A short time later...

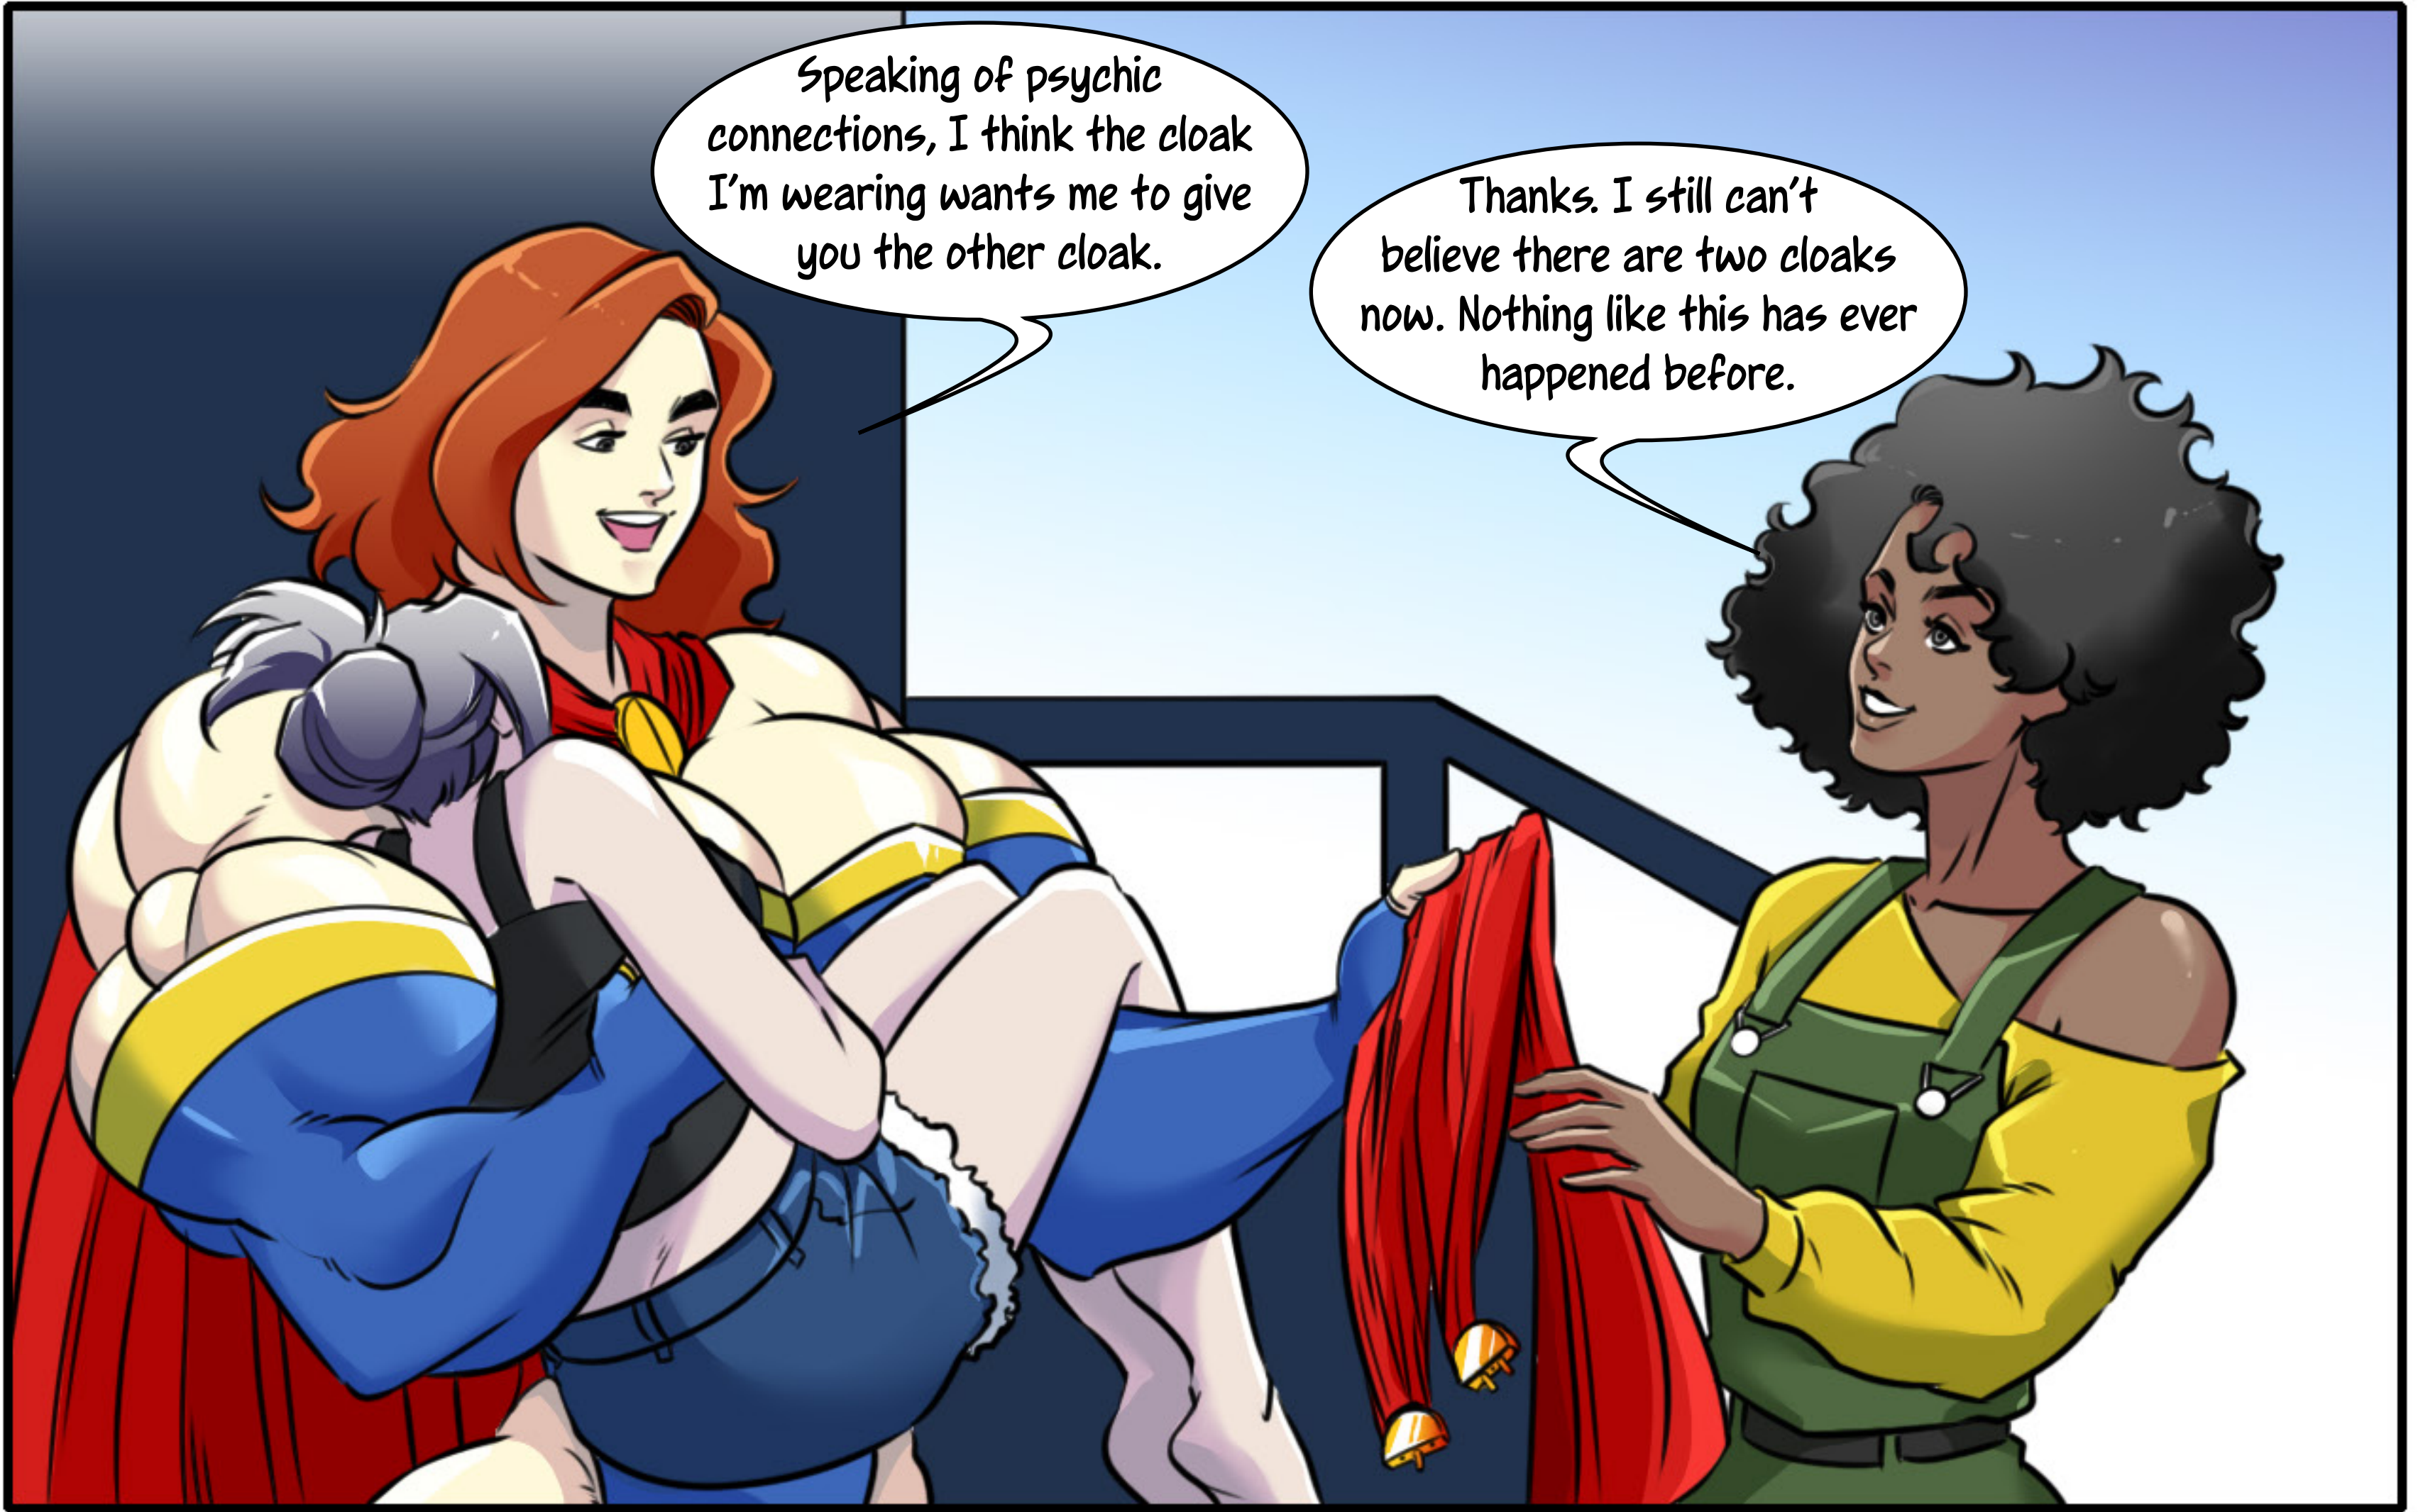

...and then that's when you came running up to me.

Yeah I was getting quite a workout. I'd been using my psychic connection with my cloak to lead me to it.

Speaking of psychic connections, I think the cloak I'm wearing wants me to give you the other cloak.

