

THE MAGIC CLOAK

ABSOLUTE POWER!

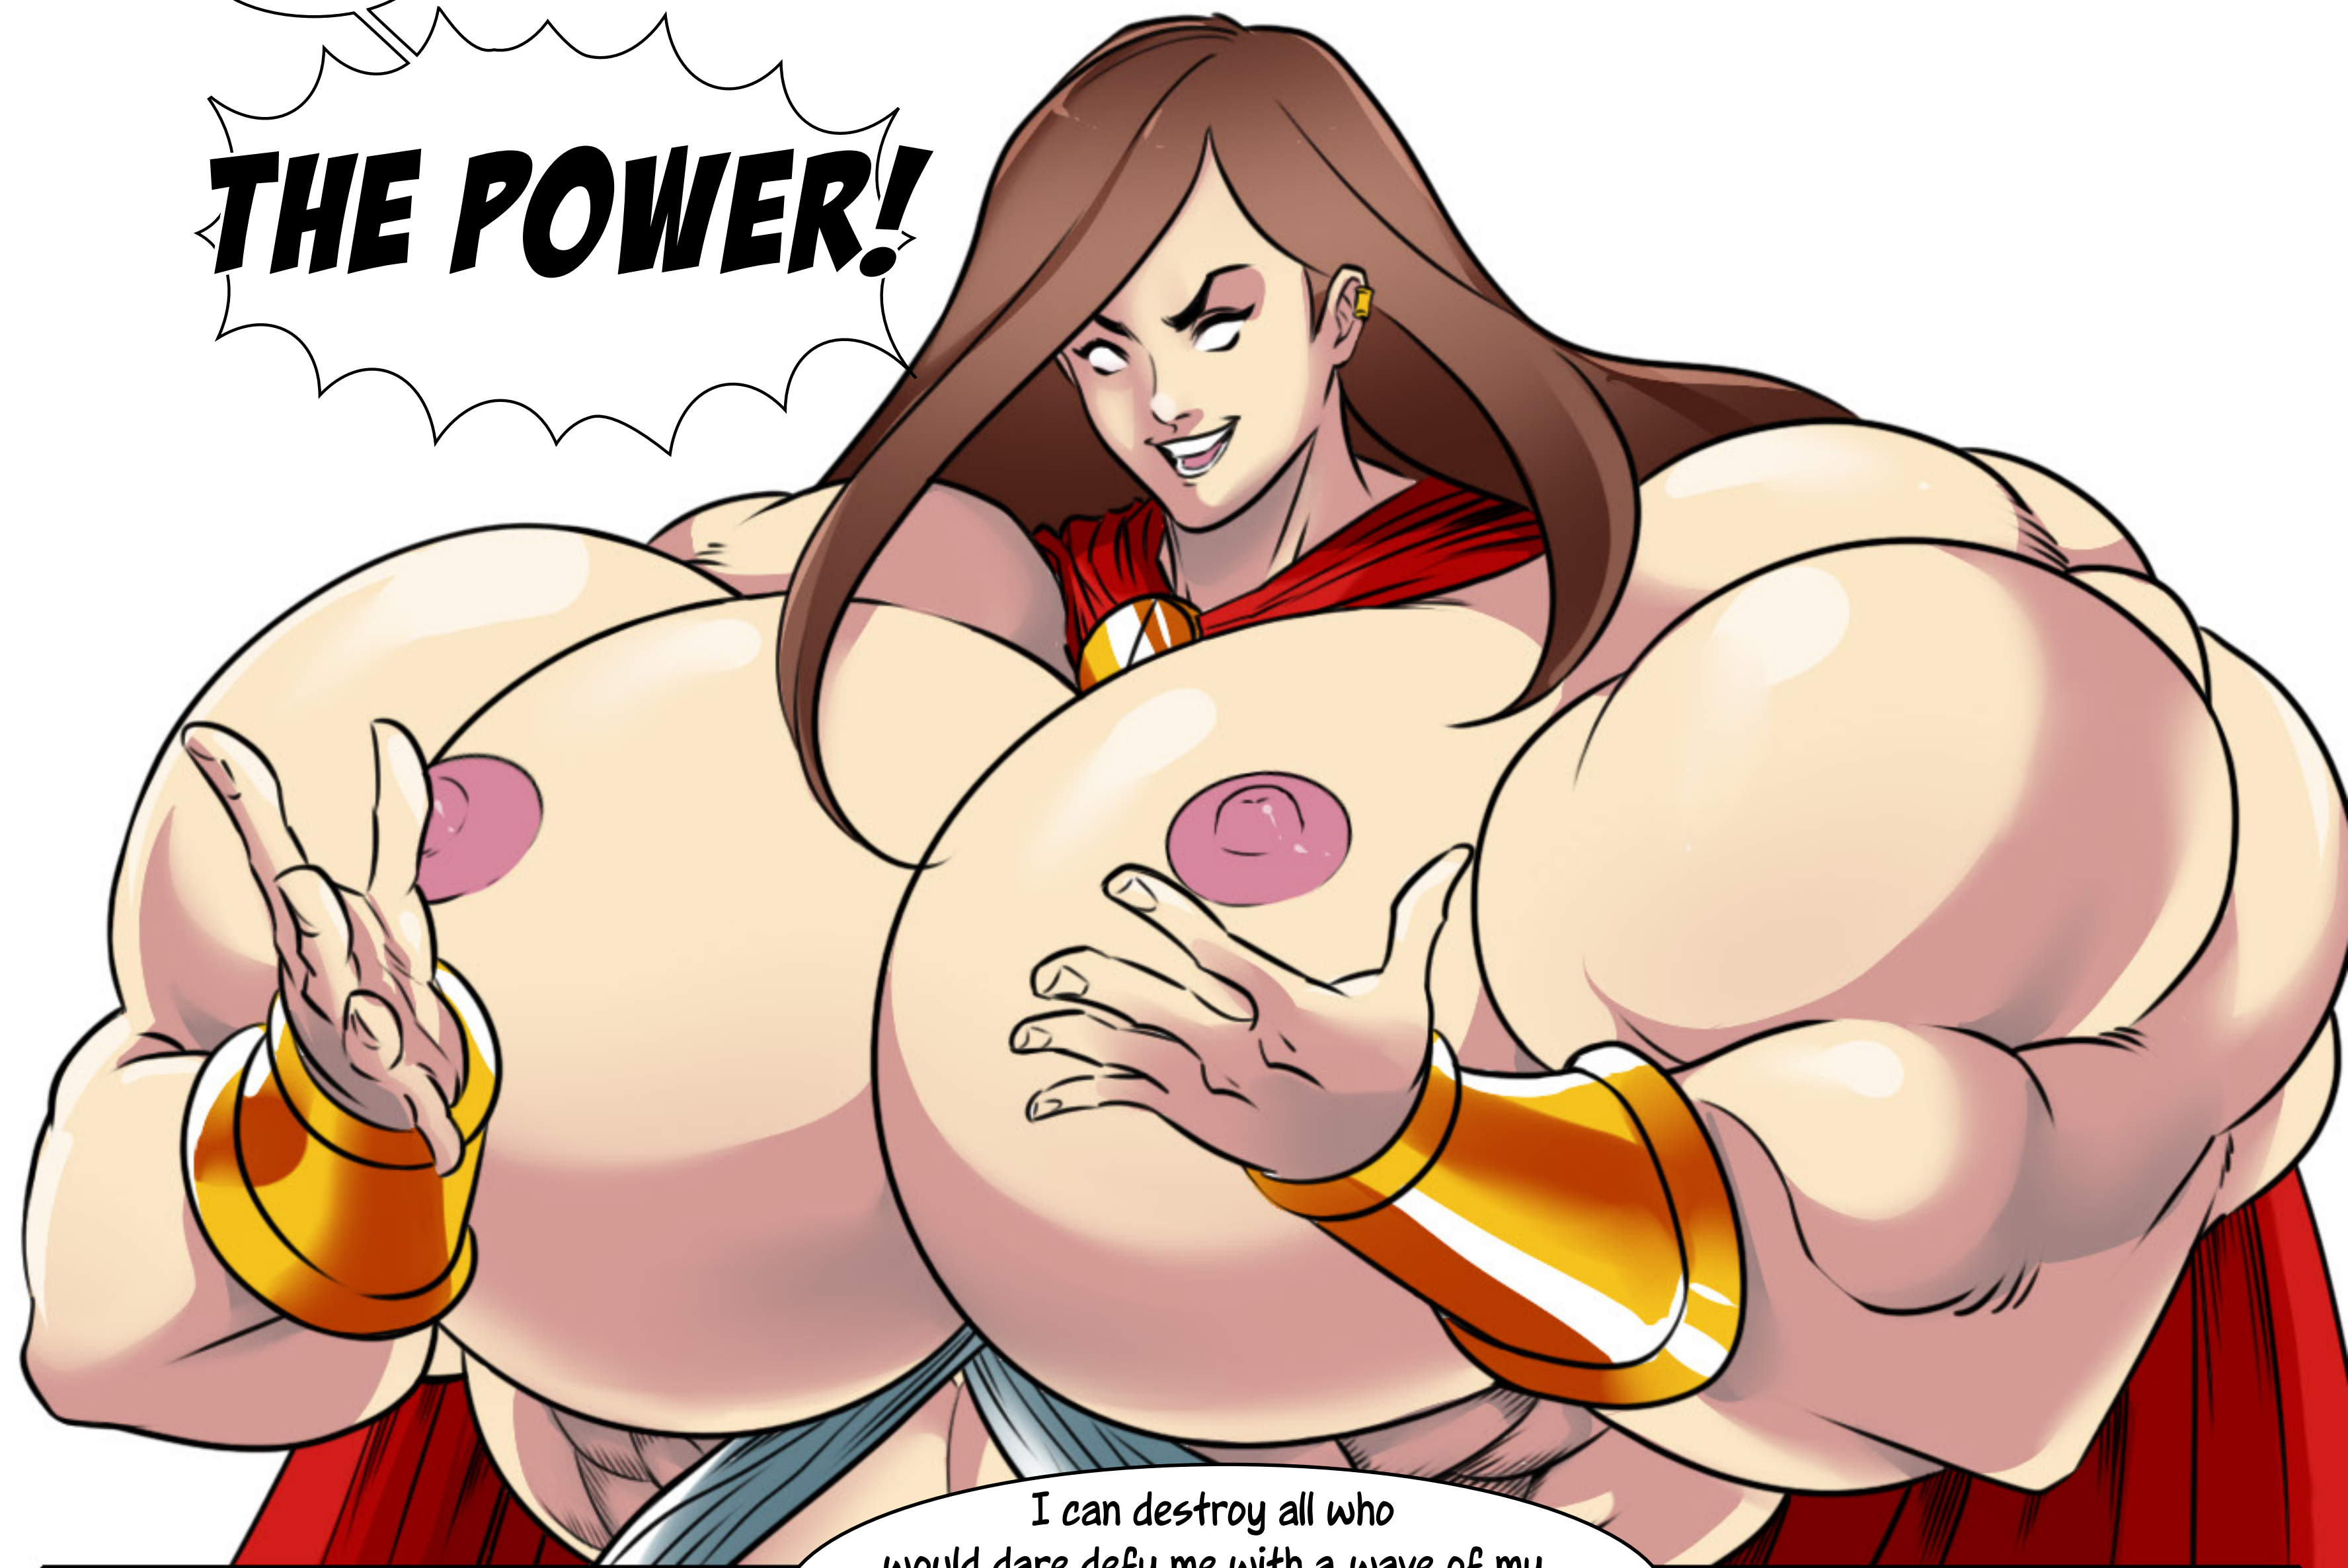

Art by Boogie

Story by Gribble

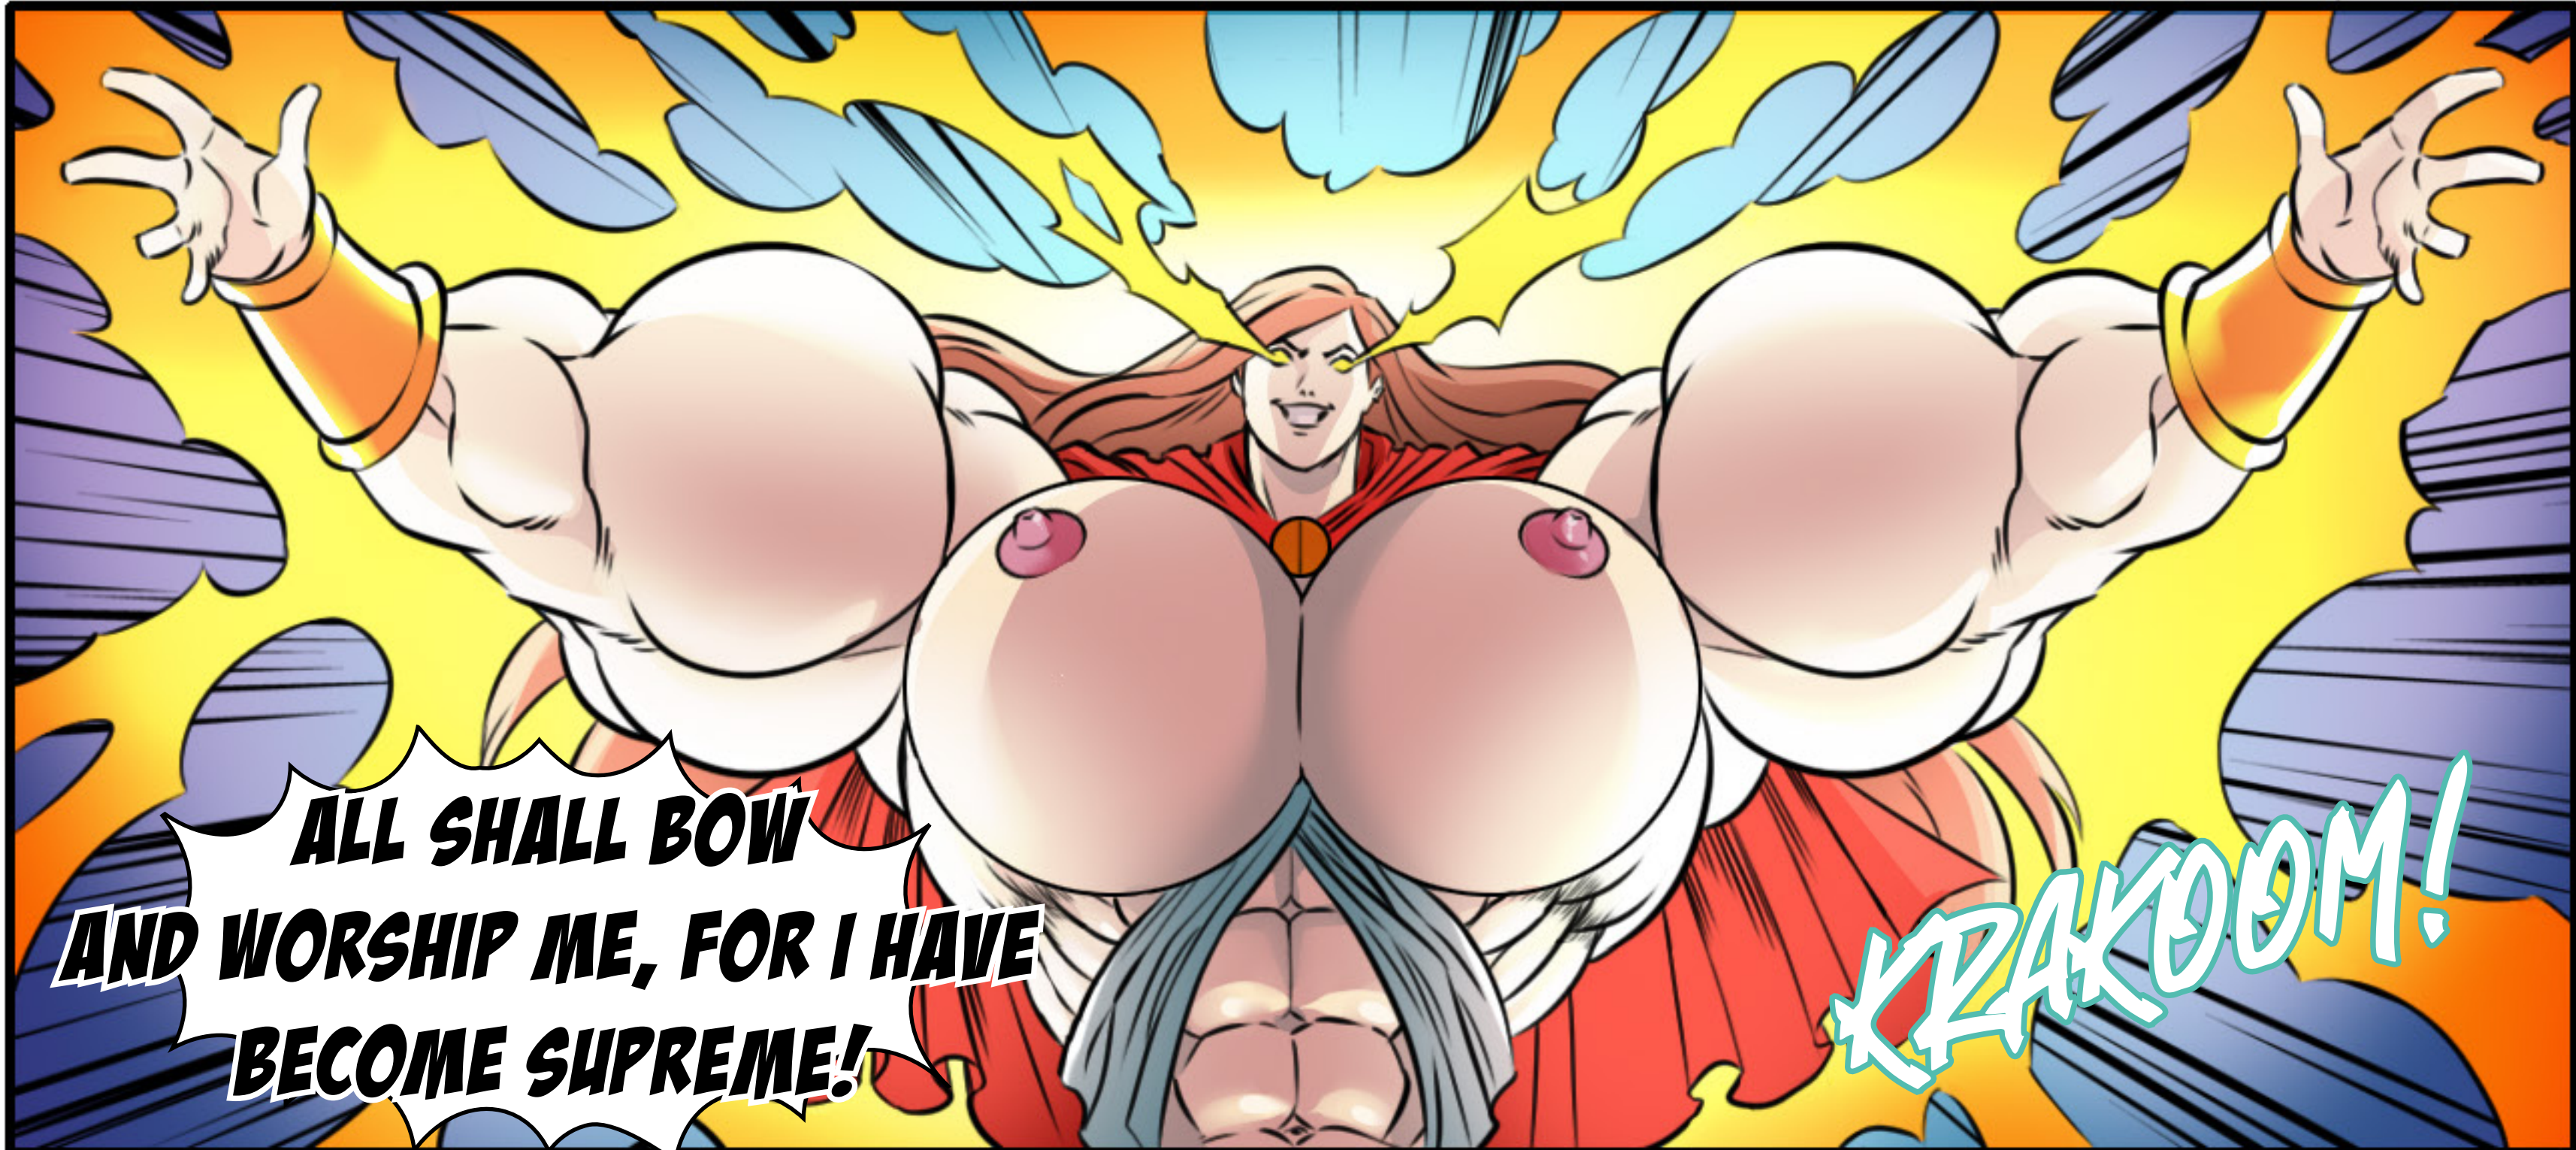

GrowGetterComics.com

The power...

THE POWER!

I can destroy all who would dare defy me with a wave of my hand... and with a wave of the other... create monuments to my glory everywhere!

