Calm down Betty,
you don't want to give
yourself a stroke.

Of course, all I'm saying
is that a woman your age
should...

I keep telling you
it's not me doing it. It's
probably some kids
that...

A stroke? Listen Nancy,
I may be an old woman now, but back in the
day I was one of the sexiest strippers in
the city. Look at me, I'm still in better shape
than most women half my age!

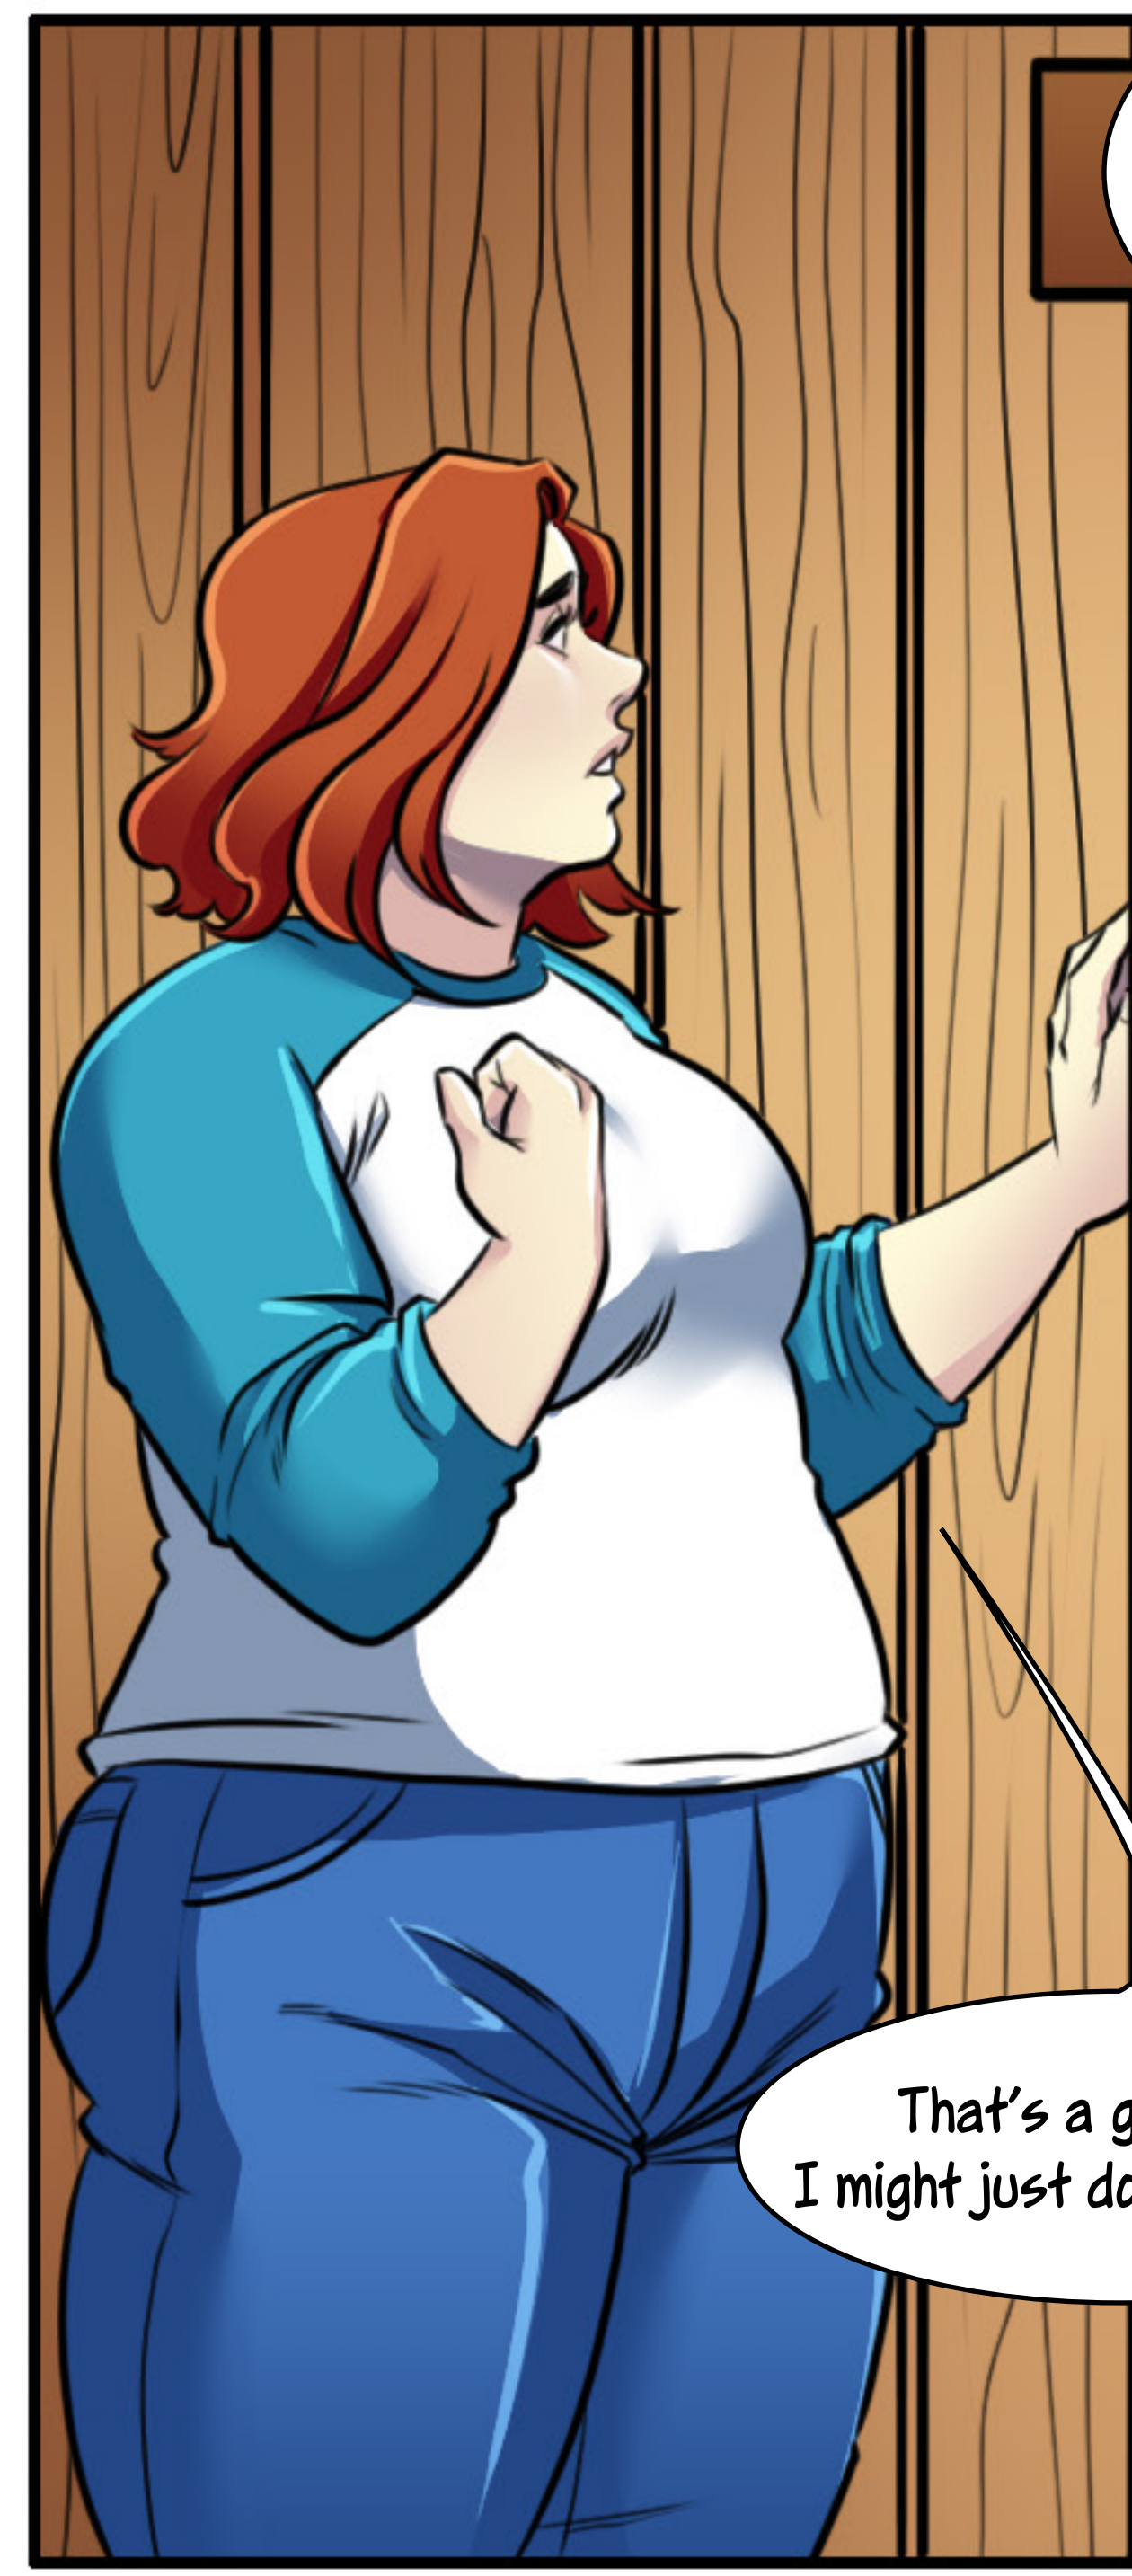

Don't go trying
to change the subject fatty!
Now then, are you going to stop
throwing garbage
in my yard or...

Bullshit!
I know it's you and
when I catch you...

Betty!
Watch your mouth, some
kids might hear...

Oh please, the little
bastards say a lot worse
these days!

Anyway, as much as
I'd love to climb over this fence
and straighten you out, I'm
feeling a little tired. I'm going to
go take a nap.

That's a good idea,
I might just do that myself.

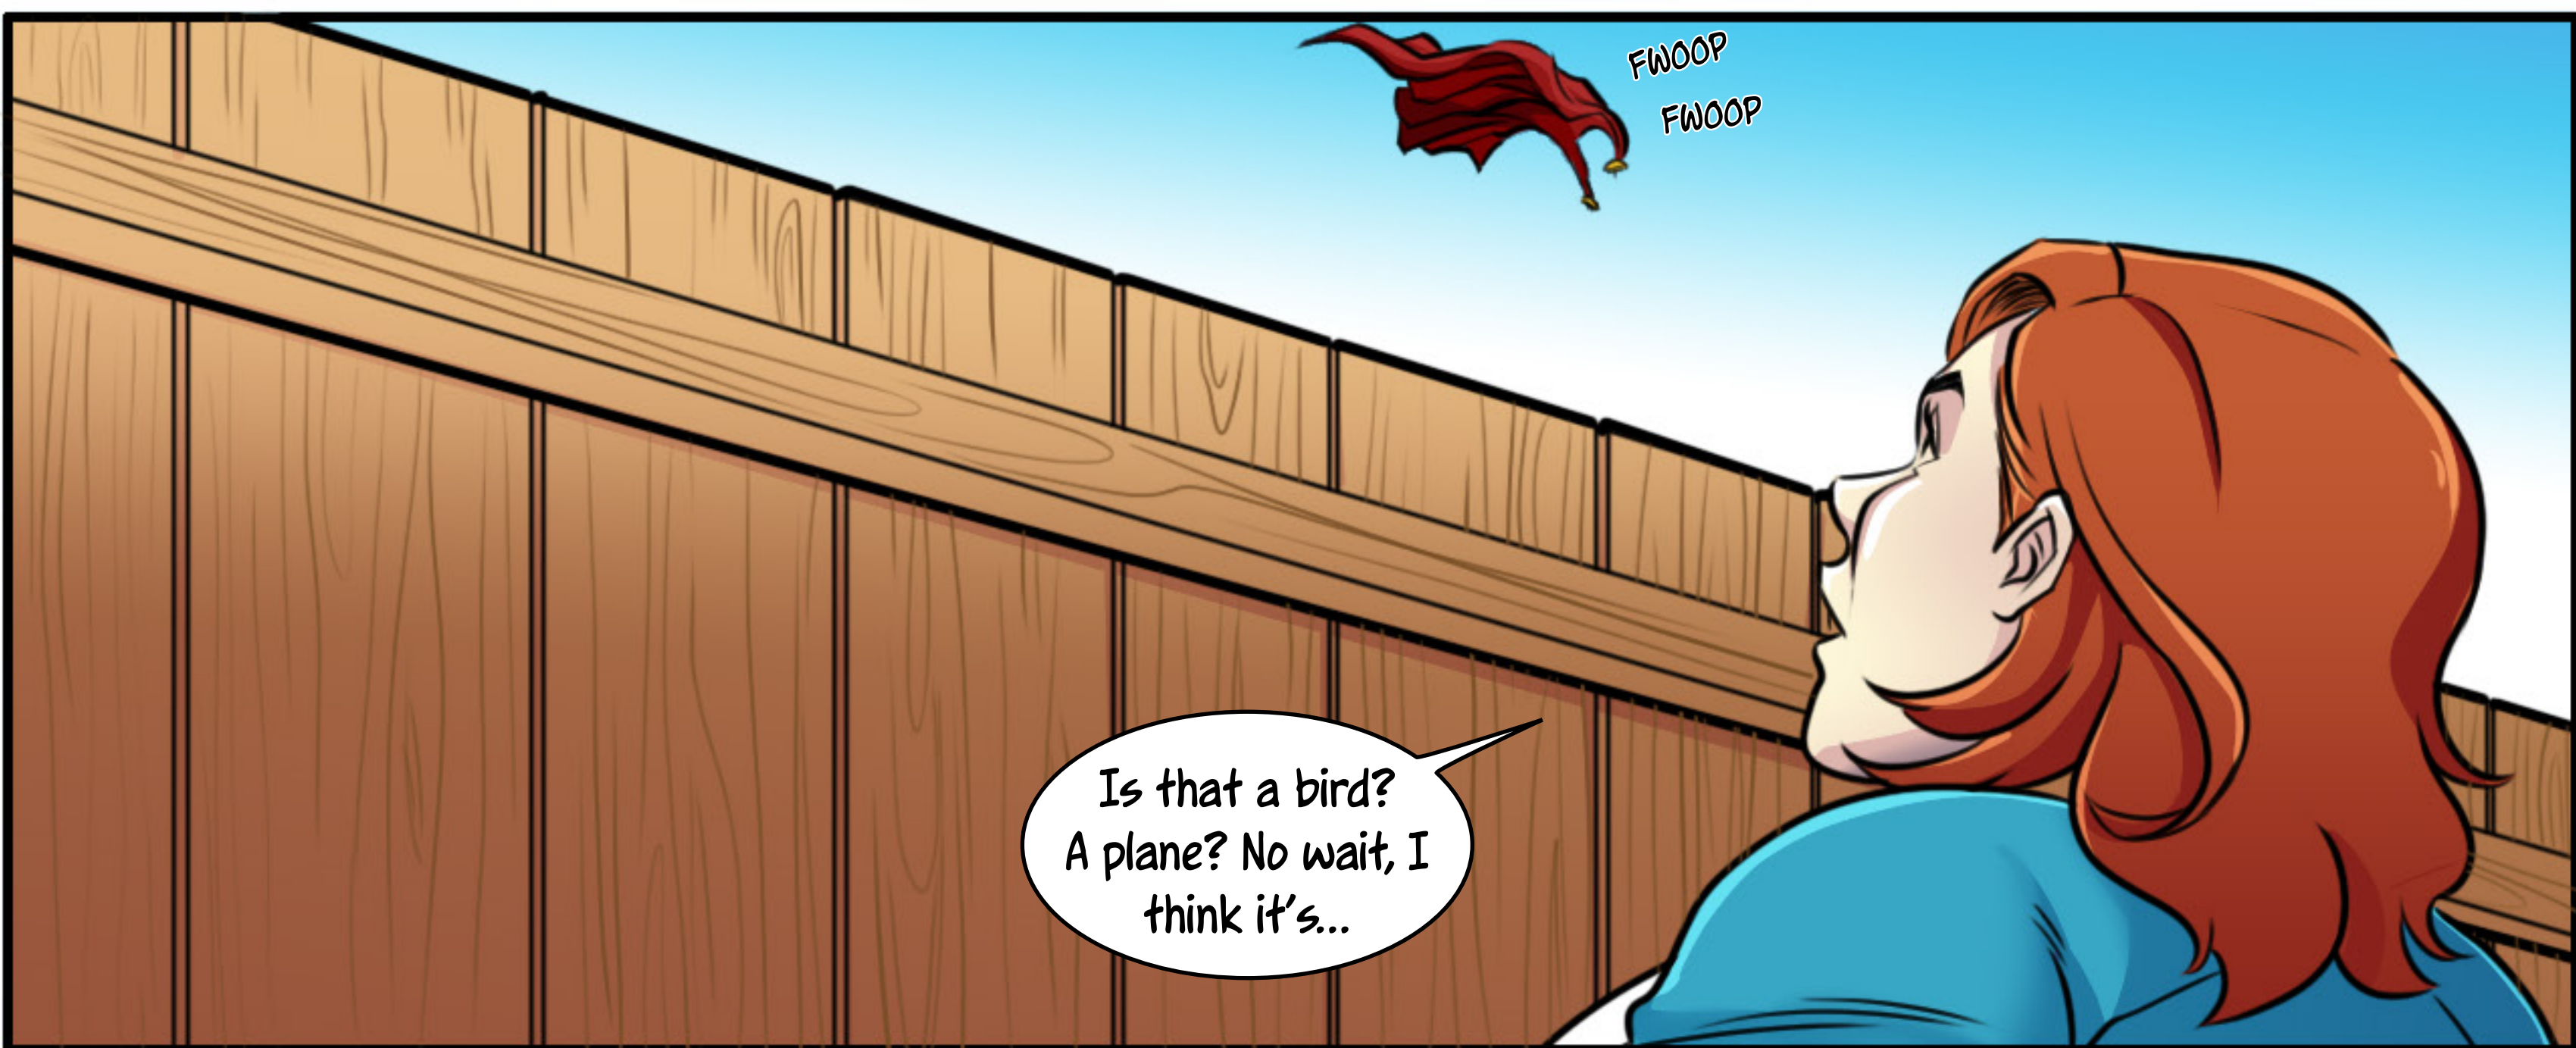

Poor Betty,
I wonder what turned
her into such a bitter
woman?

FLUTTER

Maybe she just...
Hey what's that?

FLUTTER

FWOOP
FWOOP

Is that a bird?
A plane? No wait, I
think it's...

A cloak.

FLOOF

FLUTTER

I was right, it is a cloak.

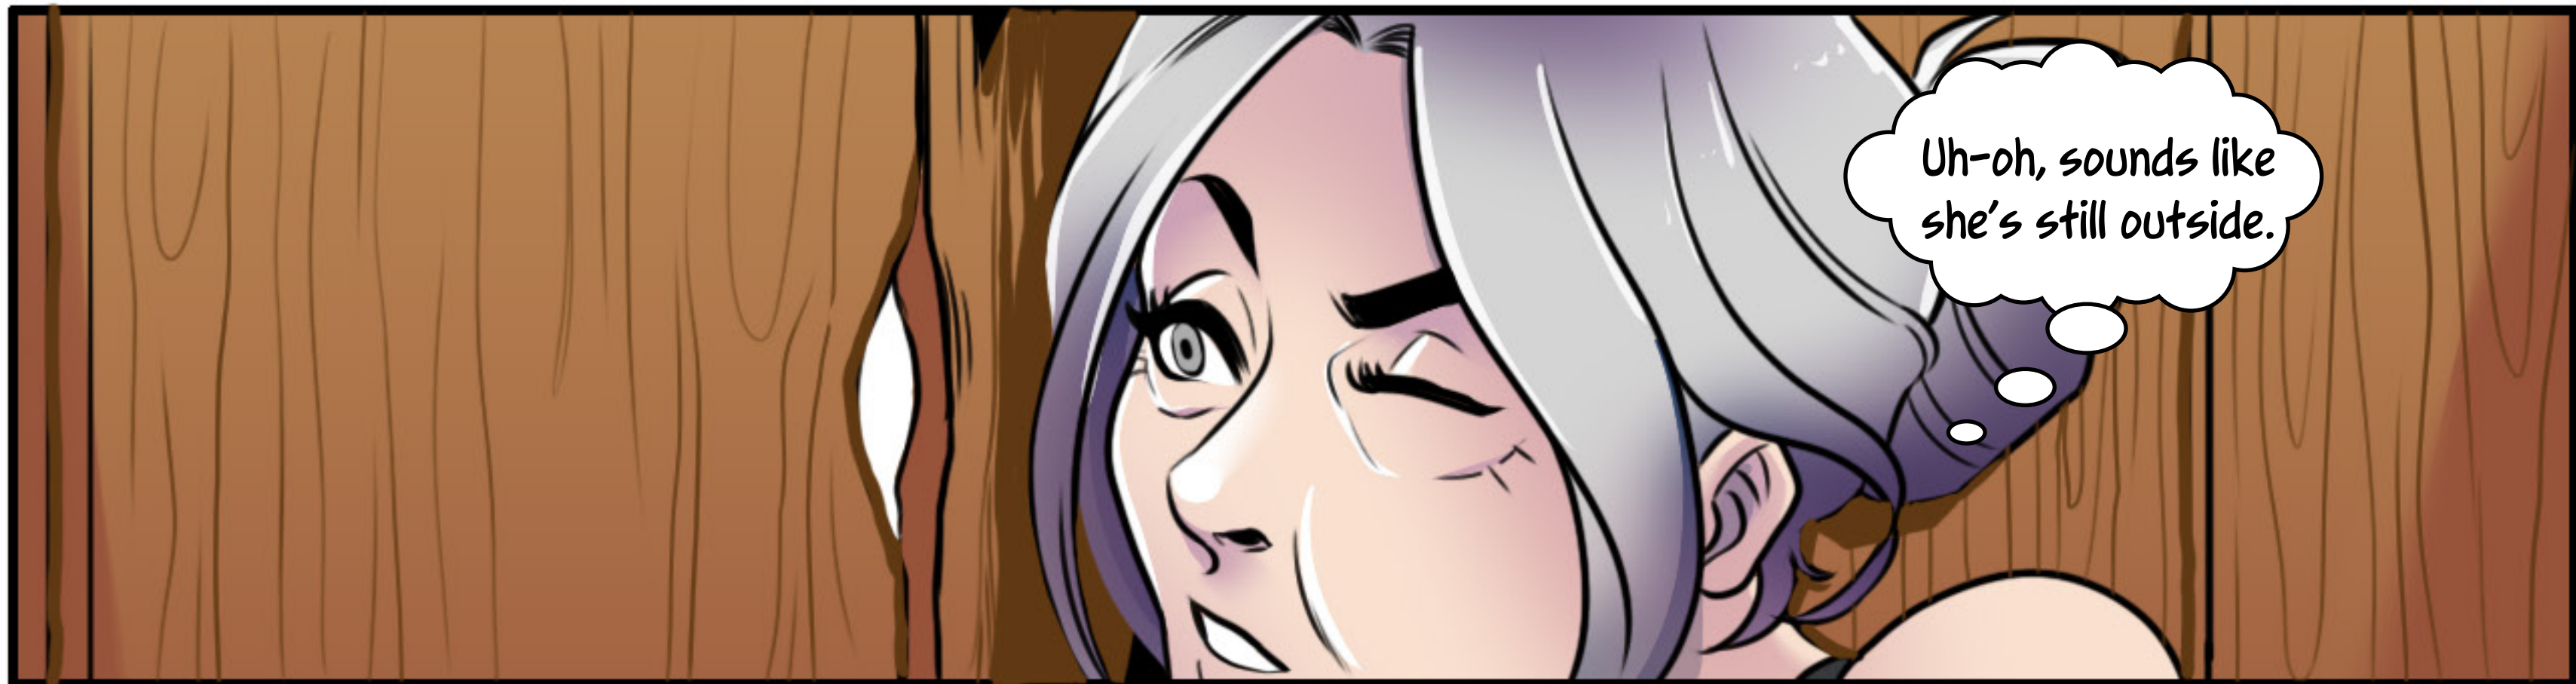

Must have fallen off one of those superheroes I keep seeing on television.

Time for a little revenge. Let's see how Nancy likes it when I dump garbage in her yard.

