

Are you ready, Director Li?

Is it finally coming...

A young man with dark hair, wearing a white dress shirt, is shown from the chest up. He has a pained or distressed expression, with his eyes closed and his hands pressed against his temples. The background is a blurred indoor setting with warm lighting.

Li Yu, a young director of a state-owned enterprise has been diligent for so many years, since he joined the unit, is also considered to have a reputation. Until recently, he really did not resist the temptation of the so-called inside information, used public money to invest the stock. Unexpectedly, it shrank by 70% in less than a week, and the whole project had a huge funding gap. He wanted to borrow money in the next few days to make up the gap to cope with the past, but what he did not expect was that the investigation on him come so quick.

Hey, since this...

A 3D rendered man with dark hair, wearing a white button-down shirt, is shown from the chest up. He has a serious, slightly worried expression and is pointing his right hand forward. The background is a blurred interior setting with a lamp and some furniture.

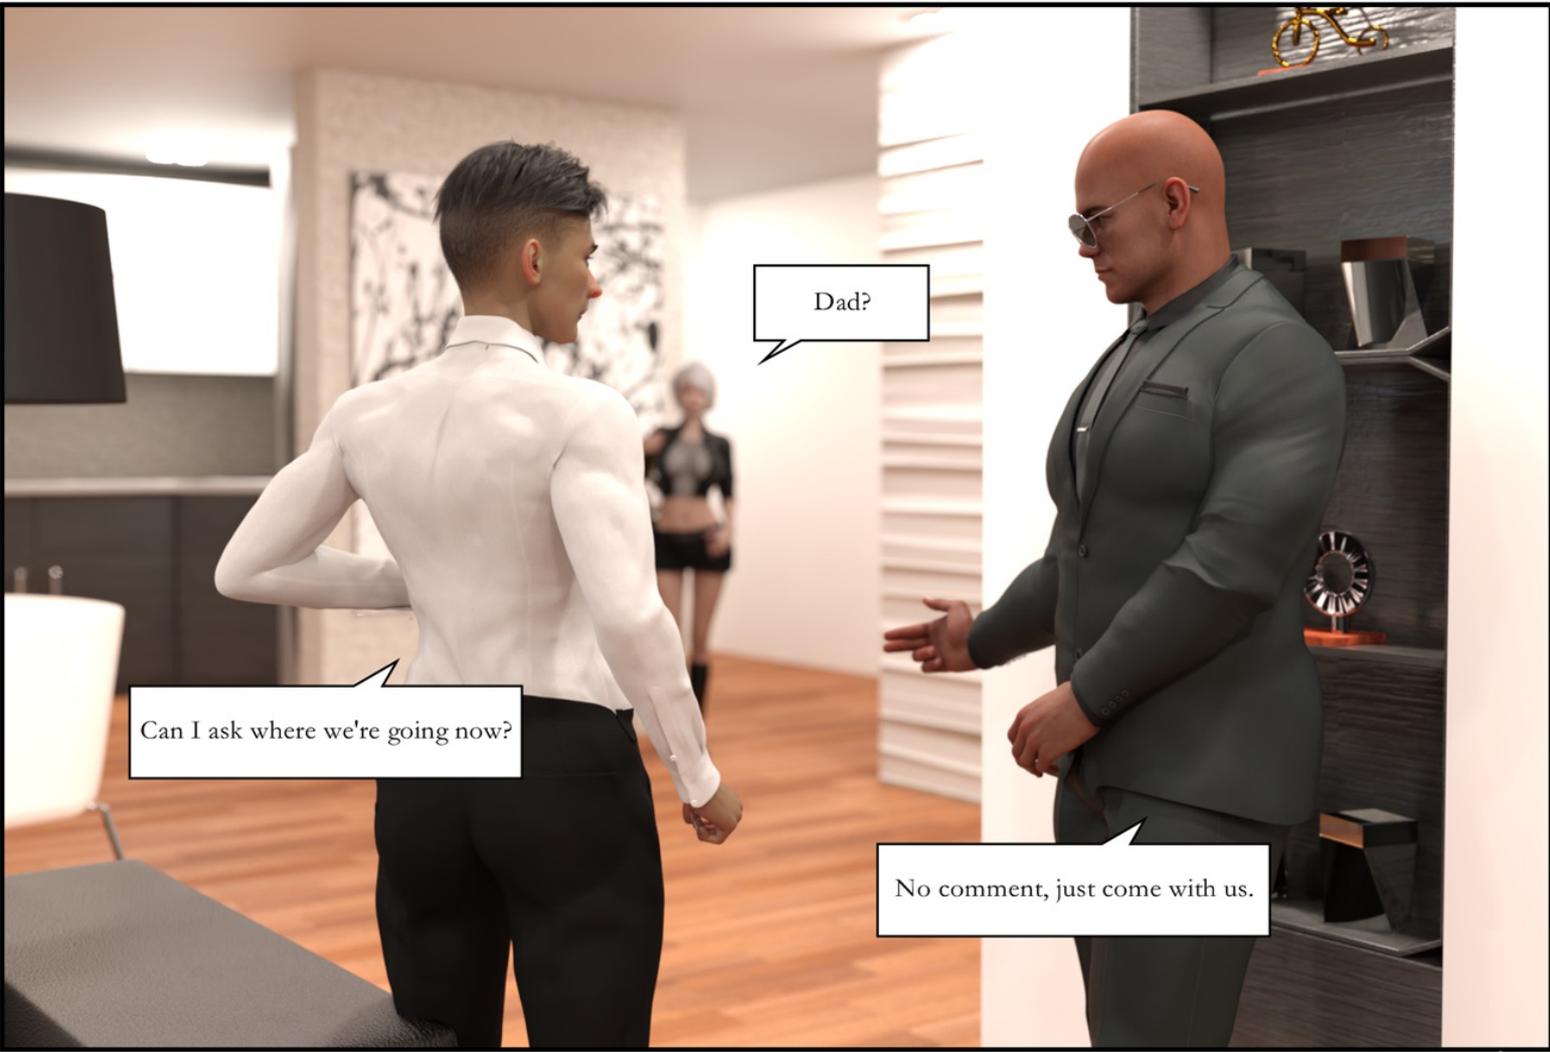

I know, I'll go with you.

Although he said so, in fact, he was also full of worry.
His daughter has not gotten ready for the university.
As a single father, if he goes like this, he will be so remorseful for this.
The only good thing is his daughter can take care of herself.
He wishes to have more time with her before going to jail.

The car is waiting downstairs, director Li.

Yes...

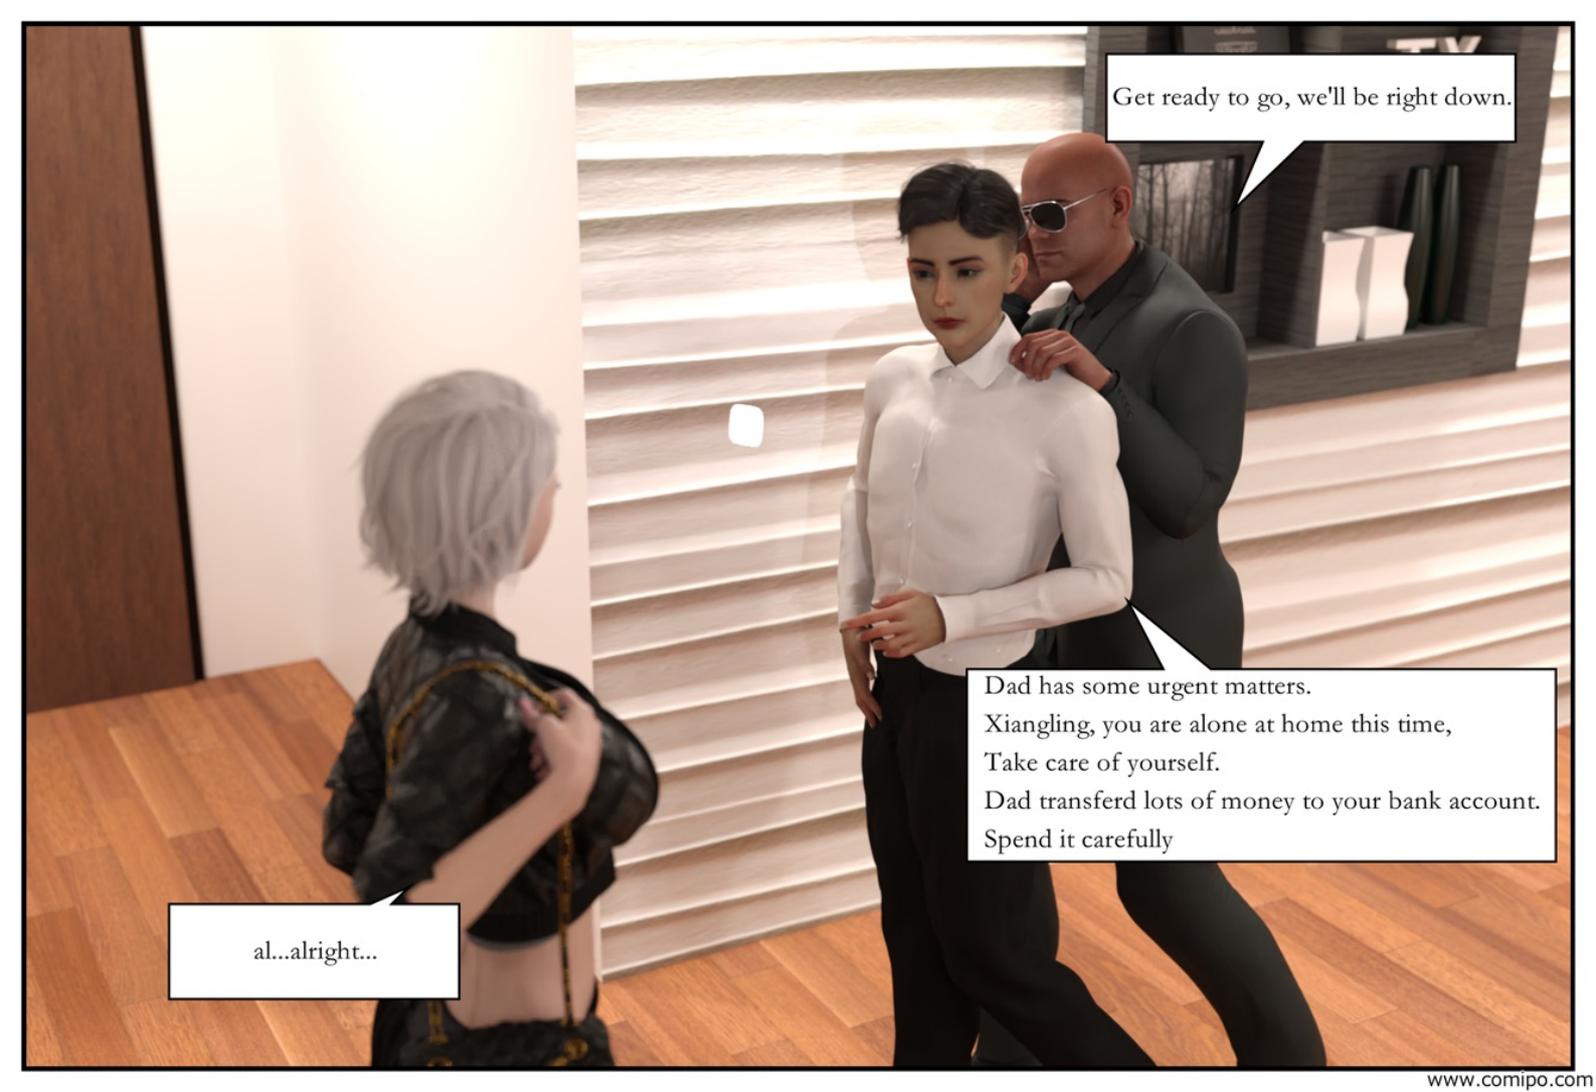

Dad?

Can I ask where we're going now?

No comment, just come with us.

Do you have to go out to do something at this hour?

Get ready to go, we'll be right down.

Dad has some urgent matters.
Xiangling, you are alone at home this time,
Take care of yourself.
Dad transferd lots of money to your bank account.
Spend it carefully

al...alright...

Ah? ! When will you come back?
Dad?

Take care of yourself!

Why so sudden?
Is this the reason why
you gave me so much
money last time?

... Do not say clearly ...
Really? Forget it, anyway,
the holiday is long.
Just enjoy the freedom.

Although Li Xiangling vaguely felt in her heart
that something big would happen,
but she would never have expected that things
would happen to this extent.

Where is this place? This isn't the
The prosecutor's office ah.

Shut up.

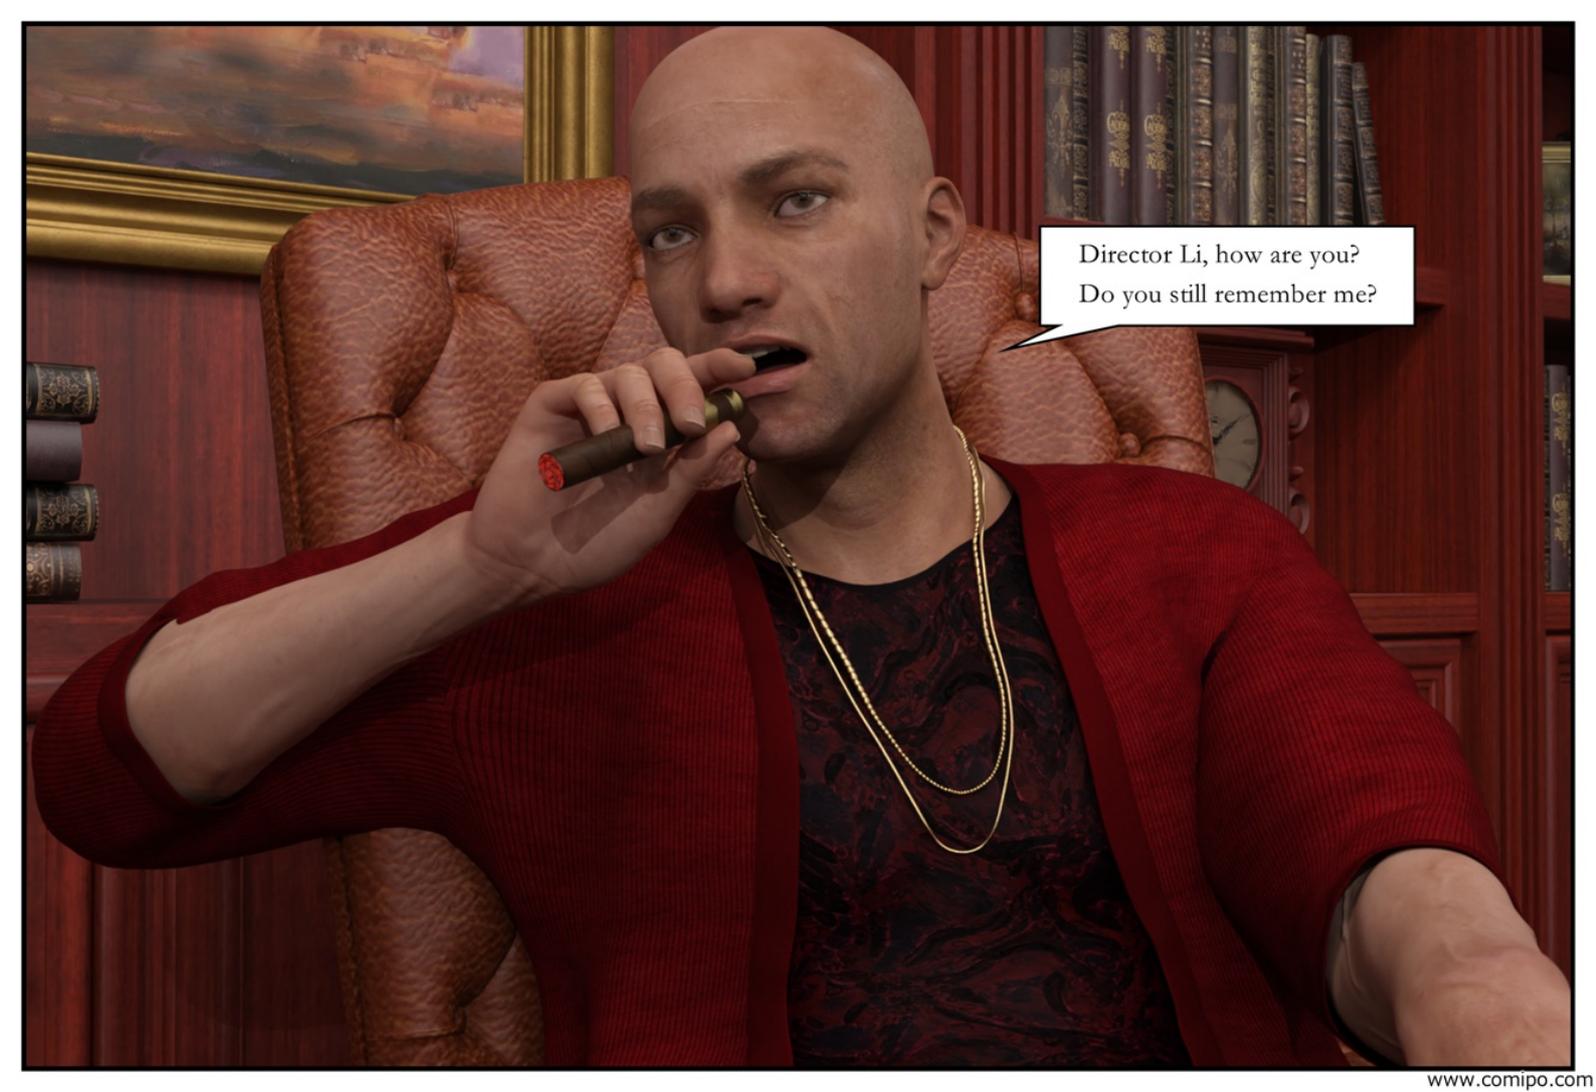

Whose house are you taking me to?

A man in a dark suit is seen from behind, talking on a mobile phone. He is standing behind a man in a white shirt, who is also seen from behind. They are in a study with dark wood bookshelves filled with books. There are framed pictures and a small statue on the shelves. A desk with a lamp and a plant is visible on the right.

Mr. Zhang, he's here..

En

Director Li, how are you?
Do you still remember me?

You... Cheung Wai On?

Li Yu know this guy.
This man has a relationship with multiple governments,
kept his business growing for so many years.
Li Yu met him before at some social events,
unlike other department leaders,
he did official business with this guy,
and never accept bribes from him.
But now, in his office, Li Yu feel confused.

A man with a shaved head, wearing a red cardigan over a dark patterned shirt and multiple gold necklaces, is seated in a large, tufted brown leather chair. He is holding a lit cigar in his right hand. The setting is an office with wood-paneled walls, a bookshelf with books, and a potted plant in the background. A speech bubble is positioned above him, containing text.

I was wondering if it was too easy
for you sending to court like that, director Li..

What do you want to do to me?
Make me pay back the money? Cut off my fingers?

Hahahaha, chopping fingers, Director Li is really humorous ah.
We are a country under the rule of law.

I have an offer that will save you from jail time
and allow you to make money for me quickly to
pay off your debts, and maybe make you a fortune.
On top of that you can contribute to the science...

But then, you have to pay a physical price.
How about that? Interested?

Physically price?!

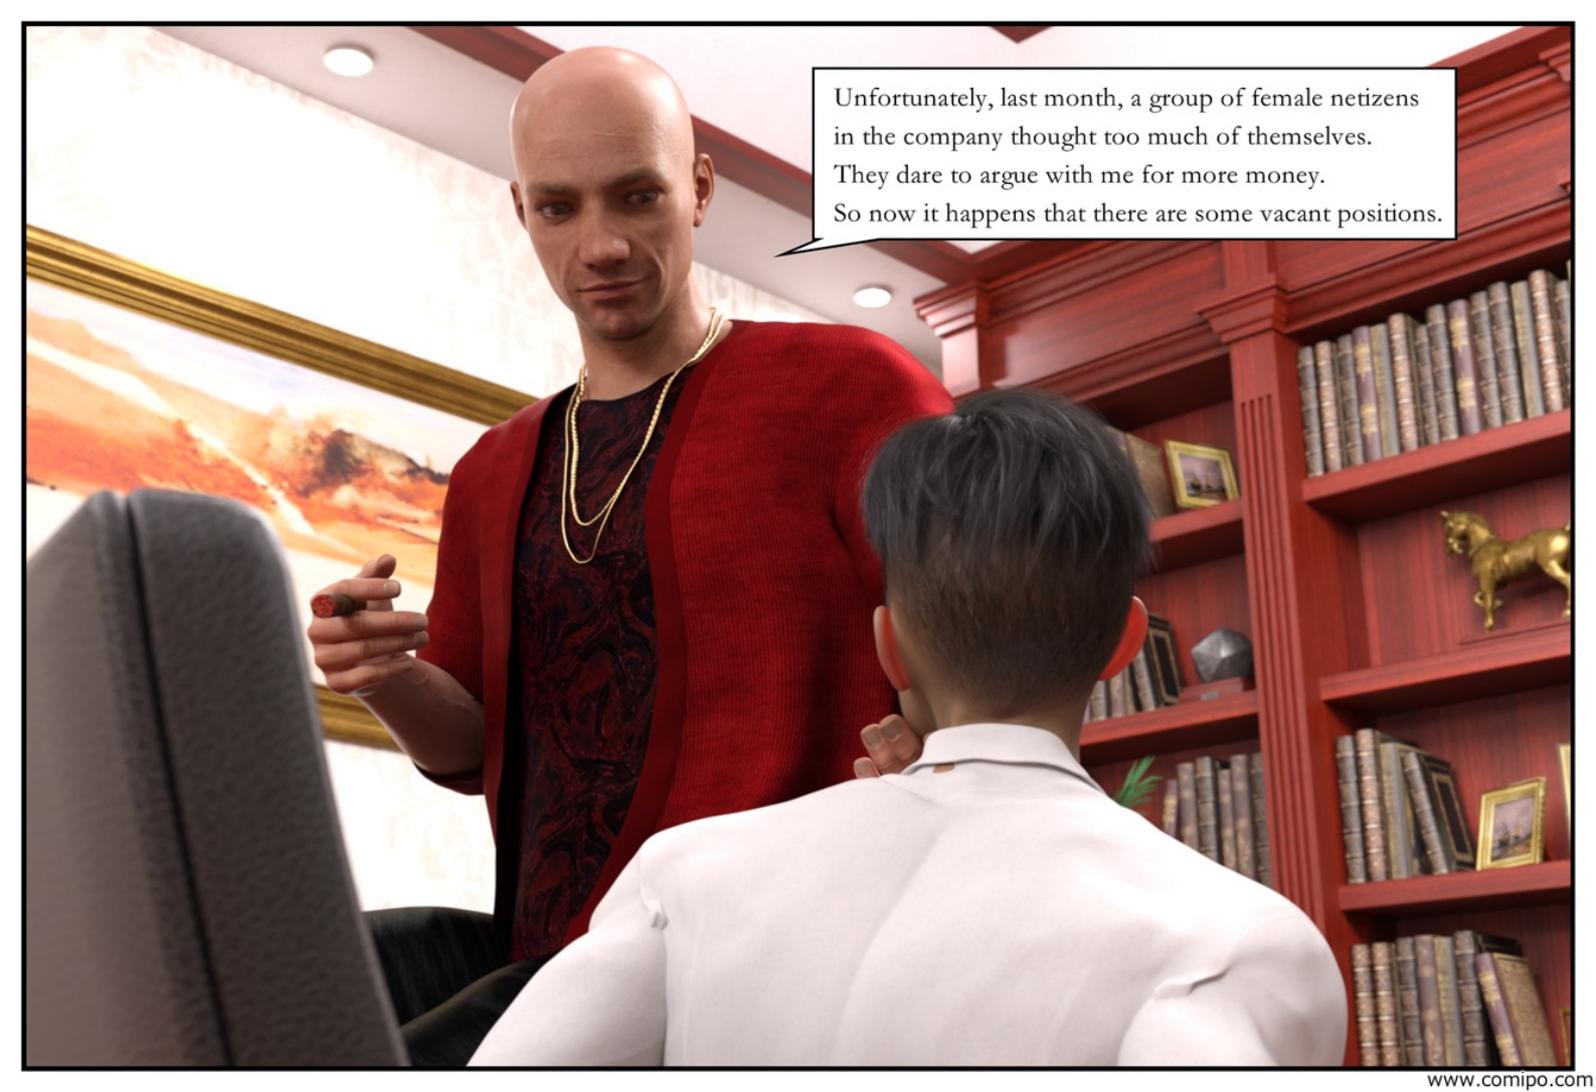

Just... As long as there's no jail time...
I accept.

Although Li Yu is not sure exactly what the physical price means,
but no matter what, at least it is better than going to jail.

You seems to be smart, Director Li.
Its simple, I have a netizen brokerage company.
Now the female idols can make money easily,
chatting and pampering can bring
millions of revenue for the company.

