A moment later...

It's a pity,
I really enjoyed
having a twin
sister ...

By the way,
wouldn't it be
easier for you to cut
your hair and pretend
to be Mi-chan
again?

Maybe.
But I don't
want to cut
my hair.

Done, you
don't look like a copy of
Lala-chan anymore.

But because of this,
you cannot pretend to
be Mi-chan again.

A moment later...

What is this?

So you
got me a fake
ID card.

You worked for me as a girl so often that I was afraid someone would start asking me who you really were.

Yes, I had it only in case someone asked who you are, but now I think it will be more useful to you.

Yes, thank you
Mikado-sensei.

Now
you can go to
school and you don't
have to pretend
to be anyone
anymore.

Isn't that
great?

You're
welcome.

She really said something like that, I don't remember.

I think you got it wrong.

Right, Yuki-chan said she could fix it.

Yes, only I looked like you then.

But I am wondering about one thing. Wouldn't it be easier if you were yourself again?

ここで手を洗い

Err .. I just remembered something.

What?!

One SEC.
Wait for me!

Hehe.

Rito,
avoiding
the topic
won't do you
any good.

And he
ran away.

Apparently,
he needs a little
more time to think
about it.

At least
Momo-chan had left
him alone.

And the
rest depends only
on him.

Later in Rito's room?

What is this?

You were gone so long that Lala-chan decided to do a little renovation here.

Eee...

I'm sorry if you want, I can fix it. .

There's no need.

Yes, I am already used to this color.

Okay.

Are you sure?

Okay. In that case, I also go to my room as if you were looking for me.

One SEC. If you're still a girl but not pretending to be Lala-chan, does that mean I have an older sister now?

No, it's not a problem, Onee-san. Hehe.

Ymmm ...
Yes, I guess so.

Is that a problem?

Eeee...

In the evening...

There is nothing better than a warm bath to wash off the sweat of the day.

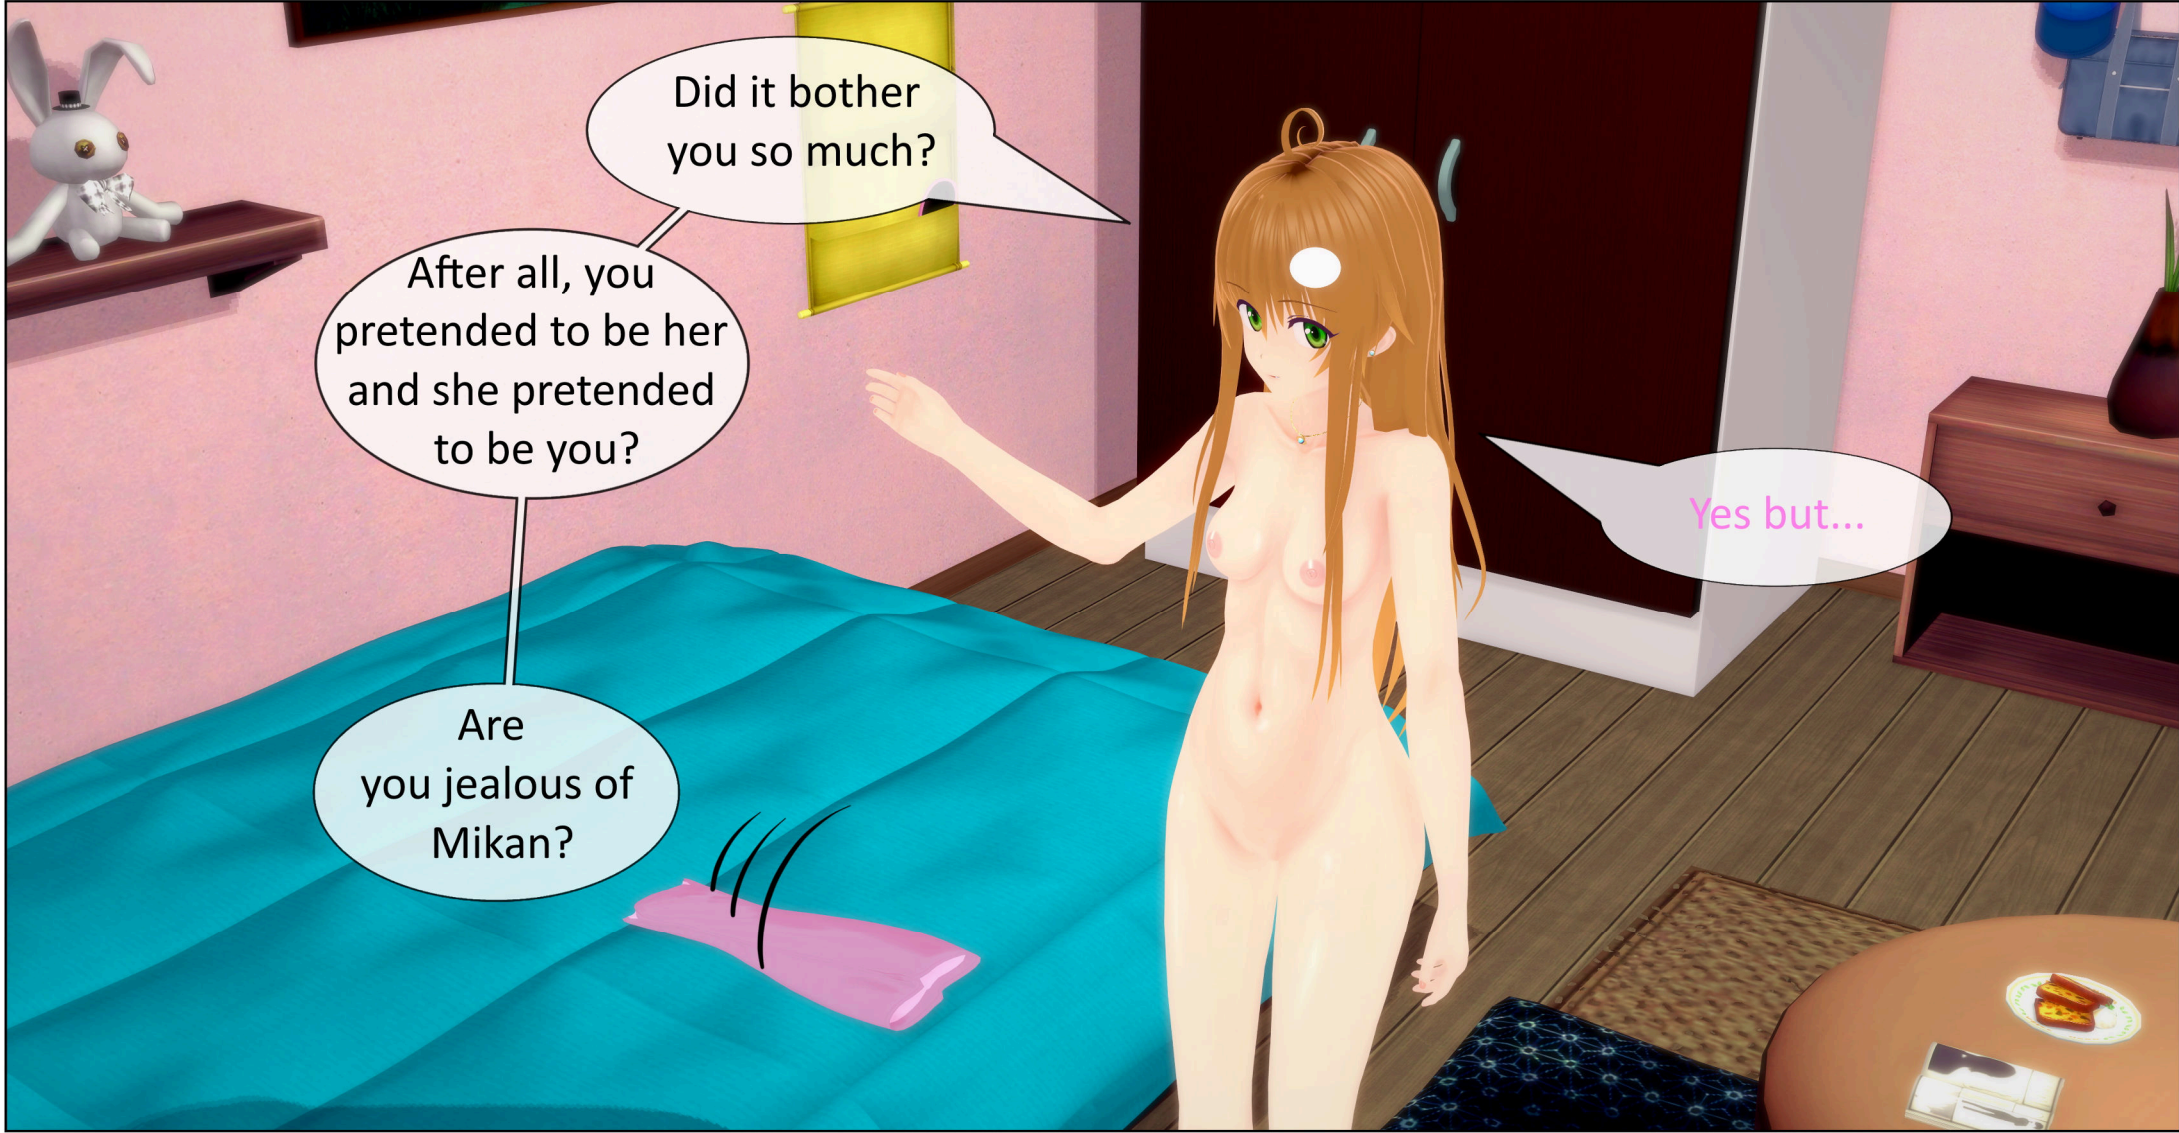

But at least I don't have to pretend to be Lala-chan anymore.

