Later in Rito's room ...

Gee, what  
a strange day  
\* sigh \*.

As I said  
I liked hot babes with huge  
breasts, I never thought I'd  
be the one alone.

Although  
it's not bad.

Now I can  
finally look at  
tits whenever I  
feel like it.

Plus, I can  
enter the women's  
locker room without  
consequences, hehe.

No problem.

By the way. Thanks for letting me live with you for a while.

But on the other hand, it's your fault.

Sorry.

Cool

Momo-chan, we already talked about it that Saruyama will stay with us until I fix "pan pan change"

Don't worry baby I'm not gonna get your boyfriend, heh.

I just hope you don't intend to stay too long.

I thought Saruyama would become my next toy.

Instead, he became terribly annoying.

I'm afraid he might endanger my plans.

No, he's too stupid for that.

He's probably gonna be playing with his tits all day, hehe.

And he will never guess that Rito and One-san have swapped places.

Right, Rito?

My goal is  
to see all the girls  
from our class in all  
their glory.

What? But I'm  
not Rito.

Hmm ...  
Did Saruyama  
guess  
everything?

You've cheated the whole school, but you can't fool your best friend.

Dude, I know you changed places with Lala, you don't have to hide it from me.

I have to admit a brilliant plan.

I didn't fool anyone.

What?

What a plan, I didn't plan anything.

He guessed.

Relax, I'm not telling anyone.

As long as I can participate in your plan, of course.

I'm telling you, I really am Lala-chan.

So Rito was just pretending the whole time.

Fortunately, because I was already scared.

An interesting  
turn of events.

Saruyama,  
on the other hand,  
thinks it's a plan and thinks  
Rito is just pretending.

Hmm ... It  
could work.

Rito is  
convinced that she  
is onee-san.

If only I could convince Onee-san  
that it is like Saruyama says. I wouldn't  
have to worry about Onee-san  
interrupting me.

By the way,  
I have an idea.

I'll make  
Onee-san's harem a  
little bigger.

Tell me,  
Saruyama, what  
are we going to  
call you now?

She probably means since you're a girl now, you need a female name too.

As always.

I like my name and see no reason to change it.

Hmm ... I understand.

It's great that you understand. Now we have to come up with a new name for you.

How about "Kurumi"? After all, you have black hair.

Might be. It's only for a while anyway.

Kuro - black in Japanese.

Just remember to use them from now on.

It goes easier than I thought.

Don't worry, I'm not stupid.

I don't like something here.

Momo-chan only helps someone when she wants to have fun.

Later in Lala-chan's room ...

