A moment later...

hehe.
I think so.

Hehe. I can see that
someone here is looking
forward to it.

Incredibly,
I'm gonna do
it as a guy and with
Lala-chan as well.

Wait,
Lala-chan and Rito had
swapped places.

That
means it's like
I did it with ...

Rito...

Only now
I'm the guy and
he's the girl.

Hmm ...
Did something
happen?

Nothing ... I ... just
what I was thinking
about something.

I don't know why, but when
I realized that it's really Rito,
I want it even more.

And I feel a
strange feeling
right now.

As if the fact that I was
going to do it right away
with a girl turned me
on even more.

Why it attracts me so much after all I am a girl

Eh, whatever, I'll think about it later.

Haru-kun darling.

Come to me. Don't make me wait any longer.

Besides, is it really wrong to love another girl?

Maybe there's nothing wrong with that ~?

I don't know ~

But I know
one thing.

I love Rito no
matter what. no matter if
I'm a girl or him. I love him
for being him.

And I
hope he feels the
same for me.

Haru-kun
I love you.

I want you
in me~

I want to
be in you too,
Lala-chan.

I never thought
doing it as a guy with
a girl is so good.

Sorry ~

It looks like
he has softened
a little.

Maybe next time
it will work?

Are you able to do this?

AH

AH

Don't worry, he'll be tough again in a moment.

Hehe, of course I can, don't forget that until recently I was a guy myself.

Nurrghhhhhhhh...

Oooooooooohh

I think it's working, I can feel he's tough again.

I think I'll be right there.

I also feel like I'm starting to get wet. hehe.

I can?

So let's do it together.

Cum in me.

Of course you can ~

We only
need to first ...

Awesome. I feel I'm in she.

Warmth and moisture enveloping my penis.

Is it really like this from a male perspective?

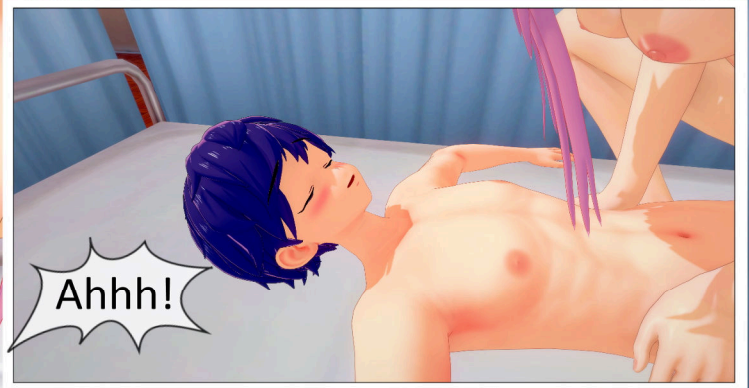

Ha!

Ngh!

Ngh!
Hooo...

YGH

HNG!

AH!

AH!

AH

I don't think I can take it anymore.

NGH!

NGH!

In Sairenji's room ...

What? How?

Where
am I?

Wait a
minute was it
just a dream?

He seemed
so real.

Apart from that, I could feel everything.

As if it were all real ~

Maybe I should go to Mikado-sensei with that and ask what this strange dream means?

No way!

I won't tell
Mikado-sensei
that I had such a
perverted dream.

I have to fix
this somehow,
this can't
really happen.

I have no
choice but to do
what Momo-chan
said.

That same morning at Rito's ...

It's morning already? Really?

And I had such a beautiful dream.

I dreamed that Rito became a girl. What a beautiful dream. *sigh*

But there is something good in all of this.

ZZZZ...

This dream is still going on.

Ohayo!
Onee-san!

Do not be like that.
We are now sisters.
hehe

Ohayo~

I told you not to sneak into my bed at night.

Ohayo - the equivalent of Good morning

Of course,
Onee-san.
hehe.

Maybe, but
I'd rather sneak
into your bed.