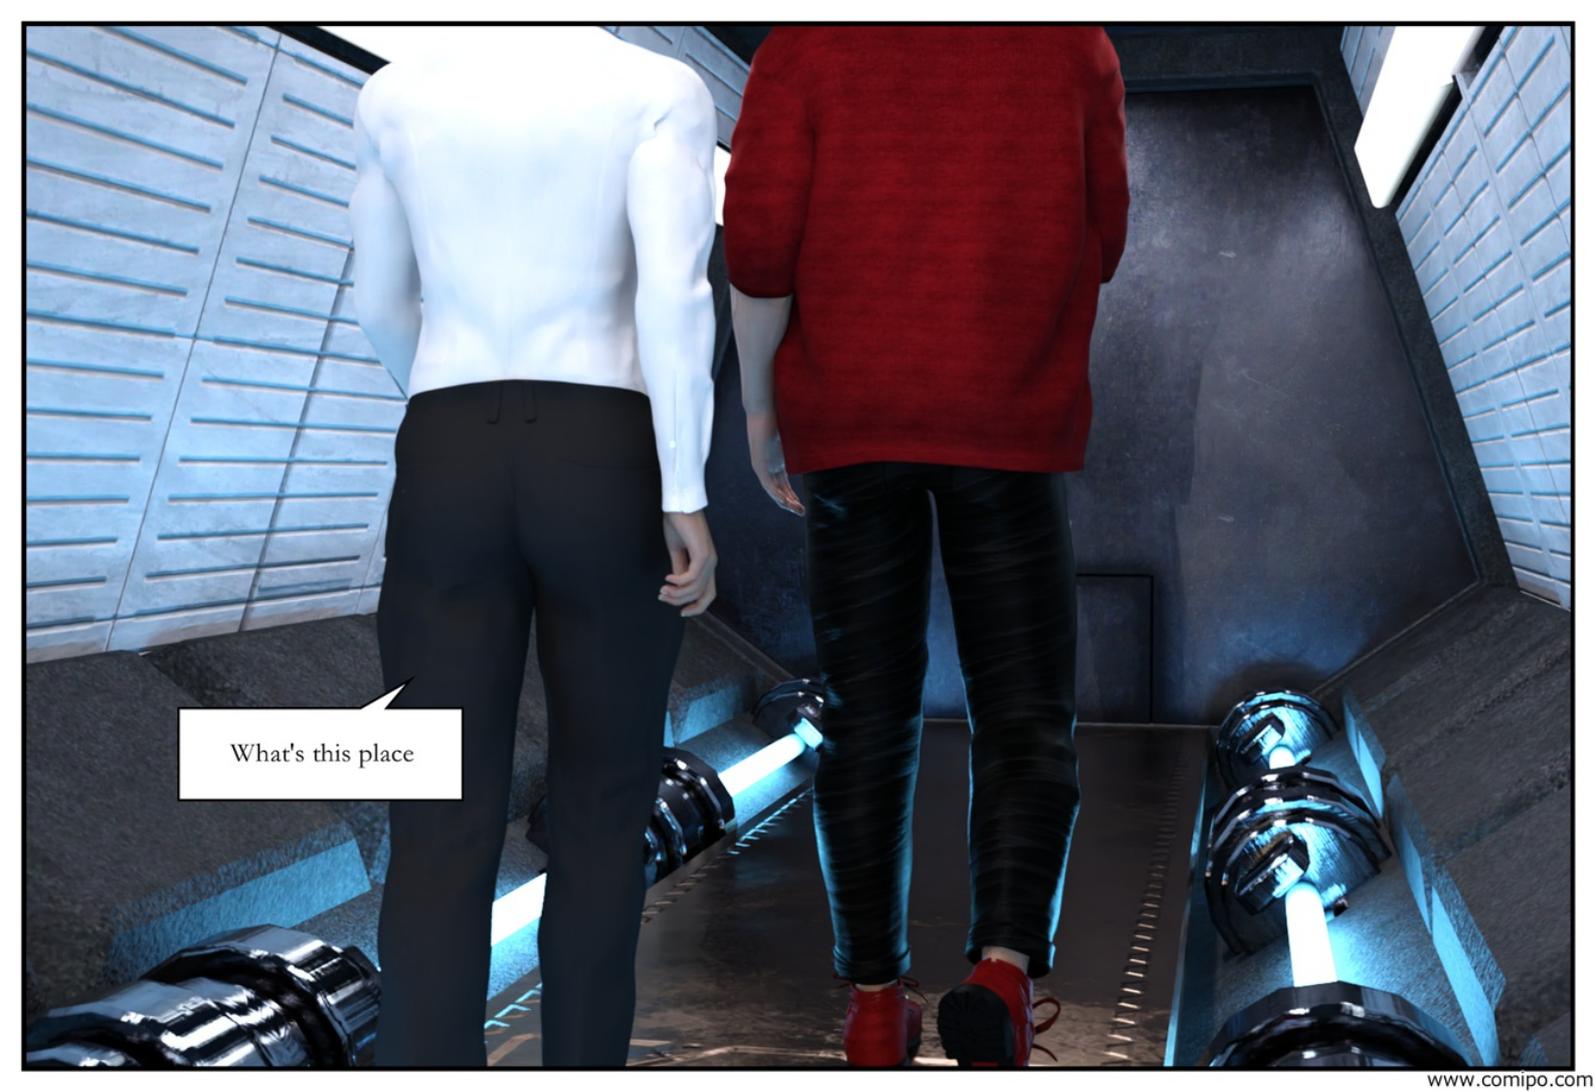

Unfortunately, last month, a group of female netizens in the company thought too much of themselves. They dare to argue with me for more money. So now it happens that there are some vacant positions.

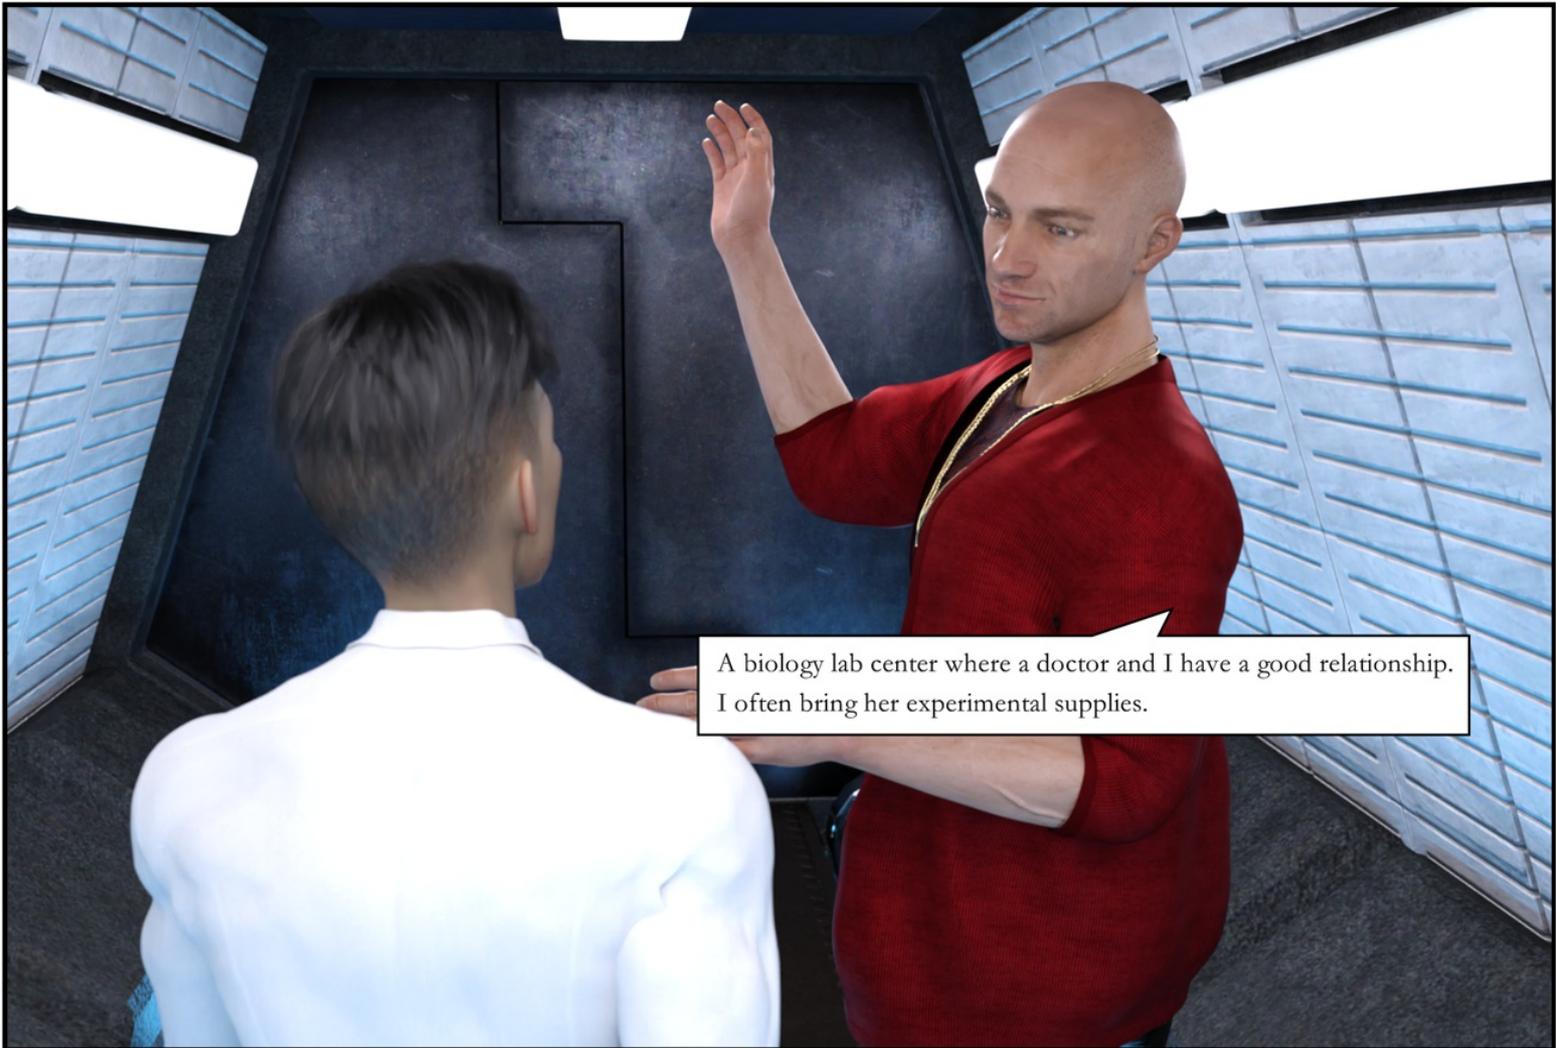

But what can I do?

A bald man with a serious expression is shown from the chest up. He is wearing a red cardigan over a dark, patterned shirt and a gold chain necklace. He holds a cigar in his right hand. In the foreground, the back of a person's head with dark hair is visible, looking towards the man. The background features a large painting of a sunset or landscape in a room with wood-paneled walls and recessed ceiling lights.

Like I said, you'll have to pay a little physical price.
Come on, I'll take you somewhere.

What's this place

A biology lab center where a doctor and I have a good relationship.
I often bring her experimental supplies.

Sometimes they also send their webmasters over for plastic surgery.
Get in.

A futuristic laboratory or research facility. In the foreground, two men are standing and talking. One man is wearing a white shirt and black pants, and the other is wearing a red sweater and black pants. They are looking towards a glass-walled laboratory area. Inside the laboratory, there are several white, boxy machines with red buttons and a woman in a white dress and black boots. The background shows more laboratory equipment and a tiled floor.

What are they researching here?

Too much to go into detail.
Let's go, the doctor is waiting for us.

Long time on see, Doctor Leng

The experimental candidate you mentioned before I have found for you.

H..Hello.

For some reason, the eyes of the woman in front of him were like magic, so that Li Yu did not dare to look straight.

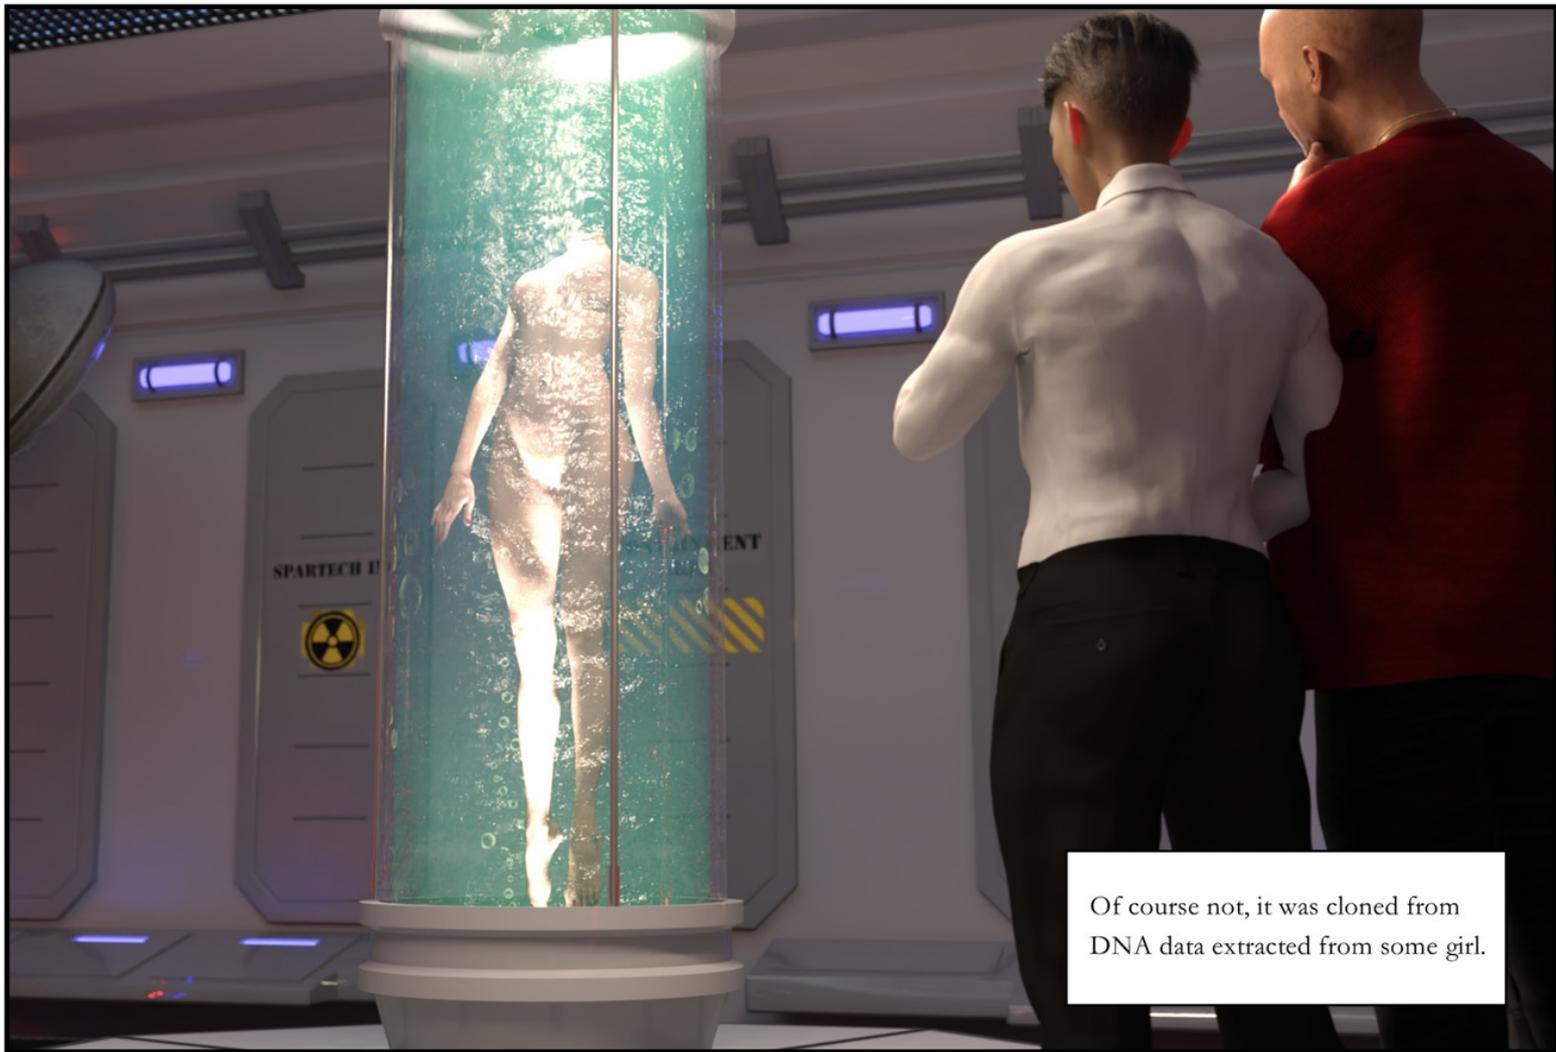

Very well, it's not too late, let's get started.

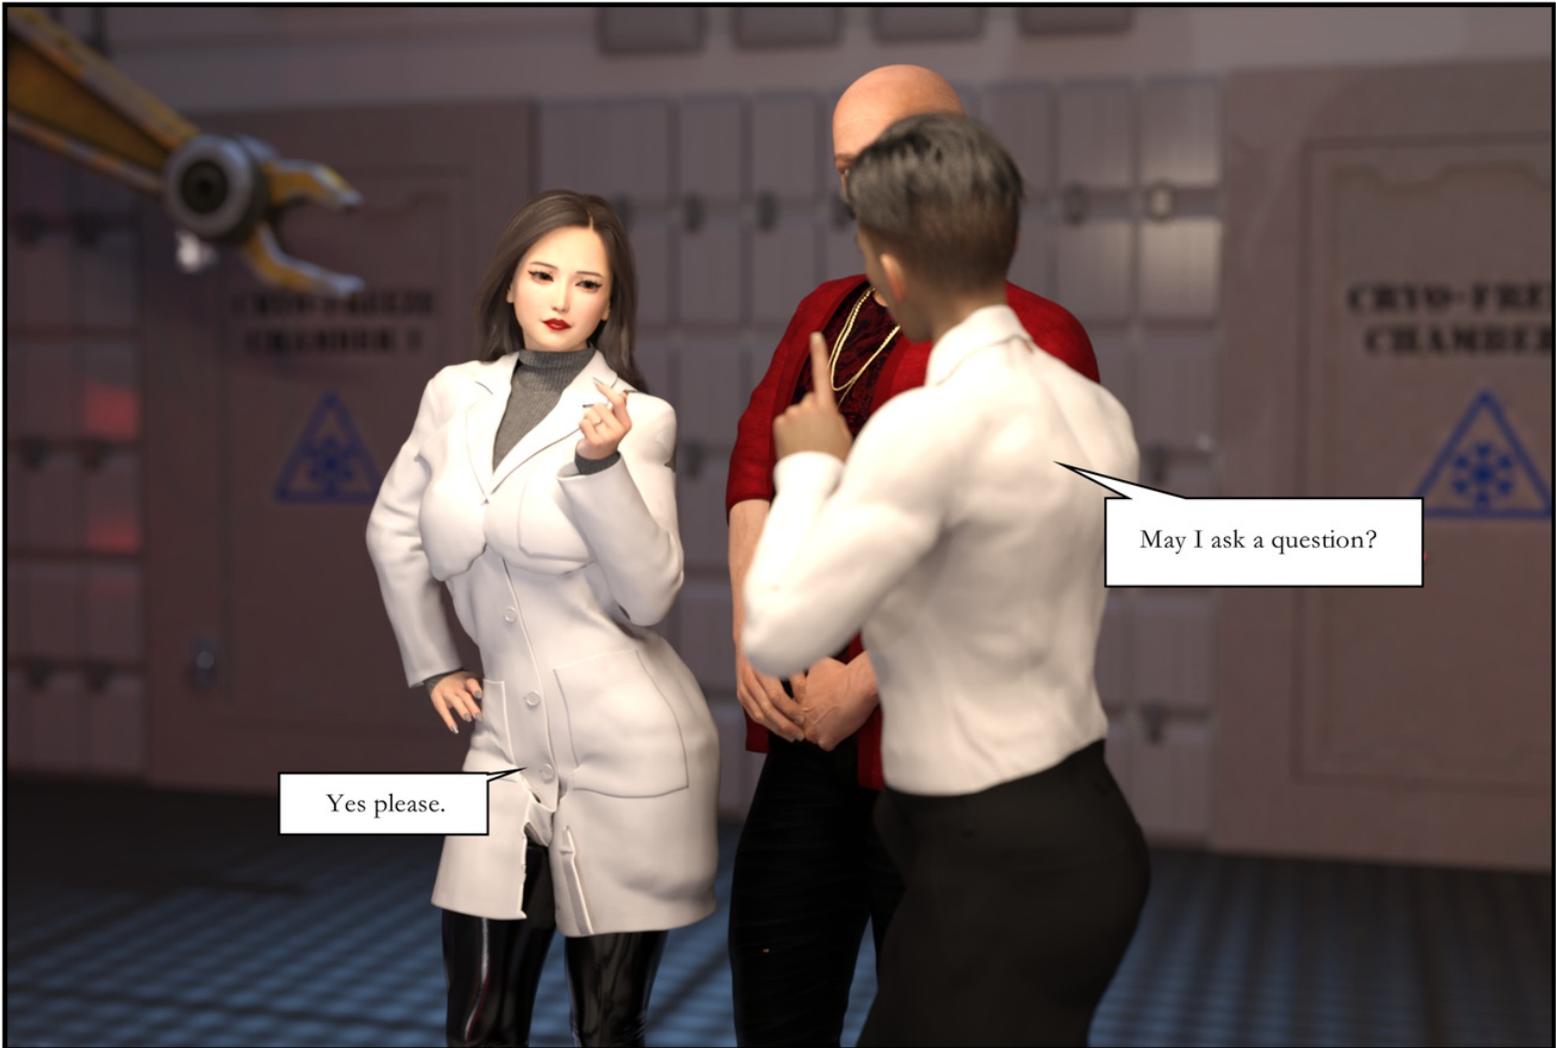

I have been waiting this body for a long time.

This? Daed body?

Of course not, it was cloned from DNA data extracted from some girl.

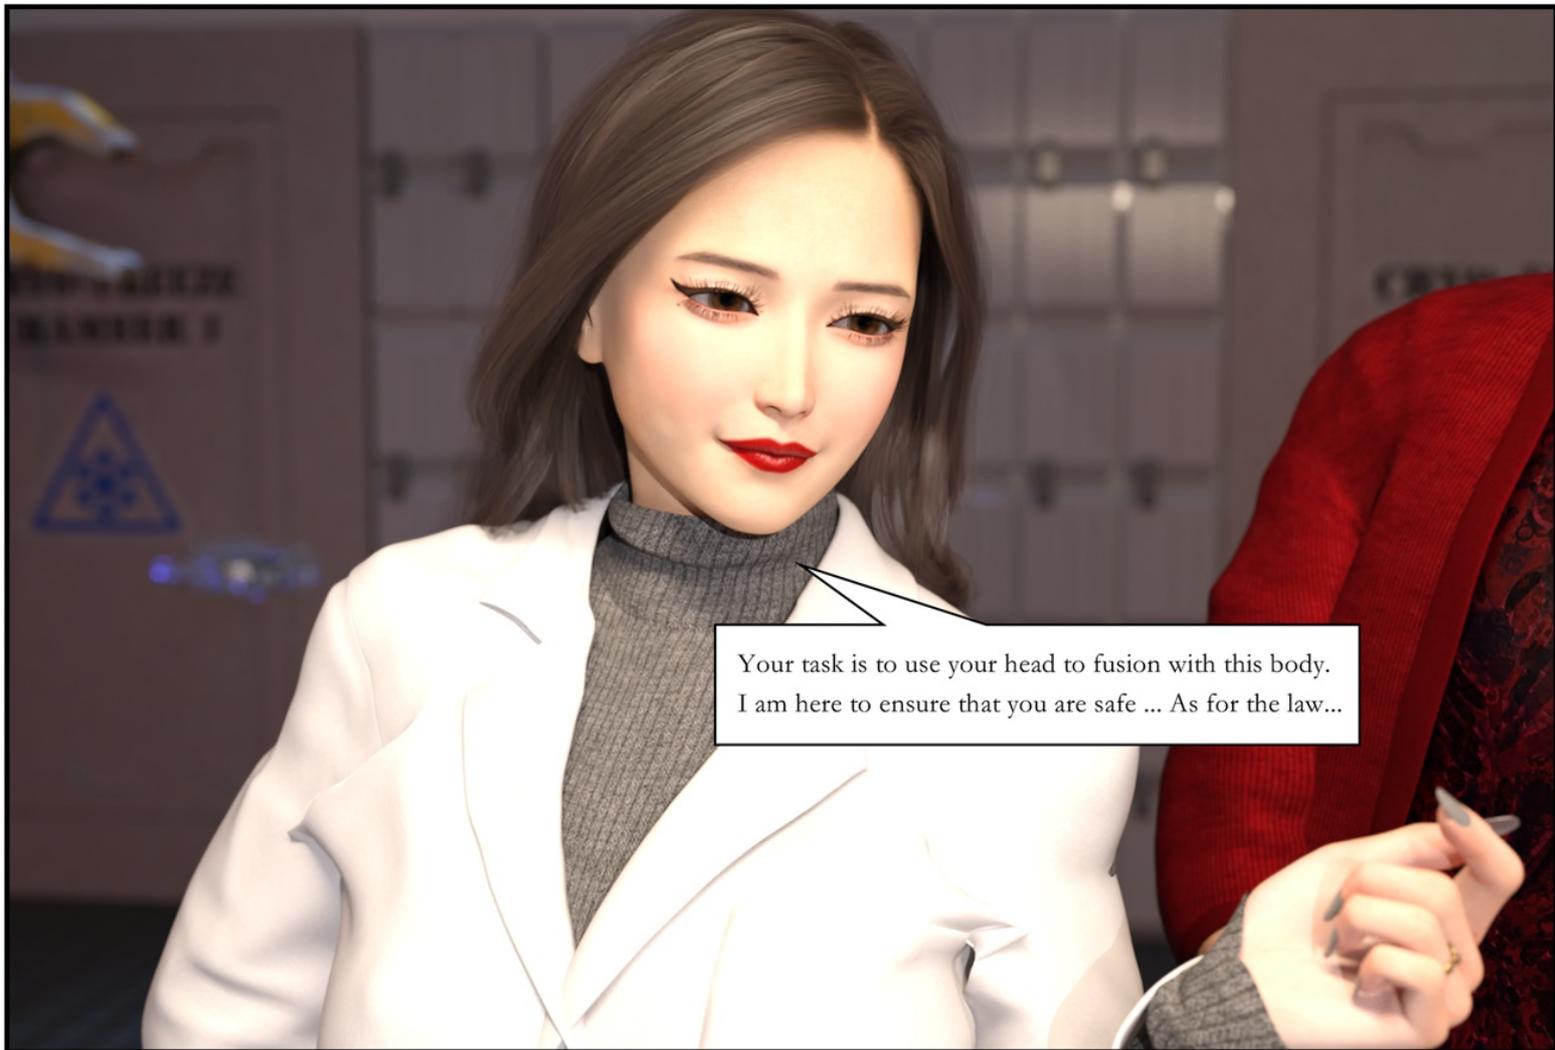

Yes please.