Ah!

I'm just surprised why Mikan was acting so strange today.

And Lala-chan doesn't have to pretend to be me anymore.

After all, you pretended to be her and she pretended to be you?

Did it bother you so much?

Are you jealous of Mikan?

Yes but...

I do not know
I think so.

After all,
that's what she
always called me
Onii-chan.

No problem.

I think so.

Well ... Now
she will call you
Onee-san.

I guess you were
just afraid someone
would take she from
you, right?

I ... I ..
Maybe I'll come
back later?

Er ... Are you
sure, I can come
back later.

Mikan-chan
something
happened?

Comes in,
don't worry,
we're both
girls now.

Yes, go
ahead, what
happened?

What?

Er ... Okay,
I promise.

But you
will not be
laughing.

Promise
you won't be
laughing.

Great.
You see, I wanted
to ask if I could sleep
with you today.

What!?

No, you can sleep with me tonight, I ... I'm just surprised you suddenly want to sleep with me.

After all, we haven't slept together since we were kids. So why do you suddenly want to sleep with me today?

Then no?

I just feel like it, is it enough?

In the meantime,
behind the door ...

Hehe. Looks like
Mikan-chan will be sleeping
with Rito tonight.

It's a pity
because I already had
beautiful plans for
the night.

Maybe another
time. And today why
not sleep with onee-san
for a change?

In the night...

Sure.

I do not
know.

What is that question?
Why should I become a
girl permanently?

Onee-san,
can I ask you
something?

How long
will you be a girl?

But tell me,
haven't you thought
about becoming a girl
permanently?

You know?

It's not so simple.

Don't lie, I know what you did at school today.

Yes, Lala-chan told me.

Rito, if you don't want to be a guy again, just say it.

Why? After all, Kurumi-chan did that.

Do you really think I can do that too?

And you?

What would you do in my shoes, become a girl permanent or be a man again?

And you'd rather have an older brother or an older sister.

Of course. but the choice is yours.

What I?

It's your decision, I can't tell you.

Hehe. I will not say.

Now good night.

I think Mikan-chan would prefer to have an older sister after all.

Next morning...

And eventually everything returned to normal.

It's a pity because I liked being a girl.

But I guess I should be a guy after all. Especially since being a girl complicates my life too much.

Are you okay, Rito?

Yes it's alright why are you asking?

Yes, I just can't get used to being the guy again, that's all.

No need, I'm really glad to be a guy again.

Because you're acting so strangely, are you sure you wanna be a man again?

Are you sure? If you want, you can be a girl again

He?

I don't want Lala-chan to worry about me.

Maybe I really need to get used to being a guy again?

Although I will miss wearing a skirt.

Not! It's over, now I'm a guy again.

So today
at 4pm.

Thanks,
I'm looking forward
to it.

Me too. This will
be my first trip to the
city with my friends.

I can see that unlike me, Saruyama really wants to be a girl from now on.

Hi girls, what are you talking about.

Kurumi-chan asked me for some dressing advice. So I offered her to go out on the town.

Haruna-chan also said that she would love to go shopping with us.

Maybe you will join too?

I see.

Actually, I couldn't go with you anyway. I forgot that I work after school.

For a moment I forgot that I am no longer a girl.

At least I still have a nice job.

A moment later...

How am
i fired?!

I'm sorry
Rito, I really
like you.

And I wish you
would work for me, but
my parents will never
let that happen.

After all,
they only let
me hire girls.

Sorry,
Rito.

Come
to me after school
and I'll pay you what
you've earned.

Er ... I'll try to
talk to my parents to
hire you, but I promise
nothing.

Sure thanks.

So this is the
last time?

Sorry, Yuki-chan, but I've already made up my mind.

I think so.

Or maybe you will rethink it and become a girl permanently?

I understand, good luck then. After all, you got what you wanted.

Yuki-chan
wait.

Sorry I have
to go!

Maybe it
wasn't the best
decision to be a
guy again?

Who am I trying to cheat?

It was the worst decision I could have made.

Not only that I don't want to be a guy again, I also made Yuki-chan cry.

If it were possible, I would like to be a girl again.

