A short time later...

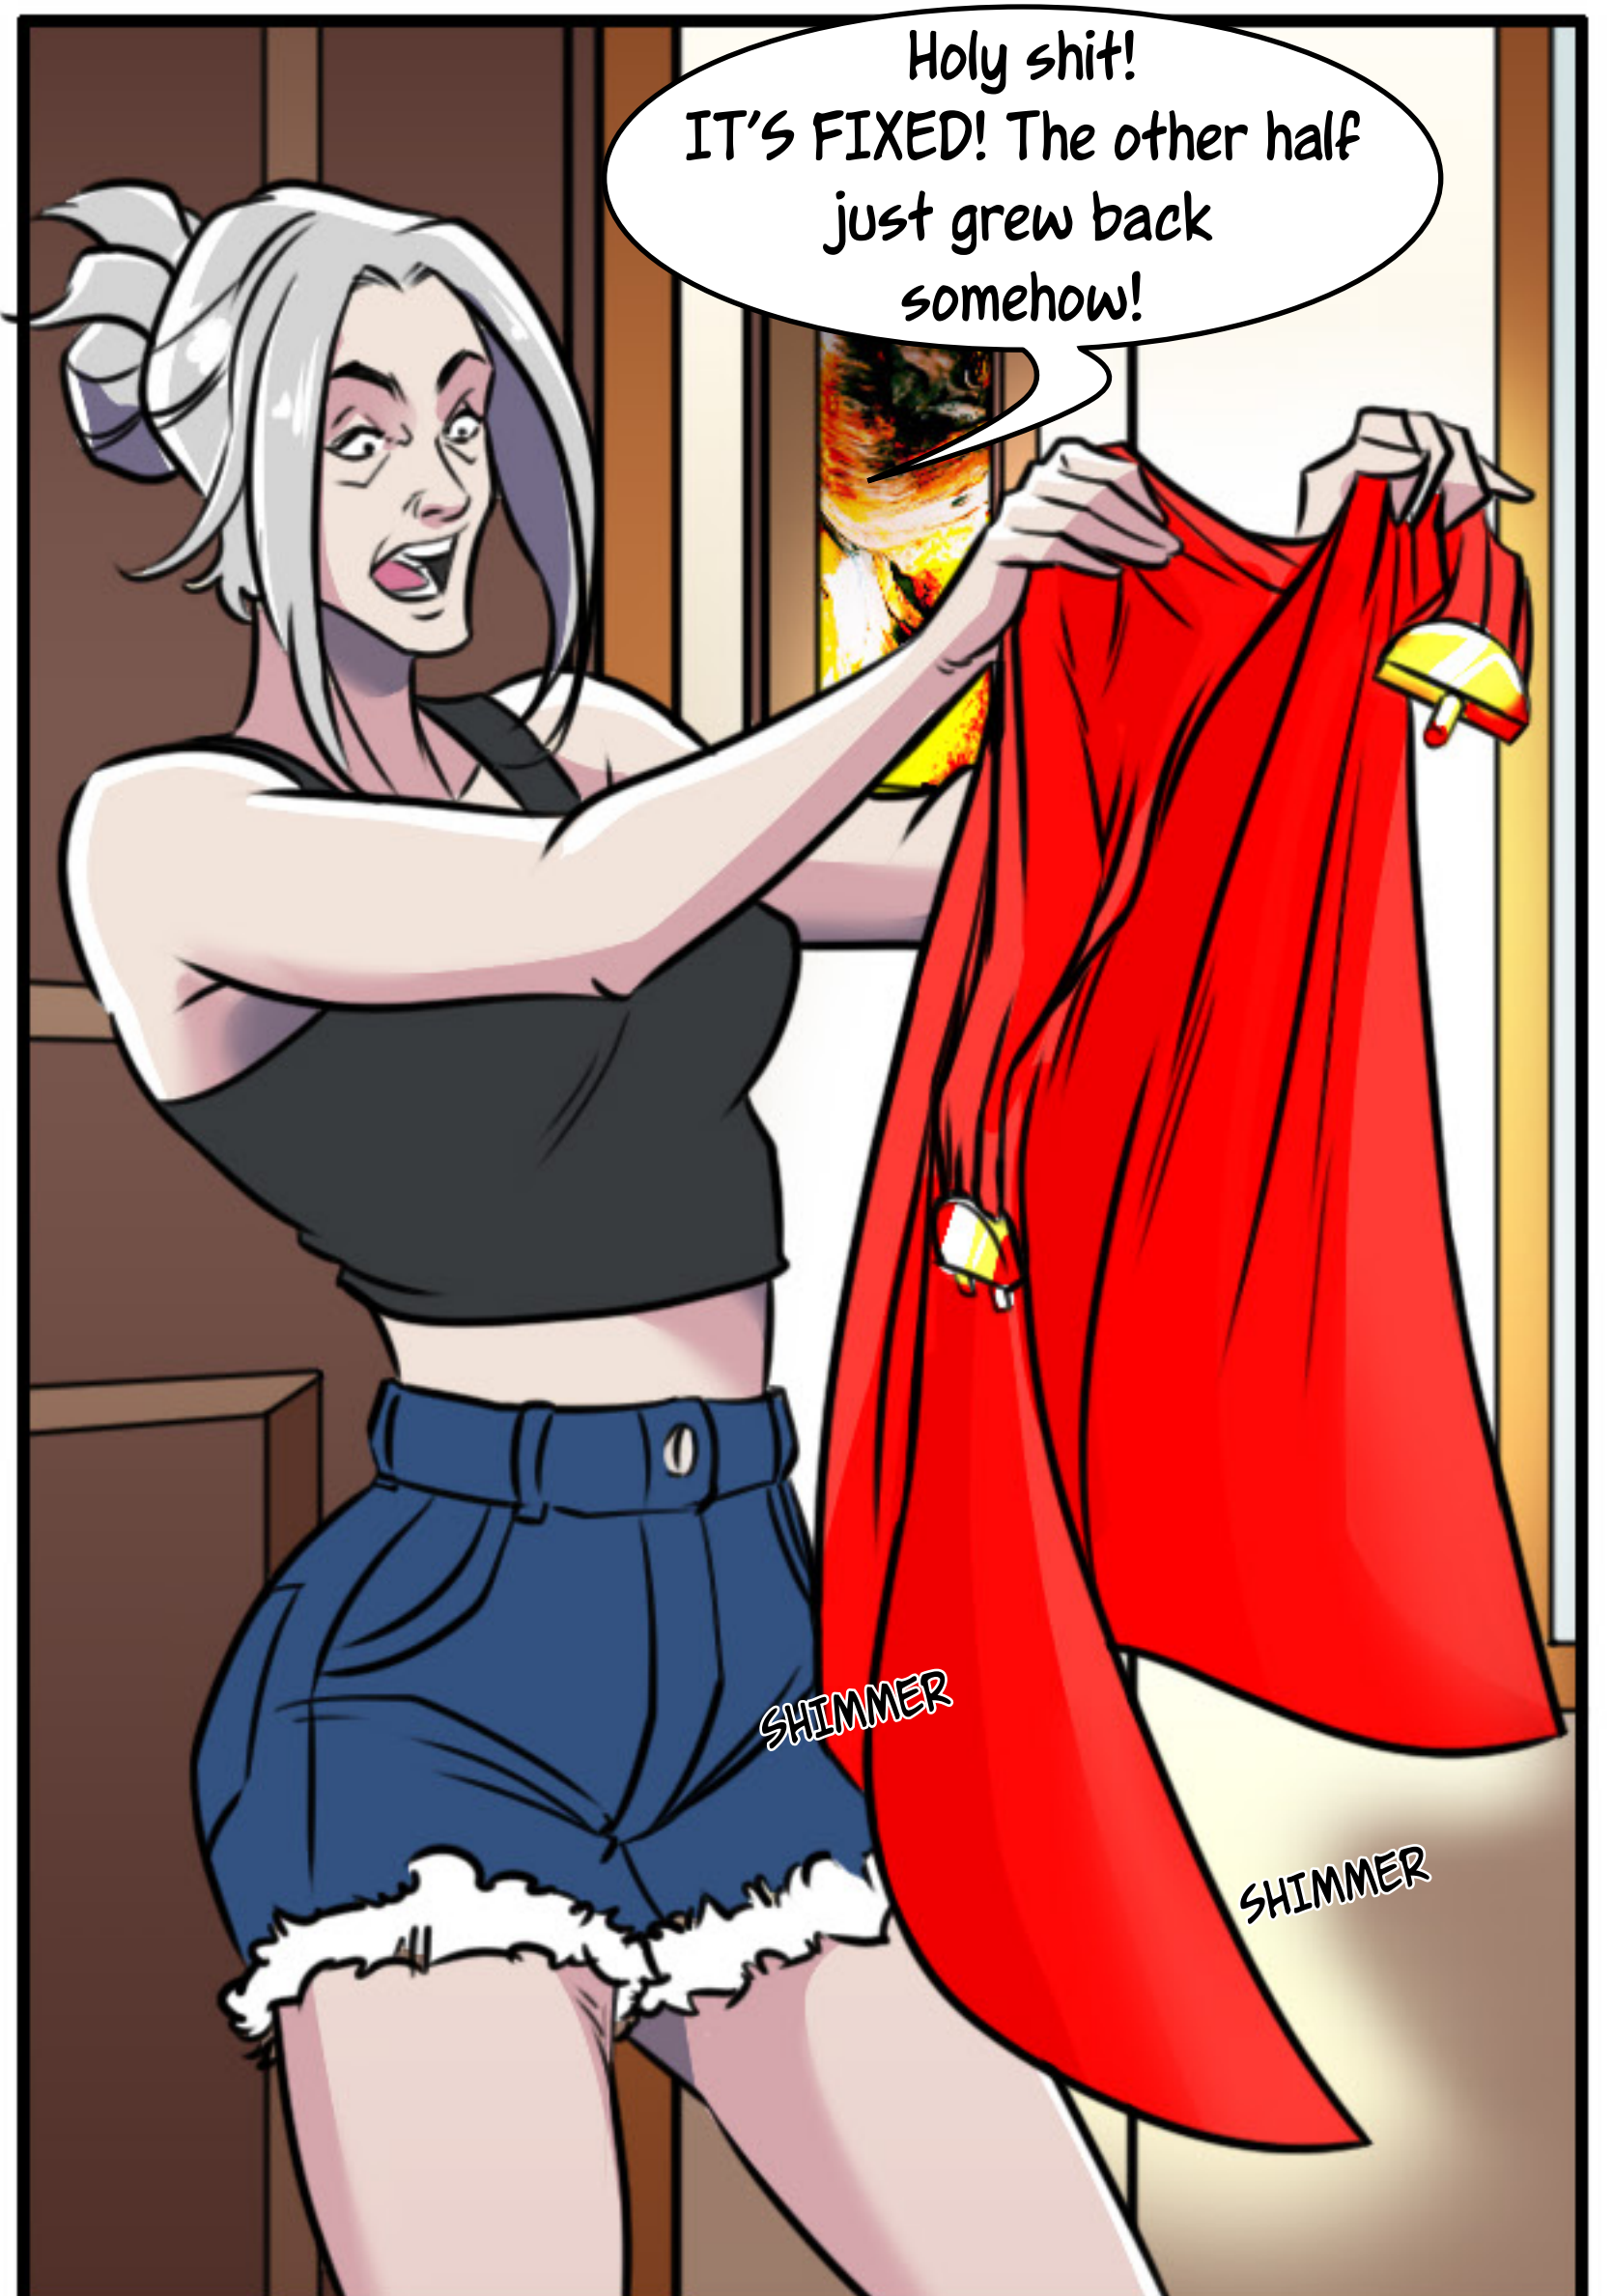

Almost... **FUCK!**  
It... won't...

Maybe if  
I wore it like a scarf or...  
What the... it's glowing.