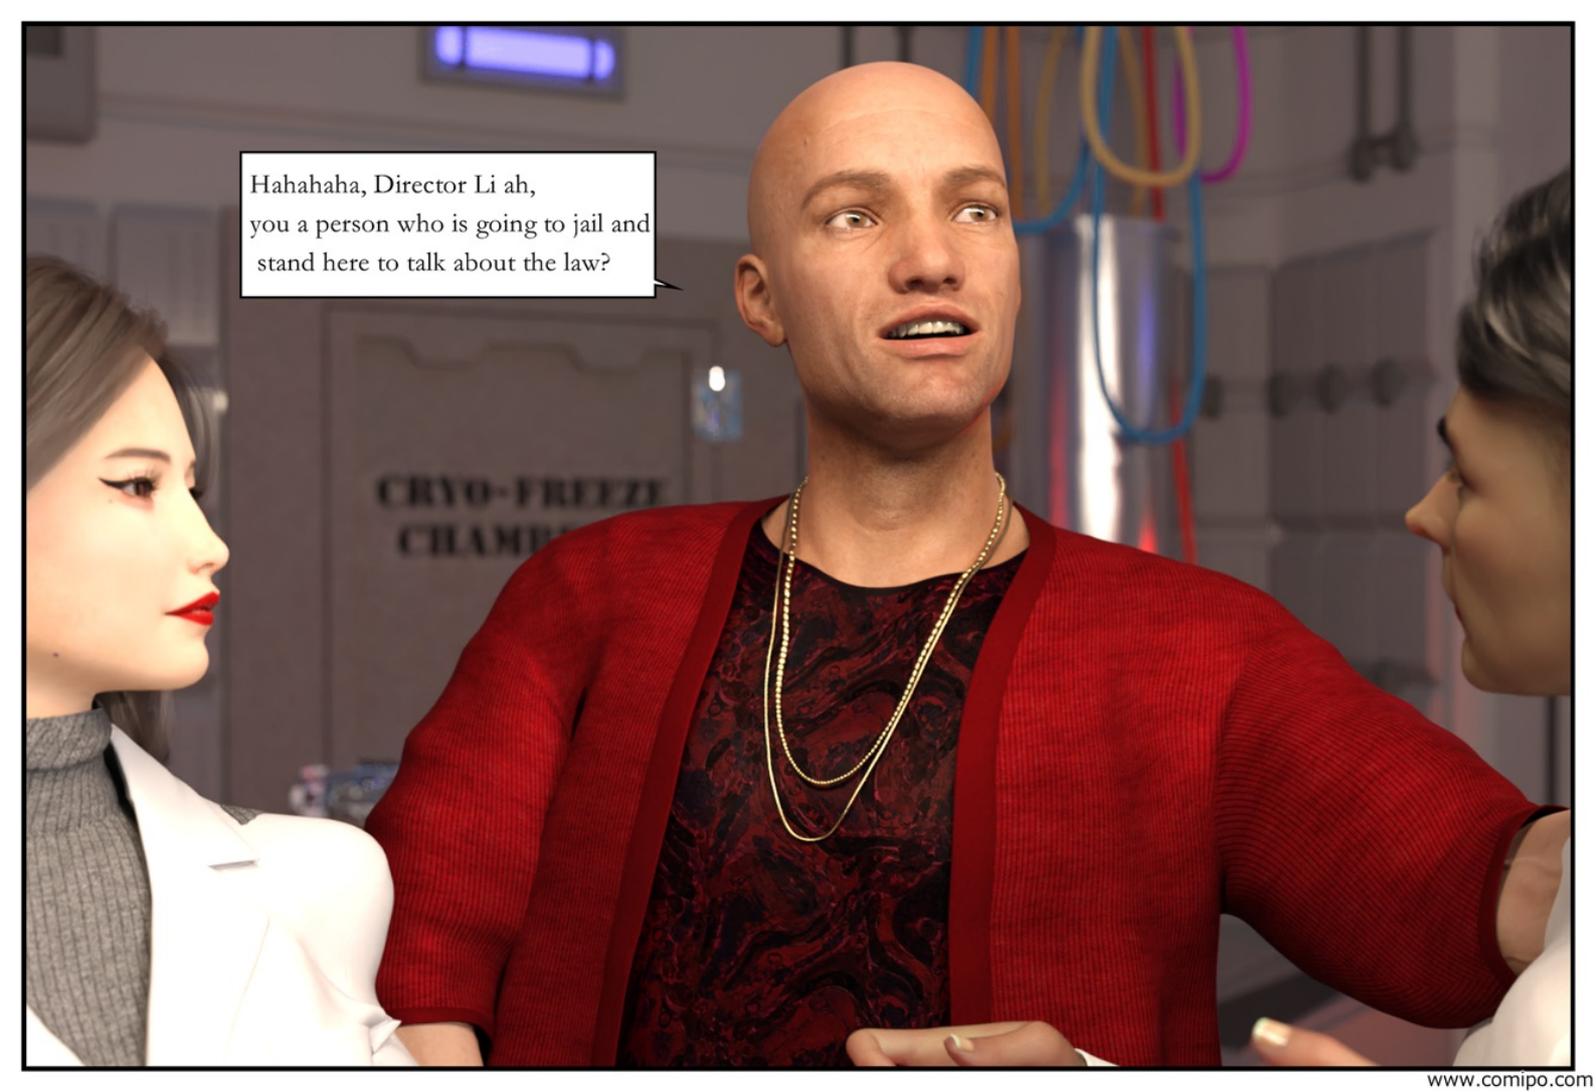

May I ask a question?

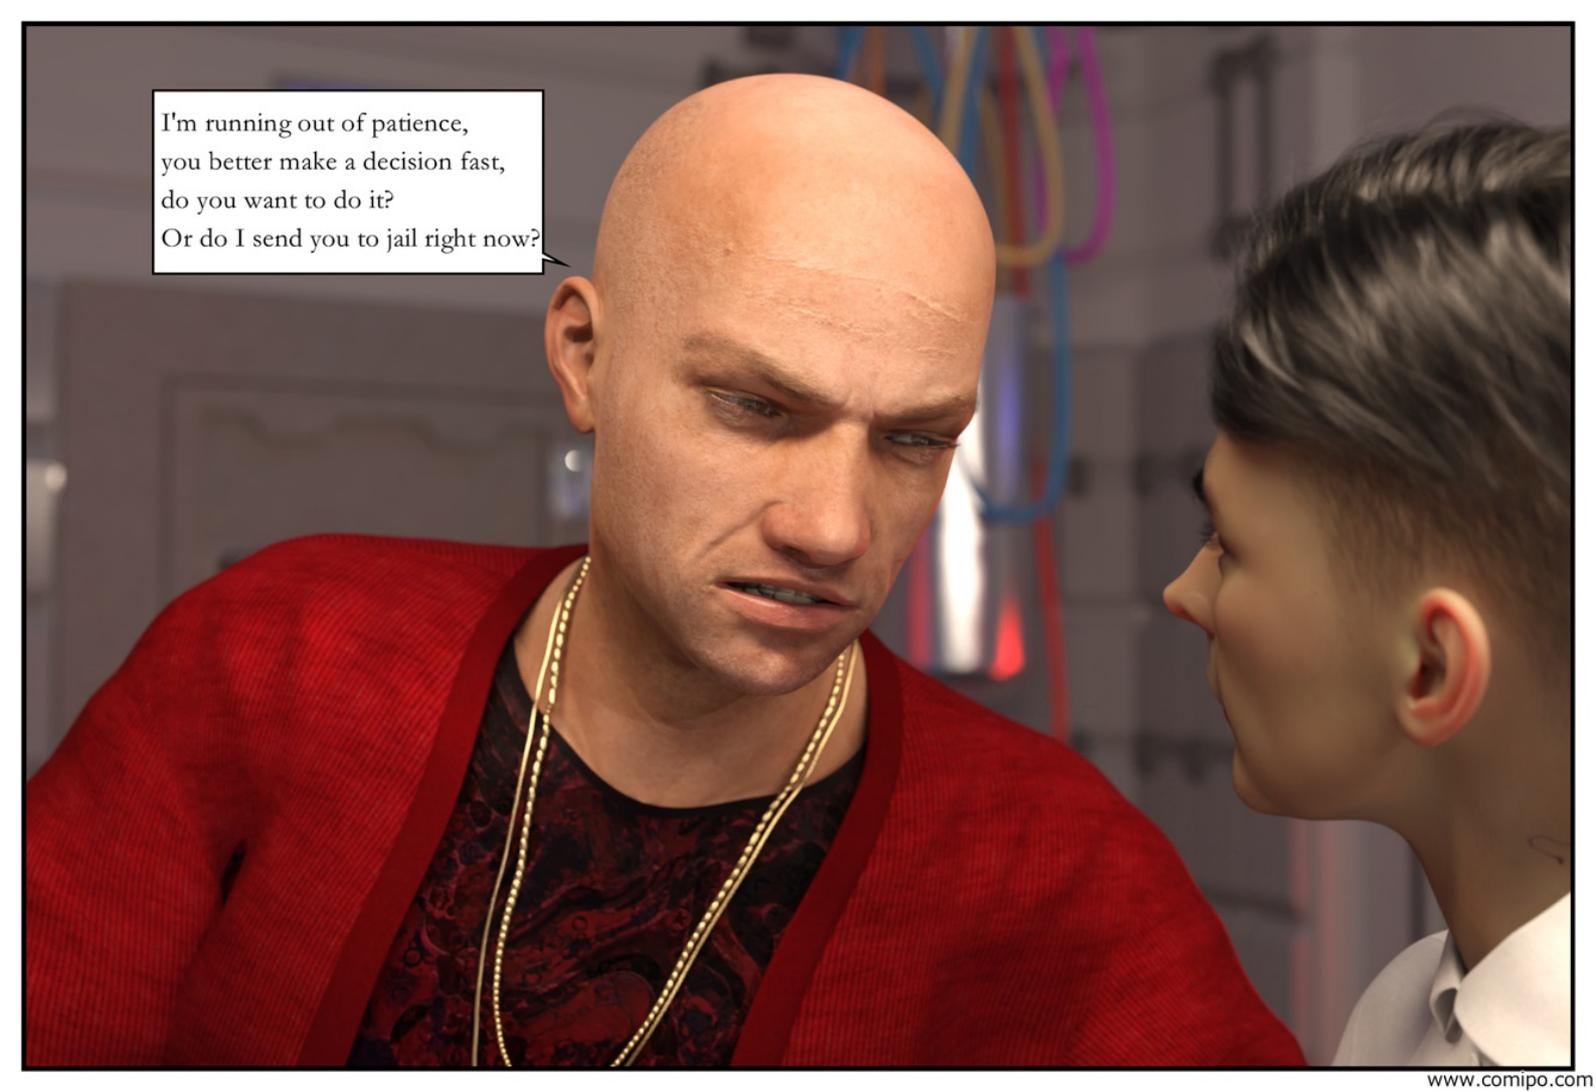

How do I participate in this experiment?
Is it legal?

Your task is to use your head to fusion with this body.
I am here to ensure that you are safe ... As for the law...

A 3D rendered scene from a game. In the center, a bald man with a surprised expression looks upwards. He is wearing a red cardigan over a dark, patterned shirt and a gold chain necklace. To his left, a woman with long dark hair, wearing a white jacket and a grey turtleneck, looks towards him. To his right, another woman is partially visible, looking at him. The background is a laboratory or office setting with a door labeled "CRYO-FREEZE CHAMBER" and various cables hanging from the ceiling. A speech bubble is positioned above the man, containing text.

Hahahaha, Director Li ah,
you a person who is going to jail and
stand here to talk about the law?

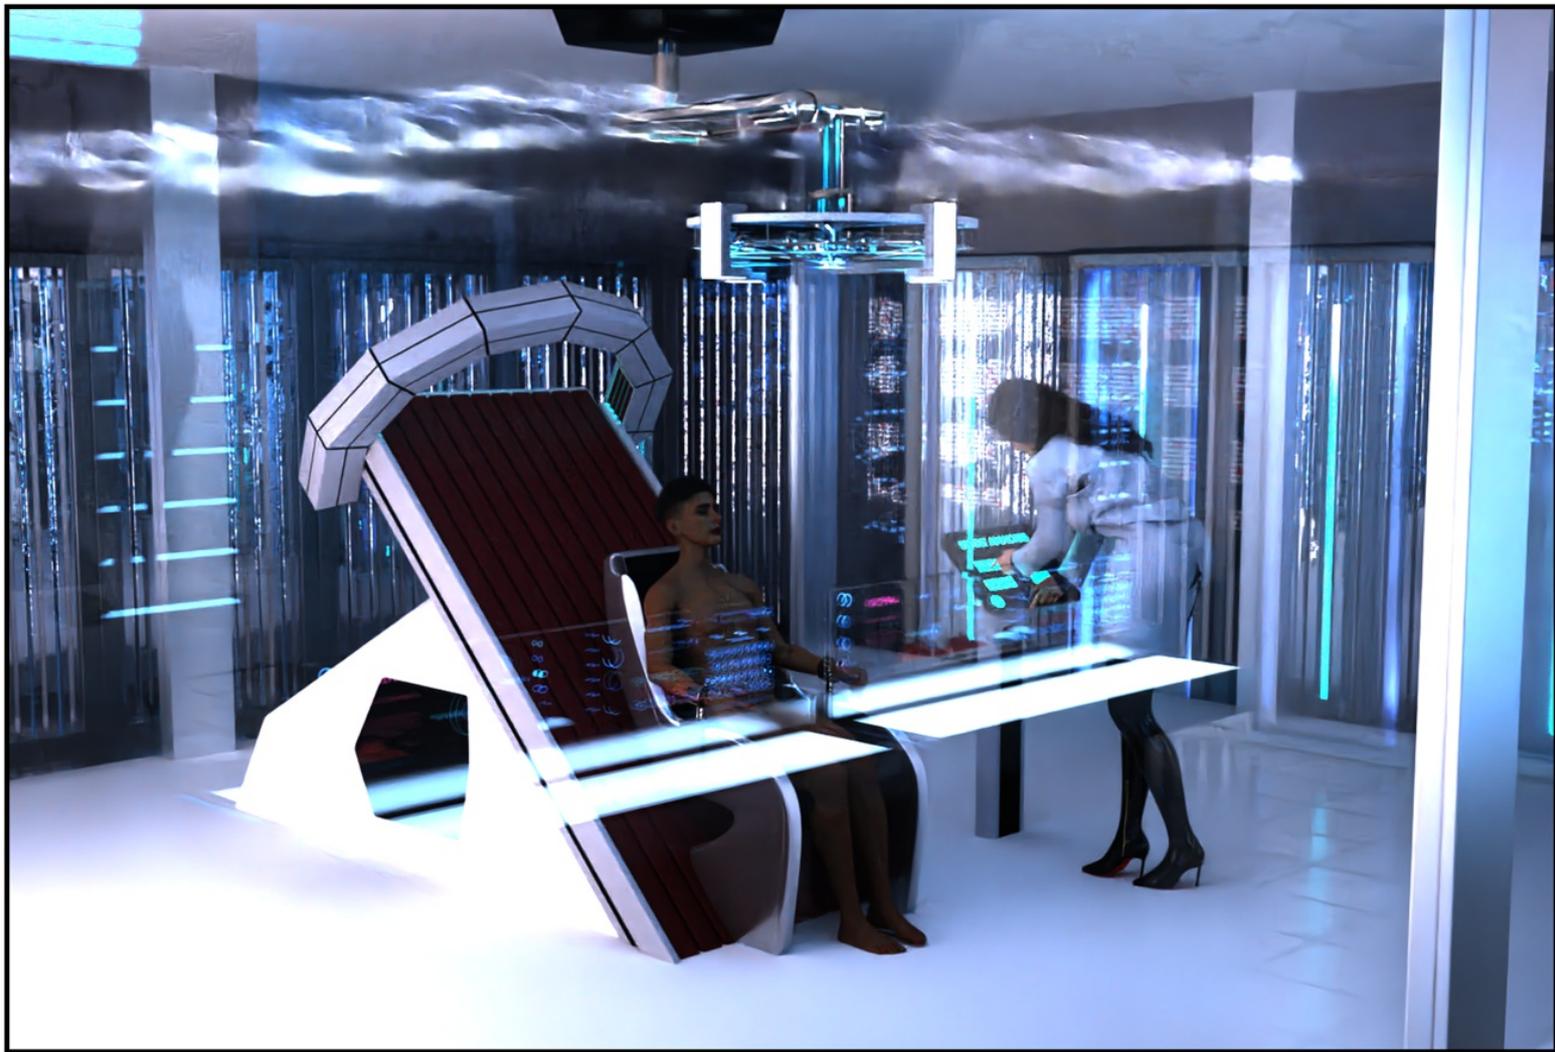

A close-up shot from a video game. On the left, a bald man with a stern expression is wearing a red corduroy jacket over a black patterned shirt and a gold chain necklace. He is looking towards the right. On the right, a young man with dark hair is shown in profile, wearing a white collared shirt. A speech bubble originates from the bald man.

I'm running out of patience,
you better make a decision fast,
do you want to do it?
Or do I send you to jail right now?

I get it, I... Do.

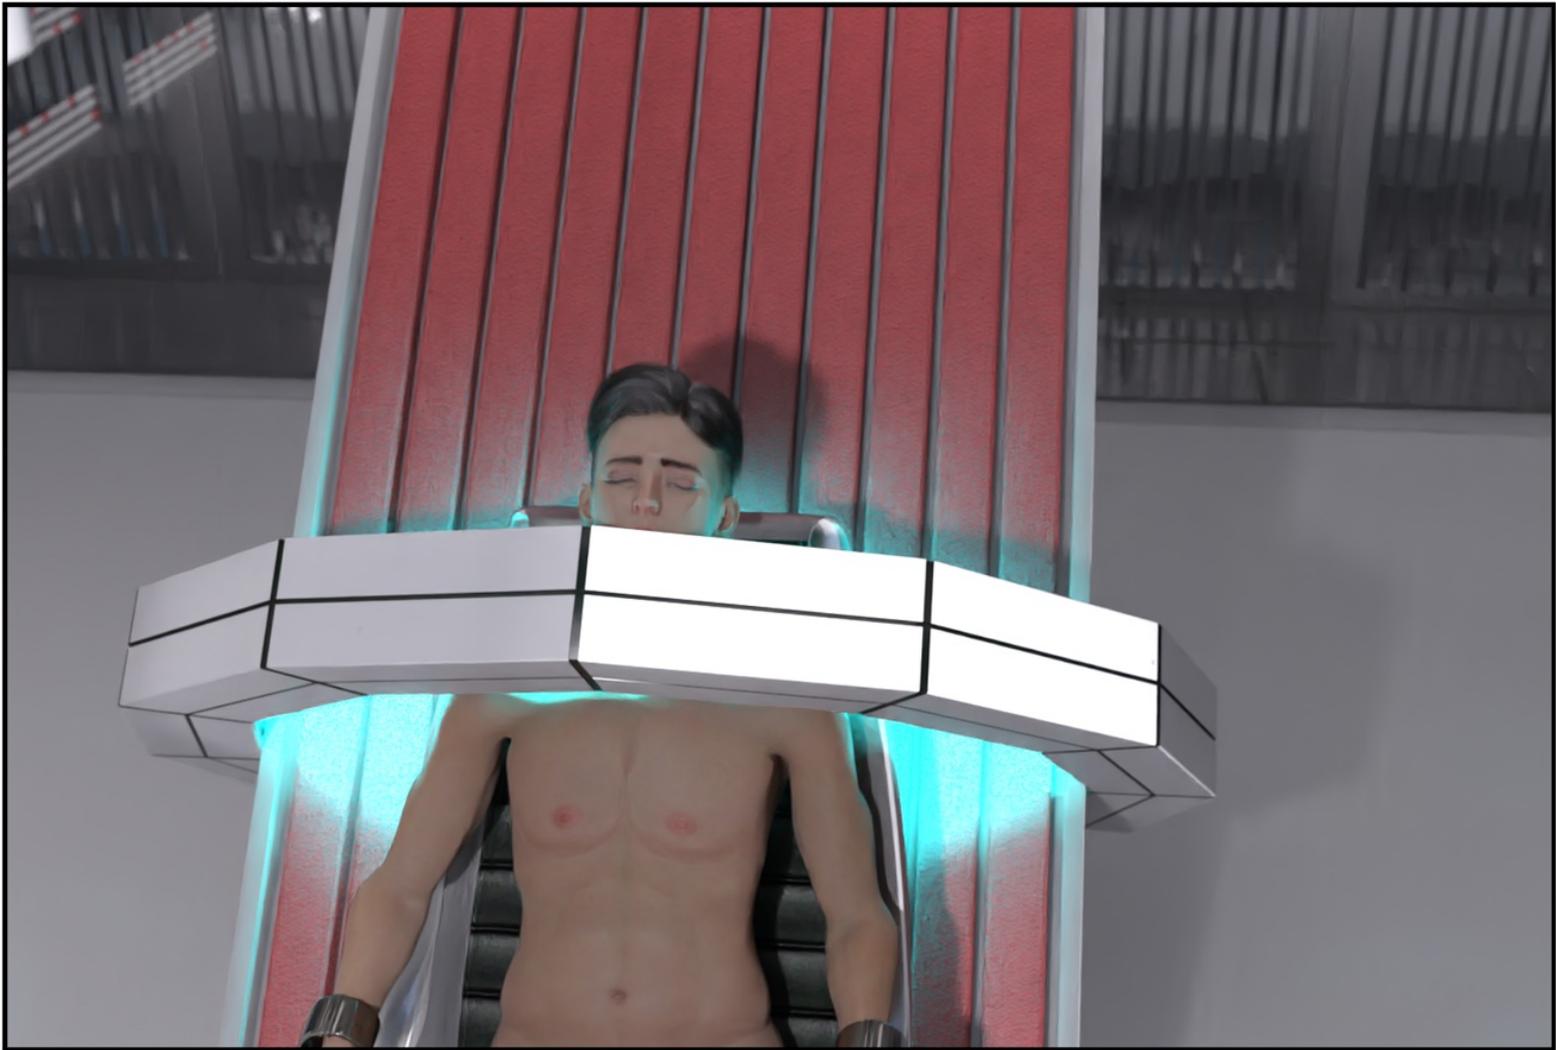

Although the details are not precise, to avoid going to jail, Li Yu decided to do experiments to pay back the money.

