But what?

I do not know I do not remember.

Say.

When was the last time you did this?

This.

That's not good.

Because if you don't do it regularly, you can even get sick.

What about them?

What why?

Really?

But other girls...

No, I do not want to.

You're not like the other girls forgot?

And you don't want to cause problems for Rito, do you.

Great, so relax and I will take care of the rest.

Could you tell me what you were going to do?

But I'm more interested in where Rito is now?

So what are we waiting for?

He?

He went to school.

Wait
what are you
gonna do?

What!!!

But what
about your
disease.

I go to
school.

I'm not staying
home when Rito
isn't here.

I feel
better now.

What was that?

I need to call Yuki-chan.

Maybe she knows what just happened.

Moments later in
the bathroom ...

Yes.

Its
task was to restore
and extend the action
of the tablets.

But also
other attempts to
feminize Rito.

So that's
the effect of this
necklace?

That's why
this strange
behavior.

Yes

Of course, the necklace doesn't affect who Rito loves.

But apparently Rito is slowly starting to believe that he is Lala himself, and the necklace has detected it and strengthened it.

Ri ... I mean
Lala what are you
doing here?

I felt better so
I decided to go back
to school.

Back in the
present ...

It's great
that I still had
that old wig.

With this wig and
the previous changes,
Rito almost looks like
Onee-san.

But you don't look happy to see me.

Are you angry that I came to school?

No I'm just worried about you

It was probably because of this "reverse cold" that Rito started acting like this.

I think it's best to pretend I'm Rito for now

At least until the cure arrives.

Then everything should be back to normal.

Later in class ..

Everyone thought
everything was back
to normal.

Almost everyone.

Are you a little surprised that Mi-chan suddenly disappeared and Lala-chan came back?

You mean Mi-chan is actually Lala-chan?

Maybe she changed her style?

It is impossible. I saw Mi-chan talking to Lala-chan.

I am more surprised by how masculine Lala-chan looks.

She shouldn't, she looked much better before.

Have I really been looking more manly lately?

Maybe that's why Rito is acting so strange.

Ymm .. I guess I'll do what this girl says and try to look more like before.

In the evening
in Lala's room ...

Wearing this
wig all day is a real
nightmare.

I never thought
it would be so hard to
be myself again.

But the worst
part was explaining
why my breasts are
now smaller.

I'm just surprised why Rito is acting so strange?

It was probably my mistake to change my appearance so much.

Maybe it's like those girls said?

And everyone, including Rito, preferred my earlier appearance.

I will also have to explain everything to Yuki-chan that Mi-chan is a lie.

At least from what I can see, I've already started working on a return to my old self.

I never thought I'd take medication to become more like myself, * sigh *.

