

TRAILSEEKER

Dinner-Kun
Captain Xero

**HELLO AND THANK YOU FOR SUPPORTING DKCX! WHETHER IT IS
THROUGH PATREON OR THROUGH OUR SHOPS, WE'LL ALWAYS BE
THANKFUL FOR YOUR SUPPORT!**

PLEASE DO NOT PIRATE OR RE-LINK THESE STORIES! LIKE C'MON NOW.

If it was so important, your dumb asses should've protected it better!

Dinner-Kun
Captain Xero

Haha!

Dinner-Kun
Captain Xero

Now let's see what you have so "safely" secured in here!

TRASH
EXIT

Dinner-Kun
Captain Xero

I can't believe it was actually that easy!

Dinner-Kun
Captain Xero

They really just threw this shit in a cardboard box, huh.

I know the client said they would dock my pay if I took a peek but...

Dinner-Kun
Captain Xero

Shit man, what could be so important?

Dinner-Kun
Captain Xero

Sytek? No wonder.

Dinner-Kun
Captain Xero

I bet what they're paying me is just a tiny dent in the profits you could make off of something like this...

Dinner-Kun
Captain Xero

Wait, the box was just for this? It just looks like a normal cerebral mod?

Dinner-Kun
Captain Xero

Well at this point I bet I could sneak it in without them being able to trace my accessing it.

Dinner-Kun
Captain Xero

Let's see here...

Dinner-Kun
Captain Xero

Something so important can be installed so-

Dinner-Kun
Captain Xero

Dinner-Kun
Captain Xero

W-Woah shit...

Dinner-Kun
Captain Xero

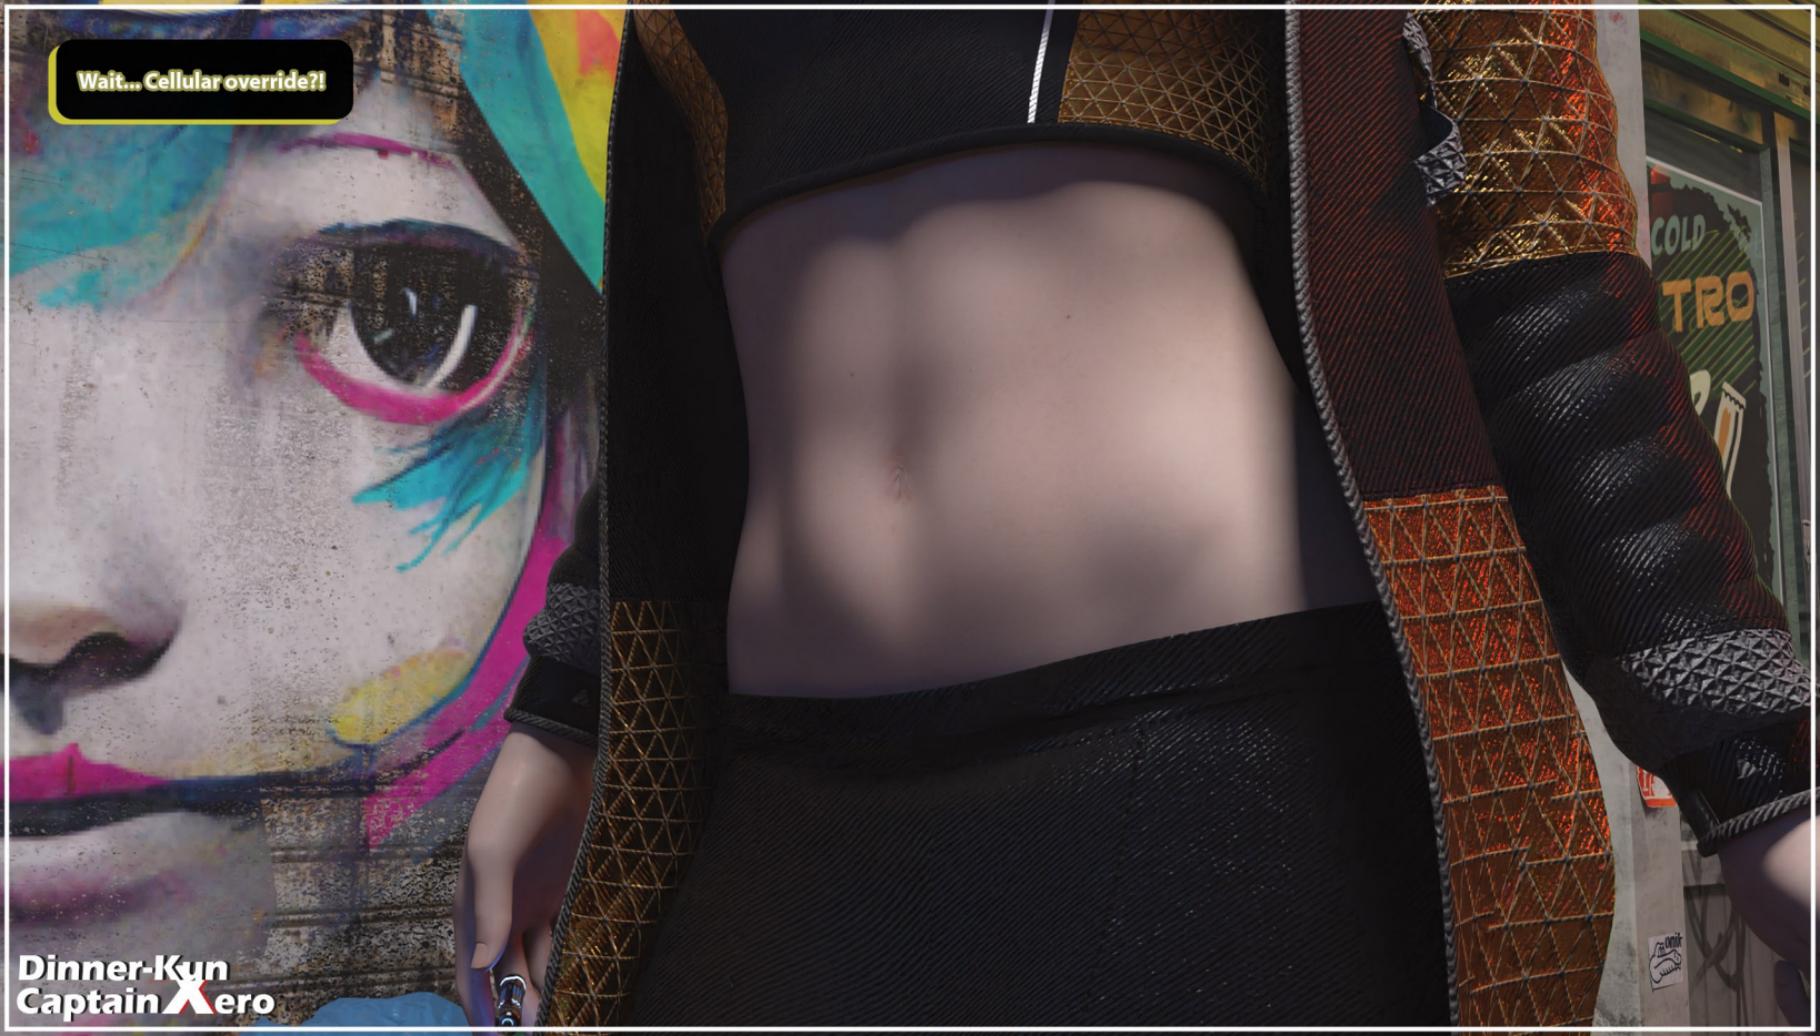

This thing syncs up with every mod in my body.

