Moments ago...

Whaaaa?!  
Oh... must have dozed off... did  
someone just shout my name  
or was I dream..

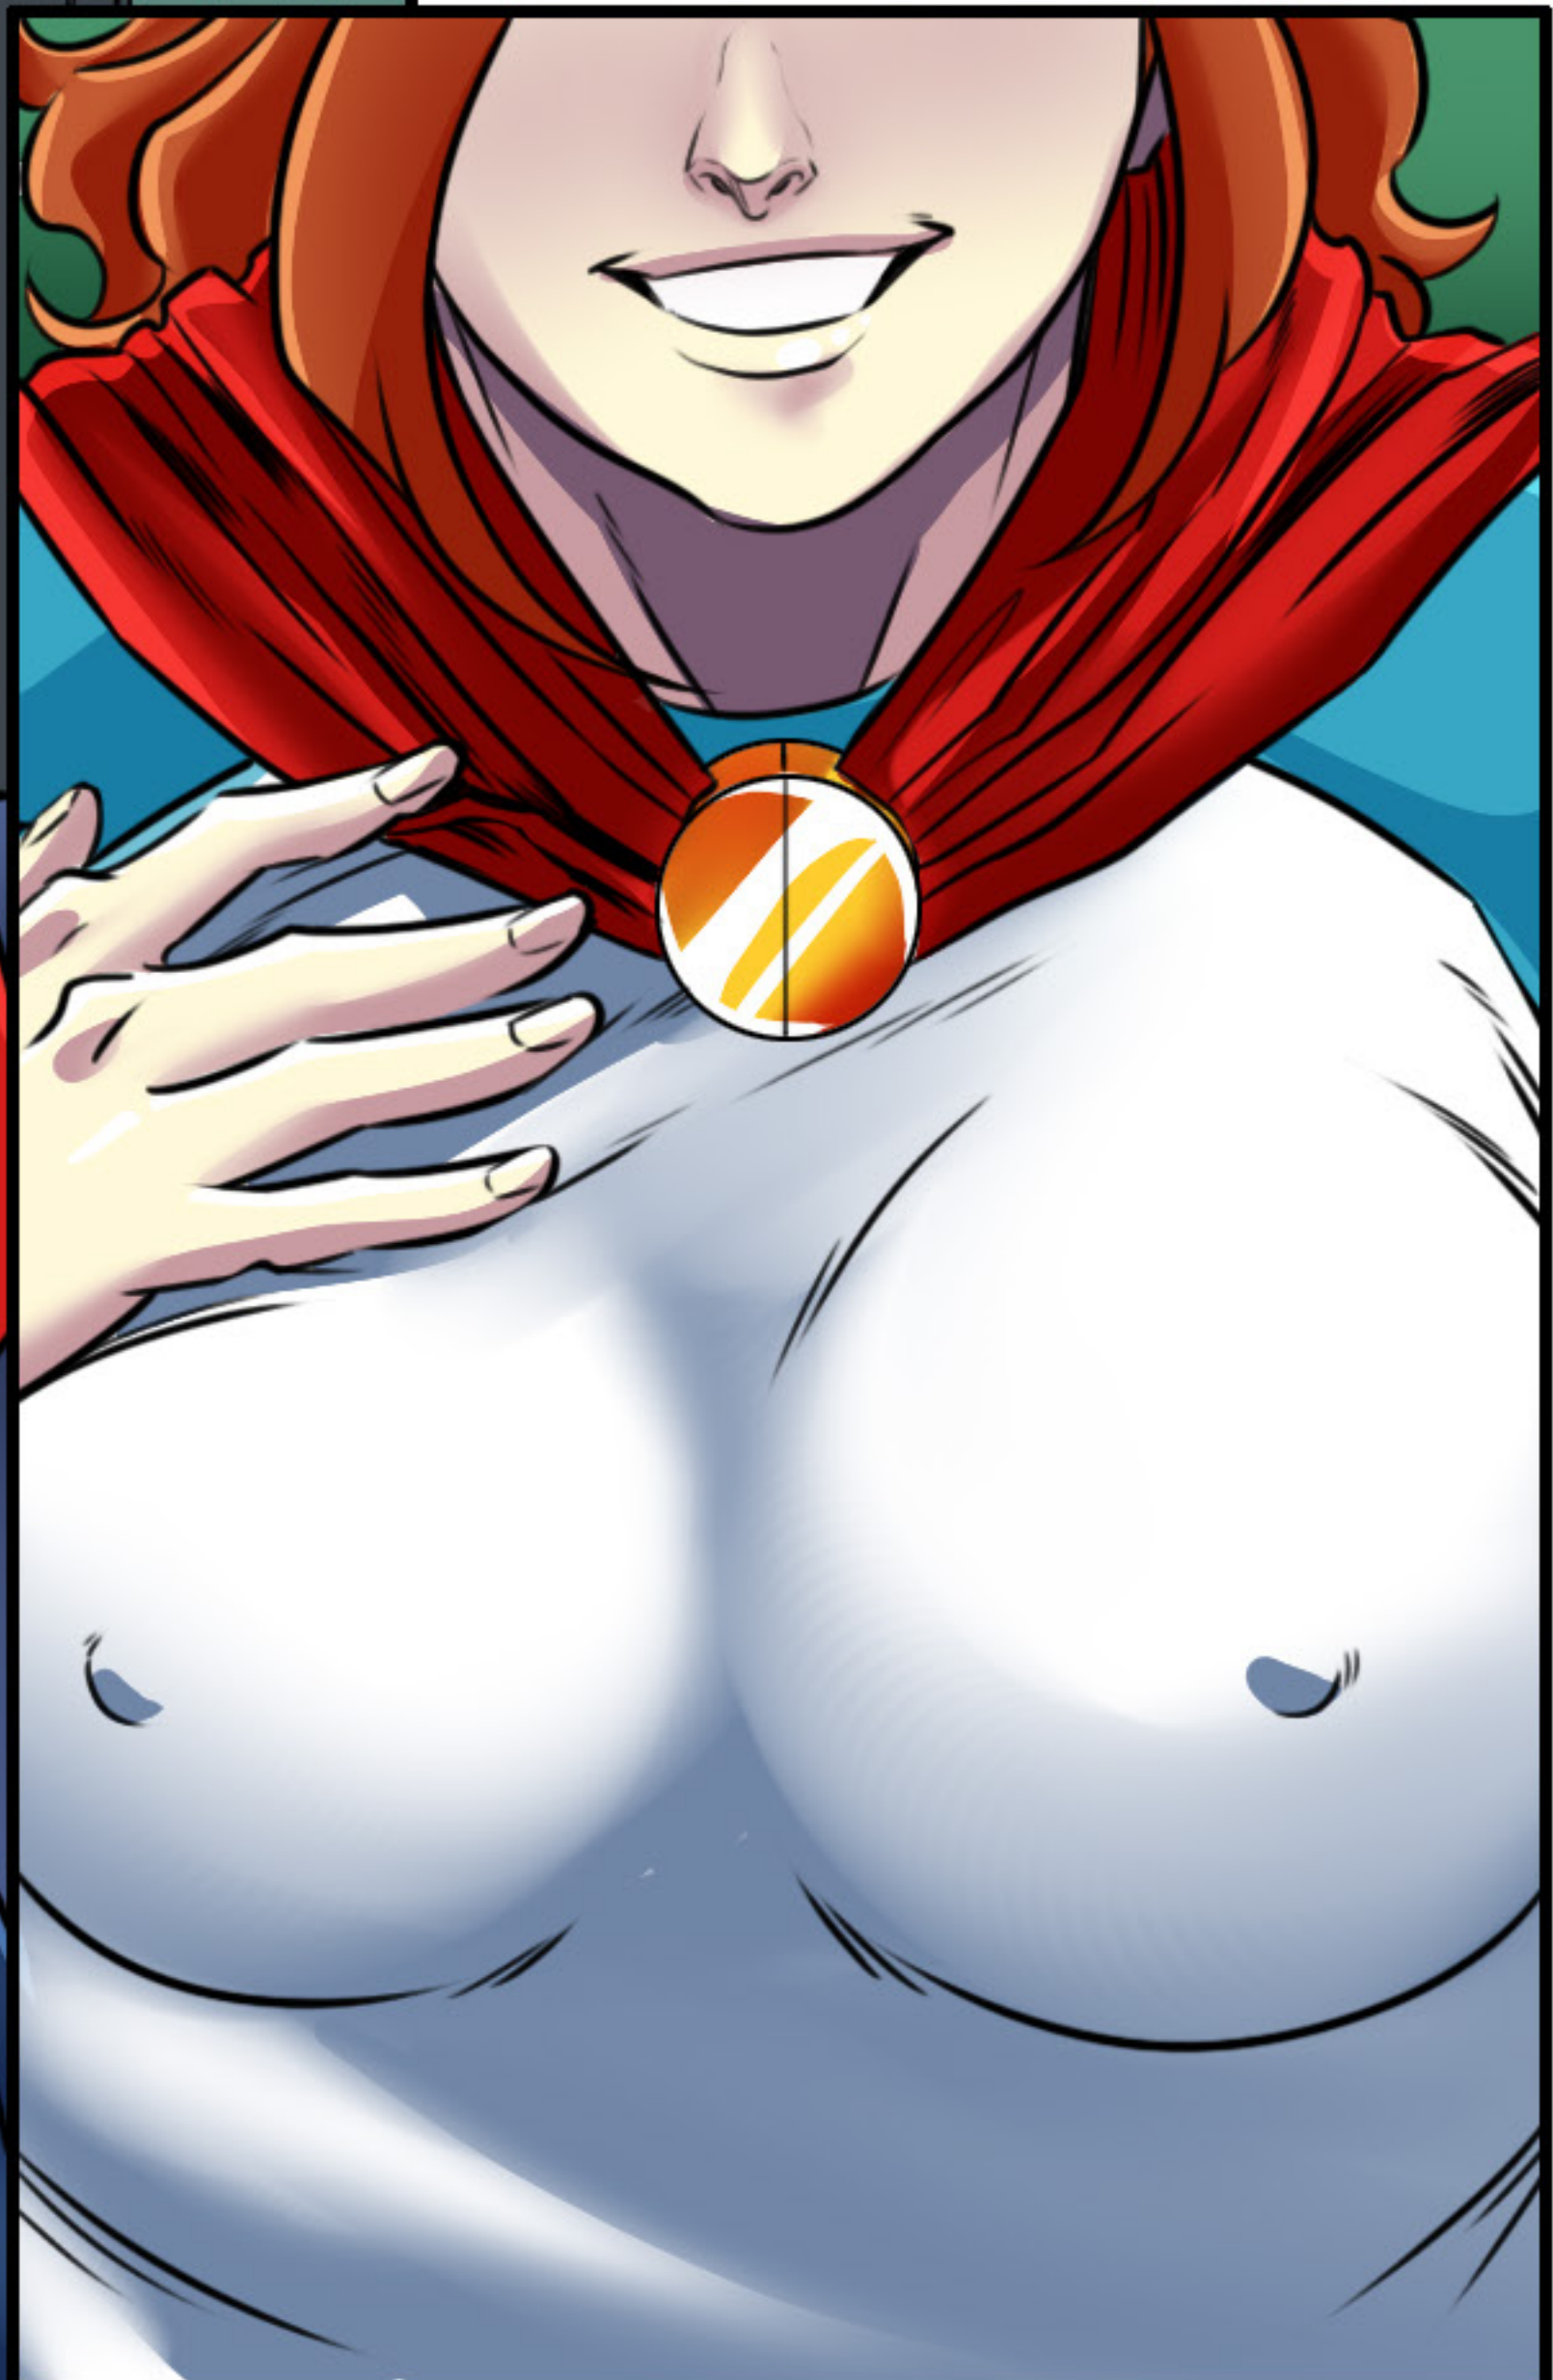

THE cloak...  
it's whole again! But how  
did...