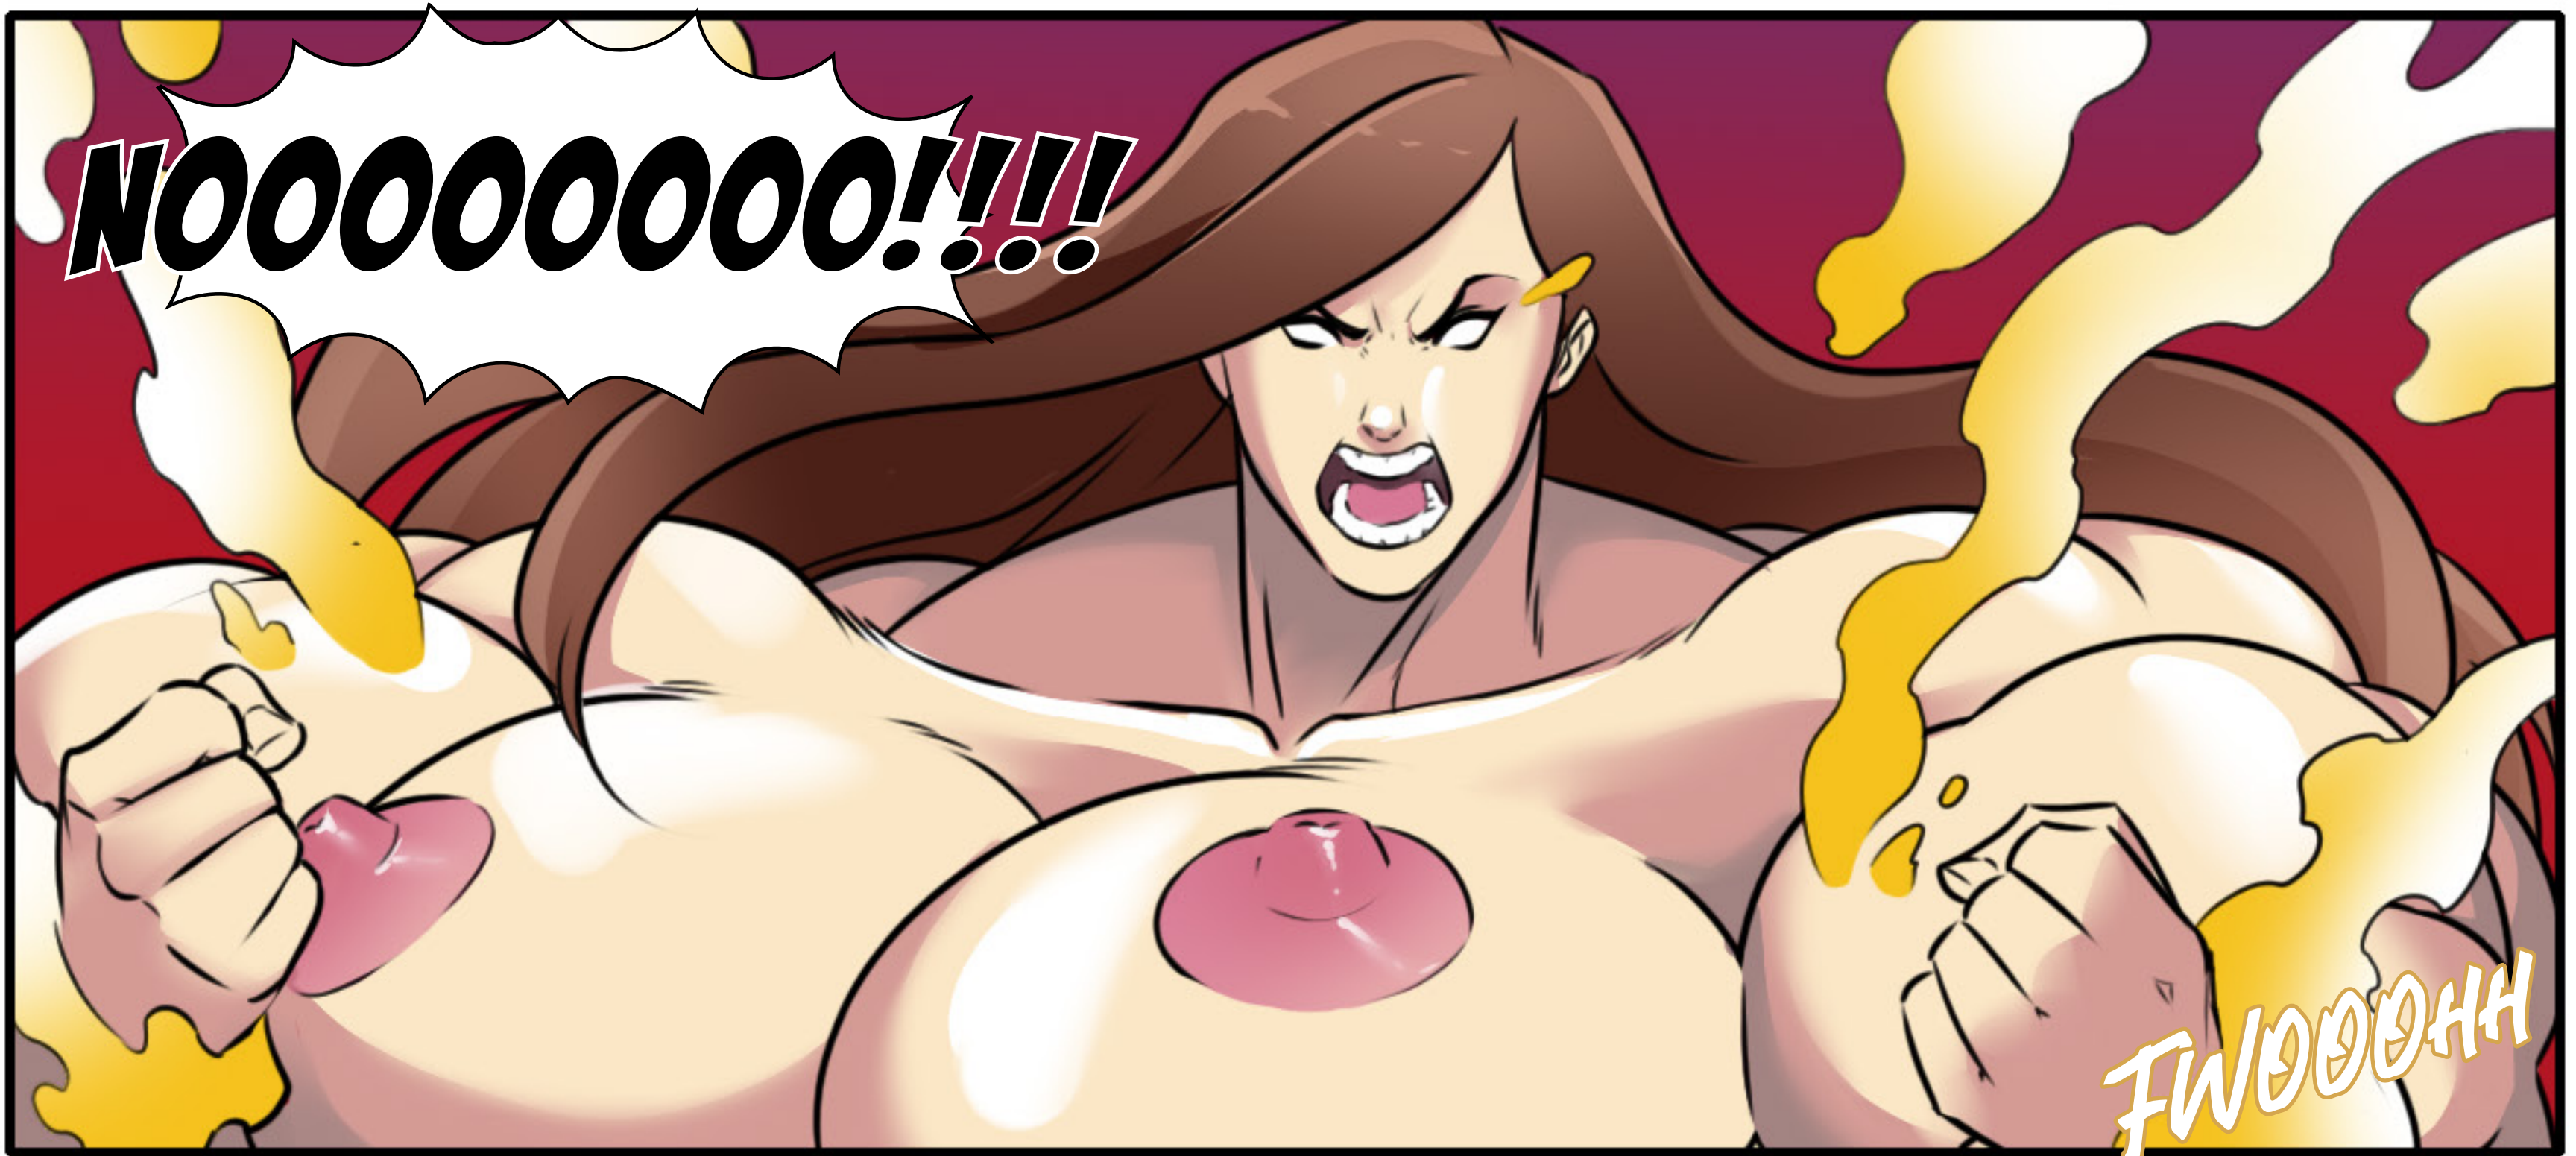

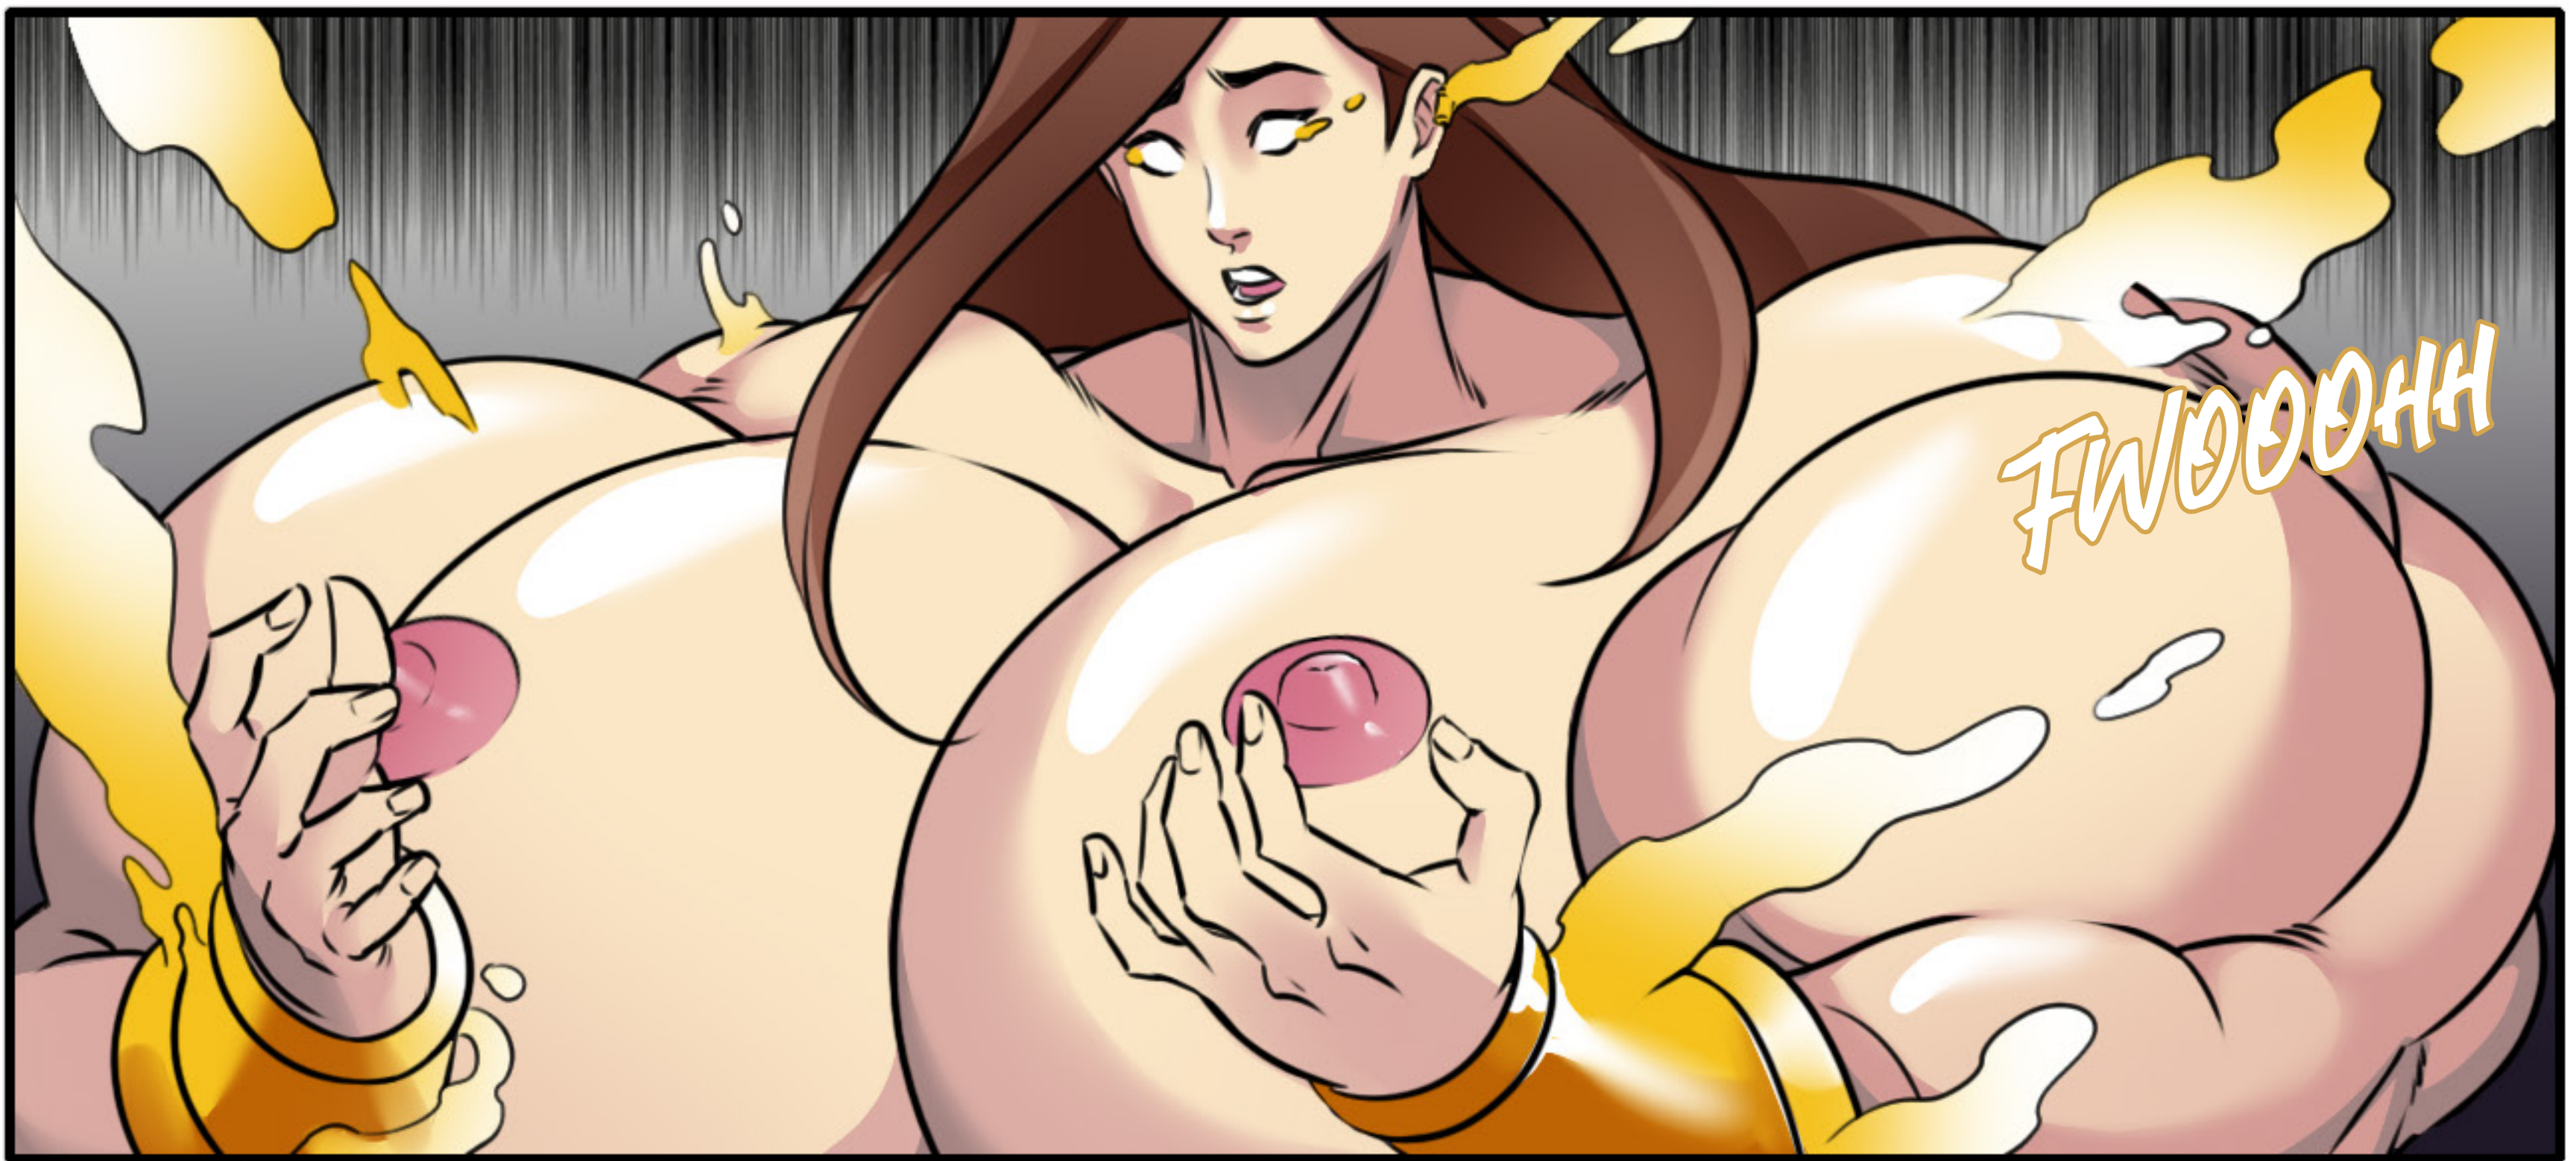

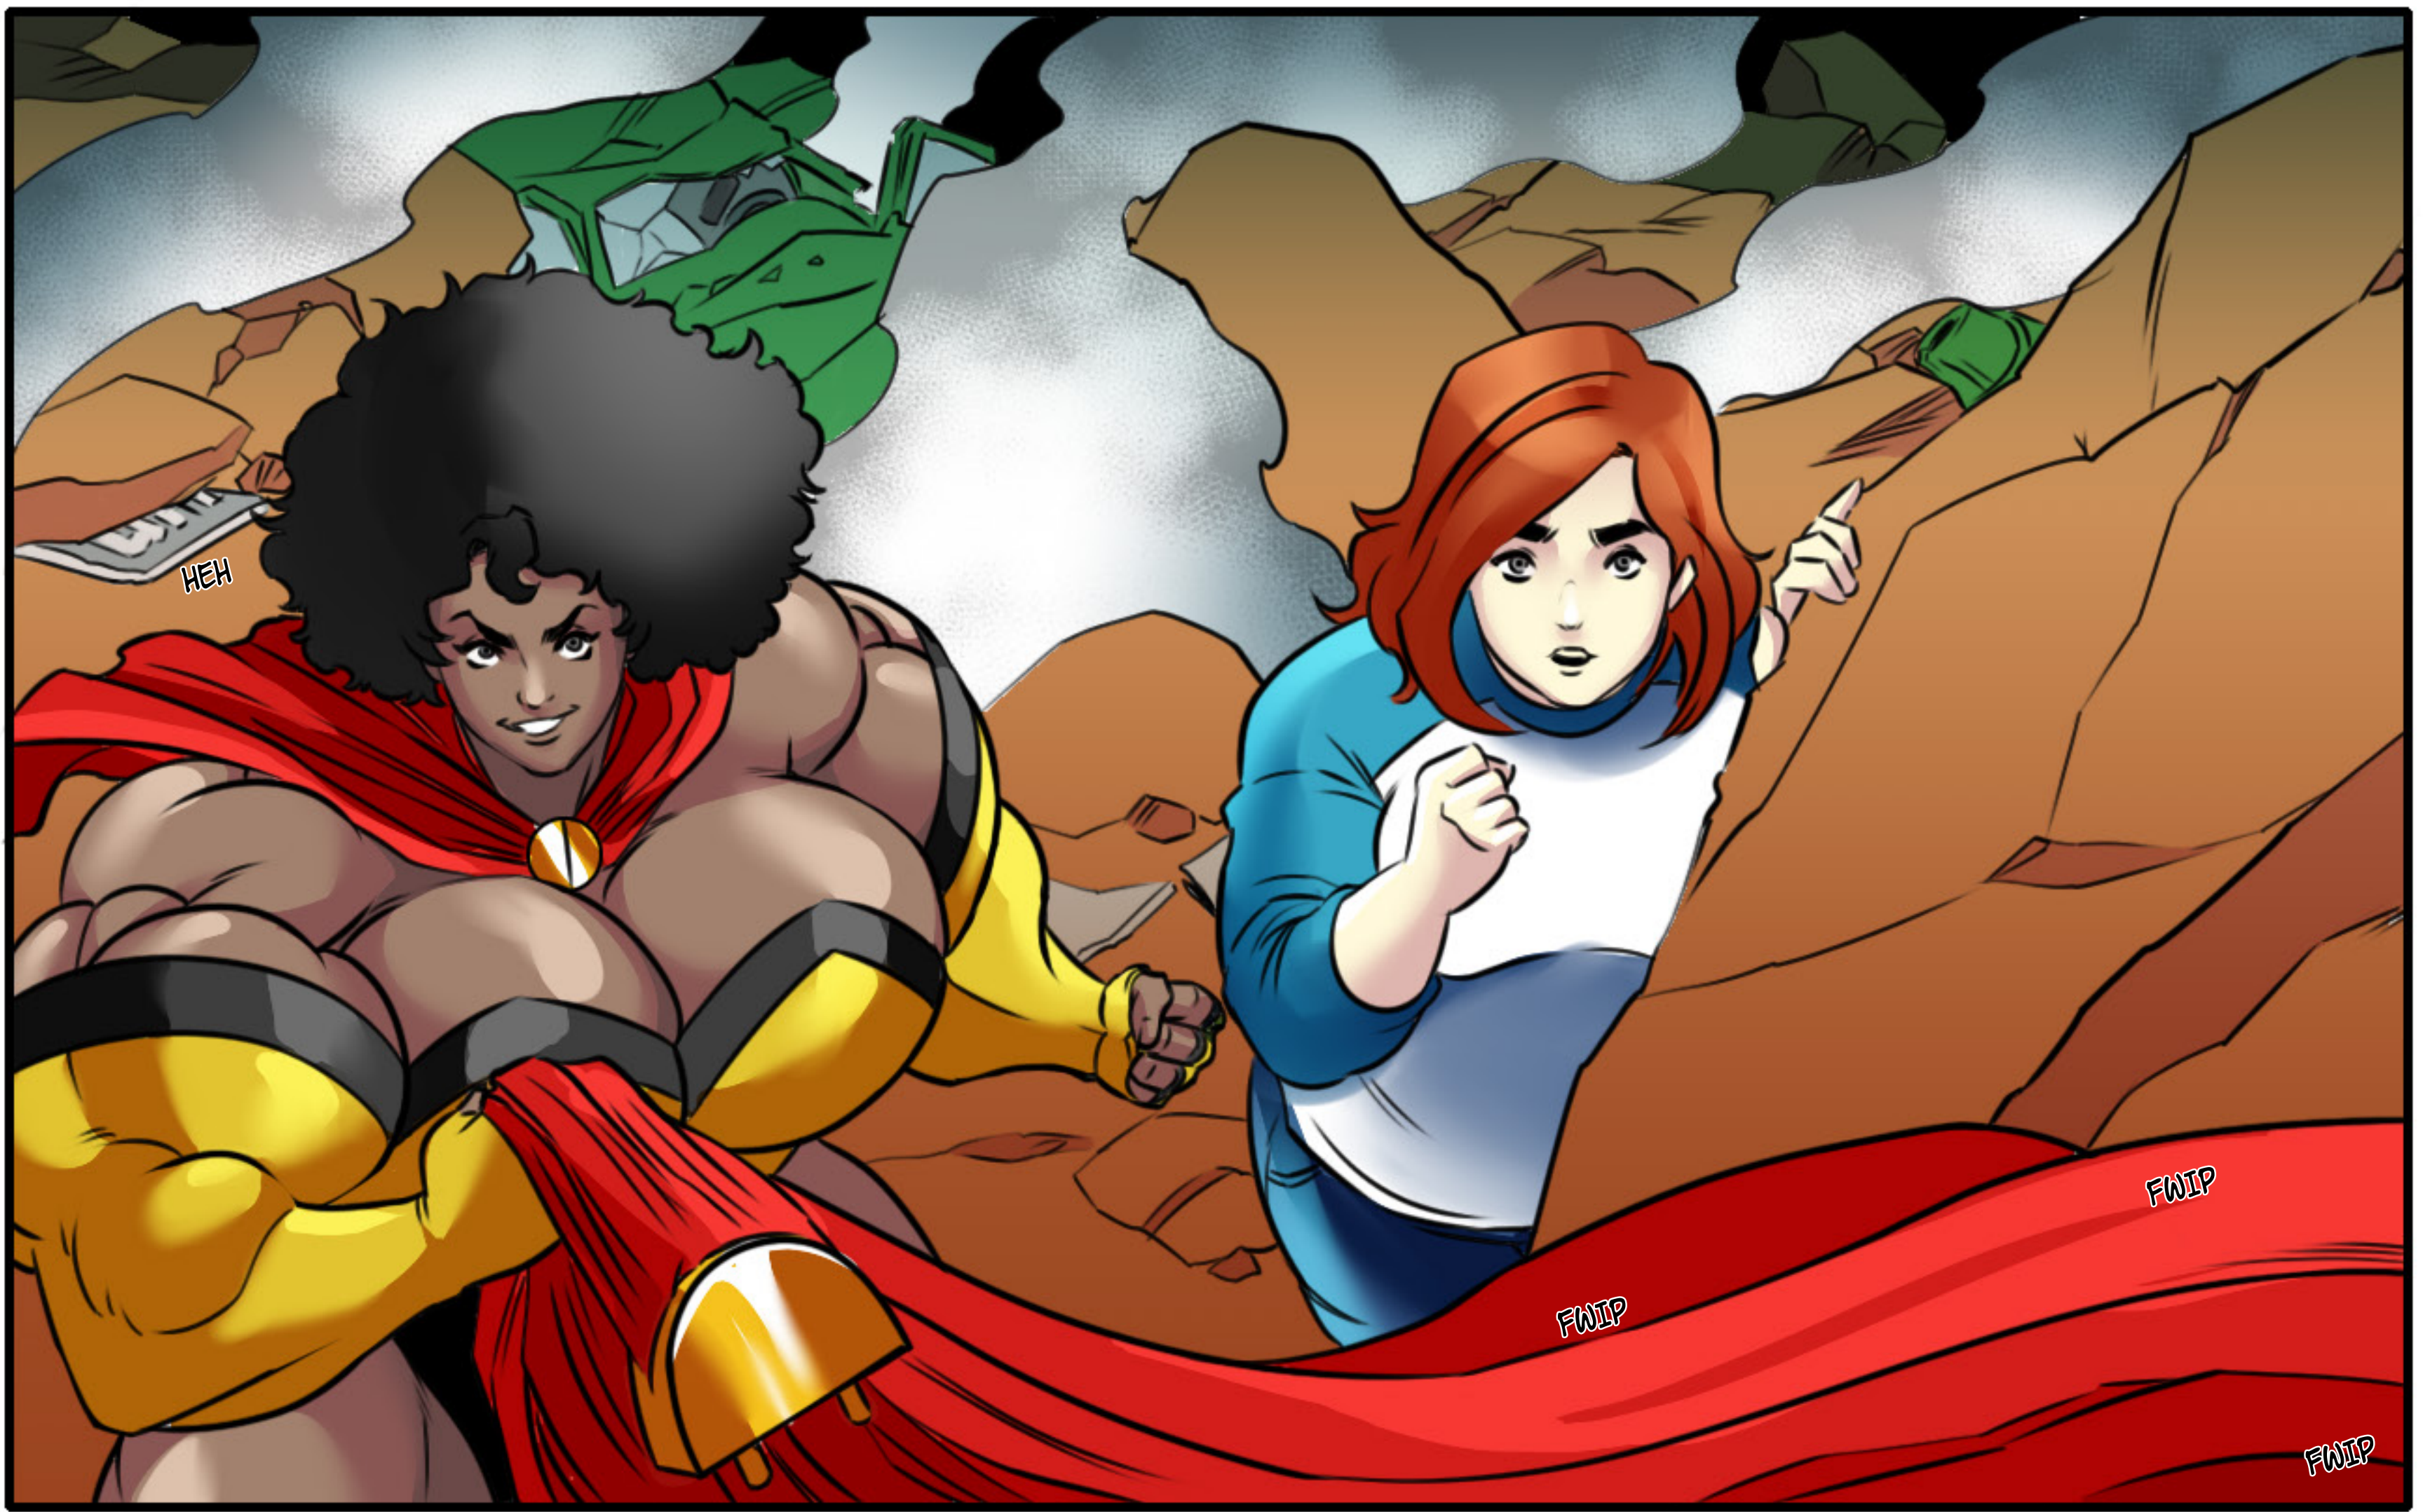

ALL SHALL BOW AND WORSHIP ME, FOR I HAVE BECOME SUPREME!

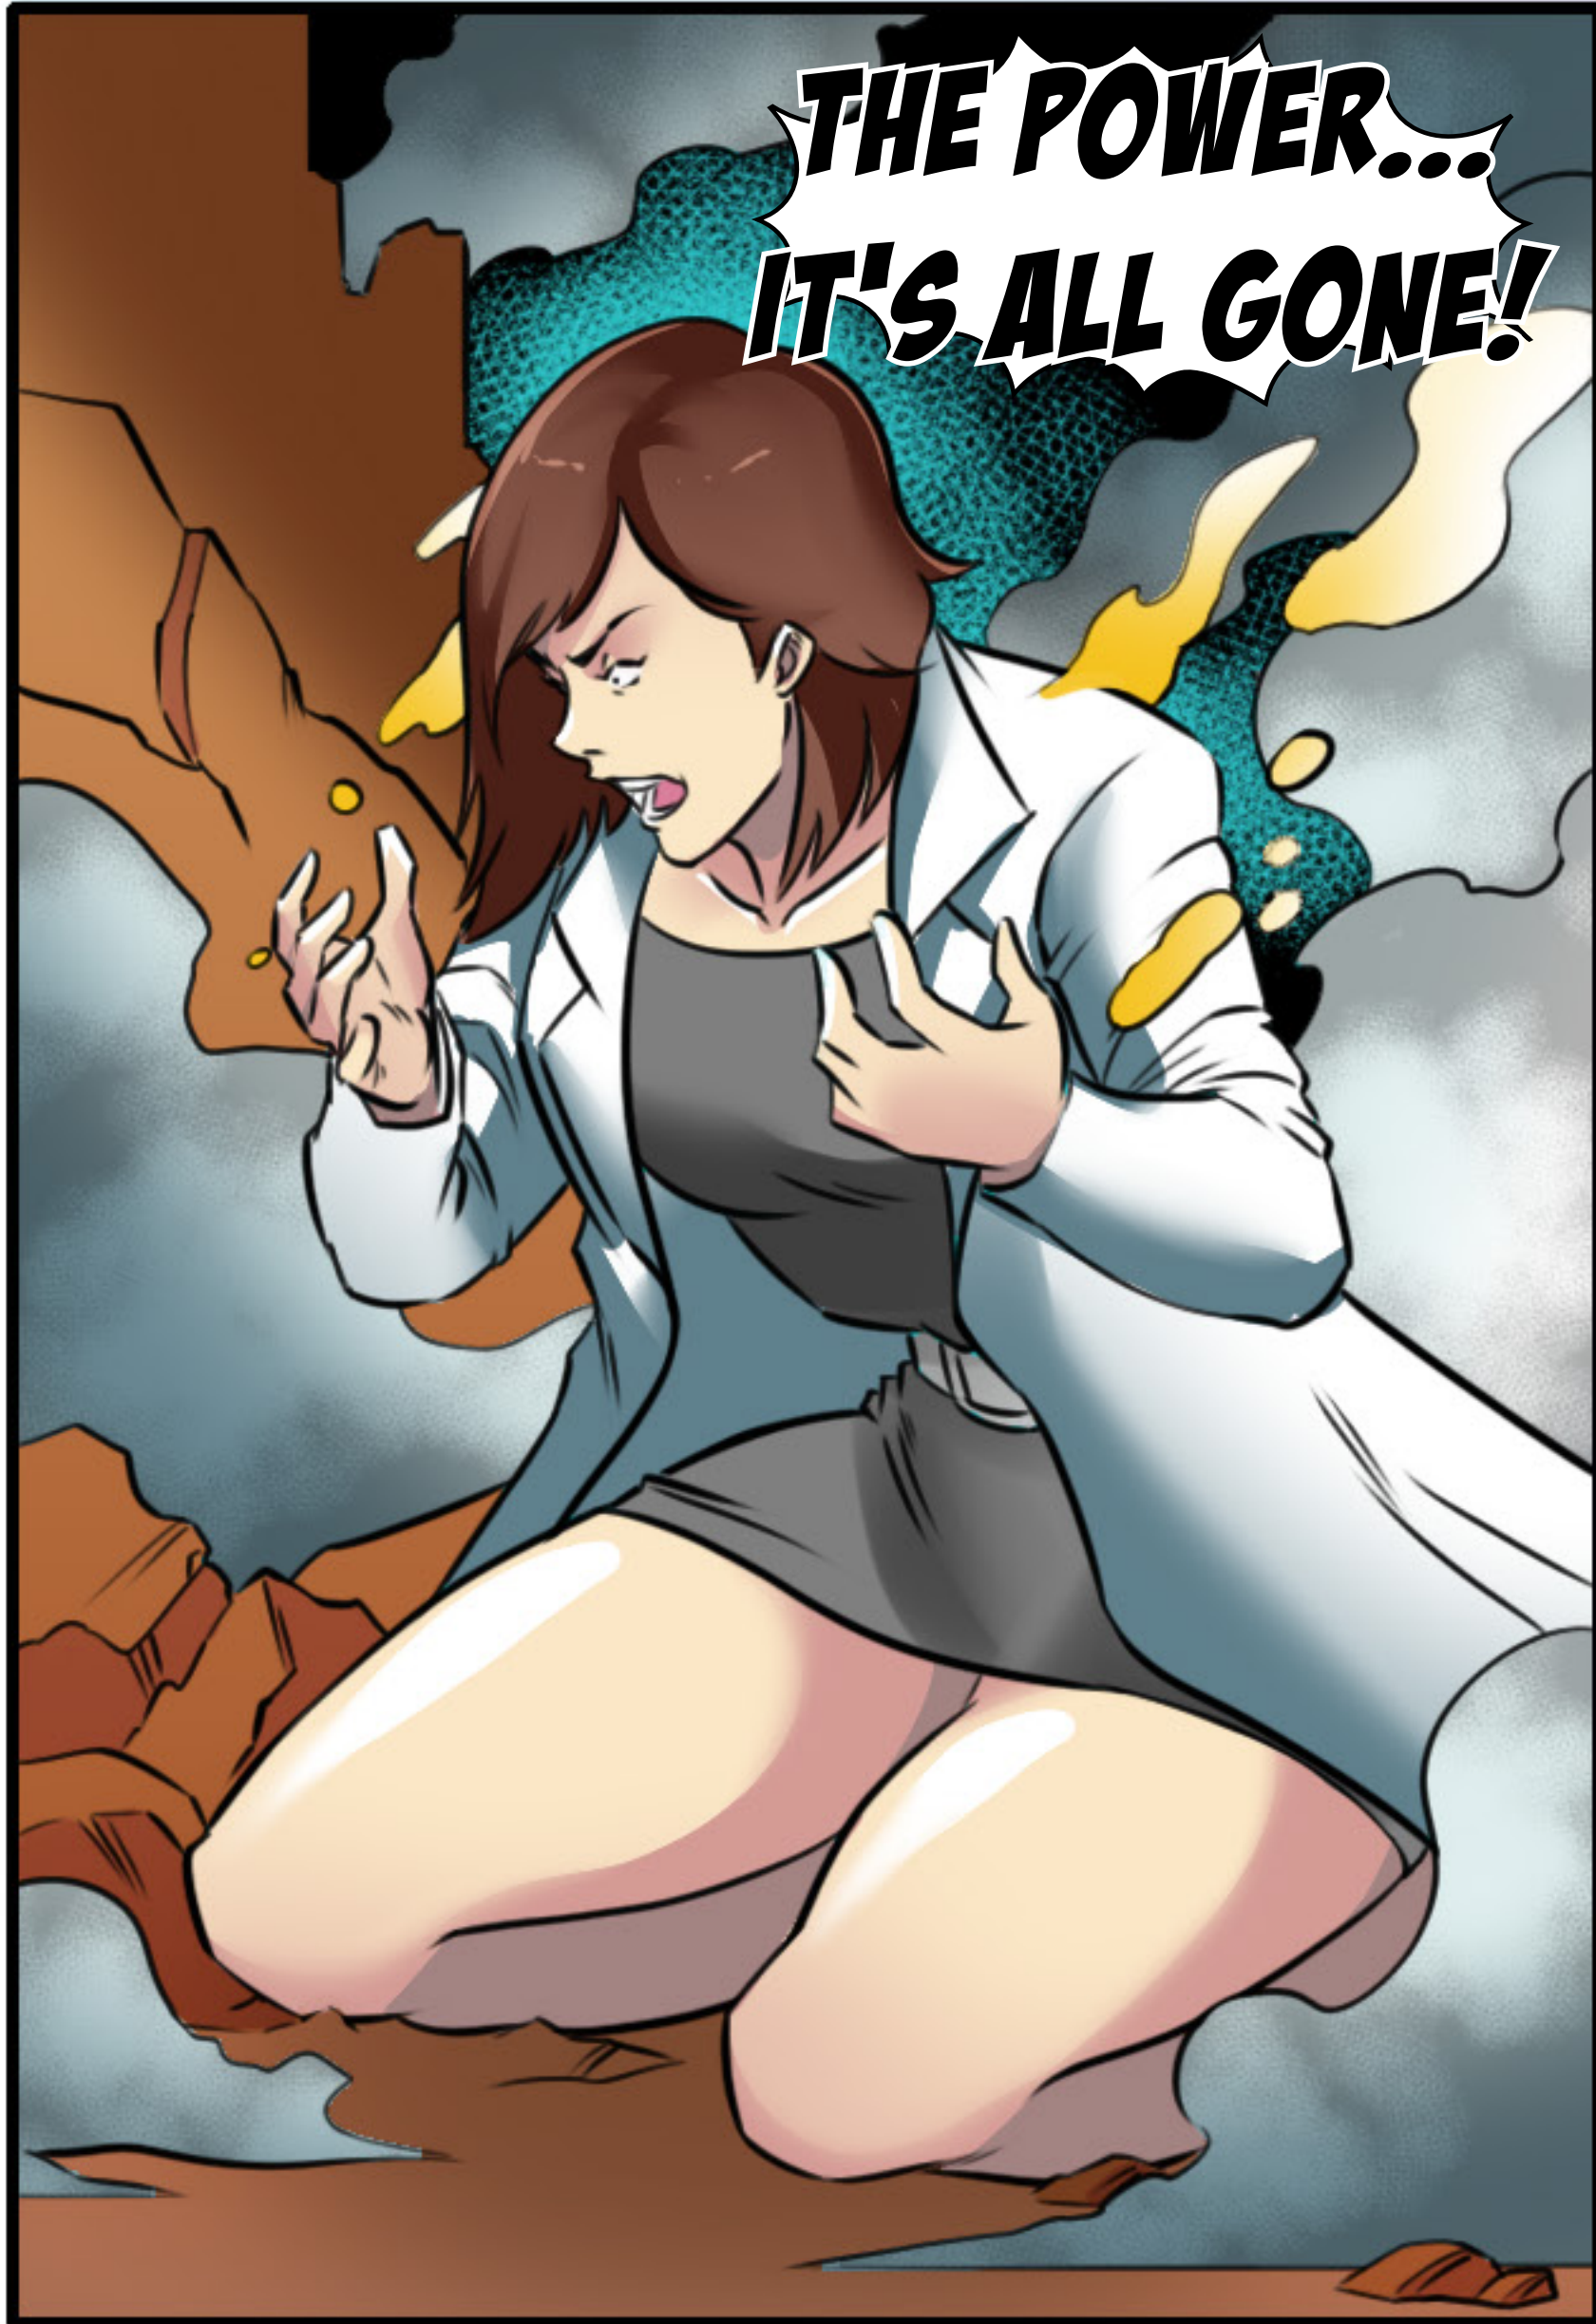

KRAKOOOM!

