In the afternoon, in front
of Yuki-chan's house ...

I'm glad you
finally decided to accept
my offer, Mi-chan.

All in good
time, but one important
thing before that.

You're welcome.

But what exactly
will my job be?

Whatever happens.
Don't tell anyone who
you really are.

Under no
circumstances do this,
unless you want to
lose your head.

Why? After all,
I have to provide my
real data if I am to
work for you?

Umm .. okay?

A moment later...

Yes, I invited
Mi-chan for
the night.

Welcome
back miss.

Oh, I see
you came with
your friend today
how sweet.

Okay, just
remember what
the rule is?

Yes, no boys.

I remember.

By the way,
Mi-chan is the
girl I told you
about.

What, no, I was supposed to work as her assistant.

But I can't work as a maid because I'm ...

So you are the new maid?

This is what a maid does.

...?

Heee...?

What was that?

I asked you not to
kill flies when someone
talks to you.

Nevermind.
Try not
to do this.

I'm sorry.

But you know, I
only hate transvestites
more than flies.

I will try.

I'm sorry.
What did you
want to say?

Nothing.

Good ...
But unfortunately
from what the miss
said, you still go to
school. Is it true?

If I tell her
I'm a boy she'll
kill me !!!

Great. She will say
no. Phew, this job would be
too dangerous.

Yes ~

What
a pity.

Great!!!!

Unfortunately,
this means we
cannot hire you
full time.

That's why we're only
hiring you part-time.
Then you will be able to
study and work.

You don't have to worry about working hours either.

You'll work mostly on the weekends when we have the most work to do.

What?!

All in all, that doesn't sound bad, and I need money now.

A moment later...

This is my room.

Sorry for the mess, but I really didn't have time to clean up.

It's not that bad, you haven't seen my room there, it's never been so clean.

Thanks. By the way, I wanted to apologize to you for how it turned out.

But if I said that you really are a guy, she wouldn't let you work here. Sorry.

Hope you're not mad at me for that. I just wanted to help you.

Why?

It's not a problem until no one notices it.

I'm not . And thanks for your help, but I can't work as a maid.

Because I'm not a girl.

What? This is a big problem, I can't wear weird clothes and pretend to be a girl.

Why then don't you try at least.

Why, it's a job like any other.

Okay, we'll do it this way, tomorrow is Saturday, right?

But a guy can't be a maid.

Apparently so ... but.

Yes?

Tomorrow
you will work all day as a
maid and then you will
make up your mind.

We will pay you
a day's wages and take
you home.

What if I say I don't
want to continue
working as a maid?

Umm .. good.
But I have to call
home first where
I am.

Okay, but let me show you
to your room first.

After all, you
haven't deserved
to sleep with me yet
Mi-chan, hehe.

To my room?

Yuki-chan is completely
different from Momo. Momo
would even insist on sleeping
with me.

Sure, hehe.

A moment later...

Thanks, but I
guess I won't be
here for long.

What do
you mean?

And this will
be your room,
Mi-chan.

Who knows?

Anyway, everything
in this room is at your
disposal.