We only pretend
to be sisters so that
no one notices that
something is wrong.

Shouldn't
you be sneaking into
Lala-chan's bed now, since
we swap places?

It's good that
at least some things
haven't changed.

WHAT!!!?

It's not
Nana-chan,
it's me.

But how is that
possible? Why are my
breasts suddenly
so small?

Wait ... Since
when did I start
to worry about
my breasts?

I guess
Yuki-chan was right
I'm slowly becoming more
girly than the girls
themselves.

Nana-chan?
It's you?

What is that
noise?

What, you guys
still in bed?

You're going
to be late for
school.

Ymmm ...?
Yes?

Why do you ask?

Have you noticed some change in me? hehe

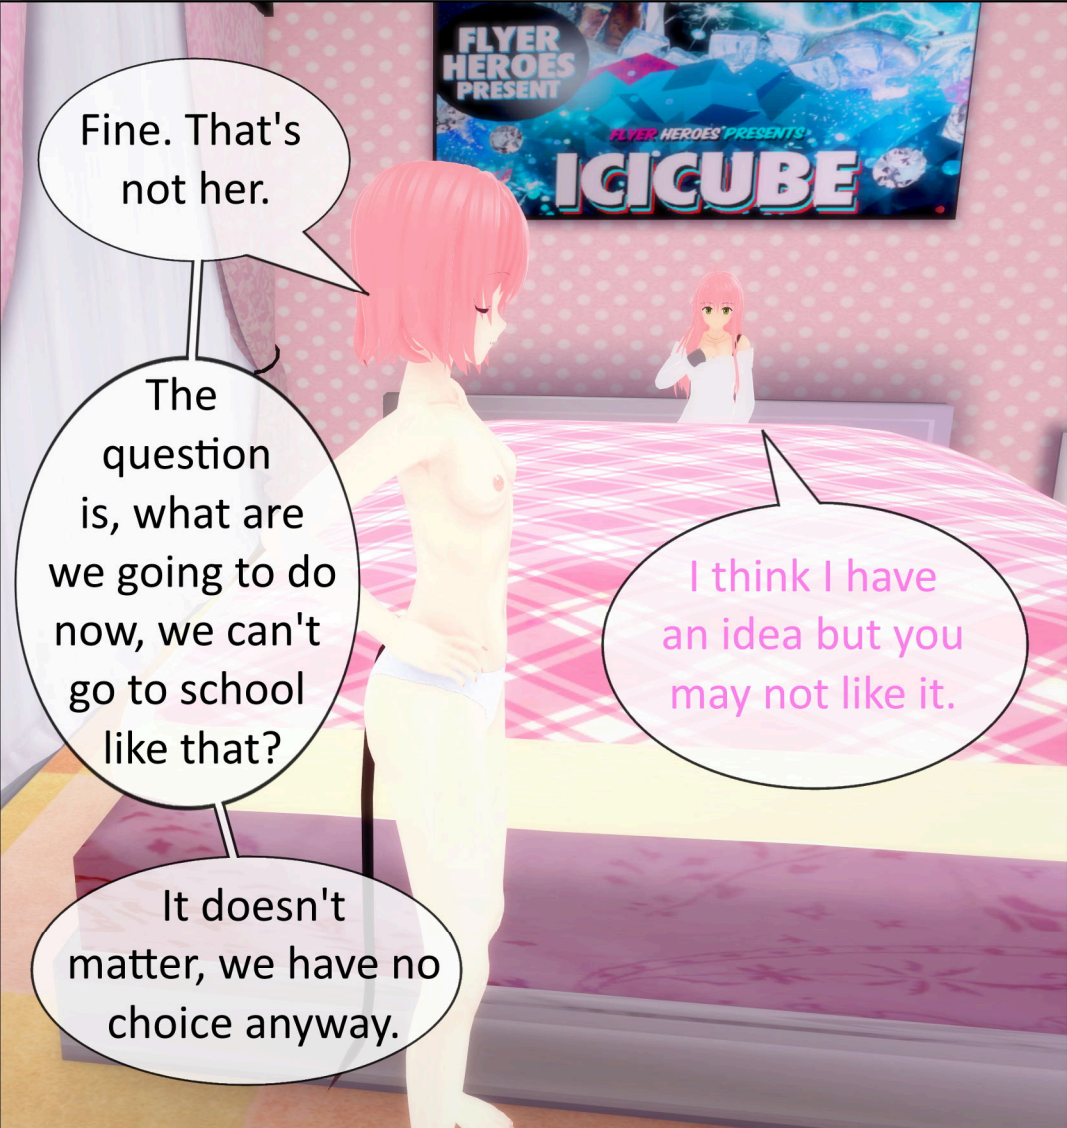

You'd better say what you did otherwise I'll tell everyone what you did when you thought no one could see you.

I didn't do anything when I woke up in the morning it was like that, I swear.

Please don't tell anyone about this.

Fine. That's not her.

The question is, what are we going to do now, we can't go to school like that?

It doesn't matter, we have no choice anyway.

I think I have an idea but you may not like it.

A moment later...

I understand well? I'm supposed to pretend I'm Momo-chan and Momo-chan will pretend to be me?

You were right, I don't like that idea. But we have no other choice.

Yes, at least until we find out what happened.

I was going to switch Onee-san and Rito's places.

Hope Yuki-chan can fix it somehow.

There are also positives to this situation. Onee-san's friend Hates Momo-chan so she shouldn't threaten me right now.

At school, Momo-chan explained everything for Yuki-chan. She hoped for help ...

HA,
HA, HA, HA,
HA, HA,

Incredible,
karma.

Hehe. Very
funny. Better do