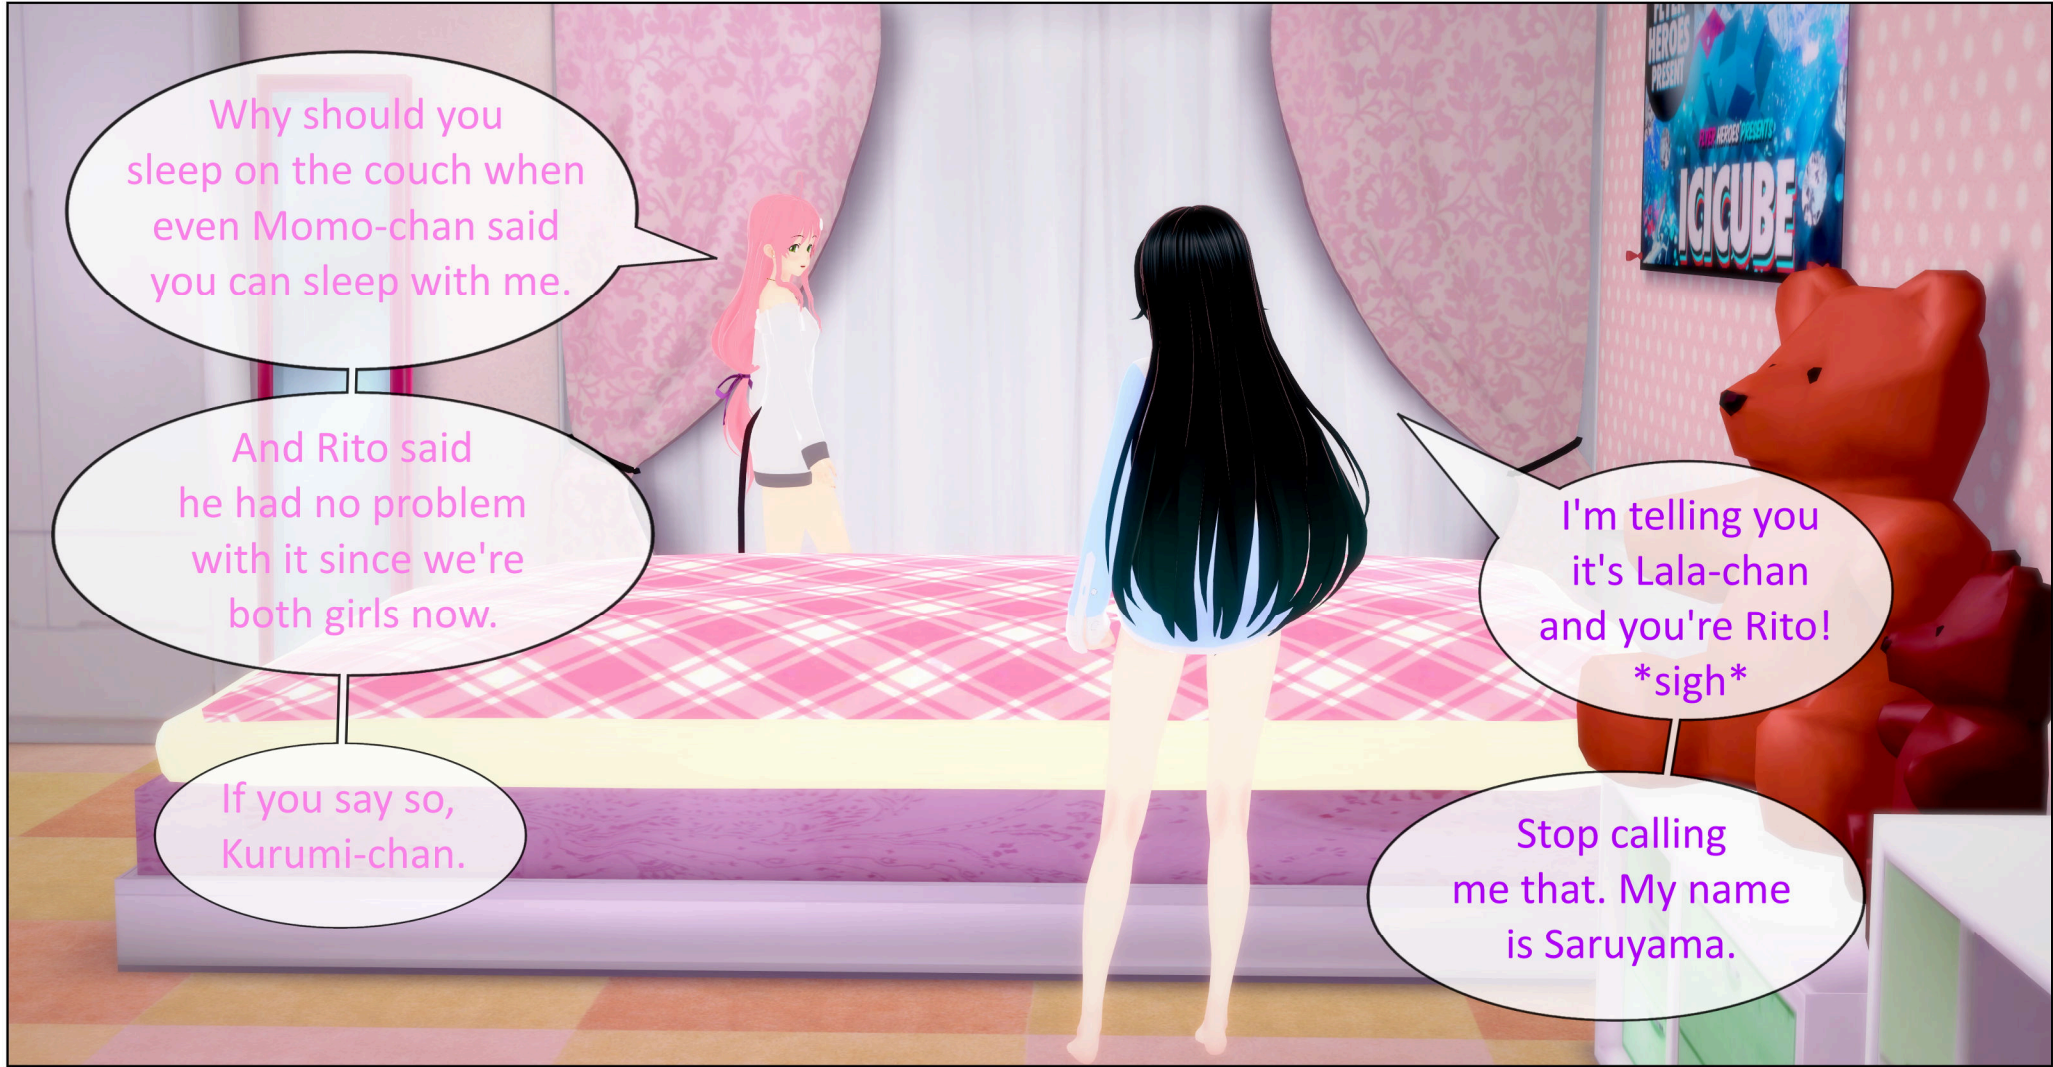

For sure  
alright, what  
are we going  
to do?

I said I can  
sleep on the  
couch.

I knew  
Momo-chan was  
up to something.

For me to  
sleep with you?

Why should you sleep on the couch when even Momo-chan said you can sleep with me.

And Rito said he had no problem with it since we're both girls now.

If you say so, Kurumi-chan.

I'm telling you it's Lala-chan and you're Rito!  
\*sigh\*

Stop calling me that. My name is Saruyama.

Okay  
Kurumi-chan,  
hehe.

But remember, I'm  
Rito's fiancée so don't do  
anything stupid while  
we're asleep.

Especially since  
Rito trusts you.

If you want,  
I will put on a  
chastity belt to make  
you feel safer?

Actually,  
Kurumi-chan is  
quite attractive.

If she became a girl  
forever, she could join Rito's  
harem and then it would be the  
same as with Yuki-chan.

Besides, Rito and  
Saruyama are friends and  
then their relationship  
would be even closer.

Kurumi-chan,  
what do you  
think about Rito  
anyway?

And  
you like me like  
any classmate or  
more.

I tell you again,  
you are Rito.

But if you  
absolutely must  
know. I like you, after  
all, you are my friend  
from elementary  
school.

More. Now  
turn off the light  
and let's sleep.

Some time later...