SHIMMER

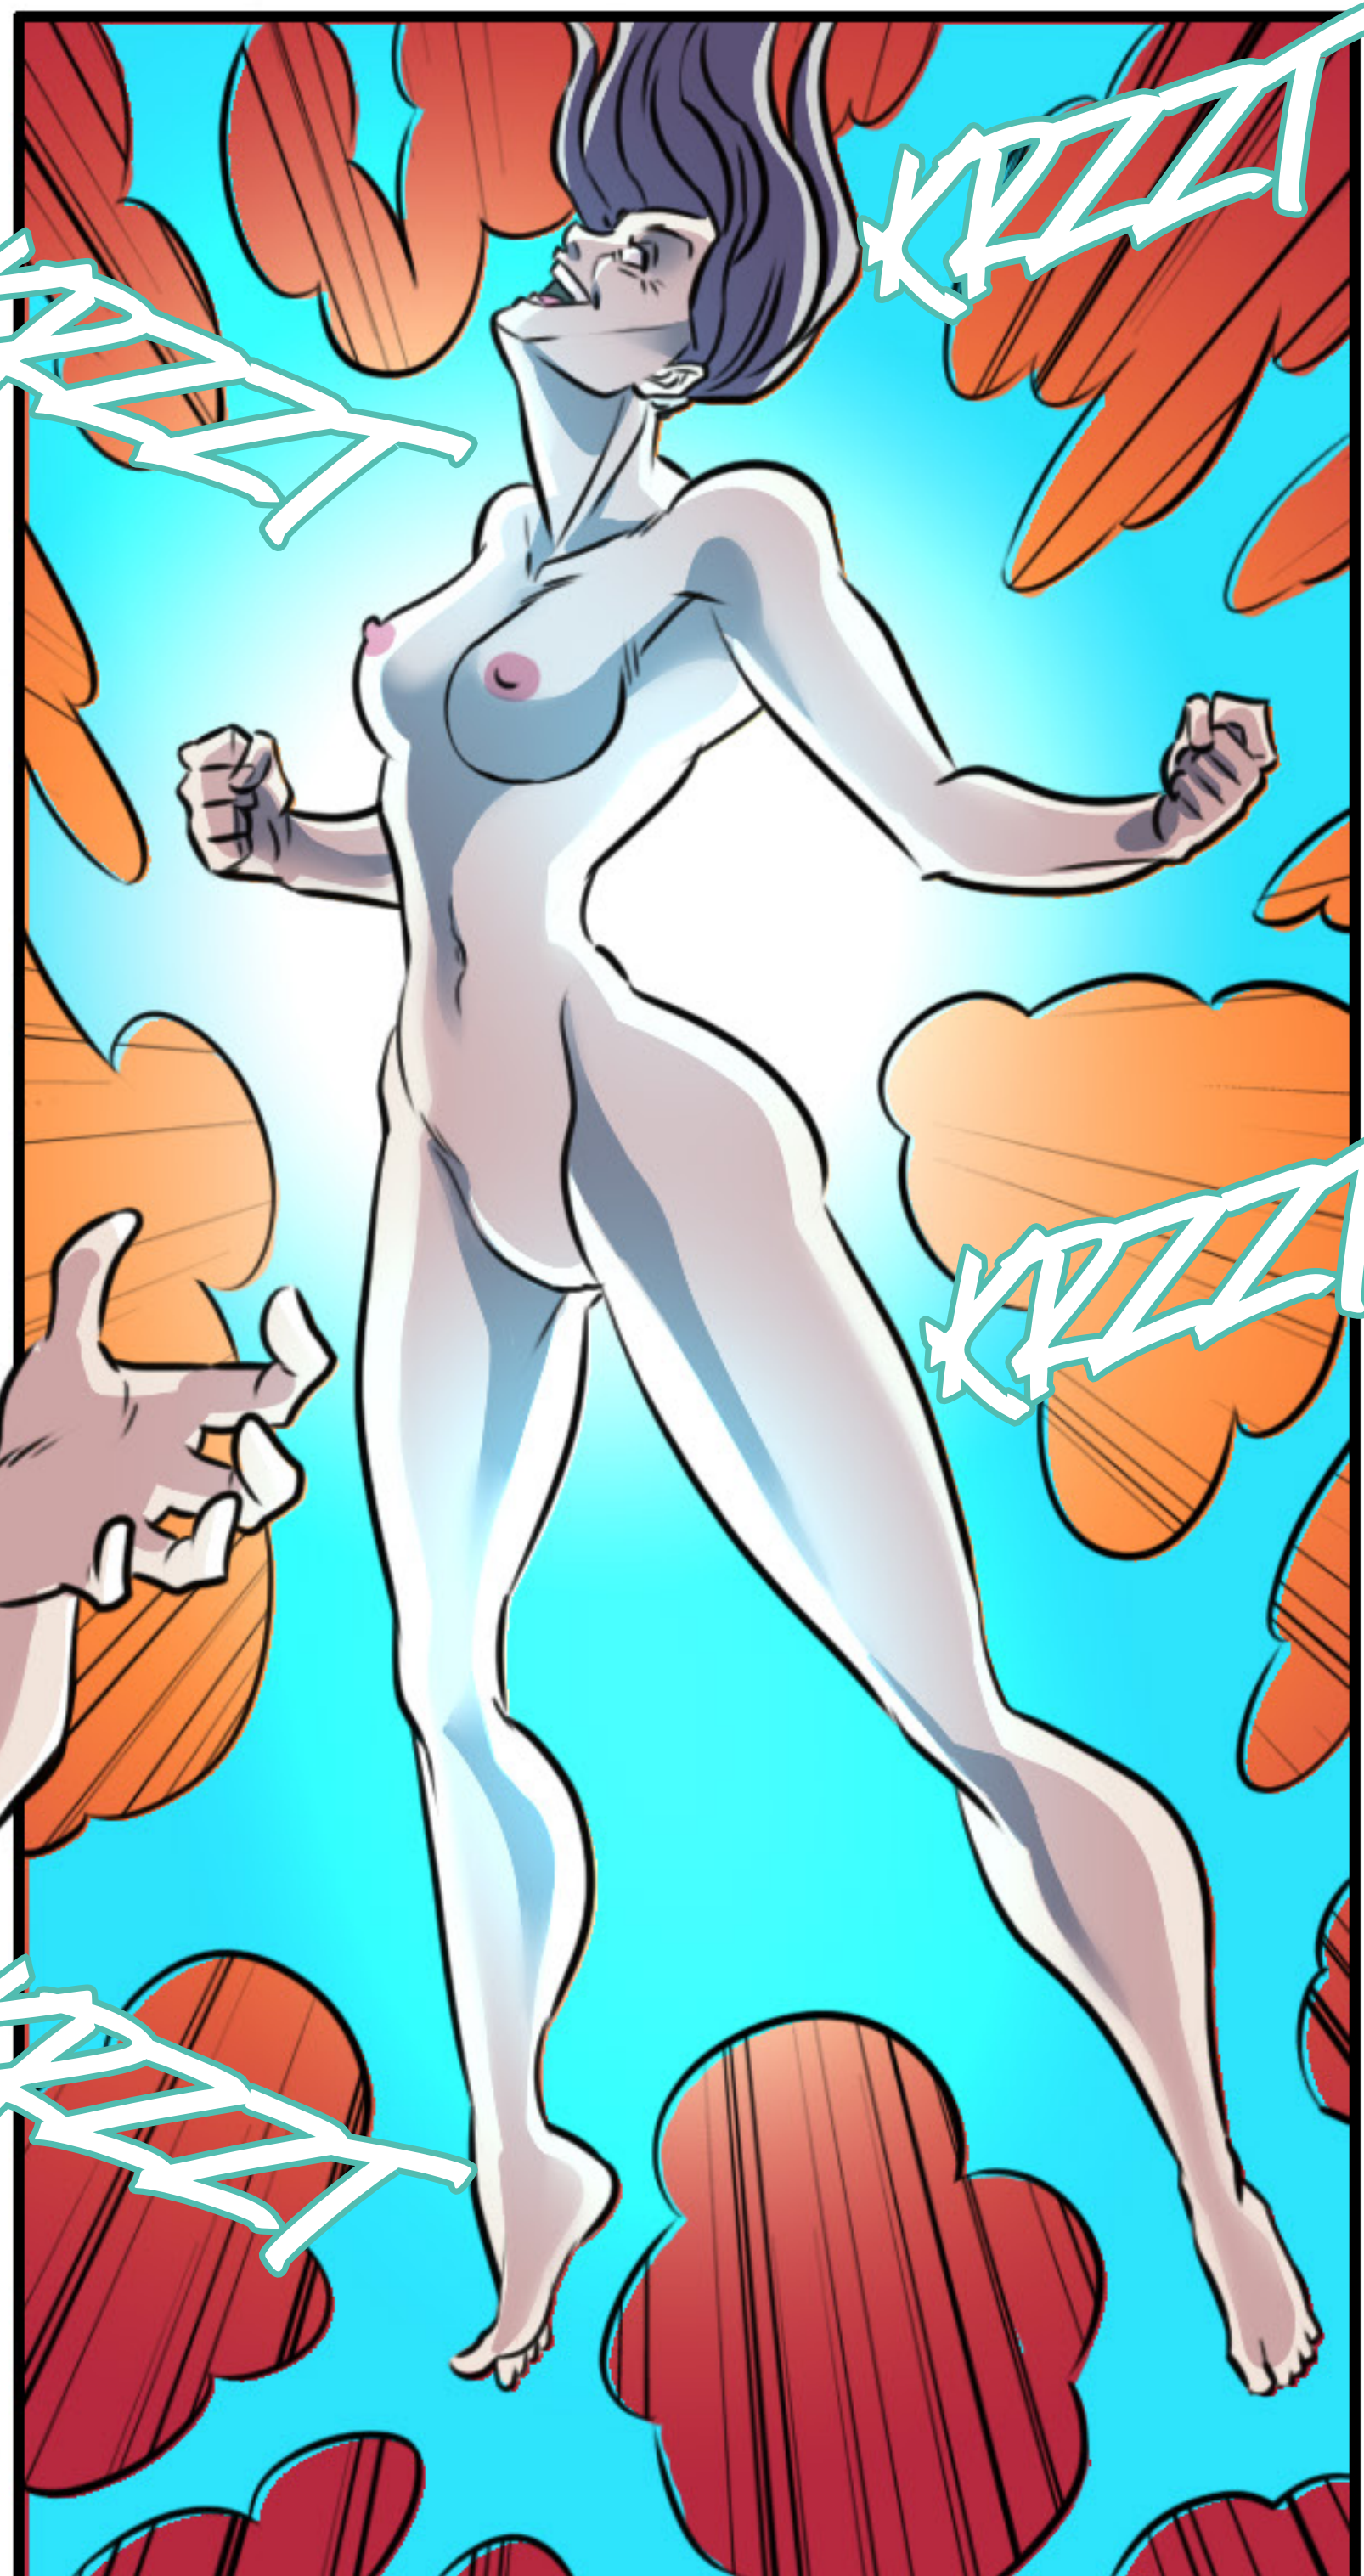

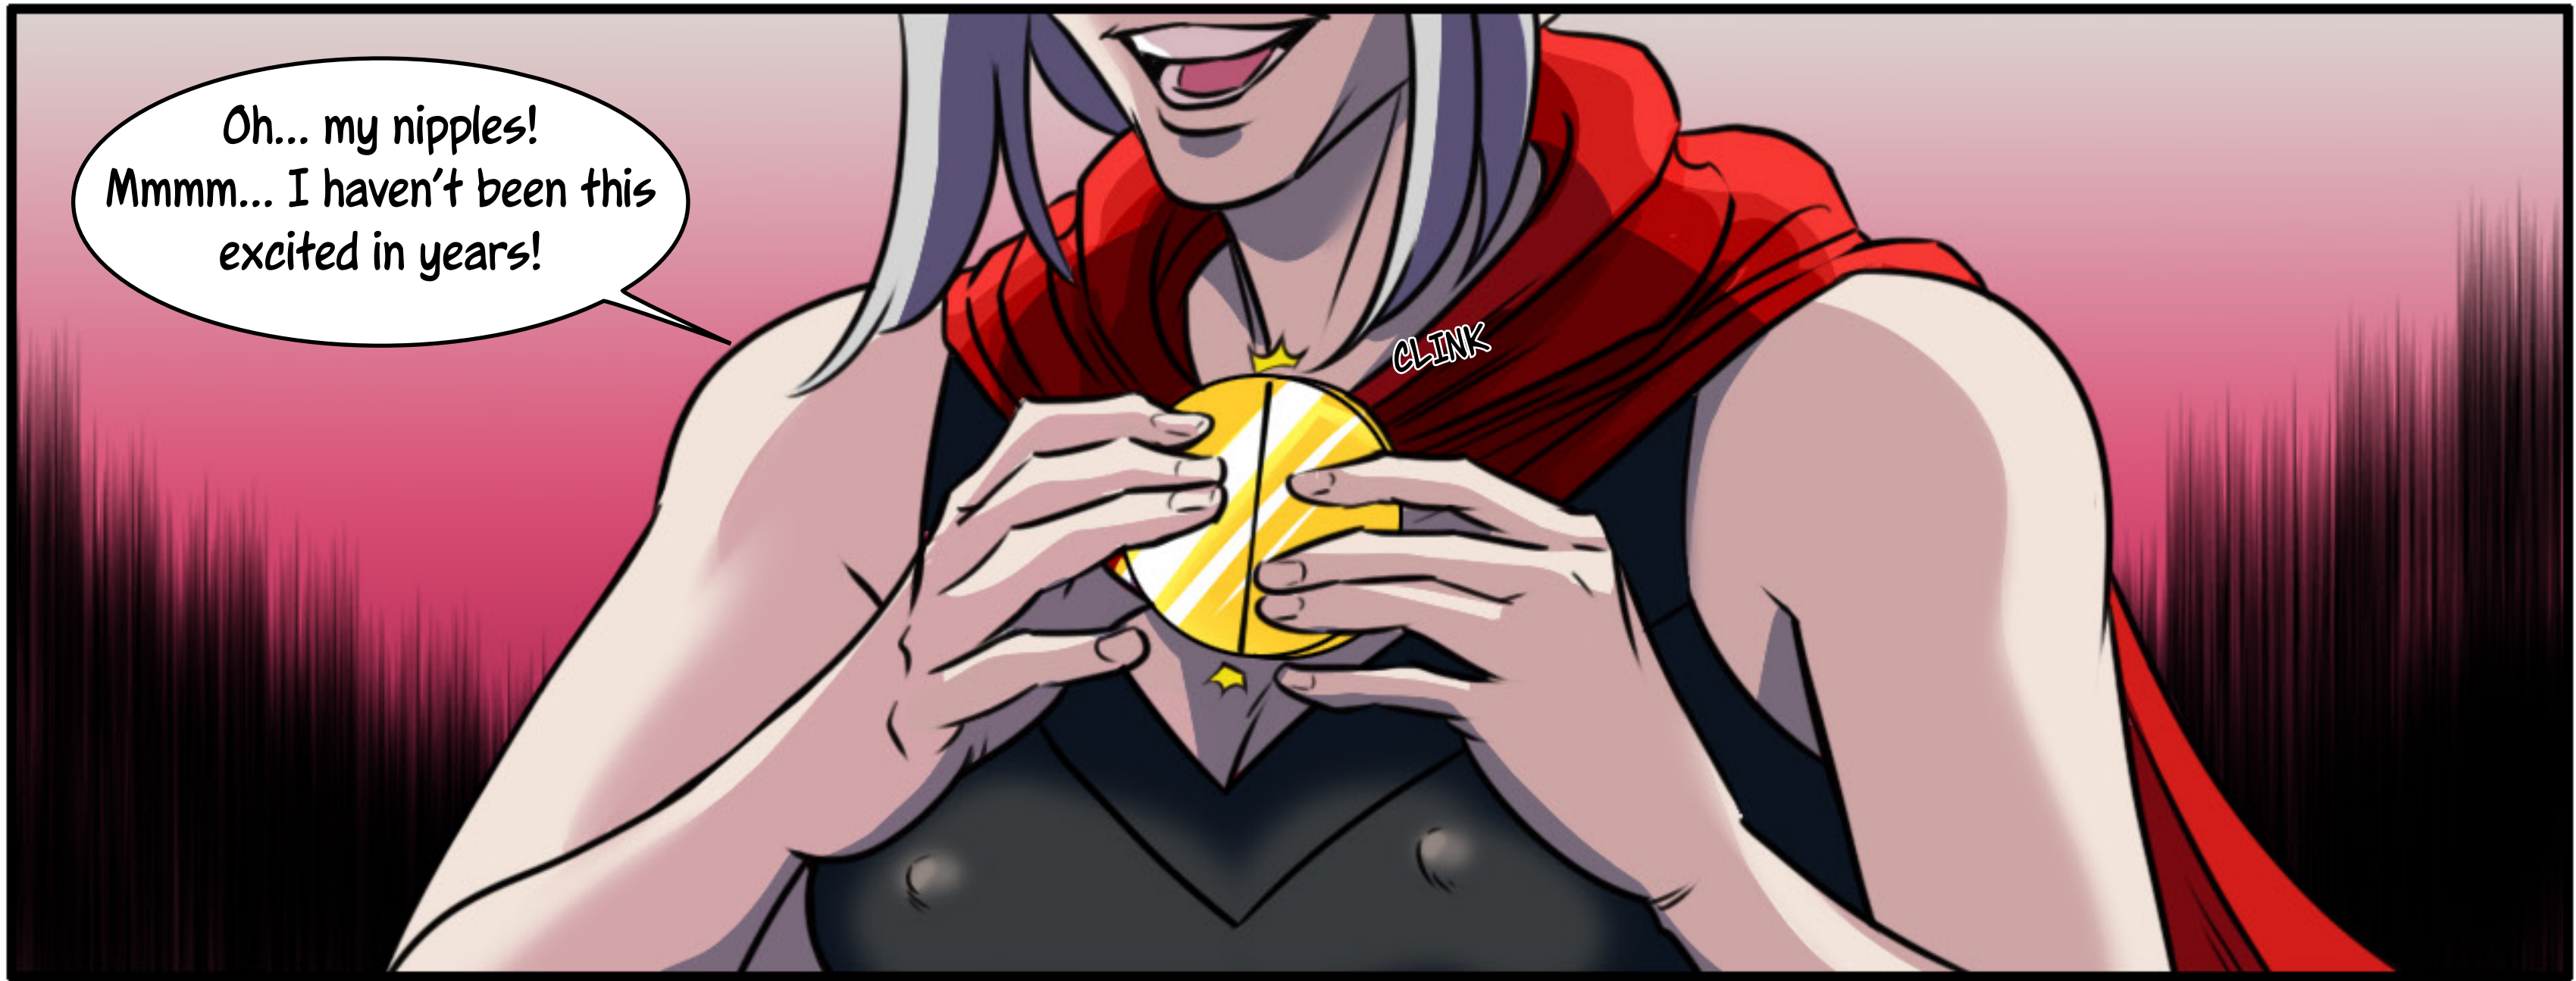

SHIMMER

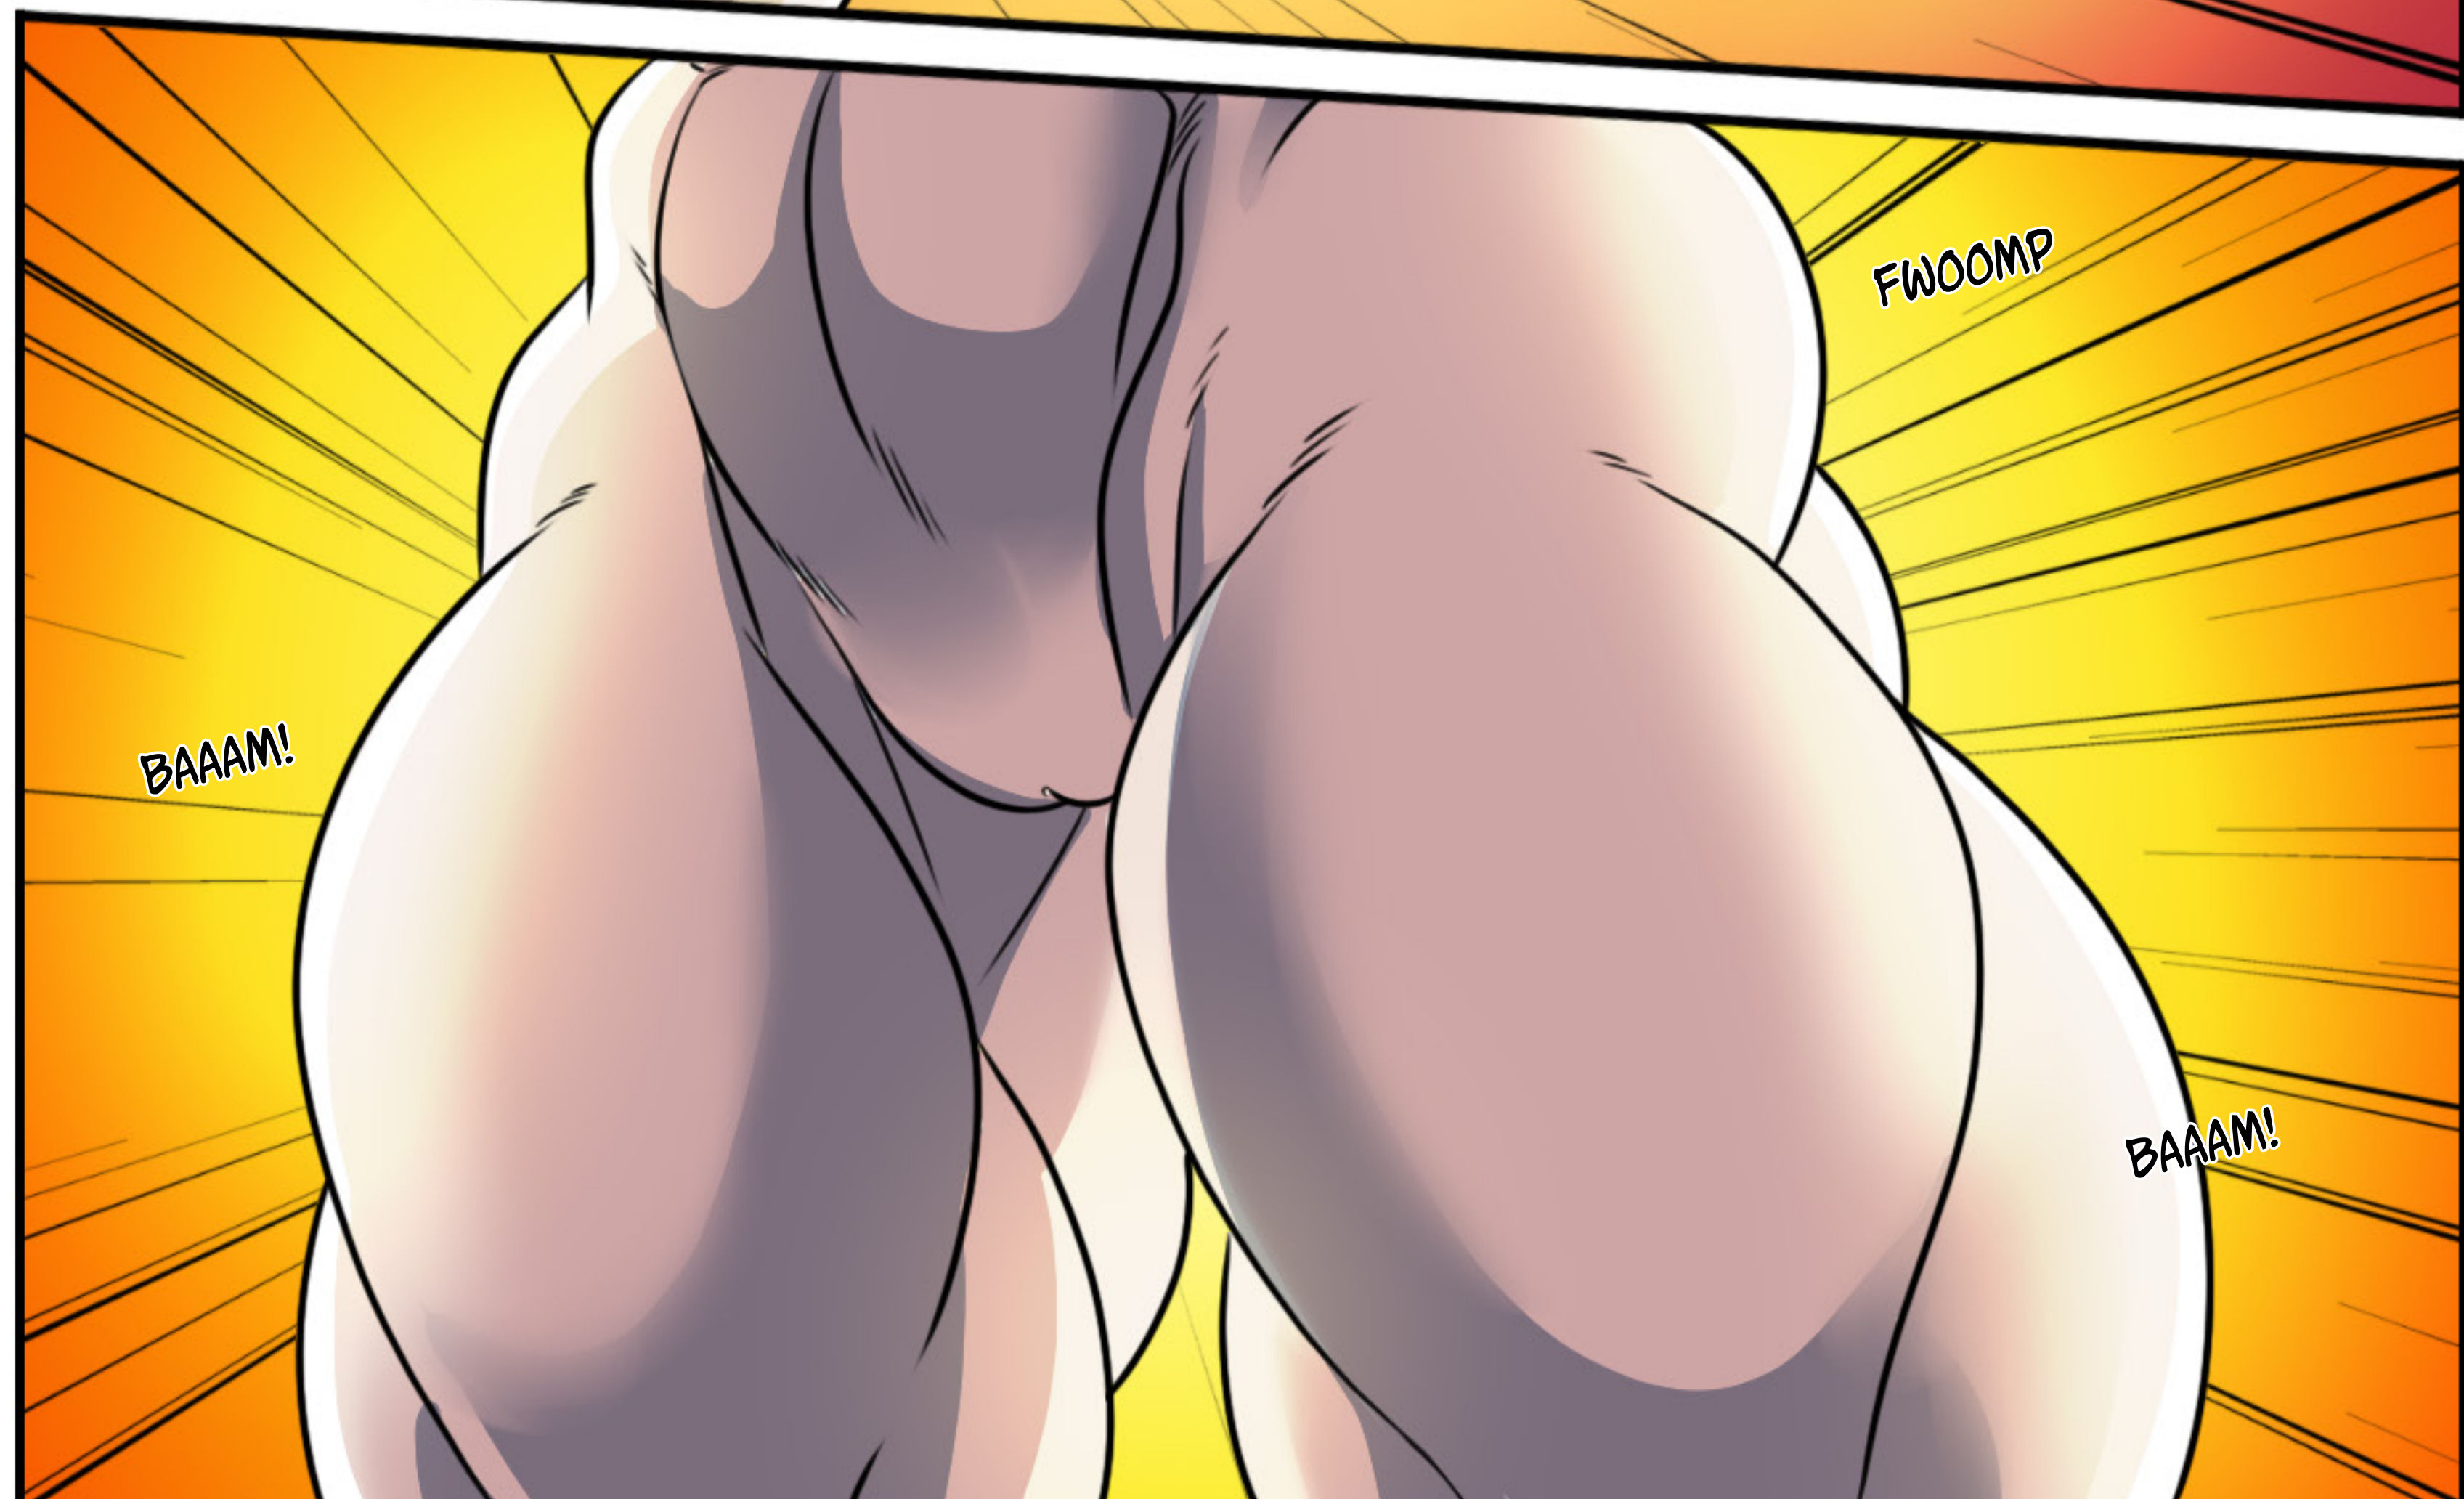

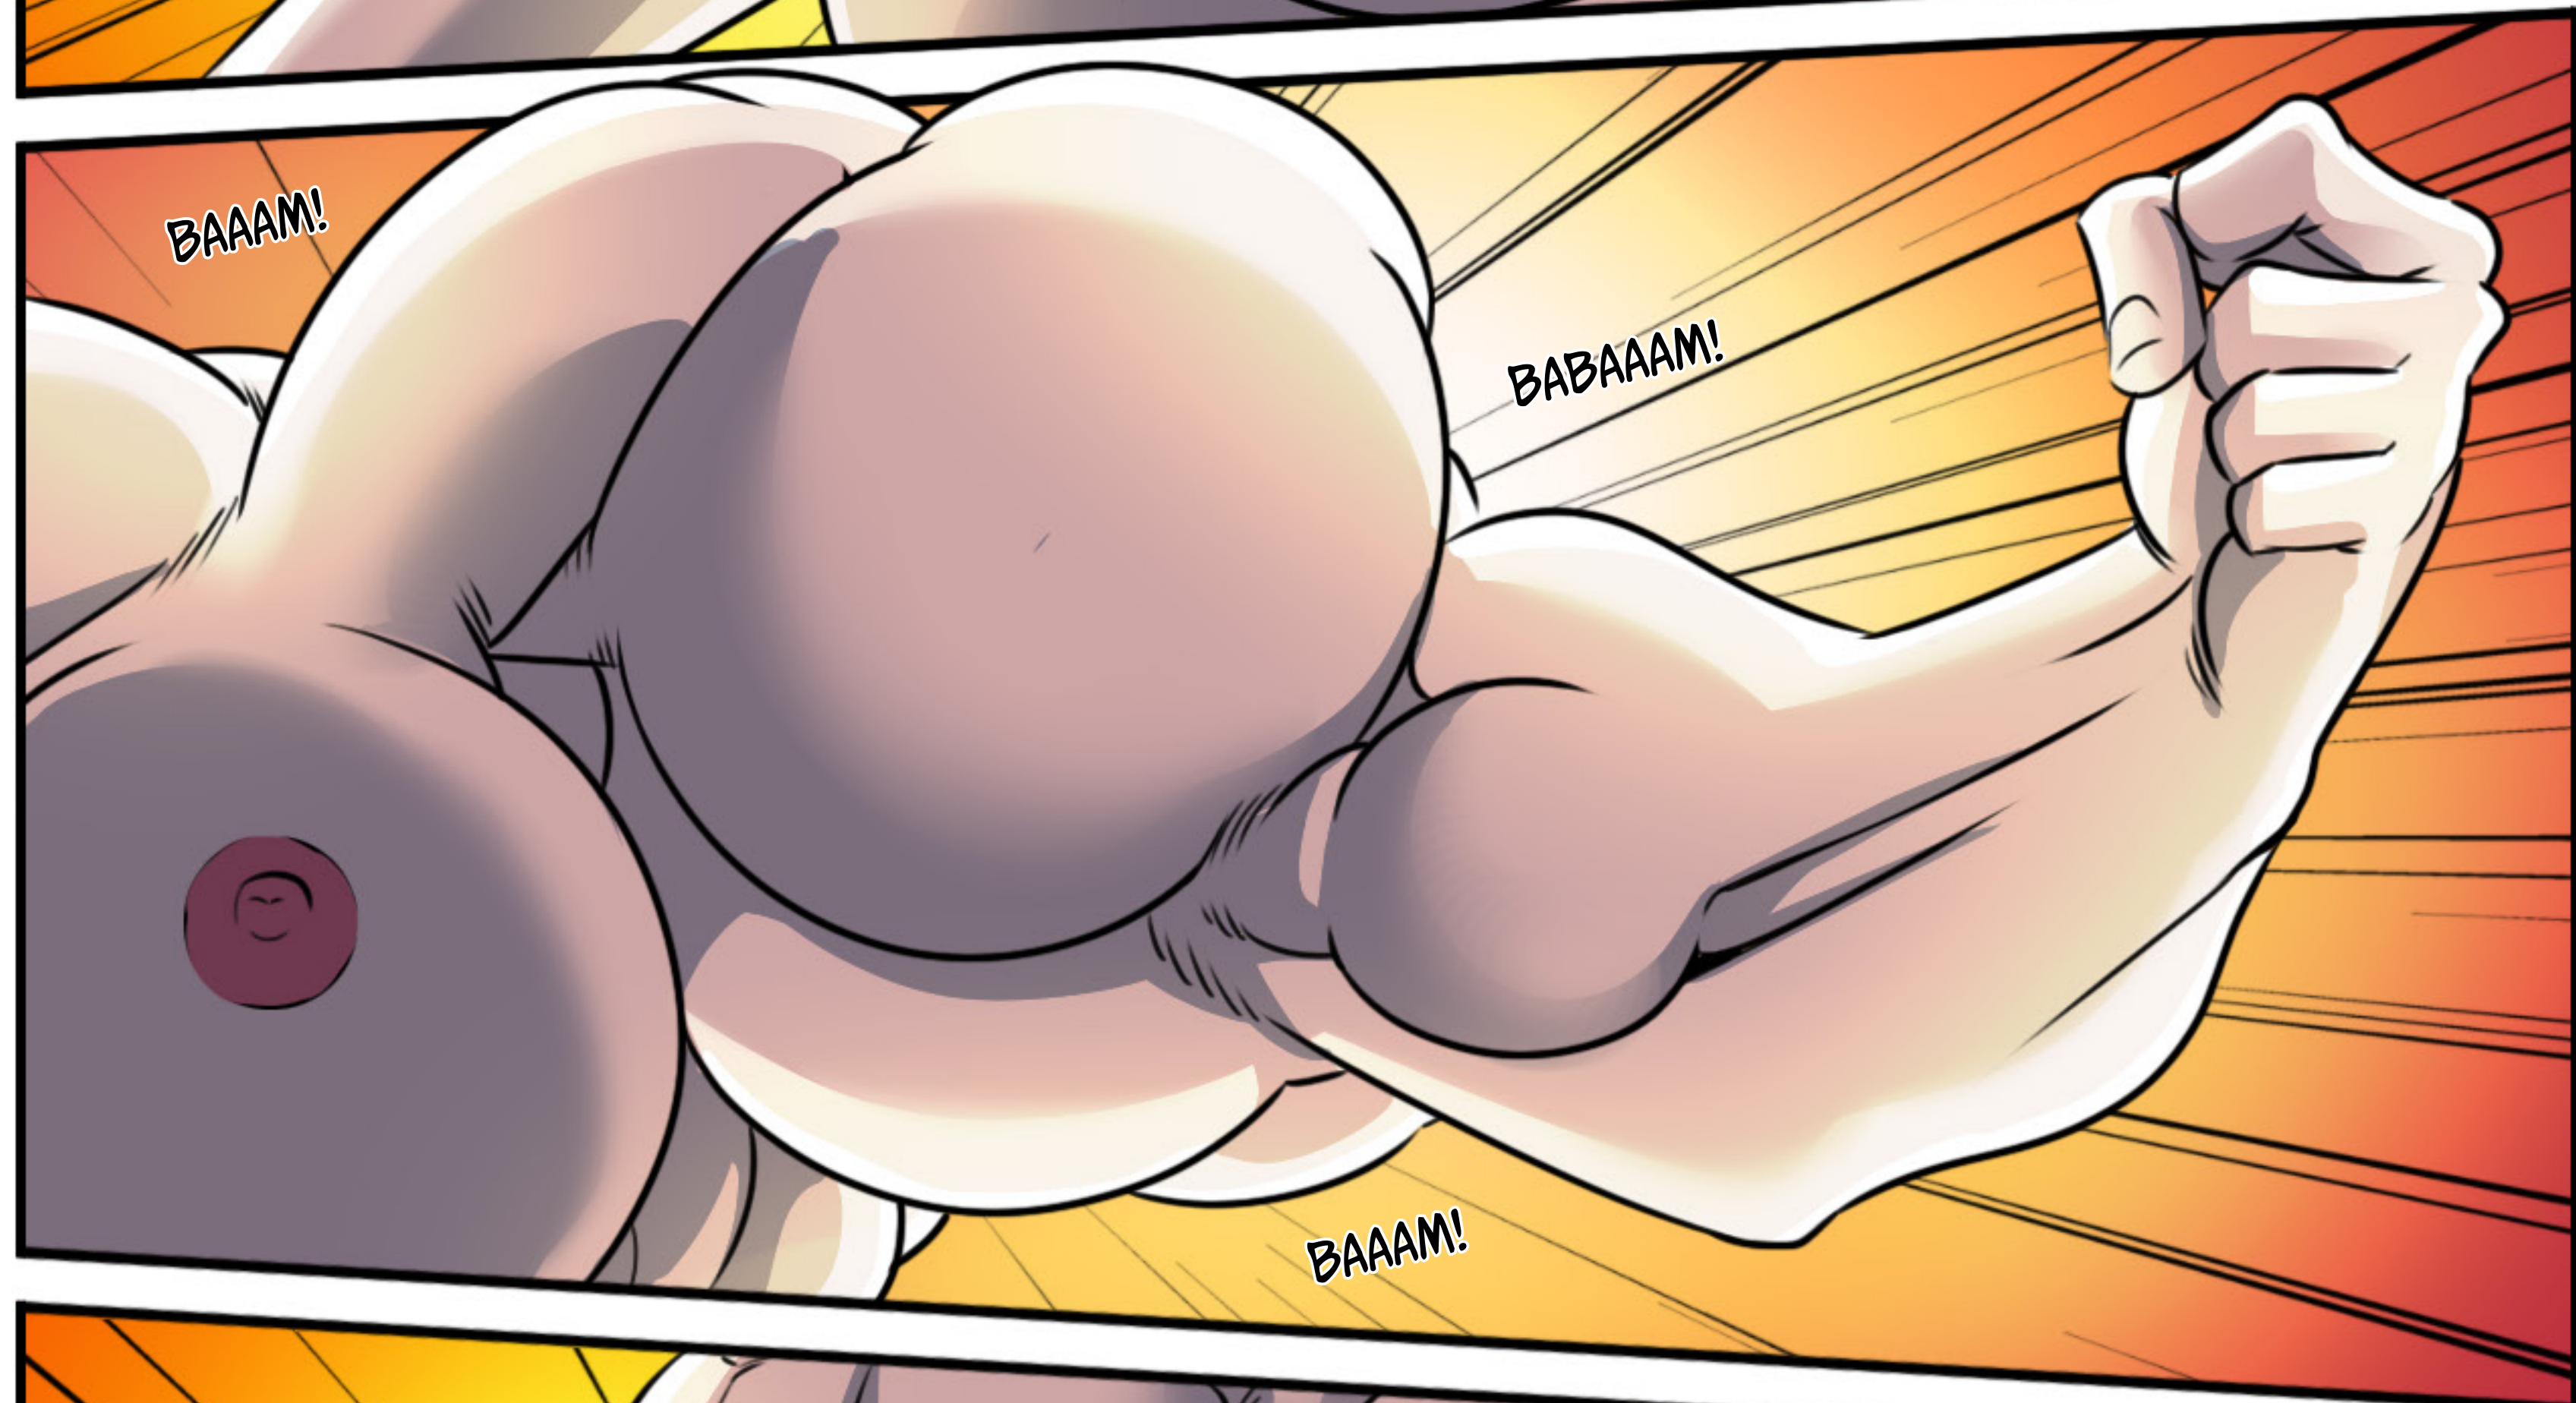

Holy shit!  
**IT'S FIXED!** The other half  
just grew back  
somehow!

SHIMMER

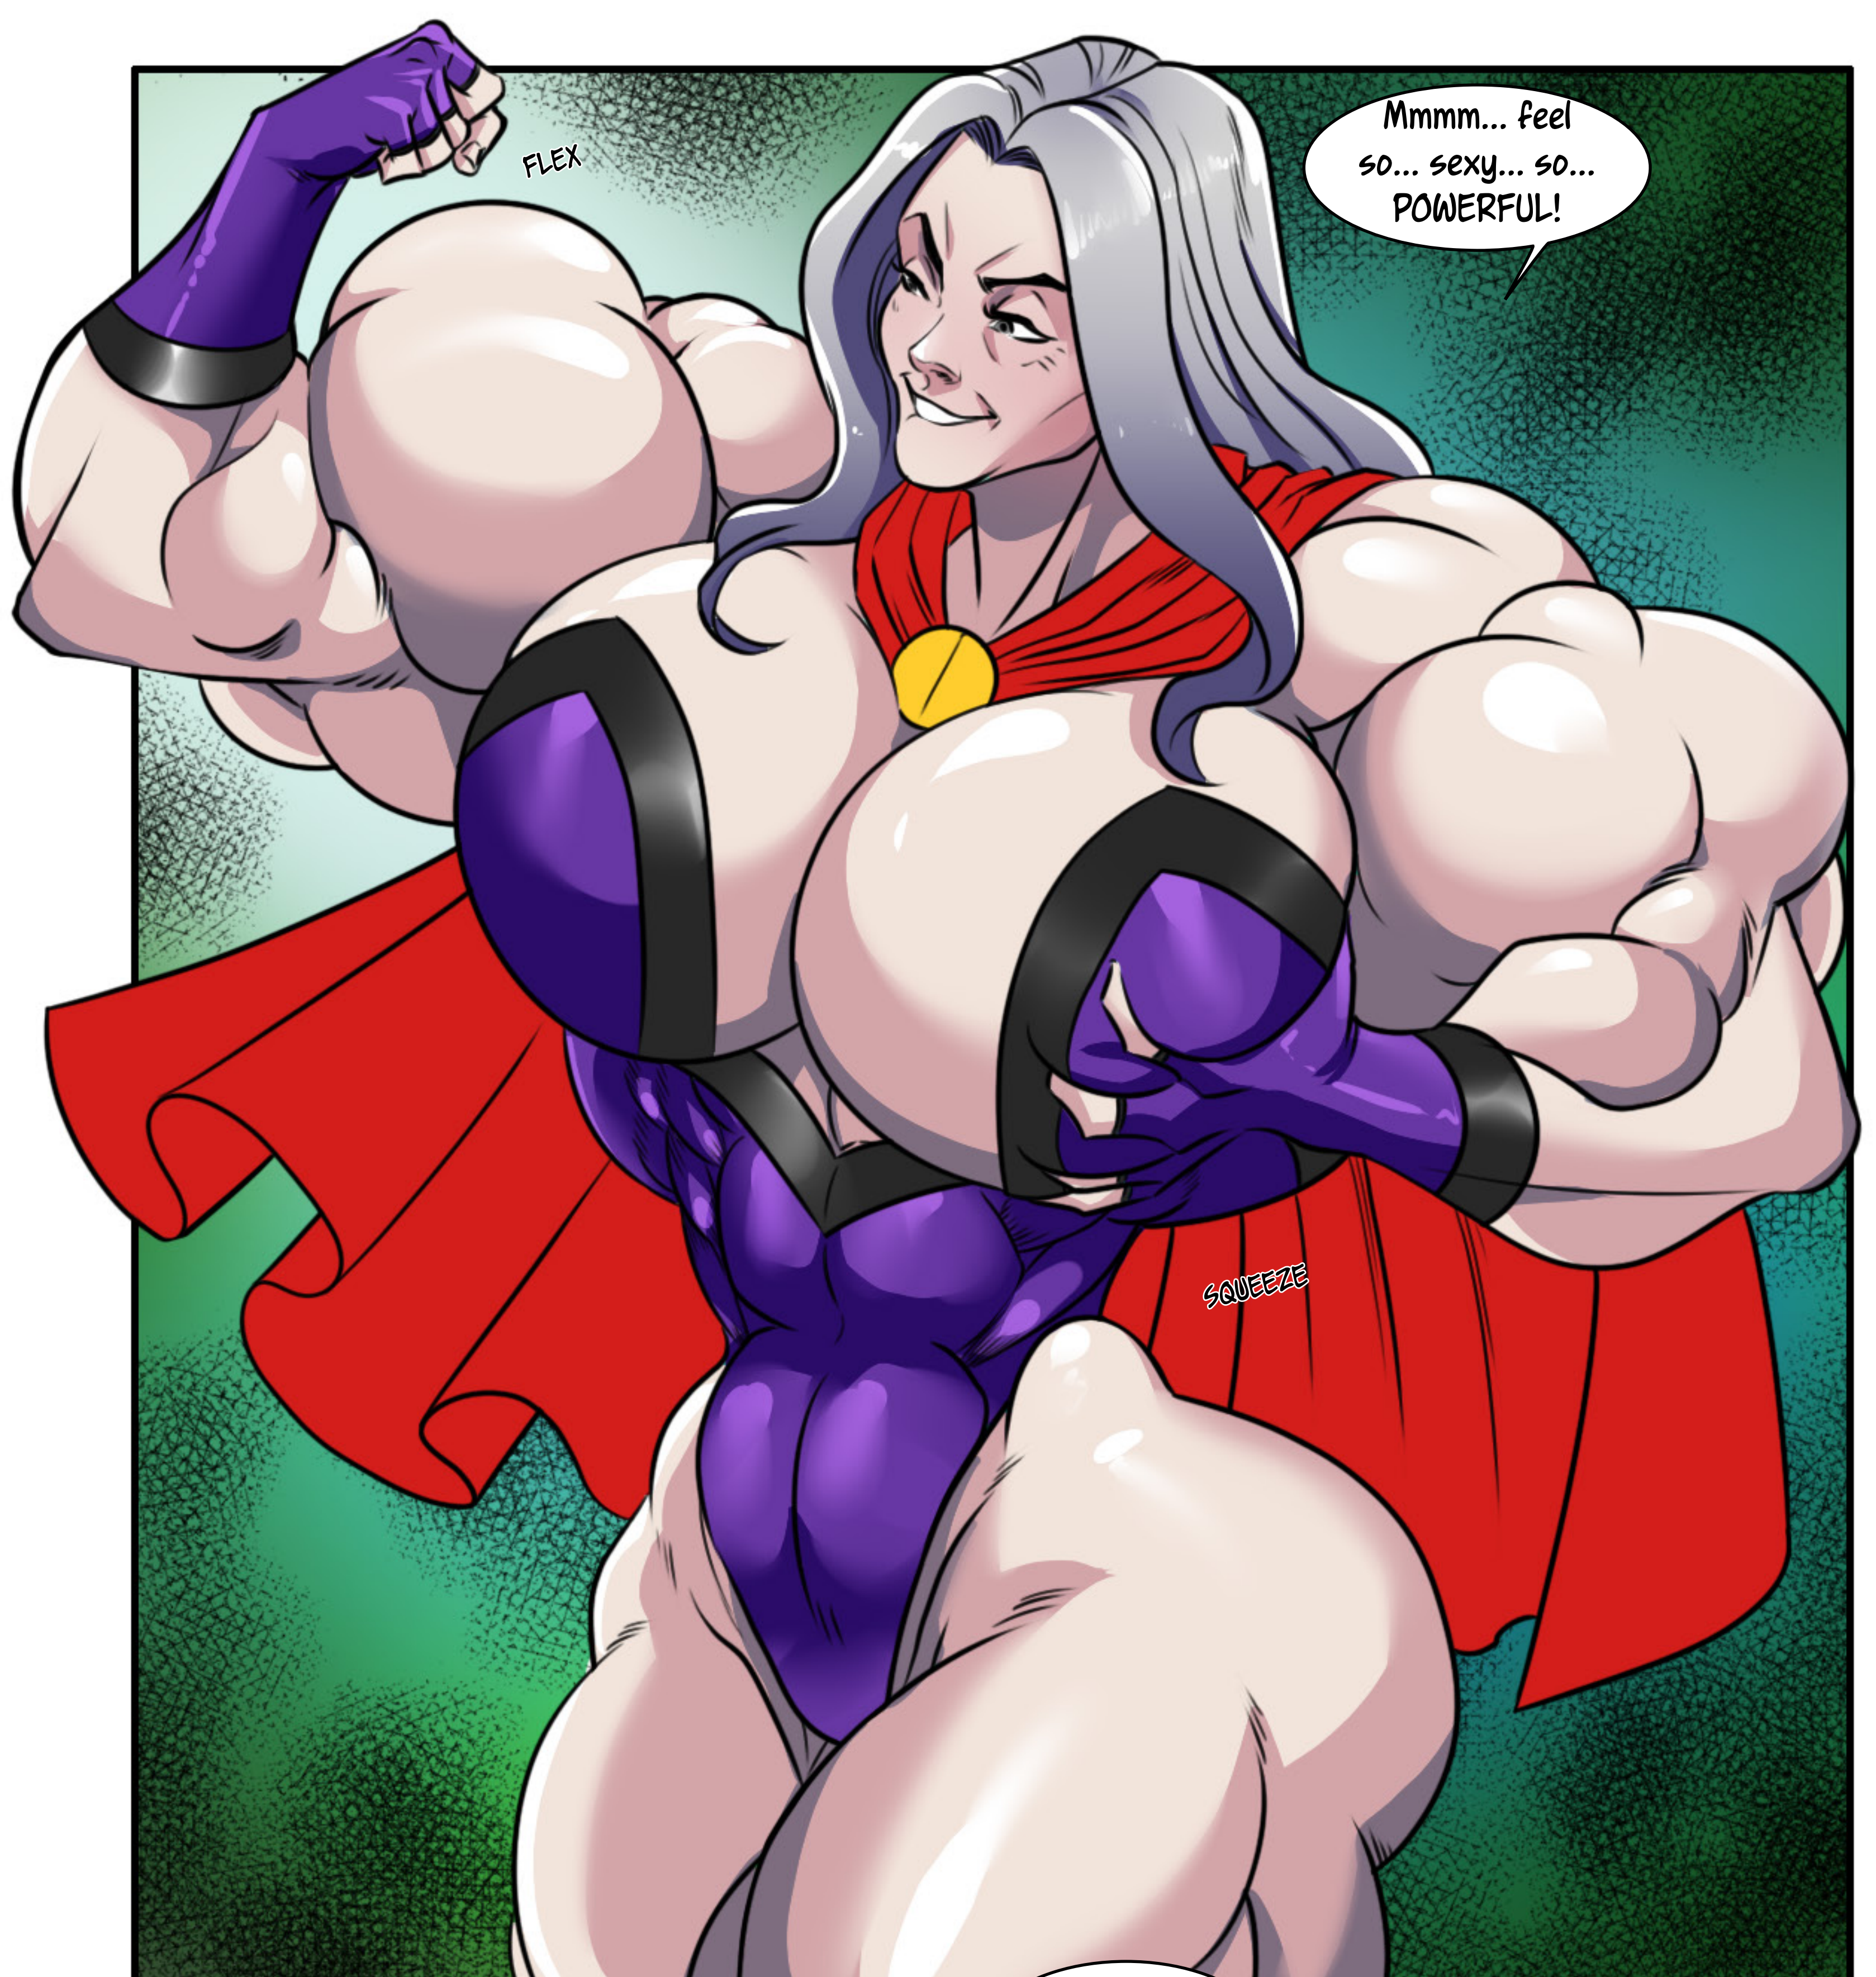

