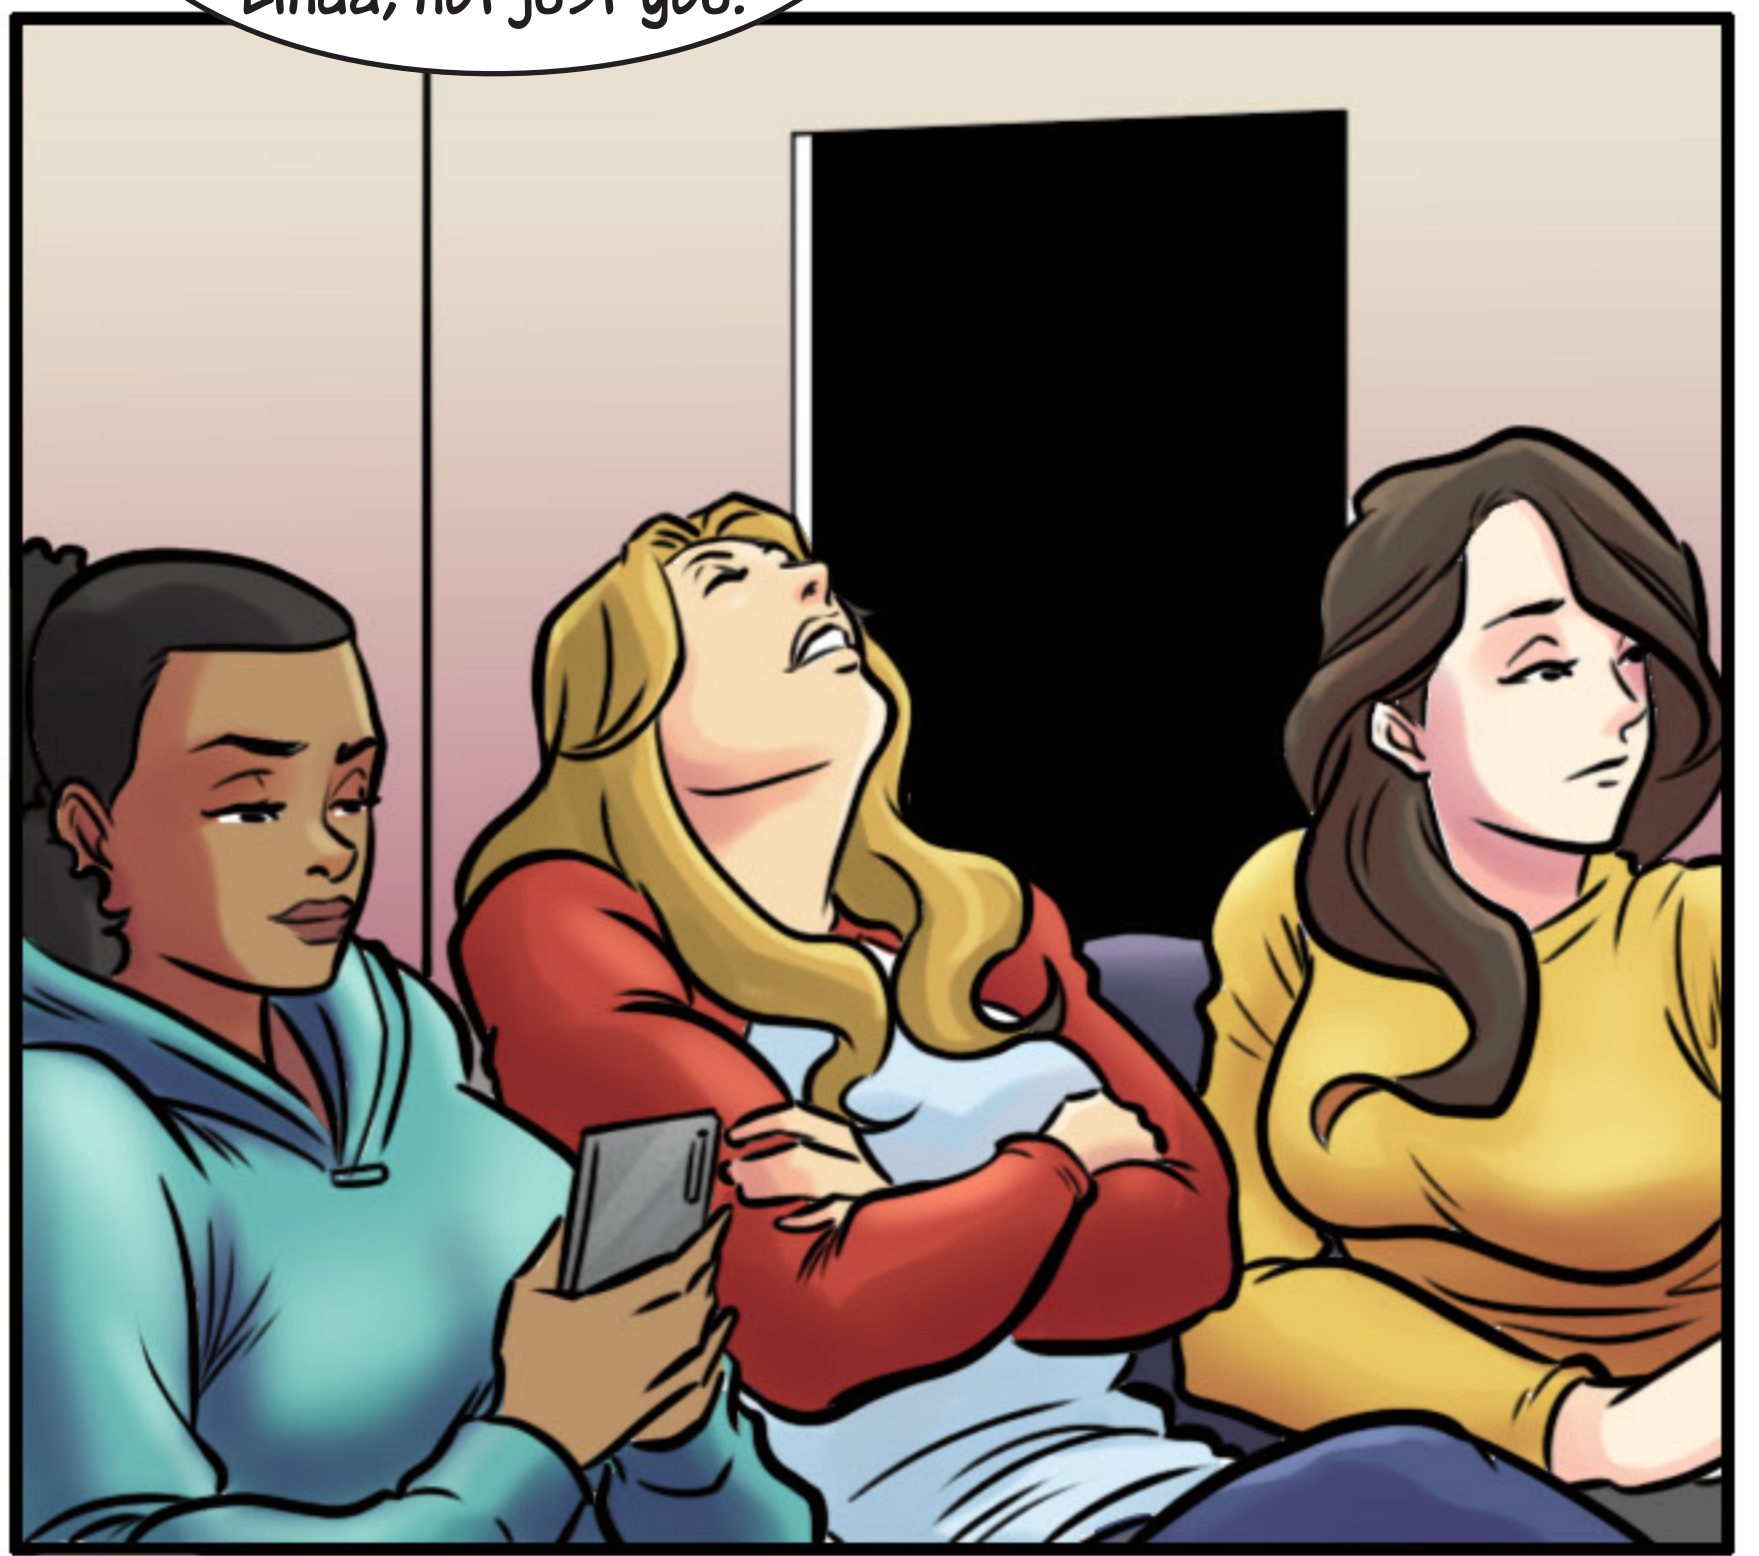

We're not going to
workout! It should be
something we all like to do
Linda, not just you.