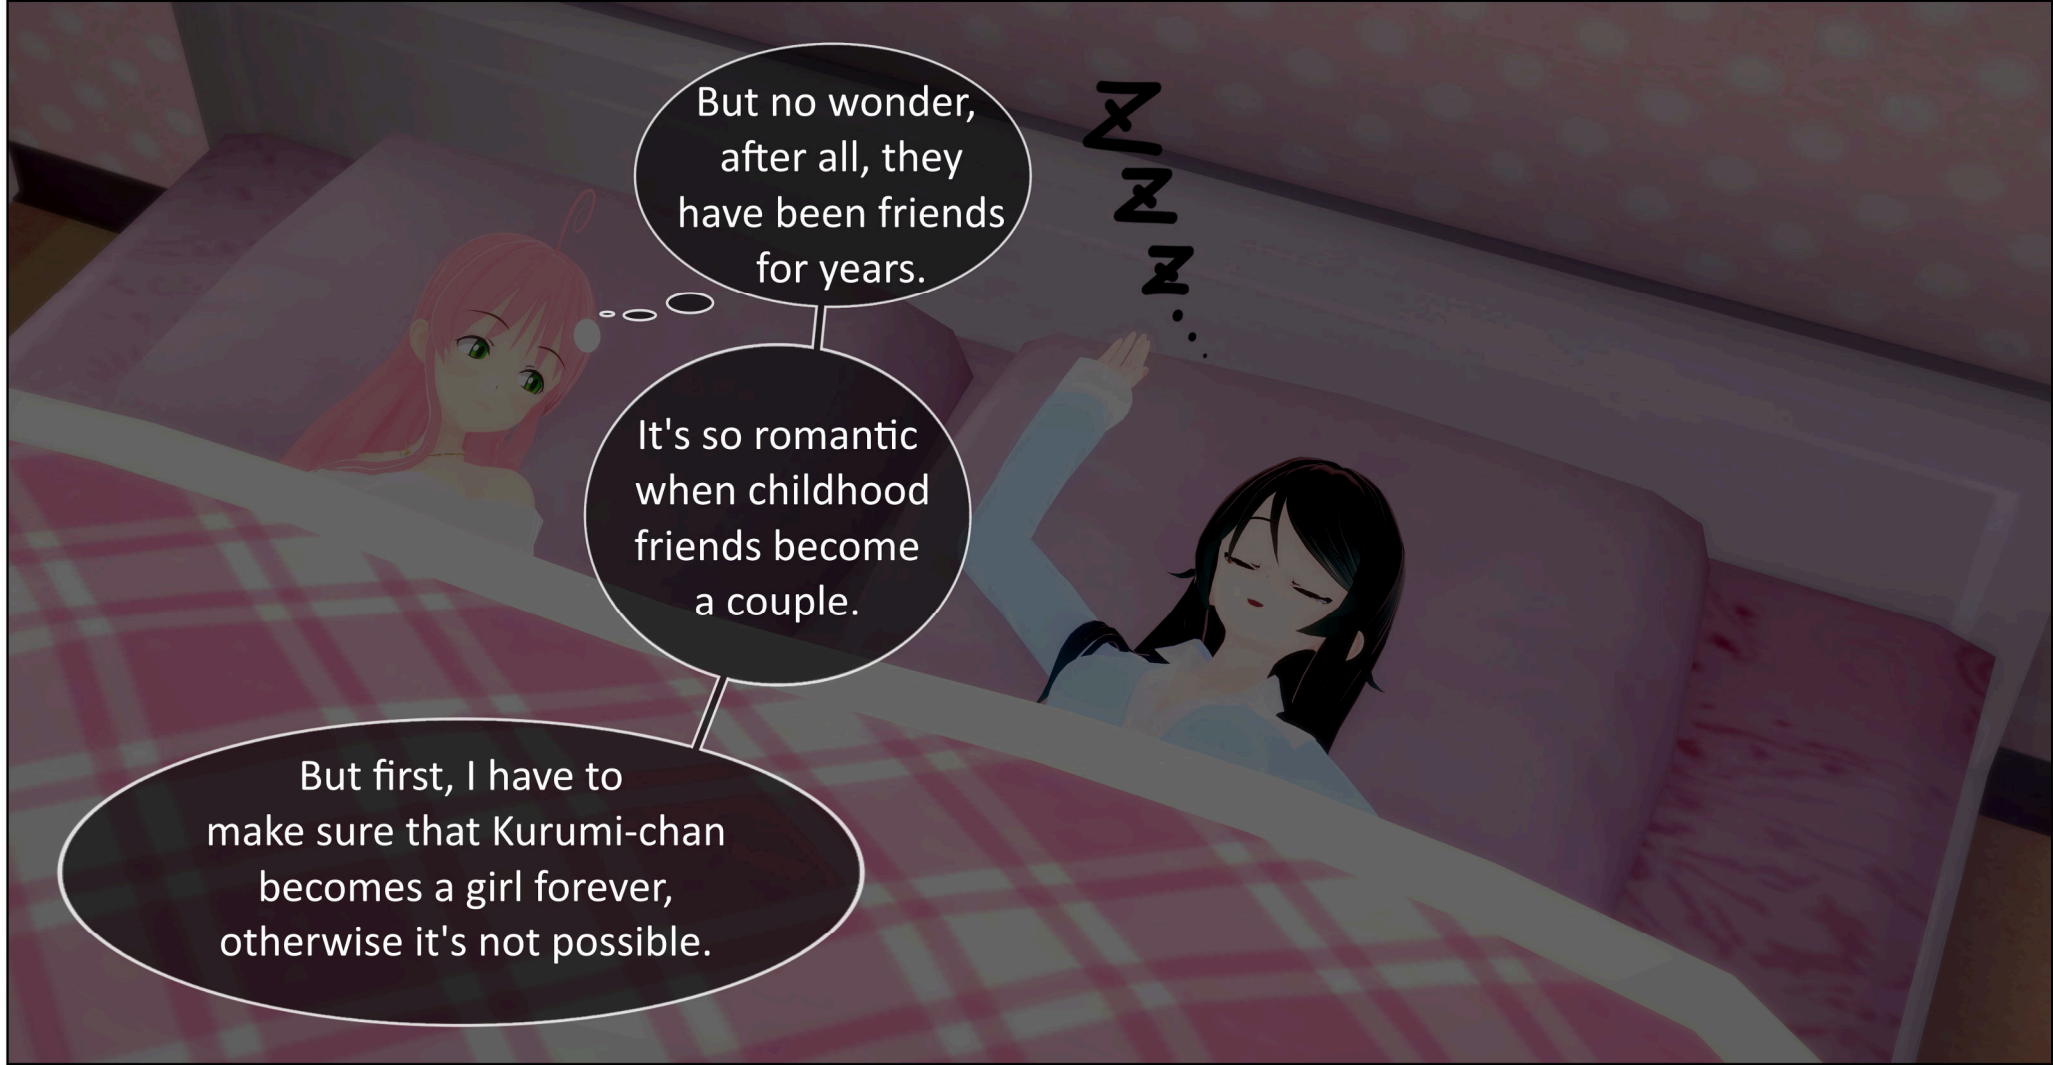

So  
Kurumi-chan  
has feelings for  
Rito too.

Interesting.

I never  
thought that they  
had this type of  
relationship.

ZZZZ...

But no wonder,  
after all, they  
have been friends  
for years.

It's so romantic  
when childhood  
friends become  
a couple.

But first, I have to  
make sure that Kurumi-chan  
becomes a girl forever,  
otherwise it's not possible.

ZZZZ...

Later...

I need to pee.

Oddly, I didn't drink that much.

Did my bladder shrink?

After returning from  
the bathroom ....

Okay, now  
we're going back  
to sleep.

Hope Lala-chan  
comes up with something  
tomorrow to make  
me a guy again.

Although mom and  
dad always preferred to  
have a daughter.

Foams.

Hey, where are you touching me?

It's no foam, it's my breasts.

You have yours, play with them.

So soft.

So warm.

\*Squeeze\*

Ho!!!!

Ha ha.  
Not today.

There are no foam  
and what will you do  
now?

What are  
you gonna catch  
now?

