All the best, Lala-chan,
Haruna-chan.

On the
occasion of your
engagement, of
course.

What?

On what
occasion?

What? Rito-kun and Lala-chan broke their engagement?

But why?

Something happened between them?

My dream has finally come true.

Finally, I can be together with Haruna-chan.

But why
now, when I'm
not myself.

Is it some kind
of punishment?

It shouldn't
be like that!

One SEC...

Did Rito
just say I'm engaged
to Lala-chan now?

Err I'll have to
fix it somehow ~

Although,
I don't know how
yet.

I can see that Lala-chan hasn't changed after all.

Her boyfriend? Her girlfriend? Rito seems to be quite a nice person too.

But Momo-chan has allowed herself way too much this time.

Nana-chan,
did you come to
Earth too?

Roberta-chan?

Yes, along with
Momo-chan.

But more
importantly why didn't
you say you were here
too.

I am sure one-san
will be happy to
see you.

Don't tell her I'm here.

Let's say I want to surprise her.

Great, and by the way, I have a gift for you and Momo-chan.

What? why?

I see.

Gift?

A moment later...

And how do you like it?

I can not say

I promised her that I would not tell and I would keep my word.

Yes, but who is this gift from?

Whatever, thanks.

I'm usually cautious about accepting gifts.

But I don't believe a Gift from Nana-chan could hurt me.

I'm more afraid of onee-san's friend.

From what Yuki-chan said, she has already arrived.

But I still haven't seen her.

Is she waiting
for something?

I don't know, I
just know that now
I have to really
be careful.

At least
I will get rid of
one problem

But for what?

At least that
pervert Saruyama
will be a guy again in
a few days.

At the next break, on
the roof of the school ...

Strange, Saruyama
said he wanted to tell us
something important.

What, he got
bored of being a
girl already?

Would be
great.

By the way, I think
my bra is suddenly
looser.

Maybe it
broke ~

No, I'm
just wondering
something.

Is your bra
suddenly tighter
too?

Because mine
must have coincided
in the wash.

A 3D-rendered scene featuring two anime-style girls with pink hair and purple eyes, wearing yellow and green school uniforms. They are standing on a green field with a chain-link fence in the background. The girl on the left has her arms crossed and a thoughtful expression, while the girl on the right is gesturing with her hands. Three speech bubbles are present: one from the girl on the left, one from the girl on the right, and a thought bubble for the girl on the left.

Maybe ~

Weird when my bra gets looser, her bra gets tighter. What's this all about?

I'll take a closer look at it later.

Maybe drinking milk finally gives some effects?

For
now, more important
is what this pervert has
come up with again.

I do not
know how to
say it .

I thought about it
for a long time, compared
all the pros and cons.

And although it
wasn't easy, I finally
made up my mind ...

I will be
a girl forever.