**LET THE UNIVERSE
TREMBLE BEFORE ITS
ALL POWERFUL RULER!
HAHAHAHAHA!**

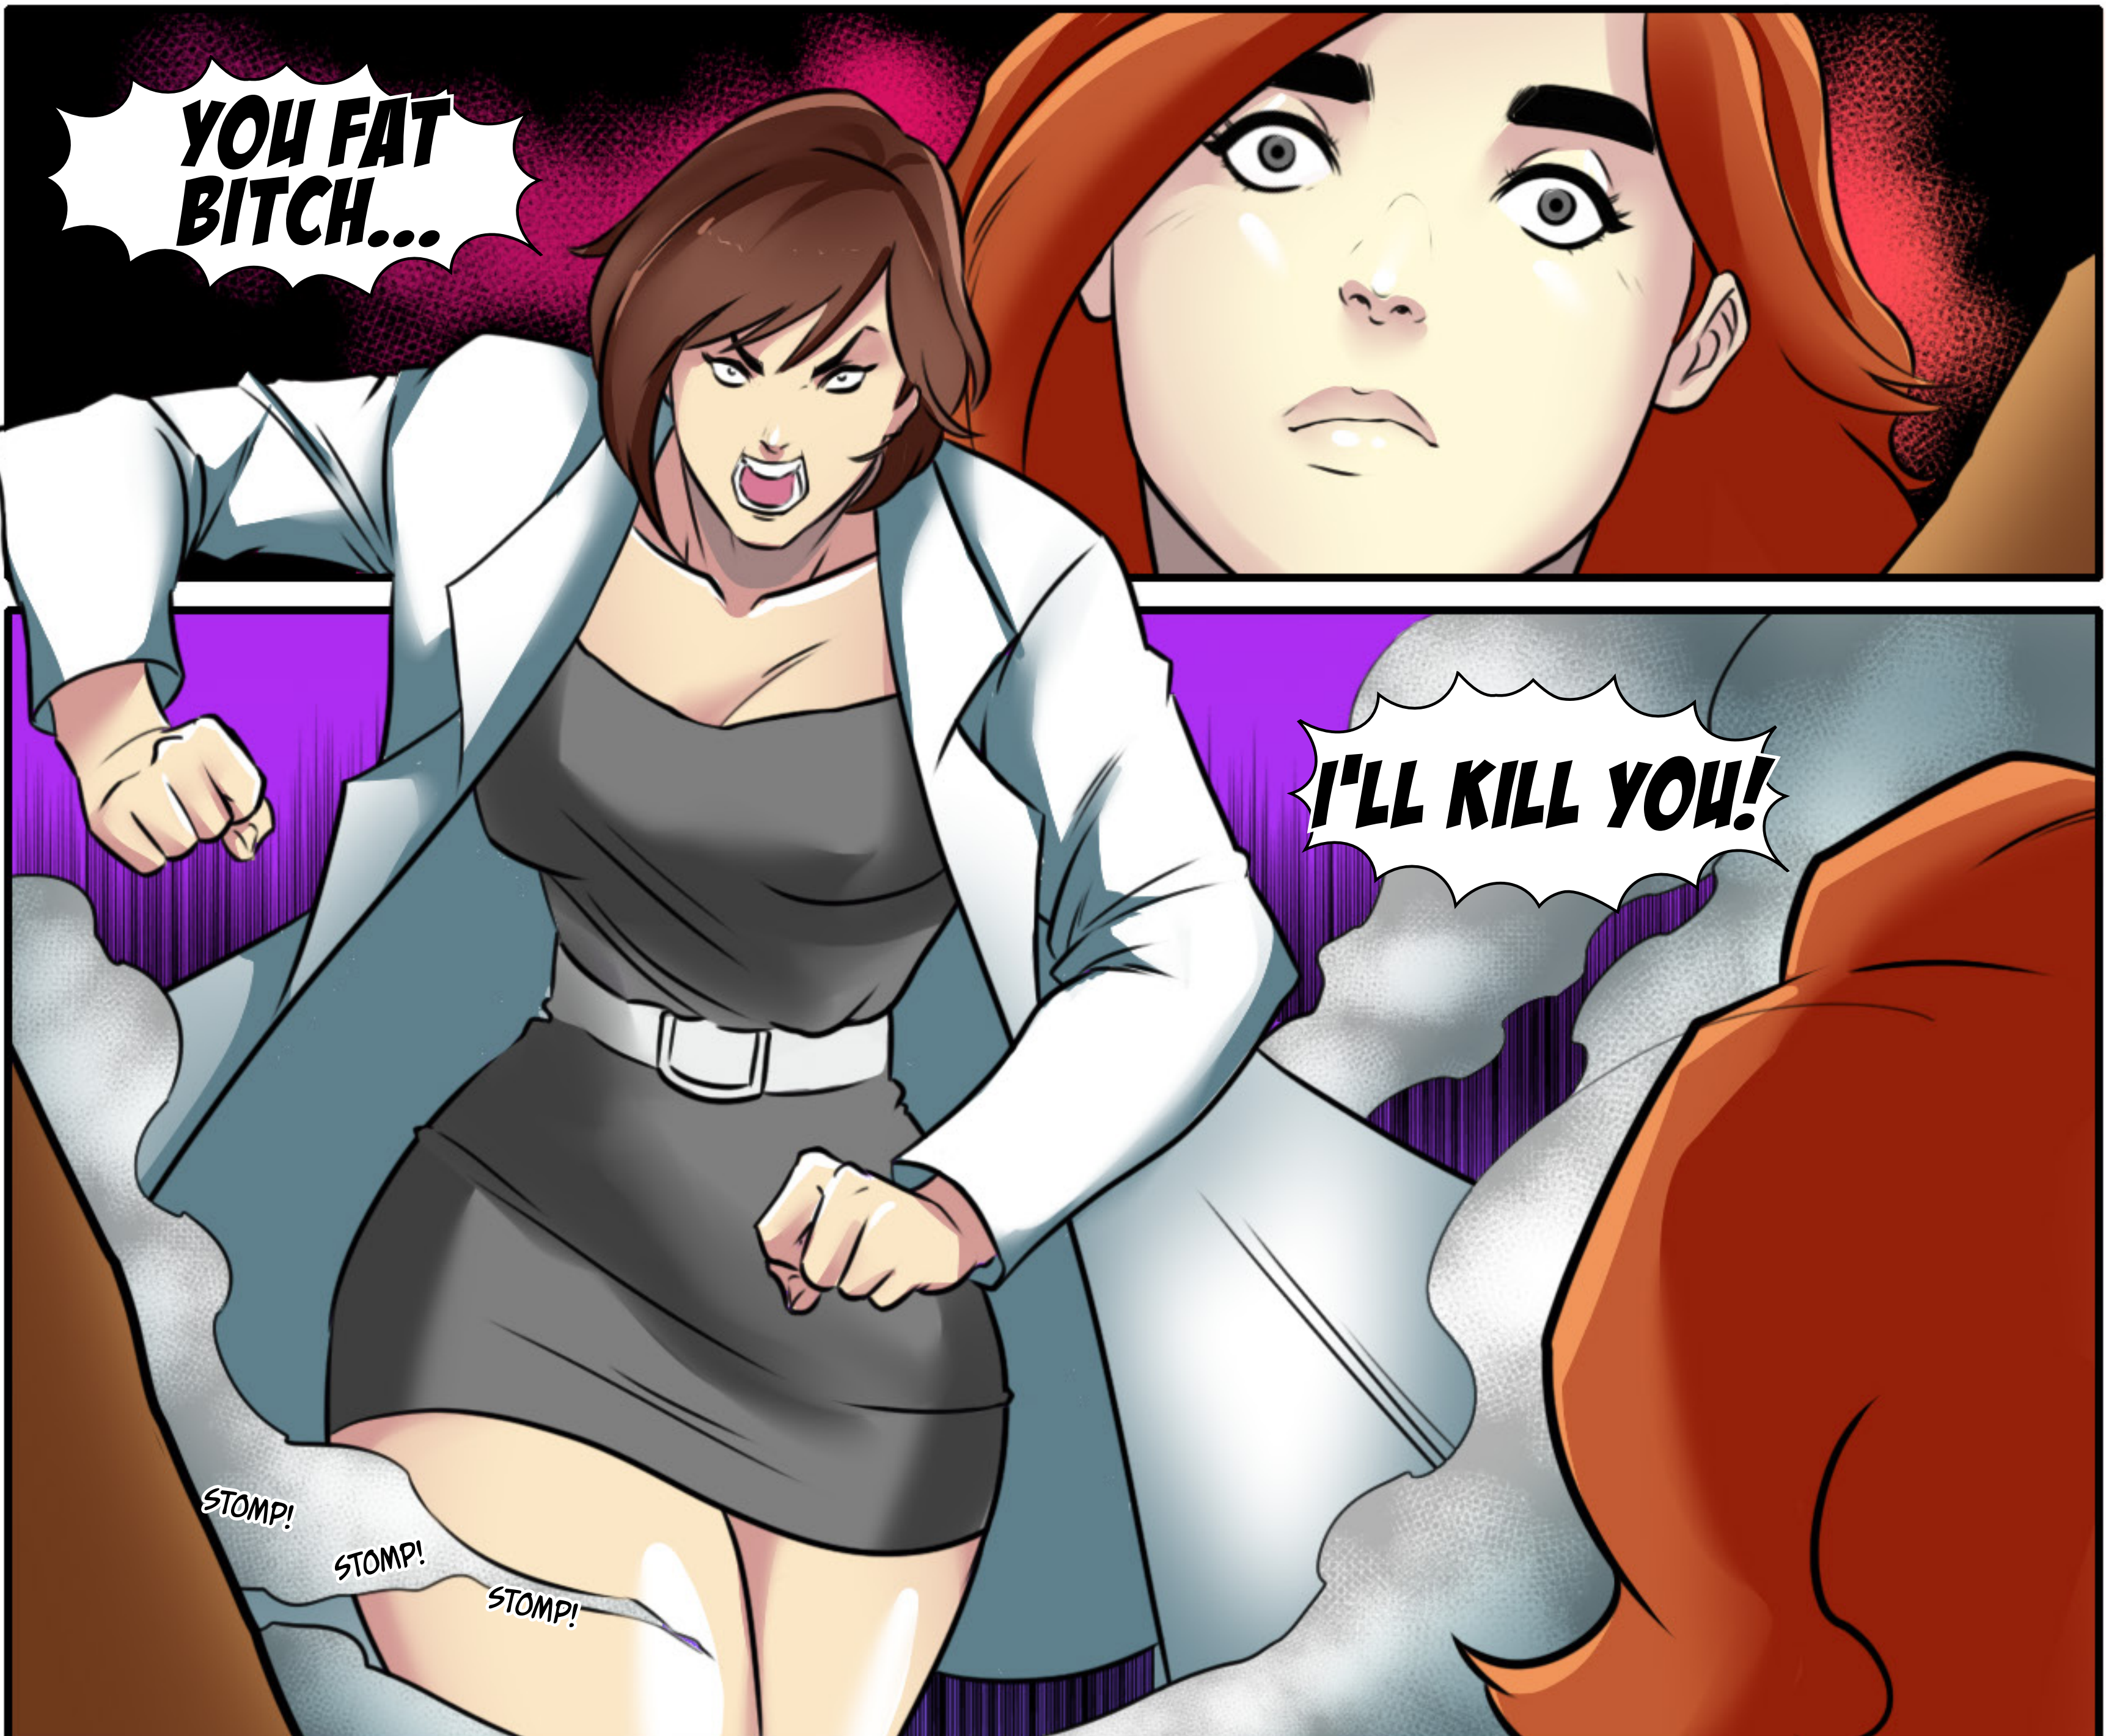

**THE POWER...
IT'S ALL GONE!**

**YOU TRICKED
ME!**

CLENCH

**YOU FAT
BITCH...**

I'LL KILL YOU!

STOMP!

STOMP!

STOMP!

Congratulations, I really didn't think this plan would work. If there had been any other way...

Yeah it was a big risk giving her the cloak...

Uuuhhhh...

But I figured if she originally copied the power of your cloak maybe it could change her back when it was removed.

Well, it's finally over now and thanks to your help the world is safe.

Here... I believe this is yours...

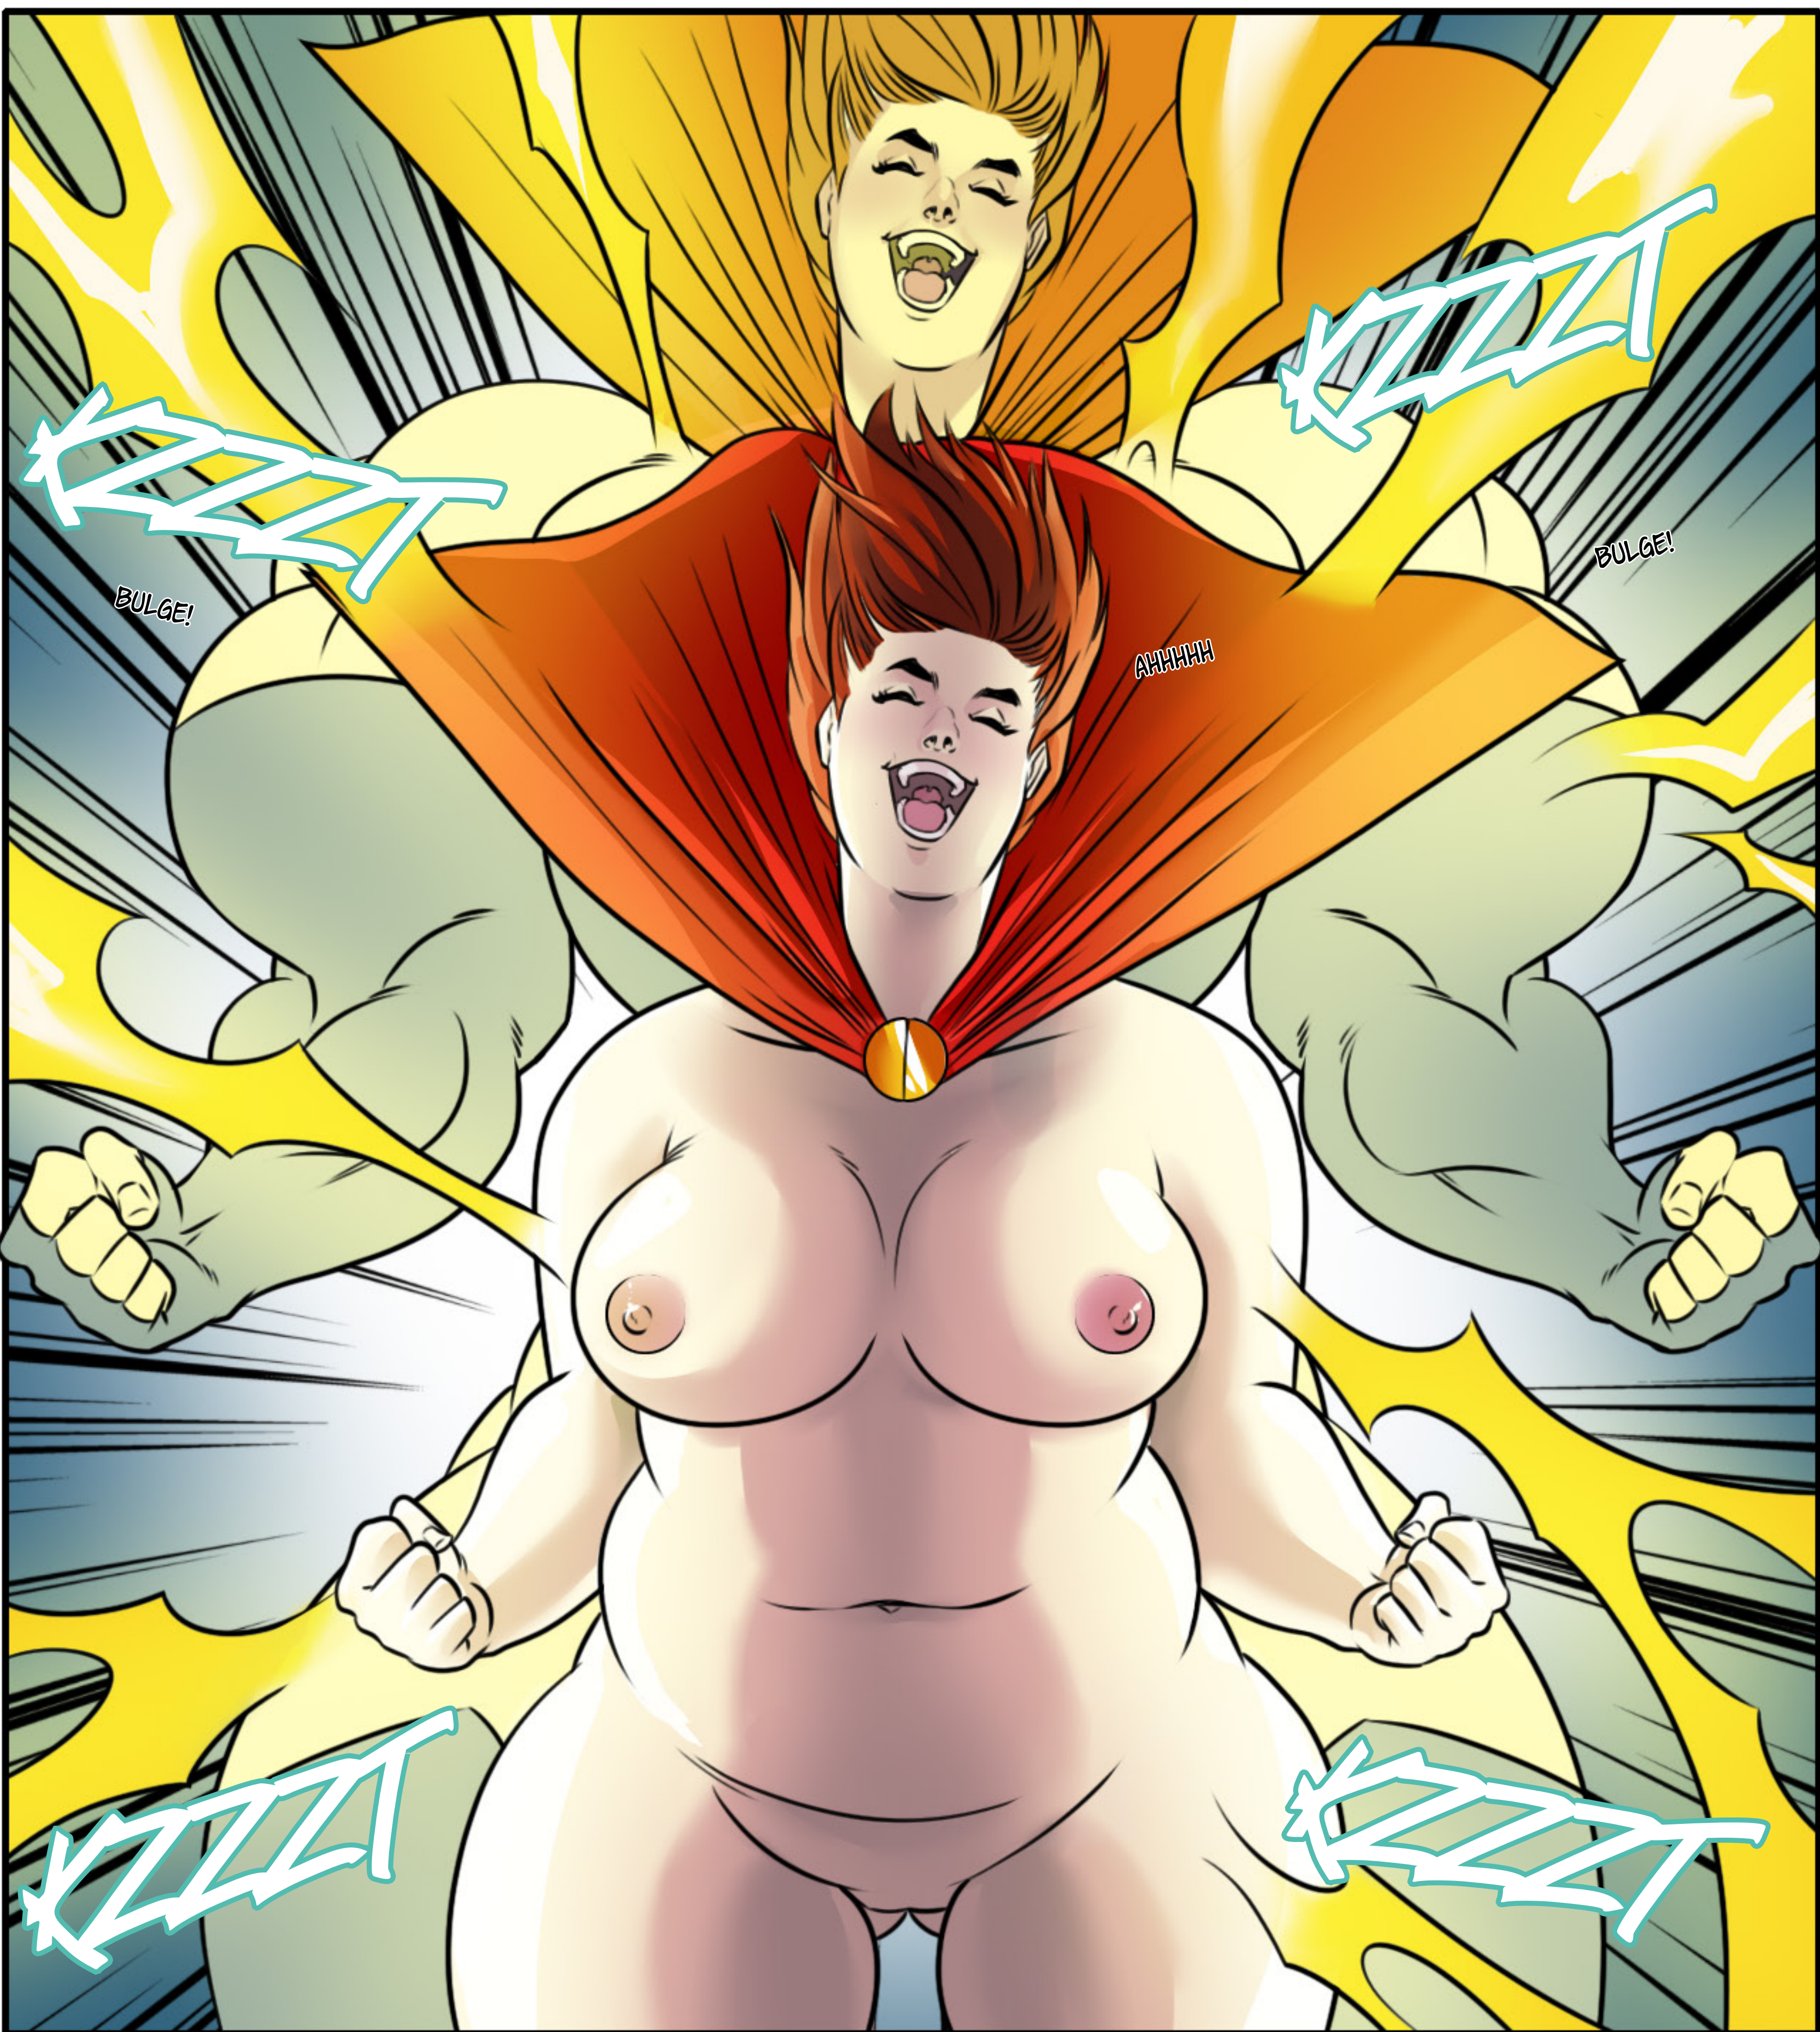

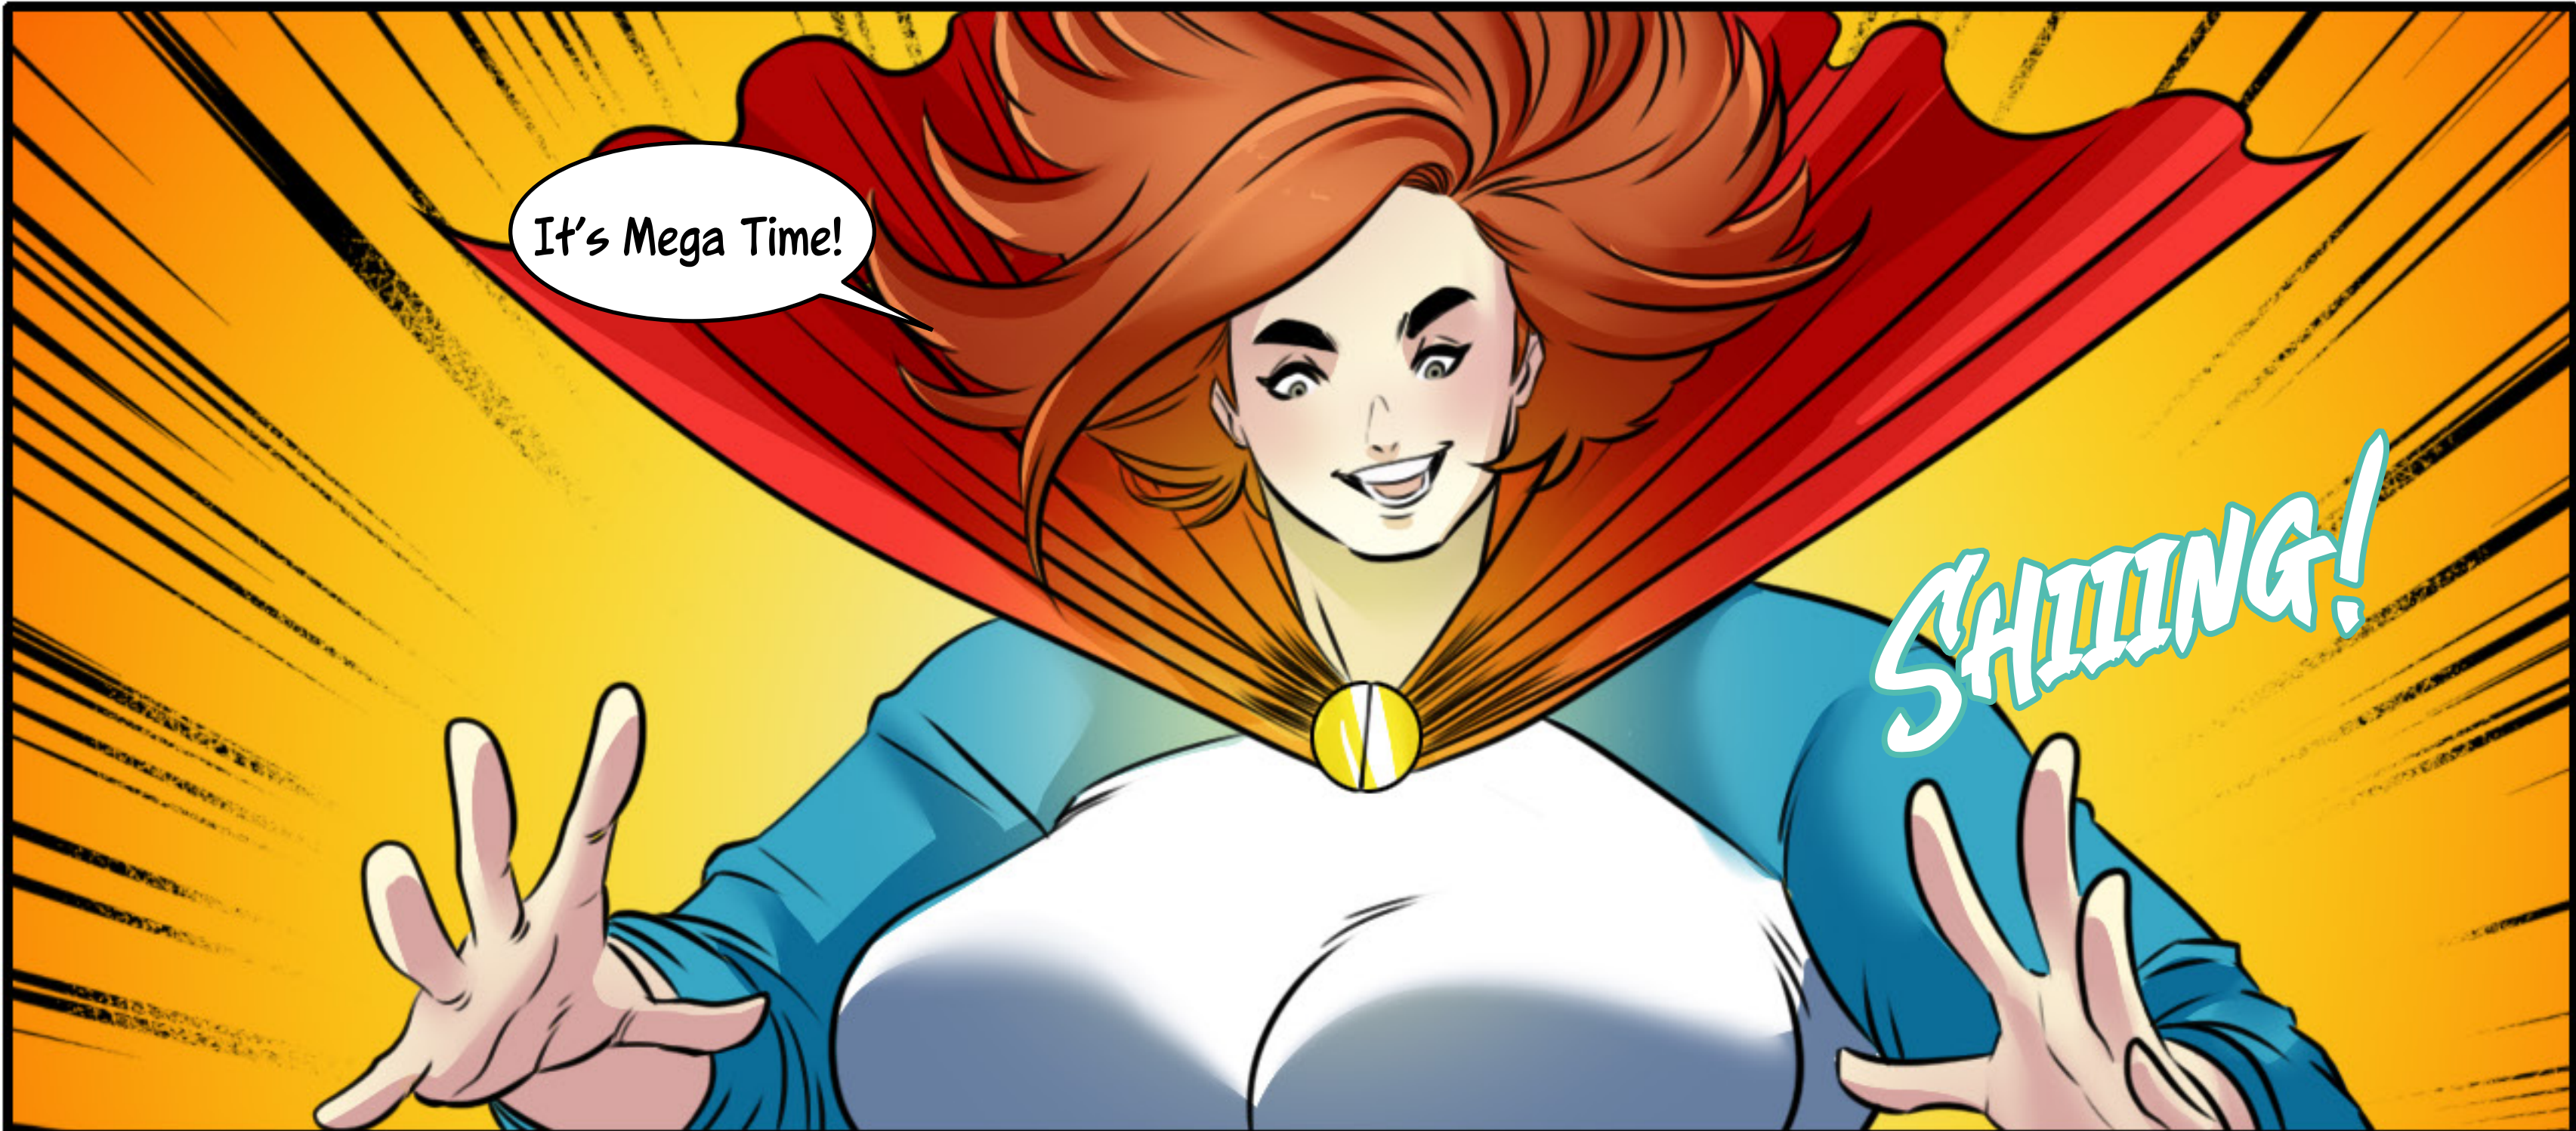

REALLY?!?
OH THANK YOU!