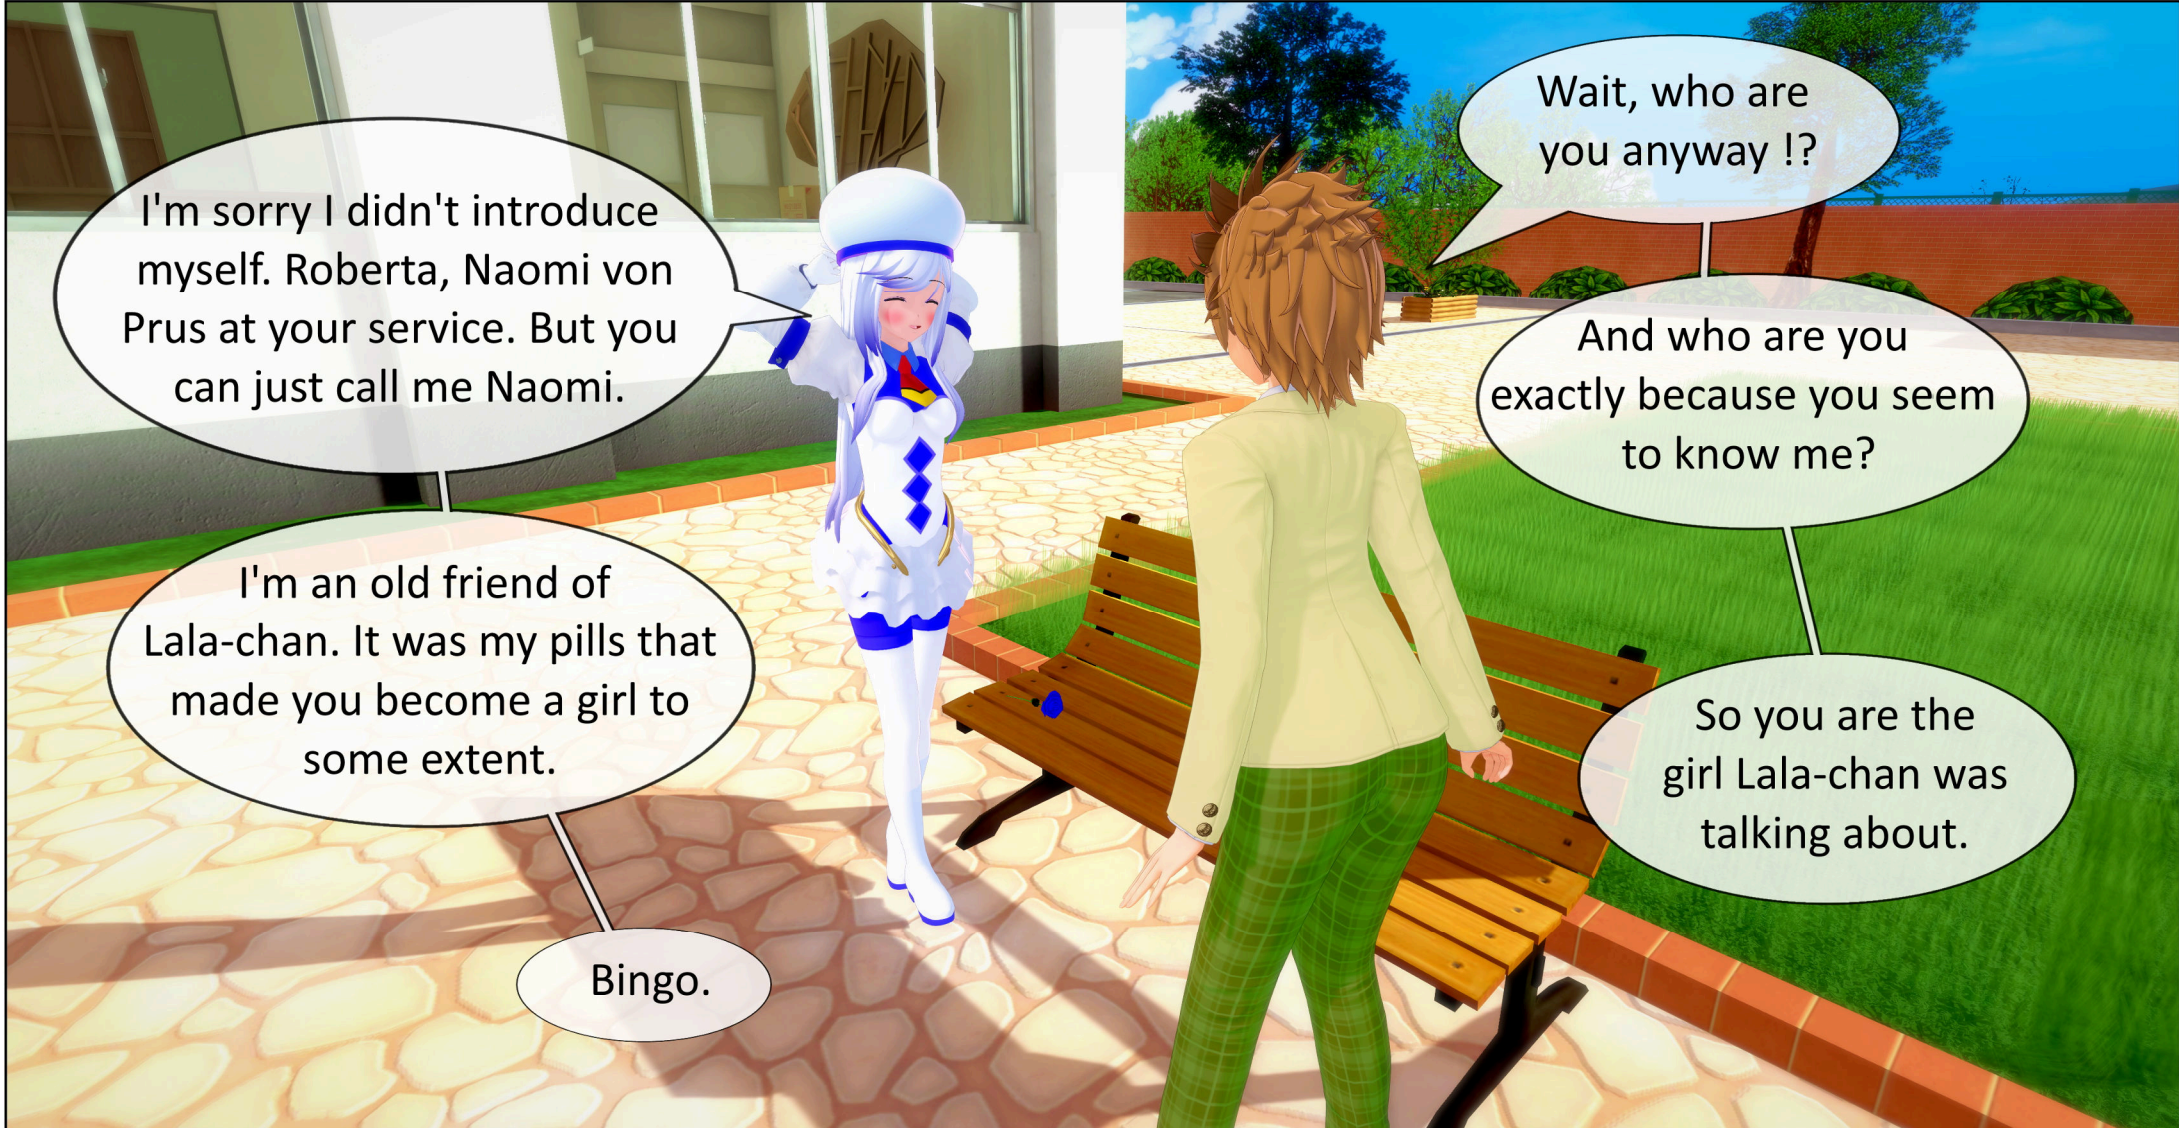

This is what I really want. No matter what happens next, I will deal with it somehow.

You finally understood.

Honestly, I was slowly starting to lose hope you would understand.

Yes, I guess I finally understood who I am and who I want to be.

...?

I'm sorry I didn't introduce myself. Roberta, Naomi von Prus at your service. But you can just call me Naomi.

I'm an old friend of Lala-chan. It was my pills that made you become a girl to some extent.

Bingo.

Wait, who are you anyway !?

And who are you exactly because you seem to know me?

So you are the girl Lala-chan was talking about.

But back to you.
Do you really wanna
be a girl again?

Who knows,
maybe I can. But
the question is, do
you want this?

Are
you sure. If you
become a girl now,
it's permanent.

Can you
make me a girl
again?

Yes, I want it,
I want to be a girl
again.

Maybe I am a guy. But...

I want to be a girl again, I want to do what I like again.

But most importantly, I don't want Yuki-chan to cry again because of me.

Yes I am sure.

I'm a girl again, how did you do it?

I? I did not do anything.

I just showed you what effects your decision can have.

What effects might my decision have?

What?

Yes, now take that flower and do something for me.

Open your eyes.

