Who you are? And why do you look like me, I mean like Rito?

Why do you sound like Lala and most importantly ...

Why are you wearing a female uniform?

I gave Momo-chan
your old uniform
and as it turned out I
couldn't enter the school
without any uniform,
so I decided to wear
my old uniform.

You guessed
it Rito!

Wait ...
Lala is that
you?

Why do you
look like me?

That's why you turned into me?

I just wanted to prove to you that being a guy isn't all that bad.

And I figured the best way to do that would be to just show it to you.

Exactly, and I'll show you that being a guy can be fun too.

I understand well?

Did you turn into me to encourage me to make me wanna be a man again?

But I want to be the guy again. You don't have to encourage me to do this.

Yeah, why did you ever get the idea that I don't want to be that guy again?

Really?

Because you started acting like a girl.

You even started talking like a girl.

Sorry Darling, but my offer is no longer available.

Maybe it's because I'm constantly with girls and have to act like them.

Luckily, Yuki-chan said she can turn me back into the old me, so it will be over soon.

Think if I changed you back now, we'd have two Ritos.

What?! Why?

Yes, but it's not a problem.

After all, Lala can change back to herself at any moment.

Because you can, right?

After all, you had to come up with something to change back into yourself.

Eee...

What do you think. What did Mikan cook for dinner today?

Maybe pasta with sauce.

I knew I forgot something important.

You haven't figured out how to turn back into yourself later.

After what time will it pass by itself?

Eee...

Momo-chan told me to be careful and not to change back into myself so that everyone can see, so the effect is permanent.

* Sigh *
And I could already
be myself.

Don't worry,
I'm sure Yuki-chan
can fix it.

Yes.

Sorry, Rito.
I forgot about
it completely.

You
think so.

Of course I can, Mi-chan.

And I will gladly do it.

Because you can fix it, right?

I hope she's not upset that I made the decision for her. But she doesn't seem mad at me for that.

Phew ...
I was afraid that I
would have to stay like
this forever.

But I want to
go home now.

I'm just getting
a little homesick.

I'm gonna
miss being Mi-chan
a little.

Not that living
with Yuki-chan isn't
cool.

I'm starting
to have a little
dilemma.

At the same time,
I wish I could continue to
be Mi-chan.

And I'm
slowly starting
to have strange
thoughts.

I wish
I could go home,
but ...

I guess I've
really been a girl
too long.

Okay, I'll take care of everything.

Could you please come out, Mi-chan?

Just get out. when i finish i'll call you.

What!? why?

But that's no problem for me, Rito has seen me naked, and now I look like him.

I preferred not to have to do this.

But I feel compelled to do so.

Get out!!

When I finish,
I'll call you!

He?

Why did Rito
have to leave?

It really
wouldn't be a
problem if he
saw me naked
again.

For what?

Yes, but
I wanted to be
alone with you.

I need to talk to you
about something important.
More precisely, I wanted
to ask you something.

What?

Yes, but
Rito himself said
he wanted to be
himself again.

Could you
pretend that you
are Rito for a
while?

Rito has to become
himself again because
everyone starts asking
about him, right?

So that there
would be no
problems.

Aaa
I get it.

Then of
course I can be
Rito for a while.

Sure.

Great, just don't
say anything for
Rito so he doesn't
think he's making
you do it. We'll
tell him that he
failed.

In the meantime,
in the corridor ...

I wonder
if Yuki-chan
made it?

I hope so.

I wonder what
has been going on
with Yūki-kun lately,
why is he pretending
to be a girl for so
long?

Maybe
Momo-chan will tell
me if I ask?

Hi Rito-kun,
are you back
already?

I thought you
would come back
with Zastin.

What?
But how is that
possible?

Amazing how well Lala can imitate my voice.

Er ... Yes ...
But ...

I thought I had been gone for a long time and they might have started to worry at school.

So I came back earlier.

So I was wrong
after all and Mi-chan
is not Rito.

But I saw
Mi-chan and Lala
kiss?

A moment,
after all, Lala comes
from another planet,
maybe a kiss means
something else
there?

I just remembered that in many countries a kiss on the cheek is a common way of saying hello or goodbye.

I guess I've watched too much TV.

Probably for them it is also just a symbol of friendship.

Momo-chan!

?

I wasn't here ...

Why did you do that?

Because you called me.

Why did you turn around?

What?
We don't ...

I didn't know you
girls were so close.

You don't
have to hide your
relationship from
us, we're friends
after all.

What? What
a relationship, it was
just an accident.

You see.

He?

Exactly.

I mean, I like Momo-chan even more than just a friend. But...

Er ... It wasn't supposed to sound like that.

In Japan, the word "suki" can mean that you like or love someone very much.

I did not expect this. But I also have to run away because I have something else to do.

And before I forget.

You're coming home after work today.

What?

It's great!

Do not get me wrong. You're not fired.

But since Rito is back, you don't have to live with me anymore

I told you that I am not firing you, you will come home after work.

What about the job?

Great!

In the evening in
Rito's old room ...

Home
at last.

I was slowly
afraid that I would
never come back
here.

I can see you are really enjoying coming home.

Glad, although I expected you to come back in a slightly different condition.

Of course, aren't you glad that I came back?

Eh ... Me too.

But at least thanks to Lala and the fact that she will pretend to be me for a while, I was able to come back at all.

As long as I have to pretend to be Rito, yeah.

Hmm ... Actually, Mi-chan is now a family for Momo-chan and Nana-chan.

But I think it won't be a problem if you call him Onee-san, right?

So Lala from today you are my Onii-san?

So Rito, I mean ... Mi-chan is kind of like my Onee-san?

What do you think about it...

Momo-chan?

Why did you call me Onee-san?

Onee-san!

You guessed it.

I can not?

After all, since Mikan-chan wants to call Lale Onii-san.

I should start calling Mi-chan Onee-san.

It would be fair that way.

Especially since Nana-chan has already started calling Mi-chan Onee-san.

Ymm ... Yes,
this is my room
after all, why are
you asking?

No...
Probably not. What's
something weird
about that?

By the way, are
you going to sleep
here tonight?

Don't you
see anything
strange about
it?