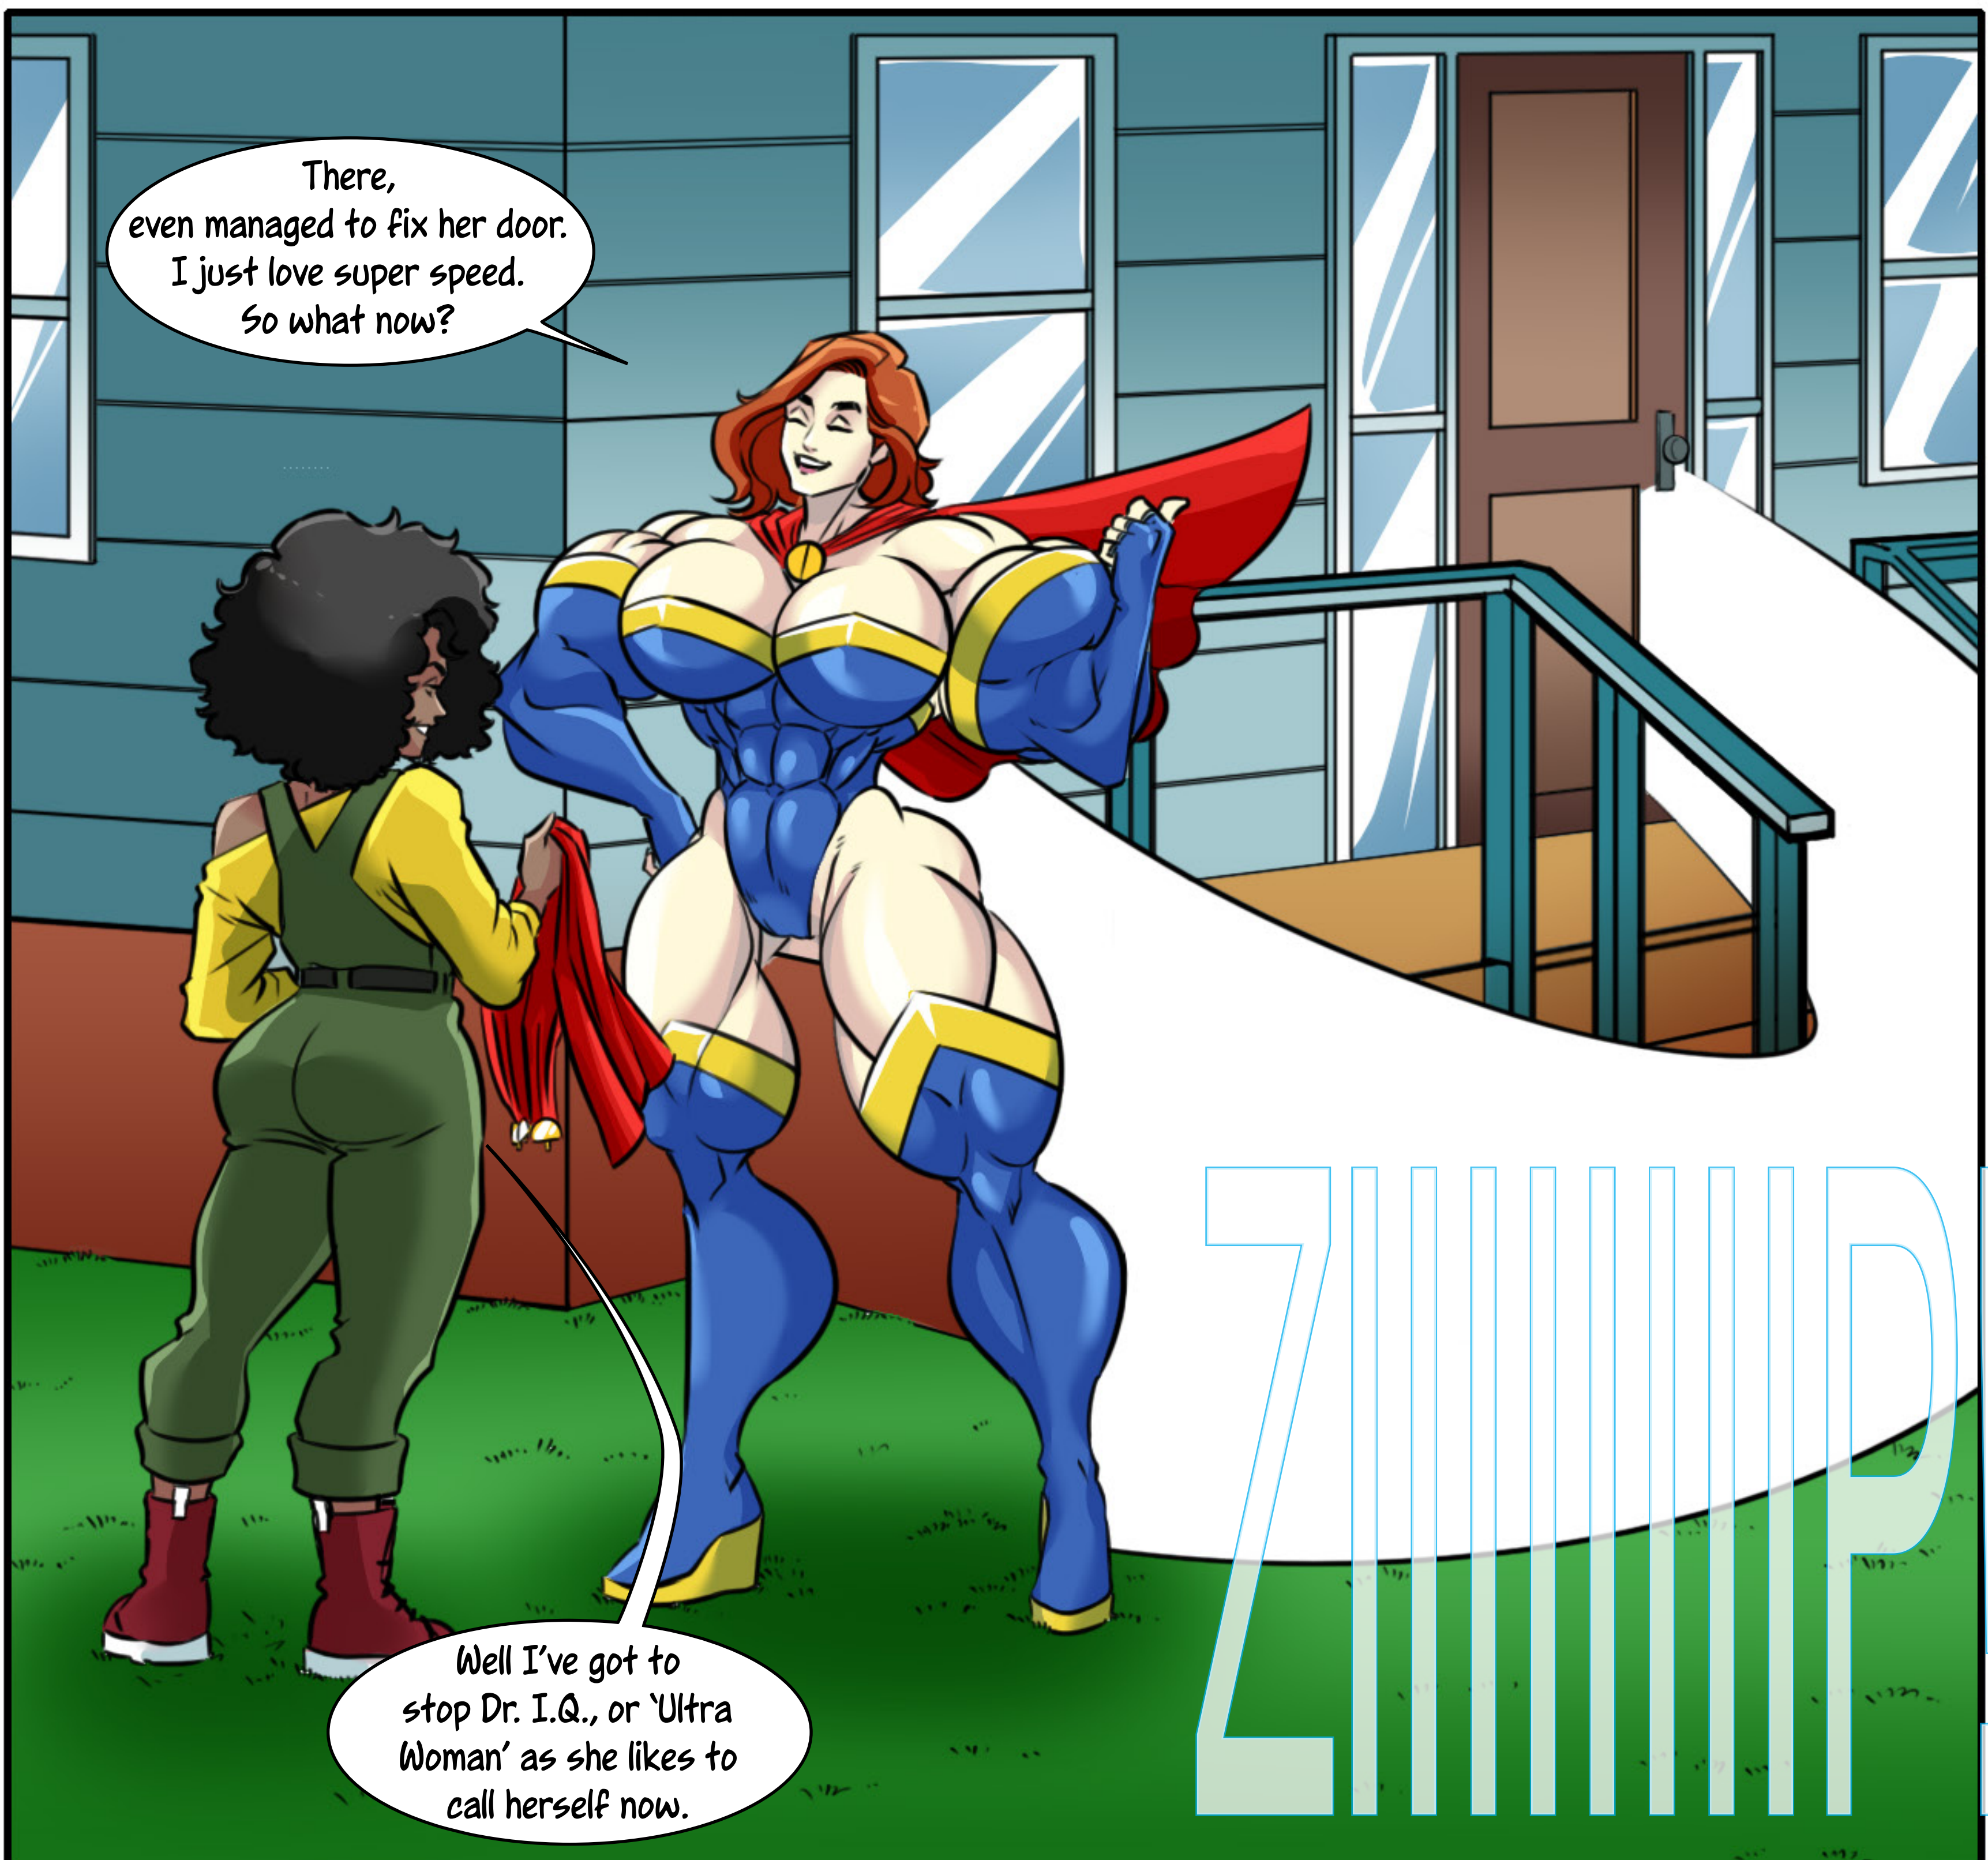

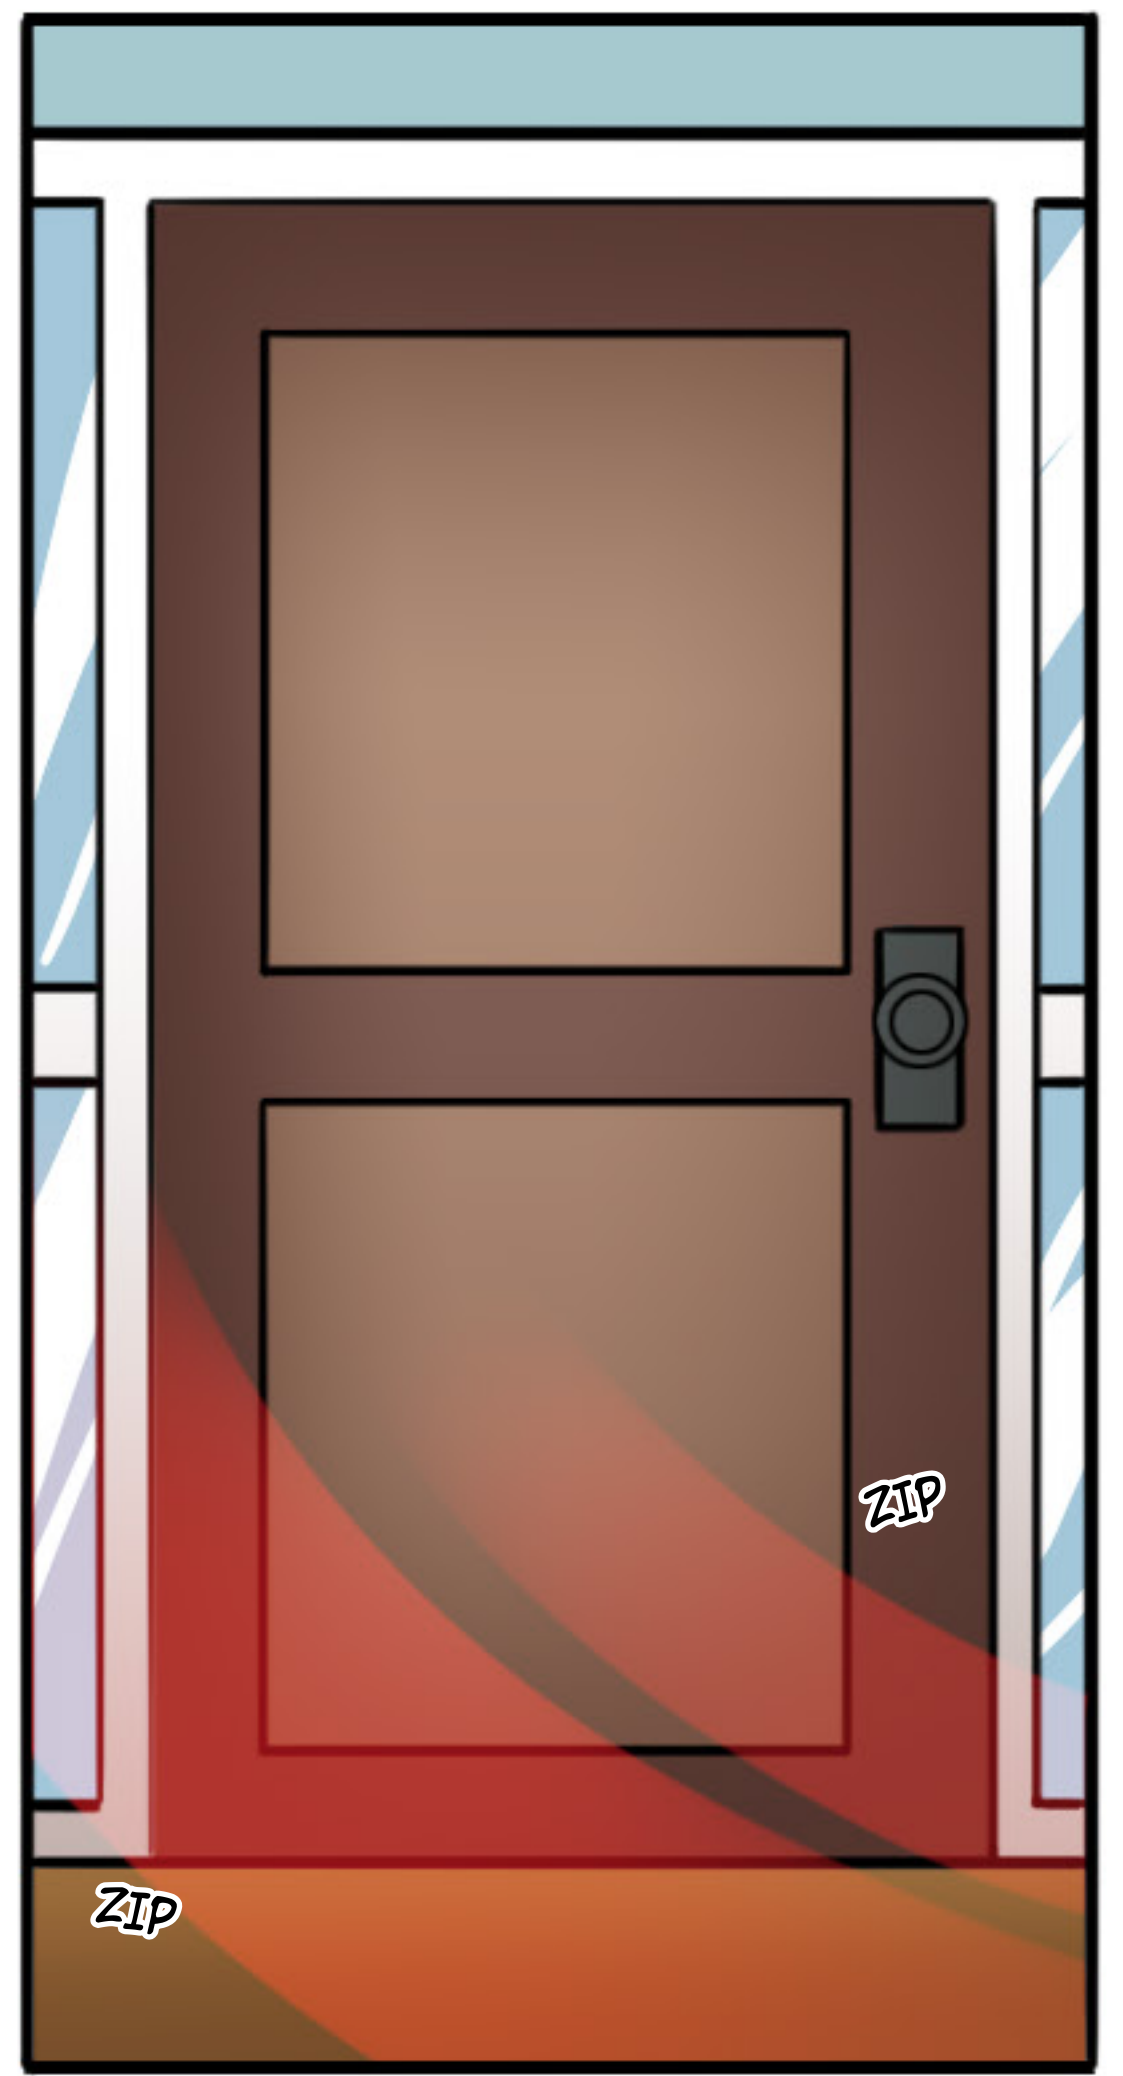

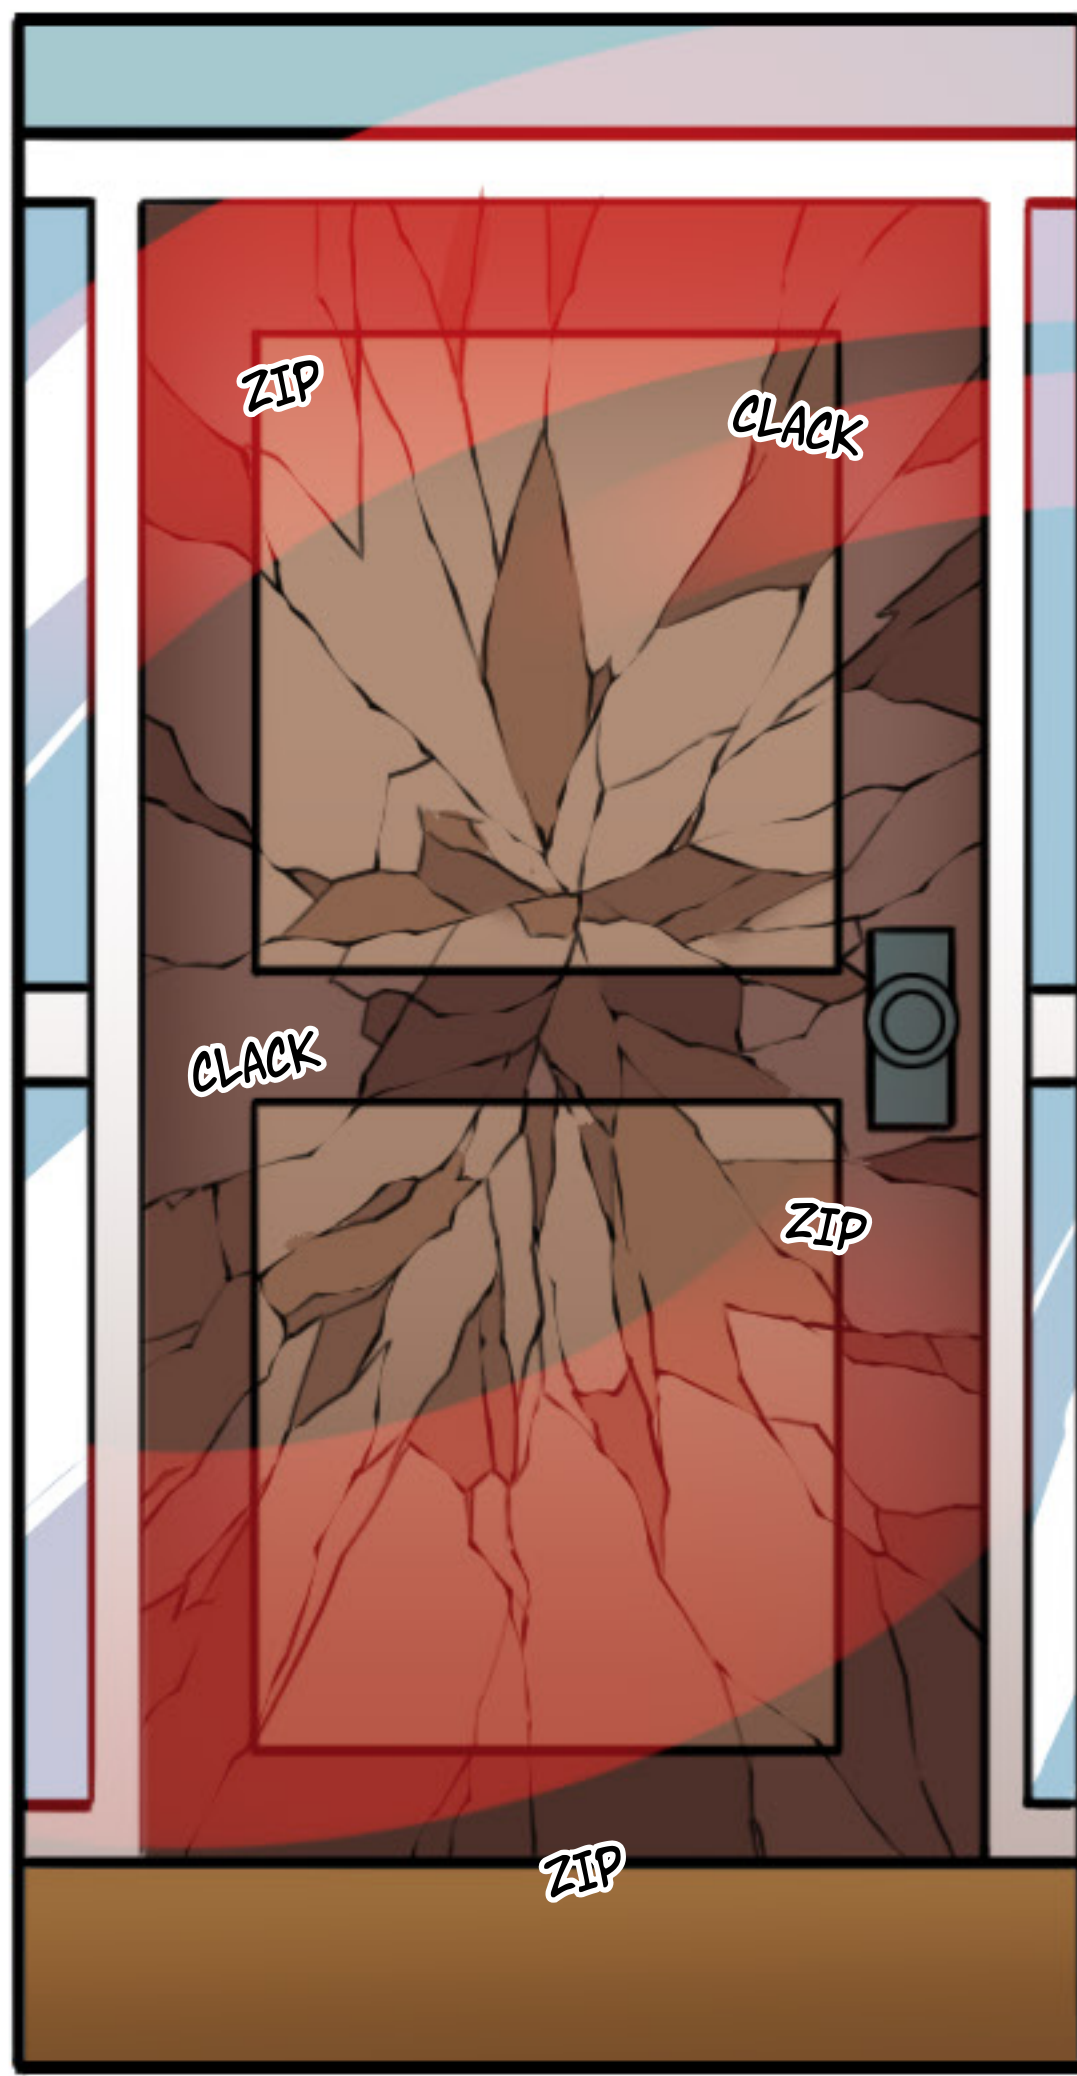

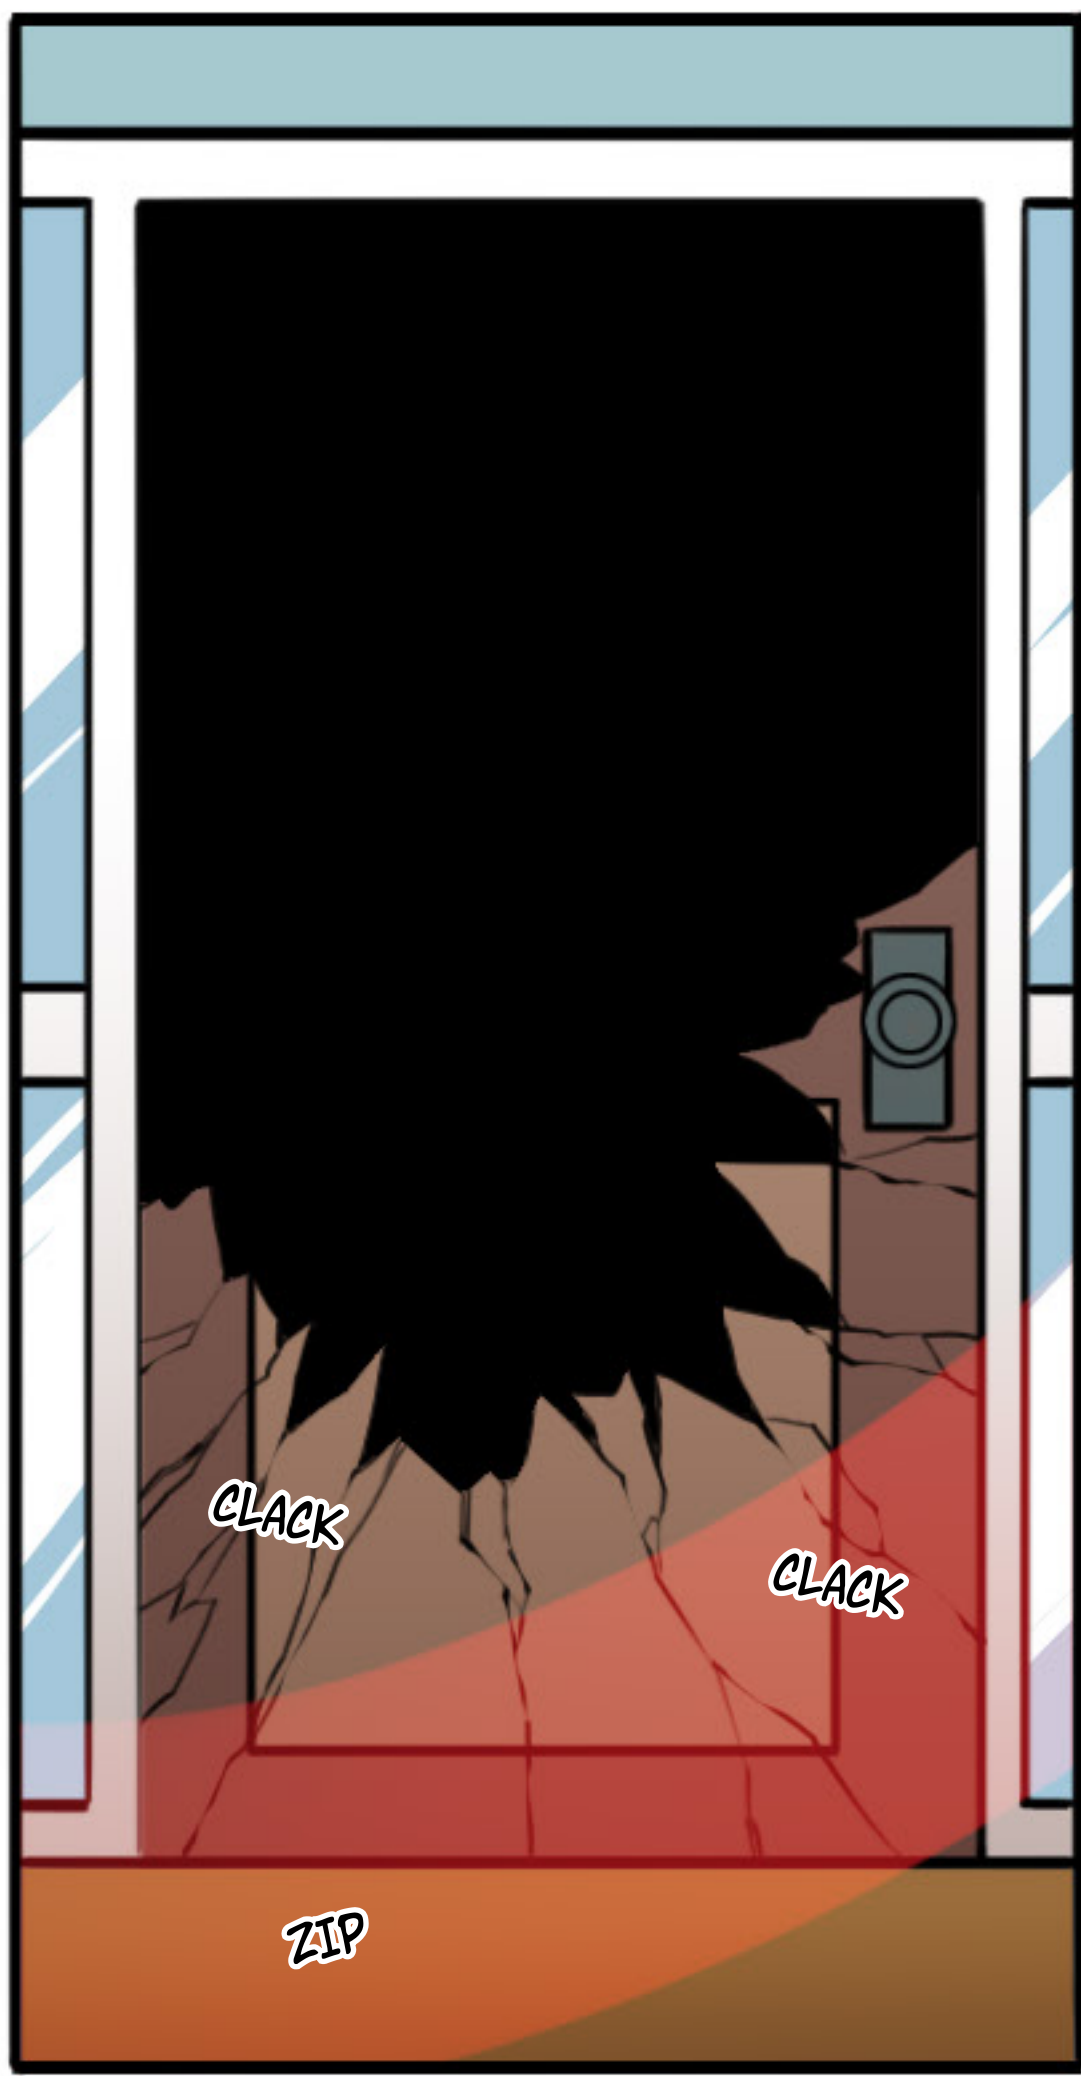

Thanks. I still can't believe there are two cloaks now. Nothing like this has ever happened before.

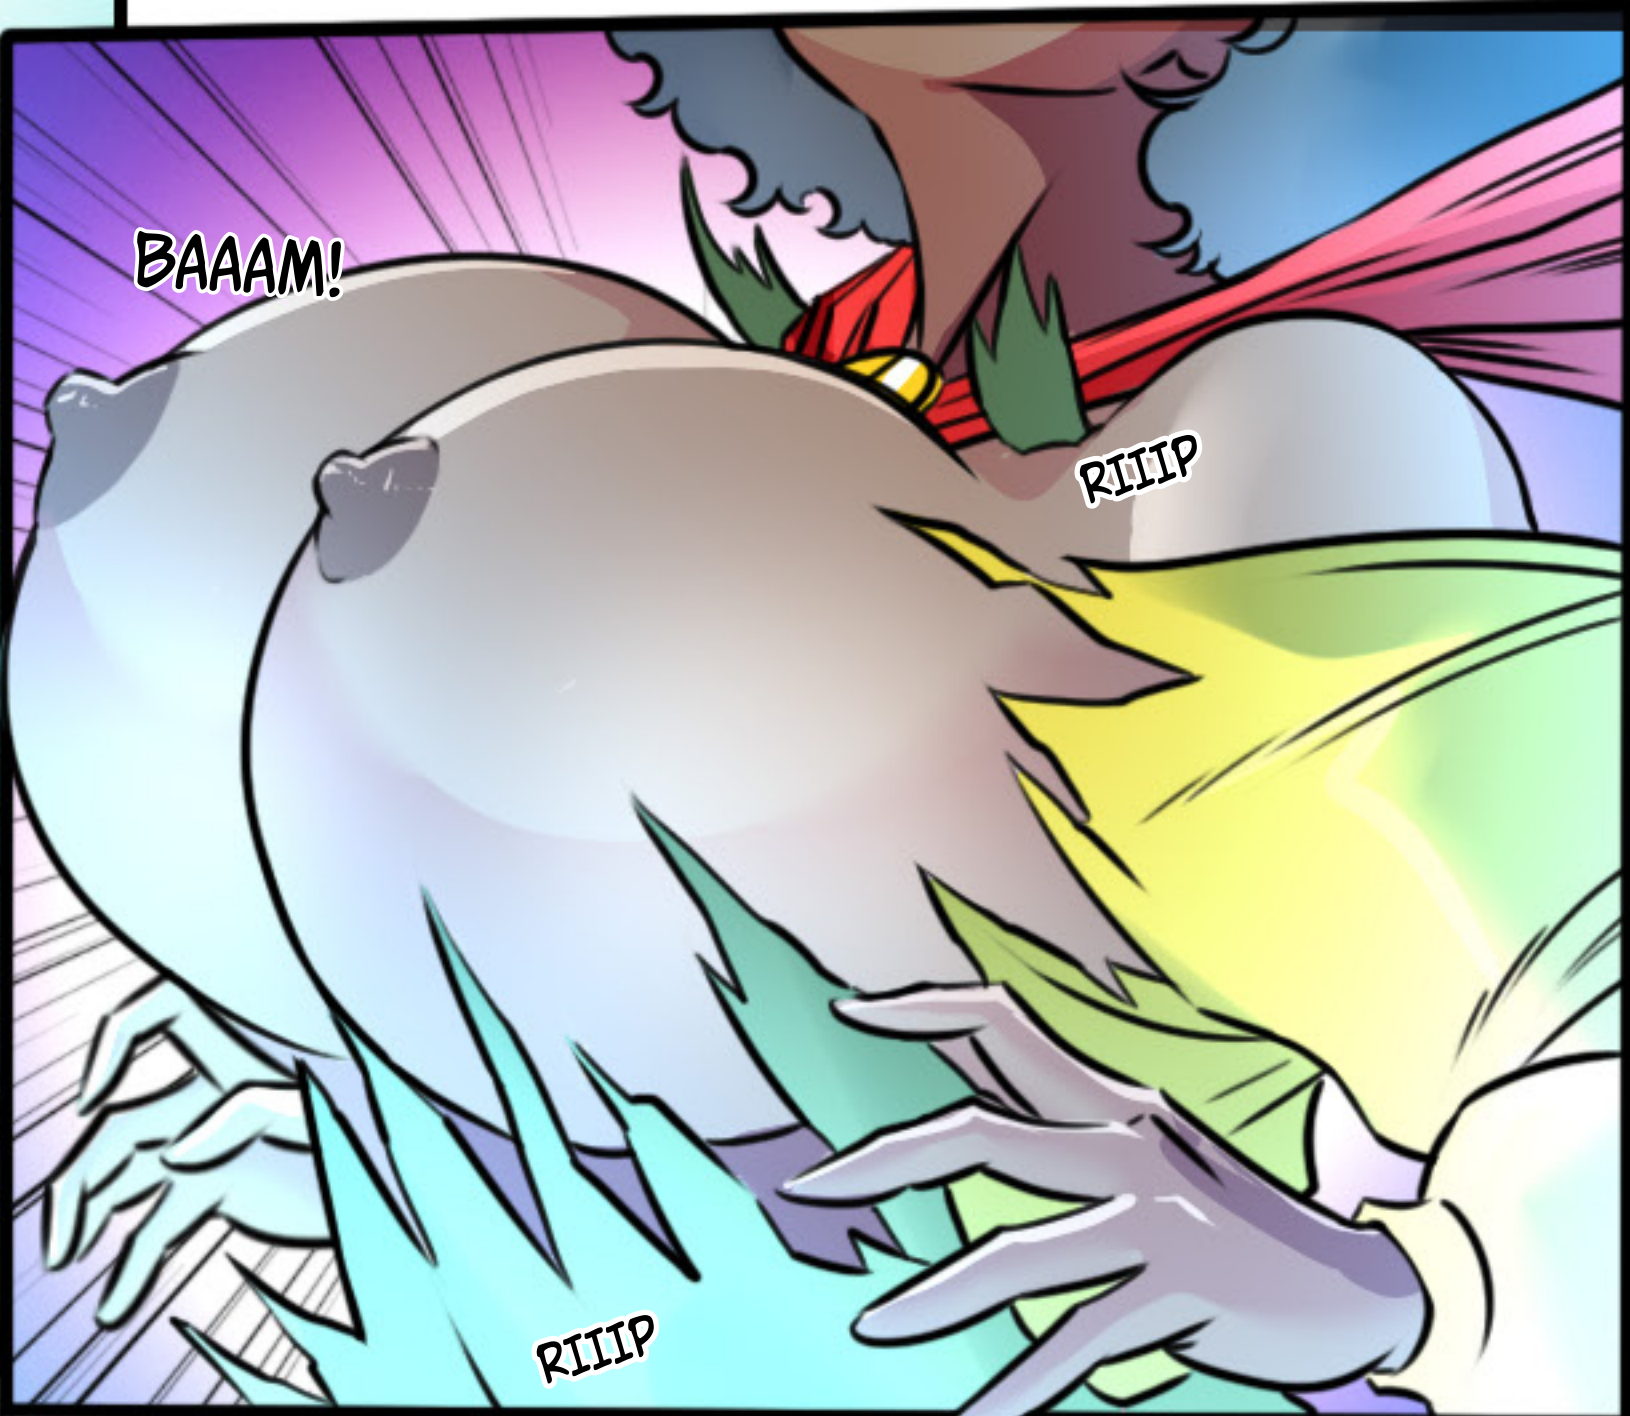

One sec, while I put Betty in her bed. Maybe she'll wake up and think it was all a dream.

Let's hope so.

**I AM
MEGA WOMAN!**

Now if you'll excuse me, I have to go.

You've shown yourself to be a hero, that's why I'm letting you keep the second cloak. But it's just too dangerous for you too...

Listen you said it yourself, this Ultra Woman already beat you once without even trying. You don't stand a chance alone.

But maybe together we have the power to stop her!

Ok, I see your mind's made up. Let's go, but remember to be careful.

I just hope I can think of some way to stop her. She has all our powers and then some, but no weaknesses.

Yeah, about that... I have an idea... I'll tell you on the way.

Later...

**I AM
INVINCIBLE!**

We'll see about that!

Mega Woman!
You really aren't very bright are you?