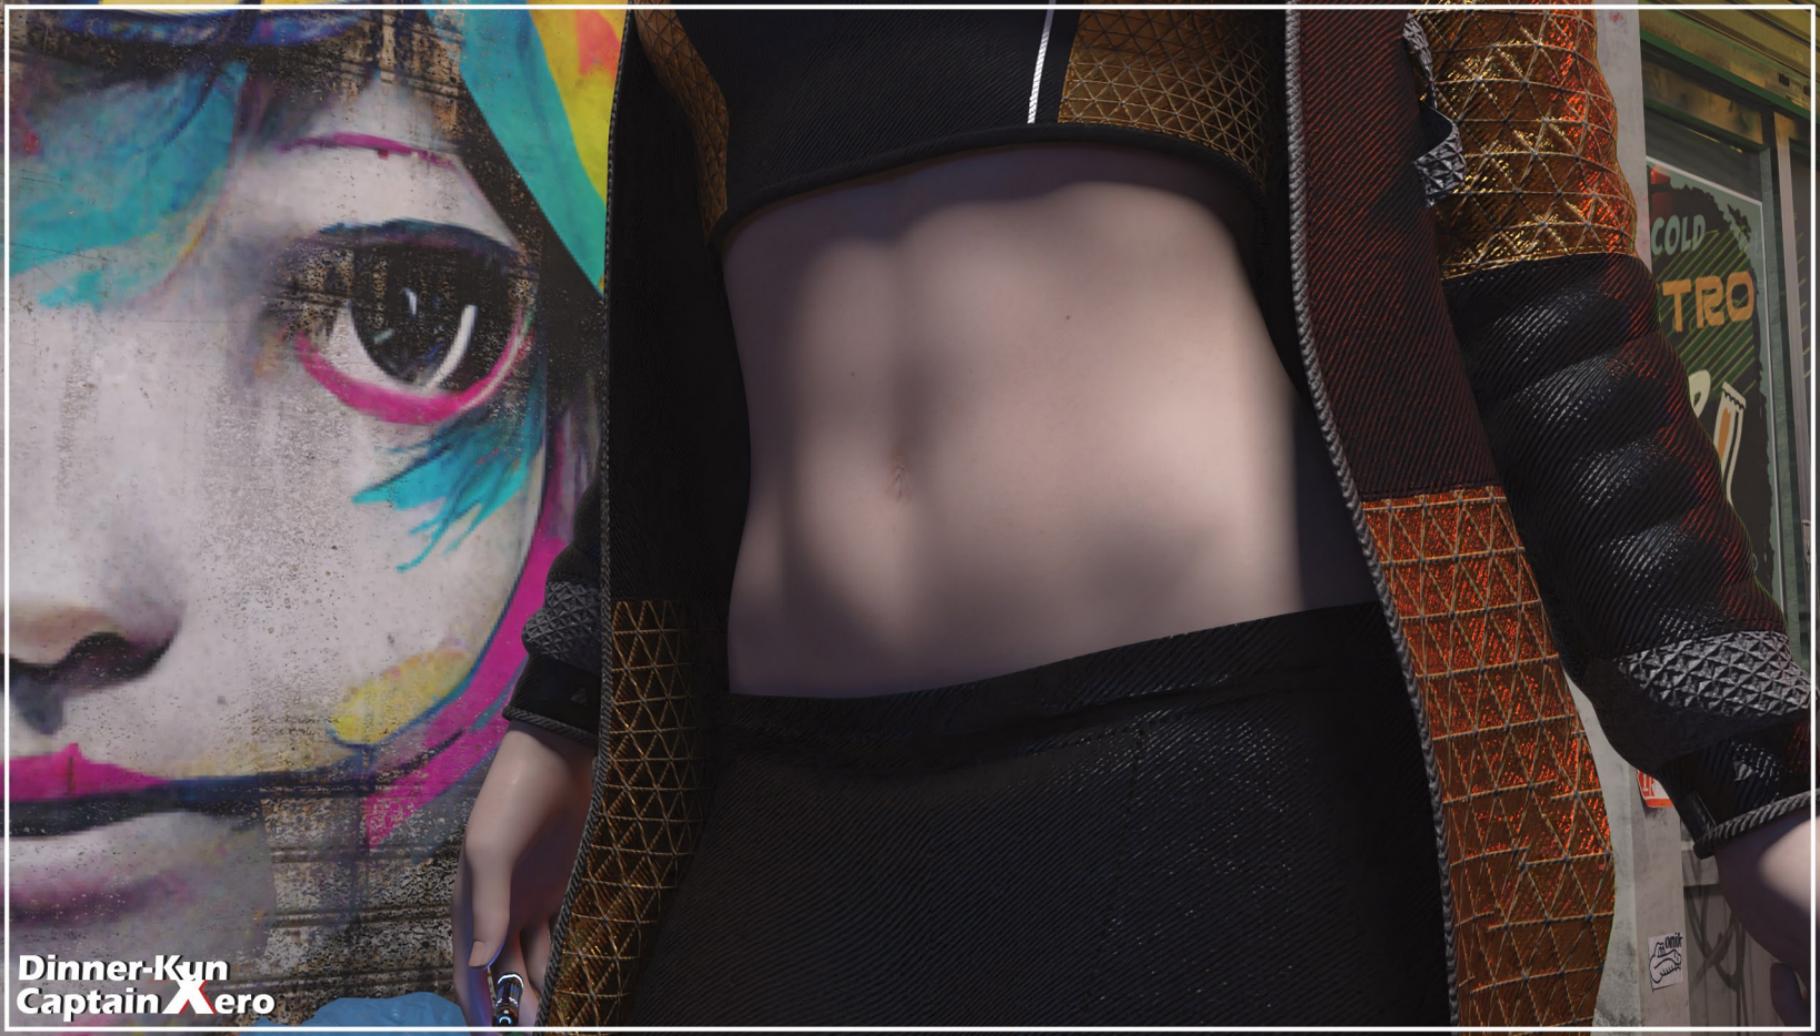

Dinner-Kun
Captain Xero