DRAG

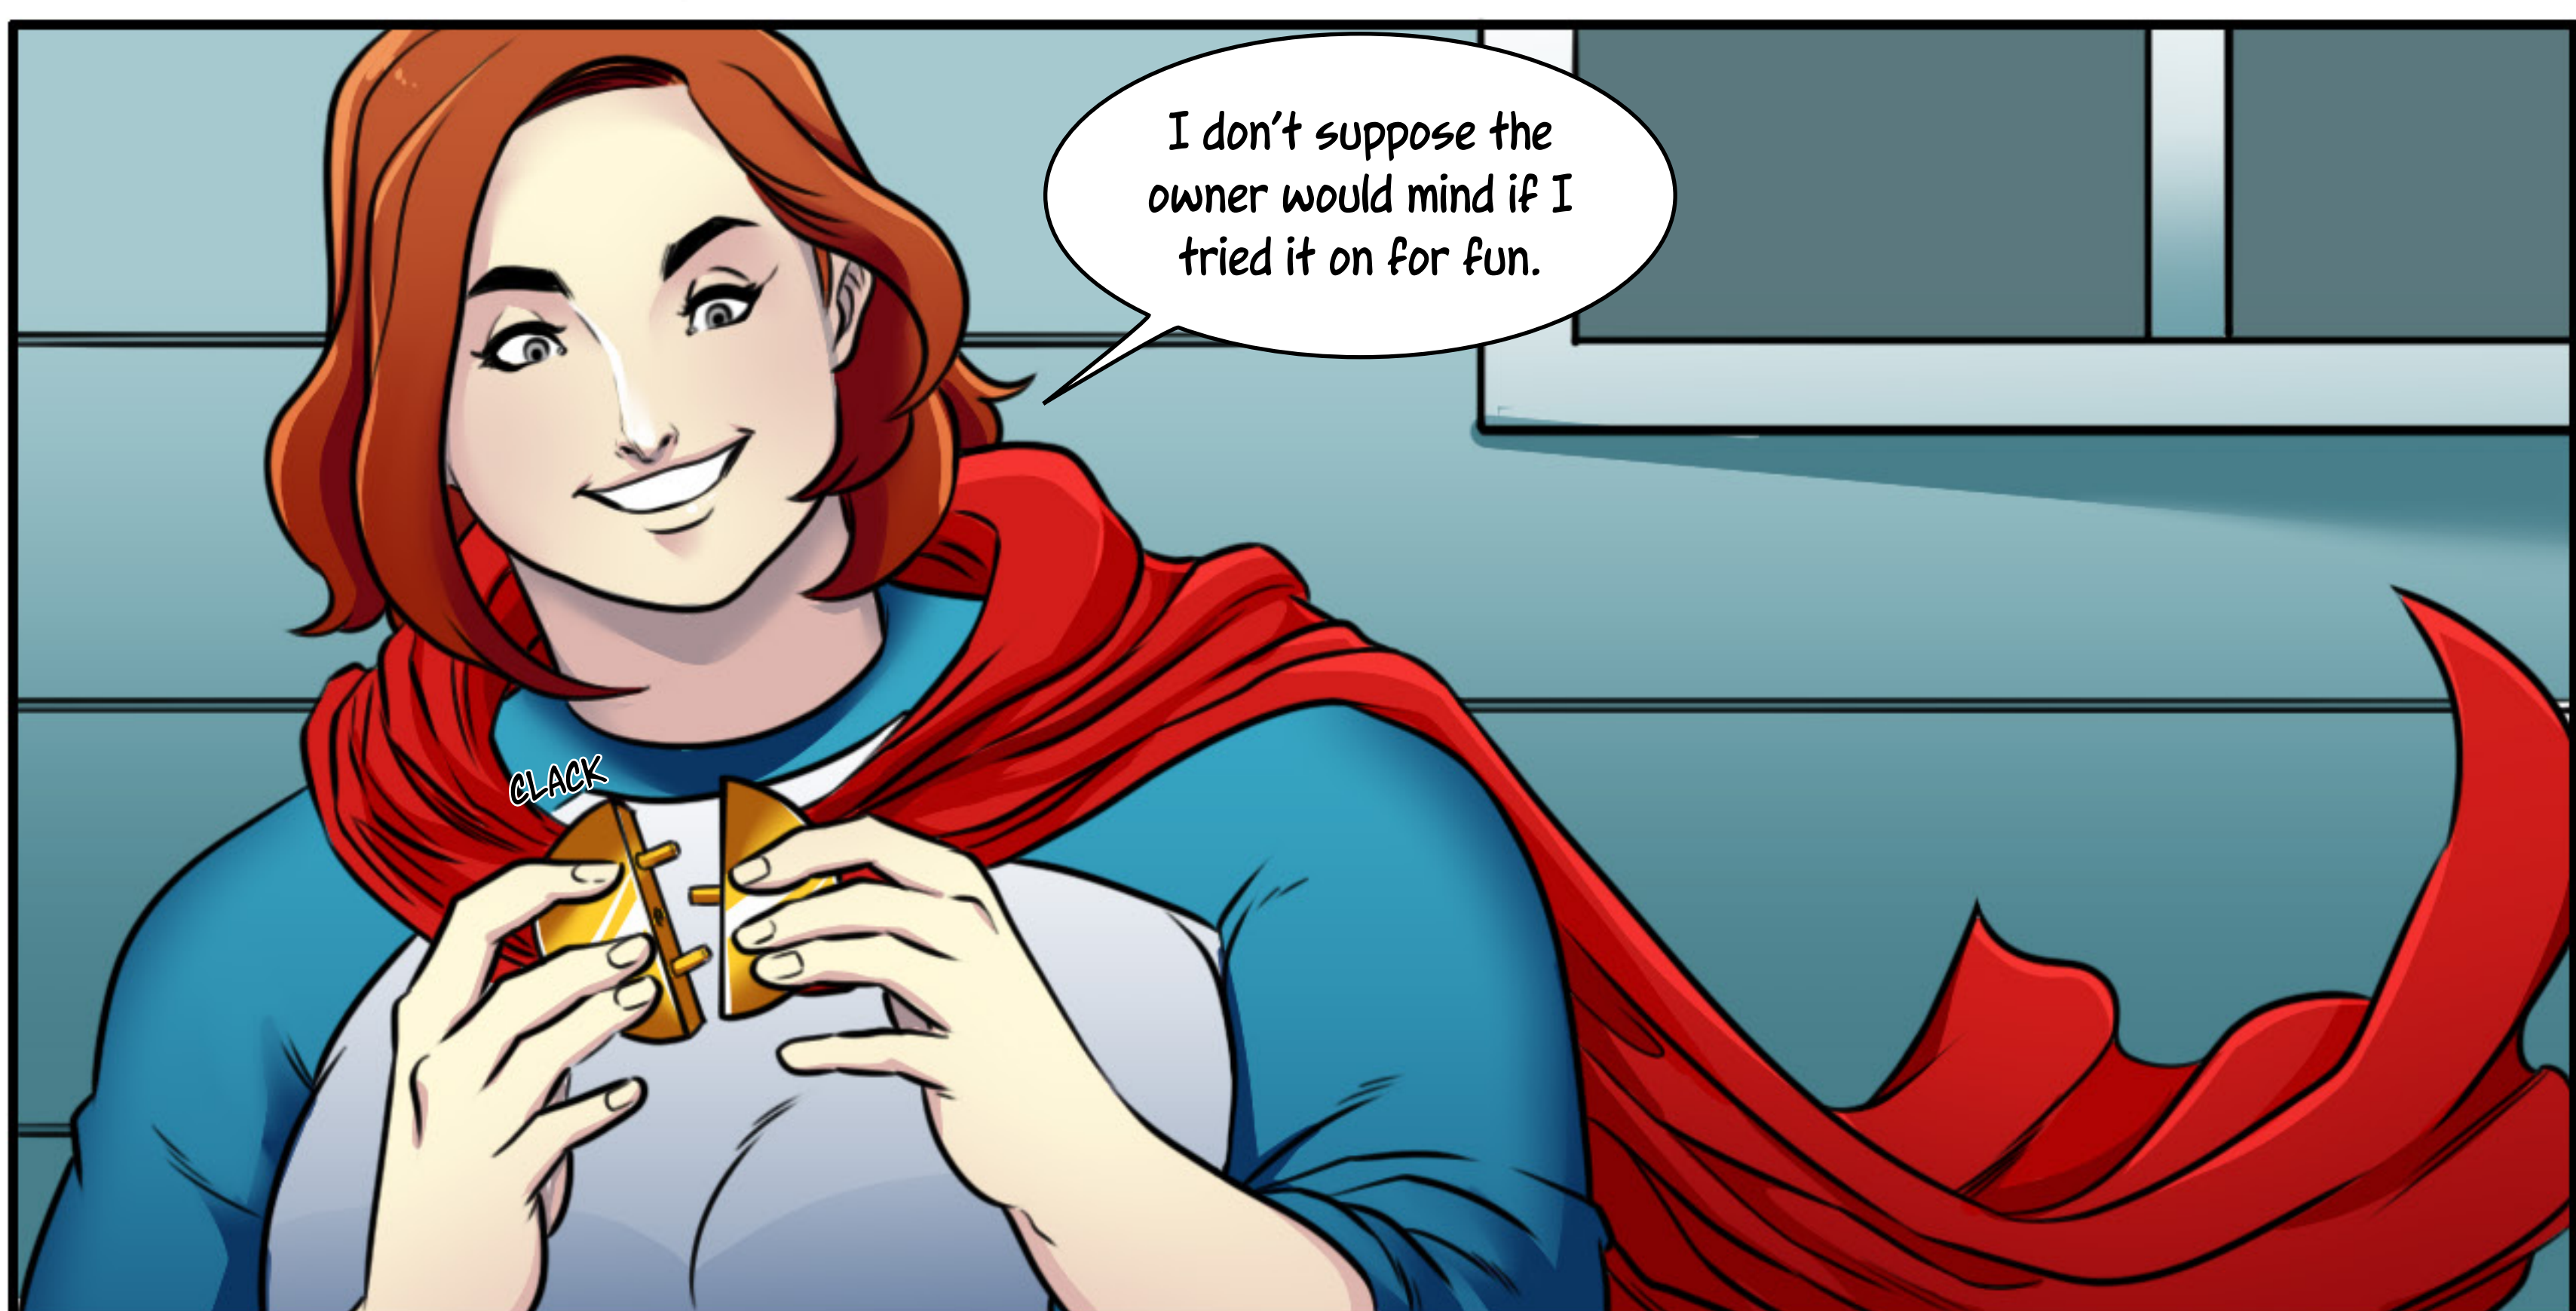

SKRRSH
SKRRSH

Uh-oh, sounds like she's still outside.