SHIMMER

**I HAVE THE  
POWER!**

FLEX

Mmmm... feel so... sexy... so... POWERFUL!

SQUEEZE

MMMMMM...

AHHNN..

GROPE

AHEM!  
Got to control myself...

Right now  
I want to  
really test my  
strength...

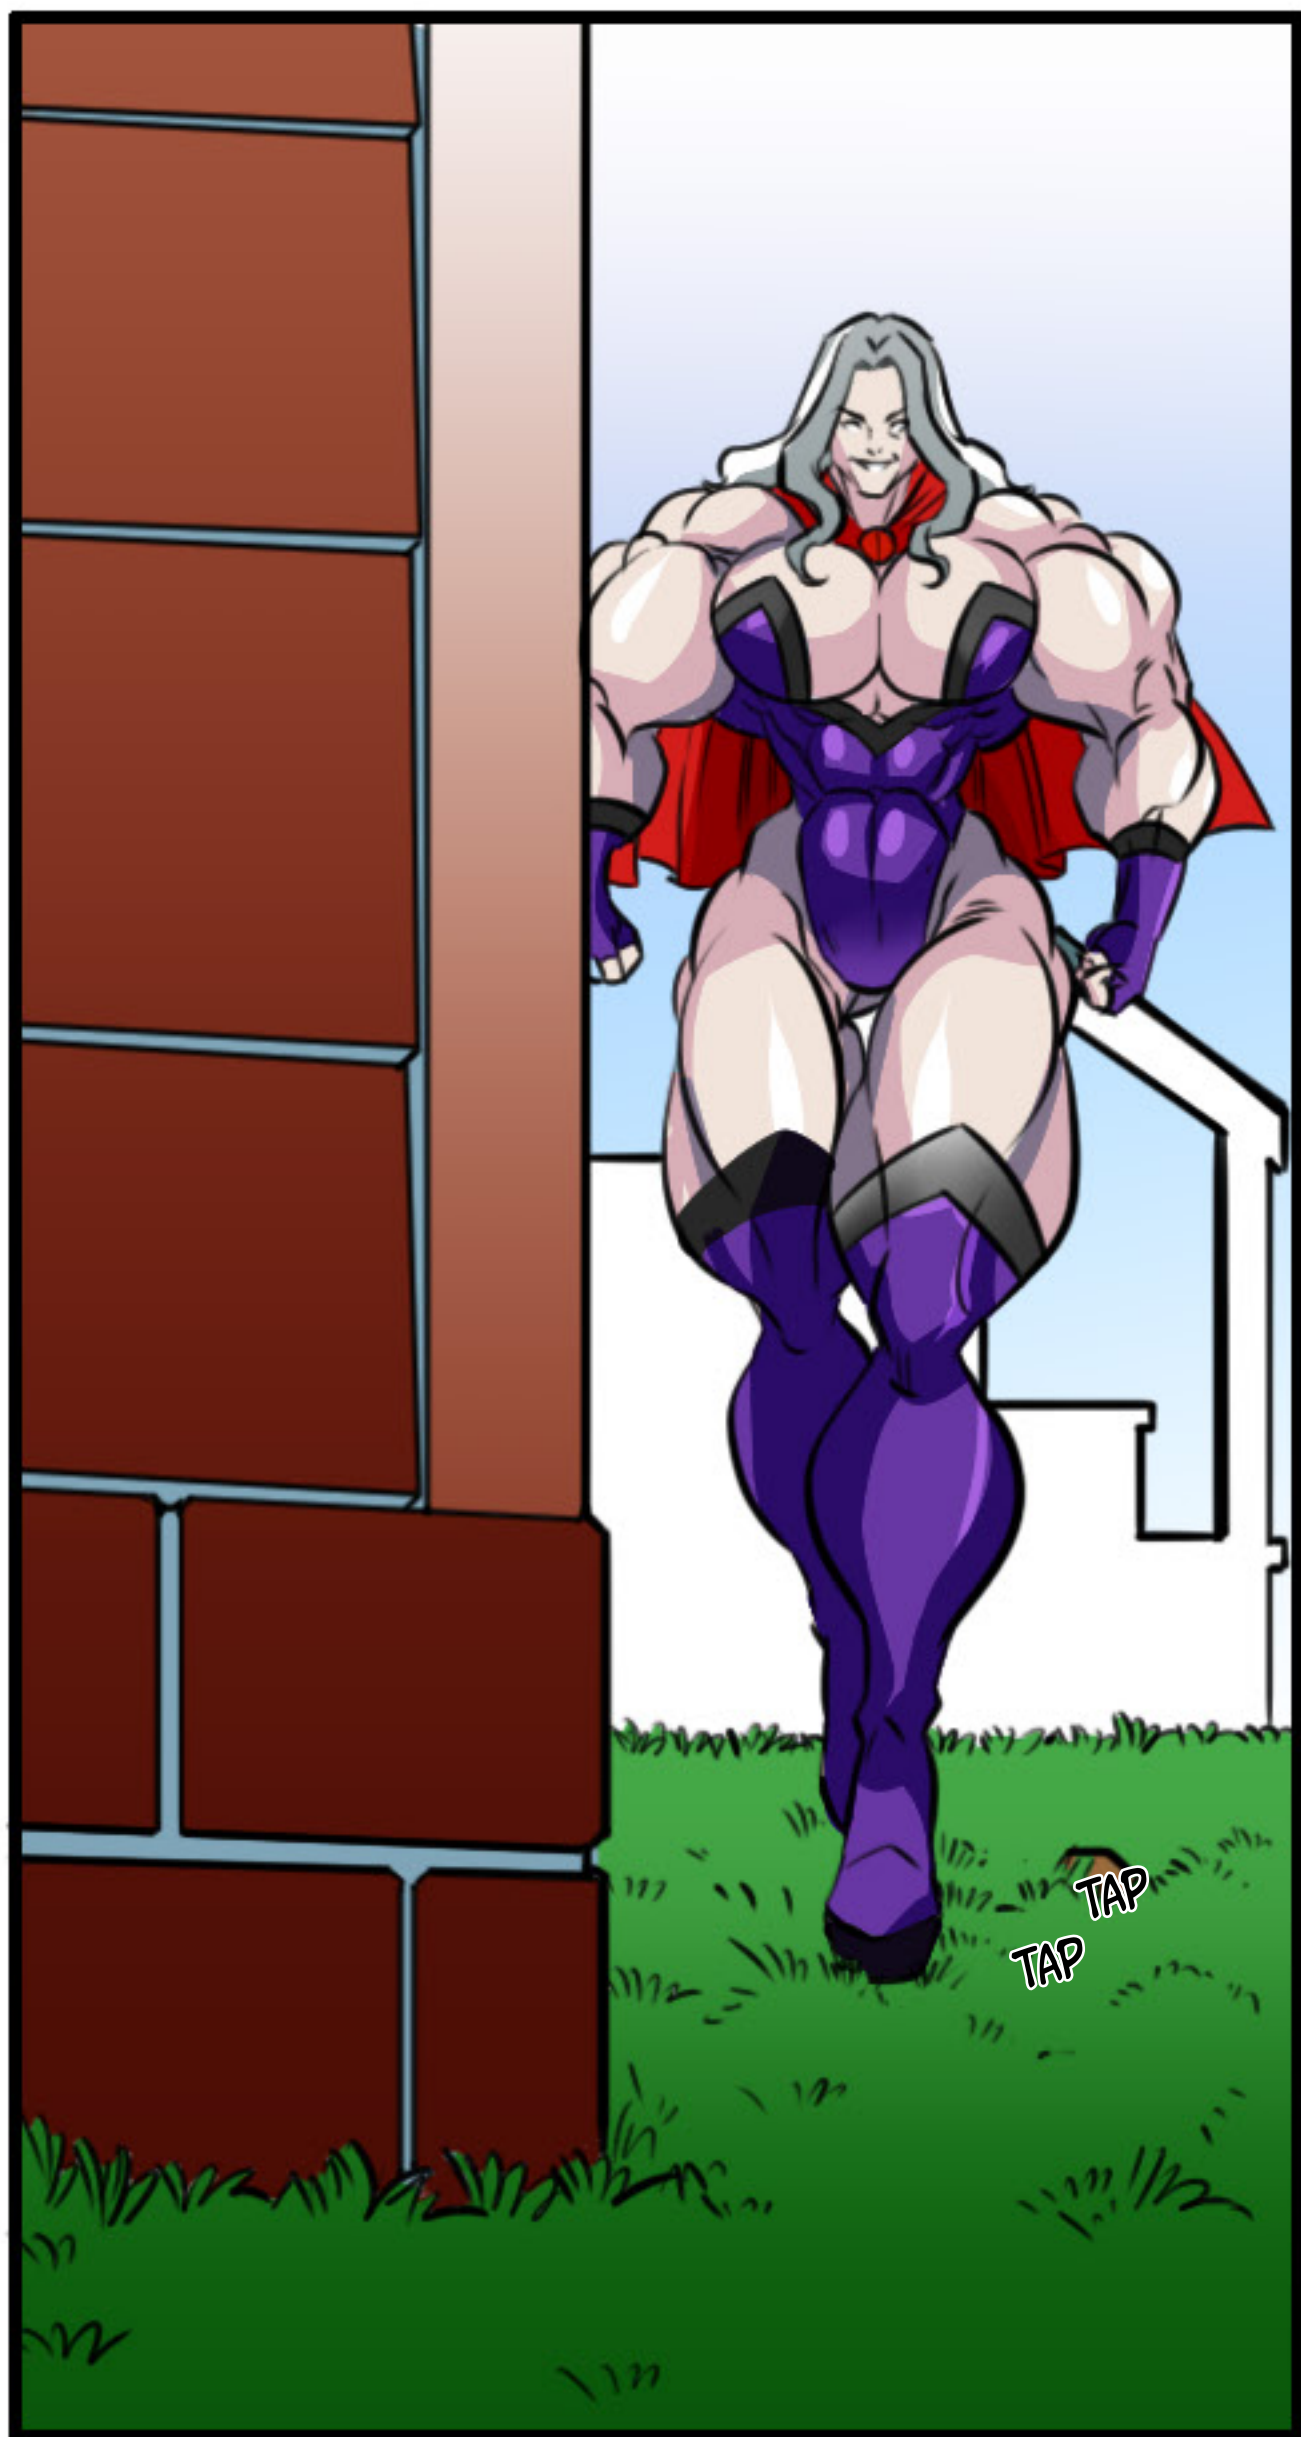

TAP

And I know  
just the thing...