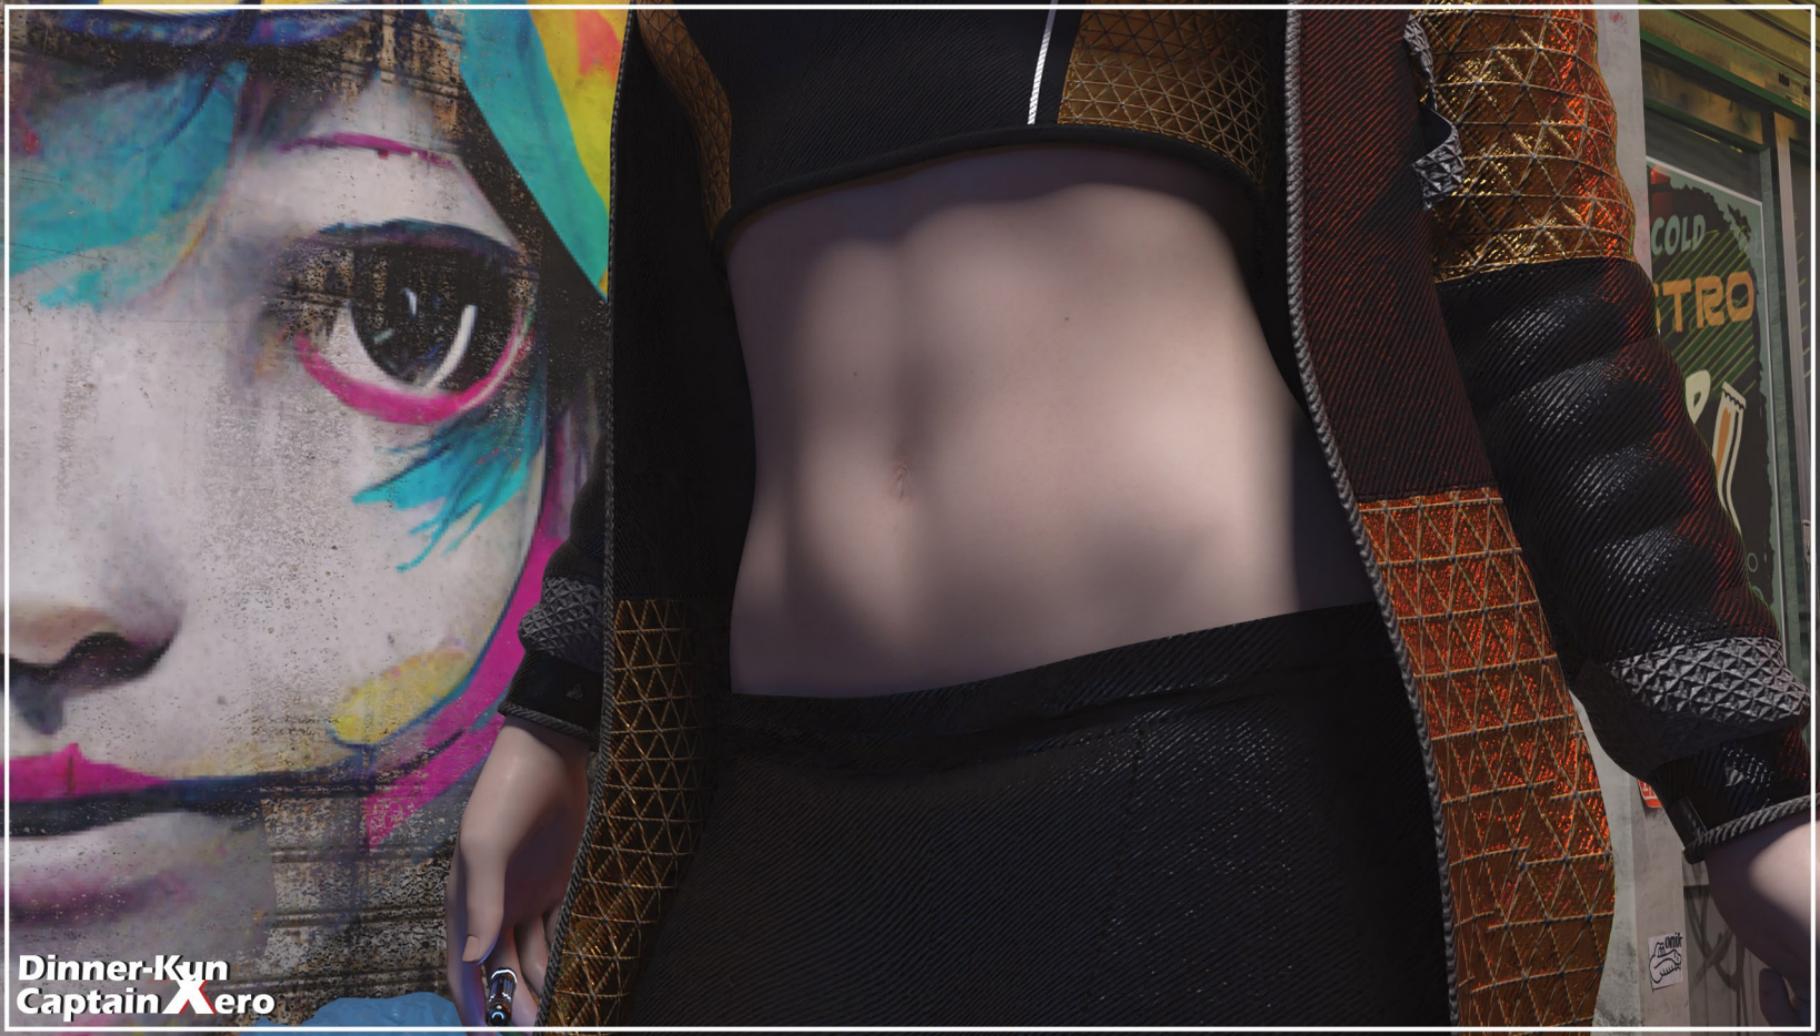

Wait... Cellular override?!