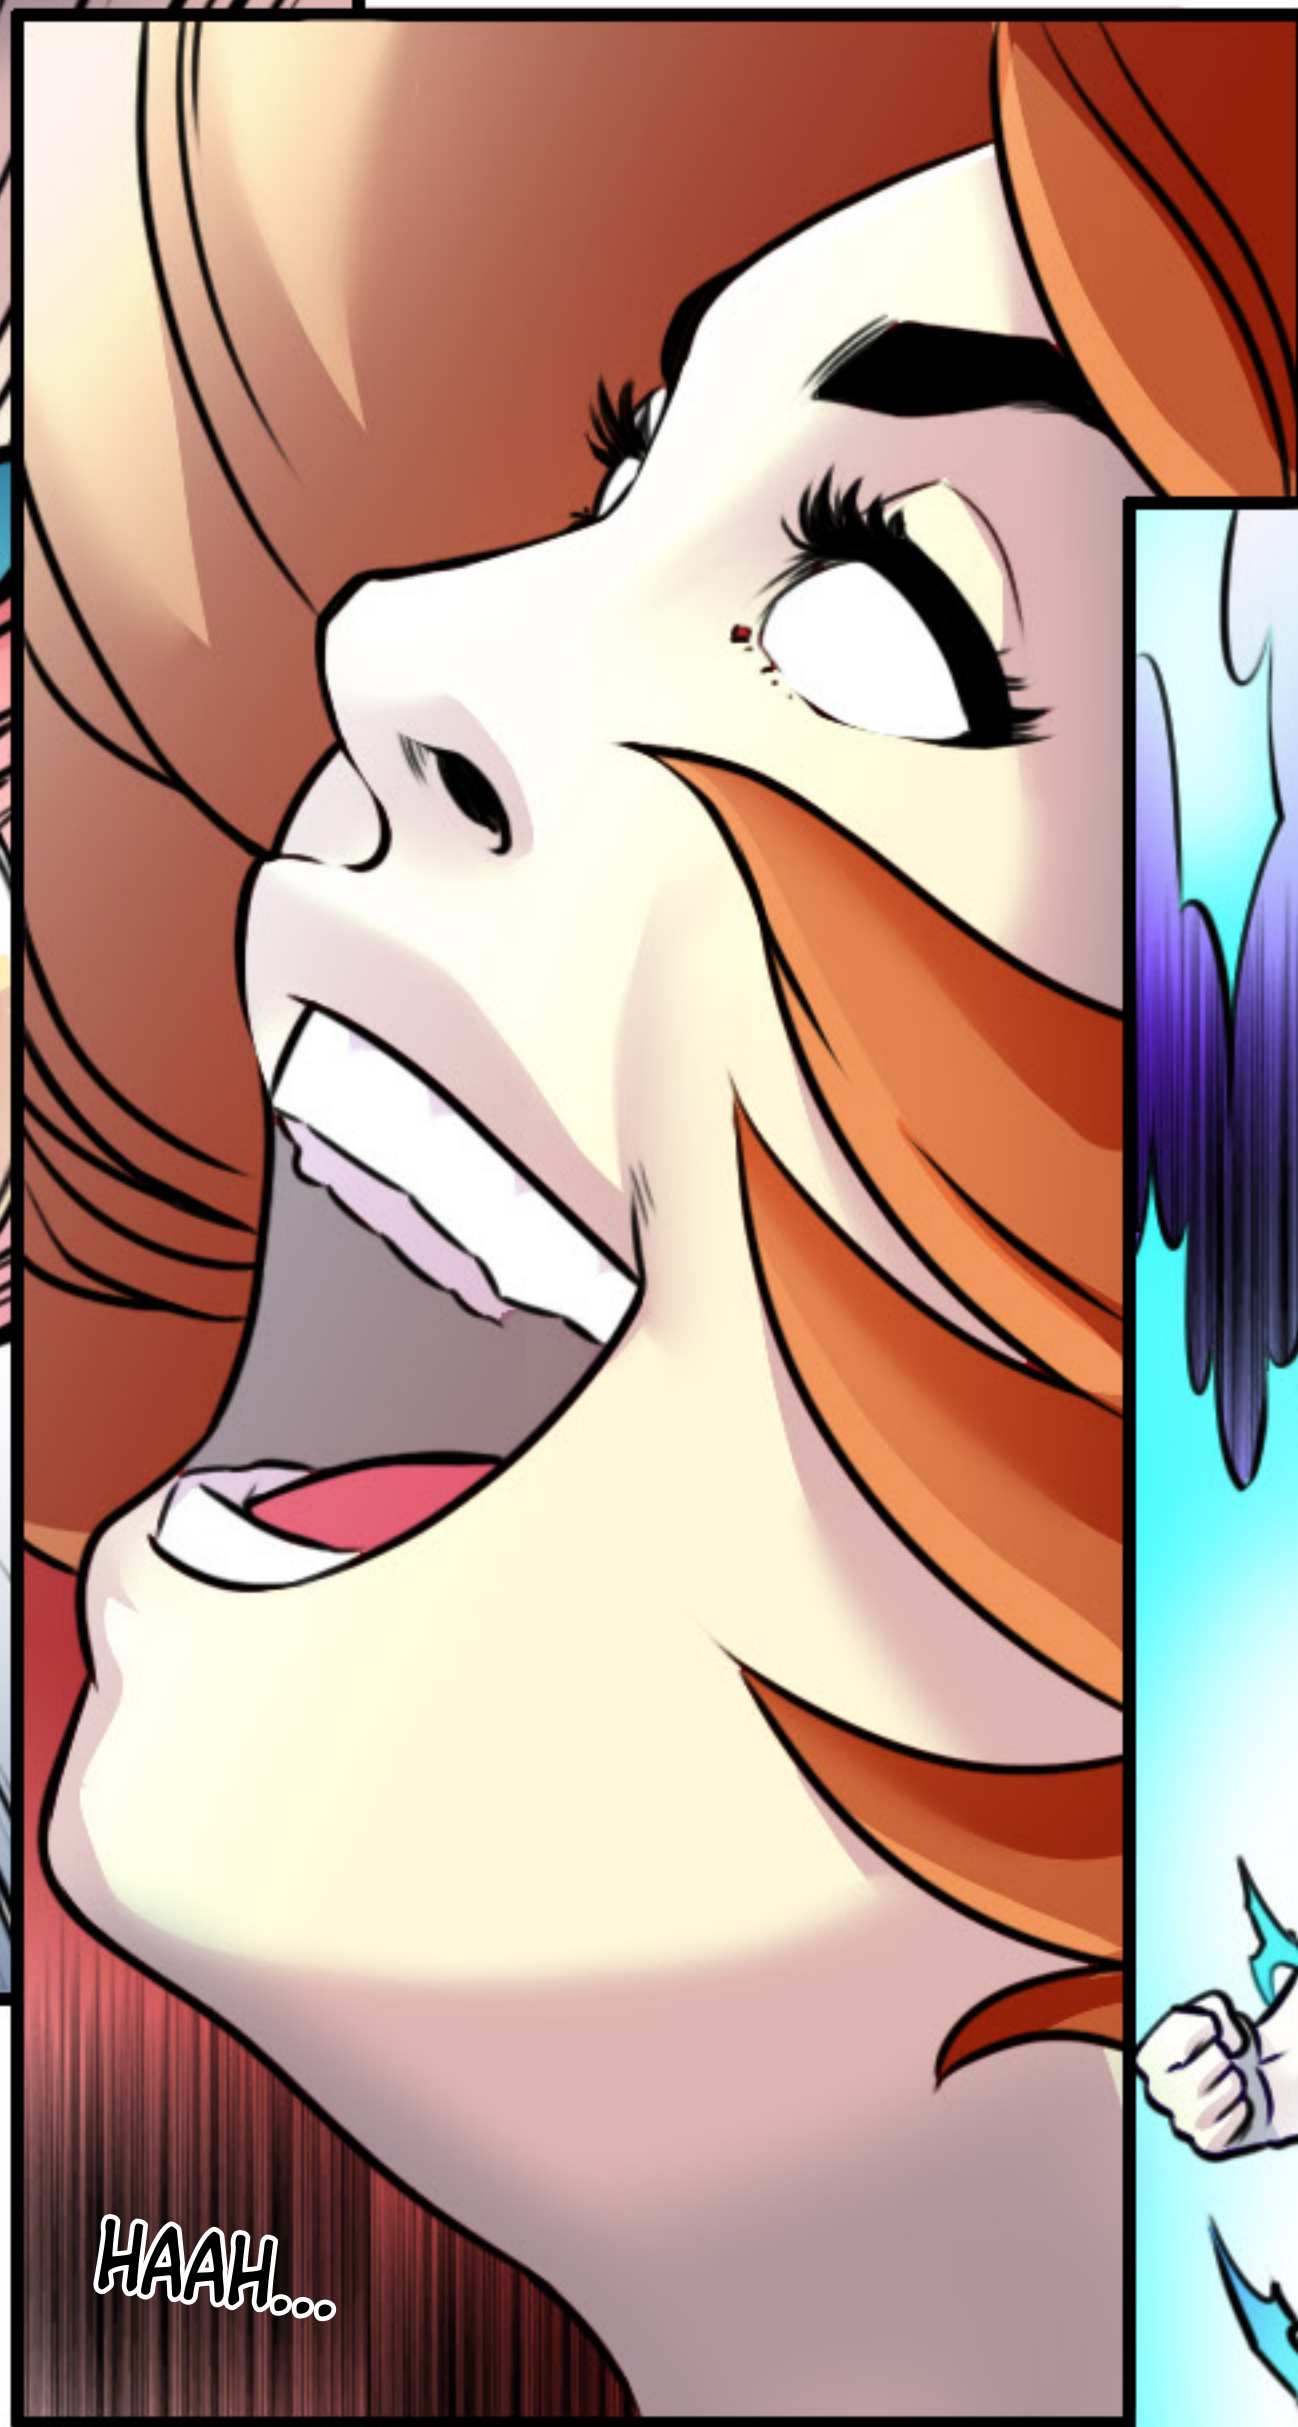

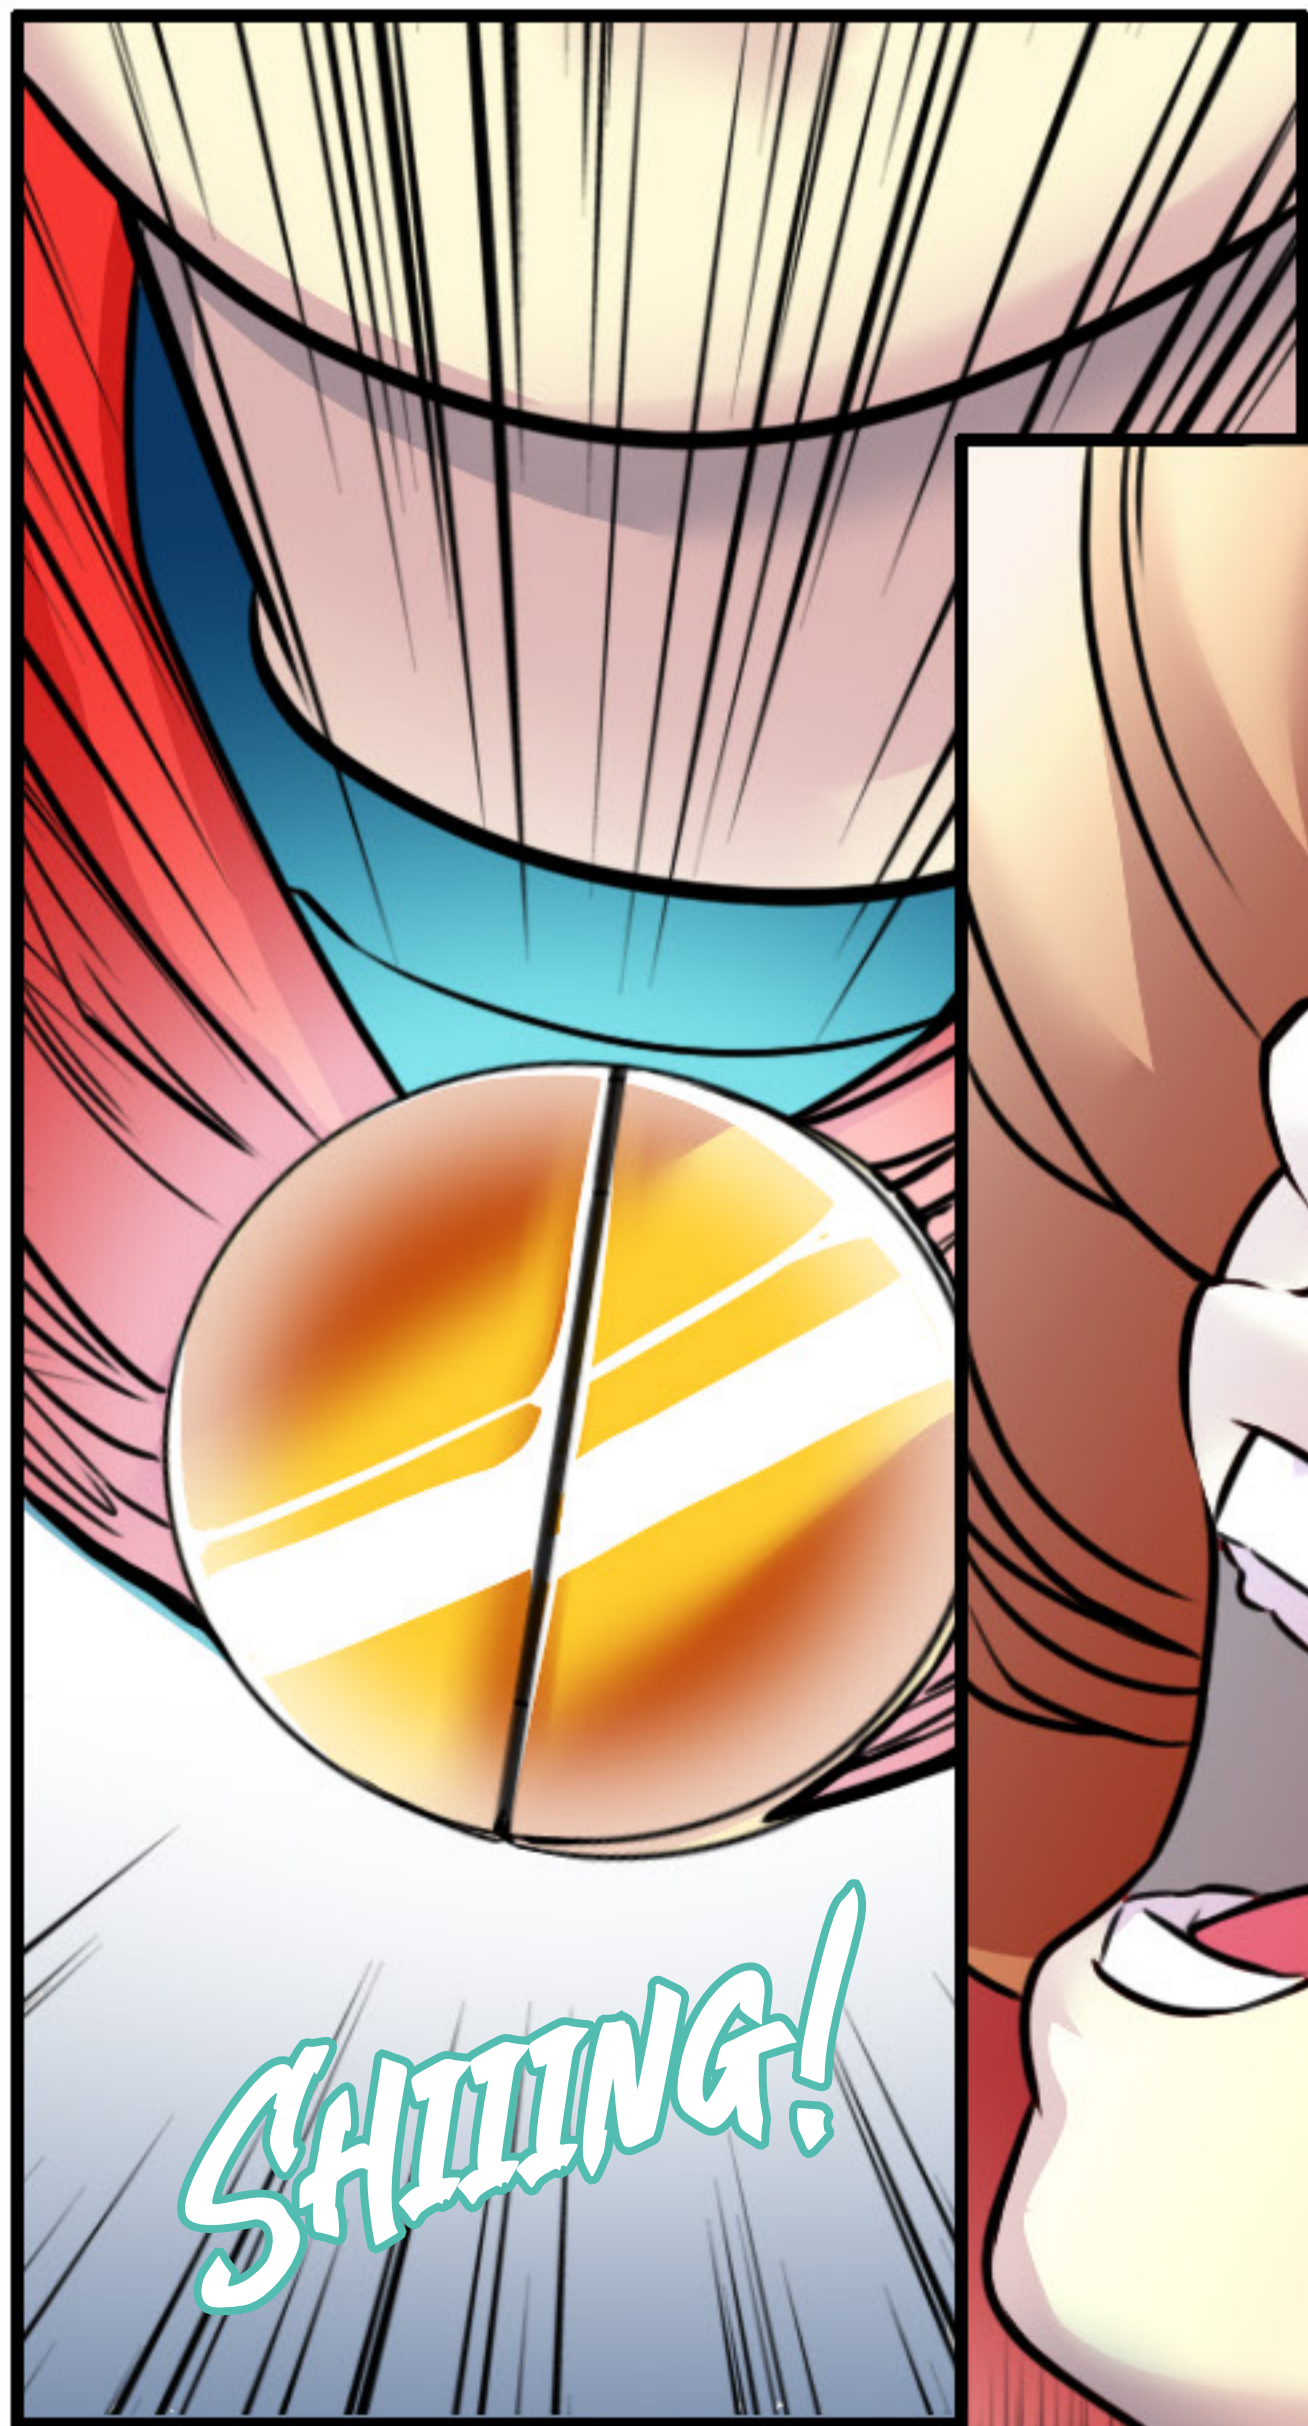

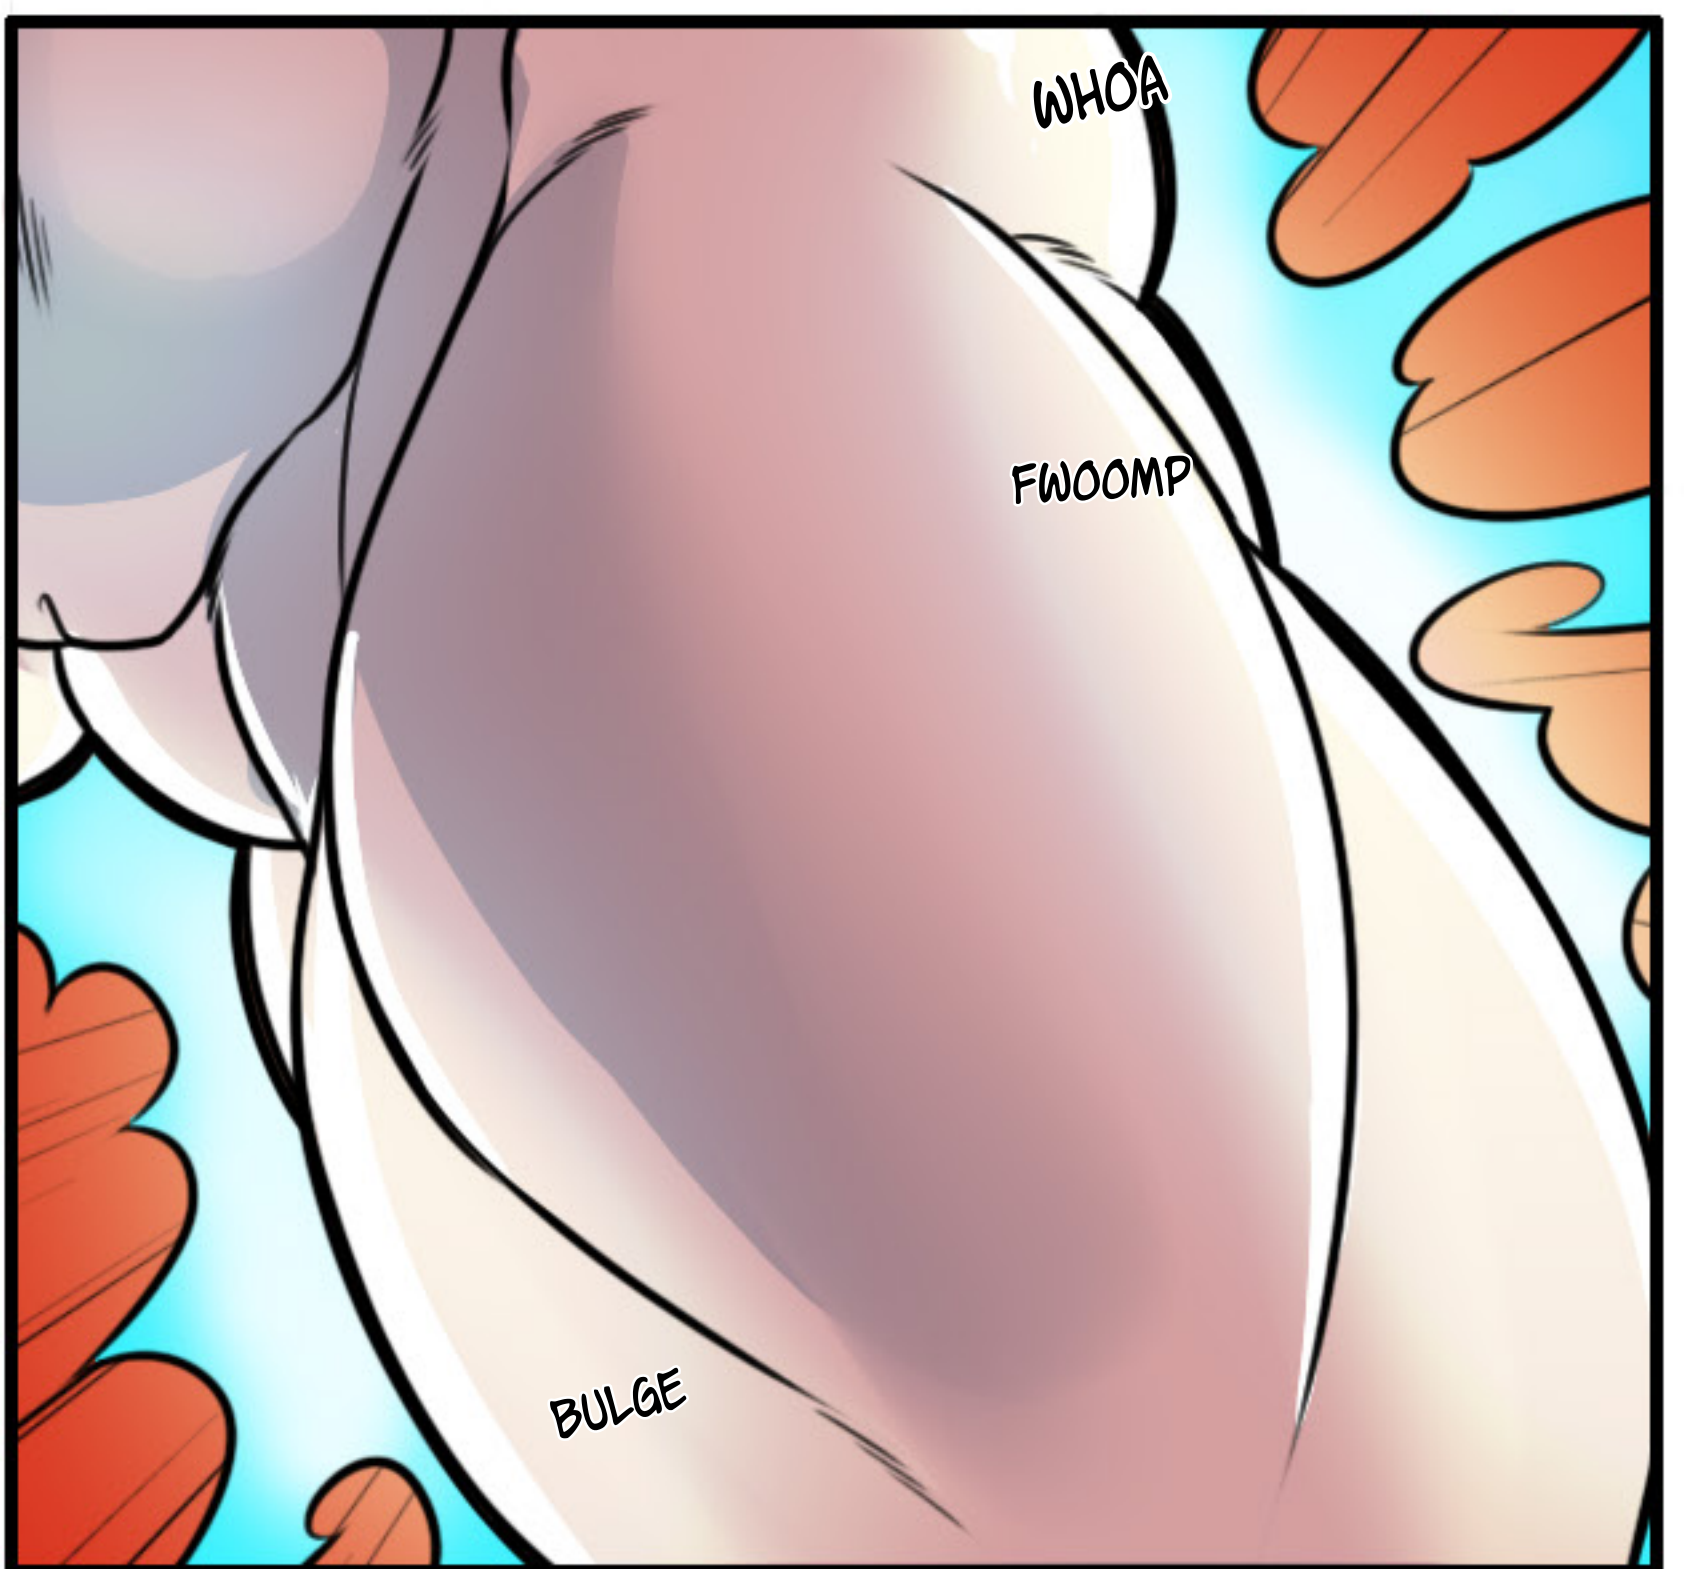

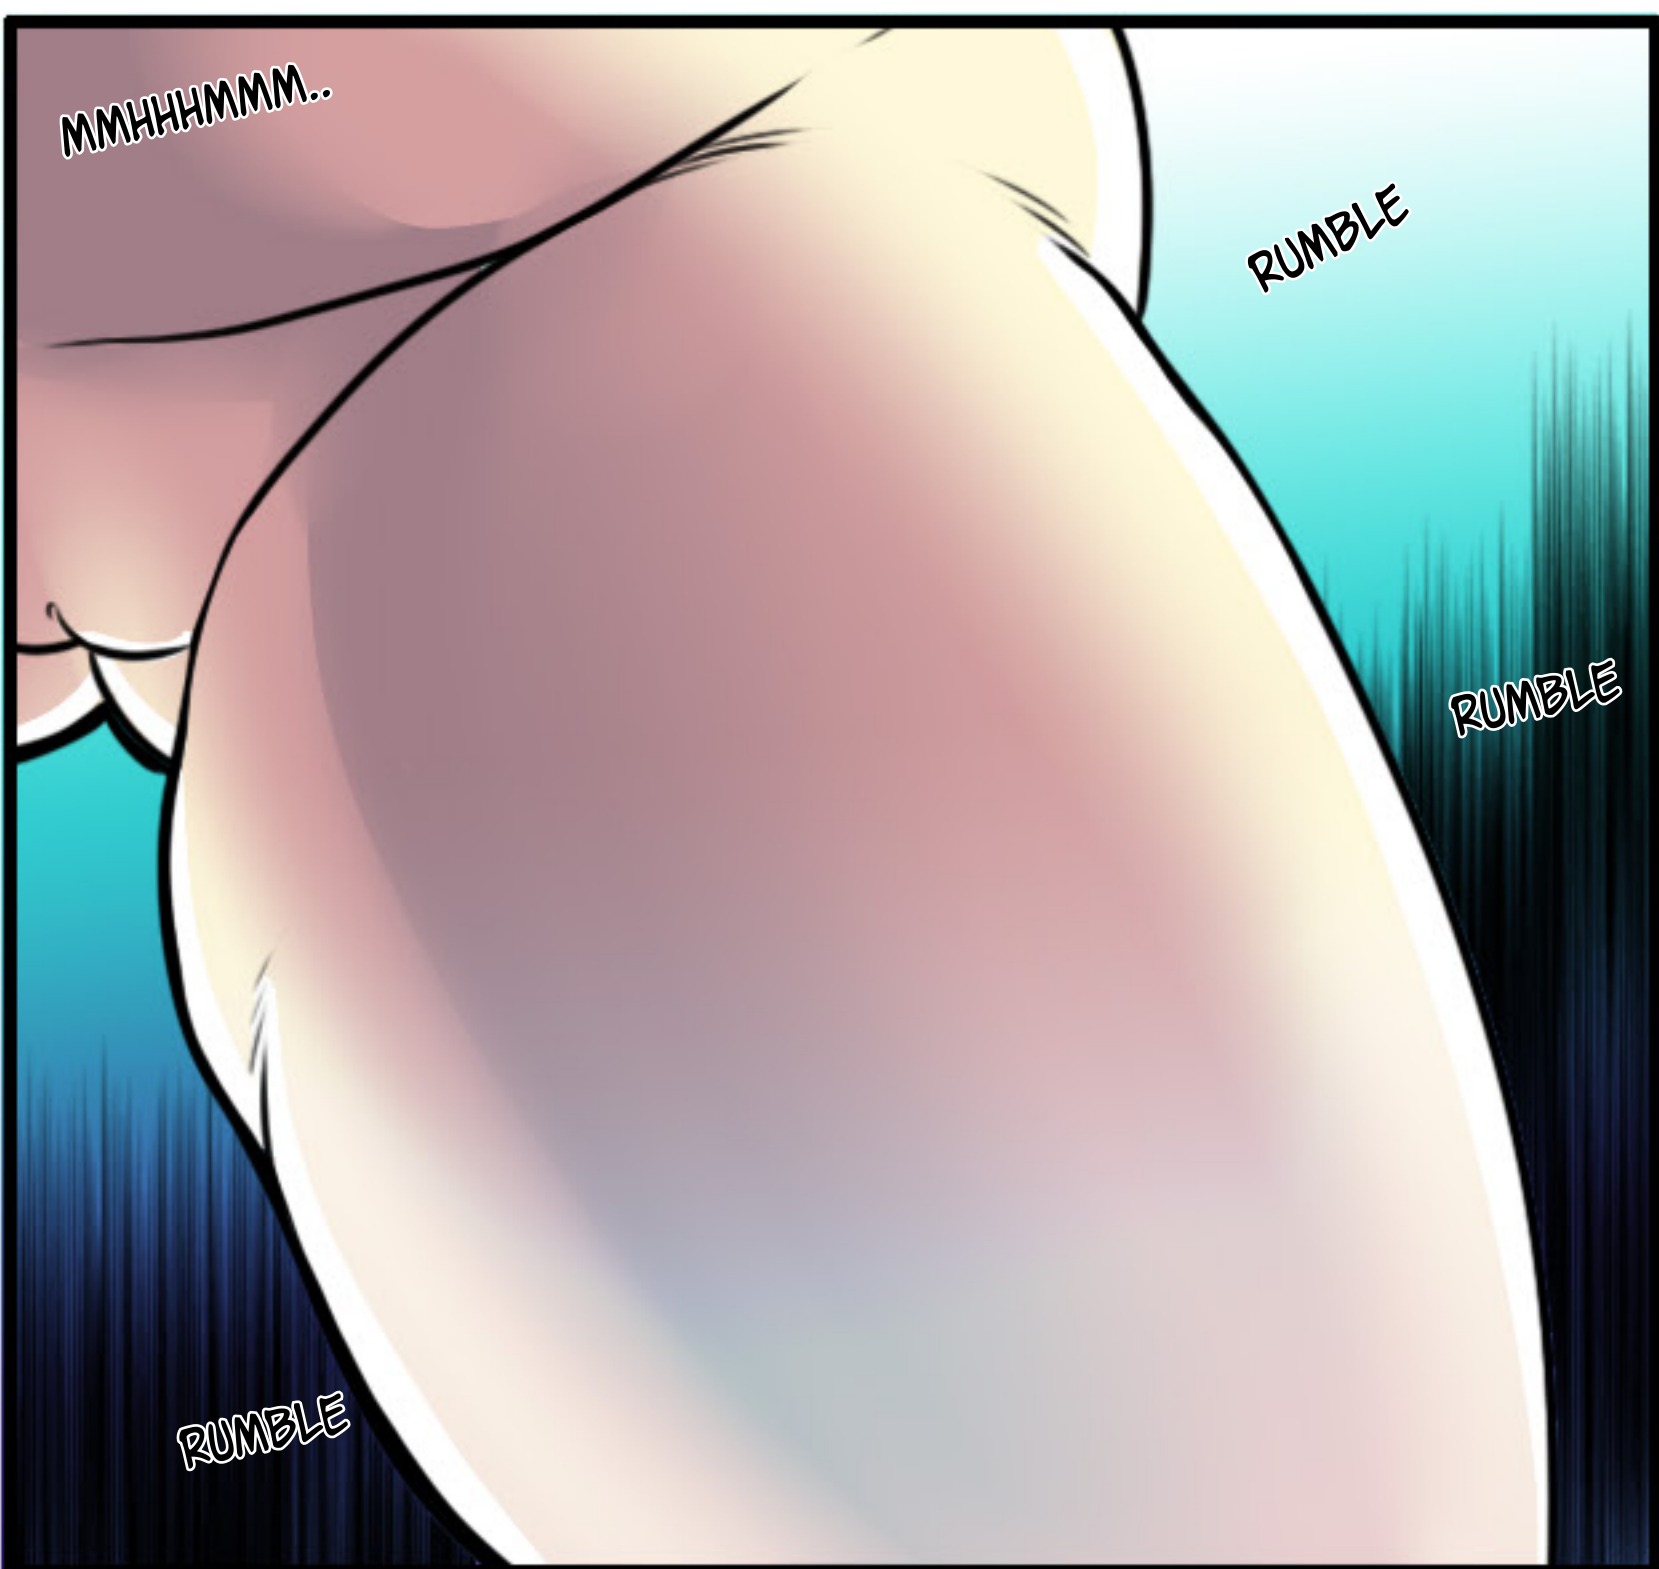

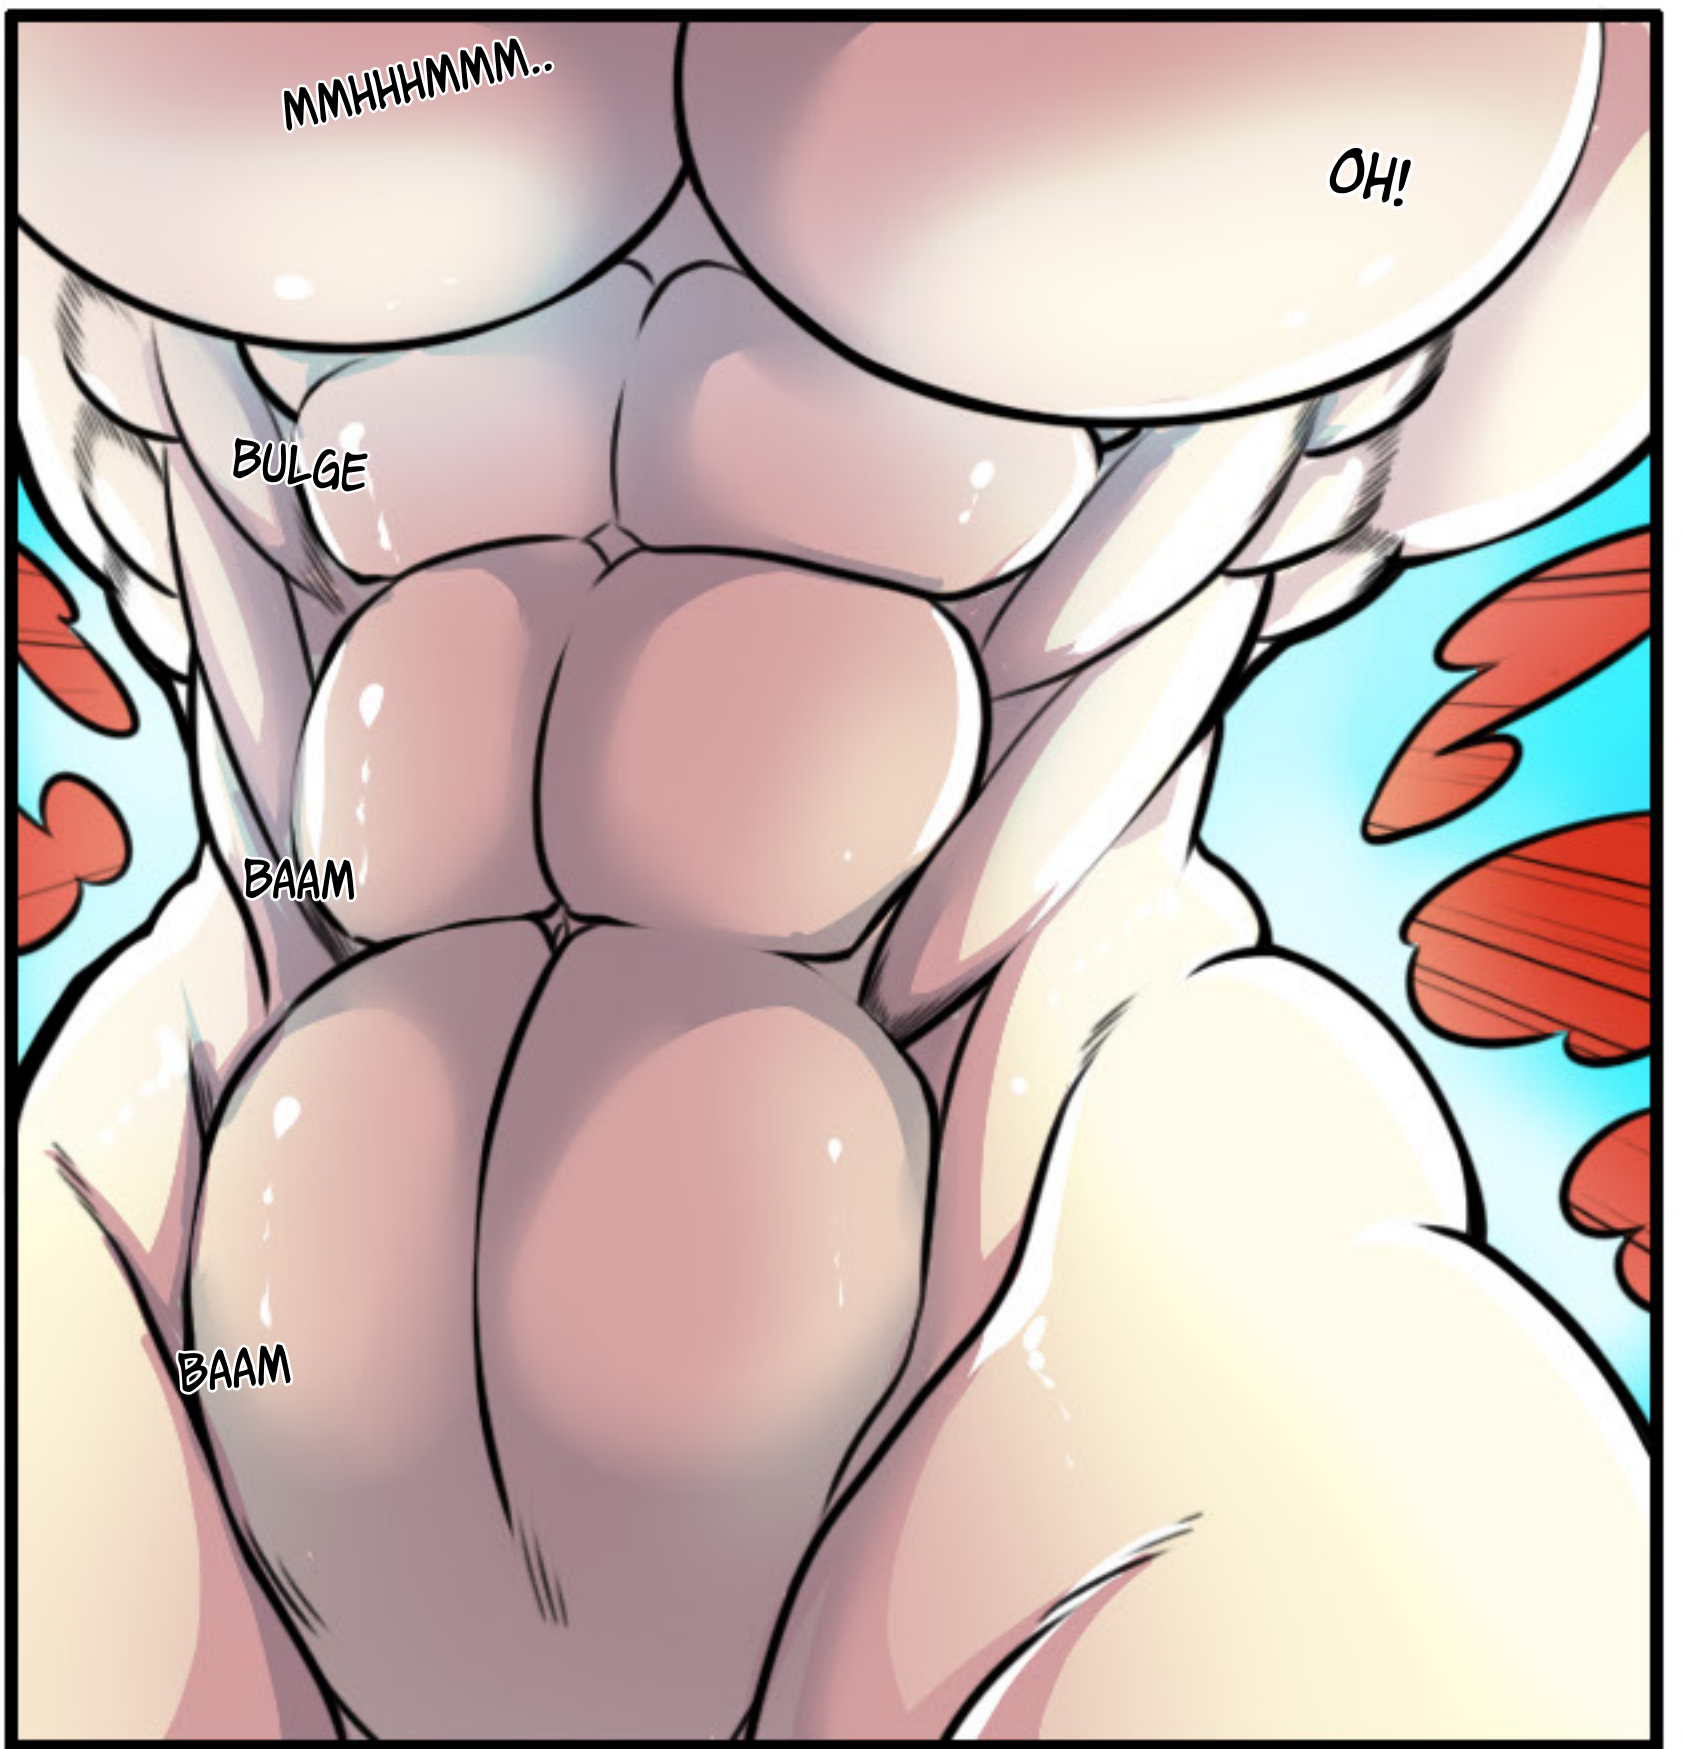