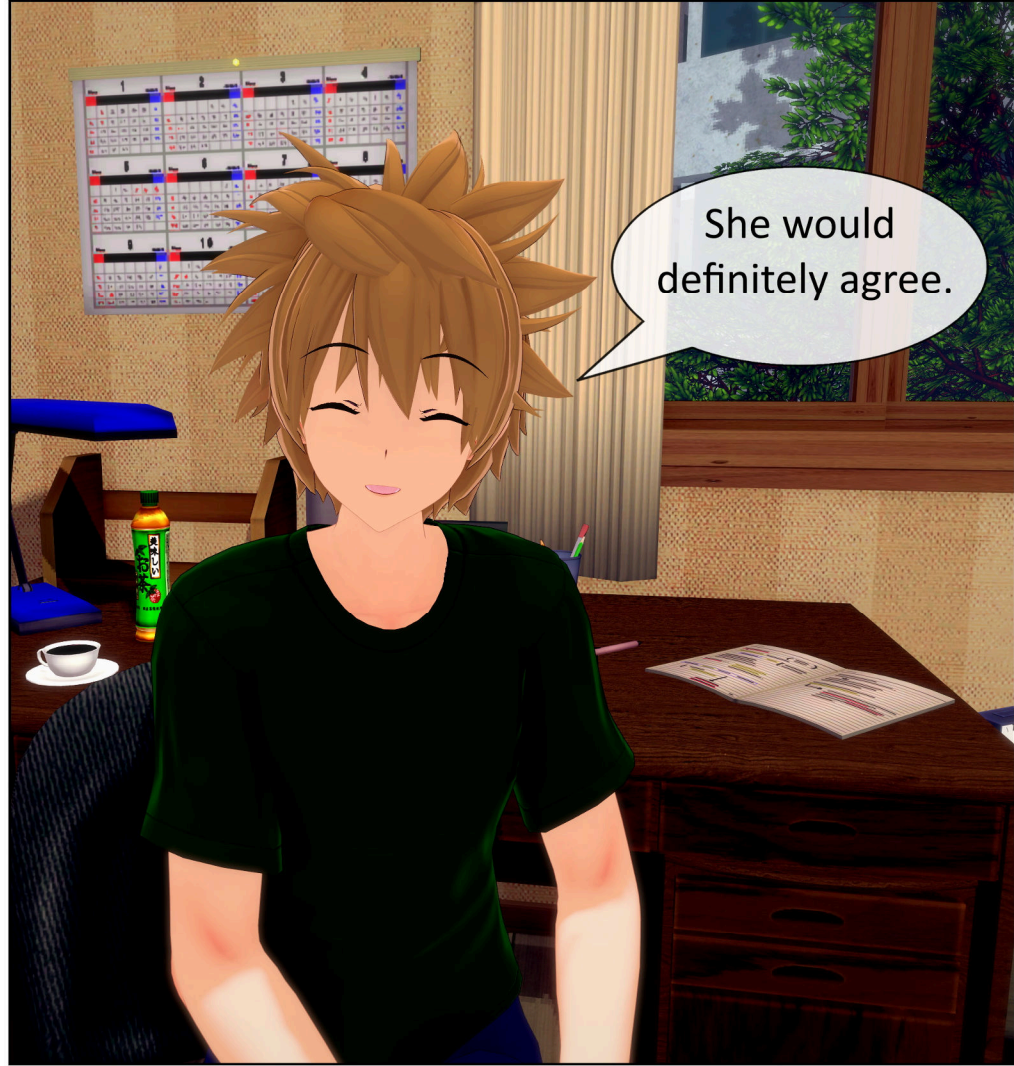

This is Rito's room,
not yours ...

No, there is
Rito and you are
Misaki Deviluke,
my cousin.

Great. So until all this
is over, you will be
sleeping in Onee-san's
room who suddenly
had to leave.

But I'm
Rito, forgot?

A ... I get it.