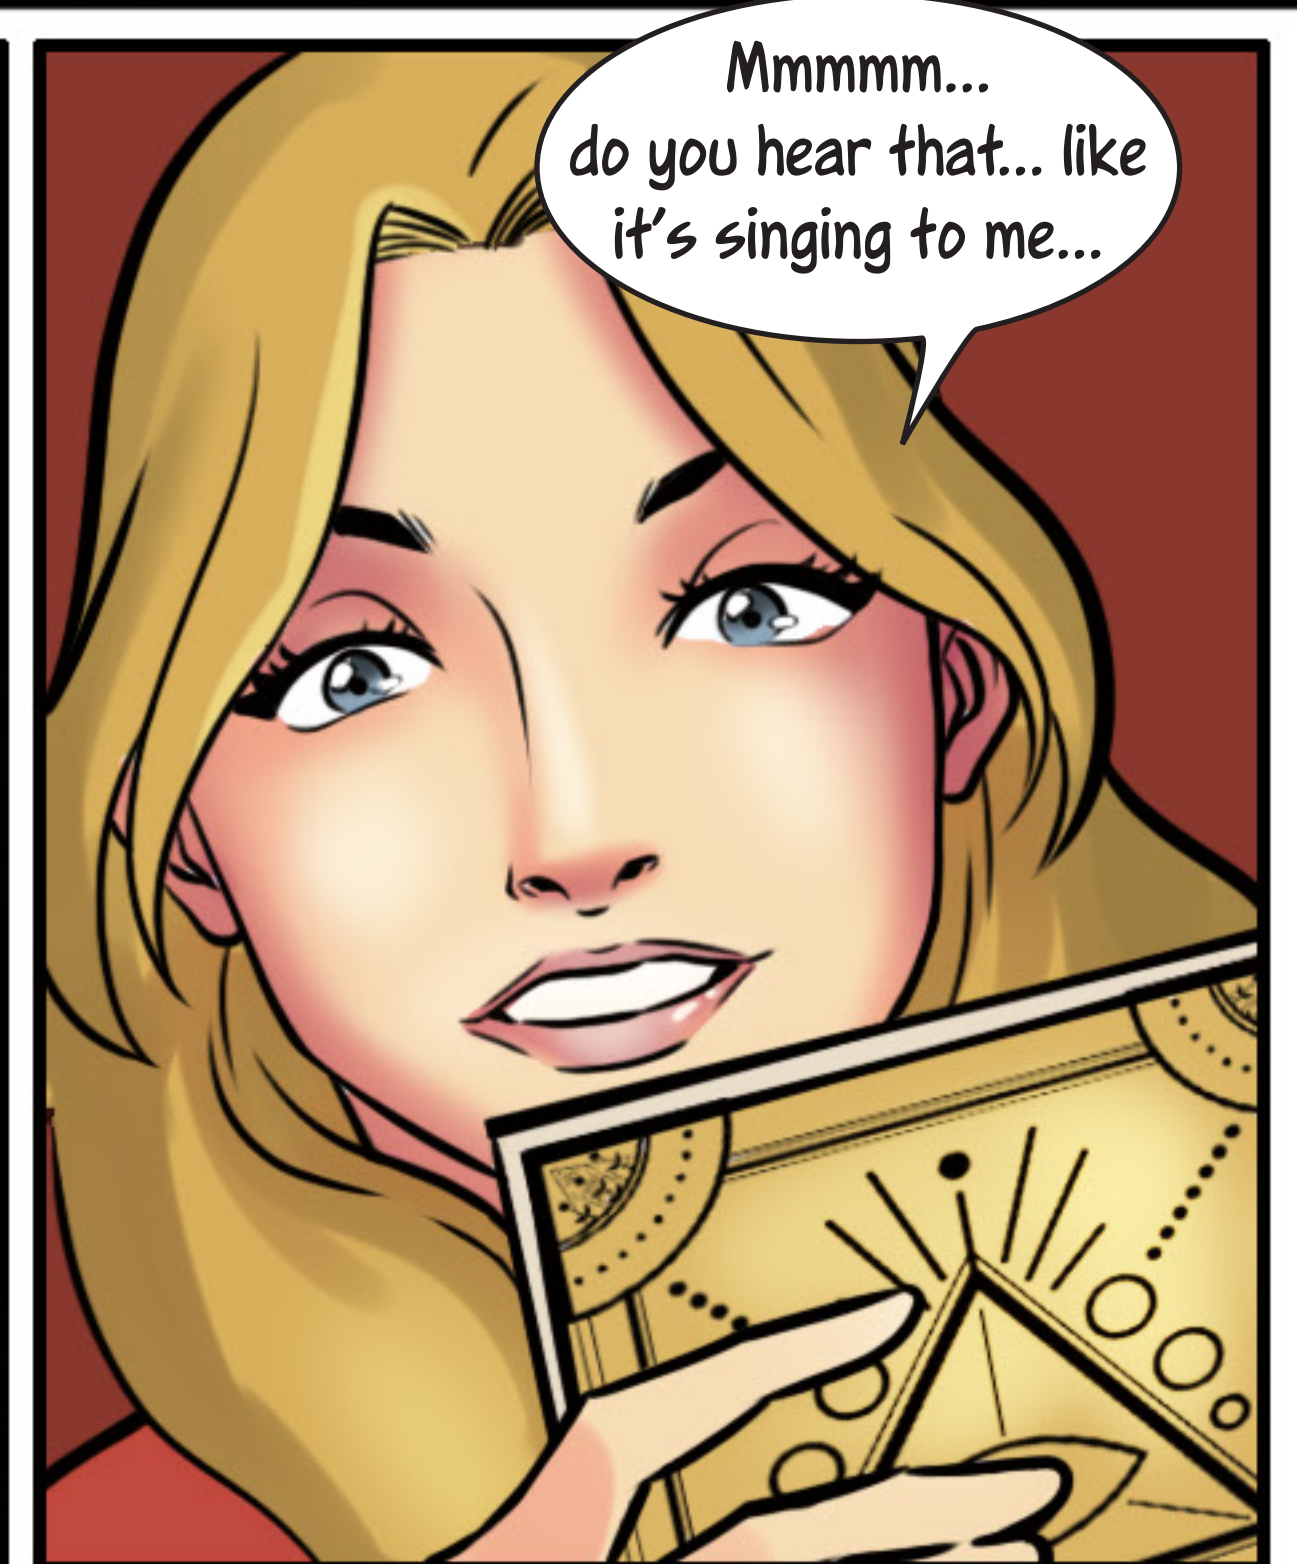

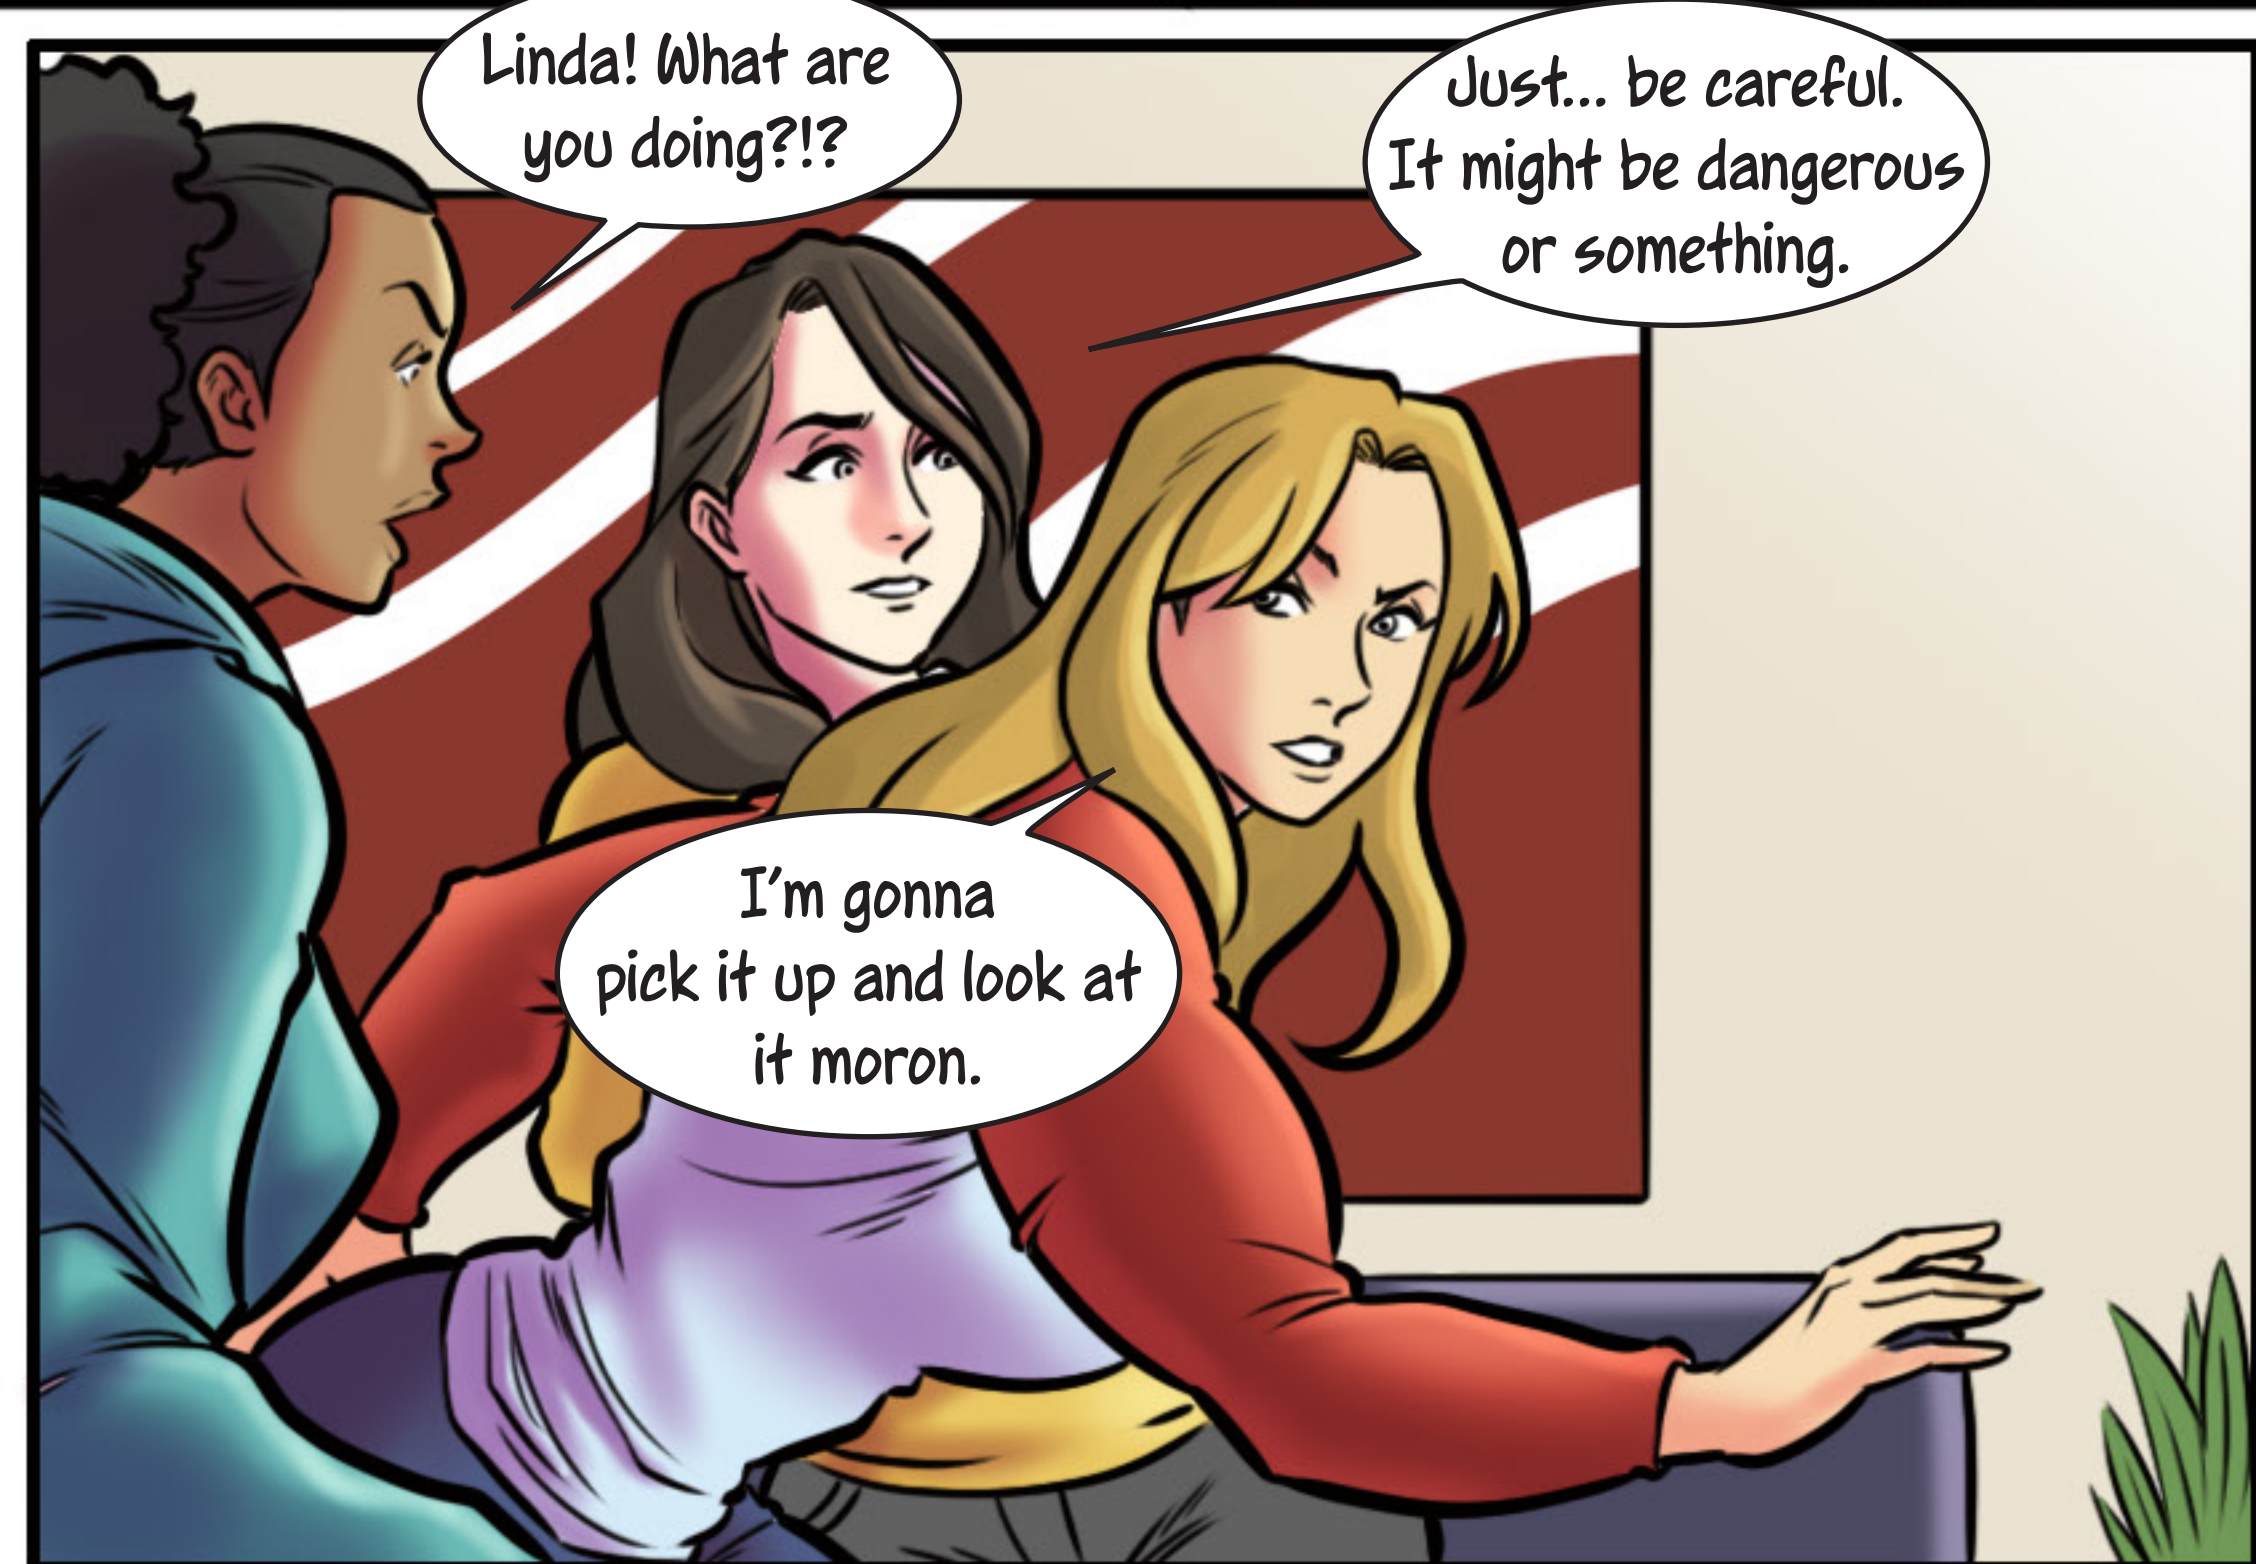

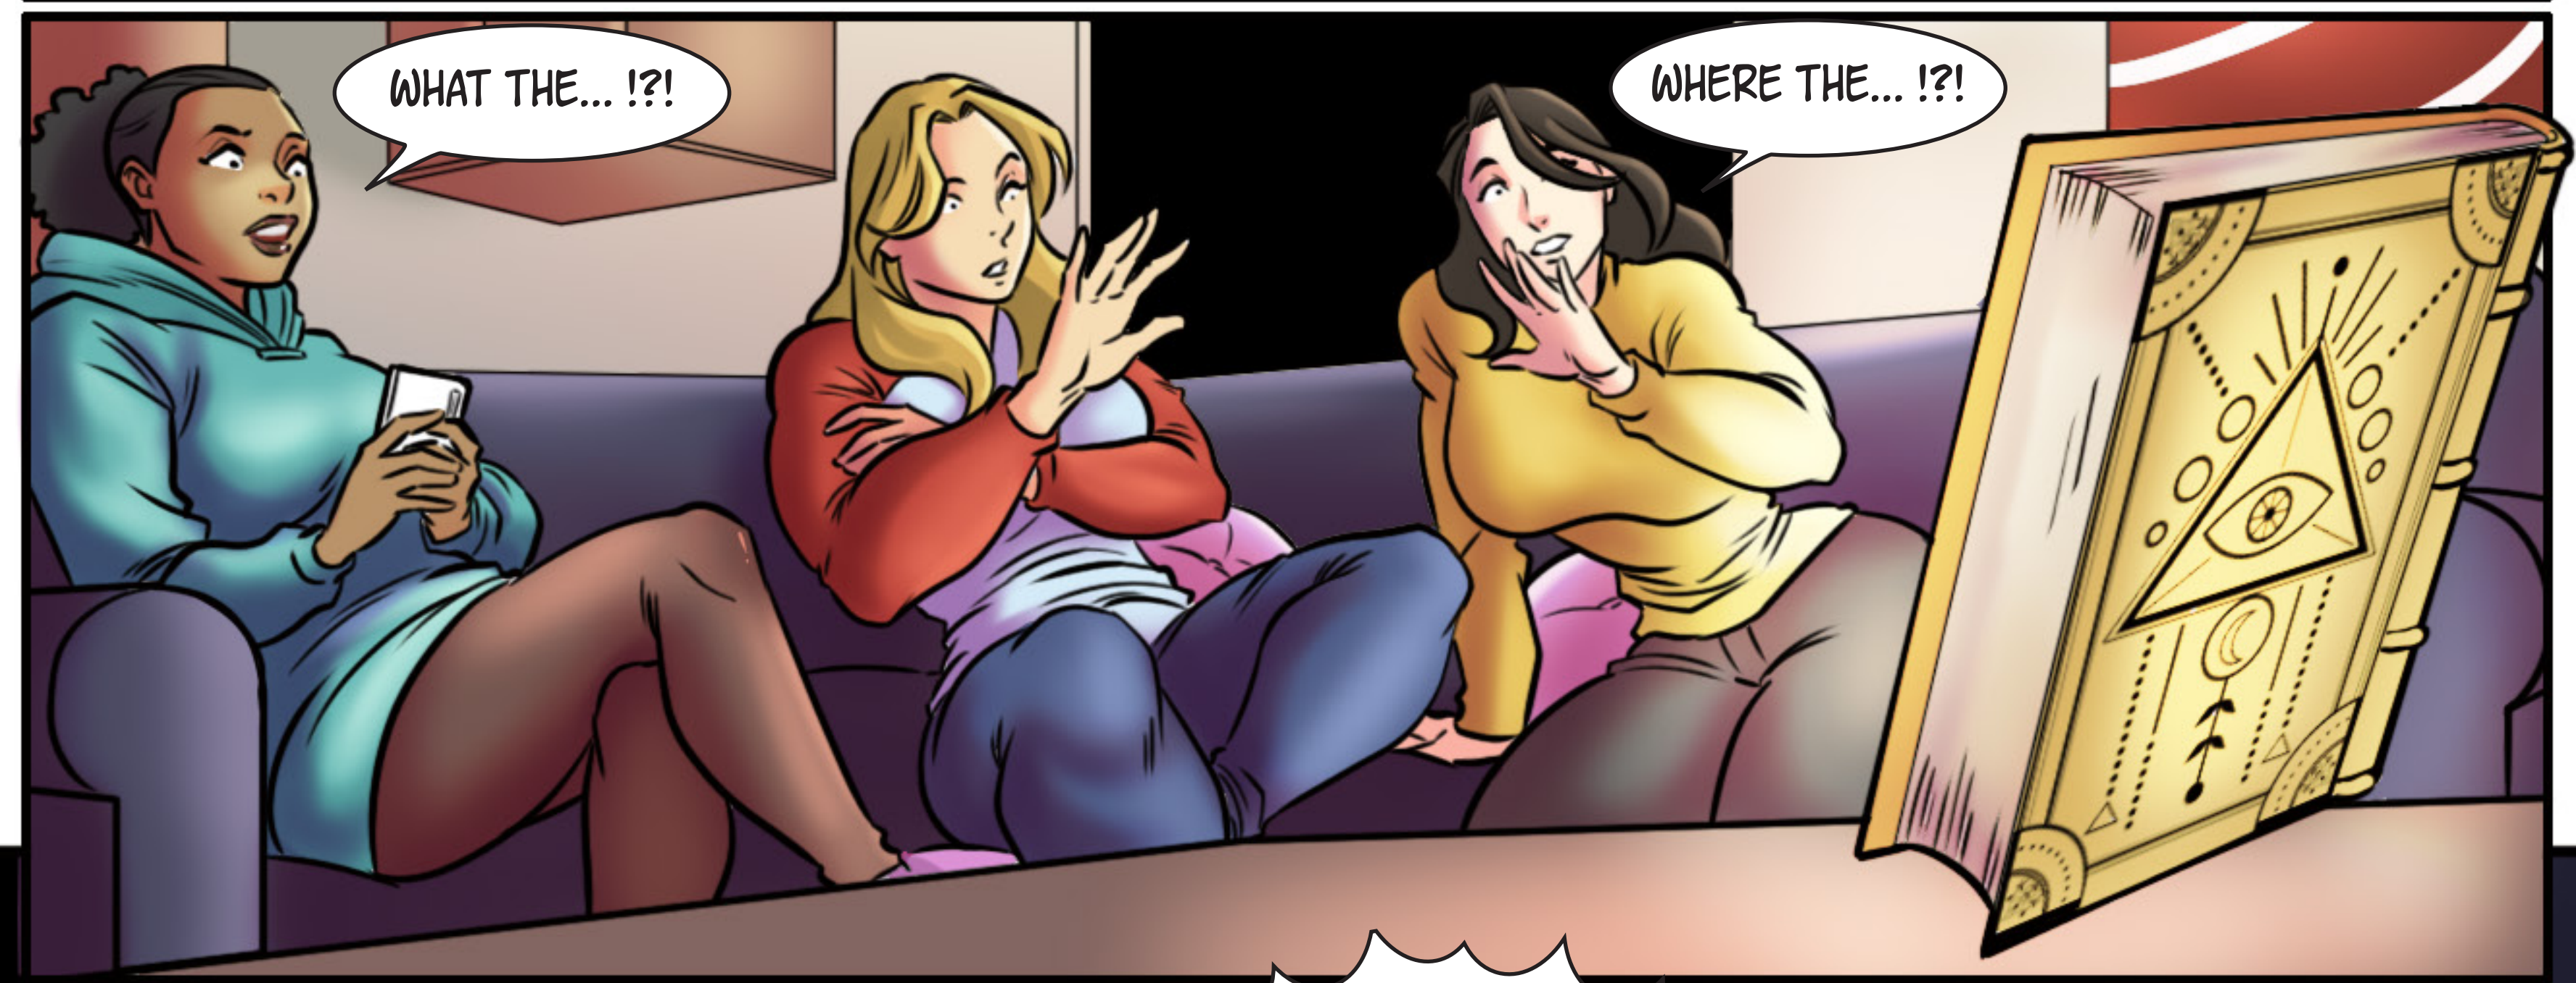

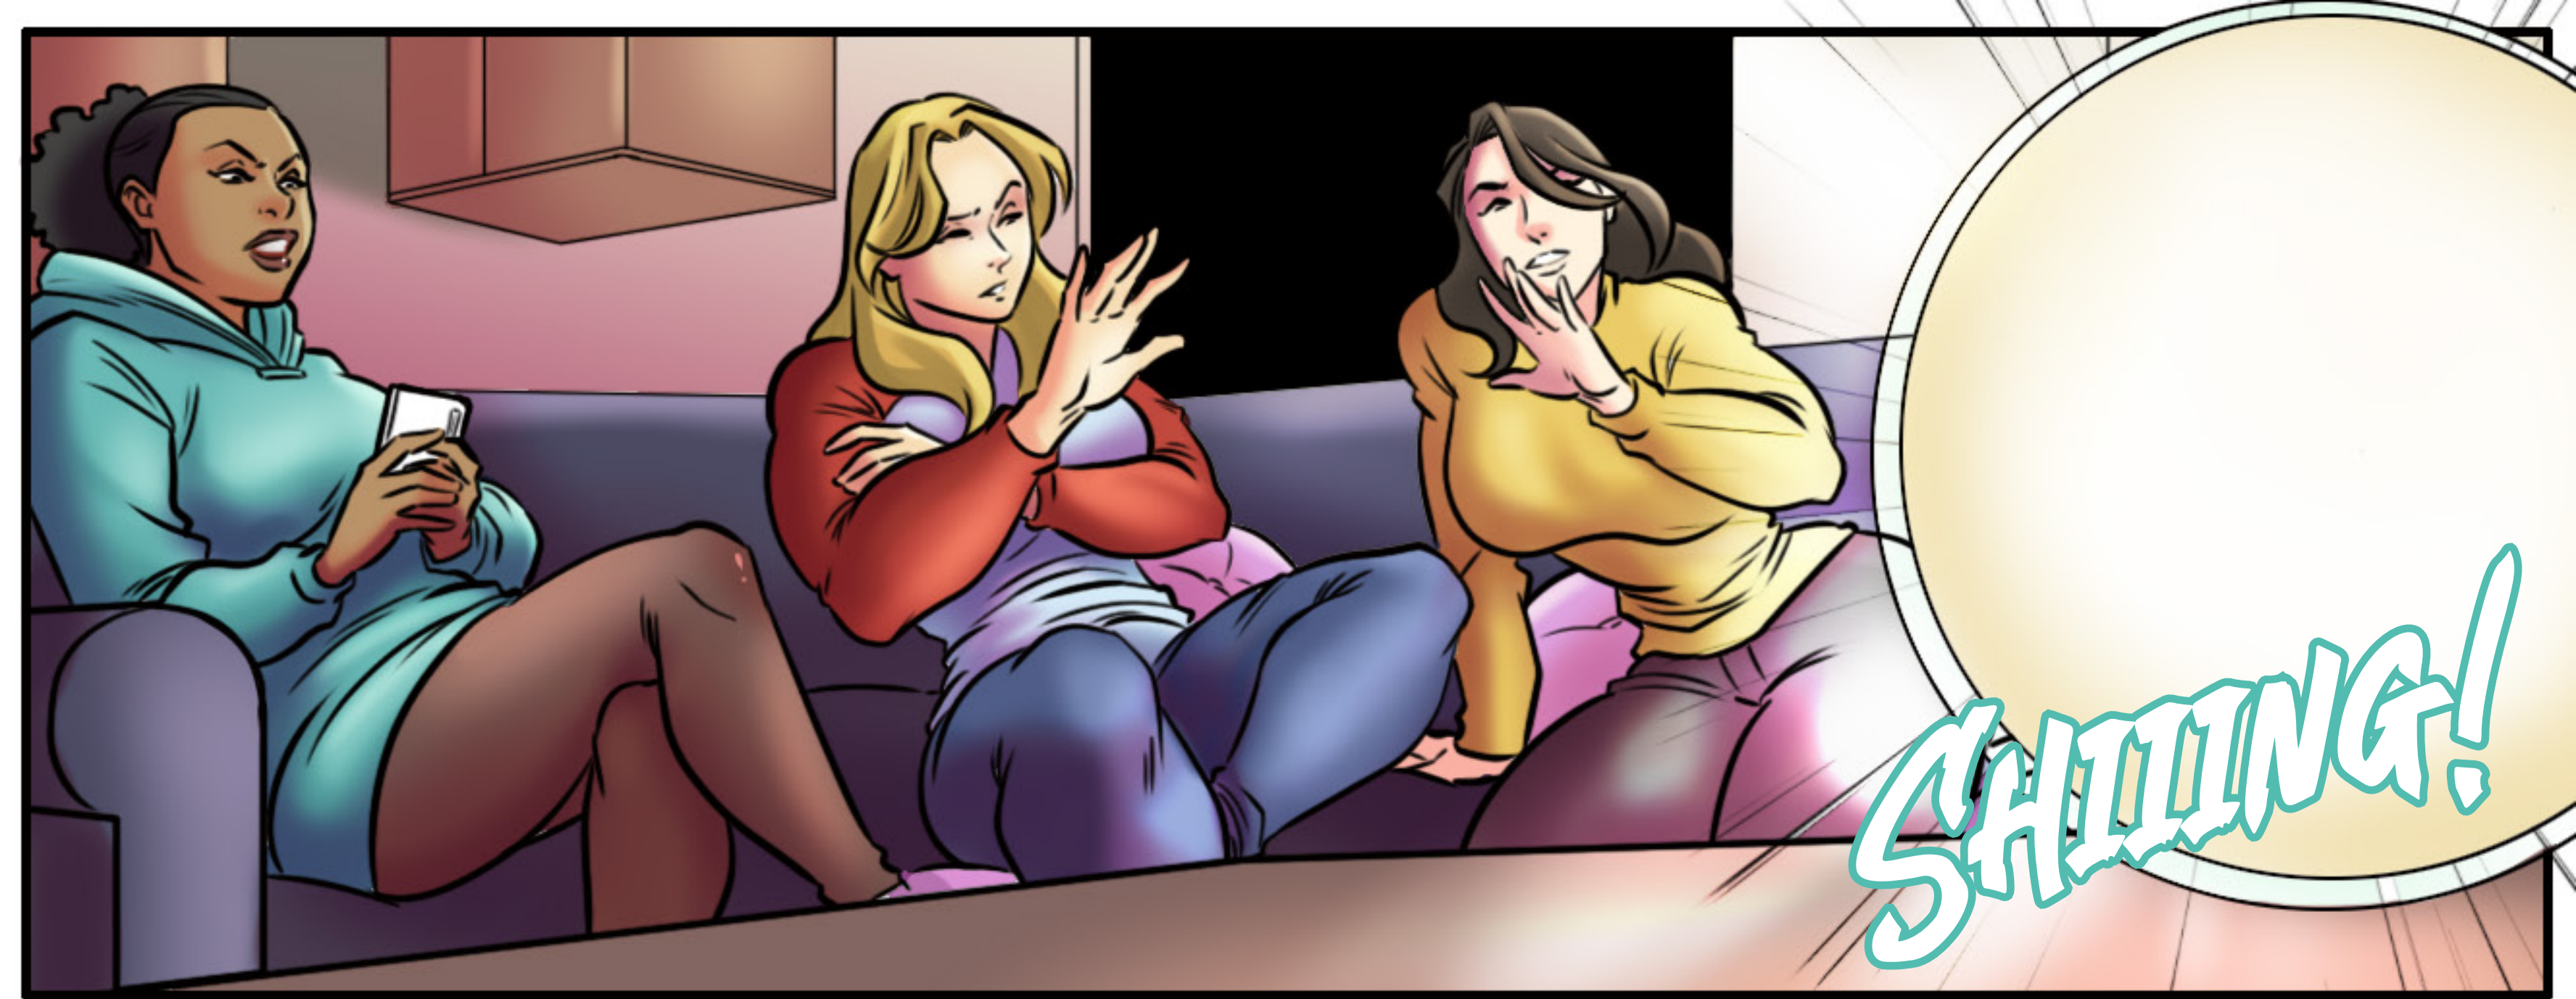

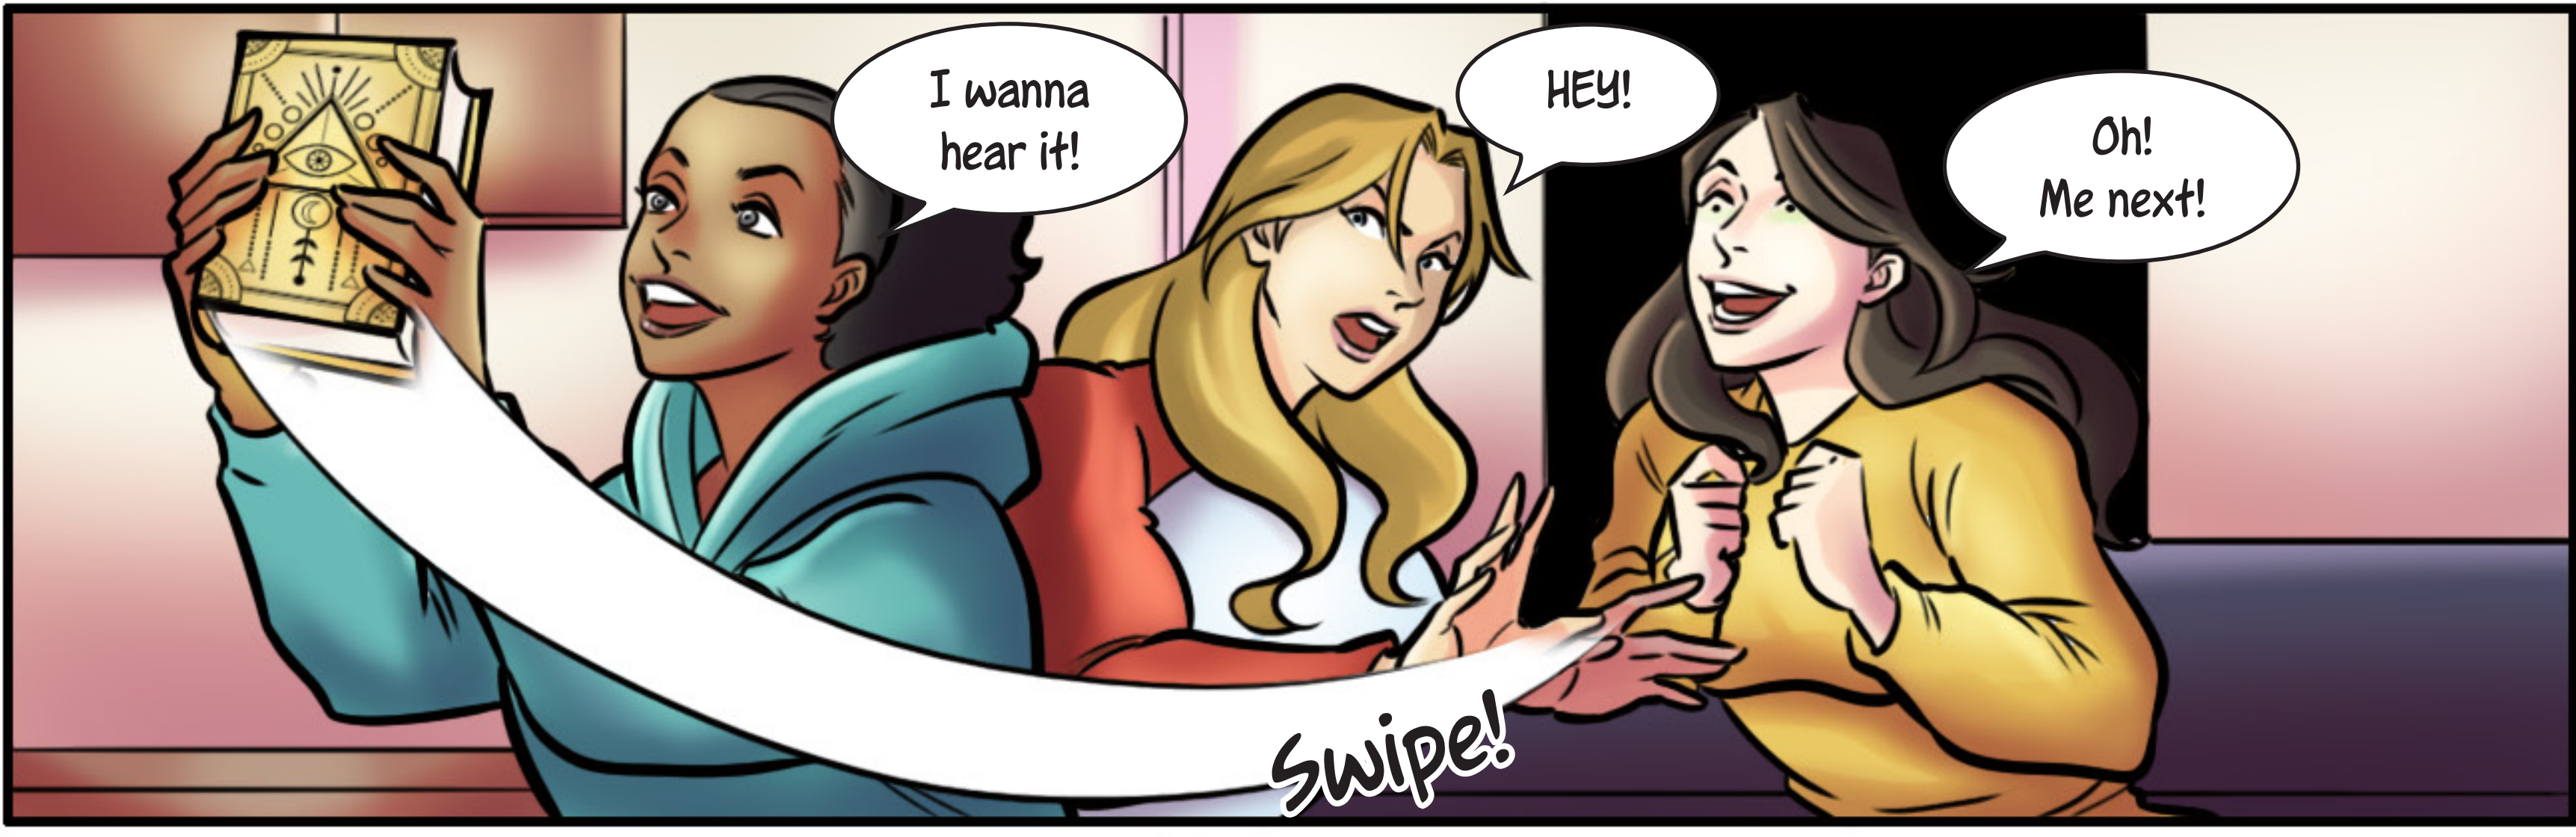

Whatever.
I don't know why I even
hang out with you two
wimps anyway.

Because,
we're the only ones
who'll put up with
your attitude.

Haha. Good
one Tiffany!

I wanna hear it!

HEY!

Oh! Me next!

Swipe!

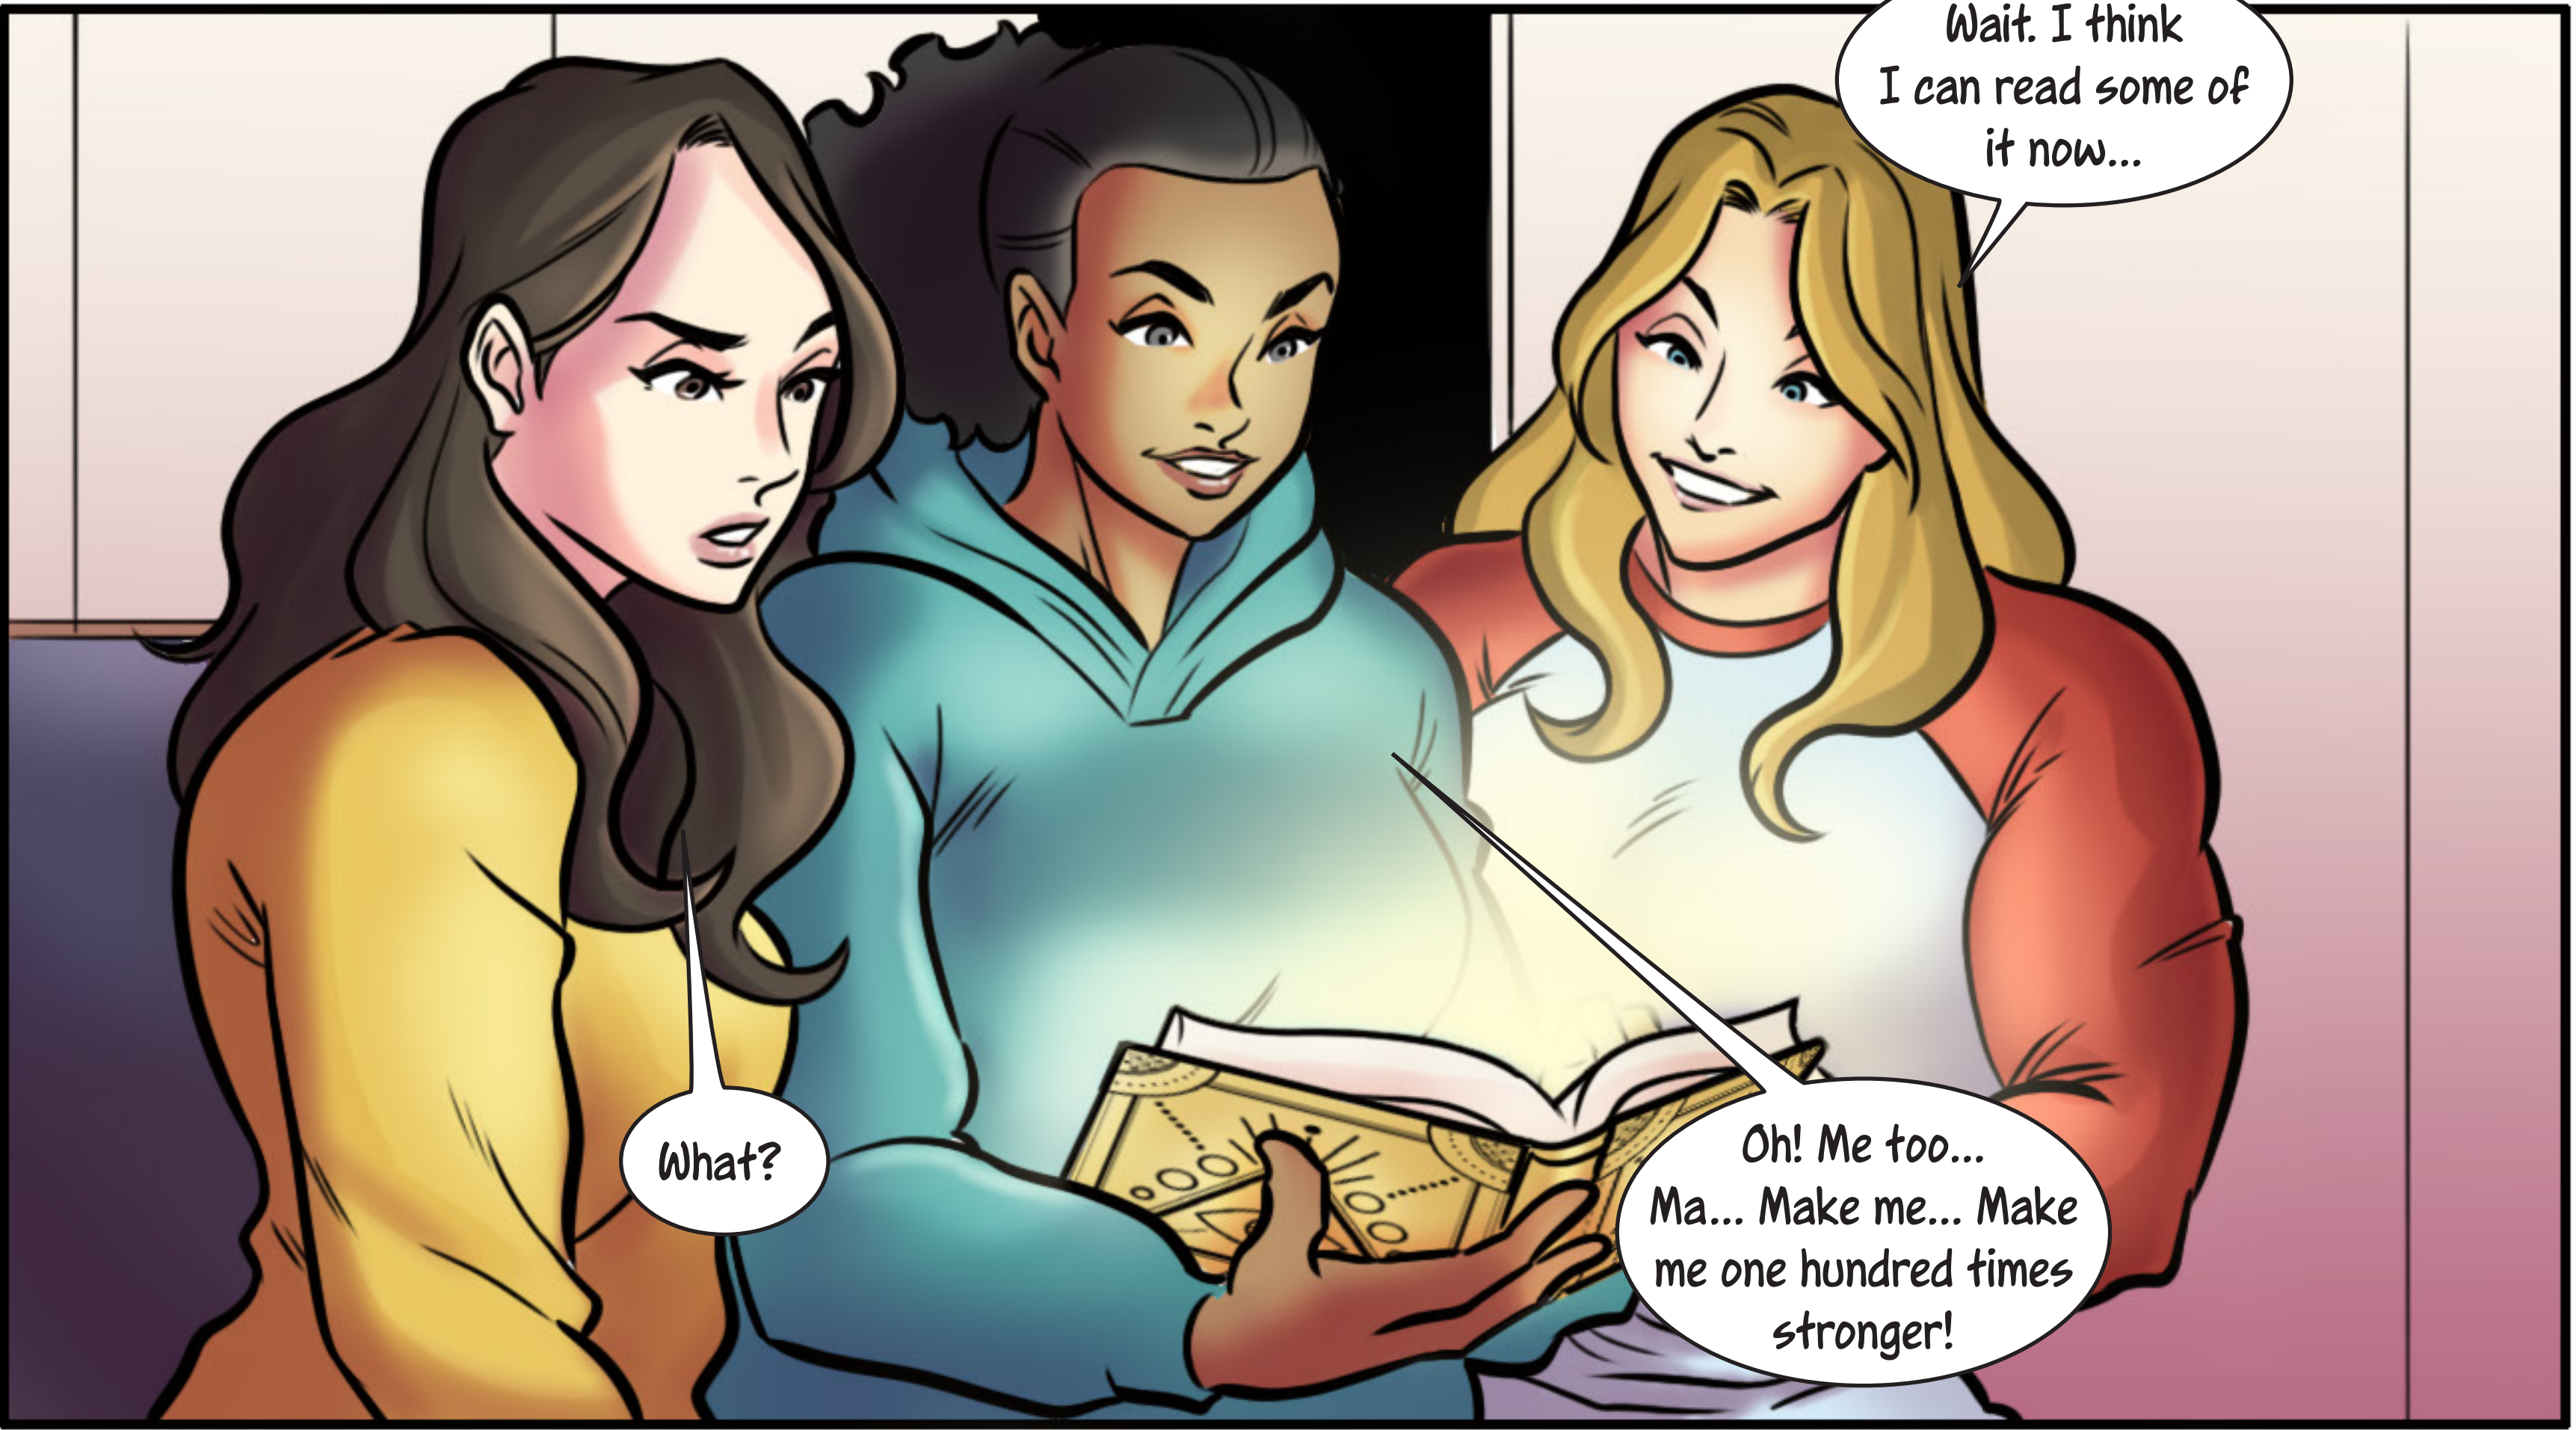

I don't hear anything... I wonder what's inside...

How's it doing that?

Whoa!

The symbols keep changing and moving around...

What?

Wait. I think I can read some of it now...

Oh! Me too... Ma... Make me... Make me one hundred times stronger!

Sounded like she just said... Igna tull bah rамет.

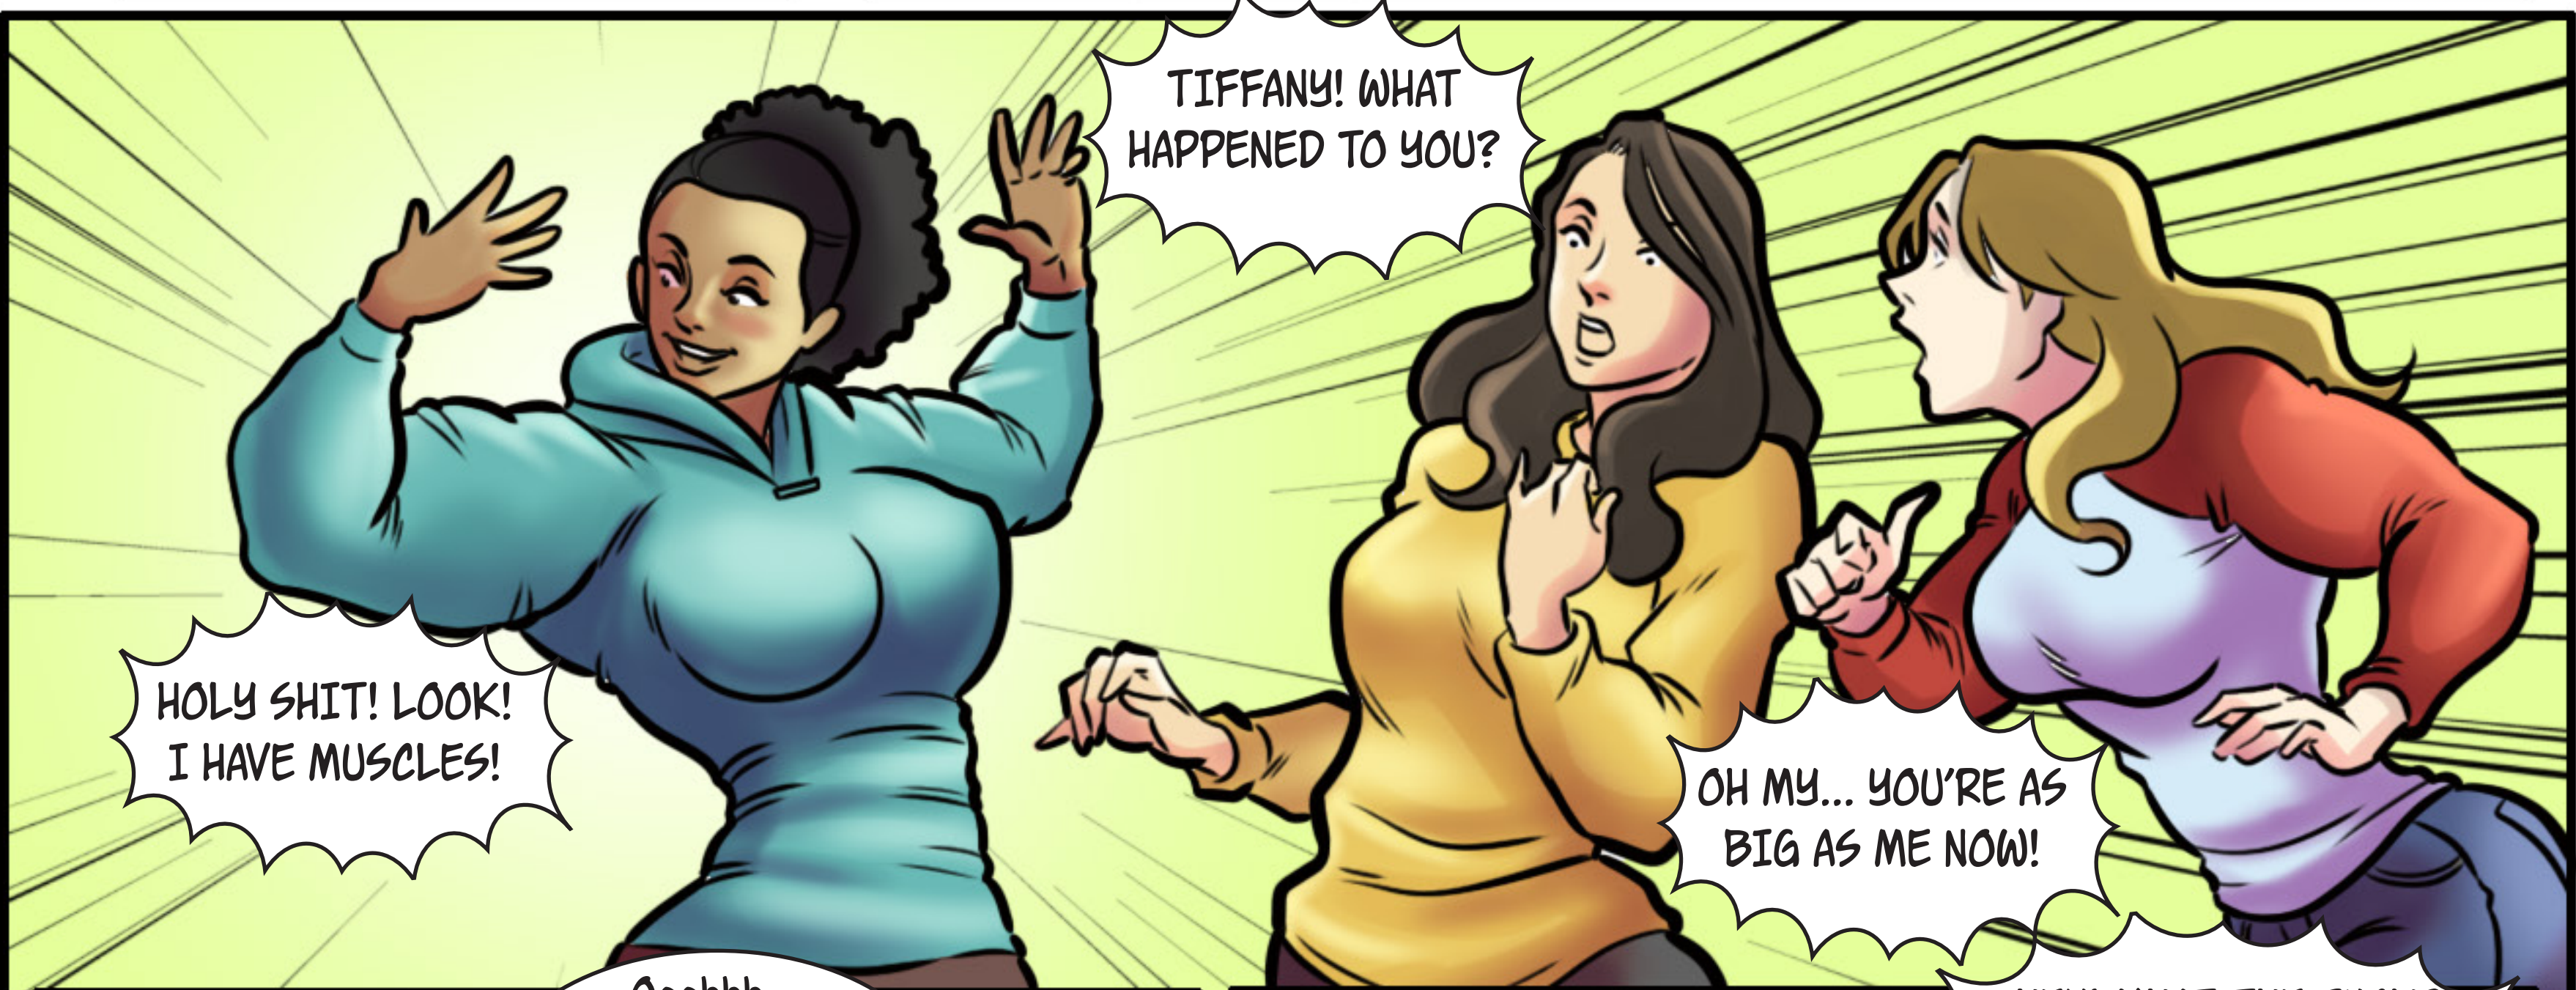

poke

poke

Yeah that's what I thought she said too.