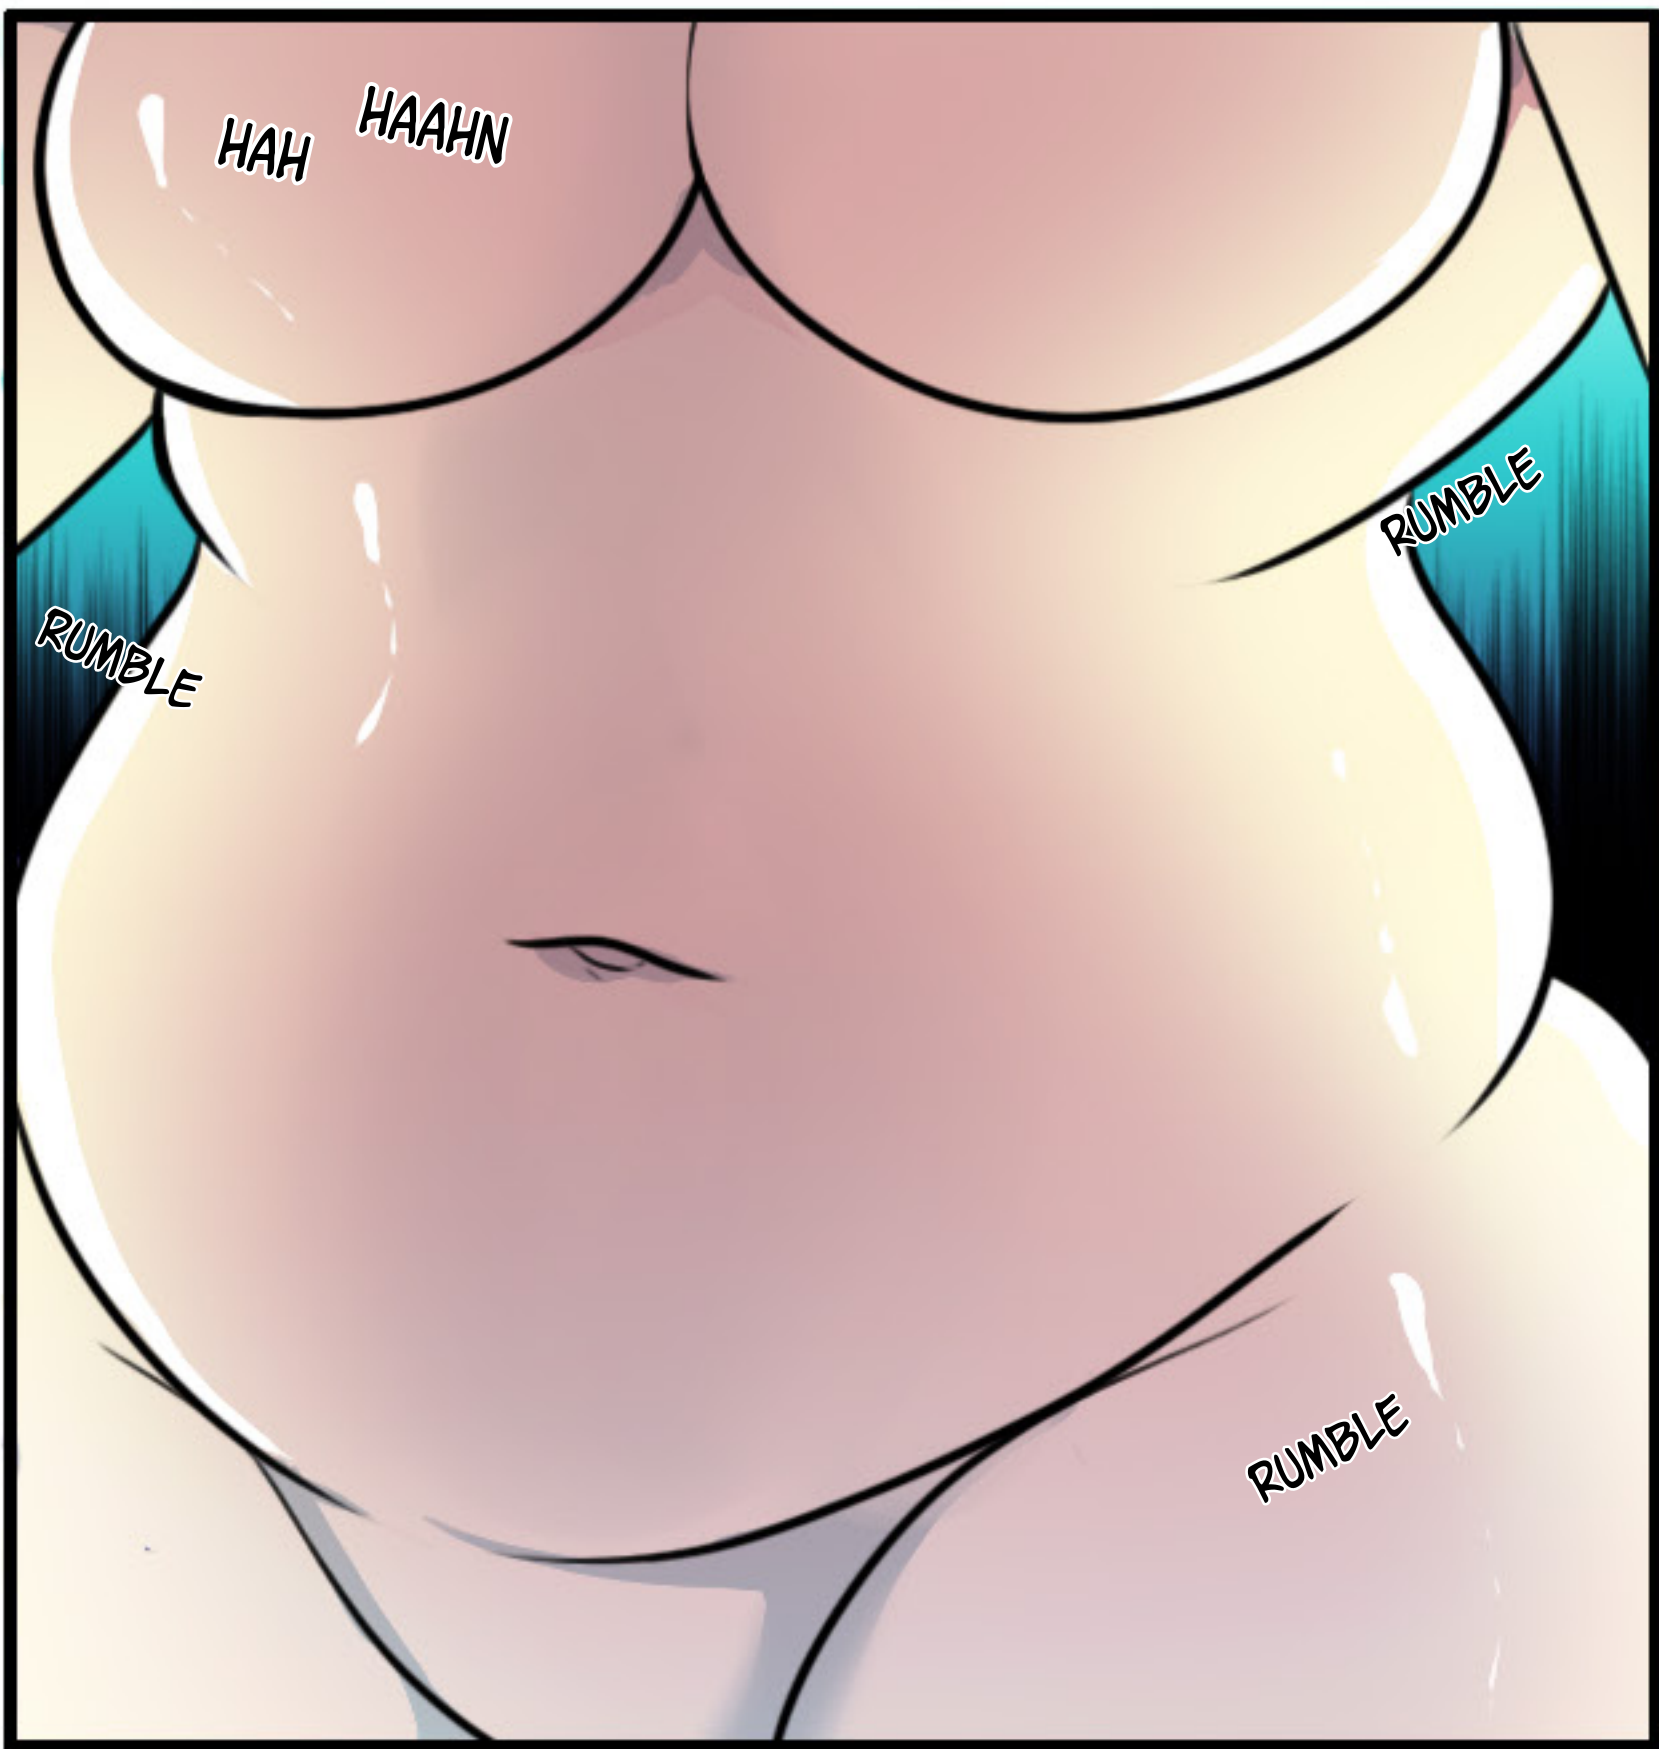

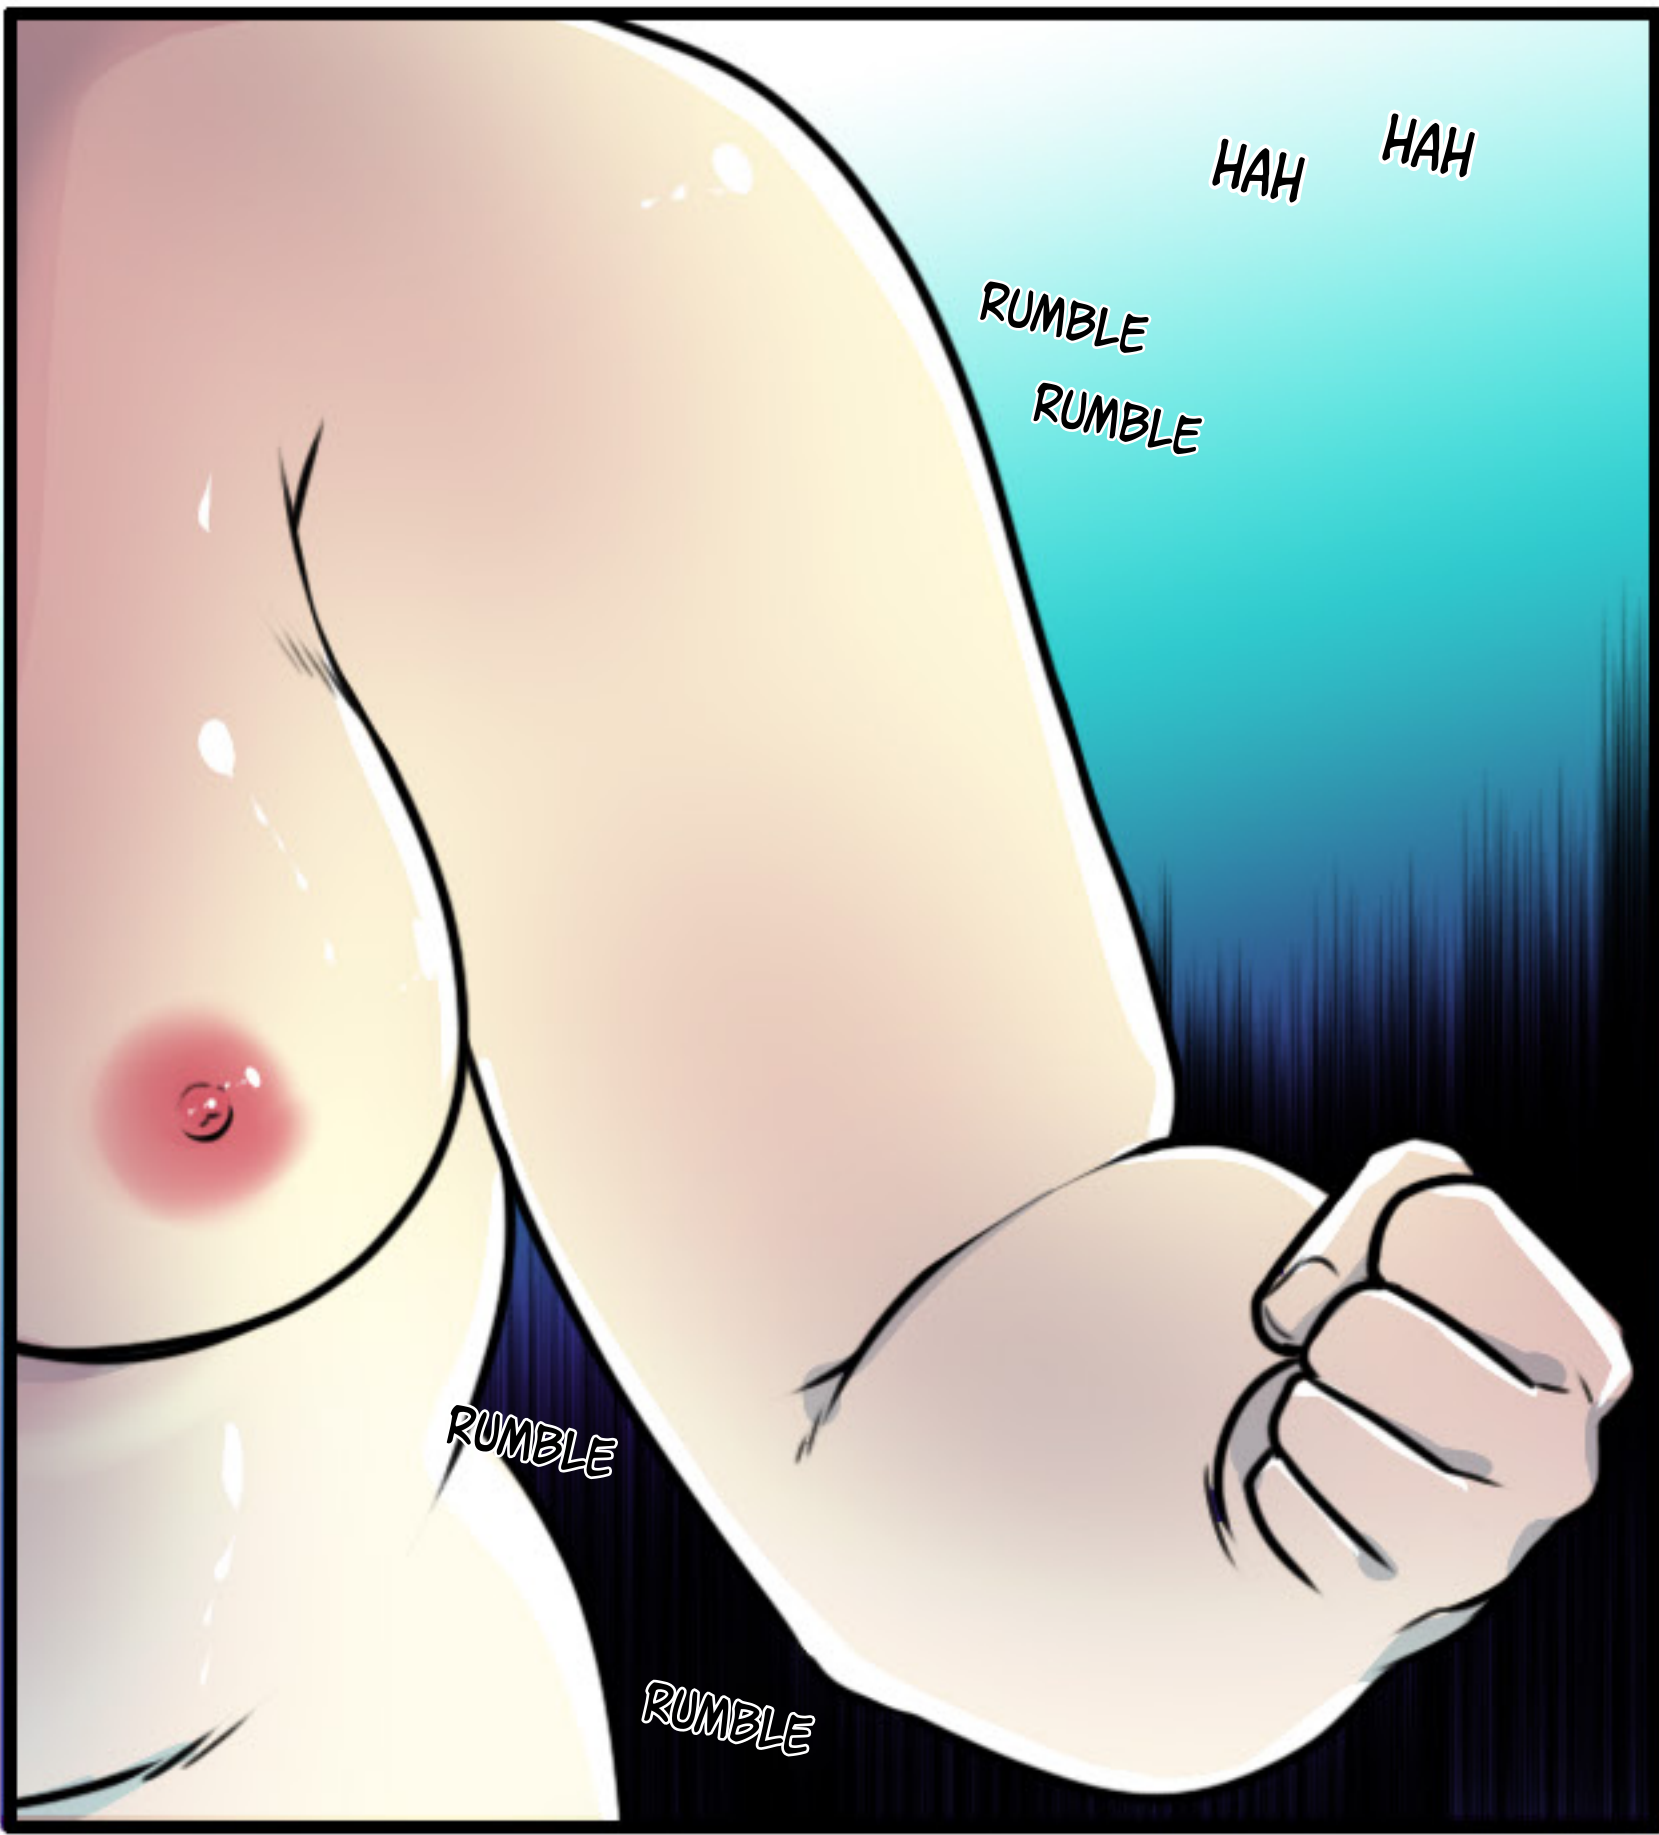

I always wondered what it must be like to be one of those superheroes.

I don't suppose the owner would mind if I tried it on for fun.