Dinner-Kun
Captain Xero

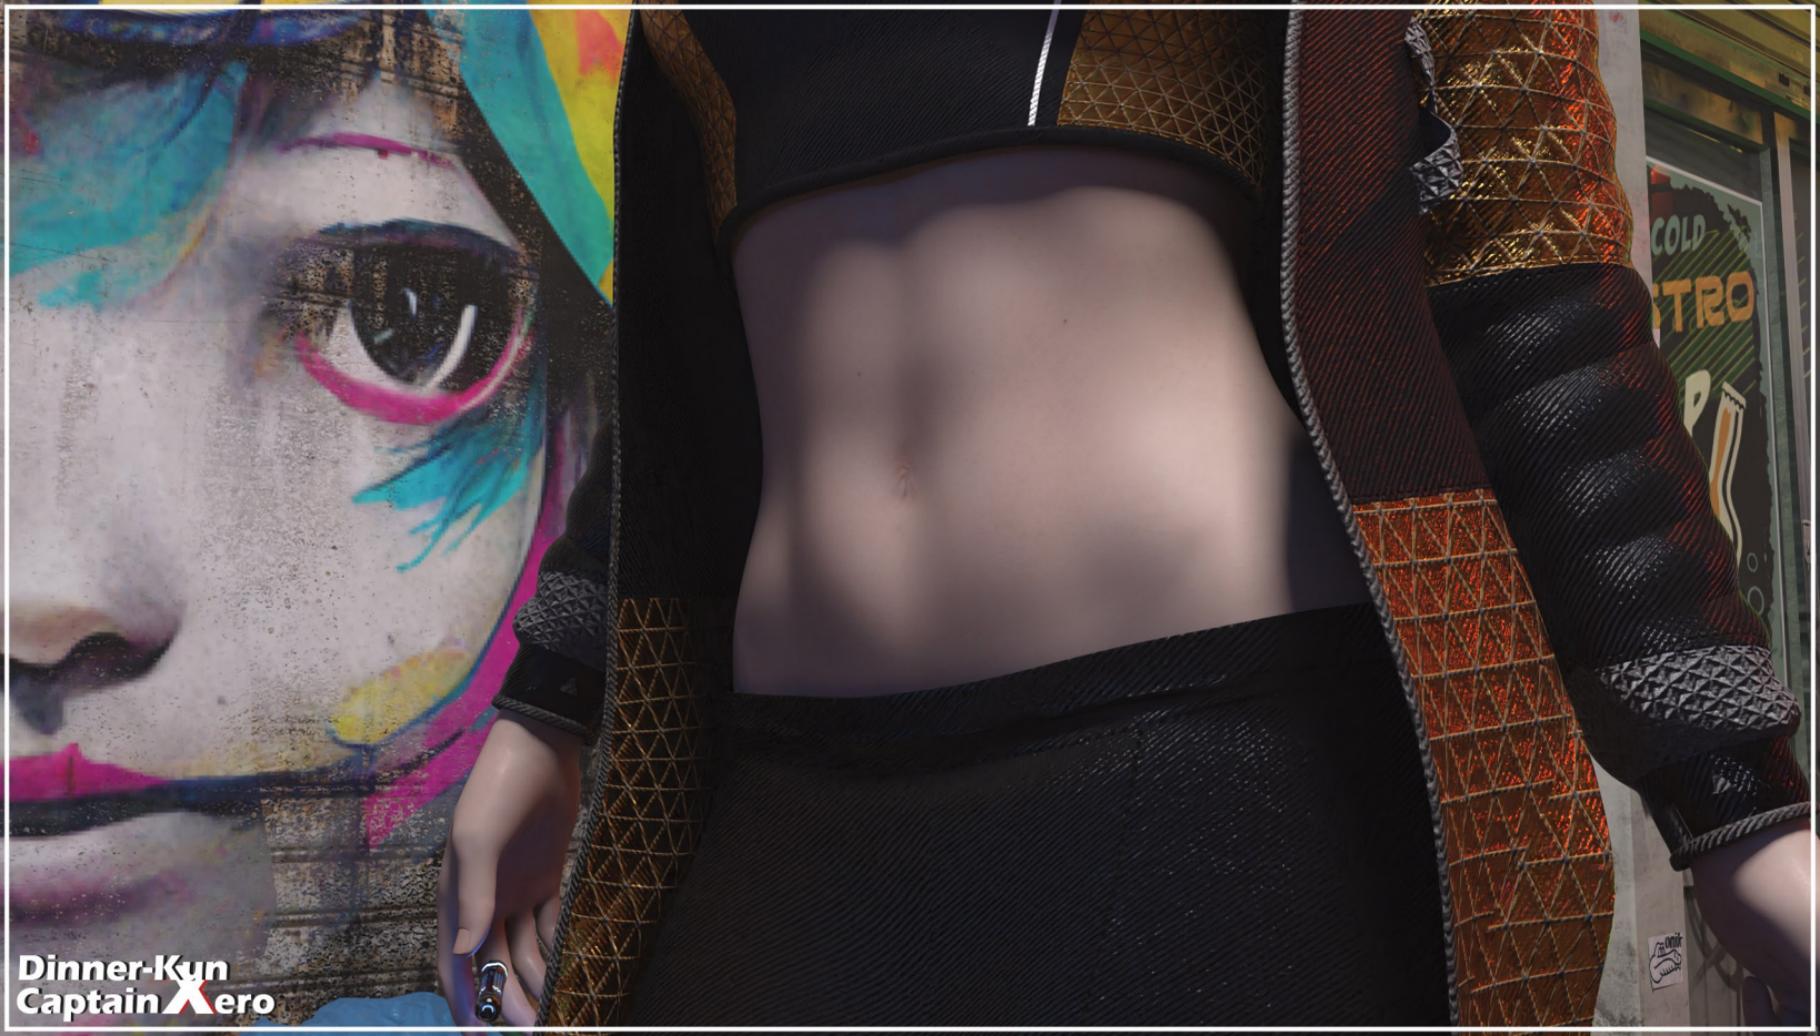

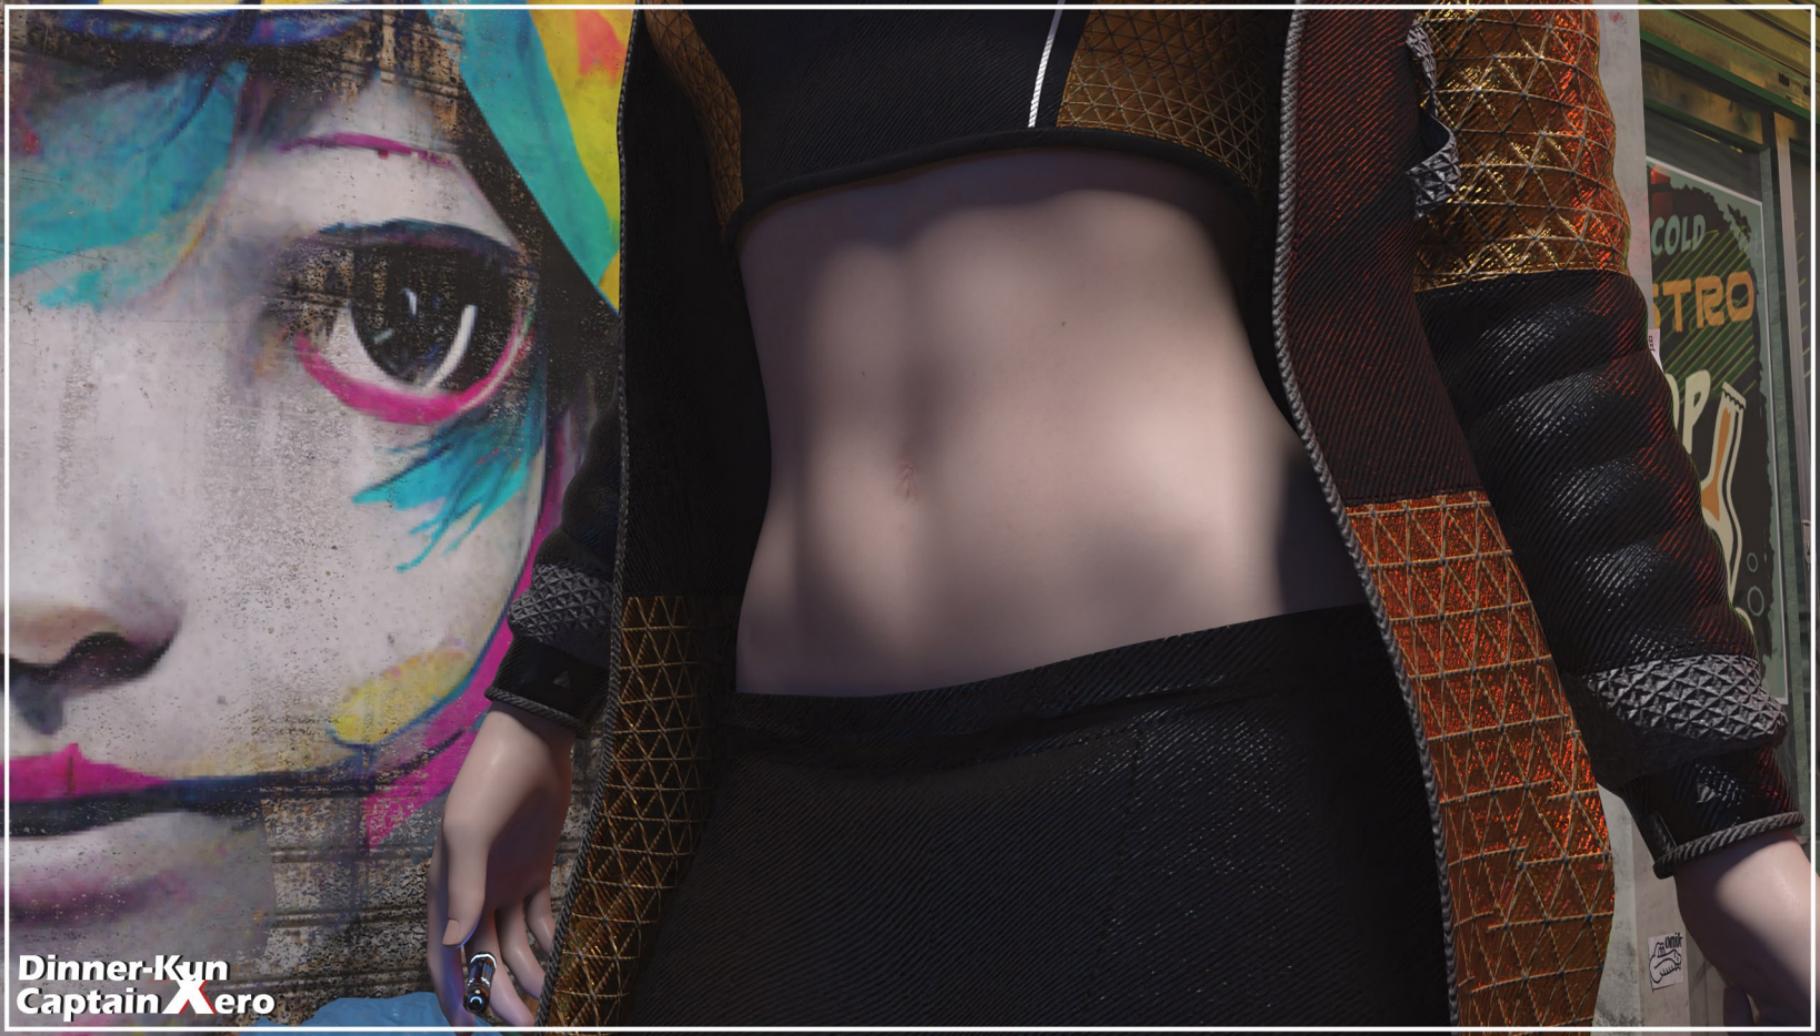