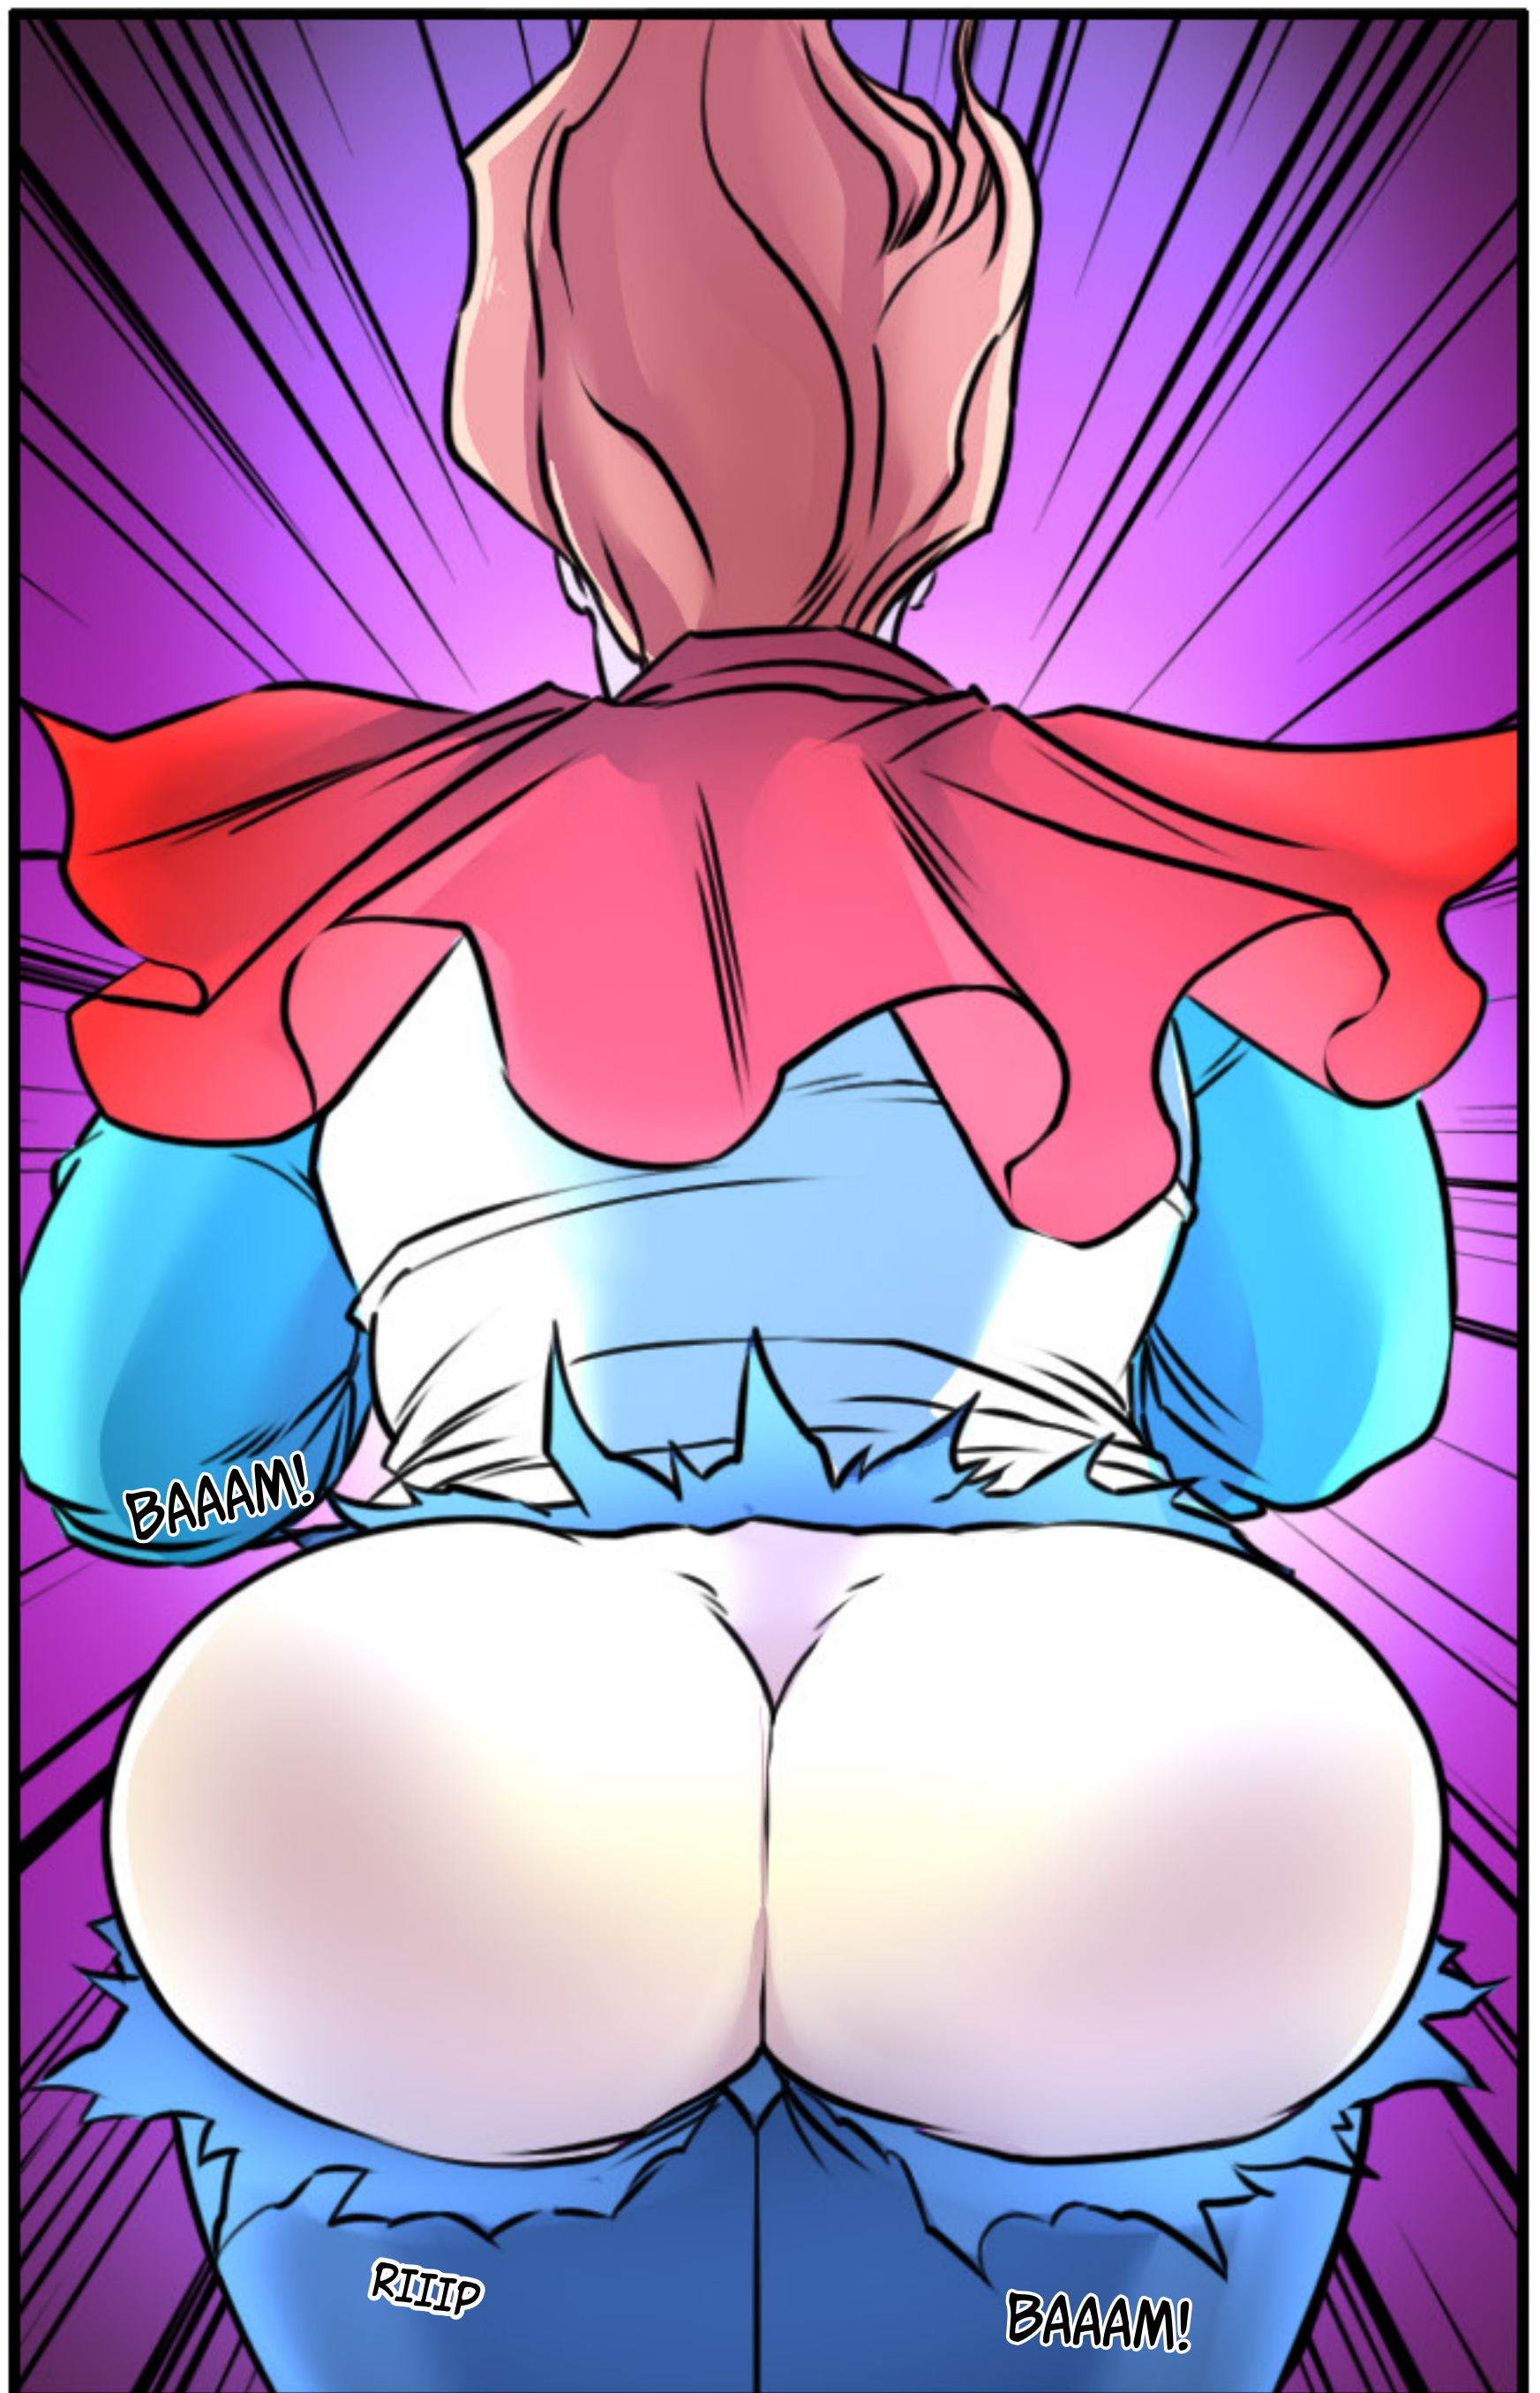

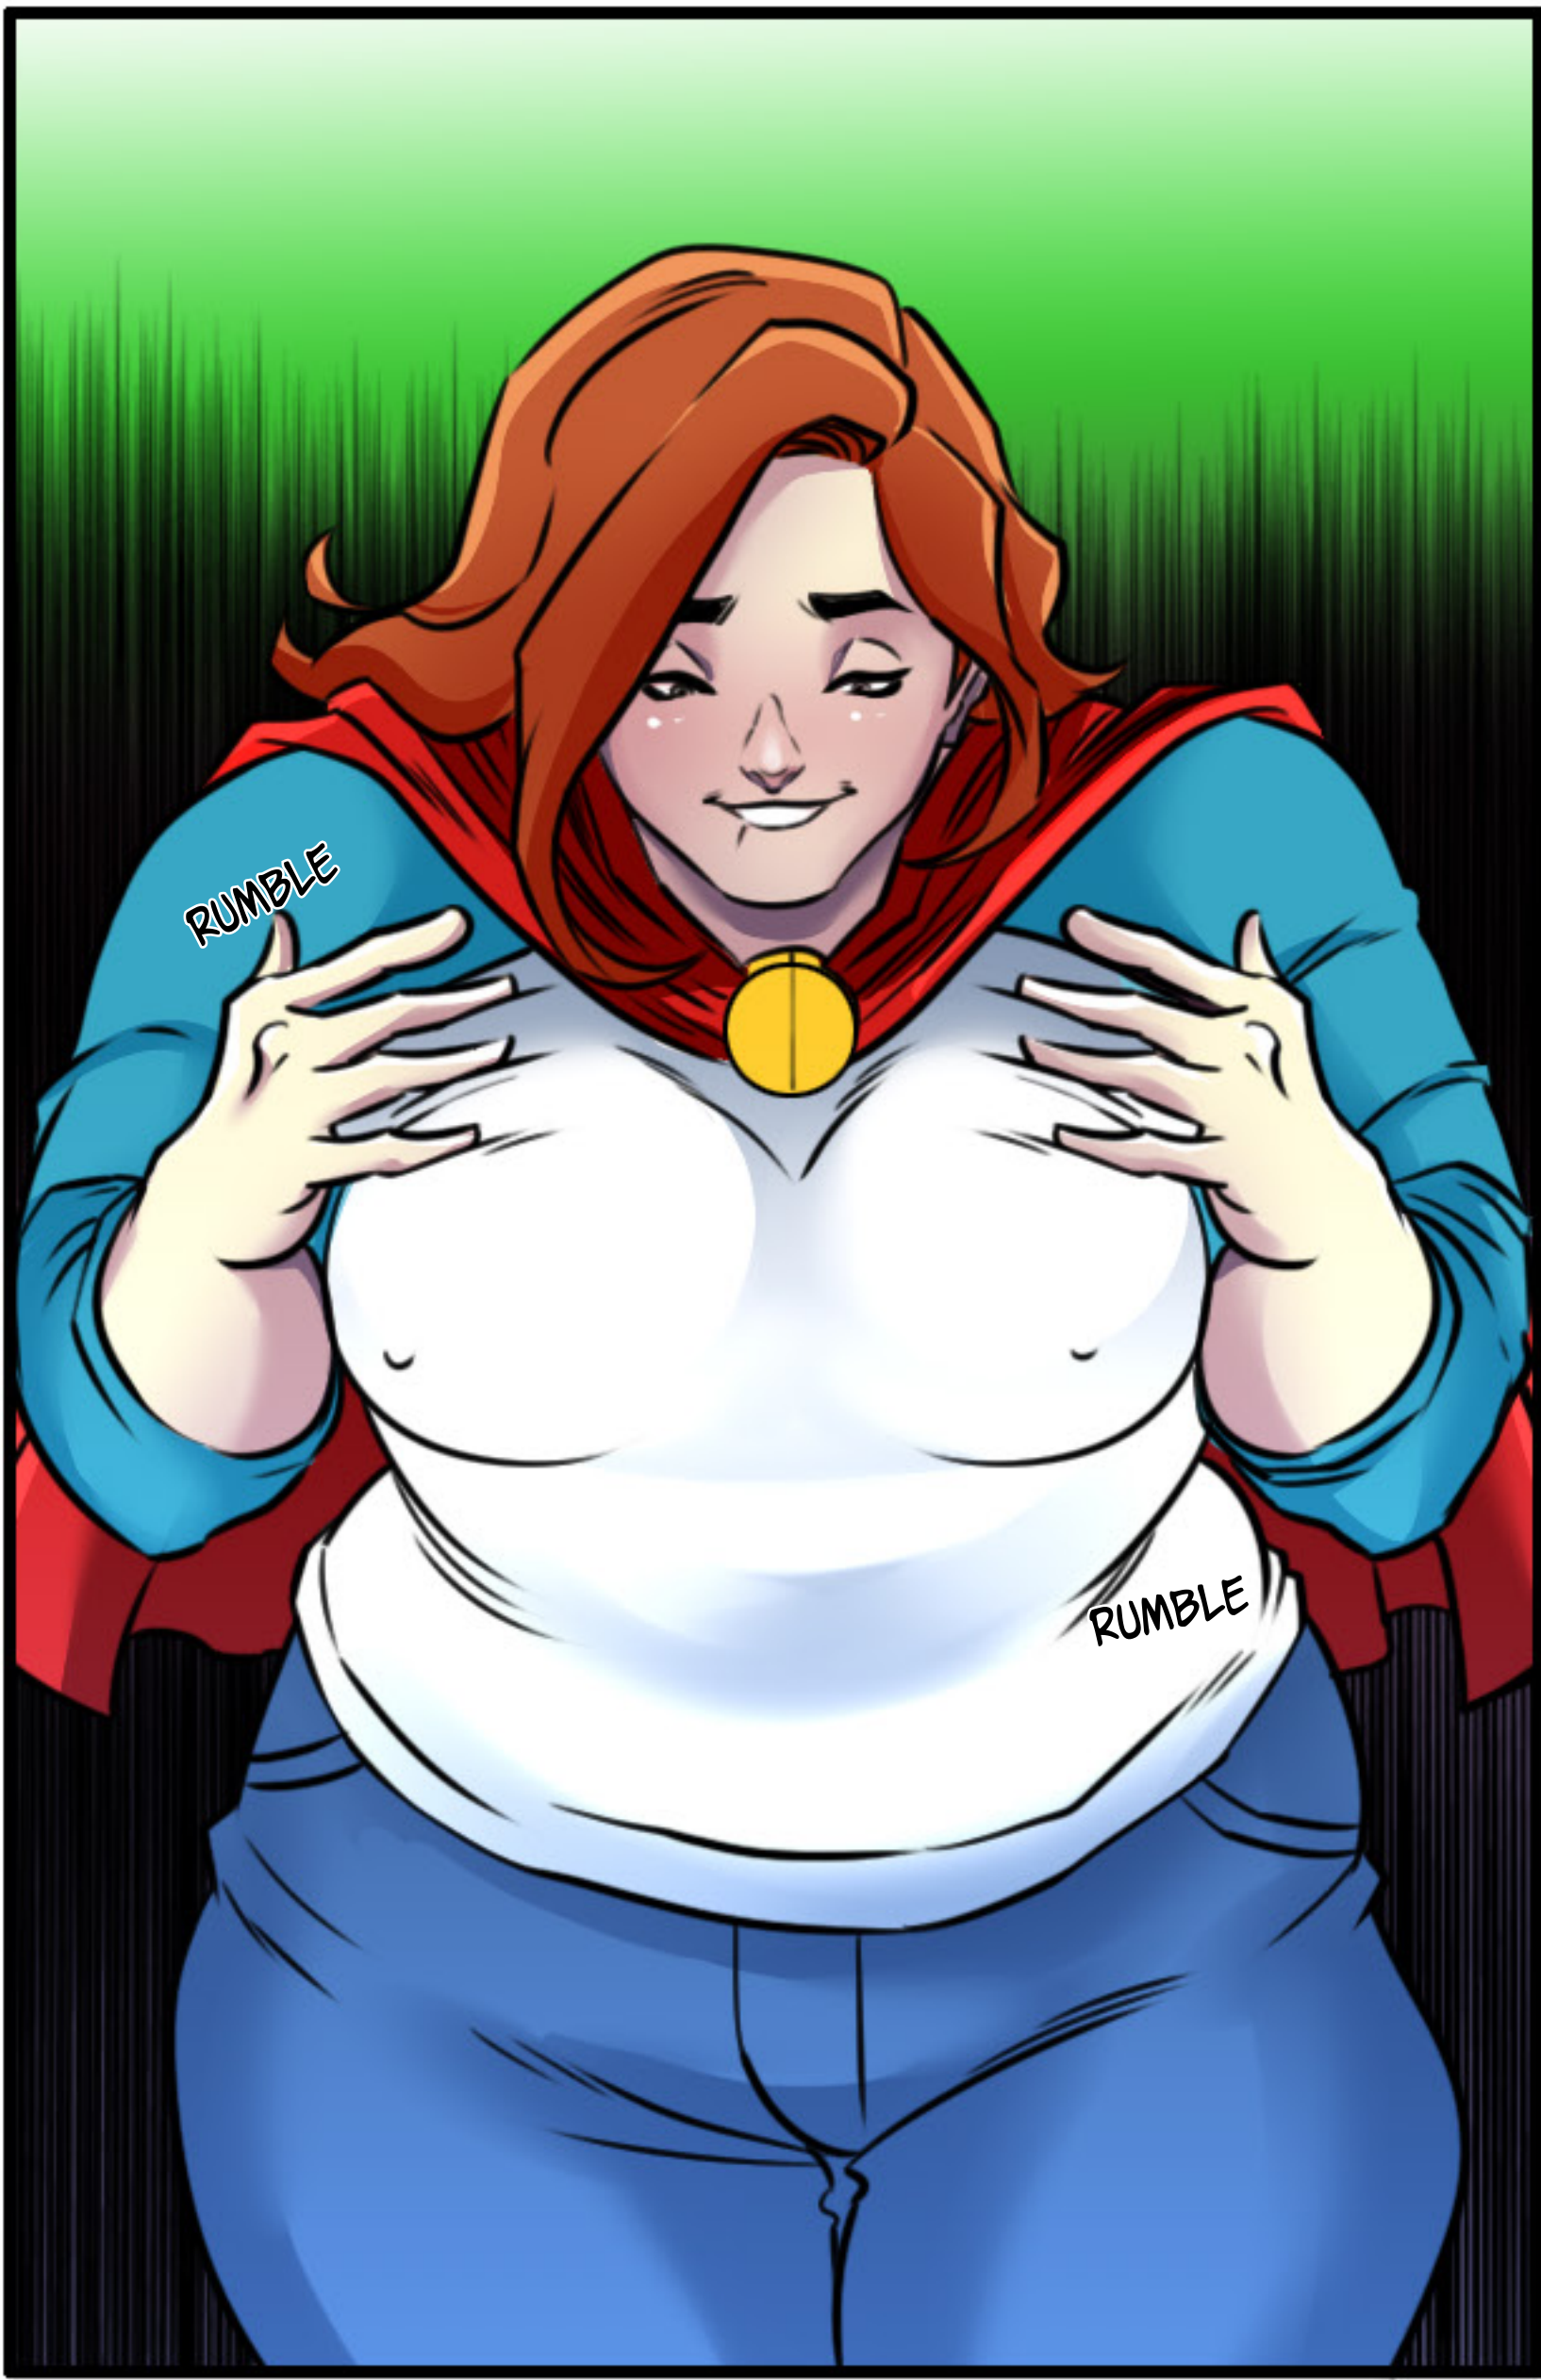