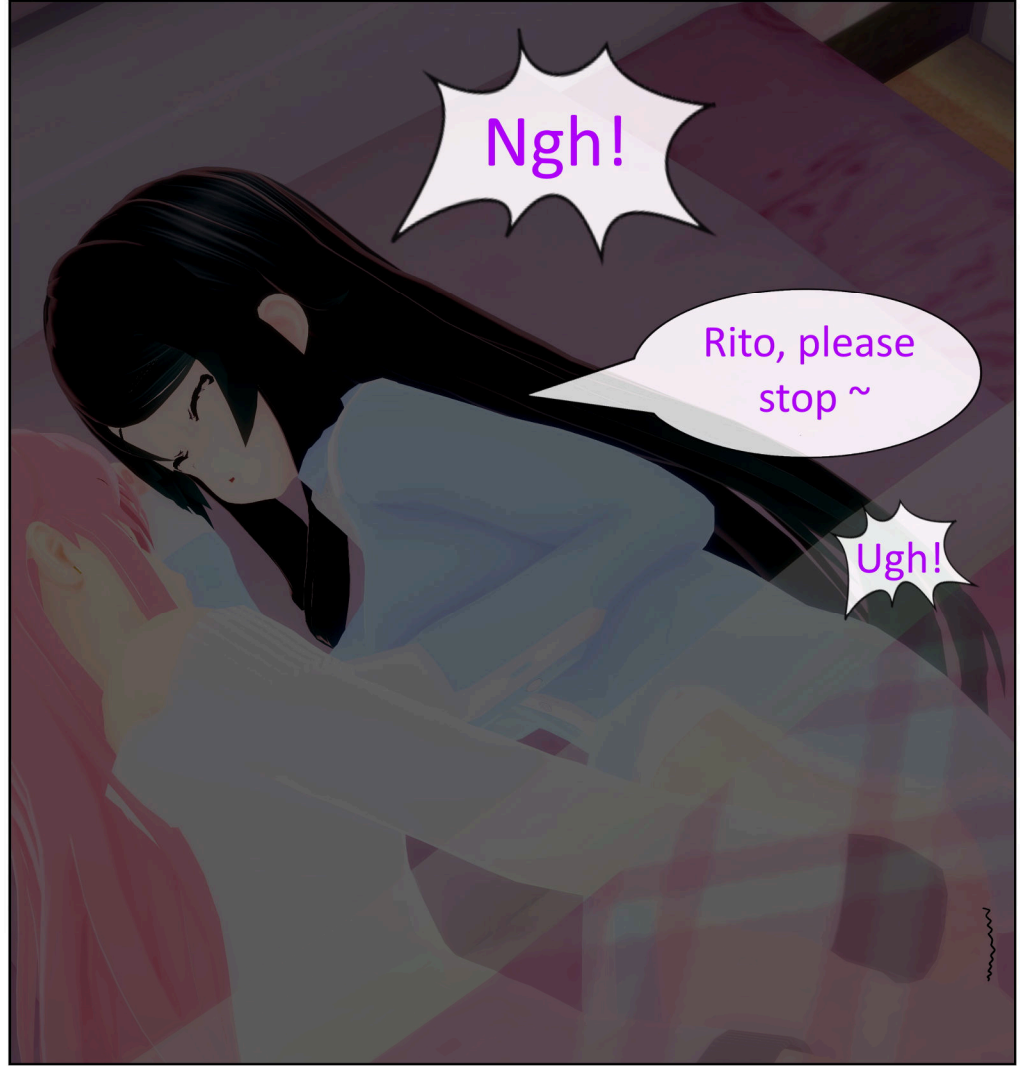

Rito, what are you doing?

You can take your hand out of there?

'Cause you're dangerously close ...

Though it's  
so nice.

Is this what  
women feel?

I want  
more.

Rito~

AHHH!

AH!

NGH!

I sound like a damn porn star.

I-It just came out on it's own

I'm coming!

Rito!

I'm coming!

What is this screaming?

Hmm? In what am I holding my hand?

Warm and humid?

Plus the screams ...