Mmmmm...

TIFFANY! WHAT HAPPENED TO YOU?

HOLY SHIT! LOOK! I HAVE MUSCLES!

OH MY... YOU'RE AS BIG AS ME NOW!

Ooohhh... it's so big and hard! I... I feel so strong now! I wonder...

This... this is some kind of magic book!

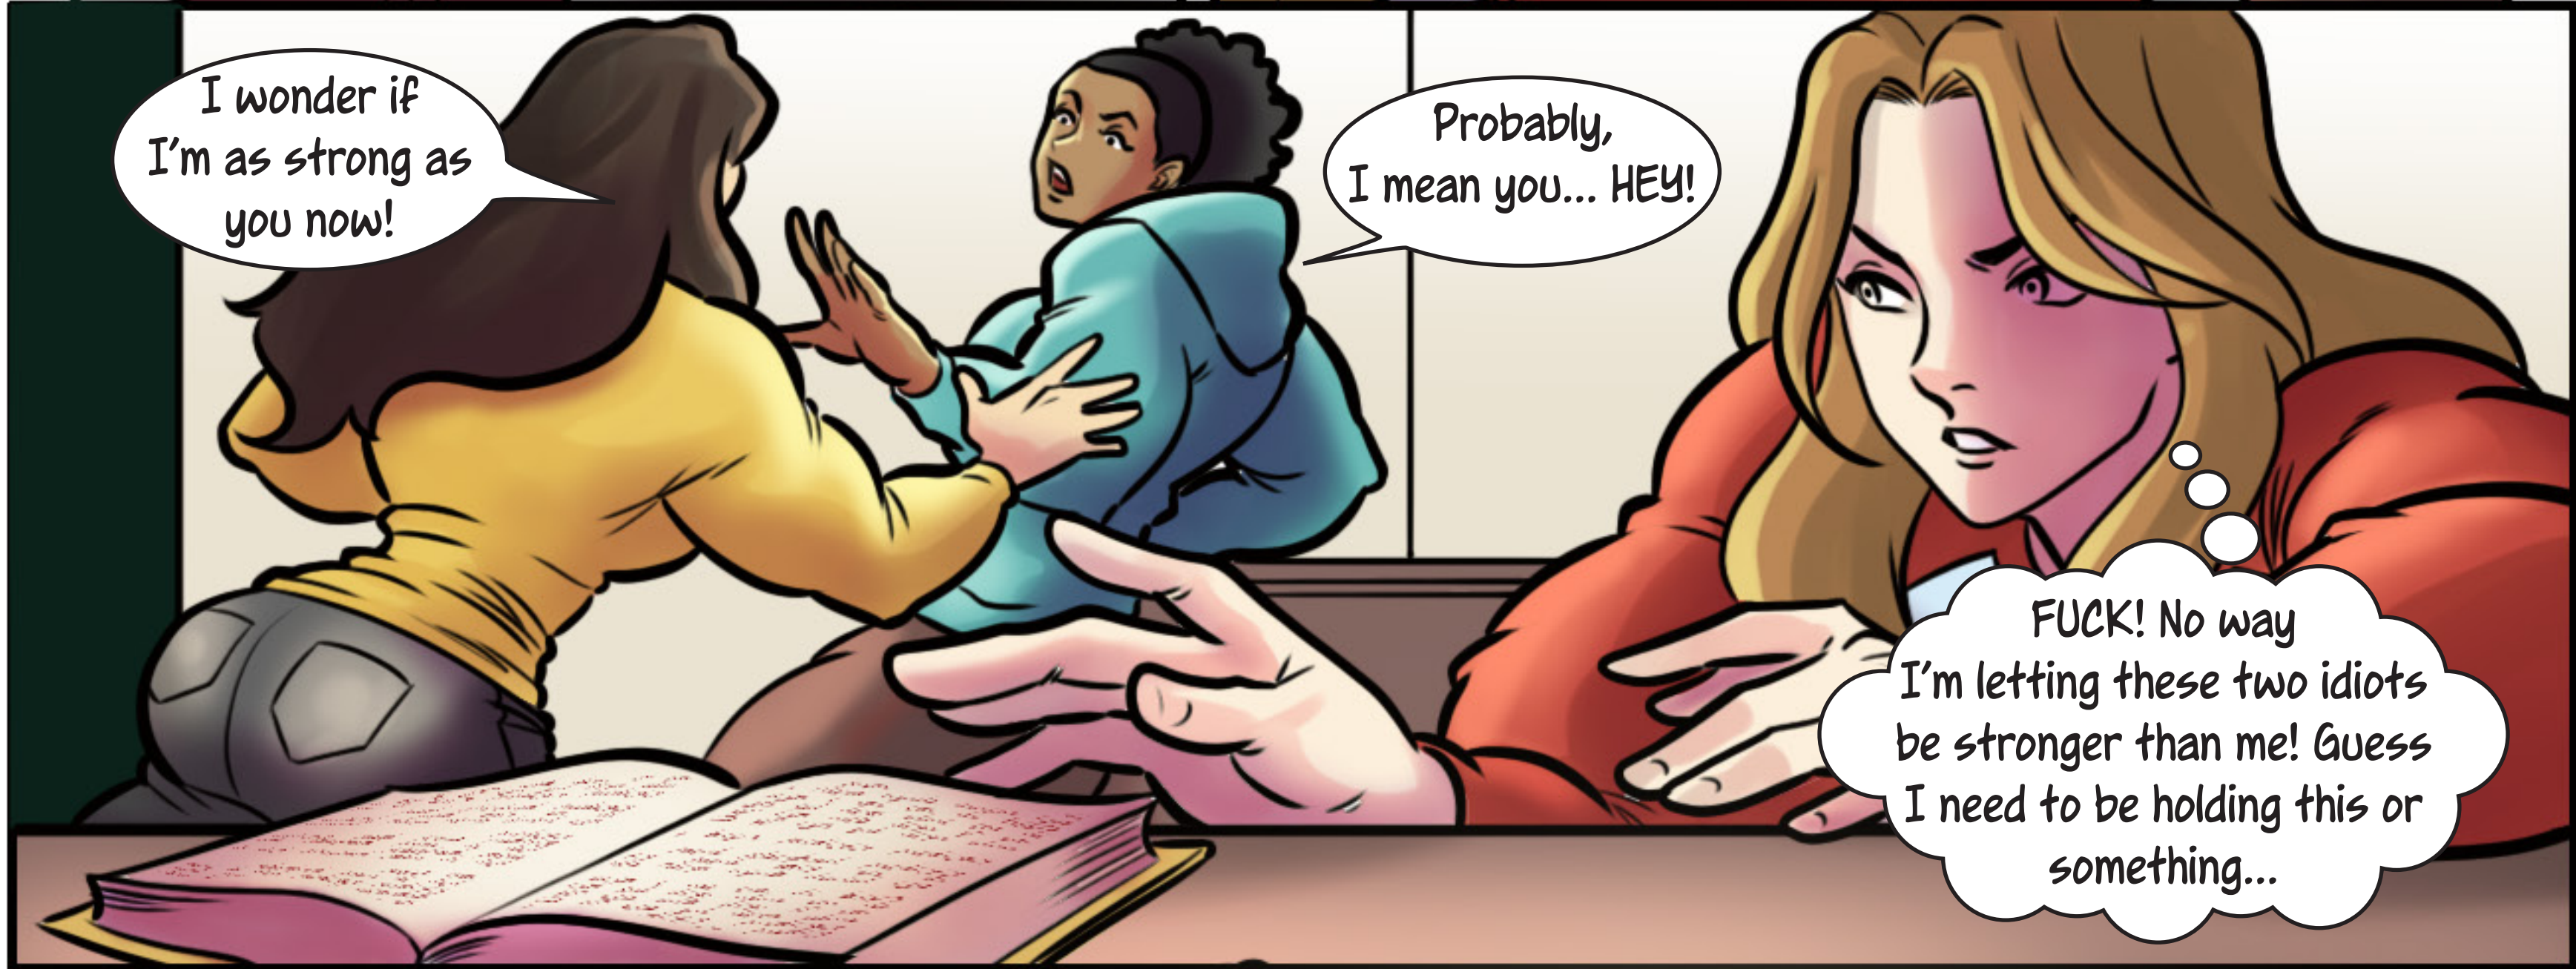

Igna tull bah rамет! Igna tull bah rамет! Igna tull bah rамет! FUCK! Why isn't it working!?!