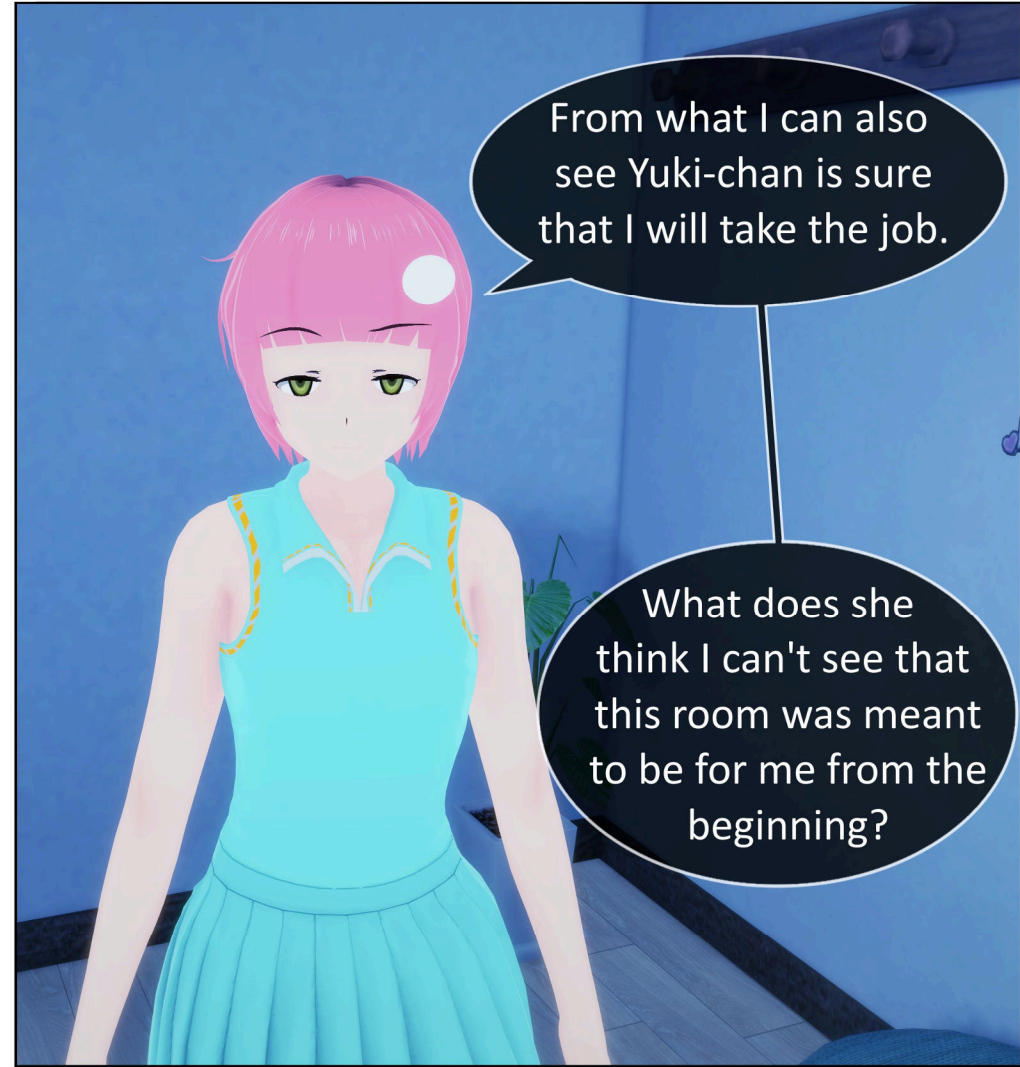

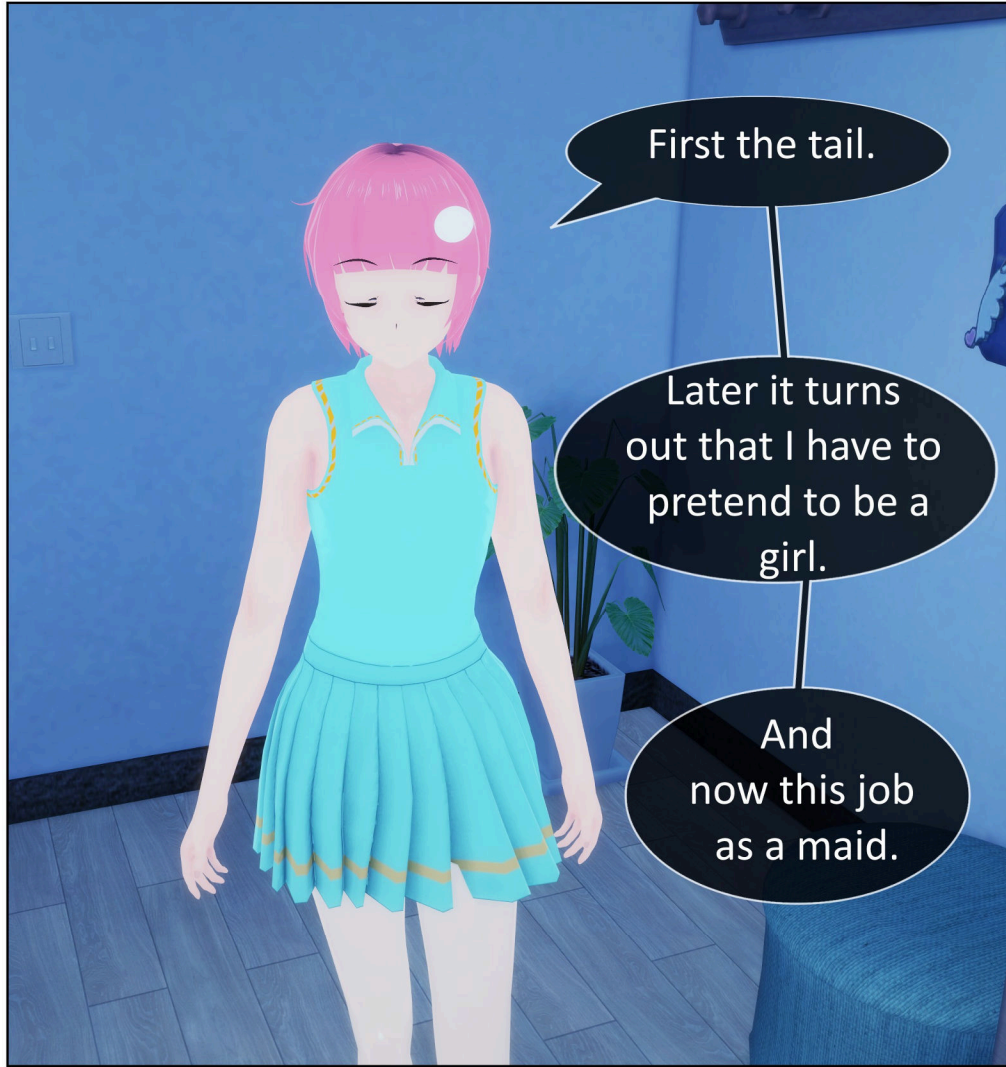

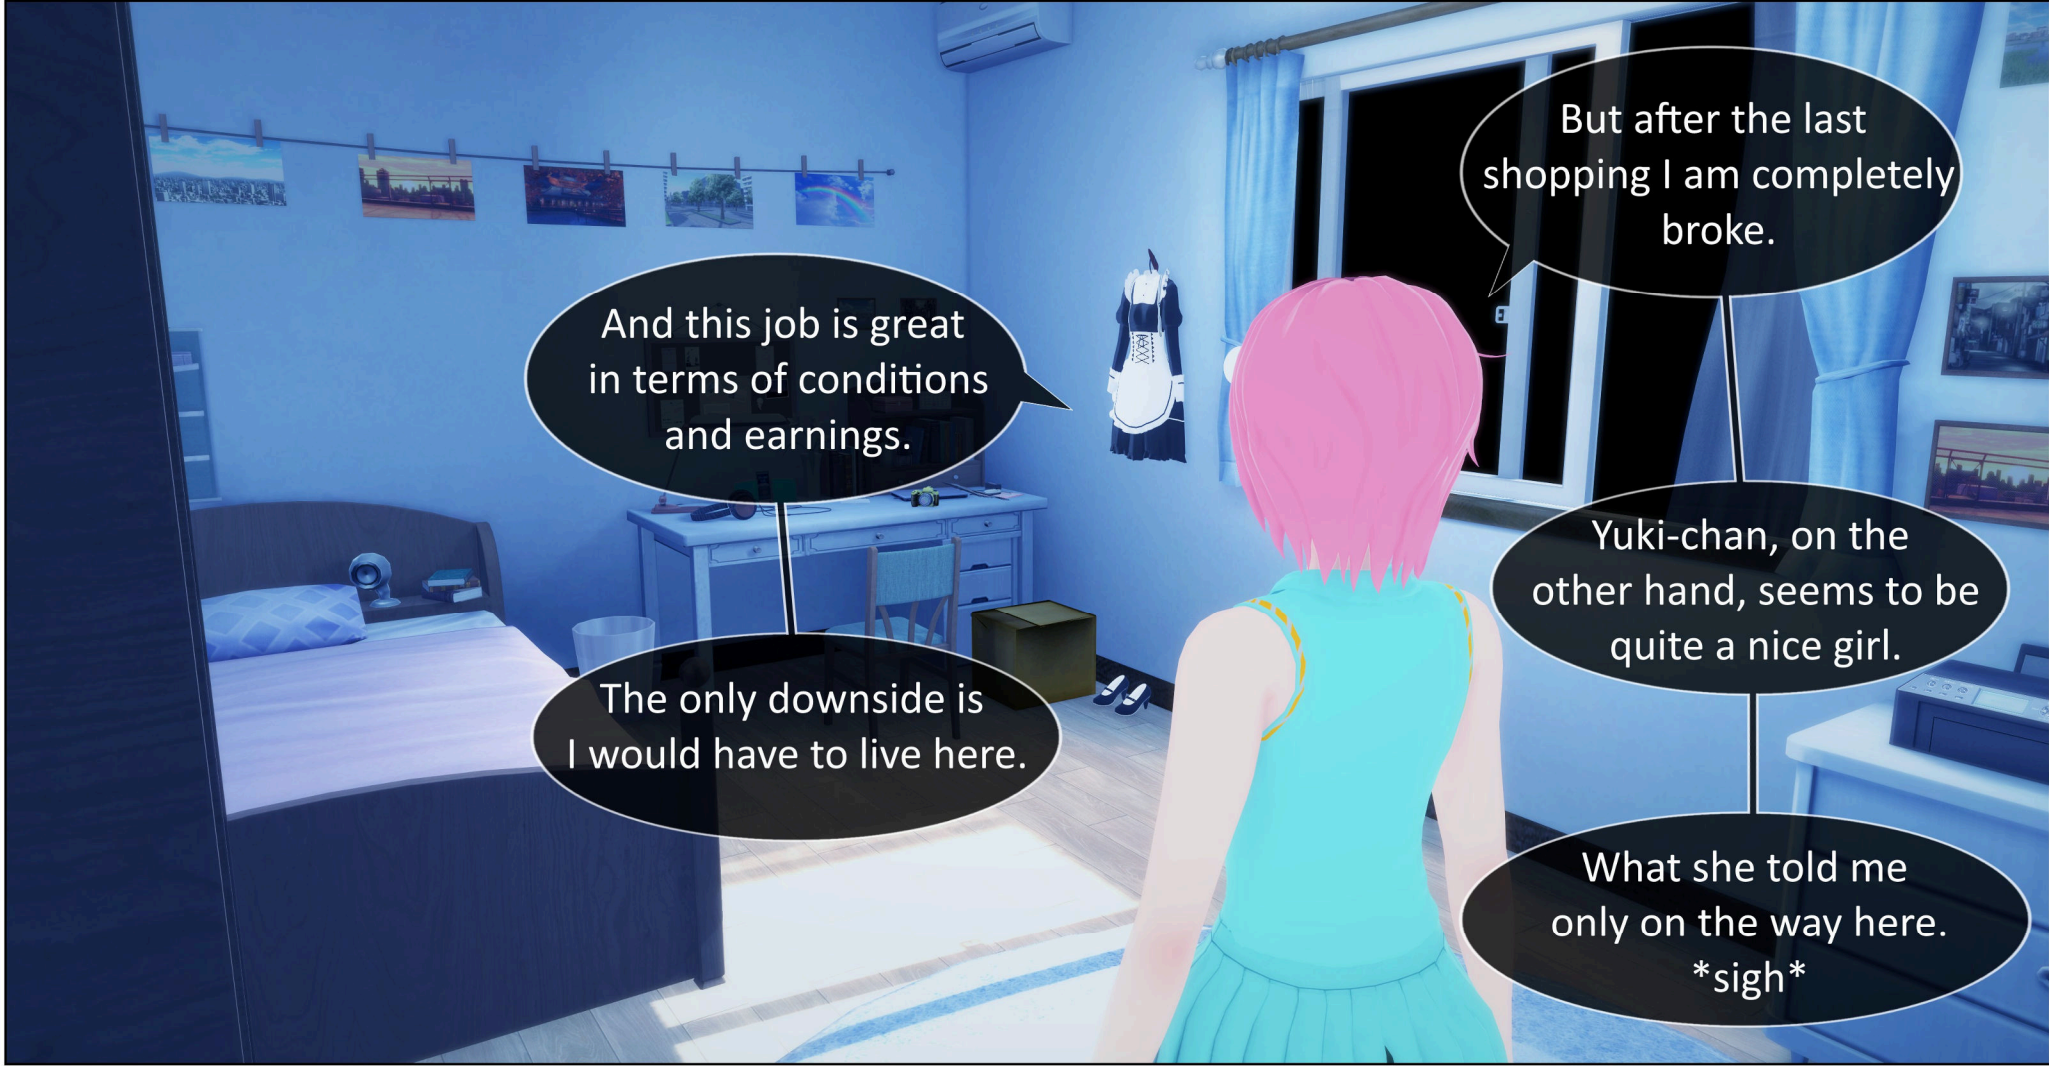

I understand.
But it's only one
night anyway.

Sure.
Thanks. I'll try not
to break anything
these two days.

What I said. As long as
you don't break anything,
feel free to use them.

Nevermind. I am
going to sleep. if you need
something, you know where
my room is.

And this job is great in terms of conditions and earnings.

The only downside is I would have to live here.

But after the last shopping I am completely broke.

Yuki-chan, on the other hand, seems to be quite a nice girl.

What she told me only on the way here.
sigh

A moment later...

Amazing fit
perfectly.

I wonder how
Yuki-chan knew
my size.

Hmm .. Momo
told her?

The only thing that surprises me is that she gave me high heels.

But surprisingly, walking in them is not as hard as the girls always tell.

And I've never learned to walk in them.

klik

klik

Meanwhile in
the corridor.

I hope this one
will suit her, it's the biggest
one I have found.

I'm not a sadist, I won't
force her to wear high heels.
Even I don't wear them,
hehe.

Because of all the
confusion, I forgot to give
Mi-chan her maid outfit.

Fortunately,
I was also able to find
flat-soled shoes.

May she still
be awake.

A character with short black hair, wearing a dark blue jacket over a white and black maid outfit, stands in a hallway. She is looking down at a small object in her hands. The hallway has blue walls and a wooden floor. To her right is a dark wooden door. Five speech bubbles are connected to her by thin lines, containing text.

Maybe I'll catch her doing something perverted, hehe.