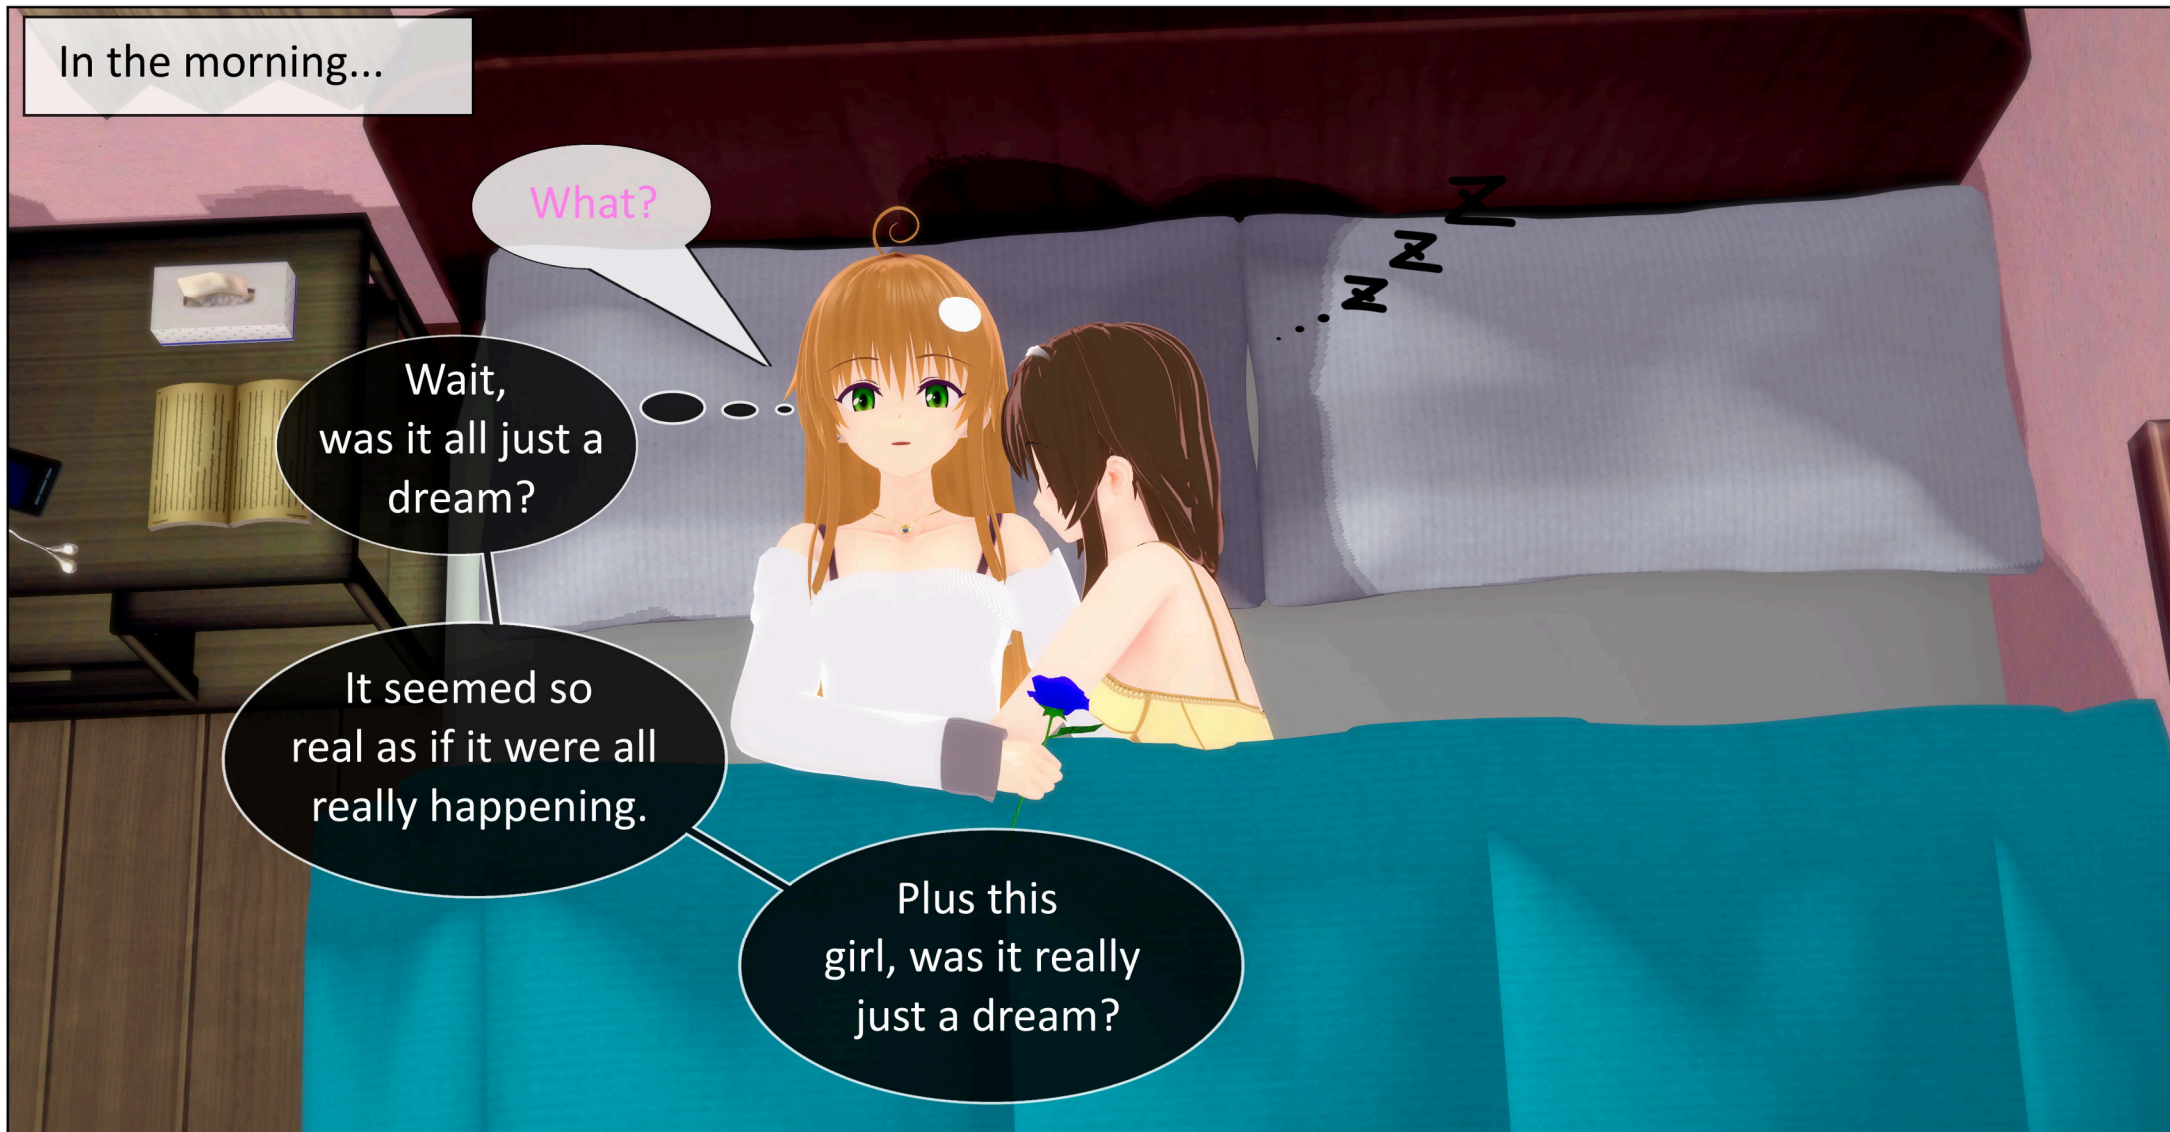

In the morning...

What?

Wait,
was it all just a
dream?

It seemed so
real as if it were all
really happening.

Plus this
girl, was it really
just a dream?

It was probably not a dream after all.

But how did she do it?

I don't think I'll ever find out.

Mikan-chan wake up, it's morning already.

Hehe. Don't worry, it wasn't a dream.

Five more minutes, I was just having a beautiful dream that I had an older sister.

Later in school ...

What?!

At school, Rito decided to tell everyone the truth. They took the news fairly calmly. Umm I guess

Do you really think that if you put on a wig and a skirt, everyone will immediately think you're a girl?

Just say you want to go into the women's locker room!

Because no one believes you suddenly became a girl!

I shouldn't have come to school today.

Don't worry, Yui-chan,
at first I didn't want to believe
it either. So I went to Mikado-sensei
to confirm it.

And you can
believe me. Rito-kun
is now fully a girl.

So I would ask
you to treat your
classmate like a girl
from now on.

$$2a + 4bc = 1c$$

$$2e = 1c$$

It was
humiliating.

I don't think you're serious. We are to treat Rito as if he were a girl.

What's next? Saruyama also suddenly decides to be a girl.

Now, I wouldn't even be surprised.

One SEC?

Saruyama
Kenichi!

What? After all, you
told Risa-chan that he
was your cousin.

Are you talking about
that super handsome guy?
I'm sorry I don't know
him.

Eee...

Why it
doesn't even
surprise me.

Unbelievable,
at least even though
you are girls now, you
are not supposed to
do anything perverted.
Understand?

Okay,
okay.

Over the next few days,
everyone was slowly getting
used to the fact that Rito and
Saruyama are now girls.

Say Mi-chan
don't you regret
being a girl now?

No.

I would regret it if I were a man again.

However, there are some problems with being a girl.

But I think I can do it.

Nice to hear it.

Great, so today
at 4pm.

Perfect to me.
Especially since
I'm off today.

Thanks
Saki-chan!

I also thank
you for the
invitation.

No
problem.

We are planning to go out together, maybe you and Lala-chan will join?

Hi girls what are you doing !?

Hehe. Sorry.

But Lala-chan and I already have plans for today.

It's a pity, maybe next time.

Sure.