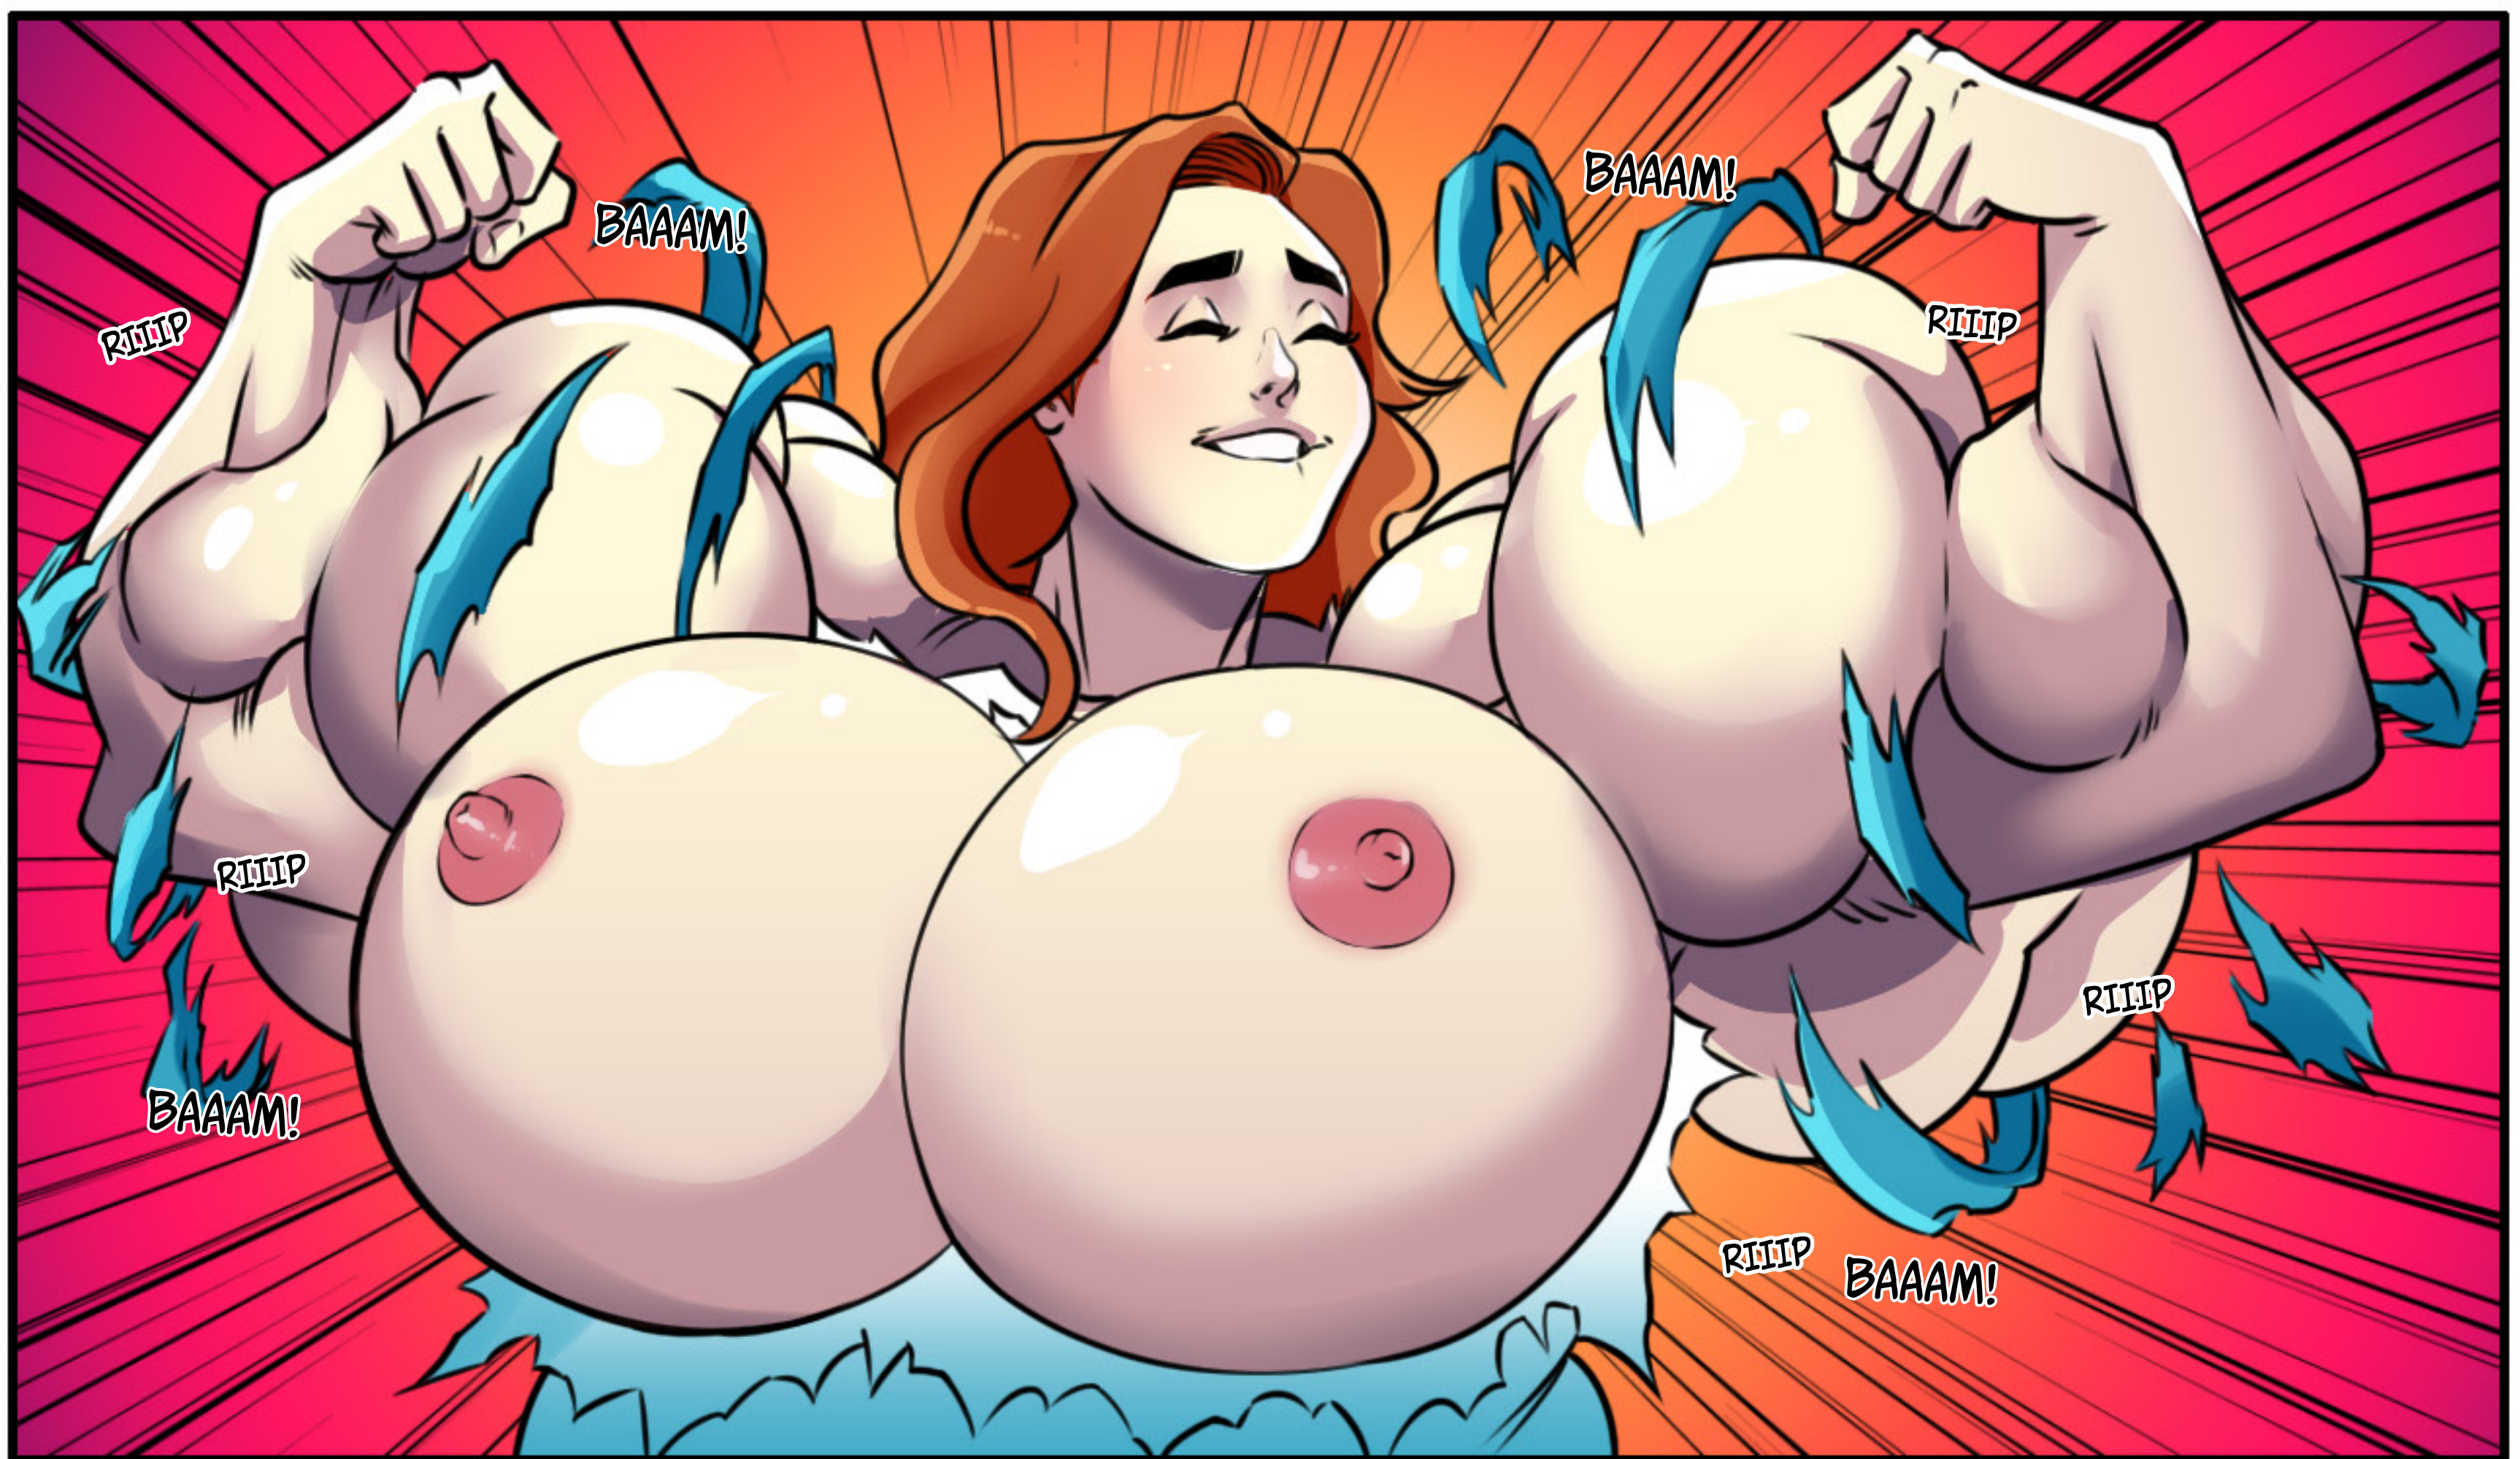

Ohh!  
I think... I think the  
cloak wants me to put  
it on...