GRAB

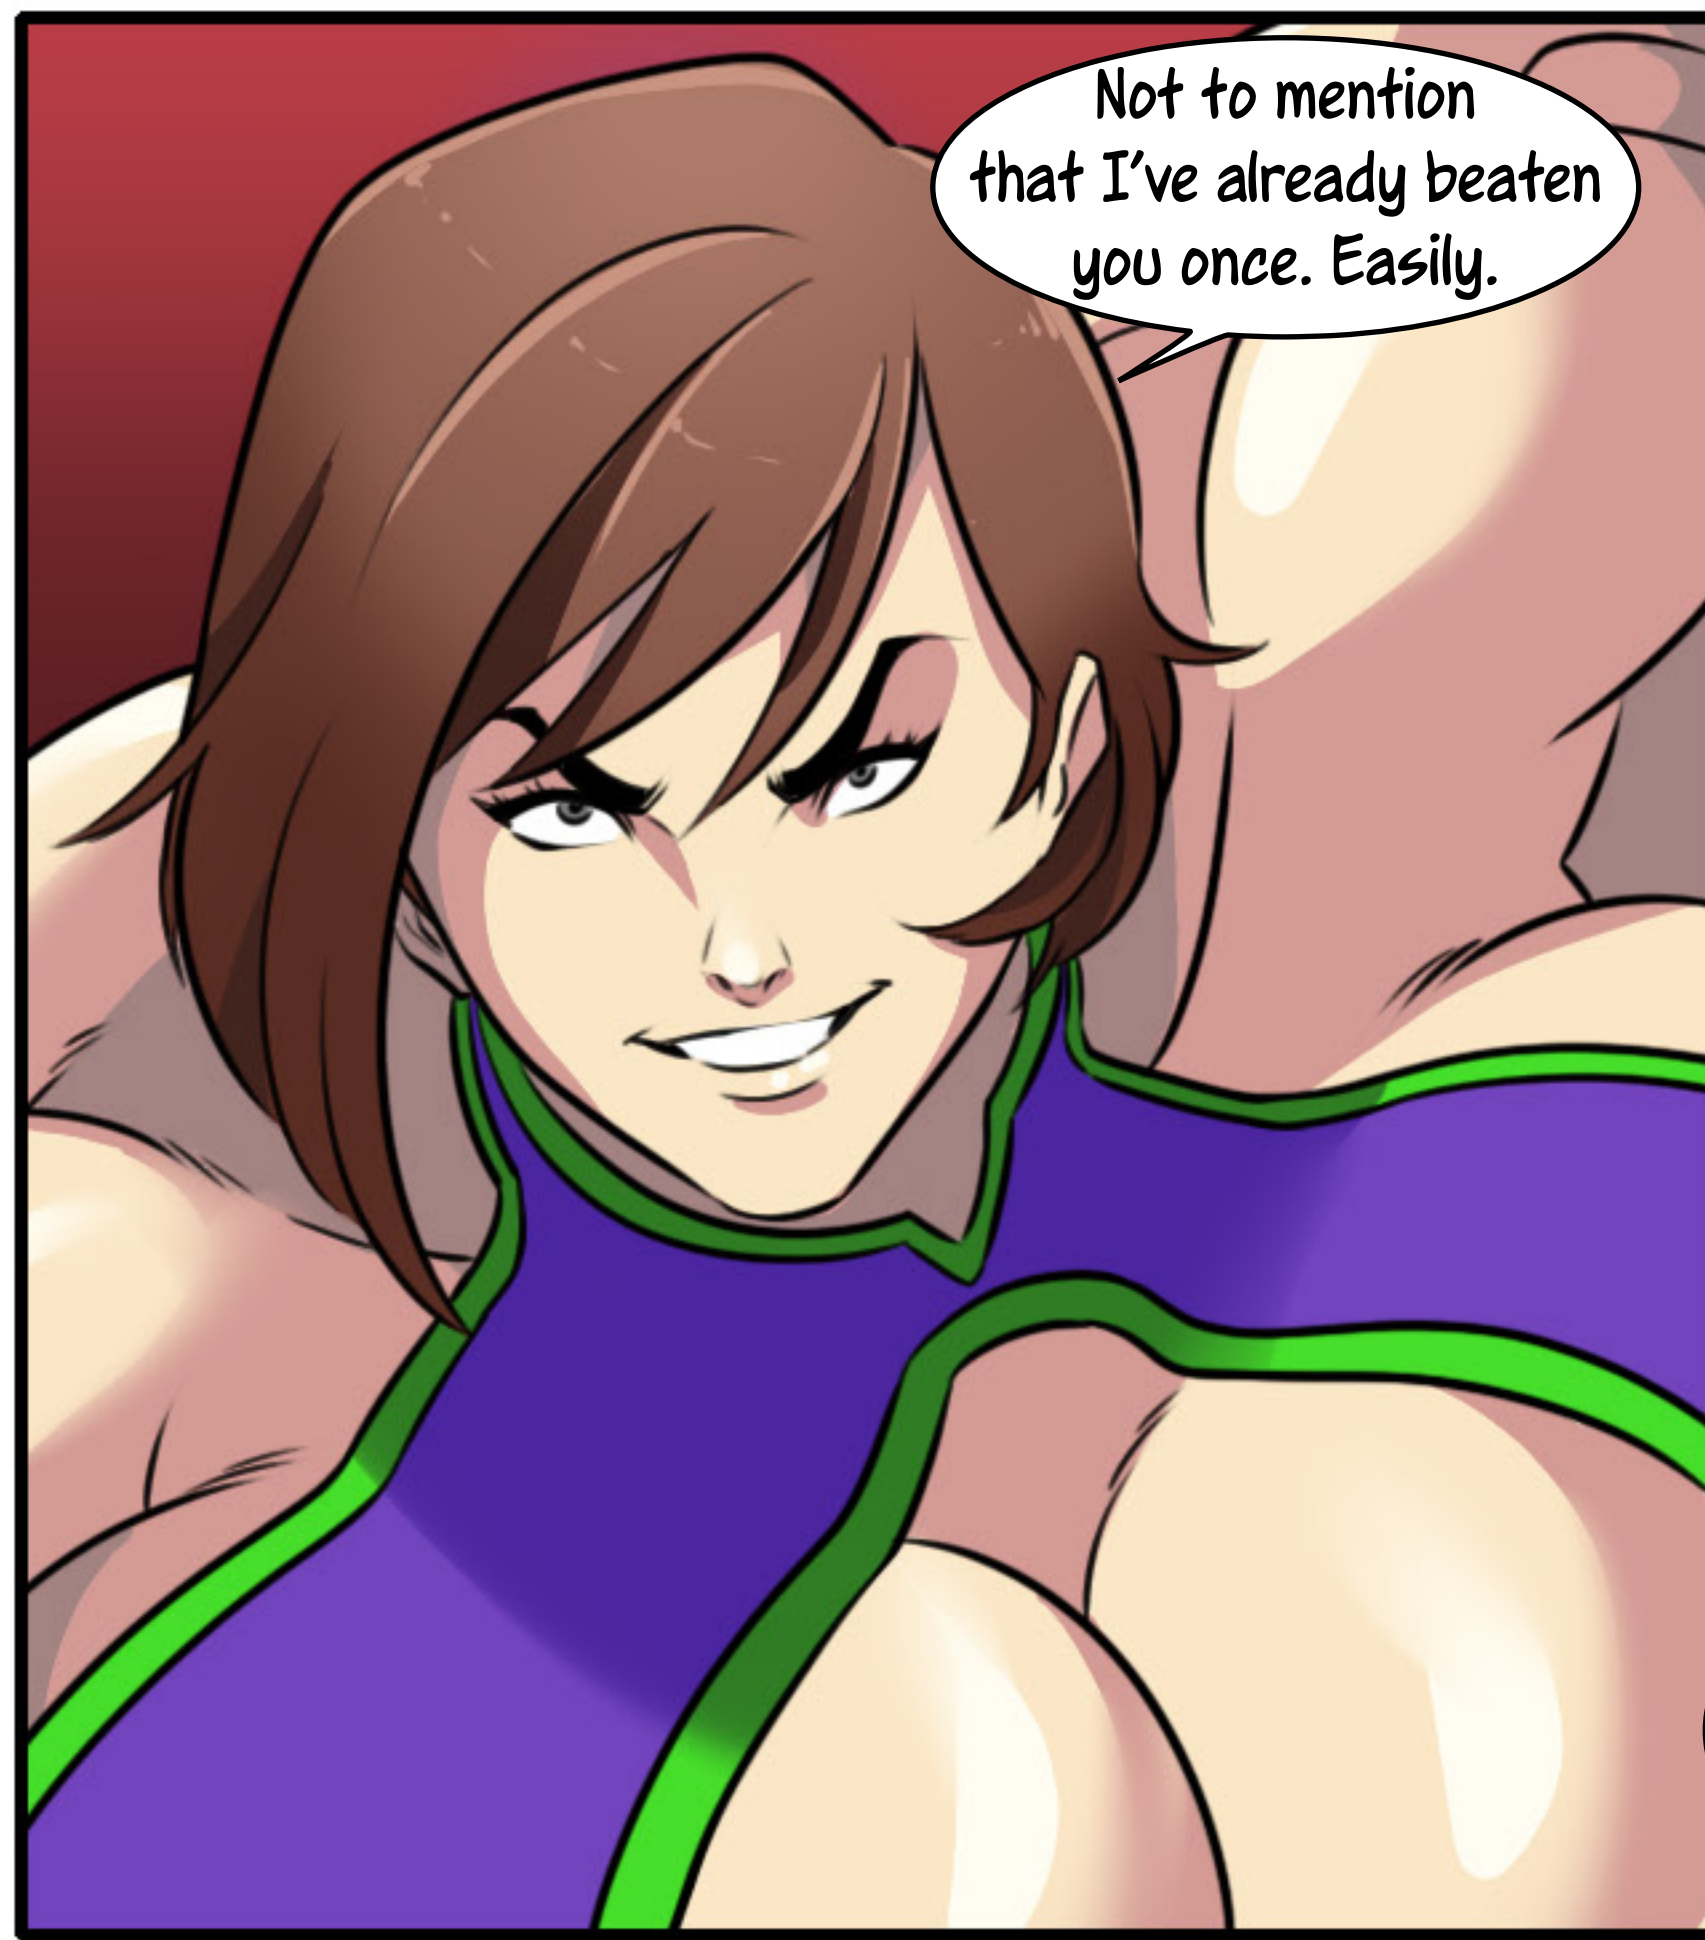

I mean...
since we last saw each other I've wiped out a large part of the military...

CRAAASSHHH!

...and every so-called superhero within hundreds of miles.

Not to mention that I've already beaten you once. Easily.

Well to be honest you took me by surprise last time. Allow me to return the favor...

NOW!

Wha...?

Is that it Mega Woman?
Did you and this other insect
really think that you had a
chance against me?

Eeerrrrrrrr!

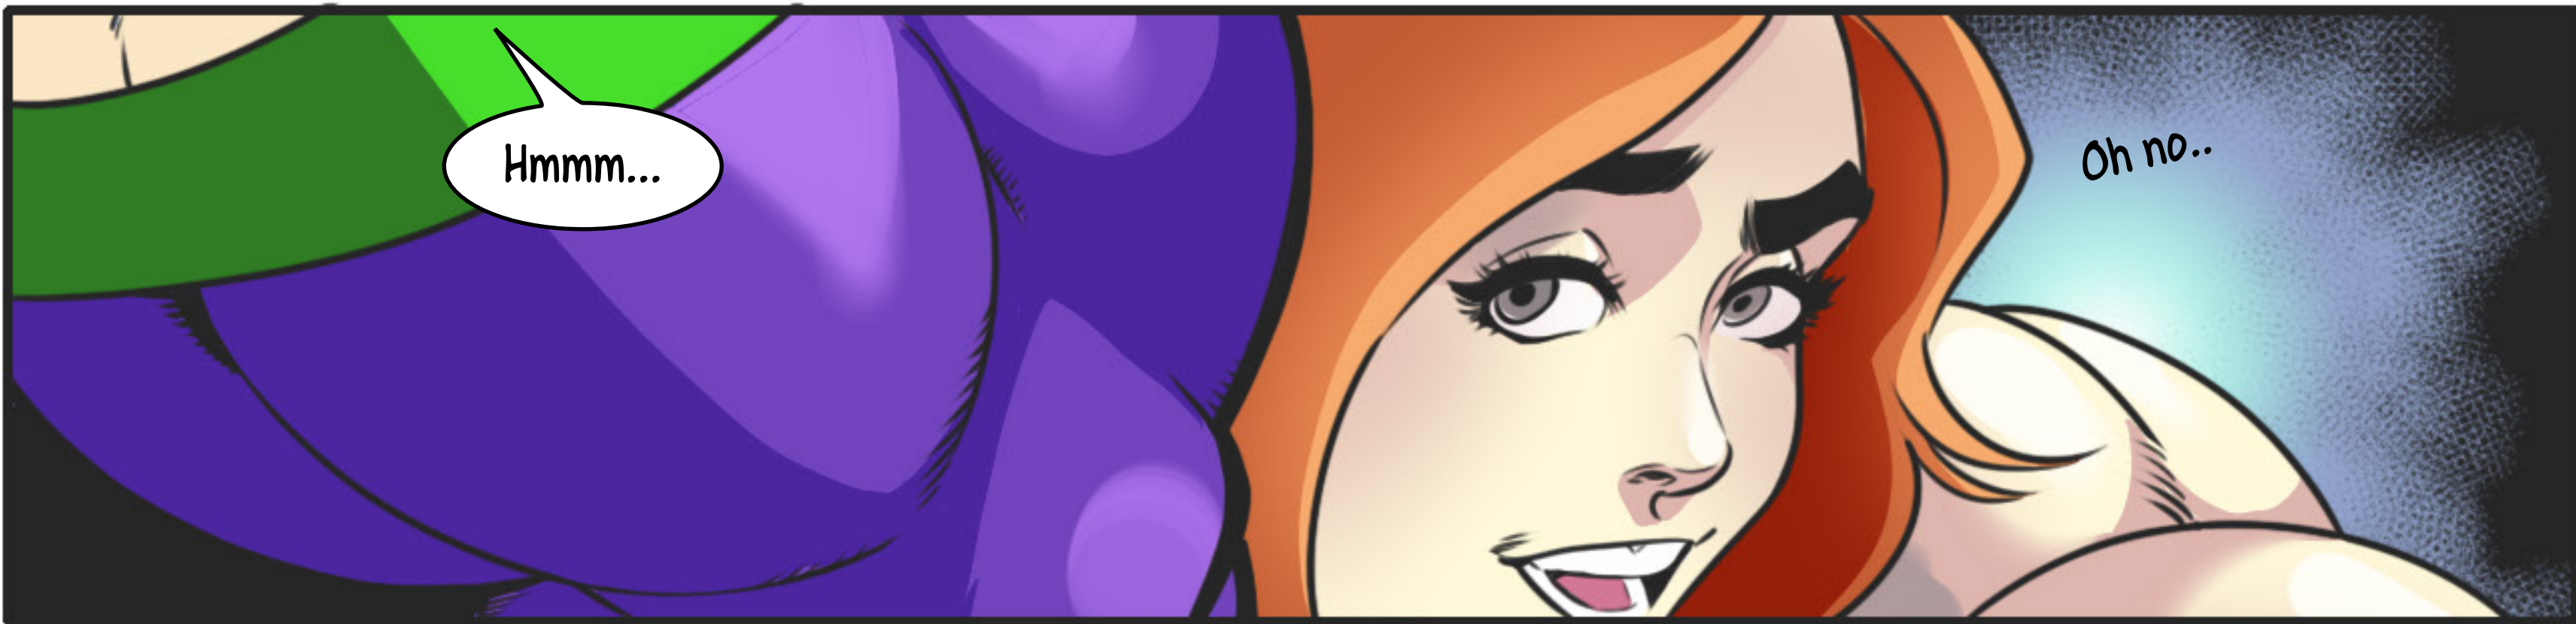

You were the mightiest person on the planet and now look at you...

OOOWWW!