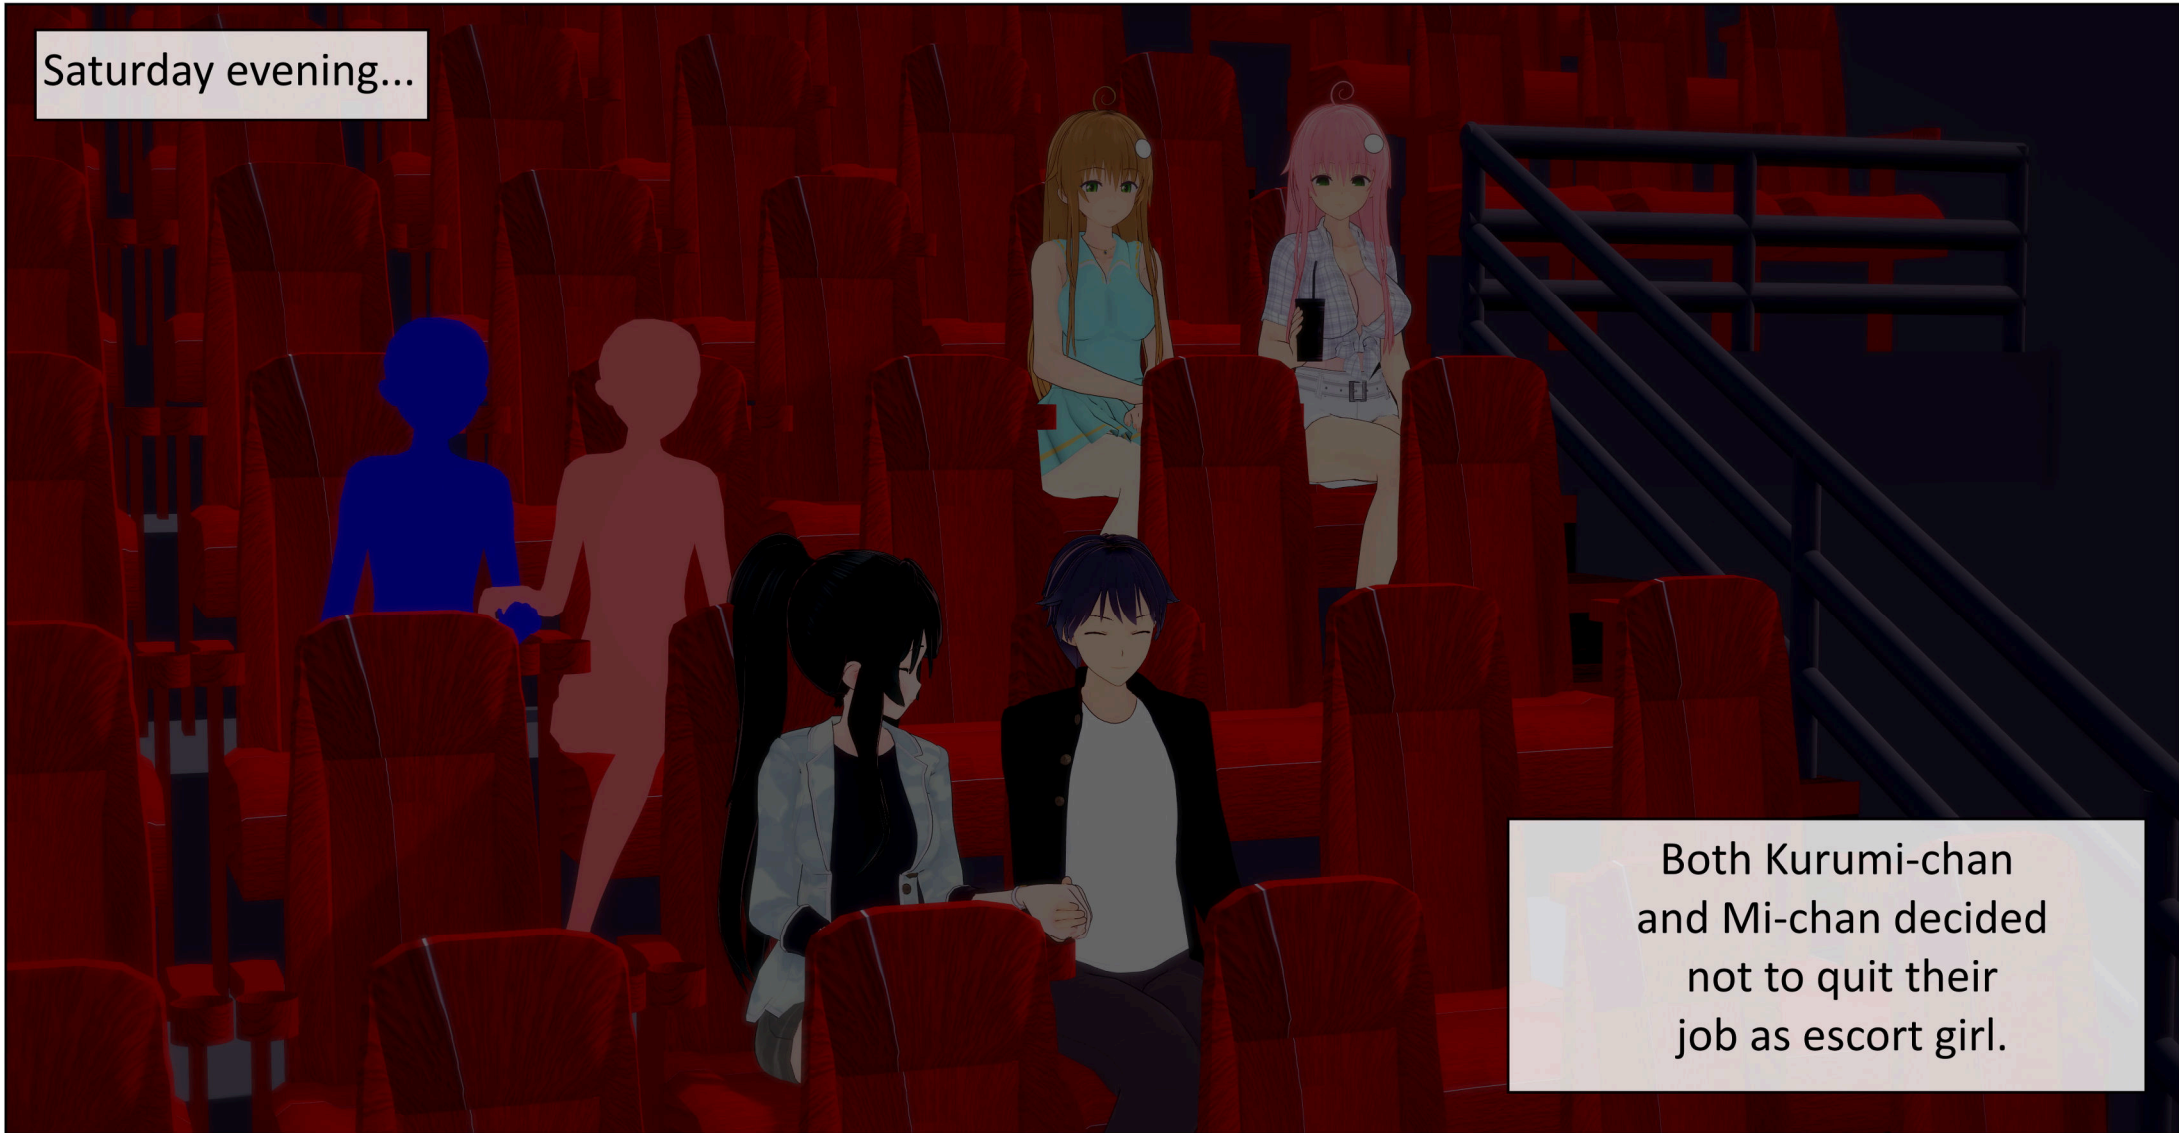

No ~

hehe

Mi-chan,
don't be like
that.

And so time
passed slowly.

Saturday evening...

Both Kurumi-chan
and Mi-chan decided
not to quit their
job as escort girl.

An anime-style illustration of two young women sitting in a theater with red seats. The woman on the left has long brown hair and is wearing a light blue dress. The woman on the right has long pink hair and is wearing a plaid shirt and white shorts, holding a black cup. They are both looking towards the viewer. The background is dark, suggesting a theater interior.