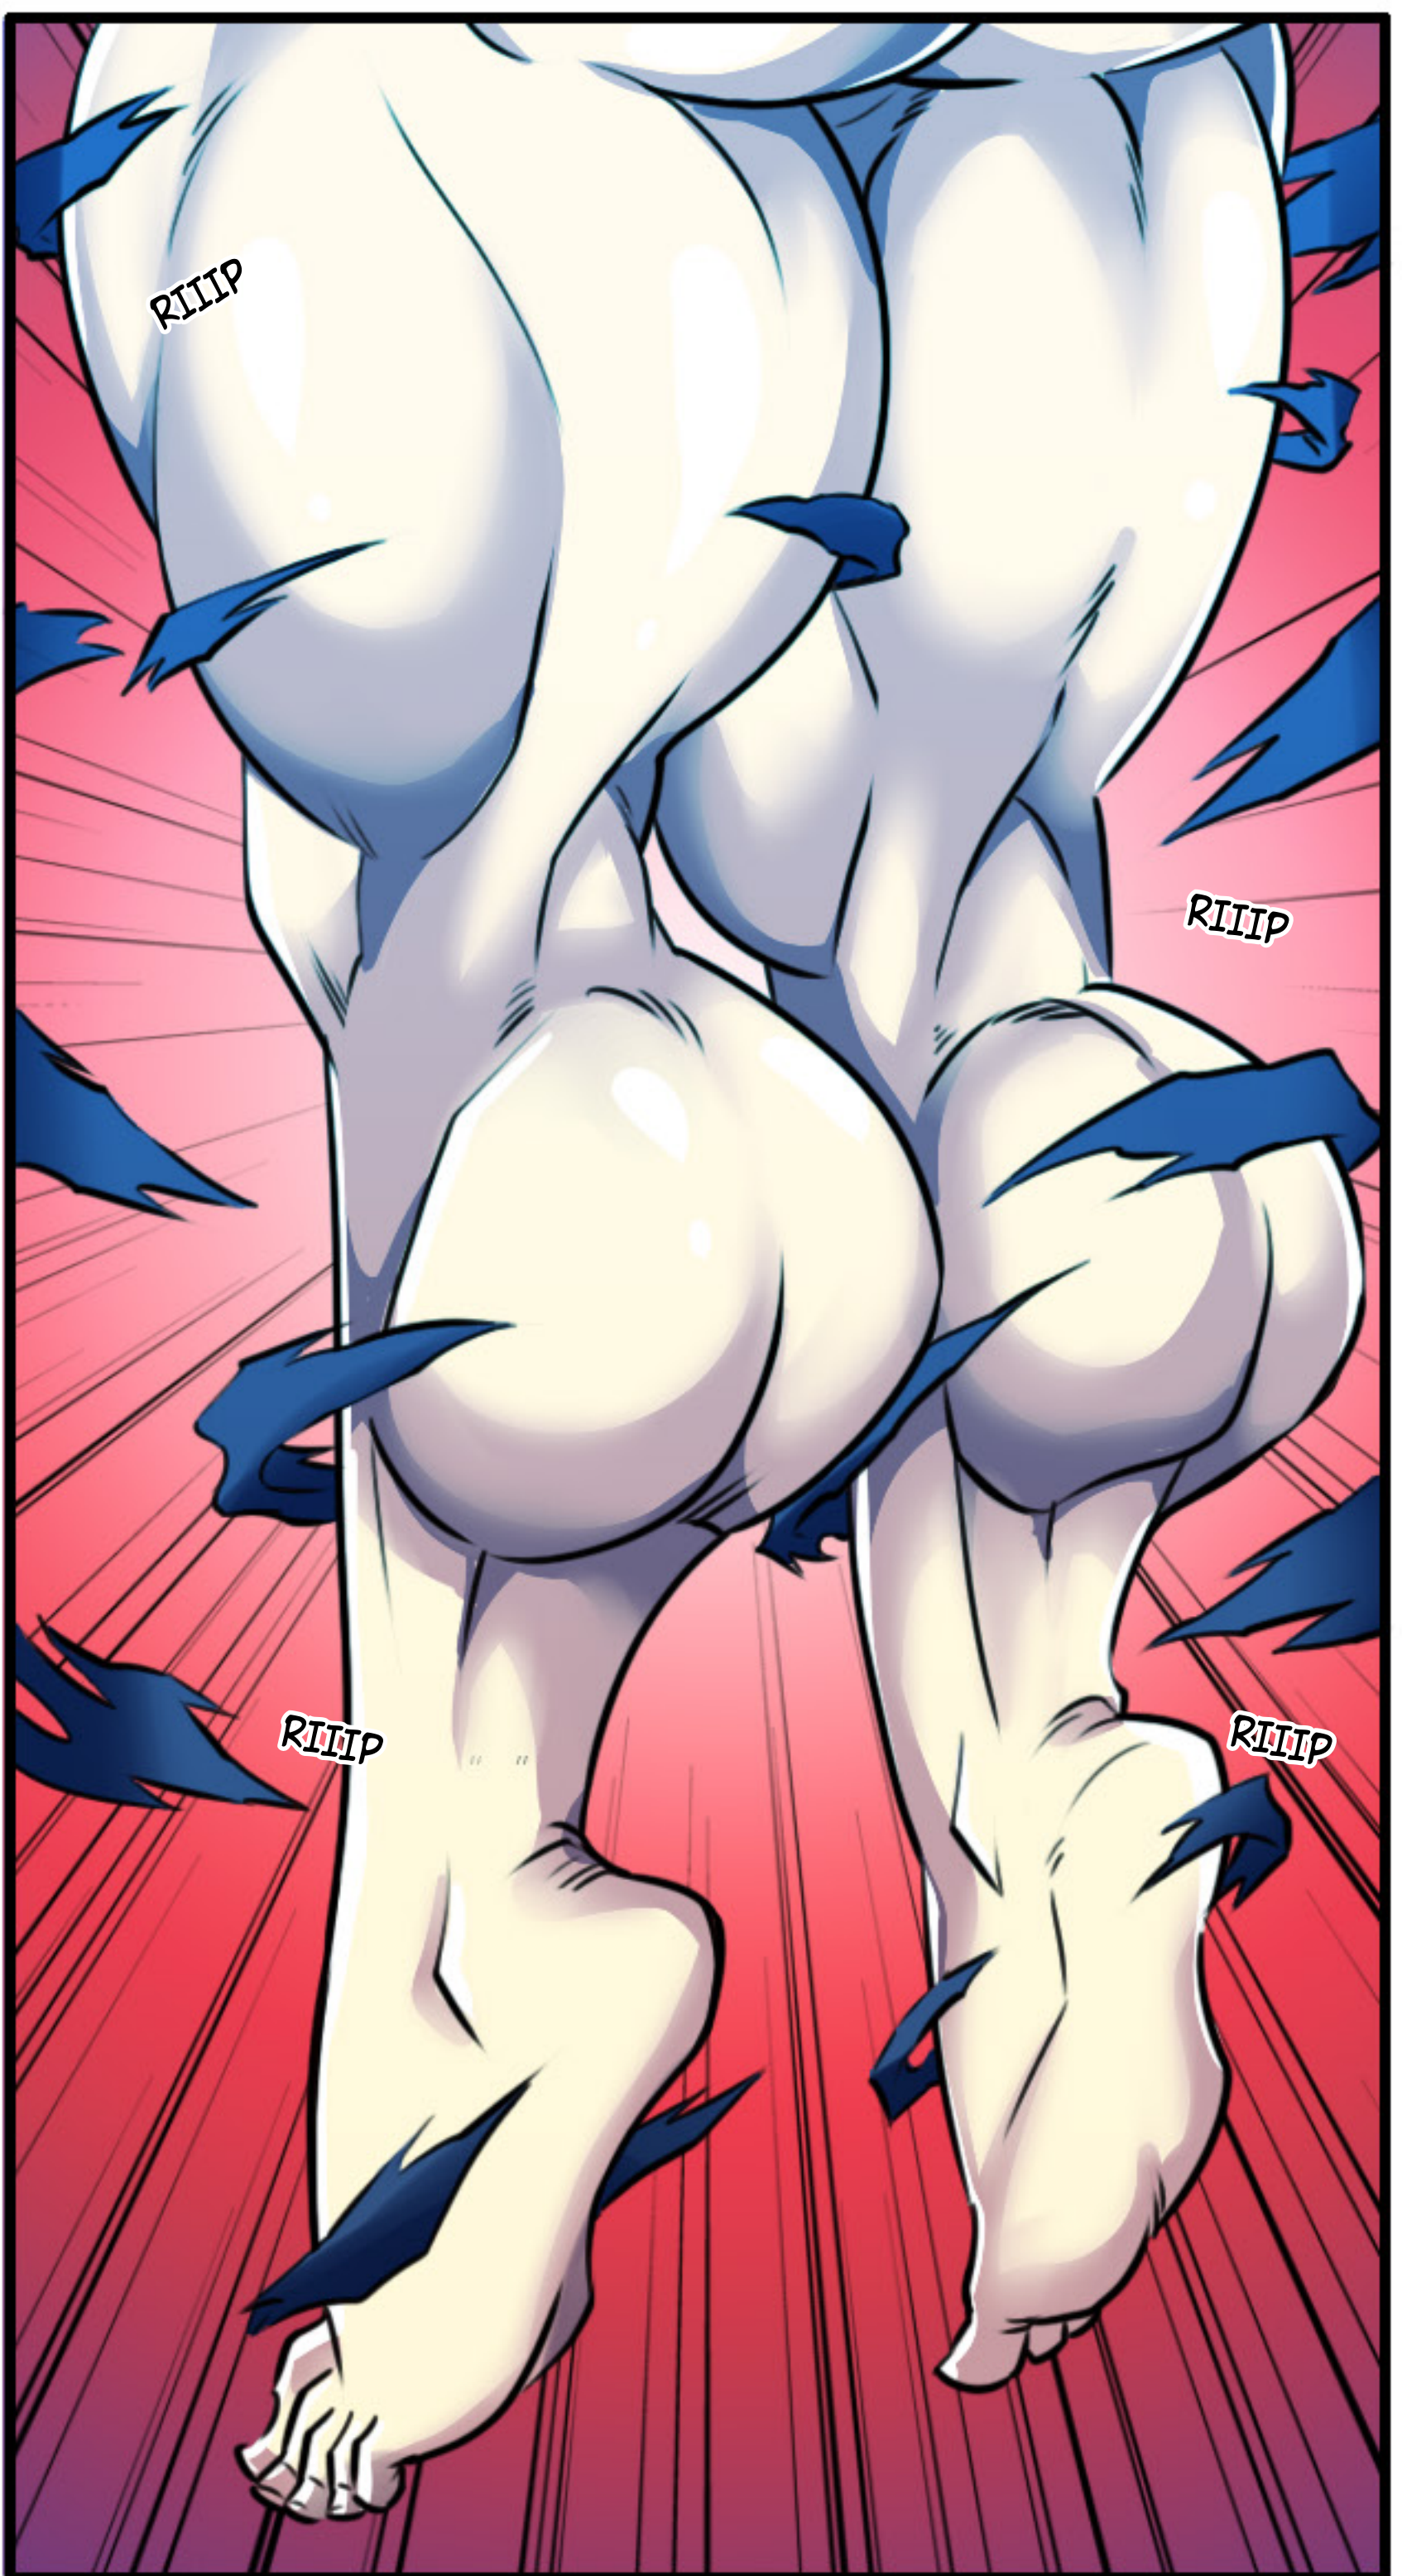

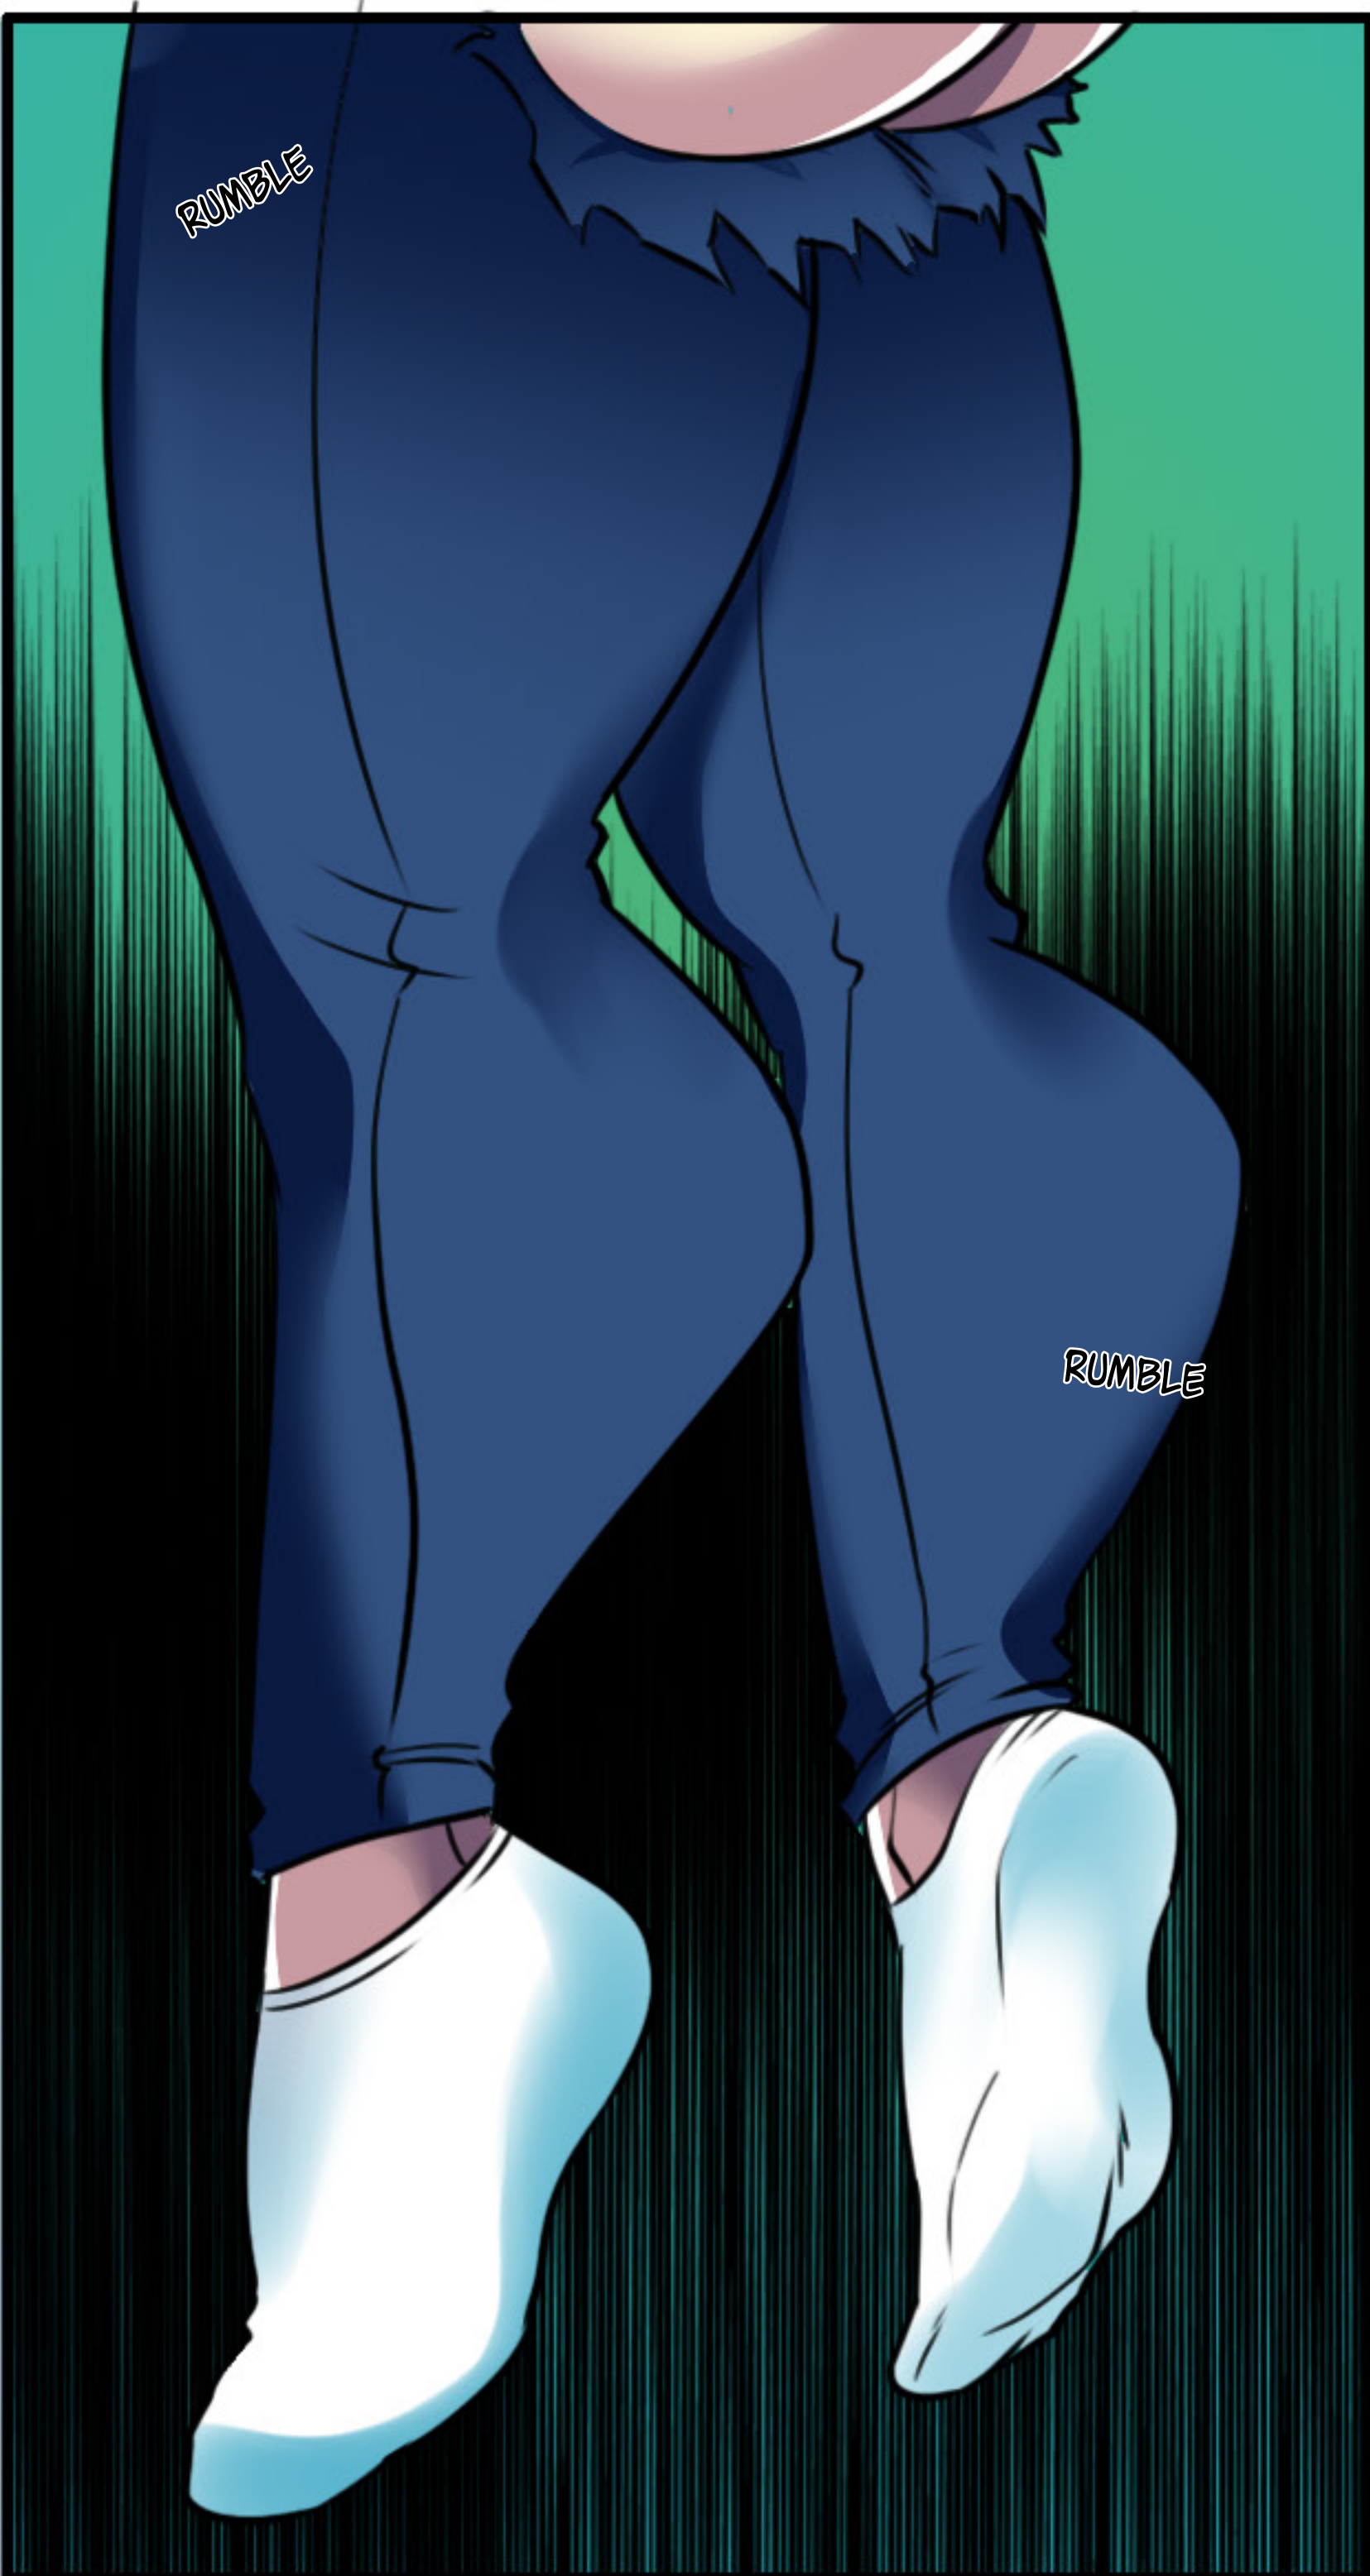

