I don't think I have any choice but to wait until tomorrow.

Because I can't go out at this hour and parade through town in this outfit.

And ask Lale-chan at school to help me take it off.

Theoretically, I could "fly" but I'm sure Lala-chan is already asleep so I'll just wait until tomorrow.

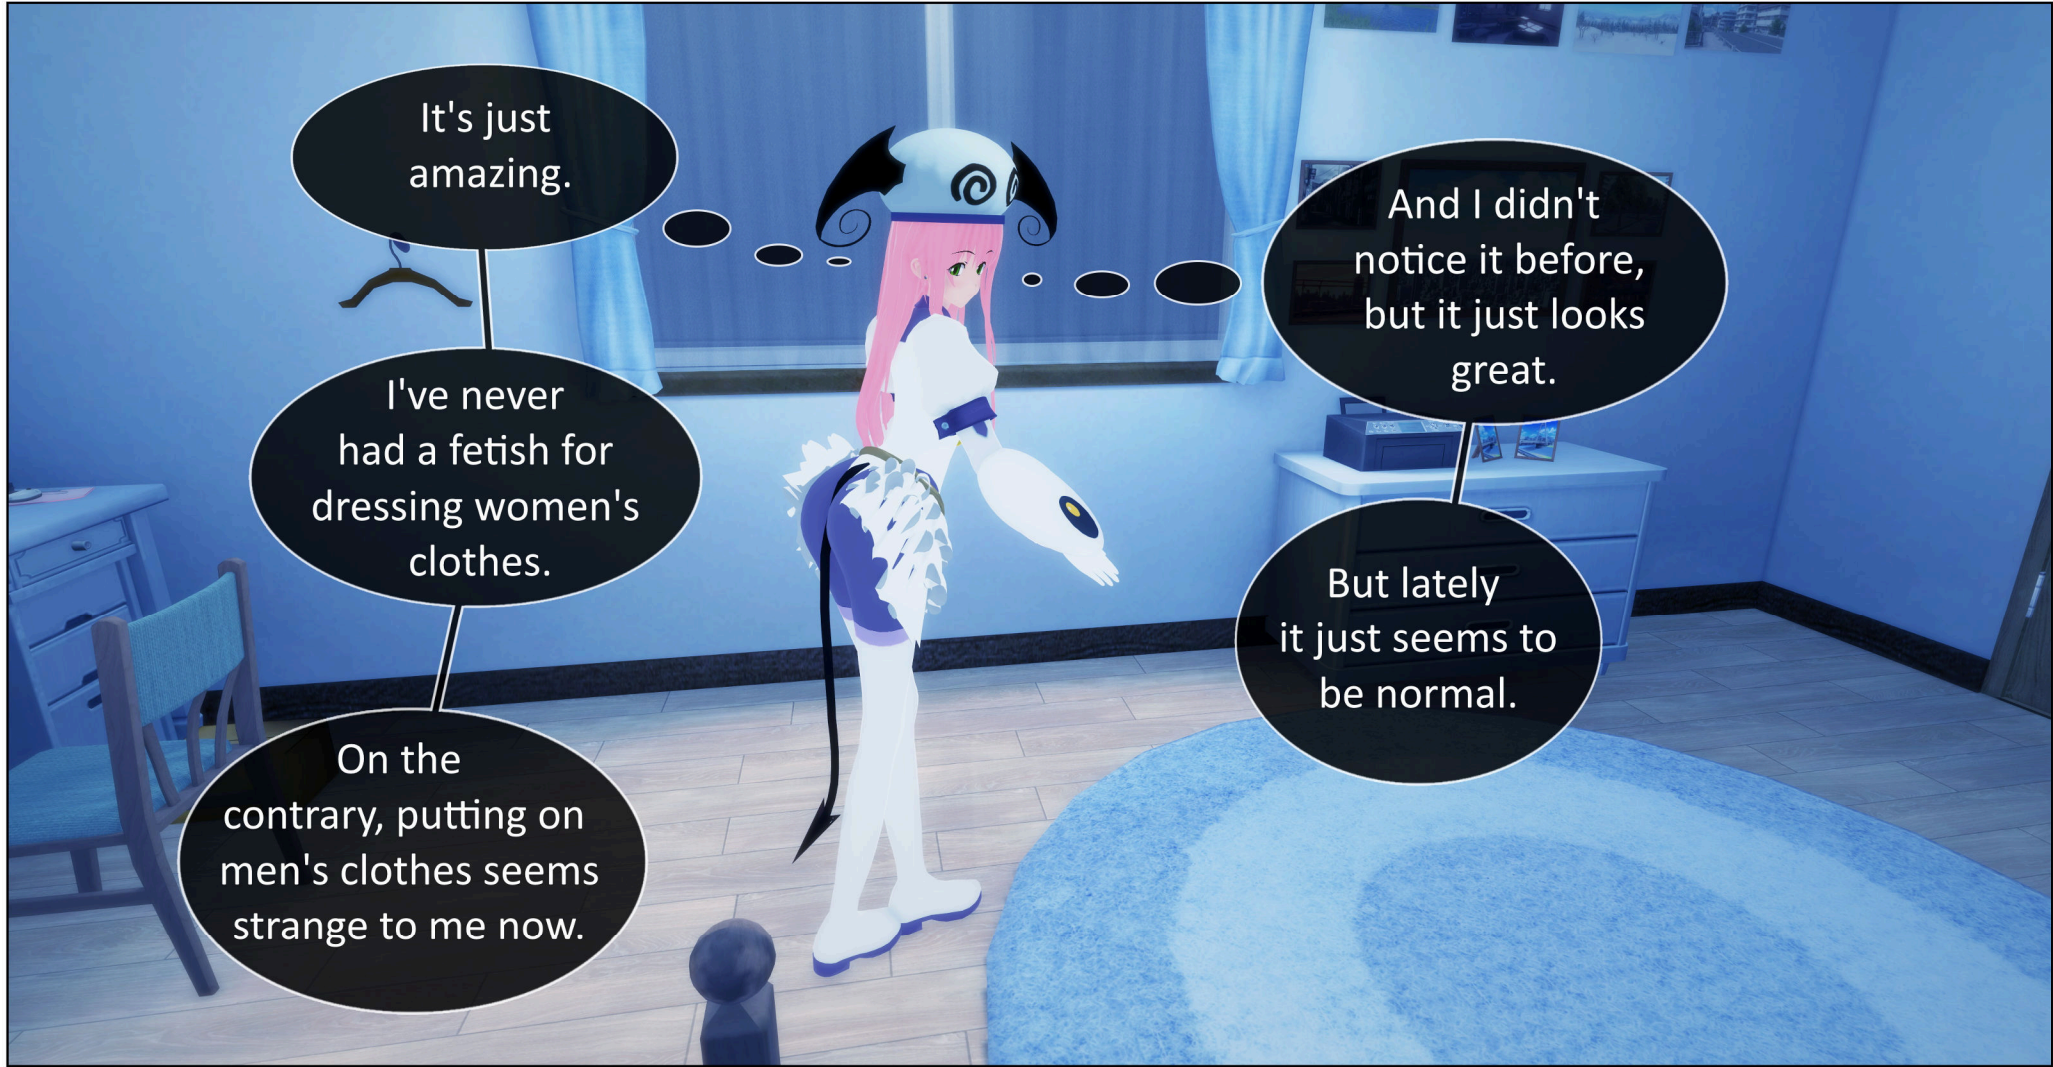

Although I have to admit, the outfit itself is great ~

But it is incredibly light and airy and quite comfortable at the same time.