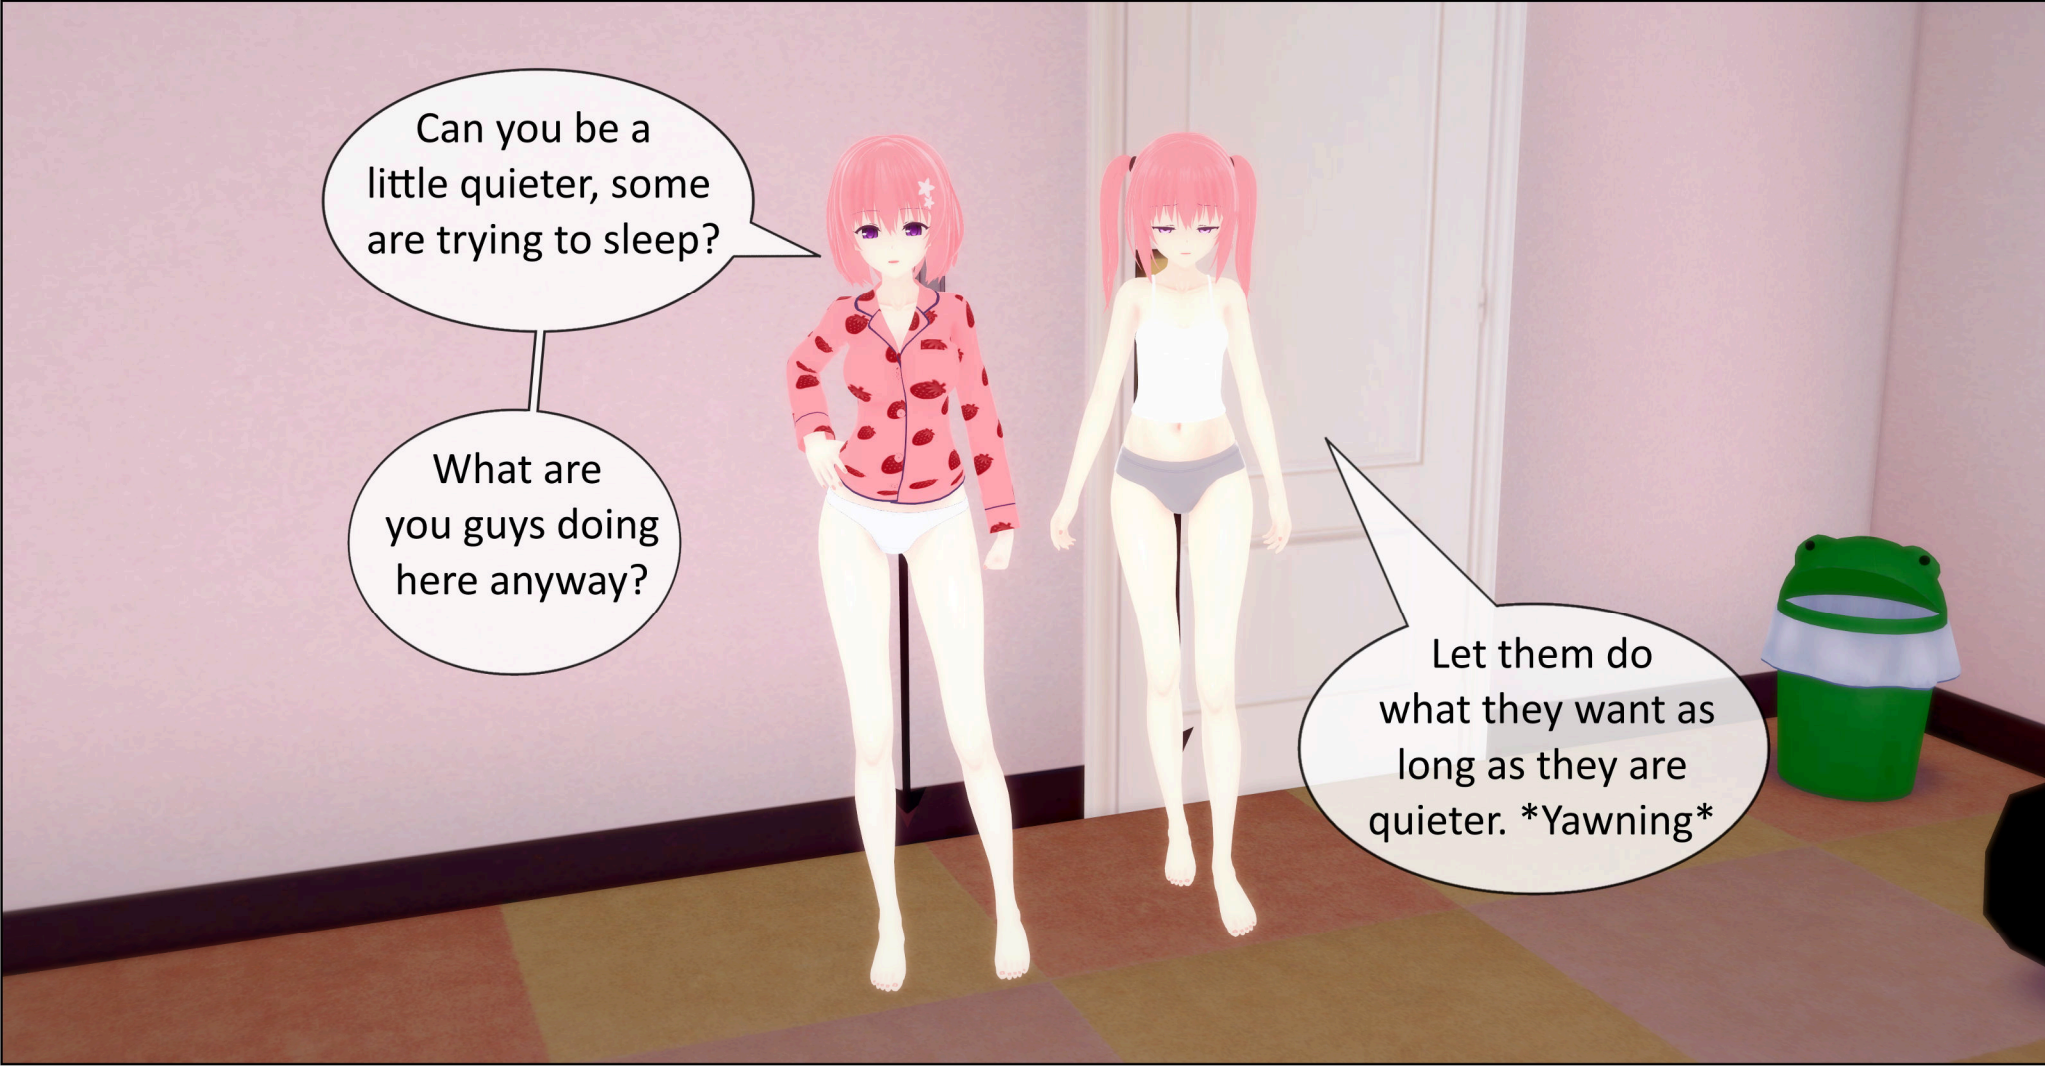

What?  
But I don't even  
know you.

I hope you will  
take responsibility for  
what you did to me.

It's shameful to  
say that after what  
you've done to  
me.

First you turned  
me into a girl, then  
that and now you say  
you don't know me.

Can you be a little quieter, some are trying to sleep?

What are you guys doing here anyway?

Let them do what they want as long as they are quieter. \*Yawning\*

Momo-chan,  
Nana-chan!

It's not what  
you think!

I don't know this  
girl and I don't know  
where she came from  
in my bed, I swear!

But it was you  
who turned me into a  
girl and let me sleep  
with you and then ...

I'll take  
revenge for  
what you did  
to me.

You know  
what I mean.

And it wasn't  
my safe day.

So I hope  
that now you will  
take responsibility  
for this.

Don't worry, I won't leave you alone.

He's back.  
\* Sigh \*

Relax, he's just kidding.

It's not possible for a few minutes to know she's pregnant.