**WHAAM!**

My house has a solid concrete foundation. Which means if I pick the right spot..

**НАНАНАНАНА!**

**KRAGOOSSH!**

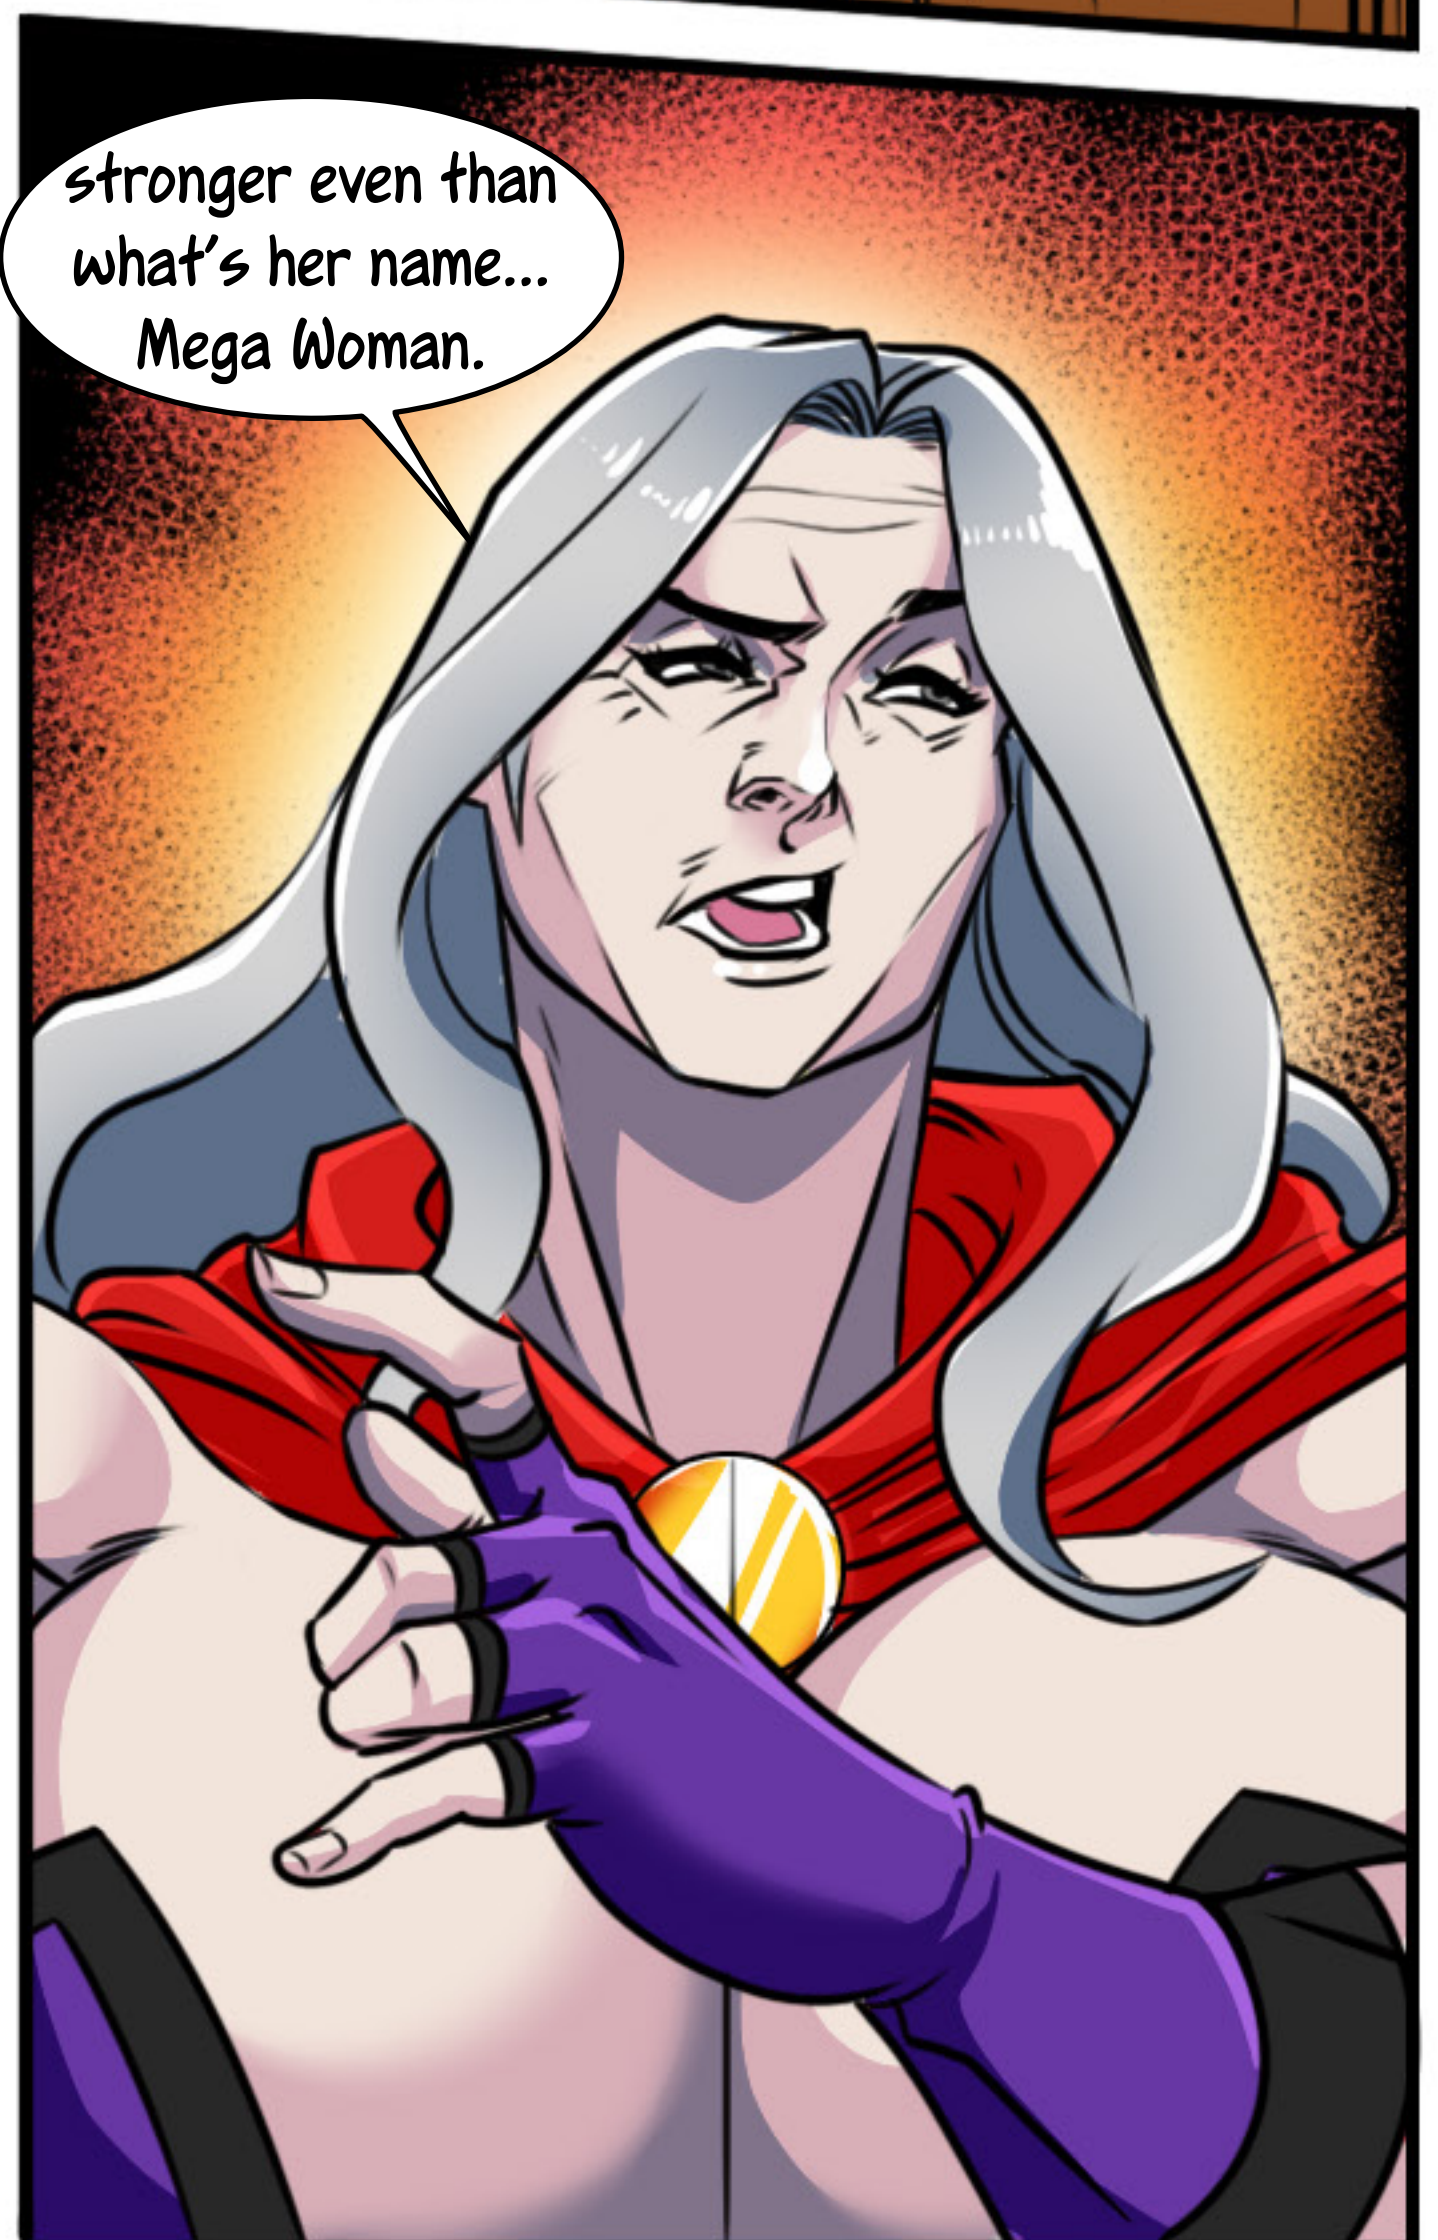

It was as light as a feather...

KRUGGESH!

I must be the strongest woman in the world...

stronger even than what's her name... Mega Woman.