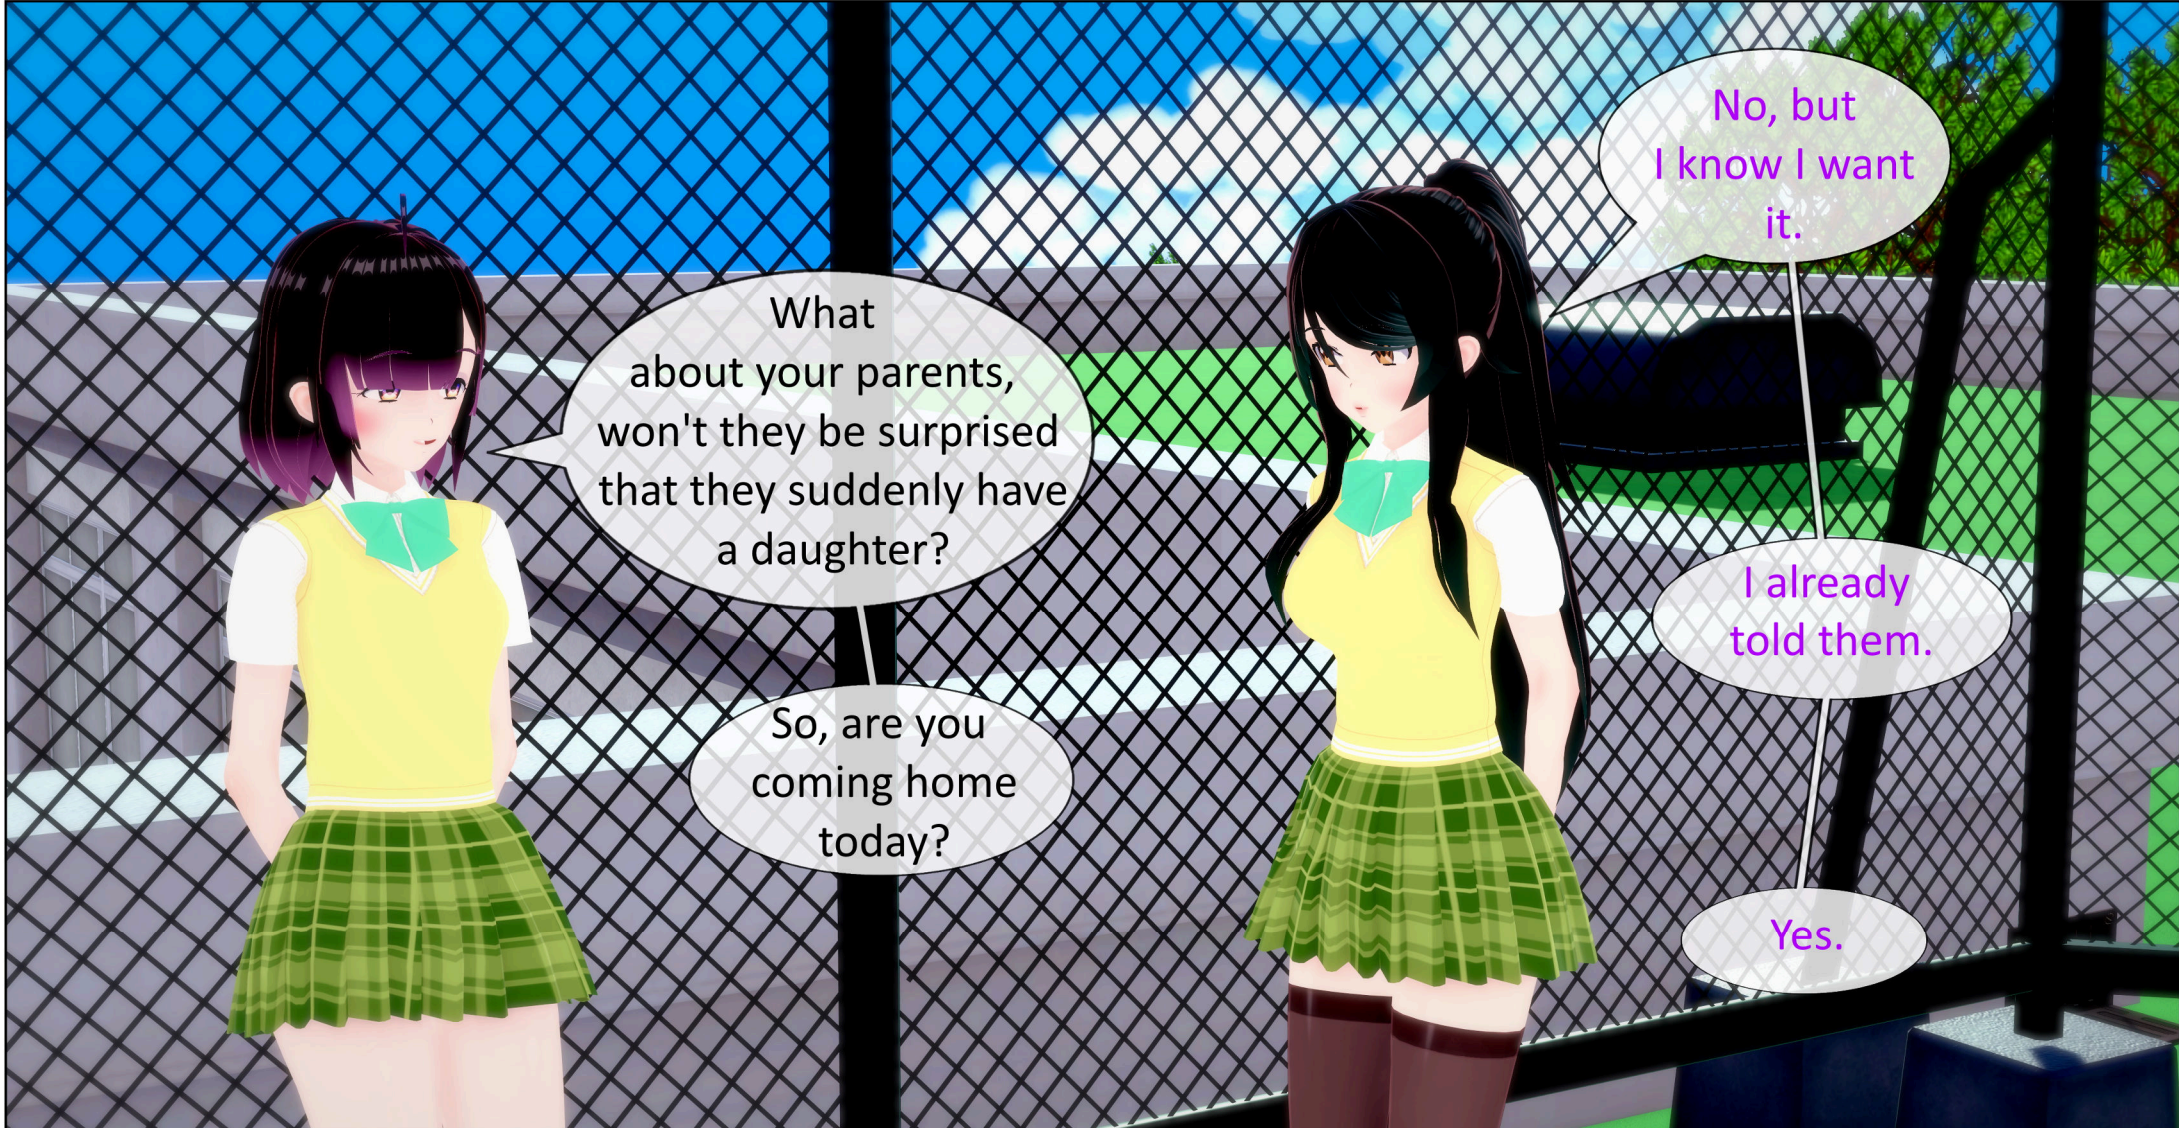

What?

Nice twist.
The biggest pervert in
school disappears.

Saruyama too.

Are you
sure?

What about your parents, won't they be surprised that they suddenly have a daughter?

So, are you coming home today?

No, but I know I want it.

I already told them.

Yes.

I hope you will continue to work for me anyway.

Sure, I even liked you.

Sure, say what you want.