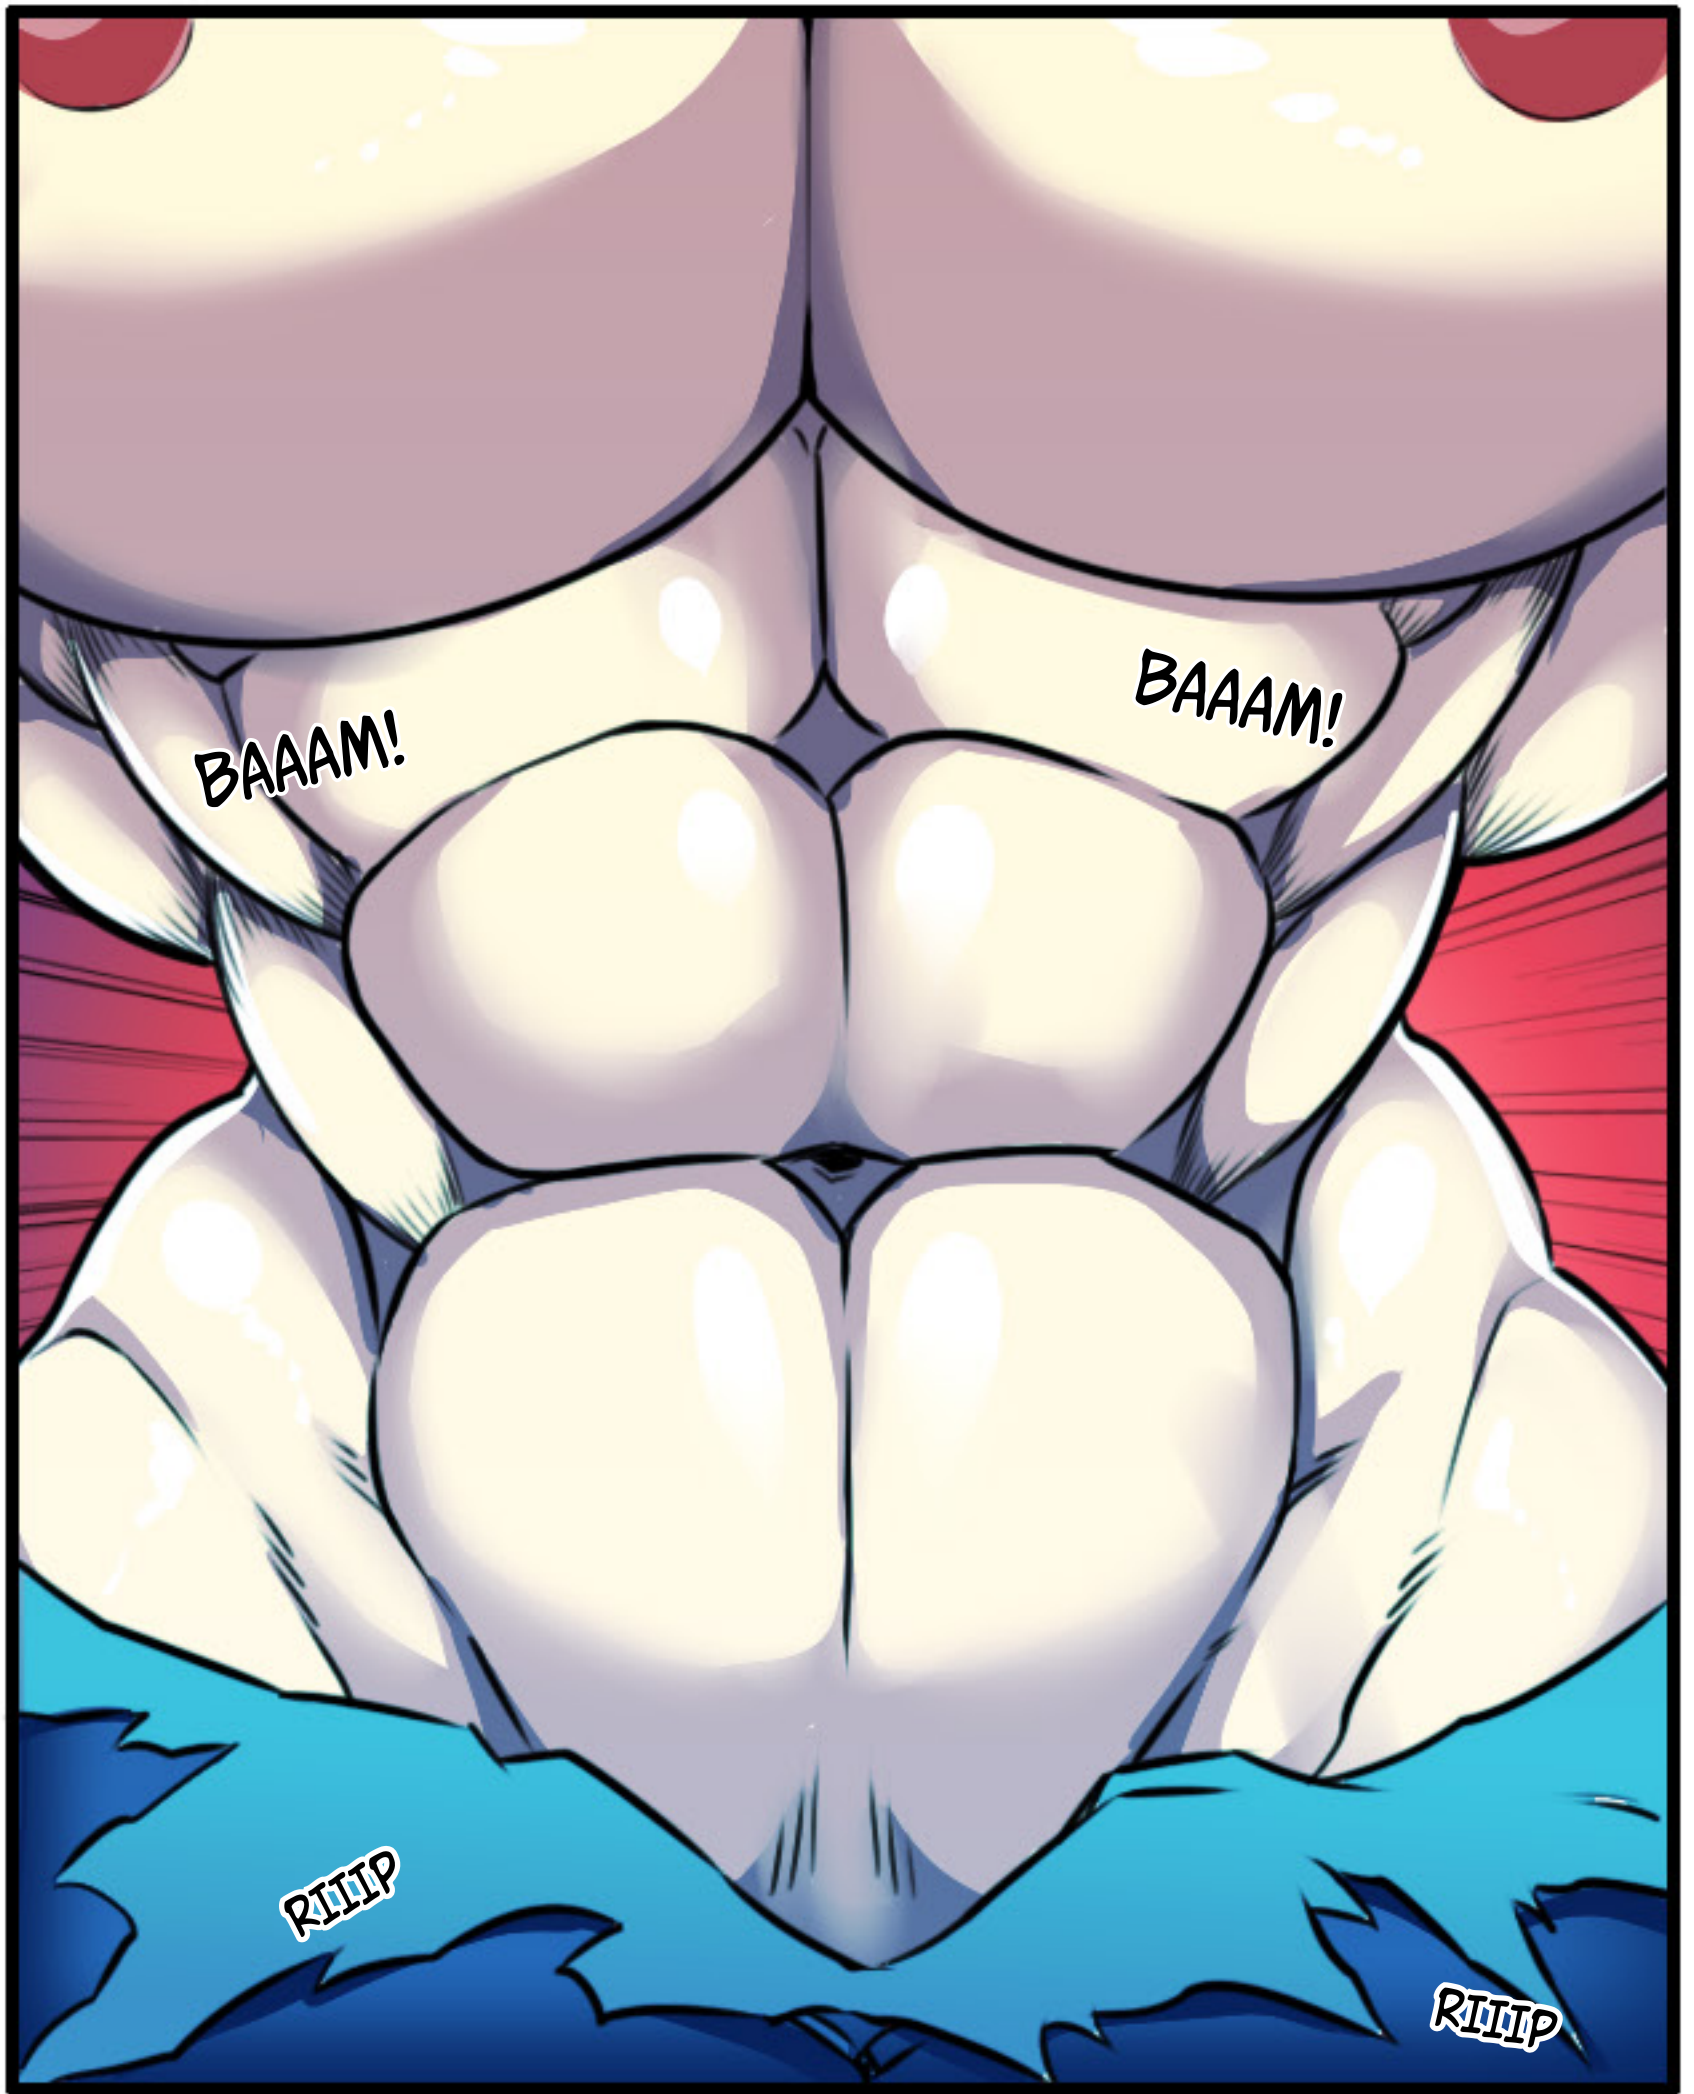