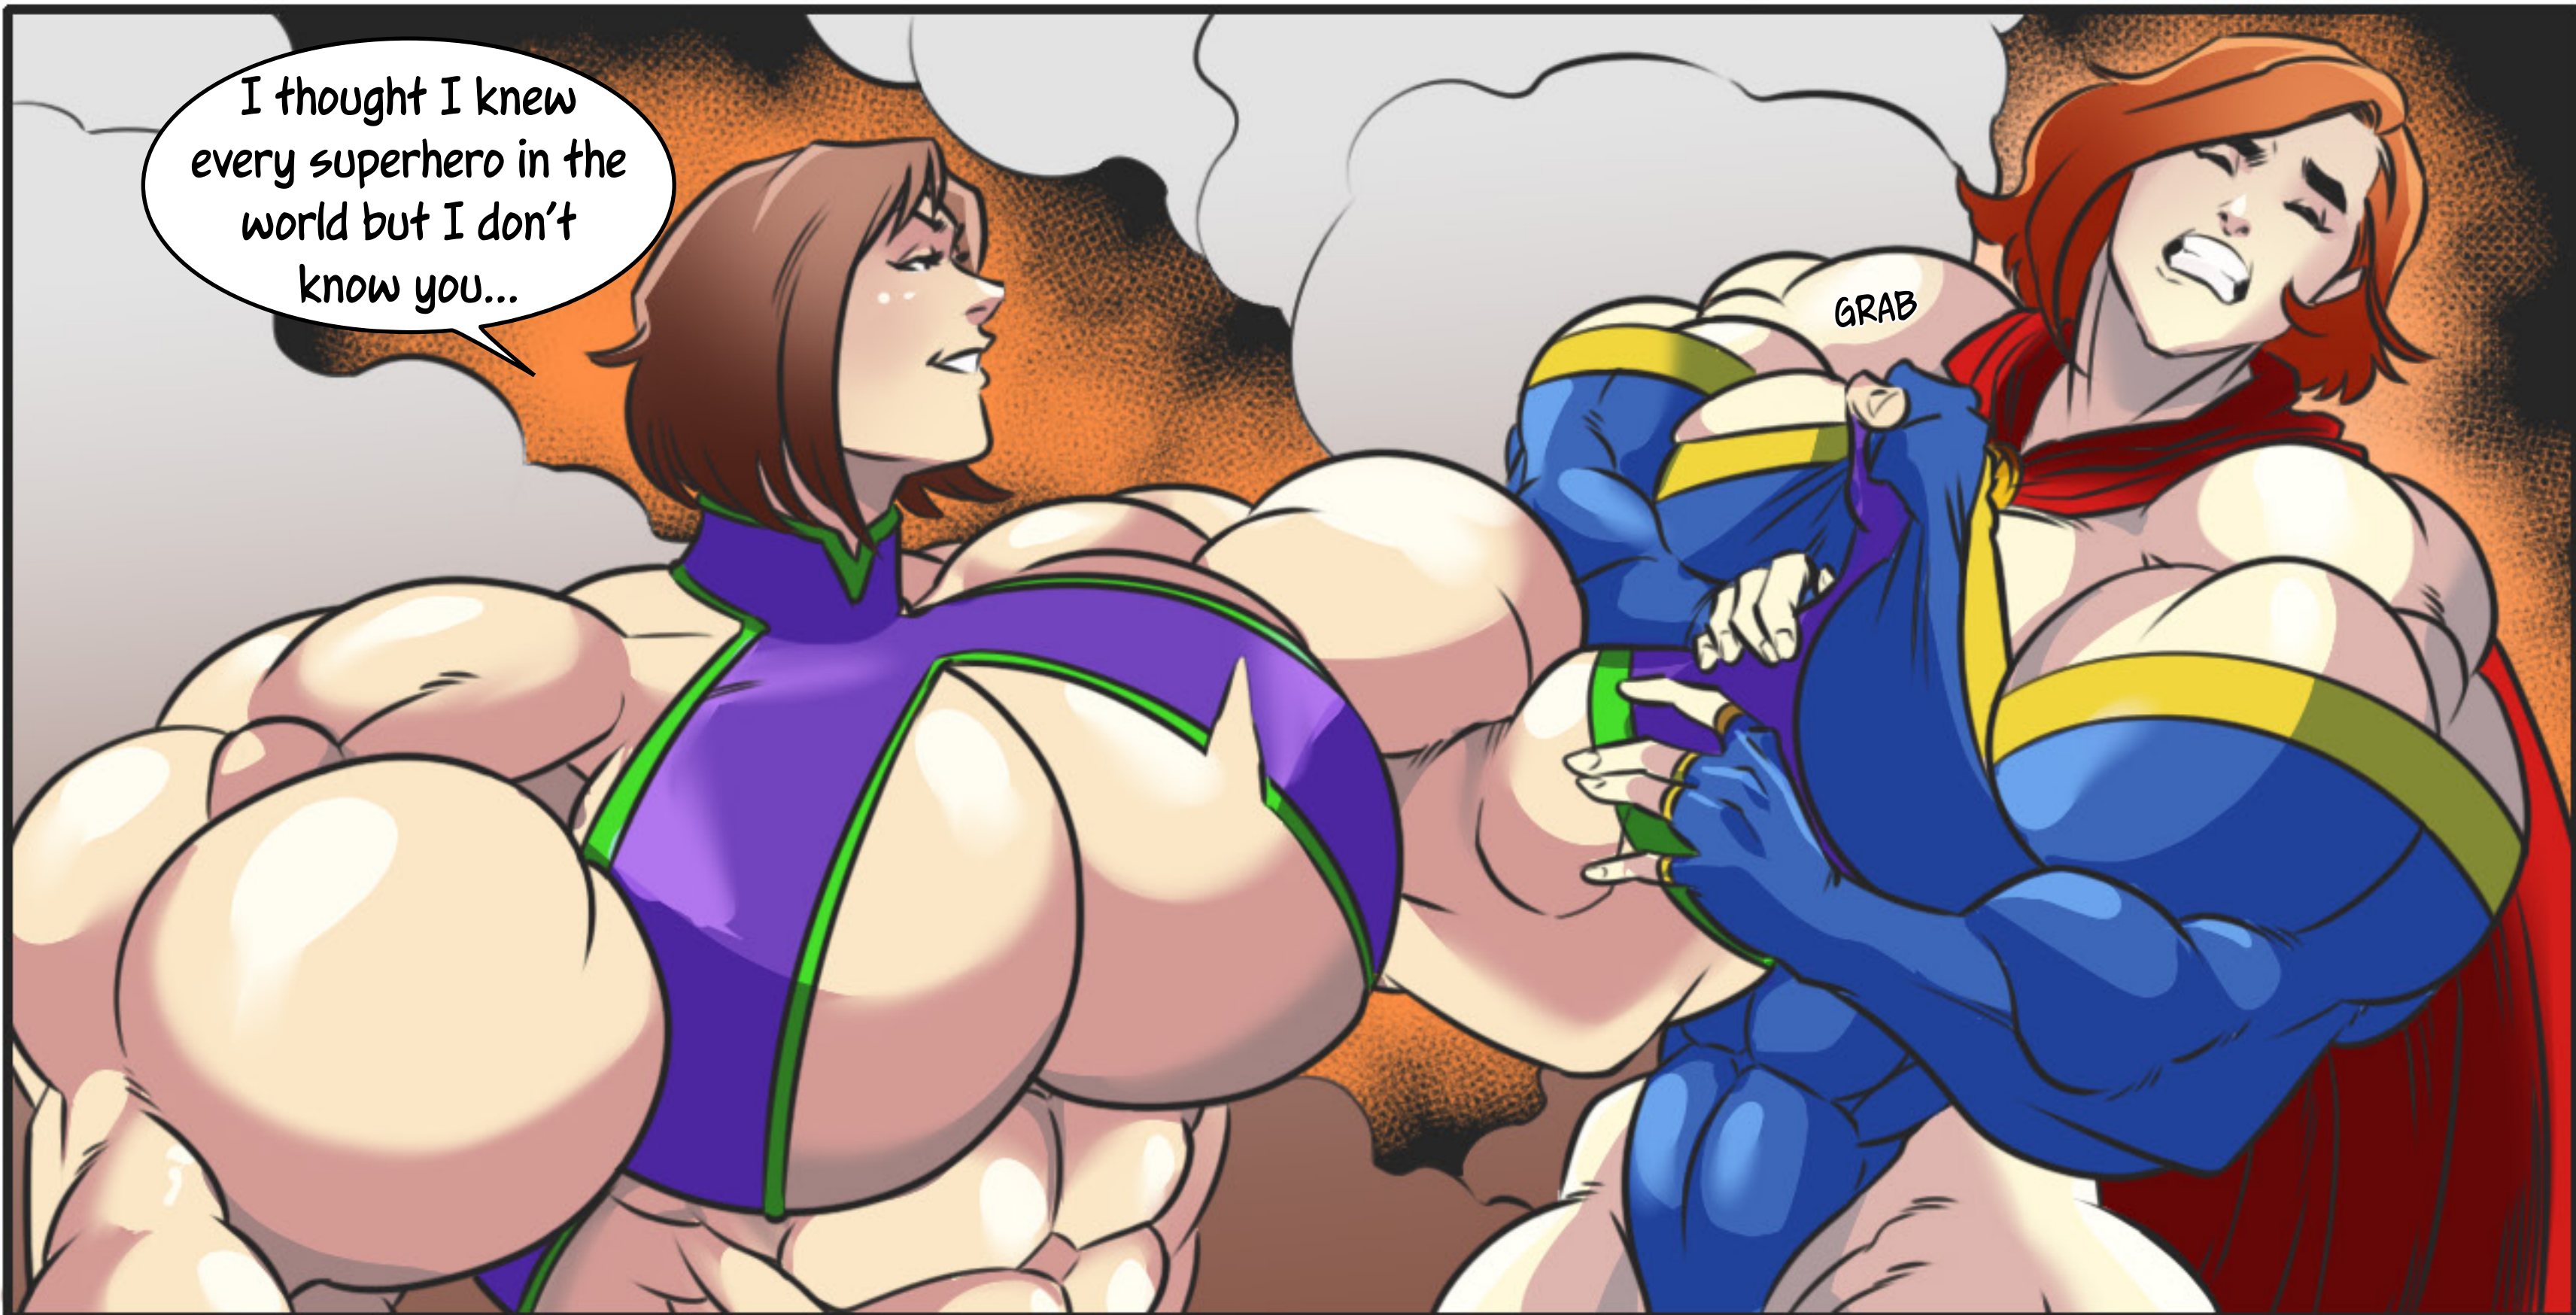

Pathetic!