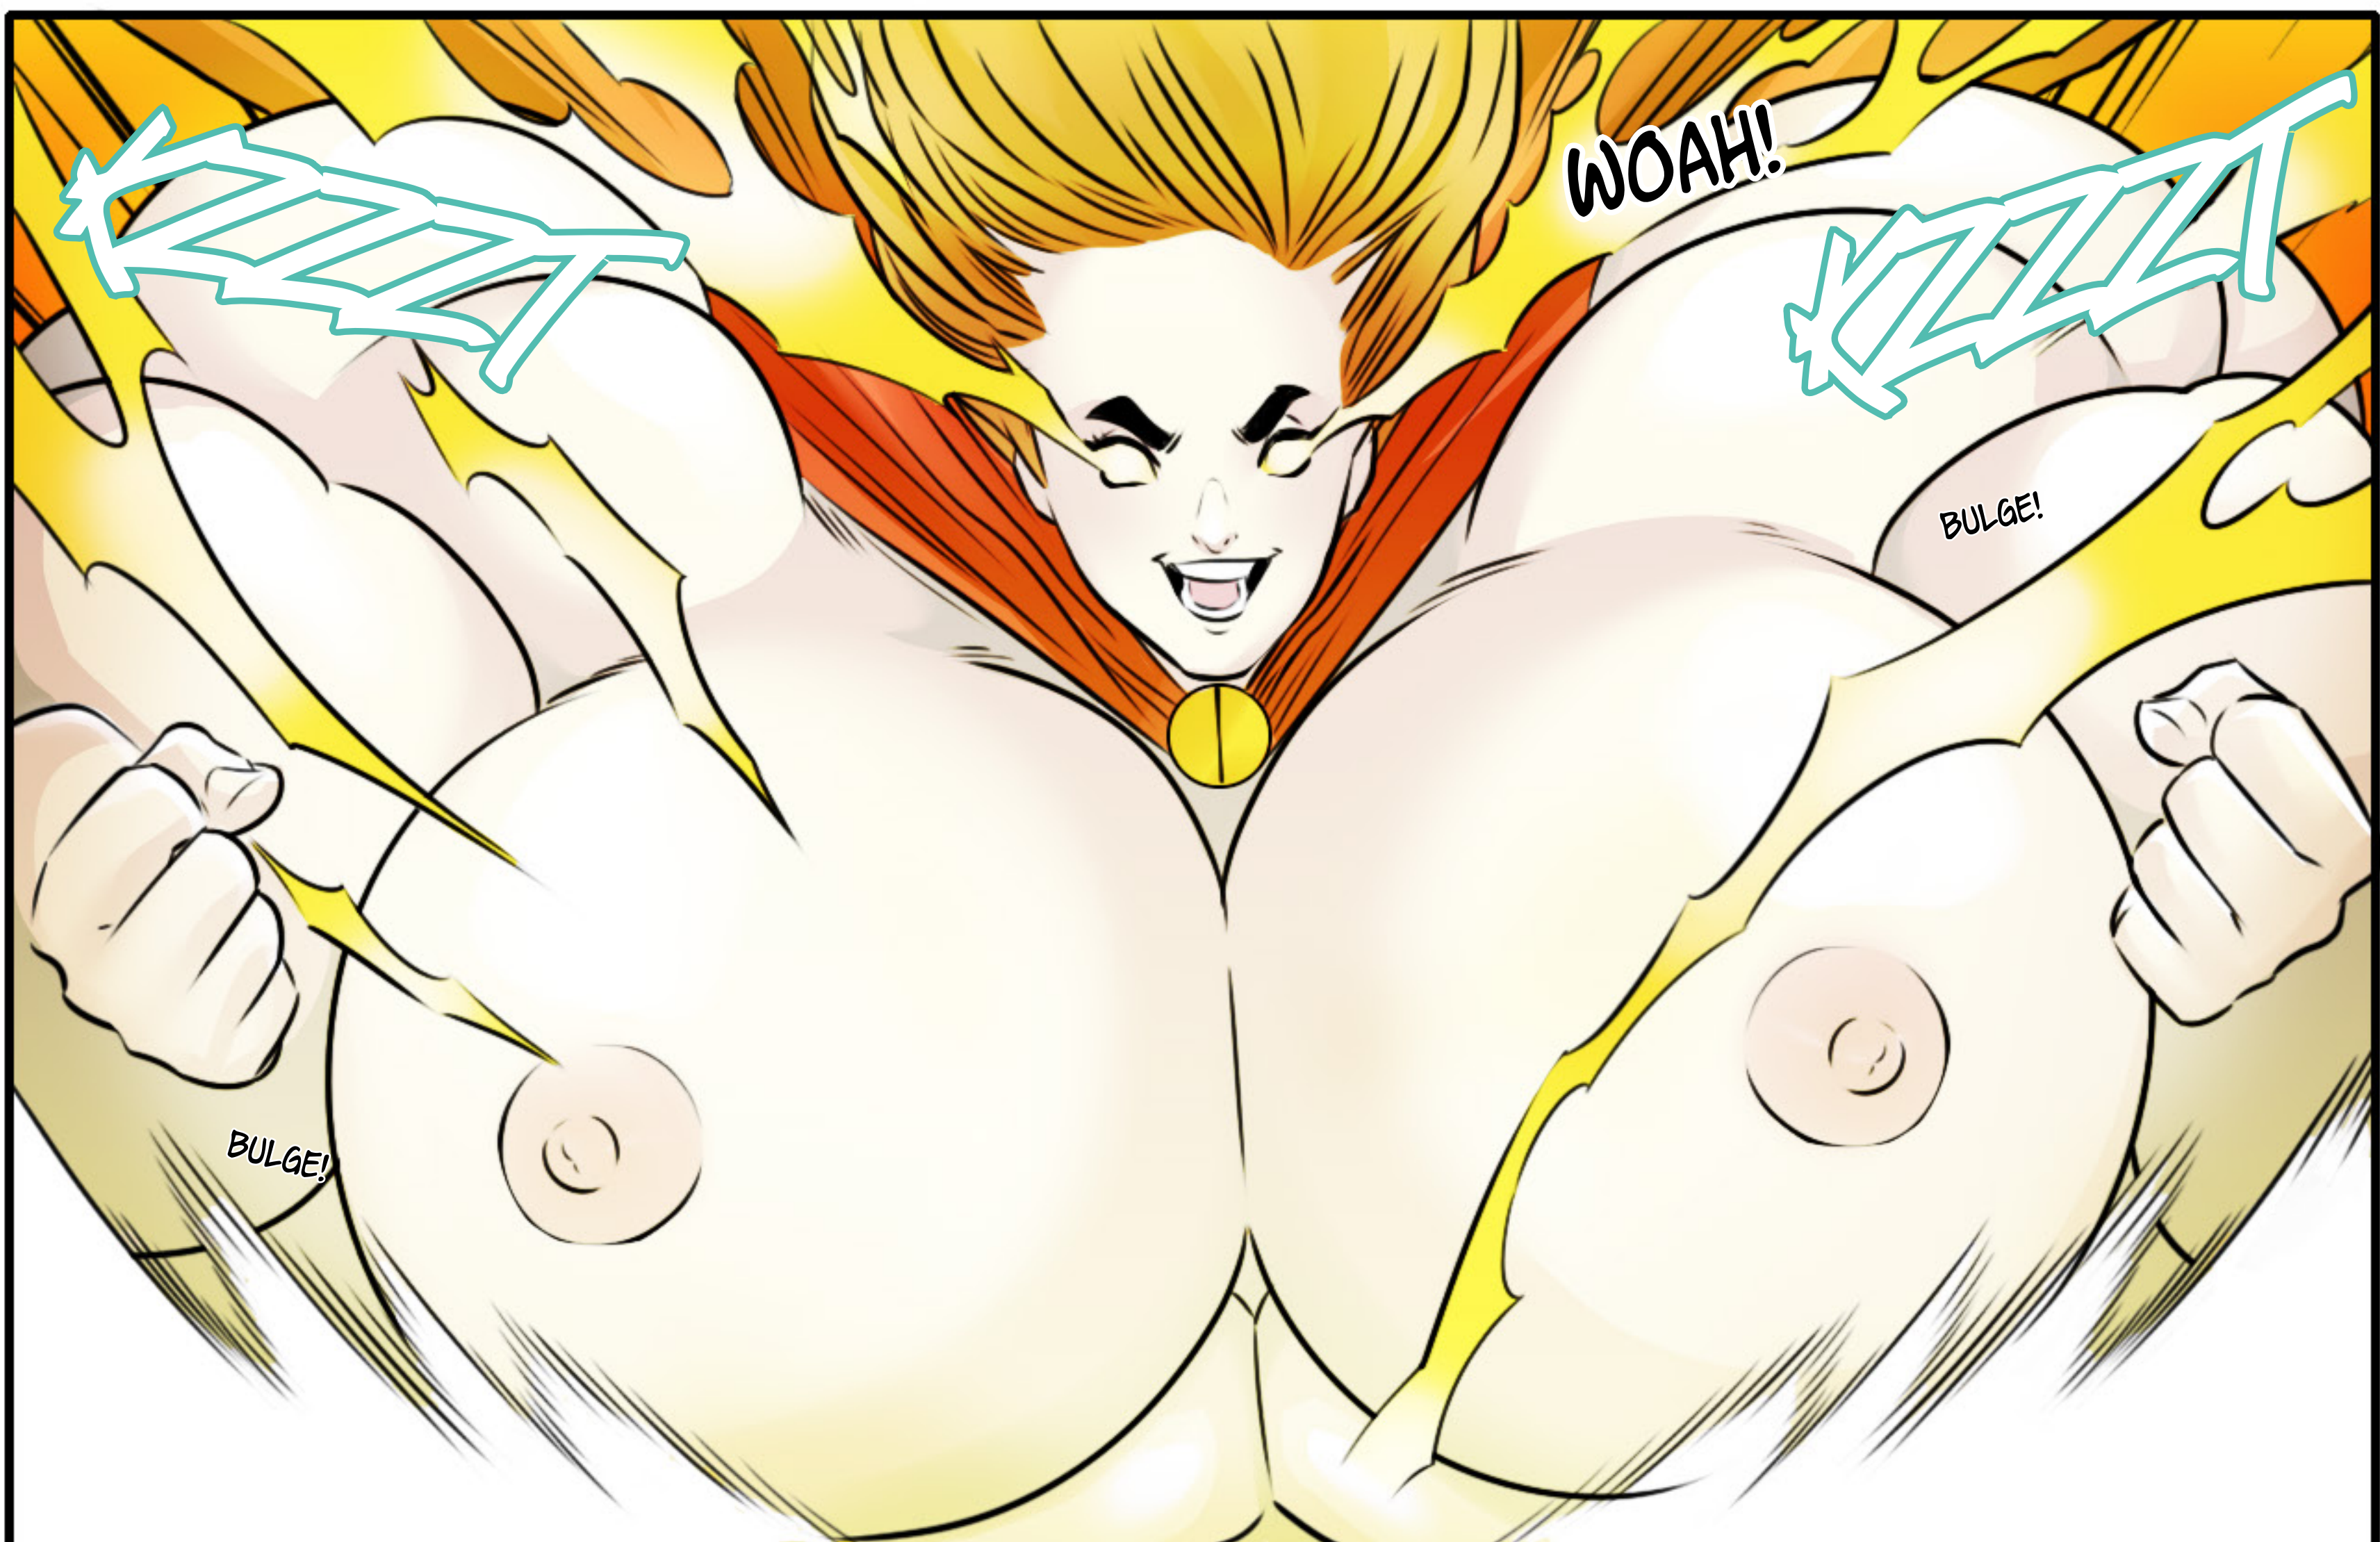

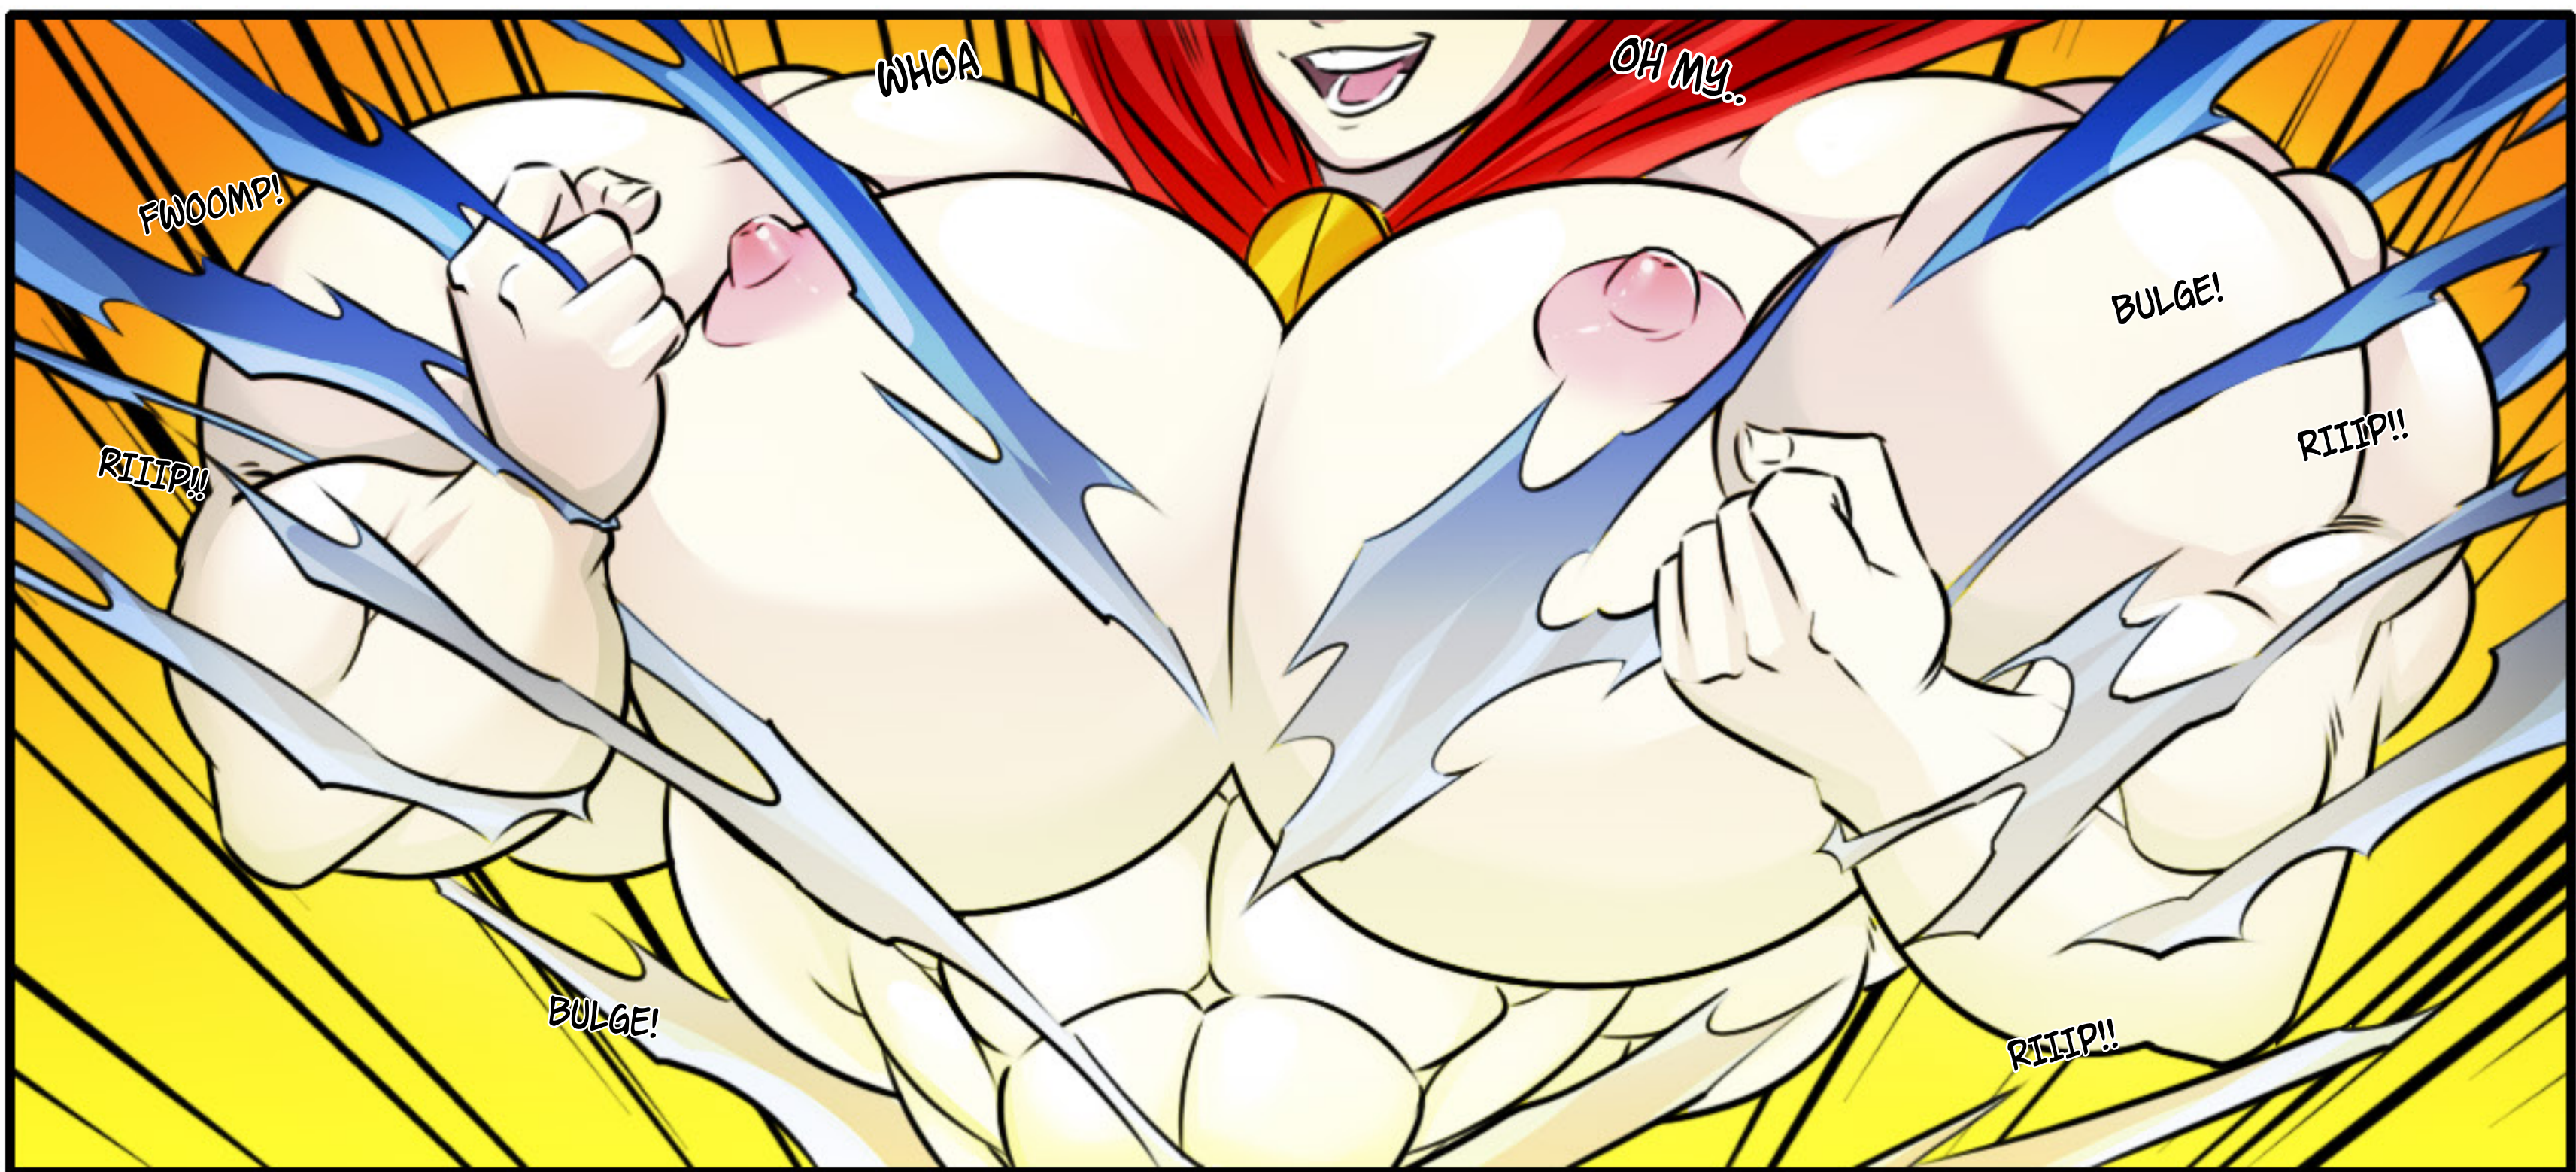

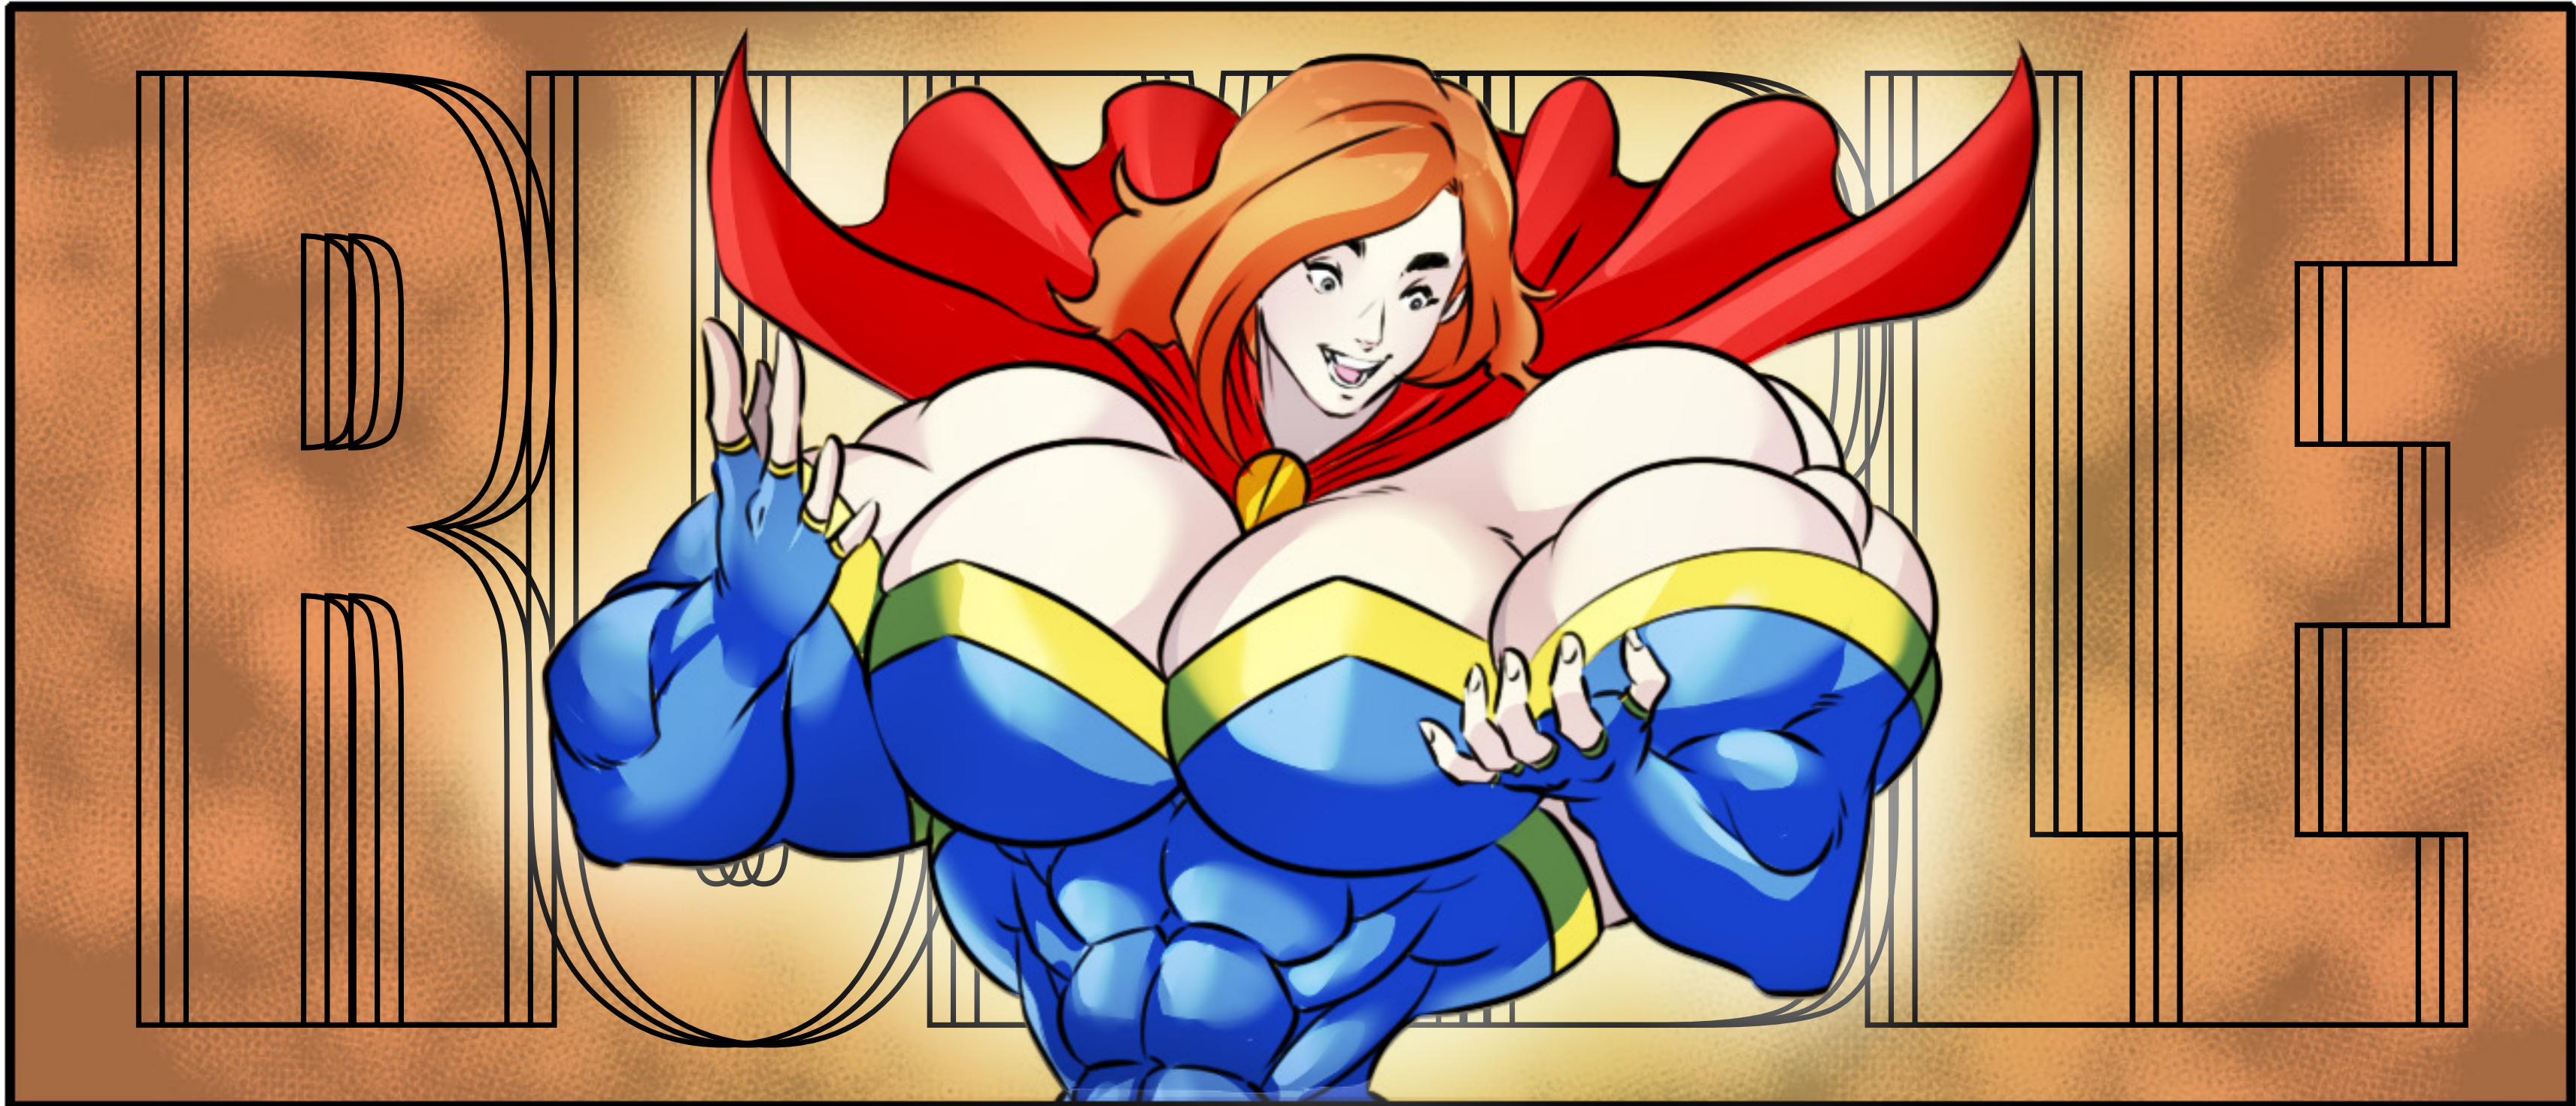

Go ahead and put it on now, you can help me clear the rubble and search for survivors in this mess.

Ok, I hope you don't mind if I say this but...

CLICK!