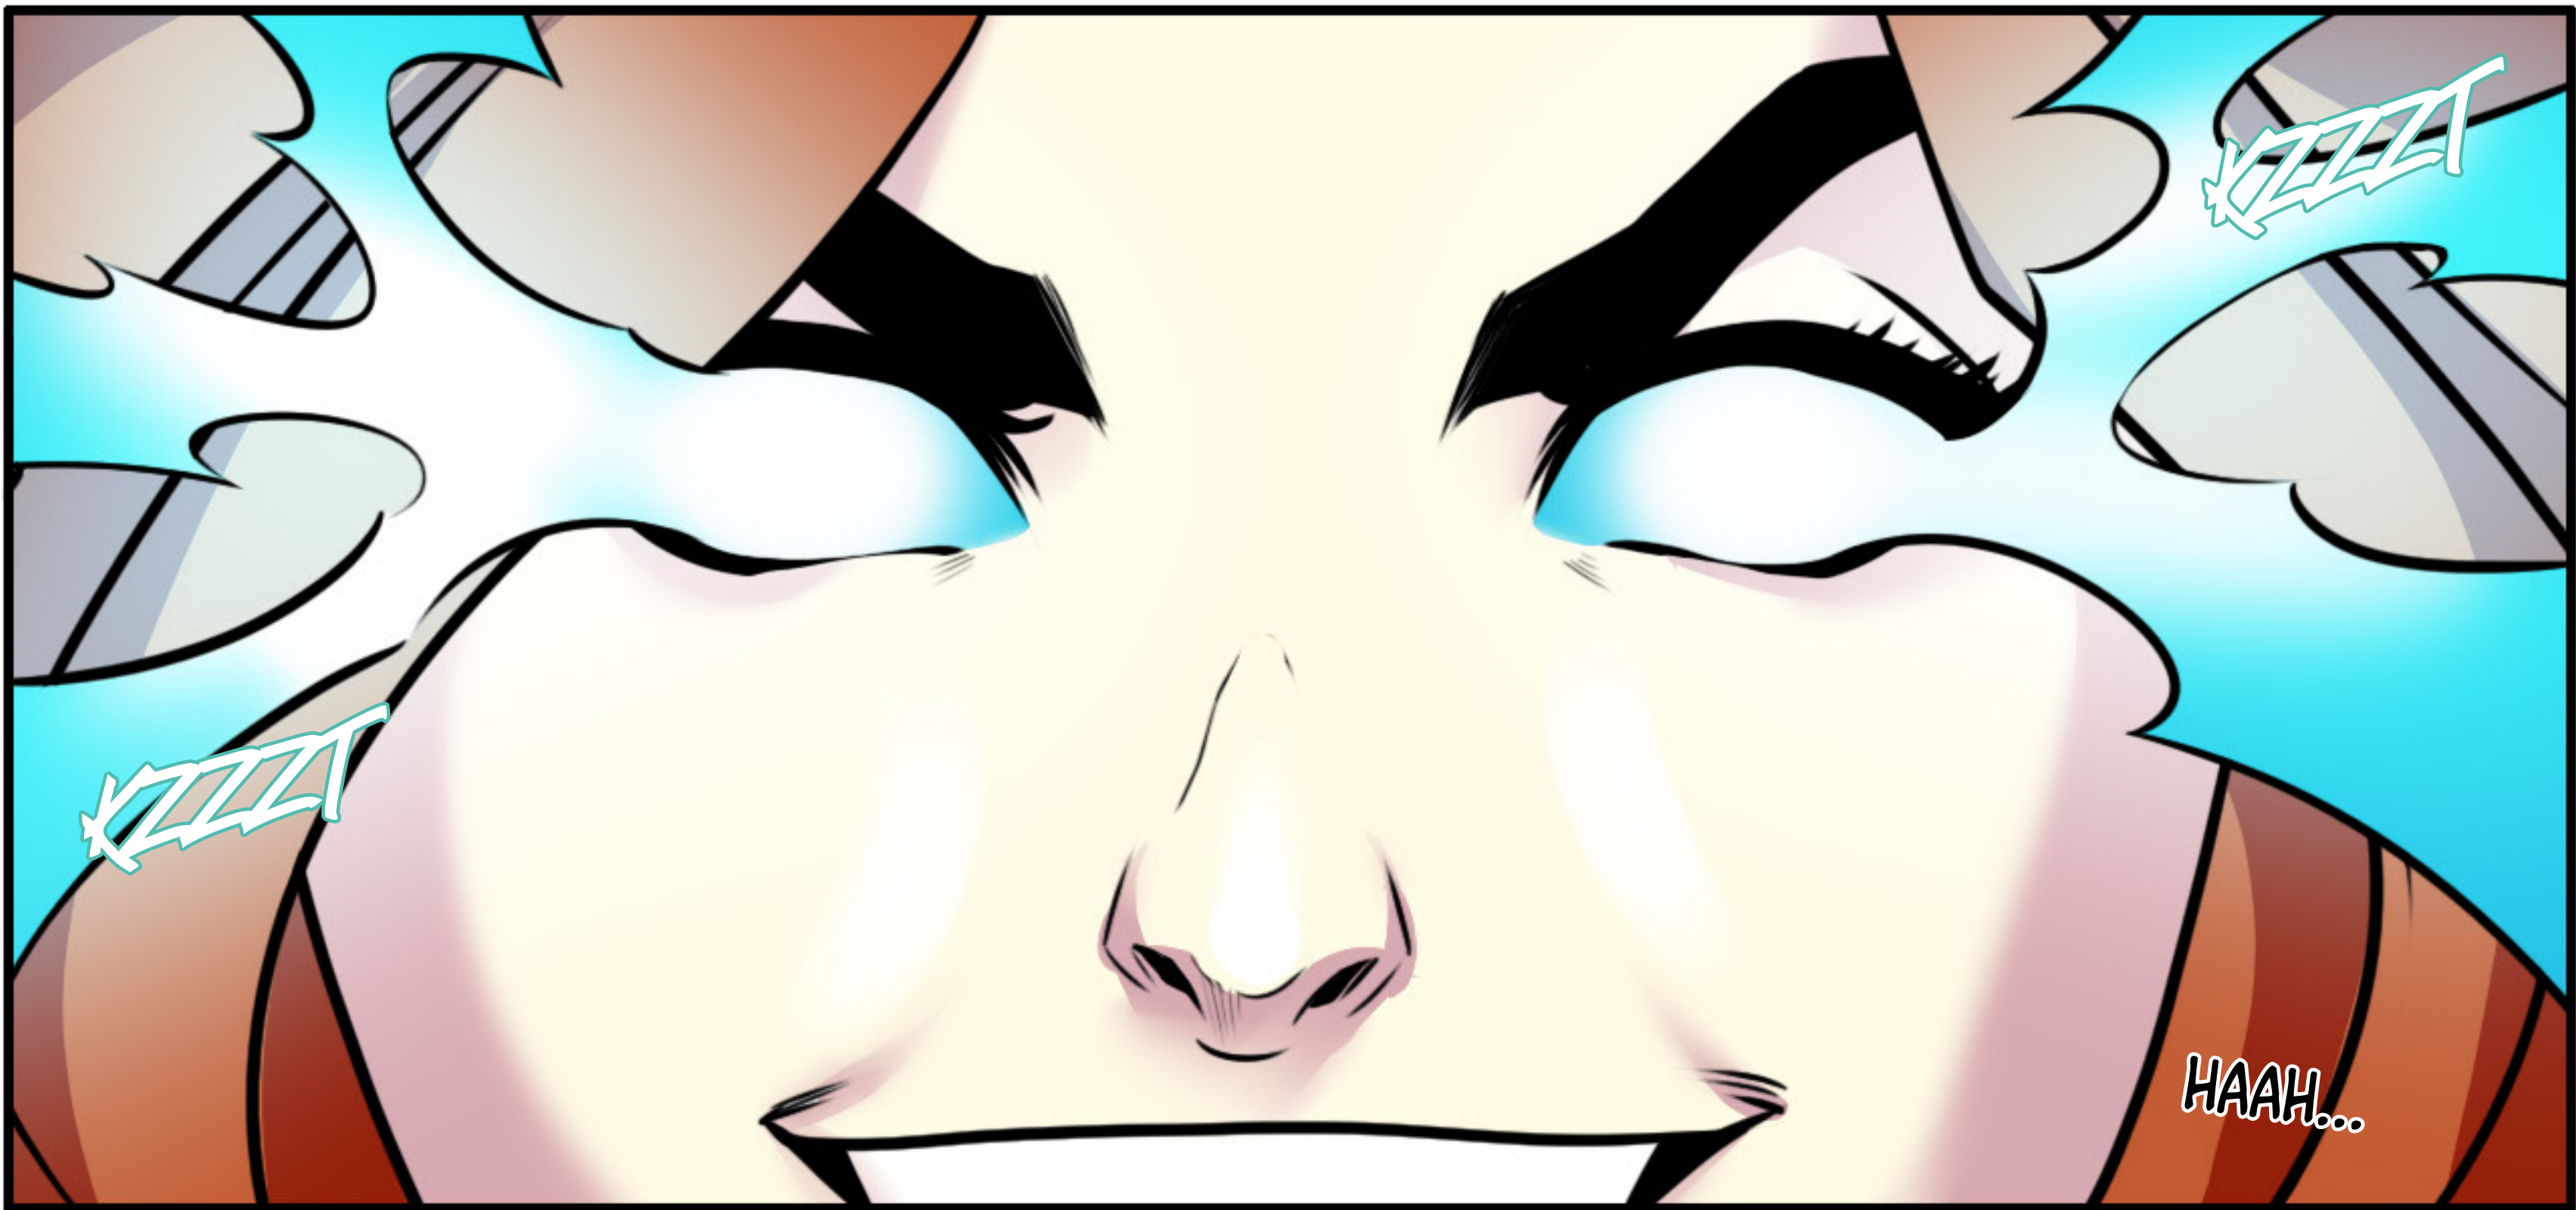

Well I've never  
said no to a cloak  
before...