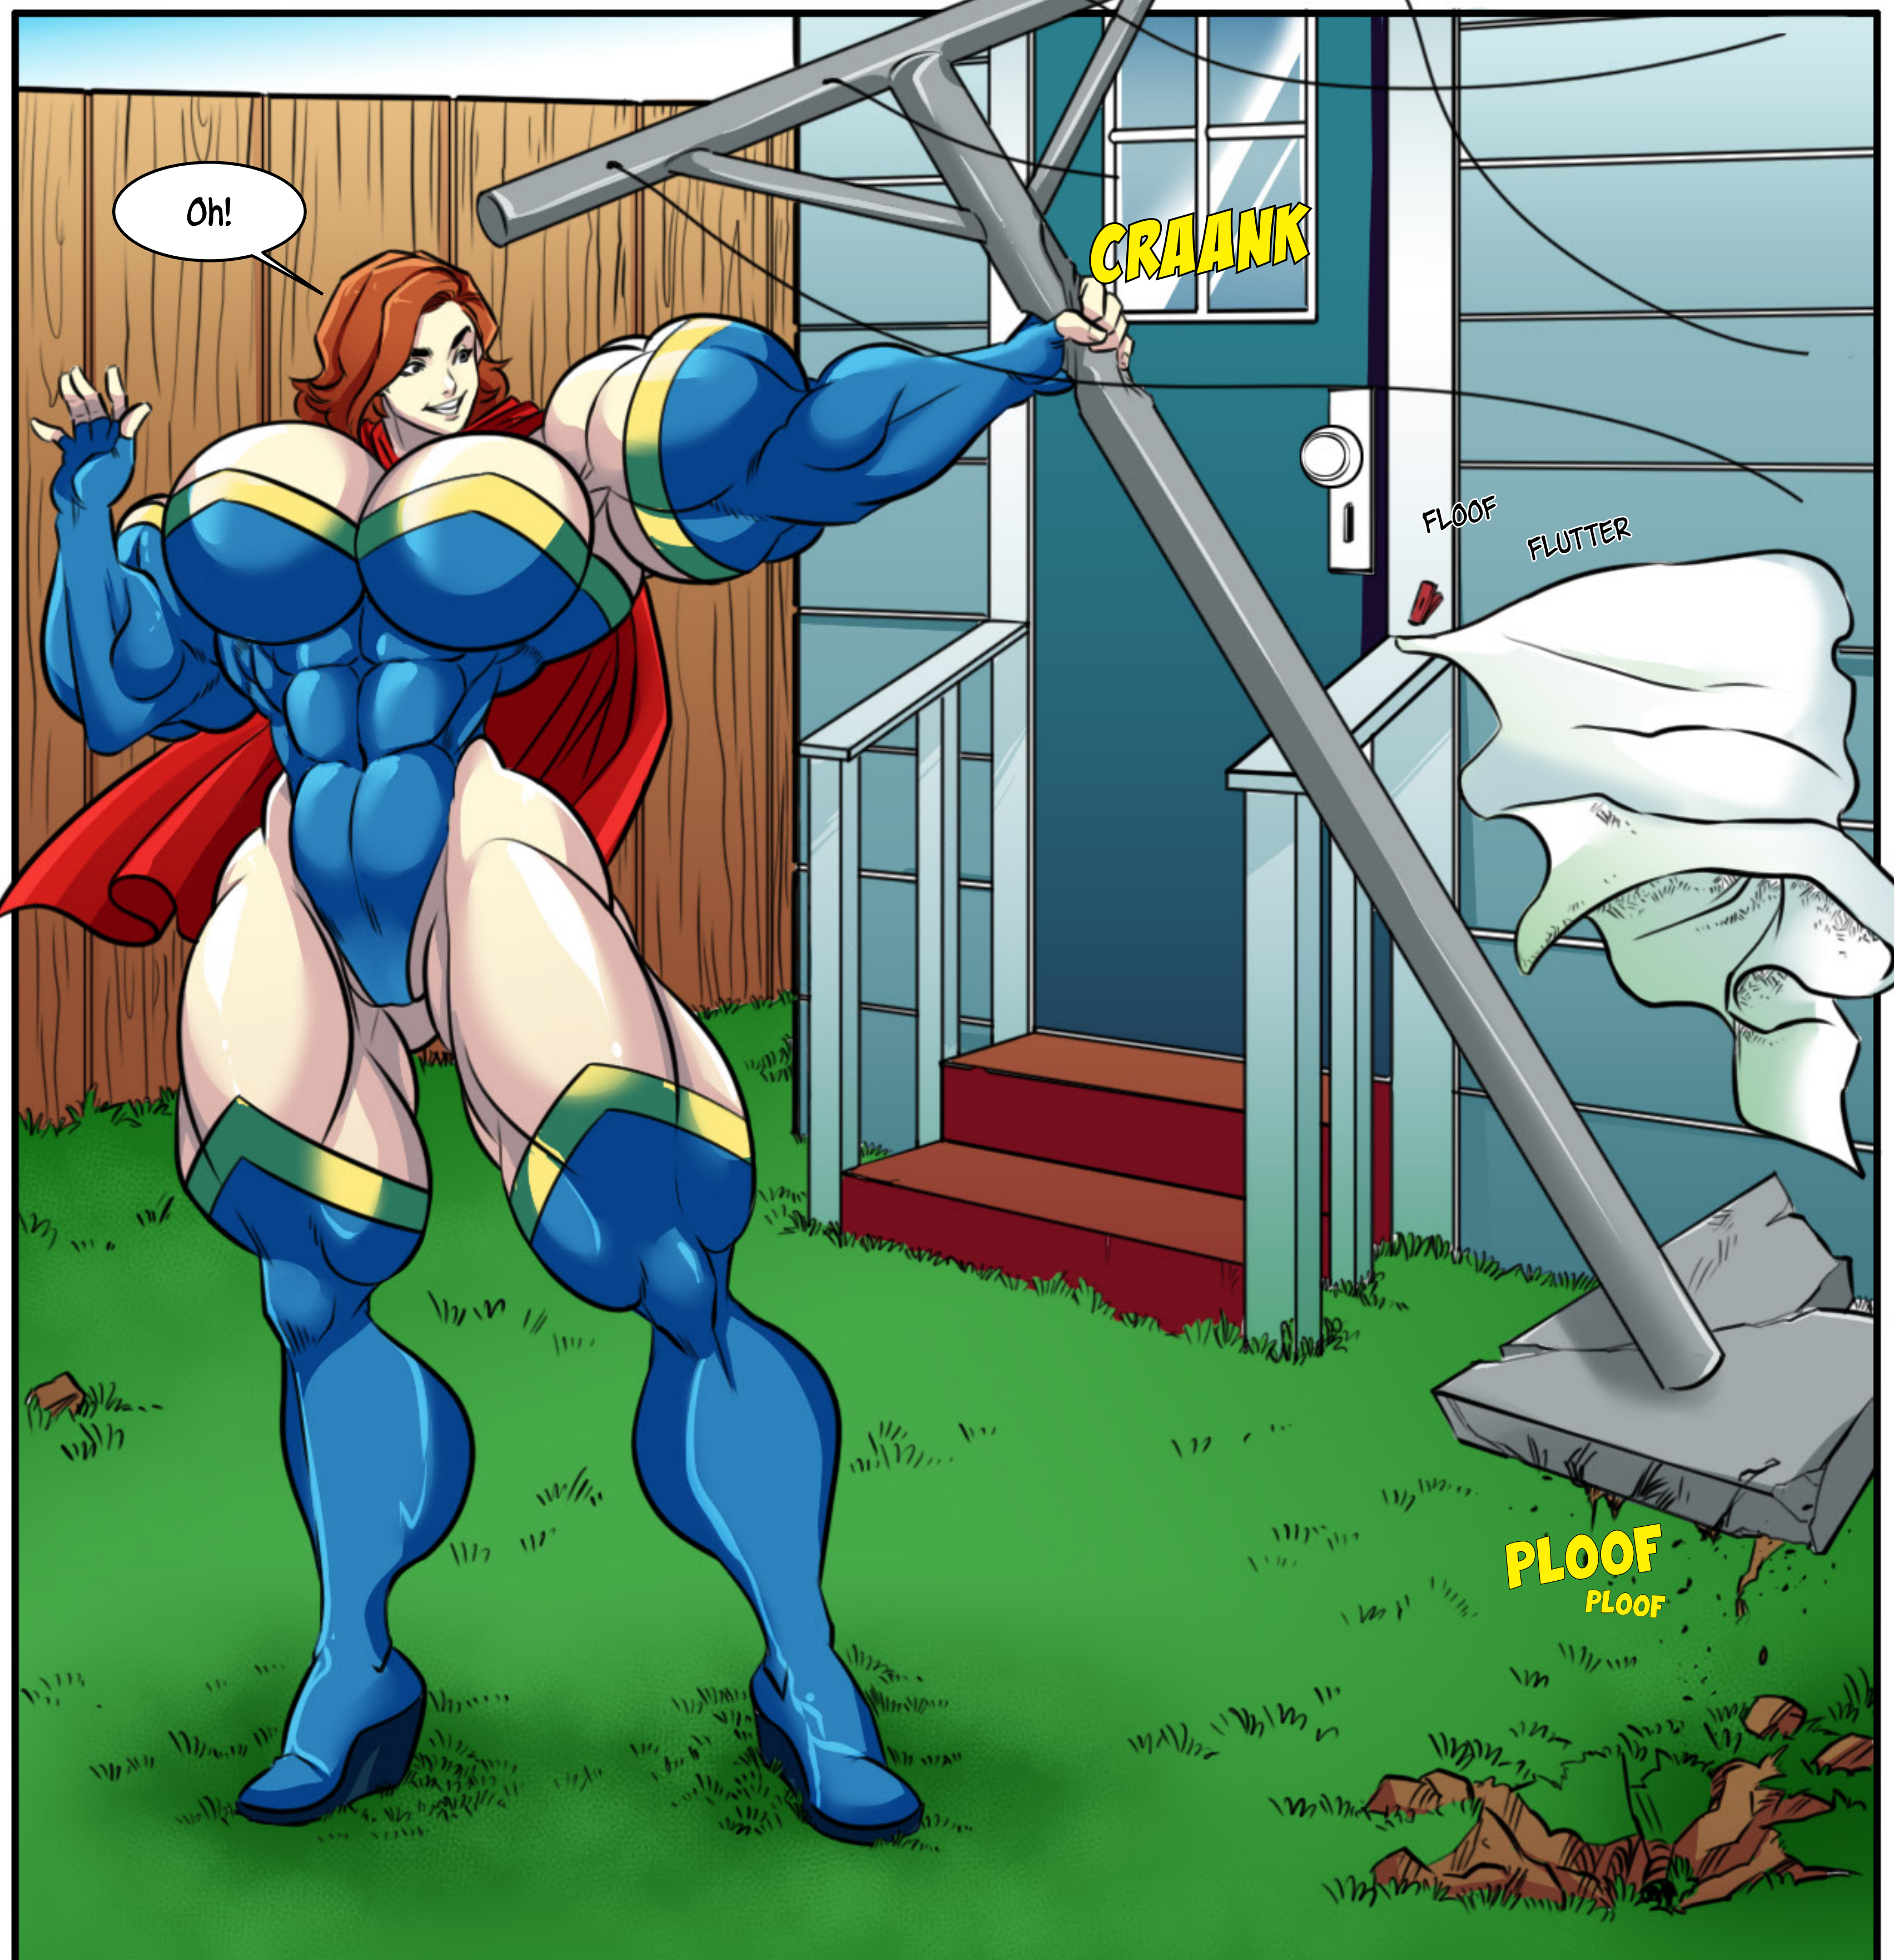

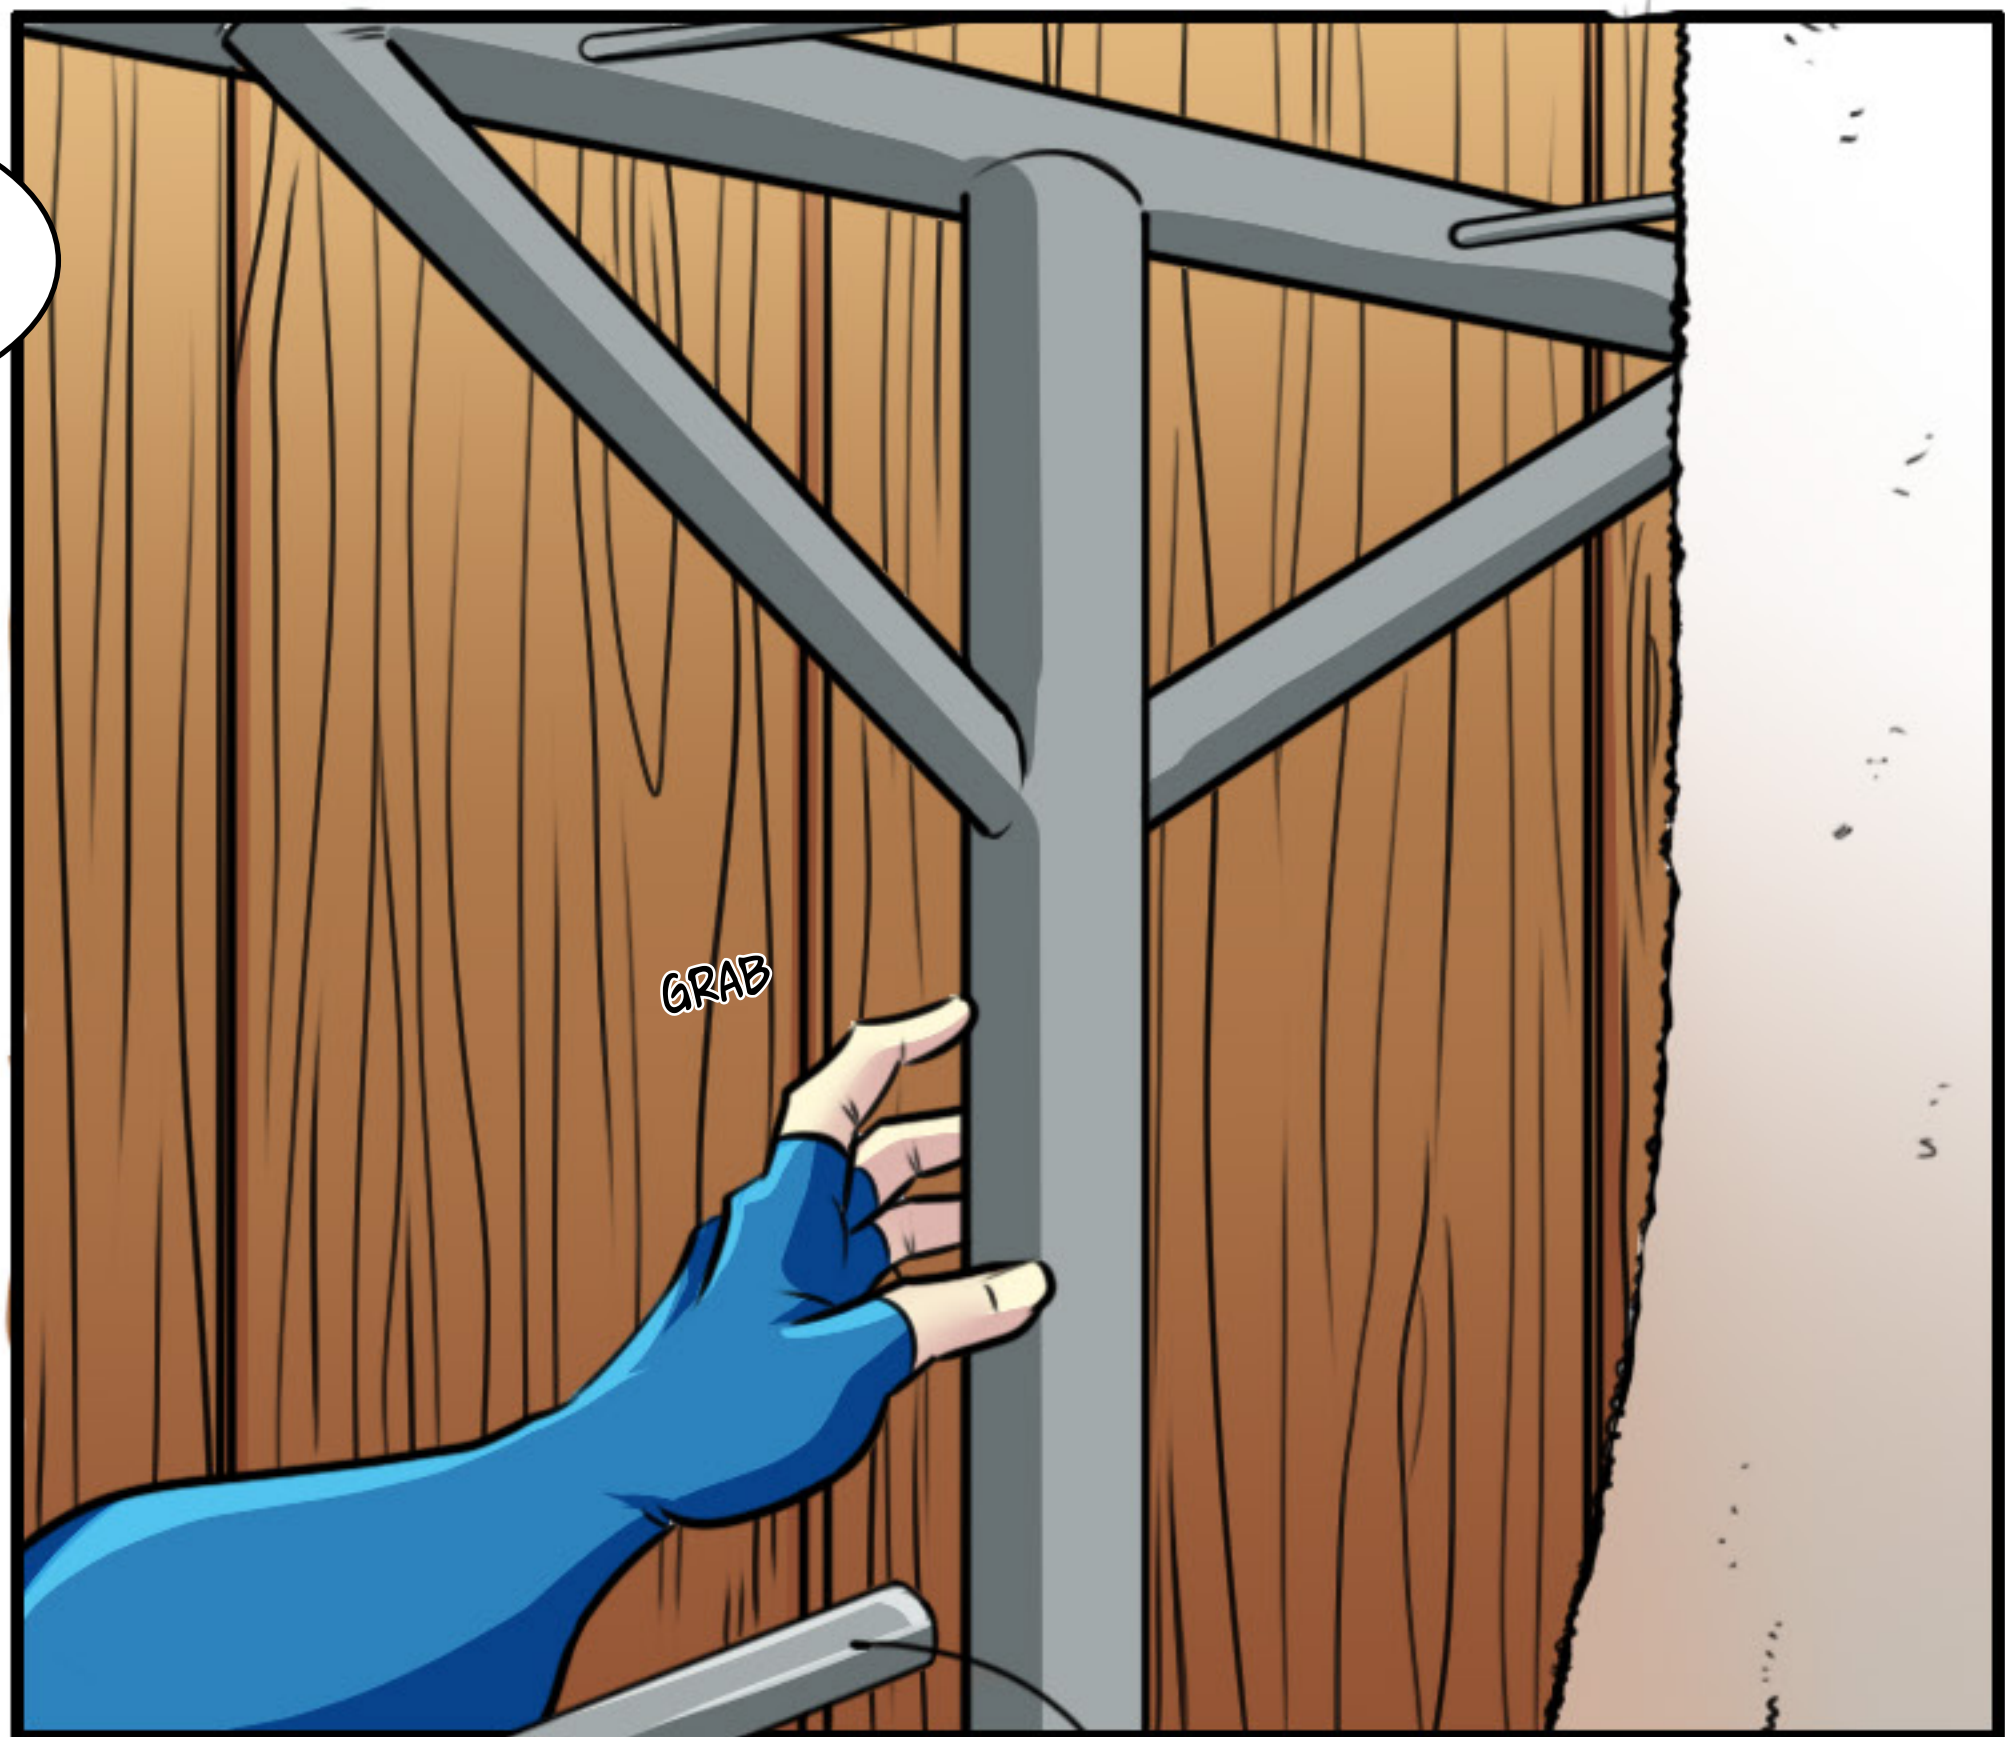

CLACK

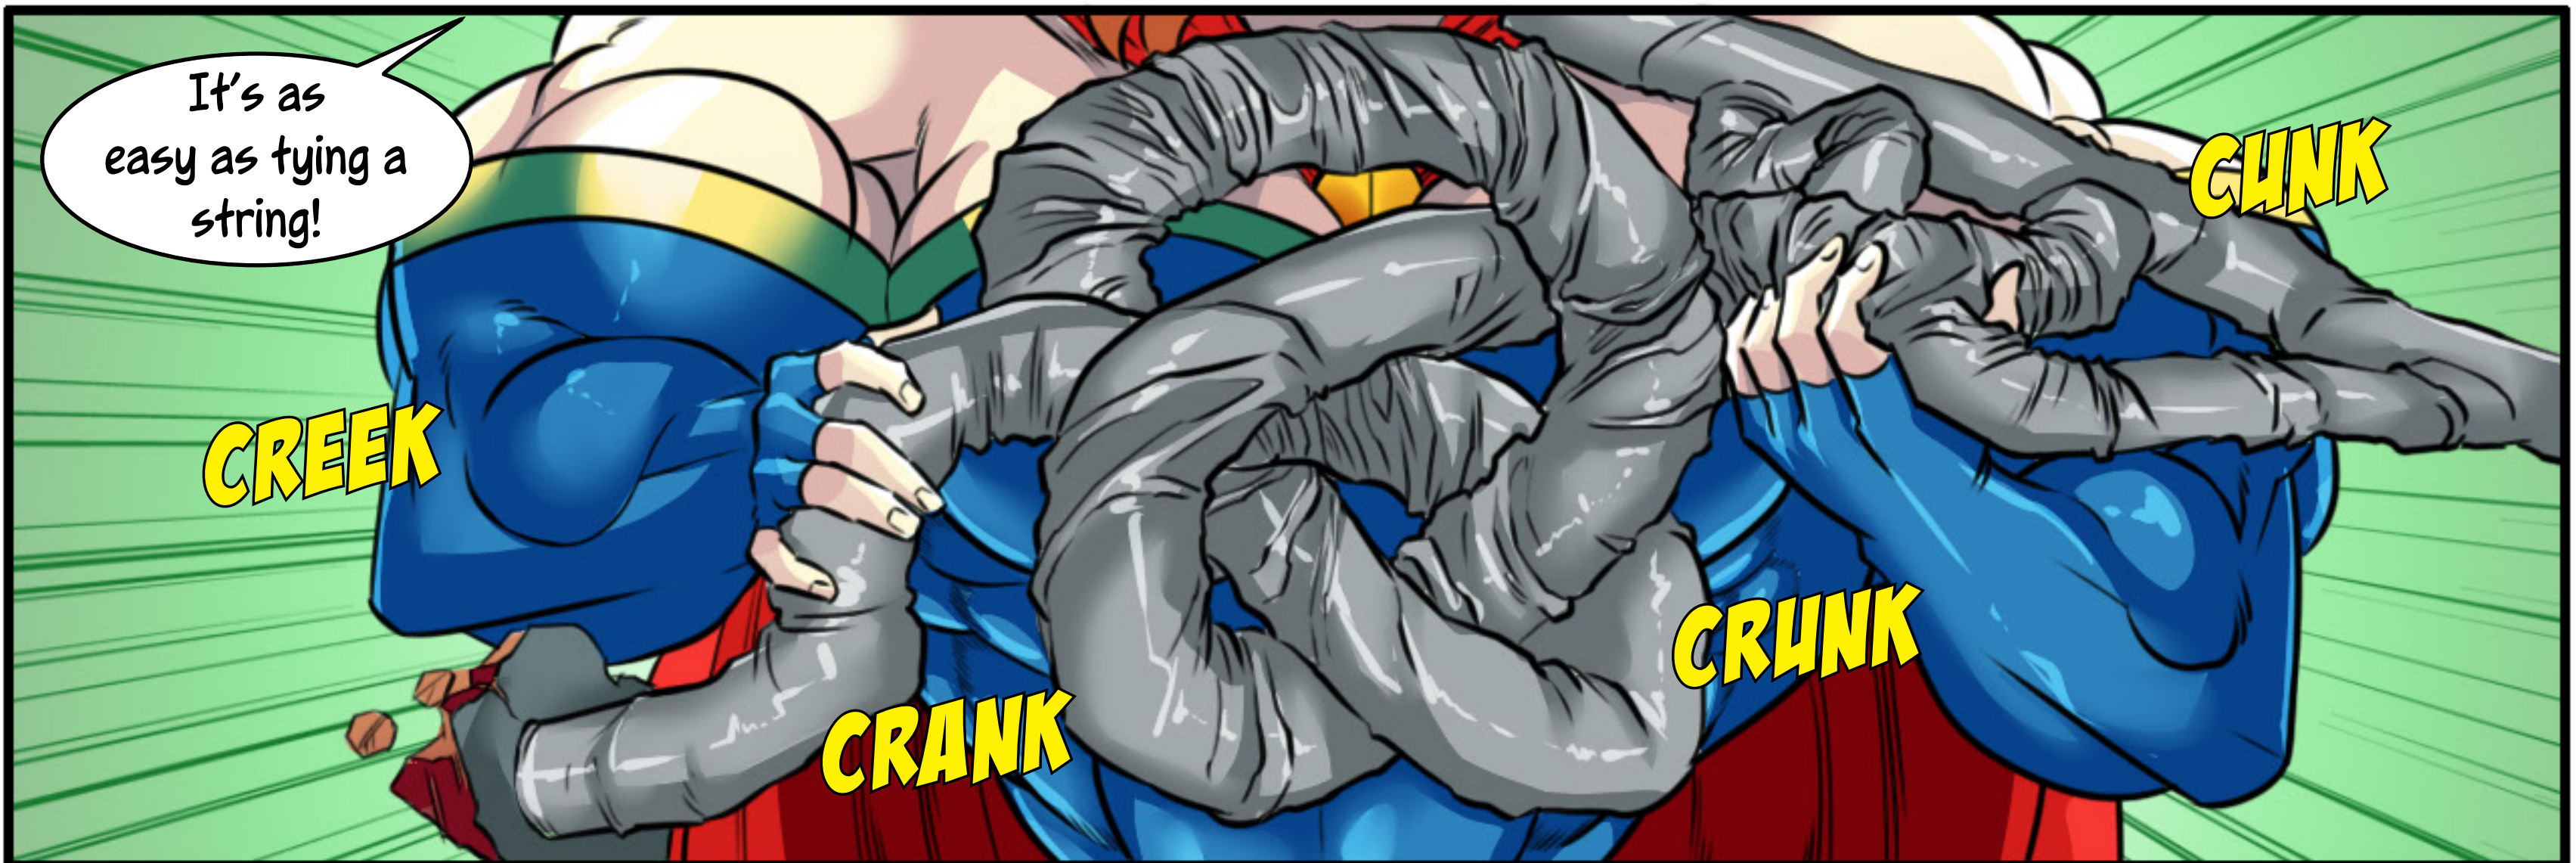

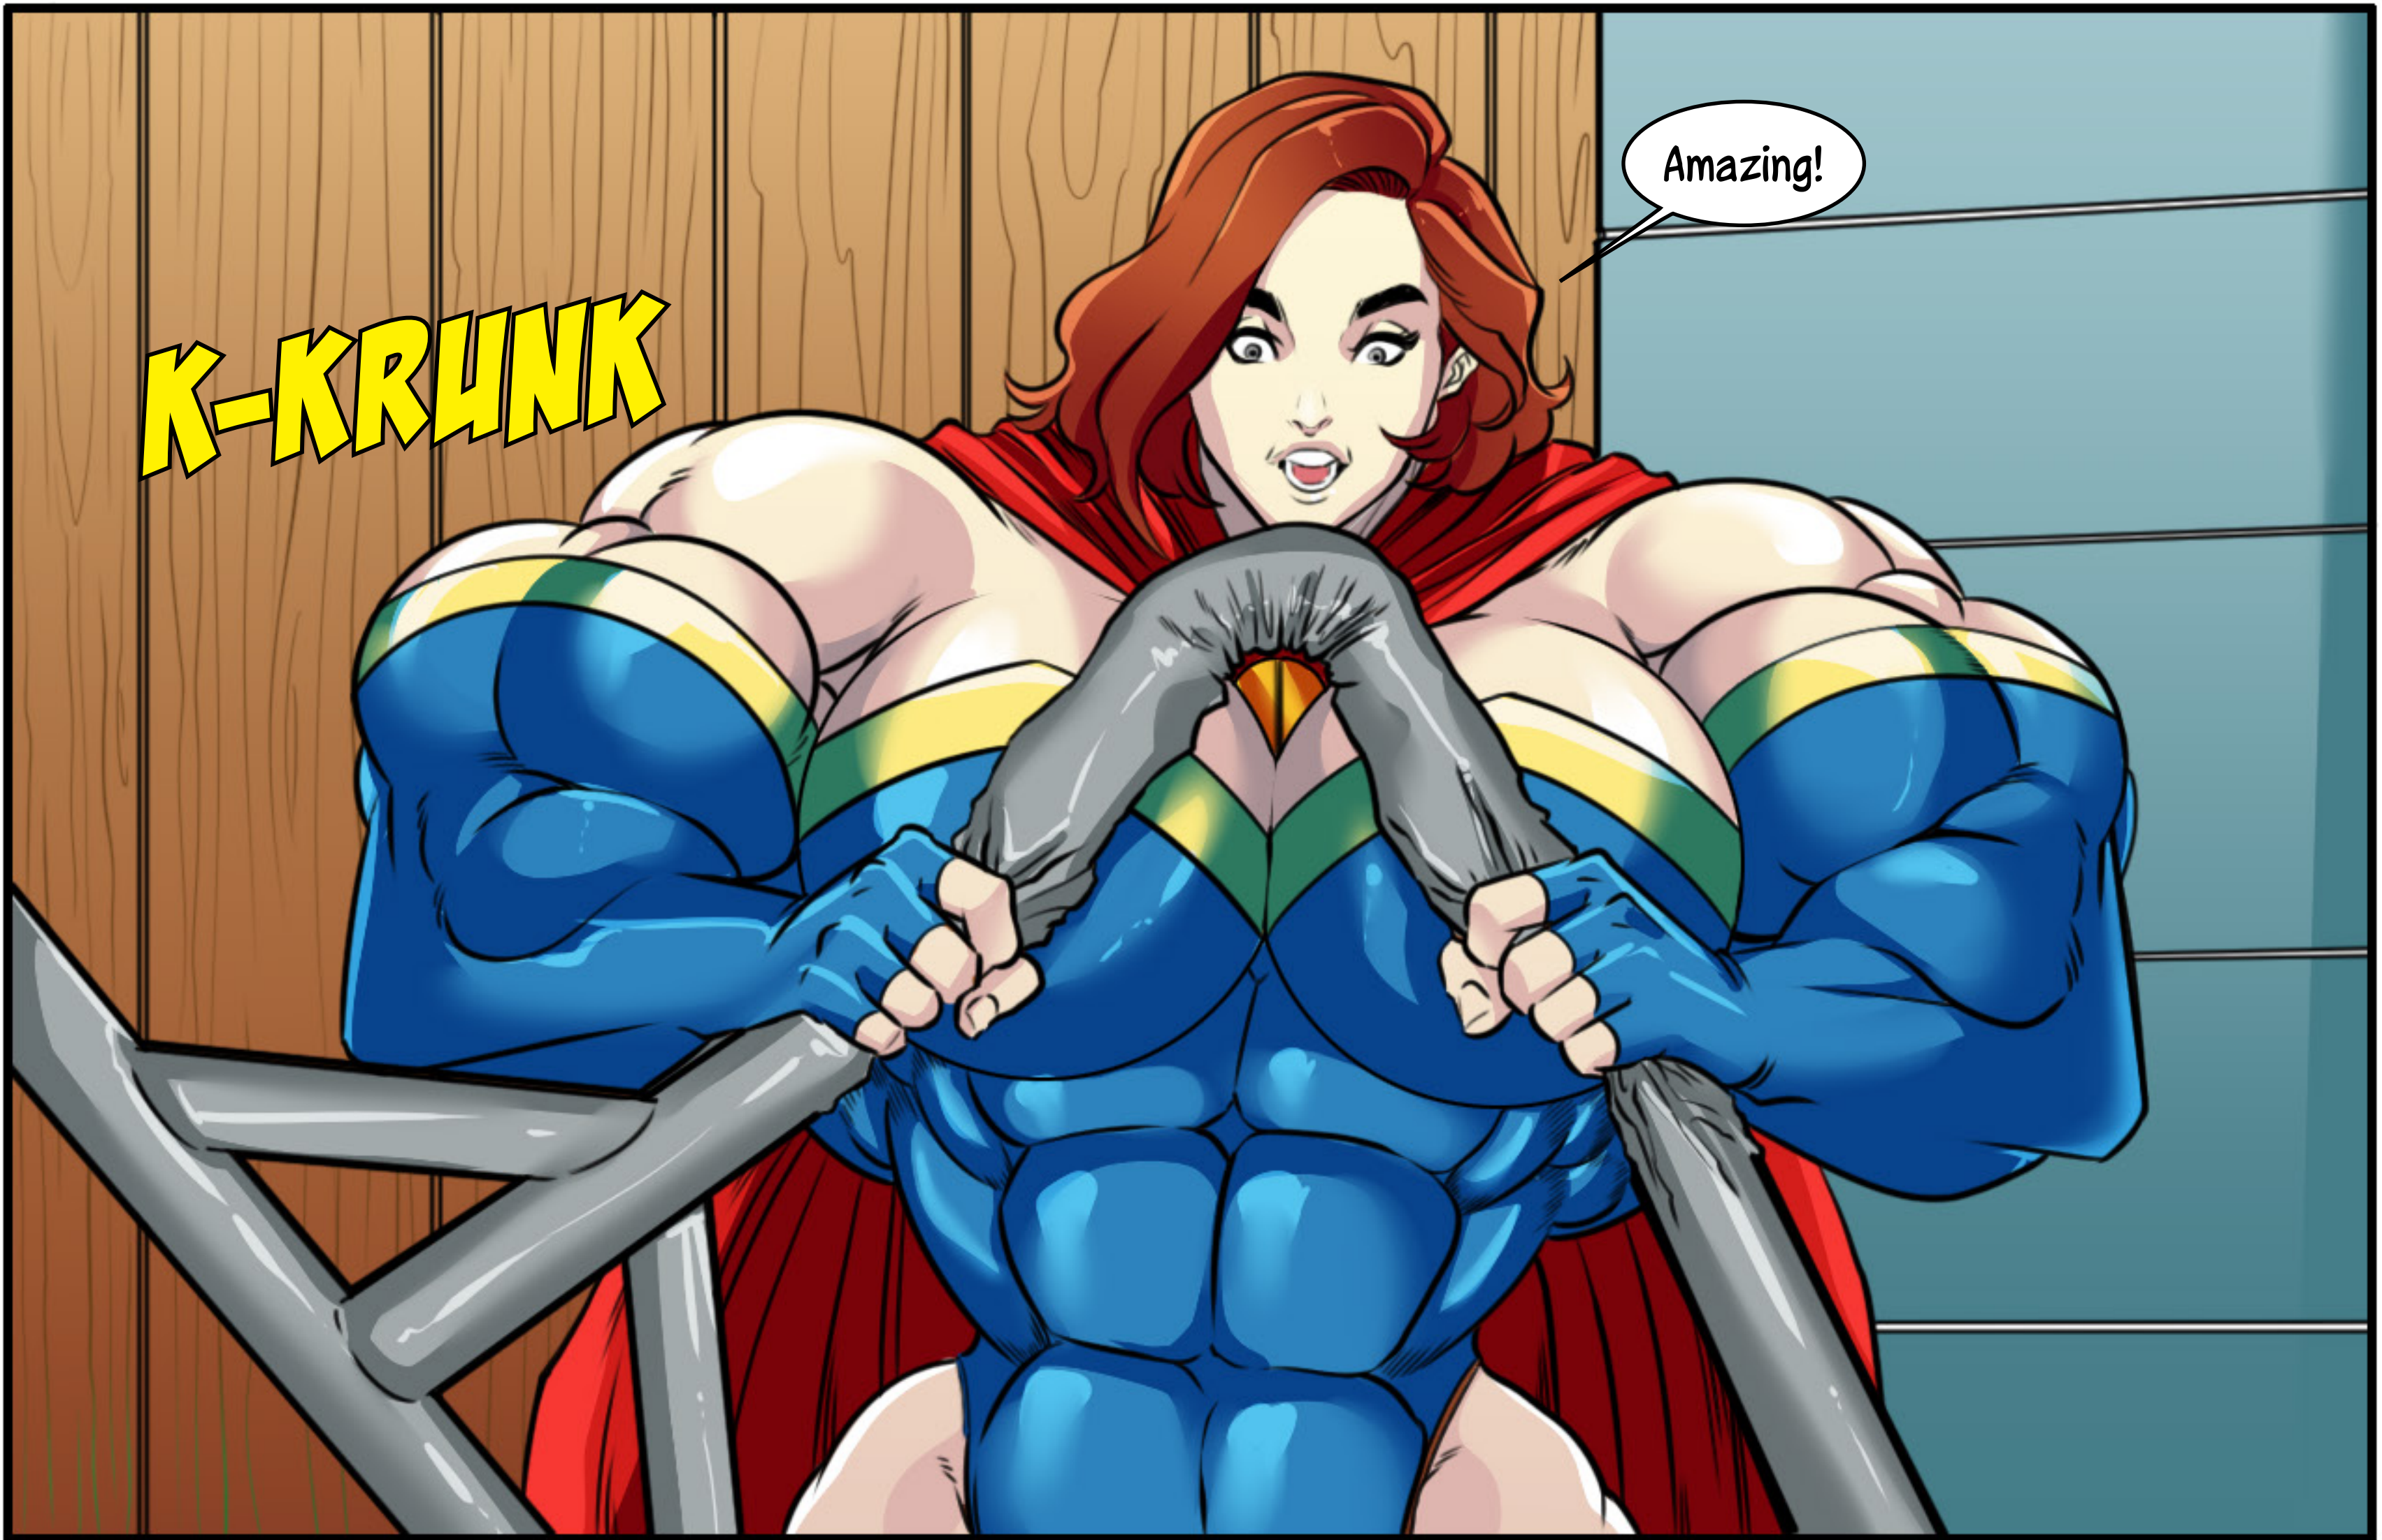

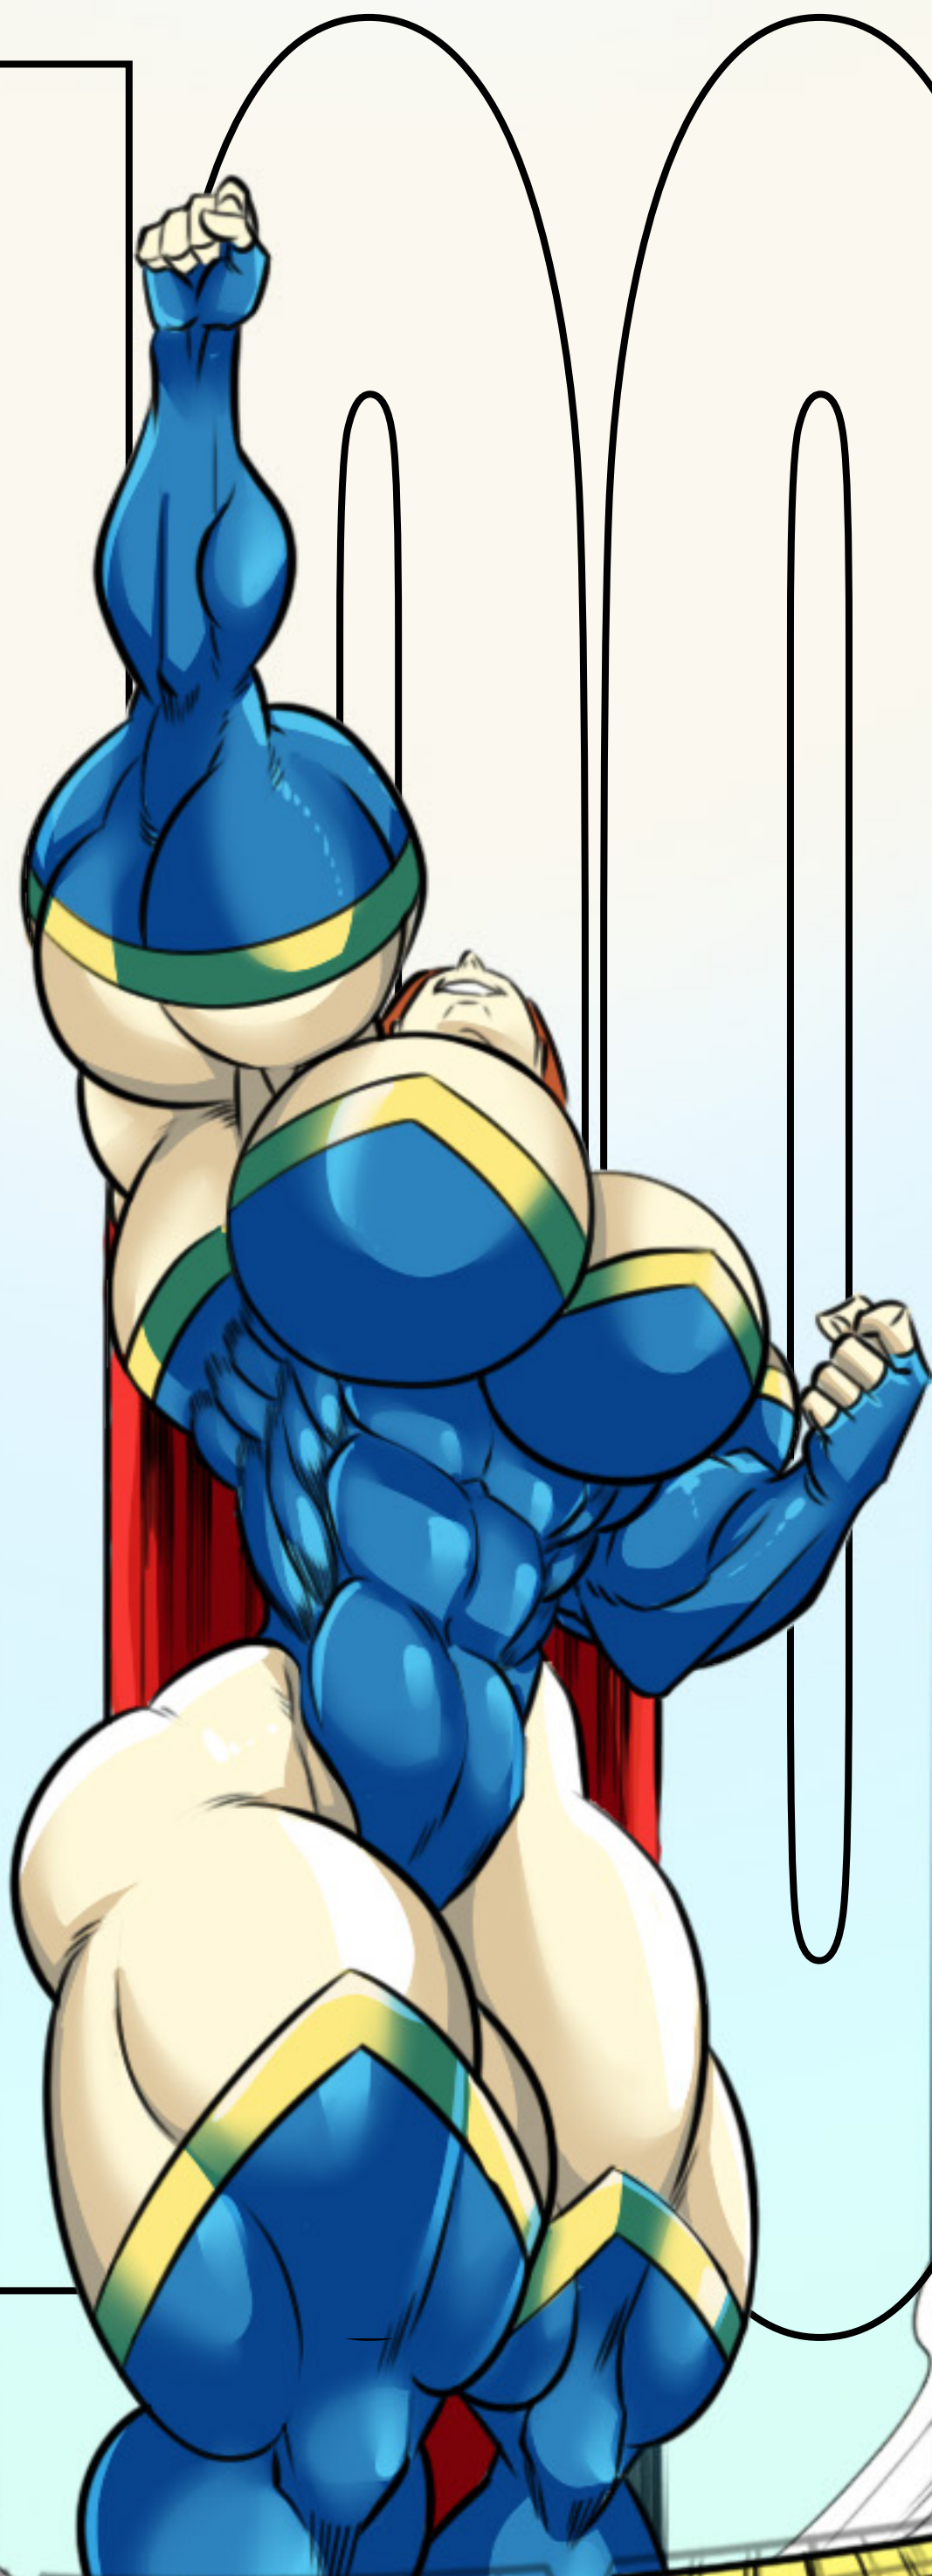

Oh my... What's happened to me? I feel so... powerful!

