A moment later...

Incredibly,
I look completely
like someone else.

I said it
would work.

Now remember
from today you are
Misaki Deviluke, our
cousin who decided
to visit Earth.

What's wrong with my voice?

Ymm ... Okay, if it's necessary ... I'll try.

Almost done, only the question of your voice is left.

Are you deaf? You sound like a guy, try speaking in a more feminine voice.

A moment later...

Hello my name
is Misaki Deviluke,
nice to meet you all.

Rito, it was amazing
you sounded like a real girl!

As you can see, you
have talents that you don't
even know about.

Who is this girl?

Mikan, I can explain all this to you.

Another girl?

How many is he going to have them?

Rito, if you go on like this, you'll start picking up guys because you'll run out of girls.

The next day at school ...

I'm beginning to doubt if it was a good idea, what if someone recognizes me?

Yes, but then she couldn't stop laughing.

Don't worry, you saw, even Mikan didn't recognize you.

But until we told her who you are, she didn't recognize you, right?

Yes.

Lala is right Mikan is my sister and she didn't recognize me.

It can work.

And since even she didn't recognize you, neither should others.

The scene is set in an outdoor courtyard with a stone-paved ground. In the background, there are brick walls, a wooden fence, and some greenery. Two anime-style girls are standing in the center. The girl on the left has short pink hair with a white circular mark on her forehead, wears a white face mask, a yellow vest over a white shirt with a green bowtie, and a green plaid skirt. The girl on the right has long pink hair with a white circular mark on her forehead, green eyes, and wears the same school uniform as the first girl. There are five speech bubbles around them, three on the left and two on the right.

Wait,
what if someone
asks for me?

And what happens
when someone sees
Zastin, then it becomes
clear that this is a
lie?

That's why
I haven't seen
him lately.

We'll say that you
went with Zastin for
some training.

Nobody will see him
because he is on vacation
now and will not be back
for the next two months.

By the way,
you look great
Misaki-chan.

Of course, no
one can see you in men's
underwear now.

I hope it will all be
over soon and I will be
able to wear boxer
shorts again.

Do I really have to
wear women's panties?

Phew ... I just hope
it works out.

During the long break ...

I said it
would work.

Amazing,
no one noticed
a thing.

I was afraid that
as soon as I entered
everyone would
notice.

Momioka,
Sairenji, what are
you doing here?

What were
everyone supposed
to notice?

We came to
meet the new
classmate.

Oh, that's
it.

Nice to meet
you too ...

Sorry what's
your name?

I was already
afraid she would
recognize me.

I have to pretend
to see her for the first
time in my life.

Where are my manners?
hehe.

I'm Momioka Risa,
it's nice to meet you
Yuki Rito again.

Surprised?

But you know my name, right?

I forgot. And by mistake, I called them by name.

Ummm ... Lala said your name. But I asked out of politeness.

Nice trick, but give it up.

Nice tail by the way, is that rubber?

Yhm ... Of course, let me have a look.

No, it's real.

I don't think you should be doing this.

Relax, I know what I'm doing.

We'll do that, if the tail is real I'll believe you, can be?

Ymm ...
Ok, just be gentle.

Of course.

Interesting,
it doesn't feel
like rubber.

What?
Yes, sure.

Can I just check
something else?

Could
you please be
gentler.

Yes, just
please finish
quickly!

If I were you,
I wouldn't be doing
this.

Okay, just
one more question.

Since it's your tail,
then tell me how many
fingers do you feel?

Why, what
bad can happen?

It might slip away
and hit you in the face,
so be careful.

hmmm
hmmmm
hmmmm...

Risa stop!
It's not a toy!

Please stop!
it really feels weird!

Hmmm!
Hmmm!

Enough
of this fun.

This thing almost choked me!

Okay, maybe it's a real tail.

What you
want to do ?

The tail may be real,
but I know it's you Rito
and I'll prove it!

You think I didn't
see why you need
this mask.

I am allergic
to pollen.

It's probably because of the excitement.

I'm sorry I mistook you for my friend. It's that mask, hehe

Do you really have to wear it?

No, but I wear it to get sick less.

Momo was right not to put on this mask.

I guess I should listen to her advice after all.

This little change will come in handy for now.

Hope you're not mad at me for this mistake.

But you really look like him.

Lala told me that too, hehe.

Fortunately, there is an important difference.

Really?
What?

Rito doesn't have such a cute face.

What?

Of course because it was a sample of my DNA.

You are a bit like Lala.

But you are cousins, so why should you be surprised?

I really have
a face like Lala?

Maybe it's
the hair color?

Probably so,

You see I said it was just a coincidence.

A bit, but Rito wouldn't do it.

But what are you talking about?

Yes, but it was kind of weird that one day Rito disappears and Misaki-chan shows up, right?

A rumor is circulating around school that a boy dressed as a girl is trying to enter the women's locker room.

This is terrible.

And you thought it was Rito?

No, but just like Risa said. the fact that Rito left and Misaki-chan arrived is a bit weird.