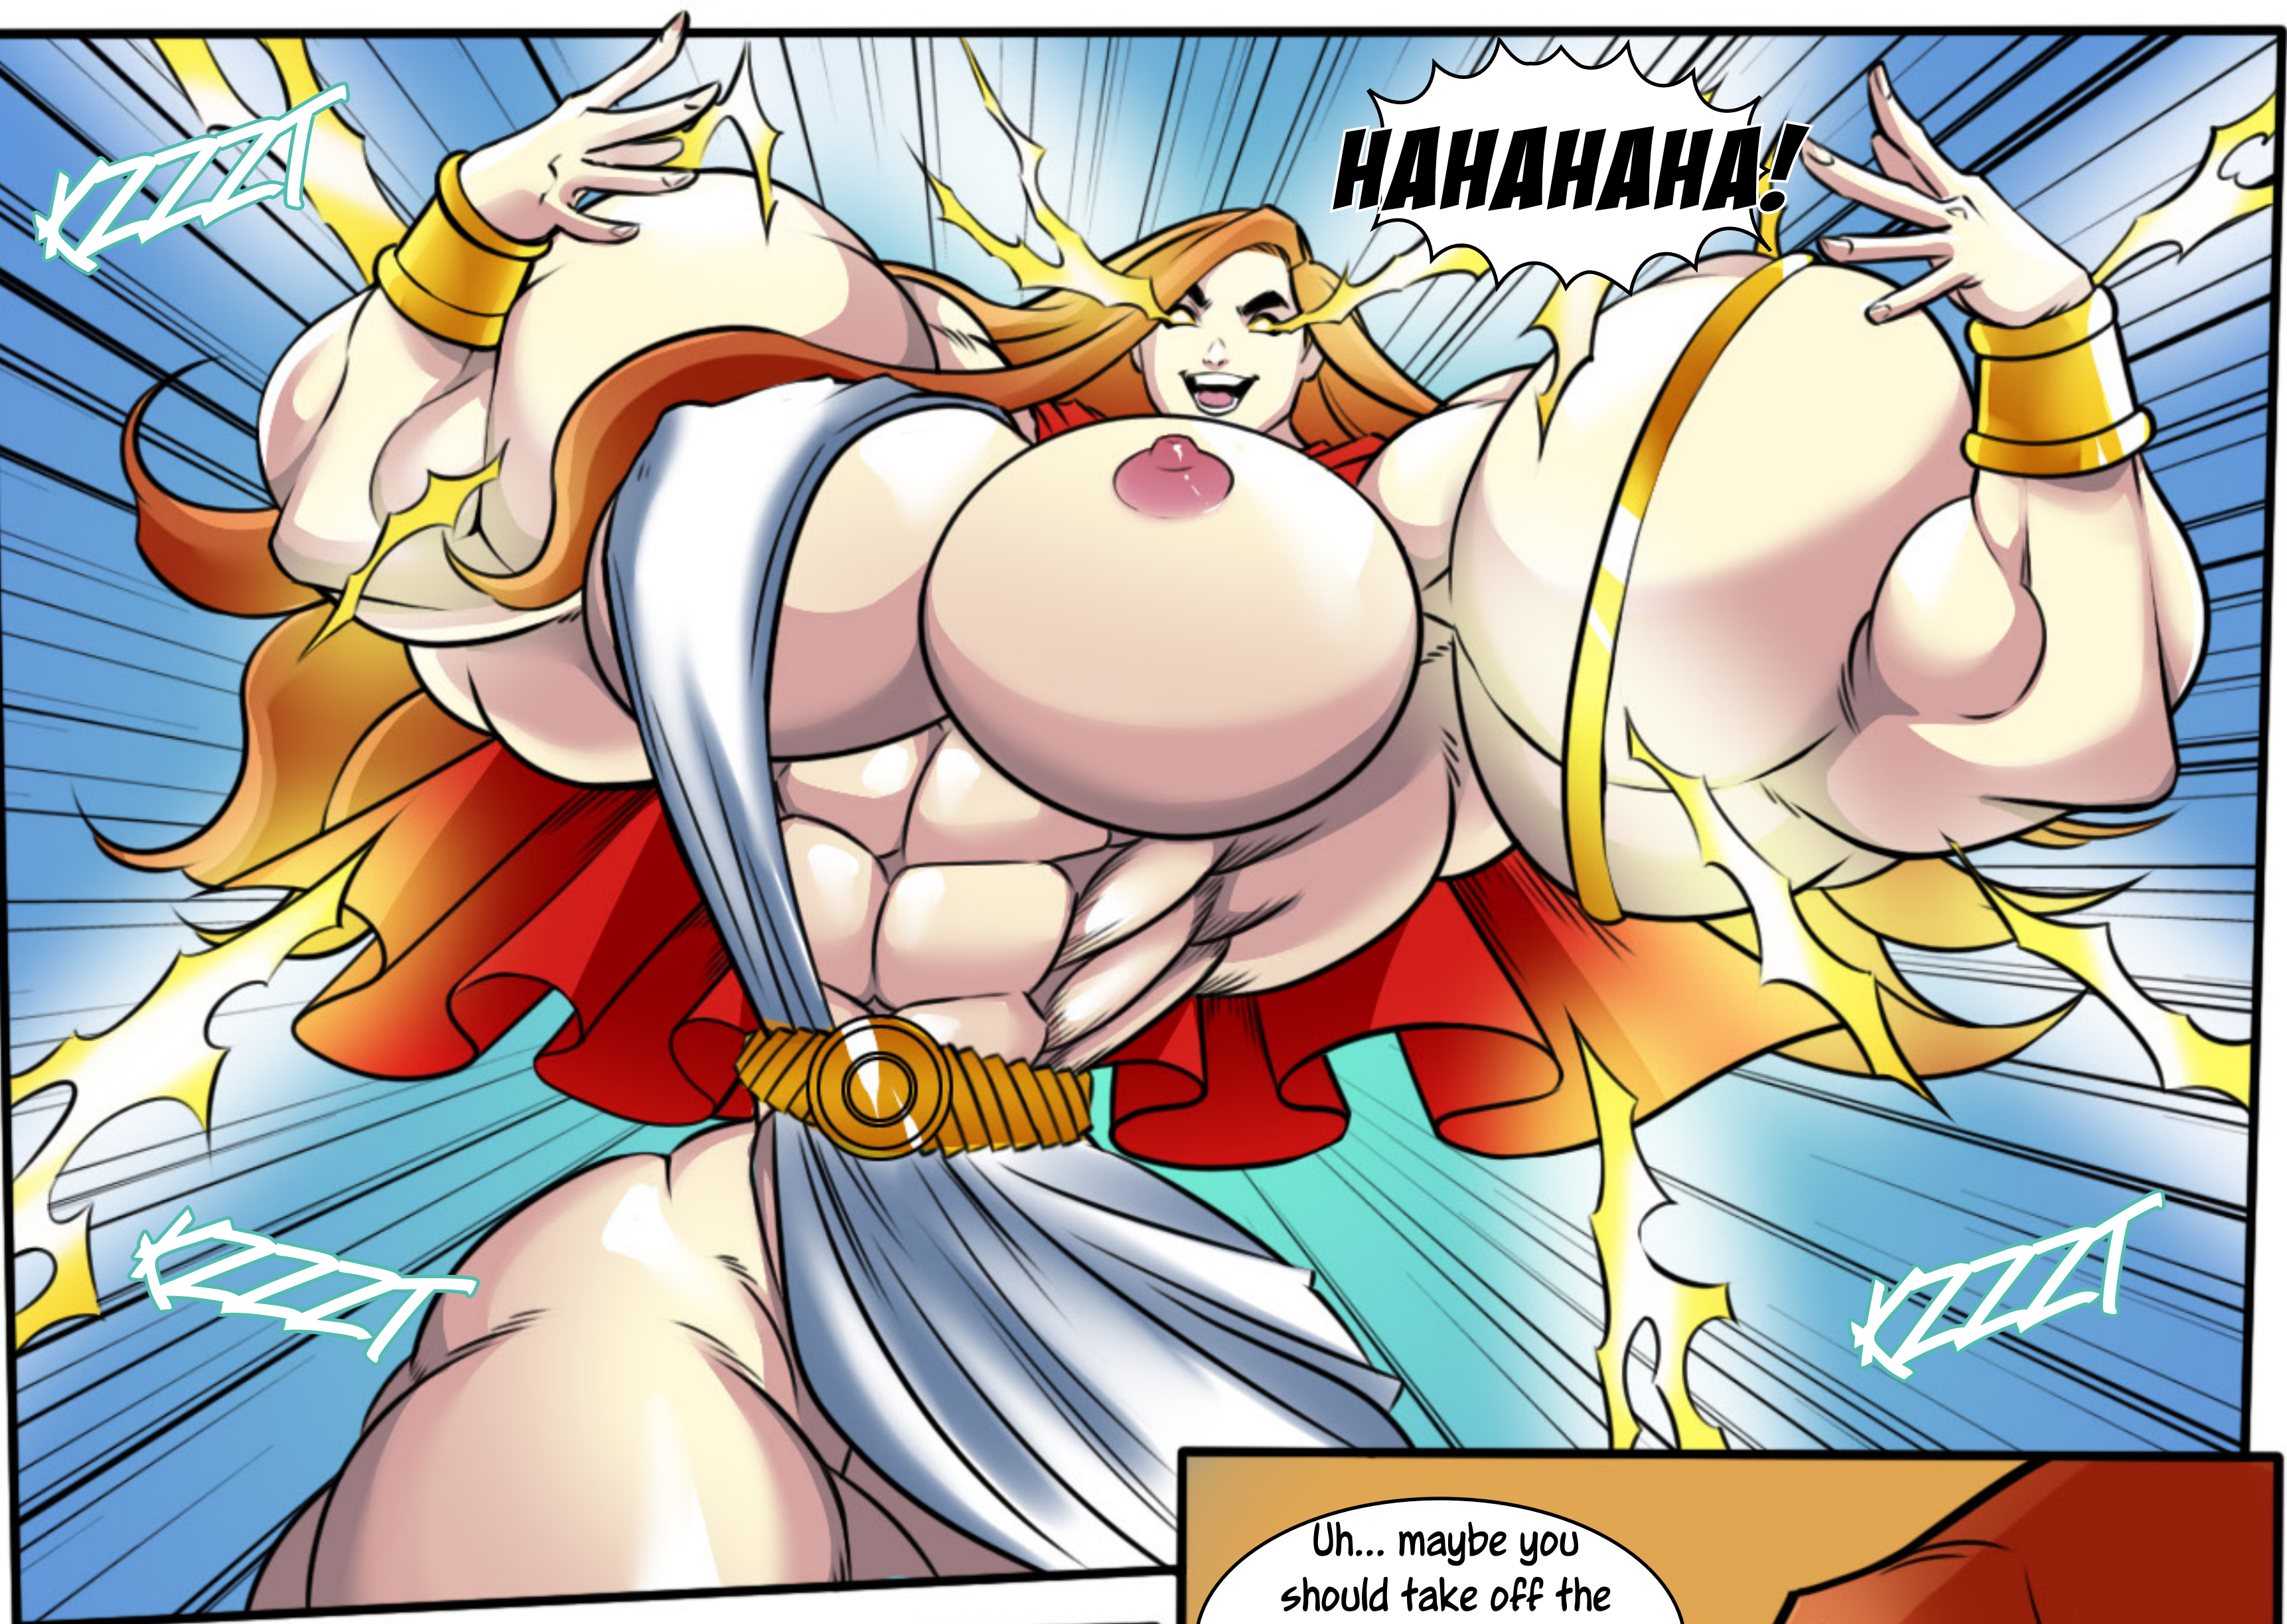

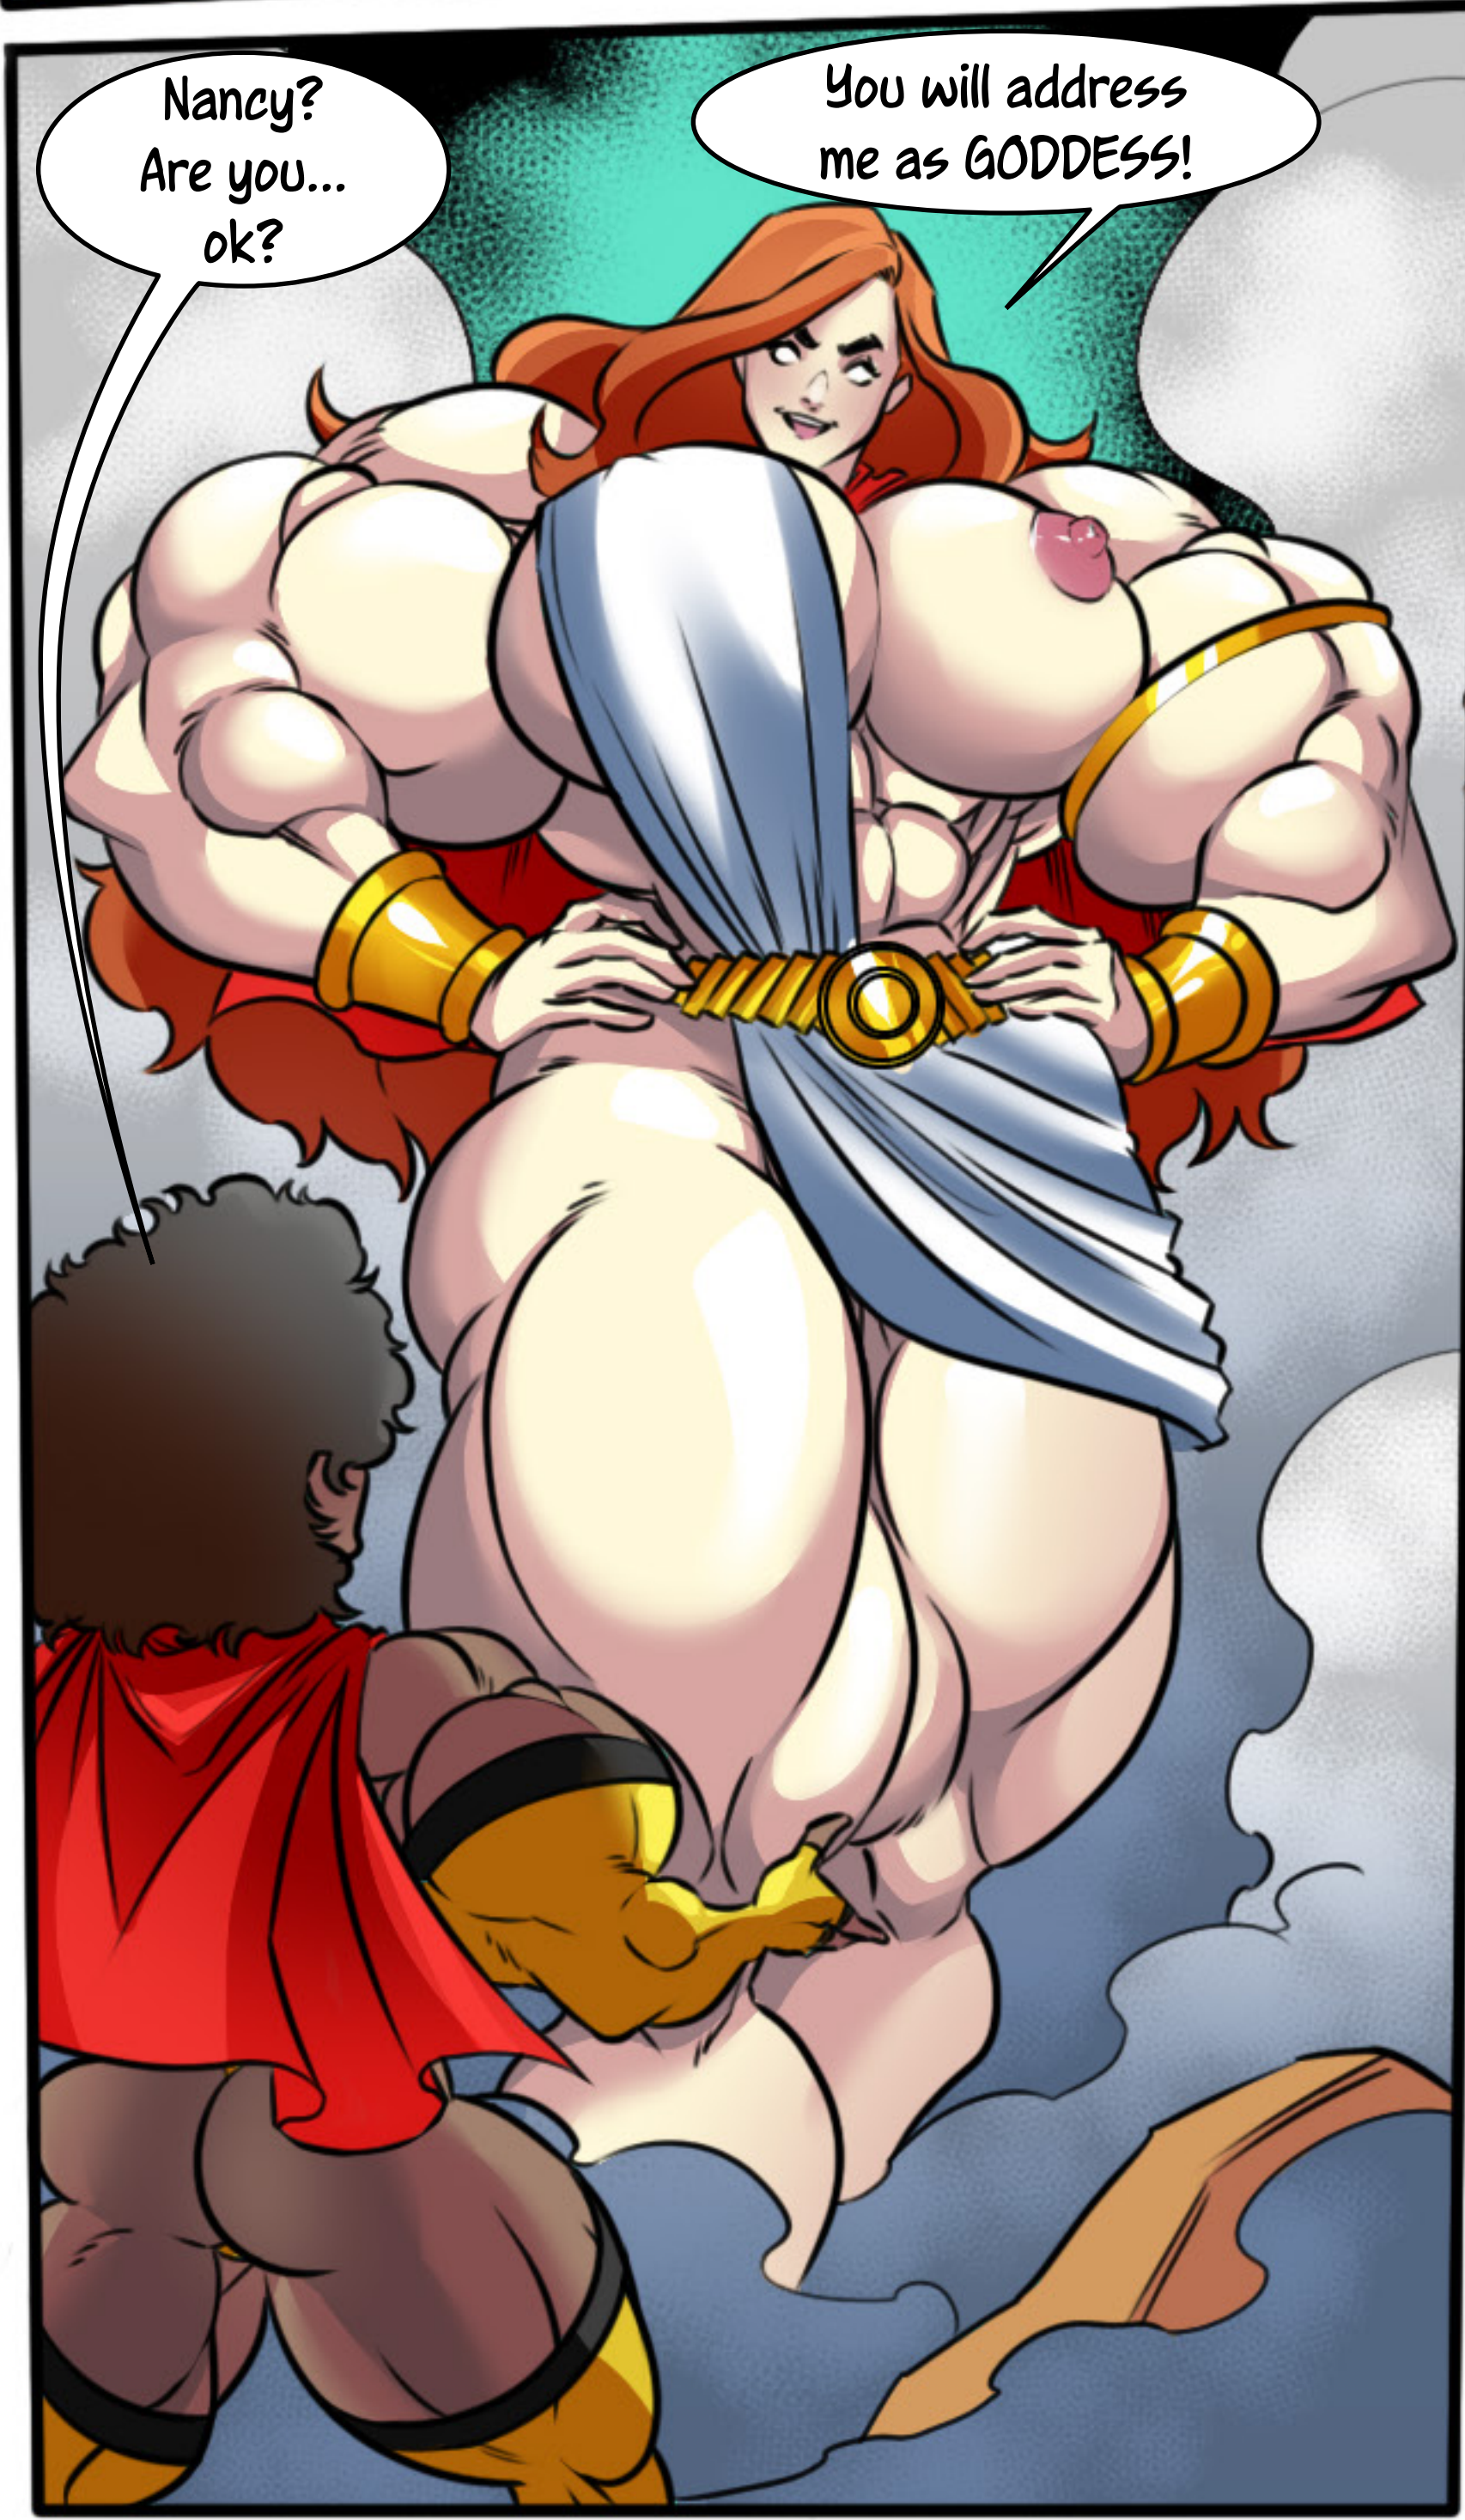

**MMMMMM...
SO MUCH... POWER!**

OH MY...
the cloak must have
stored all the power
from before!

HAHAHAHA!

You will address me as GODDESS!

Nancy? Are you... ok?