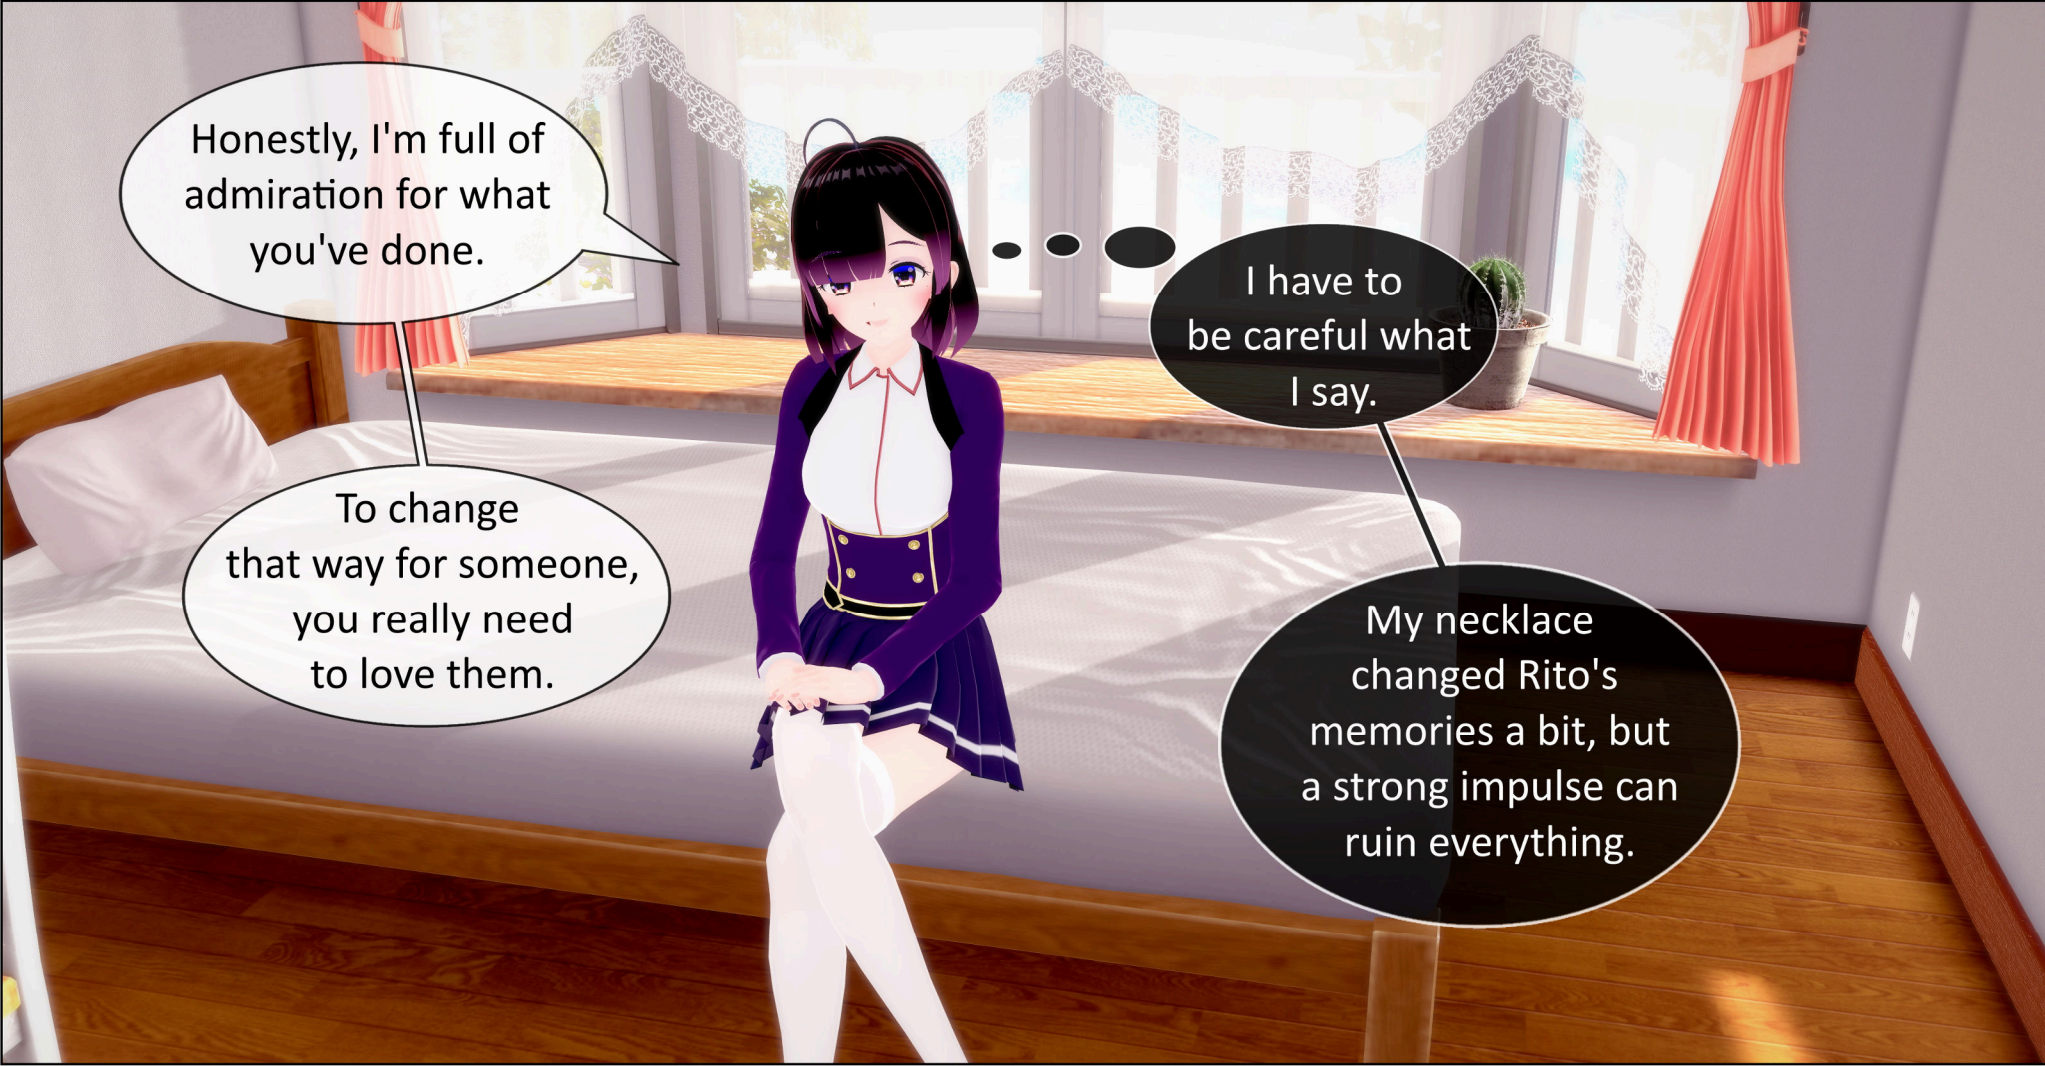

The next day in
Yuki-chan's room ...

What!?
Did you know
who I am from
the beginning?

No

Of course. Didn't
you notice that even
on the employment
contract I wrote Lala
and not Misaki, so
there would be no
problems later?

Honestly, I'm full of admiration for what you've done.

To change that way for someone, you really need to love them.

I have to be careful what I say.

My necklace changed Rito's memories a bit, but a strong impulse can ruin everything.

By the way,
how did you fix your
hair so quickly.

Because I'm
dying of curiosity.

This is not
my natural hair.

It's just a wig
that Momo-chan
gave me.

Sorry I did not know.

I thought you managed to fix your hair.

It's okay, I'll just wait for them to grow back.

But it will take years. Are you going to wear a wig by then?

Yes, in the end I have no other option?

How can you turn back time?

Ymmm ...
We can try.

If you want, I can restore your hair to its previous state.

No, but I have another idea to bring them back to their original state.

Great, then lie on my bed and we are about to start.

Now lie still and I'll take care of the rest.

No problem, we're friends after all.

Okay, what's next?

Okay. And thanks.

Okay, now let's take care of your hair.

Unfortunately, I don't remember exactly how long Lala-chan's hair was ...

I guess they were waist-high ... or maybe they were a little longer?

Unimportant. She will have waist-length hair.

Hmm...