It is not possible, it is one of the smaller ones we have, in addition, the set includes only heels.

Just like me when I tried to walk in them. My ankle still hurts.

I just hope she doesn't try to wear that maid outfit, what's in there.

He'll break his legs early.

At Rito's room ...

I never thought that walking in such shoes could be so easy.

I don't know why girls don't like wearing them?

If I could, I would wear them all day, hehe.

Welcome
back Master.

Eee ... It's not what you think.

I didn't predict that she might come back.

Eeeee..?

I brought you your outfit for tomorrow. But I can see that what was here suits you perfectly.

Yes.

From tomorrow on, I am learning to wear high heels again.

He almost dances in them and I can't even walk in them.

I guess I was wrong that this outfit was for me.

Next day...

I understand well, I have to sit in the same room all day and let someone put their head on my lap?

And people are really paying for it?

And that would be all.

Yes. this is your job for today.

Yes, many people are even our regulars.

So this is such a leisure hotel?

Of course, we also have other entertainment and services such as a simulated movie date, karaoke or even a nap with a cute girl.

But it's all about giving the guest a nice day.

Ymm ... You could say that.

I do not understand.

Oh, I almost forgot.

Usually, it is a case of what girl the client gets, but for an additional fee, he can choose a specific one.

This surcharge is 50% of the price of the service. But now for the best part, half of that surcharge goes to the girl.

Err ... Are there any limits?

And always half of the surcharge goes directly to the girl?

Put simply. If customers like you, they will pay extra to see you again

No, that's why a lot of girls are always unavailable. And customers always pay extra to see them again.

Yes, that's why some girls earn as much as I told you then.

So she was lying * sigh*.

I could have expected this.

But don't worry. Soon you'll be earning so much too.

Moments later in
a special room ...

What
I agreed to.

I already understand
why Yuki-chan told me to put
on those panties.

Well, it's
just one day.

On the other hand, nobody knows that it's really me and the earnings seem great.

Besides, I need a job now and I won't get a better one.

Ymmm ... I think that if I work here for a while, nothing will happen to anyone.

As for the girls, they're Teflon and we'll be seeing each other at school.

Mikan, on the other hand, I will buy something as an apology that we won't see each other for a while.

In the evening...

So you have decided to accept my proposal, Mi-chan.

Yes I know. But don't worry, I saw that you are doing well, so you probably will be popular soon.

Well .. work is not hard and you know I need money now.

I just hope no one at school will find out that I work part time as a maid.

Yes, I can't.
I can barely stand
in them.

That's it,
did something
happen?

Unfortunately
not today, I have
too much work
to do.

Actually
nothing. I just
wanted to ask
if you will be
with us today.

It's a pity.

They are
probably talking about
some meeting with the
employees.

But don't worry.
Misaki-chan will be
with you today.

By the way,
she will meet
the other girls.

So if you can,
take care of our new
friend Yuri-chan.

Of course
you can count
on me.

What but I ...

If clients found out that one of the maids was a guy, I would lose all my clients at once.

That's why I have to be sure that won't happen. Now do you understand?

Great, so go ahead and don't let me down.

Bright and clear.

Moments later in the dressing room ...

I told you you gained weight, hehe.

I have not gained weight, my swimsuit has shrunk

What's this gonna be?

This is our little tradition.

What?

To cheer us up, the boss allows us to use the hotel's swimming pool once a month after work.

No, most people just go home.

That's why we mostly use the smaller swimming pool.

Do all the girls take advantage of this opportunity?

Most?

You too, why, there's nothing to be ashamed of, after all, we're all girls, right?

I don't think I will use it either.

I can't let them discover my secret.

I just can't, sorry.

What?! No.
I ... I..umm

Ymm ...
I don't have ...

Yes~

Why? Do
you have these
days?

...?

Ah! You probably
don't have a swimsuit.
I guessed?

It's not a problem. I happen to have recently bought myself a new swimsuit but it's the wrong size and they don't want to take it back.

If it fits, I can even give it to you. And if you are ashamed to change clothes in front of everyone, use the toilet.

Thanks.

And I could just lie that I'm on my period, phew ...

In the toilet ...

Really pink? There was no other color?

Fortunately, I will at least be able to have these panties underneath so that nobody will notice them.

I would say it could be worse, but it couldn't.

Where she ever bought it, I saw white but never pink.

sigh

Moments later at the pool ...

You look great Mi-chan!

This outfit was a bit small for me, but you just look gorgeous in it!

And now we go to the rest. After all, you were supposed to meet other girls.

Thanks.

I want to go home.

Can I ask you something first?