It looks massive and heavy.

Now I'm not surprised that Lala-chan still wears it.

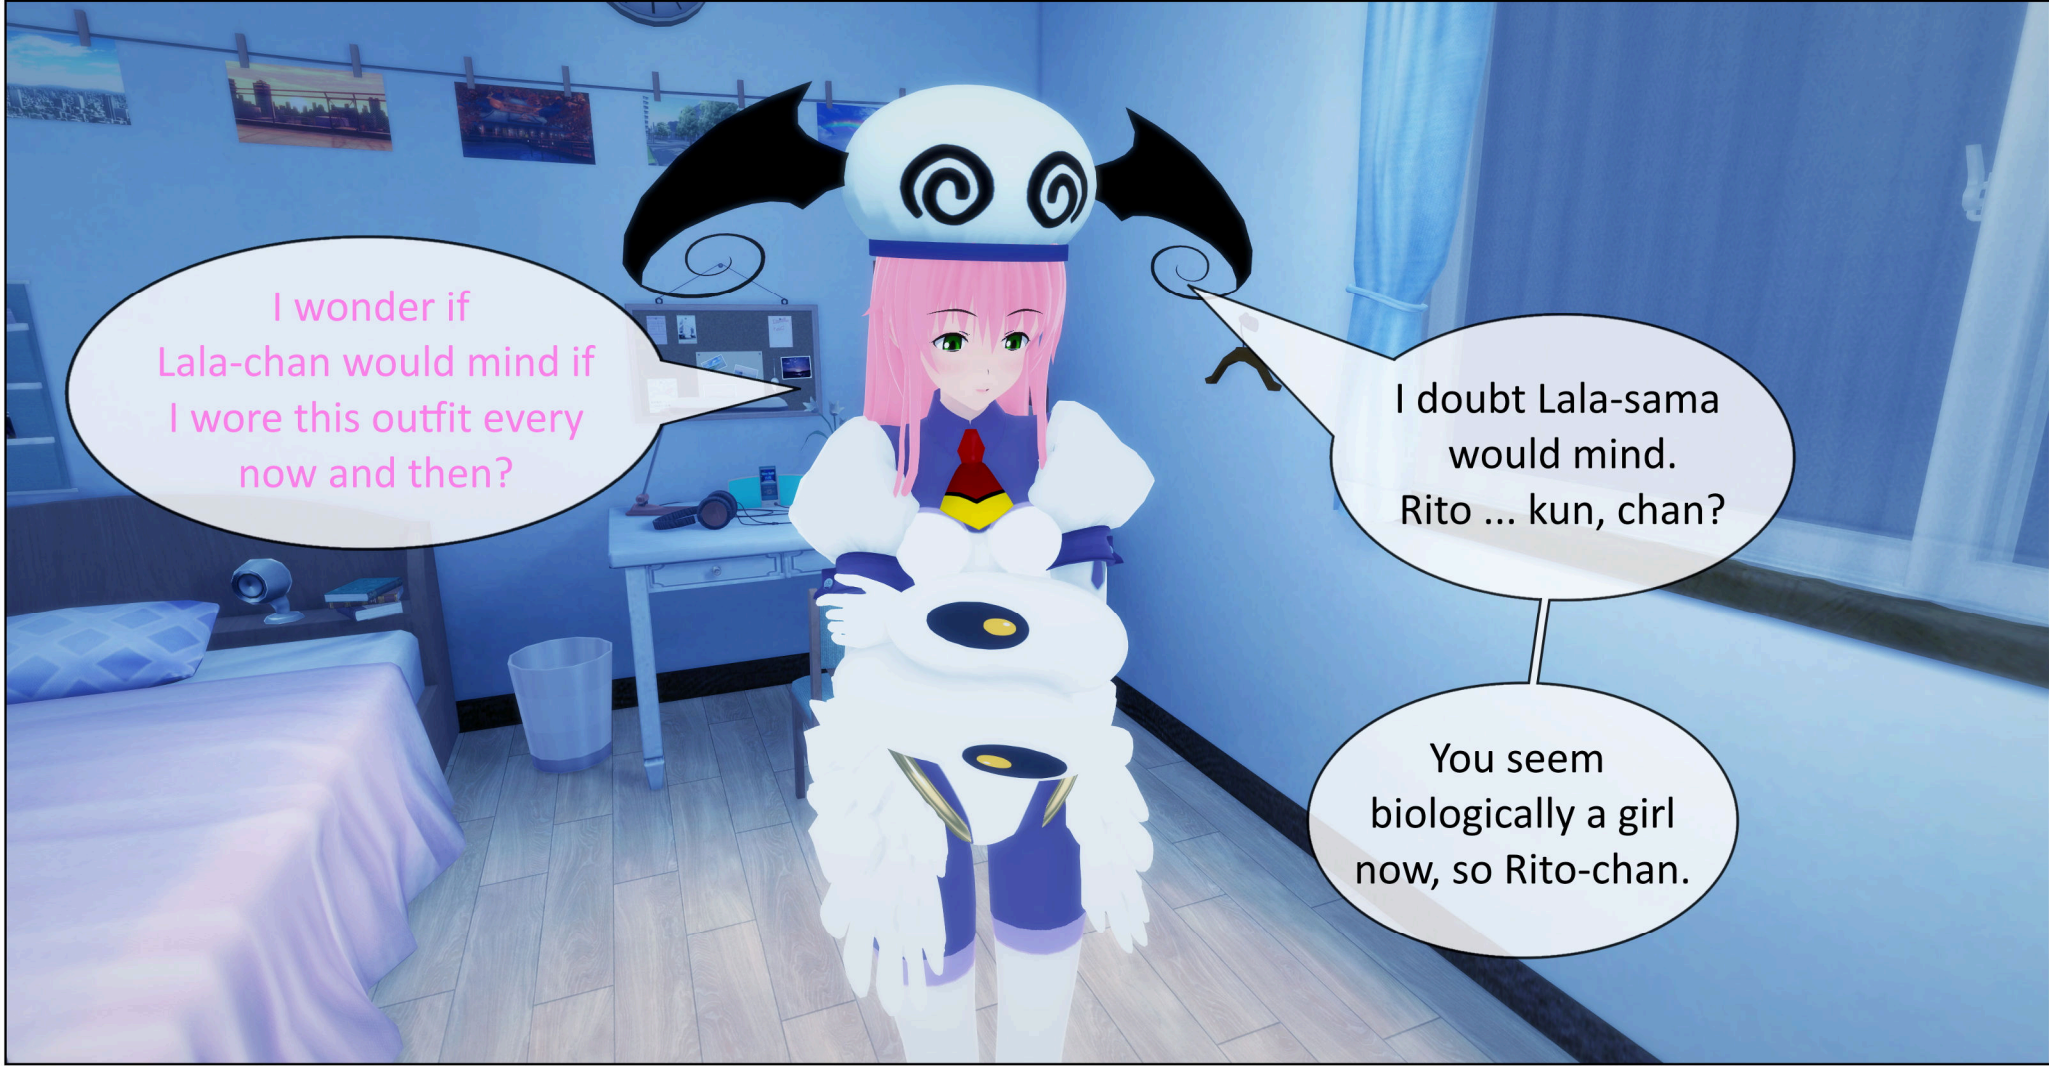

It's just amazing.

I've never had a fetish for dressing women's clothes.

On the contrary, putting on men's clothes seems strange to me now.

And I didn't notice it before, but it just looks great.

But lately it just seems to be normal.

I wonder if Lala-chan would mind if I wore this outfit every now and then?

I doubt Lala-sama would mind. Rito ... kun, chan?

You seem biologically a girl now, so Rito-chan.

Peke is that you?

What are you doing here?

Yes Rito-chan, although maybe I should call you Lala-sama now.

After Lala-sama started looking like you, she practically stopped using me.

And without her ... well, I started to feel a little lonely and abandoned.

