# To Love Swap

In the fitting room ...

Can you  
do anything  
about it?

You were  
right.

If it weren't for this  
beautiful face. She would  
almost look like a boy.

Of course!

You'll see your cousin come out of here completely changed.

And when she looks more feminine, she will immediately feel more confident.

I was afraid  
that she would  
find out right away  
that I was a guy.

I just hope these  
pills will stop working  
soon and everything will  
be back to normal.

But now I'm more  
afraid of what this  
woman is up to.

Some time later...

Is it really necessary?

Of course, every girl your age wears a bra.

Besides, you saw this woman's surprise when she saw you didn't have one.

She was close to discovering your secret. And we don't want that, do we?

給食袋

Cheek girl !!!

What is it honey?

I don't want to.

Momo!

You could stop doing this.

You know what I mean.

But what do I stop doing?

No, I don't know, he he.

What are they  
doing there?

I understand

From what I can see,  
Momo is helping her to fix  
her skirt.

I think it's best  
not to disturb them.

Does it get you on Mi-chan?

Certainly, it does not seem so pleasant to you.

You know what I mean.

No, it's just a weird feeling.

No, ugh!

Your face seems to be saying something else.

Say Onee-san's panties are incredibly comfy, right?

Because they are, Onee-san wore them only once.

You said they were new?

What?

Say, you've been a girl a few times.

Have you never thought about becoming a girl permanently?

Ygh!!

No, hmm ...

And enough.

Yes, in the  
end now we have  
to be careful  
forgot?

What,  
already?

No.

I completely  
forgot!

A moment later...

You look  
great  
Mi-chan.

This color  
really suits  
you.

If you don't  
take it, I take it.

I was hoping you would see some more sets.

Can we go home now?

Whew ... She was close to discovering that I am a guy,

Maybe another time.

By the way.

Do you play any sport because you are quite muscular for a girl?

That explains a lot, whatever. I invite you to the checkout, I will count everything in a moment.

Umm ...  
I run a lot.

Fortunately,  
she believed.

After leaving the store ...

Unfortunately,  
women's clothes are  
more expensive than  
men's Mi-chan.

I never thought  
clothes could be so  
expensive.

I think  
I need a job.

If you want,  
I can hire you.

Thanks, but  
I'm serious.

You know,  
I mean a job where  
you get paid.

Even now, and how  
much would you pay  
me, he he.

But I'm  
not kidding.

Of course,  
so when could  
you start?

186,531 yen per  
month. What do  
you think?

Wait, you're serious.

I thought you were just kidding.

Of course, if you don't believe me, ask Momo-chan.

I never joke about money.

But 186 531  
yen by month?

What is  
this job?

Nothing difficult,  
I just need someone  
to help.

But this is not  
the place for such  
conversations.

186531 Jen =  
1706,54 USD

That's why I invite you to my home.

I will explain everything to you calmly there.

Just give me your phone number so I can send you the address.

Unless you're not interested.

Momo-chan is my friend, she told me everything about you.

So I know quite a lot about you.

I will gladly come.

But you are not afraid to invite a stranger.

I understand. Then I will gladly come.

Late in the evening  
in Rito's room ...

Yes, what  
do you think  
about it?

So  
you're saying  
Momo-chan's  
friend offered  
you a job?

I? What  
should I think  
about it?

You're an adult,  
you should already be  
thinking about earning  
money.

Especially since your new fetish seems to be quite expensive.

How much did you pay for this top?

I think 6,000 yen, if I remember correctly.

Ummm, I paid around 10,000 yen for everything.

What!!!?

What about the rest?

You should take the job.

10,000 yen = \$ 91.50

A moment later...

Awesome.

One more  
moment.

Tell me,  
can you control  
him?

Are you finished?

Umm...

It seems to  
be exactly the same  
as the girls.

I wonder if he is  
also as sensitive as  
the girls say?

I saw Momo-chan playing with his a lot.

Lala-chan, on the other hand, said that the tail is quite a sensitive spot.

I wonder what it feels like to have him?