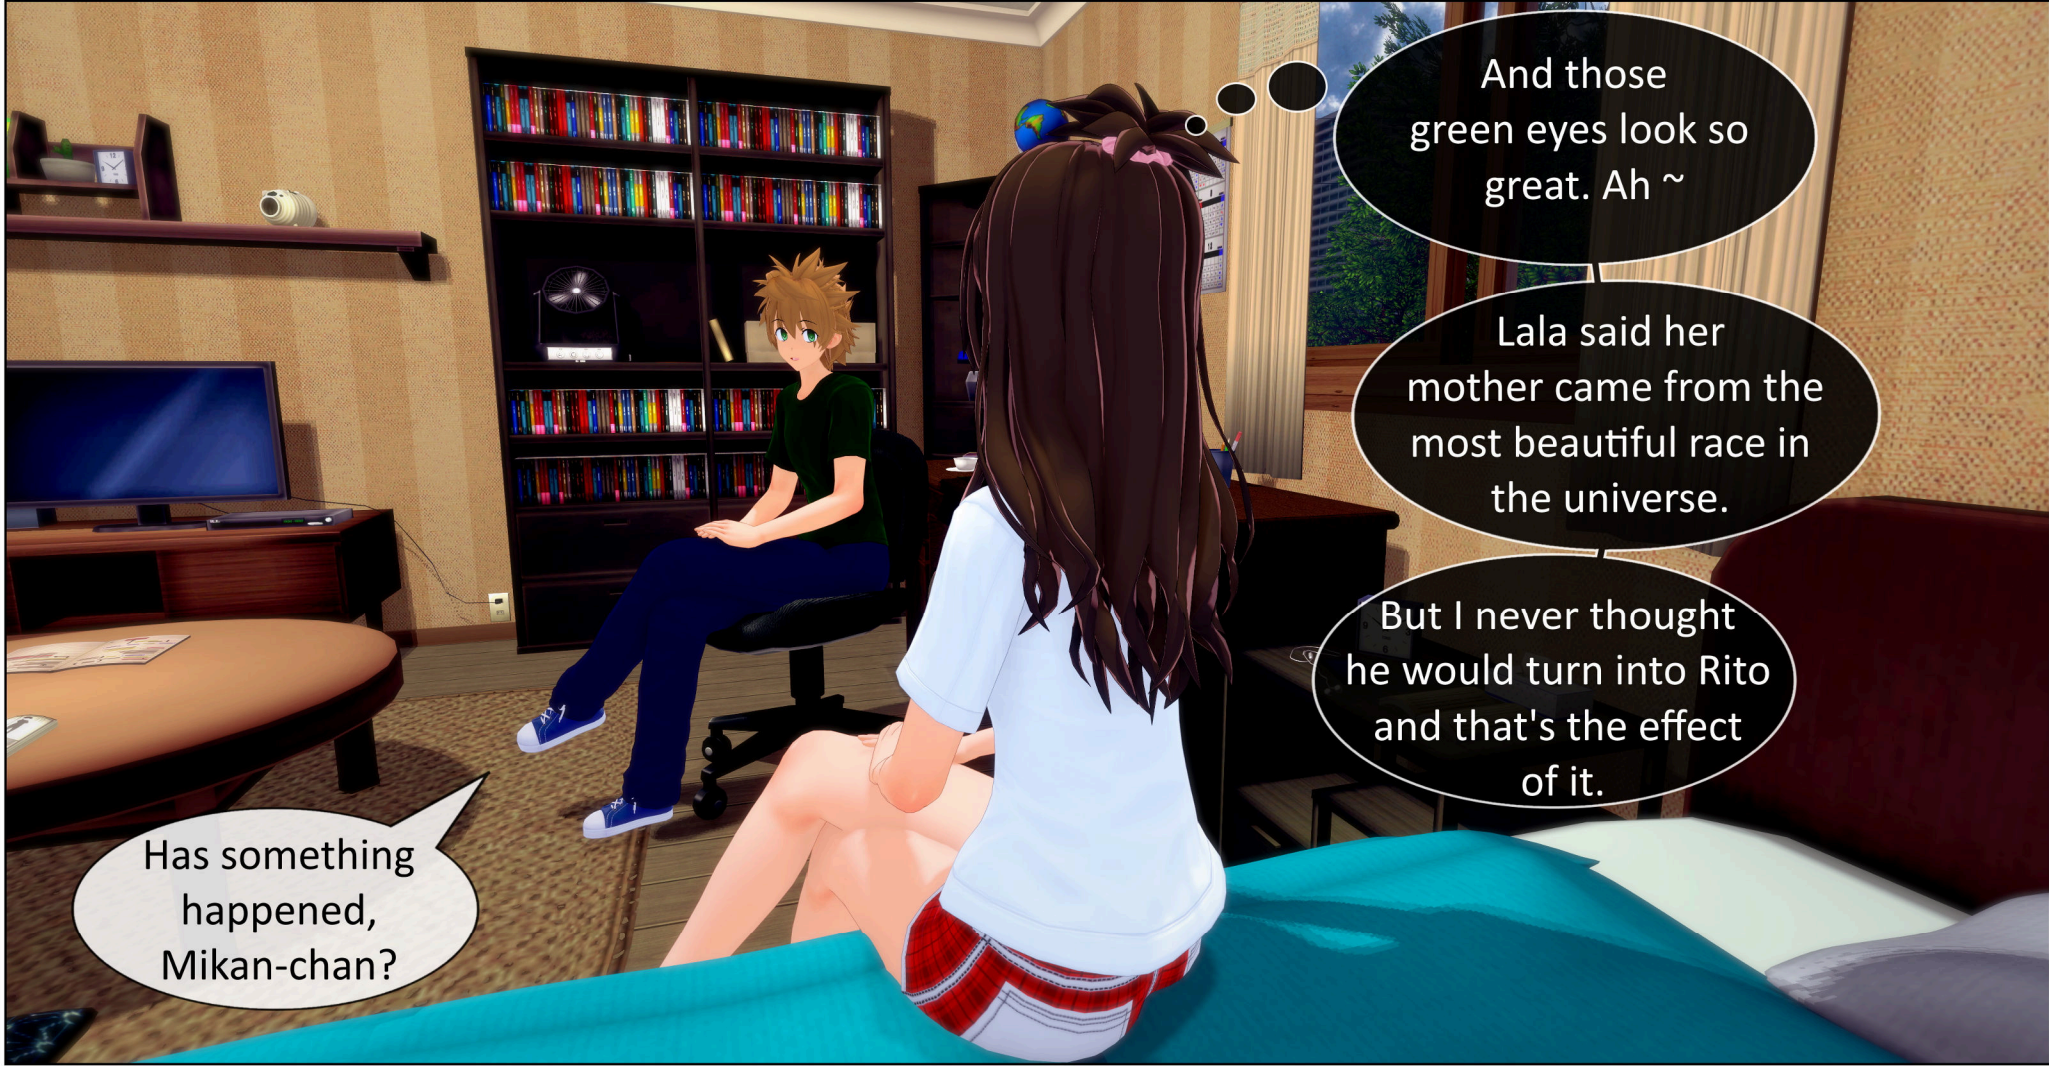

So from today
Lala will pretend
to be Rito?

What's next?
Rito will grow his
hair and pretend
to be Lala?

Although
Lala looks pretty
good as Rito.

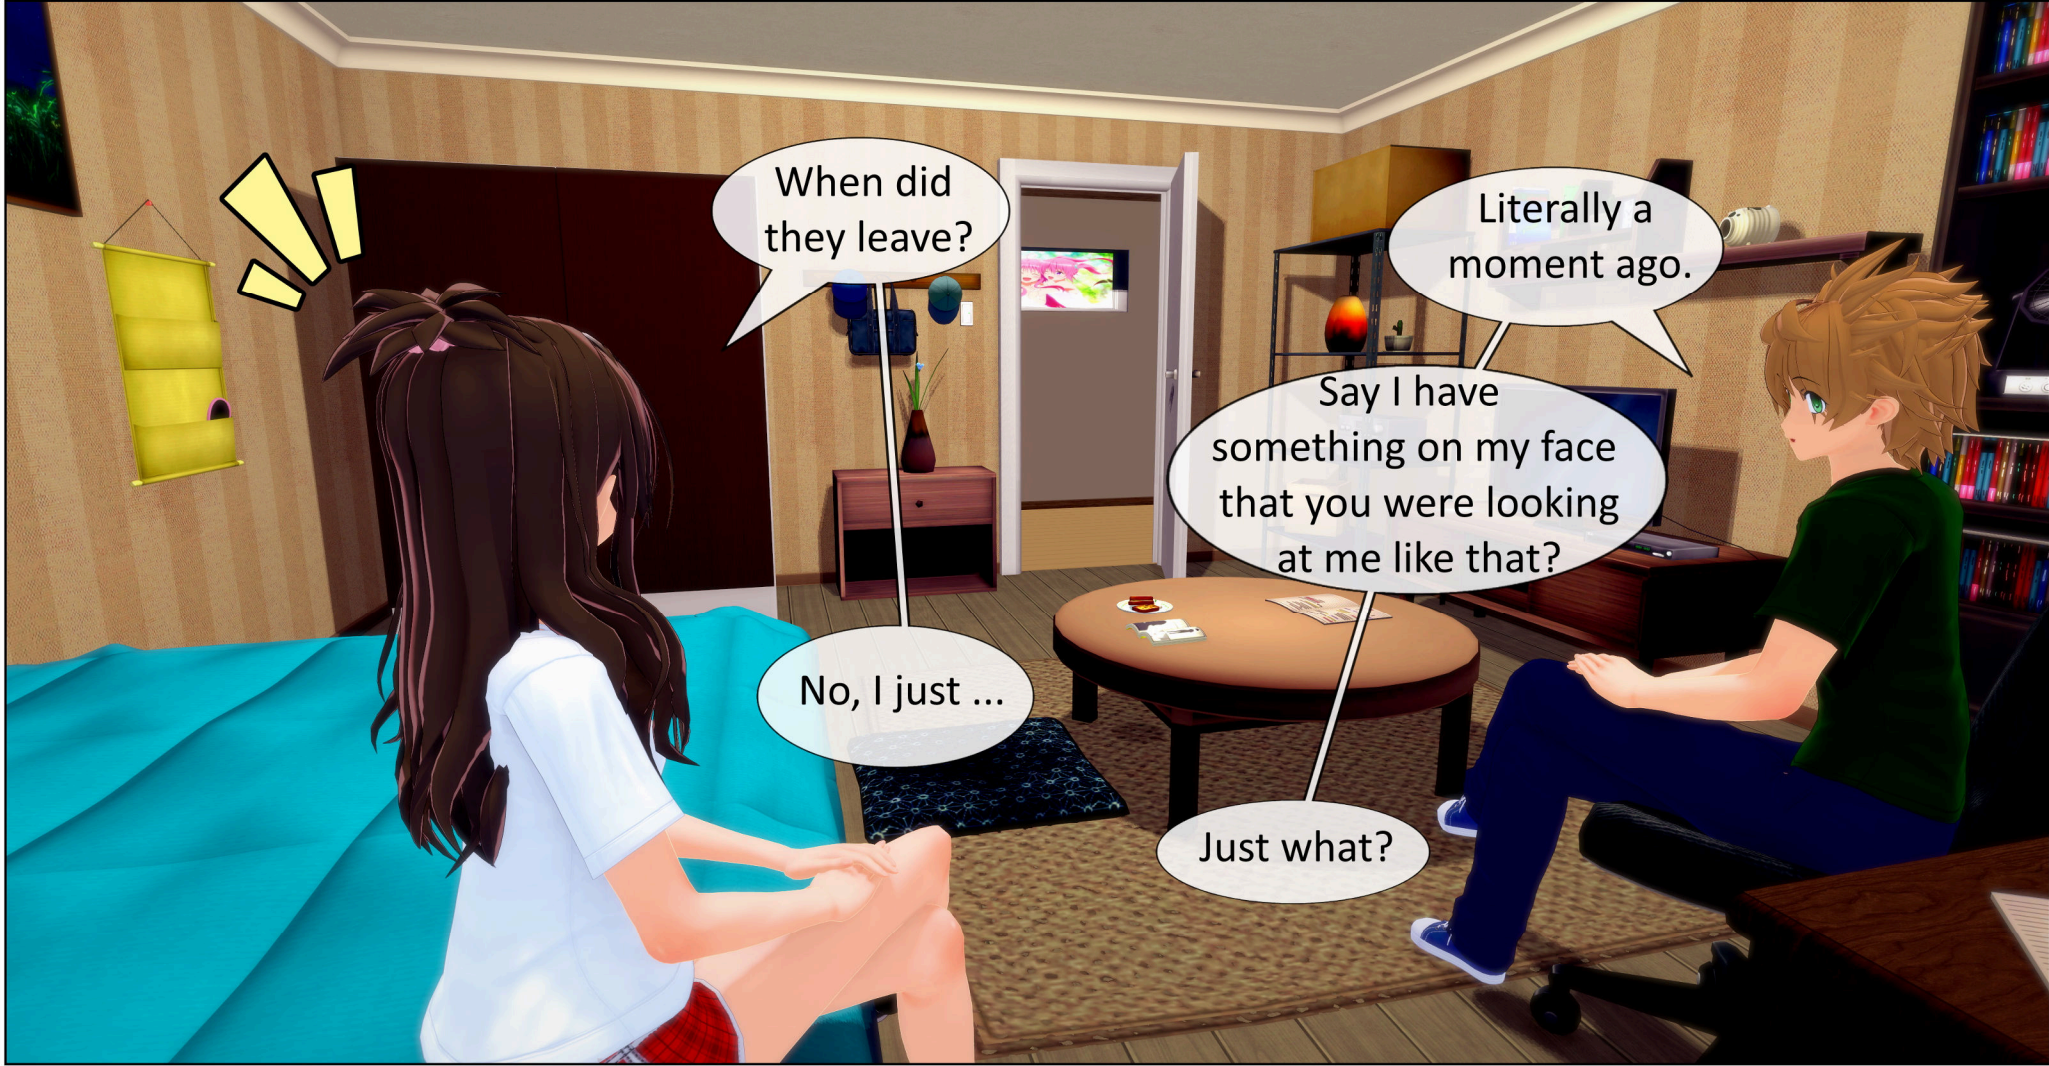

Has something happened, Mikan-chan?