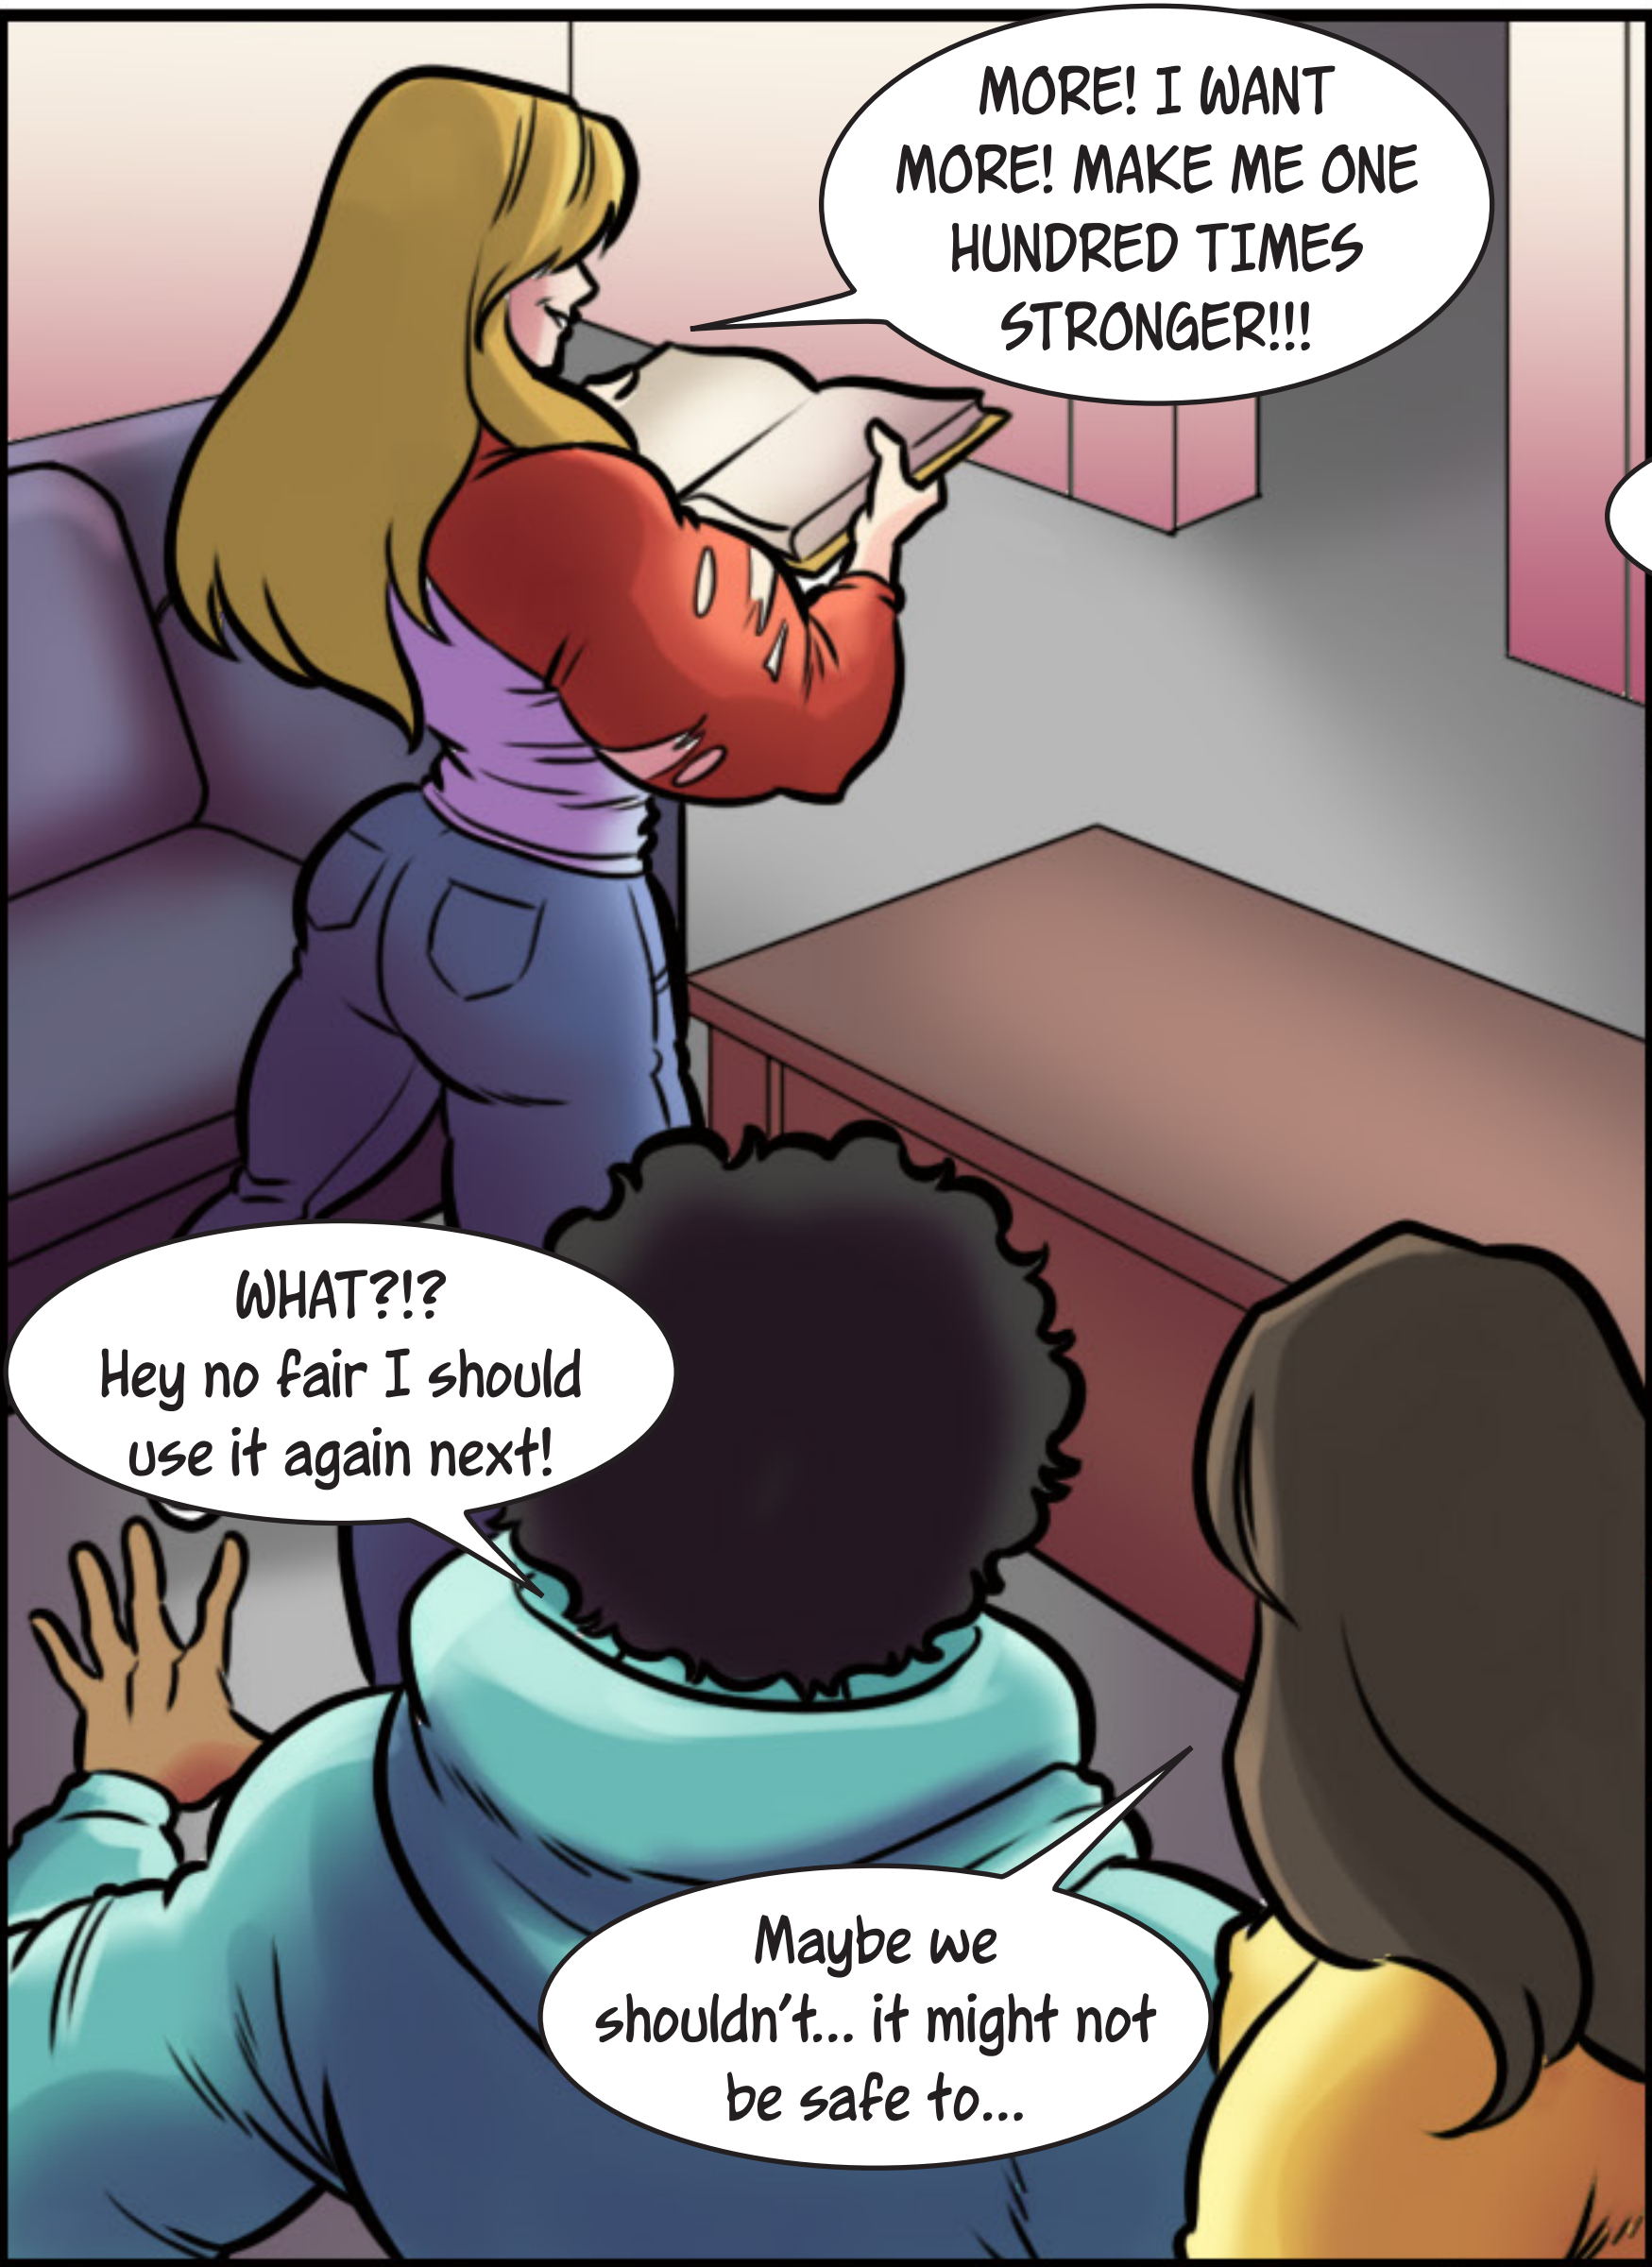

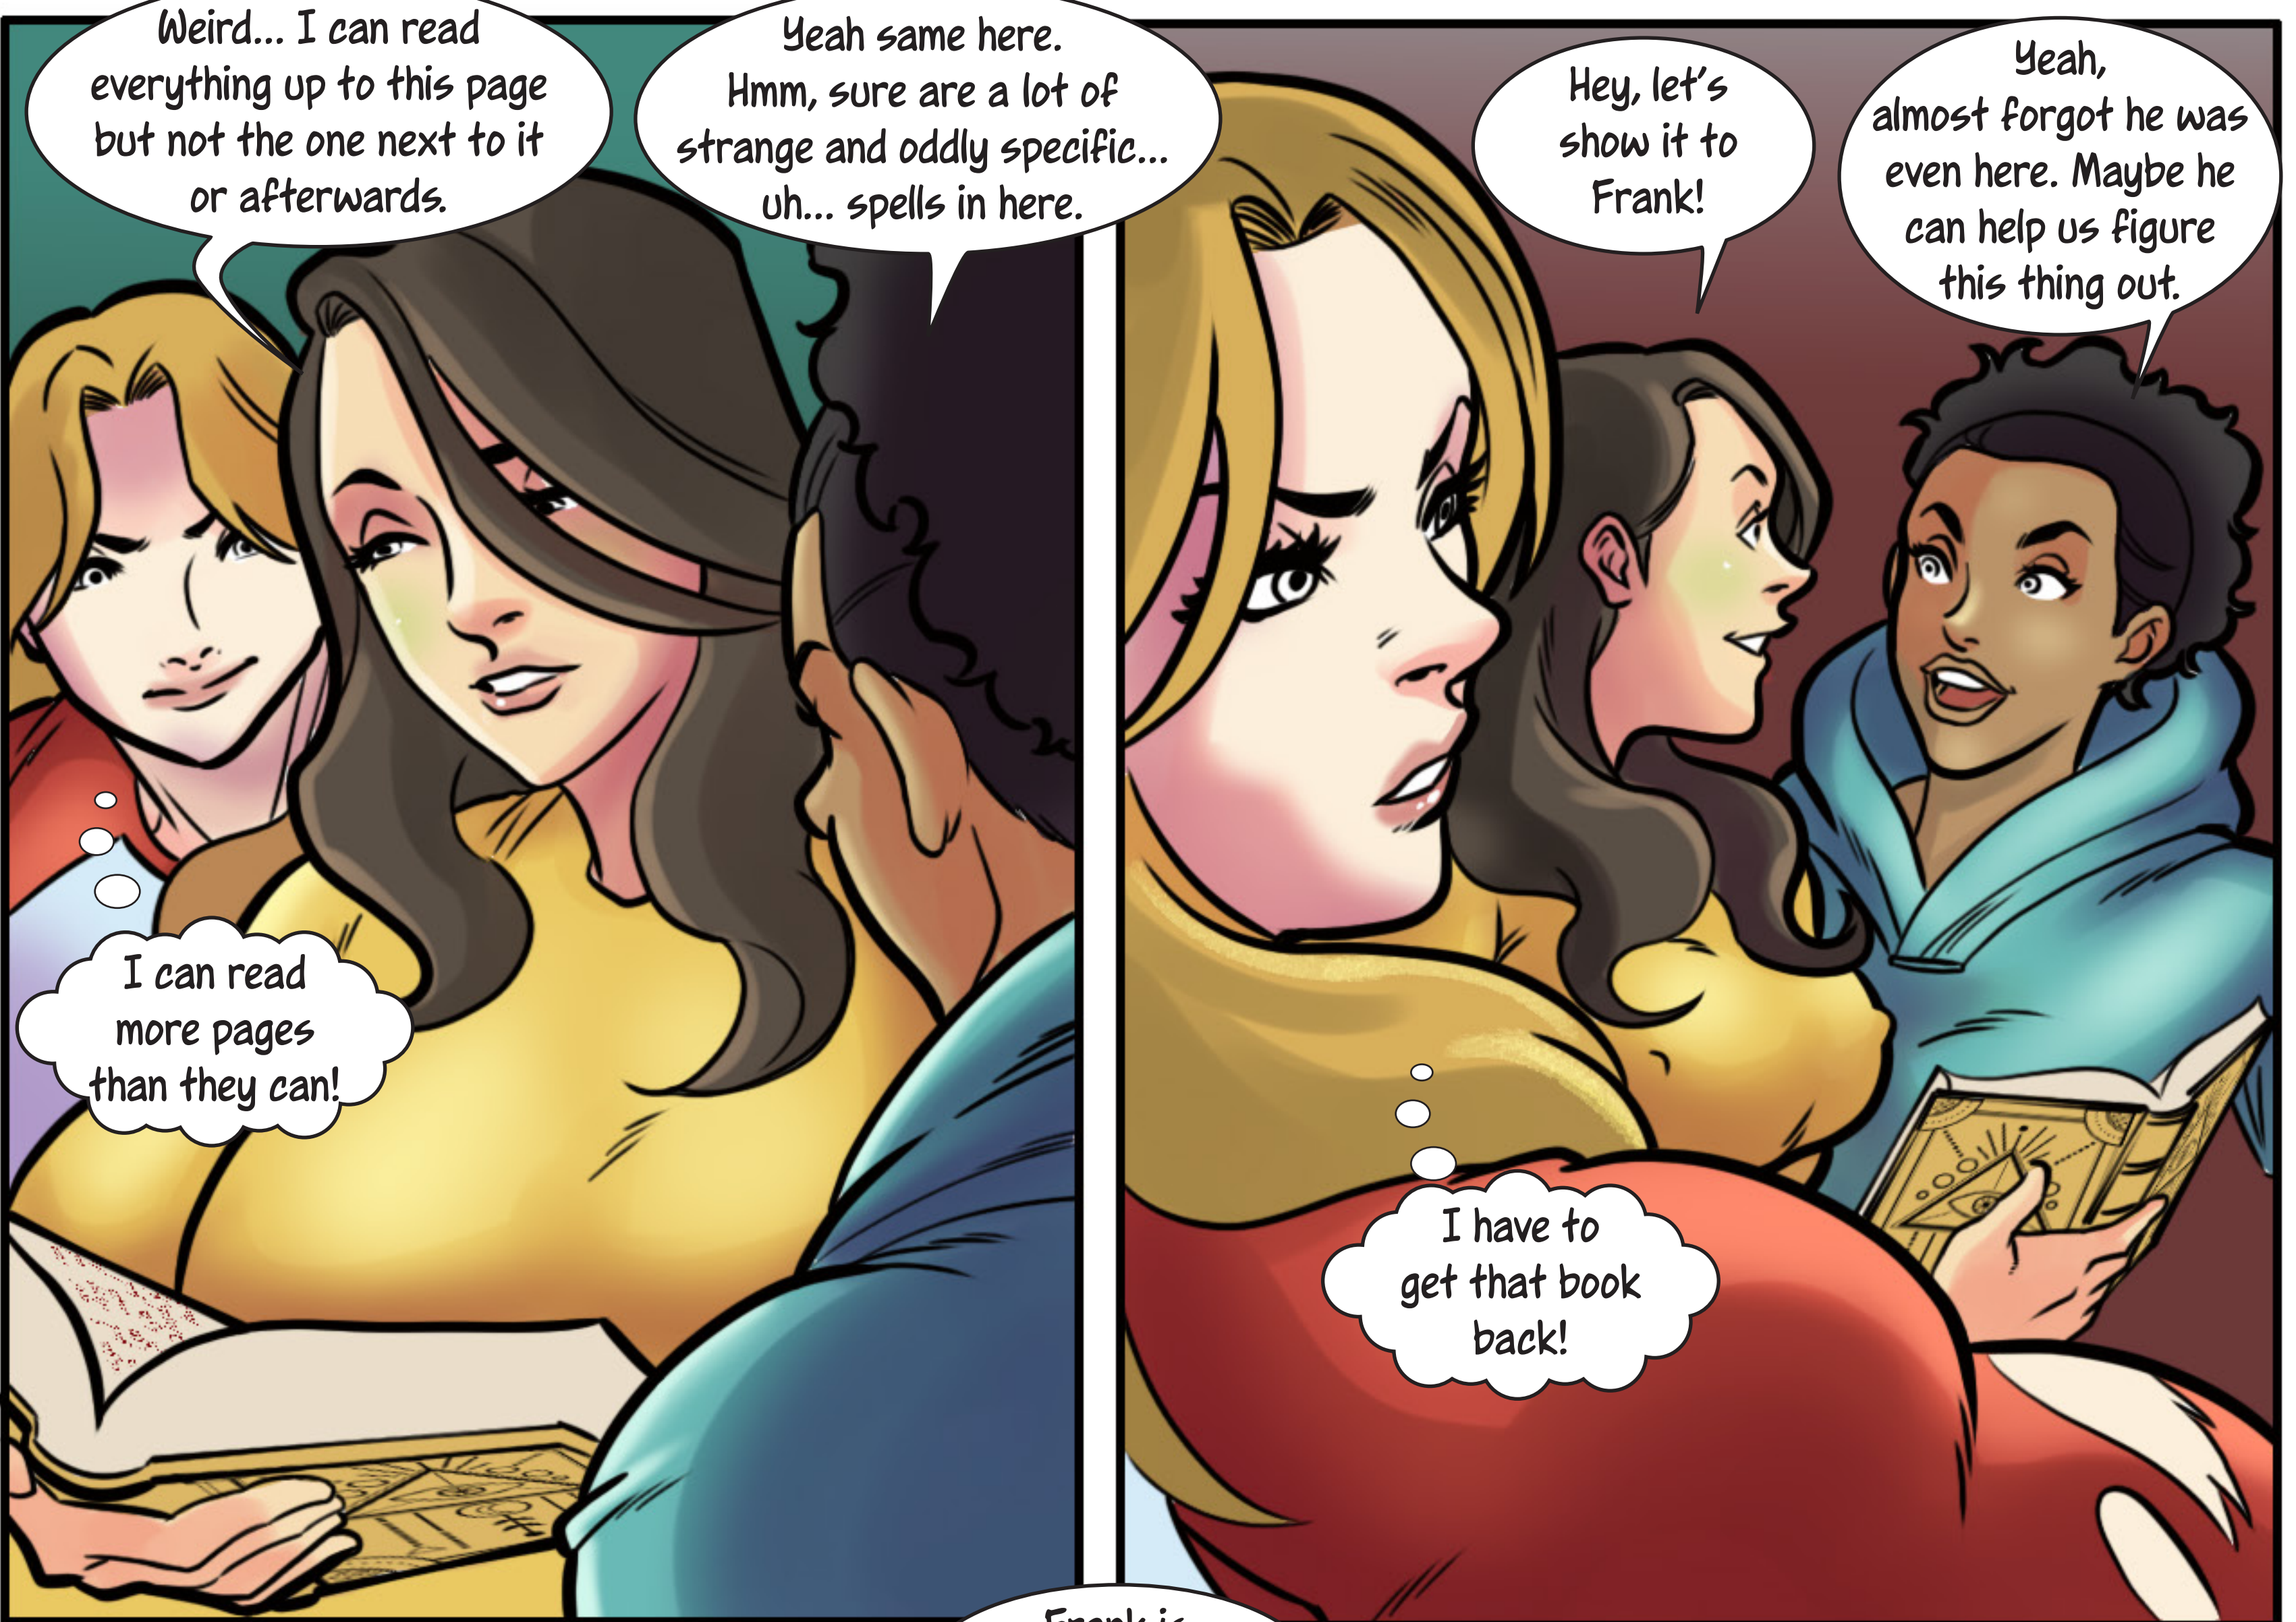

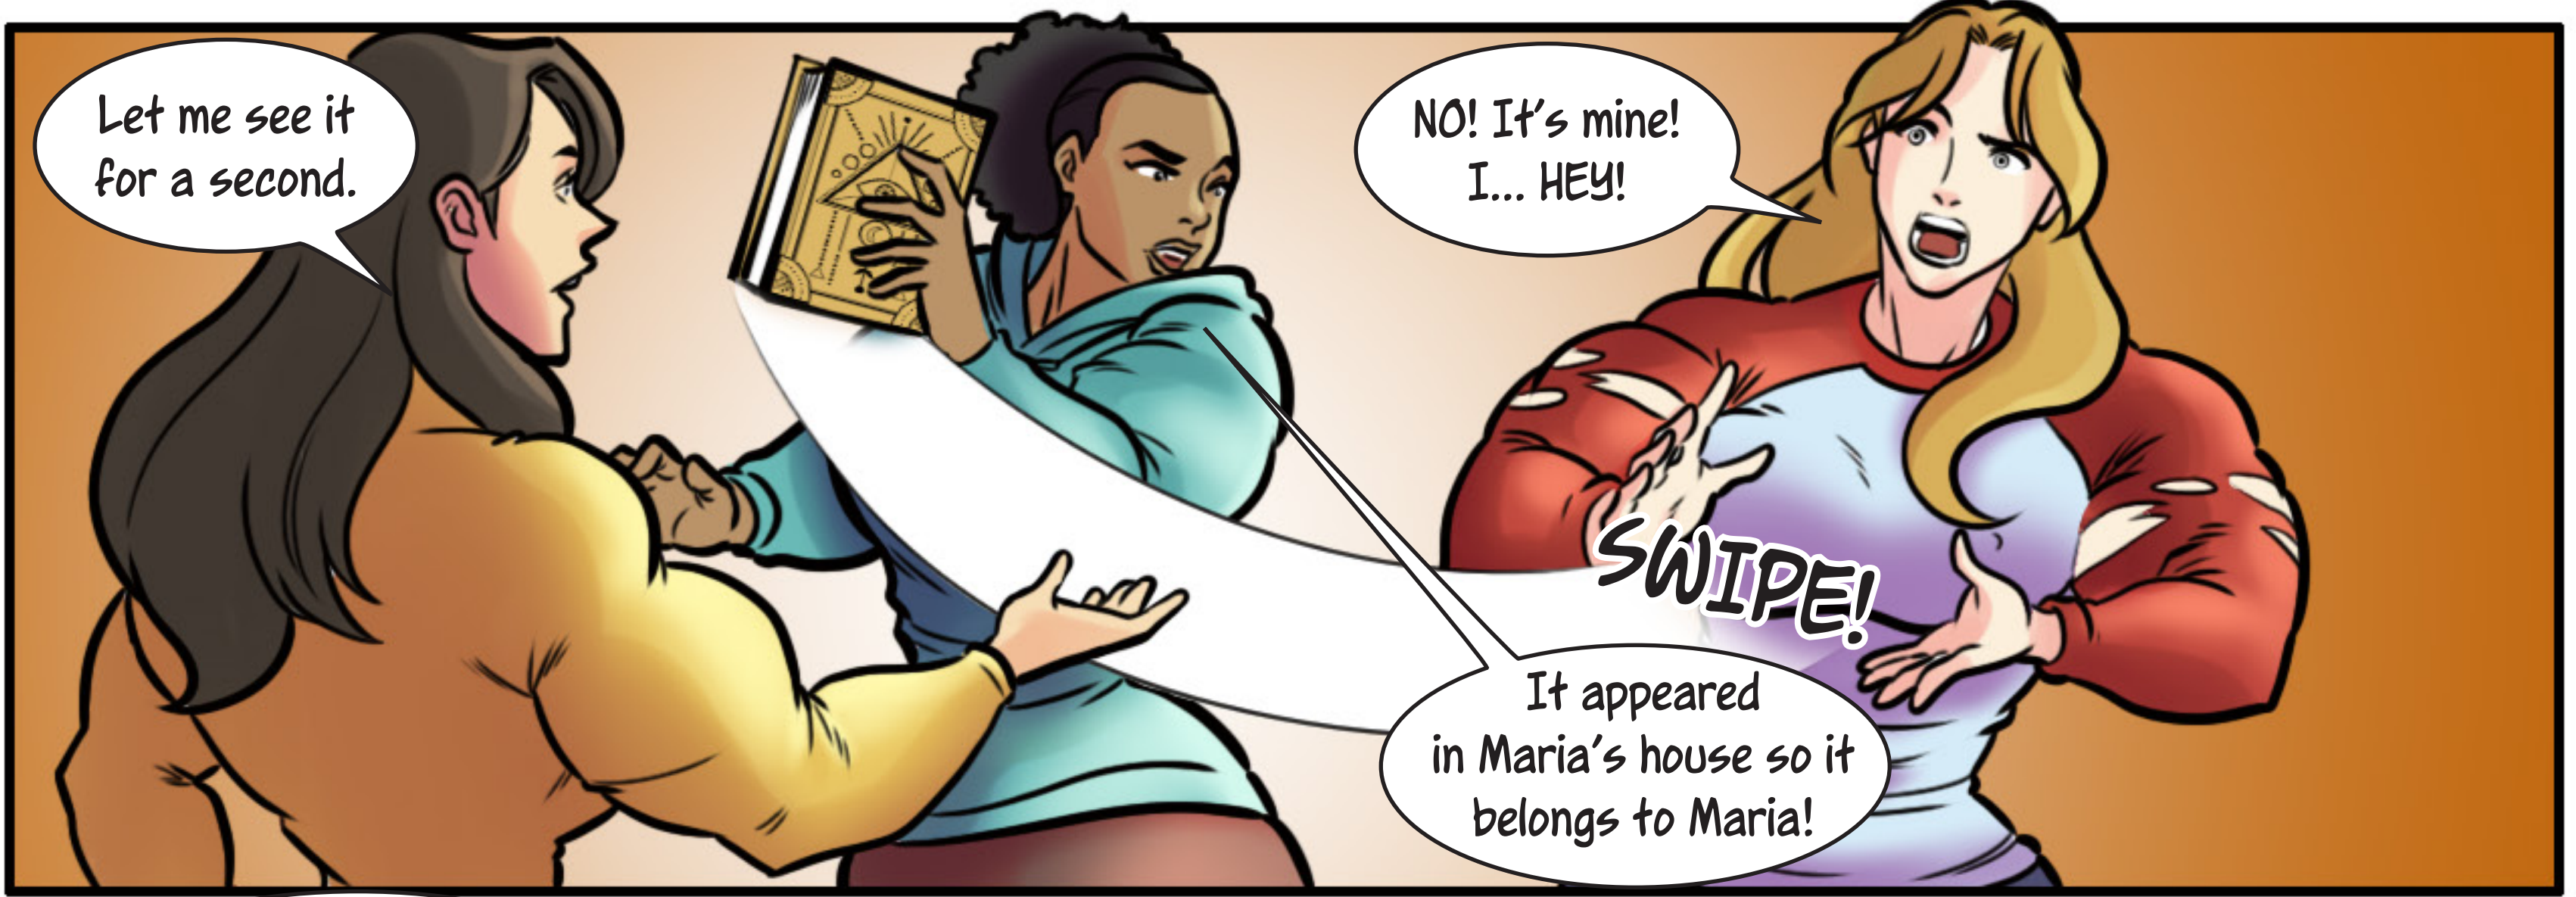

HEY! WHAT THE FUCK? YOU'RE HOLDING ME UP OFF THE FLOOR!

HAHA! Who's the wimp now?

Make me one hundred times stronger!

Moments later...

...and then we came down here to see you. So what do you think dear?

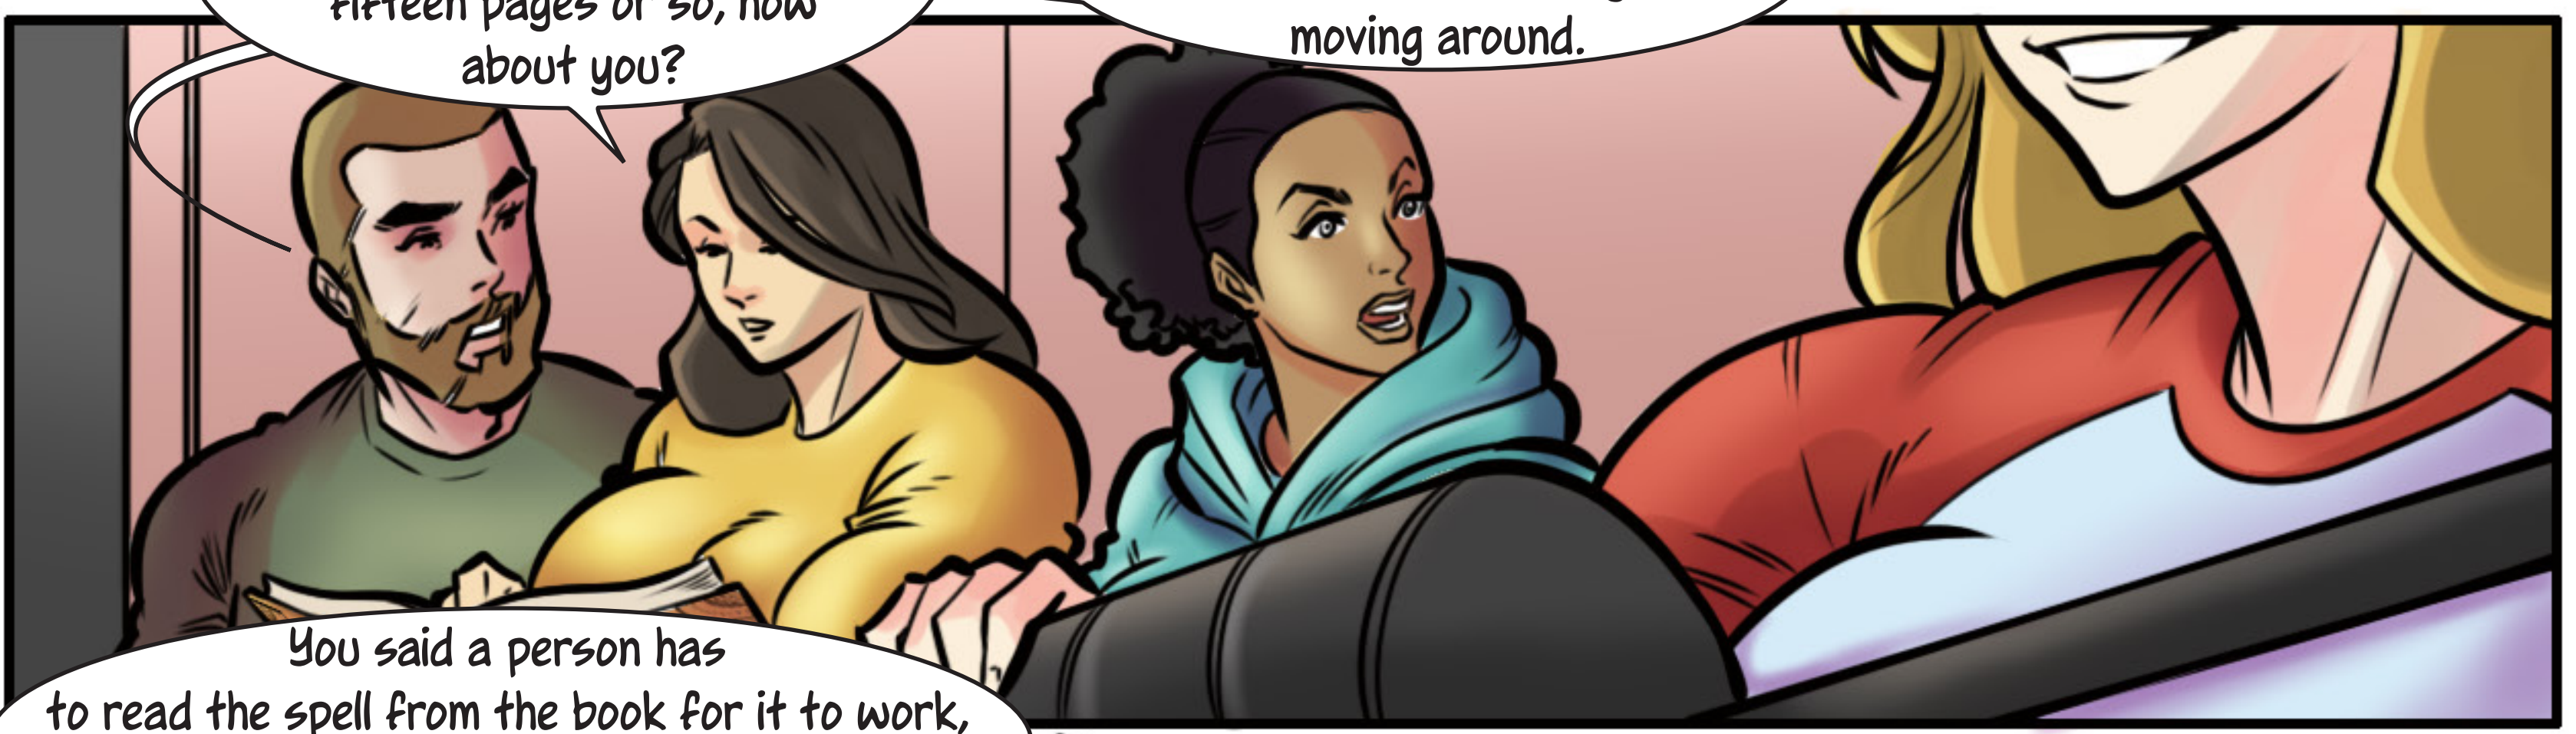

It's unbelievable but... well... look at you three!

Huh? Oh, yeah it sounds crazy but we were hoping you could help us figure out what's going on.

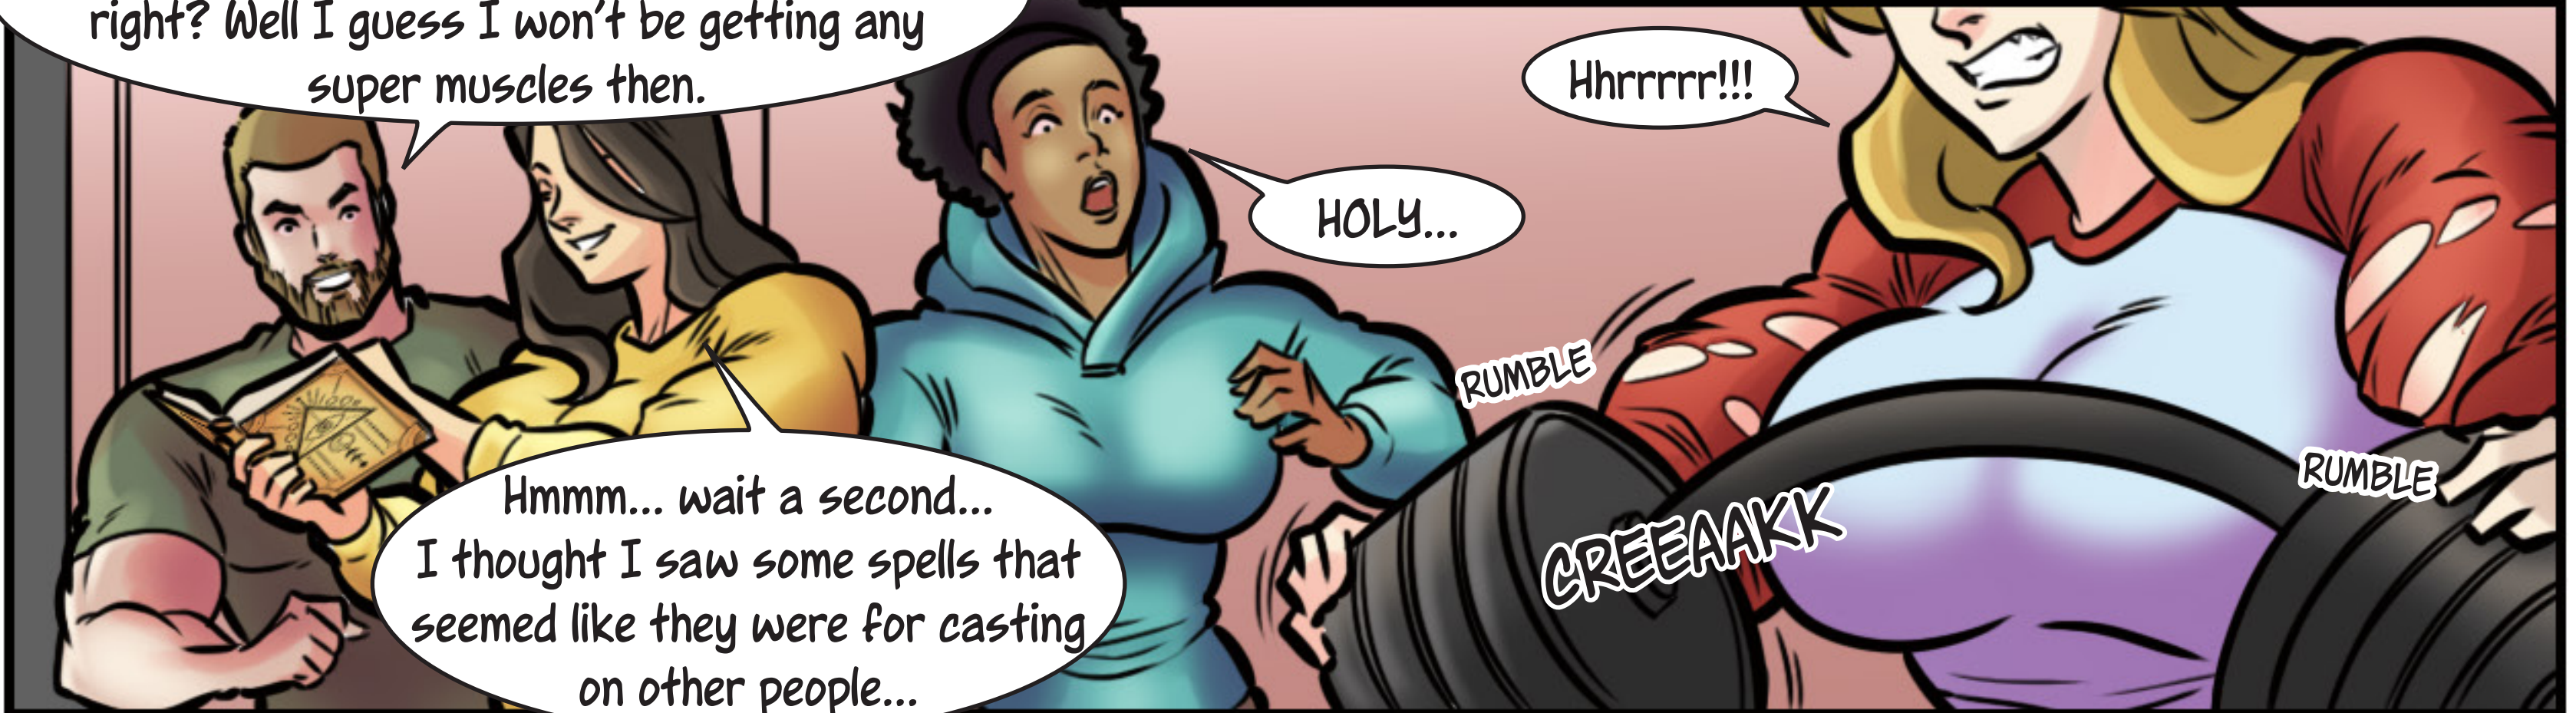

48 ...49... 50! HAHA! Fifty reps of five hundred pounds with just one arm! I'm the strongest person in the world!

Here, look at these uh... spells. We can only read the first fifteen pages or so, how about you?

What? You can read this? All I see is a bunch of symbols moving around.

You said a person has to read the spell from the book for it to work, right? Well I guess I won't be getting any super muscles then.

HOLY...

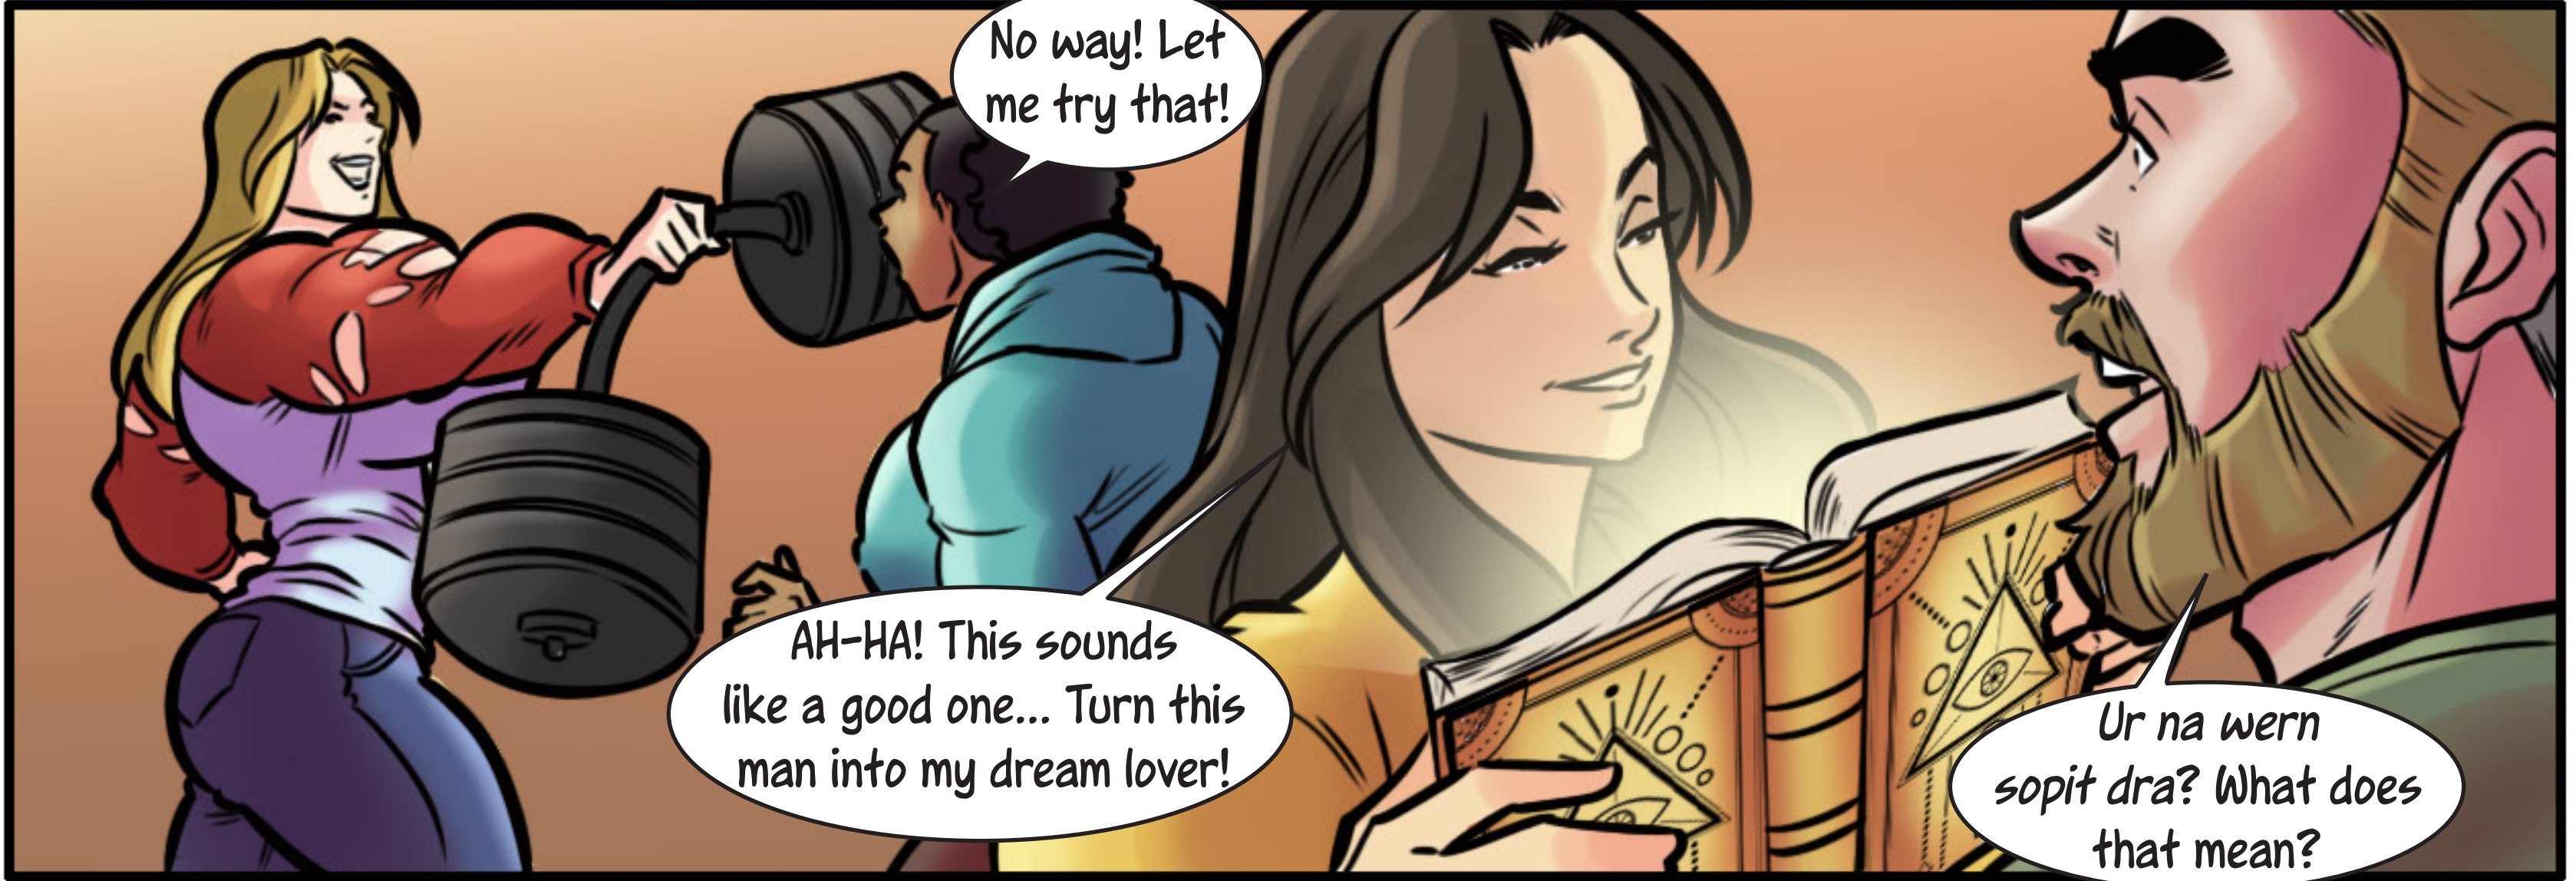

Hhrrrrr!!!

Hmmm... wait a second... I thought I saw some spells that seemed like they were for casting on other people...