Just give me a second.

Are you done already?

Okay. just please be gentle.

I should probably hold him tighter so he wouldn't slip away.

I wonder what would happen if I tickled him?

Ah, I'll try.

After all, this may be my only opportunity.

I have to do something about it quickly.

No! I have to stop it!

ugh...

Nhaaa

What a feeling, I have never felt anything like it before.

But it is an even more pleasant feeling than then in class.

Weird.  
Rito doesn't seem  
to respond to that  
at all.

Maybe he is  
not as sensitive  
as in girls?

By the way, I  
wonder what it feels  
like when someone  
touches it.

I can't take it anymore.

But because of this feeling, I am unable to say anything.

So I can't tell Mikan to stop.

What to do?

I have to try to stop her somehow before it's too late.

Hng...

Ngh...

Ahh

At least I have to hold back these moans somehow.

I can not!

I can't take it anymore.

Who is this girl?

She looks a bit like onee-san.

But onee-san would never have cut her hair that way.

Moment...

Mikan,  
stop it!

Quickly before  
it's too late.

What?  
Why?

...?

I'm sorry.

I'm sorry Mikan, but it's very delicate.

Fortunately, nothing happened.

He?

Rito?

I can't really take it anymore.

I'm coming !!!

Heee!!!

A moment later...

Look,  
Nana

Ugh!!!

It was  
disgusting ~

It looks like the pills have stopped working.

The charm of Onee-san's inventions

Nothing seems to be happening to Rito.

But how?

So it's over now?

Good luck for Rito.

It looks.

That's why I didn't want to take them.

It's Onee-san's invention, so surprise is guaranteed.

Yes. But still, they changed him a lot, at first I didn't even recognize him.

Oh no, it was Lala-chan and Momo-chan who dressed him up like that.

The pills only gave him a tail, otherwise he didn't seem to change.

What?

It's Momo-chan and Lala-chan who dressed him up like that.

But since it's over, I think we should let him sleep now.