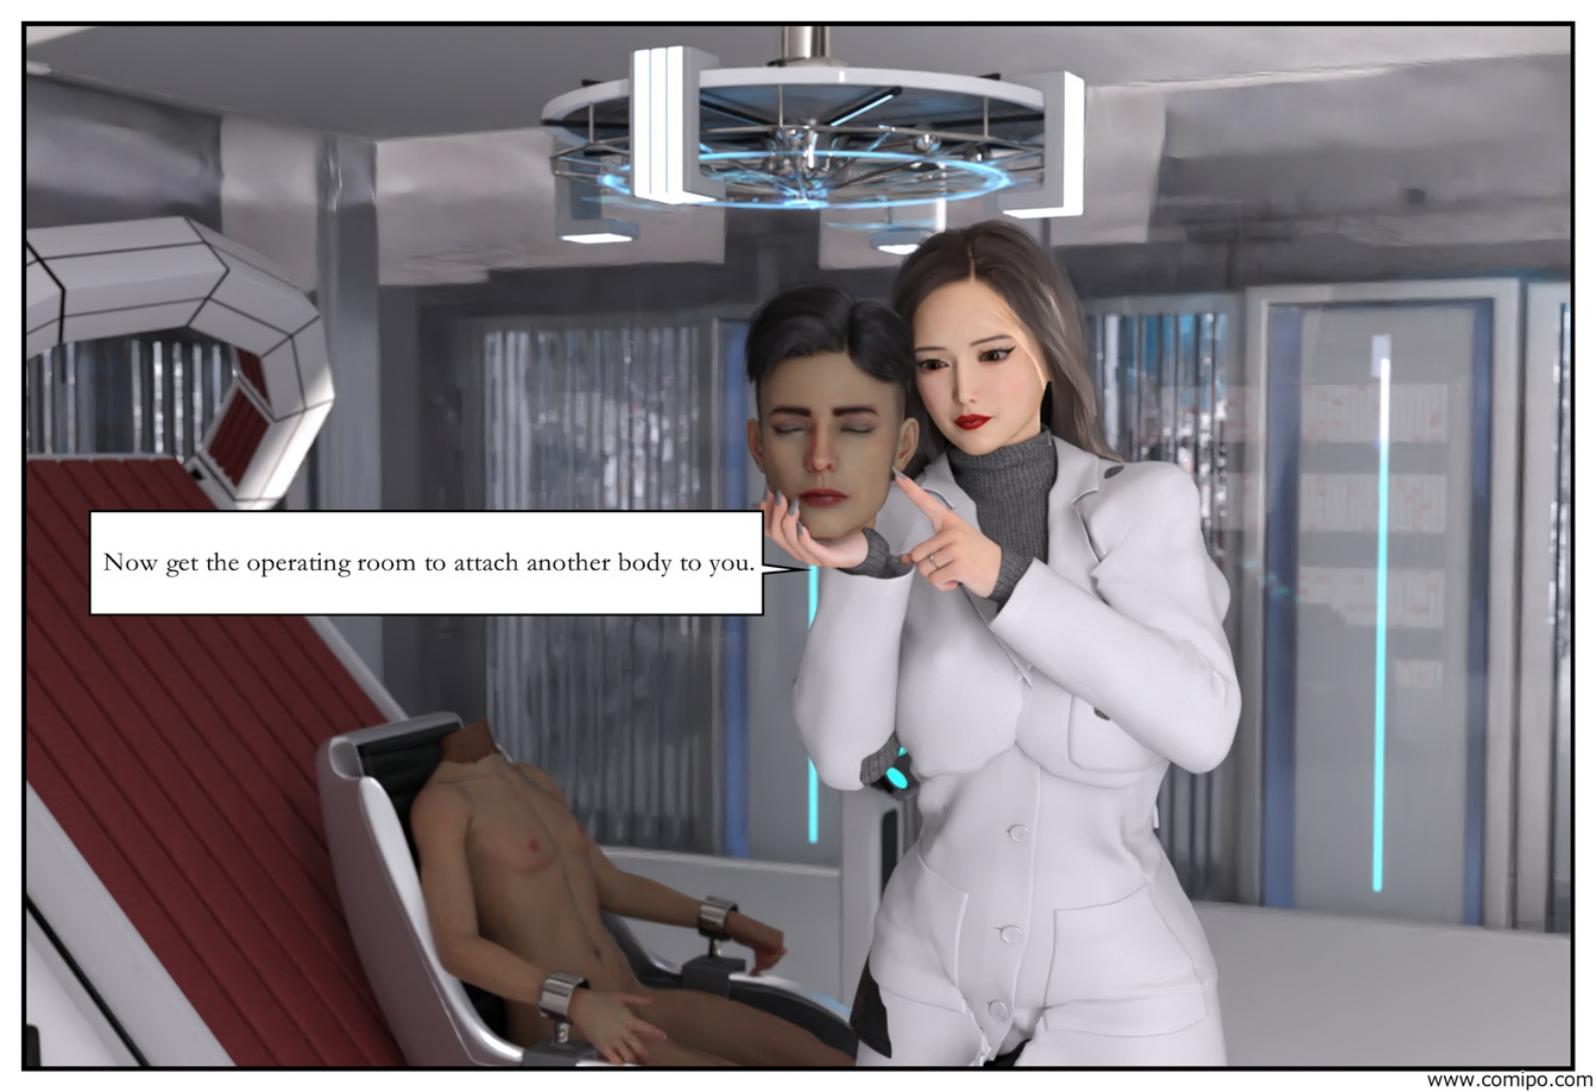

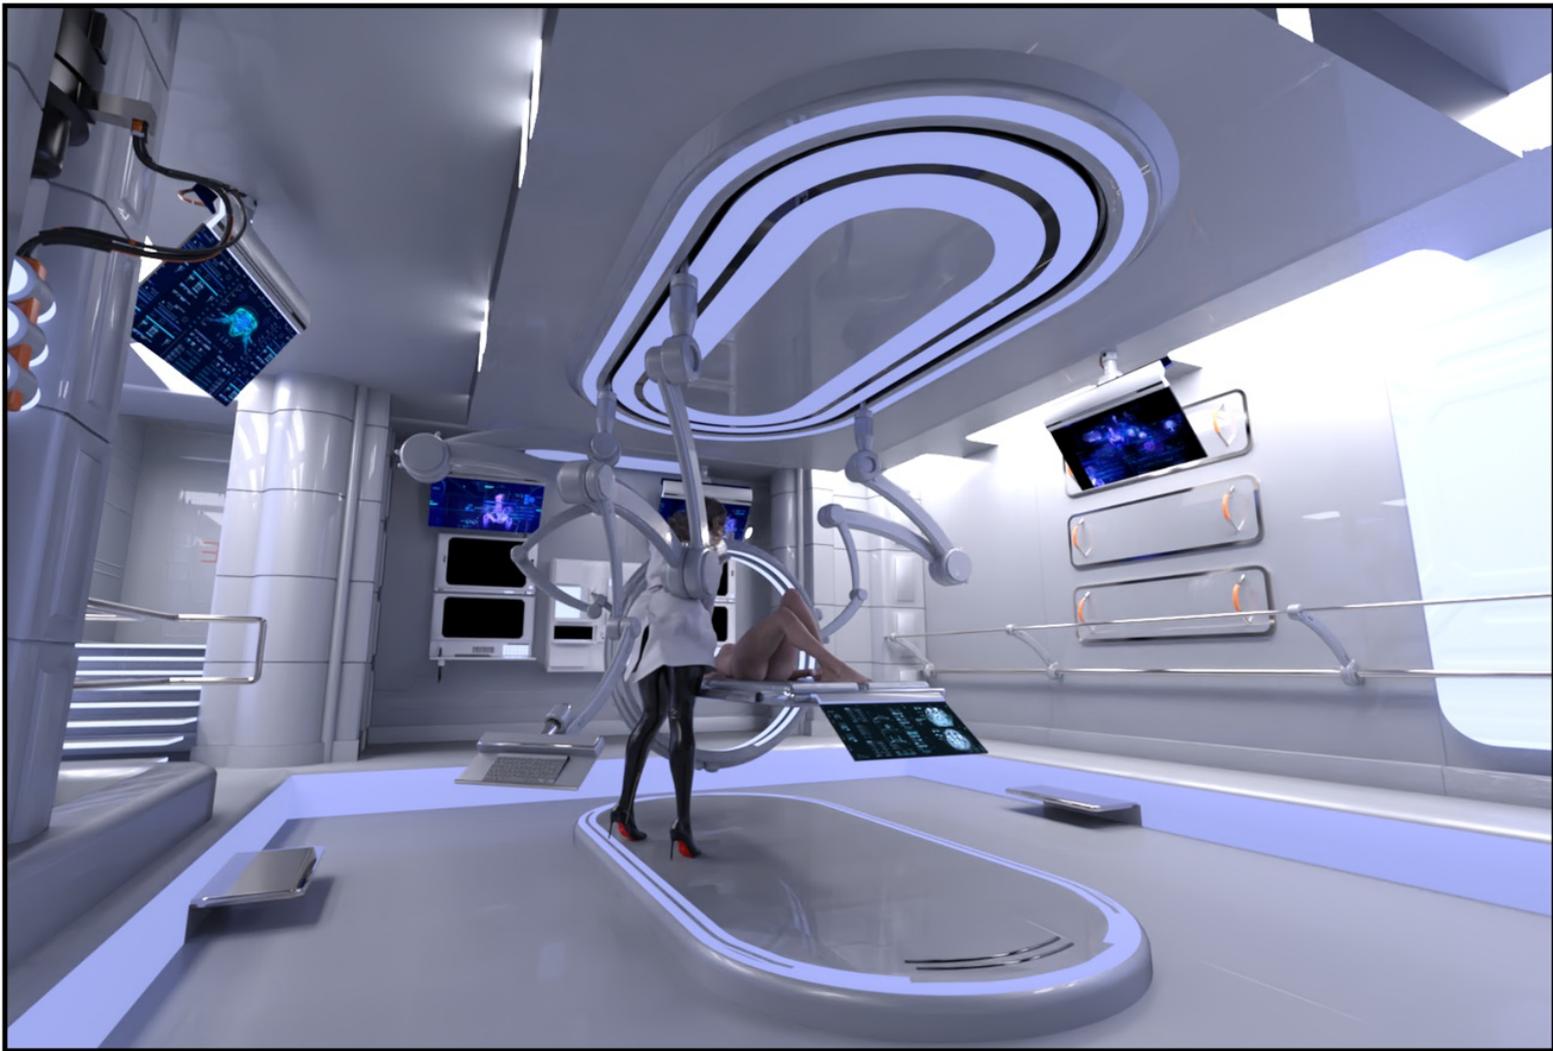

What is this?

This machine is used to cut the head off.
Don't worry, it's painless and it's done in a second.

A futuristic medical facility with a woman in a white suit holding a man's face and a man lying in a medical bed. The woman has long dark hair and is wearing a white blazer over a grey turtleneck. She is holding the man's face with both hands, looking at him with a serious expression. The man has short dark hair and his eyes are closed. In the background, there is a large circular light fixture with blue accents and a man lying in a medical bed. The room has a clean, modern aesthetic with white walls and blue lighting.

Now get the operating room to attach another body to you.

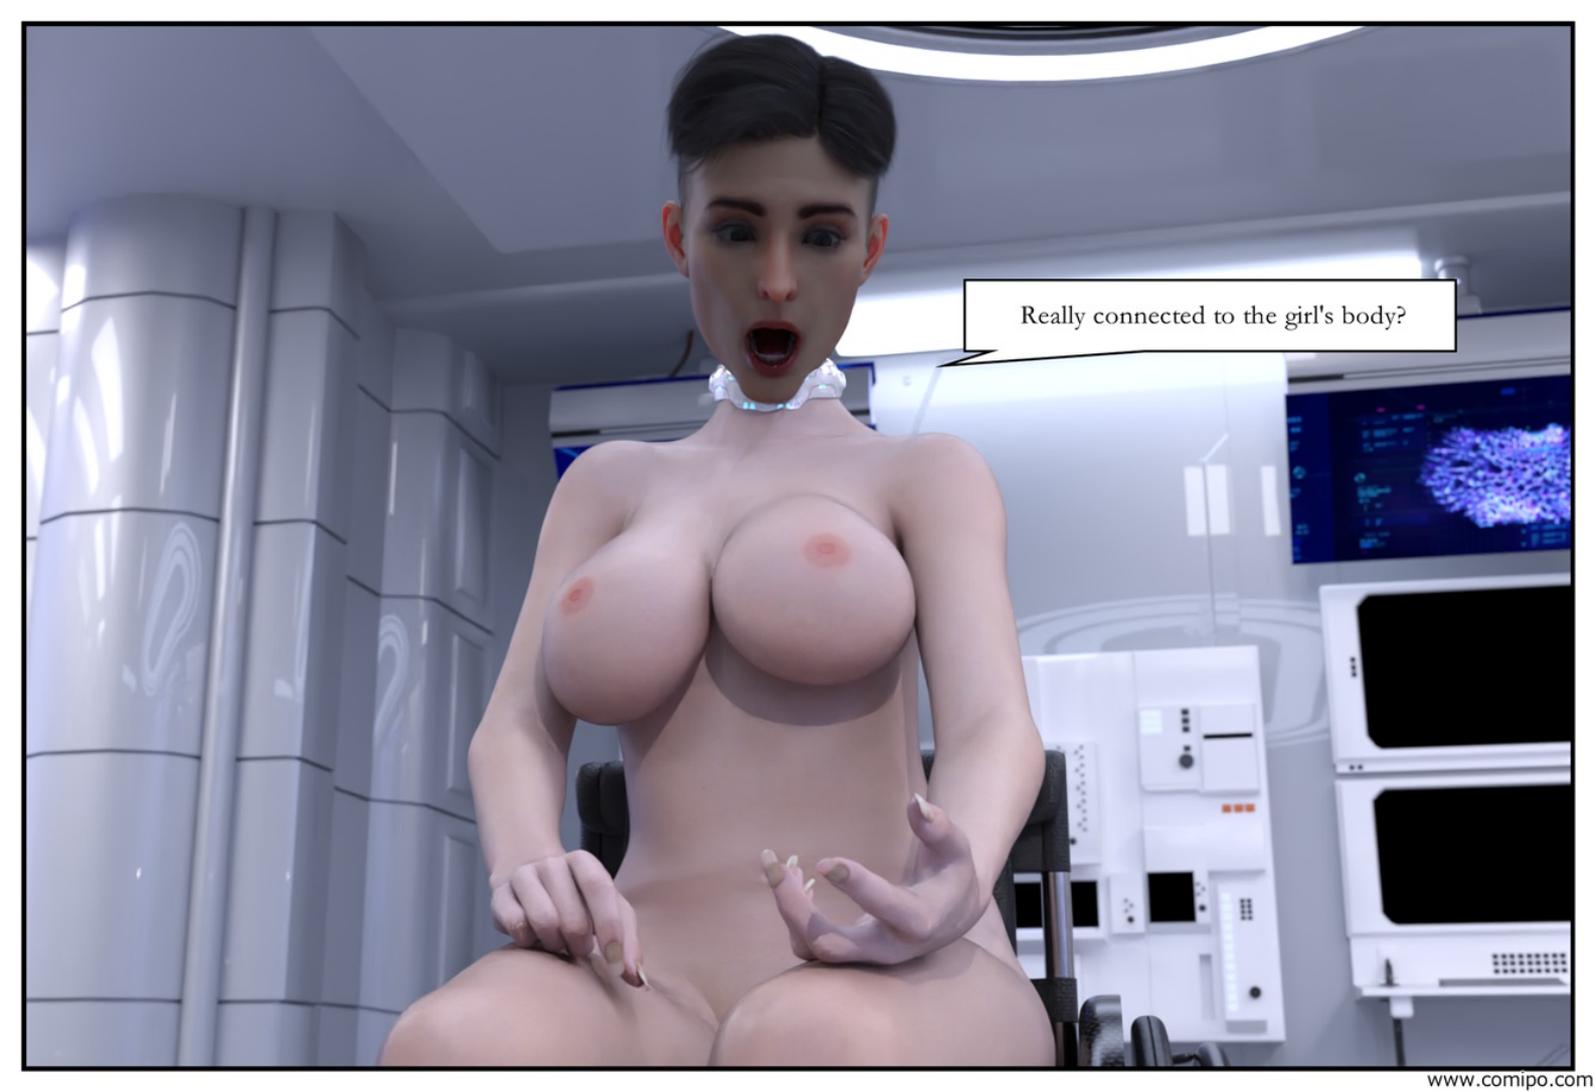

Am I, alive??

*moving

WHAT!!!

A 3D rendered female character with large breasts and a surprised expression is seated in a futuristic medical or laboratory setting. She has dark hair pulled back and is wearing a white choker. The background features white cylindrical pillars, a control panel with buttons, and a monitor displaying a blue, glowing, tree-like structure. A speech bubble is positioned to her right.

Really connected to the girl's body?

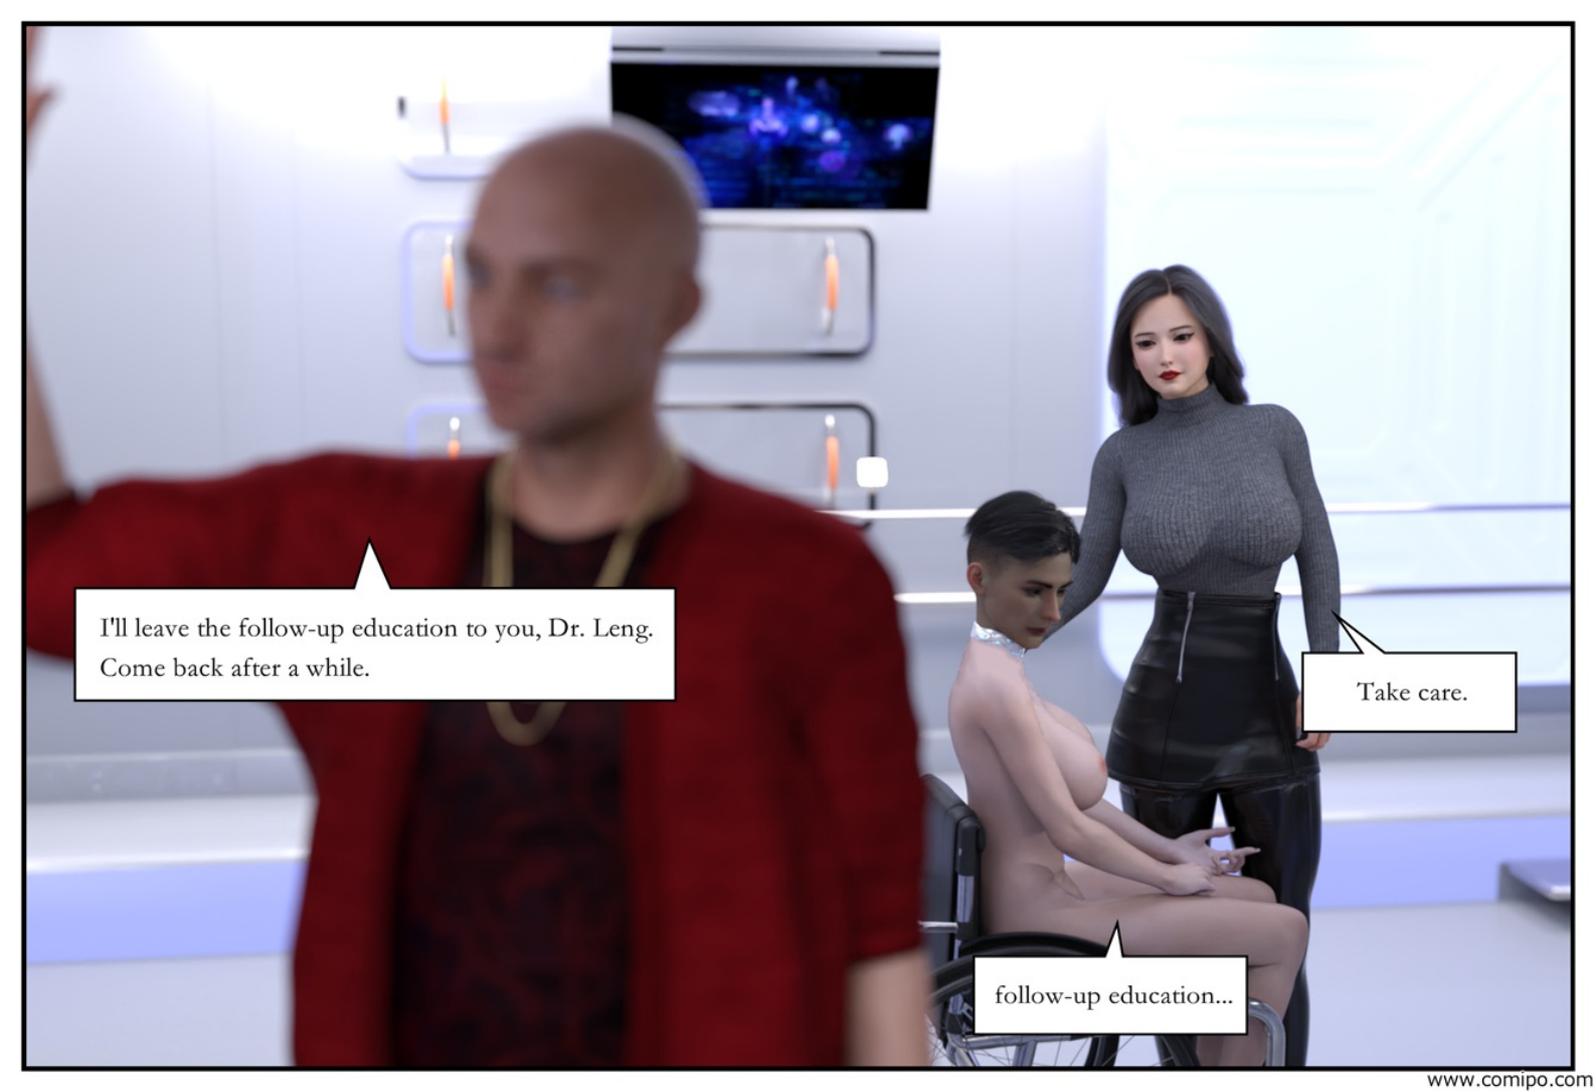

Take it easy, I told you it was fine.
But for now the nerves are still growing and healing.
You can't move freely yet,
I'll take care of you for the next two days.

I...

The surgery was successful, it seems that it will not be long before you can start your debt repayment journey, Director Li.

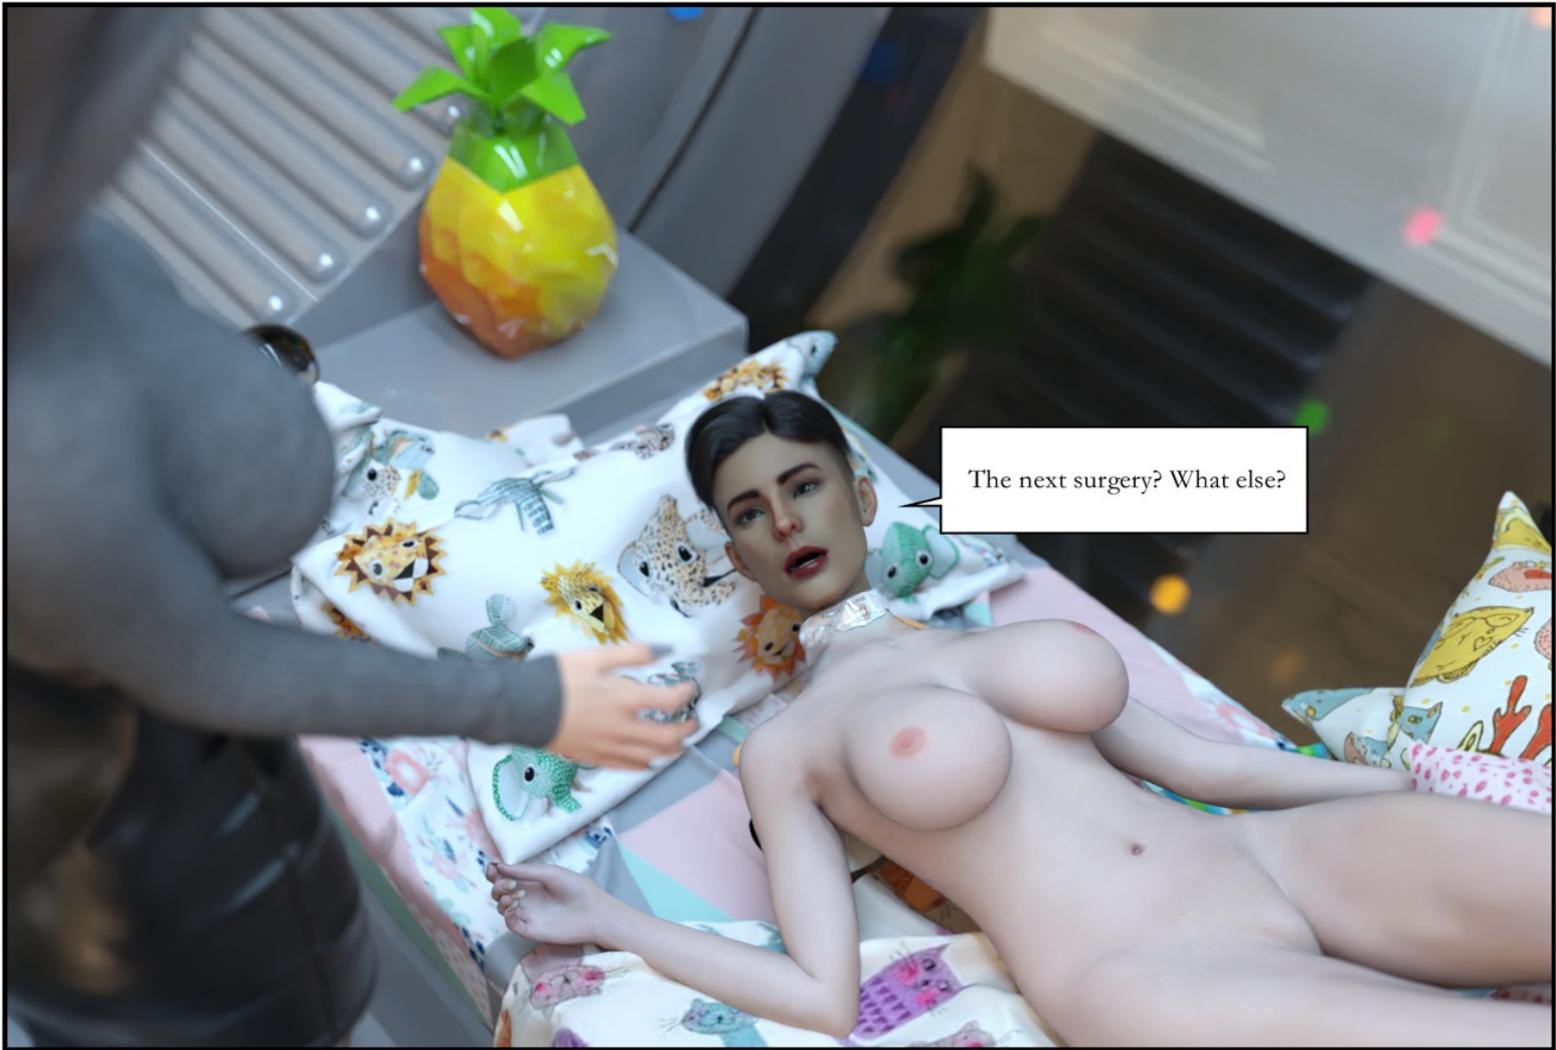

I'll leave the follow-up education to you, Dr. Leng.
Come back after a while.

Take care.

follow-up education...

A futuristic medical convalescent barn with a woman and a child. The scene is viewed through a large white circular opening. Inside, a woman in a grey long-sleeved top and black pants stands near a child who is lying down. The child is wearing a green hat and is surrounded by colorful toys, including a pink toy dog and a blue ball. The barn has a curved, metallic interior with various pipes and lights. A speech bubble points to the woman and child.

