Weapons of ASS Destruction

Made by Rubberduckfucker

Julia arrives on deck with authority. The pilots line up, but she makes it clear who's really in command. One pointed finger – and the real weapons inspection begins.

Listen up, boys – I'm here to inspect every inch of your equipment. And I expect full cooperation.

at your
command

These are
impressive! But i
need to inspect
their function
properly

Now have a
closer look...i
show you
something!

Julia provides the gentlemen and their weapons with some wonderful sights.

Yes, sir!

**The gentlemen,
line up in a row,
and do it briskly!**

**All men,
assemble with
their weapons!**

**The soldier on
the far left,
please step
forward!**

At this point, Drill Sergeant Donovan, I must commend you! Your unit's weapons appear to be in exceptionally good working order... but that alone is not enough for me!

**Drill sergeant
Donovan...please
provide me with
more detailed
information on the
workings of this
weapon!**

Do you want to try out the weapon? To do so, put it deep in your mouth!

Oh really?! Let me take a look...

Careful,
Julia! This
gun shoots!

**Julia gives passionate
blowjobs to the pilots
while normal operations
of the aircraft carrier
continue in the
background.**

A close-up photograph of a woman with long, wavy red hair kissing a man's penis. The man's hand is visible at the top of the frame, holding the penis. The woman's face is in profile, looking upwards, with her mouth open around the penis. Her hair is wet and she has a look of intense pleasure. The background shows the deck of an aircraft carrier with a yellow fighter jet (numbered 14-725) and the ocean under a sunset sky. A speech bubble is overlaid on the image.

**Ahhh Julia...my weapon,
she..oooohhh she
shoots!**

Ahhh Julia! Our
weapons can do so
much more!

I'm impressed by
your weapons!

Ahhh Julia your
pussy feels
fantastic!

His cock is so big...can't wait to test the other guys...

Drill Sergeant Donovan whispers in Julia's ear that she's going to get properly fucked today.

Wow! One after the other, they present their weapon.

Uhhh I love to
test weapons on
deck!

Don't miss our
black weapons
Julia!

The pilots agree on one thing: a weapons demonstration is fun.

**These
weapons
hurt so
good!**

Ahhh... your unit is performing perfectly!

TOP COCKS!
Impressive
firepower!

I want it all!

OK

Now meet the weapons of ass destruction!

OH

**This feels
so good!**

I want to see your weapons fire!

**That's impressive,
drill sergeant
Donovan.**

AHHHHH

AHHHHH

She's impressed!

A composite image featuring four women with long, wavy red hair and white body paint. They are wearing black lace lingerie and high-heeled shoes. They are standing on the deck of a ship, with an F-35 fighter jet in the background. The scene is set during sunset or sunrise, with the sun low on the horizon over the ocean. The women are arranged in a line, with two on the left and two on the right. A speech bubble is positioned above the women on the right.

**Excellent drill sergeant
Donovan...your men have
passed the inspection!**

You will inspect us next year too?

With pleasure!

The End