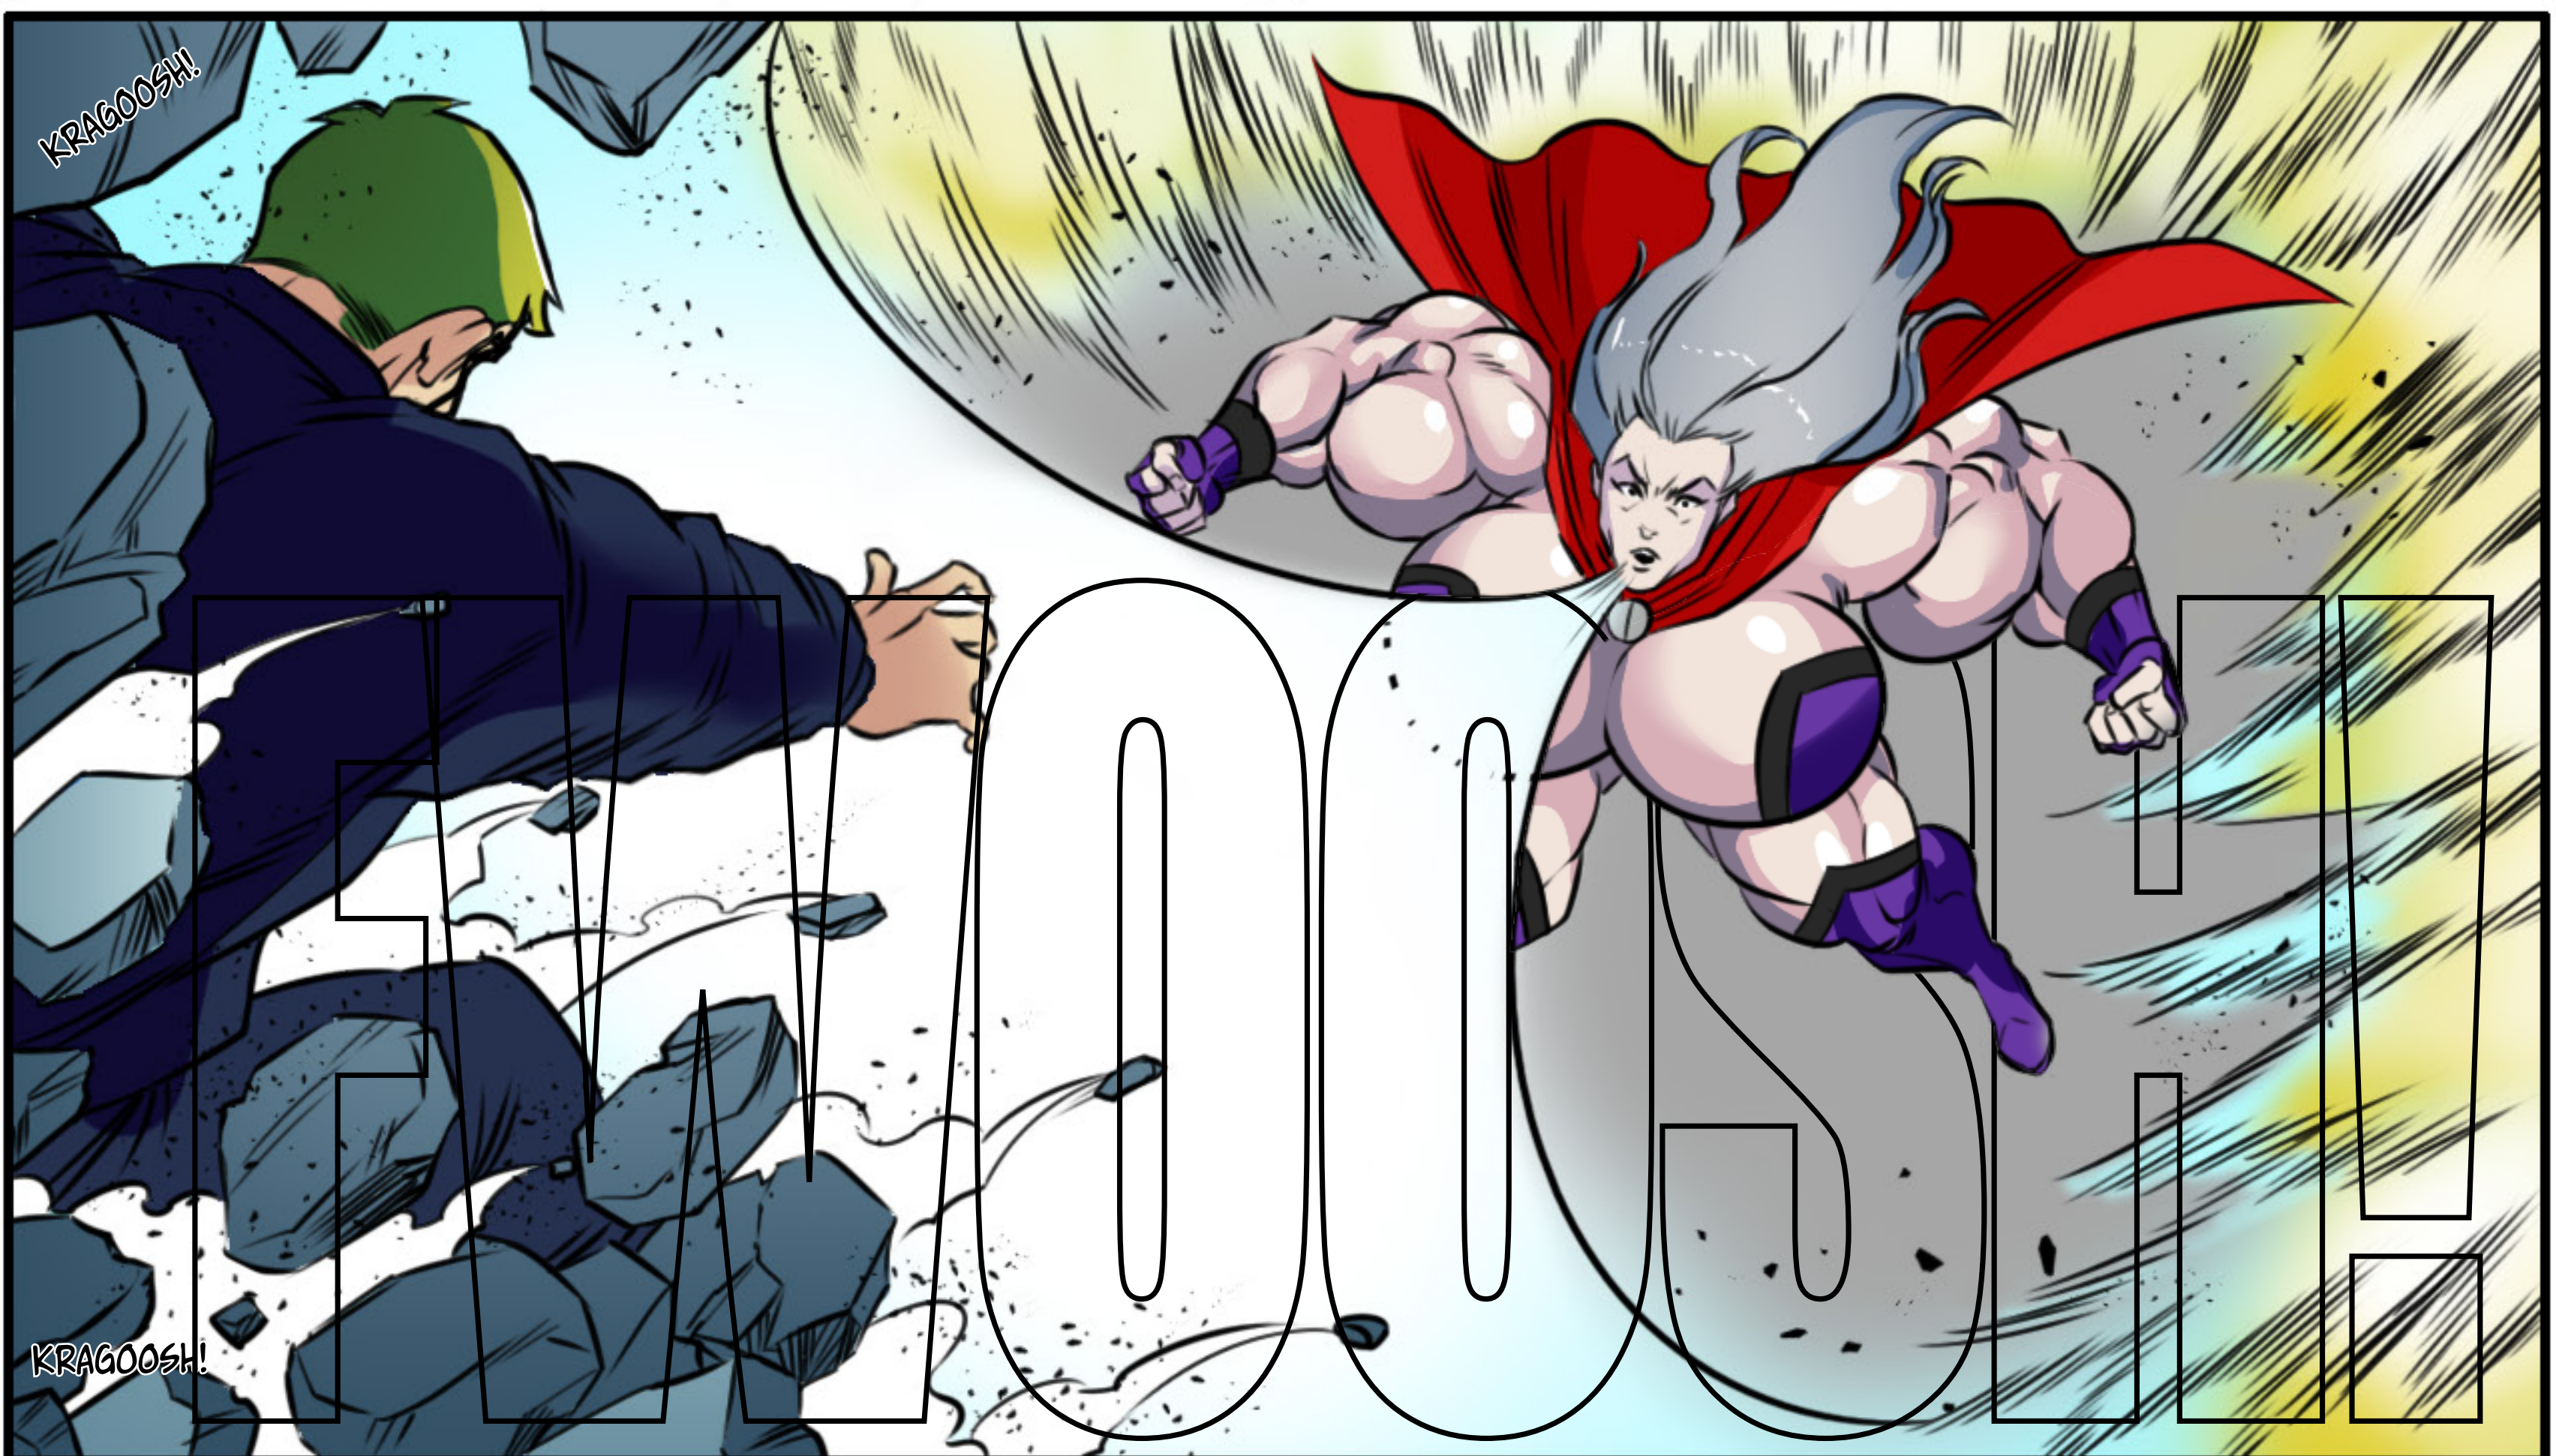

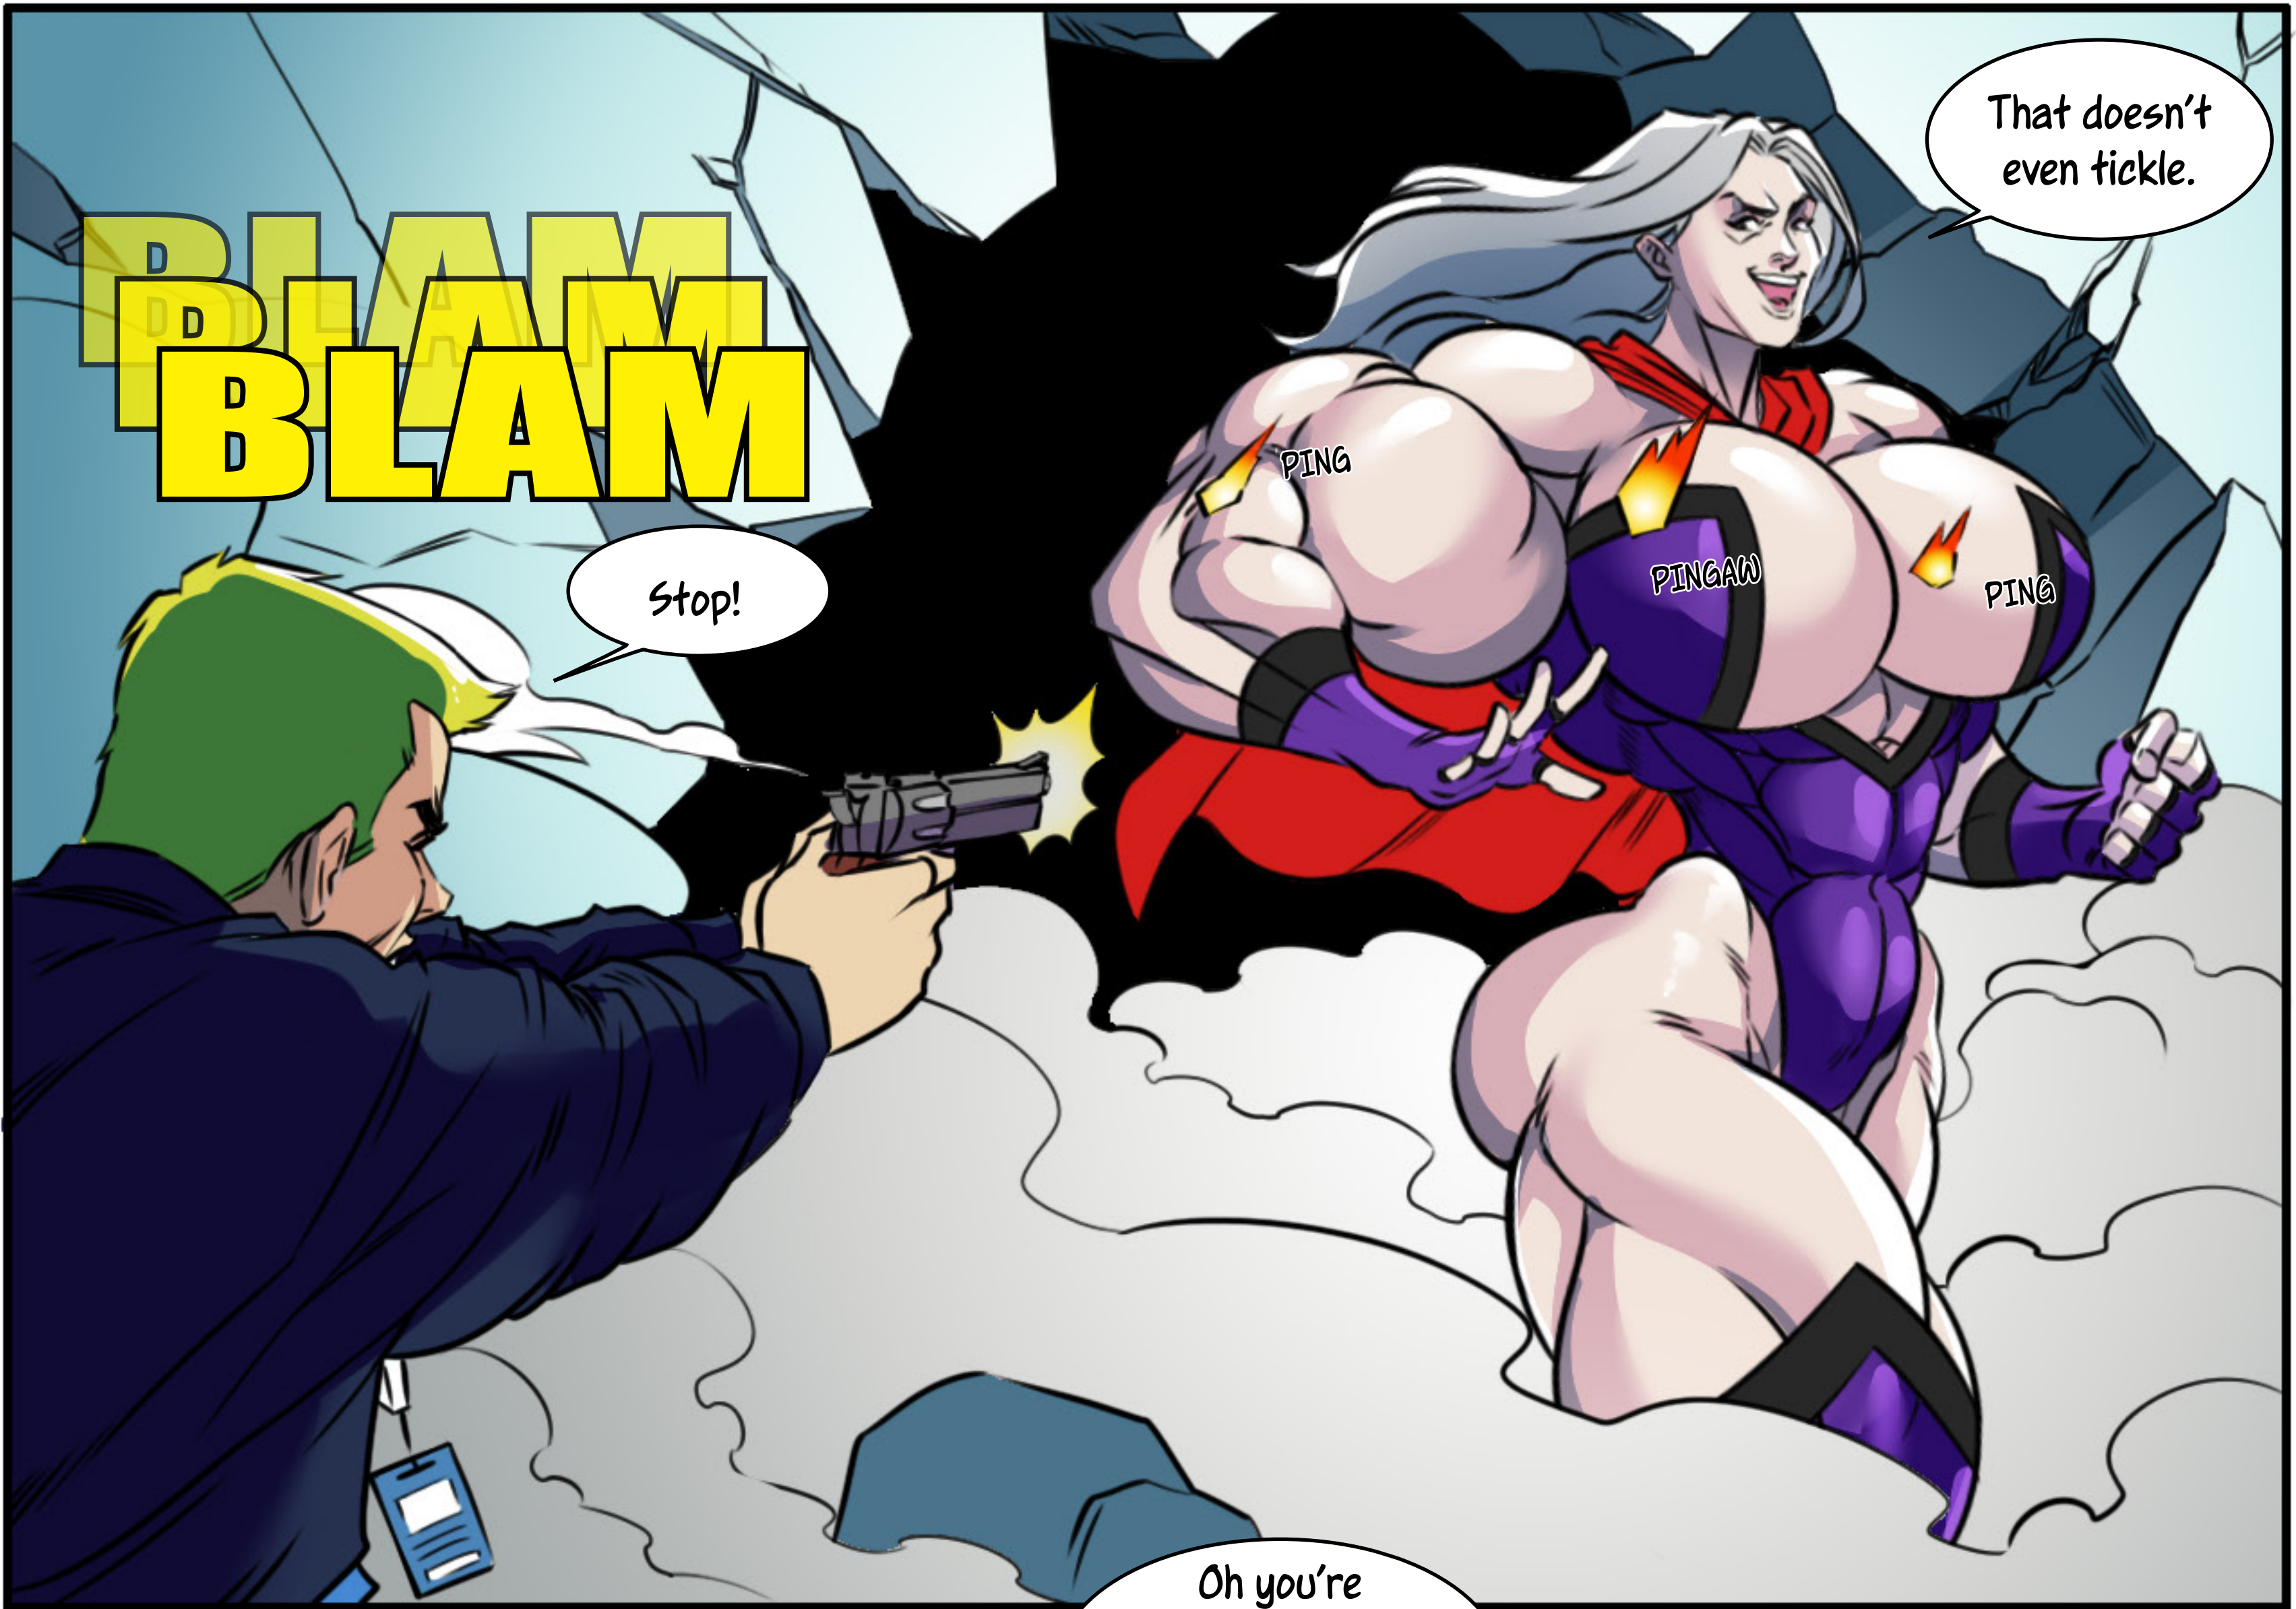

But it's not just strength... Somehow I know I have other super powers too and even how to use them.

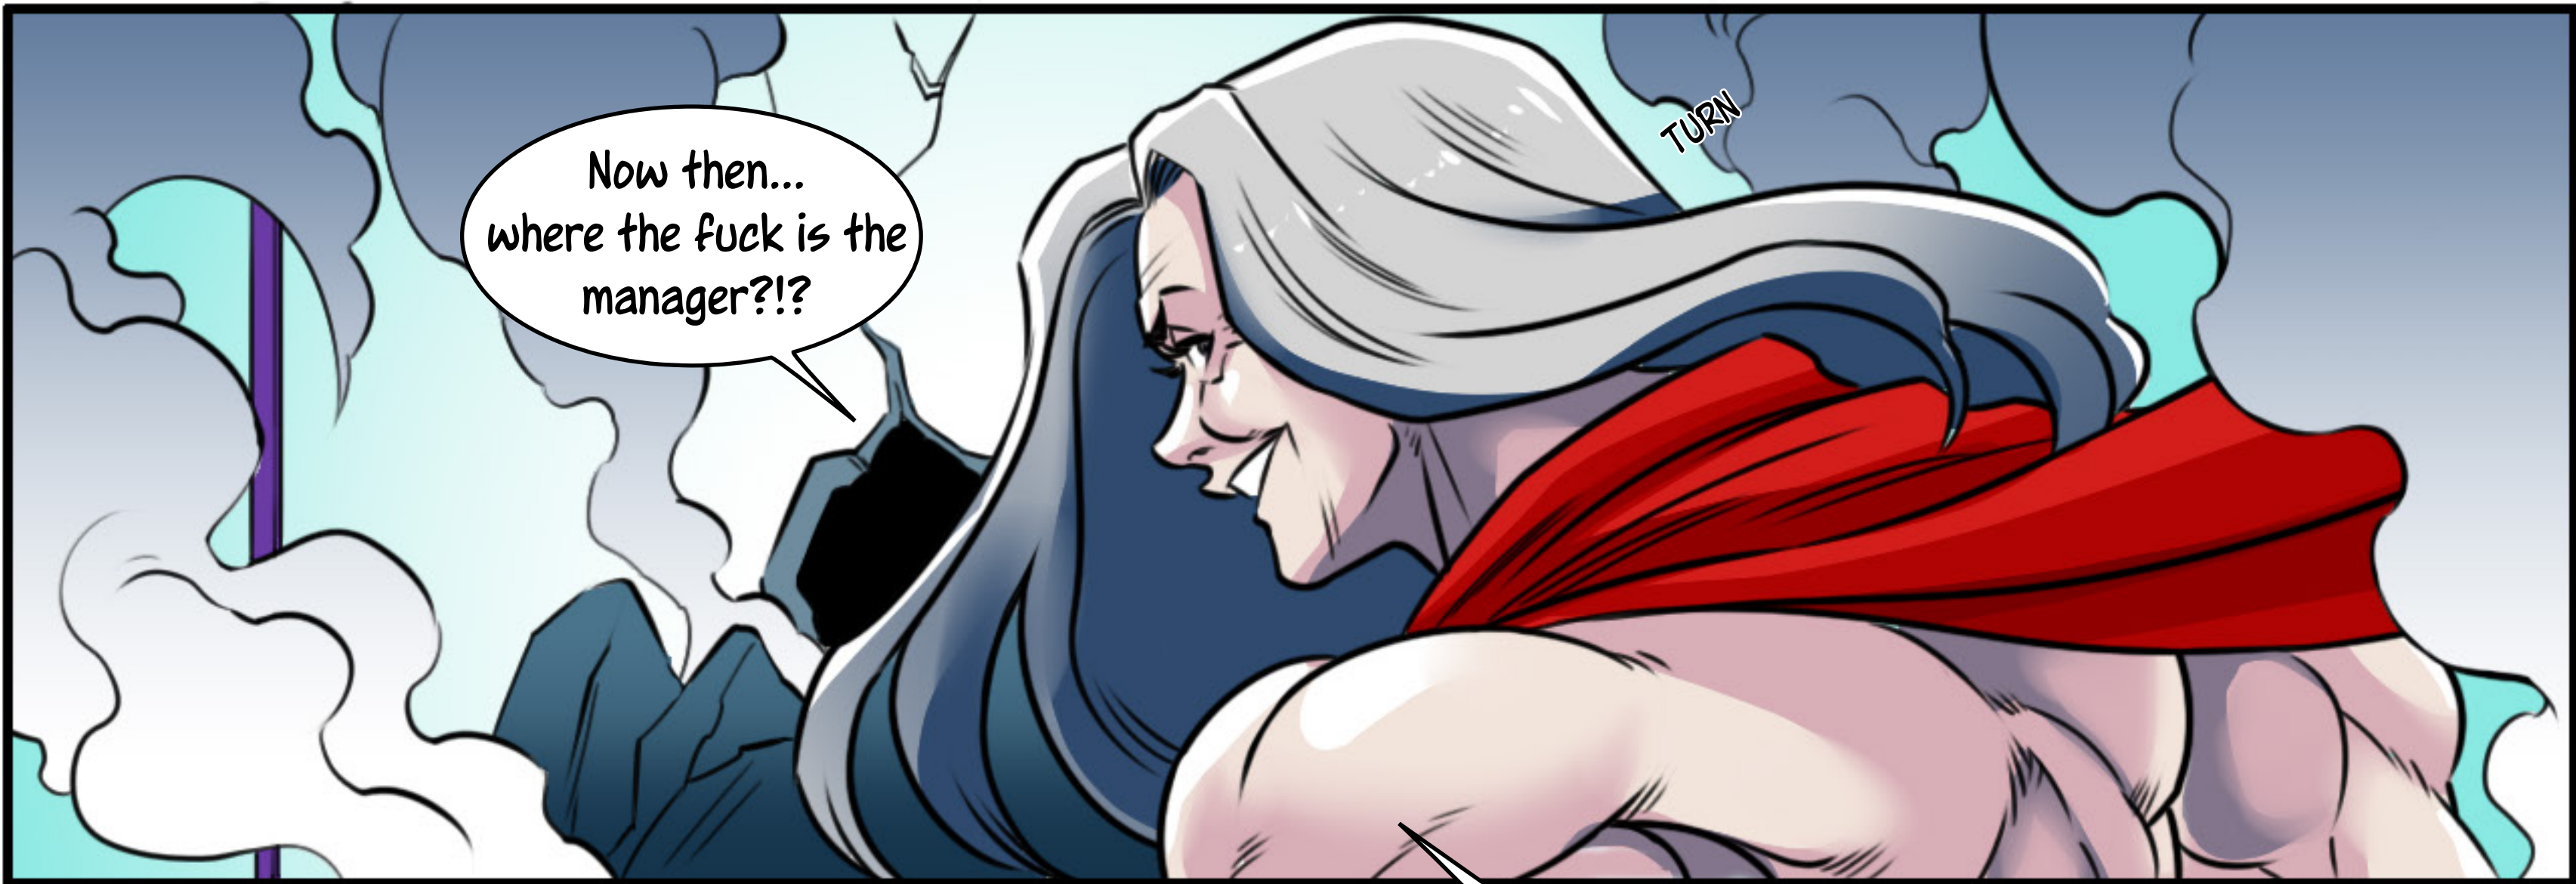

HAHA!  
I can do anything I want and nothing can stop me!

I think it's time the world finally showed me some respect, and I know just where to start!

SWOOSH!

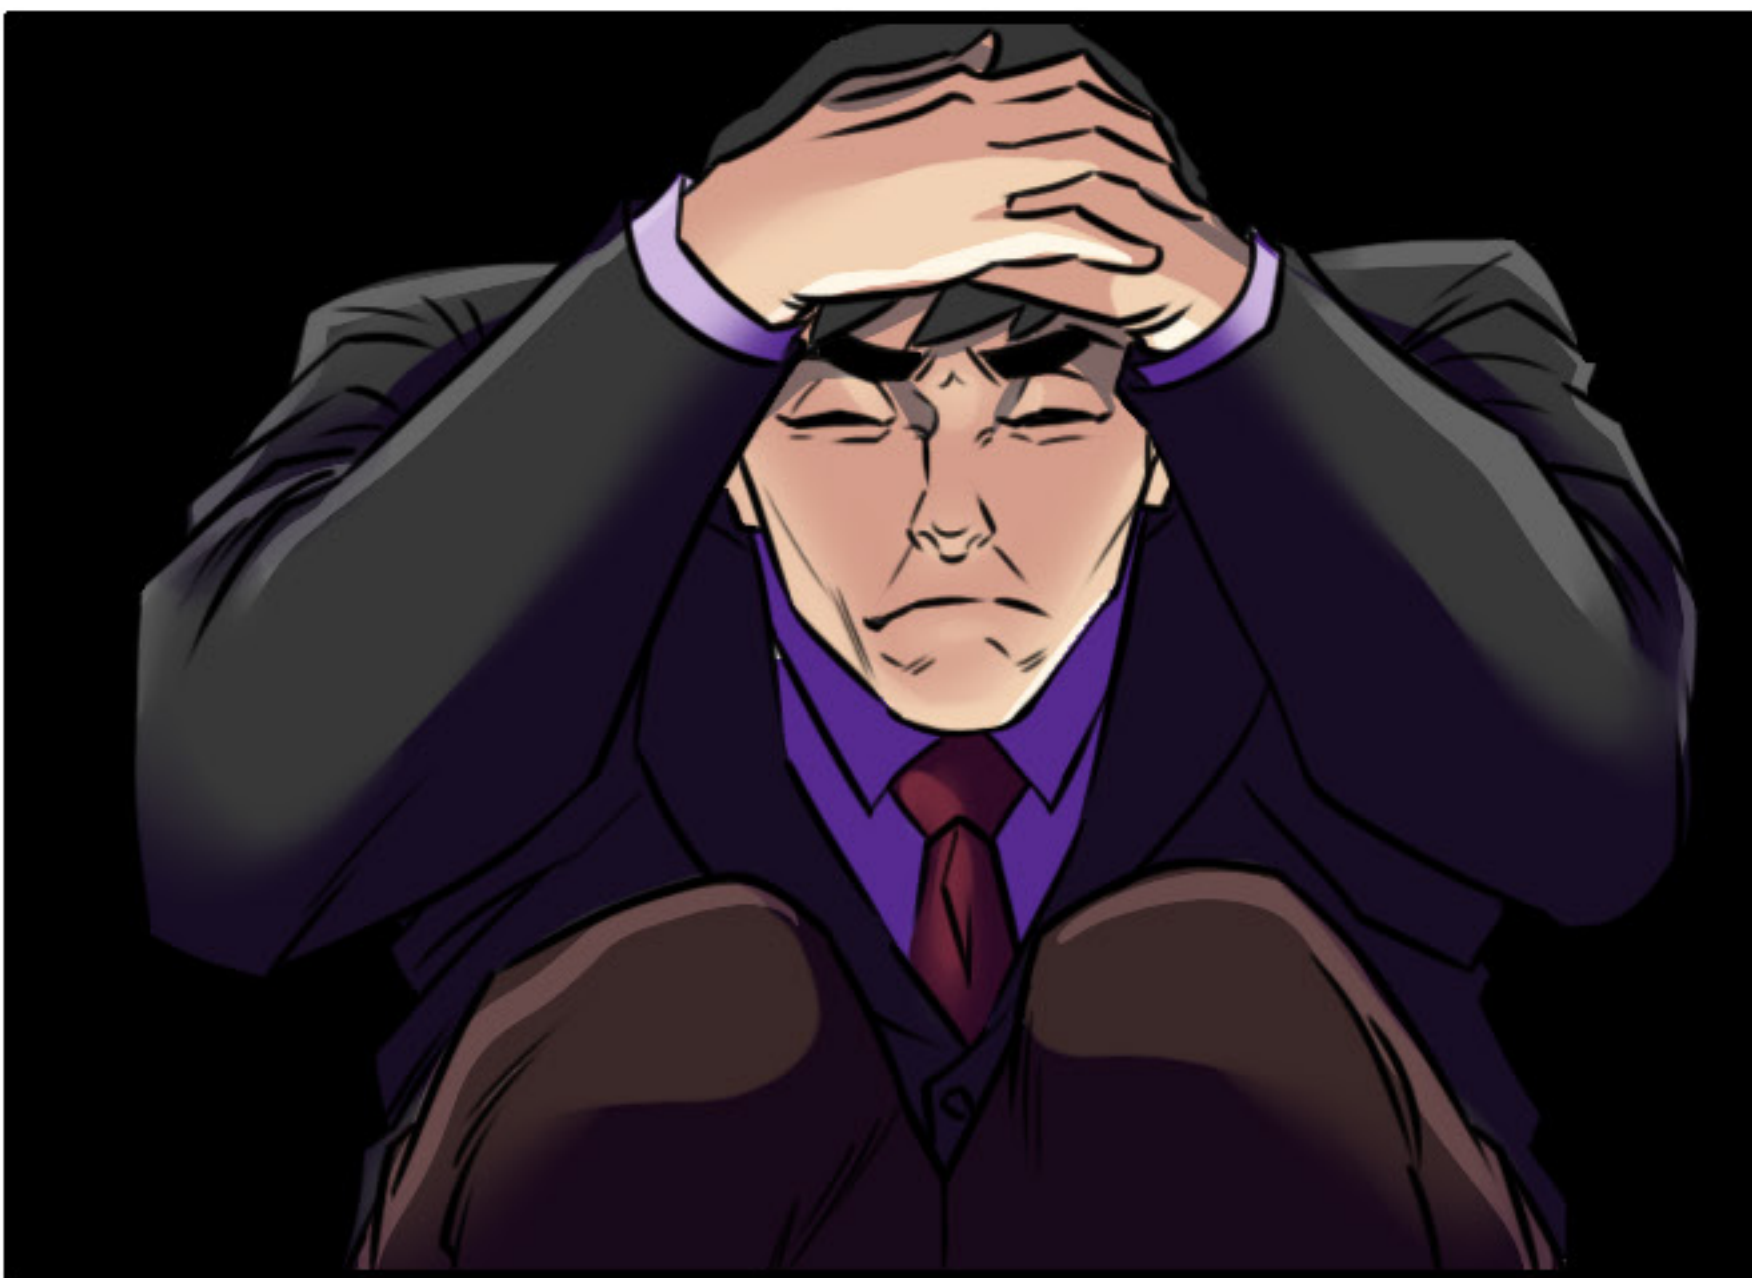

Now then...  
where the fuck is the  
manager?!?