Dinner-Kun
Captain Xero

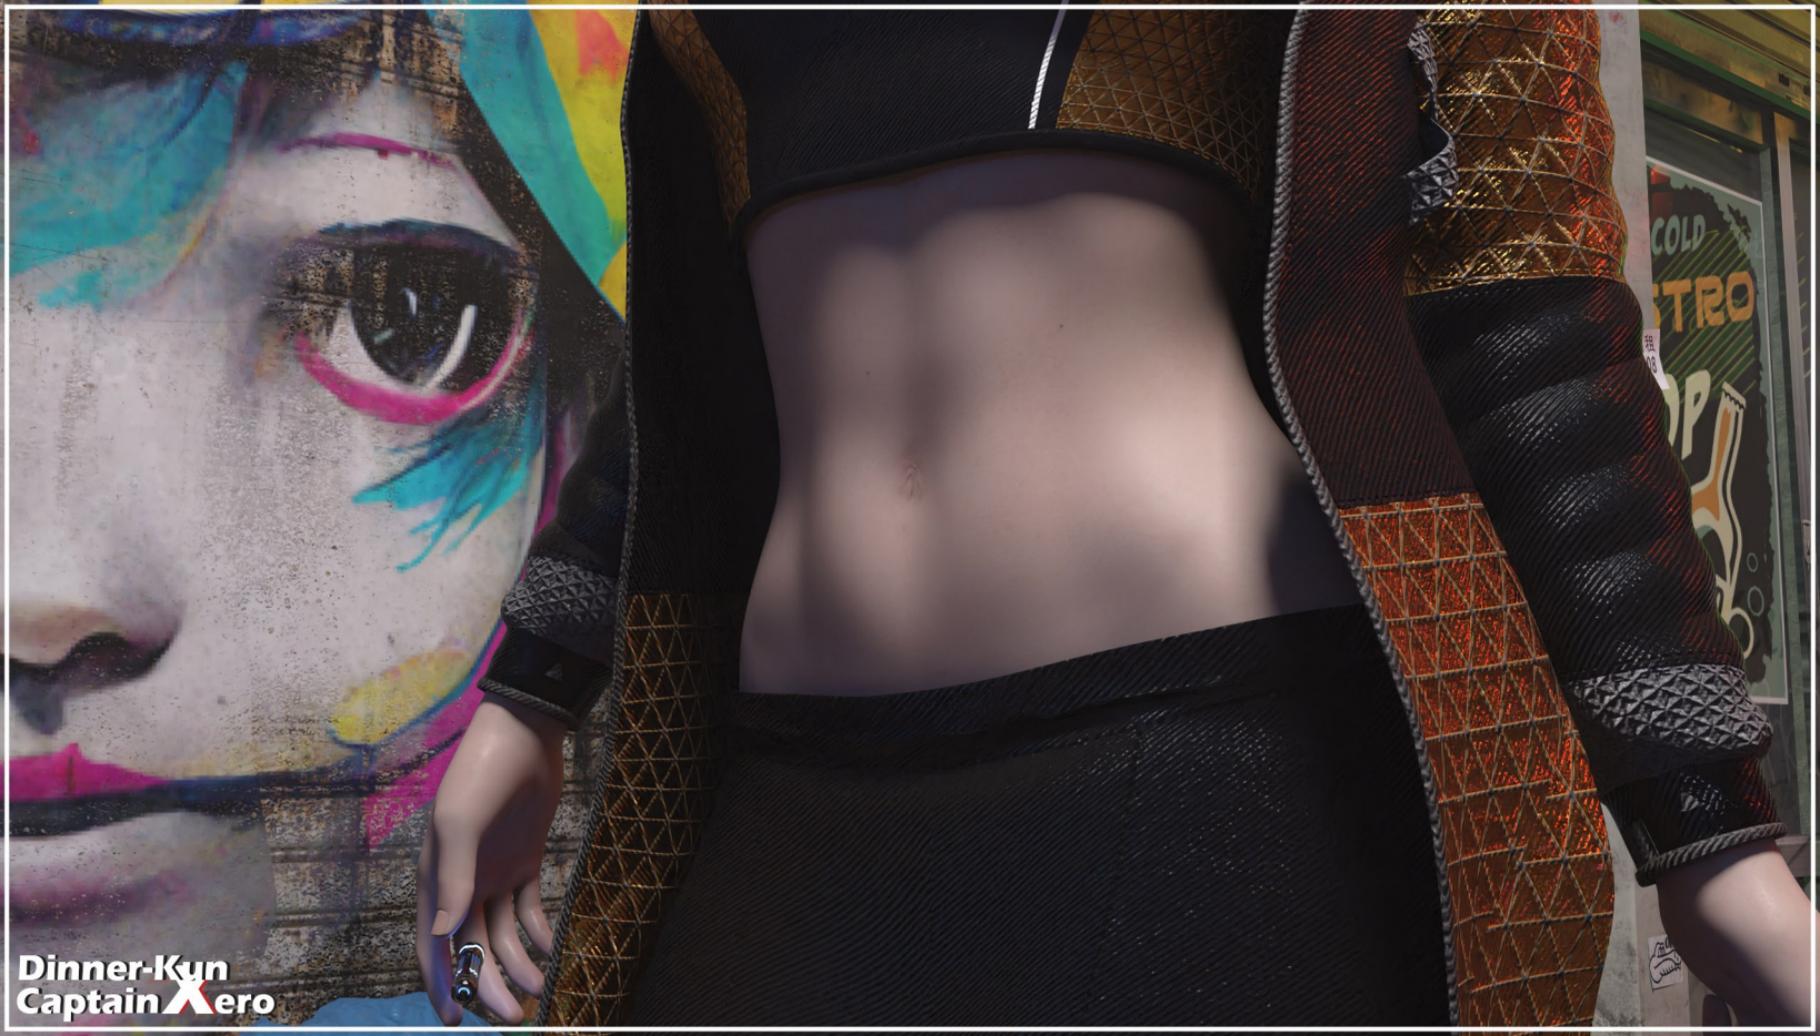

Dinner-Kun
Captain Xero