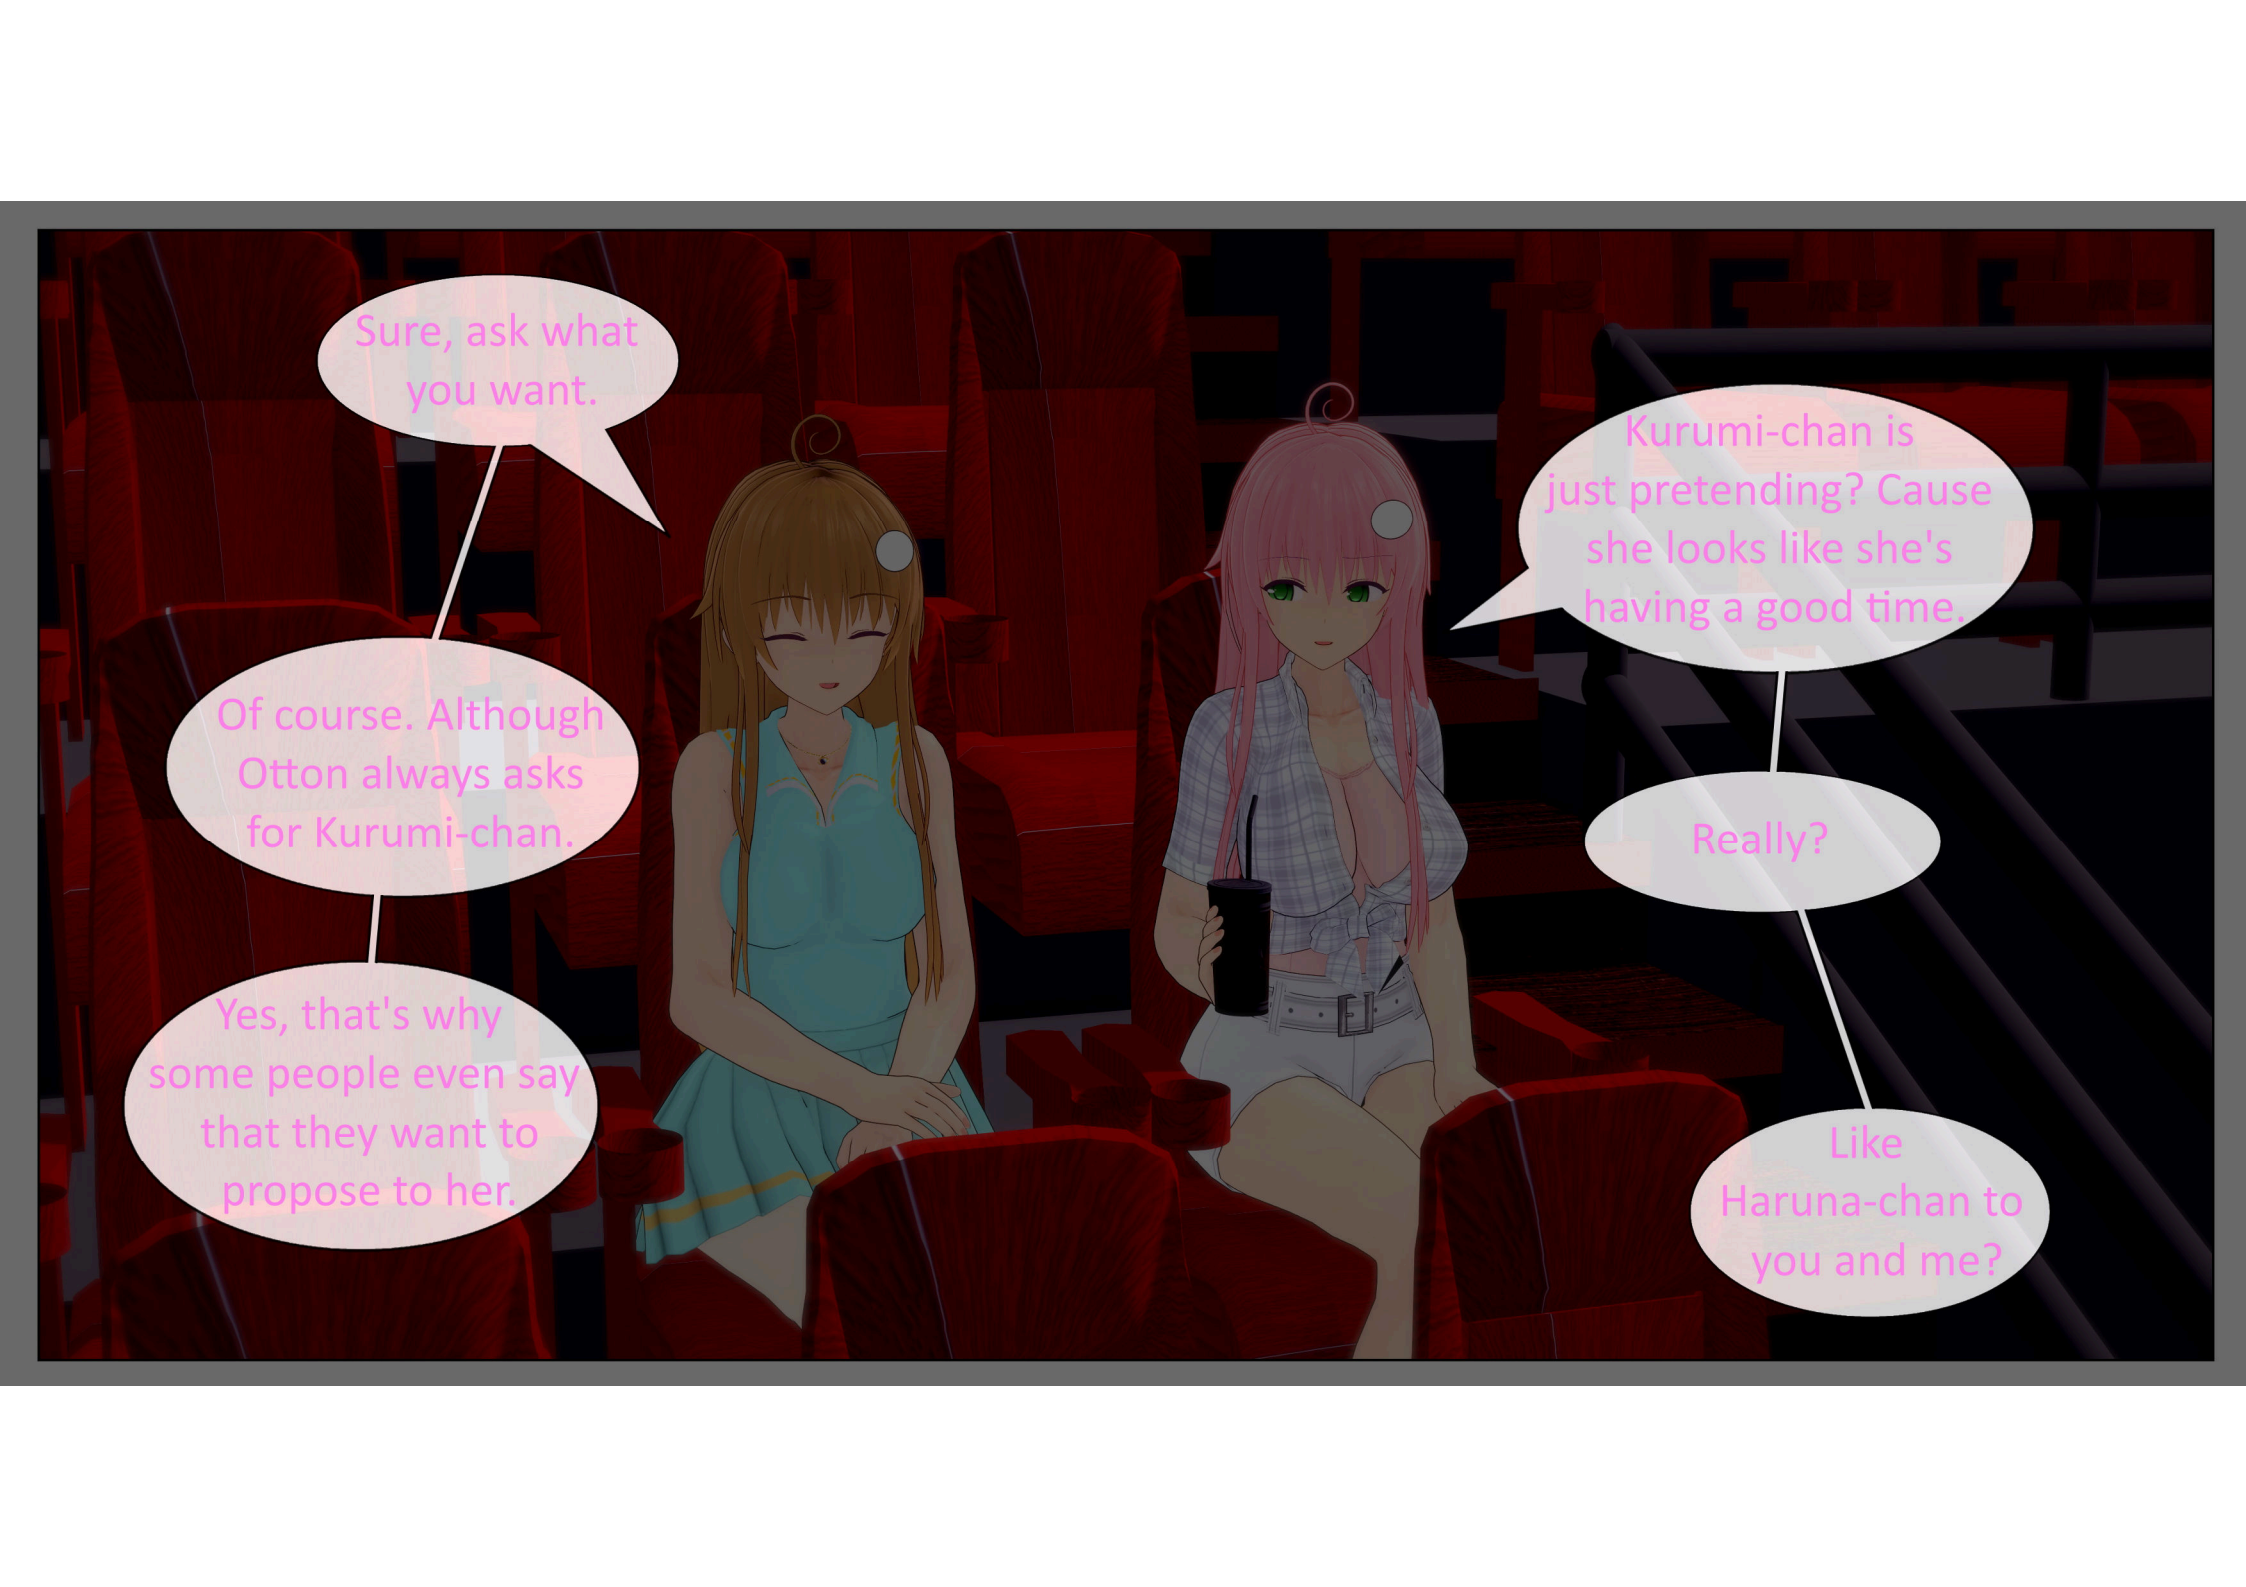

Yes,
sometimes we have
to pretend to be someone
girlfriend and have a good
time with that
person.

No, only as
part of special
assignments.

So this is
your job.

And you do that
every day?

Mi-chan,
can I ask you
something?

An anime-style illustration of two girls sitting in a theater. The girl on the left has long brown hair with a white circular ornament on her forehead and is wearing a light blue dress. The girl on the right has long pink hair with a white circular ornament on her forehead, is wearing a plaid shirt and white shorts, and is holding a black cup. They are surrounded by rows of red seats in a dimly lit theater.

Sure, ask what you want.

Of course. Although Otton always asks for Kurumi-chan.

Yes, that's why some people even say that they want to propose to her.

Kurumi-chan is just pretending? Cause she looks like she's having a good time.

Really?

Like Haruna-chan to you and me?

What?

No, what happened?

I didn't tell you about what happened.

Well ...
* slurping *

A moment later...

And I
thought it couldn't
be more
complicated.

Don't tell
Haruna-chan
that she confused
us then.

We'll tell
her when we
find a way to
solve it.