TURN

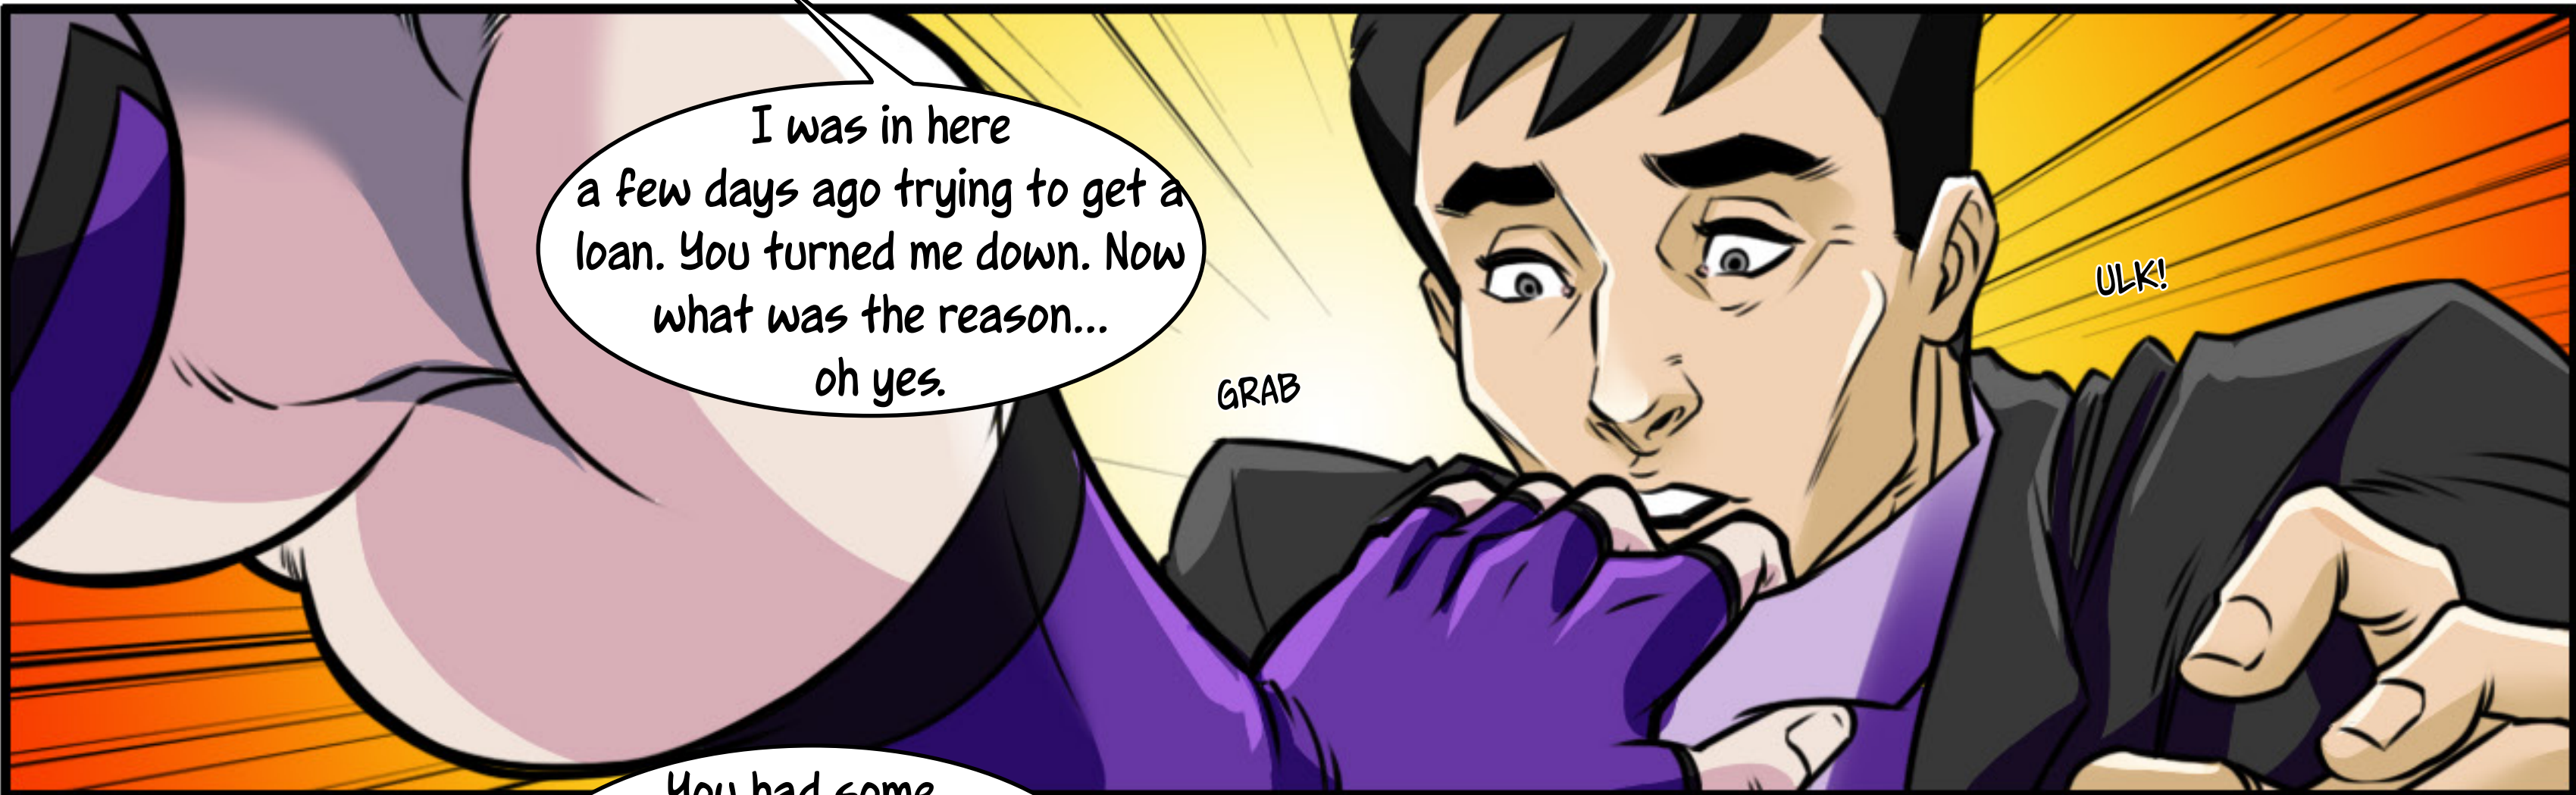

Oh there you  
are!

CREEEKK

Hello.  
Remember me?

Nnn... no.

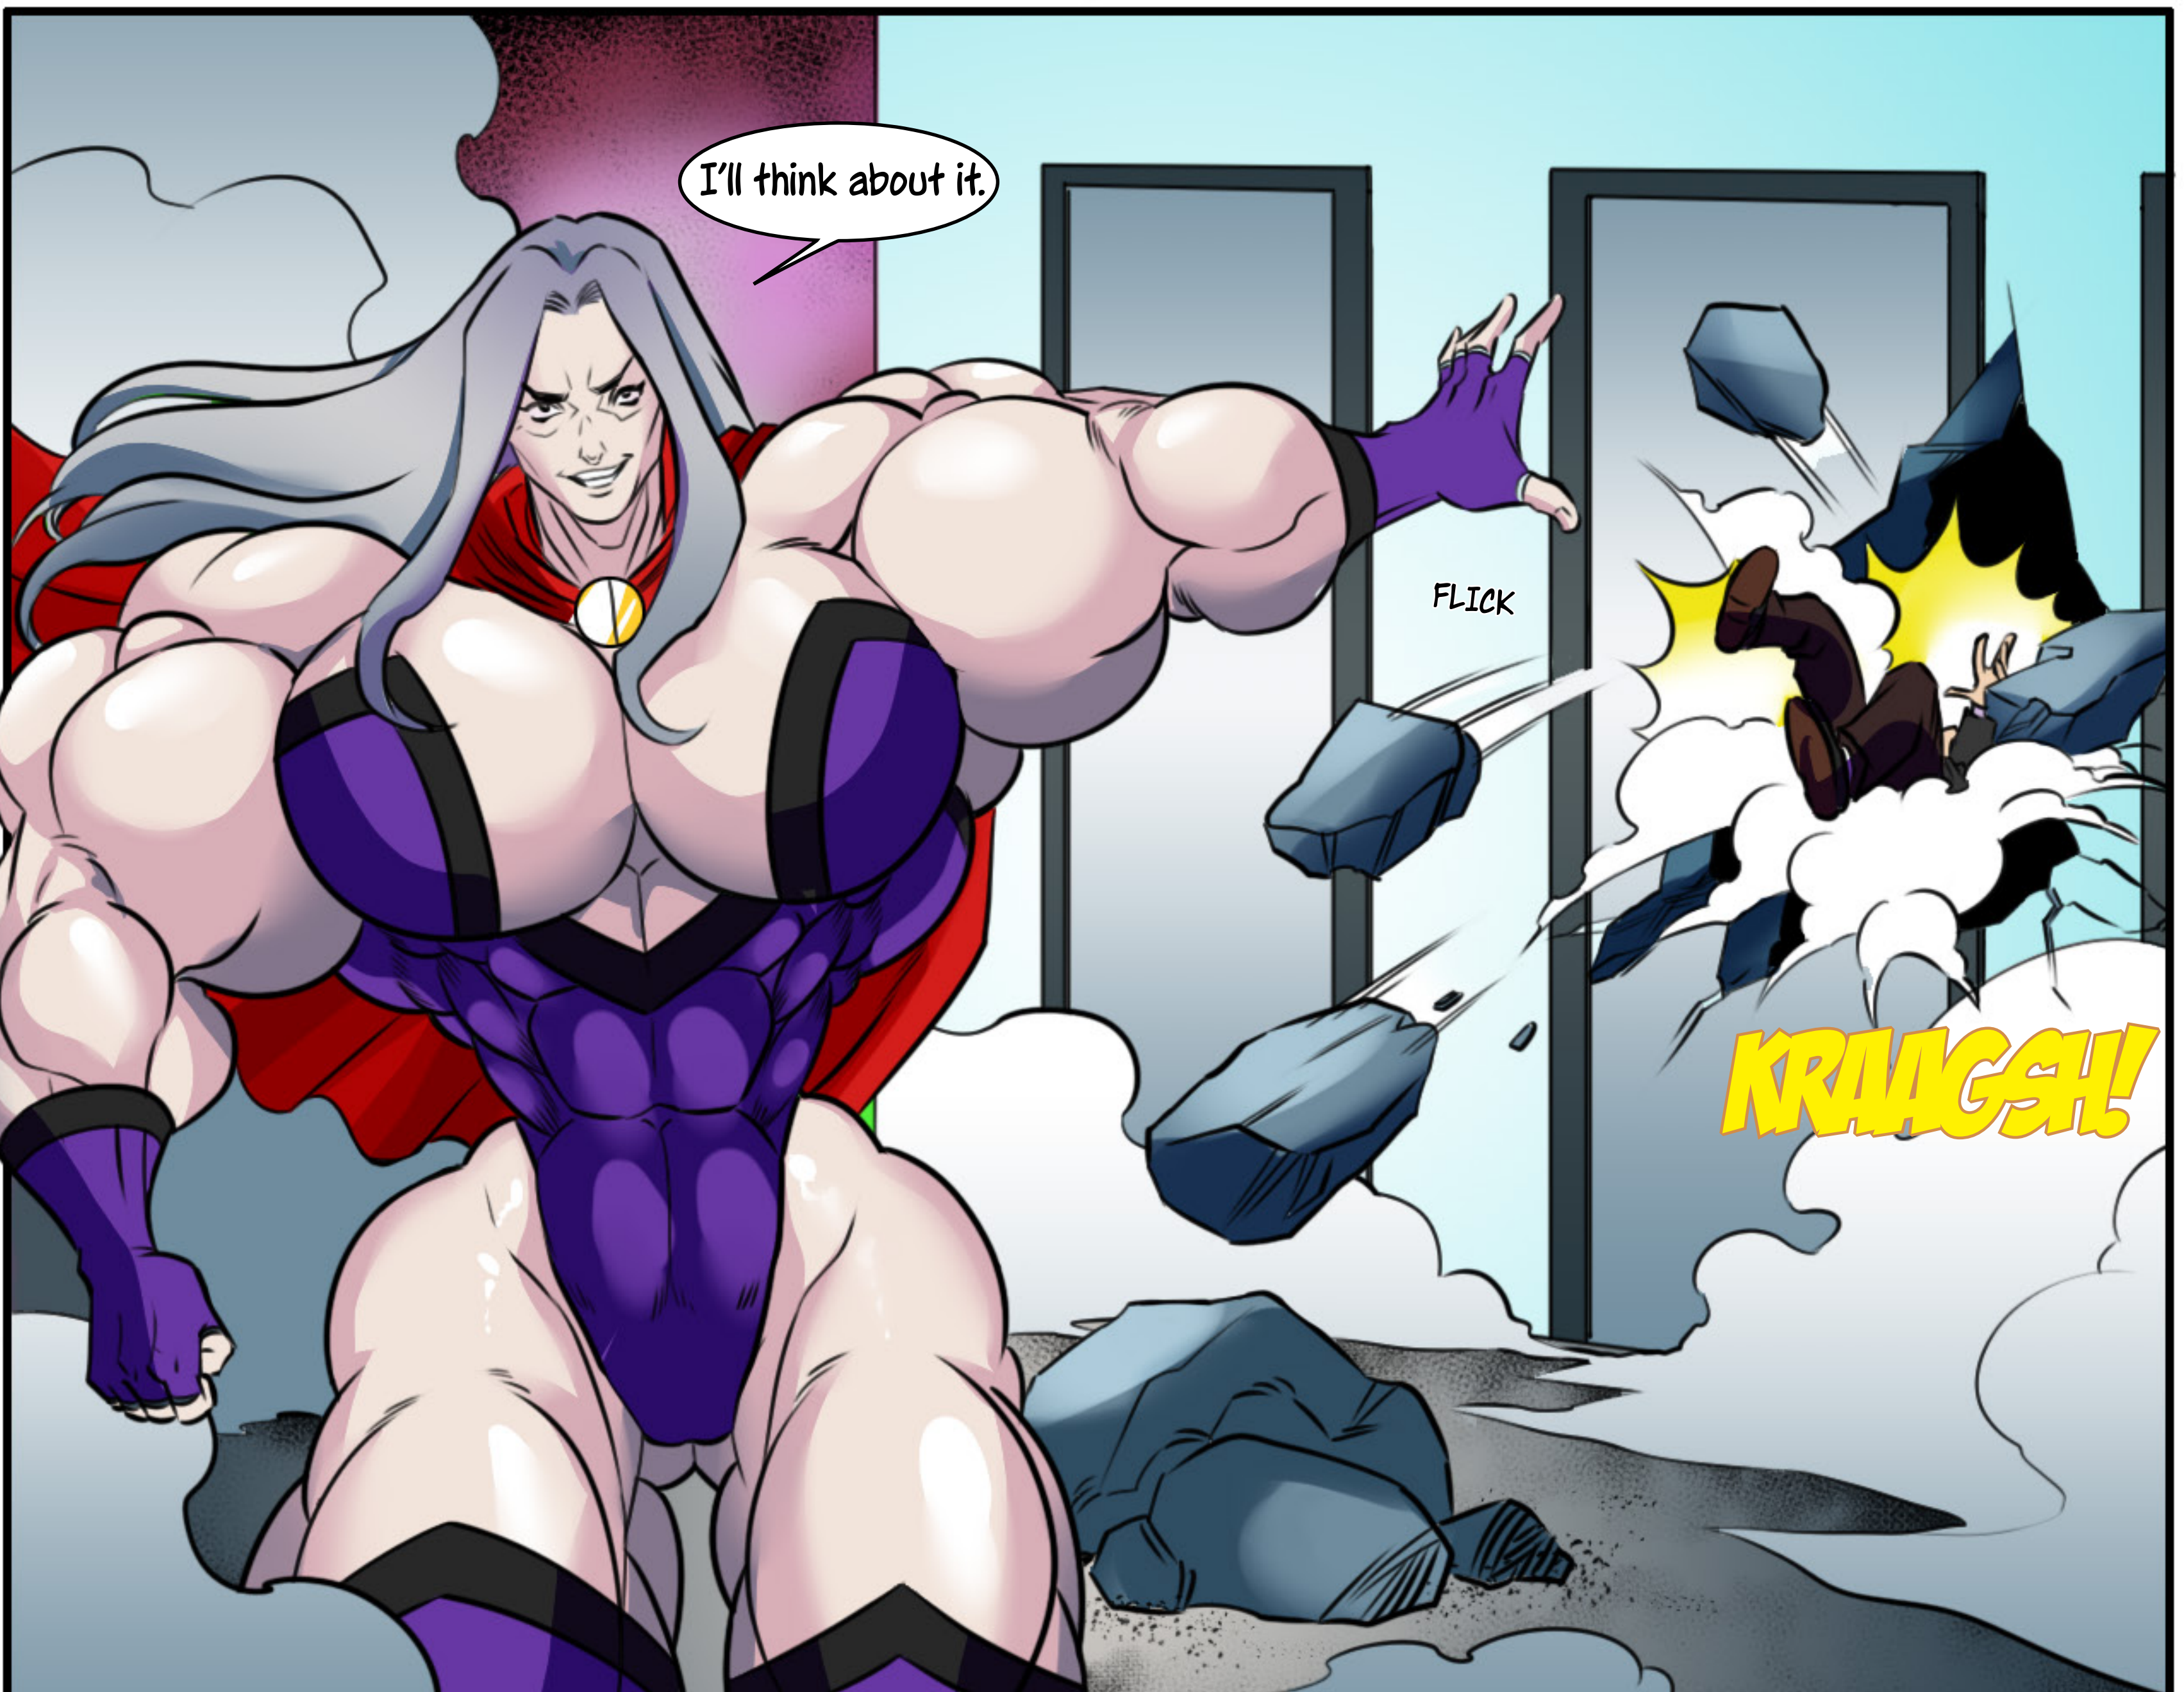

I was in here  
a few days ago trying to get a  
loan. You turned me down. Now  
what was the reason...  
oh yes.