Something is still missing here.

From what I can remember, Lala-chan has more rounded facial features.

But I can't just change his face like that.

Rito may get scared and Lala-chan will notice that something is wrong.

Worse, it can remind Rito of who he really is.

I have an idea.

So that nobody notices anything, his face will change very slowly until it reaches its final shape.

This should take about two weeks.

Then Mi-chan will finally disappear and Rito will look more and more like Lala day by day.

And exactly what Momo-chan wanted will happen.

It's a pity because I really liked Mi-chan, hehe.

But I have to do what she told me to do.

A moment later ...

Thanks again!

It's good.

No problem,
we're f ... friends
after all.

And sorry,
I must have overdone
the length a bit.

And that's
as a thank
you, hehe.

What was that?

Why did she do
this? After all, she
should think she was
Lala now.

Has something
gone wrong? No, she
believed she was Lala

One week later...

Awful, I
only got 60%.

My previous
result was 98%.

How was your
math test?

But this is a
great result

Tell me,
Yuki-chan, can I sleep
with you tonight?

How did you
know what
I mean?

Of course. After all,
I'm always happy to help
you with your studies.

I guessed it
somehow, hehe.

What about Rito?
won't he get jealous
that you spend so much
time with me?

I would even
be happy then.

Unfortunately
yes.

I know ... But is
there anything I can
do about it?

Is that
so bad in your
relationship?