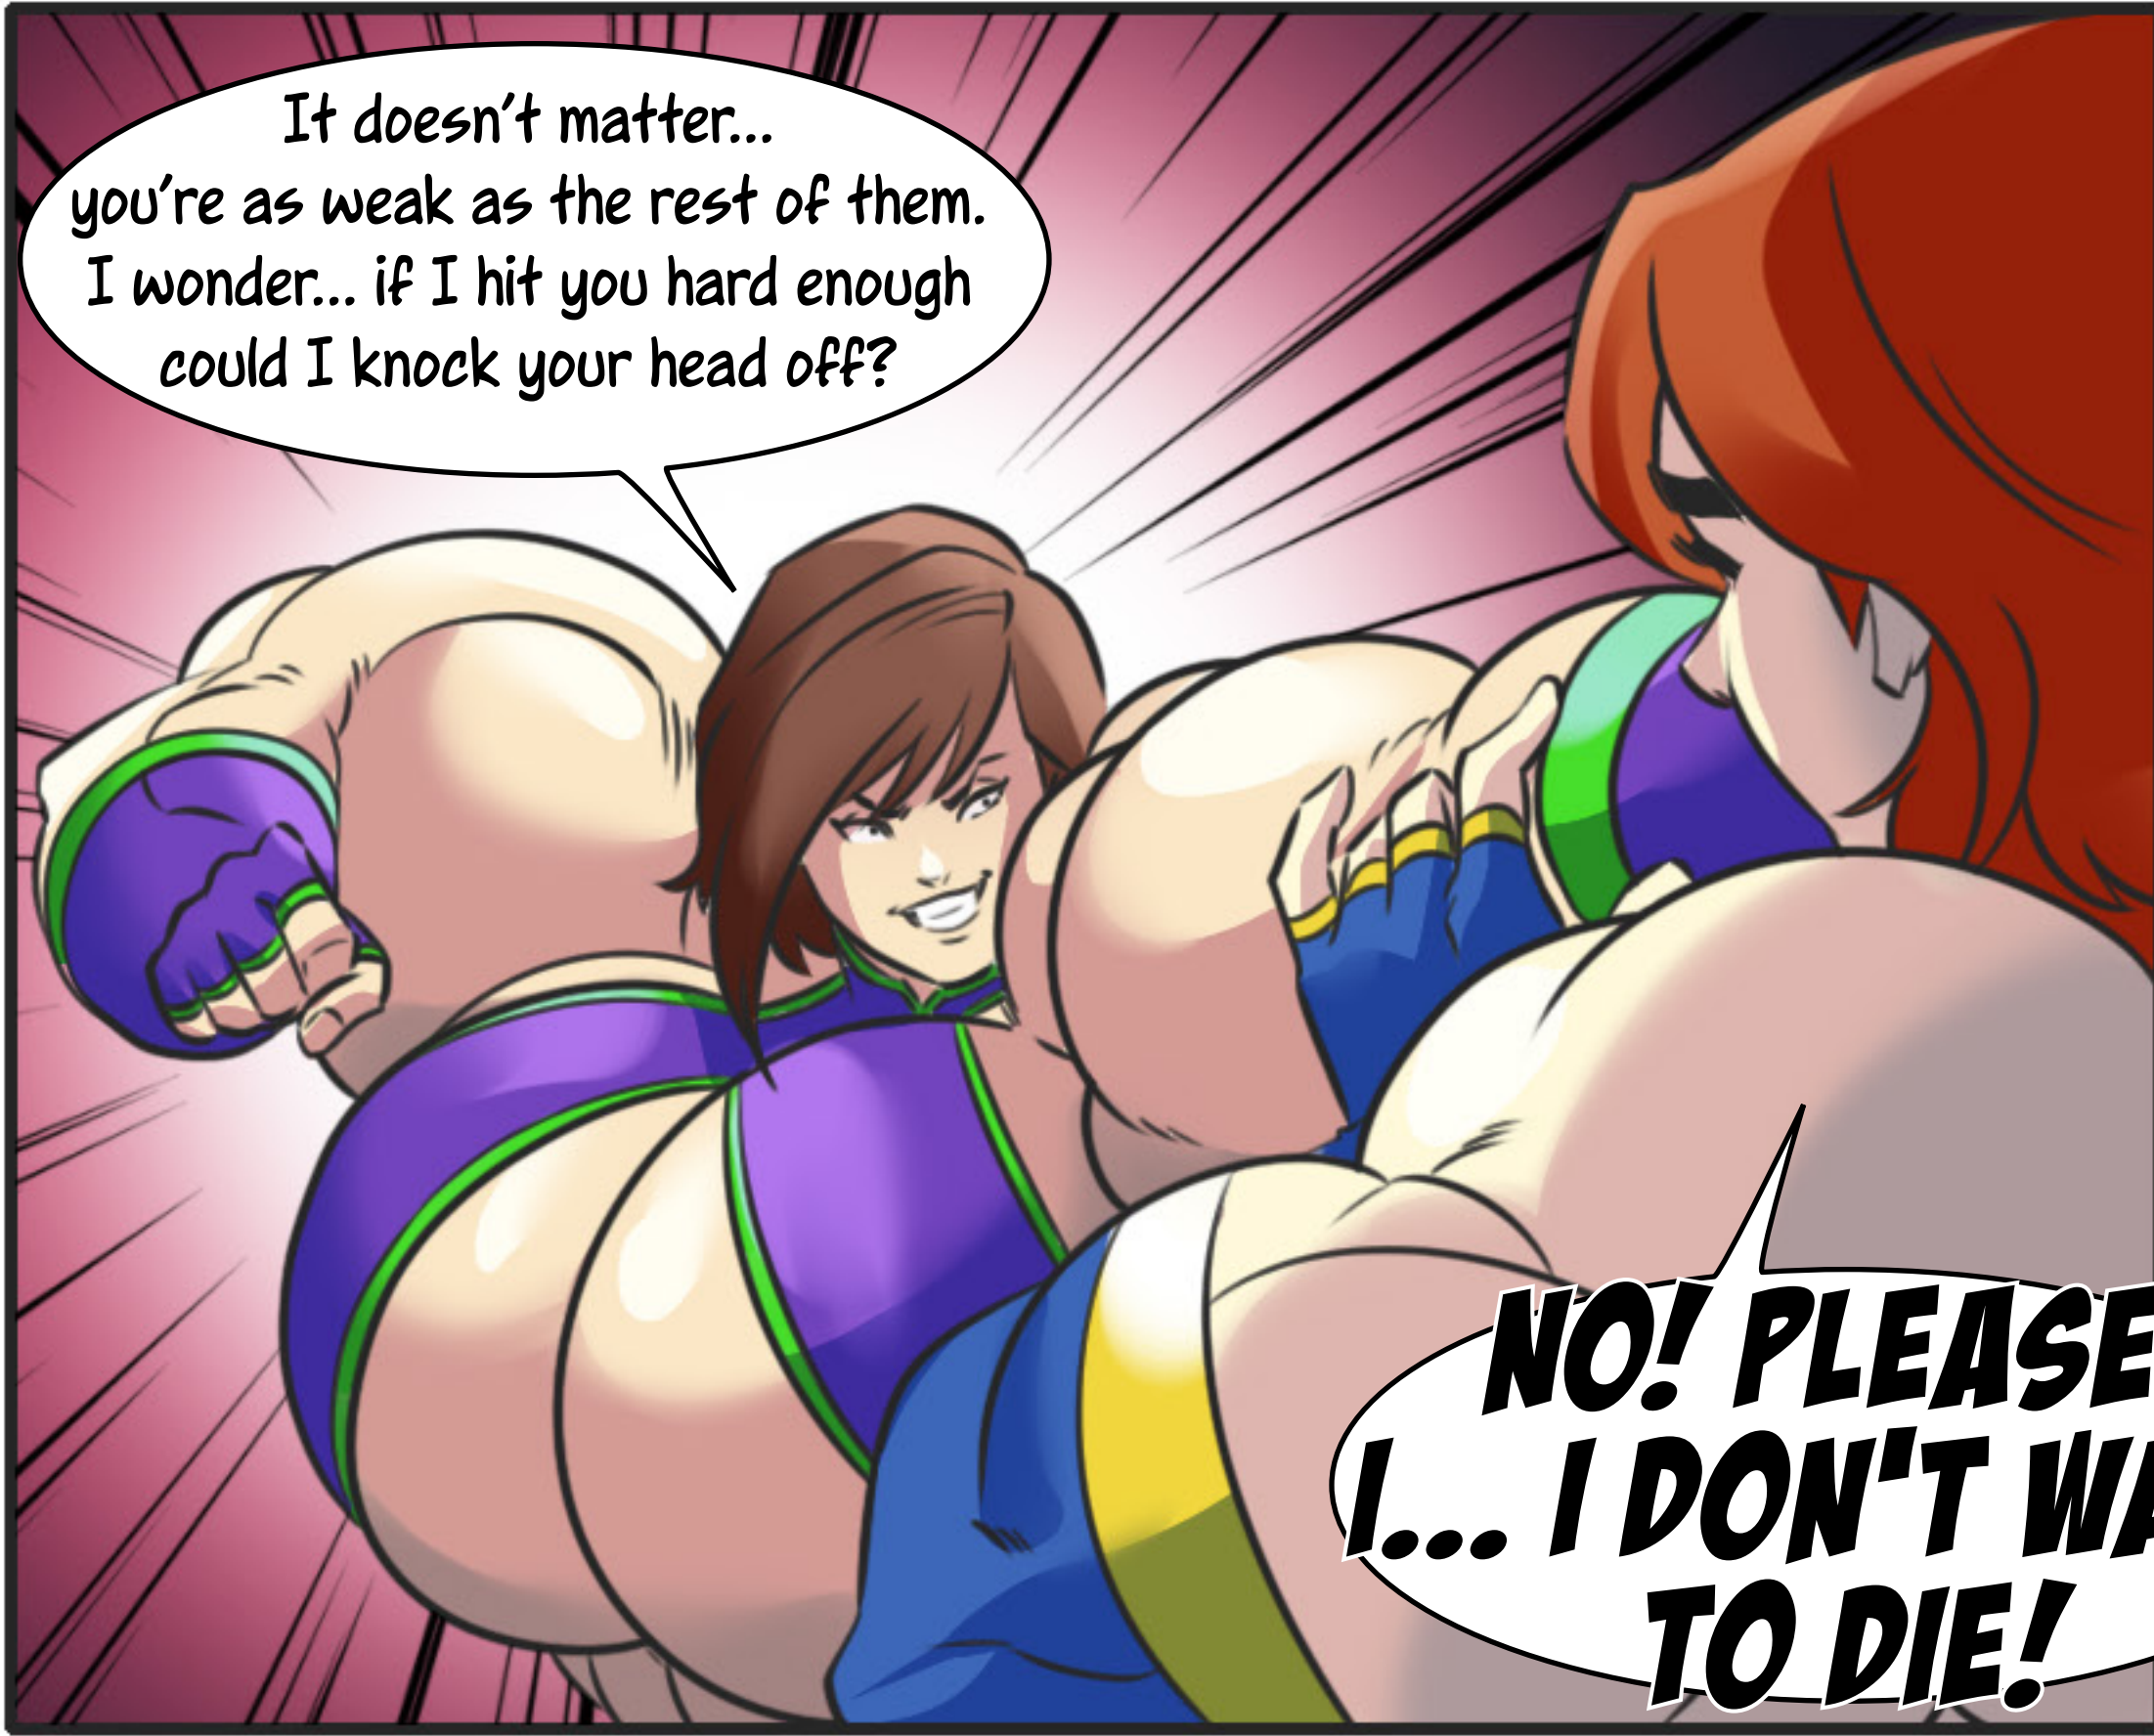

Hmmm...

Oh no..

I thought I knew every superhero in the world but I don't know you...

GRAB

It doesn't matter... you're as weak as the rest of them. I wonder... if I hit you hard enough could I knock your head off?

NO! PLEASE! I... I DON'T WANT TO DIE!

CLACK

Here... take my cloak. It's the source of my powers.