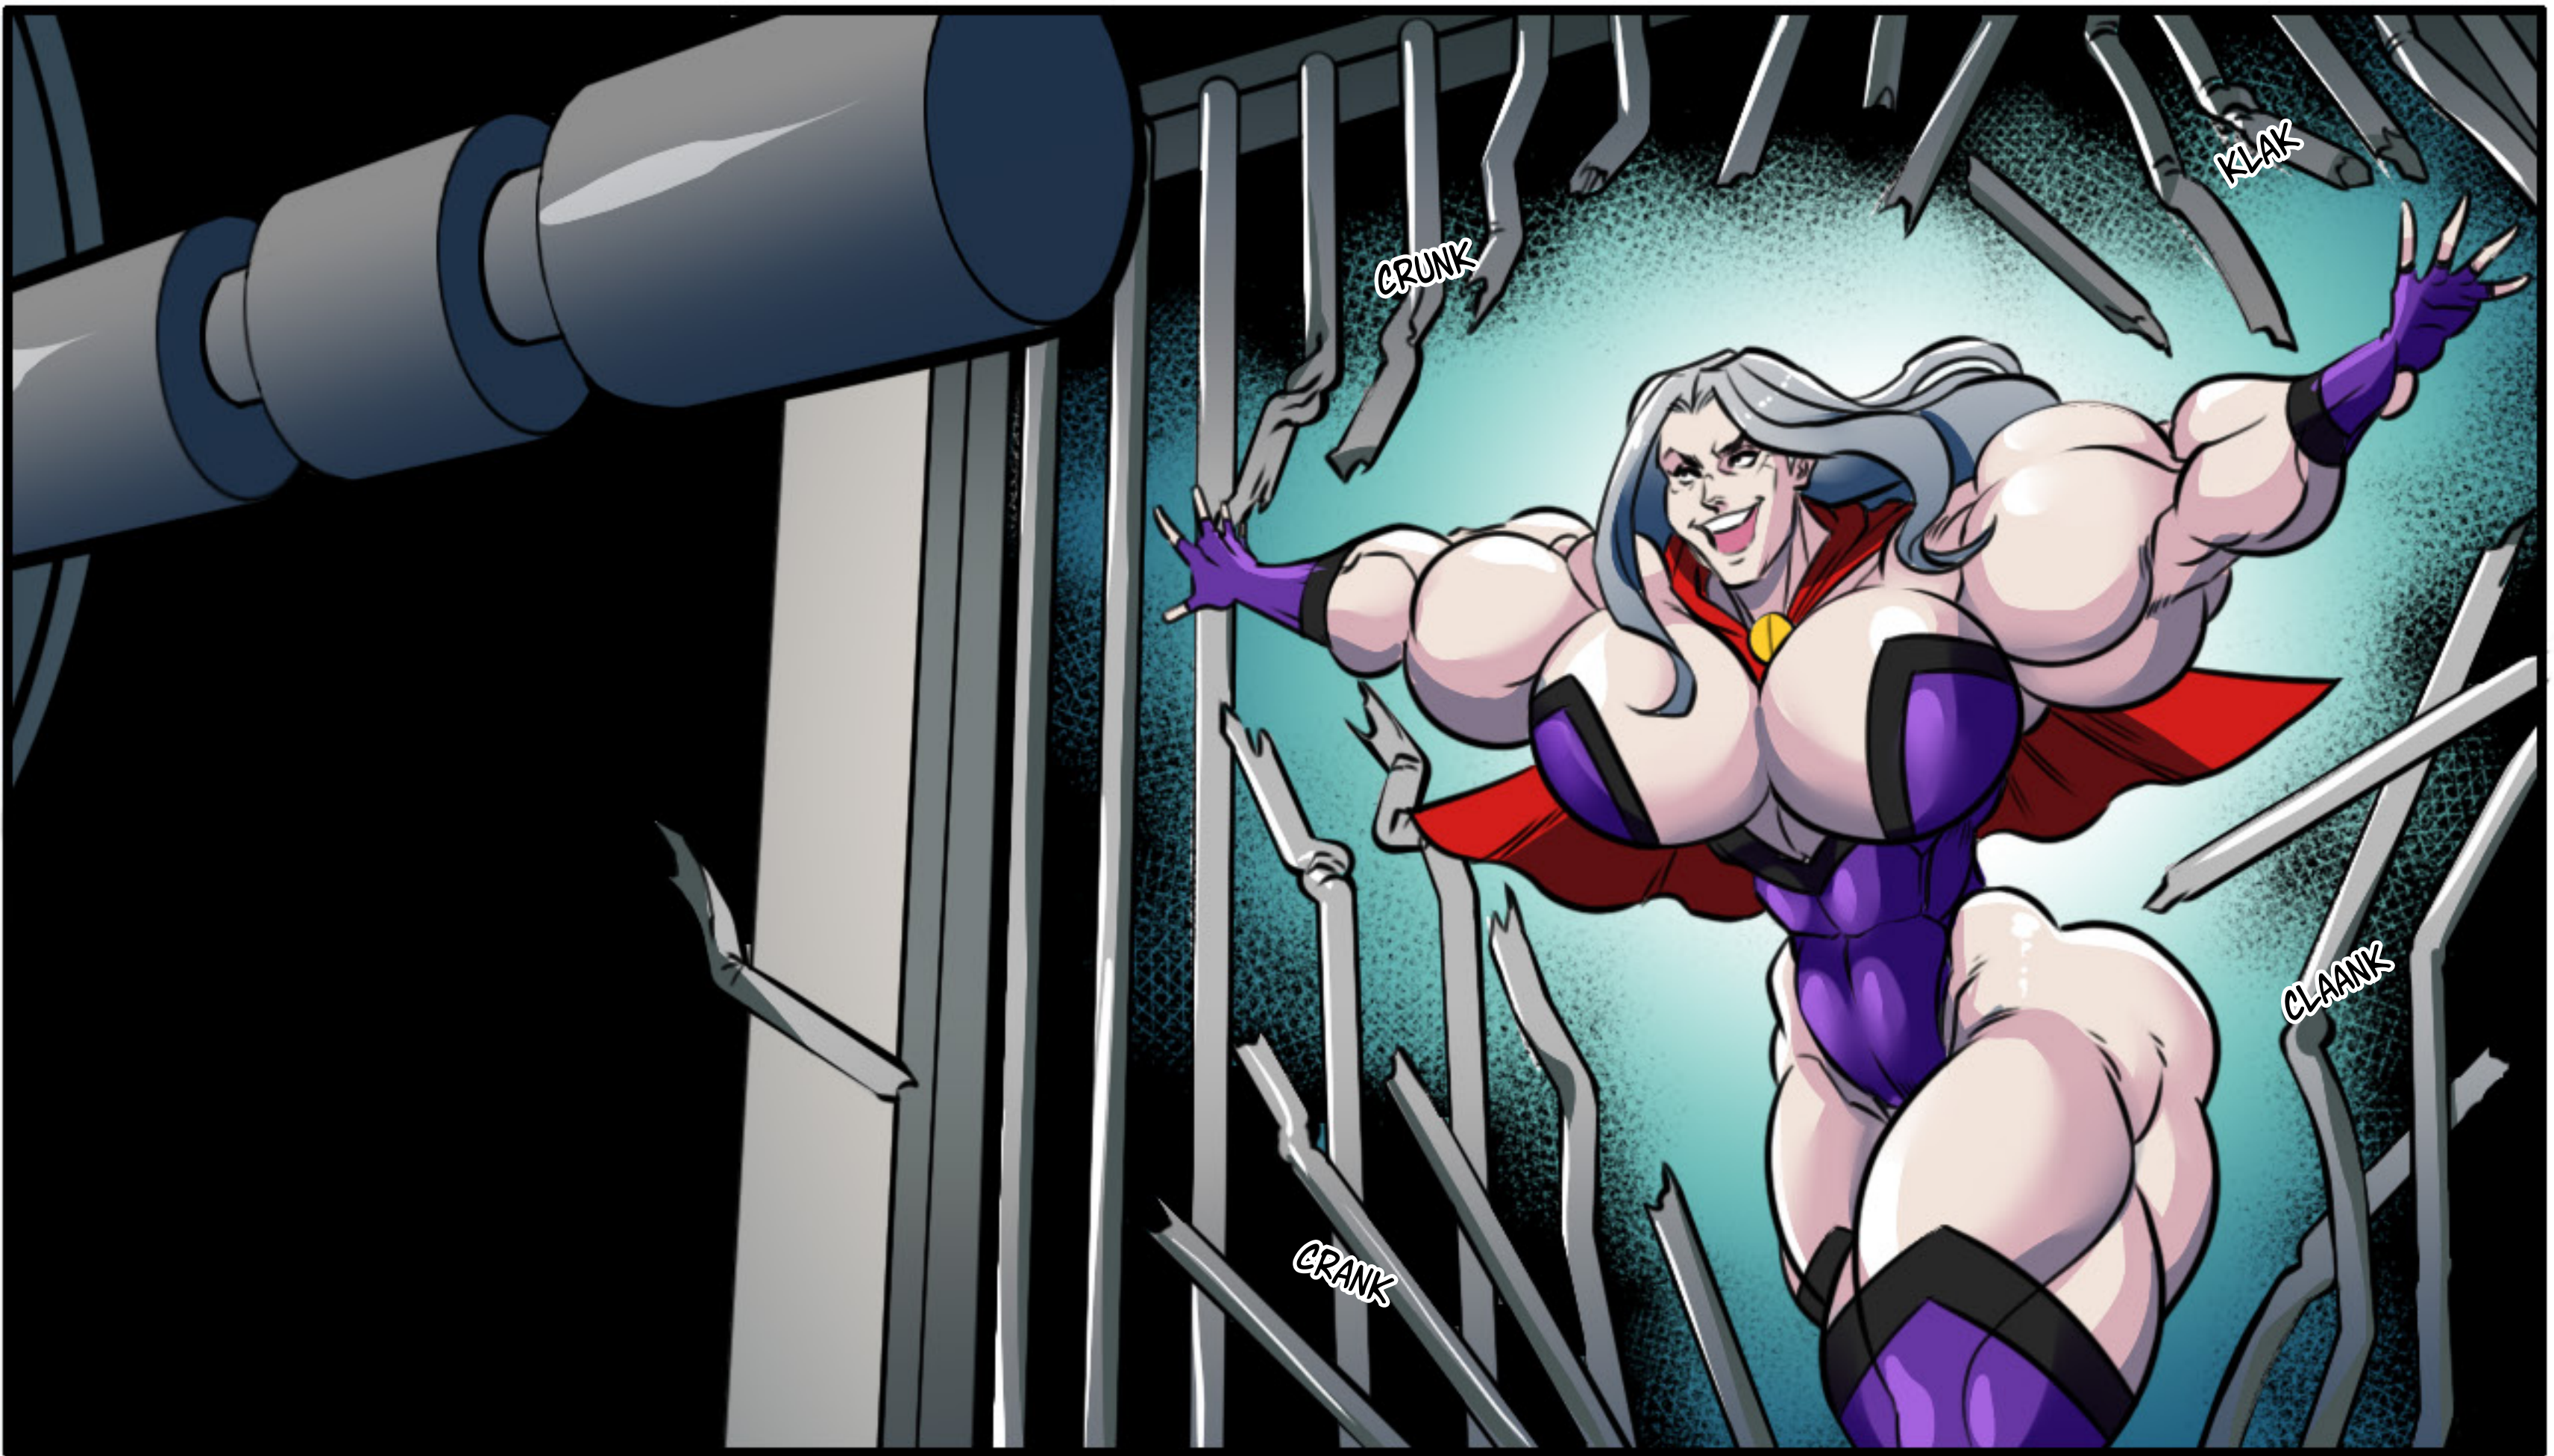

GRAB

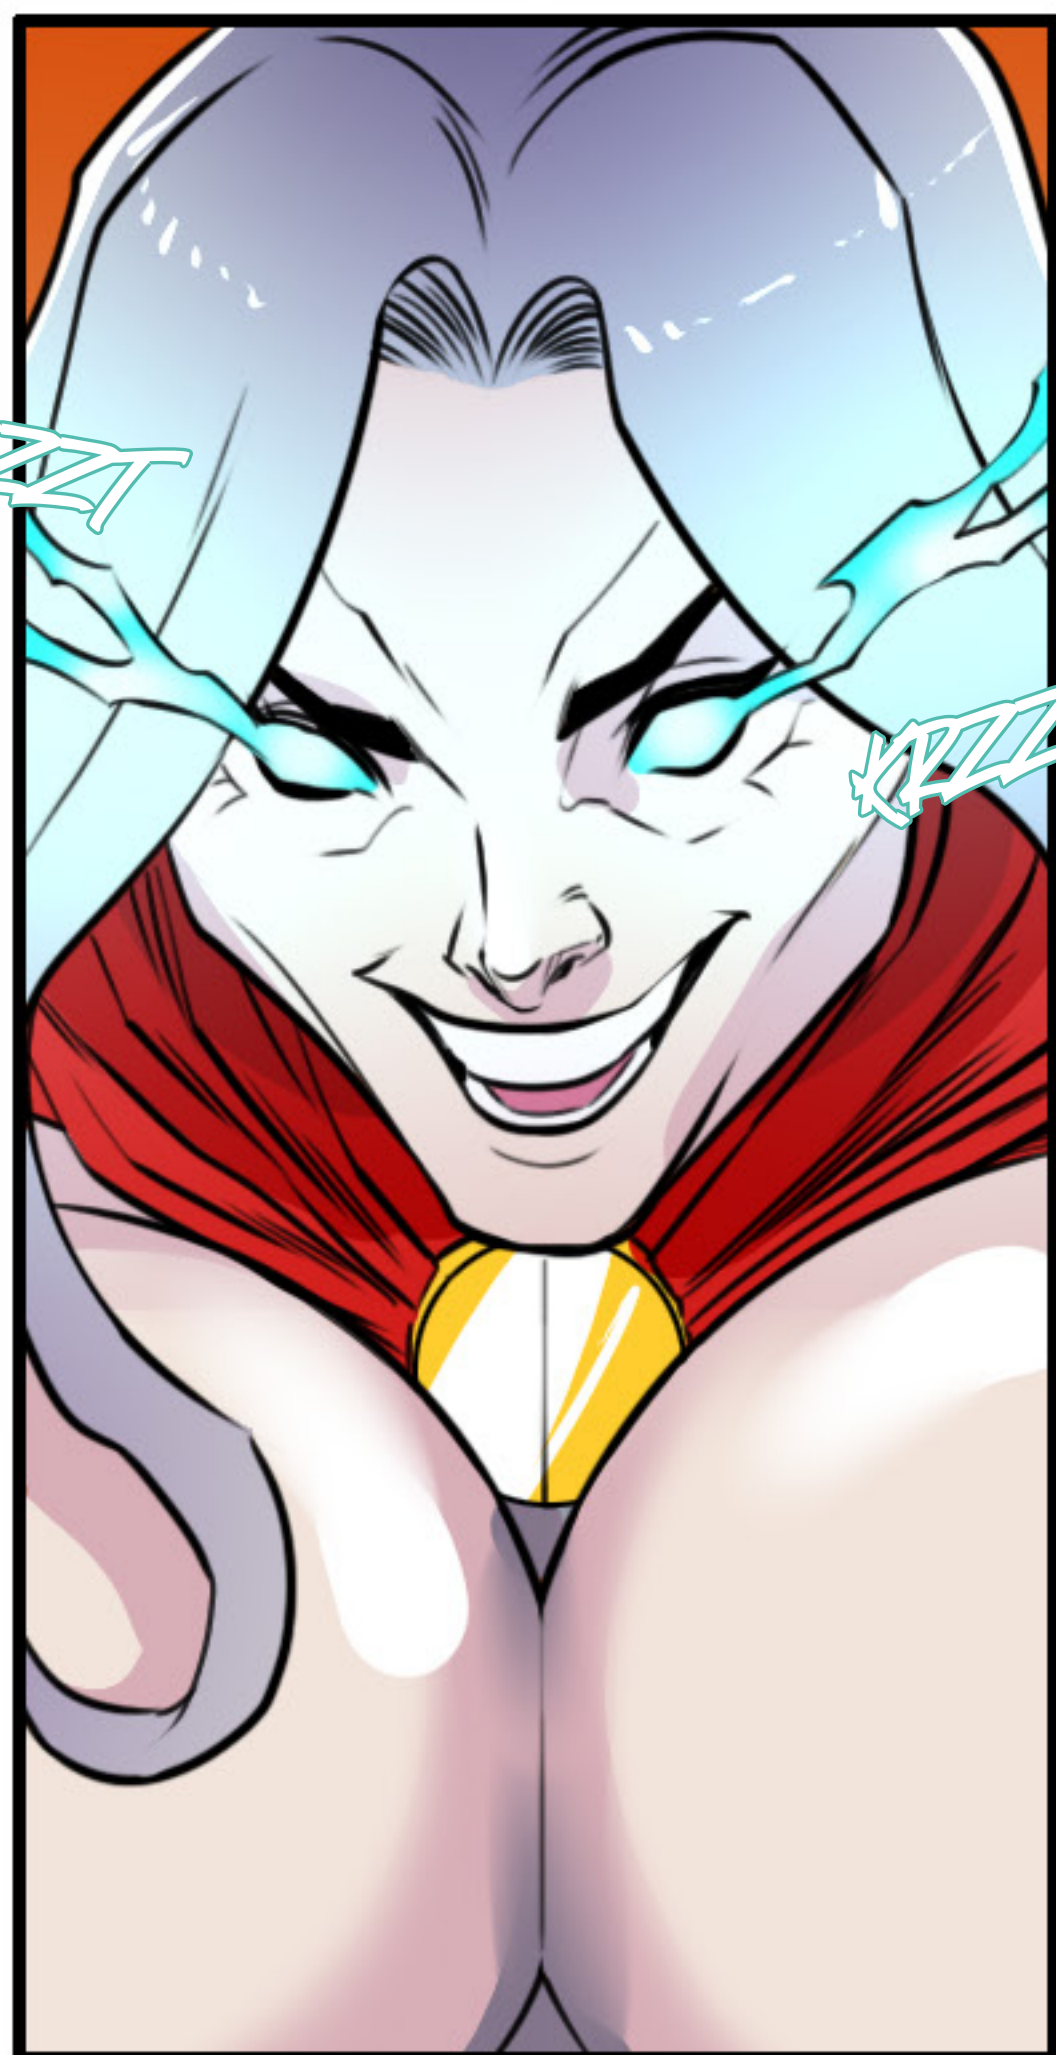

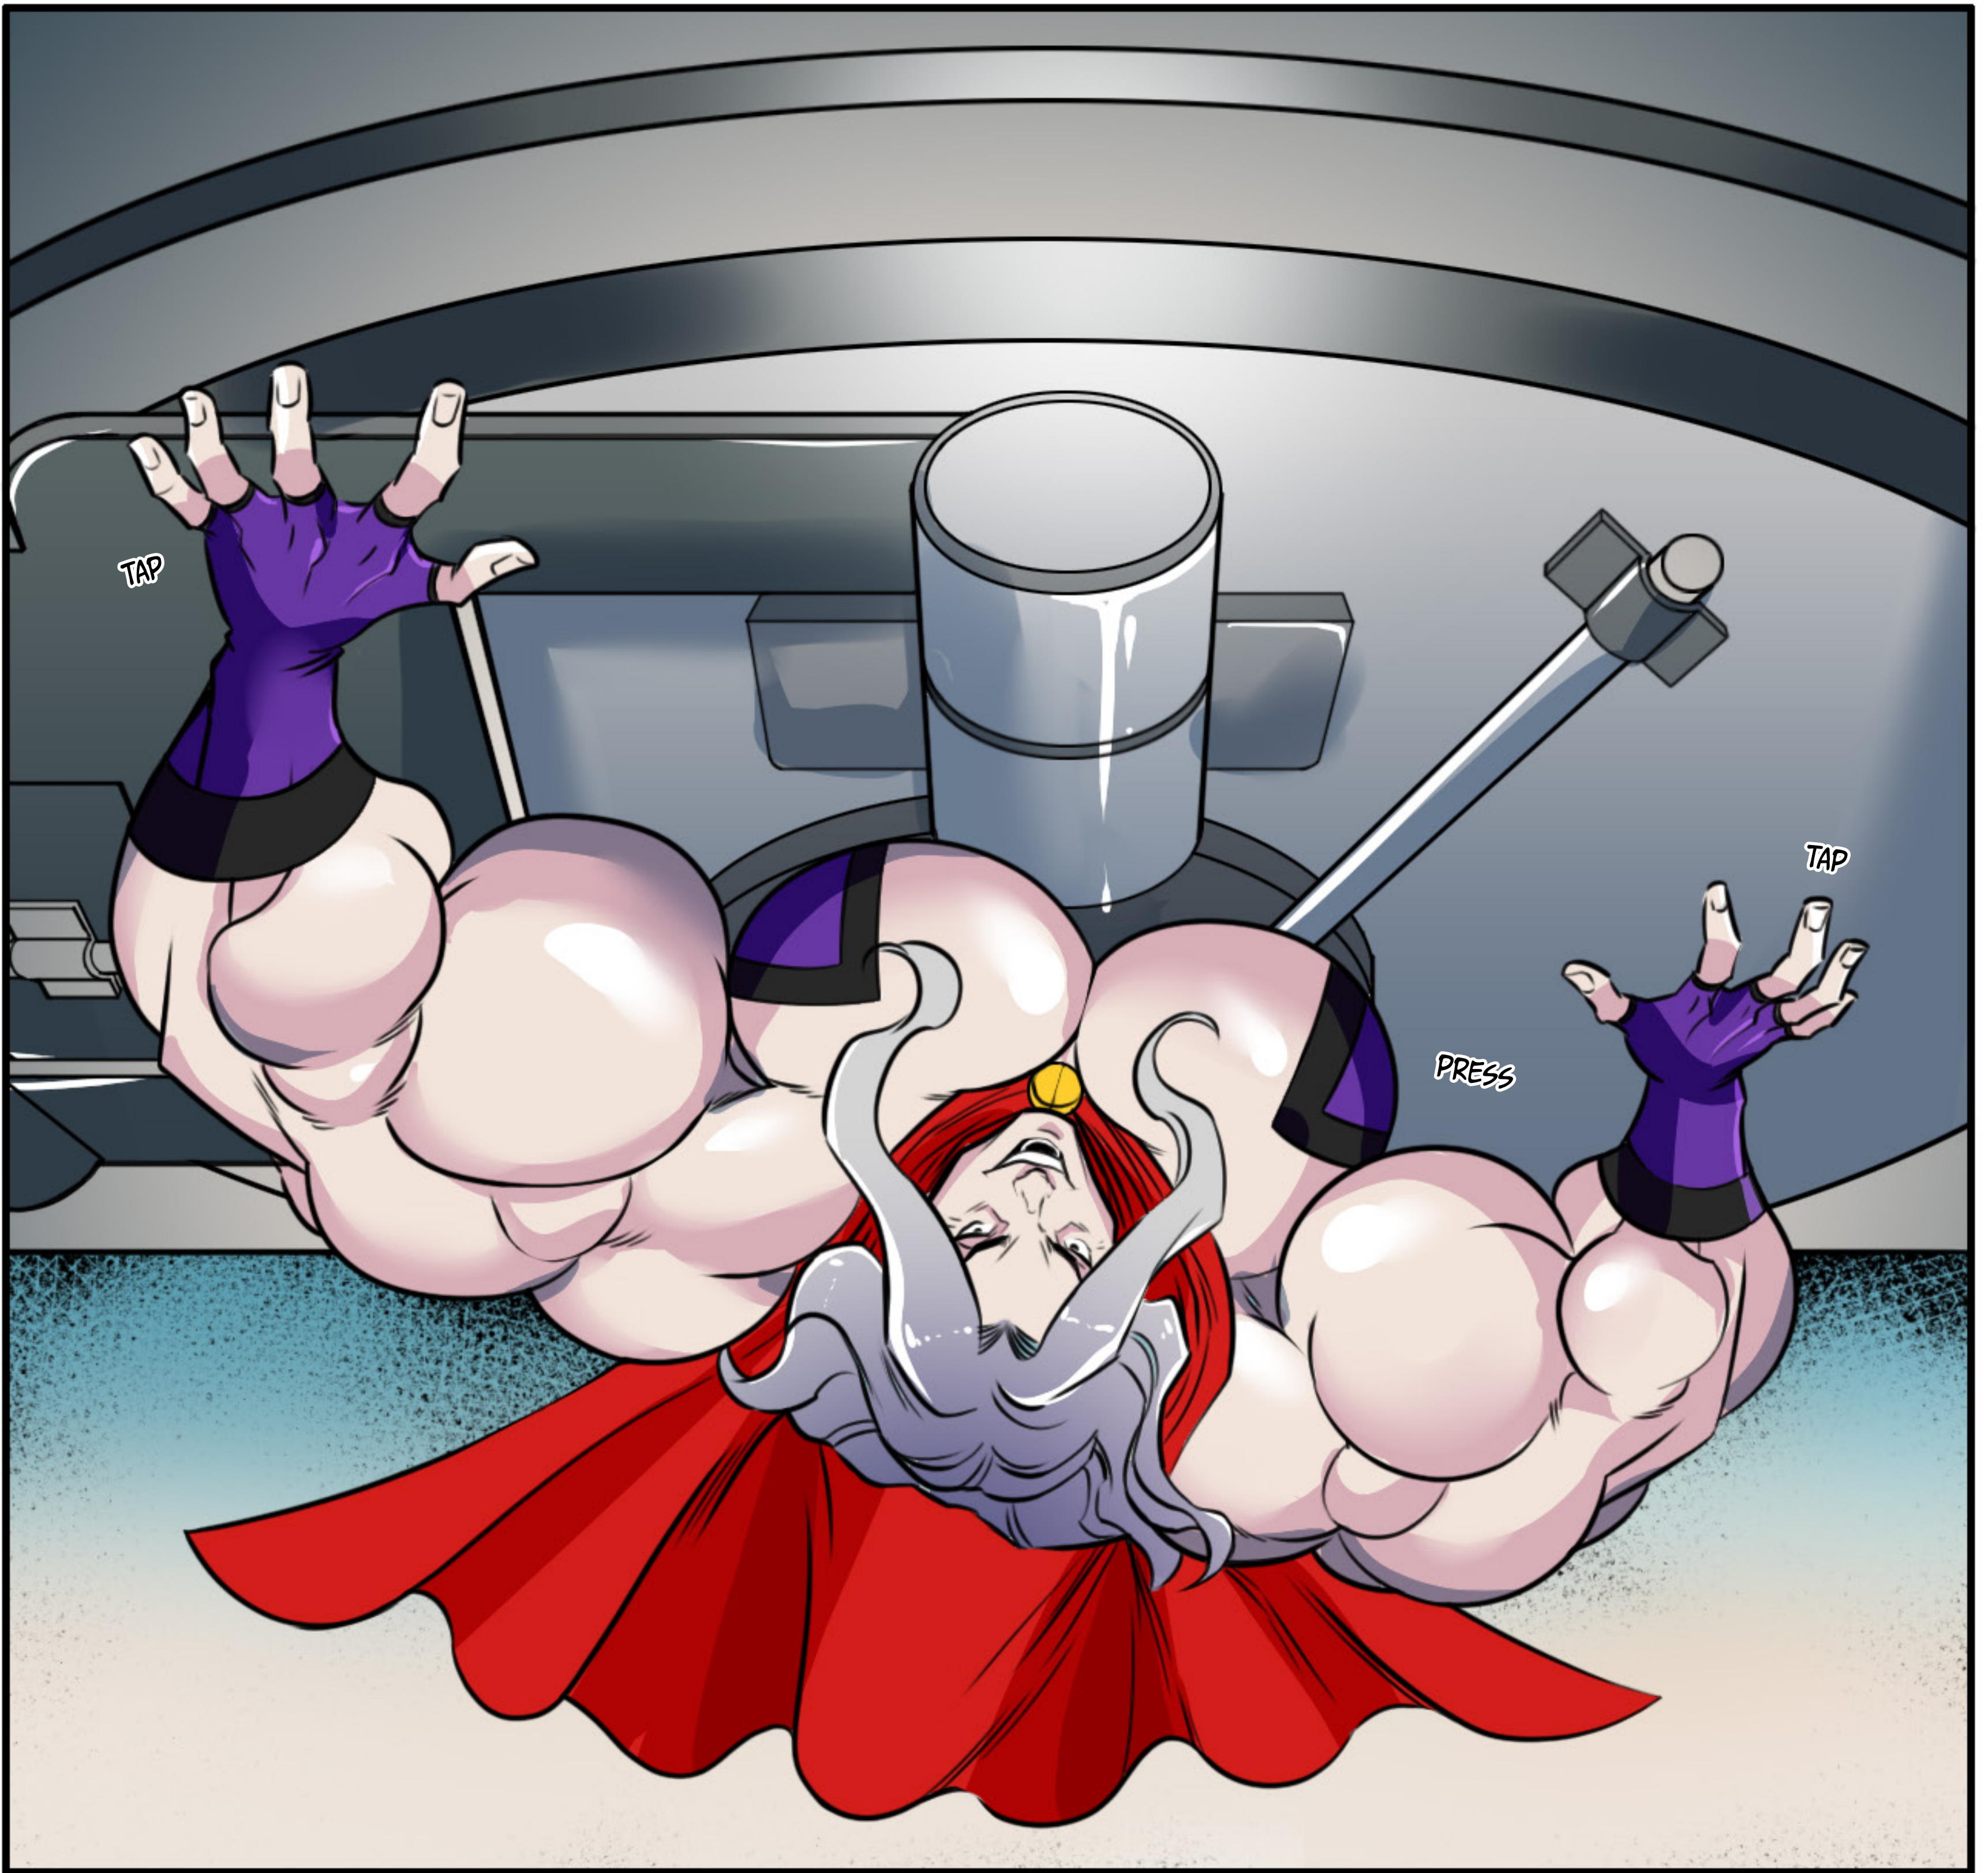

ULK!