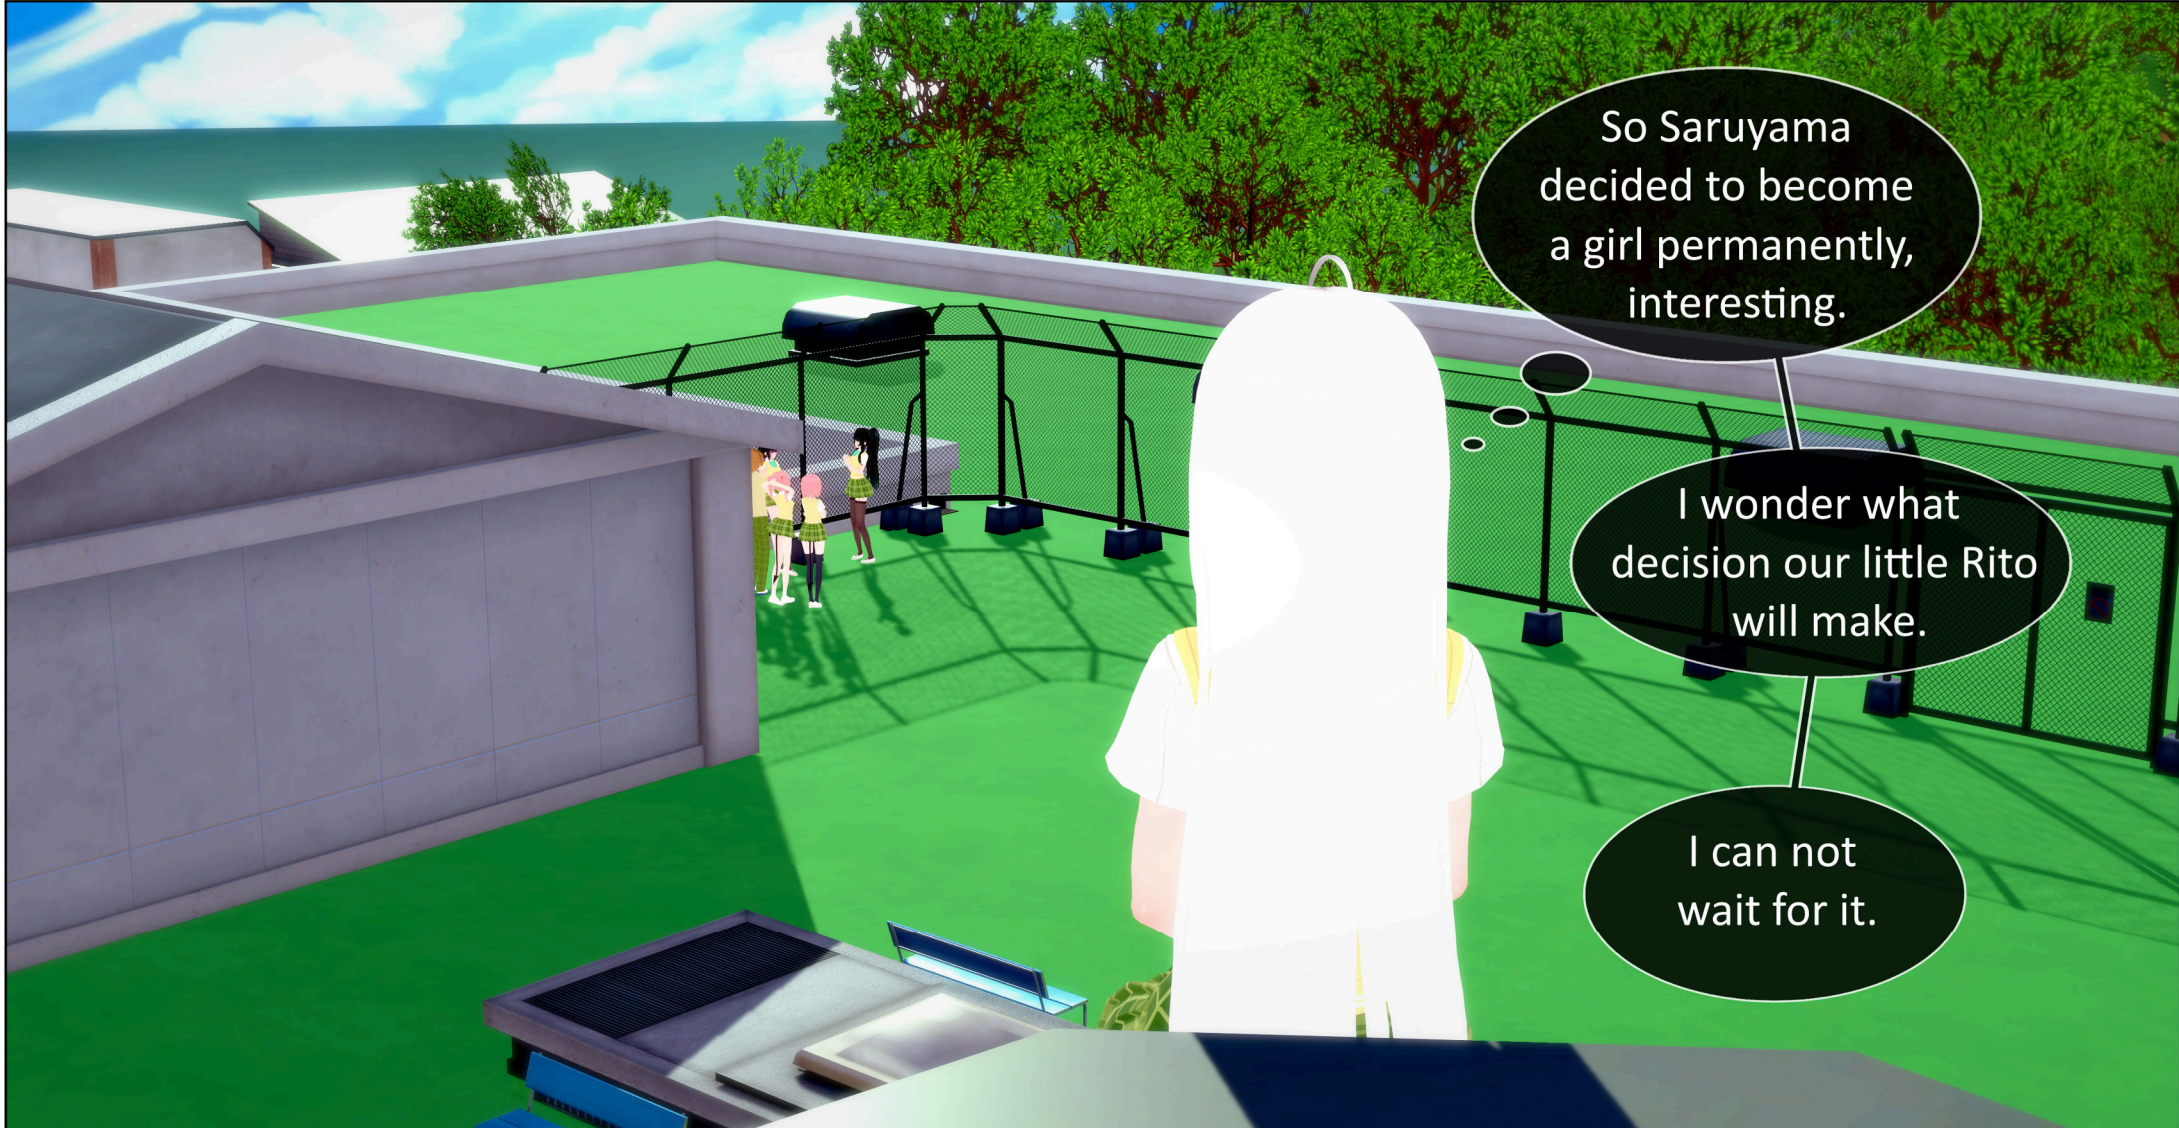

Ok, but it's nothing perverted?

I can?

By the way, can I ask for something?

Er ... I'll tell you later when we're alone.

No, not this time.

So Saruyama decided to become a girl permanently, interesting.

I wonder what decision our little Rito will make.

I can not wait for it.

Especially since it's more complicated for you.

Right, Rito-chan.

Some time later...

What have I done?

To make matters worse, Lala-chan is now engaged to me.

Because of me, Lala-chan and Rito are no longer a couple.

Could it be worse?

I stole my
classmate's girlfriend
and ended up in a
lesbian relationship
myself.

What I should
do now?

Or maybe
I can?

It makes no
sense to lie. It couldn't
be worse.

After all,
I can't be engaged
to a girl.

Imaginations of Sairenji ~

Sorry,
I overslept a
bit. hehe.

Haruna-chan
where have you
been?

I was waiting
for you?