RUMBLE

CREEAAKK

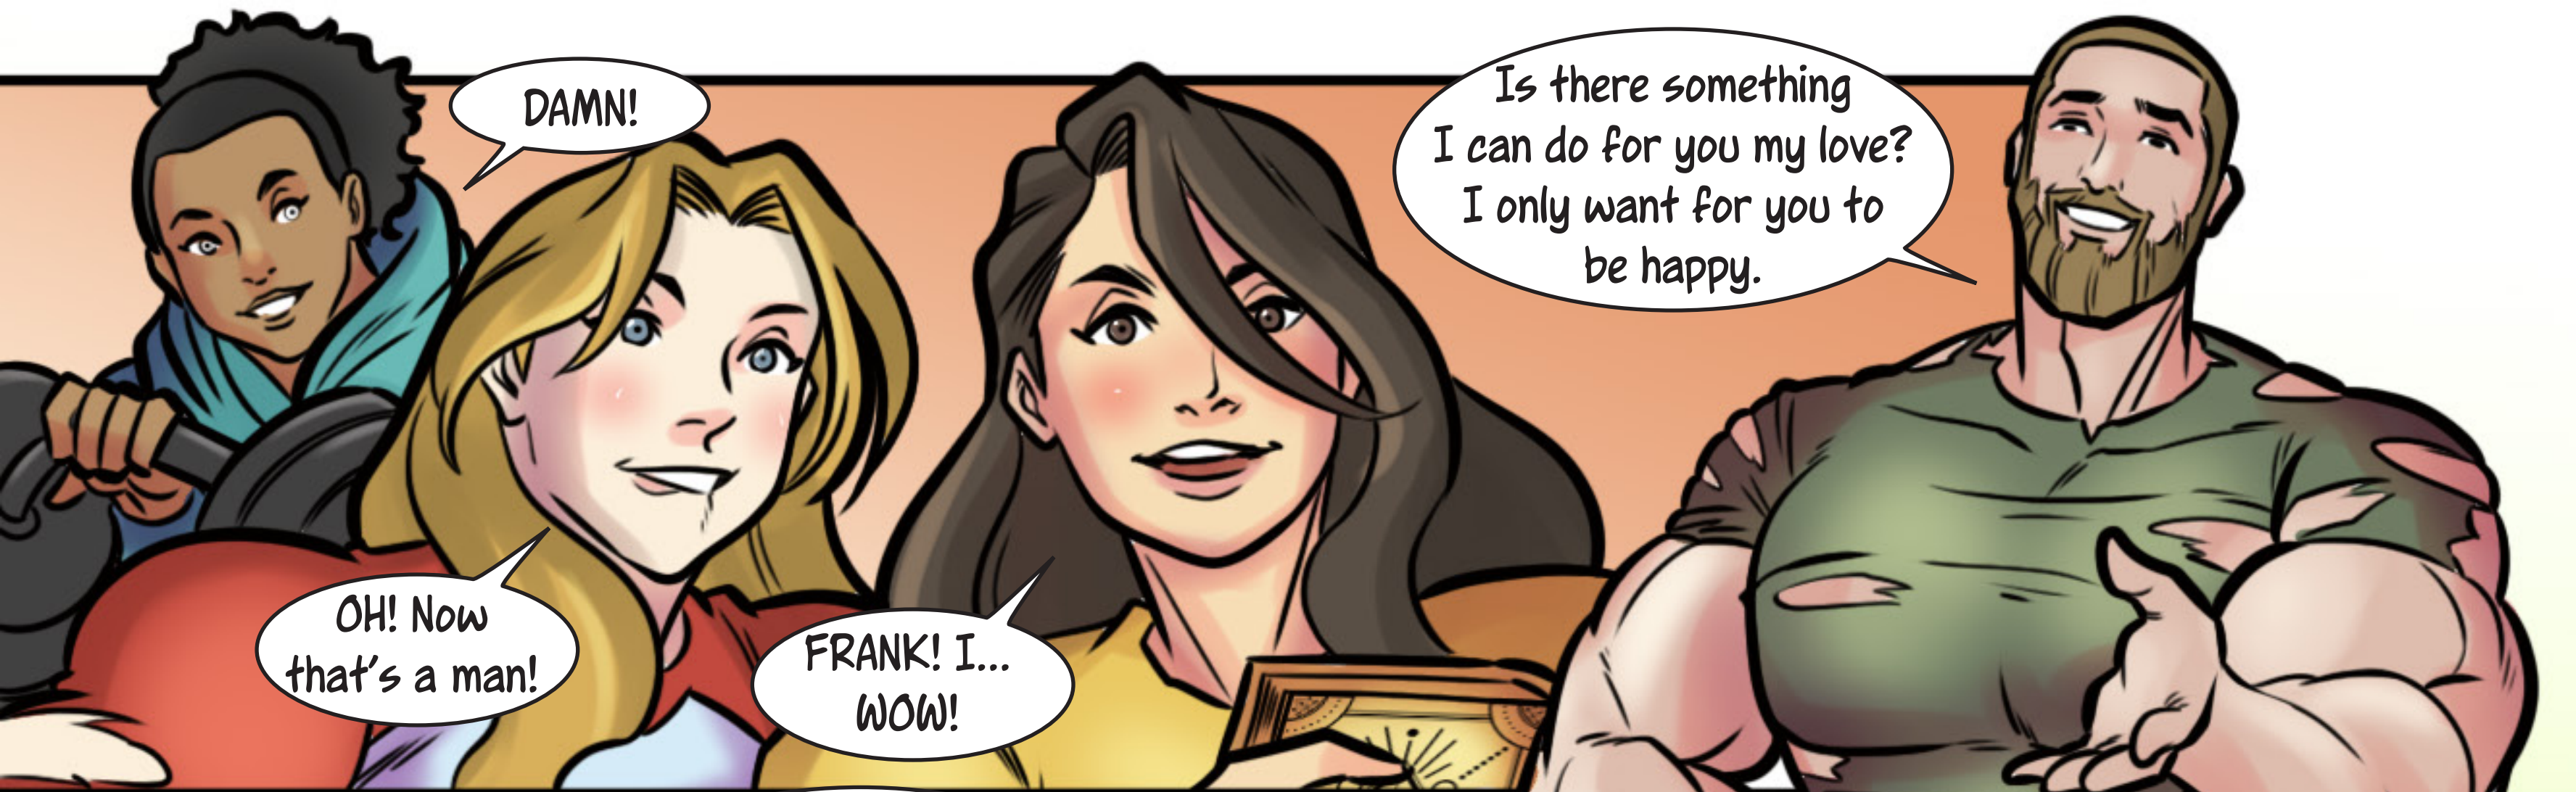

RUMBLE

No way! Let me try that!

AH-HA! This sounds like a good one... Turn this man into my dream lover!

Ur na wern sopit dra? What does that mean?

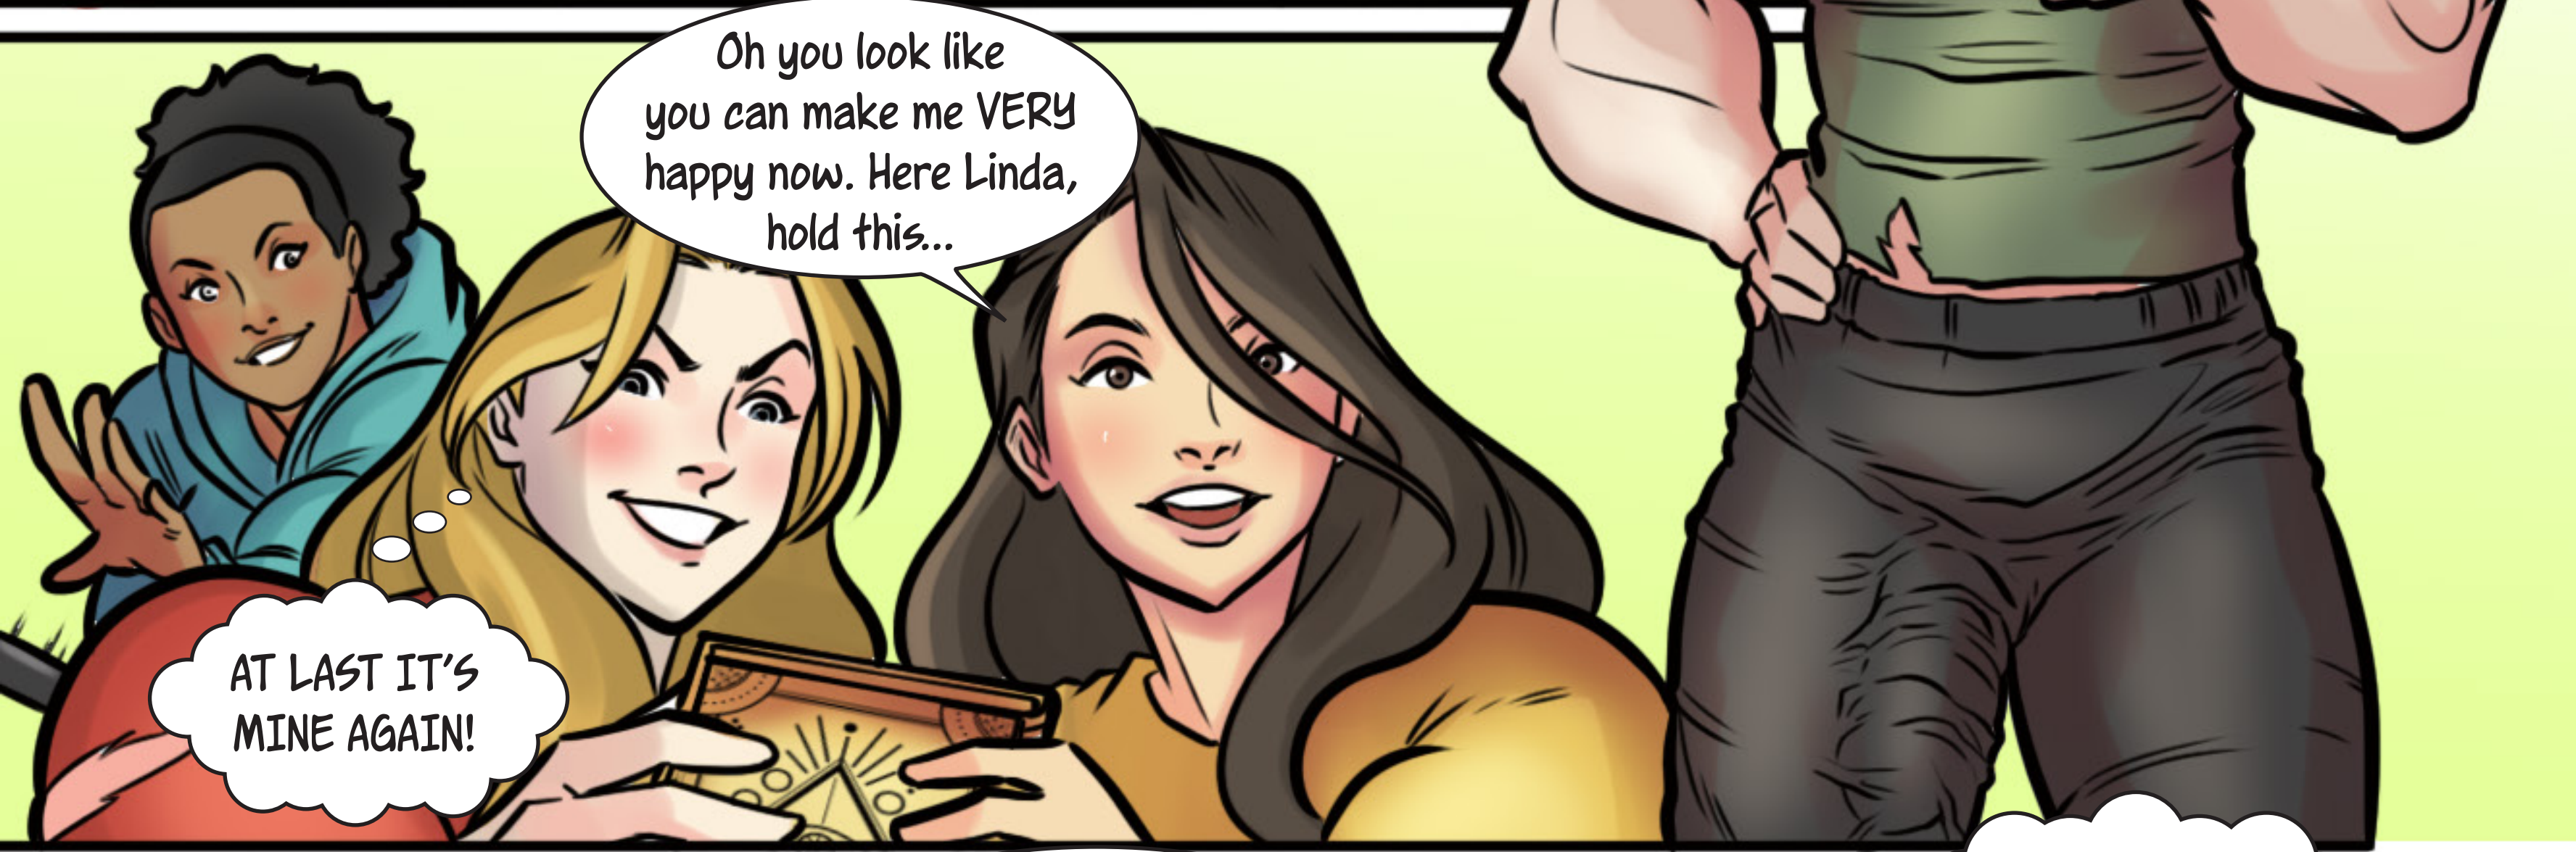

DAMN!

Is there something I can do for you my love? I only want for you to be happy.

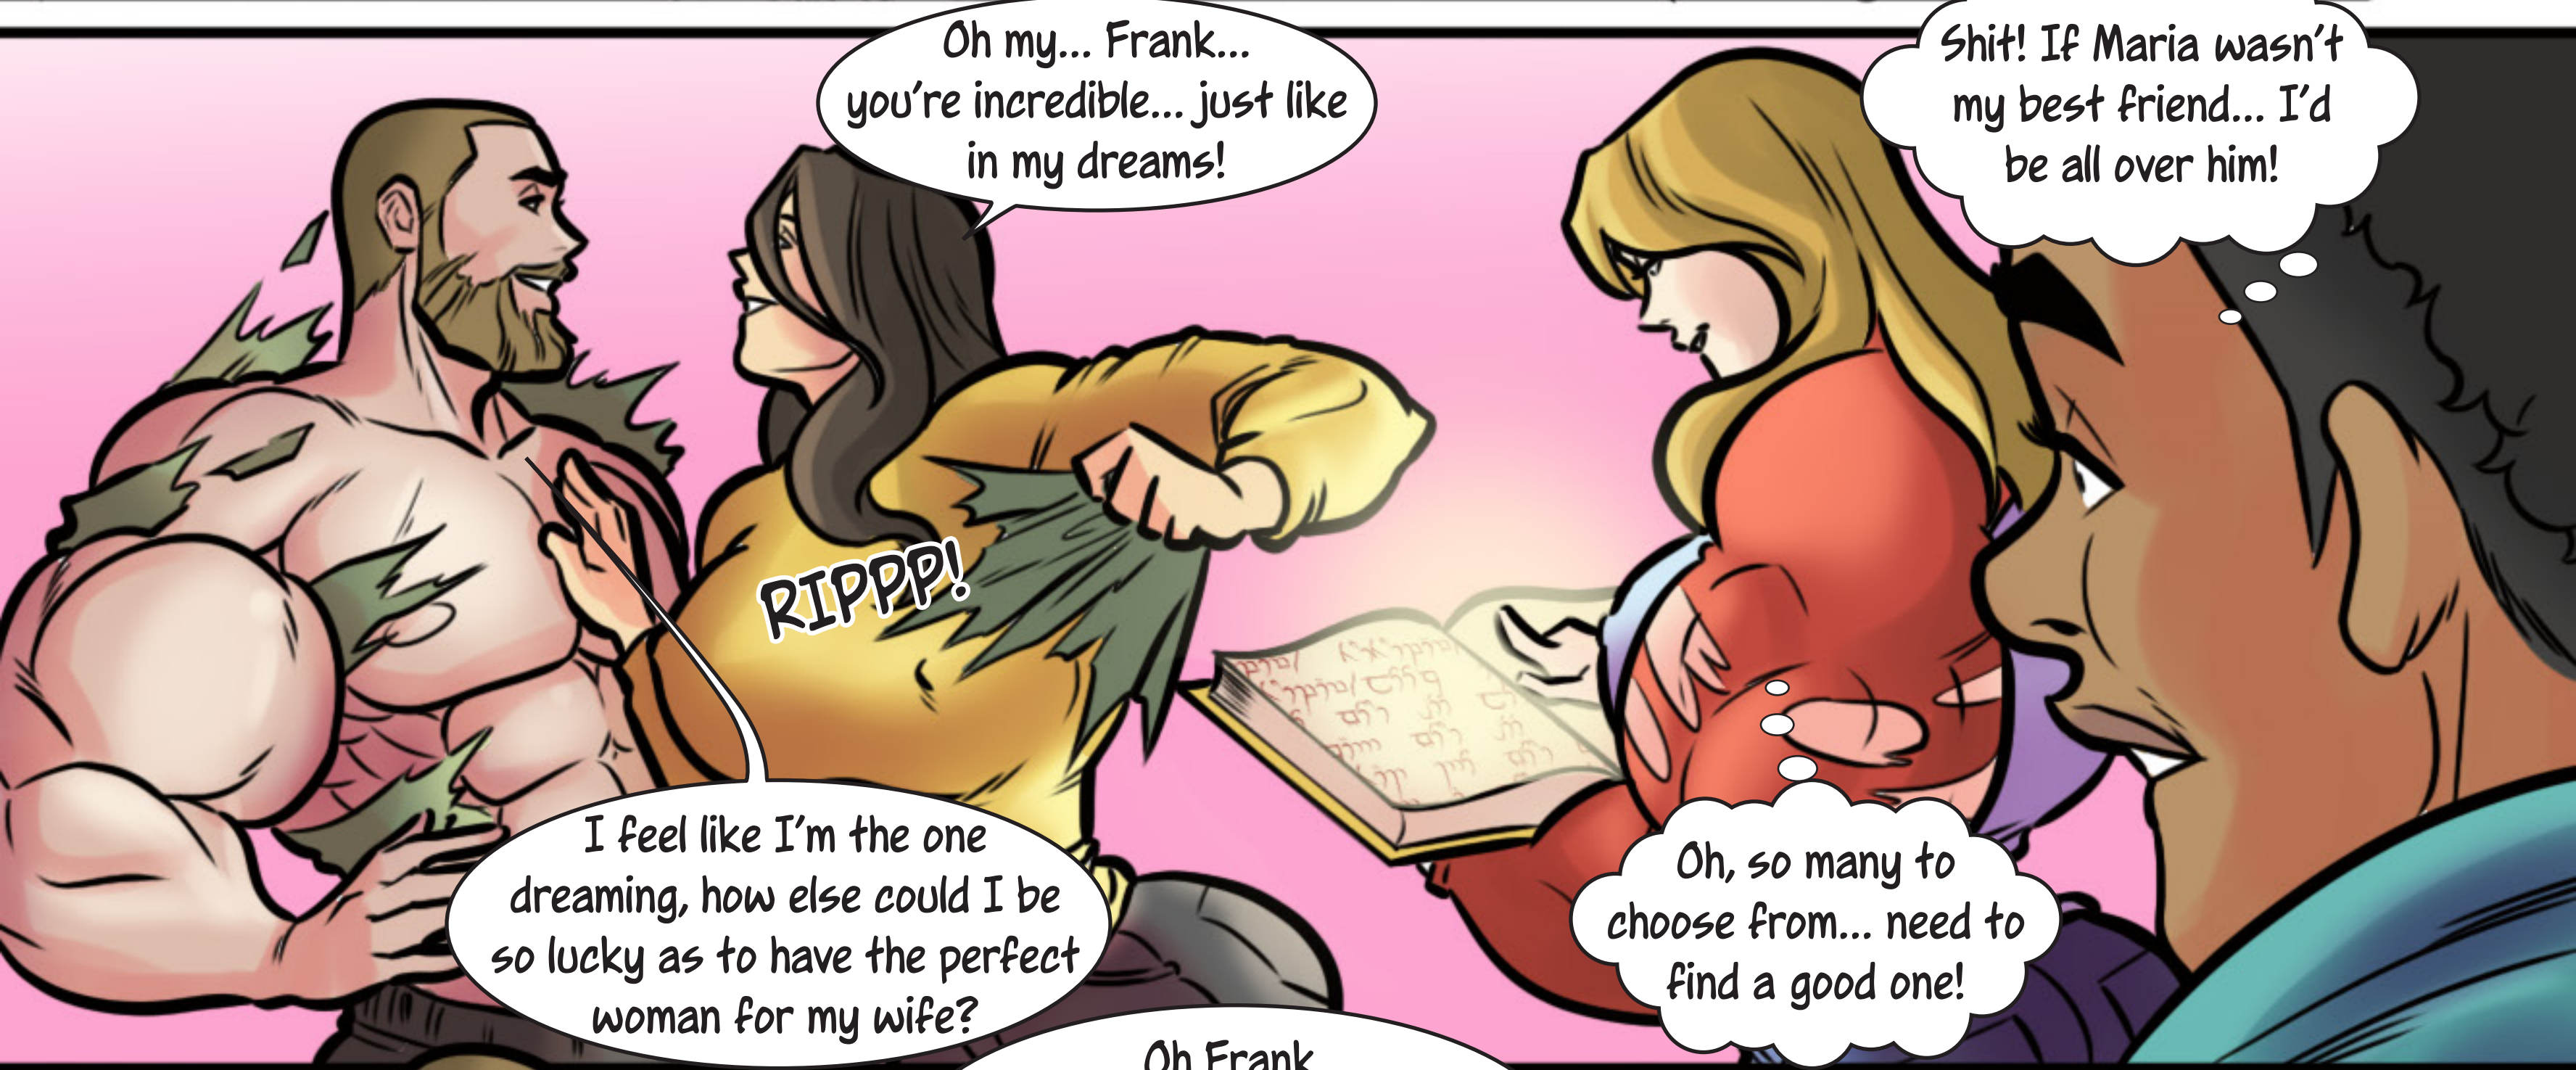

OH! Now that's a man!

FRANK! I... WOW!

Oh you look like you can make me VERY happy now. Here Linda, hold this...

AT LAST IT'S MINE AGAIN!

Oh my... Frank... you're incredible... just like in my dreams!

Shit! If Maria wasn't my best friend... I'd be all over him!

RIPPPP!

I feel like I'm the one dreaming, how else could I be so lucky as to have the perfect woman for my wife?

Oh, so many to choose from... need to find a good one!

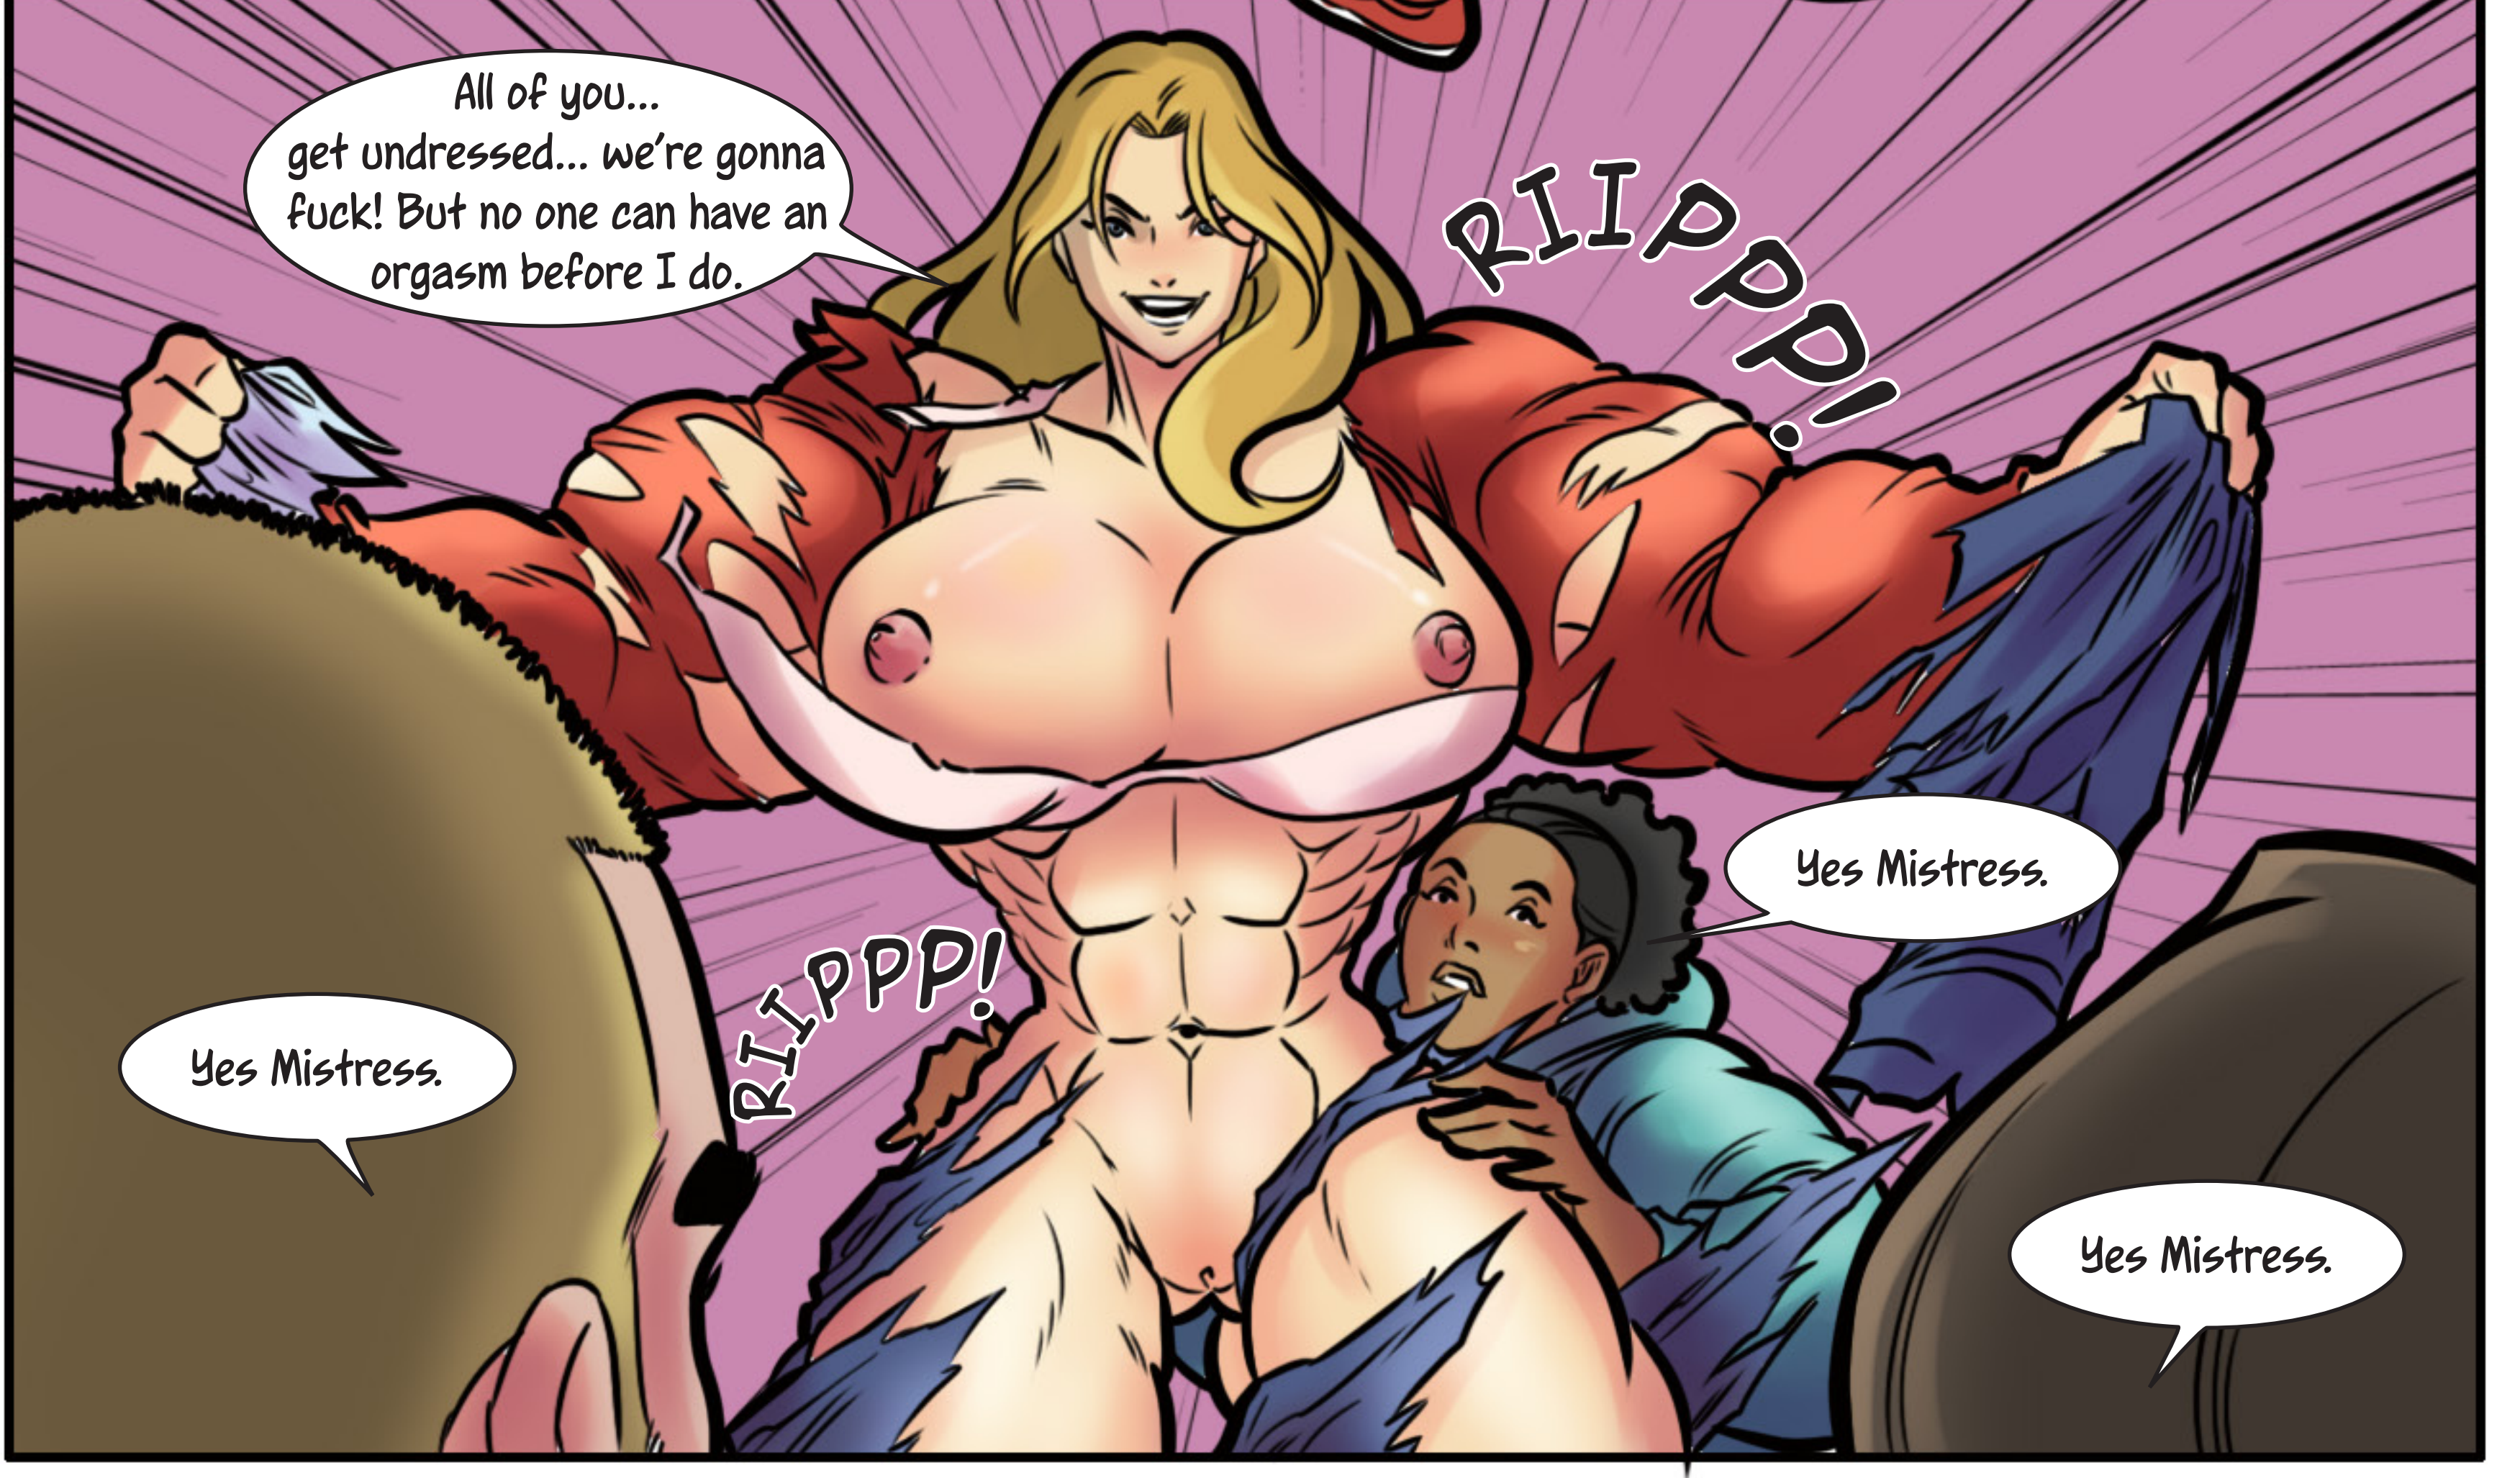

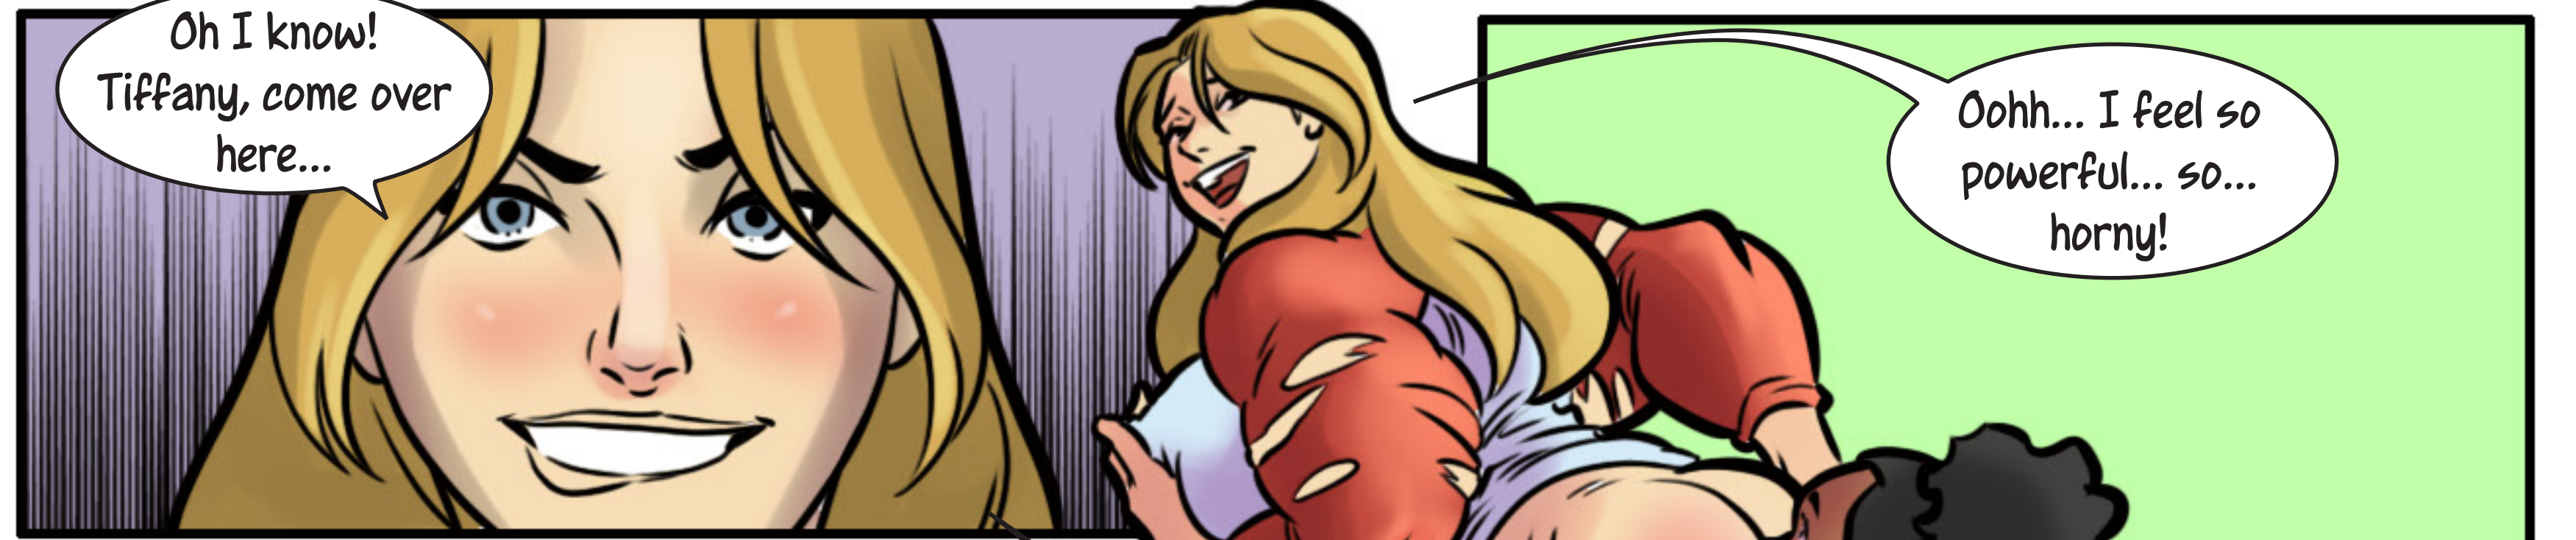

Oh Frank. You've never been this loving before... I... I want... no... NEED you... NOW!