And those green eyes look so great. Ah ~

Lala said her mother came from the most beautiful race in the universe.

But I never thought he would turn into Rito and that's the effect of it.

When did they leave?

Literally a moment ago.

Say I have something on my face that you were looking at me like that?

No, I just ...

Just what?

I have to go to sleep,
I have an important
exam tomorrow.

Sleep? It's
only 6 o'clock?

But maybe
Mikan-chan is
right and I should
go to bed early
tonight as well?

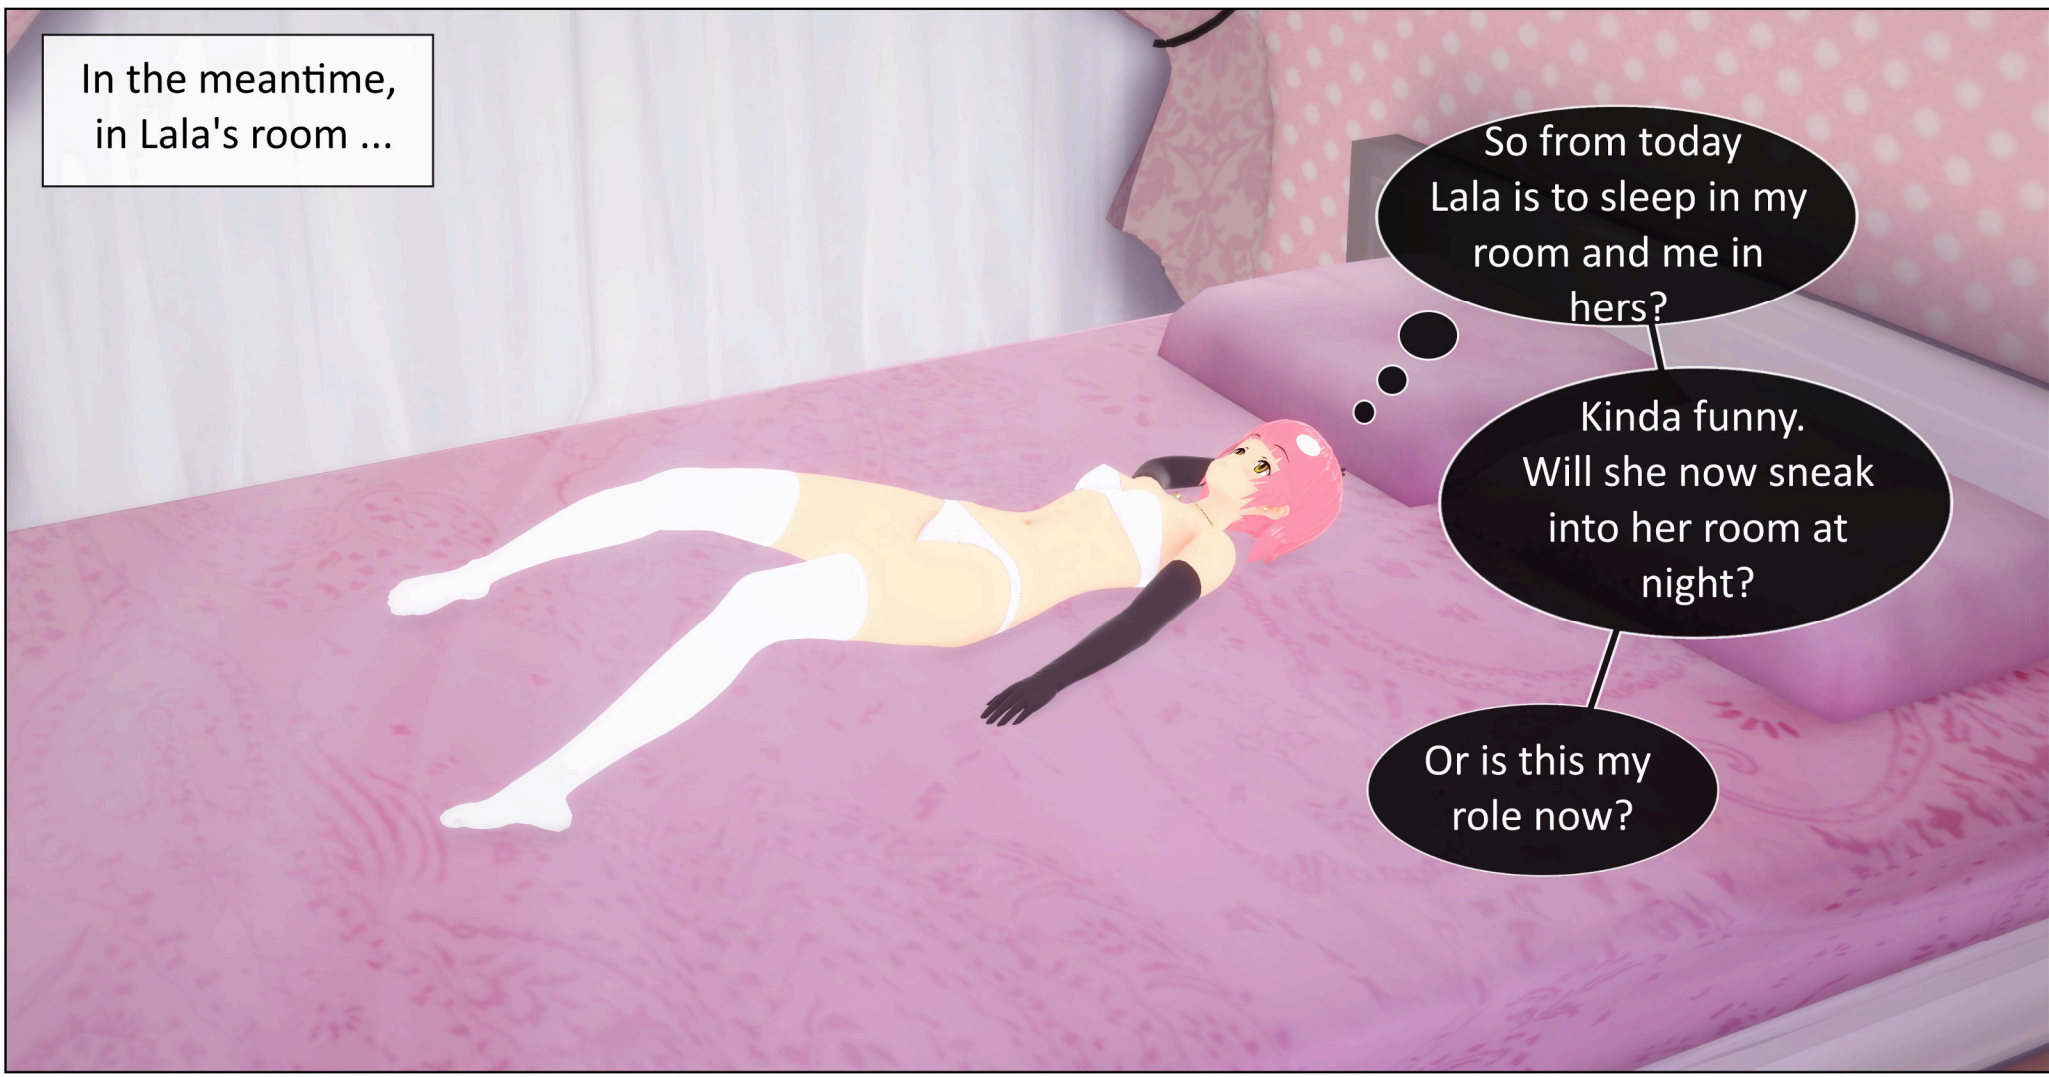

But first a
bath.