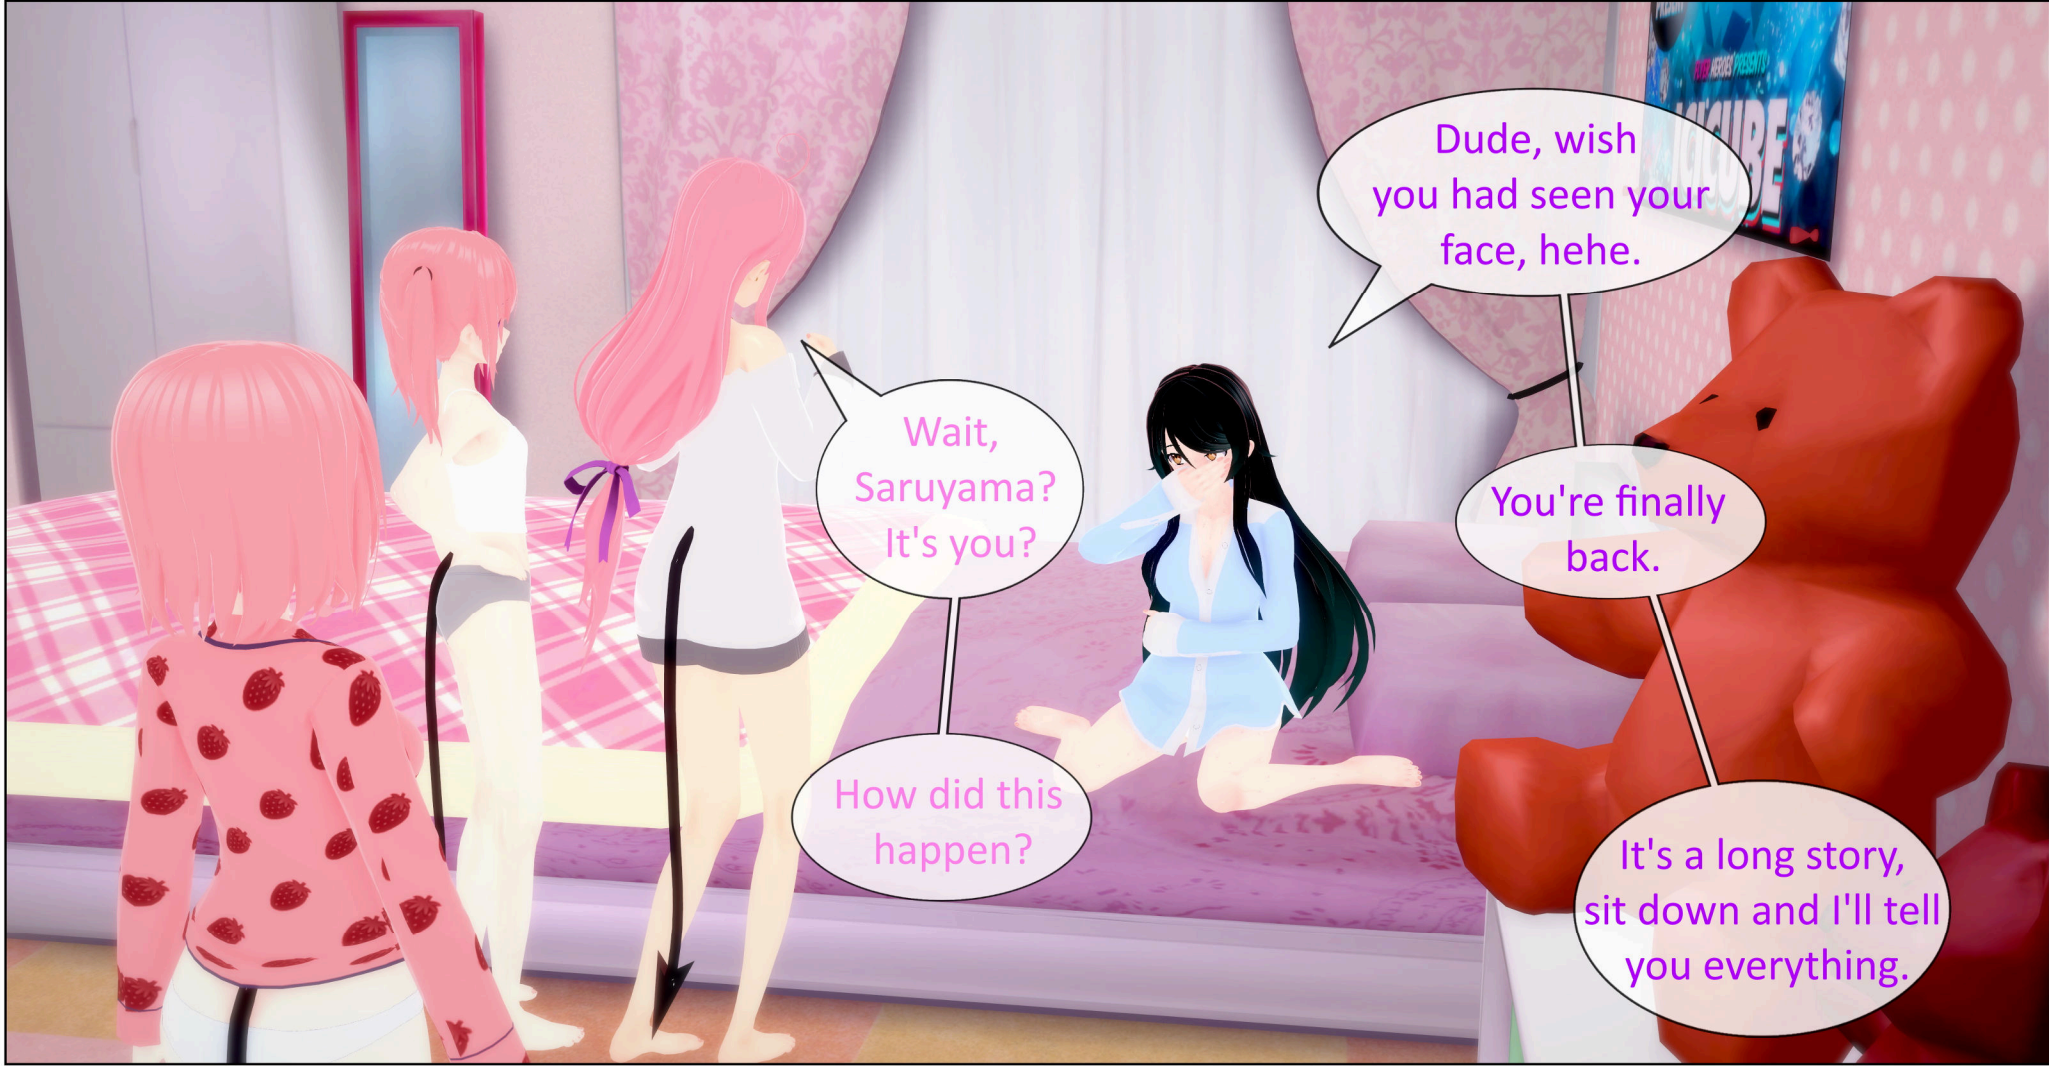

He he he  
he he

It's better that way though.