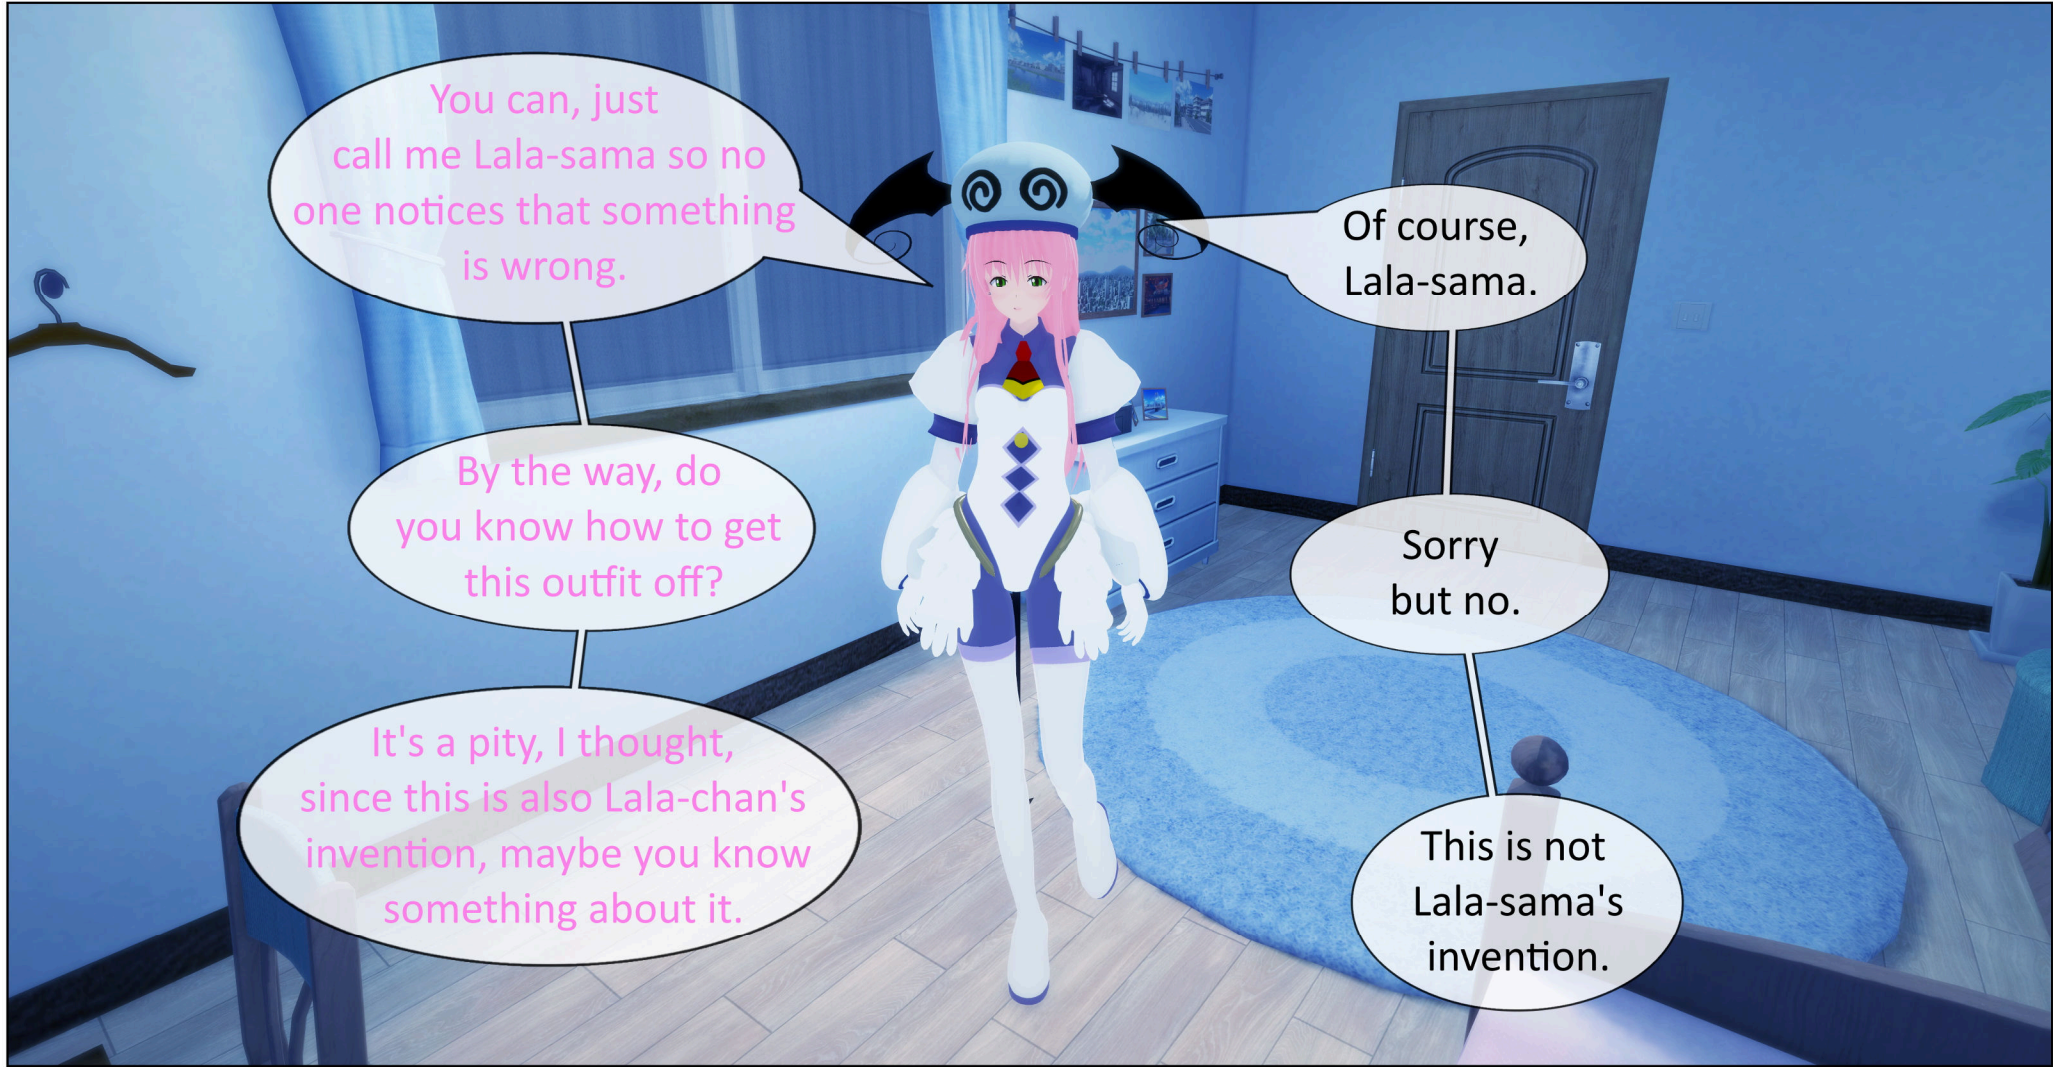

So you decided to take the place of Nisu, right?

Are you sure?

Well ... it was just an empty shell with no awareness of its own.

So it didn't seem like a bad thing to bring my consciousness into it.

Can I stay, I won't create problems?

You can, just call me Lala-sama so no one notices that something is wrong.

By the way, do you know how to get this outfit off?

It's a pity, I thought, since this is also Lala-chan's invention, maybe you know something about it.

Of course, Lala-sama.

Sorry but no.

This is not Lala-sama's invention.

What?

Do you know something about her, maybe she could help me?

It's a pity, thanks anyway, and good night.