An anime-style illustration of two women in swimsuits standing in a bathroom. The woman on the left has purple hair and is wearing a dark blue one-piece swimsuit with white floral patterns. The woman on the right has pink hair and is wearing a pink one-piece swimsuit. They are standing in front of a large window that looks out onto a bright, sunny day. To the right of the window is a potted palm tree. The floor is made of brown tiles. There are three speech bubbles: one on the left with purple text, one on the right with blue text, and one on the right with blue text.

Yes, during the day, but no guy can be here at night.

Otherwise, rumors would arise.

What a rule for no boys. After all, there are plenty of them here during the day.

Why?

I see.

I don't know, it's probably the new one the boss was talking about.

Maybe that's her style?

Hey, who is this girl, I've never seen her here before.

This is her, she looks like a typical tomboy.

Maybe, but with this style, she won't make much money. Besides, how she moves, as if she swallowed a stick.

Just don't tell me you think it's a boy. Do you remember what happened to Yuri-chan?

I remember.

You thought it was a boy, and it turns out to be a pretty nice girl.

And after teaching her some female tricks, she became one of the most popular girls.

embarrassed

I still think this new girl is a boy and I'll prove it.

Hey, girls not so public, he he

Oh no, this cartridge fell out again.

Let me see.

He ... she ... has breasts? So it's a girl after all?

You see There is such a small piece of cloth here, you have to tuck it or the inserts will always fall out.

You're welcome. And you don't have to be ashamed. There are only girls here.

Now yes . Thanks for the advice.

It's easy for you to say. you don't have to pretend to be a girl while another one adjusts your costume.

A moment later...

She's probably
just ashamed, but
I have an idea.

You'll see,
hehe.

Why is she
still standing there?
Something happened?

What's
that idea?

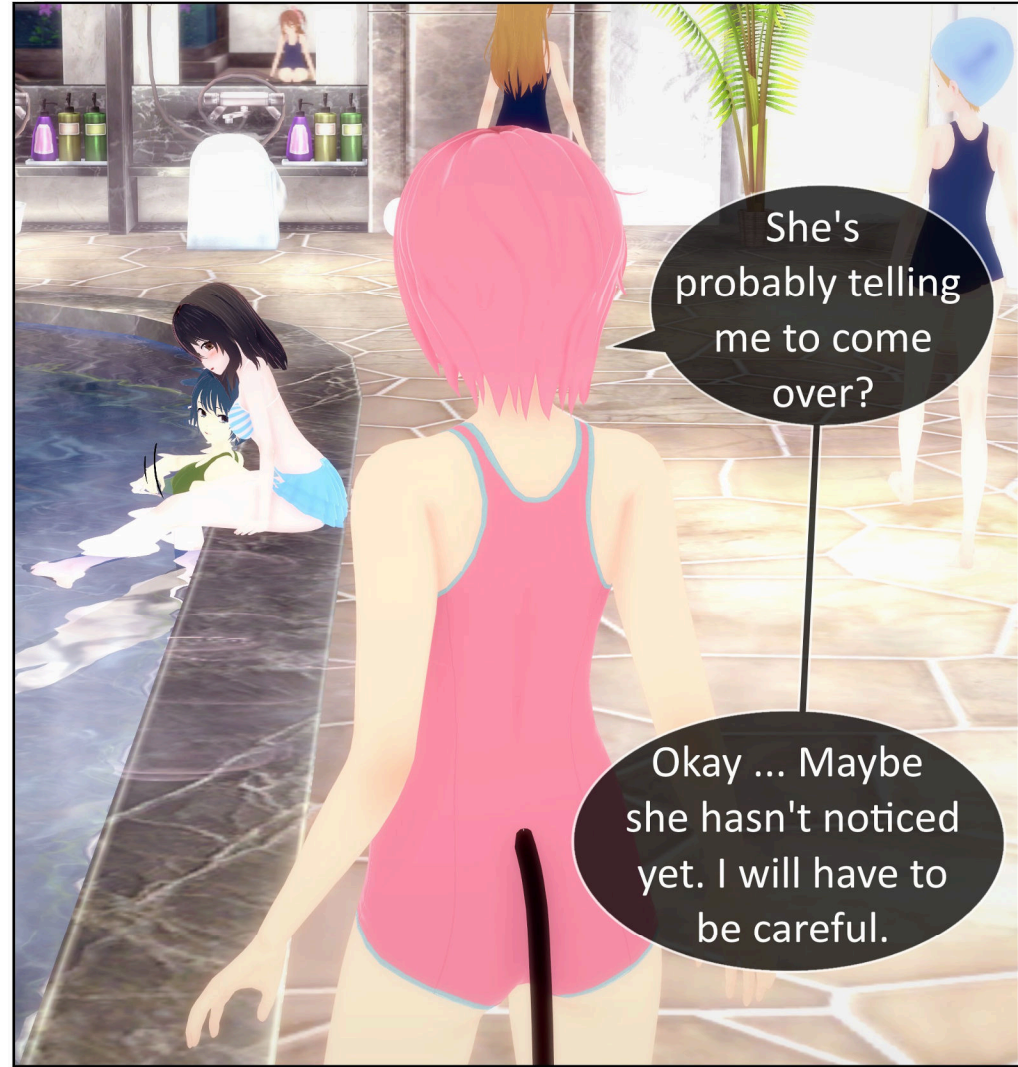

Well. what
should i do now

Hmm ... If I'm on
the sidelines, nothing
will happen.