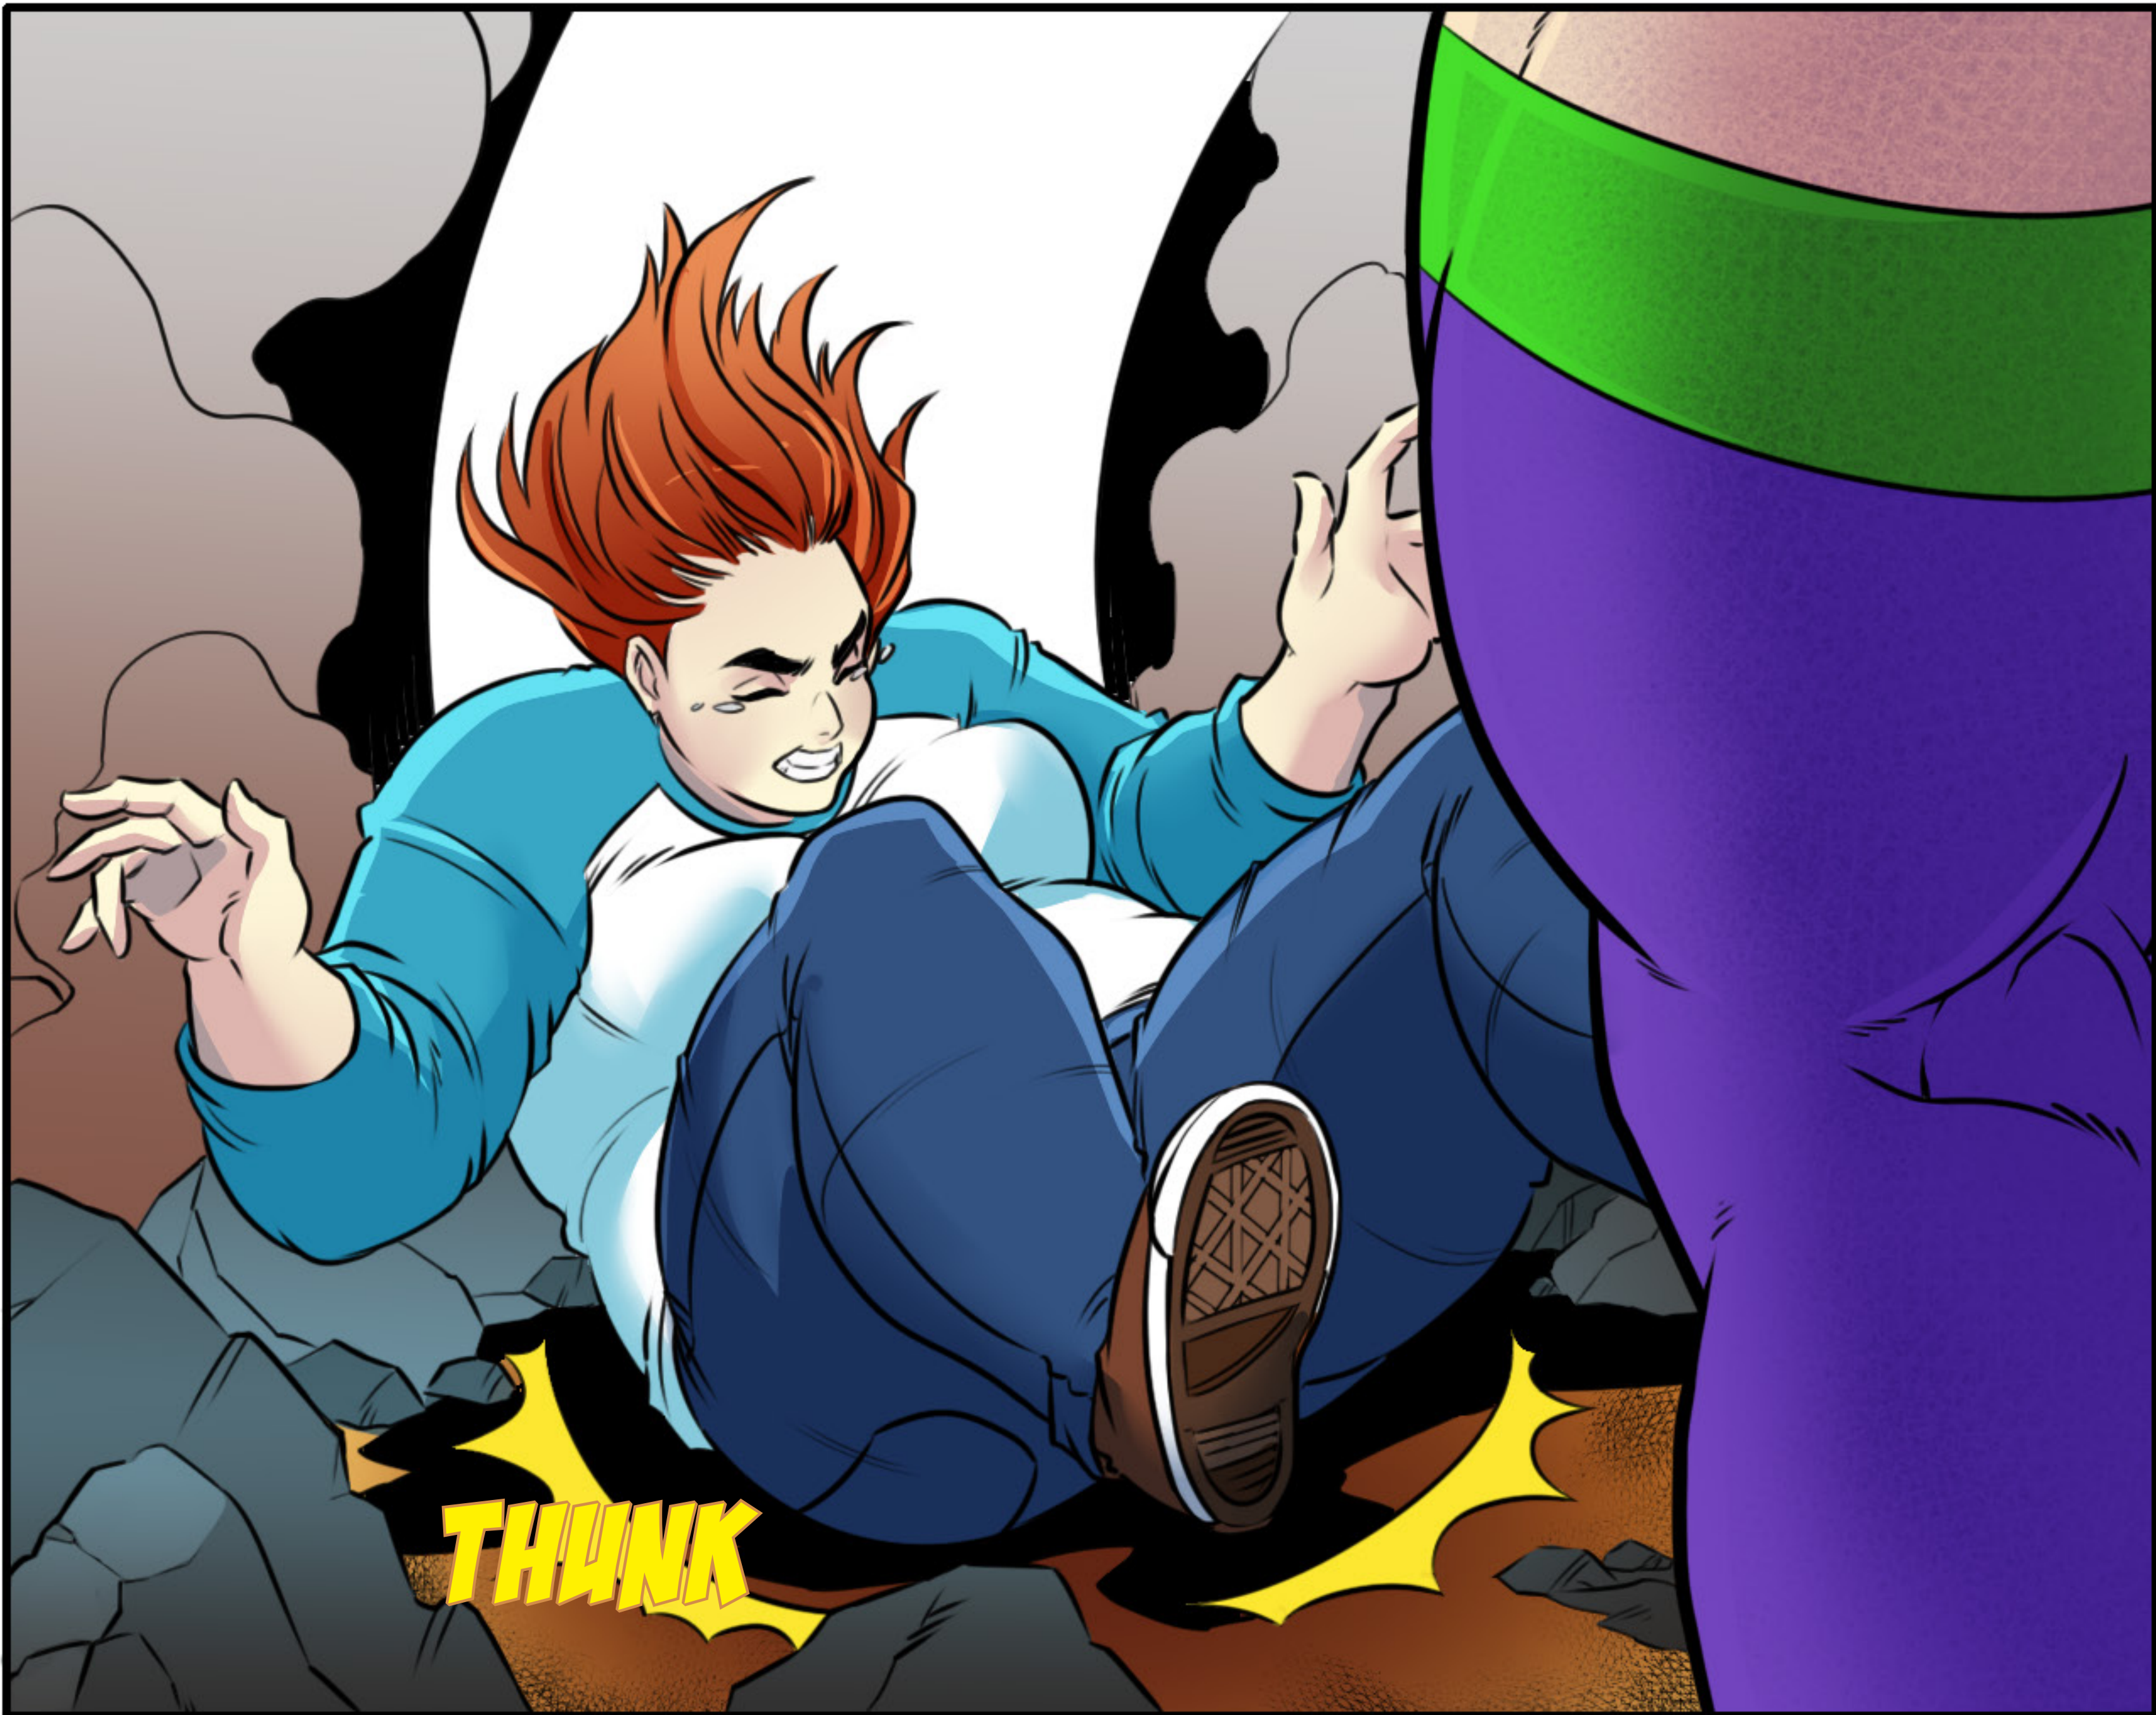

WHAT!?! NANCY WHAT ARE YOU DOING!?!

Go ahead, it's yours.
Put it on... it'll make you ten million times more powerful.
Just... please... let me live.

**NO DON'T!
NANCY YOU IDIOT! SHE'S
ALREADY UNSTOPPABLE,
IF SHE PUTS ON...**

THUNK

I'm sorry, Mega Woman... I just don't want to die!

Ten million times more powerful... I... I can't even imagine what that would be like...

CLICK

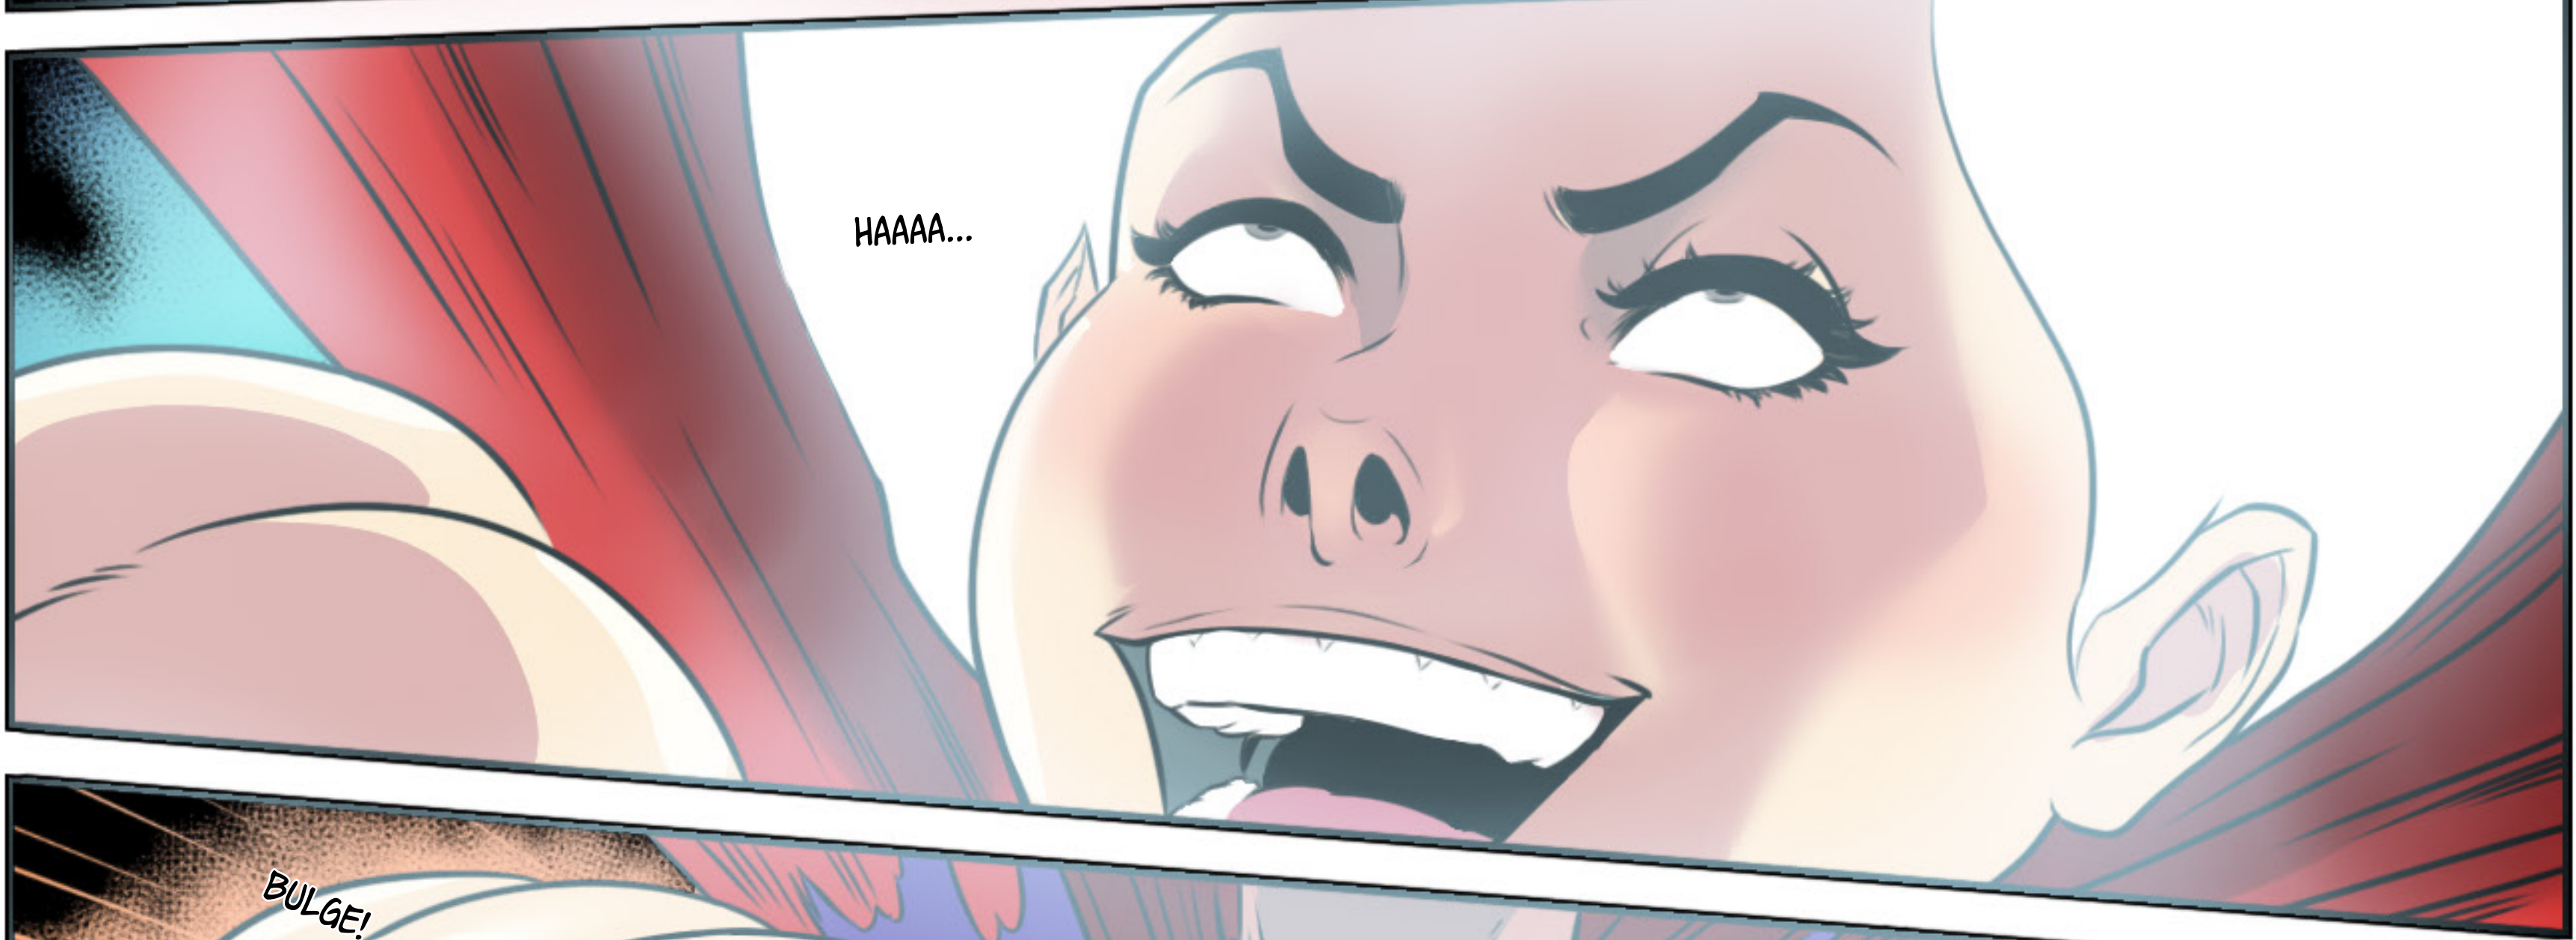

NOOOOOOOOOOO!!!

YES!
IT'S WORKING! I CAN
FEEL IT!