And that's
what happened.
* slurping *

Okay.
* slurping *

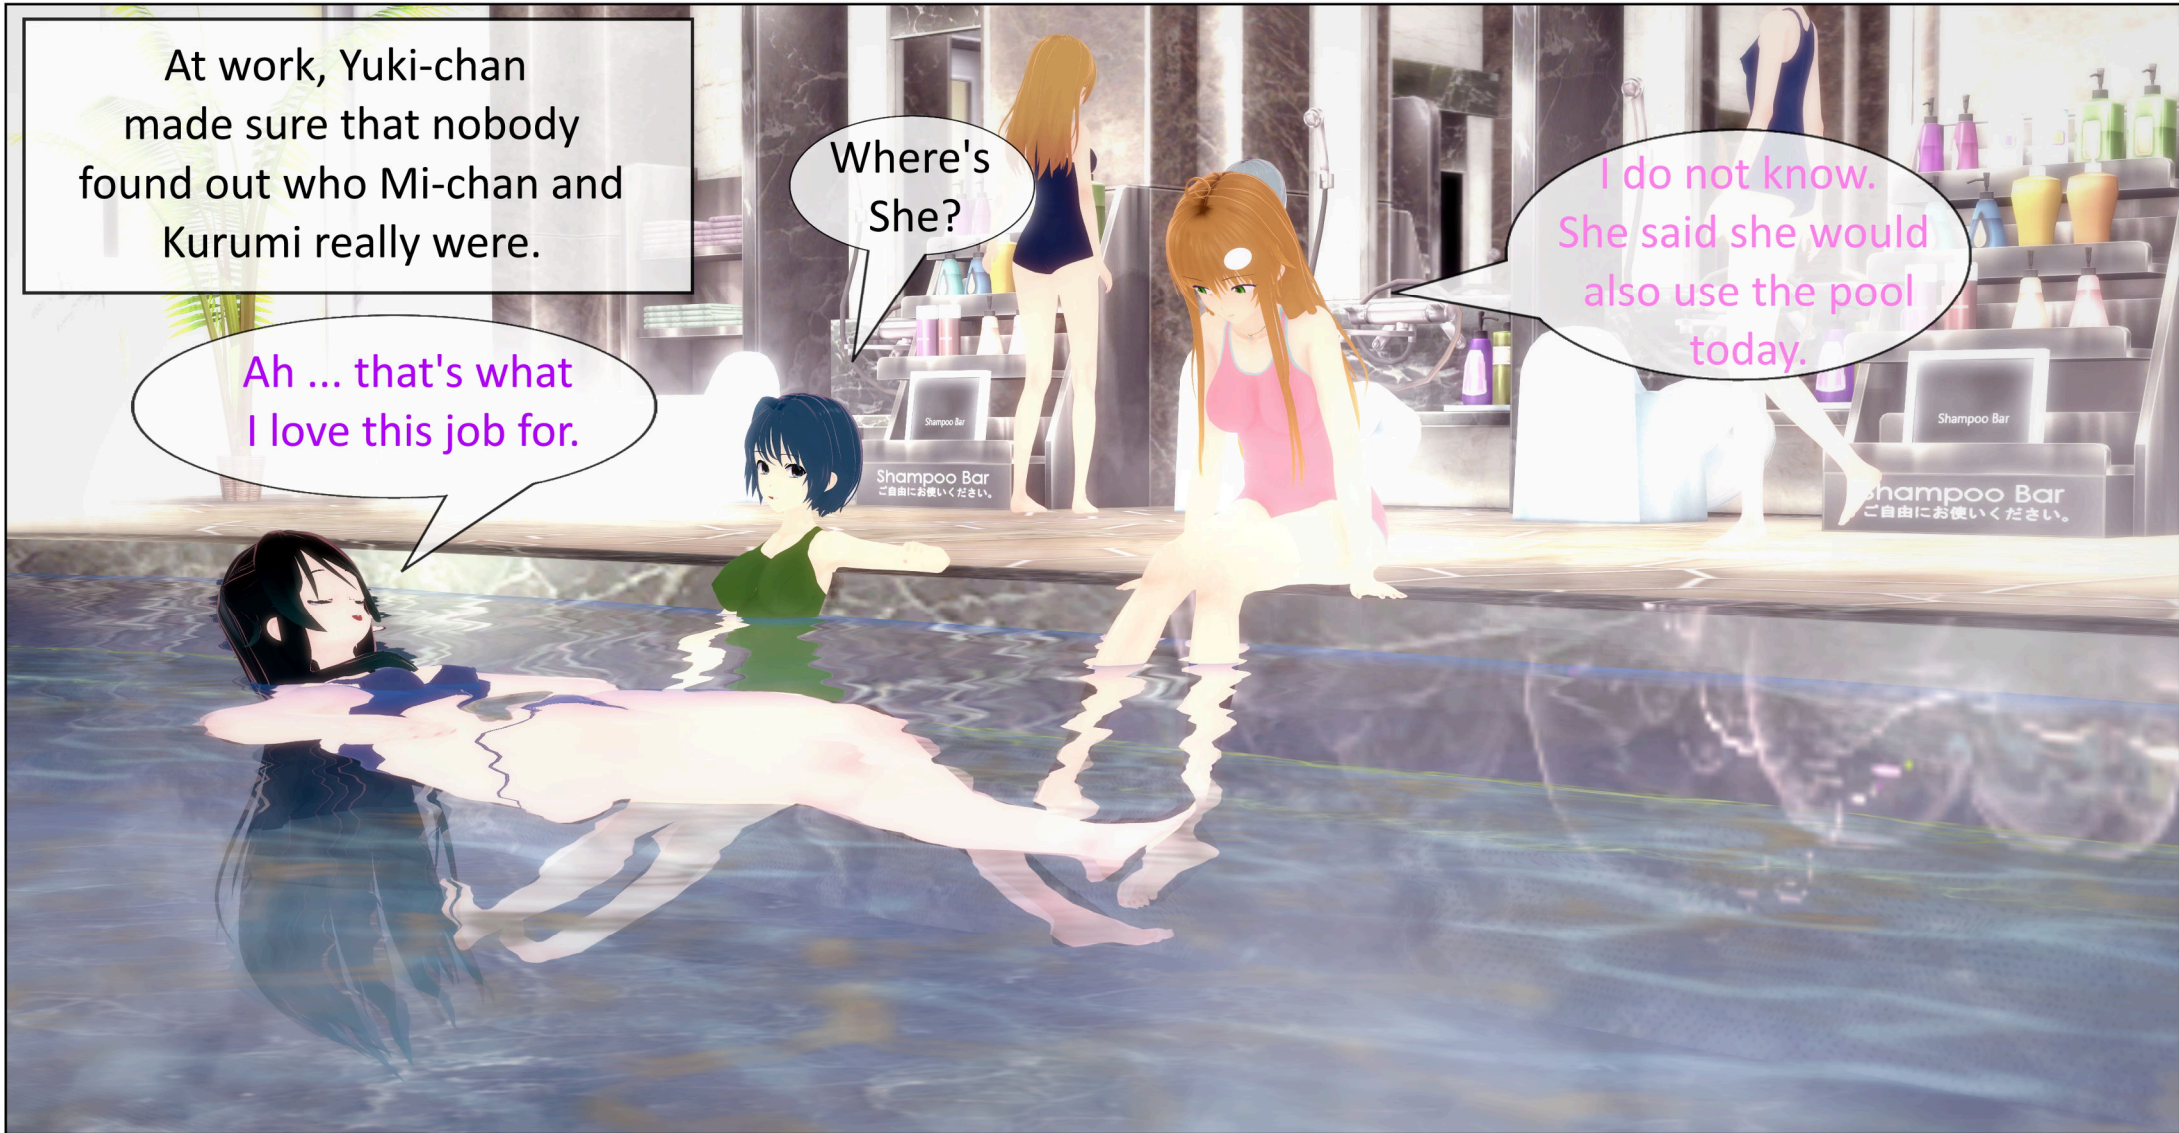

At work, Yuki-chan made sure that nobody found out who Mi-chan and Kurumi really were.

Ah ... that's what I love this job for.

Where's She?

I do not know. She said she would also use the pool today.

Good evening girls!

Sorry for being late. There was still some paperwork to do.

I envy you,
it must be great to
be the boss.

Really?!

If you'd like, we can
make an exchange for one
day. You will be the boss
and I will be the maid.

Yes, I have to sign
another ton of papers
tomorrow and go to the
office for the day.

So what's the
answer?

No thanks.
I changed my
mind.

It's a pity because
I could use a day
off. Hehe.

It was mean.

Maybe a little, but unfortunately it is.

You were once a maid.

Ah ~ I miss the times when I was a maid myself.

Yes, but my parents shouted at me that it was not appropriate.