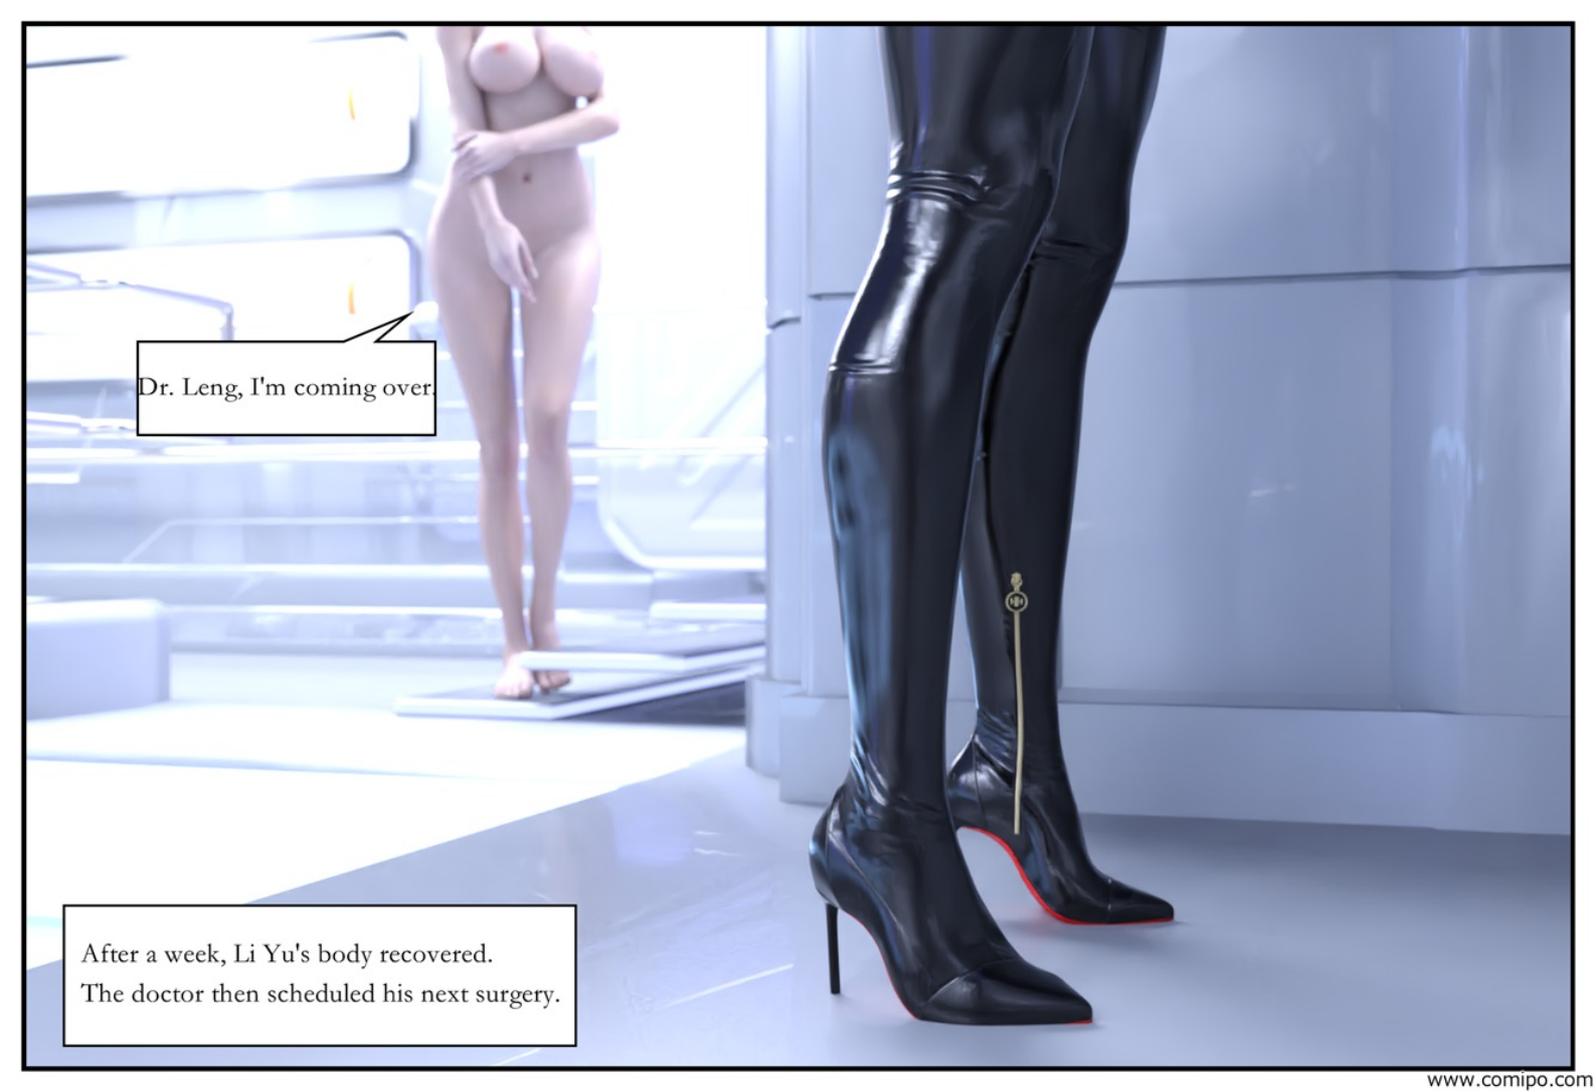

You will stay in this convalescent barn for the next two days. When your body recovers, then you can go for the next surgery. Read more magazines when you are bored and learn about girls' stuff.

The next surgery? What else?

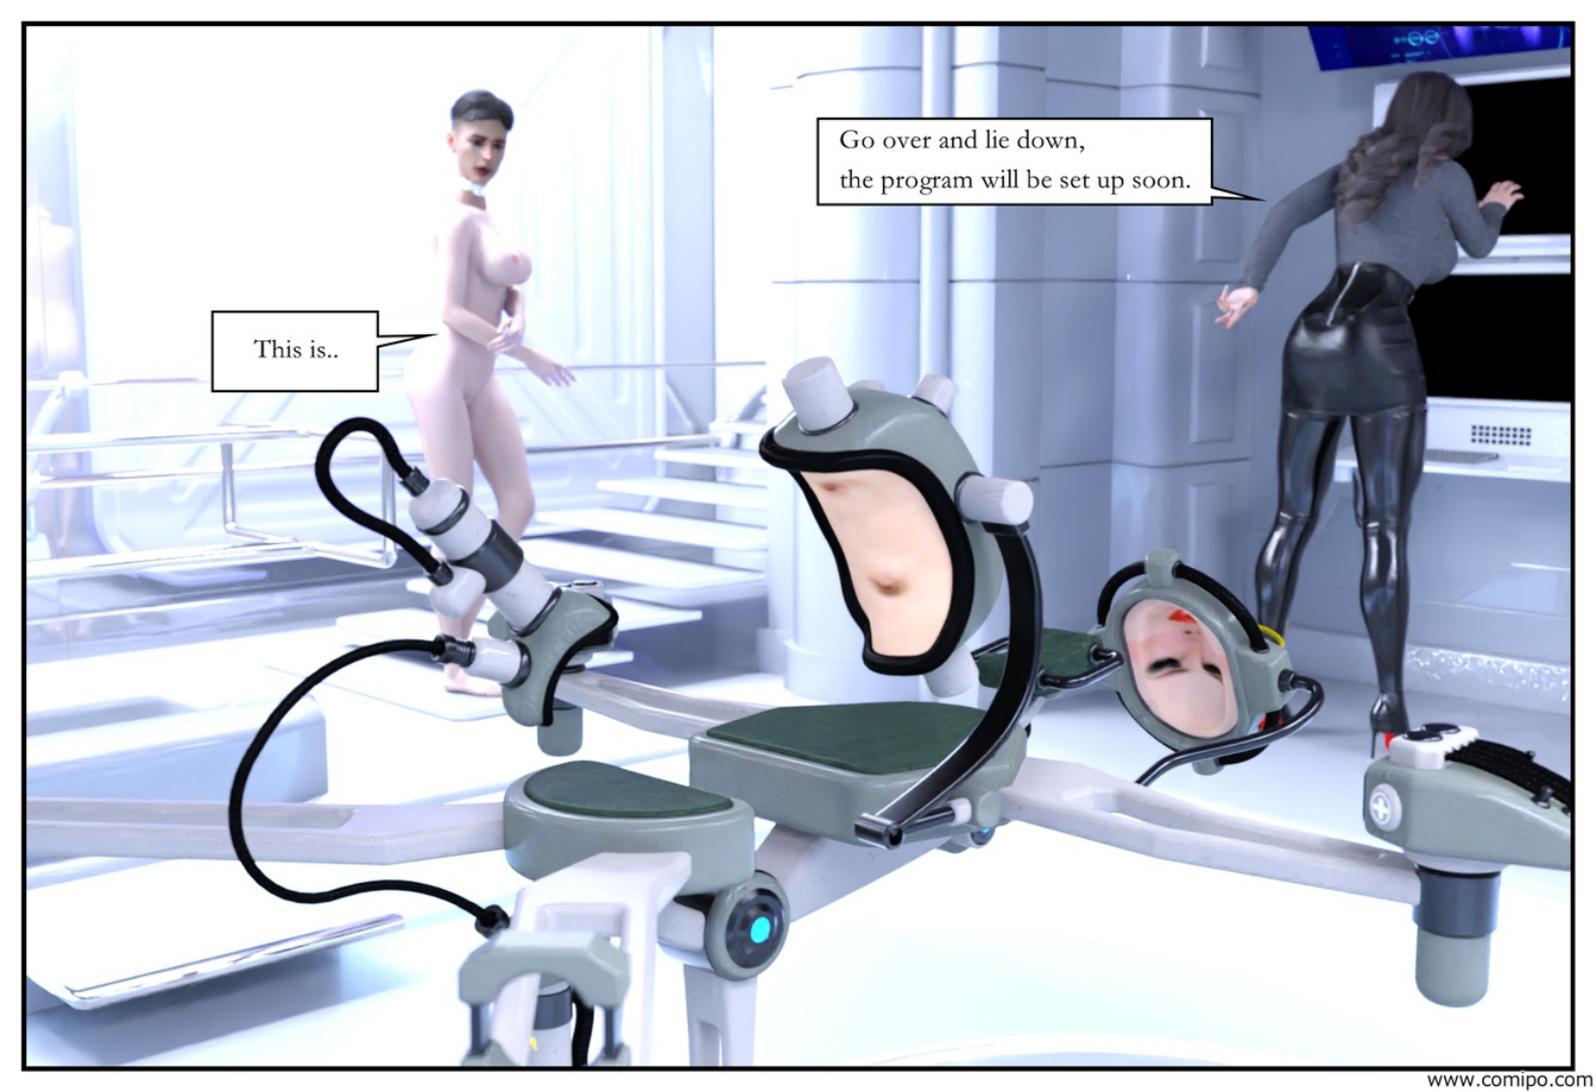

A woman with long, straight black hair and red lipstick is wearing a grey, ribbed turtleneck sweater. She is looking slightly to her right with a neutral expression. Her right hand is extended forward, palm up. The background is a blurred, warm-toned interior with architectural details like a doorway and a decorative frieze. A speech bubble is positioned to her left, containing text.

Of course it's plastic surgery.
Don't you think any man will like your
face right now?

A futuristic laboratory scene. In the background, a woman with a very slender physique stands on a platform. In the foreground, the lower legs and feet of a man wearing black, shiny, thigh-high boots and high-heeled shoes are visible. The setting is a clean, blue-toned environment with metallic surfaces and a bright light source in the background.

Dr. Leng, I'm coming over.

After a week, Li Yu's body recovered.
The doctor then scheduled his next surgery.

This is..

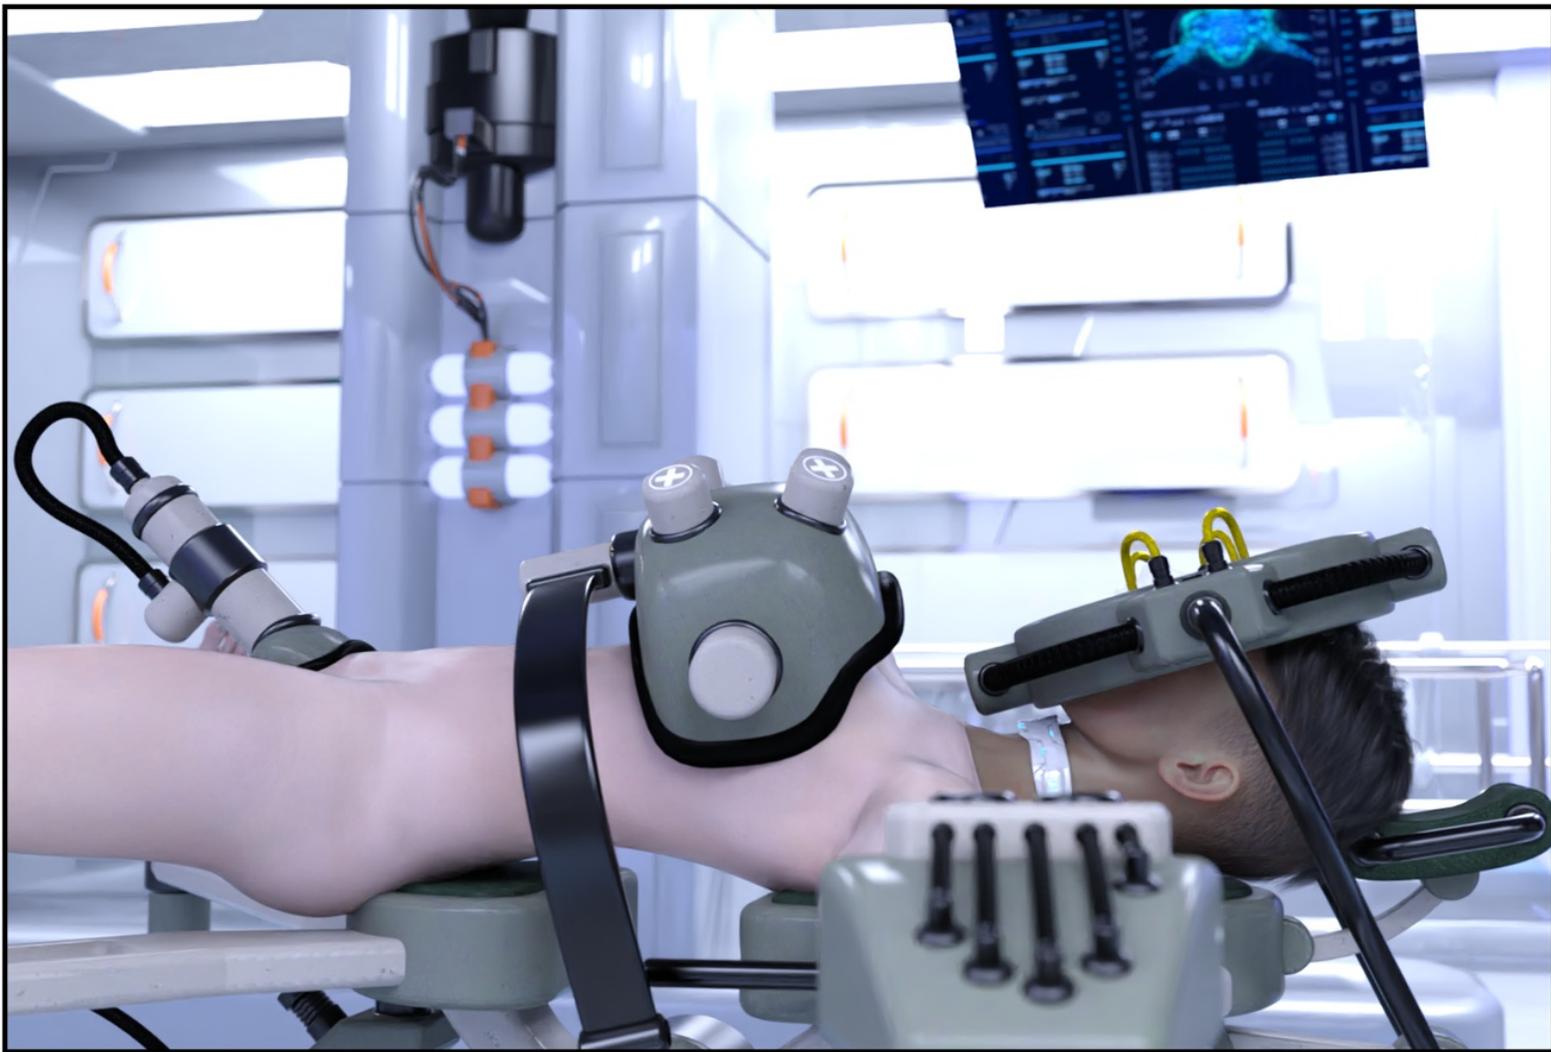

Go over and lie down,
the program will be set up soon.

A woman is lying on a futuristic medical machine. Her head is tilted back, and a circular device is floating above her face, showing a close-up of her eyes and mouth. The machine has various mechanical parts, including a large green component with two white crosses on the right side. The background is a bright, futuristic environment with glowing blue and white circular patterns.

This is... A machine for plastic surgery?

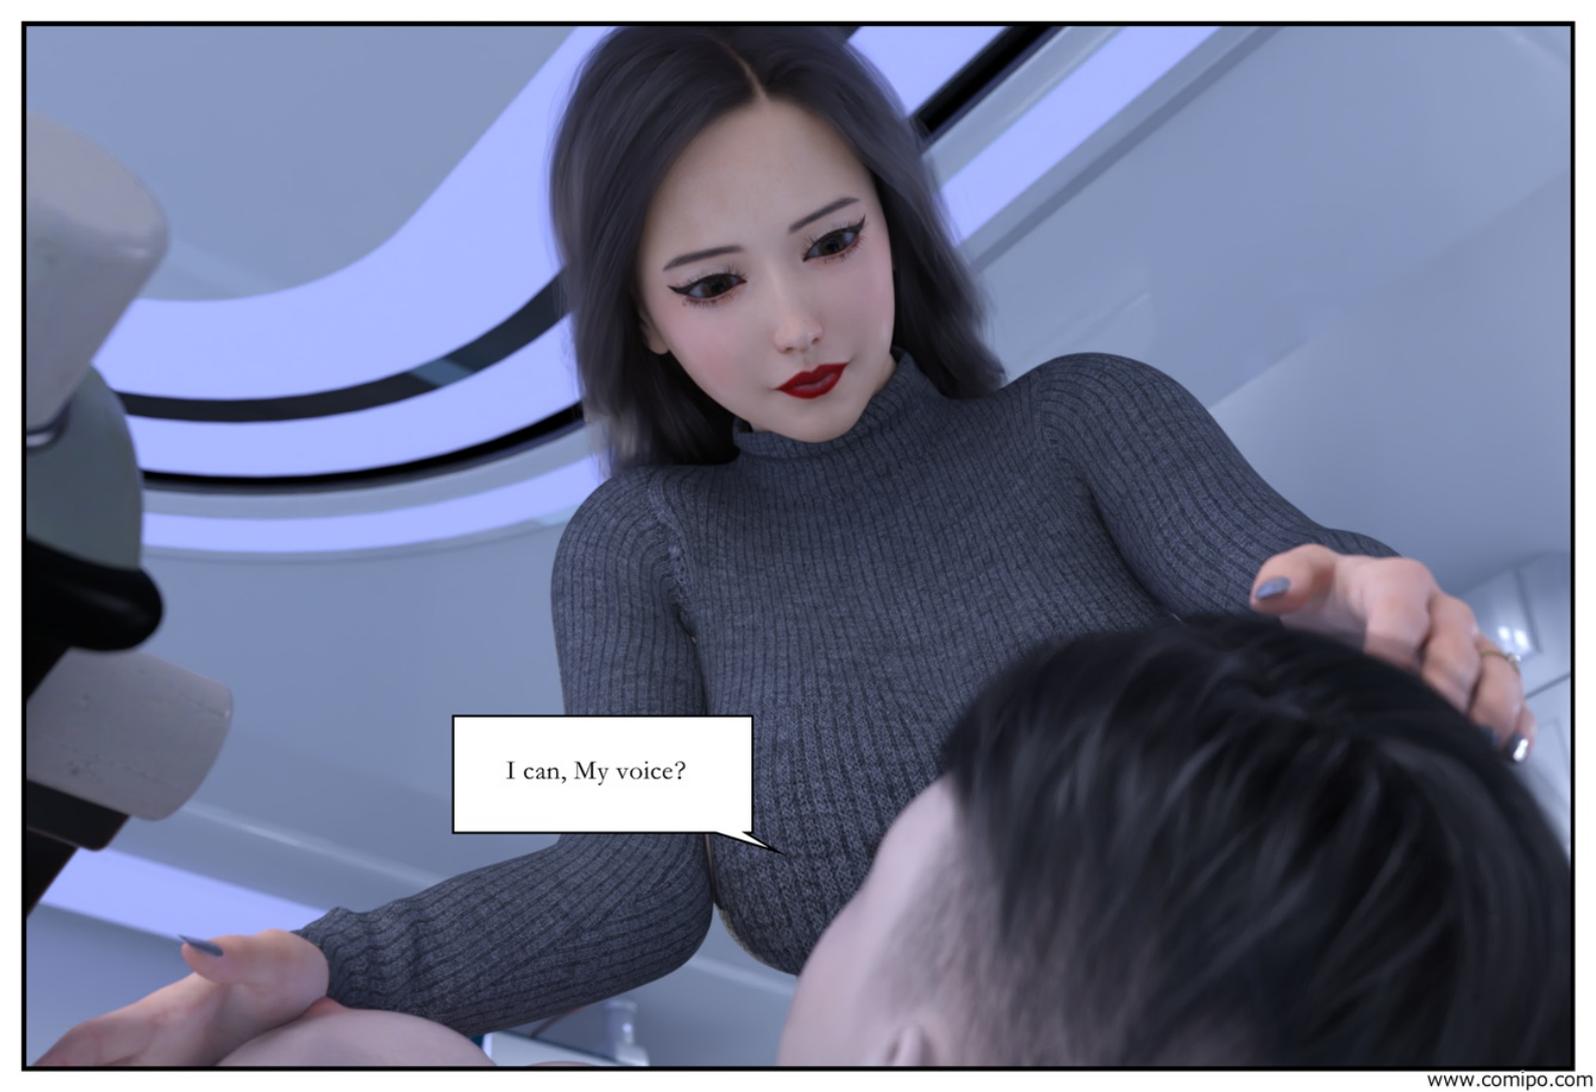

As the the plastic surgery machine slowly fit on his face, Li Yu realized he may have made a life-changing choice. Perhaps a choice that worse than go to jail.

A woman with dark hair, wearing a grey turtleneck sweater, is sitting on a bed. She is looking down at her hands, which are resting on her lap. The background is a light blue wall. A speech bubble is positioned in the upper left quadrant of the image.

Can you see it? Is it okay?

A woman with long dark hair, wearing a grey ribbed turtleneck sweater, is looking down at a man whose back is to the camera. The setting is a futuristic, brightly lit interior with curved architectural elements and blue ambient lighting. A speech bubble is positioned between them.

I can, My voice?

A woman with dark hair and large eyes is lying in a futuristic medical chair. She is wearing a white collar with a circular device labeled "PURGE". A person's hand is using a stethoscope on her neck. A large medical device with yellow cables is positioned above her. The background is a bright, futuristic interior with glowing blue and white lights.

It's beautiful.
Next is a psychological change.

What have I become?

From then on, Dr. Leng would supervise his daily routine, including what clothes to wear and what kind of wig to wear. On top of that, there was intense brainwashing every day, with the aim of making Li Yu subconsciously accept the fact that he was a woman.

At first, Li Yu refused to look in the mirror. It was hard for him to accept that he now had a face that looked like his daughter's. Compared to Xiangling, his face looks more mature, not as innocent and natural as she usually is. But within a few days, he got used to doing makeup to get ready before Dr. Leng came.

His make-up skills are also becoming more and more proficient by the day.

I don't know when my hair will grow to long enough.

Can I fit in size 6?

In addition to makeup and thoughts,
the girls' grooming is also the main focus of educating.

Who told you to sit like this?
Be elegant!

Can you remember without punishment?

Ah! It hurts!

Lift your chest and head, relax and be natural.

Hey, really...

eieei!

There is no choice but to take out other props.

I'm not used to it when my breast is so heavy.