Maybe he just
had bad days lately.
You know, it's not always
possible to smile.

Of course.

At first, I was afraid that I had spoiled something with my affair with Mi-chan.

But as it turned out, the Necklace does not destroy our love.

Instead, Mi-chan started to think that I belonged to Rita's harem and that's why we have such a strange relationship.

It may not be what I wanted, but as long as I can be with Mi-chan I am happy.

In the meantime...

You mean "reverse cold"? . After all, Mikado-sensei said the cure would arrive this week.

I still don't understand why I'm not able to heal Rito.

No, I mean the latter.

Weird.

Have you already talked to her about this?

I've tried everything possible and nothing works.

Not yet. Honestly, we haven't been talking at all lately.

What why?

But it's
easy, say
and act the way
you want.

You can. It
doesn't bother
you at all.

I don't know
what to say, how
to behave.

I can't,
you forgot.

Really?

Of course!

I'm even sure that Rito with Lala's behavior would be something wonderful.

Coming back to Lala. I am sure that everything will work out with time.

You're right, I needn't worry.

We just talked about the last test.

Wow, that's great!

Hi girls, how are you?

It wasn't too hard, I managed to get 100% without any problems.

Thanks, how about you?

A scene from an anime-style visual novel. Two female characters are standing in a room with large windows. The character on the left has long pink hair and is wearing a yellow vest over a white shirt with a green bow, and a green plaid skirt. The character on the right has short black hair with purple highlights and is wearing the same school uniform. They are both looking at each other. The background shows an outdoor area with trees and benches through the window.

You failed?

How do you
want to teach me if
you need tutoring
yourself?

20%

It happens,
hehe.

I don't know
actually.

I have
an idea.

Say, Rito.
Do you have time
this week?

Great later, I'll
tell you where and
when, okay?

You mean
tutoring. No worries,
I have a whole week
off.

Sure.

Has
Mi-chan's breasts
grown again
recently?

I think so?

Besides, she
seems to be more
and more charming
every day.

Sorry!

I just remembered something!

Rito has been acting very strange lately ~

Don't worry about it, it's probably nothing serious.

By the way, Mikado-sensei is looking for you.

I can see that
our plan has been
successful.

By the way,
how many points did
you really get?

100% if I got less than
70% my parents would
probably throw me out
of the house.

As for our
plan. It's not
over yet.

Don't be
so sure.

I won't
give my Mi-chan
that easily.

Nothing can
happen anymore.

In the evening in
Yuki-chan's room ...

So are you fully
healed now?

Yes

That's great,
but unfortunately,
today we are not going
to study together.

What why?

Because today I had a lot of work after school and now I'm so tired that I don't feel like doing anything.

Sorry, maybe next time.

But if you want, you can give me a massage.

Lala-chan?

What are you doing?

In that case...

Since Narita-san can't see one of the maids rubbing your back, I'll just take it off.

Wait, it's not enough.

What?!

I mean, theoretically, you still work for me.

Should I take my underwear off too?

So you should treat me like your employer.

So what kind of massage do you want?

No, I'm telling you she'll kill me if she finds out what I'm forcing the maids to do.

Or worse, she will tell my parents.

No.

But you're not forcing me to do anything.

Funny twist.

Just please be gentle, hehe.

This is my first time at the bottom.

What? No, it was an accident, I swear.

Relax, nothing happened.

Hmm? Now that we're at it, what do you say for a little pleasure.

Now?

Better opportunity may not be.

Unless you don't feel like it, Lala-chan.

Of course I want ~

Great because I ... umm ... umm ...

Hope Rito
doesn't get angry
that I'm doing this
with Yuki-chan.

But probably
not after all Yuki-chan
belongs to his harem
as well.

For such
moments, I can pretend
that I belong to some
harem, hehe.

Wait a moment.

I'll just take off these clothes.

I'm terribly uncomfortable in them.

A moment later...

Oooo...

What about the rest?

No, you look great in them.

I thought it will be nice to leave the gloves and knee.

Should I take them off?

Thanks.

I know you have
a little fetish for maids,
and you'll like it.

Apparently
I was right, hehe.

I see you
already know
what I like,
hehe.

It's amazing how
Rito has changed.

I'm sure he
even thought he
is Lala.

There is only
one thing left to
improve.