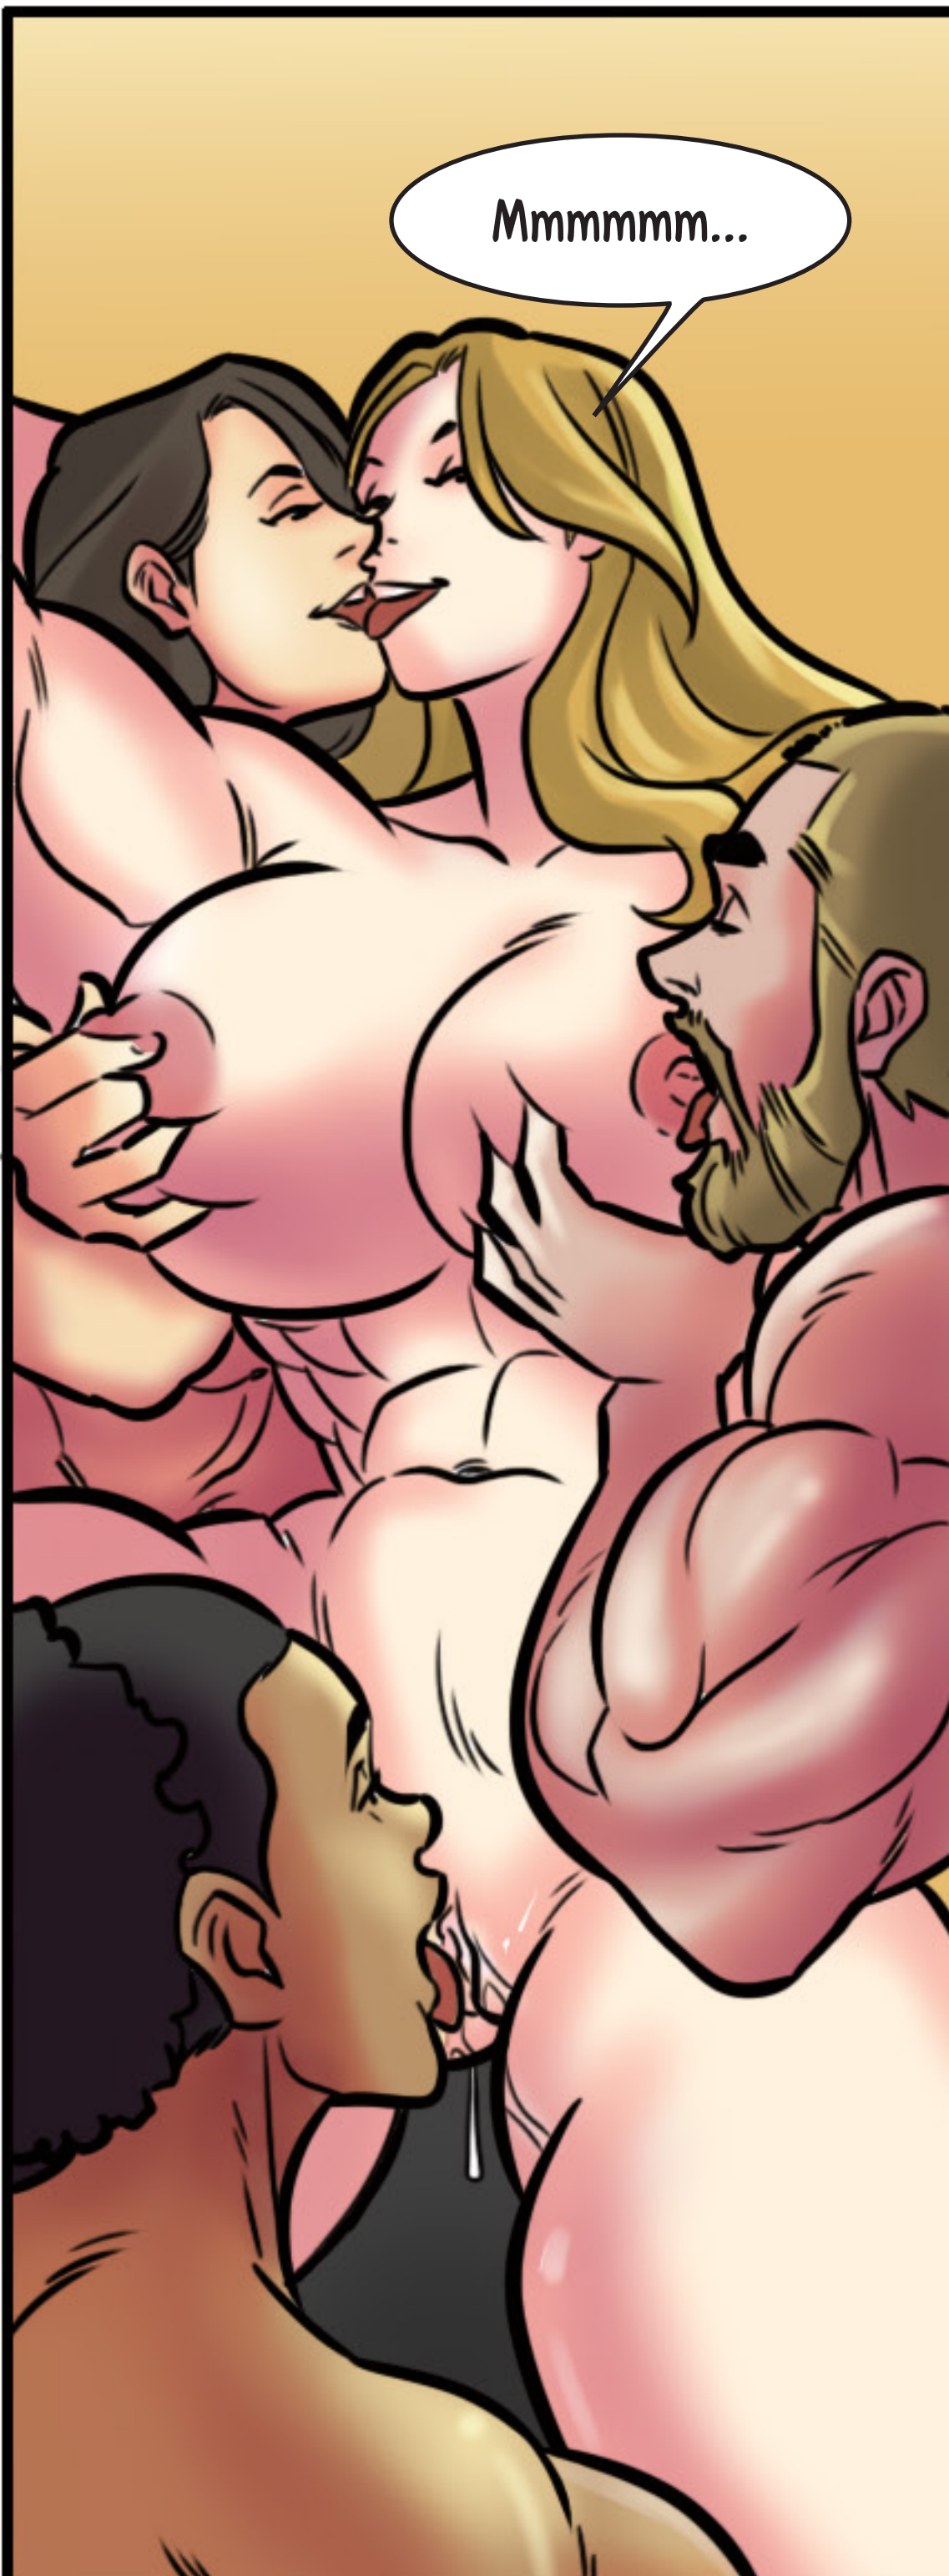

Uh... Maybe Linda and I should leave for a while...

Of course, anything you want I shall give you.

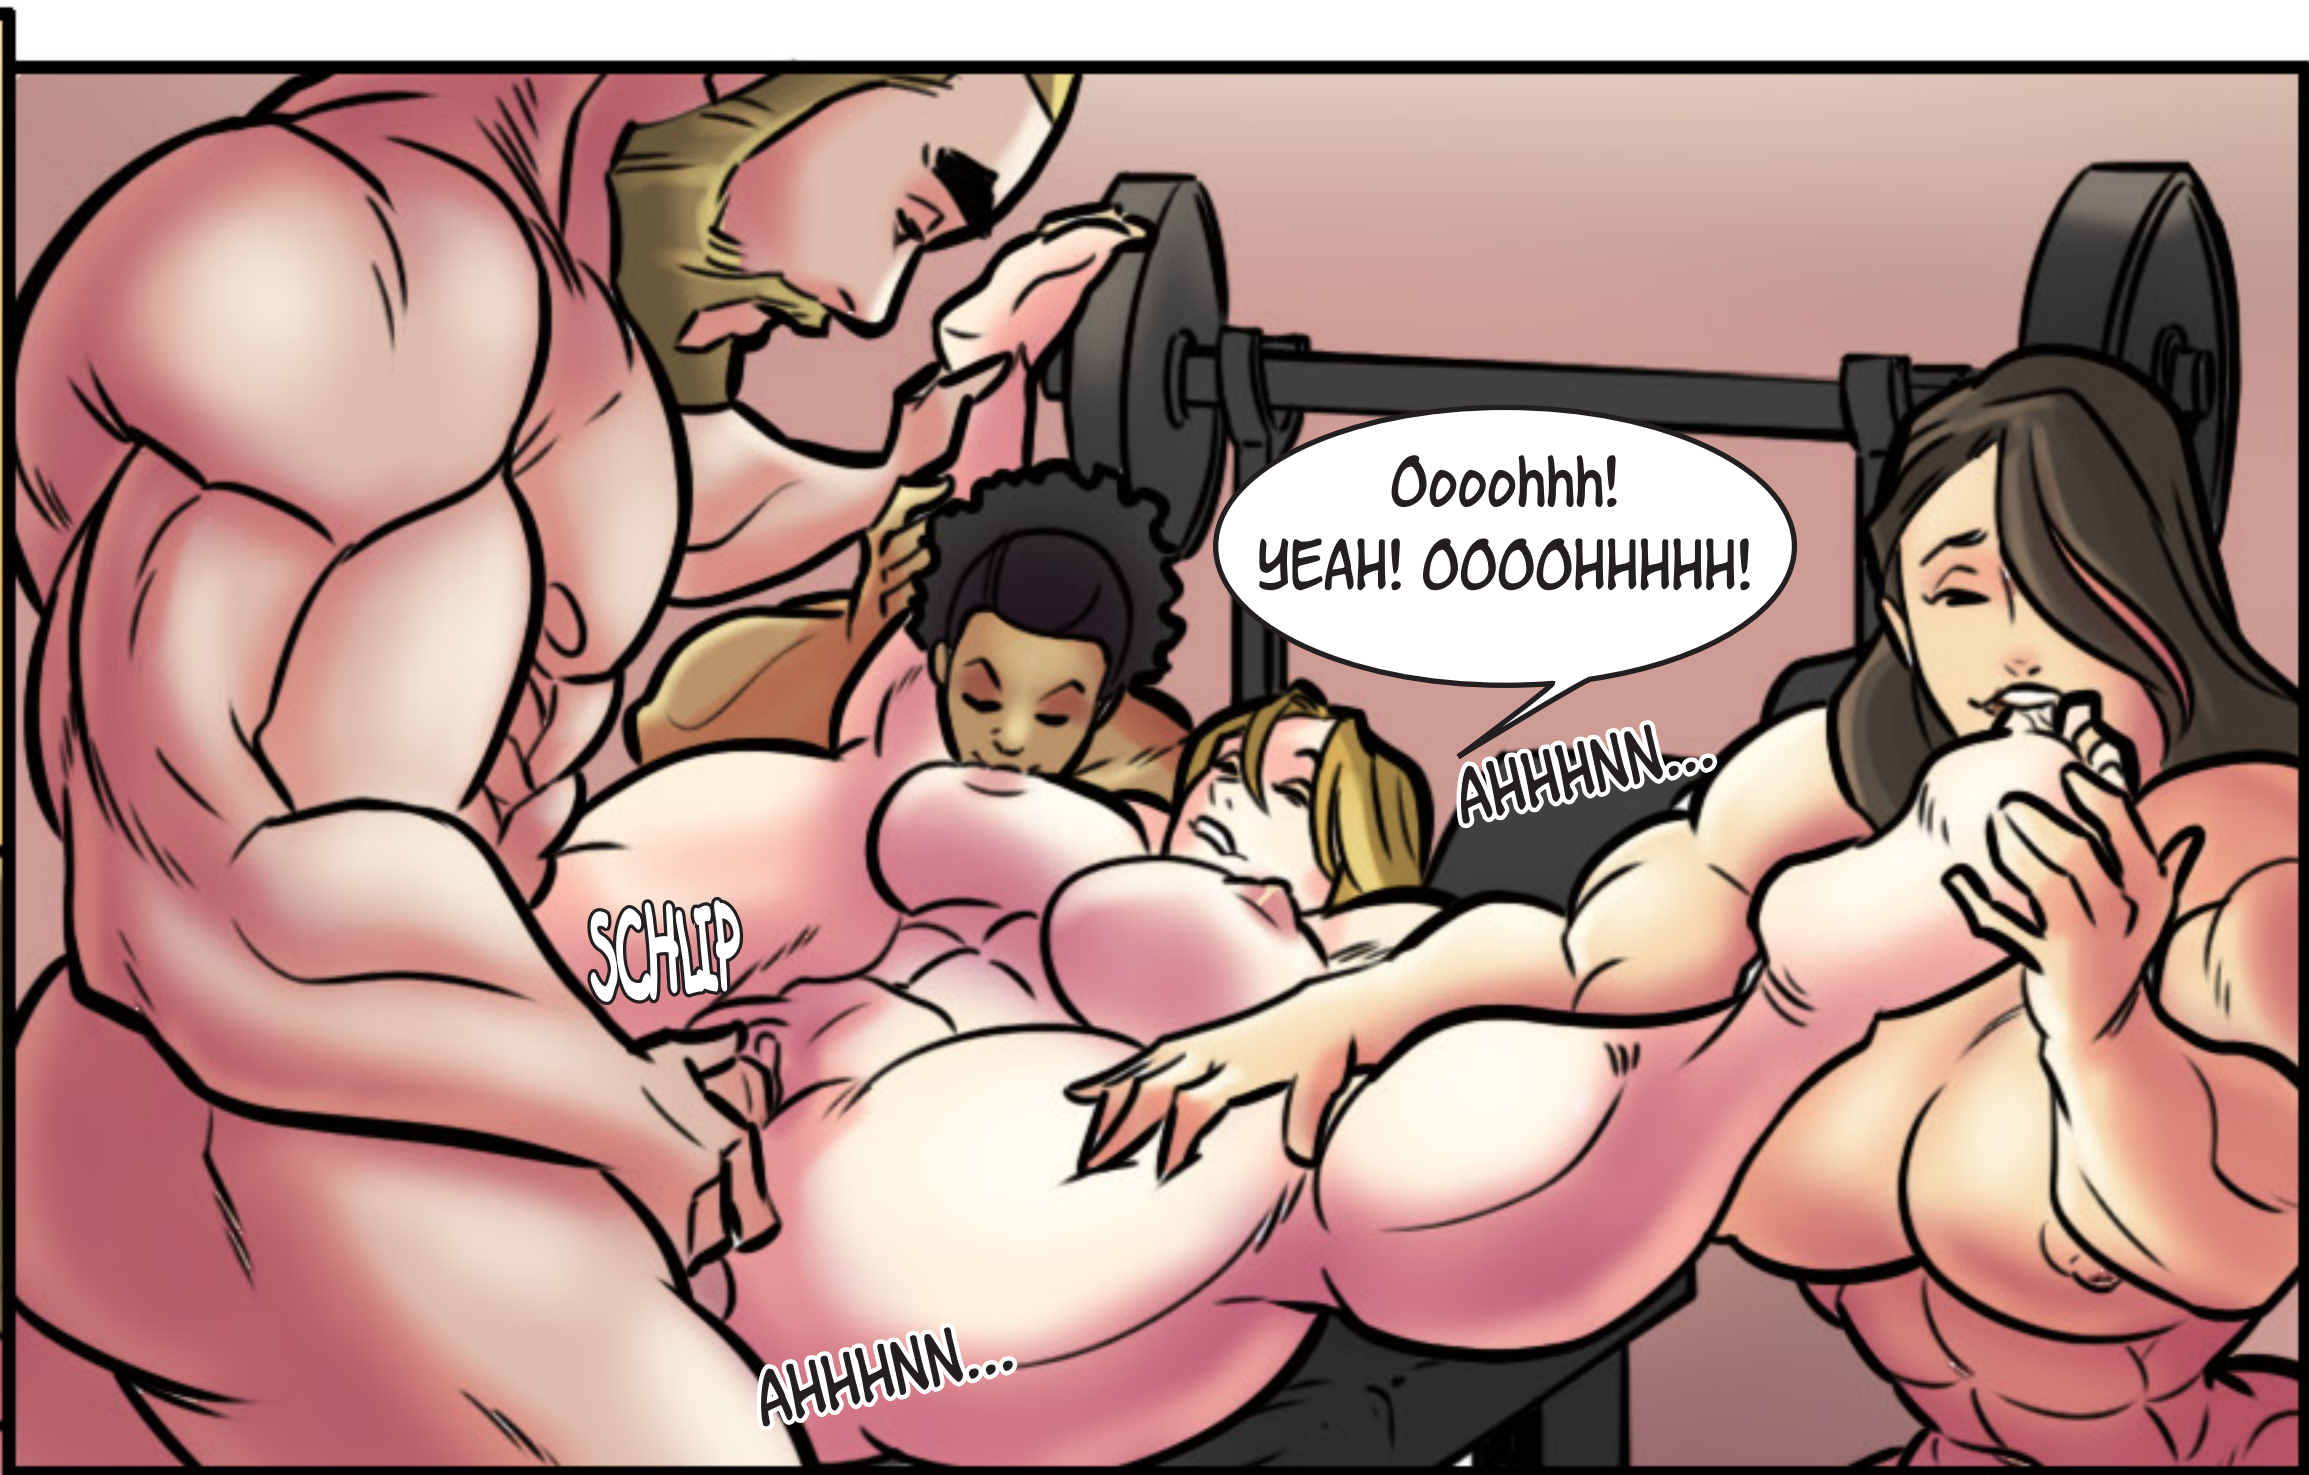

This one's perfect! Make these people obey my every command without hesitation!

GRAB!

Mmmmm...

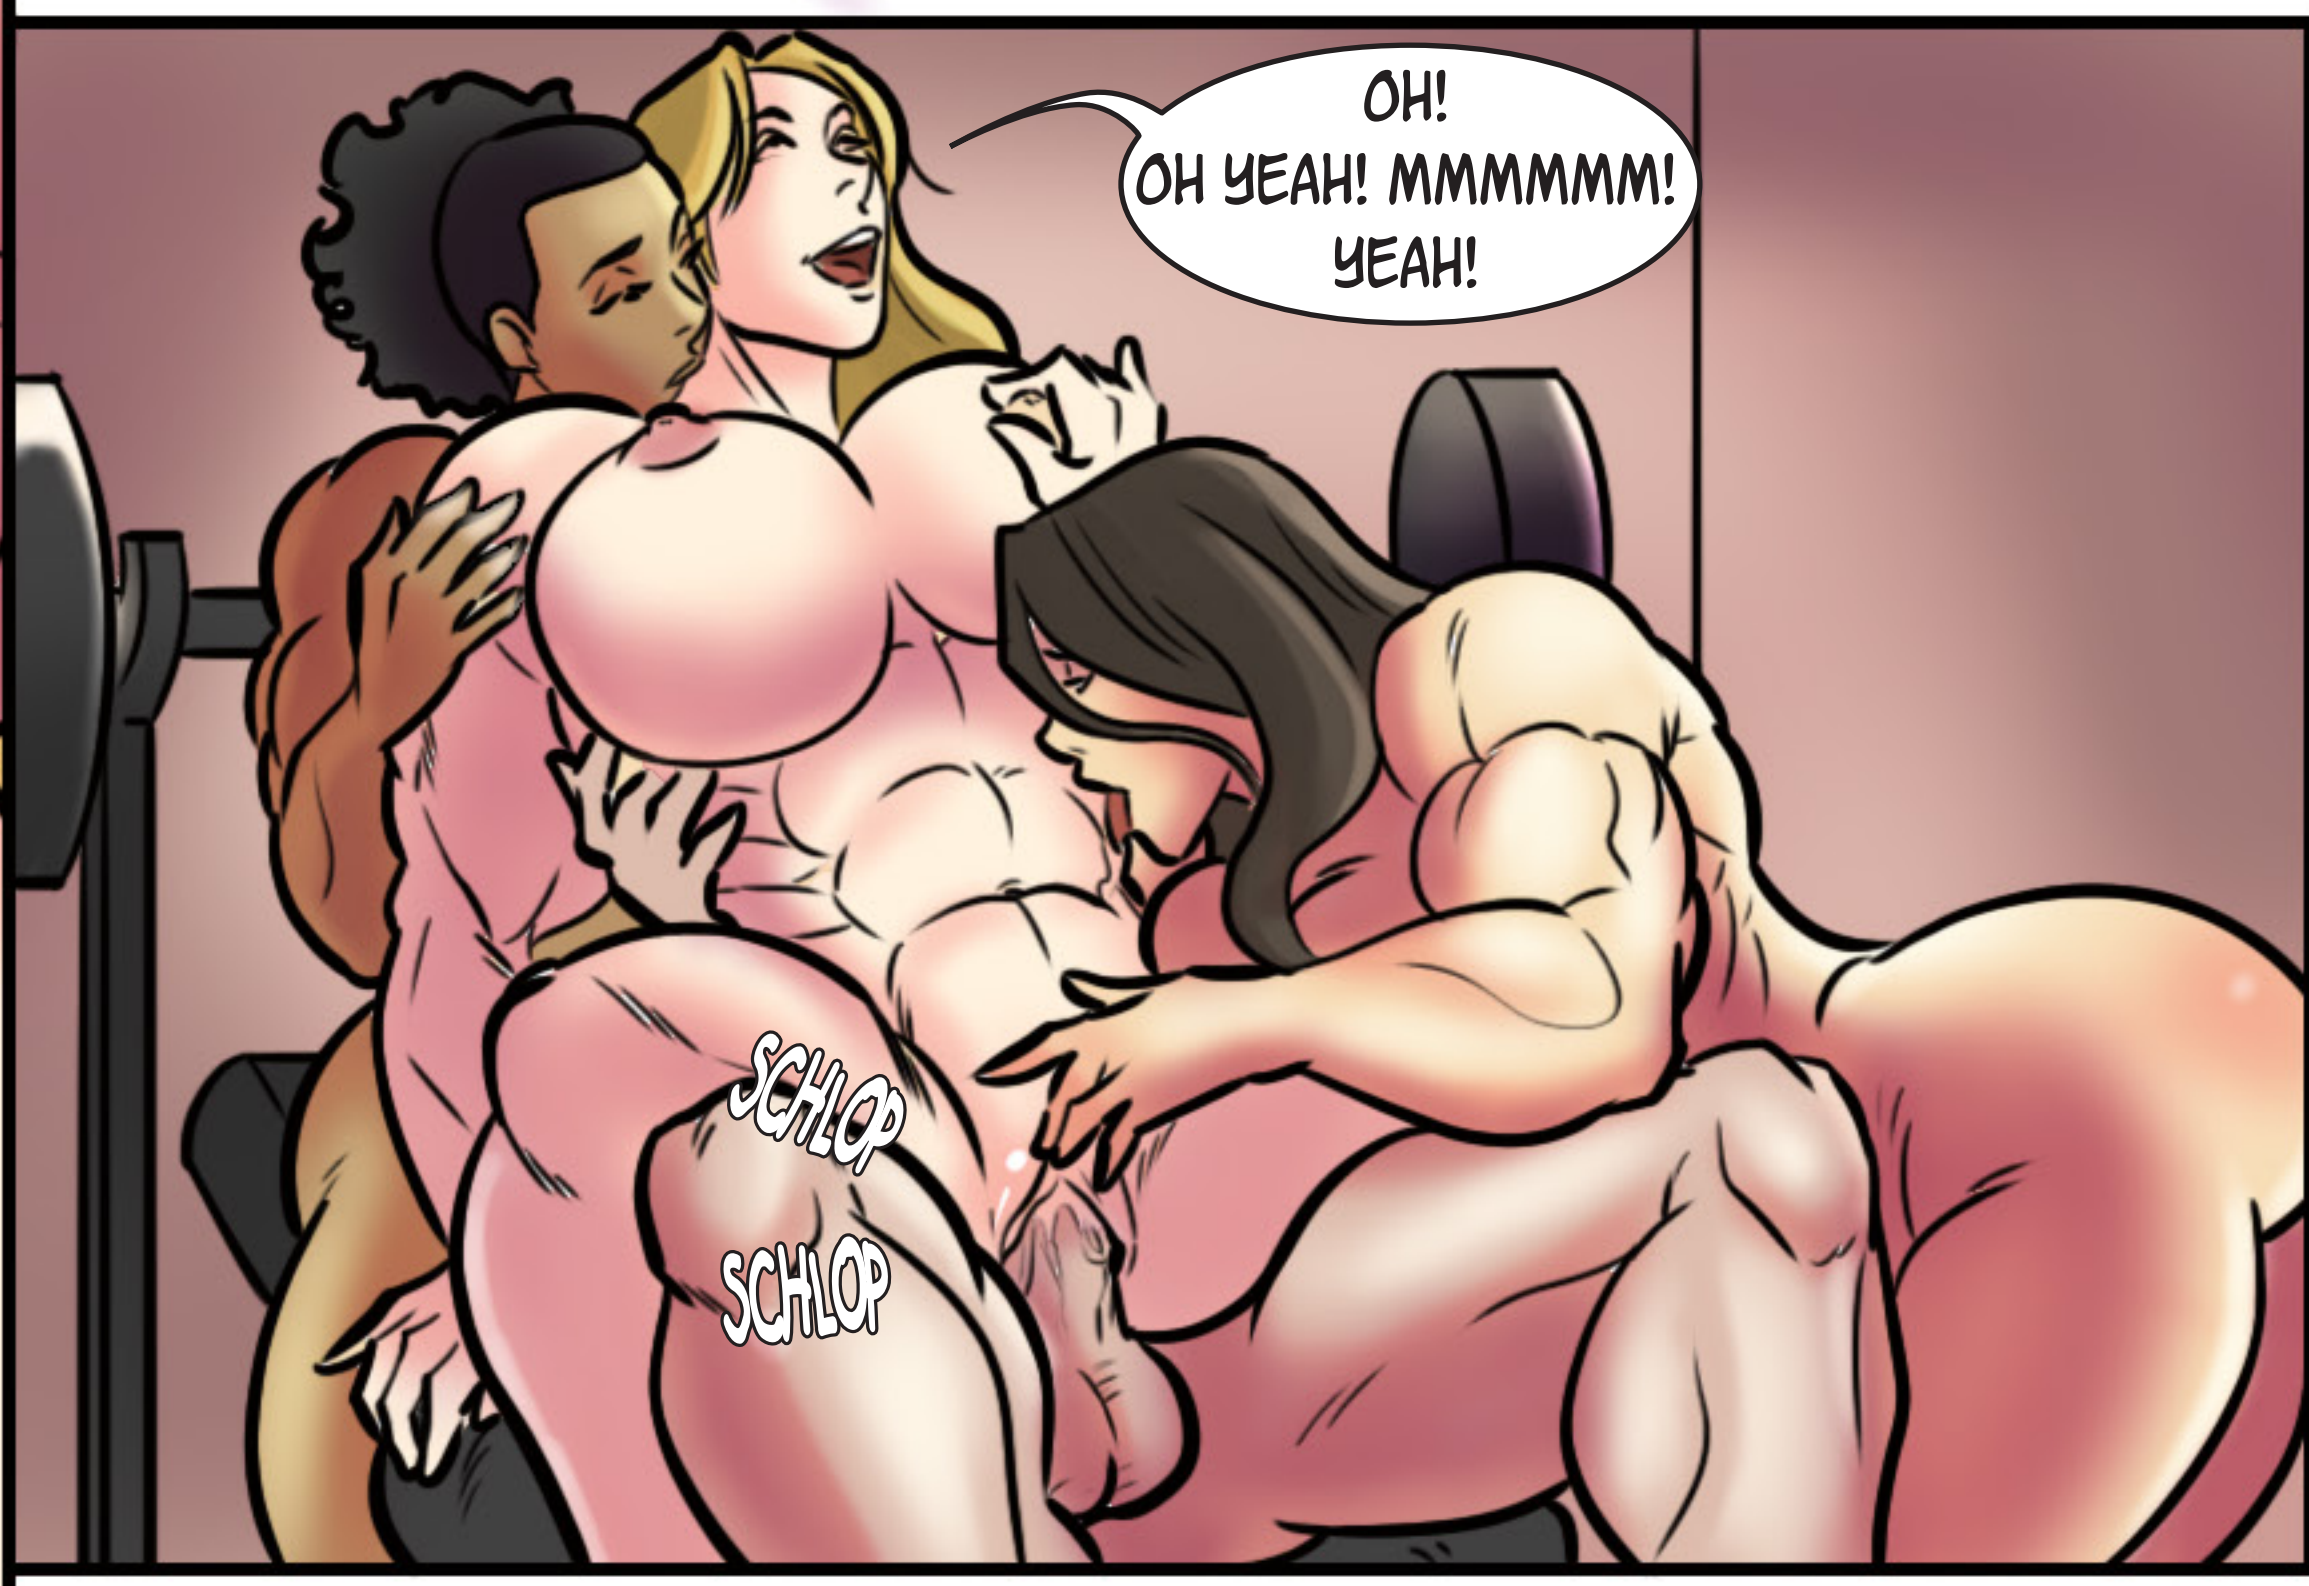

Oooohhh!