Why, we saw each other yesterday.

Lala-chan~

I was worried about you.

Exactly, and that's why I was starting to worry.

Haruna-chan~

I love you too,
Lala-chan ~

I love you
Haruna-chan ~

Hooo~

What was that?

Will it be like that now.

Me and Lala-chan will be kissing.

But wait a minute, couples don't just kiss ~

After all, when people are in a relationship, they also just spend a good time together, right?

They go to parties, sometimes to some shows or to restaurants.

They watch movies together.

They just spend a lot of time together.

Sairenji's imagination ~

Gladly, especially since I also have a safe day today.

Lala-chan, I love it when you say that ~

Say Haruna-chan. I have a safe day today, so maybe ... We ...

It's probably destiny. hehe.

I love you too Haruna-chan.

No
no
no!

A 3D-rendered anime-style illustration of two girls in school uniforms walking down a hallway. The girl on the left has short purple hair and is wearing a yellow vest over a white shirt with a teal bow. The girl on the right has short brown hair and is wearing a yellow vest over a white shirt with a teal bow and a green plaid skirt. They are both looking towards the camera. In the background, there are large windows on the left and a hallway leading away. Two other girls in similar uniforms are walking away in the distance. There are five speech bubbles containing text.

To whom?

Nothing, I just thought I saw a mouse.

No, I just thought.

What happened?

To you that you screamed so.

We have mouse in school.

That's good. Because I'm scared of them myself, and by the way, have you seen Momo-chan somewhere?

Meanwhile, in the
women's toilet ...

No no no.

I do not agree
to something like
that.

It just
can't be.

It must be a
nightmare.

First
Haruna-chan and Rito's
engagement and now
this.

What's
happening?

There is still the
question of this
engagement.

Why did my
breasts suddenly
get smaller?

Maybe Mikado-sensei
will know how to fix it?

Overall, it's not a problem to break off an engagement.

Which in practice means that Haruna-chan has exactly 24 hours from the time of their engagement to break them.

But this is where the problem begins.

By Deviluke's law, it's like a return to a store here.

And to do that, she has to grab Rito's breasts again, which isn't too complicated.

How am I gonna get her to do this.

It would just be too easy.

I'm not gonna tell her, "Hi Haruna-chan, could you please grab Lala-chan's breasts, thank you."

Momo-chan, it's great that I finally found you.

You have to help me break off this engagement.

You have to tell me how to break off this engagement.

What's wrong, Haruna-chan?

What?

Maybe I can fix it all faster than i thought.

Well ... There's one way to break off an engagement.

But be warned you may not like it.

Okay ...
Umm ... How do I tell you this?

To break off your engagement, you must ...

I'll do everything!

After a short explanation ...

No, no, I'll never do that in my life.

But no that, I'm not gonna grab Lala-chan's breasts!

Haruna-chan, but you said you would do anything?

It won't be as easy as I thought ~

At the next break ...

But what exactly do you mean?

I still can't believe what happened today.

What Saruyama said that he was going to become a girl permanently.

Can you imagine it? My best friend suddenly became a girl.

Apparently he liked
being a girl.

And what do
you think about
being a girl?

Just as I thought.
Rito also wants to be
permanent a girl.

Apparently.

Well ... It's fun,
at first I was a bit
scared but now it's
really fun.

Sure, we'll come back to that later.

But we better not talk about it now.

Yes, after all, the most important thing now is to find Haruna-chan.

So the rumors
are true.

Lala-chan and
Rito really switched
places

By the way, do
you have any plans
for Saturday?

Because I
wanted to go to the
cinema with Mikan-chan
and I even bought
tickets but she said she
already has plans for
the weekend.

So maybe
you want to come
with me?

No, why do
you ask?

Willingly.

Which means I'm not really engaged to Lala-chan, but to Rito.

So we finally became a couple ~

Rito tried to propose to me once before, but just then Lala-chan appeared between us.

And now we've finally become a couple.

Maybe I should
leave things as
they are?

Even though
he looks like a girl
now, it's still him.

And I'll tell
him tomorrow.

It's strange that
I'm engaged to a girl
now, but it's still Rito.

And if she wants
to be a girl from now
on, I'll accept it.

In the evening in
Haruna-chan's room ...