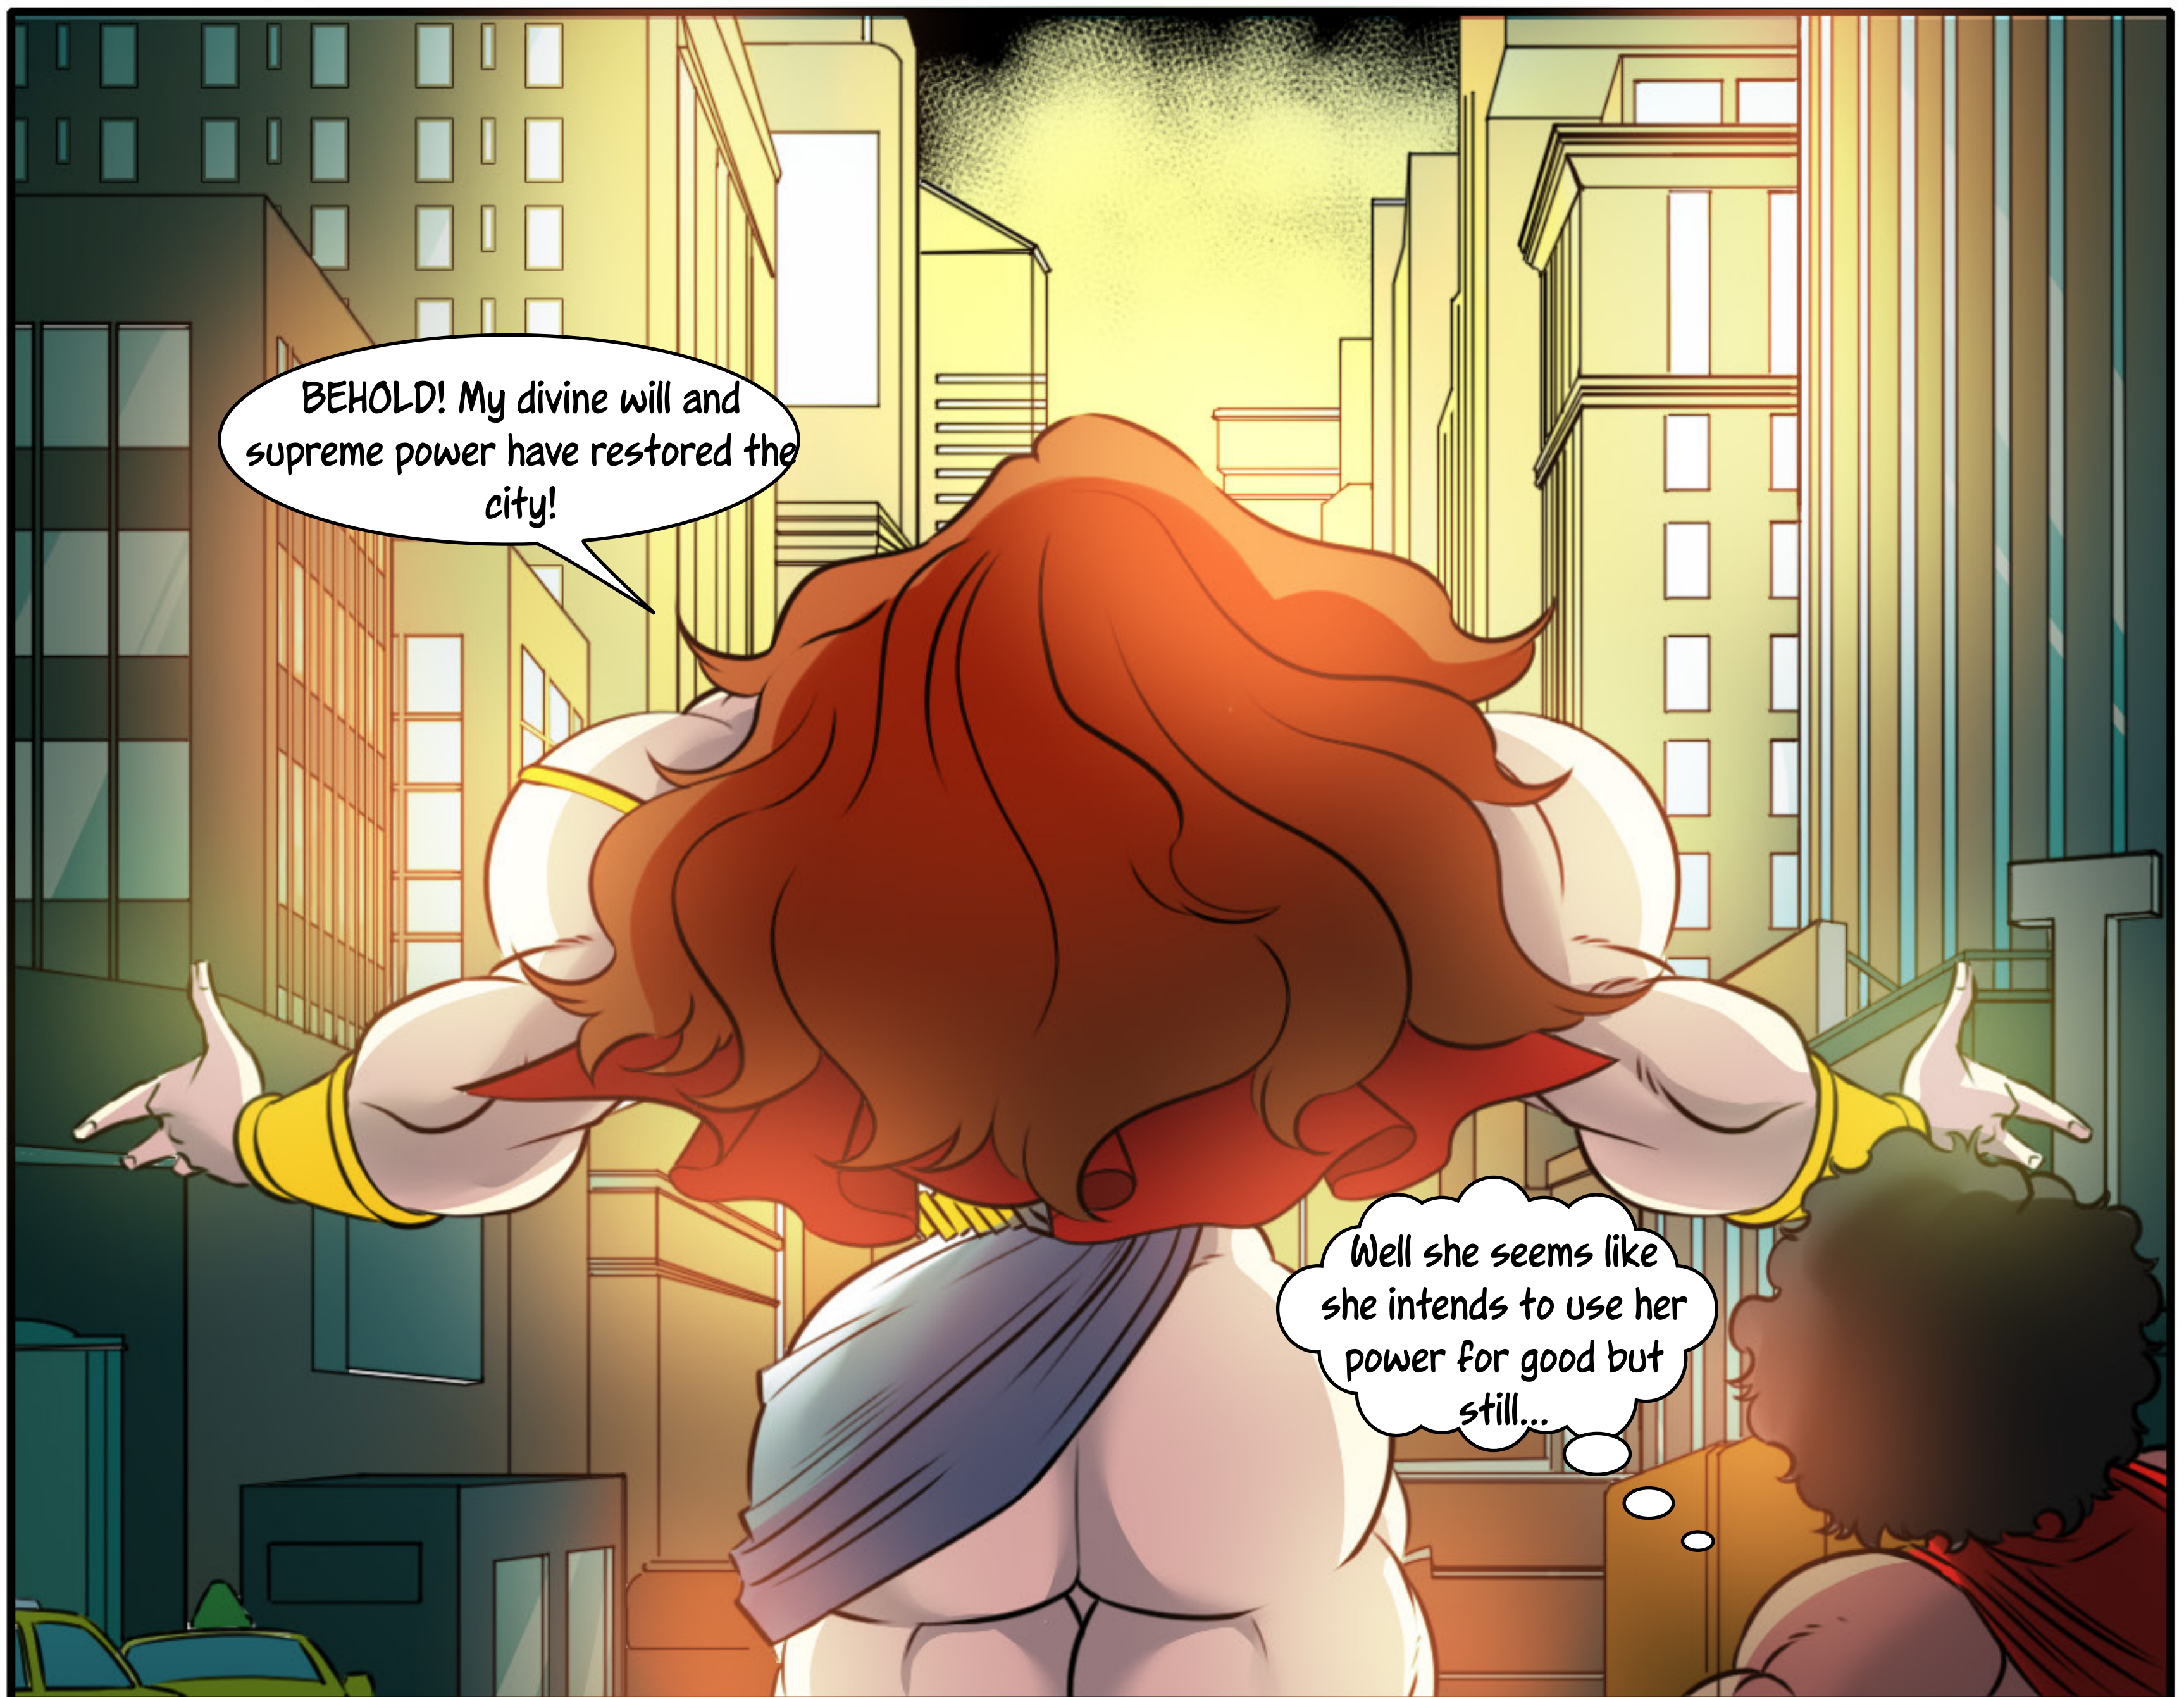

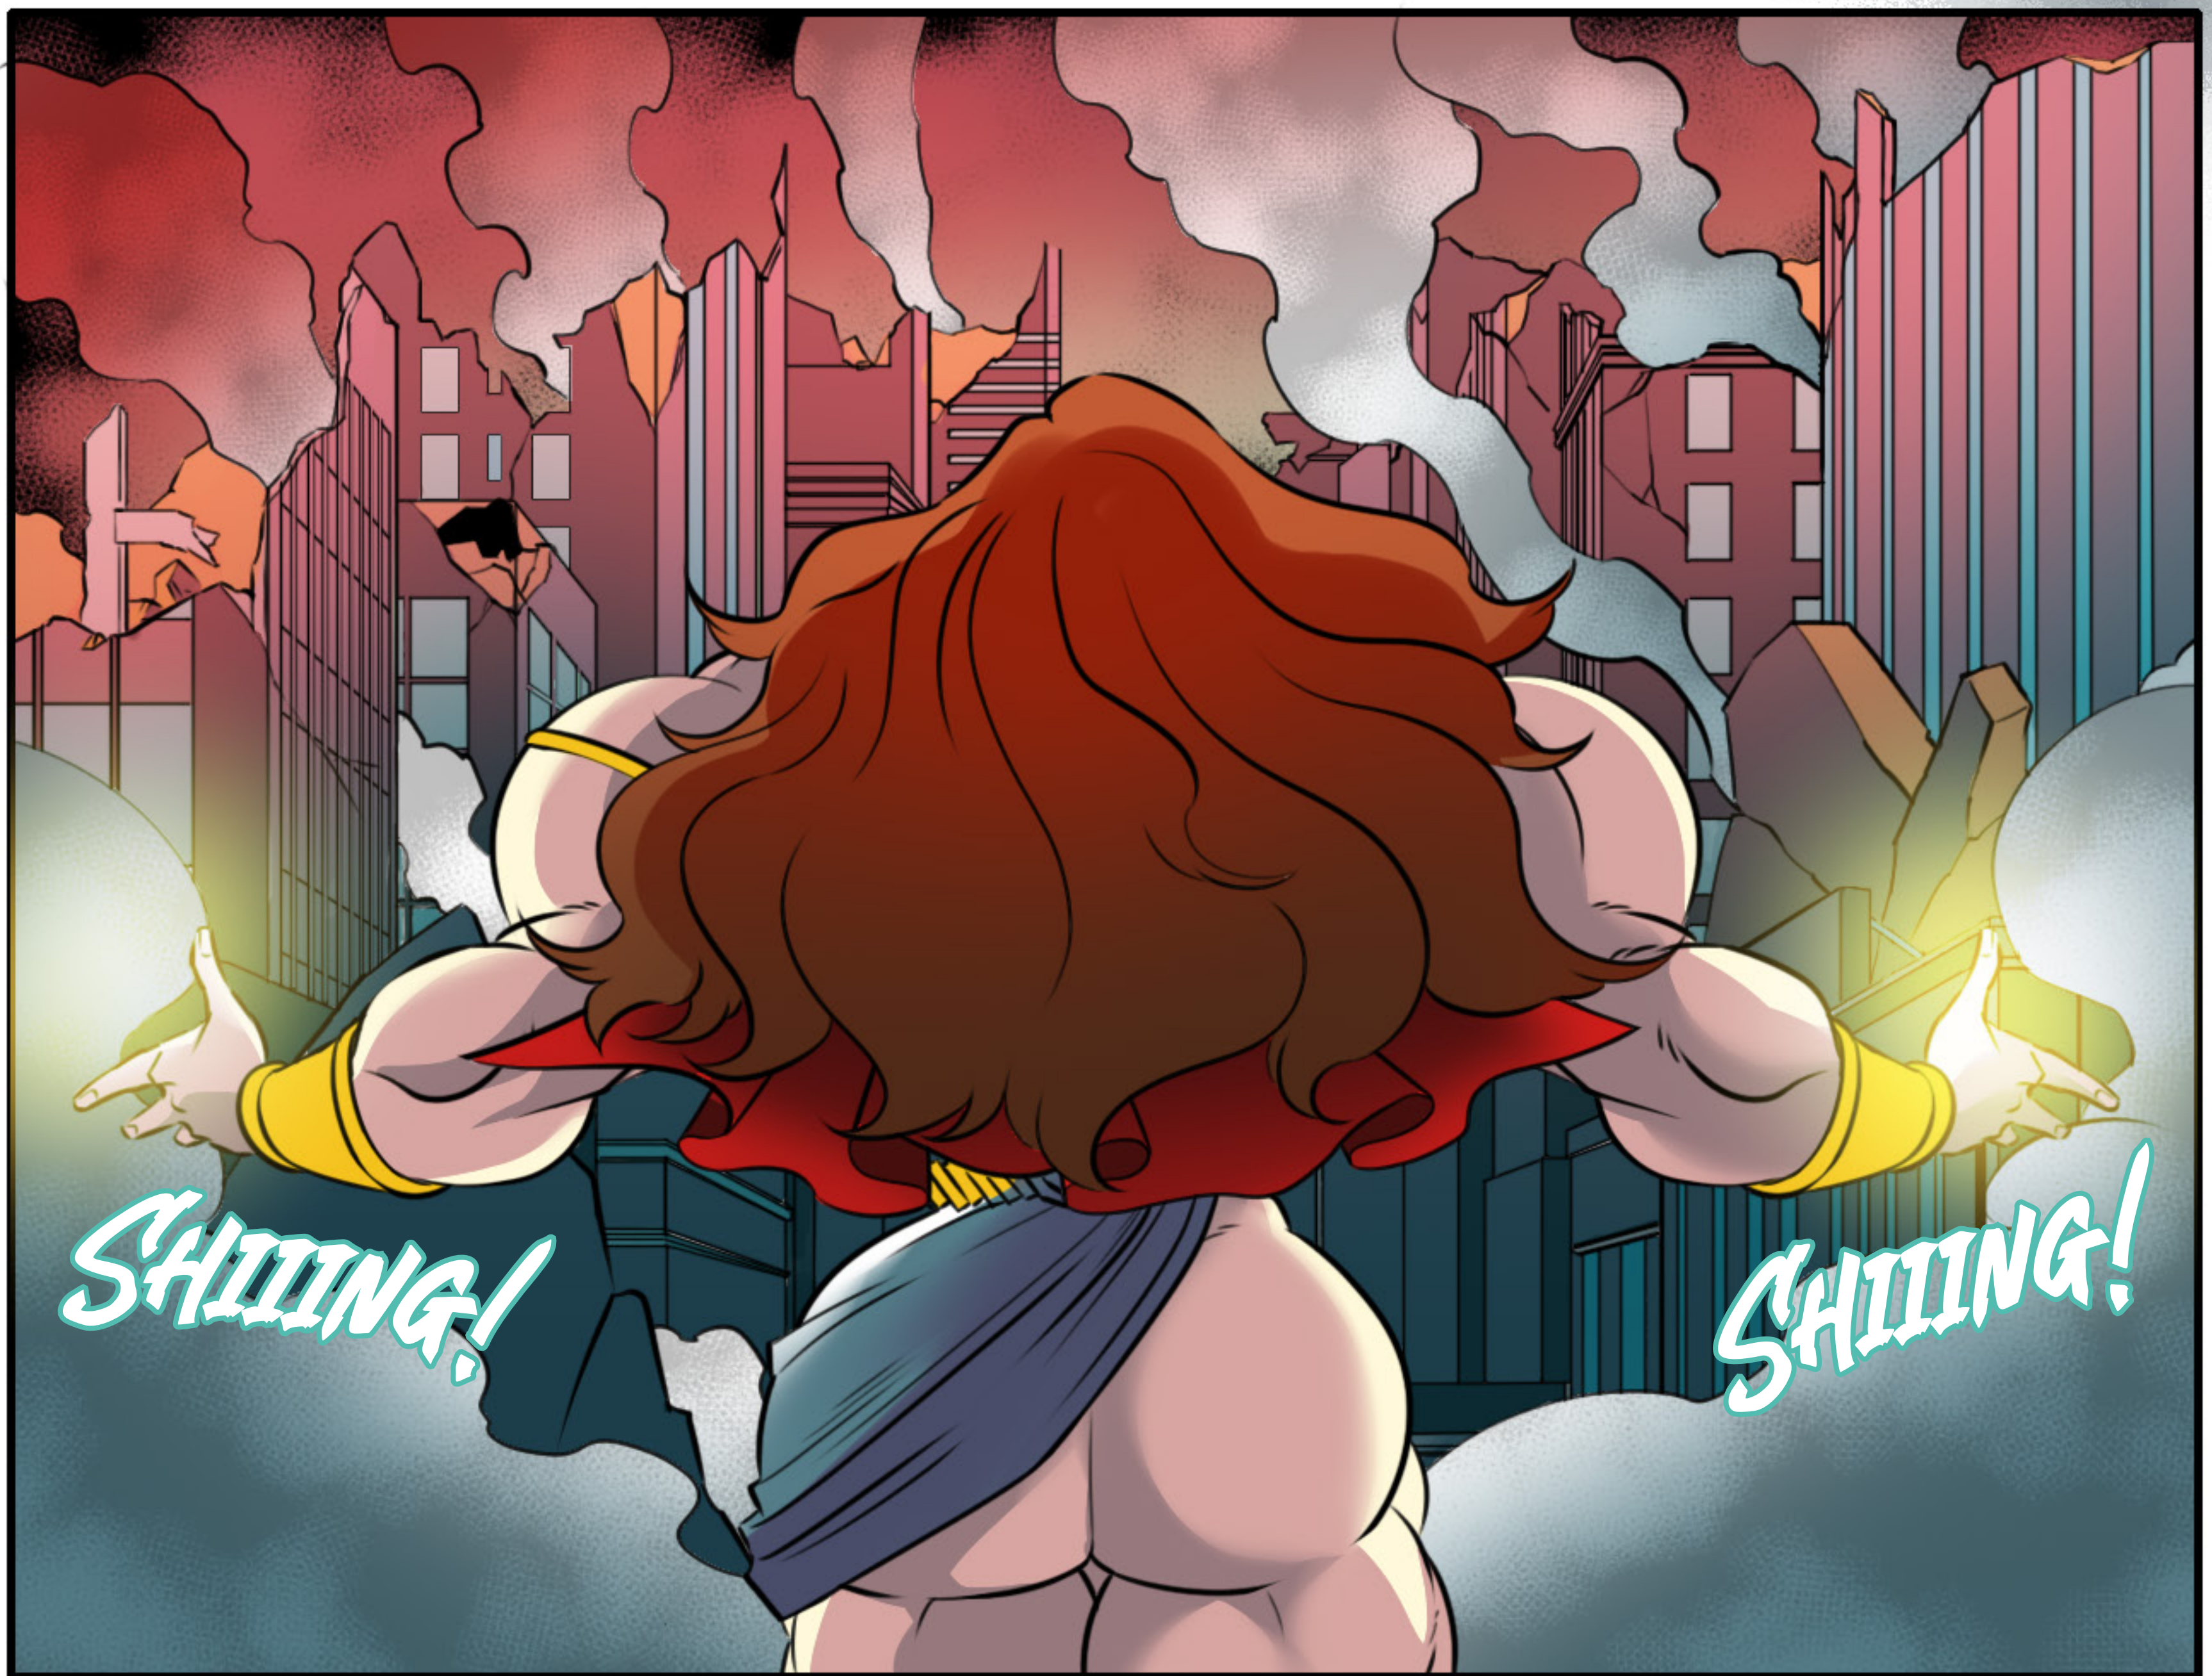

Uh... maybe you should take off the cloak. I think the power may be too much for...

FOOL!
You can't even imagine what's happened to me! The things I can do now!

SUN

It's just too much for one person to have... I'll have to take the cloak off her.

WHA...!?! CAN'T... STAND... UP...

BULGE

Oh... I've been reading your mind for some time now.

You didn't really think I'd let you take my power did you?

Feel... so... heavy...

Hmmm... as long as you wear that cloak you share a link to my power and thus can remove mine.

Still that's easy enough to solve.

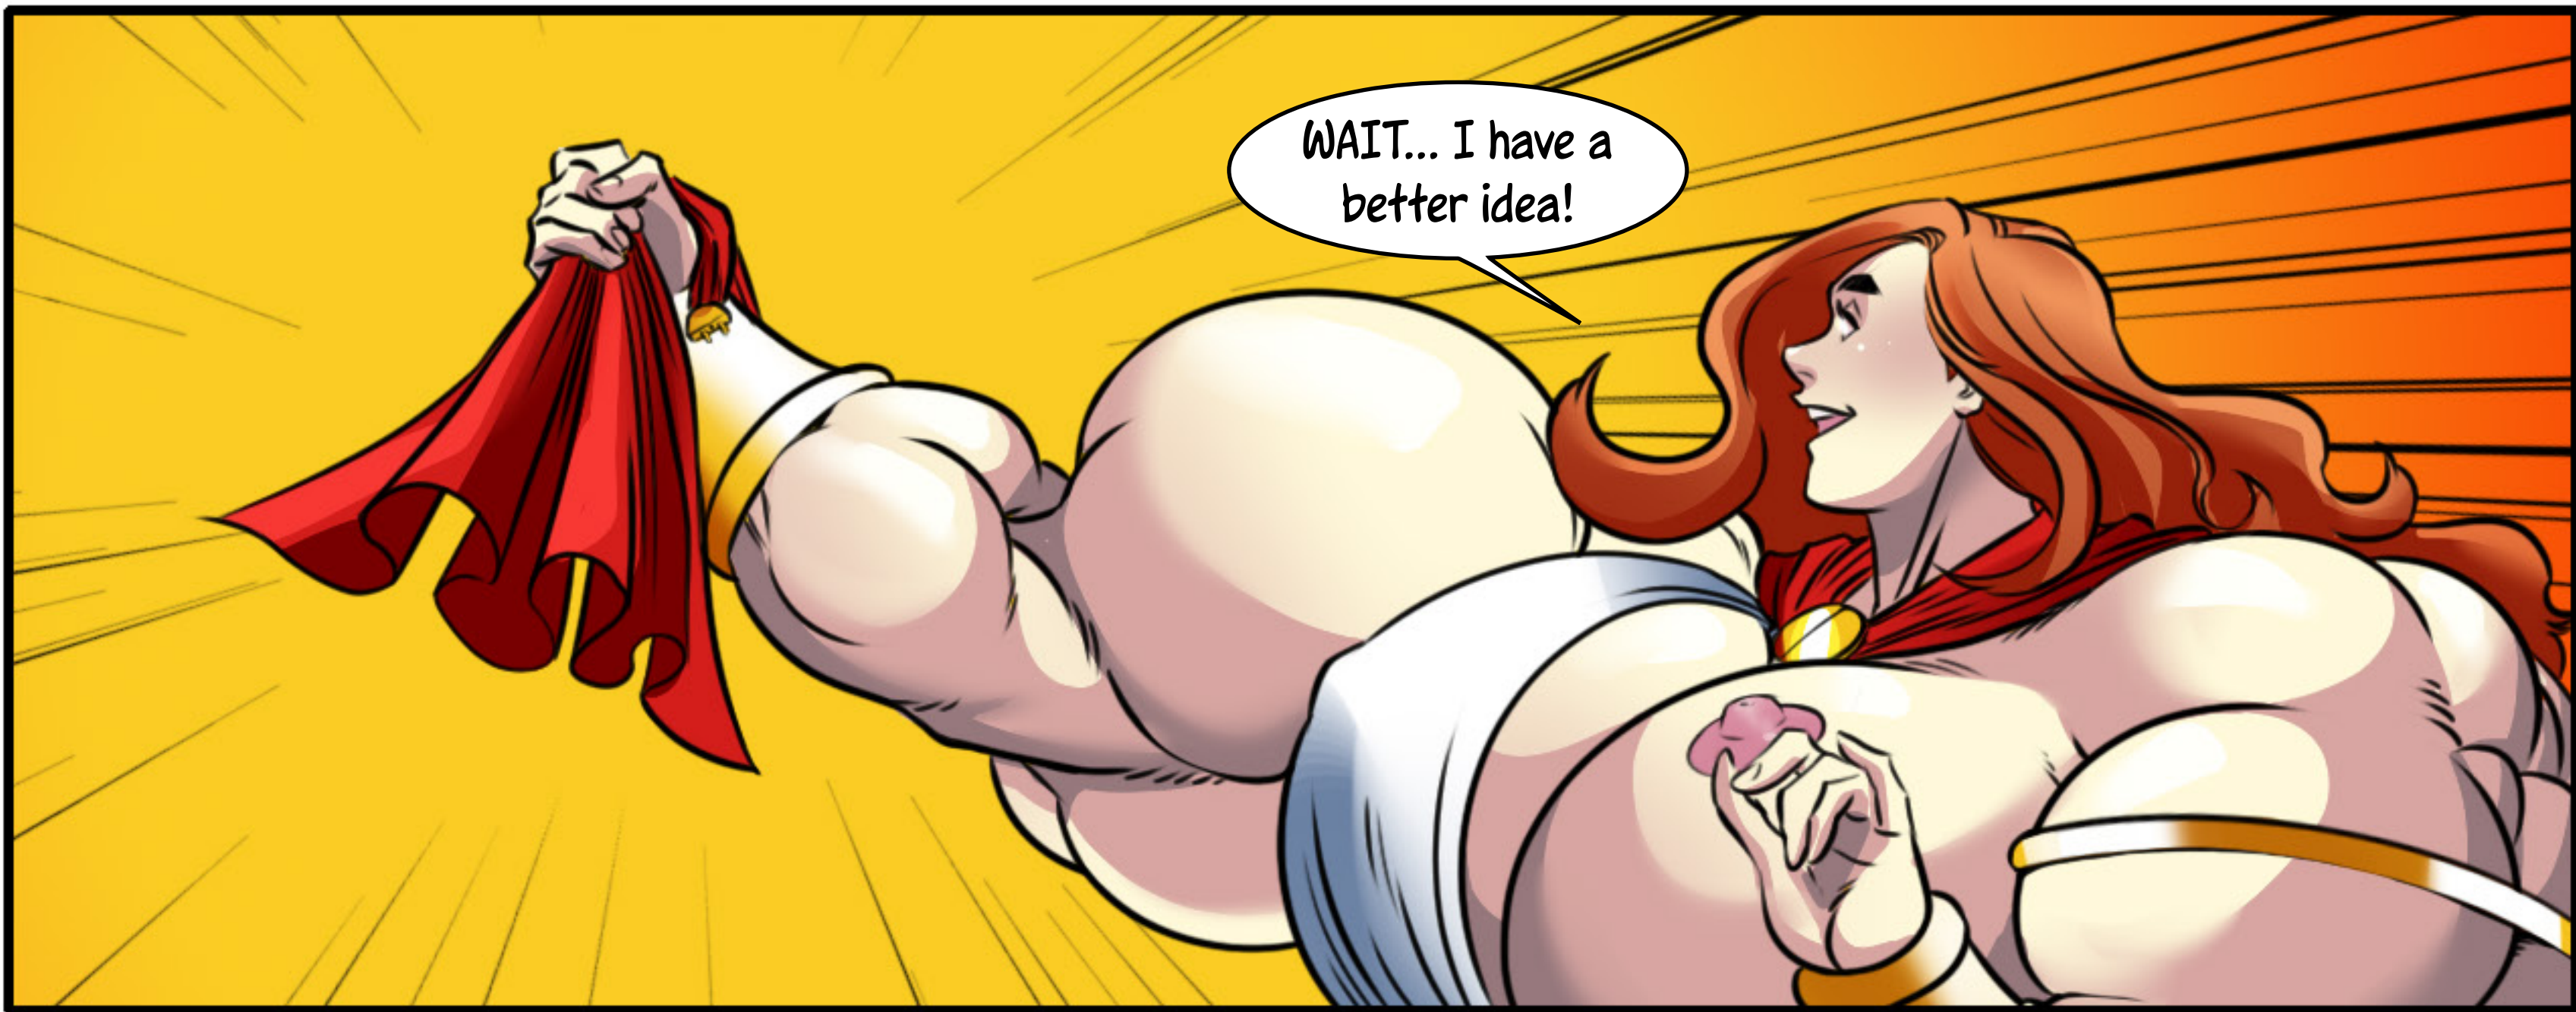

CLENCH!

CLACK!

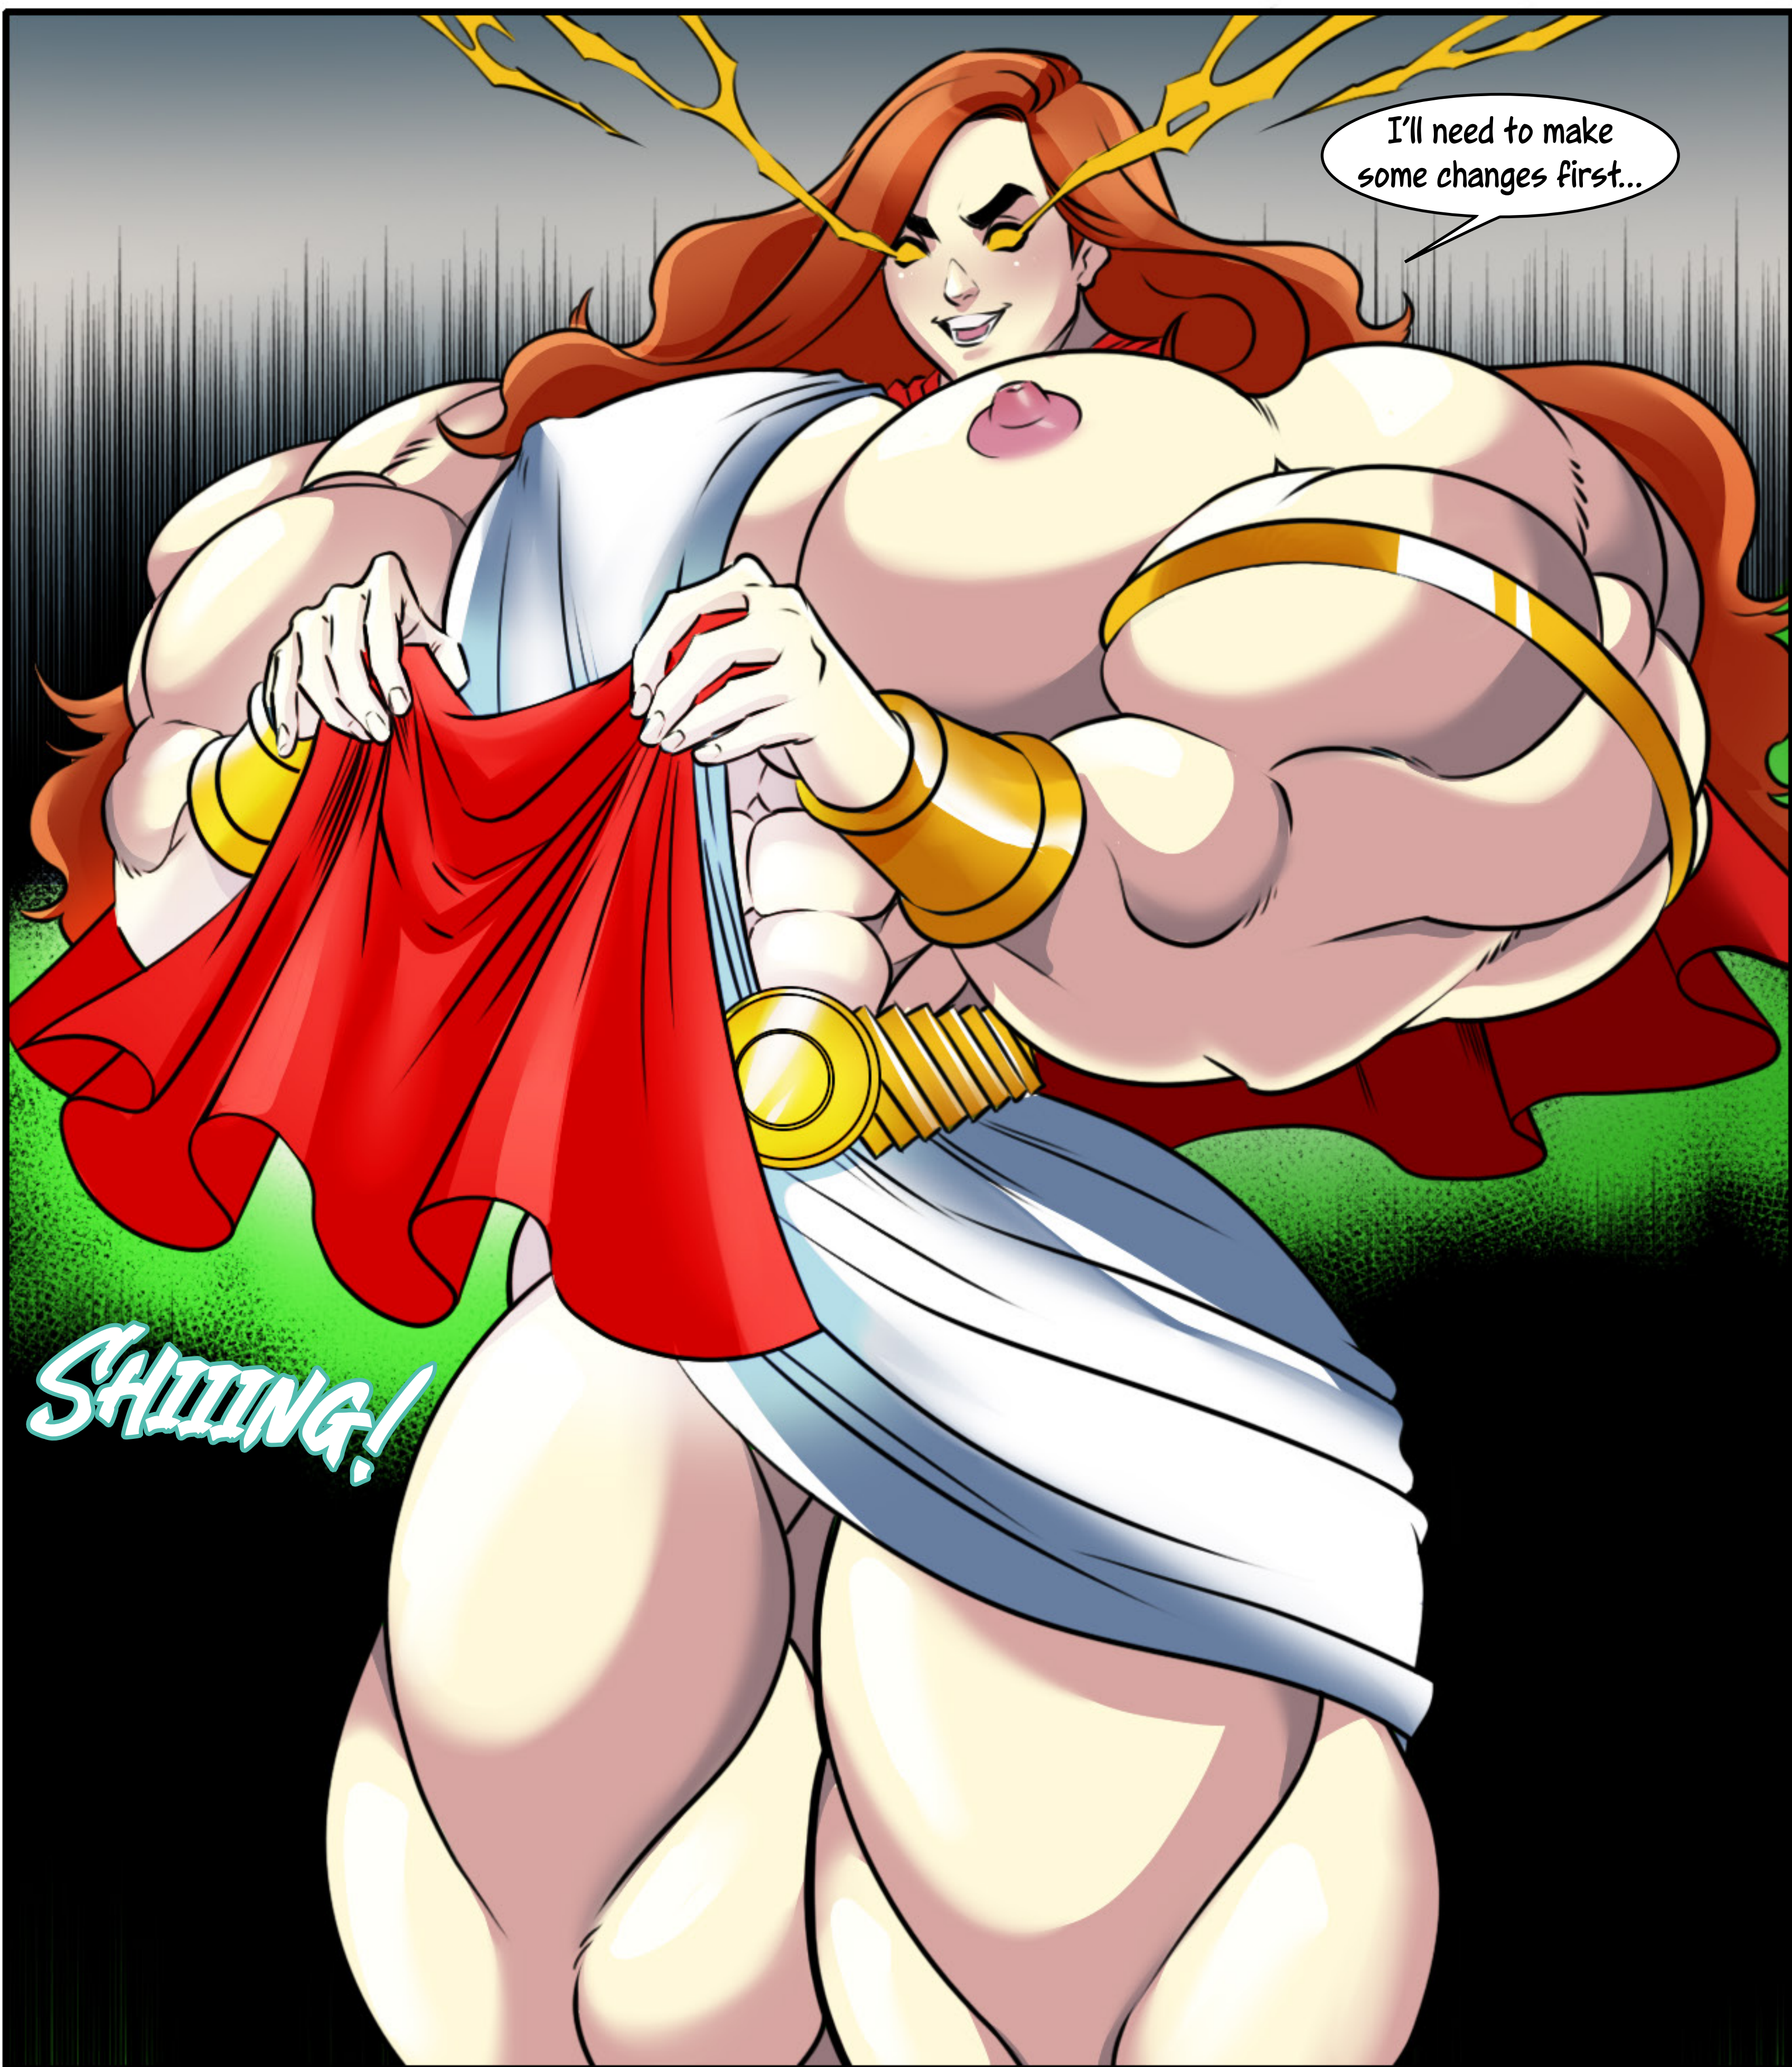

NOOOOOOOOOOOO!!!!!!!!!!!!

Uuufffhhh...

Now then, what to do with this... anyone who puts it on could be a threat to me. I could destroy it...