something about it
instead of laughing.

I'm sorry, but
there's nothing I
can do about it.

No,
from what I can see
someone has somehow
cursed you.

I can try
but ...

What!

You're
joking right?

Can't you
take this curse
off me?

But what?

I do not guarantee
that I will not make
matters worse.

Not necessarily,
many curses have
something to resolve
them and others wear
off after a while.

You're
useless, what do
I do now?

Pretend I'm
Nana-chan for the
rest of my life?

I see

You really thought you could have fun with someone else's life, Momo-chan?

Now you will see for yourself what it is like.

I'm curious what our little Rito-chan is doing now.

Meanwhile, Rito was looking everywhere for Haruna-chan ...

Where she is?

To break this engagement, of course.

I was supposed to do it yesterday. but I was in complete shock and forget there is a time limit to do this.

Why are we actually looking for Haruna-chan?

I don't understand. You love Haruna-chan and she loves you. So why do you want to break off your engagement.

It's complicated.

I'll explain it to you later, now the most important thing is to find her.

We should split up then maybe we can find her.

Hm. Sure!

Great idea!

By the way,
there is one thing that
surprises me.

Usually your
inventions don't work very
well, but I can see it's
different this time.

You managed to
build something that made
you look like me, and
everything works fine.

I'm proud
of you.

And I'm glad
you did it.

He he

I'll do my best to find her

But going back to our search, I will check the yard and behind the school.

And during this time you will check if Haruna-chan is at school somewhere.

Great because it's really important.