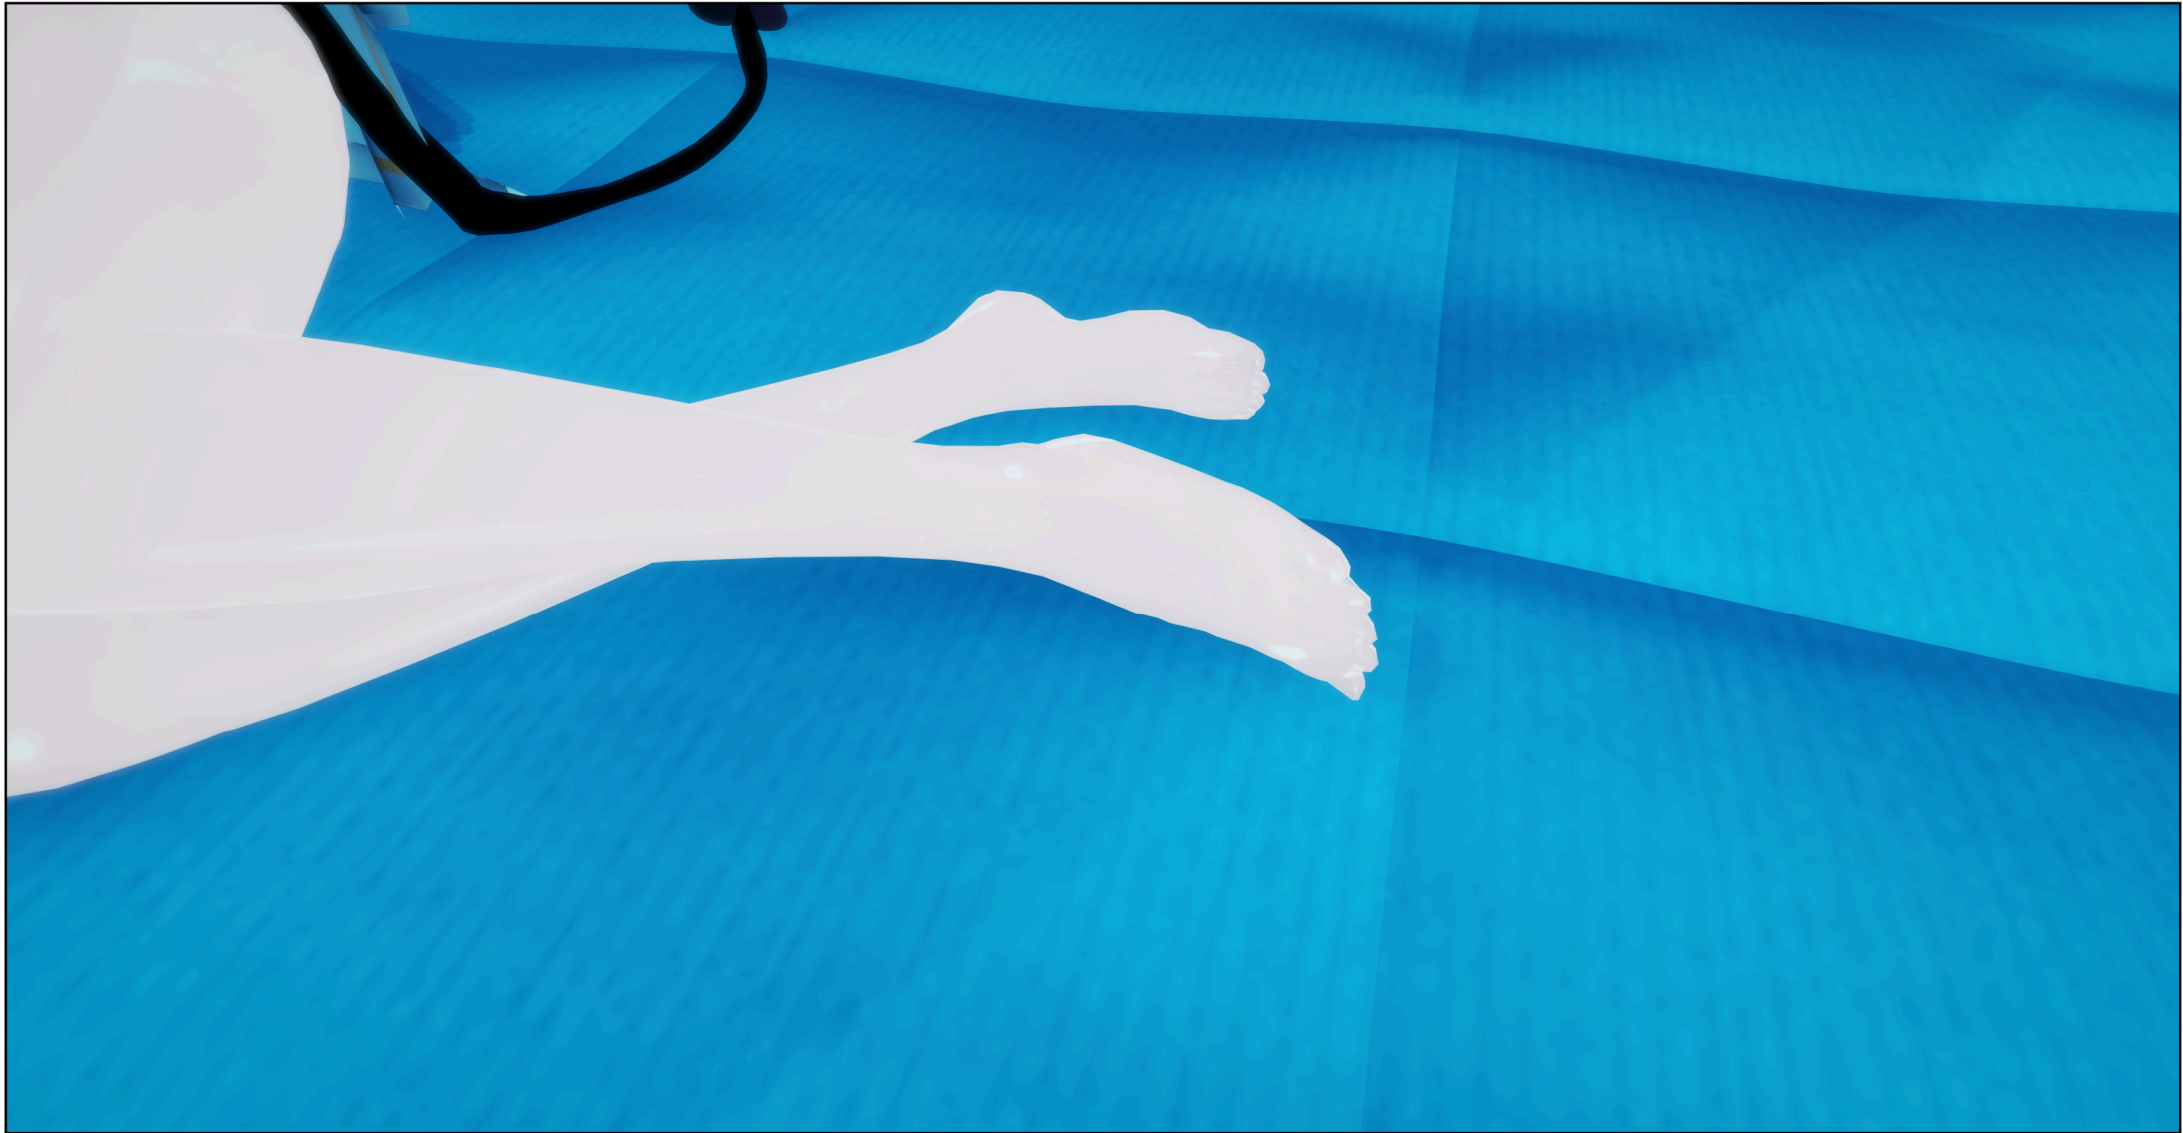

It would be great. and by the way, don't tell anyone what happened here.