A short time later...

Most of these early spells seem to be sex or item related... Hey! I can read even more spells now! But why?

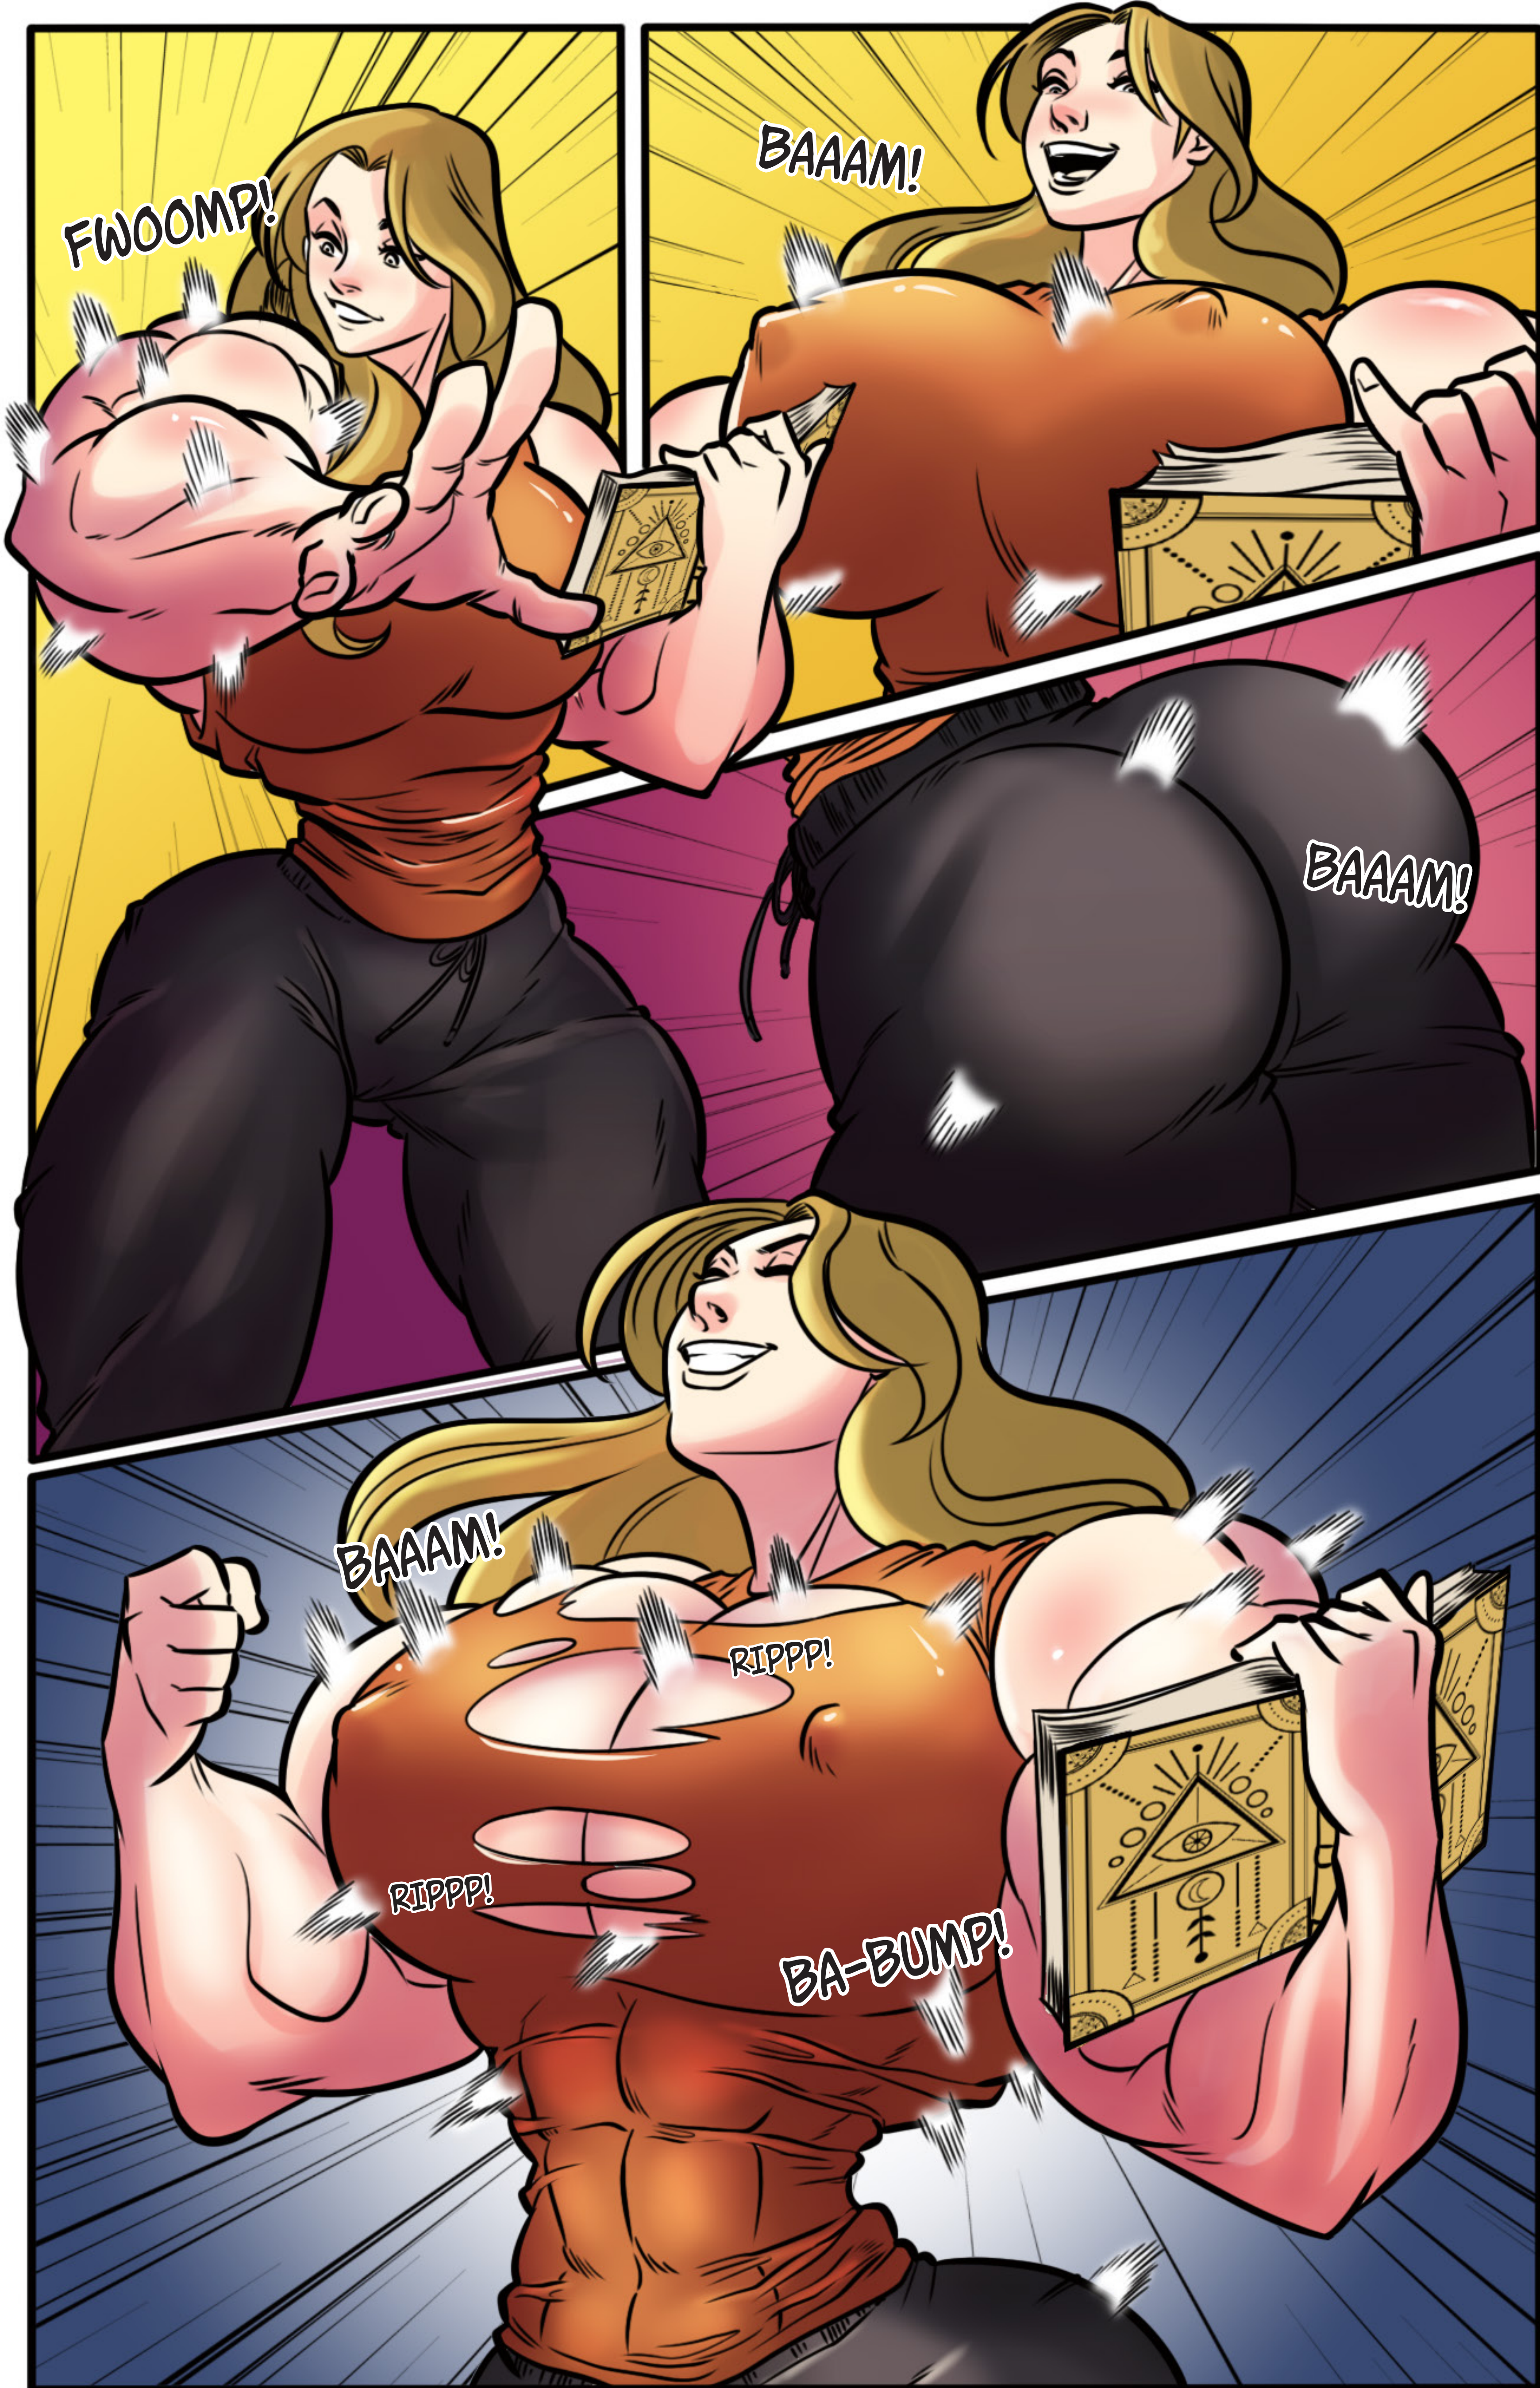

Wha... a voice... coming from the book... whispering to me... hard to make it out... reward... evil. Oh! I think I understand.

I get rewarded for doing bad stuff! In that case, let's try this spell... Let my power increase for each person that fears me!

I command you two to fear me!

Ye... Yes, Mistress.

Ye... Yes, Mistress.

FWOOMP!

BAAAM!

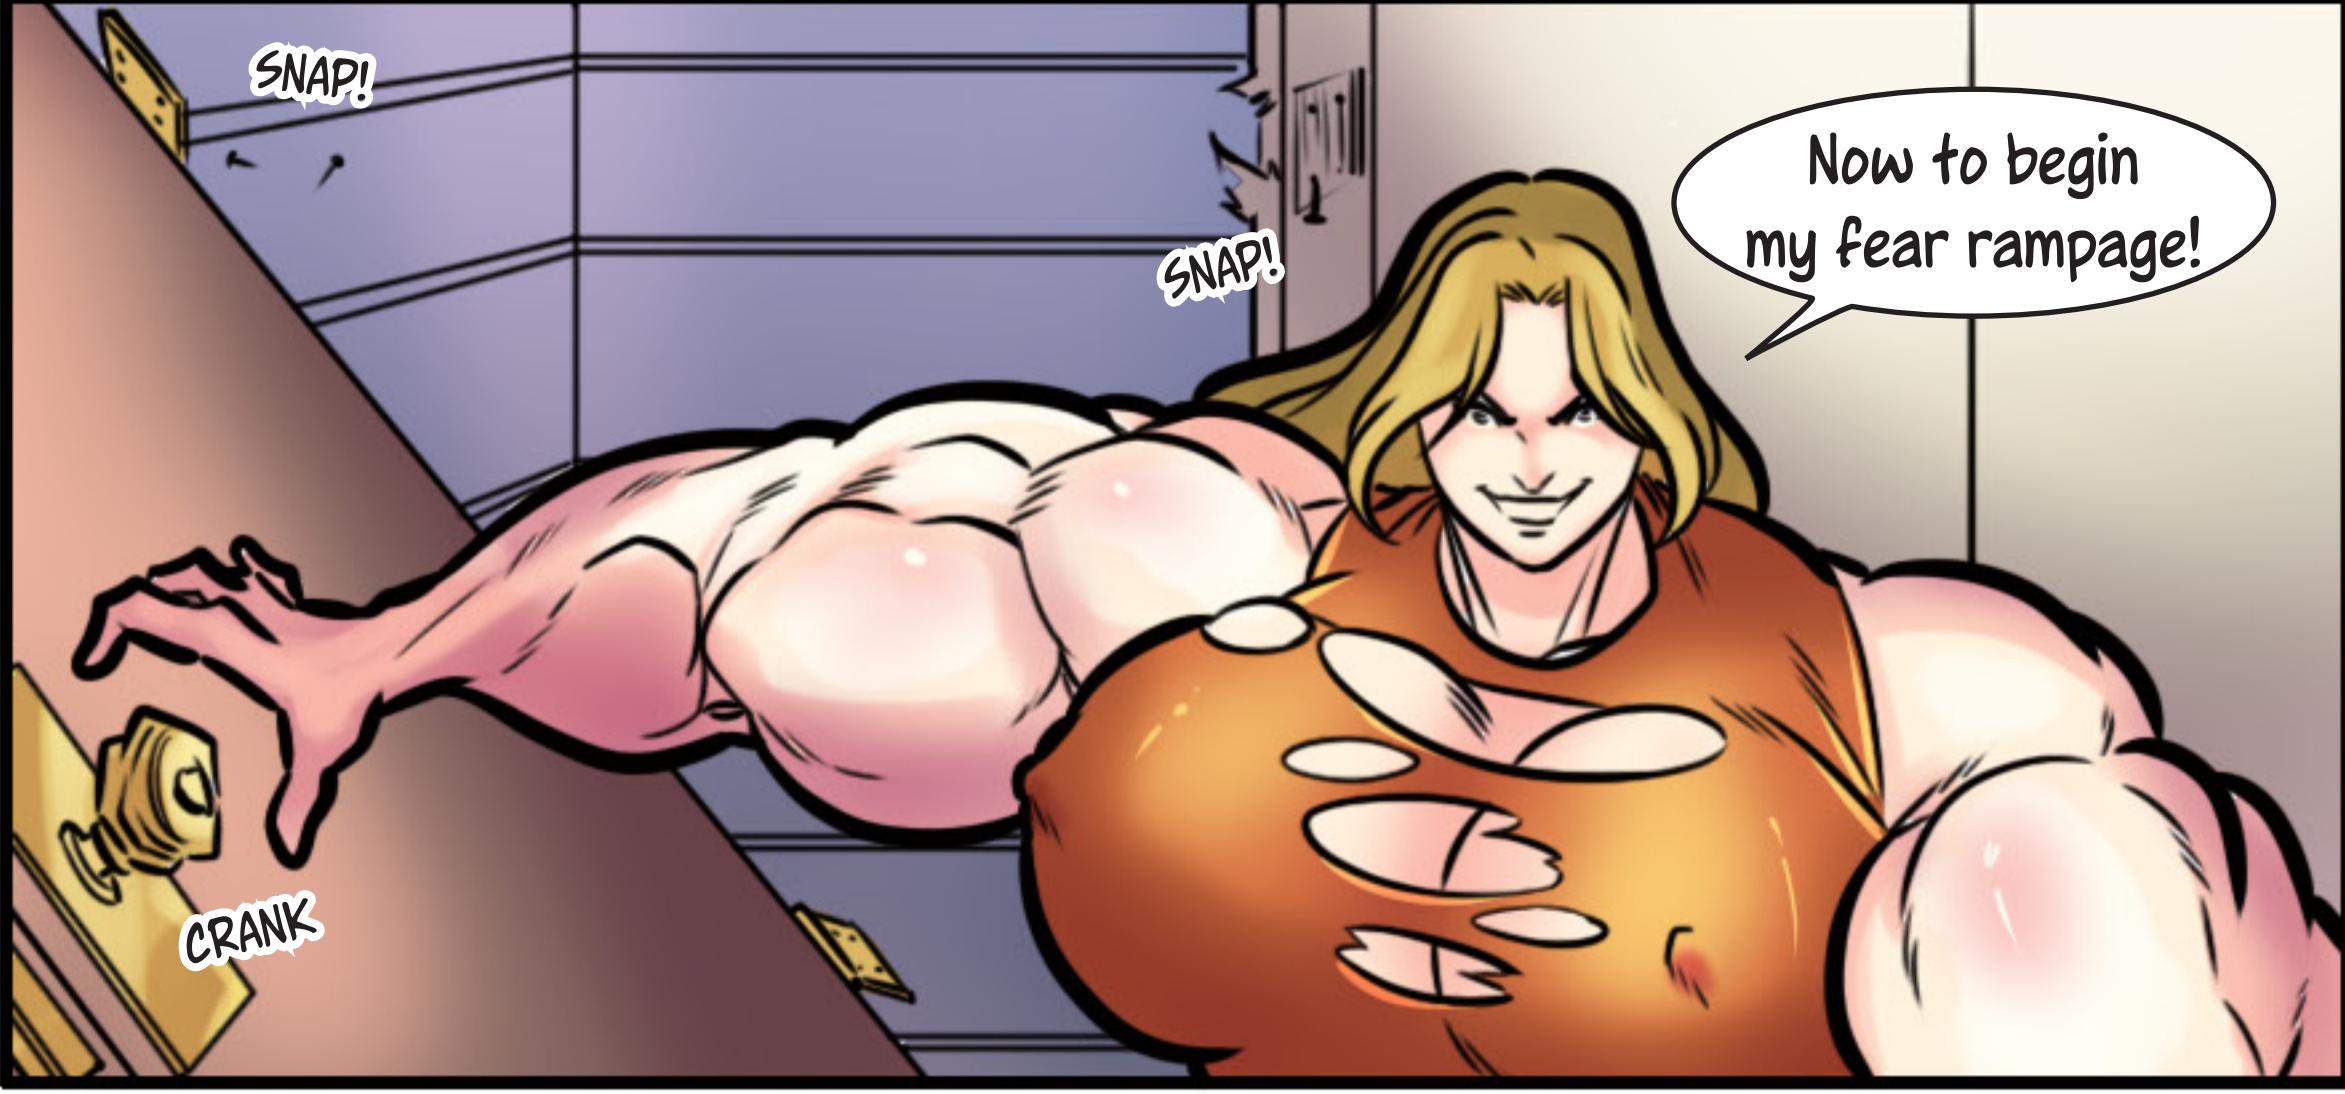

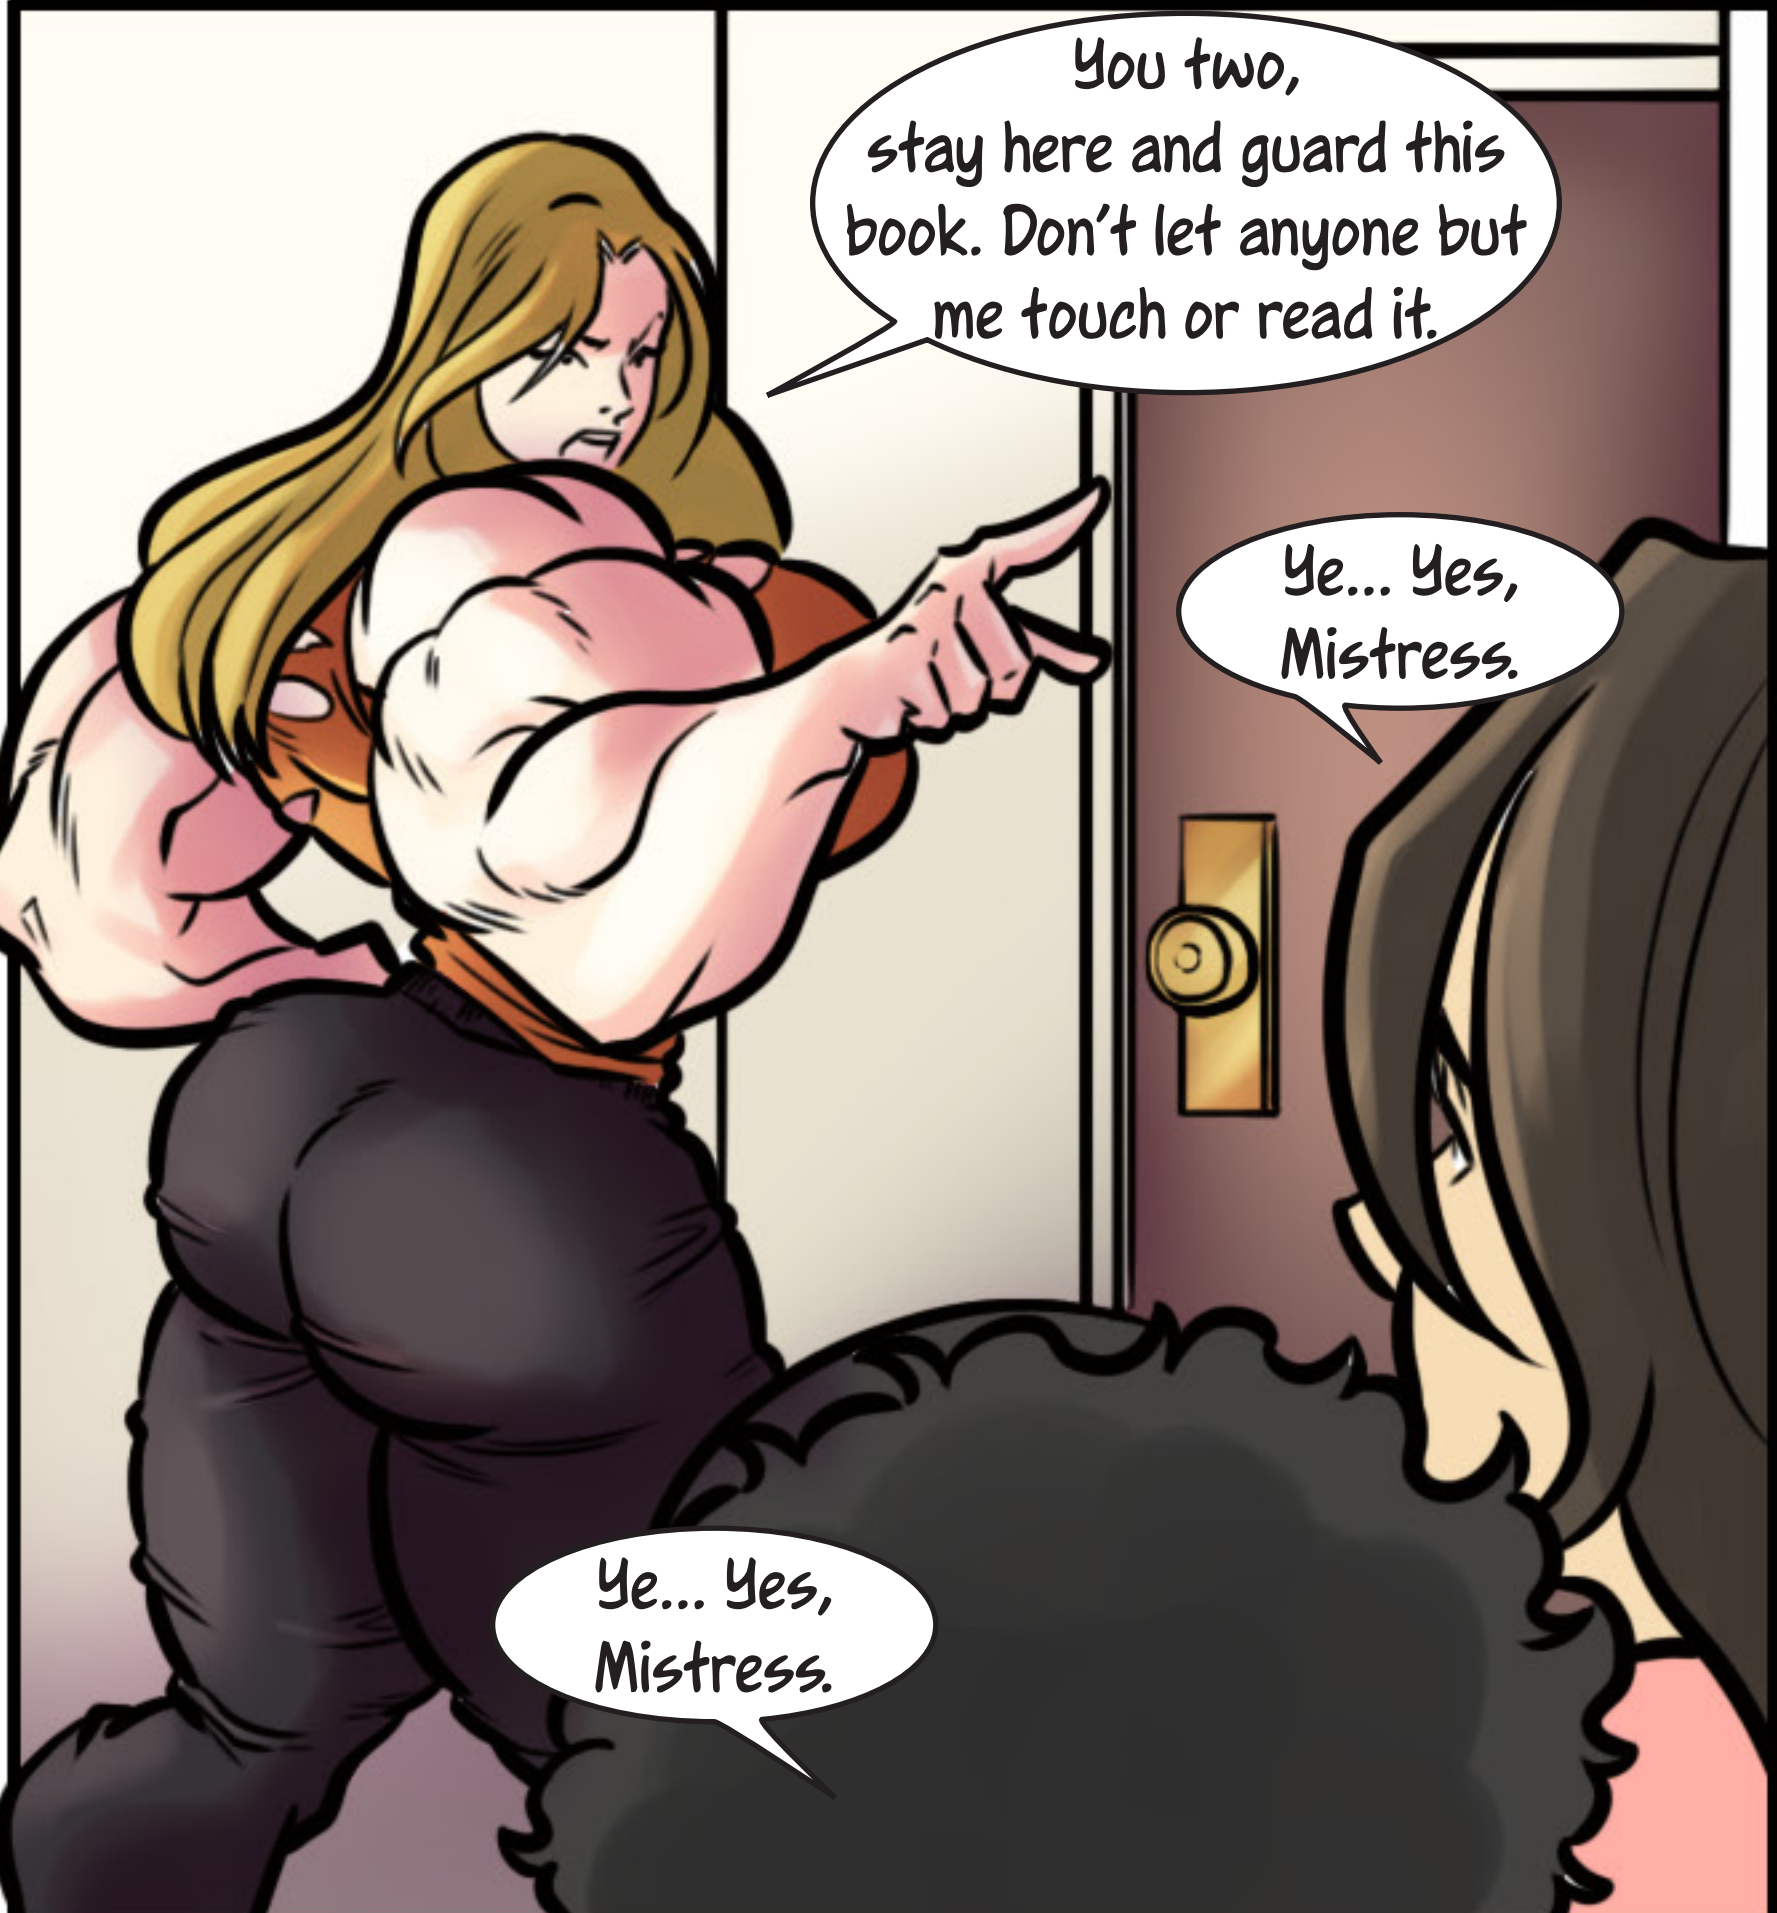

BAAAM!

BAAAM!

RIPPP!

RIPPP!

BA-BUMP!

A little later...