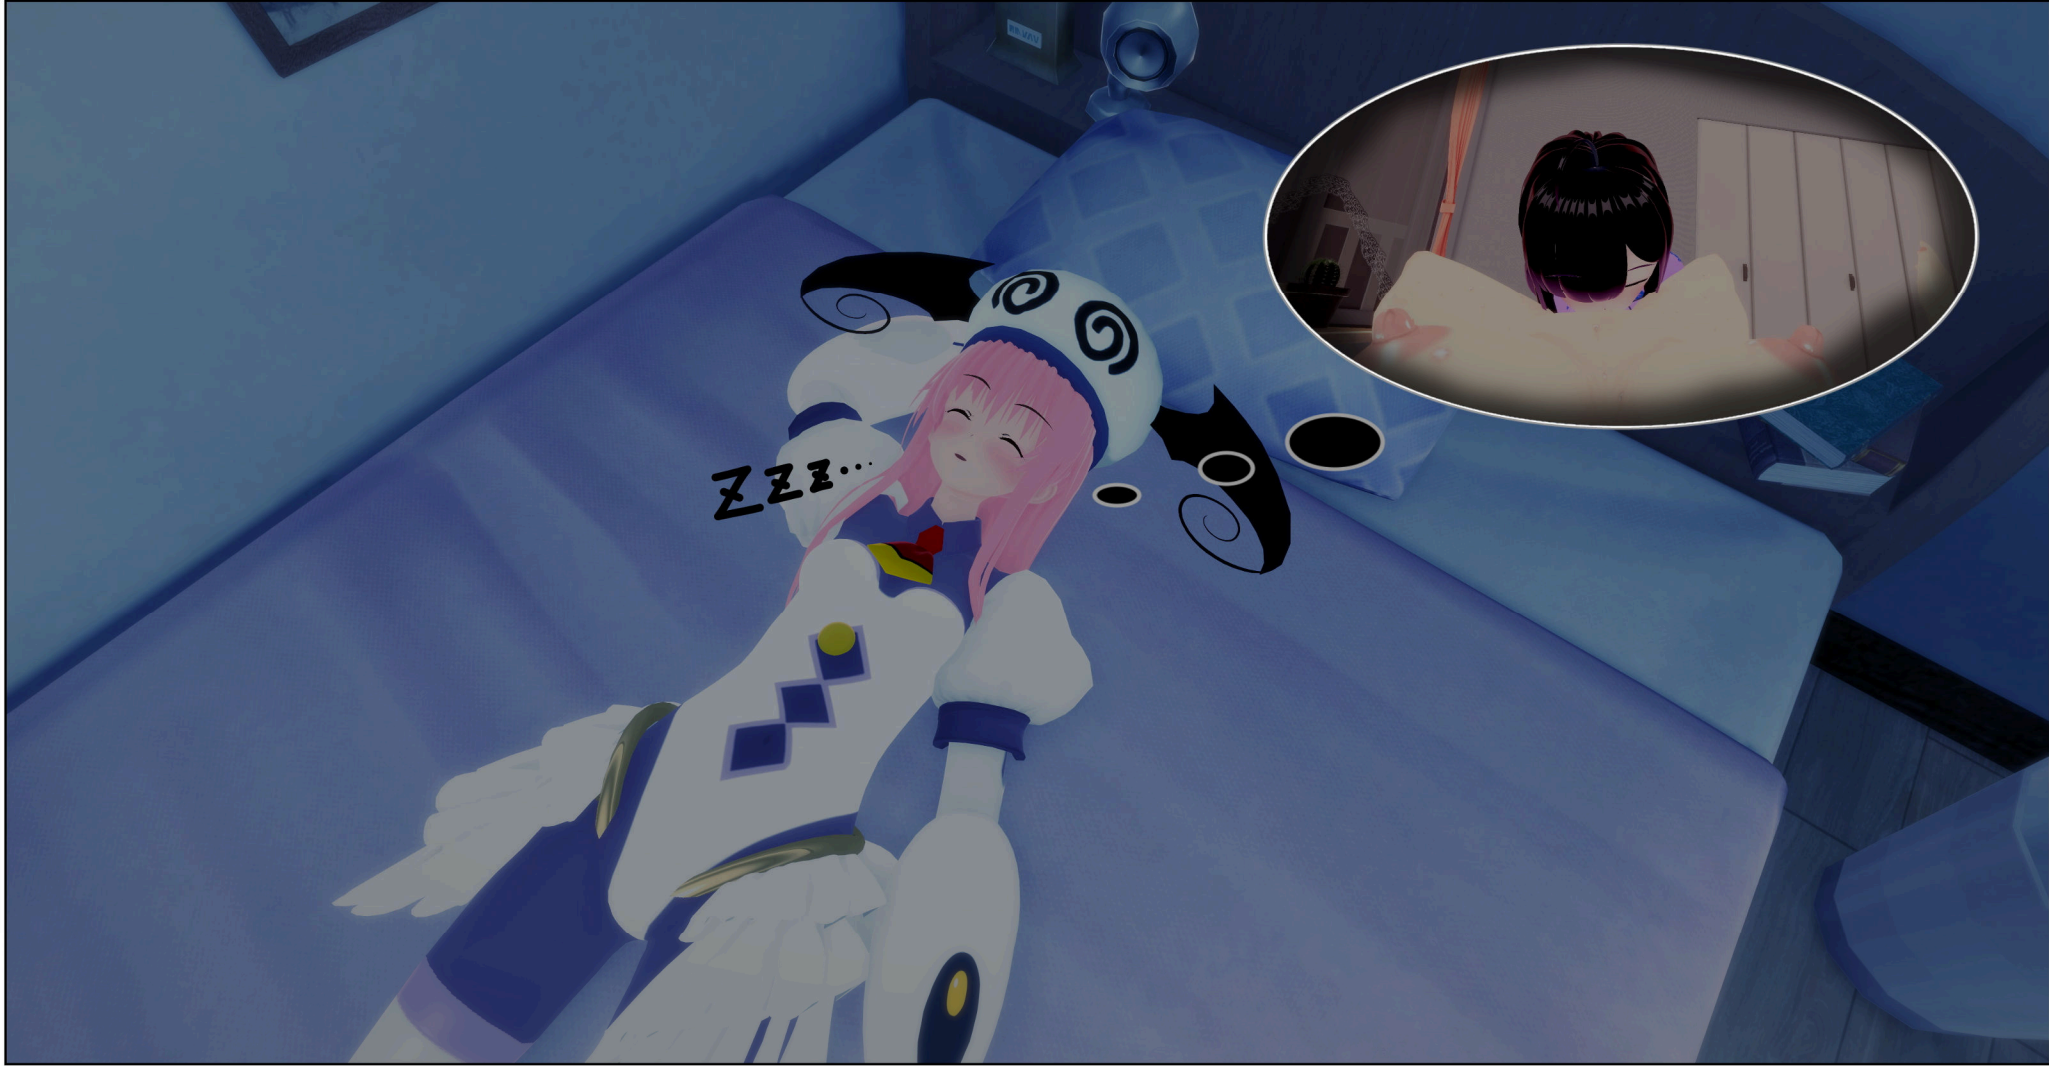

Lala-sama built me on the basis of Nisu but Nisu was built by her friend from school, not her.

Sorry but no, all I know is that she built Nisu but otherwise I have no information about her.

Good night, Lala-sama.

In the night...