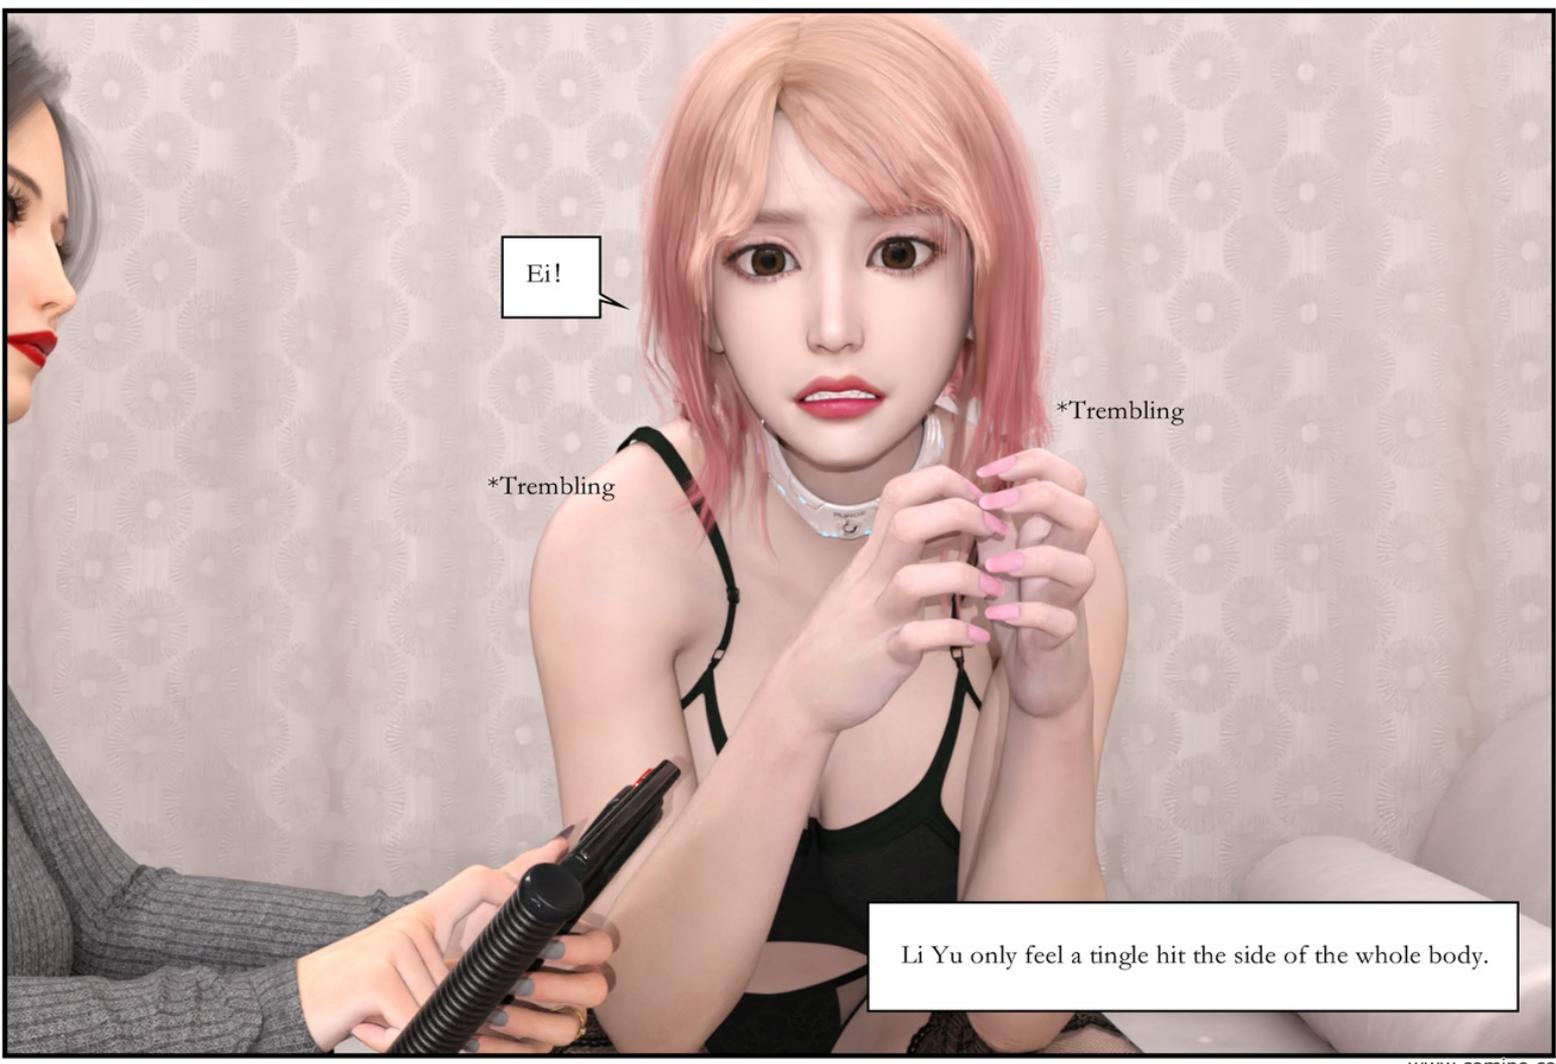

I know that a person like you who has been a man for more than 40 years to be like a teenage girl in such short time is more or less difficult. So I have prepared this for you.

What is this for?

This device can be used to control your behavior.
There are two gears.
The first will not be forced to intervene in your actions
but will implicitly affect your thinking.
But if the second gear is turned on,
your actions and conversations will be controlled by me.
Although you have your own consciousness,
you can not control your body.
In general, open the first gear, and you will be very
much like a girl in your life's action behavior.
This set of behavior templates is the AI analysis of
many female idols and can turn you into a hotty.
Let's try gear one first.

Ei!

*Trembling

*Trembling

Li Yu only feel a tingle hit the side of the whole body.

The body moves on its own.

Show you the second gear effect.
Sit, this is now very feminine, right?

Stand up.
Eh, take two steps.
Try.

Now it's smooth.
Will not fall down at all.
I can only use this method for quick success.

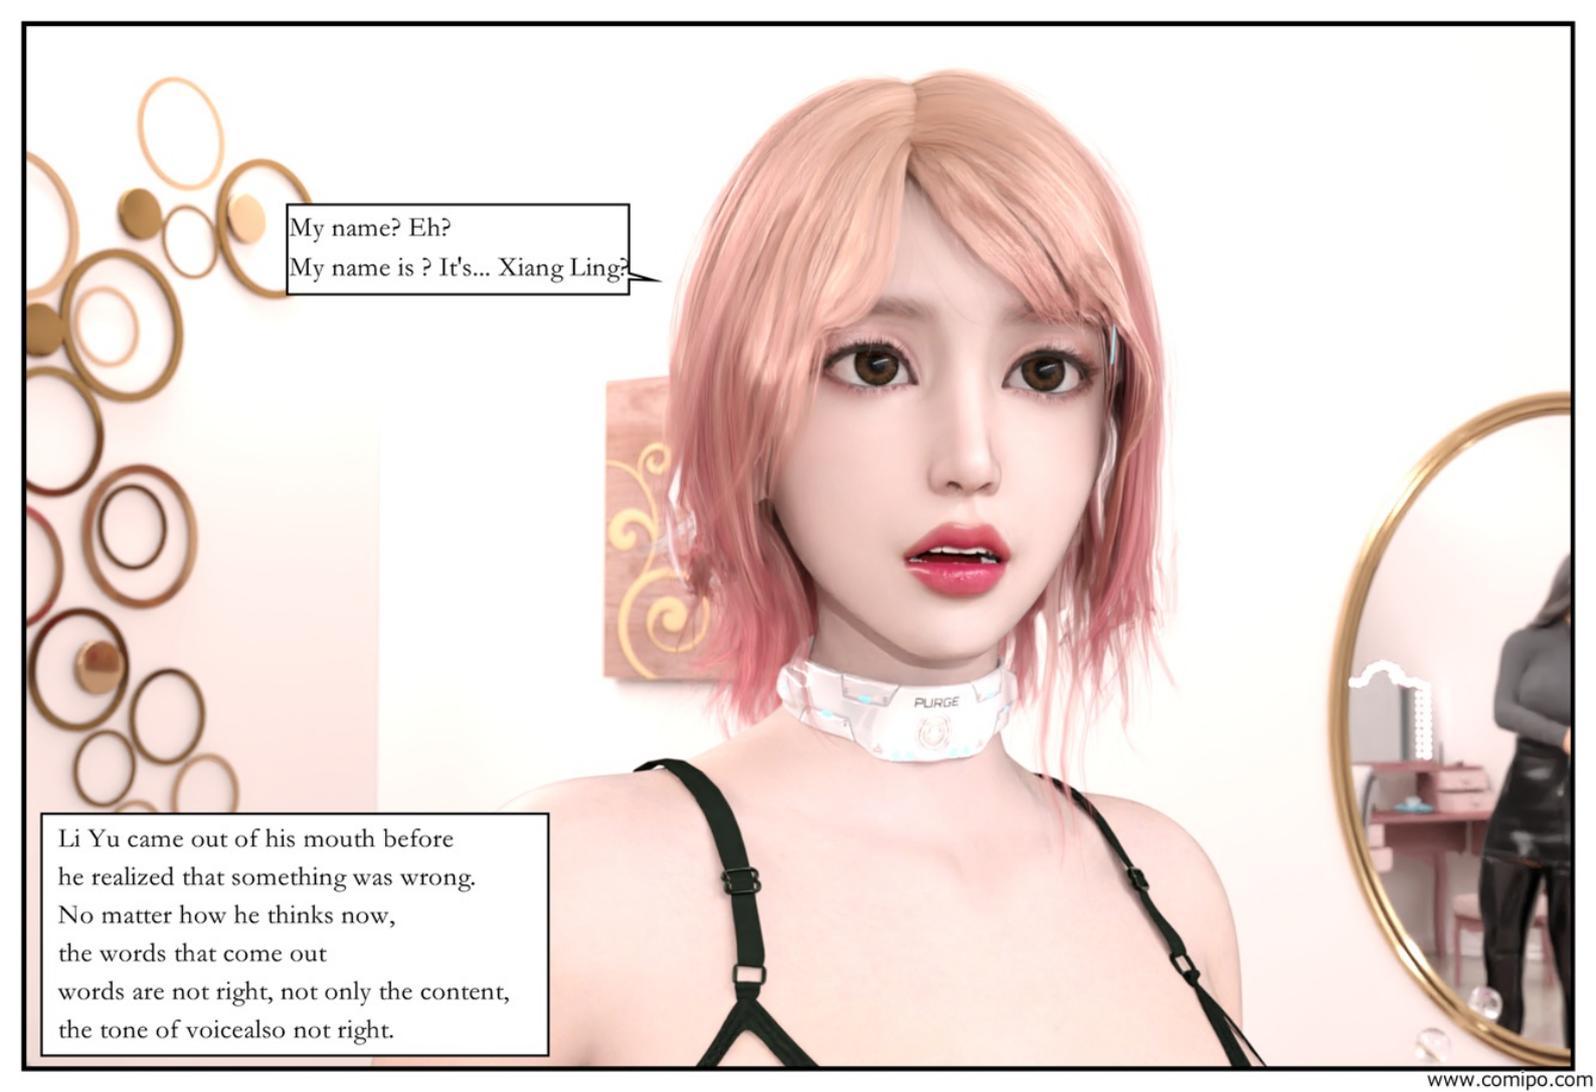

Okay, stop playing with me.
Give me back my body control privileges.

By the way, almost forgot this.

Tell me, what is your name?

My name? My name is Li Xiangling.

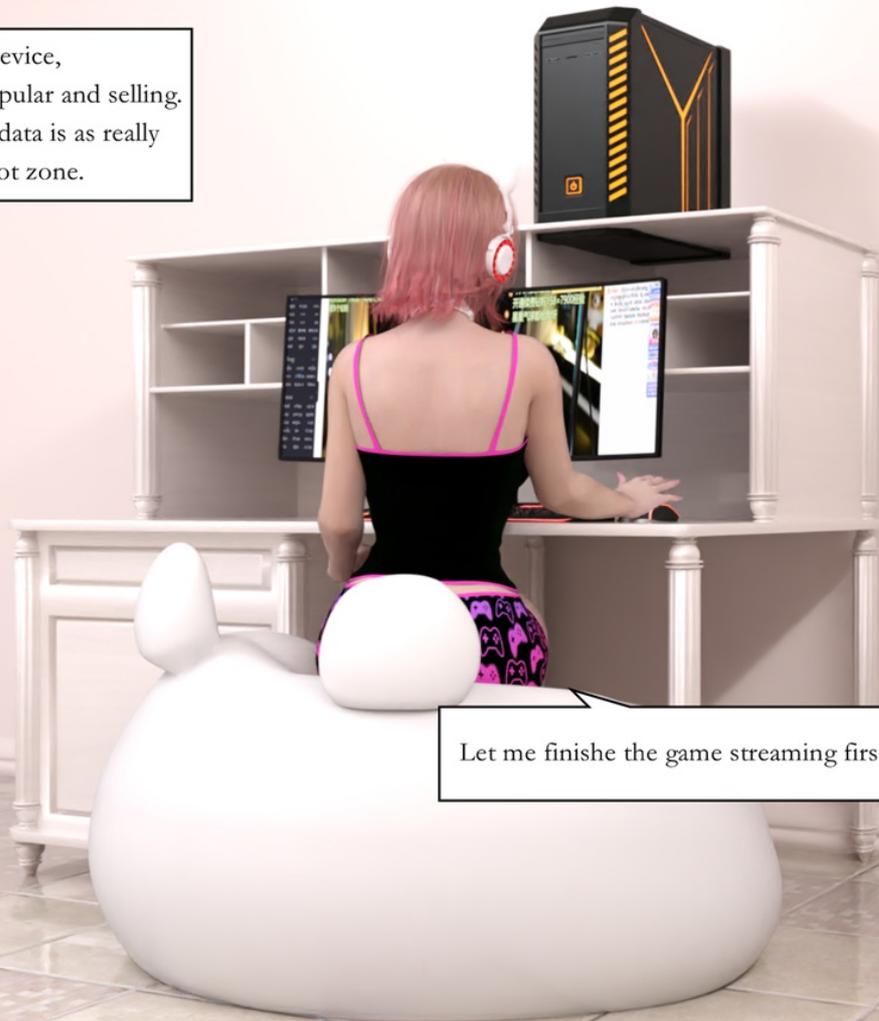

My name? Eh?
My name is ? It's... Xiang Ling?

Li Yu came out of his mouth before he realized that something was wrong. No matter how he thinks now, the words that come out words are not right, not only the content, the tone of voice also not right.

That's probably what I want,
body control is returned to you,
and under the influence of the first gear,
you will also have a female demeanor.
The tone of voice are also feminized.
As to the name, well, I set it for you.
Let's take your daughter's name
as your nick name.

Thanks to the brain-control device,
Li Yu quickly 'know' to be popular and selling.
And the idol model from big data is as really
effective as he is hot in the hot zone.

A 3D rendered woman with short, straight pink hair and bangs is looking down at a purple smartphone she is holding with both hands. She is wearing a grey, ribbed, long-sleeved top with a large, asymmetrical cutout on the left side of her chest. A white collar with the word "PURGE" printed on it is visible around her neck. The background is a simple room with a white wall and a window with light-colored, patterned curtains. A bright light source is visible in the upper right corner, creating a soft glow.

I am the one who just give you the rocket gift.
The administrator gave me your wechat.
Can we meet offline? I won't fail you.

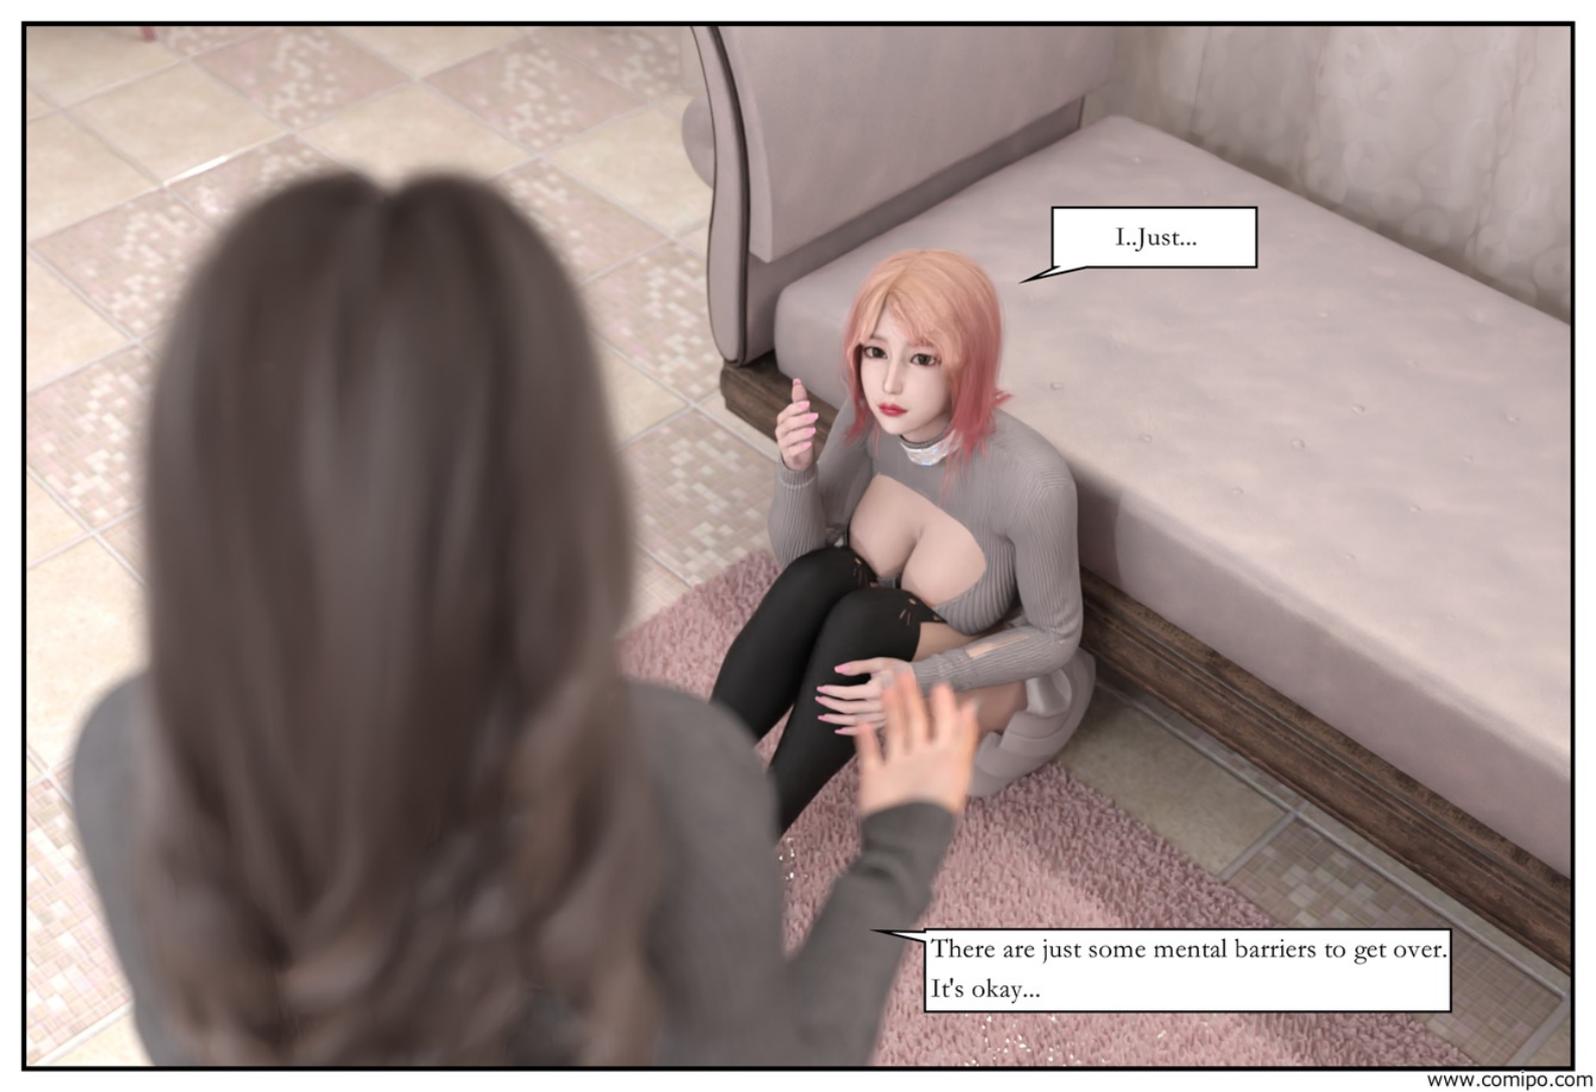

Of course Li Yu know the meaning of the so-called offline meeting. Although he behaved like a girl under the influence of the brain-controlled device, but it is inevitable that he feel sad about himself. As a man, he has to pretend to be a little girl and make money as a whore. He did not want to step out of that last step of selling his body to make money, even if the body is not his own.

Doctor Leng..

What are you worried about, Super Idol?
You make quite alot of money these days?

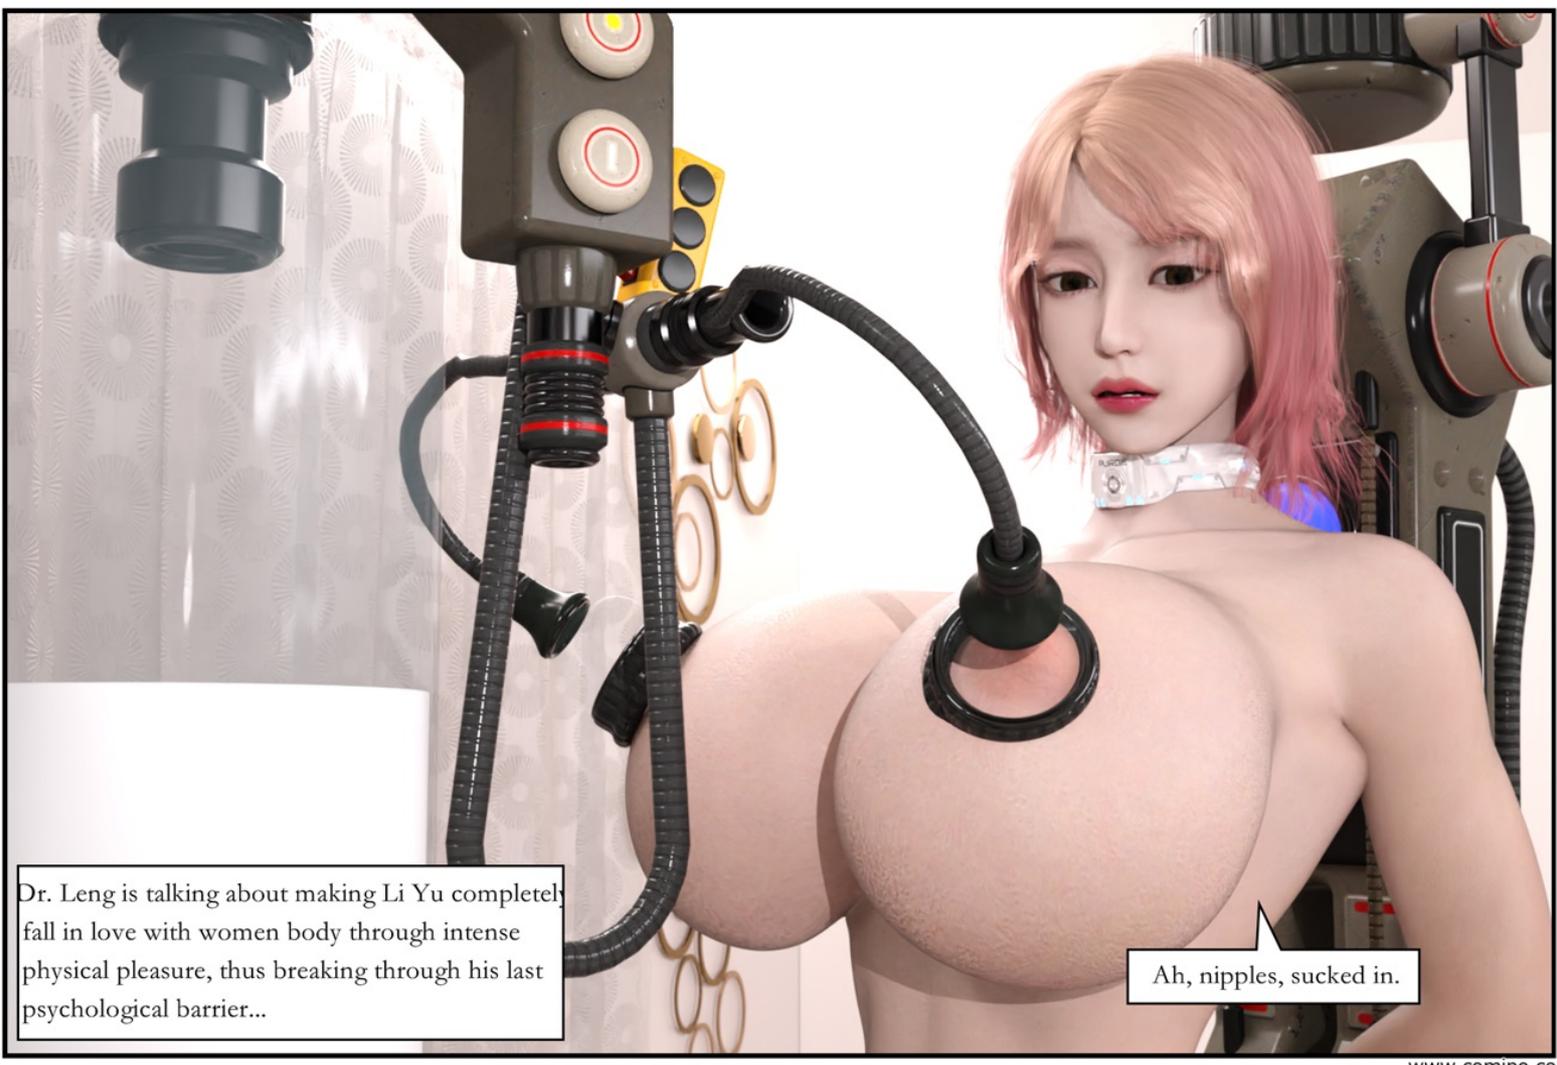

I..Just..

There are just some mental barriers to get over.
It's okay...

A woman with long dark hair, wearing a grey turtleneck sweater and a black leather skirt, stands in a room. She is gesturing with her right hand. In the background, a person with red hair is sitting on a sofa, and another person is standing near a window with curtains. The scene is set in a modern, brightly lit interior.

The next few days I will help you completely
let you overcome mental barriers.

Doctor Leng? ! You.

Dr. Leng is talking about making Li Yu completely fall in love with women body through intense physical pleasure, thus breaking through his last psychological barrier...

Ah, nipples, sucked in.