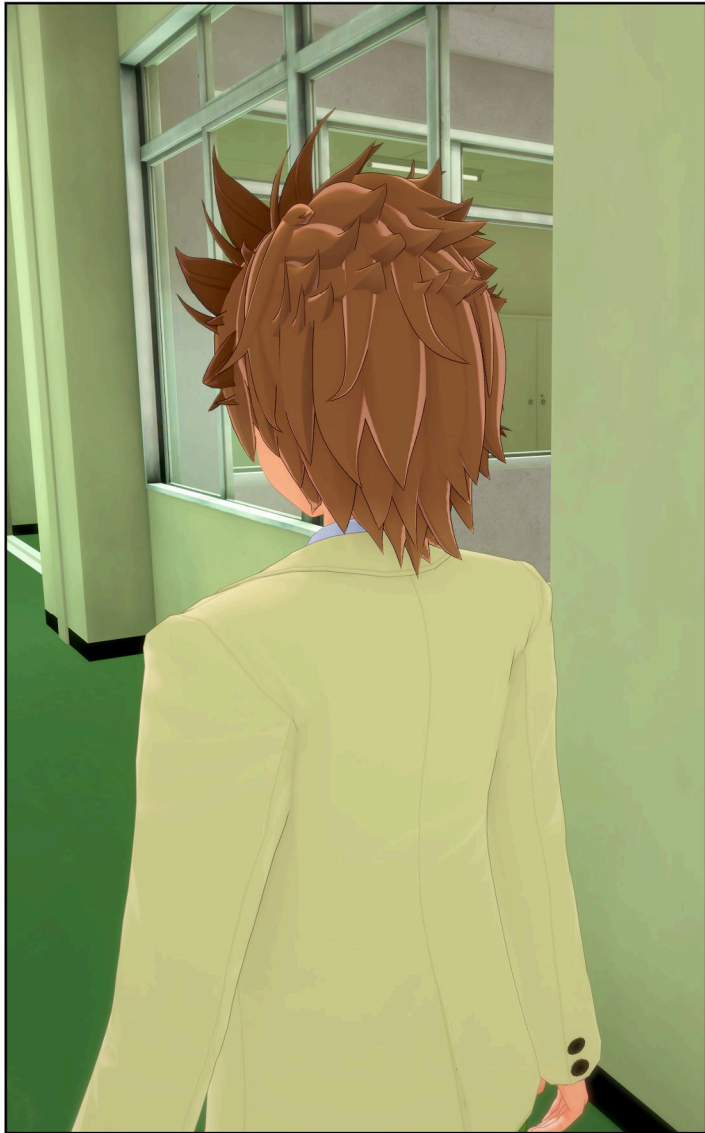

Yes! Rito
praised me!

Actually, I'm a
little surprised myself
that everything works as
it should ...

But who
would care. I'm
glad Rito praised
me.

I wonder
if he will praise me
again when I find
Haruna-chan.

I hope he
does, I would be so
happy then.

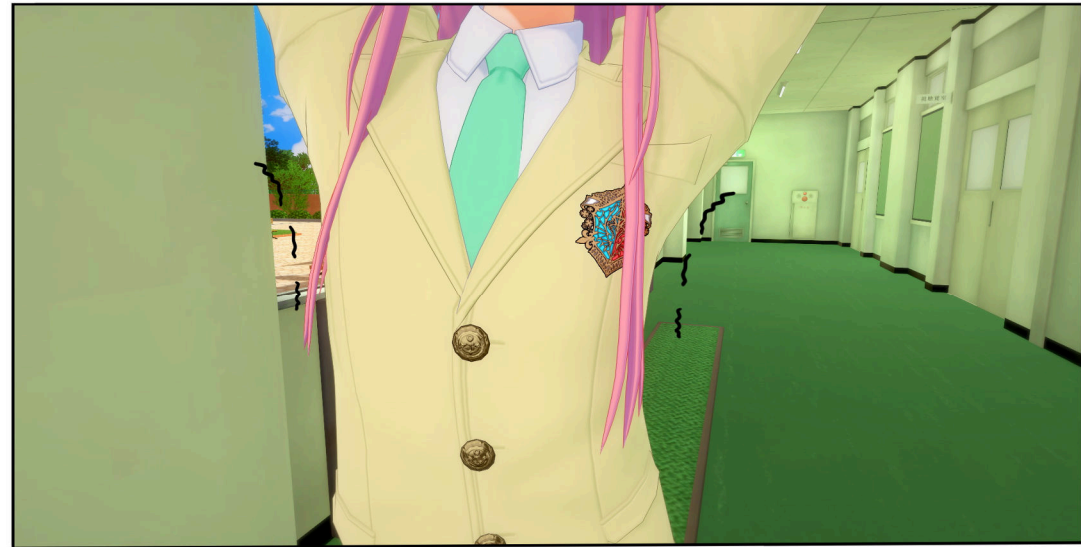

But what
makes me happy is
that Rito is happy
right now.