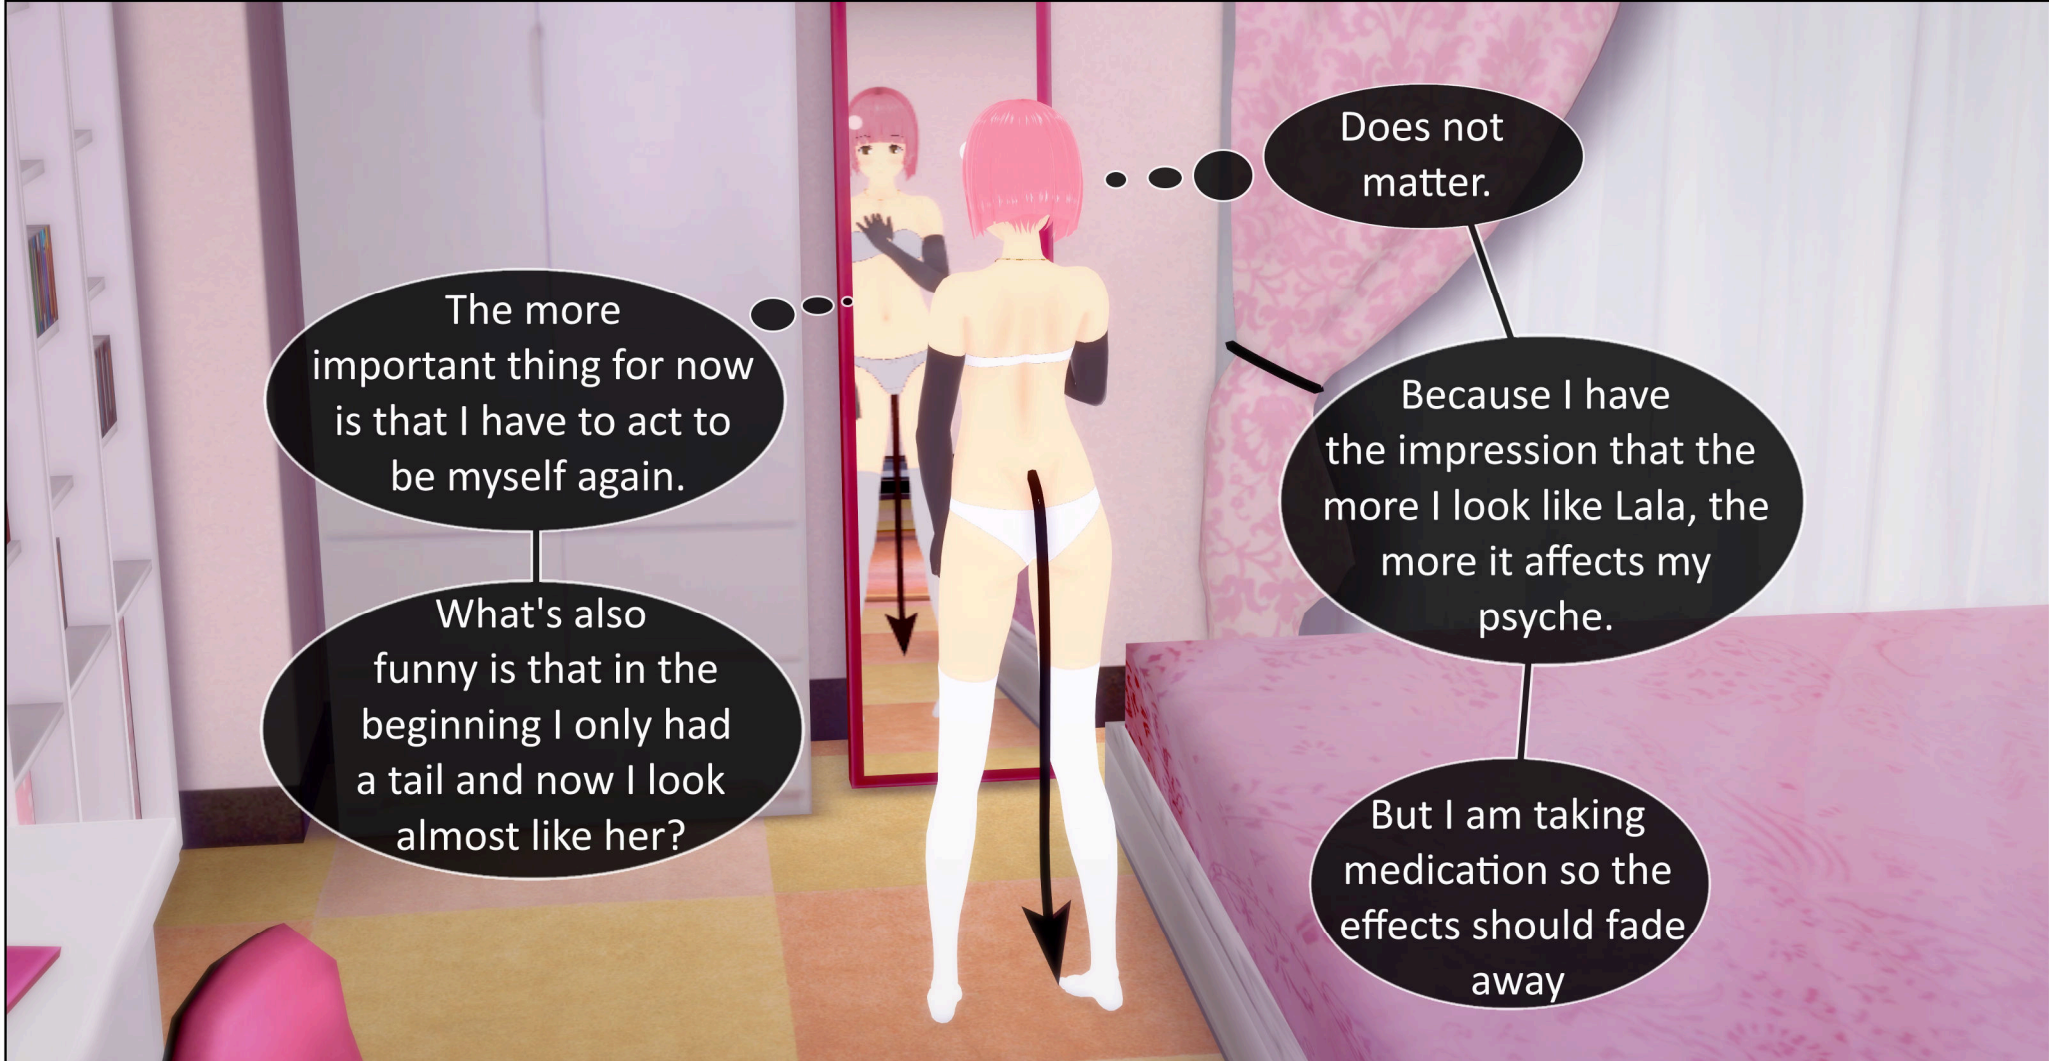

In the meantime,
in Lala's room ...

So from today
Lala is to sleep in my
room and me in
hers?

Kinda funny.
Will she now sneak
into her room at
night?

Or is this my
role now?

The more important thing for now is that I have to act to be myself again.

What's also funny is that in the beginning I only had a tail and now I look almost like her?

Does not matter.

Because I have the impression that the more I look like Lala, the more it affects my psyche.