I like Rito more as he is.

When it comes to personality, of course.

Wait,  
Saruyama?  
It's you?

How did this  
happen?

Dude, wish  
you had seen your  
face, hehe.

You're finally  
back.

It's a long story,  
sit down and I'll tell  
you everything.

The next day at school ...

Looks like  
he's back.

And remember  
not to do anything perverted,  
otherwise the girls will notice  
that something is wrong.

No worries,  
I'll be careful.

Hi Risa.

Guess who.

Hi Rito and congratulations on your engagement.

NgH!

Risa, it's not funny.

What? Engagement?

\*Squeeze\* \*Squeeze\*

Don't pretend you don't know, Run-chan said you were there when Rito proposed to her.

And she was so happy about it that she cried.

By the way, who is your friend?

What he did?

Nice to meet you, I'm Risa.

Say you're some family to Saruyama

Can you let me go now?

Don't ignore me.

I am Kurumi Kenichi.

I am his cousin.

I started playing football.

Then watch out, your cousin is a terrible pervert like Rito until recently.

Yes, until recently he was known as the biggest pervert in school and now ...

Yes, and thanks to you the team made it to the final and won it.

Until recently?

What happened?

Which, combined with his sudden behavioral change, made him very popular with girls.

Although I heard rumors that he also became quite popular among boys.

But don't worry honey you too have become quite popular lately.

Hmm? Looks like Lala-chan is doing pretty well.

Really?

Of course.

They're real. It must be Lala-chan.

The guys like your new clumsiness which makes you quite popular.

So everyone likes our new behavior?

Yes, even very much.

But Kurumi-chan is definitely Saruyama.

What do you think about this ... Kurumi-chan?

Er ... Are they real?

Of course, and what would they be like?

You didn't think I was a boy, did you?

Sorry, I just remembered something!

What was that?

I don't know, some girls are just weird, I guess.

Man, don't you think it's unfair?

But what?

That some girl came, played with your tits first, and then she looked at mine and left like it was normal?

This is not normal?

I think my plan yesterday was successful, but I have to confirm it.

Hi Lala-chan, hi Rito-kun.

Who is your friend?