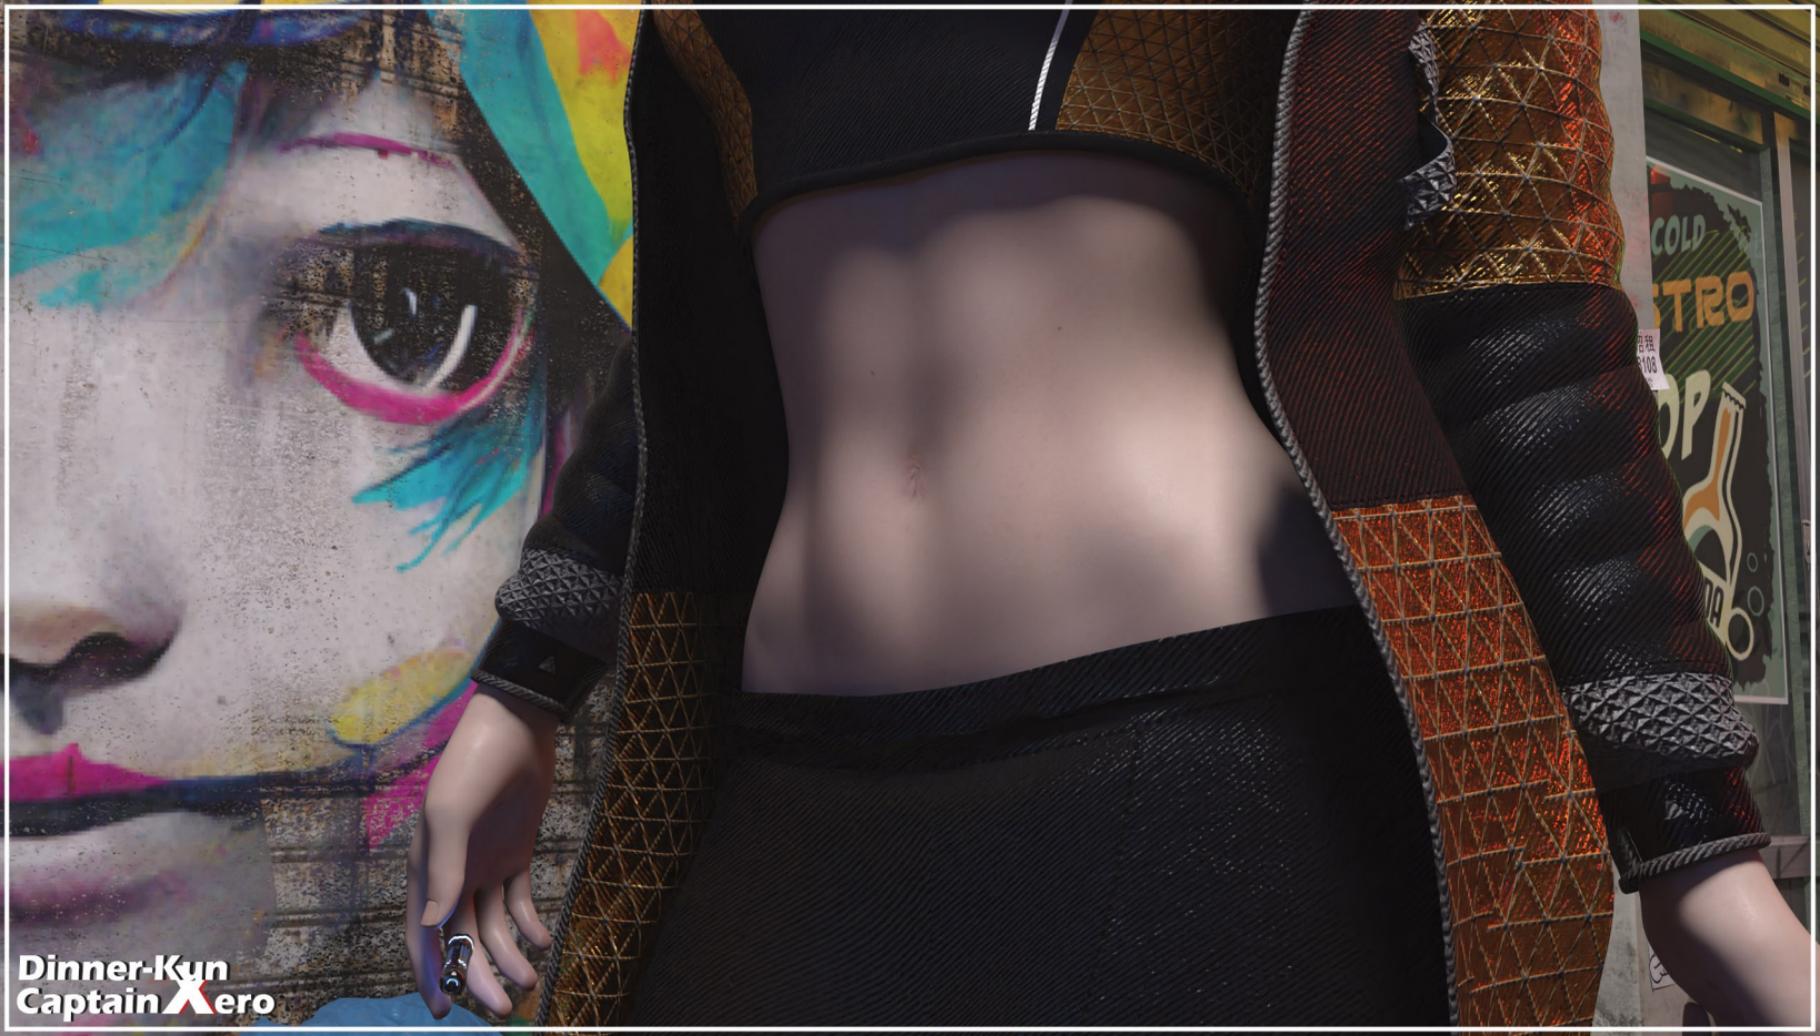

Dinner-Kun
Captain Xero

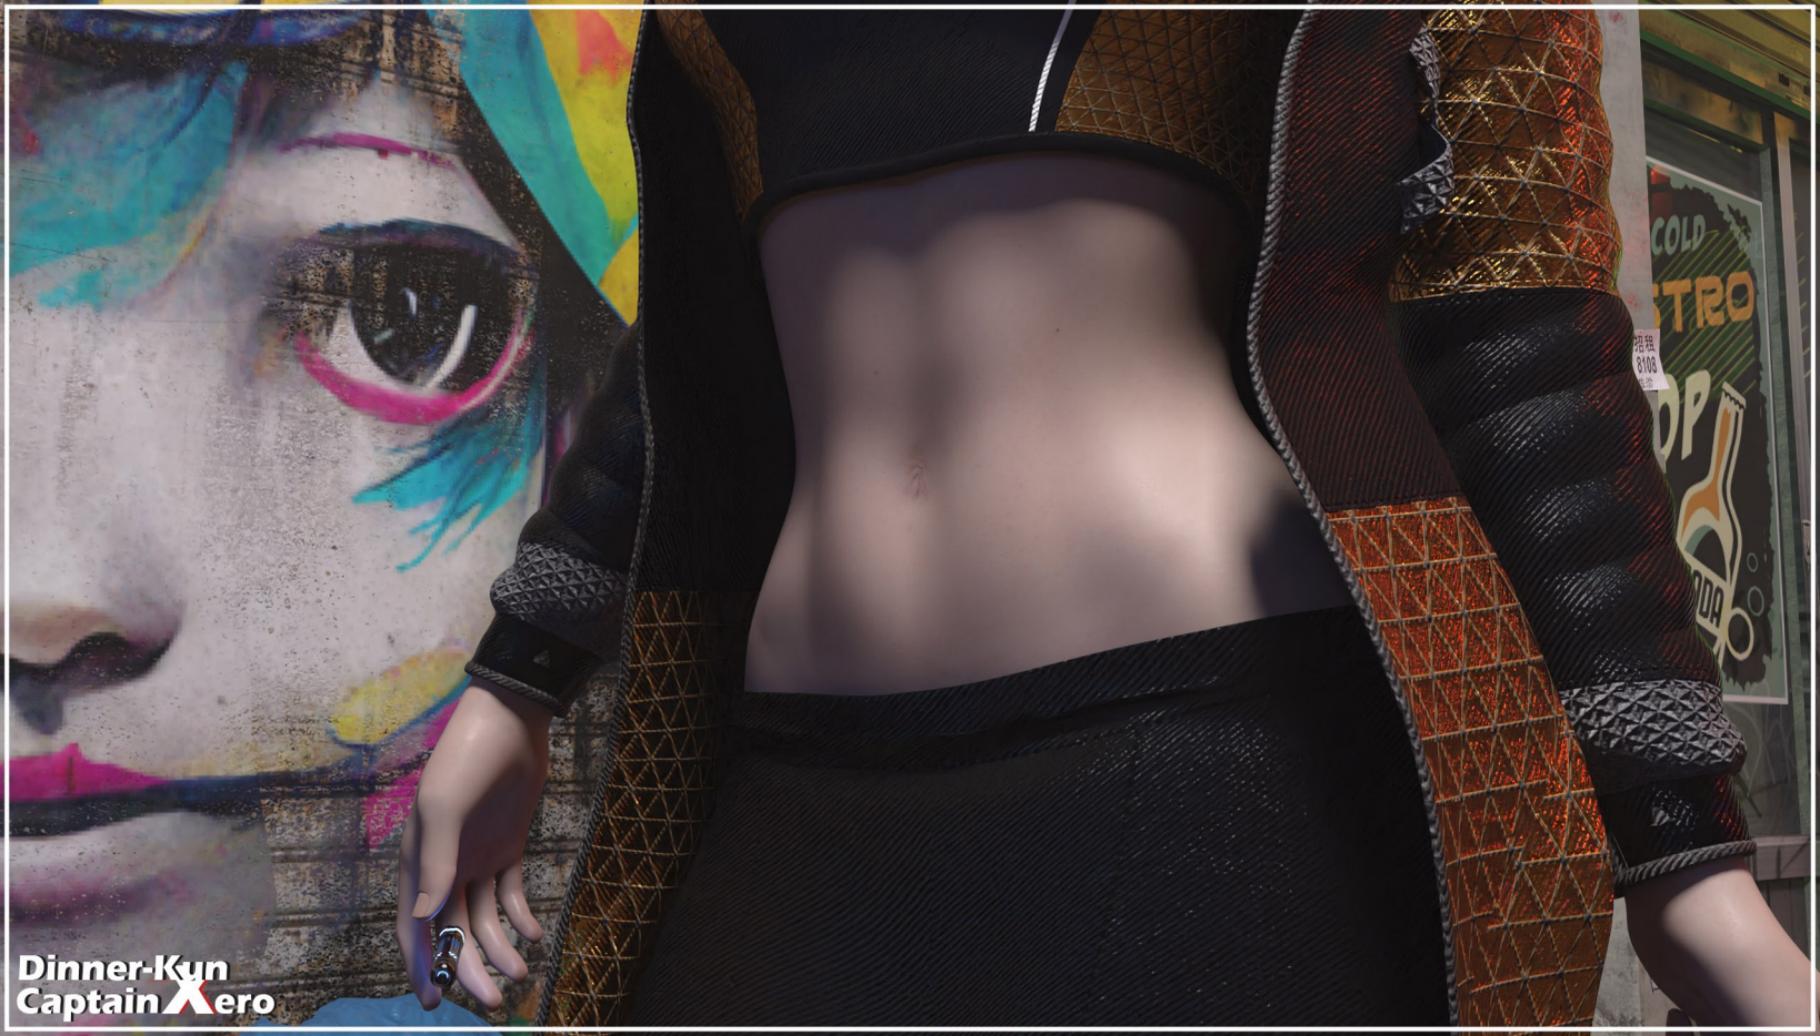

Dinner-Kun
Captain Xero

Body mods are one thing but, this thing taps right in and can adjust your entire figure on the fly?