Okay.

Second round.

Just be gentle, hehe.

I can not wait.

Take it easy, I'll be gentle. Anyway, today I have something special in my plans. So get ready.

Ngh!

And today I'm going to teach you how to make a sheikh with cake.

Hmm ... You have very firm breasts, tell me, do you use any cream or lotion?

Only the one that Mikado-sensei gave me.

I must ask her for the name of this cream.

AH
AH

But
back to our
sheik.

First ... the cake.
We need to massage
them well.

Squeeze

Massage
until there are
no lumps.

Slowly and carefully.

Nobody rushes us.

First, forward ...

HA
AH

HNYAA

AA

Then back, hehe.

What do we do if there are lumps?

I do not know what?

We catch them and slowly start rubbing.

Until we feel they have softened.

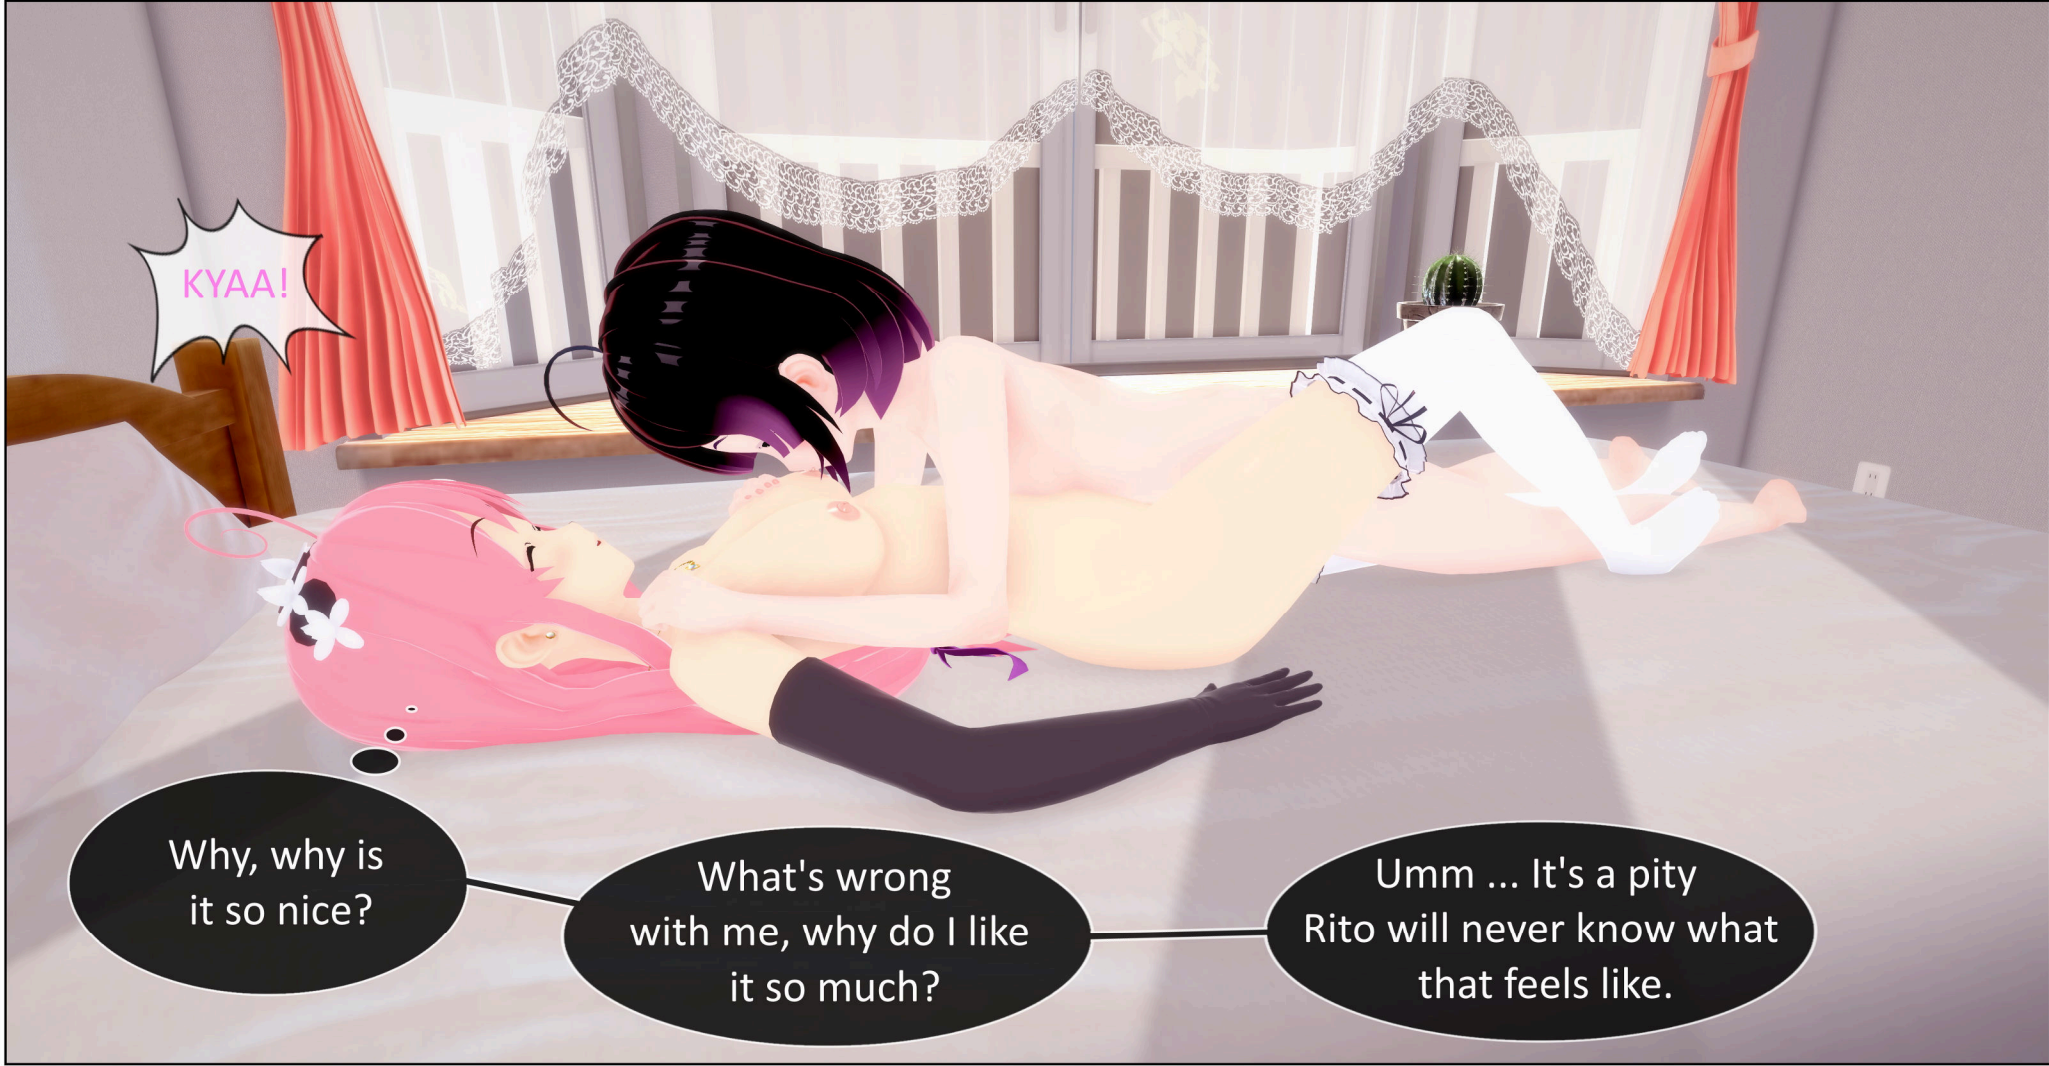

And when everything
is ready, we can drink
our sheikh.

Bon Appetit!

Time...

Drink?

KYAA!

Why, why is it so nice?

What's wrong with me, why do I like it so much?

Umm ... It's a pity Rito will never know what that feels like.

It was amazing.

Uff...

Thanks for the meal.

I know. Next time I'll teach you other recipes if you want hehe.

Ummm I'll think about it.

To be continued...