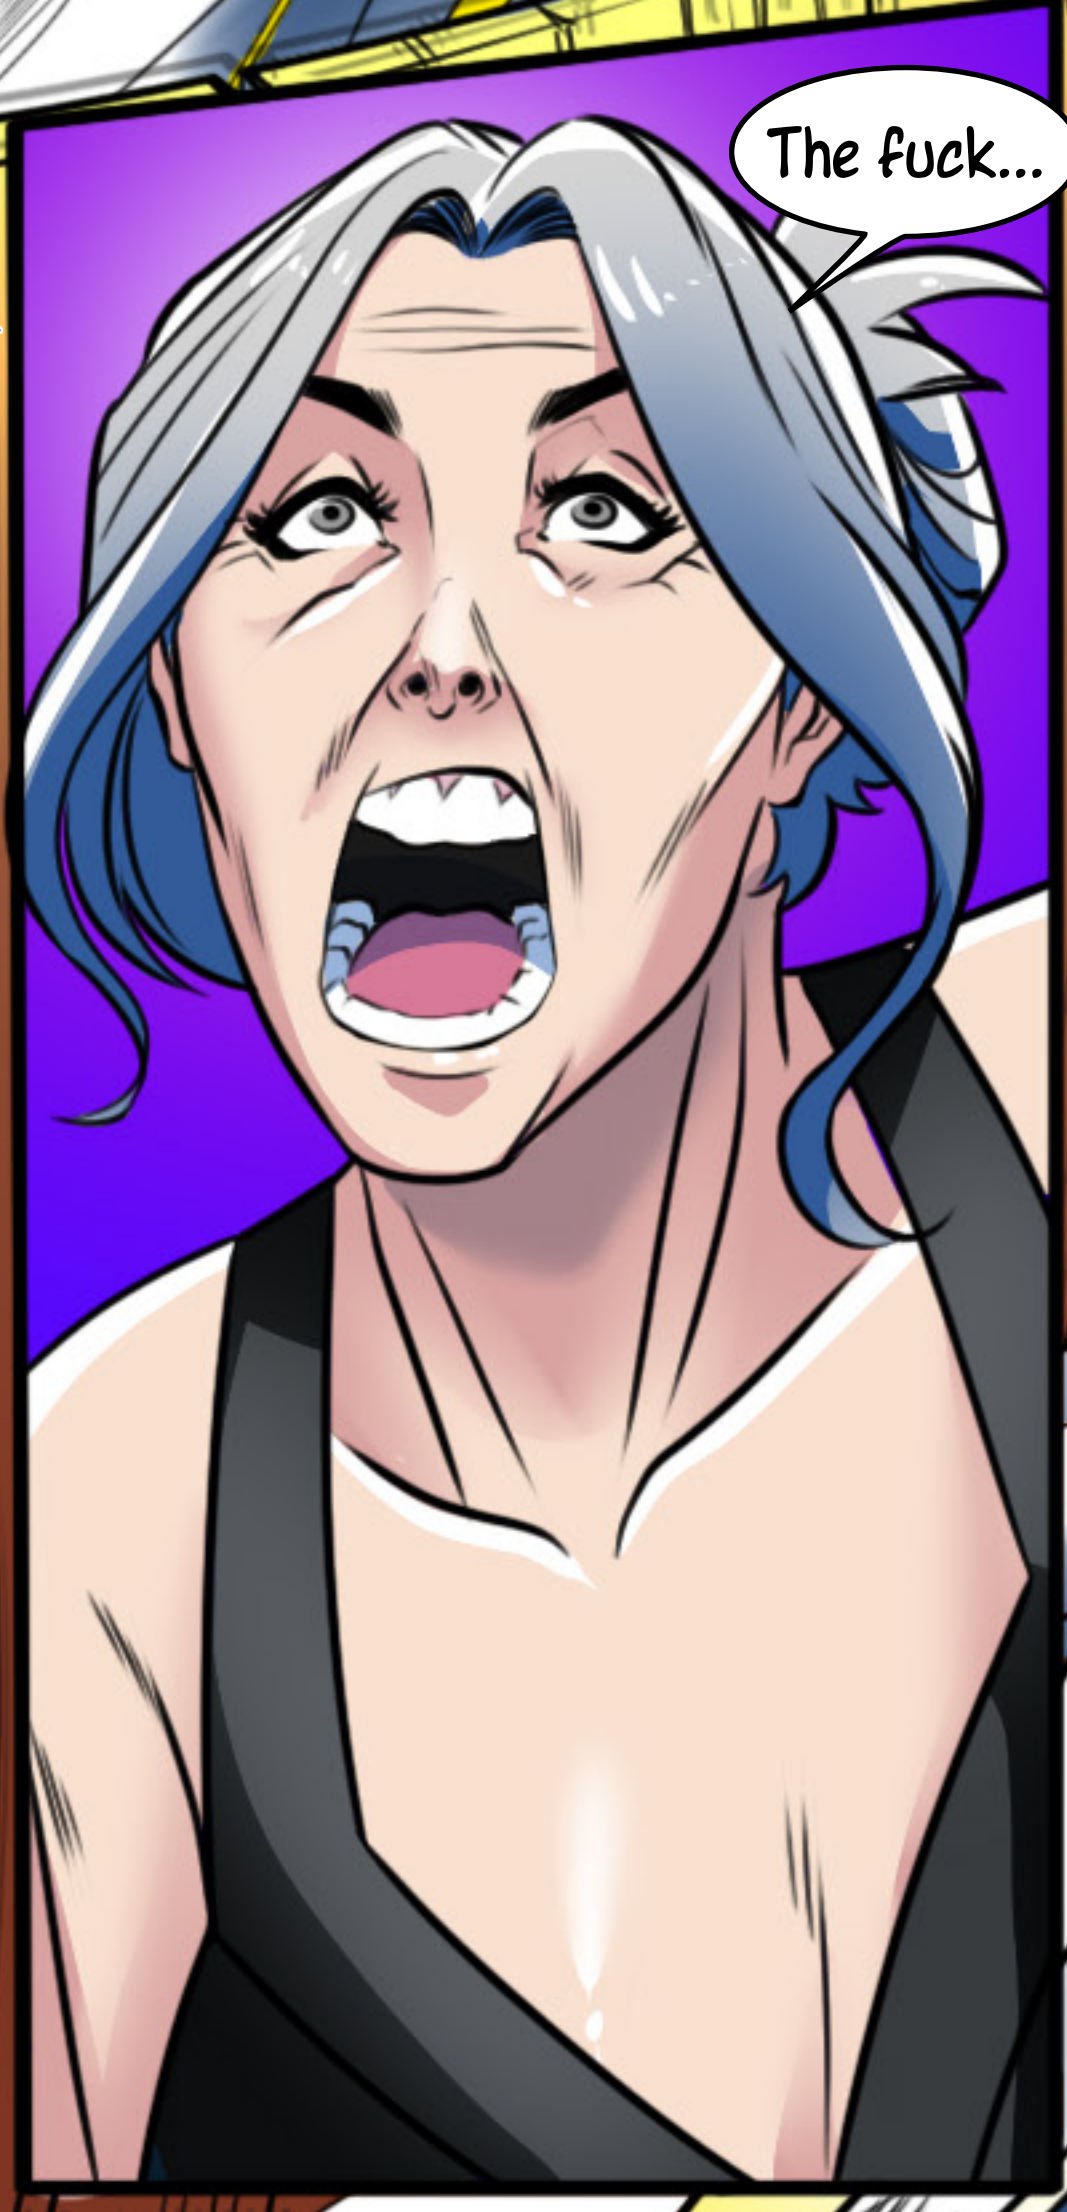

CLACK

The fuck...

Stop stalling bitch!
Give me your money or
I'll shoot! This is your
last warning!

Please...
I don't have any
money! I left it all at
home... I was just
taking a walk!

Fucking liar!
I warned you!

AAAAEEEEHHHHH!!