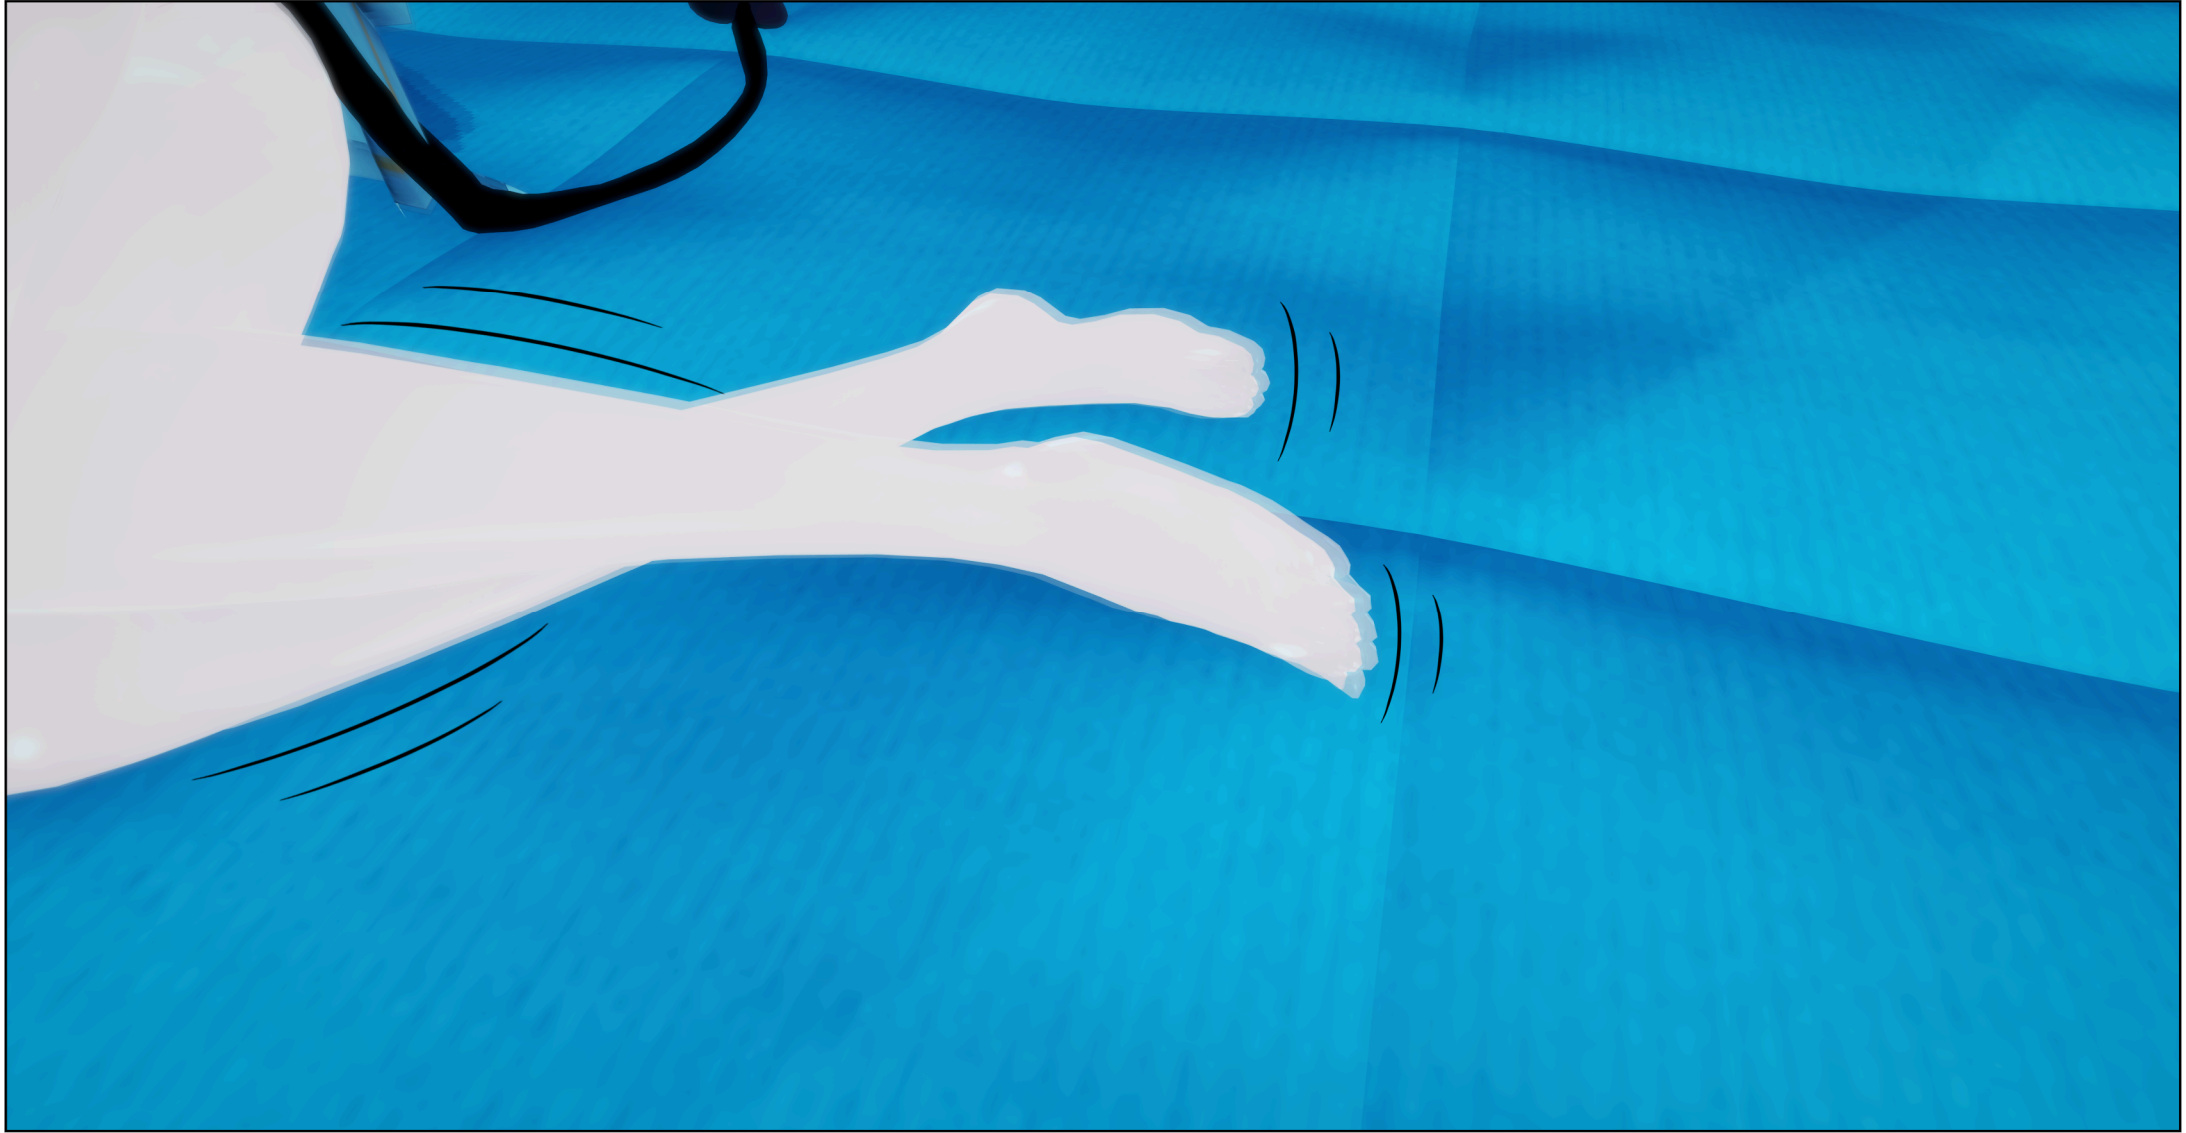

It is possible that when the pills have stopped working, the tail will disappear by itself.

Sure, nothing happened here, ugh ..

Late at night...