I just don't
understand why he wants
to break off his engagement
to Haruna-chan.

He loves Haruna-chan and she loves him.

Maybe he doesn't like that she proposes to him because he wanted to do it himself?

Ups.

Hmm ... It's a pity, I even enjoyed being a boy.

Maybe I should tell Rito that my invention stopped working?

Am I myself again?

Apparently, this invention was also not without its drawbacks.

No, there
is no time for
that now.

Rito said the
most important thing
is to find Haruna-chan
now.

I'll tell him
what happened
later.

Meanwhile,
Haruna-chan searched
for Lali-chan and
Rito herself.

The worst part is
that Momo-chan said there
are only 24 hours to break up
an engagement.

It's impossible
that I can find Rito in
such a short time.

Where can
they be, I've already
searched the entire
school?

And I
only have 15
minutes left.

I shouldn't
have avoided
him yesterday.

Wait ...
It's Rito!

But why
is he wearing a
men's uniform?

Never mind, I
don't have time
to think about it
right now.

Lala-chan wait!

Yes, I know, and I'm sorry for avoiding you yesterday.

But now the most important thing is to solve this problem.

Haruna-chan, I was just looking for you.

Yes, we don't have much time left after all.

Momo-chan explained to me what to do.

Oddly, Rito's breasts seem bigger than yesterday.

He?

Oops, looks like Haruna-chan mistook me for Rito.

No, she doesn't know anything. She probably thinks she ran into me yesterday.

They are also so soft and springy.

Just like wetsuit.

So soft and warm ...

Squeeze

Yes.

Yes, why are you asking?

Haruna-chan?

Is everything okay?

Because you've been squeezing my breasts for five minutes, not that it bothers me. but you don't usually do that.

Squeeze

Squeeze

A 3D-rendered scene of a hallway. A character with long, straight purple hair, wearing a light blue jacket and dark blue plaid pants, stands with their back to the camera, looking out a large window. The hallway has light blue walls, a dark blue carpet, and a green exit sign above a door on the left. A set of stairs with red brick steps is visible on the right. Three speech bubbles are overlaid on the scene.

I have to go!

Hmmm?
I said something
wrong?

Maybe I better
look for Rito now, I
need to tell him what
happened.

A moment later...

Where can she be?

Never mind. I was late.

Time has passed, now our engagements cannot be broken.

Theoretically,
if I were a man again,
our engagement would
be broken.

But I can't be myself
again because Lala-chan
is me now.

We could also switch places
again, but that is also impossible
because Lala-chan doesn't know how
to be herself again, so she got
stuck as Rito.

For this
reason, I am stuck
as Lala-chan.

It's not that I liked being a girl and I can't imagine being a guy again ...

I'm just stuck as a girl for now. hehe

Unless Lala-chan comes up with something to be a girl again. But there is little chance of that.

He?

Hi

Eeee...

I think we have a little problem.

Moments later at
Mikado-sensei's ...

Mikado-sensei.

We have a
problem.

He?

I see.

Actually,
which of you two is
Lala-chan?

That it's me.

Isn't it obvious ...

There is actually a difference between them.

Nothing happened. It's even ridiculous.

Yes, now I know what it's like to have a twin sister.

Sorry, reflex.

Really.

Lala-chan
doesn't wear
earrings.

Yes,
we are now just
like these two maid
twin girls fighting evil
with a magic egg.