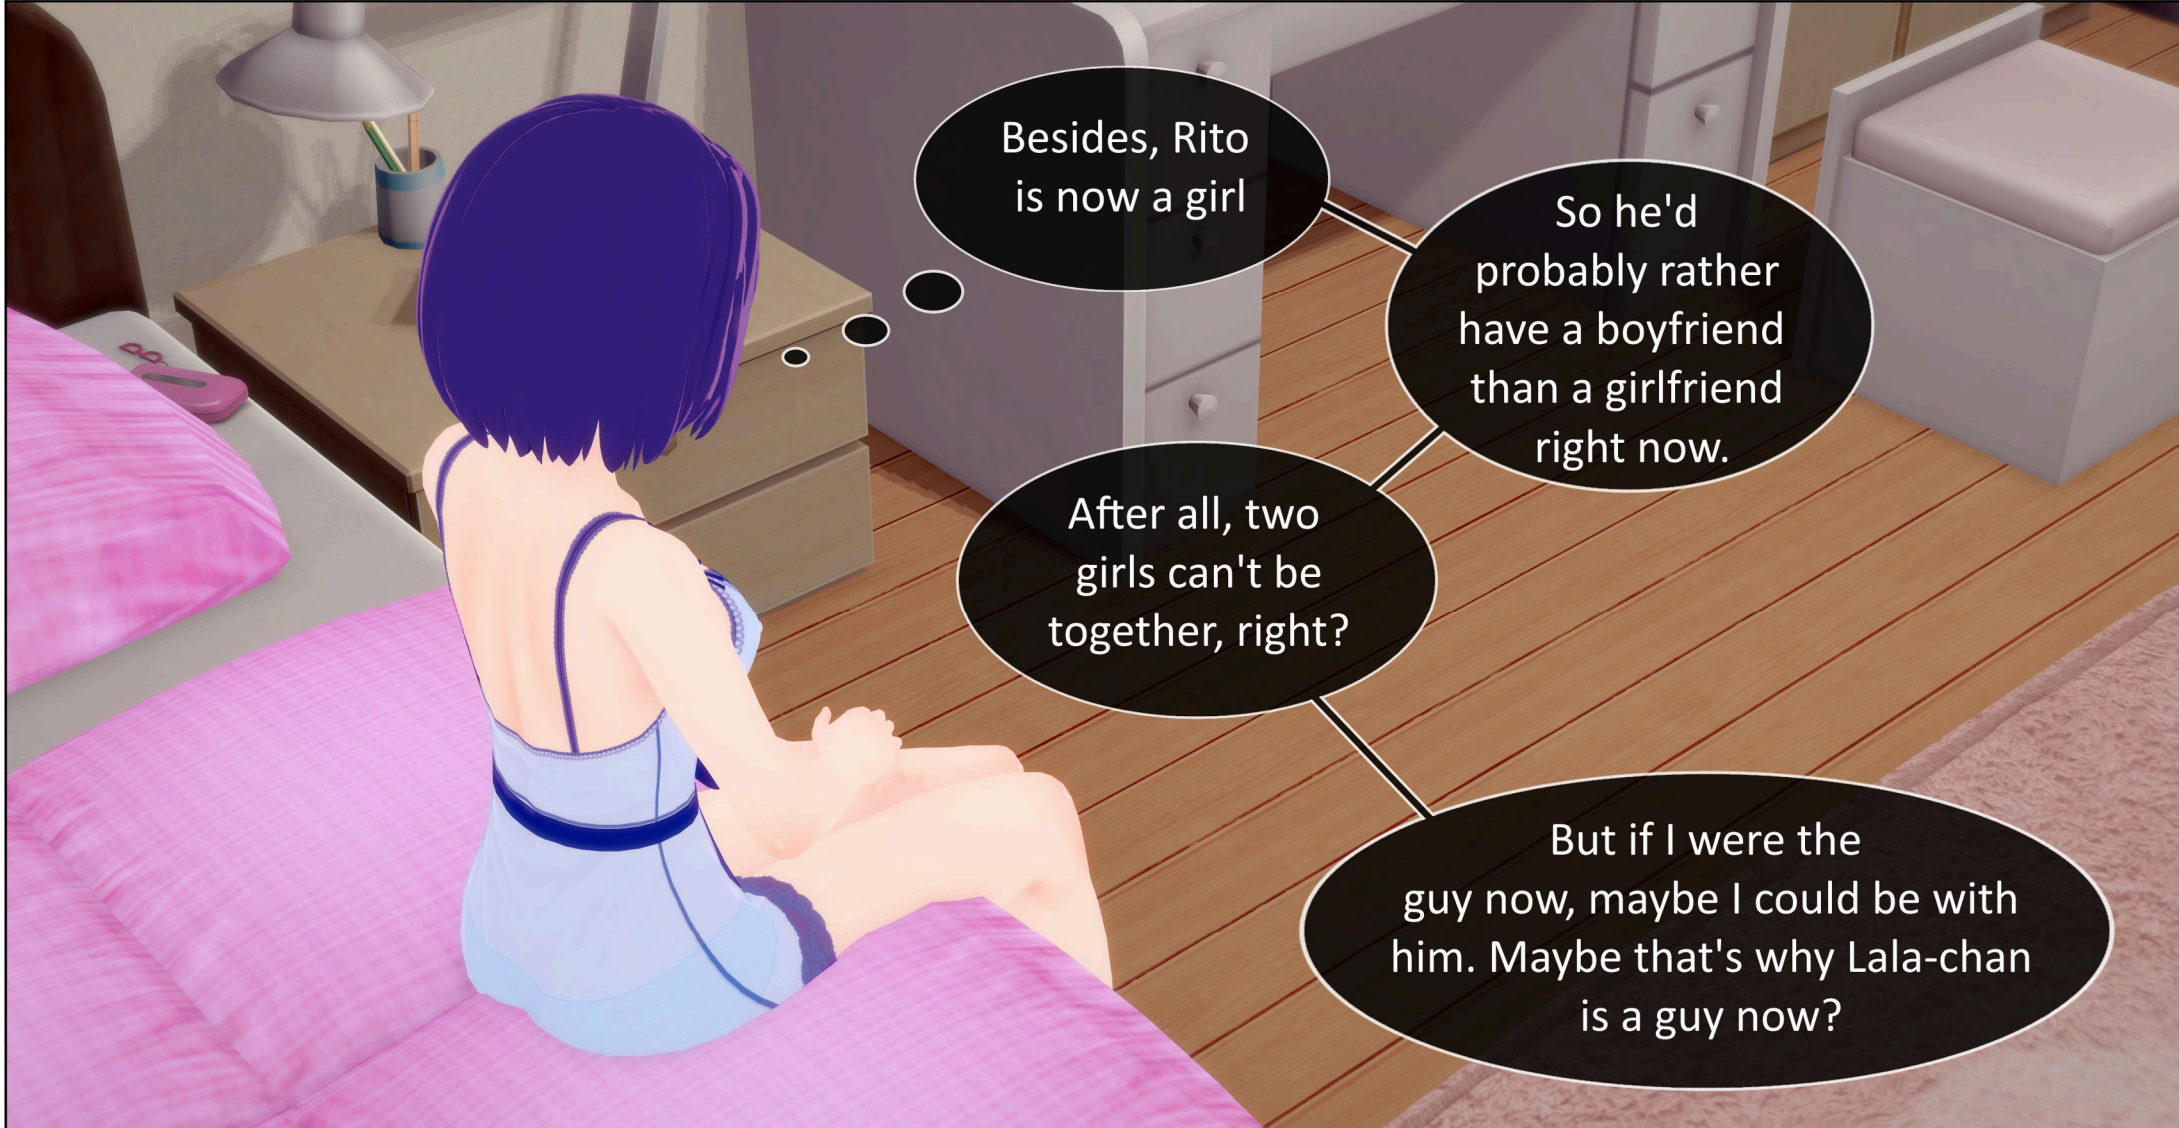

Because now, when
I think about it, it looks
like I'm forcing him to be
engaged to me.

And then
I avoid him so he
can't fix it.

Maybe I shouldn't
have avoided Rito all
day today?

After all,
I ran into him.

Besides, Rito is now a girl

So he'd probably rather have a boyfriend than a girlfriend right now.

After all, two girls can't be together, right?

But if I were the guy now, maybe I could be with him. Maybe that's why Lala-chan is a guy now?

What am I
thinking about?

I guess it's
better to go to
sleep now.

And tomorrow
morning, I'll go to
Rito's to fix it.

Late at night...

Rito.

In any case, maybe there will be someone inside who will tell me how to get out of here.

I don't like this place.

I want to get out of here as soon as possible.

Sorry to bother ,
but is there someone
who can help me?

Because
I got lost and I don't
know how to get
out of here.

Maybe it
was a bad idea to
come in here?

I feel like in one
of those horror
movies right now.

Haruna-chan?

Lala-chan?

What are you
doing here?

A moment later...

So you don't know what this place is either?

Have you met someone yet?

Maybe we should look for someone who knows what this place is?

Unfortunately no, it looks a lot like our school but I doubt it was her.

Only you so far.

Why not, it's definitely a better idea than doing nothing.

Of course.

Even though she looks like Lala-chan now, she is still herself.

Nothing. hehe.

So let's go, together we will surely find someone who will tell us what this place is.

What made you laugh so much?

Er ... All right ... so let's go ~

Maybe we'll go to Mikado-sensei first, she's always at her office.

It all almost looks like we're on a date.

It's just a pity we're both girls now.

So where are we going?

Great idea.