Hell yeah!

Well the cloak seems to be ok...

I mean, I feel as powerful as last time.

I should check on Betty... talk to her about earlier...

FLOAT

Uh-oh!  
I can sense I'm needed  
again. It somehow  
seems really important  
this time.

I need to hurry!

**CRAAASSHHH!**

Moments later...

...especially my super strength. I think I'll have some more fun!

Oh!  
There's a woman floating in the air ahead of me, she must be a superhero.

Excuse me,  
I'm kind of new to this superhero thing, I'm sensing danger nearby and I was wondering... BETTY???

Wha... NANCY!?!?

I have the cloak!

But... HOW?

But... HOW?

I have the cloak!

NO, I DO!

We'll figure it out later. You have to leave with me right now. I'm sensing great danger very close.

NO!  
You just want to take away my power! Stay away from me!

I SAID...  
**STAY AWAY!**

Uuuuhhhhhh!

**NEVER!**

**KRAGOOSSH!**

THAT DOES IT!  
I don't care if you are an  
old woman!

I'm going to...

...to...

What's the  
matter? Can't hit  
me, can you?

**BAADAM!**

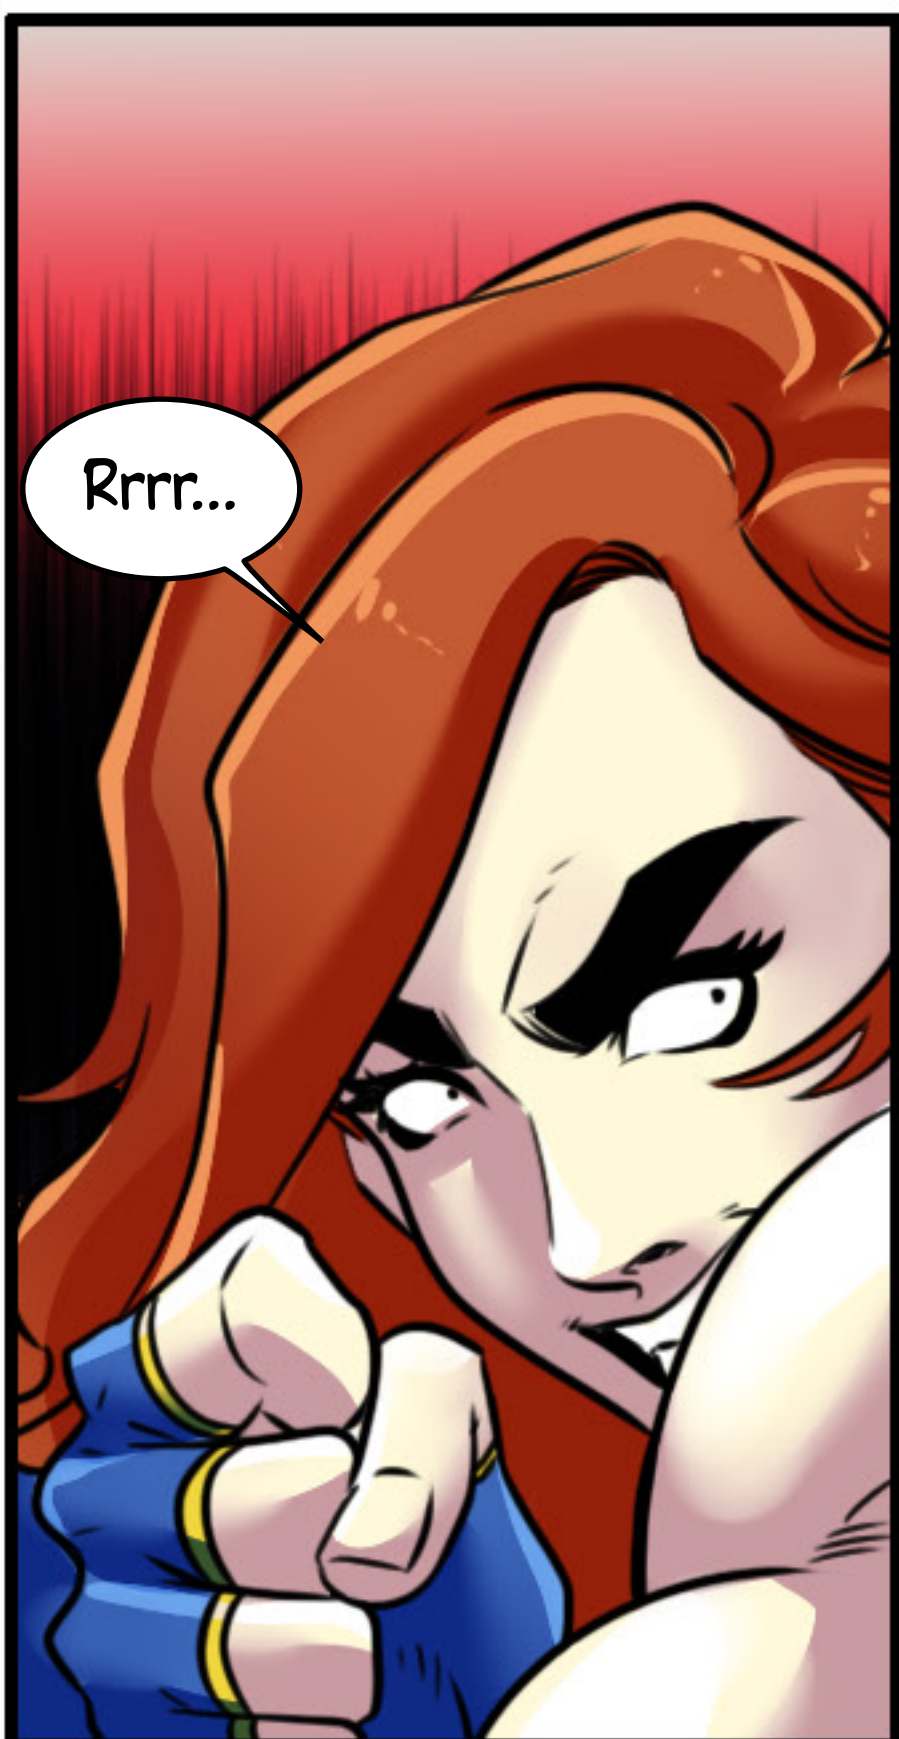

Fucking loser!

Hhmmpphaarrhgg!!!

**WHOOSH!**

HAHAHAHAHA!

Rrrr...