Dinner-Kun
Captain Xero

Dinner-Kun
Captain Xero

Dinner-Kun
Captain Xero

Dinner-Kun
Captain Xero

Dinner-Kun
Captain Xero

Dinner-Kun
Captain Xero

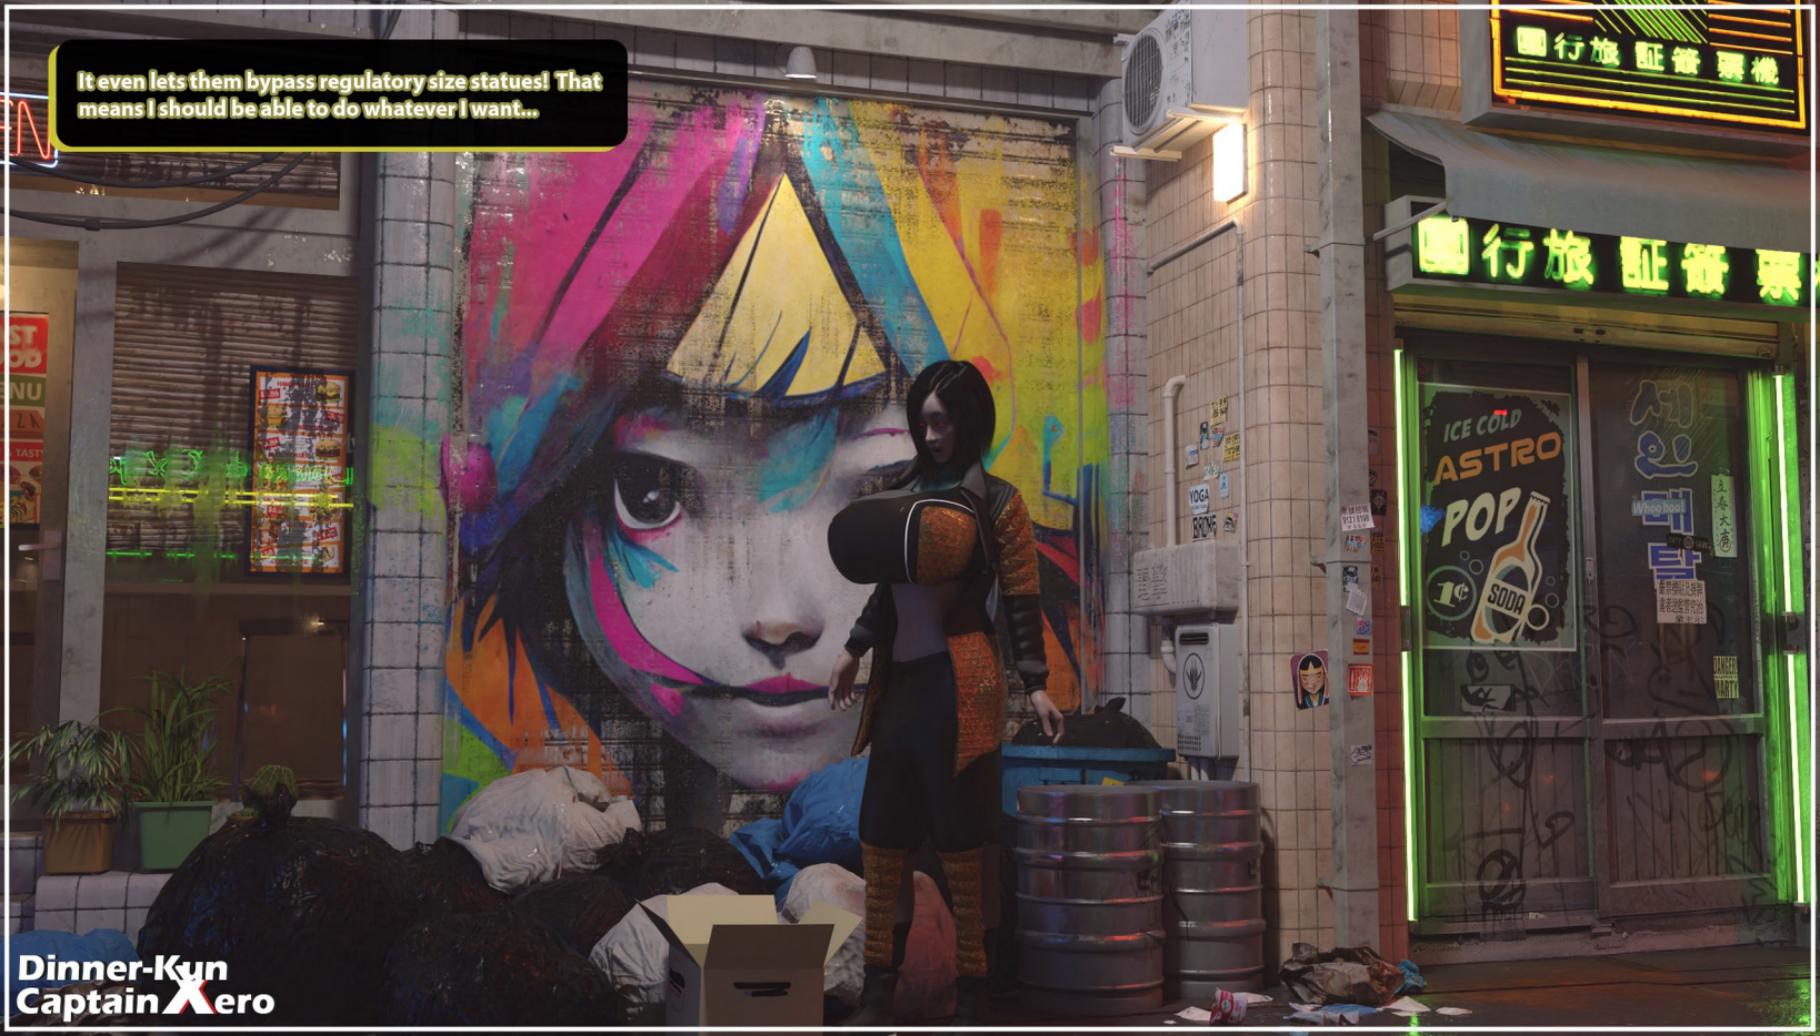

Dinner-Kun
Captain Xero

It even lets them bypass regulatory size statues! That means I should be able to do whatever I want...

Or whatever it is this mod wants its user to look like.
Who the hell designed this?

Dinner-Kun
Captain Xero

Unbelievable tech just to make massive bimbo out of it?

Well, if it wasn't me it would've been somebody else.