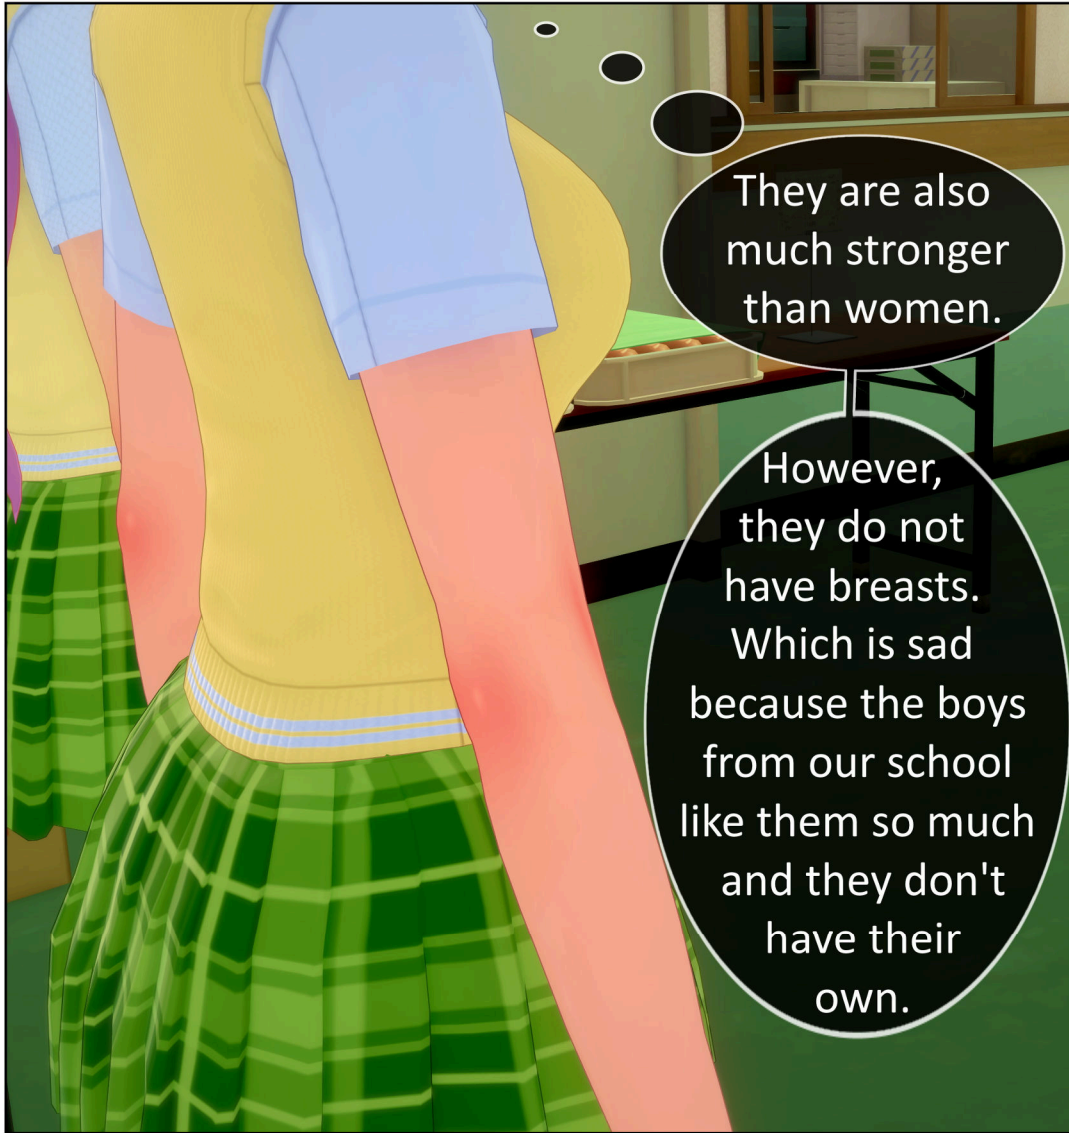

The image shows two anime-style female characters standing in a school hallway. They are both wearing yellow sleeveless sweaters over white collared shirts with green bows, and green plaid skirts. The girl on the left has short purple hair with red hair ties. The girl on the right has long pink hair with a white circular hair ornament and a small pink curl on top. They are standing in front of a row of grey lockers. The hallway has green walls and windows in the background.

But if Rito is now a girl, shouldn't I be the guy for balance?

I am even a little curious how it all looks from the male perspective.

After all, there are a lot of differences between men and women.

Their uniforms are also very different from ours.

They are very simple, they look a bit like a suit.

But Rito looks really cool in it.

I wonder
if I will ever see
him in it again.

Strange...

Lala-chan
have you always been
shorter than me?

Ummm ...
Yes ~

Well ..
I'm a girl.

But you are
the boy, Haru-kun.

So it's
not unusual for you
to be taller than me,
right?

Ymm .. yes ...

Wait
what? But I am
not a boy.

Hehe. What
are you talking about,
Haru-kun? You've always
been one.

What,
but I'm ...

What
is this?

This
is why
my voice
sounds so
strange.

Did
something happen,
Haru-kun?

Er ... are
you okay?

Yes

Yes let's go.

For Lala-chan,
everything seems to be as
usual. So I too will pretend
nothing is happening.

Until I know
what all of this is
supposed to mean.

Are you
sure?

Okay ~

A moment later...

Looks like no one is here.

Can you come here Haru-kun?

担架格納庫

Of course.

Lala-chan, what are you doing ?!

What?! But we can't because I, you ...

Isn't that obvious. There is always someone to bother us when we want to do it.

So, since we know that we are alone, we shouldn't take this opportunity?

Don't worry, today is my safe day, so for sure nothing will happen.

I love you
Haru-kun.

I love you too,
Lala-chan.

I don't know
what's going on here, but
I love Rito no matter what
he looks like.

And as long as
we can be together,
nothing else interests
me.

So that's what it feels like to kiss a girl.

This is something completely different from what I imagined.

Her soft lips, smooth skin and that perfume smell.

This is something amazing.

It all makes me feel strange.