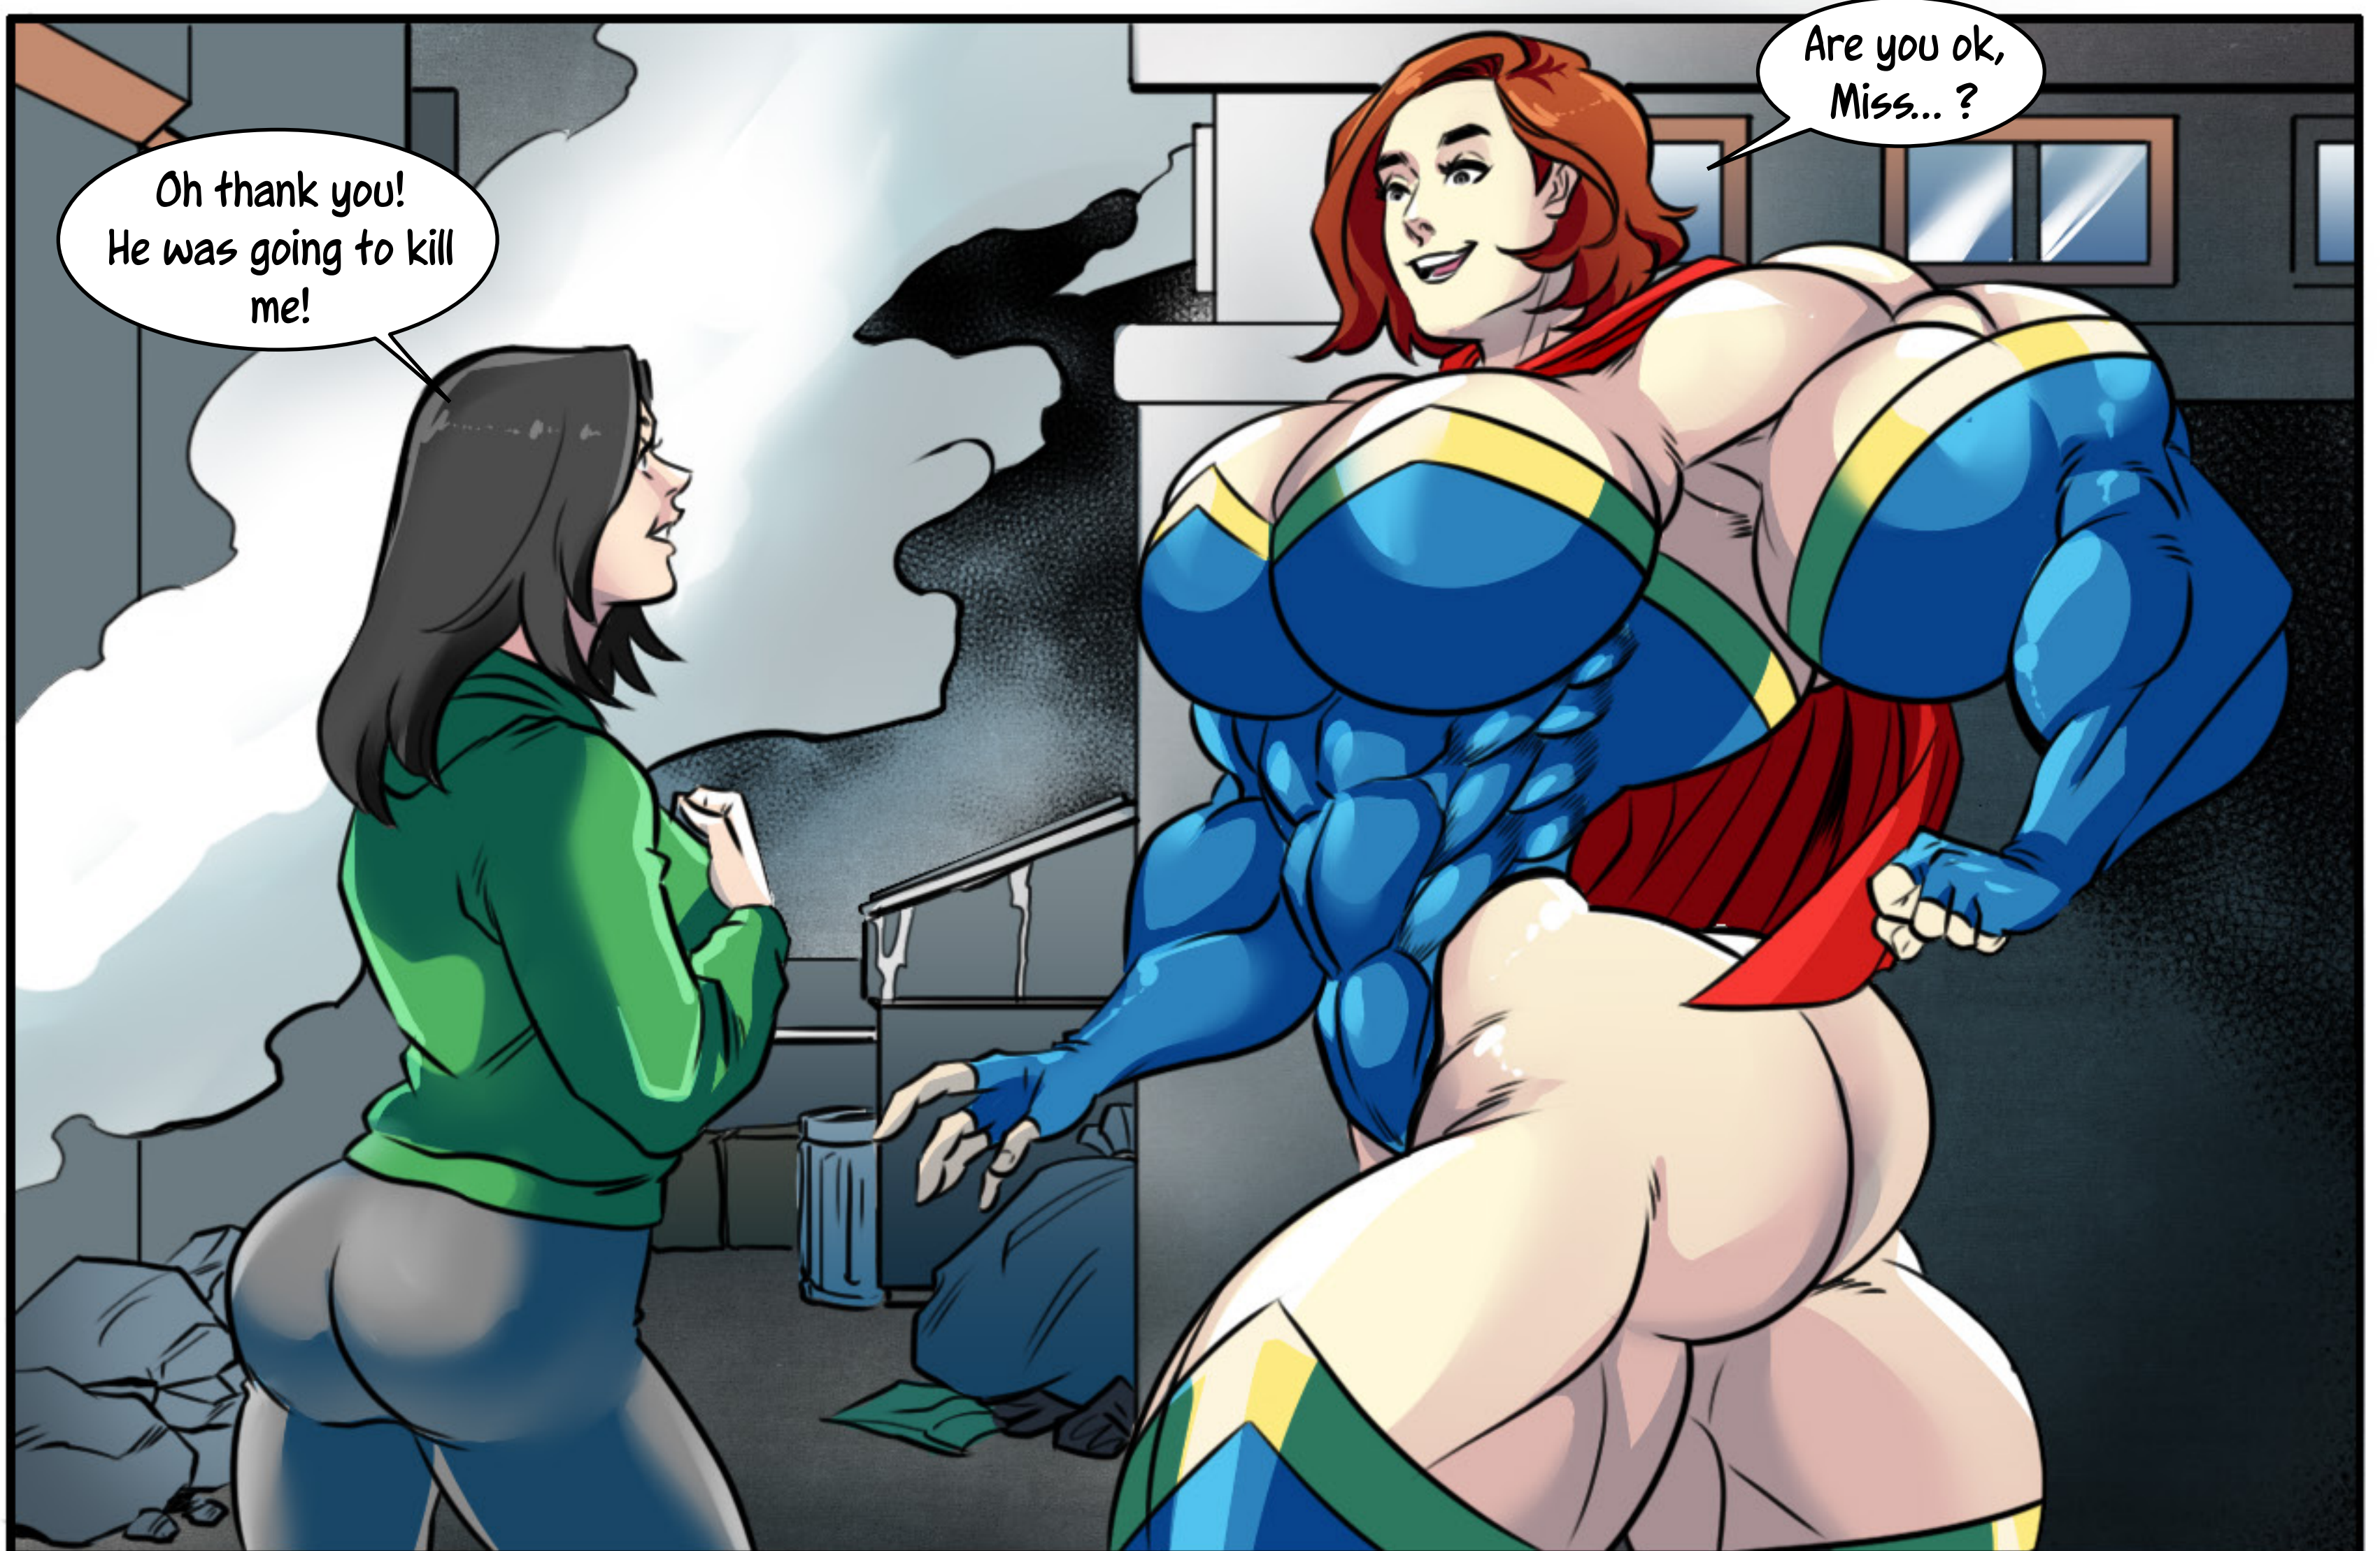

First, you need to step back and...

Oh dear! I didn't mean to...

CRACKK!

WHUMP!

KRAGOOM

Oh thank you! He was going to kill me!

Are you ok, Miss... ?

Oh just call me Lucy
and yes I'm fine, thanks to you
um... I'm sorry I don't know which
superhero you are. What's your
name?

My name?
It's uh... not important.
I... um...

I have to leave!
BYE!

BYE!
THANKS AGAIN!

FWOOSH

A little later...

THAT WAS SO...
EXCITING! I can't believe I
got shot! It's a good thing the
bullet just bounced off.

FLUTTER

SWOOSH

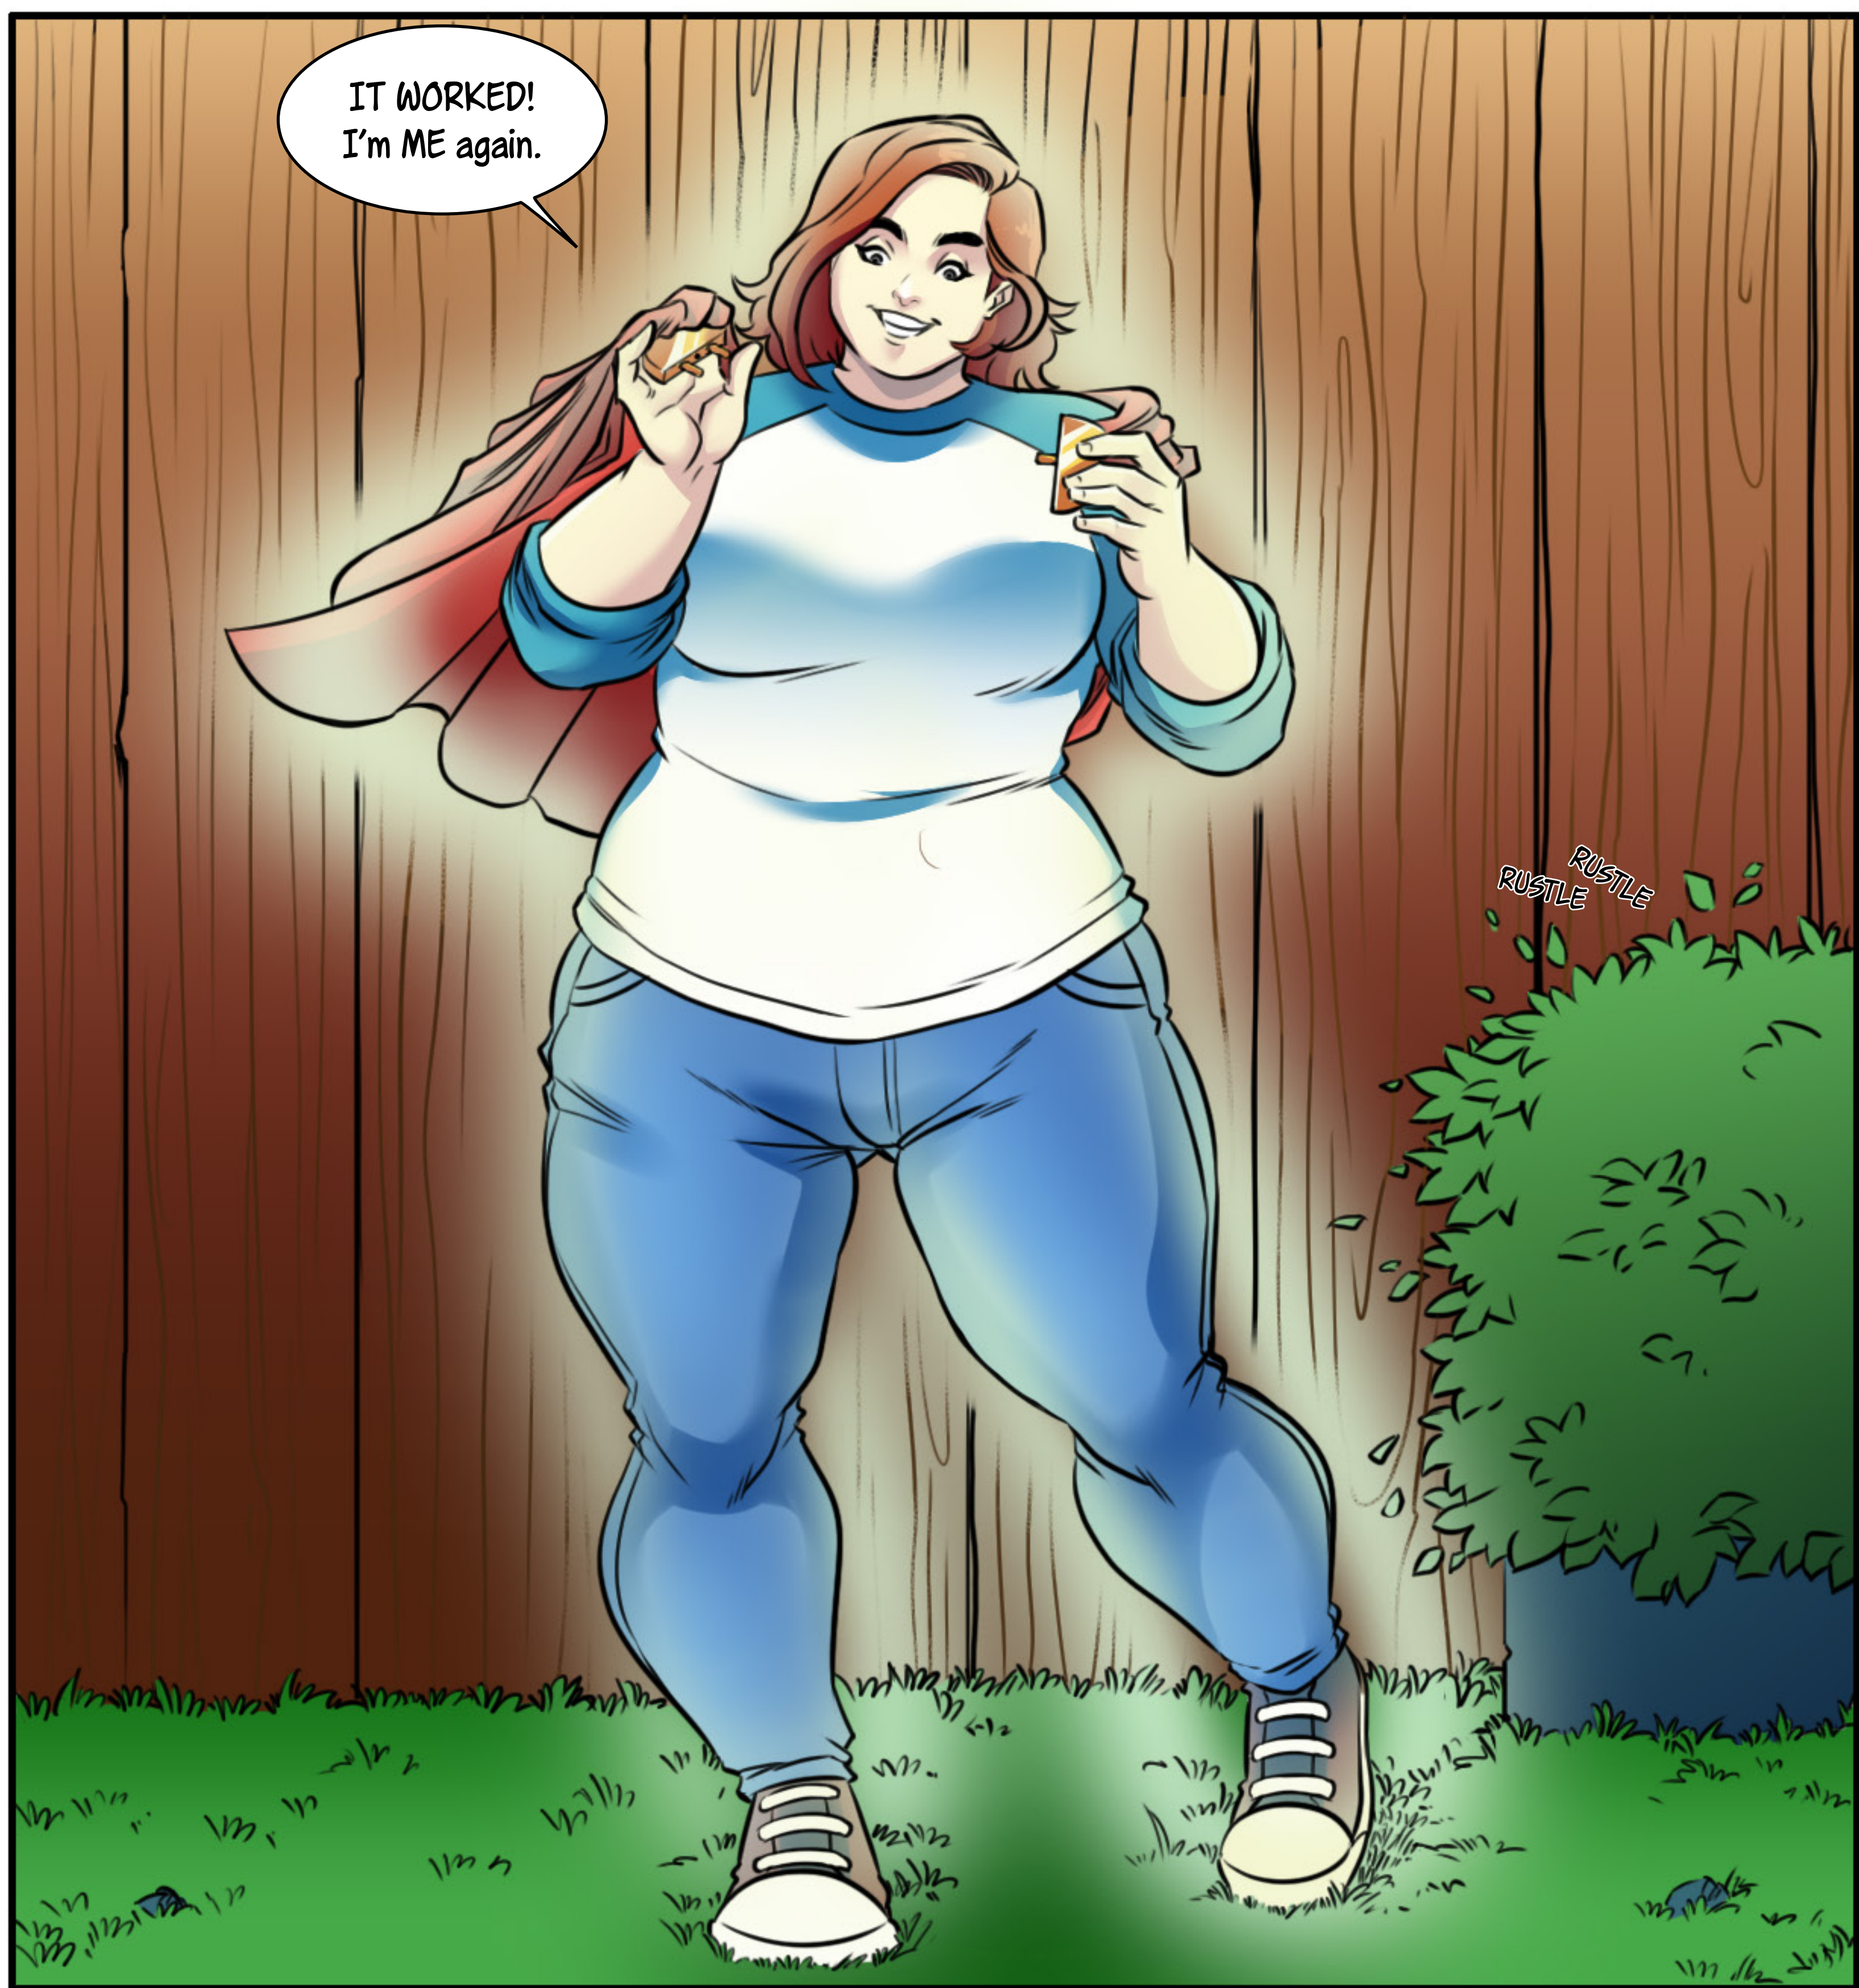

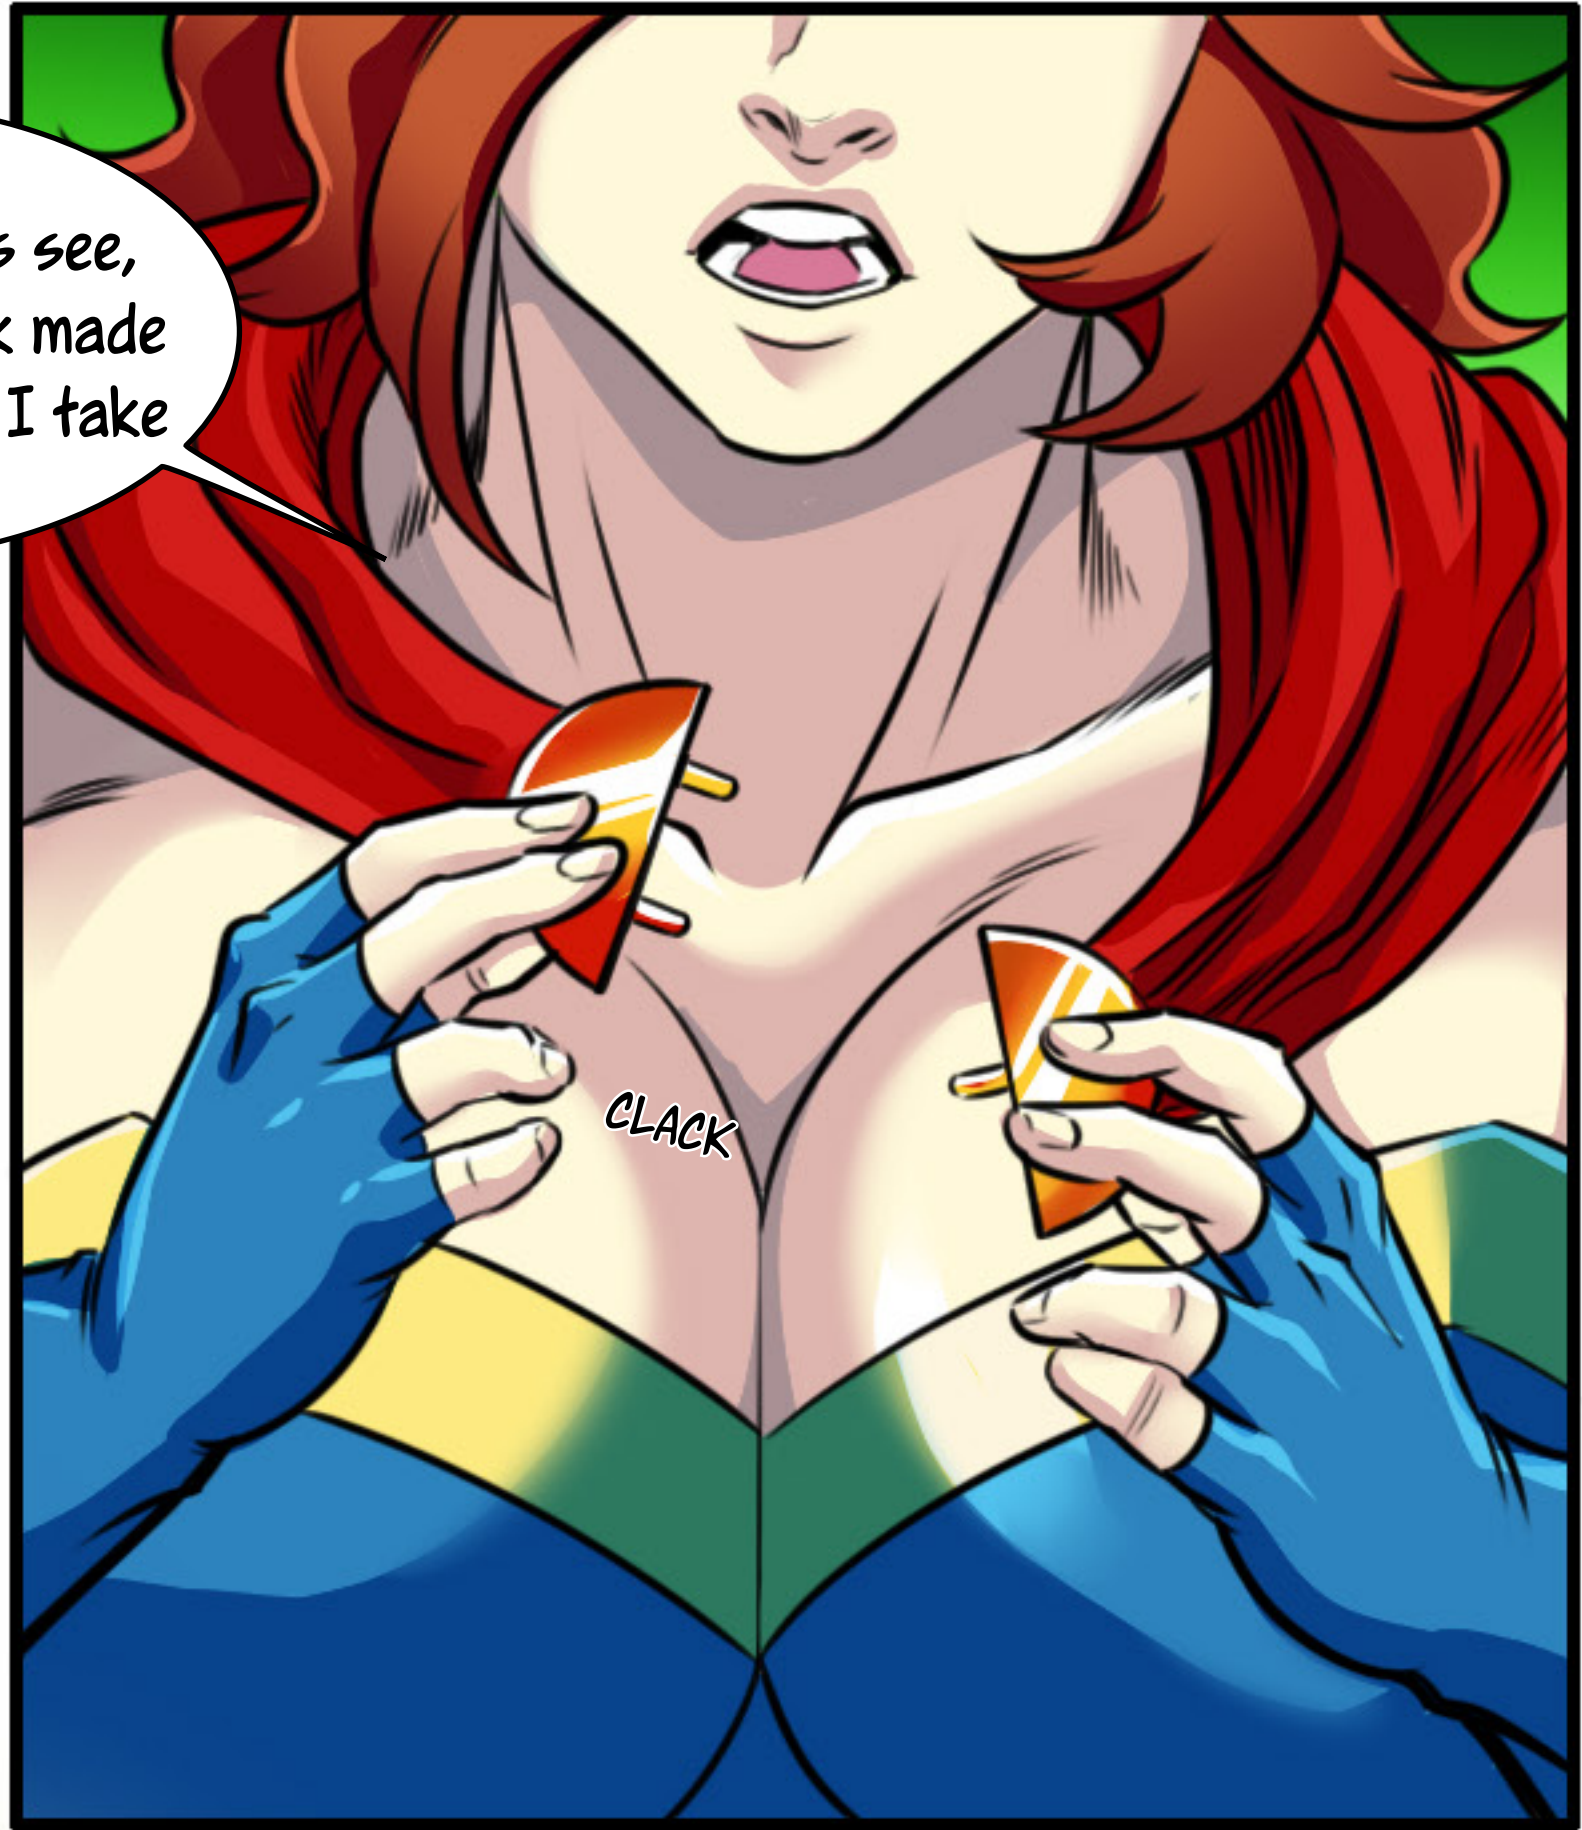

I hope I didn't hurt that
man too badly... I barely
touched him and he went flying
backwards.