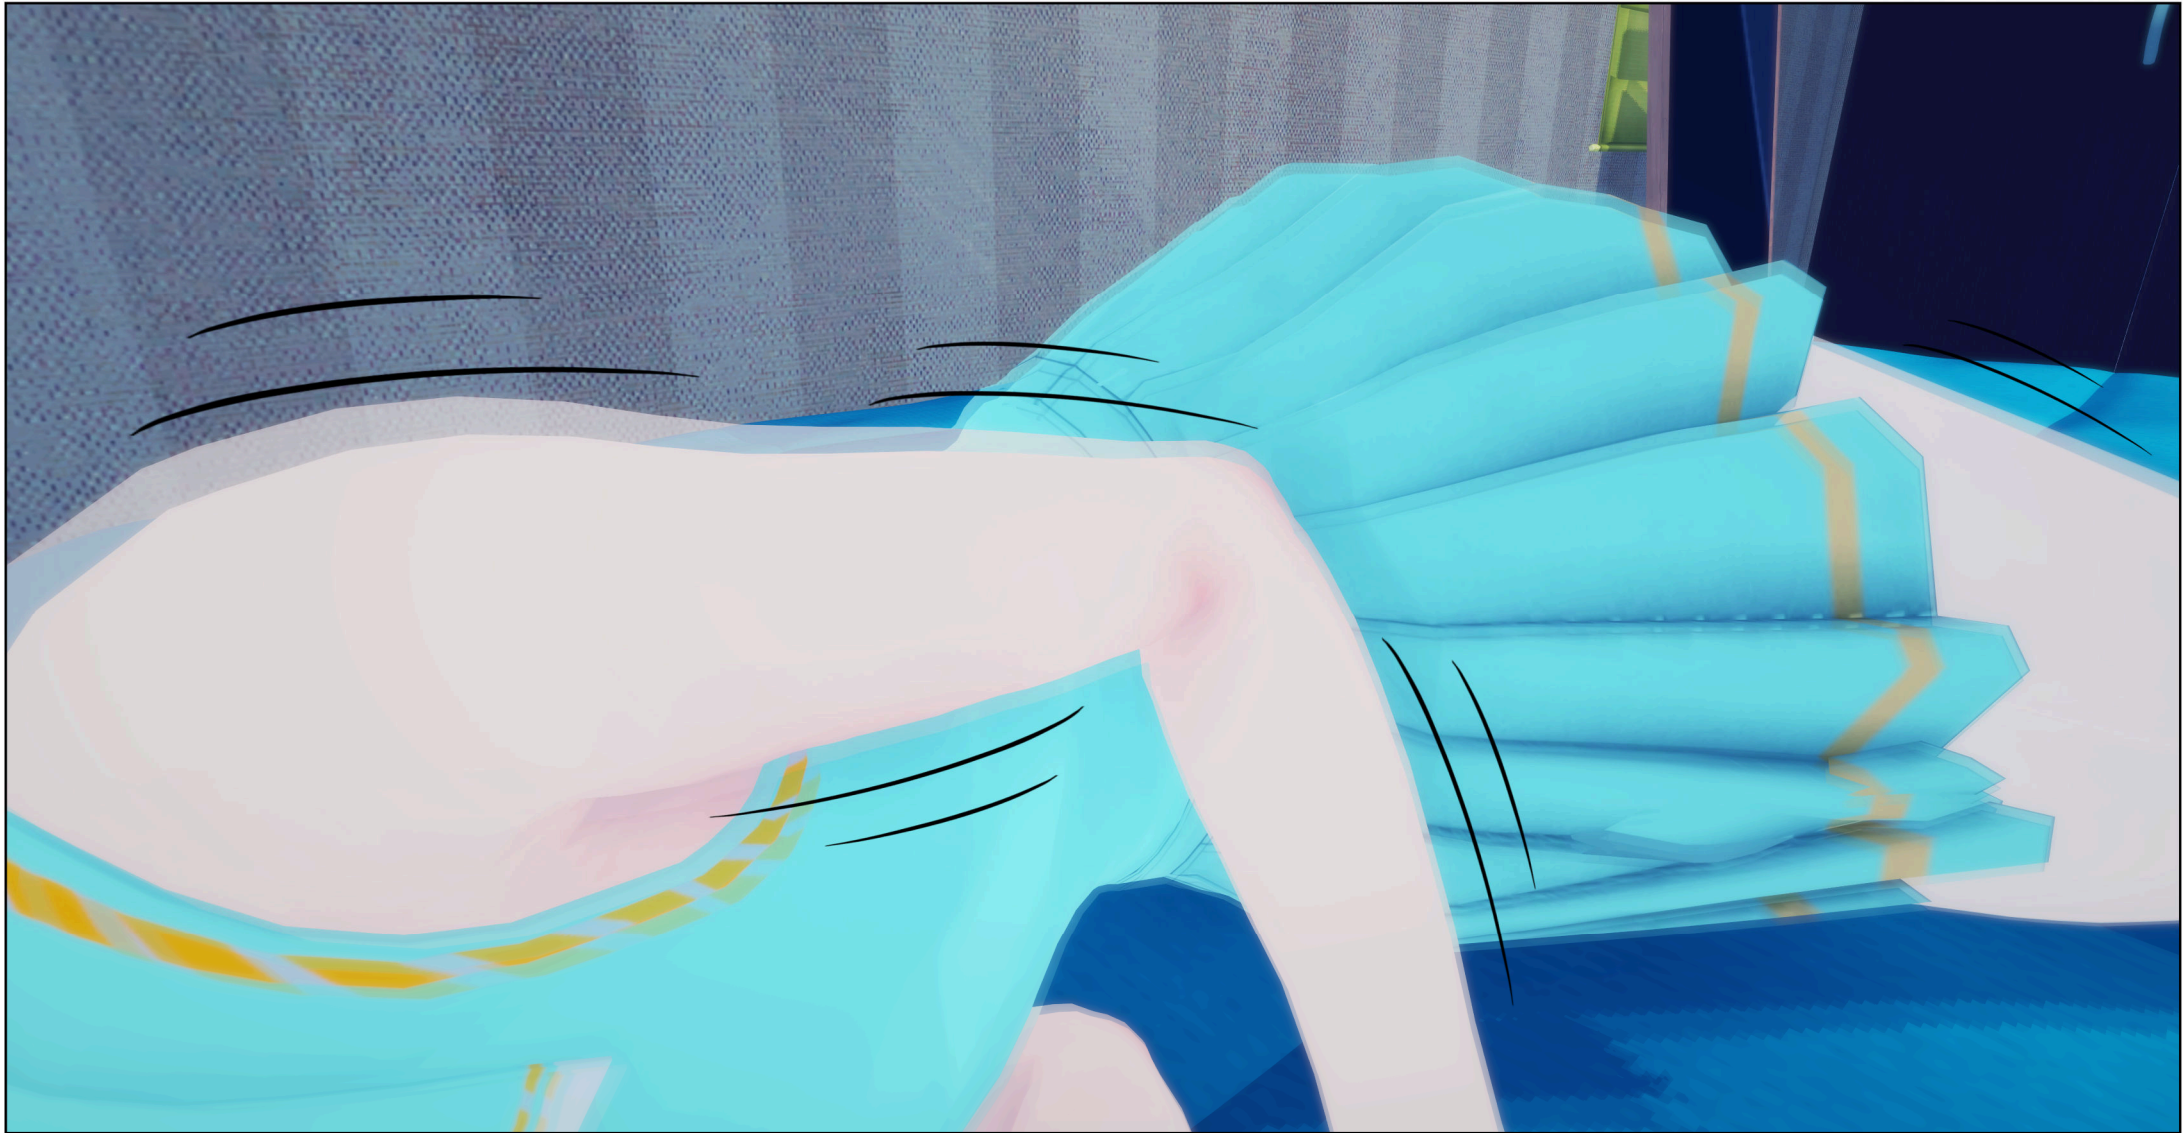

The next morning ...

Okay, I'm up now. Ahhhh ...

Rito, how long are you going to sleep?

You're about to be late for school.

You got a cold?

Because you  
sound even weirder  
than before.

*\*Petrifaction\**

What happened?

Do you look like  
you've seen a  
ghost?

Besides, what do  
you mean my voice  
sounds weird?

Tell me, have you grown up lately?

Because you seem taller.

...

Wait,  
I shrunken!

And right, my voice  
sounds higher even  
though I'm not even  
doing anything.

We need to  
see Dr. Mikado  
immediately.

And I  
already thought  
it was over.

Later at Doctor Mikado's ...

Yeah please  
do something  
about it before  
it's too late.

From the  
good.

So you say  
you've changed  
again?

I understand  
unfortunately I have  
good and bad news.  
Where to start?

I was able to  
find this girl who  
helped create these  
pills.

What how?

And now the bad news.

It seems you can now absorb other people's physical features.

Blood tests show that your DNA has this ability temporarily. So be careful.

But don't worry,  
this only applies to the  
female characteristics.

Could be even  
worse?

On the other side of the door.

Okay, then we won't bother you anymore.

It can't get any better.

Oops ... I guess it's time for me?

NO.D  
SIZE

In fact, I already know everything I wanted to know, hehe.

A moment later...

I was hoping Dr. Mikado would find a solution, phew ...

I still don't understand what's the problem?

You have been a girl a few times? Truth?

Yes, but it never took too long.

I can see you like the whole situation.

Is that such a problem? I am a woman from birth and I don't complain, hehe.

Coming back to you, it would even be nice to have an older sister.

Yes, because it's even cool.

A few days later...

Are you...

To be continued...