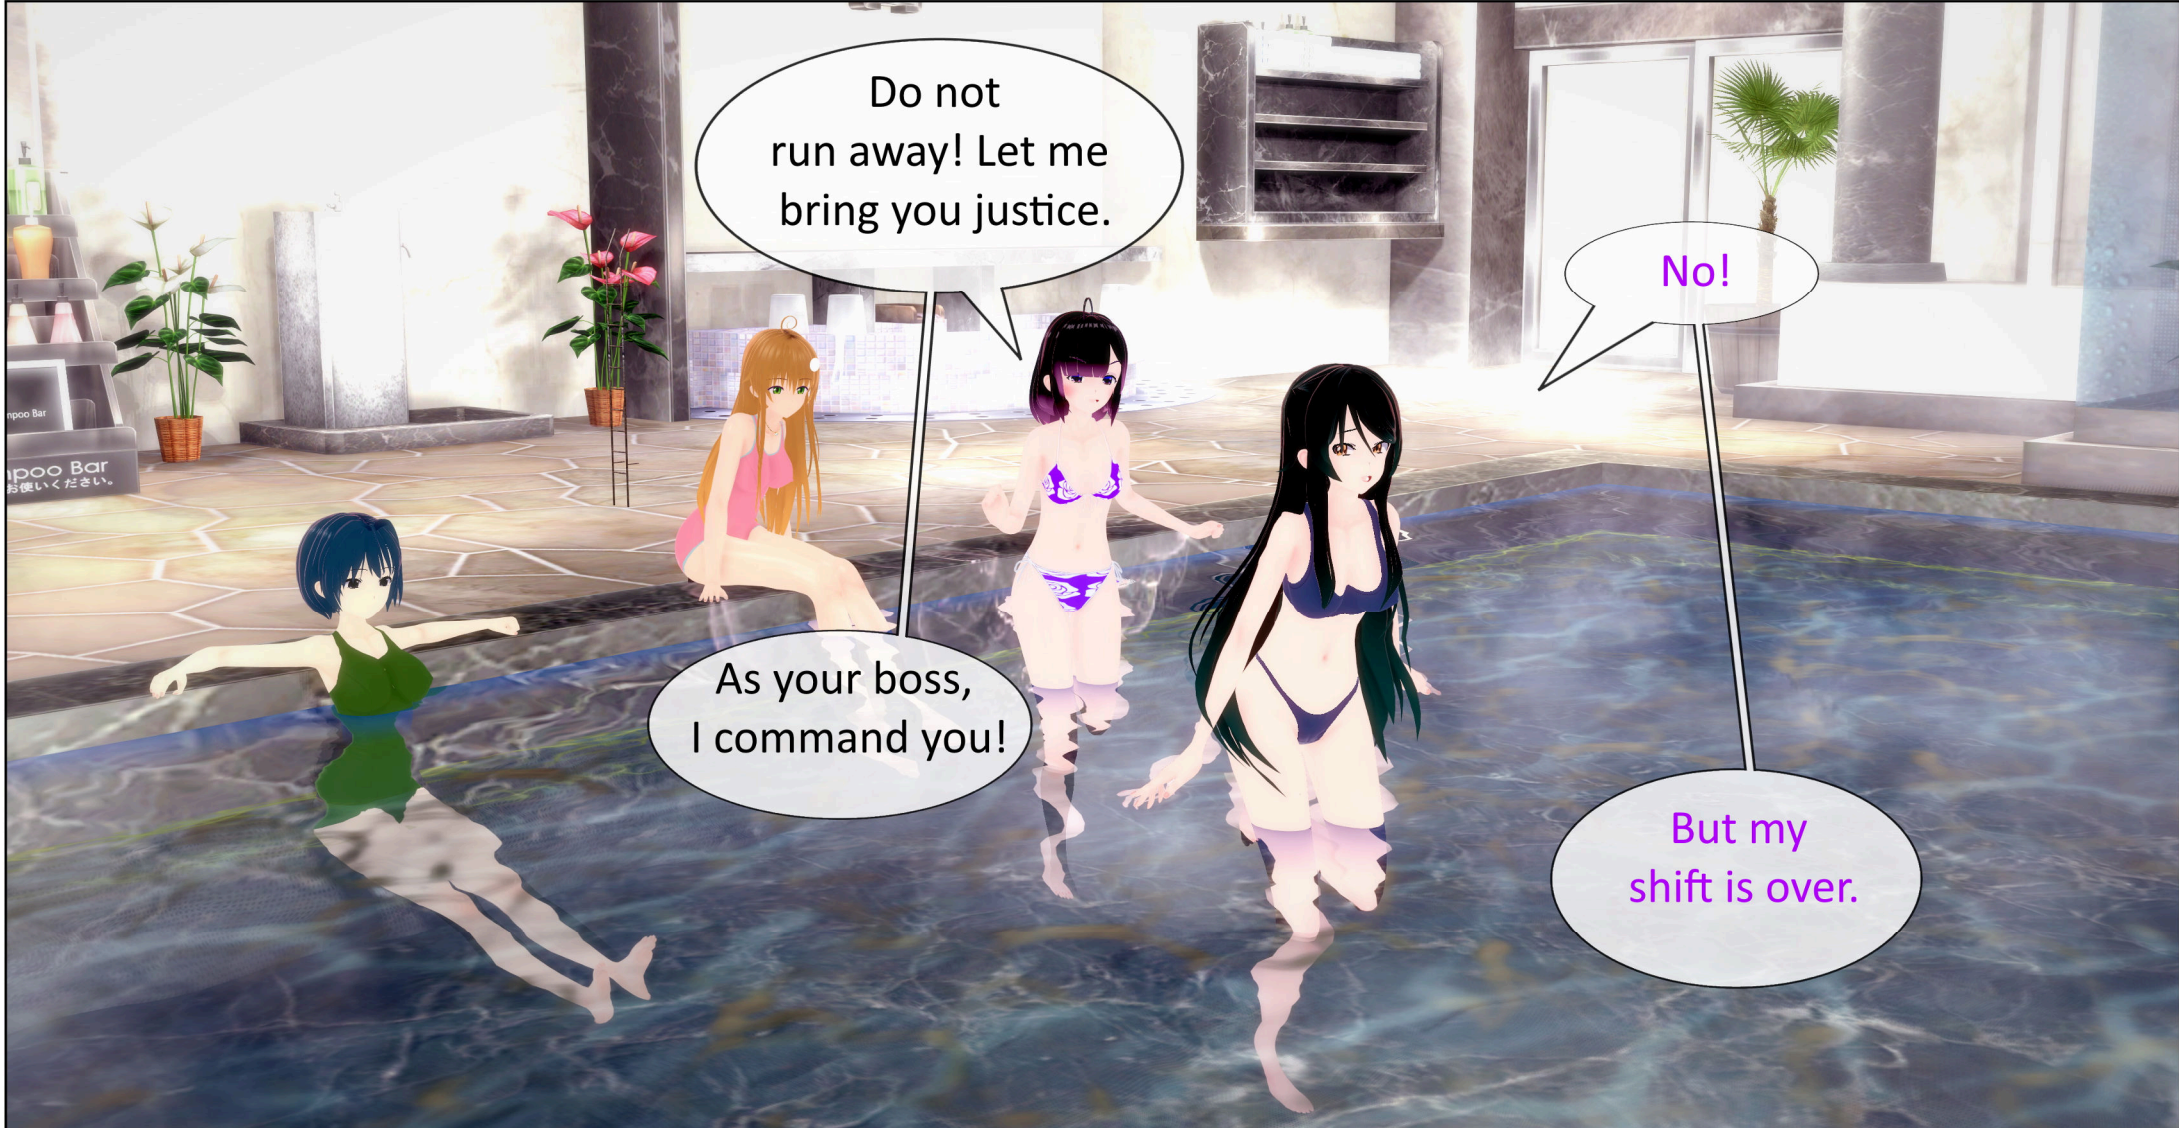

Yuki-chan?

Who did it?

Sorry,
I was aiming at
Mi-chan.

In me?

Let me just
get you.

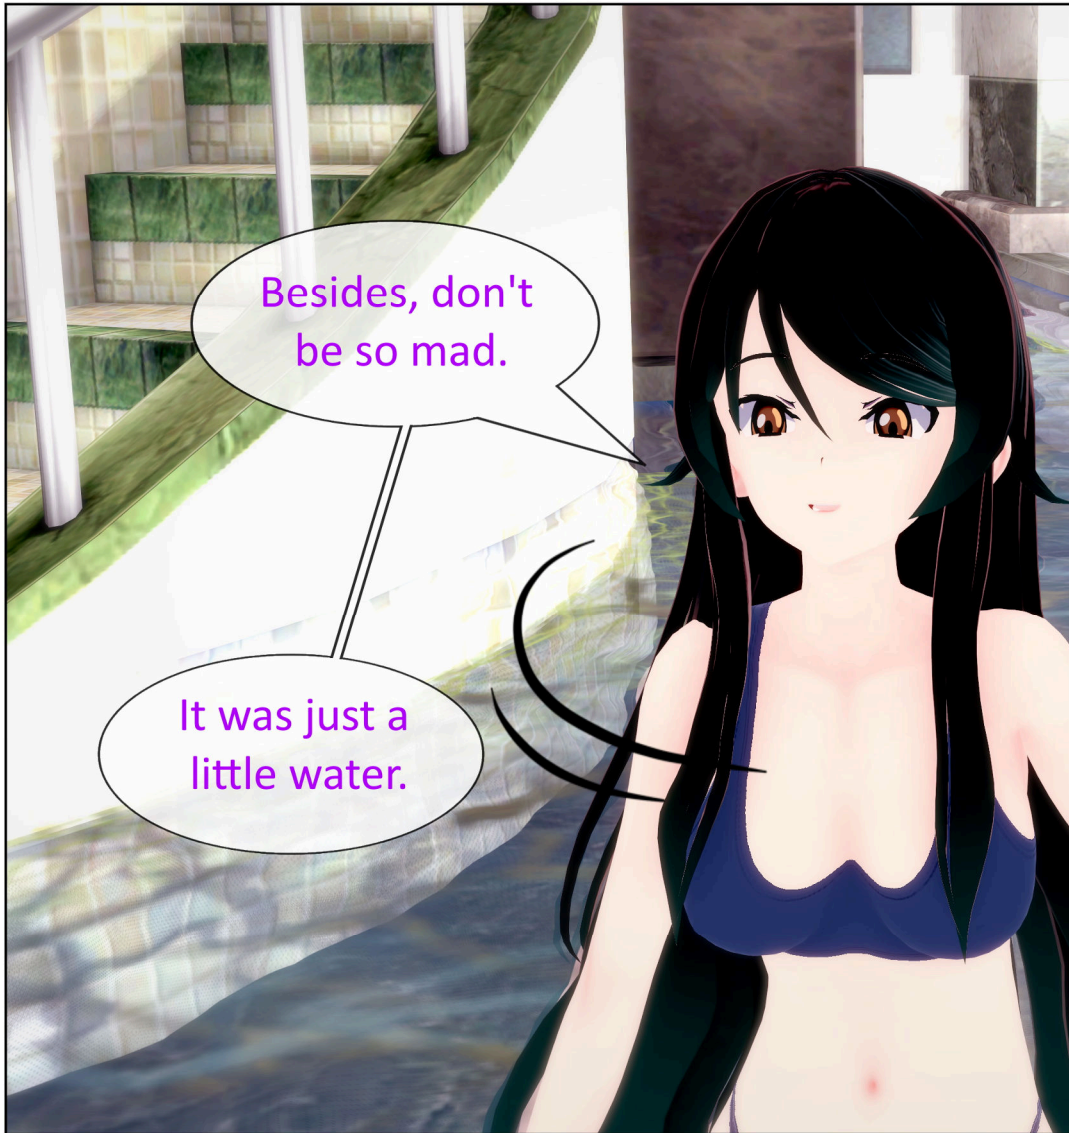

Do not run away! Let me bring you justice.

No!

As your boss, I command you!

But my shift is over.

And it's ready

I wasn't really
angry with you,
no worries.

Sorry again.

A moment later...

To be able to wash myself?

I guess you've reached your goal.

Unbelievable, I've always dreamed about it.

Hehe. Very funny. No, I mean sneaking up to a place full of bikini girls.

Yes. But now I have a different goal.

Ymm ...
I remember.

He?

Tell me, do you
remember when I said a
while ago that I had a
request for you?

You see, I've been
thinking about this
for a long time.

Is there any
way to erase my
existence?

To be continued...