AhAh~So thick~

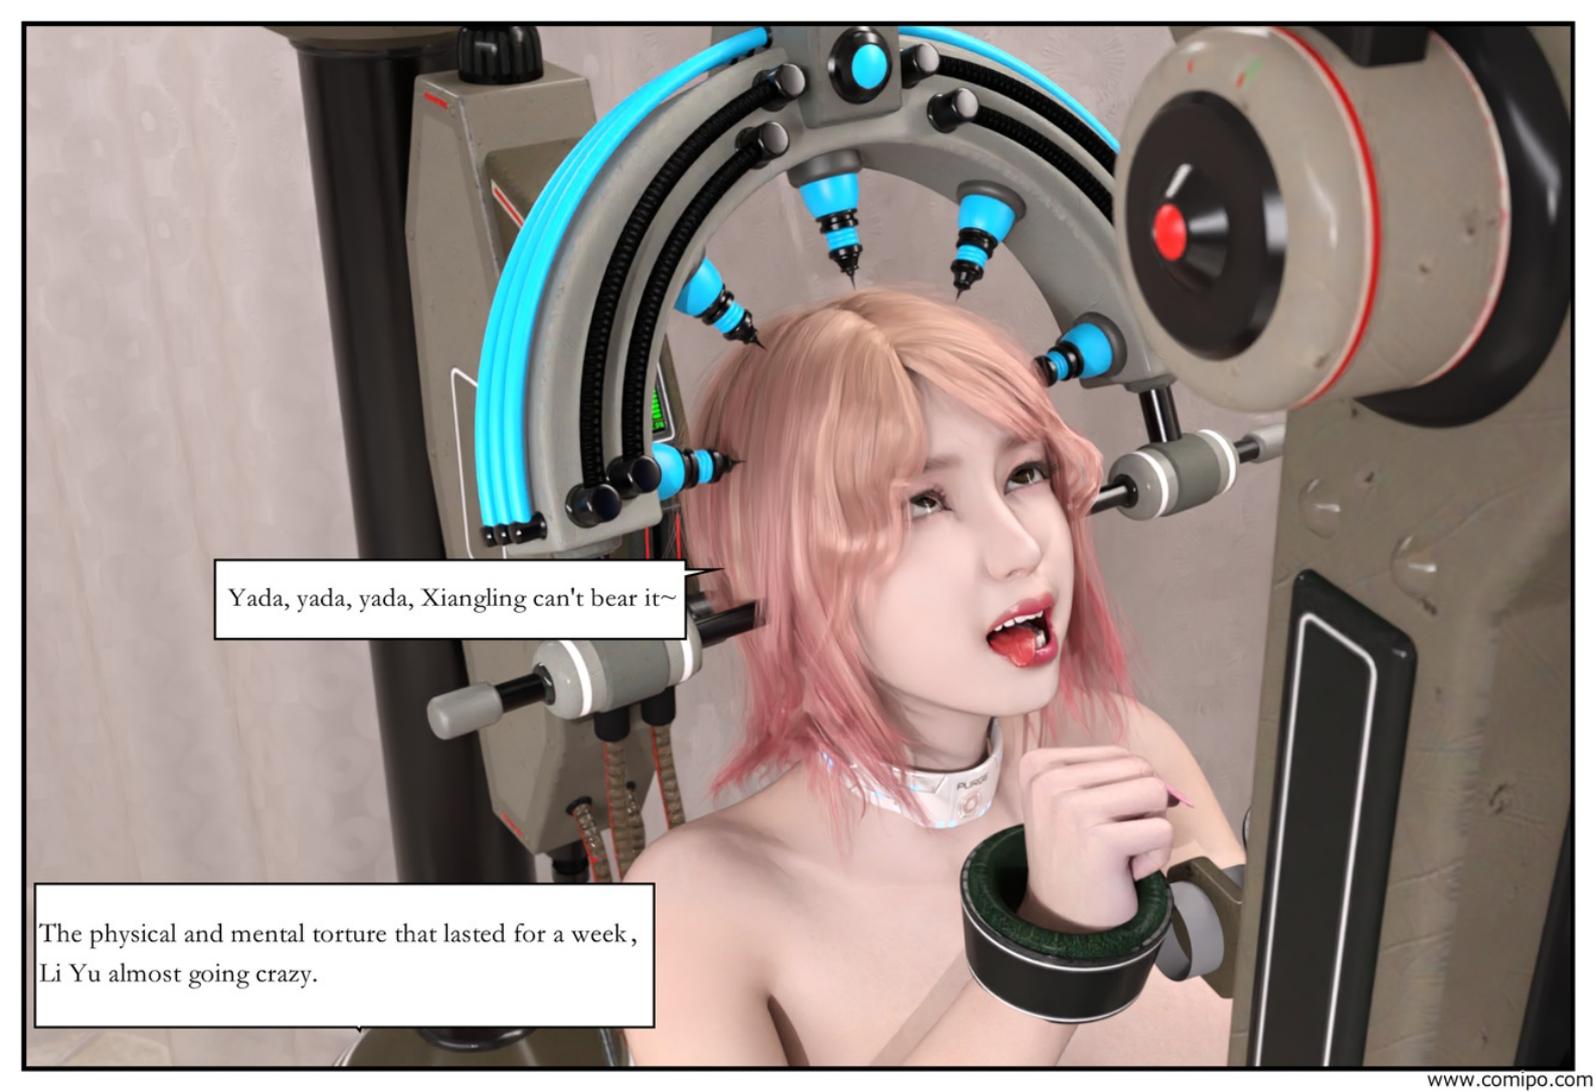

So in the next few days Li Yu's physical stimulation did not stop for a moment.

How's that? Man's cock is cool, right.

Ooooooooooh, it's so comfortable!
Ahhh... Can't hold it.

A woman with short, wavy pink hair is seated in a complex, futuristic machine. The machine features a large, curved, glowing blue ring around her head, with several blue and black probes or sensors extending from it. She is wearing a white collar with a small red light and a black wrist device with a green textured surface. She has a pained or distressed expression, with her mouth open and teeth bared. The background is a plain, light-colored wall.

Yada, yada, yada, Xiangling can't bear it~

The physical and mental torture that lasted for a week,
Li Yu almost going crazy.

This is the top idol in hot area.
Your body is so good. Come on,
can't hold any more.

Without the psychological barriers,
Li Yu's become successful in both
online and offline business.

Glad to here honey~

En~going in so deep.

Haah, my little mare.
What a slut.

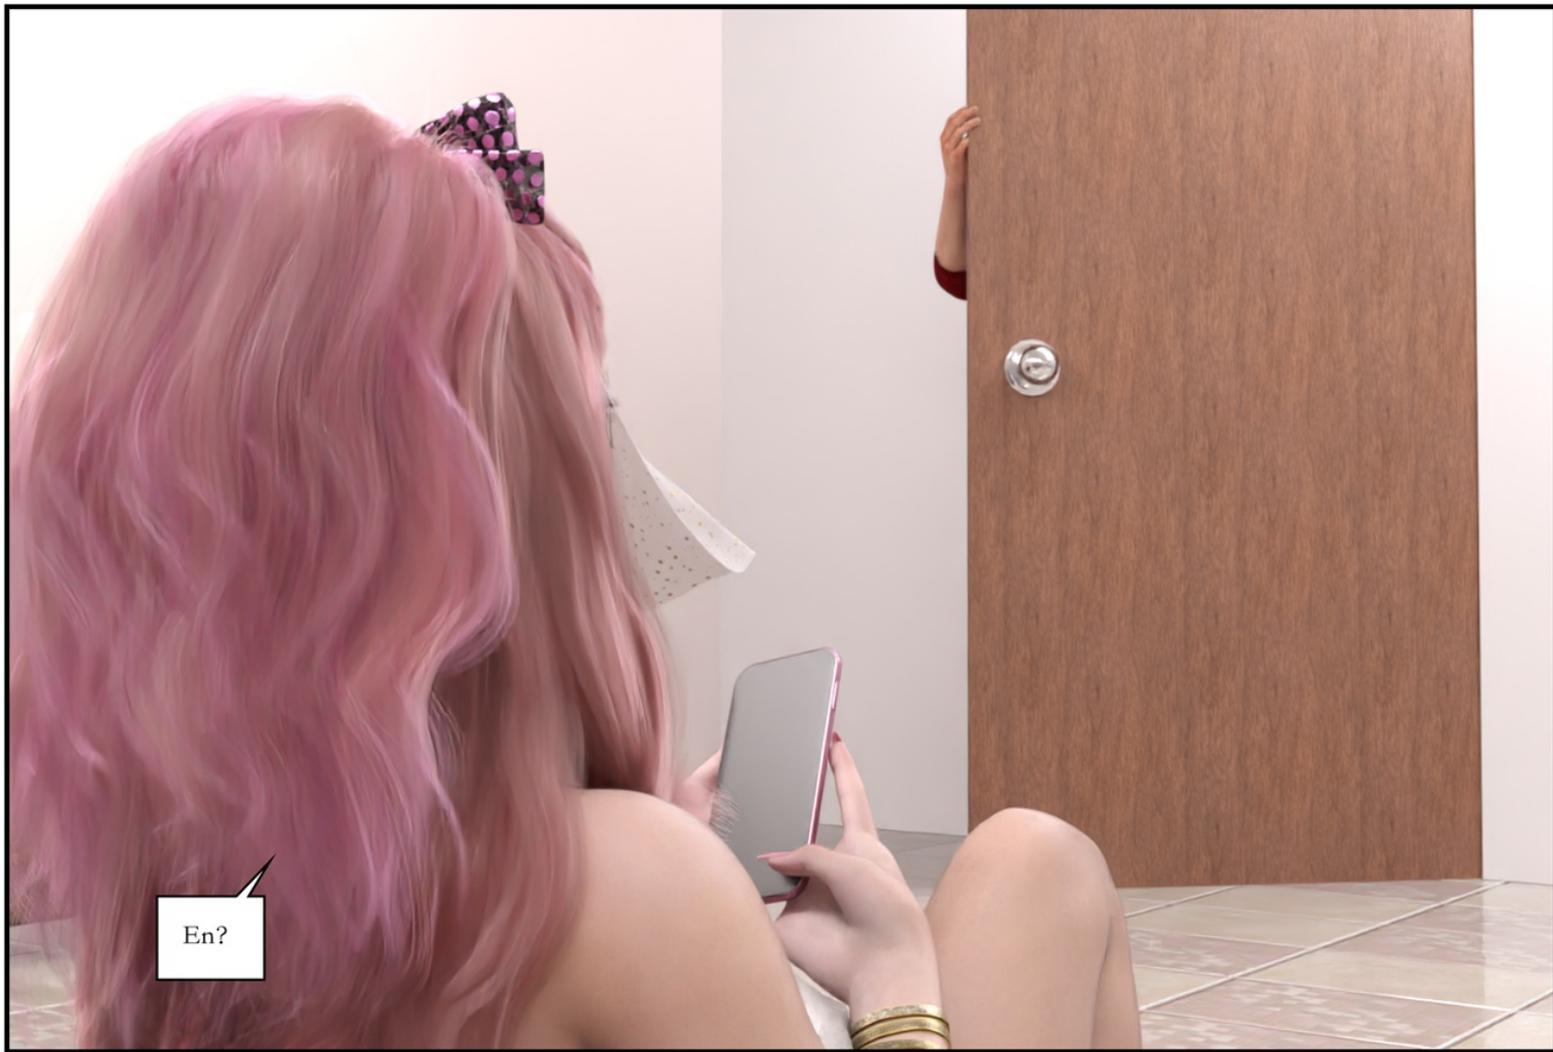

Brother's cock is more comfortable
than a male horse
I am comfortable.

In addition to his own fans, Li Yu sometimes had to serve partners or government officials sent by Zhang Huai'an. There is no shortage of all kinds of strange sexual fetishes. But with the assistance of brain-control equipment, Li Yu can perfectly cope with either situation.

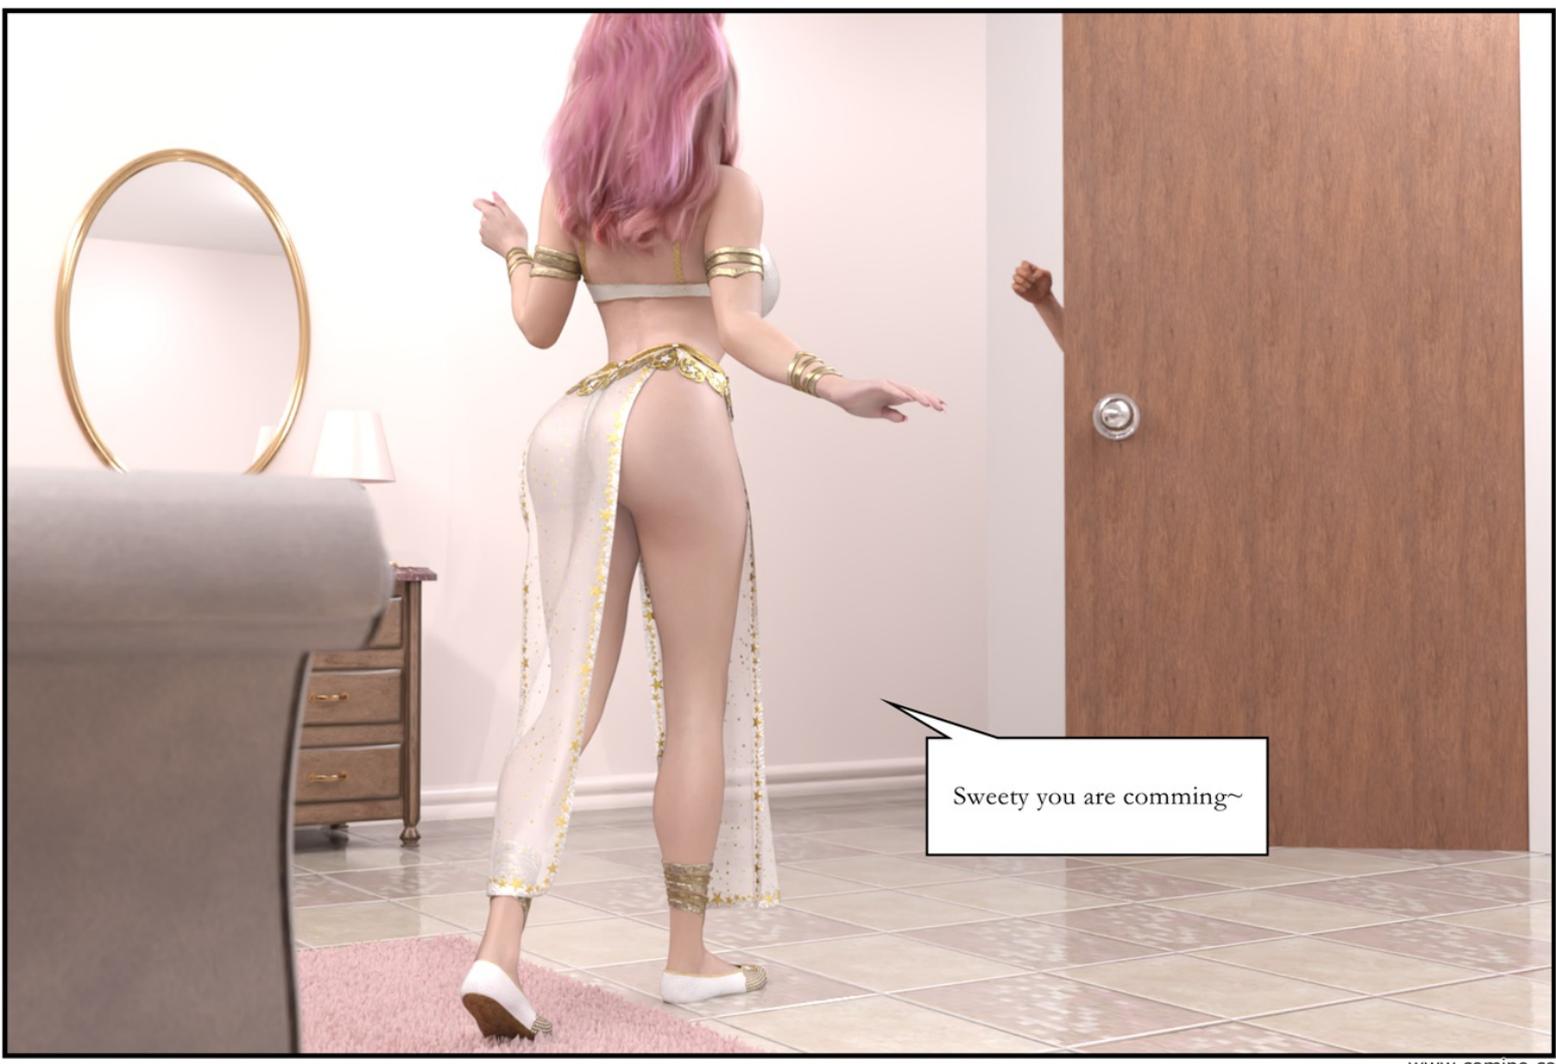

One day after the streaming, he invited his fan to his cabin again.

How long has it been,
why hasn't he arrived yet?
It's really annoying.

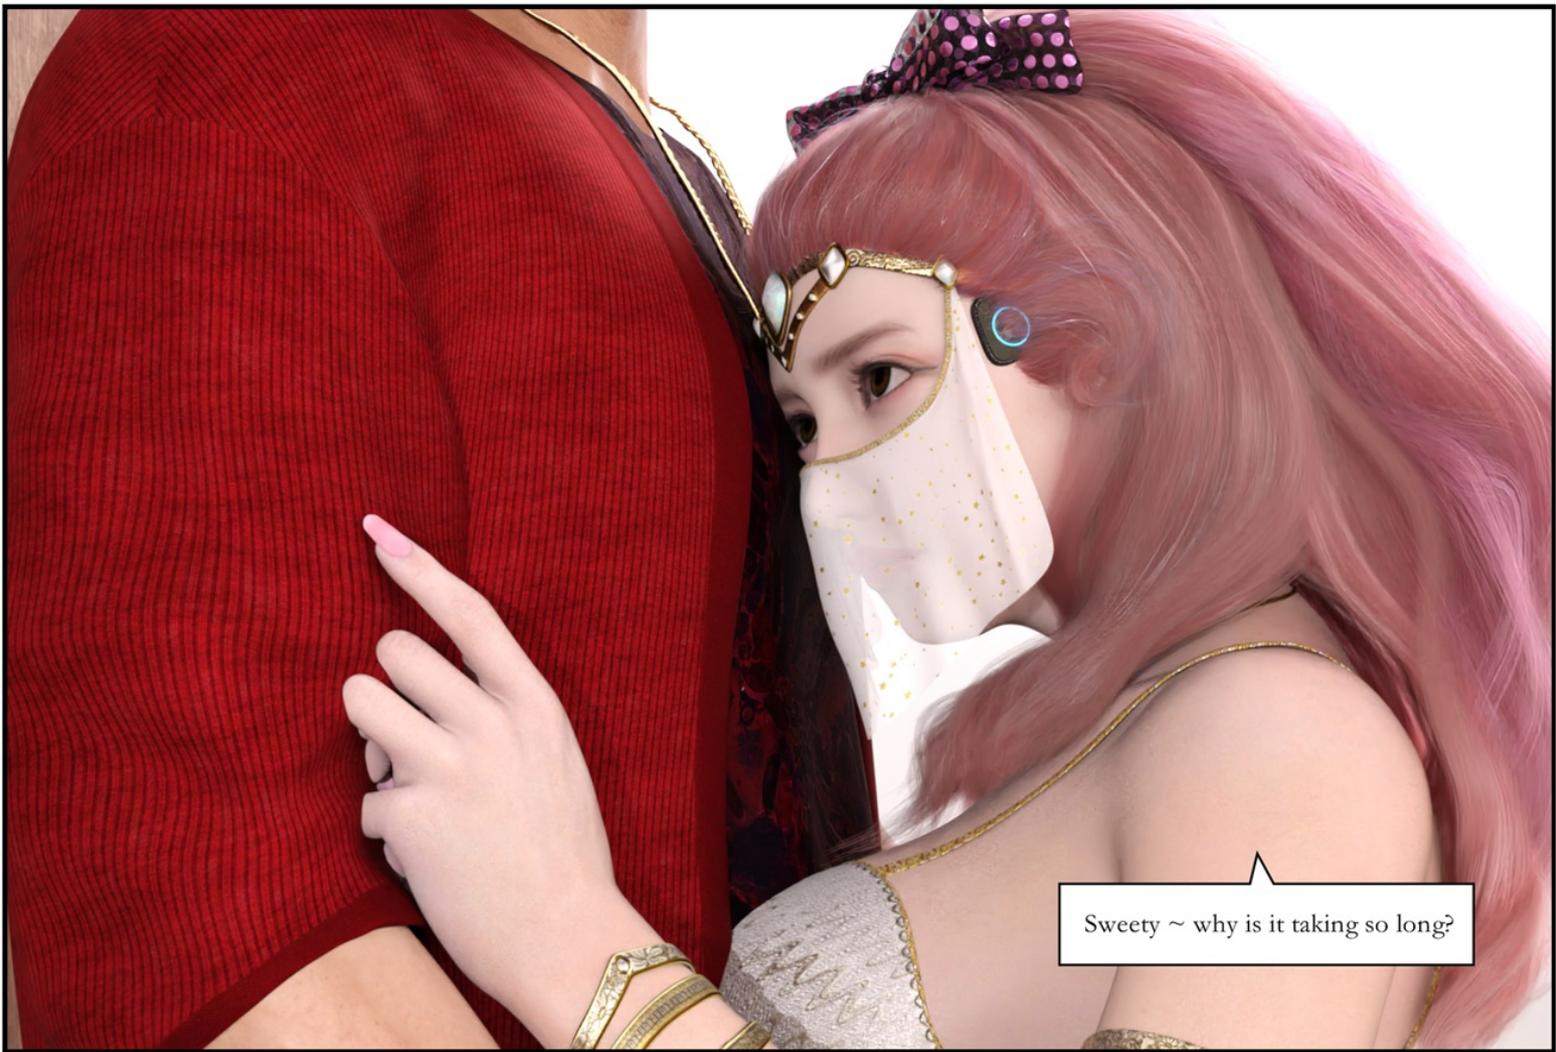

En?

Sweety you are comming~

Sweetie ~ why is it taking so long?

Looks like Dr. Leng has trained you so well.

Mr.. Mr.Zhang。

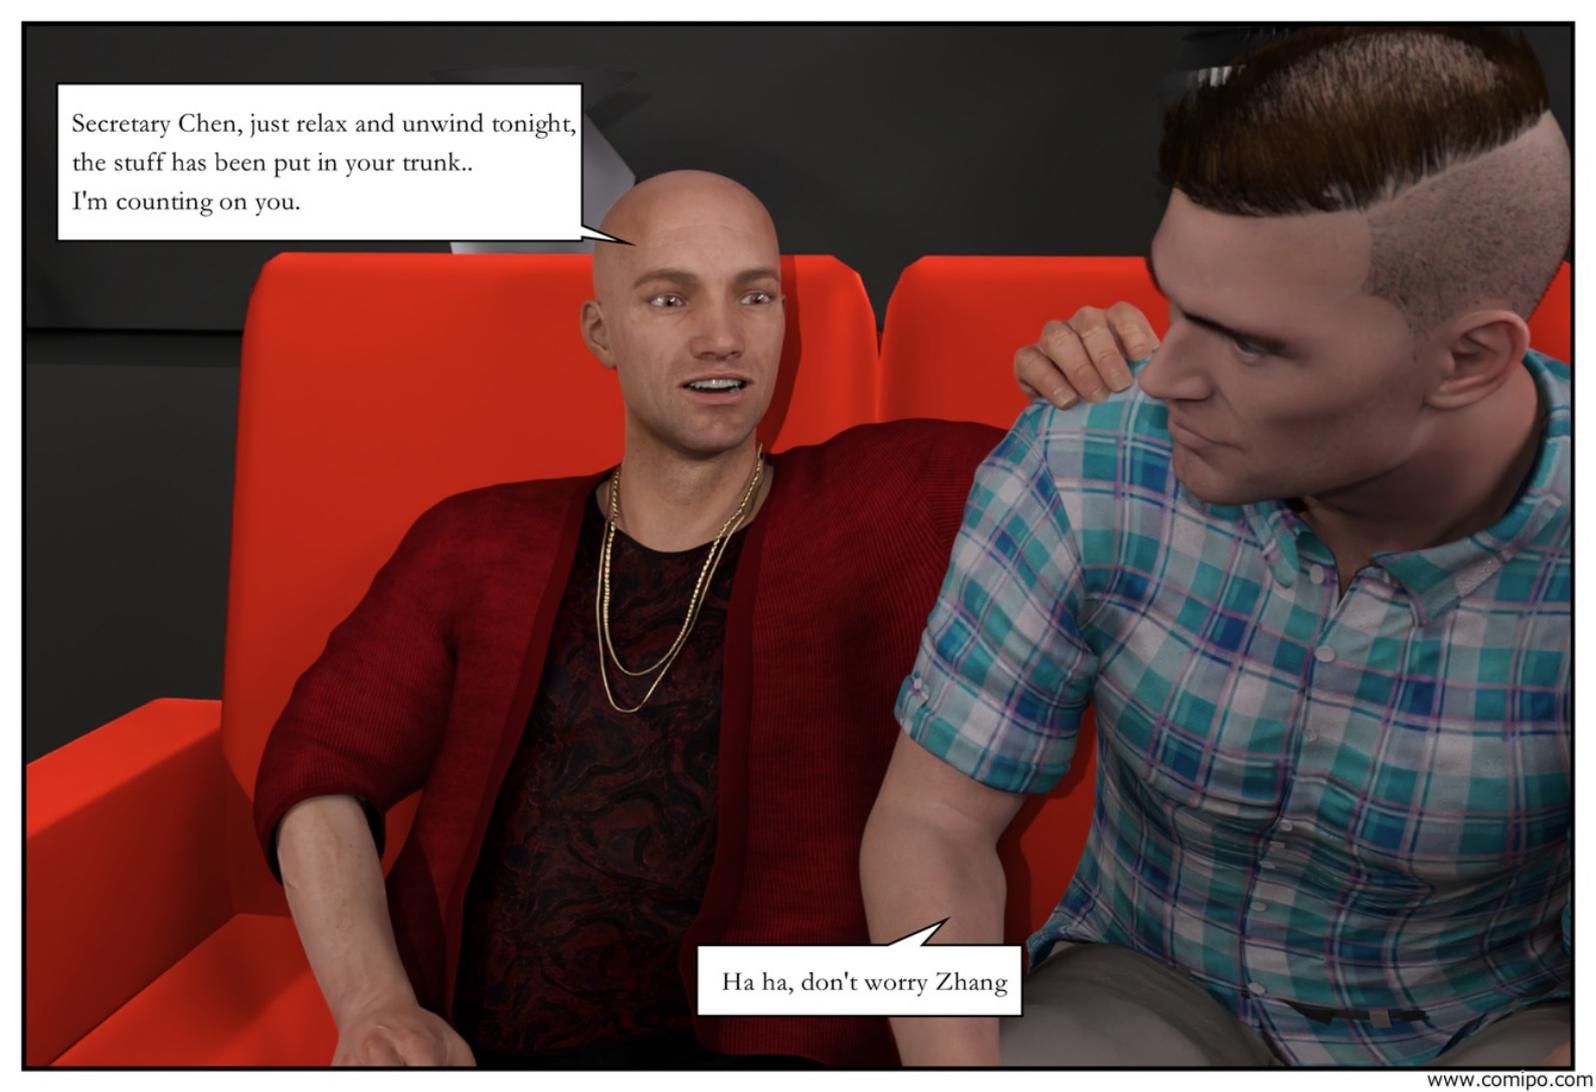

It's an honor that Mr. Zhang come to my place. But I have appointment with others

Under the influence of the brain control device, he now subconsciously sat down on his knees when he saw Zhang Huai'an.