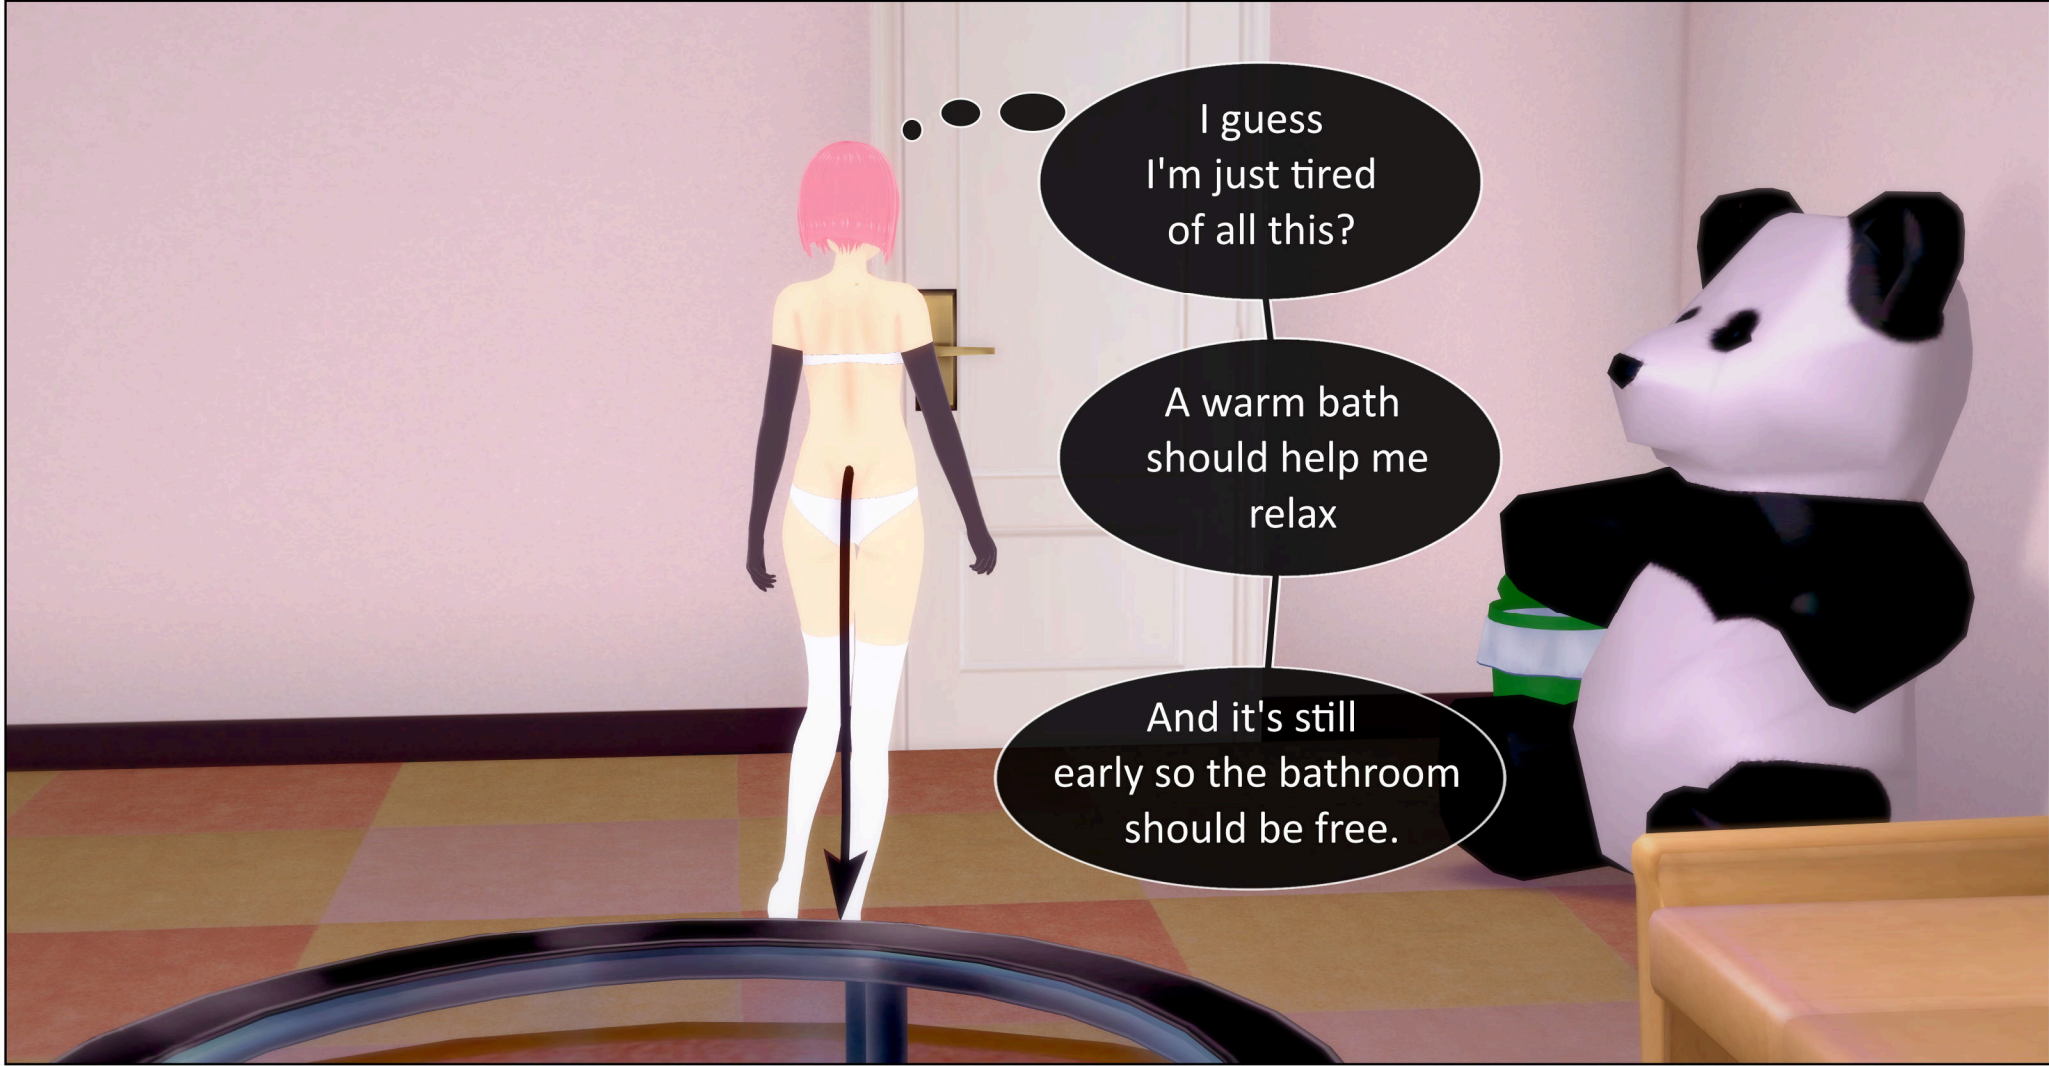

But I am taking medication so the effects should fade away

Which is good on the one hand because it stopped bothering me that I have them.

I hope that when they disappear my interest in them will return to normal.

At least having breasts stopped impressing me.

But on the other hand, I also don't feel attracted to other girls' breasts.

I guess I'm just tired of all this?

A warm bath should help me relax

And it's still early so the bathroom should be free.