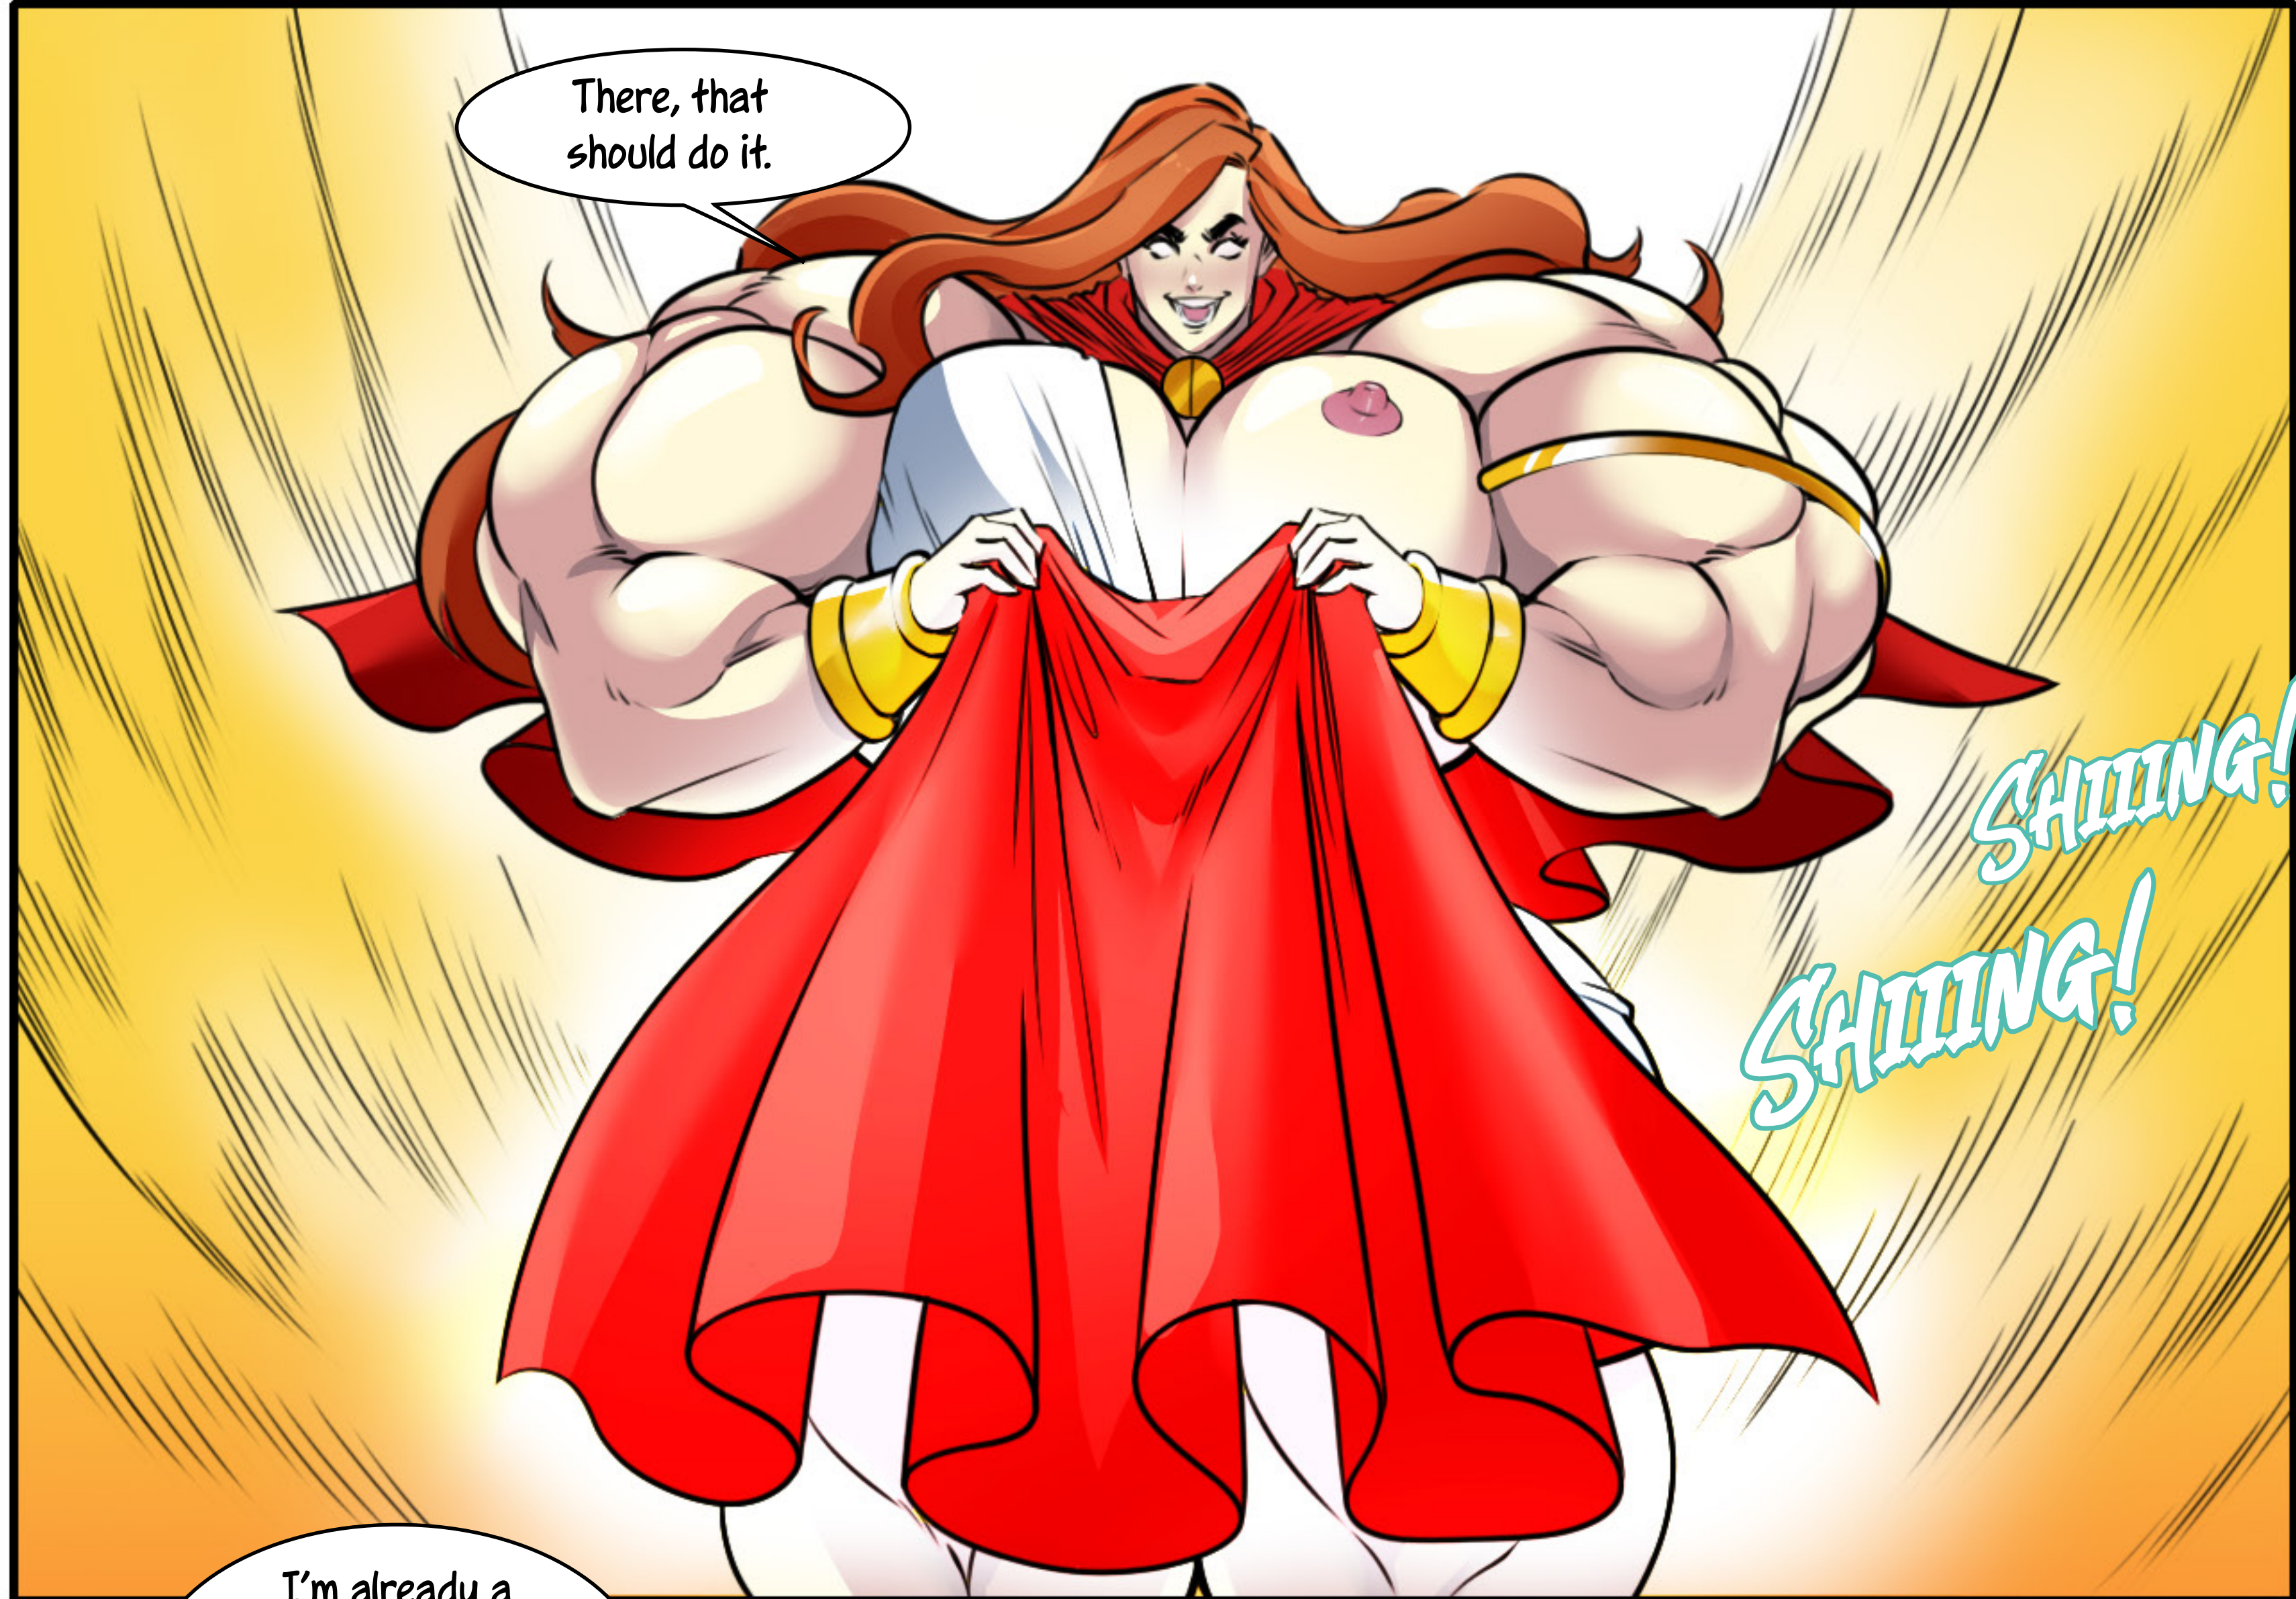

WAIT... I have a better idea!

I'll need to make some changes first...

SHING!

There, that should do it.

SHIING!

SHIING!

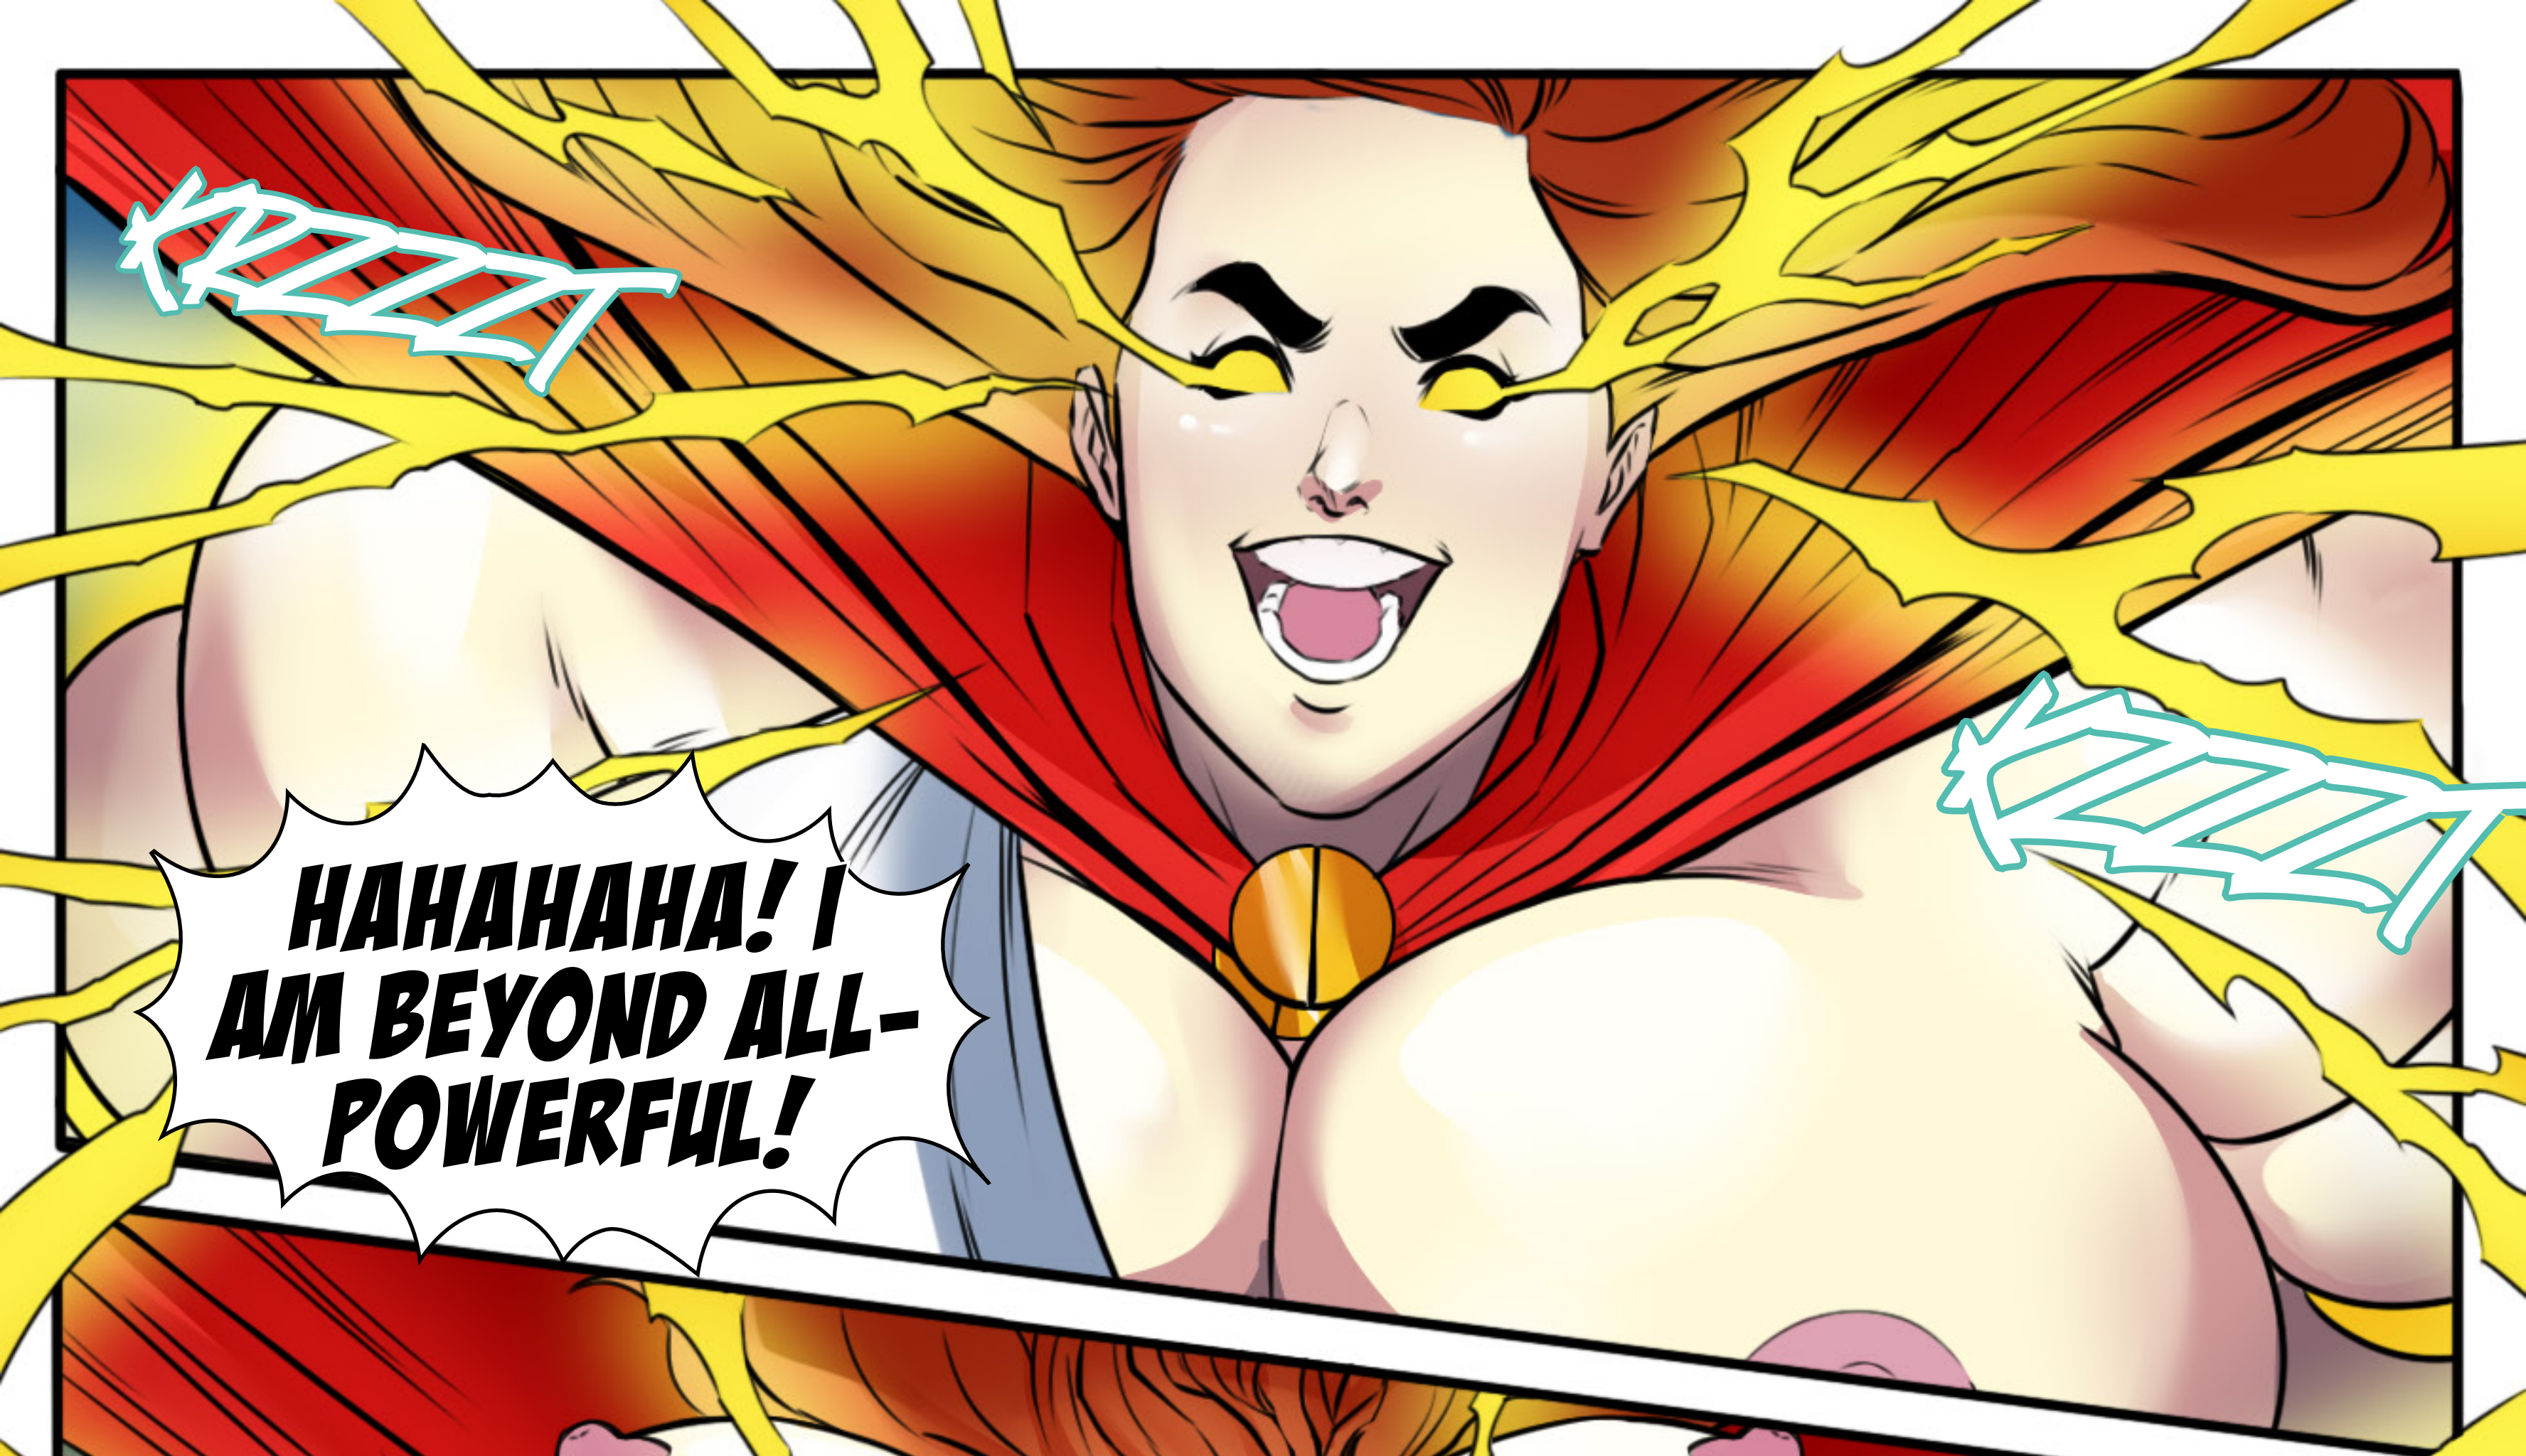

I'm already a goddess... but if this works... I'll be ten million times more powerful!