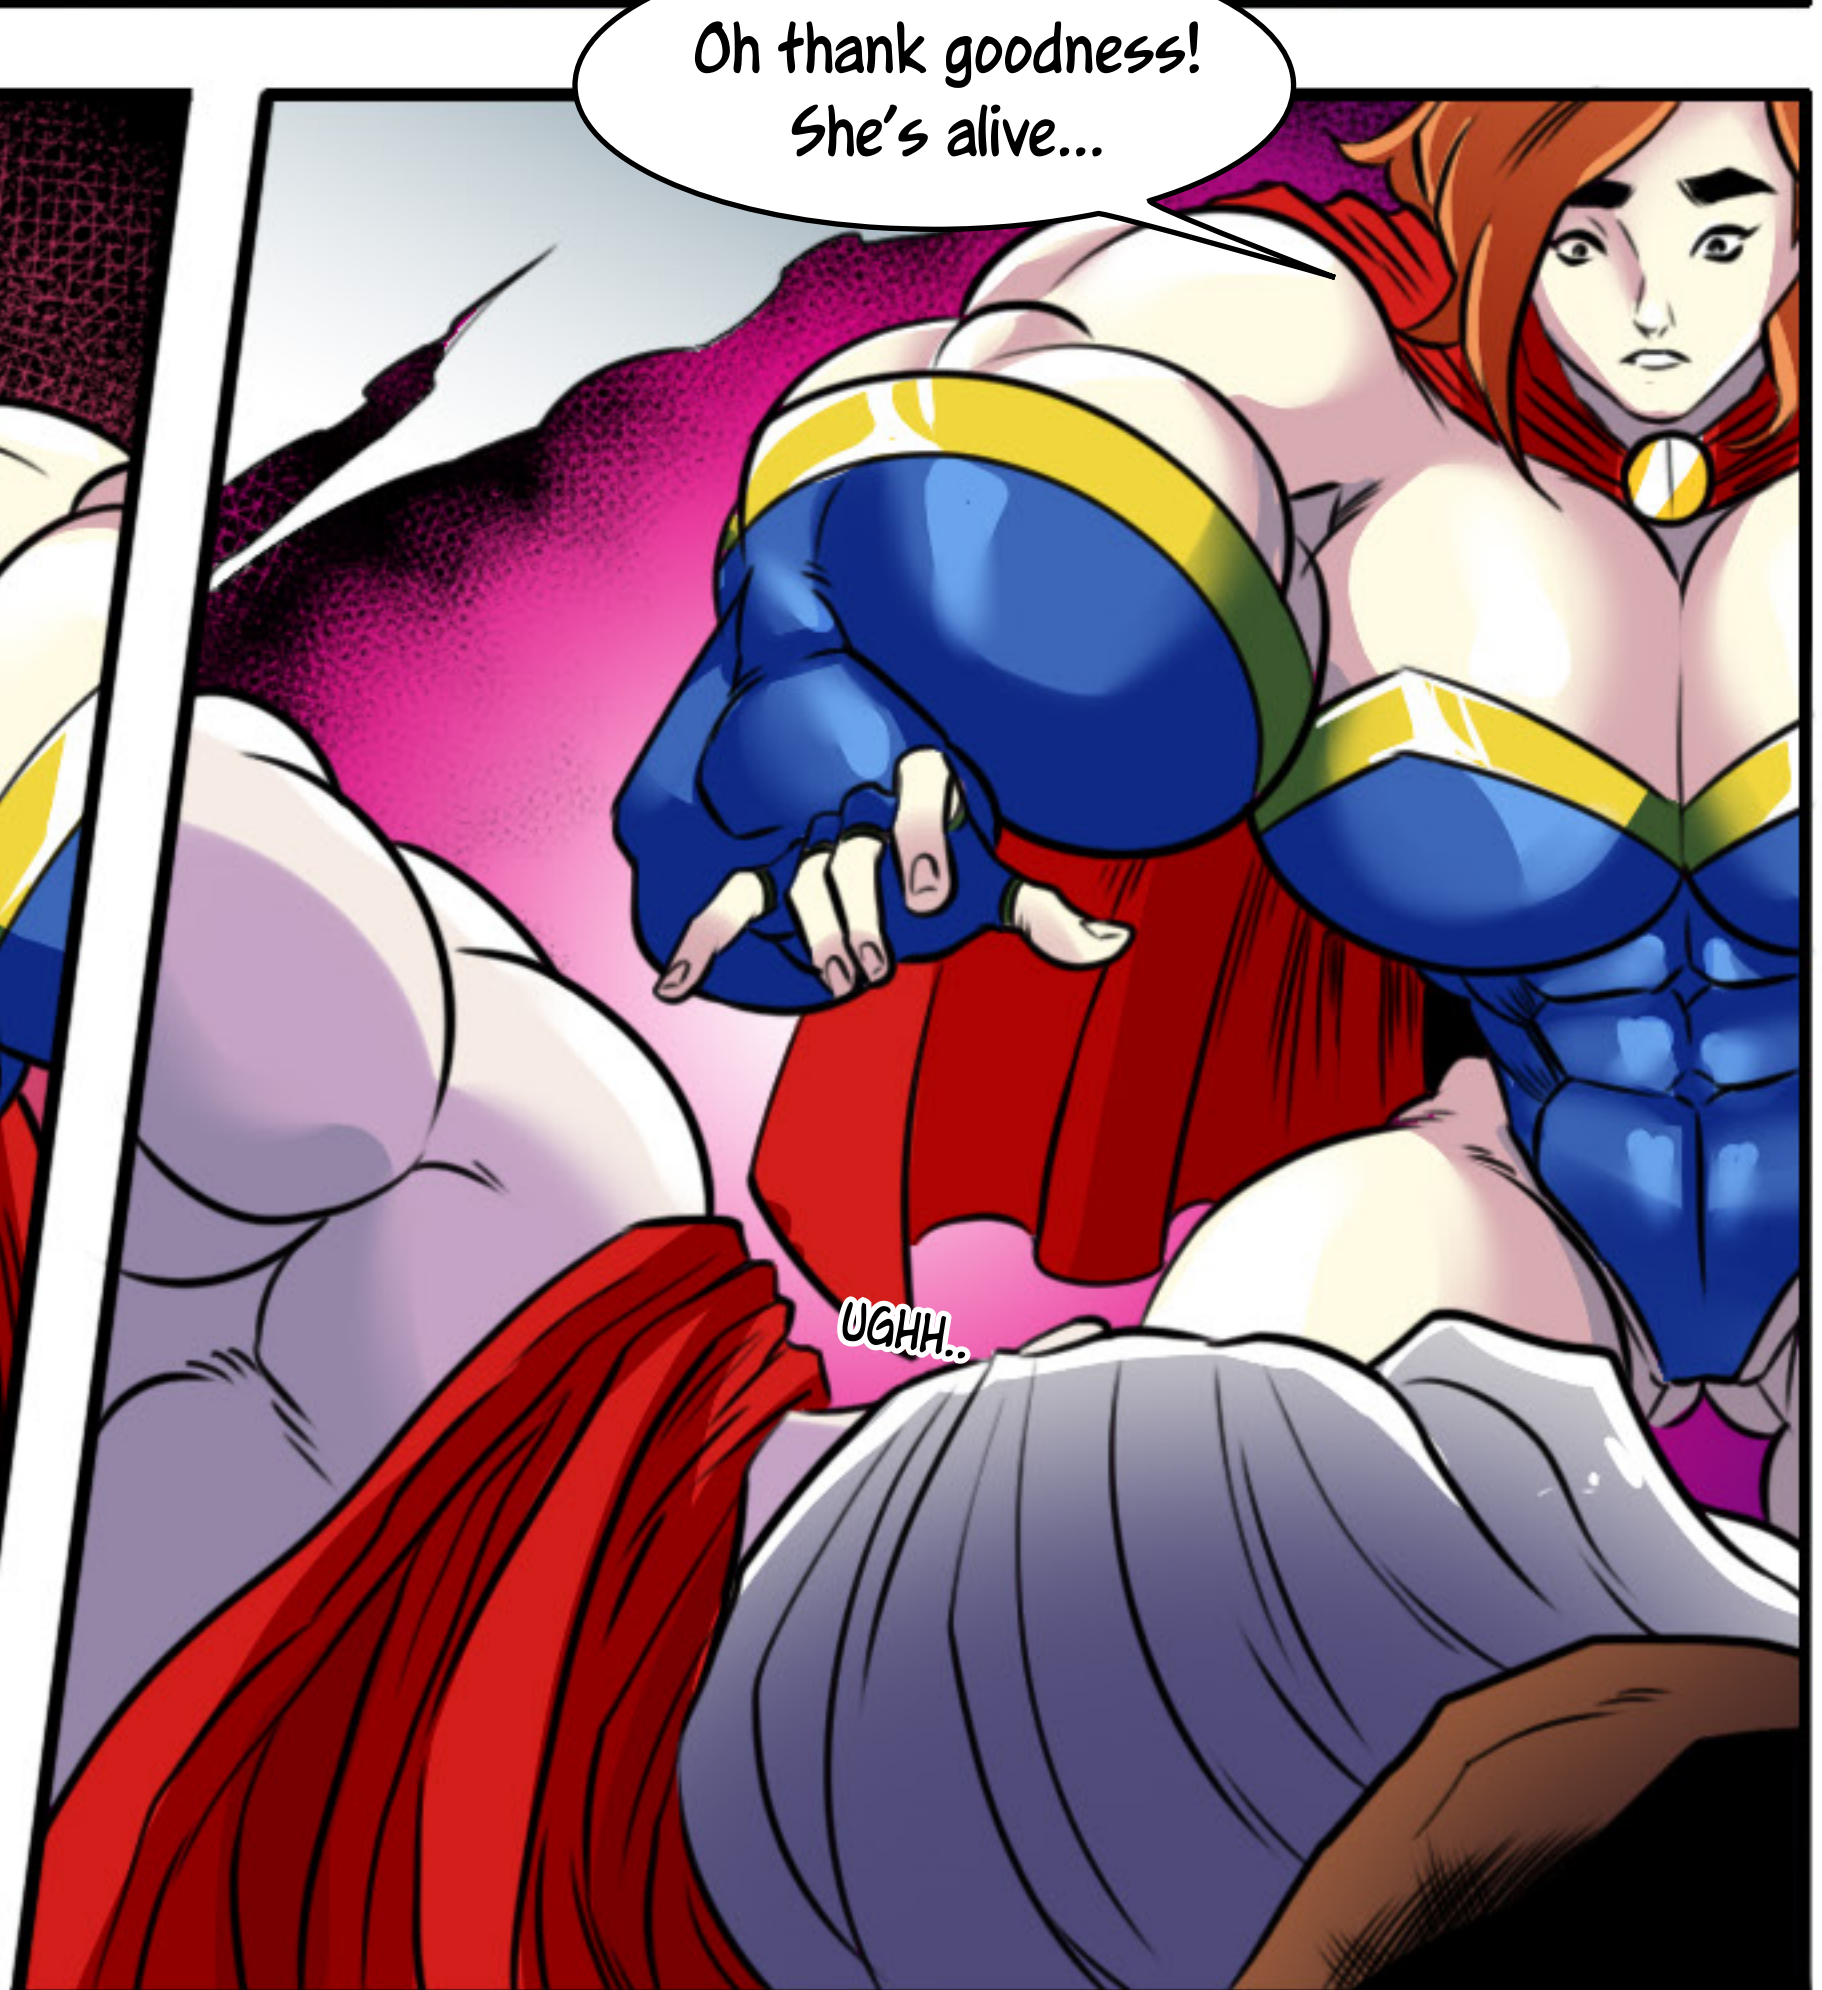

...RRRRRAAAAAGGGGHHHH!!!

WAAAAH!!!

Uuuggghhh!!

KRIAGGSH!

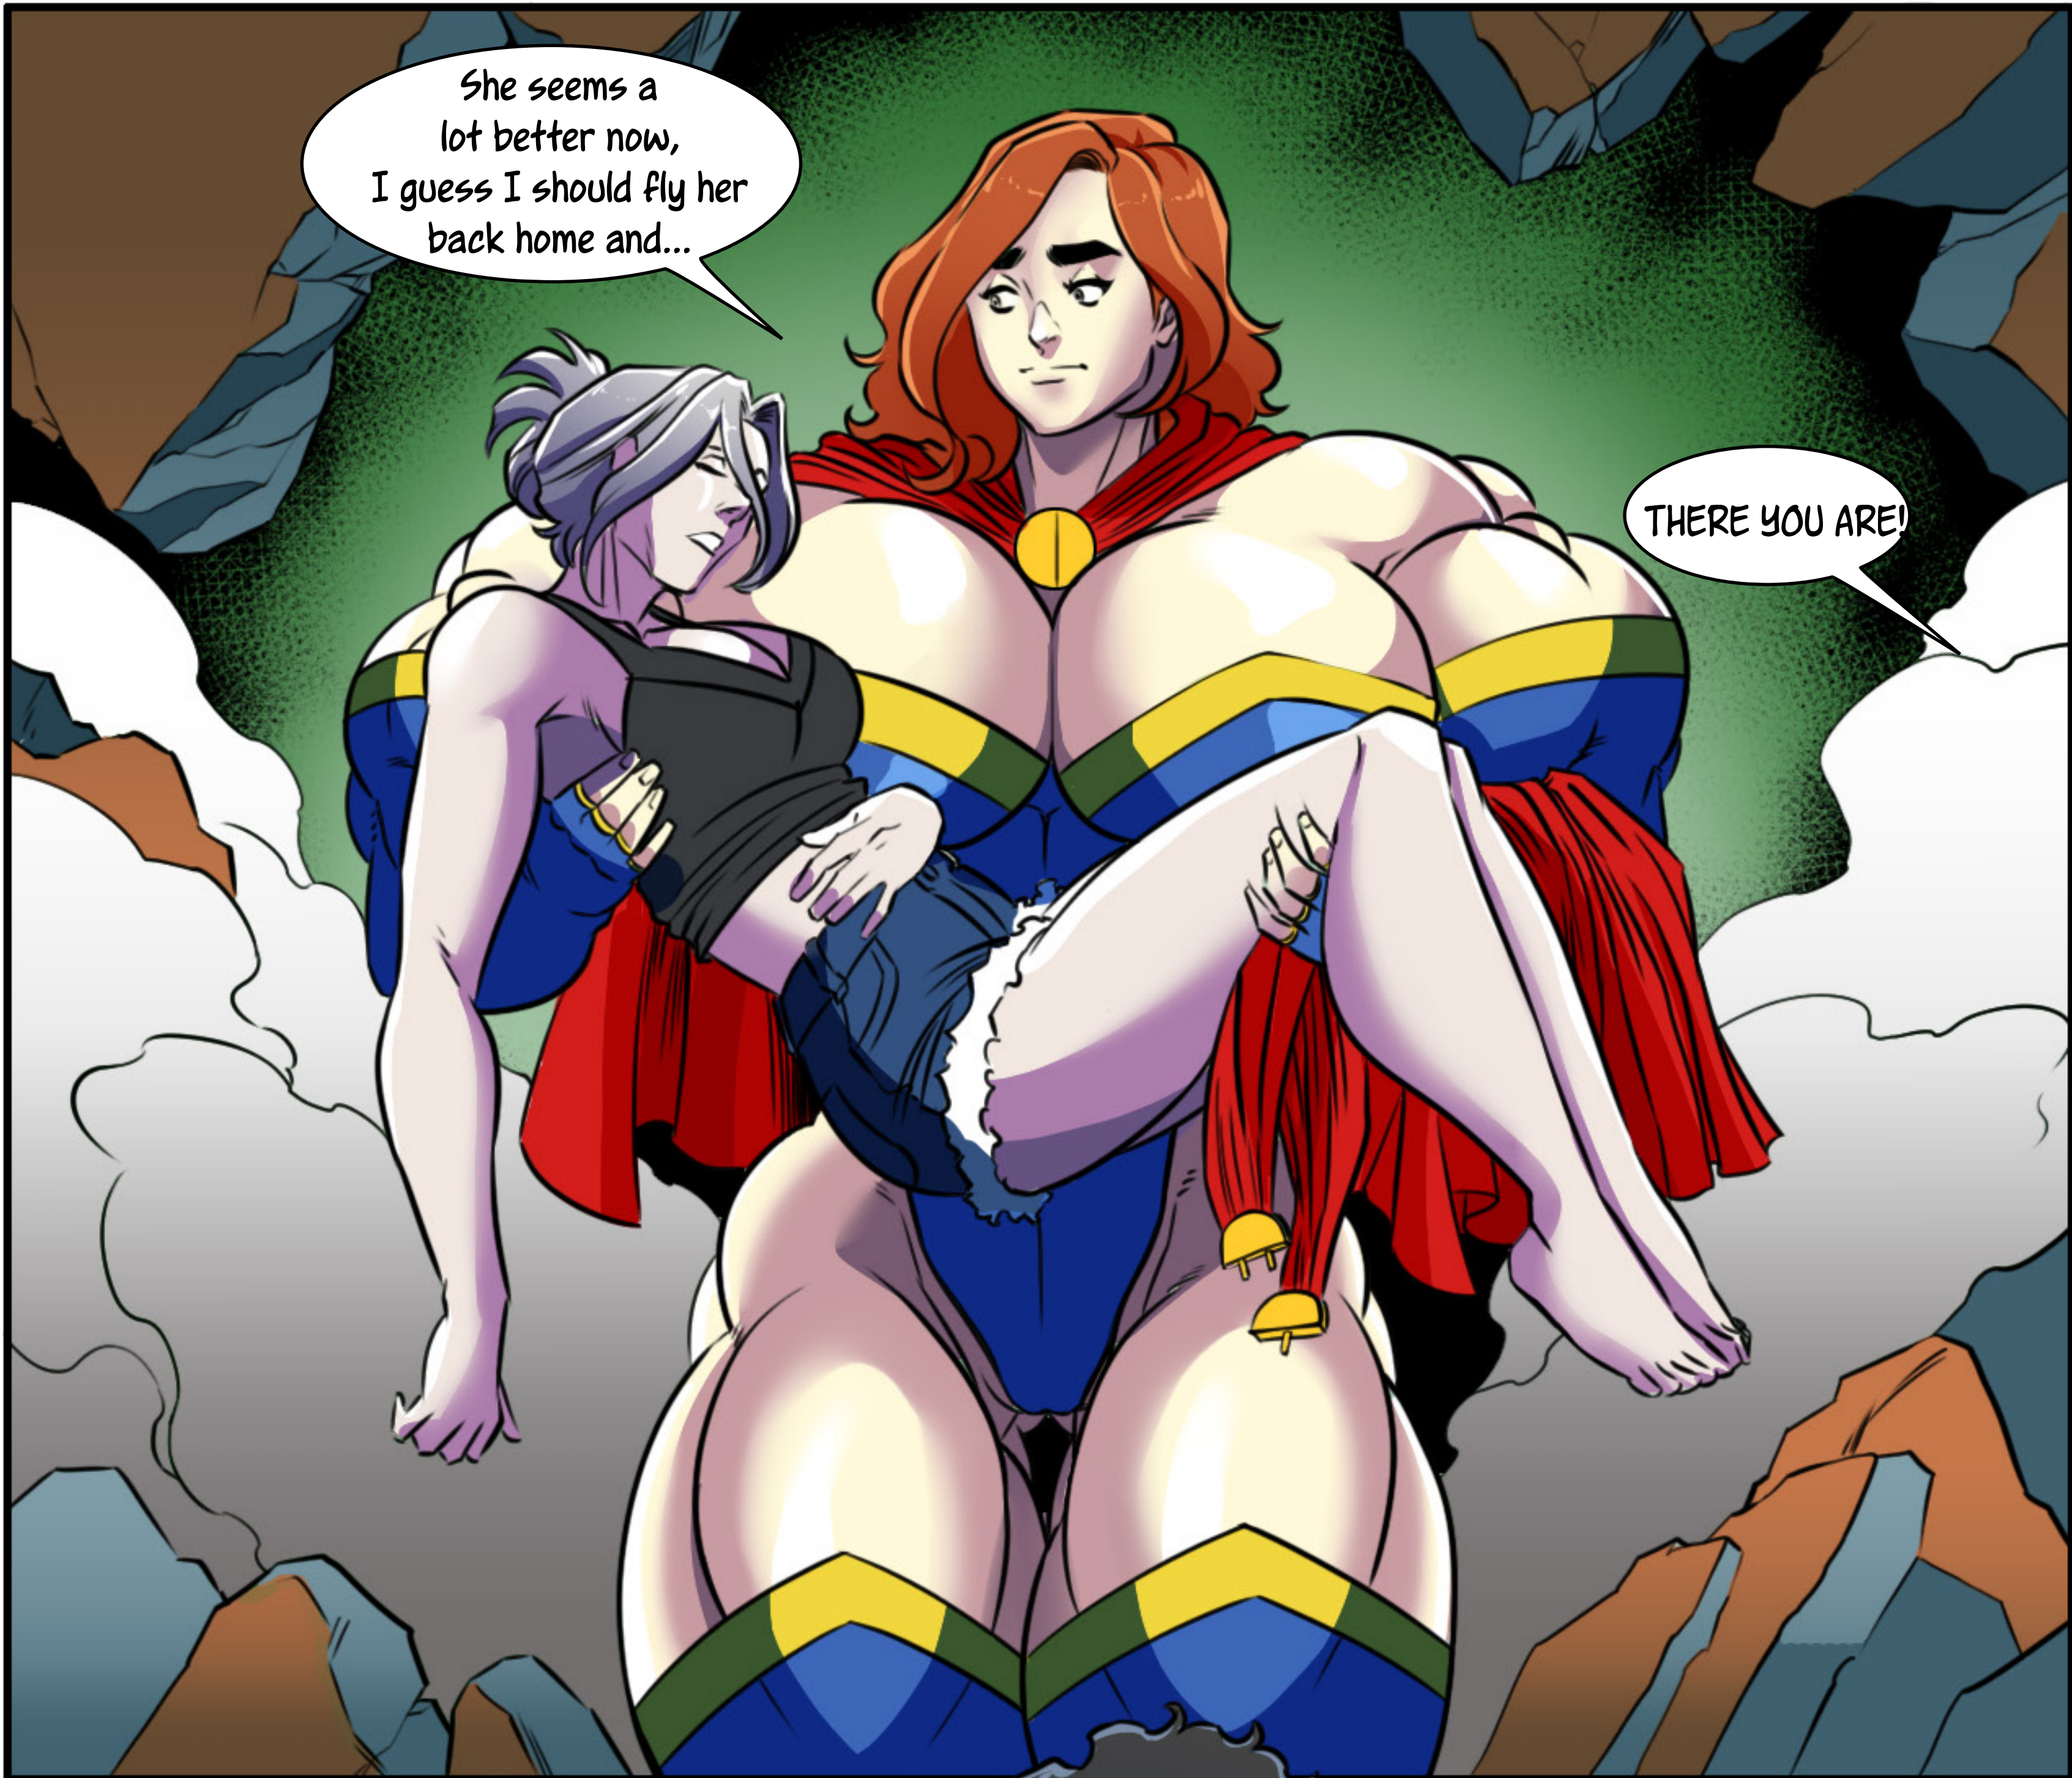

I must have just knocked her out. Better get this cloak off before she wakes up.

Oh!  
She healed when she changed back.

Me? Why?  
Who are you!?!?

Actually  
I wasn't talking to you,  
but since you asked...  
I'm Mega Woman.

You have my cloak...  
can I have it back  
please?

To be continued...