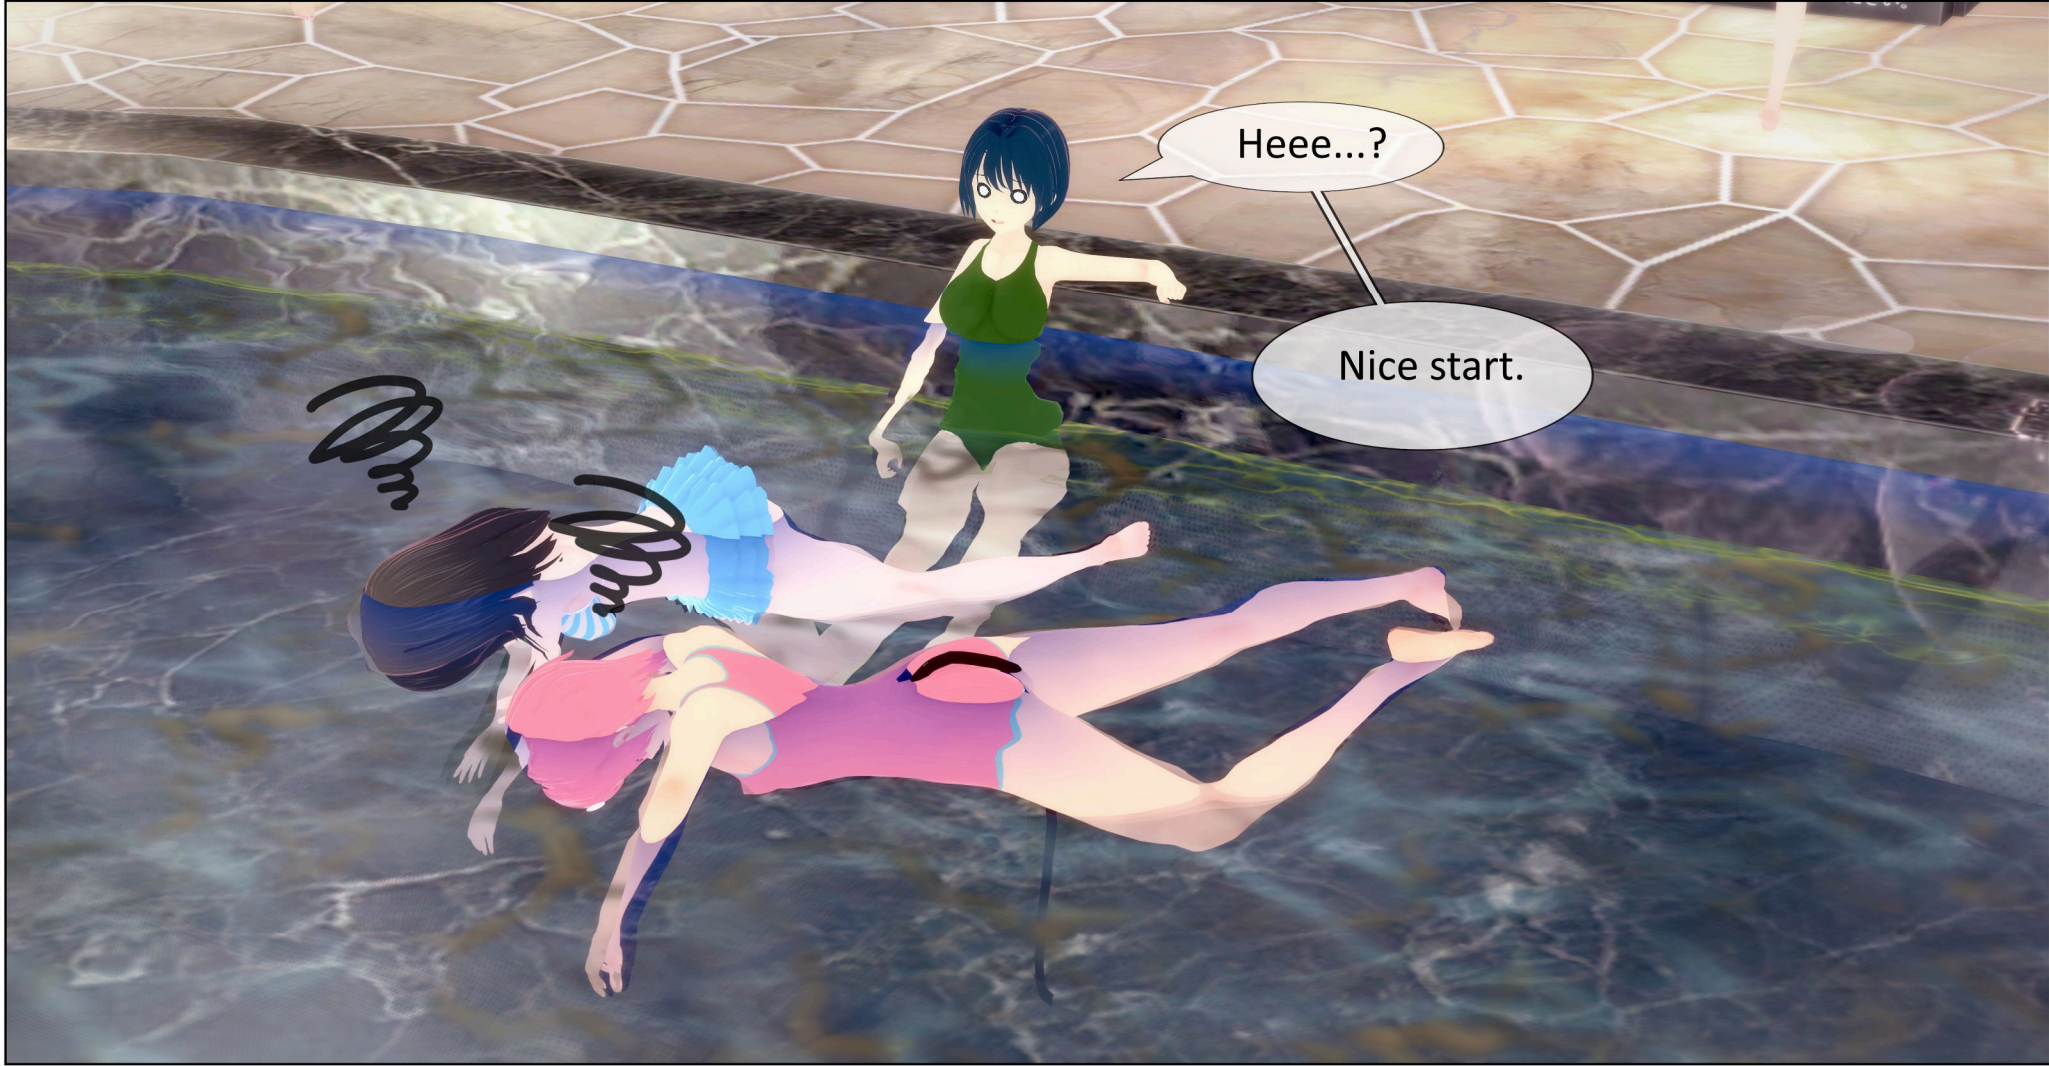

I have to
bathe with them,
but they can't find out
who I really am.

I will just try not to attract
anyone's attention and then I will
pass the test. because then surely
no one will discover my secret.

Heee...?

Nice start.

Plm

Plm

Plm

I just hope she's not that unlucky all the time.

In any case, we'll have to call the boss.

The next morning
in Rito's room ...

My head,
what was
that ...

Oh yeah I slipped
on the soap and fell
into the pool.

I guess
I must have
passed out.

Moment...

ZZZZ...

How did I find myself in my room?

Wait, it's the girl from yesterday, what is she doing here and why is she in her pajamas?

What happened while I was unconscious?

And why am I wearing a dress?

Have they discovered my secret and this is some kind of punishment?

But that doesn't explain what she's doing here.

Besides, if they discovered my secret, she wouldn't be here for sure.

Good morning
Darling, are you up yet?
It's a pity, I thought I would
have time to take a few
more pictures of you while
you're sleeping, hehe

You looked
so cute I couldn't
help myself

What is she doing
here and why am
I in a dress?

Wait a second,
did you take pictures of
us while we slept?

Really?

Sure thanks.

Relax, I wouldn't do this to you, Mi-chan.

Yes, I just wanted to show you how cute you can be. You will return the camera later. However, you can delete photos.

And now we will wake your friend up, I told her mother yesterday that she will spend the night with me.

I can see that Momo's plan is working perfectly so far, Rito seems to be starting to trust me slowly and it will make everything easier, he he.

After all, changing appearance is not everything, we also have to work on the personality.

To be continued...