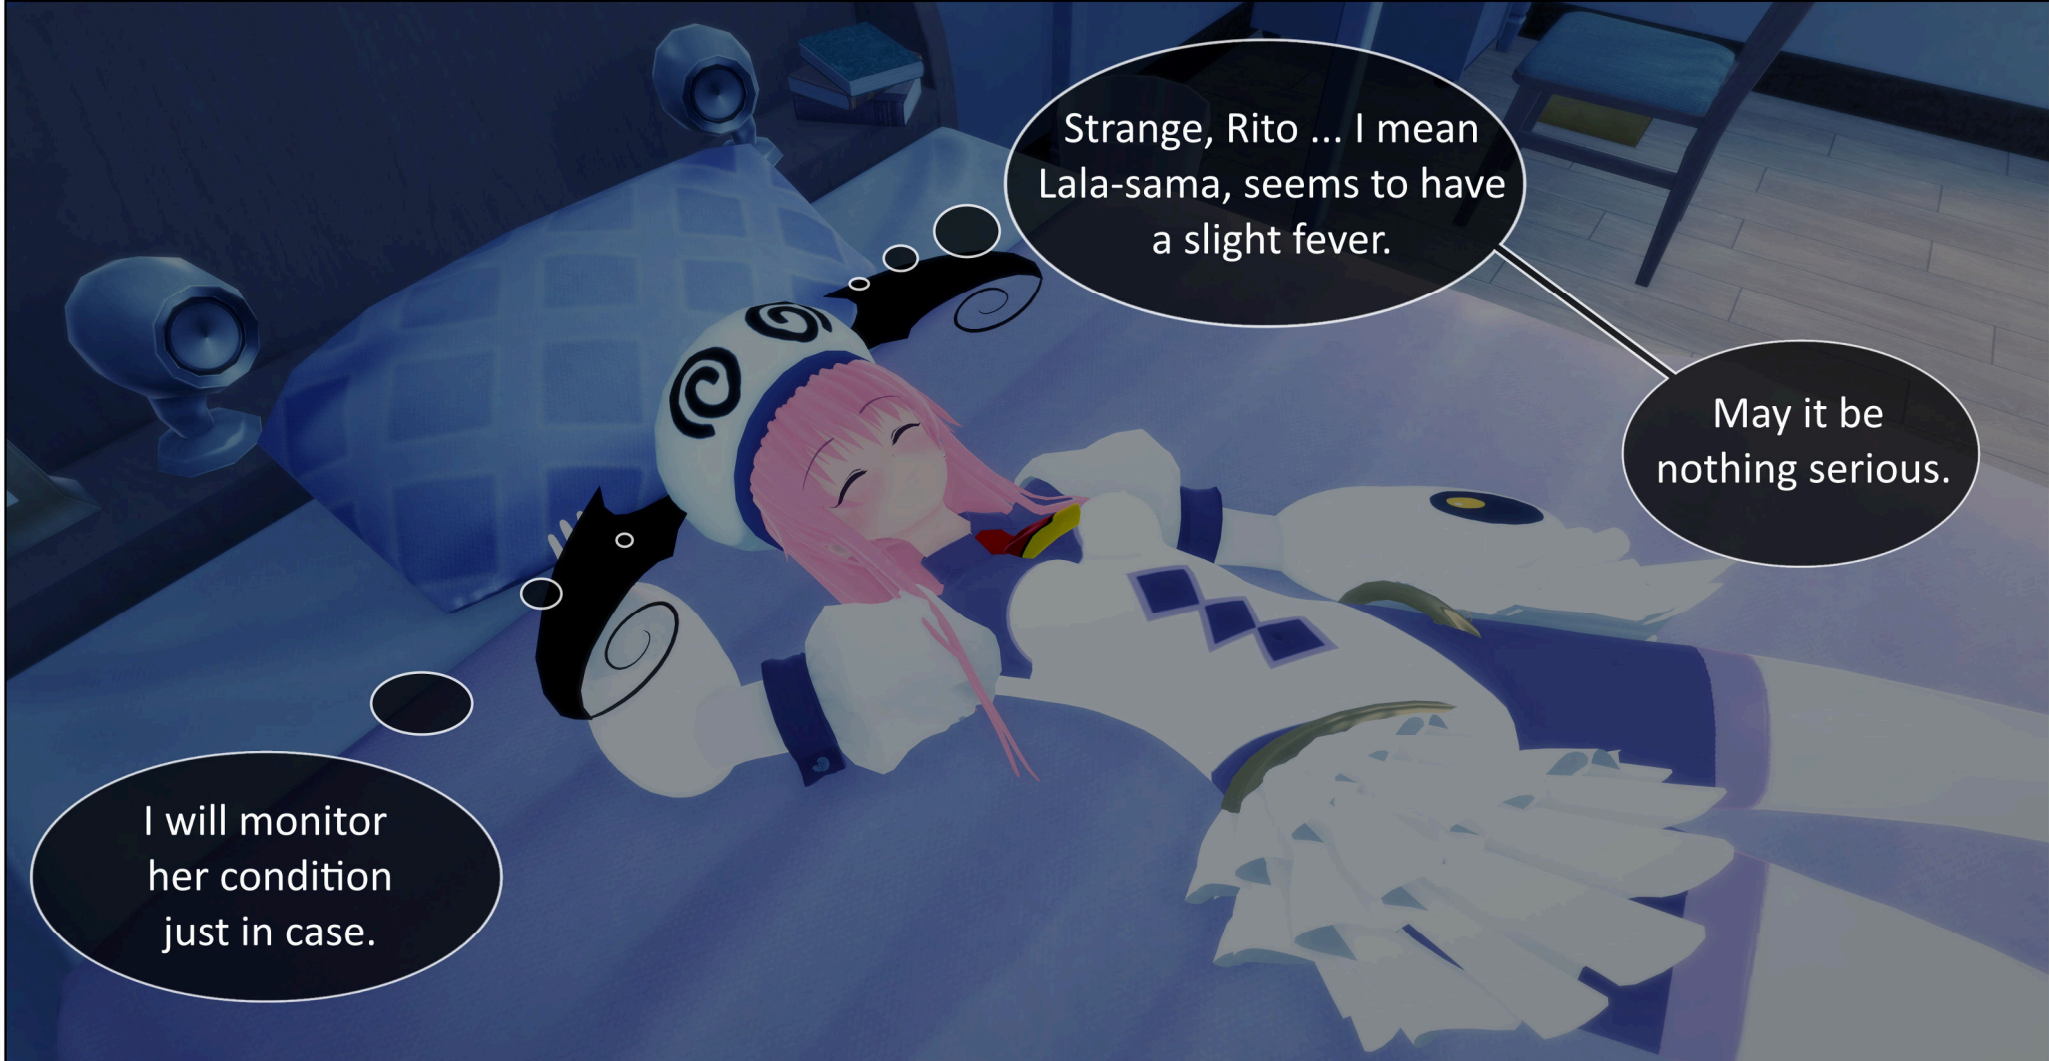

Strange, Rito ... I mean Lala-sama, seems to have a slight fever.

May it be nothing serious.

I will monitor her condition just in case.

In the morning..

Oh no,
I overslept!

I'm
sorry Lala-sama,
me too!

Don't worry,
now we need to get to
school as soon as
possible.

At school...

Err ... Isn't it too early to talk about such things?

That's why I say our first child should be called Sota.

And if it's a girl, we'll call her Miku.

And when there are twins, we just give them both names.

Wow. She's really trying to predict these things.

Quintuplets, do you want to give him half the soccer team?

What are we going to do when two boys or two girls are born?

Or if quintuplets are born?

Recently, I read one manga about quintuplets.

We have to consider how we will distinguish them.

Eee...

Who is that girl?

Something happened?

She?
Ymm ... It's a bit complicated.

But let's say it's my childhood friend who decided to come for a while.

That's true?

How long are you staying?

Not good, according to all the manga I've read, childhood friend has the best chance of becoming a wife.

Ymm ...
Actually, yes.

I do not know yet.

Rito, can you help me undress!

Too bad, there's nothing worse for a relationship than a childhood friend.

I would do it myself, but I can't.

Except for the other fiancée, maybe.

Especially what's her name is Lala.

But I don't think I can help it.

Did you change your hairstyle because you look different somehow?

In my opinion, you don't need makeup, you look much better without it.

Of course.

I overslept a bit and didn't manage to put on makeup or even brush my hair.

Really?

If you say so.

But back to the point, can you tell me how to take off this outfit?

Why does Lala-chan ask Rito how to take off her clothes?

Besides, weren't her breasts bigger before?

Something is wrong here.

Especially since I'm sure Rito had brown eyes not green before.

And he knows what she should know.

Just say you want to be naked then the outfit will disappear.

Of course, if you do ...

I want to be naked.

Selected outfit "none."

None?

After synchronization, I have full control.

It's great, now I don't have to be afraid that this situation will happen again.

I'm sure now.