Fortunately, this is just a coincidence.

So sorry for the suspicions.

Fortunately, somehow it worked

Nothing happened.

That's great. And please don't tell anyone what happened here, okay?

Sure.

After school, in the city ...

I didn't think
it could work.

I never
thought I had a face
like yours.

Yes, even though
I have stubble ...?

I told you that
you can do it.

What a
surprise, right?

I don't feel anything and that means ...

Calm down, Rito, it's really nothing serious.

I think you look even better now, believe me.

Please don't be true.

So I was thinking right, something has changed.

I didn't mean to scare you, are you mad at me for that?

Exactly what I was afraid of.

I have almost the same face as you.

Why didn't you tell me anything?

No, but next time, tell me when I will change.

Okay.

But look at it differently, now you don't have to worry about someone recognizing you.

Poor consolation.

Actually, Lala is right.

Mainly I was afraid that someone would recognize me.

Besides, the lack of facial hair is nothing serious.

I never planned
on having a beard
anyway.

At least I don't
need to shave now.

I see that someone likes his new look.

No, I just wanted to look at something.

Of course. he he.

By the way, who is your friend?

Nice to meet you, I'm Rito.

What's so funny?

Rito? Is something wrong for you, Misaki-chan?

Call me Yuki.

He he he...

You don't think he's that stupid?

You must have been thinking about some nice boy.

By the way, your fly is unbuttoned, hehe.

Thanks,
I didn't notice.

Wait, the skirts
don't have a fly?

Do you already understand what the problem is?

Yes, although it's cute to me. When a boy is so inept pretending to be a girl.

Wait, you know
I'm not a girl?

Momo, I said
it's a secret.

Of course,
Momo told me
everything.

Don't worry,
I won't tell
anyone.

Thought we might need some extra help.

Yes, but try not to tell anyone else about it.

Interesting, even though Rito is a guy, he looks so cute in women's clothes.

What if he was really a girl?

I'd like to see that.

Nevertheless,
it's nice to
meet you.

Hope you
can help us make
Rito a man again?

Yuki-chan may seem like a nice girl, but that's just an appearance.

She can be warm and loving one moment and the next.

She stabs the knife in the heart.

Of course!

No!!!

It's good that Momo asked me for help.

Almost something beautiful was destroyed.

But as long as
I know her greatest
weakness.

She won't do
anything I don't
let her do.

So everything is
going according to plan
so far, hehe.

A moment later...

You never went to boutiques with your girlfriend?

Calmly,
I am sure that if you try, nobody will notice anything, hehe.

You didn't say you were going to the boutique.

Yes, but not being dressed like that.

Besides, you also need to buy some new clothes.

Does every guy learn this text?

From what I remember, you have to pretend to be a girl for now, right?

!? I don't need anything.

Yes, but only until the effect of the tablets wears off.

No, but outside of school, I can wear my normal clothes.

And what, are you going to be wearing the same clothes until then?

And if someone from school sees you in them?

All your efforts will be in vain.

What?

Why at home too?

Yuki-chan is right, you need to have some clothes to change.

Even at home, you shouldn't wear men's clothes.

In case someone from the school comes.

A moment later...

Exactly,
we just need
help choosing the
right sizes.

So you need almost
everything from
underwear to shoes?

Of course,
I will be happy
to help you choose
something
that fits.

So please follow me to the cloakroom.

Okay.

Mi-chan goes first, I have to ask something else.

Relax, it only takes a moment.

Actually, I have a small request.

You see, my cousin has quite low self-esteem ...

So what did you want to ask?

Ymm? What is this request?

You don't need to continue. I know exactly what's going on

Everything goes according to plan.

Yuki-chan, now it's your turn.

I see Momo-chan
took care of the
saleswoman and
Rito.

Okay, then
I'll take care of Lala.

May I ask you something.

Momo-chan asked me to help cure Rito.

But there is a problem.

Sure.

What's the problem?

Does Rito want
to be cured?

Why do you
think so? Did he tell
you this?

Or was he
just shocked?

What? Of
course he
wants

Yes, besides,
I could see he doesn't
want it.

But what do
you meannow?

I say he was just surprised that it was all so suddenly

But I think that deep down is that what he wants.

I guess he wants more than that.

Are you saying Rito wants to have a tail?

What else could he want?

Maybe this will sound silly.

But I guess he wants to be more like you.

I know it seems strange, but look at it from my perspective.

Hee?

You are popular,
athletic and have
superhuman strength.

Rito, on the
other hand, is almost
your opposite.

I also think
that although he
says otherwise, he
likes to pretend
to be a girl.

Ymm,
yeah. But

What? After all,
Rito hates being
a girl.

Wait, so you're saying Rito might be happy about what happened?

Or maybe this is how he tries to hide that he likes it?

Yes, but he's ashamed to admit it.

I never
thought about
it that way.

Maybe you're
right, we'll wait
for now.

Because if it's true
then I can destroy Rito's
happiness. And I don't
want this.

To be continued...