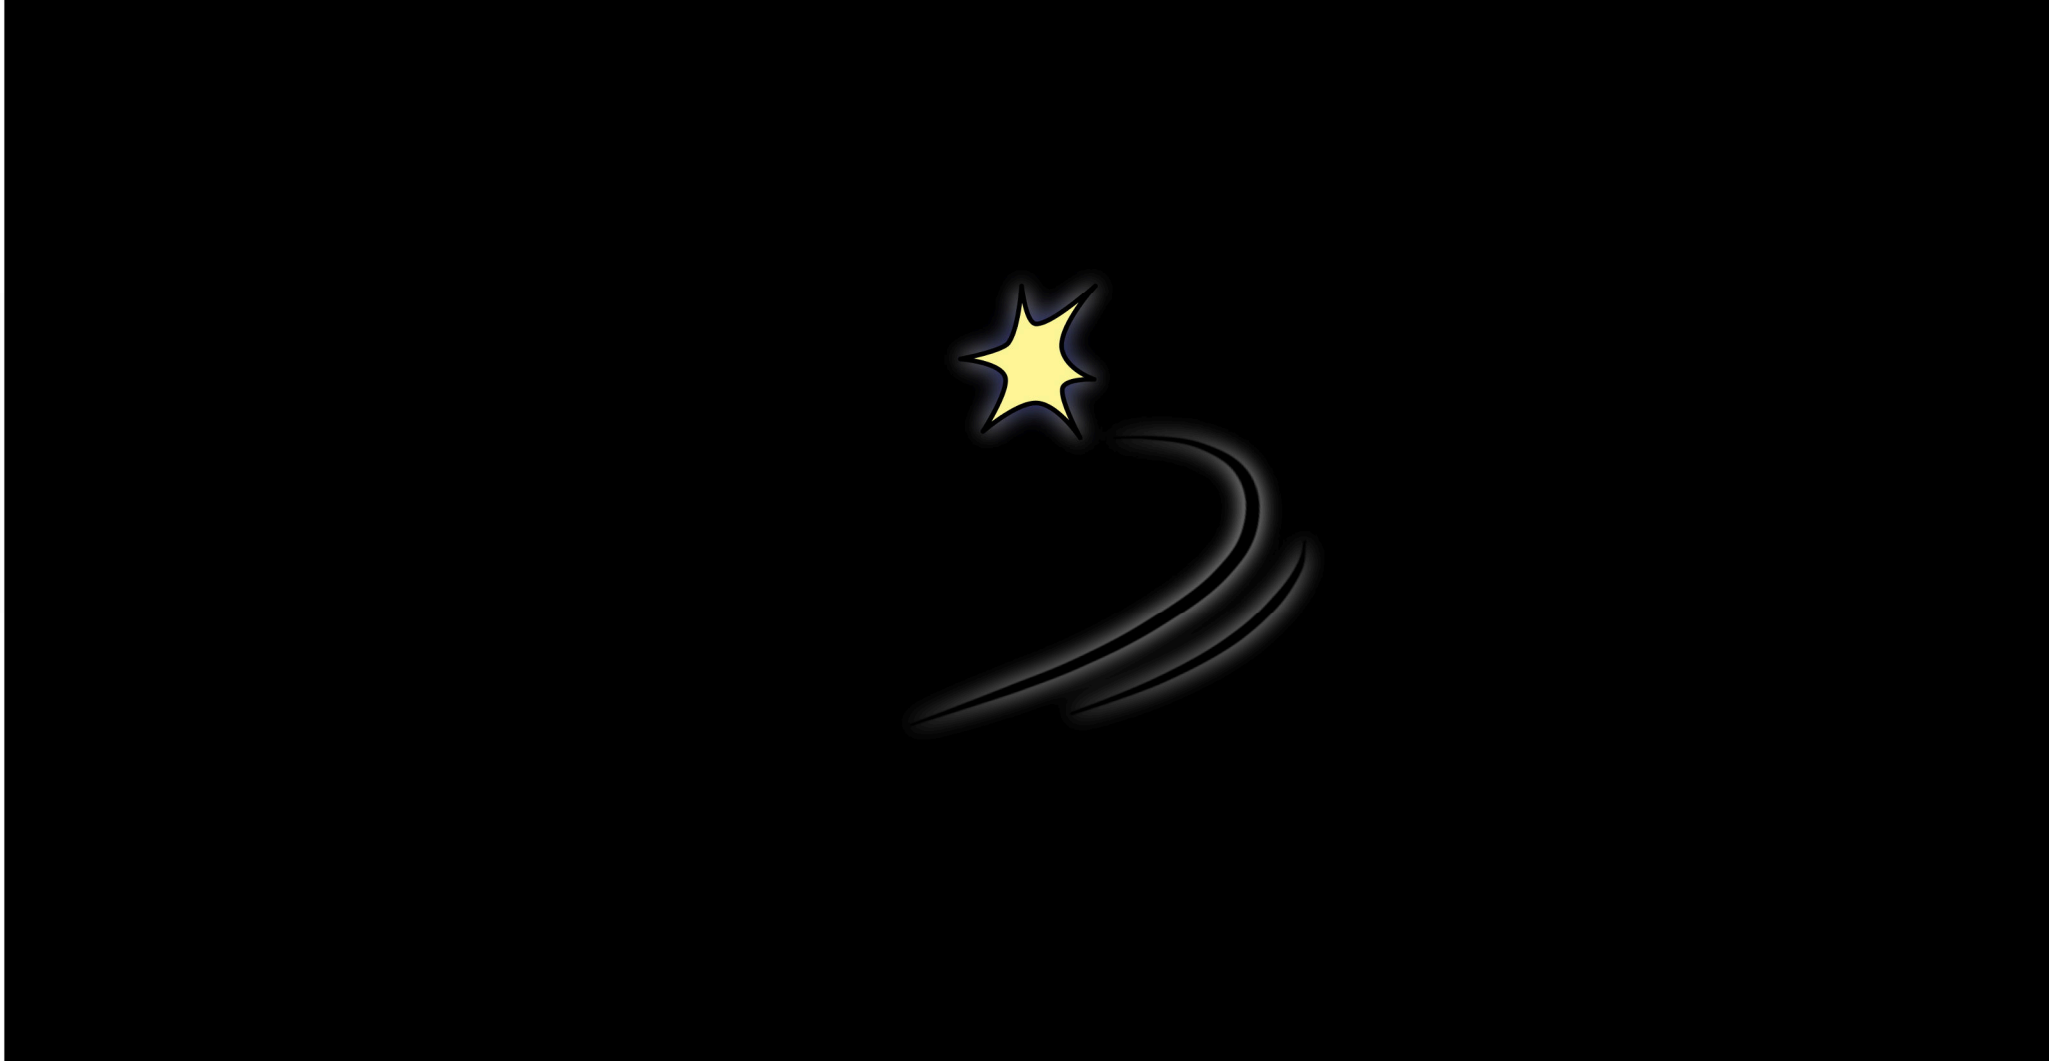

That I can  
now touch other  
girls' breasts with  
impunity.

Being a  
girl rocks!

Hi Yuki-chan,  
I was looking  
for you.

We have  
a little  
problem.

A moment later...

Some girls  
don't like to be  
touched, even  
by other girls.

You didn't ask.

I was expecting  
something different.

Couldn't  
you have told  
me this before?

Wait a moment.

Because I never thought something like this could happen.

I promise I won't touch any girls anymore without her consent.

I thought for a moment that she broke my jaw. I just hope this trail fades away soon.

I know a very good cure for such things.

Yes, Rito always felt better after that.

Hey what are you doing?

Really?

Strange, from  
this perspective,  
Rito seems quite  
handsome.

Wait, what am  
I thinking, he is my best  
friend. Besides, he's a  
guy, and I'm not gay.

Actually, it's  
Lala-chan ... but she  
looks like Rito and  
probably has ...

Wait,  
wait,  
wait ...

Why is her face  
getting closer?

Don't you tell  
me she's gonna  
\* sip \* ...

You see. I said  
it would help.

Thank you,  
I'm better now,  
hehe.

What was  
happening to me a  
moment ago, did I really  
want a guy to kiss  
me?

But would  
it be wrong if I'm  
a girl now?

So you will help Saruyama with ... you know what.

Can you fix it today?

Okay.

Of course.

With him, the matter is simple because, let's say, no one jumped in his place.

Of course. I'm just going with Rito to get the uniform and we'll meet.

Of course, after all, it's my buddy I've known him for years.

But are you sure he wants it?

If you say so, I'll trust you.

Some time later  
on the roof of  
the school ...

When no one  
is there, you don't  
have to call me  
Lala-chan.

As for  
being a girl, you've  
been a girl since  
yesterday.

Tell Lala-chan,  
what's it like to be  
a girl?

Yes, but it's  
only two days.

What if we were girls forever?

Because from what I can see you are doing better than being a man.

And I even like it a bit, and besides, I will not leave my friend alone.

A scene from an anime-style illustration. Two girls are standing in front of a chain-link fence. The girl on the left has long pink hair and is wearing a yellow and green plaid school uniform. The girl on the right has long black hair and is wearing a yellow and green plaid school uniform. They are both looking at each other. There are three speech bubbles containing text.

I knew it didn't suit you, and there must be something perverted behind it.

Especially since being a girl is like a VIP ticket to a women's locker room.

Just because I'm a girl now doesn't mean I've become someone else.

You haven't changed either and now your clumsiness gives you charm, just like Risa said.

Really?

I do not know  
if that's a good  
idea.

Of course.

Dude, why  
hurry? Why don't  
we just become girls  
for a while.

Dude, don't panic,  
this opportunity may never  
happen again.

At least Saruyama will be himself again.

I'm sorry that so long.

The uniform will be waiting for you in the men's locker room.

Because you're not going to be dressing up here in front of us anyway, are you?

Thanks, but tell me,  
do I have to be a man  
again now?

Can't it  
wait for a  
while?

Because there are  
still many things I would  
like to try.

A scene from an anime-style visual novel. Three female characters are standing behind a chain-link fence. The character on the left has short black hair and is wearing a purple school uniform. The character in the middle has long pink hair and is wearing a yellow and green school uniform. The character on the right has long black hair in a ponytail and is wearing a yellow and green school uniform. They are all looking towards the center. The background shows a blue sky and green hills.

Maybe. But  
what will you do  
during this time?

You  
can't live with Rito  
all the time, right?

Yeah,  
umm ... and I can't  
come home like  
this either.

Looks like  
I have no  
choice.

Don't worry, I'll think of something.

Thanks.

To be continued...