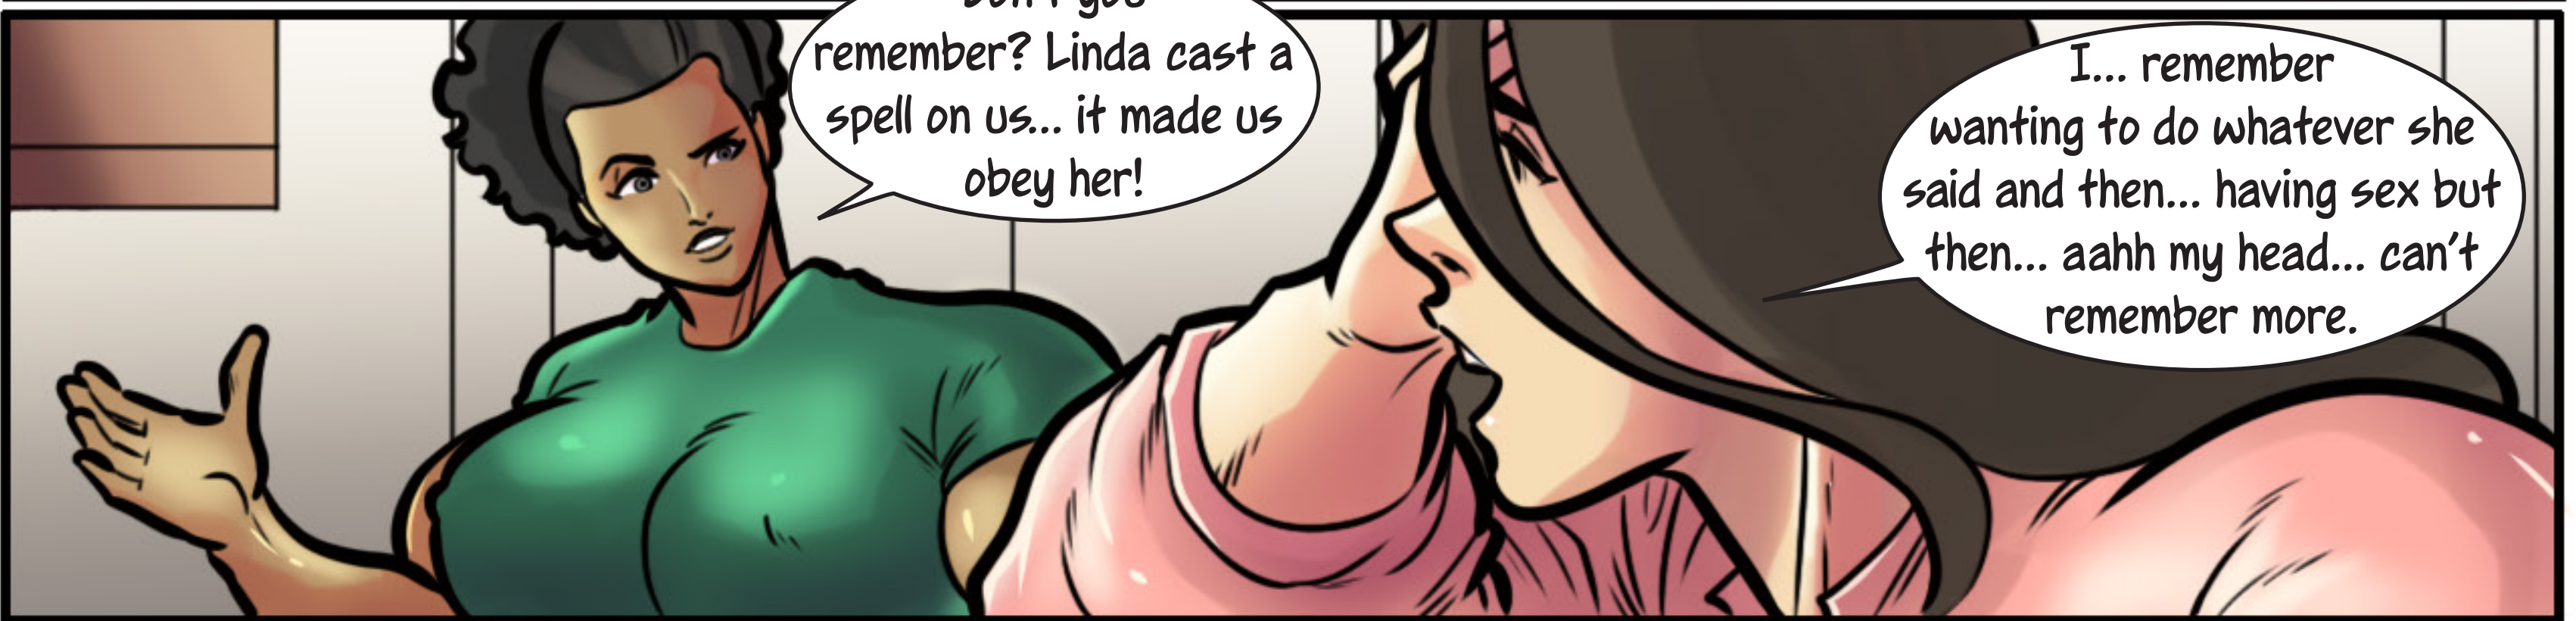

Huh?

Wha...?

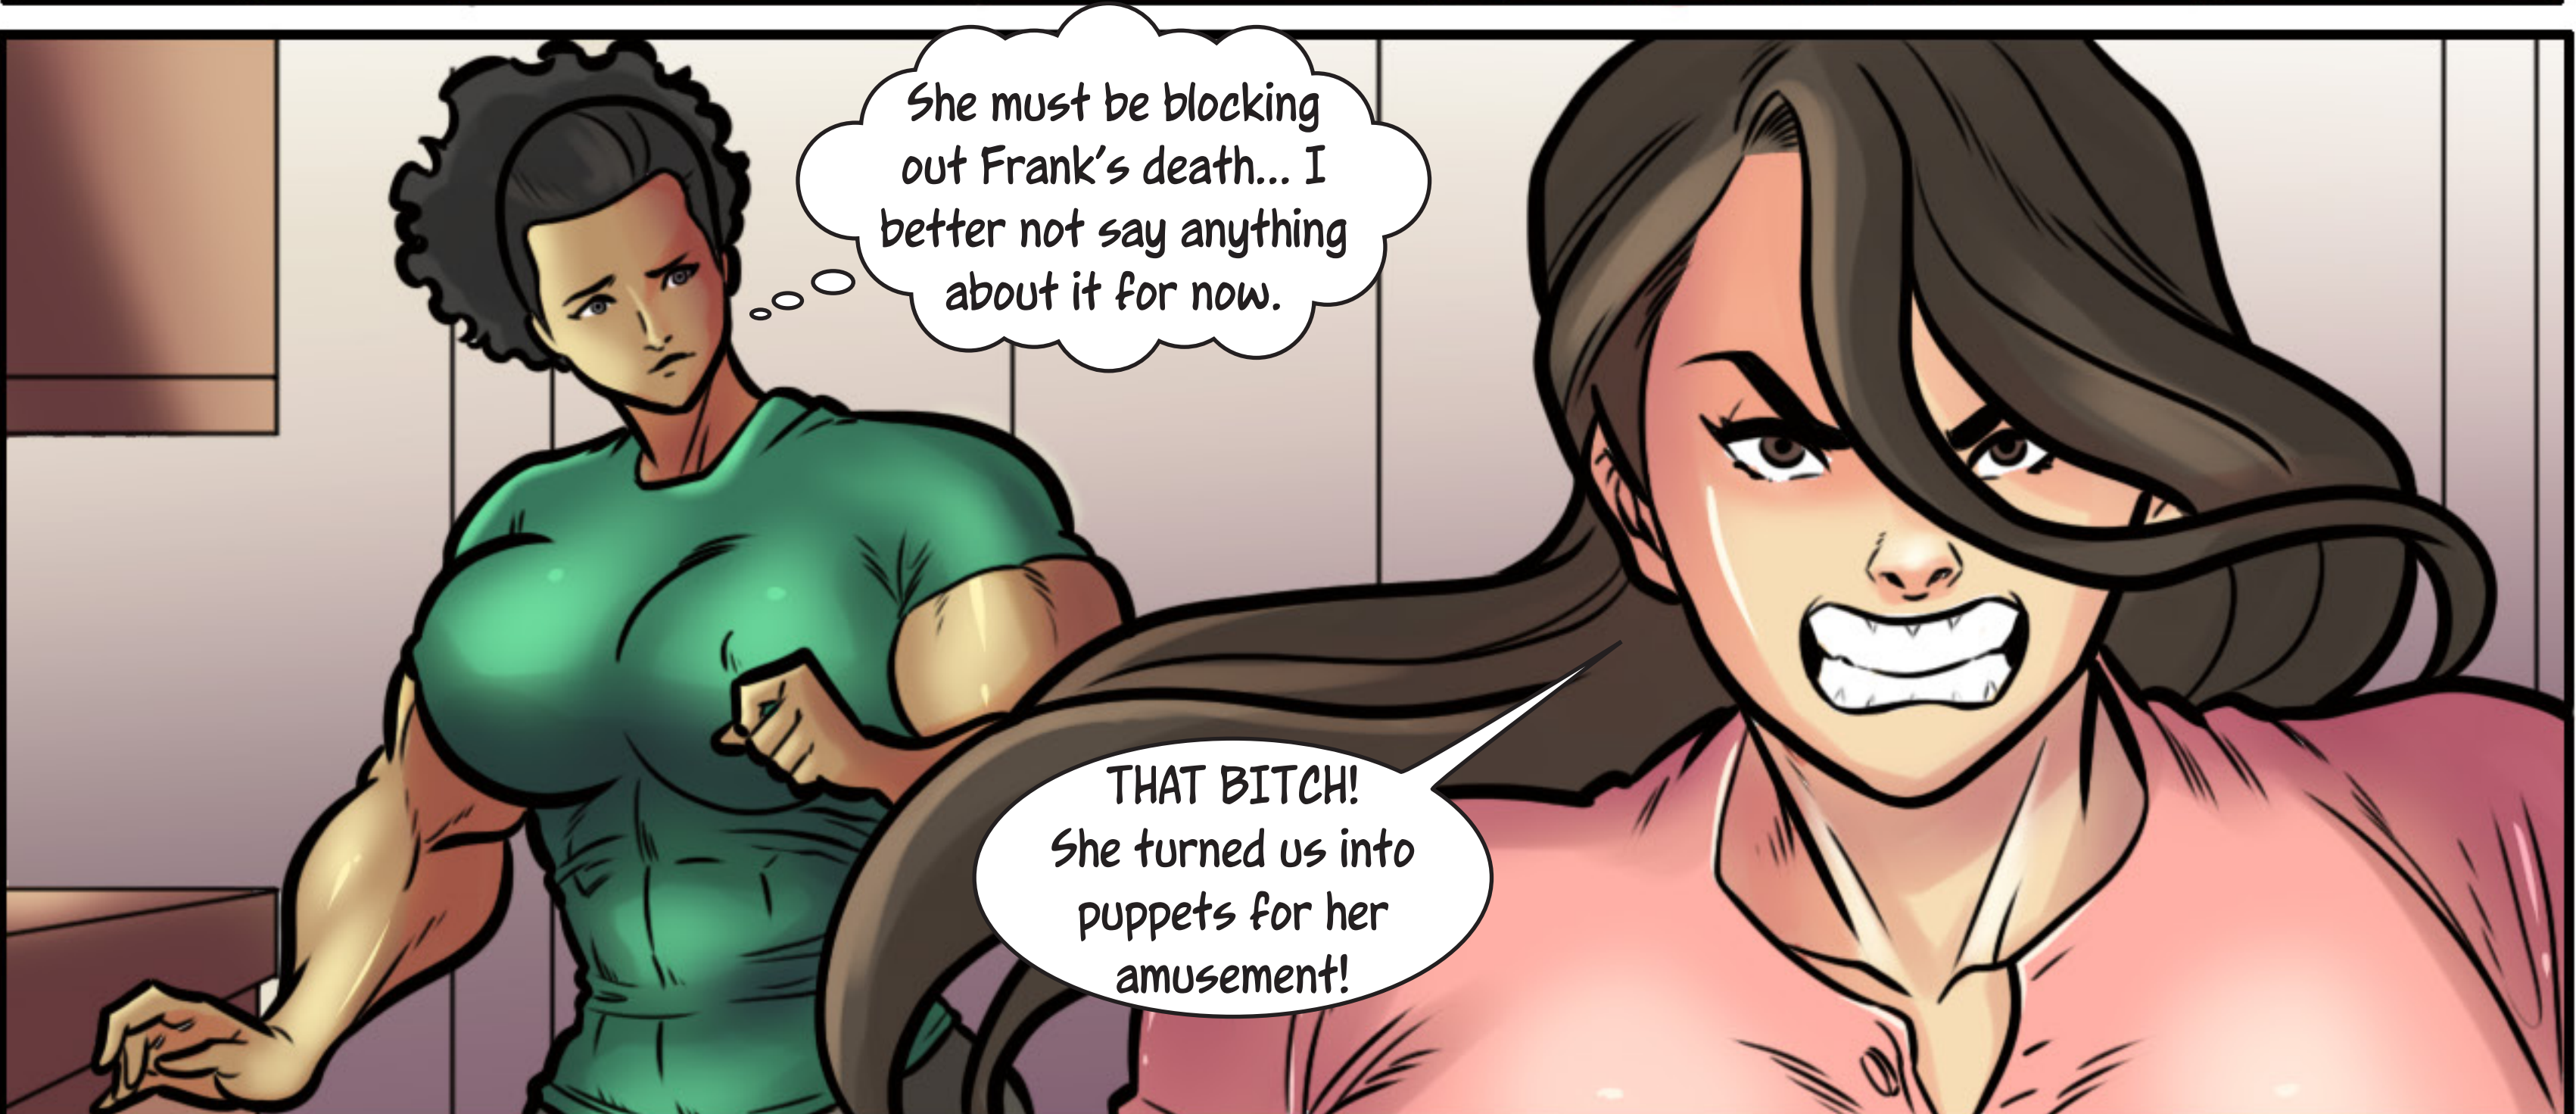

OH MY...
We're free!

Ugggh, my
head... what...
what happened
to us?

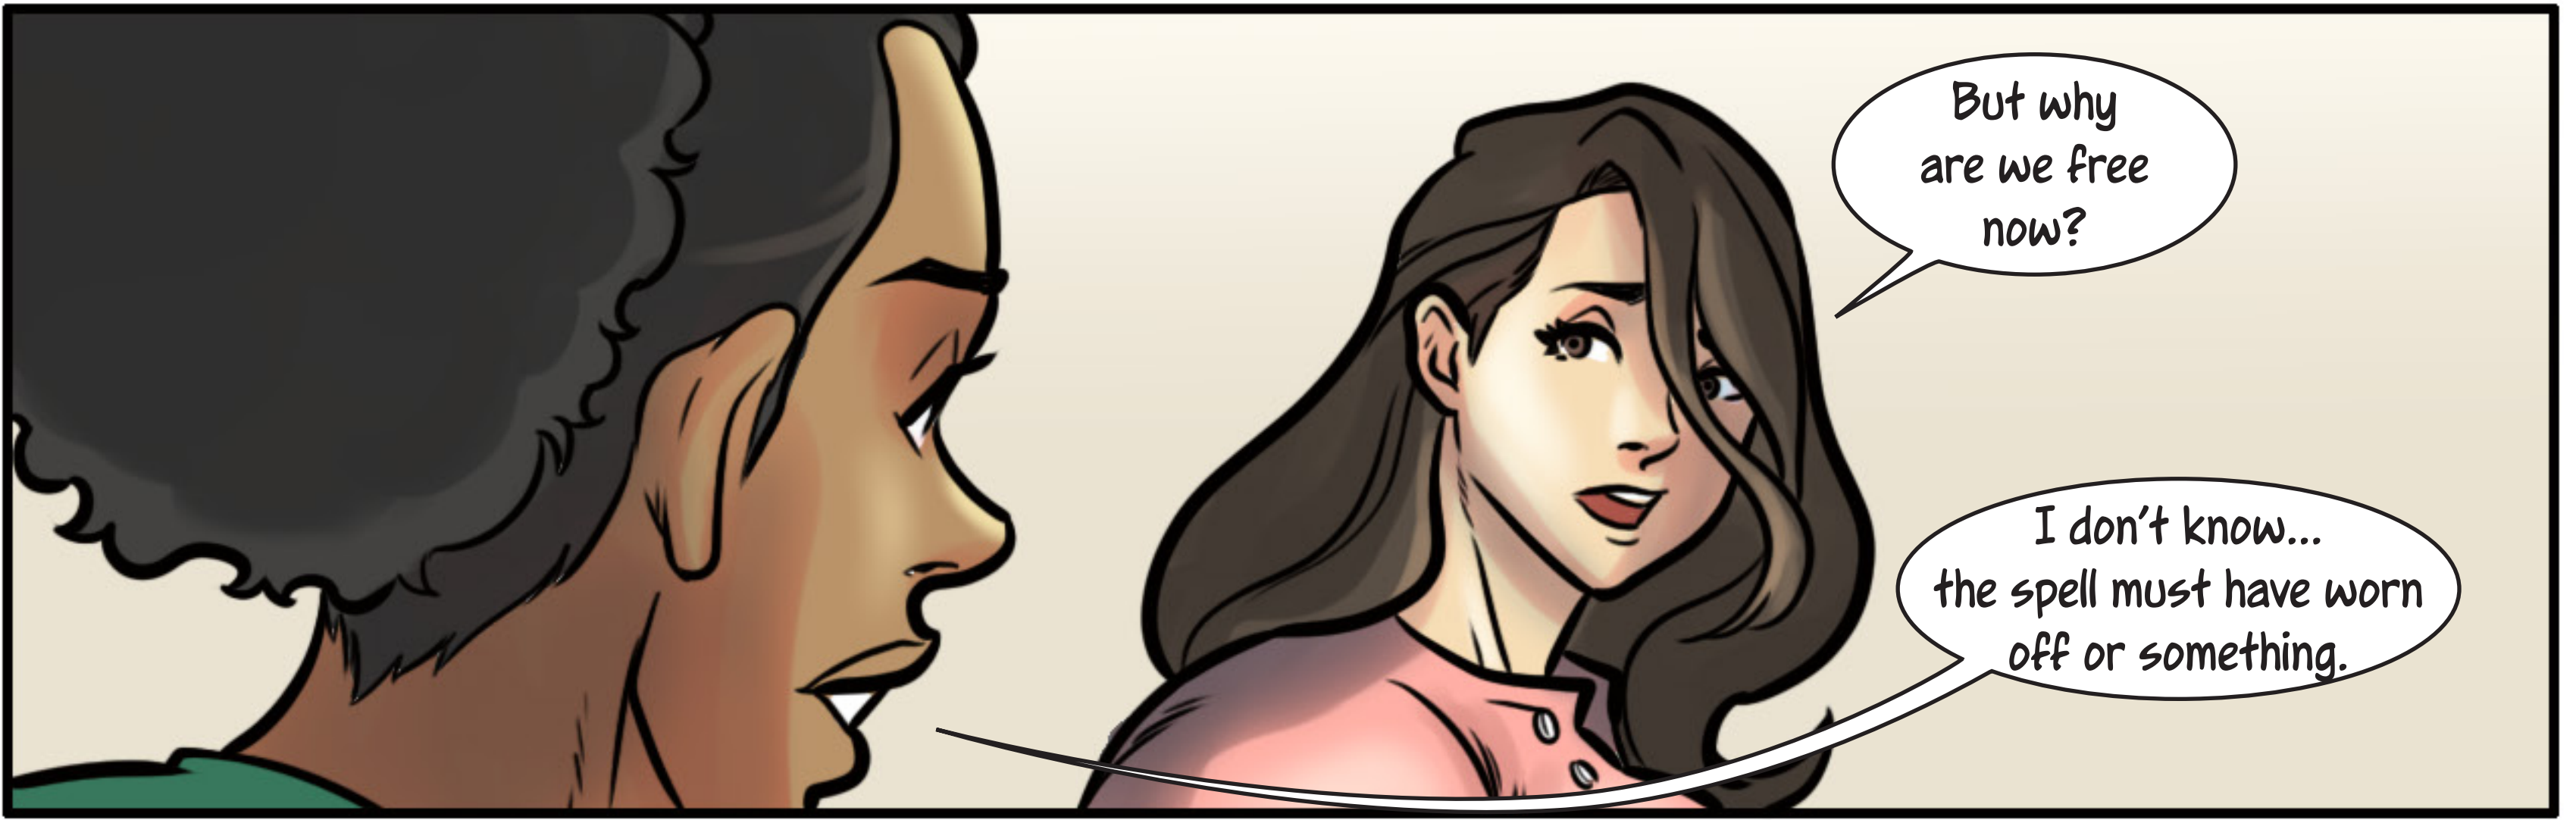

Don't you
remember? Linda cast
a spell on us... it made us
obey her!

I... remember
wanting to do whatever she
said and then... having sex
but then... aahh my head...
can't remember more.

She must be blocking
out Frank's death... I
better not say anything
about it for now.

THAT BITCH!
She turned us into
puppets for her
amusement!

But why are we free now?

I don't know... the spell must have worn off or something.

Well whatever the reason... I'm gonna beat the shit out of her!

Me too! She has to pay for what she did!

But... what if she's too strong now? I mean she read the same spell we did and she was already strong to begin with.

You're right and before she left she read another spell which made her even bigger.

Well then it's a good thing she left us this!

Yeah there has to be something in there to even the odds!

Moments later...

IT'S USELESS!
I can't find a single spell that will help! Just some sex related spells and material possession stuff.

I know!
I don't even see the spell she used on us. It must be one of the ones we can't read.

If only there was a spell for super powers or something!

Yeah that would be...
WAIT! Didn't Frank collect comic books?

He still does.
There are thousands of them stored in the spare bedroom. Why?

Quick! Go see if you can find a comic called 'The Golden Champion'. Any issue should do.

Alright, but what's this have to do with getting revenge on Linda?

I'll tell you when you get back. I have to find a spell I saw earlier.

Great timing, I just found the spell I was looking for.

Here. Issue one of 'The Golden Champion', now what's this all about?

Well there isn't any spell to give us superpowers directly but I found one that I think can make imaginary things real. The source of the Golden Champion's powers are his power gloves so I figure...

But how do you know so much about this Golden Champion super hero?

We make his power gloves real! That's brilliant!

I had a boyfriend that read the comic and I read a few issues to make him happy. Anyway, I asked for the comic because I couldn't remember what the gloves looked like.

But now that I can see them... Make the items I'm picturing in my mind appear before me!

Did it work?
I mean I can see they
appeared but...

Well they look like
the Golden Champion's
power gloves.

Yeah, but will they
work like them?

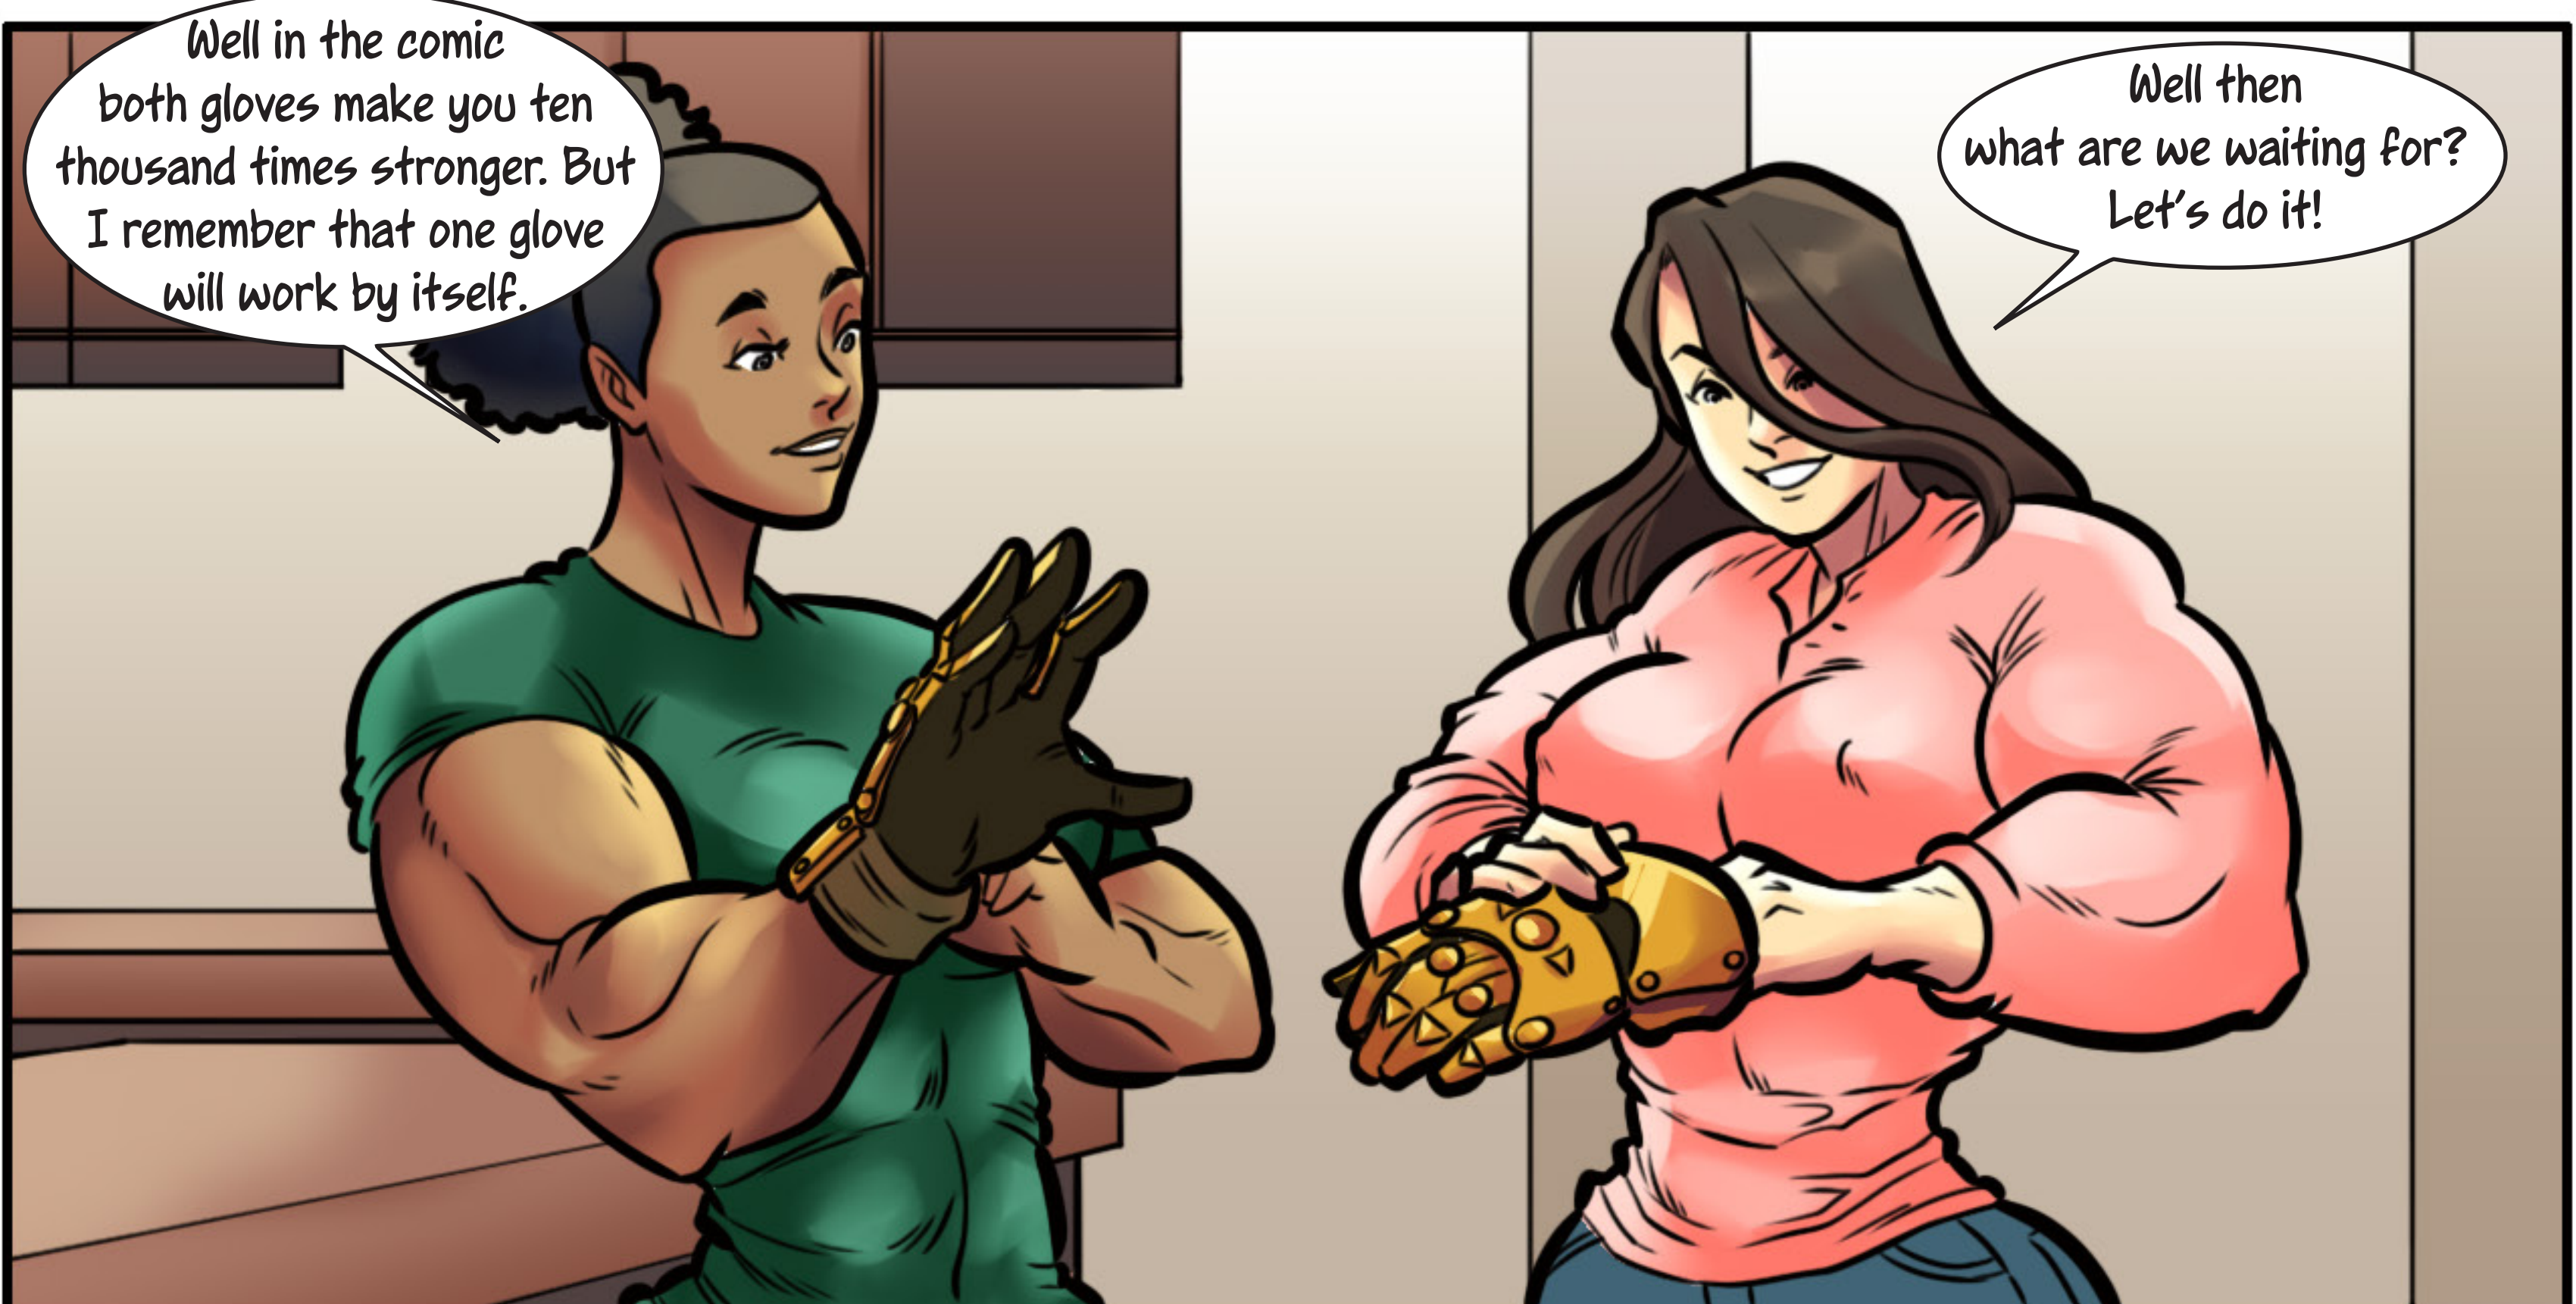

Well if they do,
we'll be able to fly, have
near invulnerability, shoot
lasers from our eyes, create
and change our clothing
at will...

Yeah, but will they
work like them?

Oh and of course
we'll be about five thousand
times stronger. Maybe some
other powers too
I don't...

Five thousand
times stronger?! But we're
already one hundred times
stronger than normal!

Well in the comic
both gloves make you ten
thousand times stronger. But
I remember that one glove
will work by itself.

Well then
what are we waiting for?
Let's do it!

A comic book panel featuring two muscular women in red and white outfits. The woman on the left has dark skin and short dark hair, while the woman on the right has light skin and long dark hair. Both are wearing red and white bodysuits with gold accents and red boots. They are laughing heartily, with their hands on their chests. A red cape is draped behind them. The background is a simple room with a doorway.