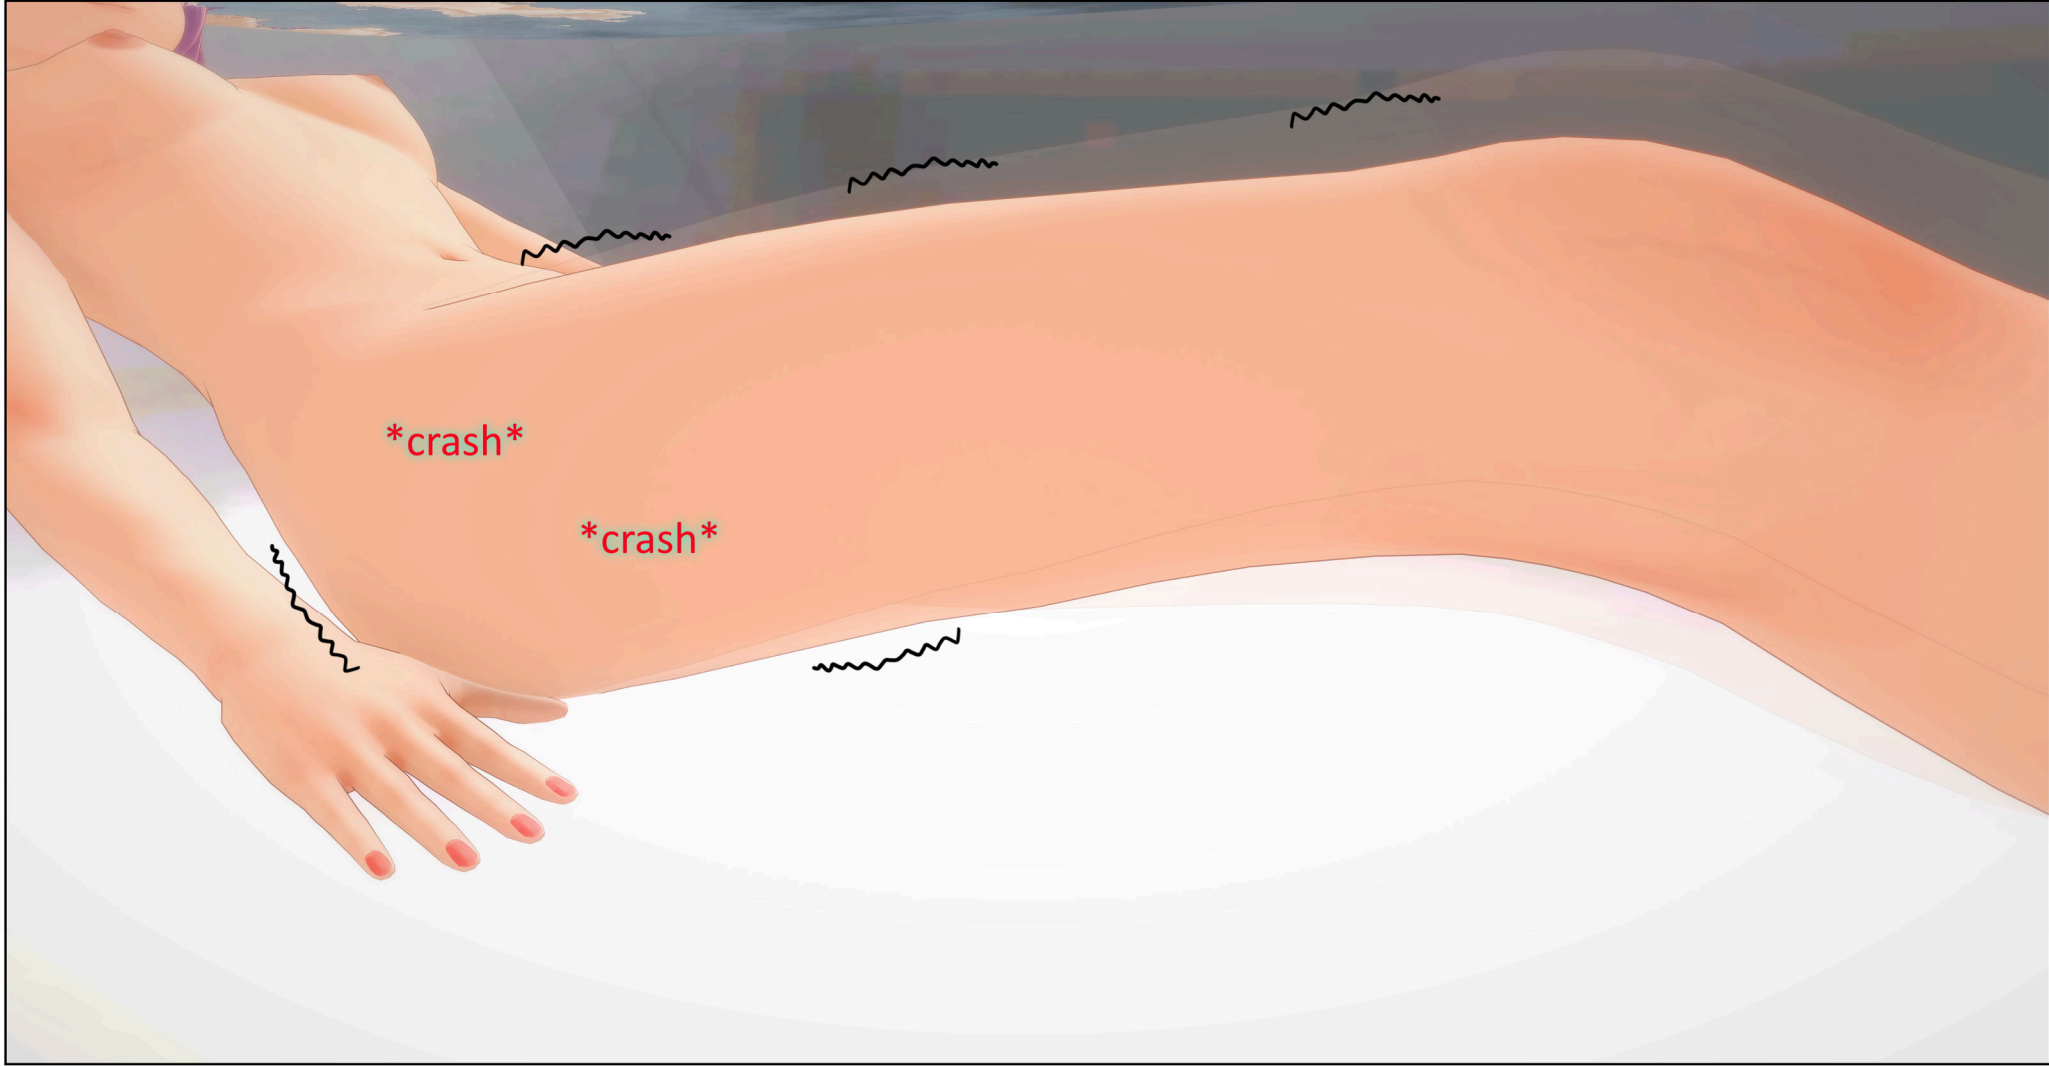

Moments later in
the bathroom ...