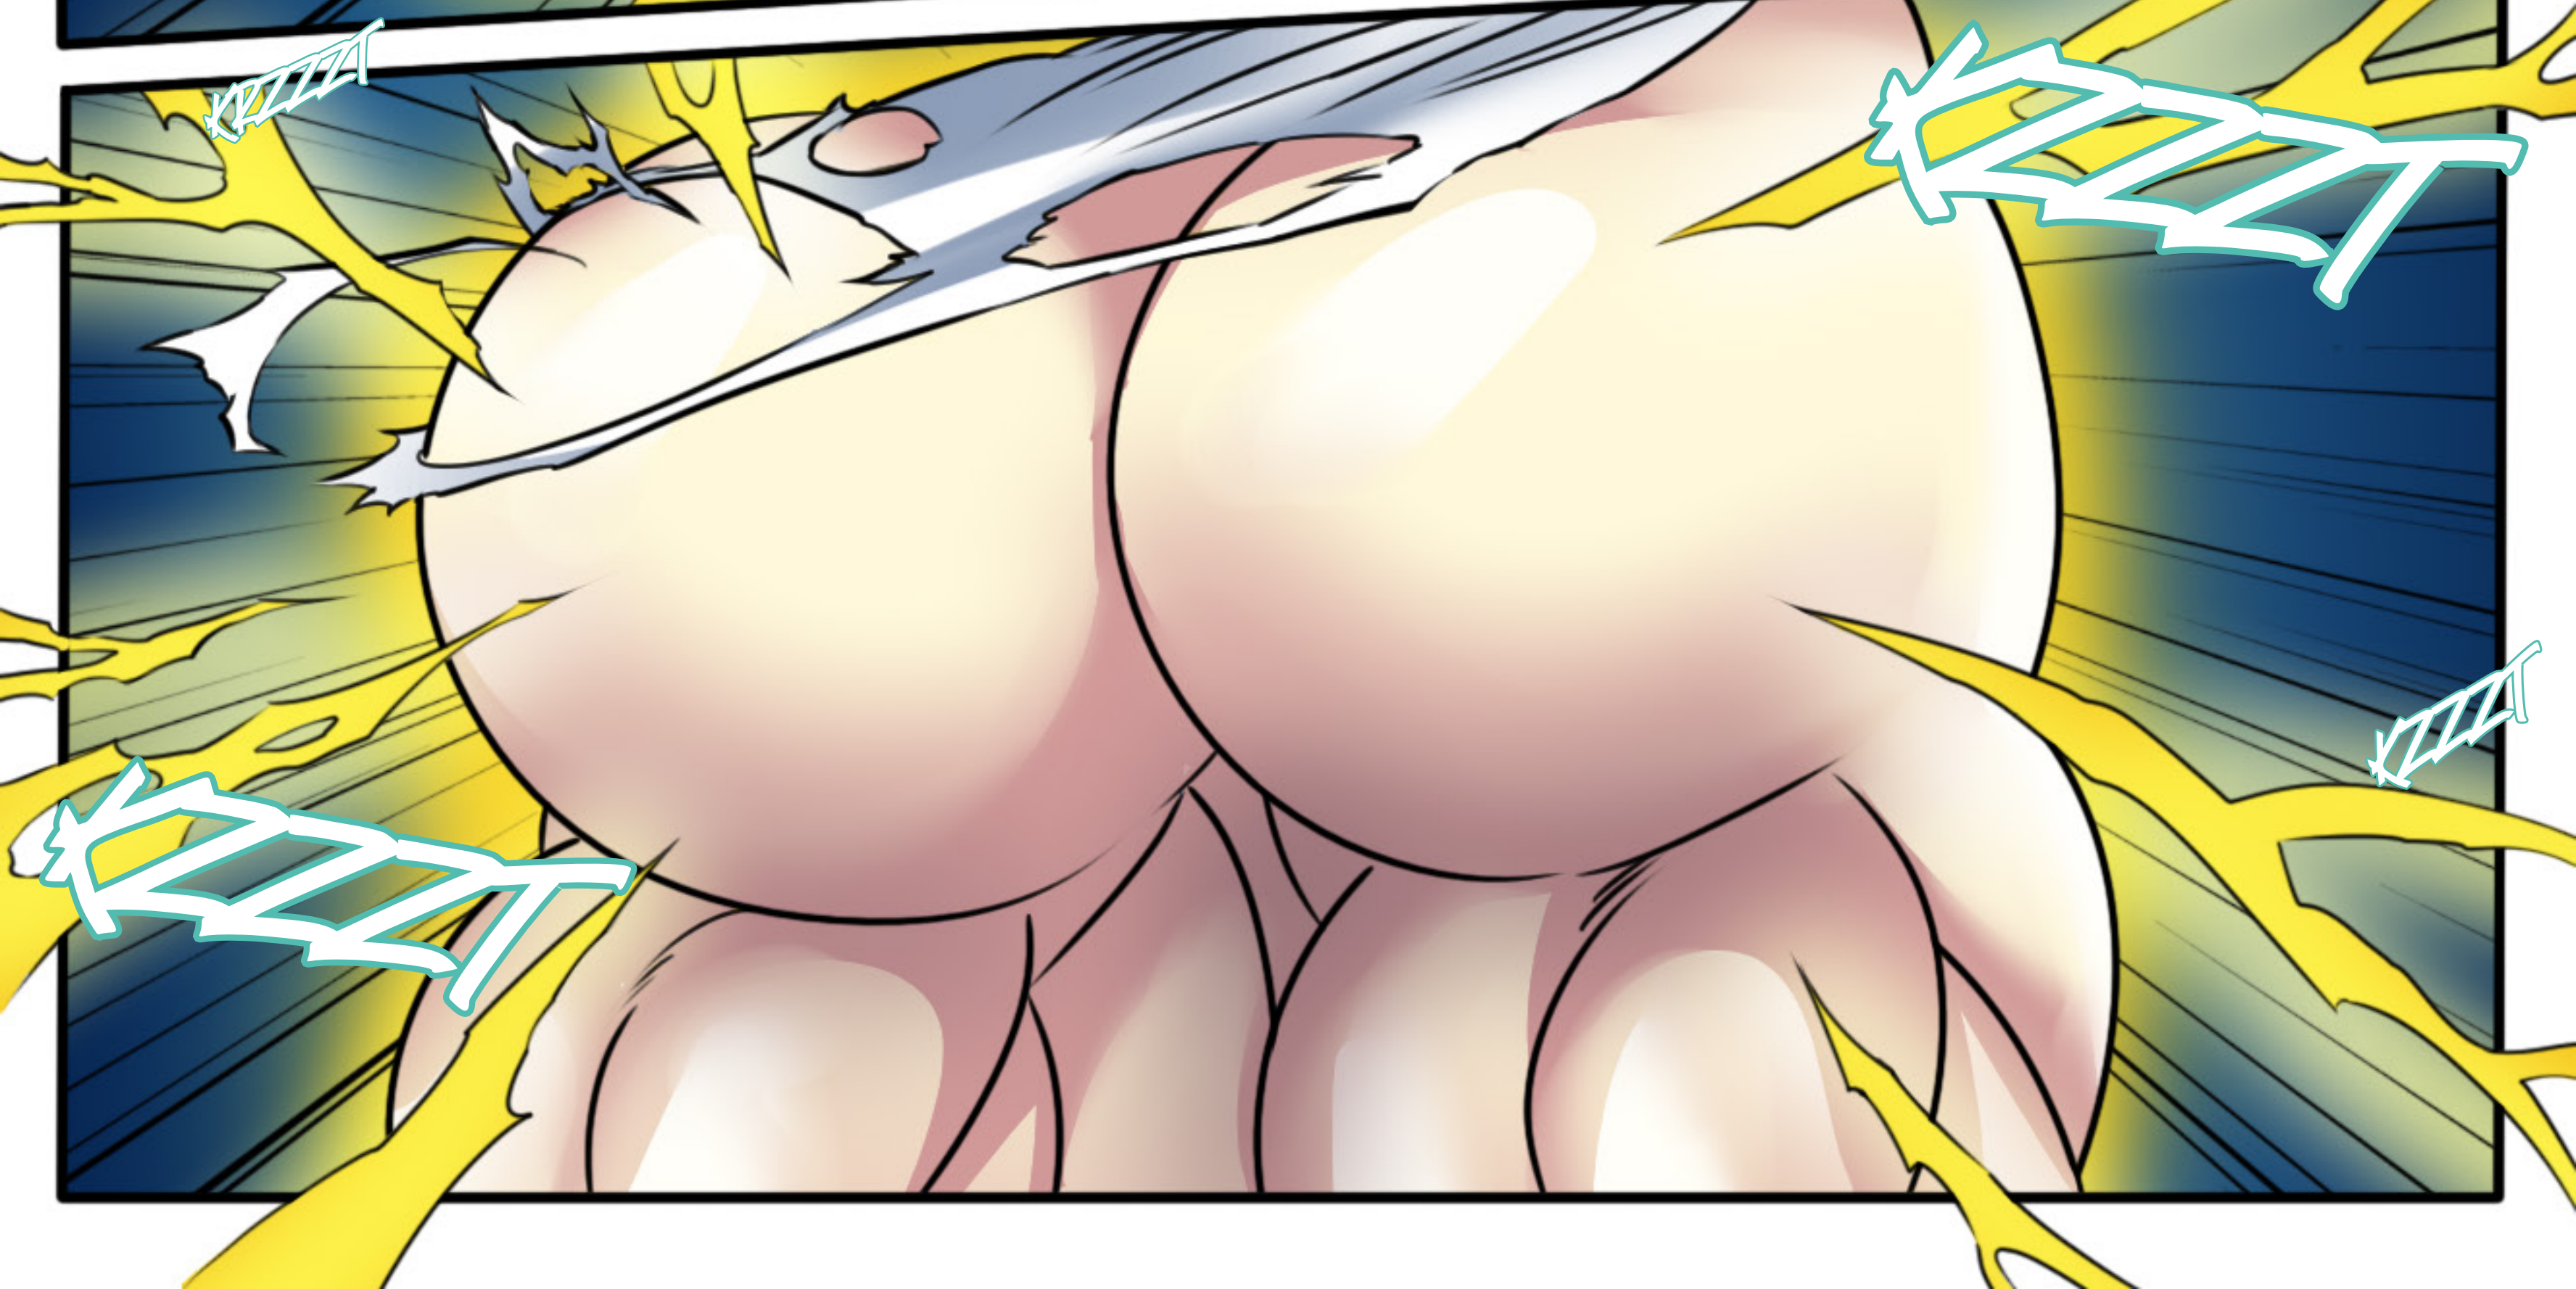

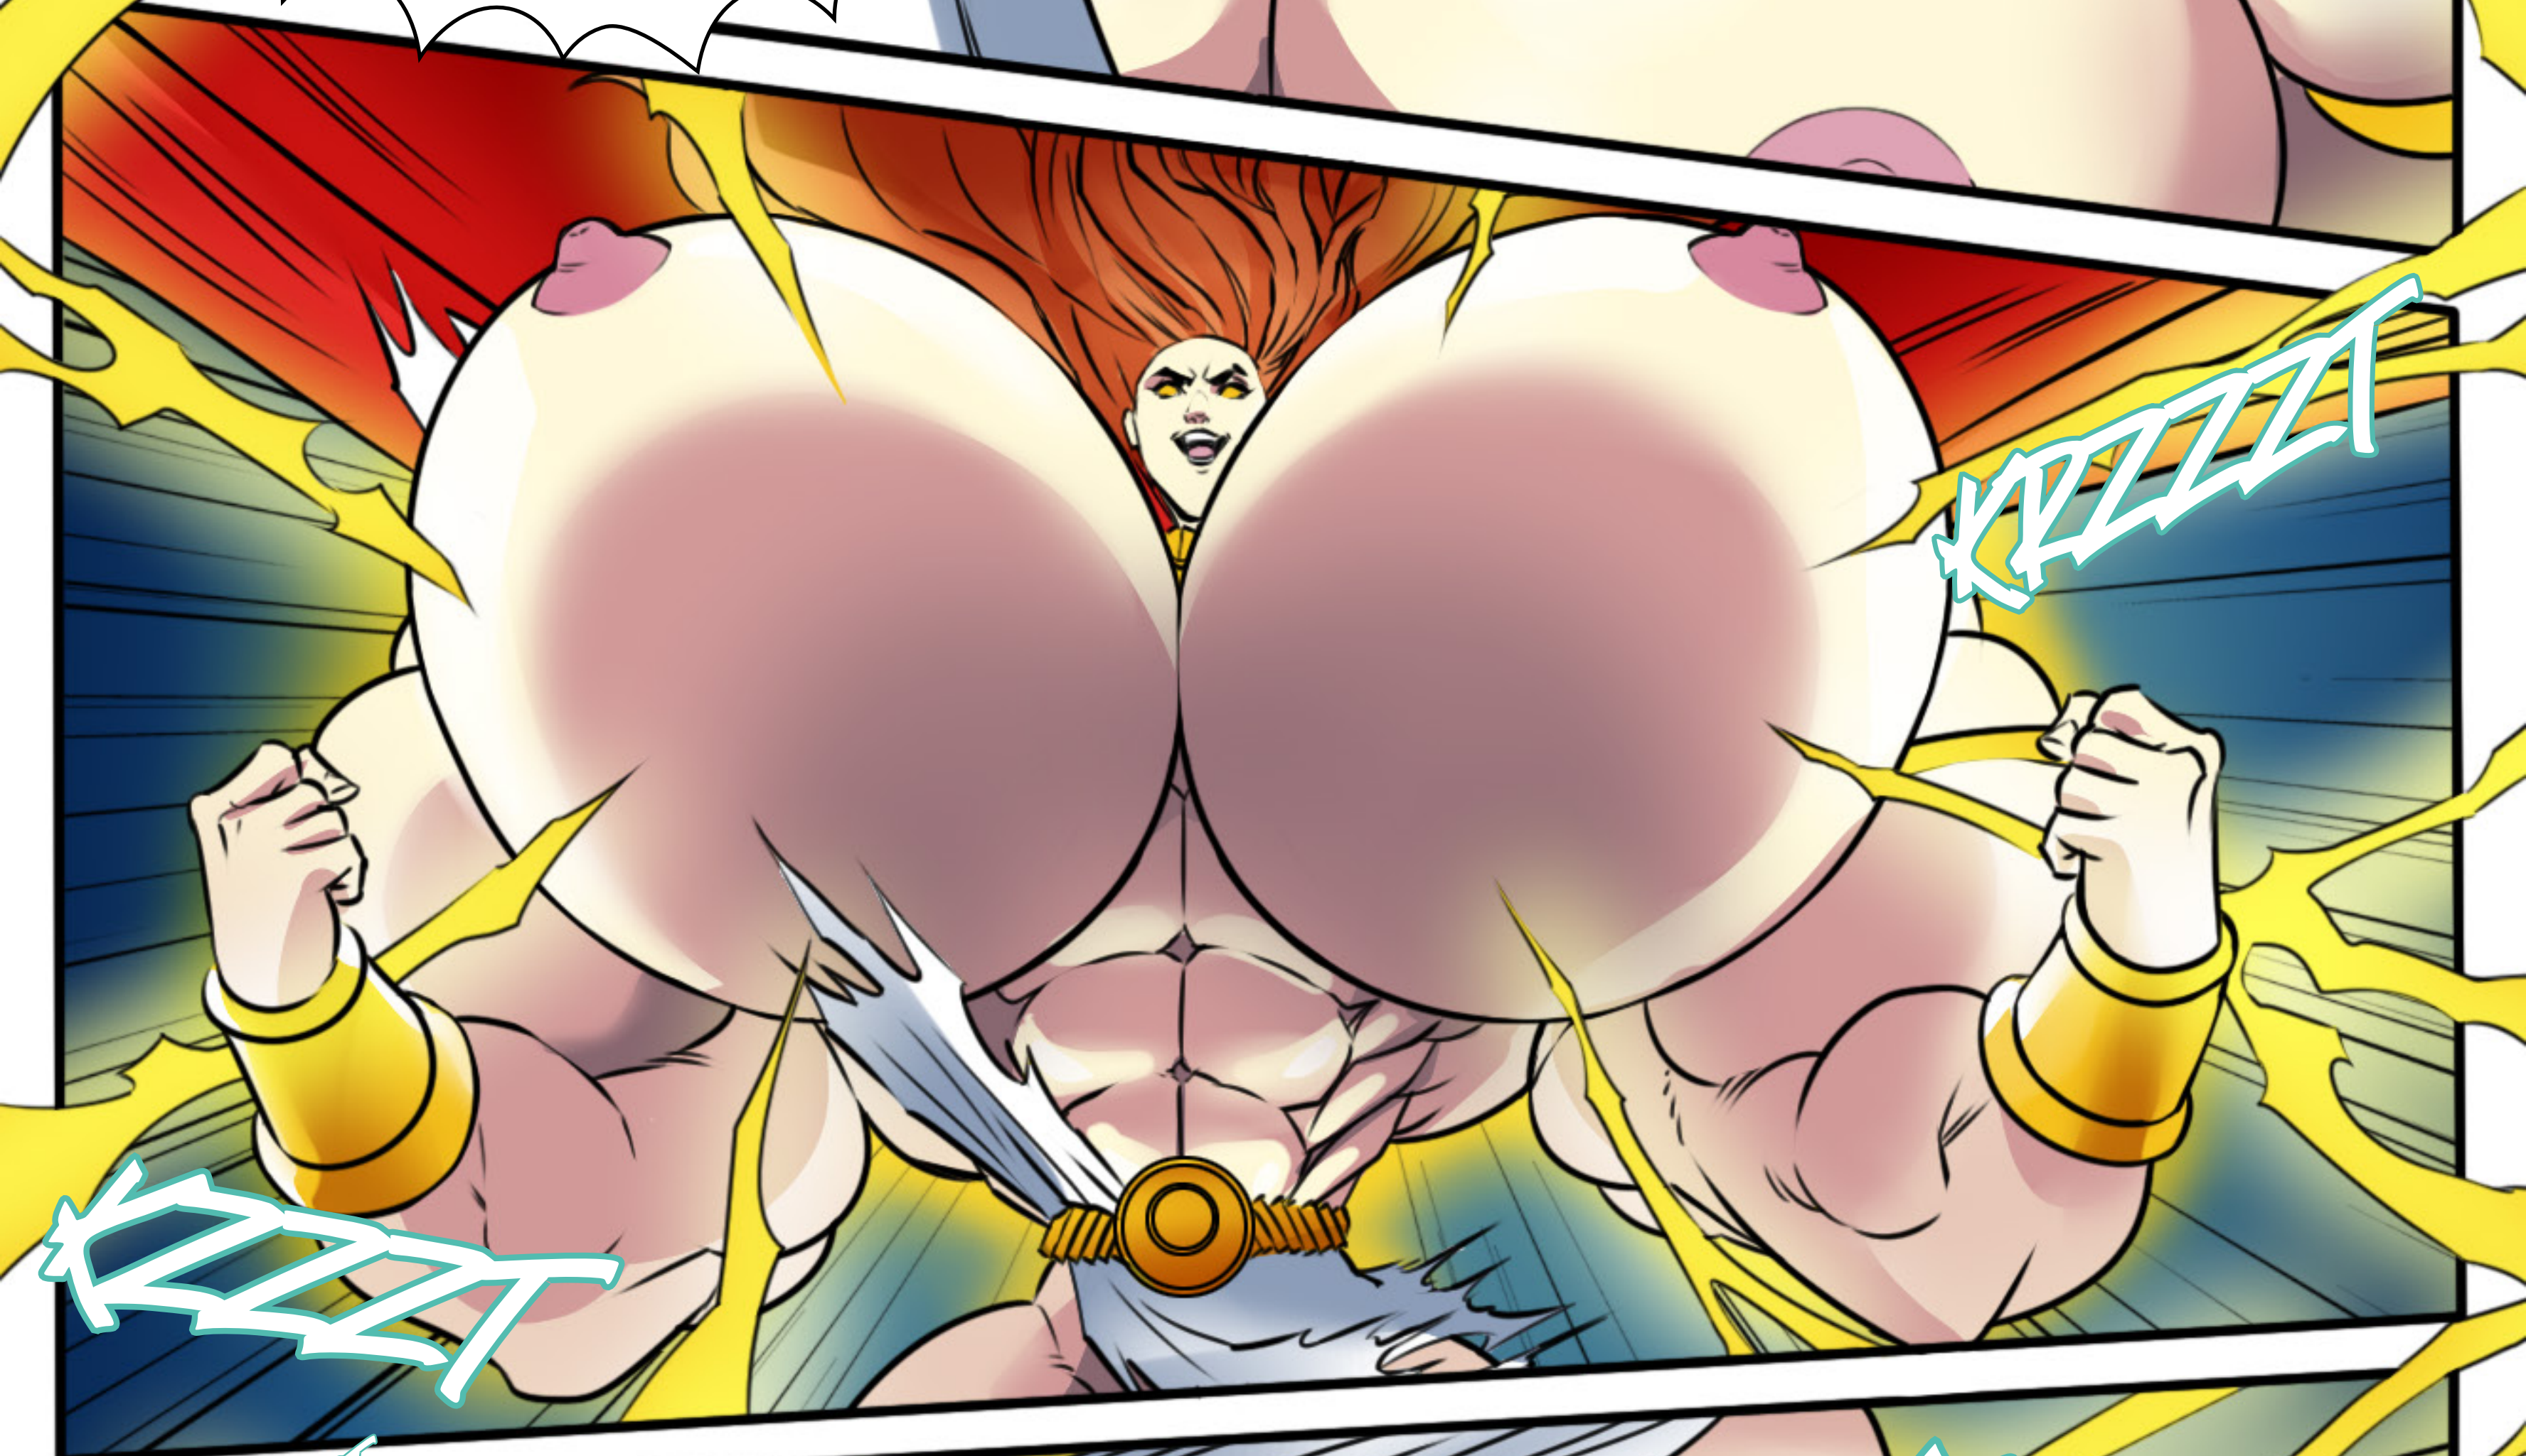

FWOOOP FWOOOP

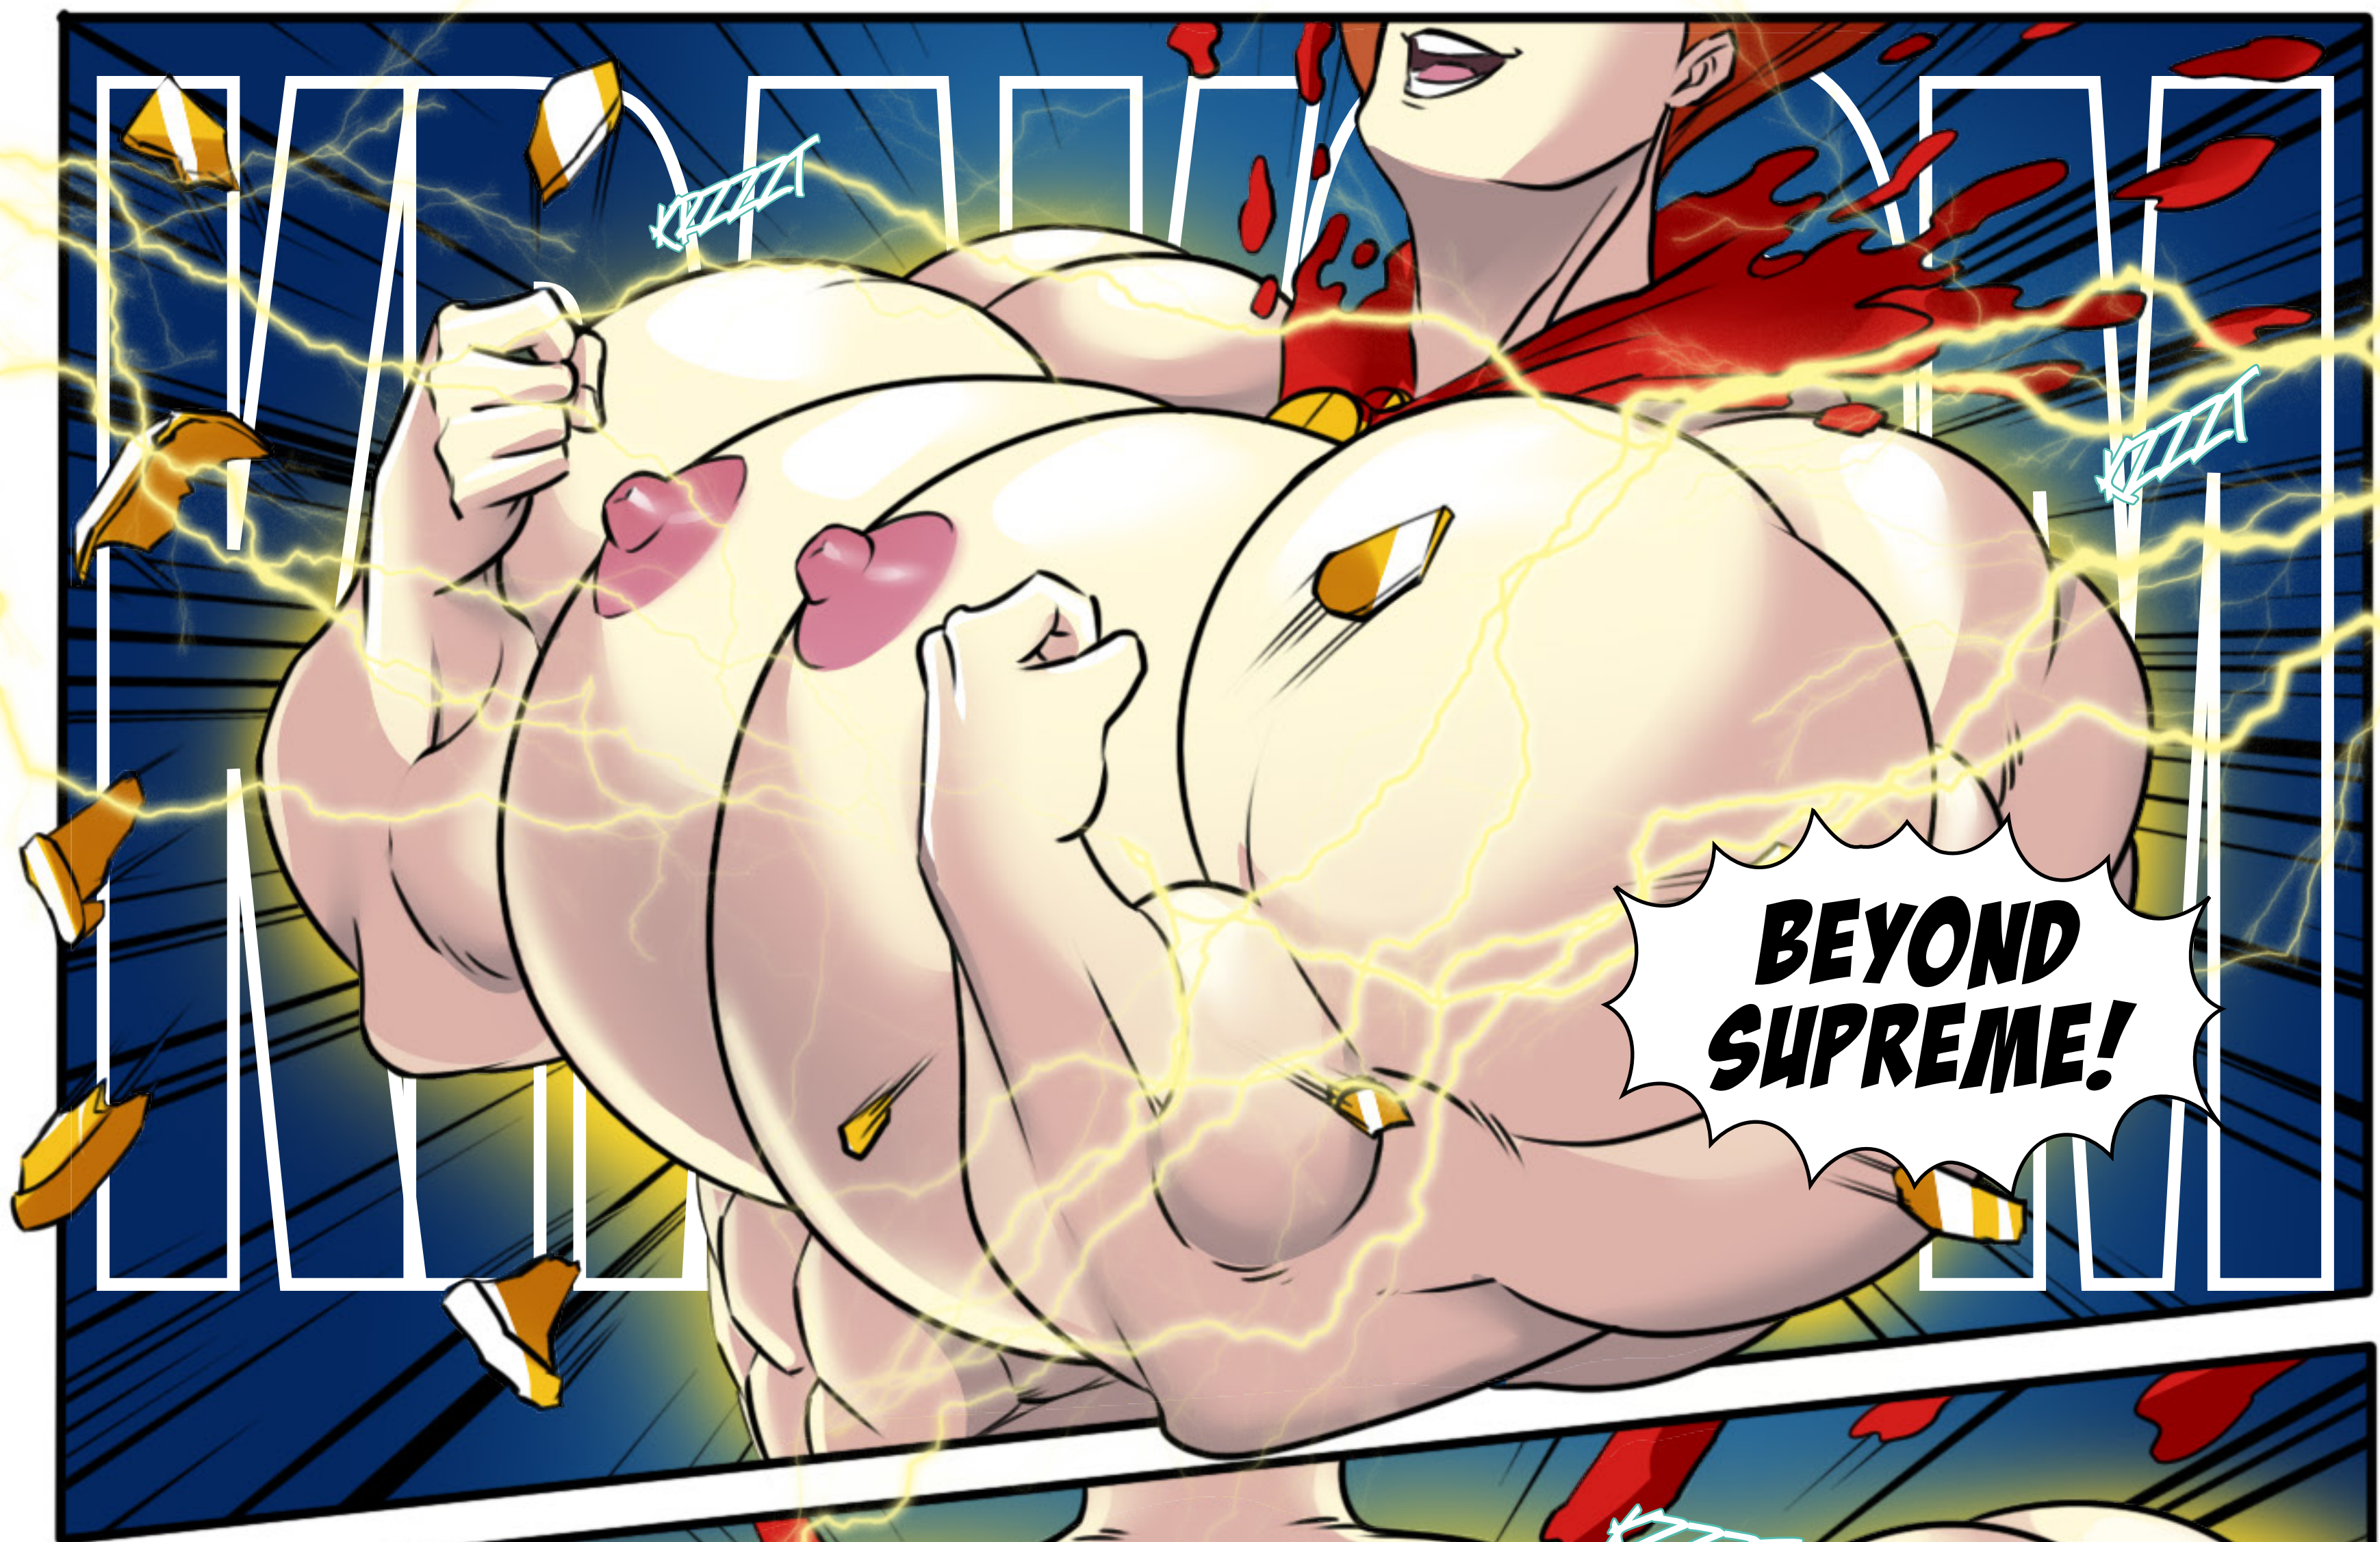

CLICK

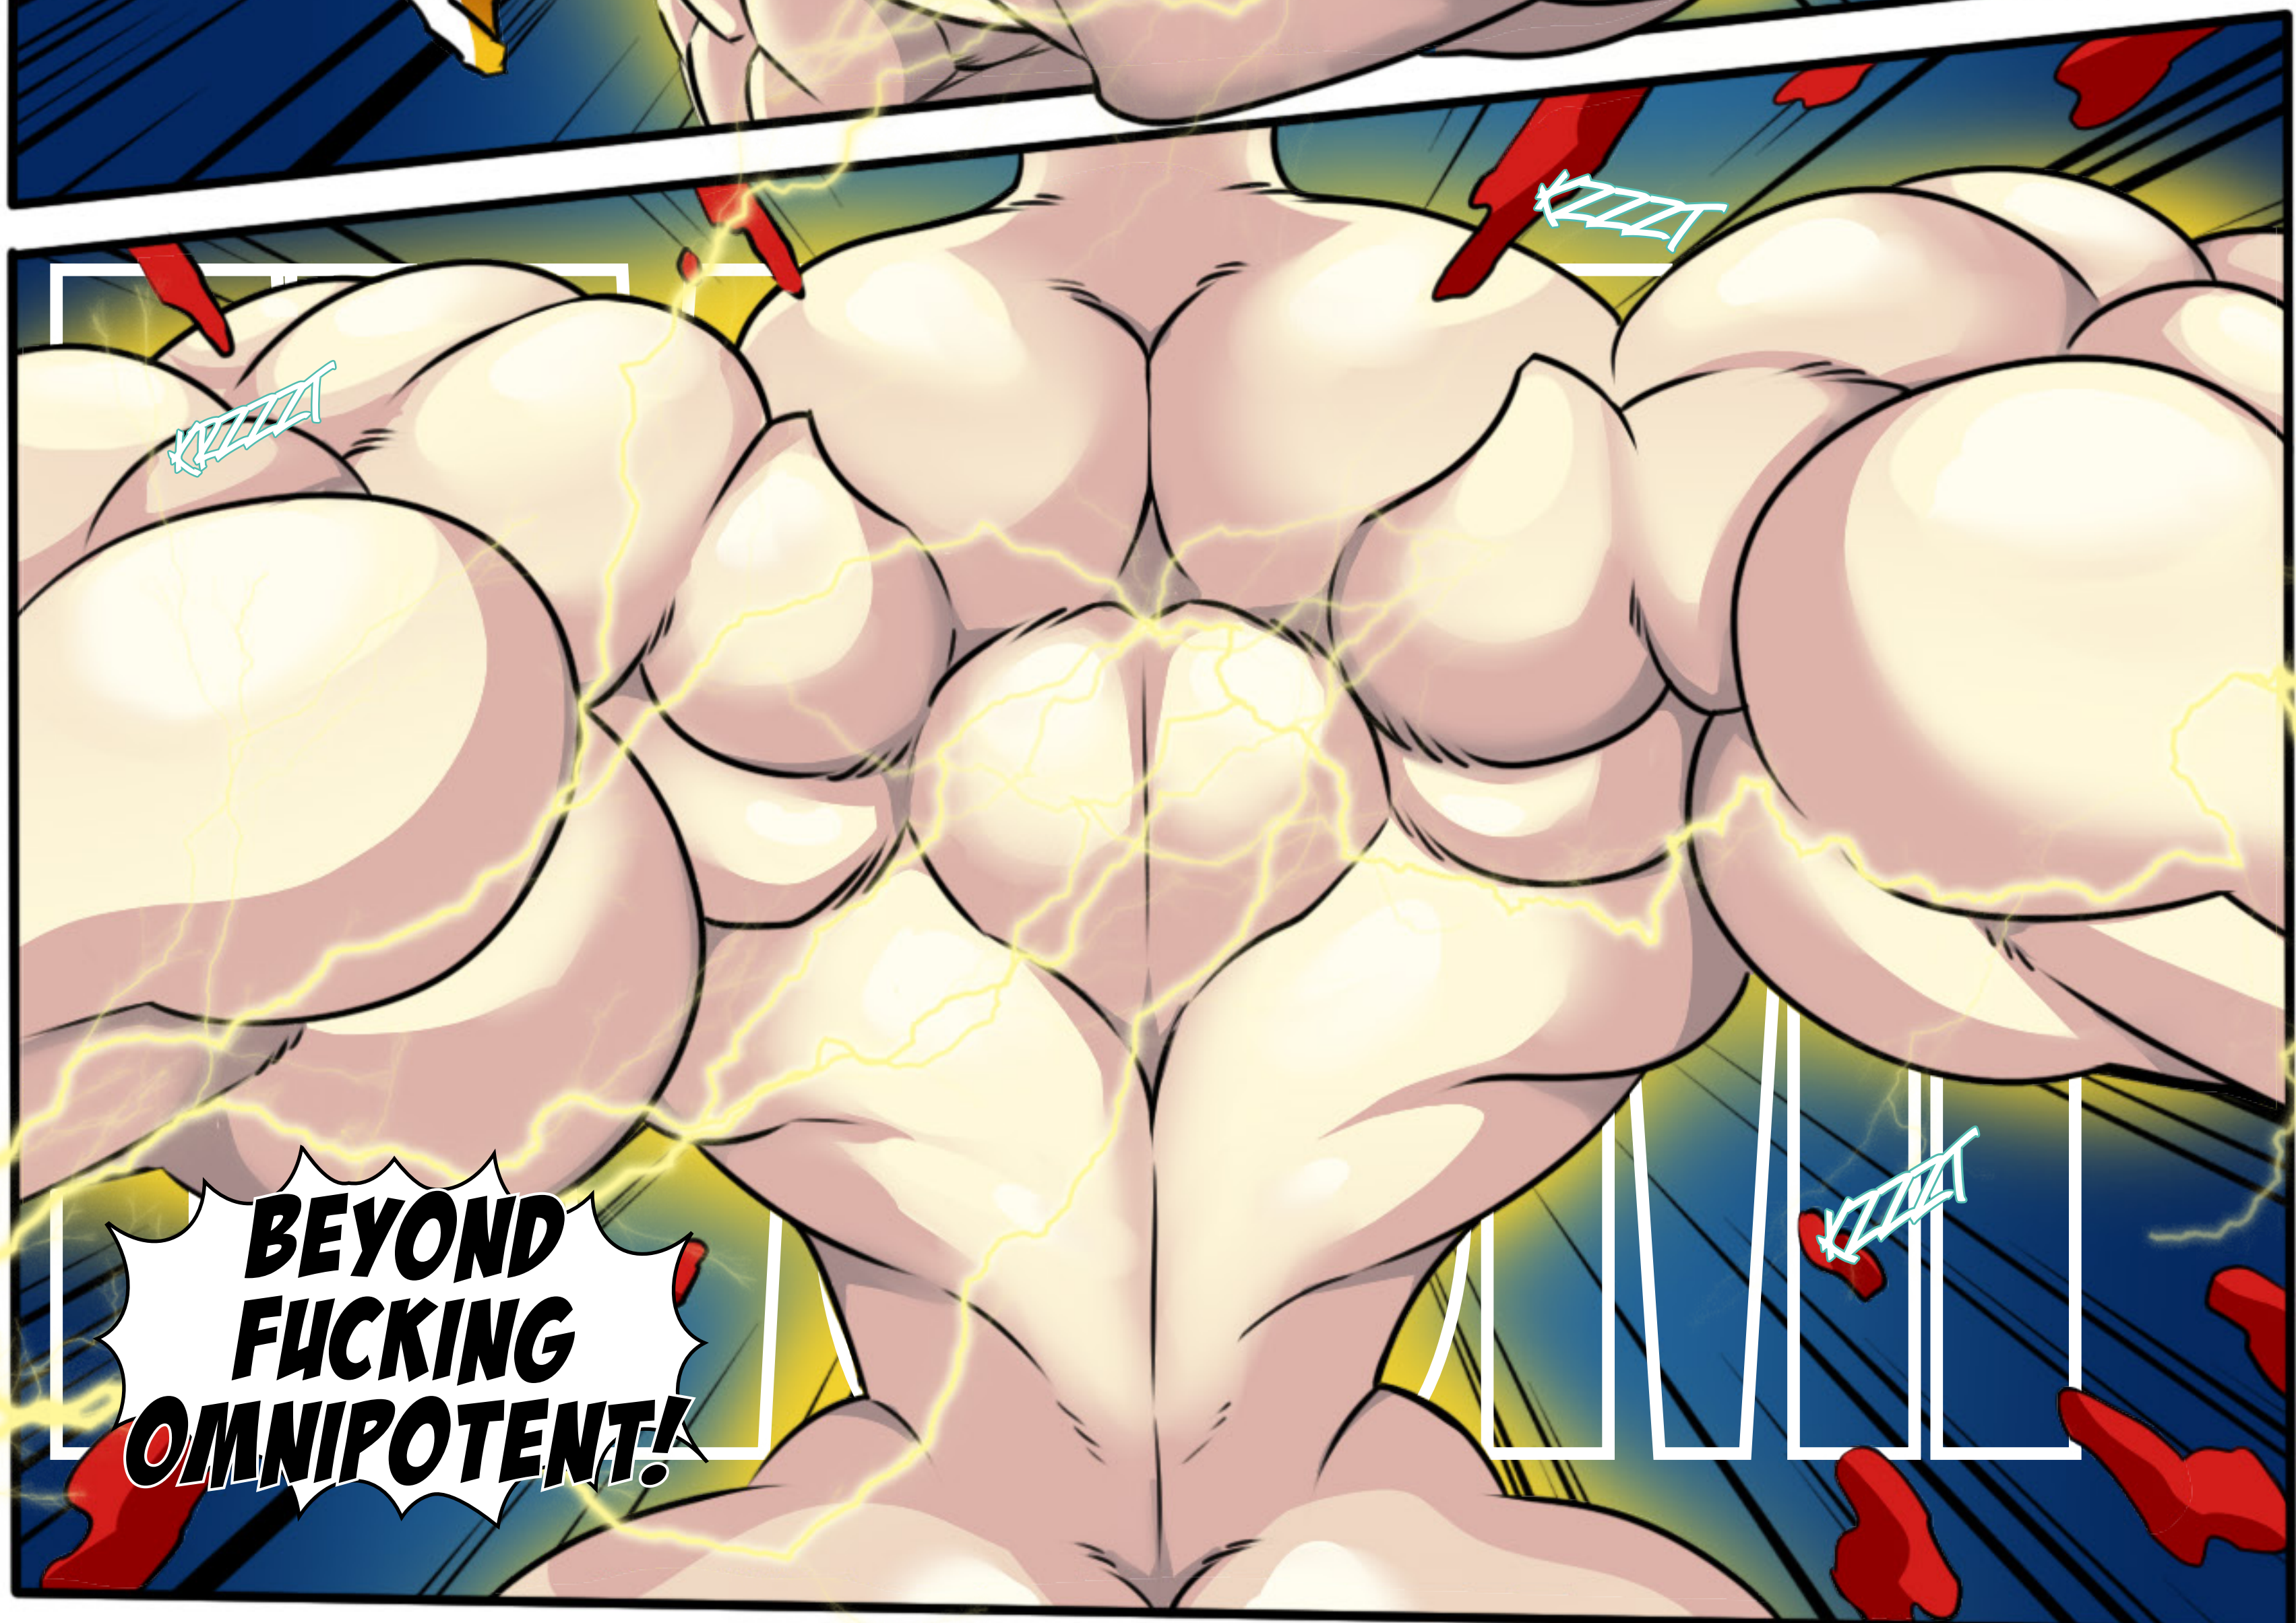

HAHAHAHA! I AM BEYOND ALL-POWERFUL!

**BEYOND
SUPREME!**

**BEYOND
FUCKING
OMNIPOTENT!**

HMMHNN

**I AM A SUPER
GODDESS!**

THE END