I'm sorry, but it was the real Rito that I fell in love with.

What do you mean?

No matter what he looks like.

I love him for who he is.

So Run-chan also found out that we changed bodies.

But it didn't seem to change her feelings for him.

You don't see it every day.

I did not know that the Run-chan is bi.

?

What are you doing

This is a school, this is where order is supposed to reign!

So stop doing such shameless things!

Ara ara

I guess my lessons came in handy for something. he he.

Yami-chan where are you ?!

Are you sure about what you said?

I wonder why he still works here.

But he's not doing anything wrong.

Maybe, but he could at least wear pants.

No, no, no, no,
no, no, no!

Run-chan
and Ren swapped
places.

And that's just the
moment Run-chan kissed me,
and it turned out that now
I'm kissing a guy.

Although
kissing a guy isn't
as bad as I thought ~

In a way,
the fact that he is
bigger than me is
even exciting.

Which
I even like.

Ren,
what happened,
why are you lying
on the ground?

I'd like to know
that too.

He flew in
like a plane.

I think I know
what happened ~

Looks like
someone has allowed
himself too much.
he he

Right ...
Lala-chan ~

Phew. It
was close.

In the evening in
Lala-chan's room...

I still
can't believe
what happened
today.

I kissed a guy,
how could that have
happened?

It's nothing fancy,
you are a girl after all,
Lala-sama.

Yes, but only until Rito ... that is, Lala-chan finds a way to heal himself.

Exactly.

Thanks, I honestly even liked being a girl a bit.

I see ... And until then you pretend to be each other?

I must admit that you are doing great.

Interesting.

What problem, what happened?

It's nothing serious, it will soften in a moment, no worries.

We have a problem!

The thing between my legs is still hard.

He's been hard for two days.

Two days ...!?

Two days. For me, a morning erection never lasted longer than 5 minutes.

Maybe it's because Lala-chan is still in some parts of "deviluke"?

Yes, I wanted to go to Mikado-sensei with it, but I figured maybe you might know what to do about it.

So you know what to do with it?

I don't think
I have a choice.

Yes, I know
and I will show you
what to do in such
situations.

Lala-chan always
tried to help me when I was
having problems, so I have
to help her too.

Just don't tell
anyone about it
later, let it be our
secret, okay?

Although it's
disgusting.

Of course!

Momo-chan
was right to go to Rito
with that and not
Mikado-sensei.

It's good that
I listened to her
and didn't go to
Mikado-sensei.

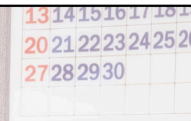

In the meantime...

Sneeze

Thank you.

I think
someone is thinking
of me. hehe

Bless you.

Can you tell me now what is this problem you wanted to talk about?

Whom?

Onee-san's childhood friend, but she is on the other side of the world right now.

You see ... I think we'll have an uninvited guest soon.

Guess who would be worst for our plans right now.

Not any more.

Not good.
Her friend is a walking
Armageddon.

Besides, when she
finds out what we've done with
Onee-san and Rito, she's definitely
not going to be happy.

Of course not,
not now that we're so close.
We just have to make sure
she doesn't meet them.

So
what? Are we
abandoning
the plan?

It will be rather
impossible, because
she wants to come just to
meet them.

On the other hand, I've already managed so much ...

She, on the other hand, is definitely not that strong.

It can be quite fun.

If you only knew it was me who asked her to come.

Besides, she doesn't know that Lala-chan is here.

But you don't need to know that. hehe.

Back to Rito
and Lala-chan ...

Okay, I'll show you
what to do in these situations.
But under no circumstances
should you tell anyone
about it.

Not that you
do it, nor that I showed
it to you.

And especially
the latter.

Of course, I won't tell anyone.

Okay, so let's get started.

I still can't believe what I'm going to do next.

It's so gay ~

But technically I'm the girl in this relationship now.

Besides, I don't want Lala-chan to suffer because of me. After all, it's my fault that she's a man now and I have to take responsibility for it.

AH

AH

AH

It's not as hard as I thought it would be.

Lala-chan's penis is getting even harder, and I was just getting started.

Are guys really that easy to please?

And how are you feeling?

It's good, but it's just the beginning.

Yes, I have to make you come. And that's definitely not enough to achieve it.

Great.

The beginning?

Rito really knows what to do.

Probably because he was a man.

Therefore, we will speed up a little.

Strange, at first I felt disgusted, but now I'm even starting to like it a bit.

I'm actually a girl now so there's nothing wrong with that, right?

HA~

I guess I'm coming slowly.

HA~

It turned me on a little bit too. hehe.

HA~

Tell me, what would you think if we would stay that way?

What!?

I'm better now.

Hmm ...?
Something
happened?

Rito?

The next day
at school ...

Love letters,
can you see?

Apparently
you've become quite
popular. hehe.

What is this?

I can see these
are love letters,
but what were
they doing in my
locker?

What am I
supposed to do
with it now?

Even as a girl, Rito is more popular than me.

I would also like to get at least one love letter.

Well, I guess even being a girl doesn't change anything in my case.

I'll just take them home, after all, I don't want to upset anyone.

Weird, some seem from girls?

I can not believe.

Never before,
I never got a
single one.

You must have
gotten quite popular
too, it even looks like
you got more love
letters than I did.
hehe.

Wait a second,
this letter is different
from the rest.

From Otton.

I don't know
any Otto.