BULGE

It's just that
I'm so strong
now I...

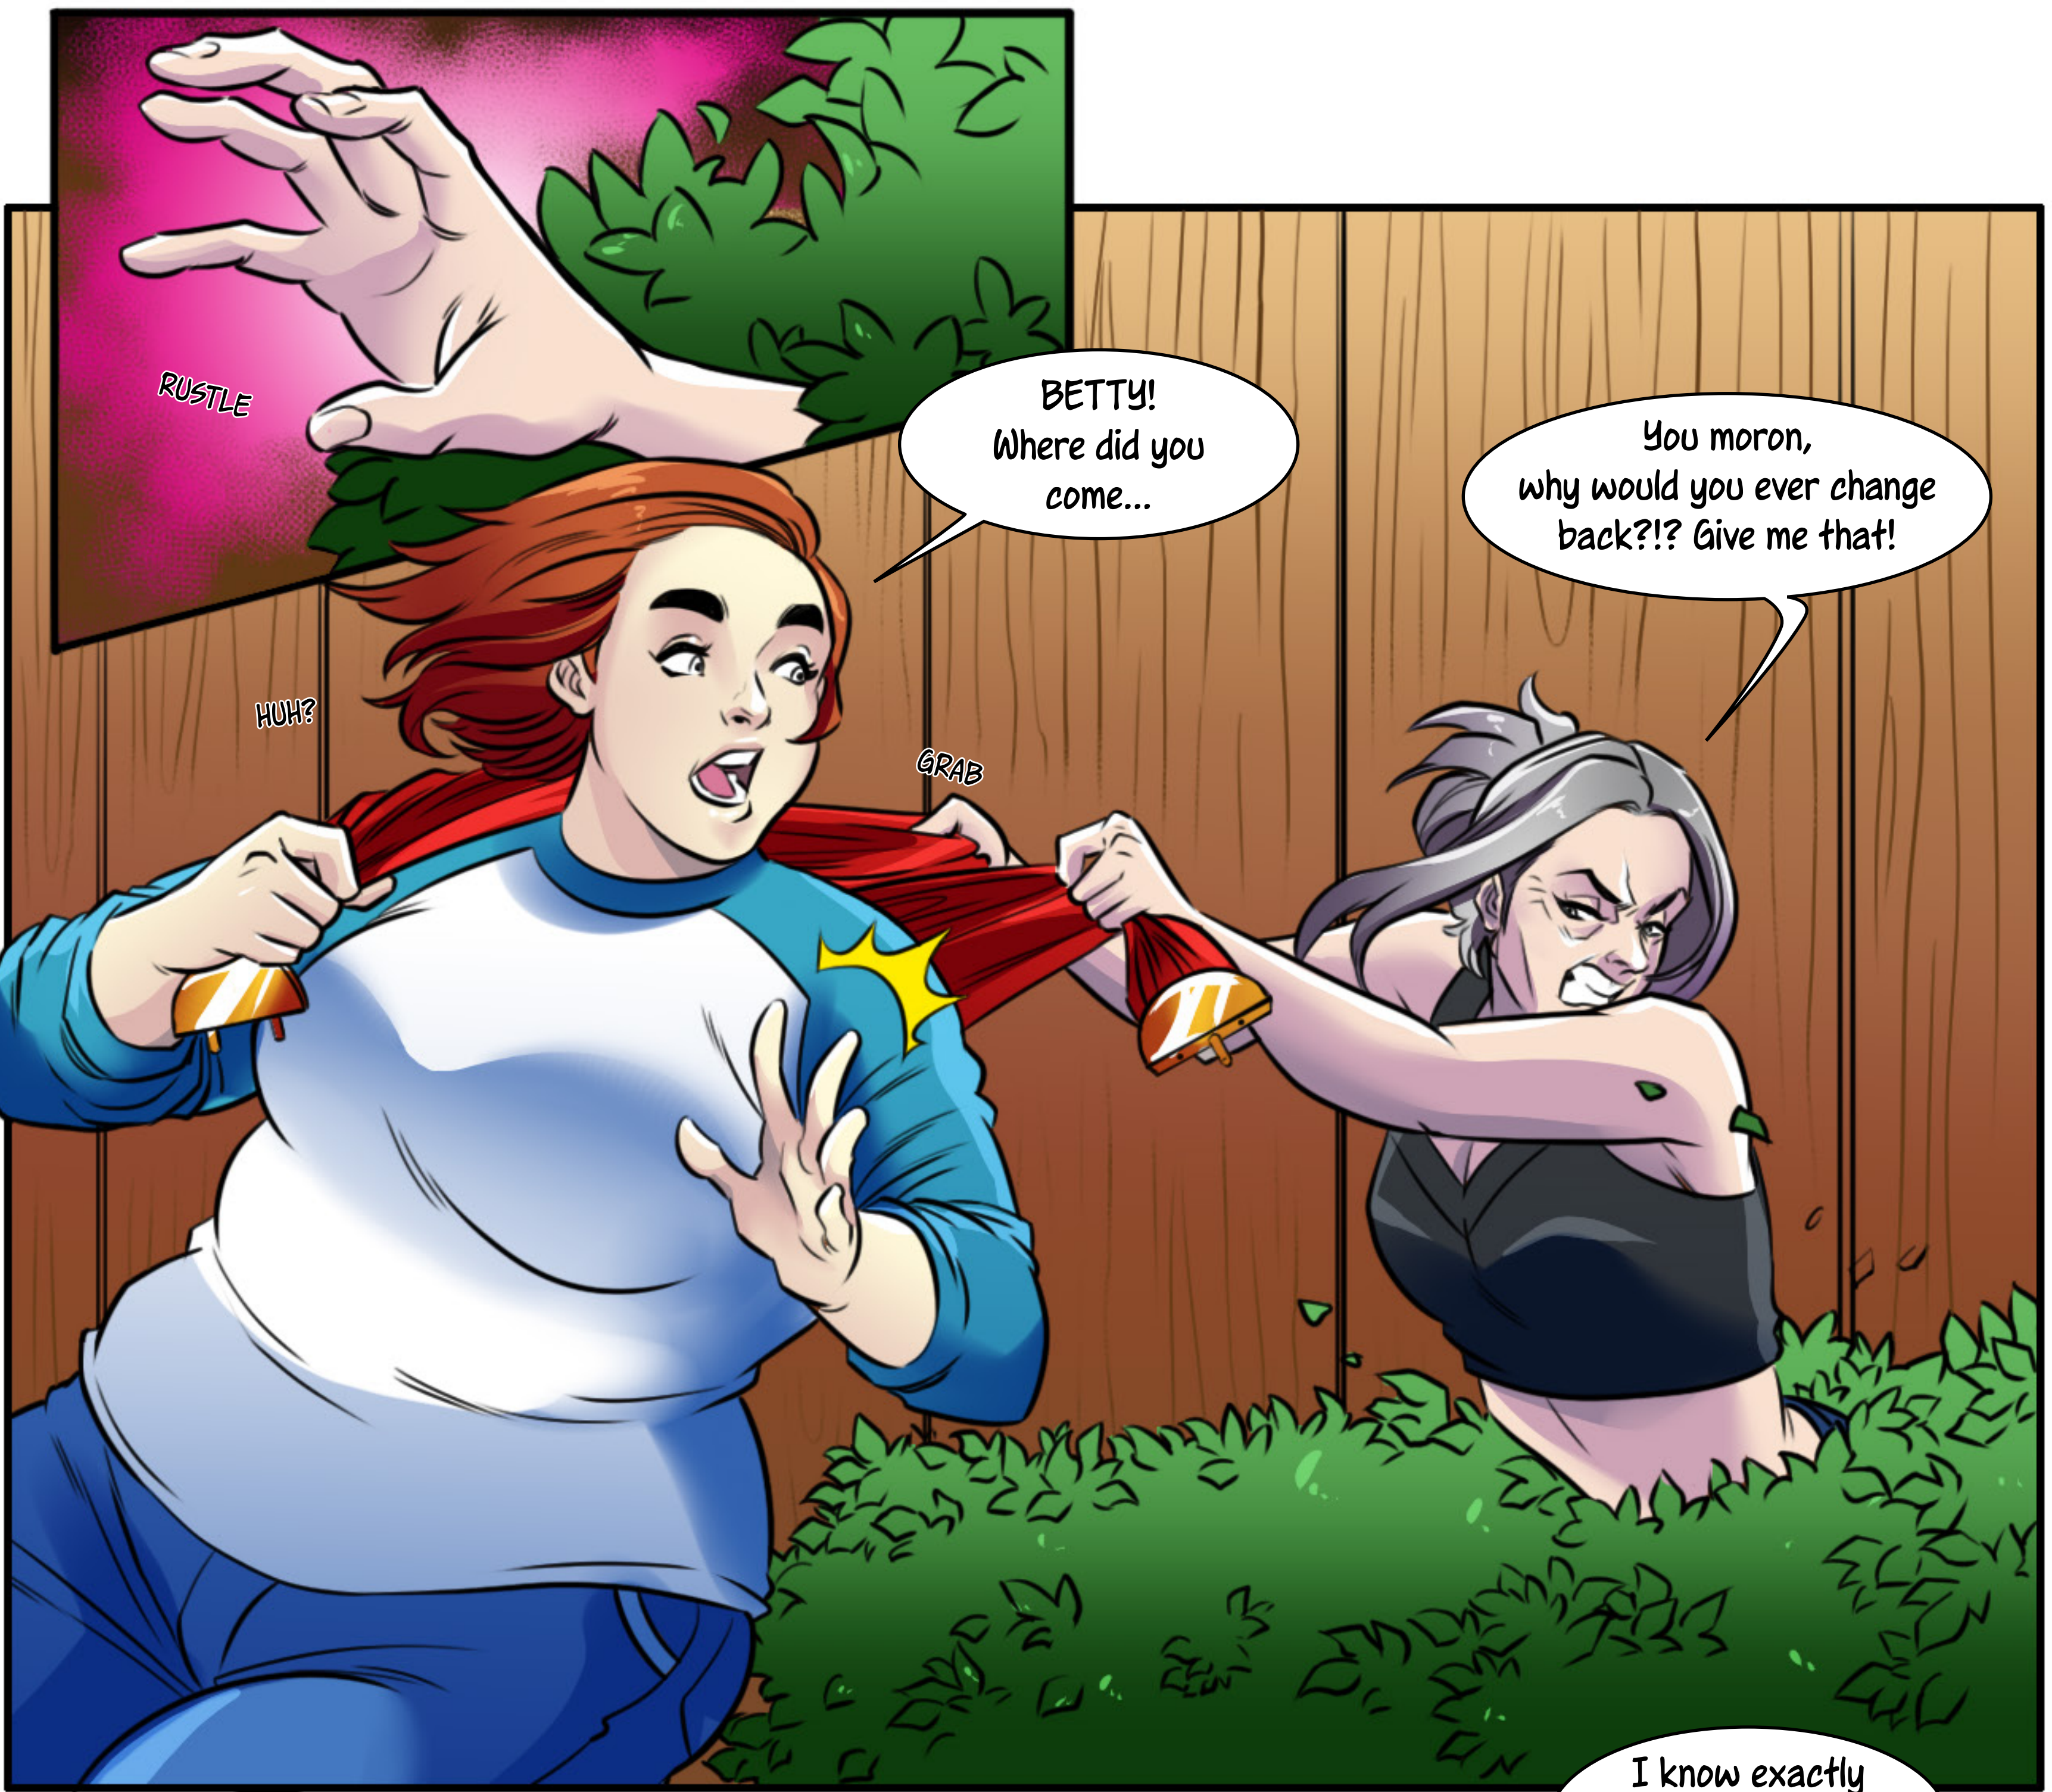

Maybe I can change back. Let's see, putting on the cloak made me this way... so if I take it off...

IT WORKED!
I'm ME again.

RUSTLE
RUSTLE

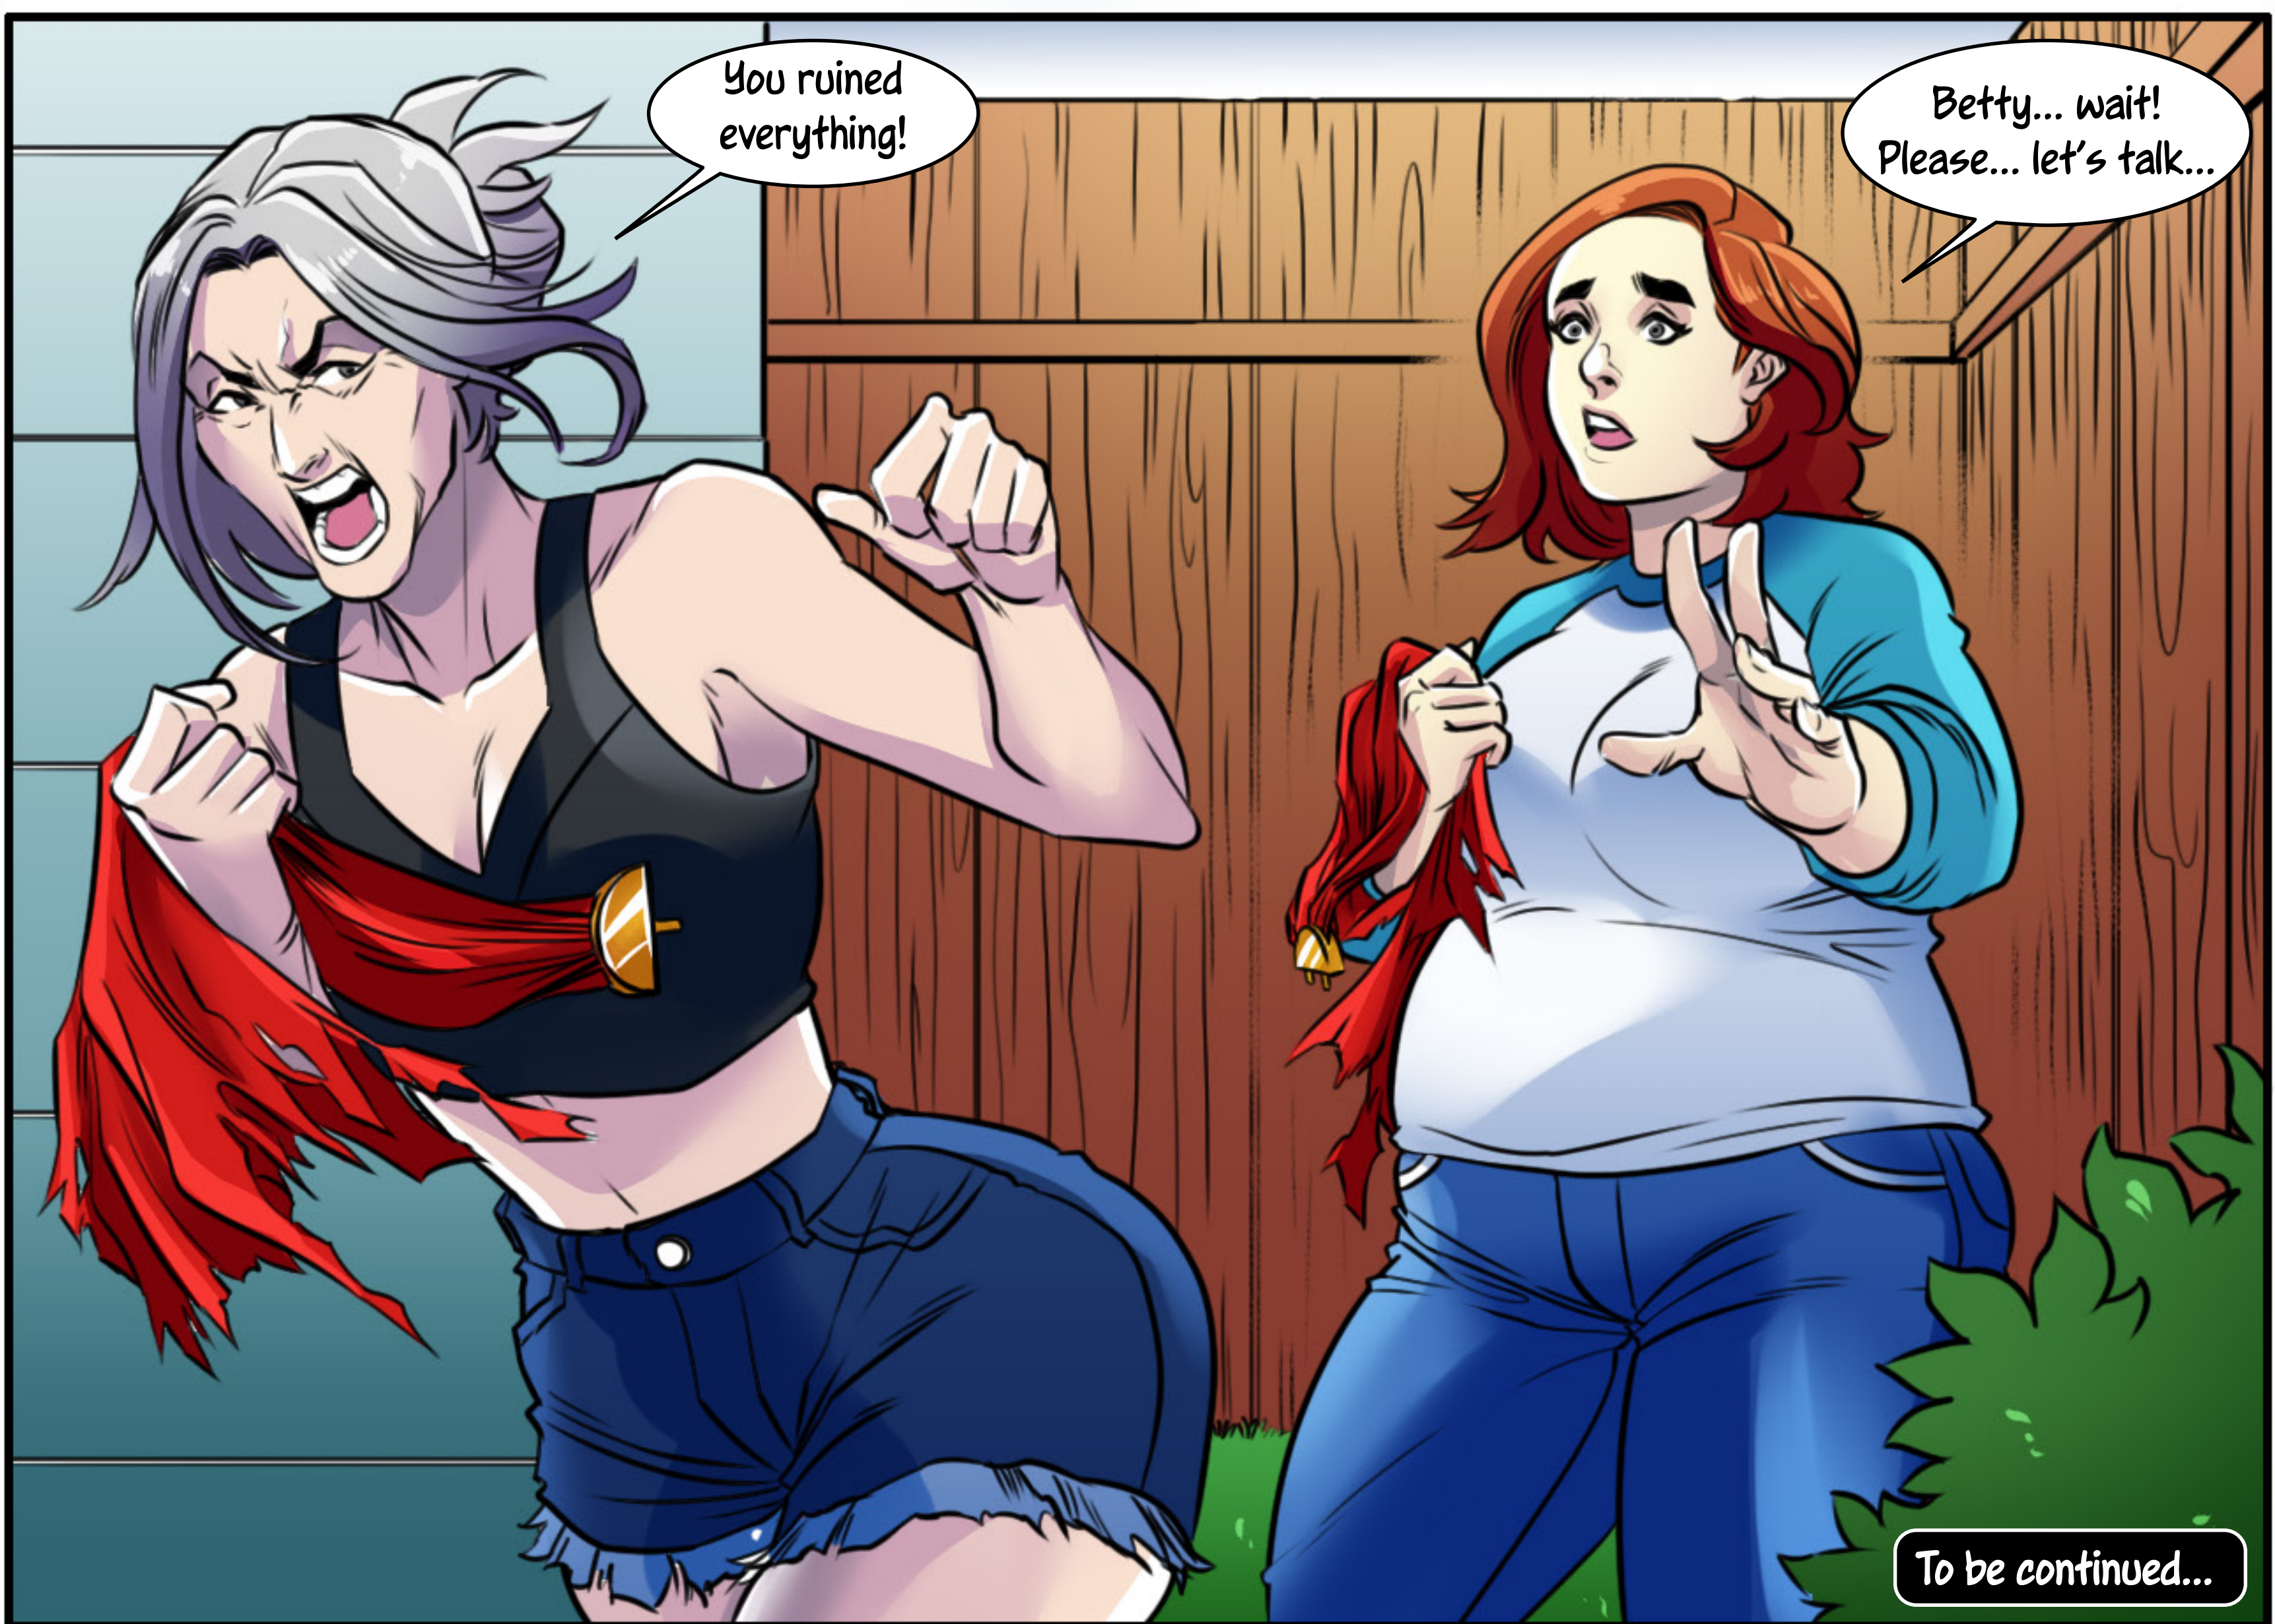

OH NO!

Look at what you did!

You ruined everything!

Betty... wait!
Please... let's talk...

To be continued...