That's what I needed ~

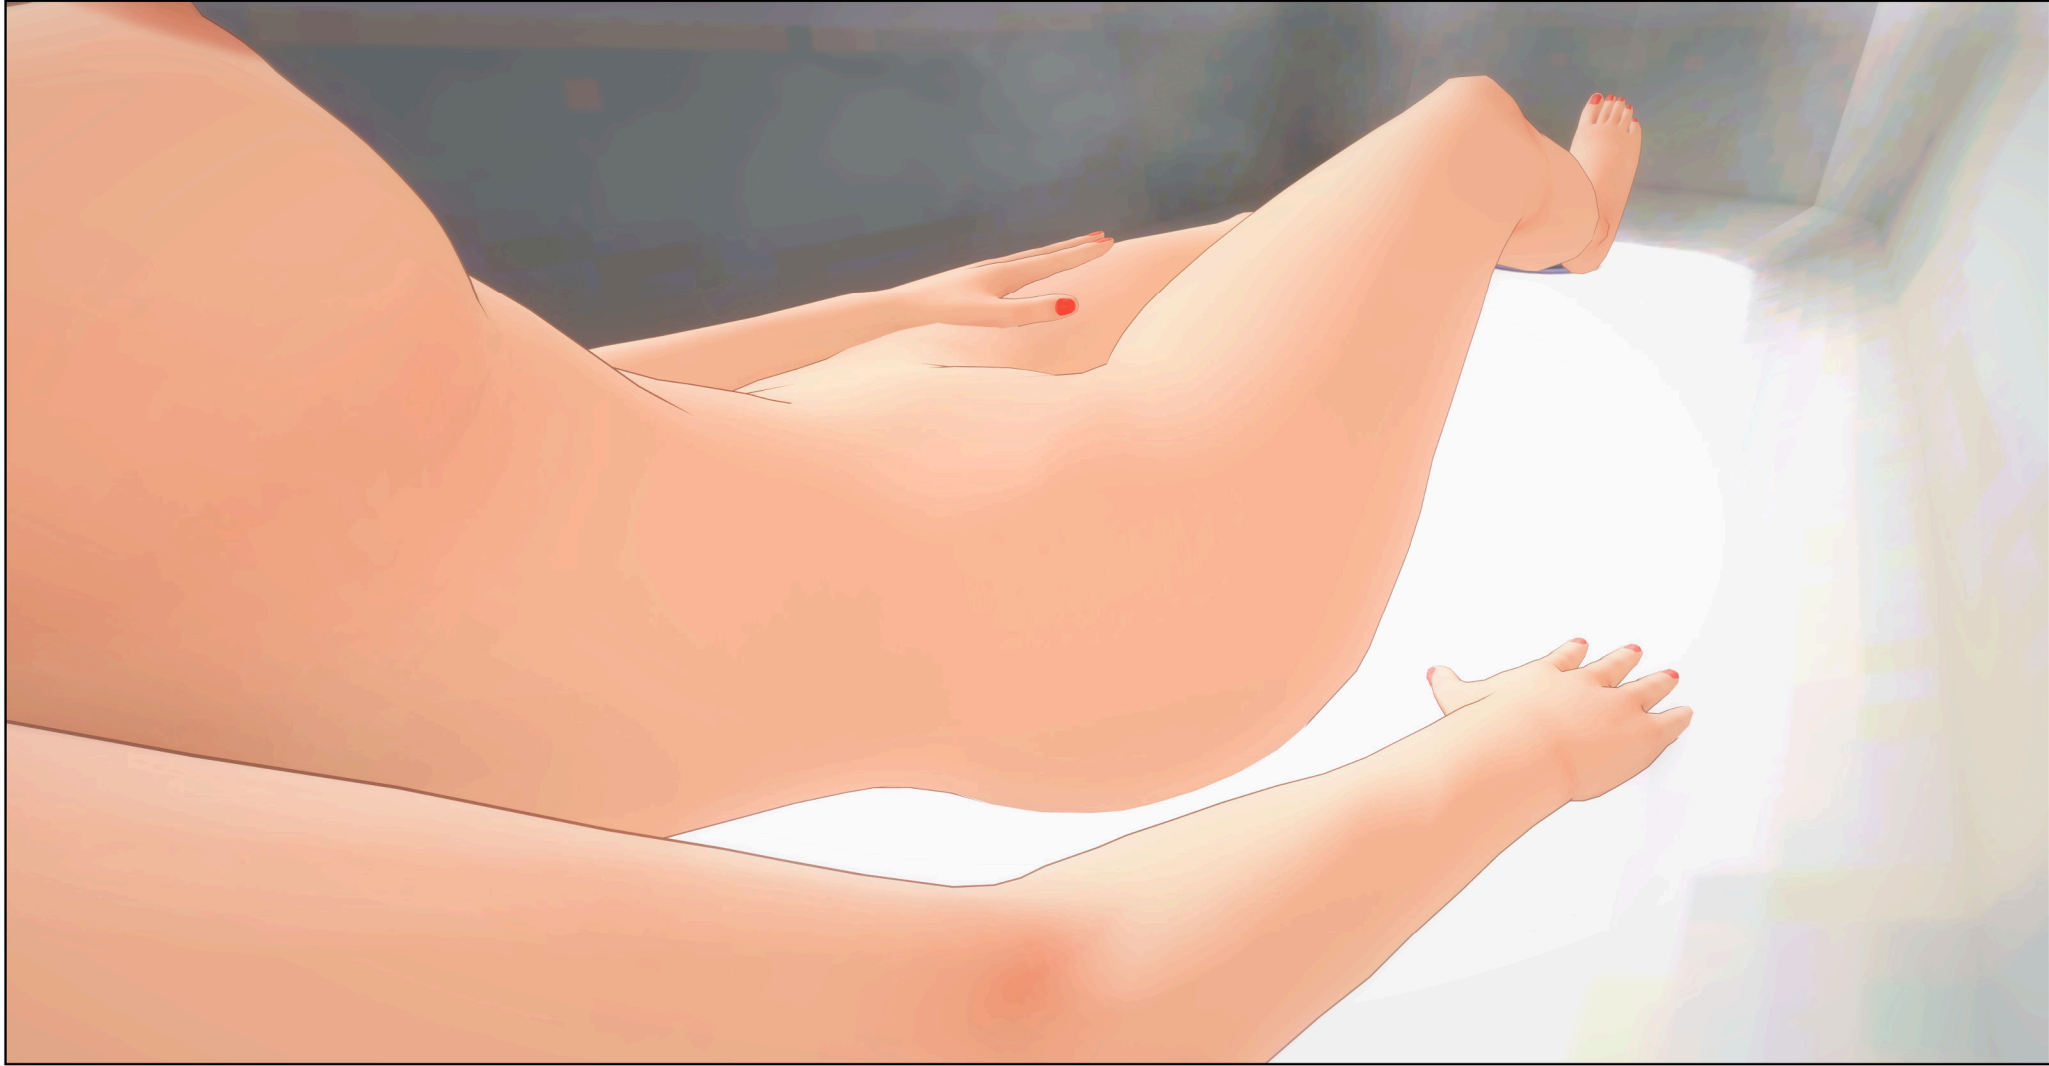

Phew ~ I never thought that a simple bath could be so much fun.

crash

crash

What was that?

Hope it
wasn't anything
serious.

For a moment
it hurt as if my pelvis
had burst.

Fortunately, it has
already passed. But if it
happens again, I'll have
to see a doctor.

* The sound
of the door
opening *

Weird,
I thought I heard
something ~

Yes...

But I figured if I looked like you right now, you wouldn't mind having a bath together.

After all, you've seen your body naked many times.

Lala?!

What are you doing here? After all, I've told you many times not to come in when I'm bathing!

Yeah, but it's even worse now because it looks like two guys are bathing together.

And that's gay.

Yes, we're a couple, but I'm not a girl.

Why?
After all, you're a girl right now, and we're still a couple.

Apart from that little detail, you are, hehe.

Mi-chan, don't be like that, it will be funny I promise.

Are you sure?

Maybe, but you can't bath with me anyway.

No, this is my final decision and nothing will change it.

Yes!

Mi-chan, are you there?

Can I come in for a moment?

Because I forgot the watch on the sink.

I promise not to look.

So, can I come in?

Yes, just give me a minute!

Okay!

Sorry you had to wait. But I had a problem with the towel.

No problem .

Besides, I'd rather not see my own brother naked.

Because maybe you look a bit like a girl now. But you're a guy after all

Yes?

What is a
corset?

I thought the
whole time he was
stuffing his bra. But
he really has breasts
like that already!

Er ... What about
your figure you are
wearing a corset?

He doesn't
even know what
it is !?

A moment later...

Would that be wrong?

But if you look almost like me now, there's nothing wrong with that?

Fortunately, Mikan-chan didn't notice anything, phew ...

Of course, I don't want my sister to see me bathing with a guy, even if he looks like me.

Be careful,
Mi-chan or you
will drown.

Hm?
Something
happened?

What
about her, I hit you
accidentally? I tried
to be gentle.

Your
hand.

It's on my
chest ~

A person is lying on their back on a sandy beach, with their arms crossed over their chest. The background shows a vast, colorful sky with swirling patterns of blue, orange, and purple, suggesting a sunset or sunrise. A speech bubble is positioned above the person's head on the left side of the frame.

Oops,
sorry!

Nothing
happened.

Great, but my hand is getting numb, maybe it's the end of the bath, Mi-chan?

Mi-chan?

Unbelievable, she fell asleep in the bathtub, hehe.

To be continued...