You had some  
concerns about my health.  
WELL AM I HEALTHY  
ENOUGH NOW!?!

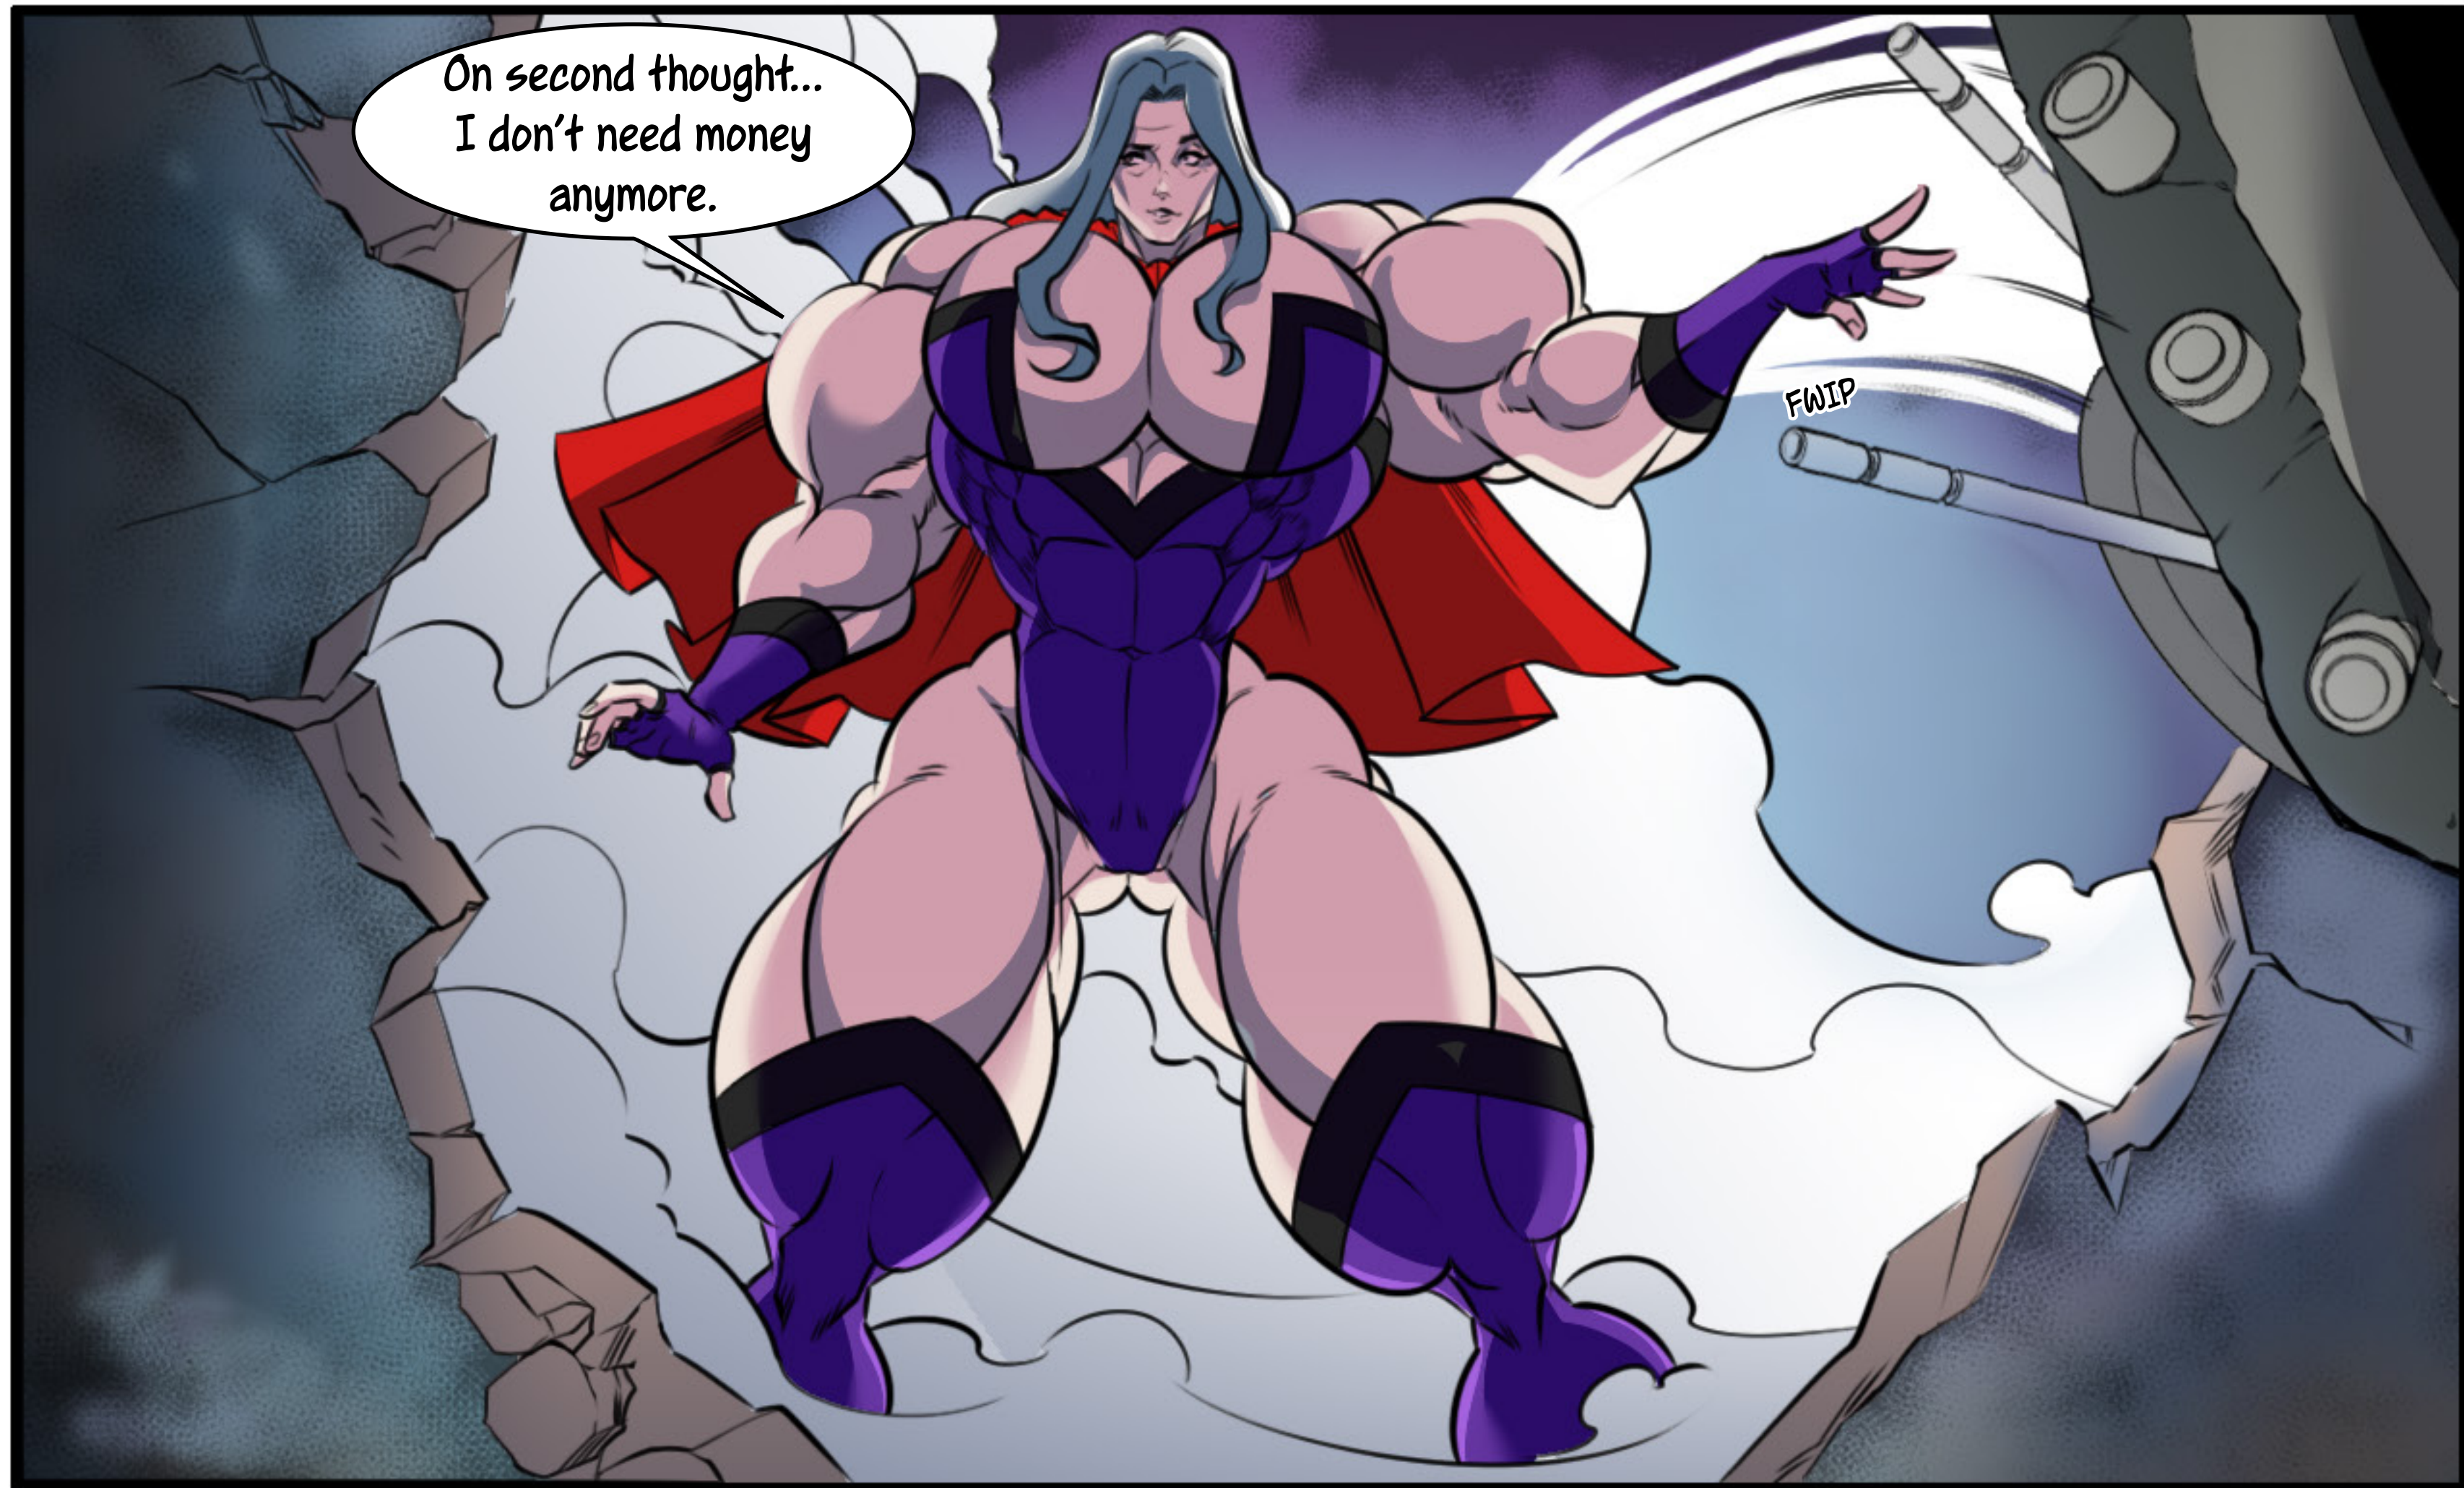

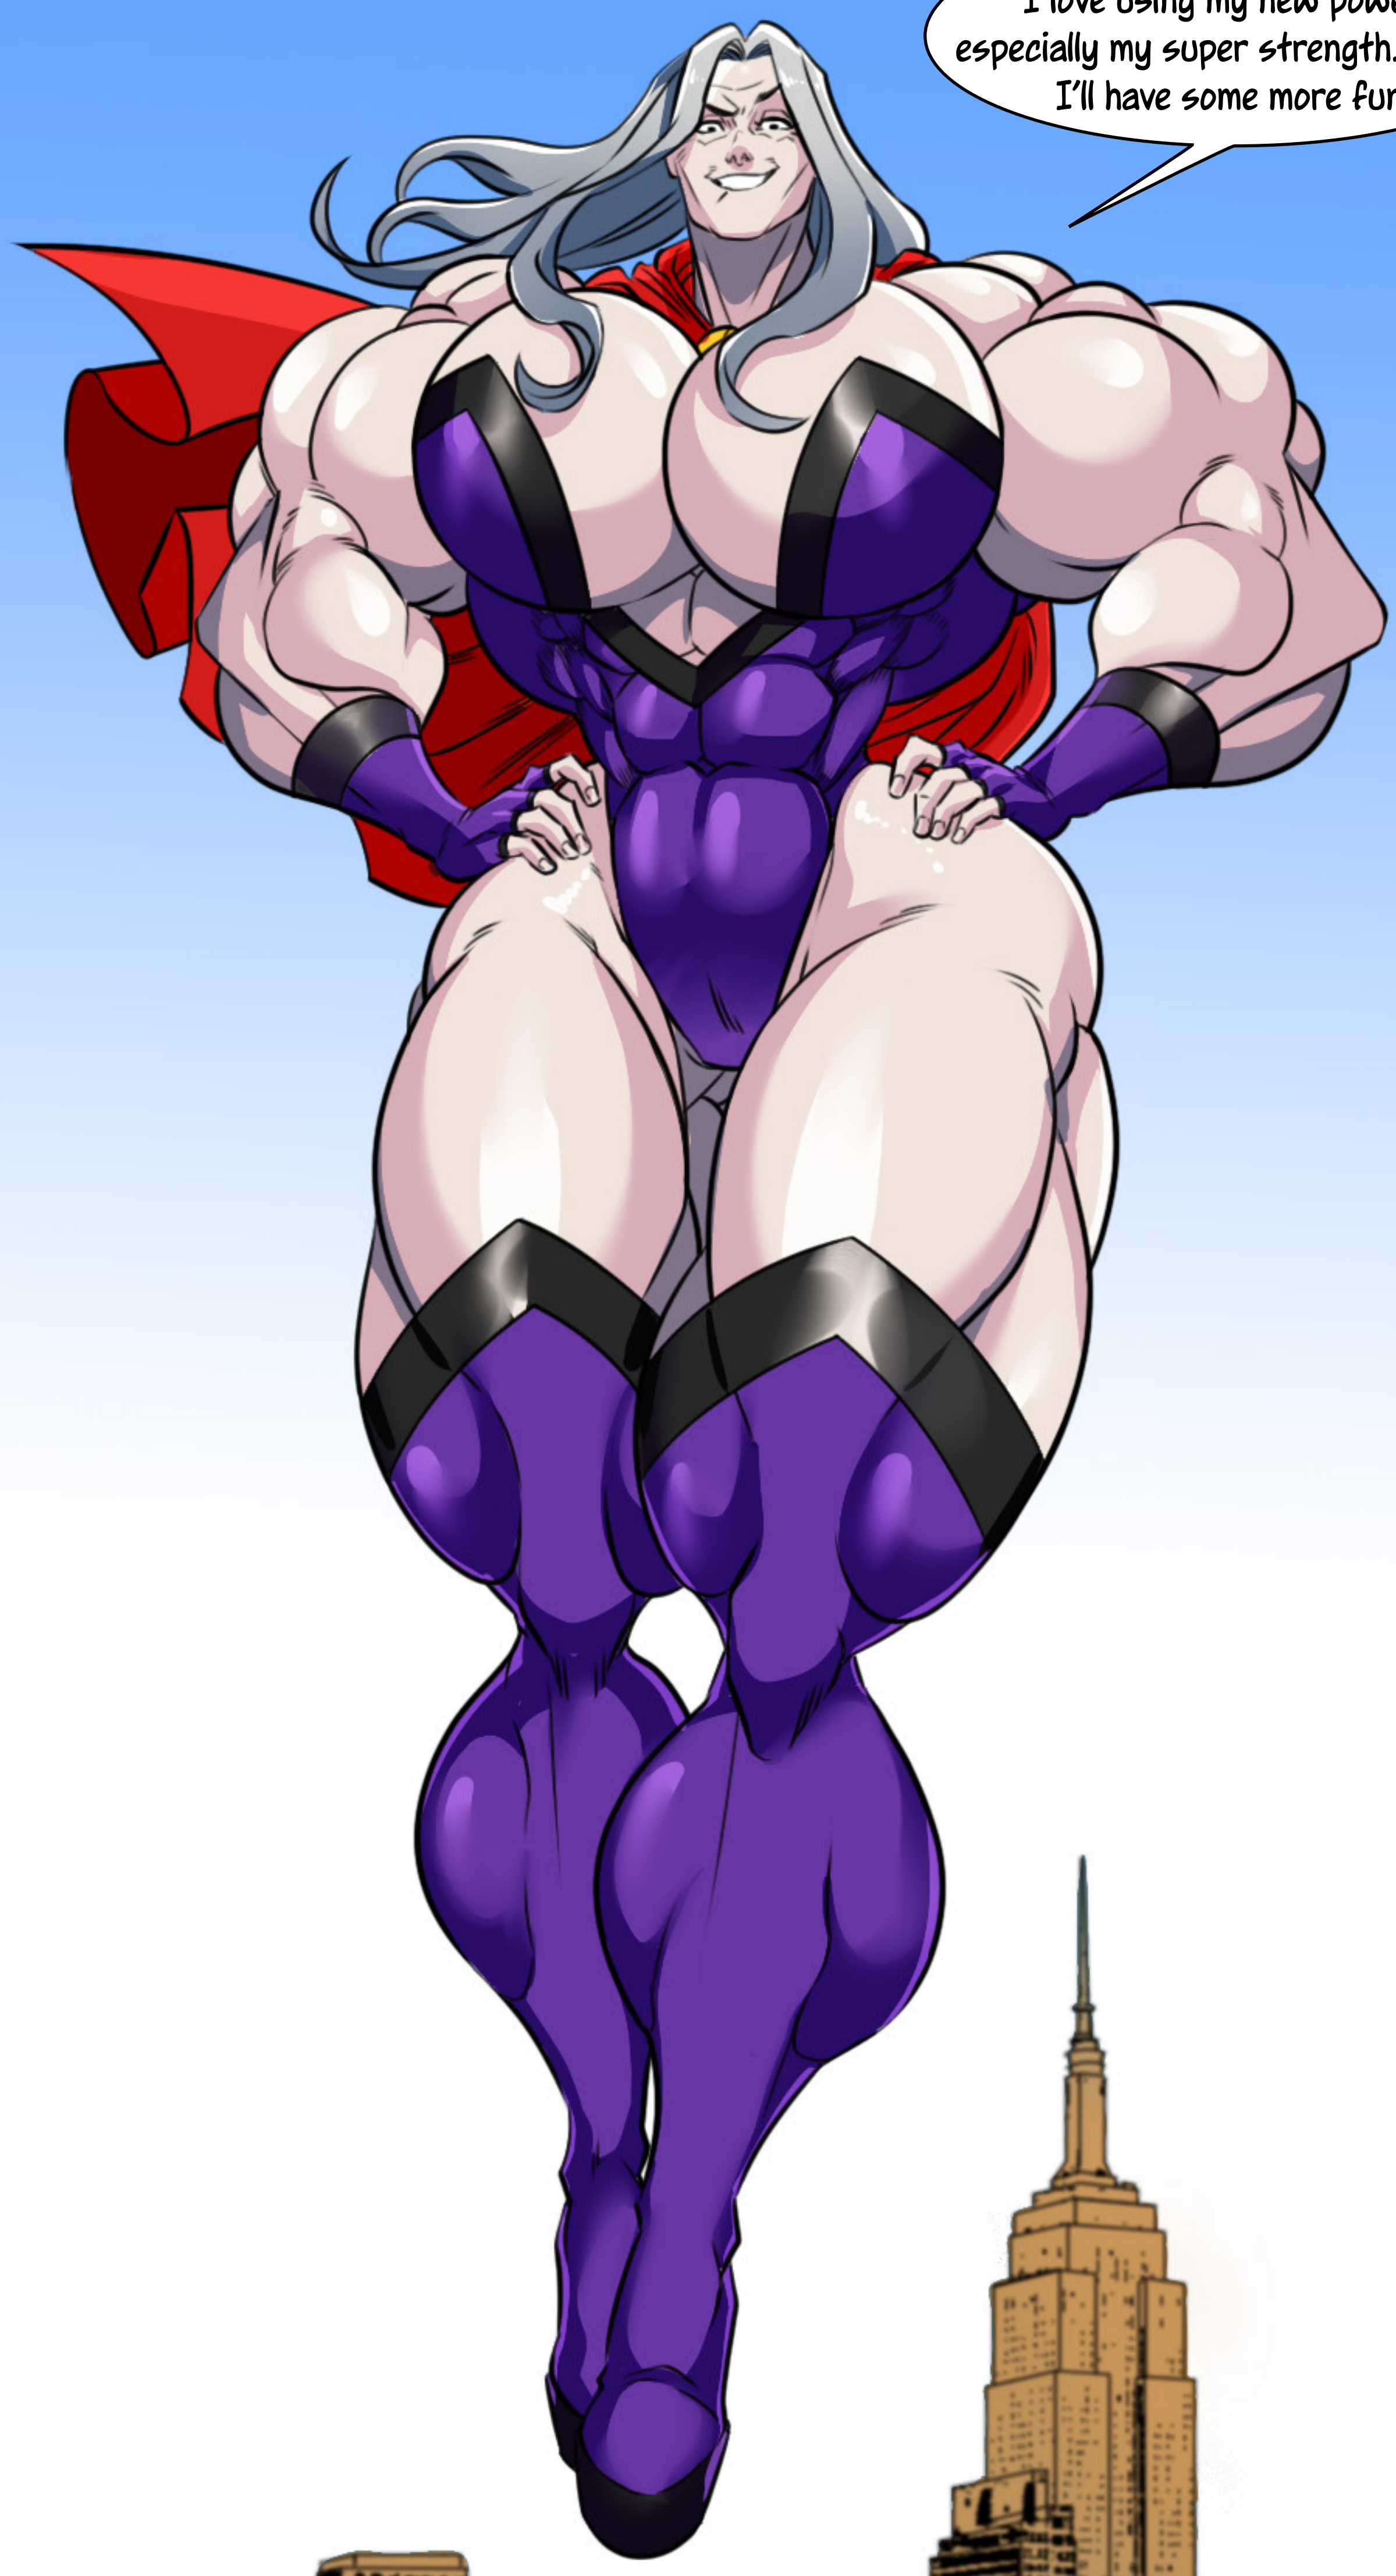

**HAHAHAHA!**

Mmmm...  
I love using my new power...  
especially my super strength. I think  
I'll have some more fun!

To be continued...