Si .. si .. si ...
sisters and twins
at that ?!

I think you
mixed up something,
I don't remember an
anime like that.

Peke,
Nisu, two maid
outfits, please.

I understood

I understood

What?!

I tweaked
Nisu a bit by
the way, he is
now very similar
to Peke. hehe

What did
you do?

Let's get started!

Don't be like that, it will be fun!

No, no, no, wait, I don't want!

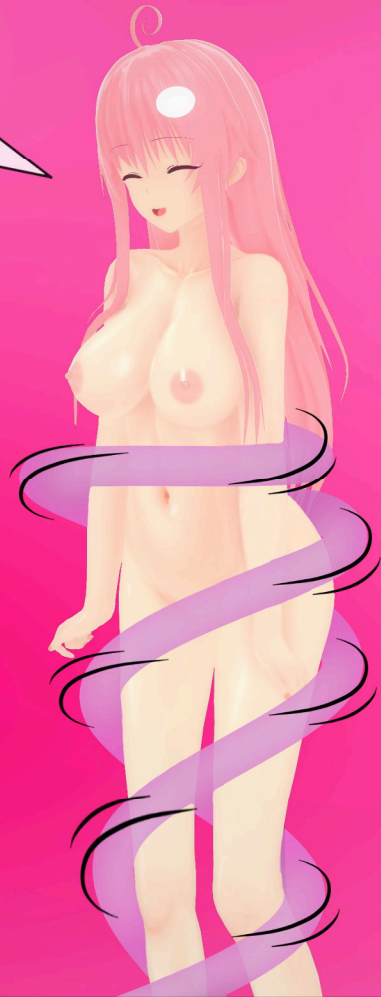

Just not that again.

Hola

It should be censored.

Hehe.
It tickles.

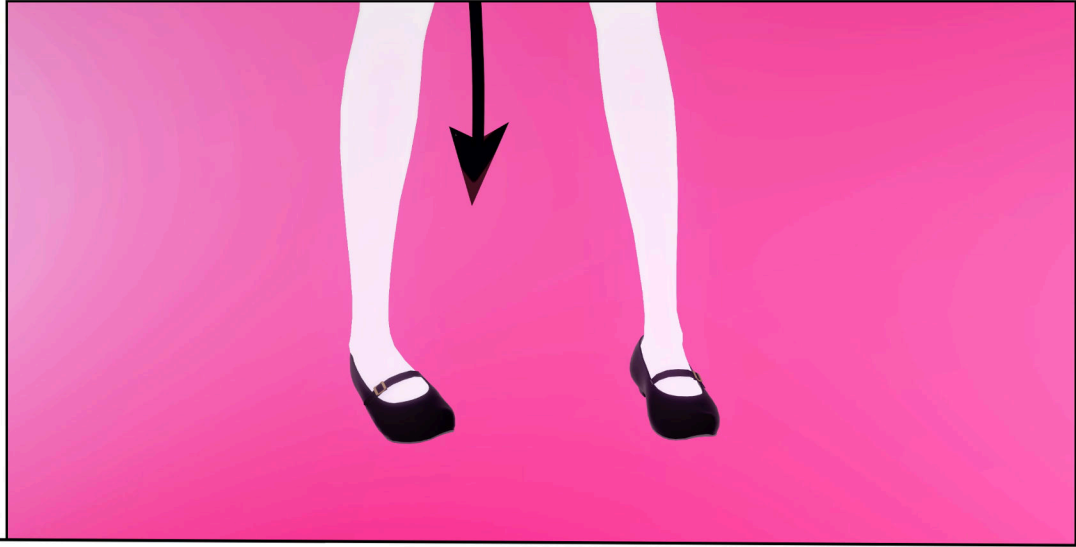

Hey! Where
you touch me

And leave me
alone at last.

Why
tentacles?

Ready. Now we just need a magic egg.

I do not know yet.

What egg and with whom are we supposed to fight?