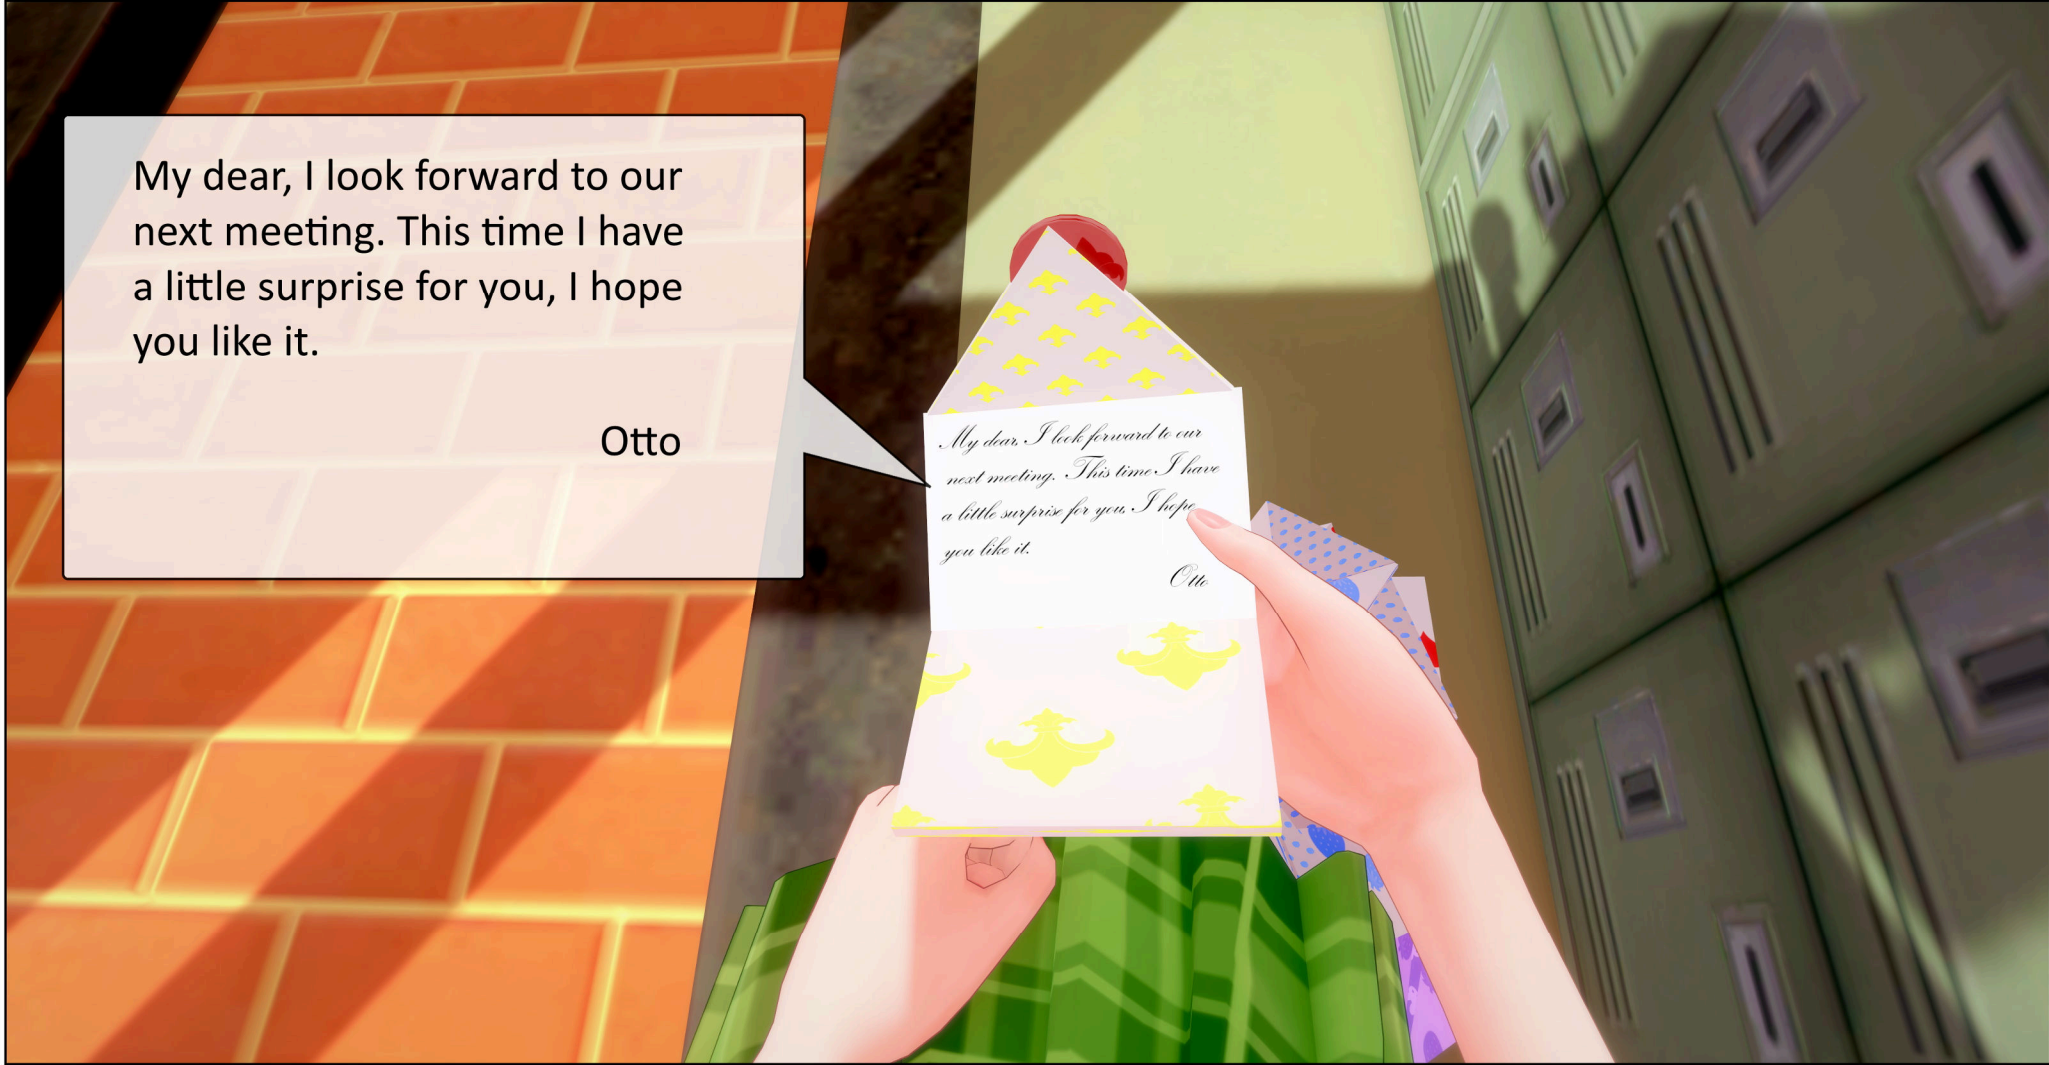

Wait,
isn't that the
name of that boy
back then?

My dear, I look forward to our next meeting. This time I have a little surprise for you, I hope you like it.

Otto

My dear, I look forward to our next meeting. This time I have a little surprise for you. I hope you like it.

Otto

I feel a little sorry for him.

Looks like he's in love with me.

It's a pity that I'll have to end this relationship.

Although we hardly know each other anyway, so it's hard to talk about love here. hehe

Please.

Hehe

Nice to meet you ... Rito

Who was that?

I thought she called me Rito.

Maybe

I don't know, I've never seen her before.

Maybe she confused you with someone, after all, Rito is also a female name.

To be continued...