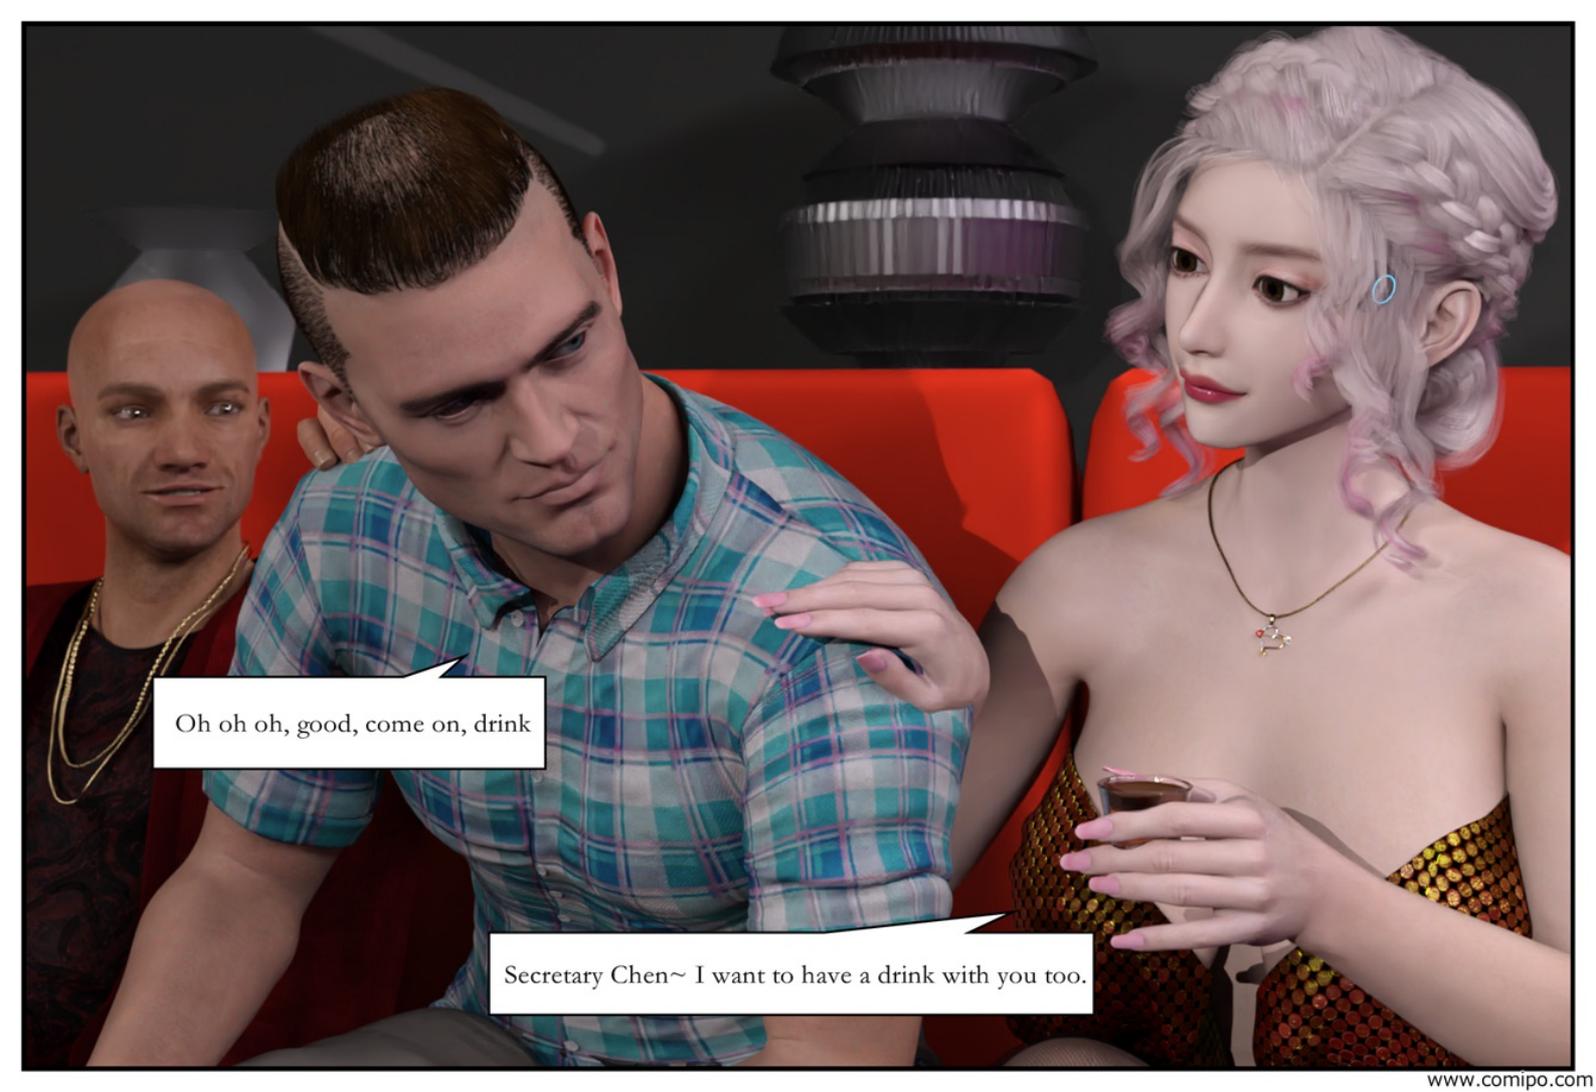

It's okay, I asked someone else to accompany the guest.
There is a party tonight, you get prepared.
and come with me.

EnEn, Ling er knows~

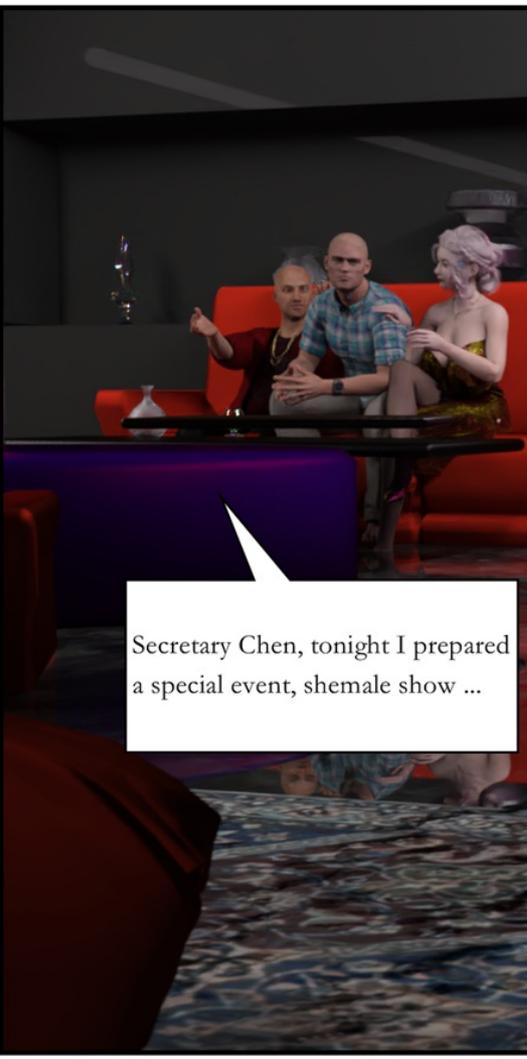

Secretary Chen, just relax and unwind tonight,
the stuff has been put in your trunk..
I'm counting on you.

Ha ha, don't worry Zhang

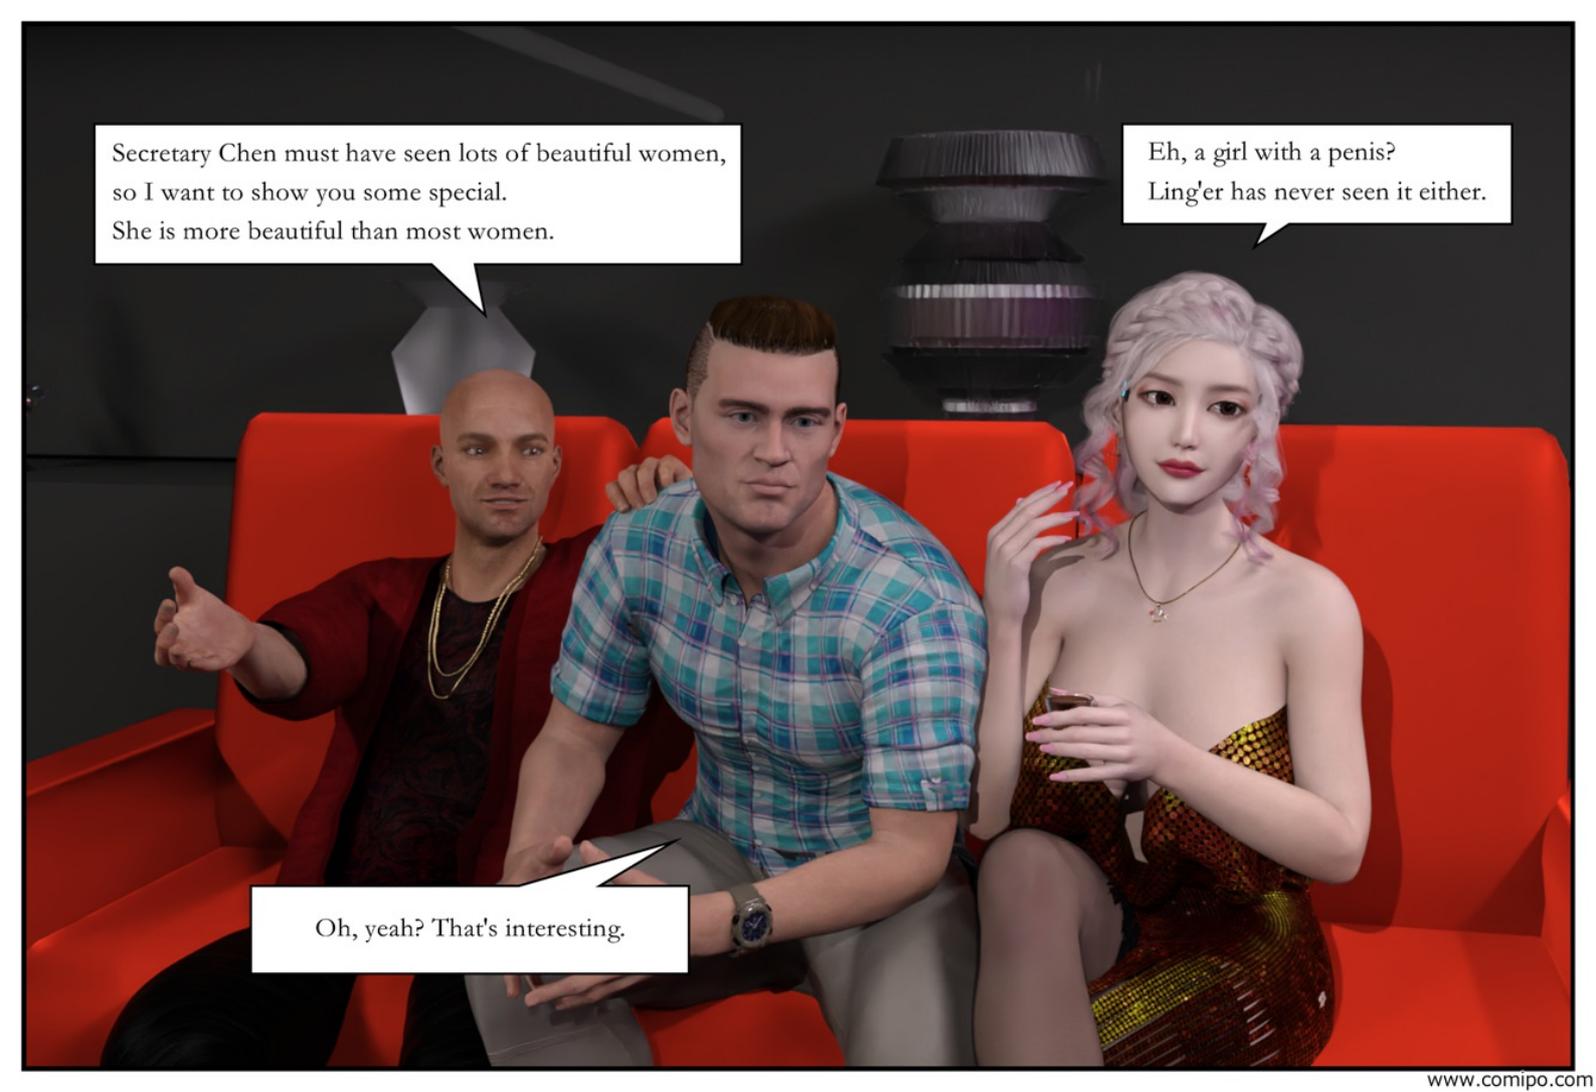

Oh oh oh, good, come on, drink

Secretary Chen~ I want to have a drink with you too.

Secretary Chen, tonight I prepared
a special event, shemale show ...

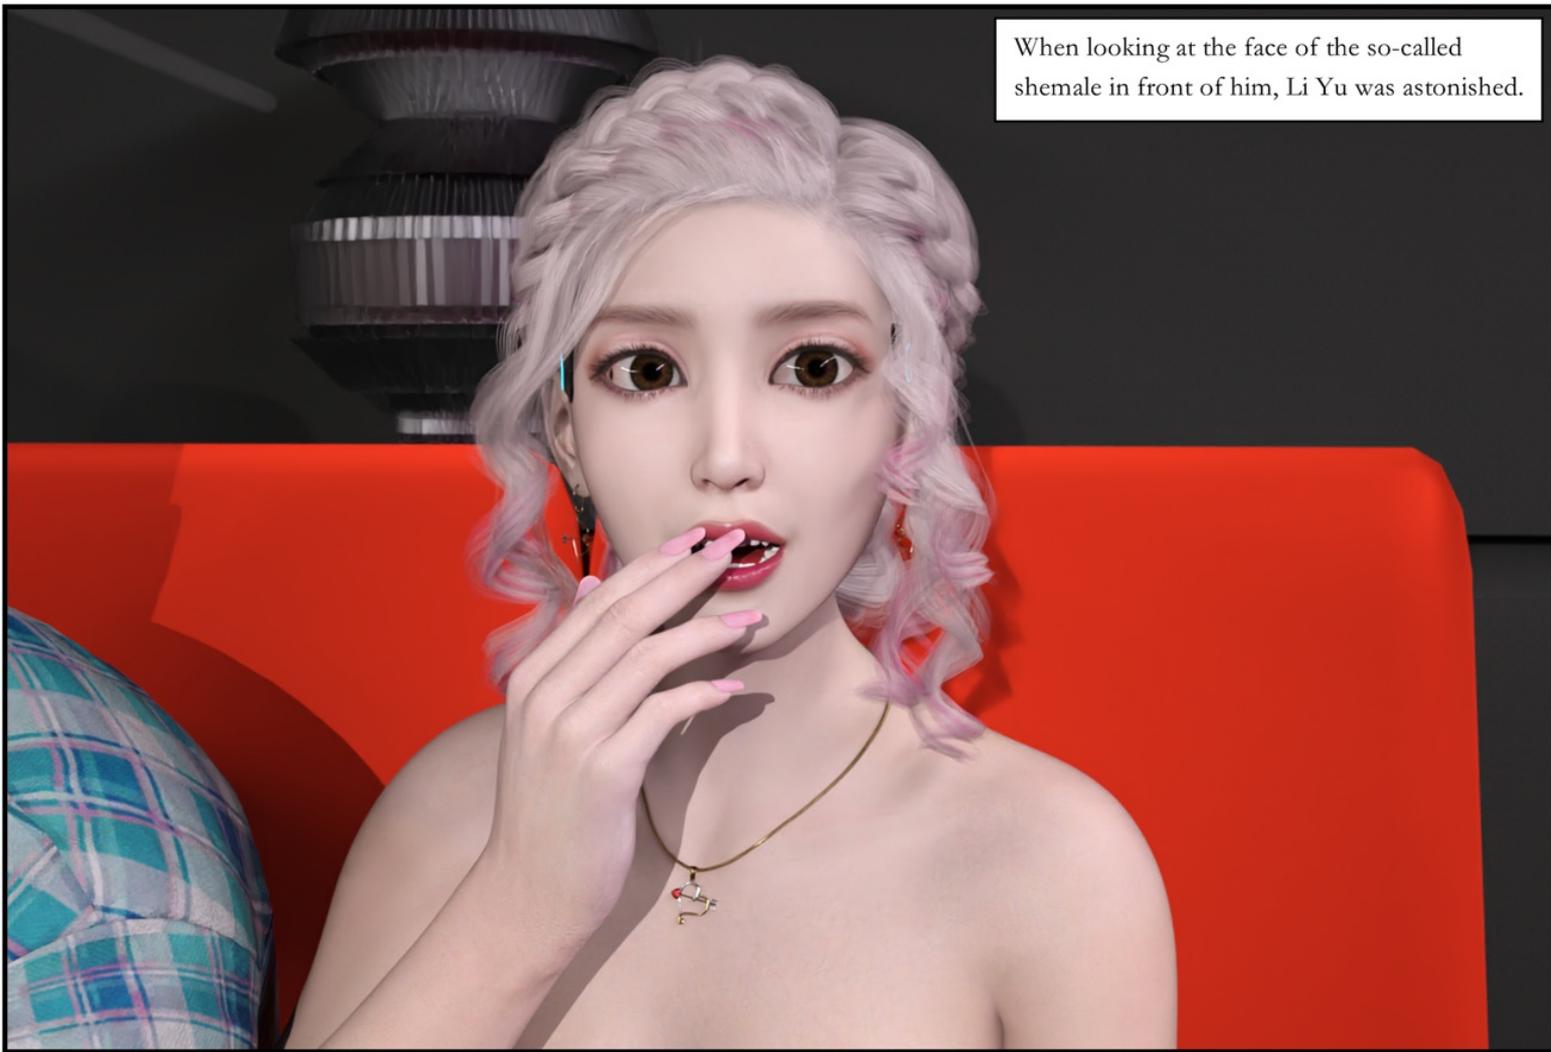

Secretary Chen must have seen lots of beautiful women,
so I want to show you some special.
She is more beautiful than most women.

Eh, a girl with a penis?
Ling'er has never seen it either.

Oh, yeah? That's interesting.

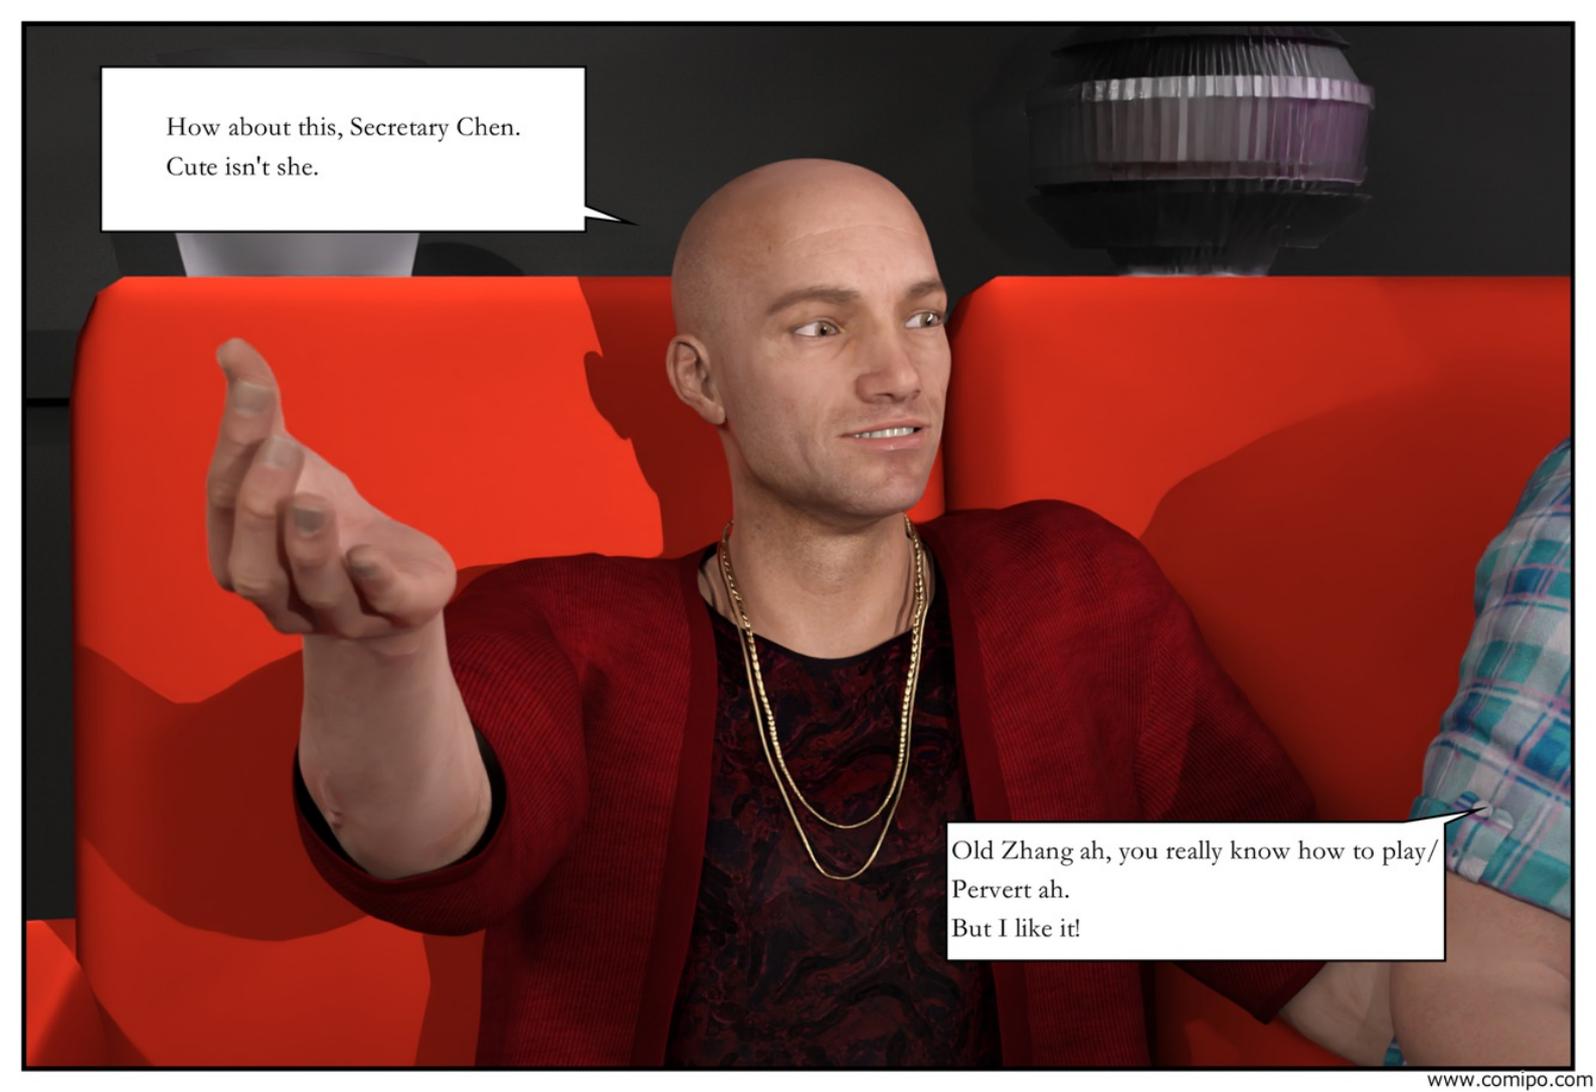

When looking at the face of the so-called shemale in front of him, Li Yu was astonished.

That is clearly his own daughter, the real Li Xiangling.
At the moment she is also wearing a brain control device,
is her daughter also controlled?
What about the male genitalia on her lower body?
Li Yu cannot think any more.
She could only continue to play her role.

Hello everyone, I'm Xiao Yu,
the actor of tonight's show.

How about this, Secretary Chen.
Cute isn't she.

Old Zhang ah, you really know how to play/
Pervert ah.
But I like it!

Little beauty ~ come, have a drink with me.

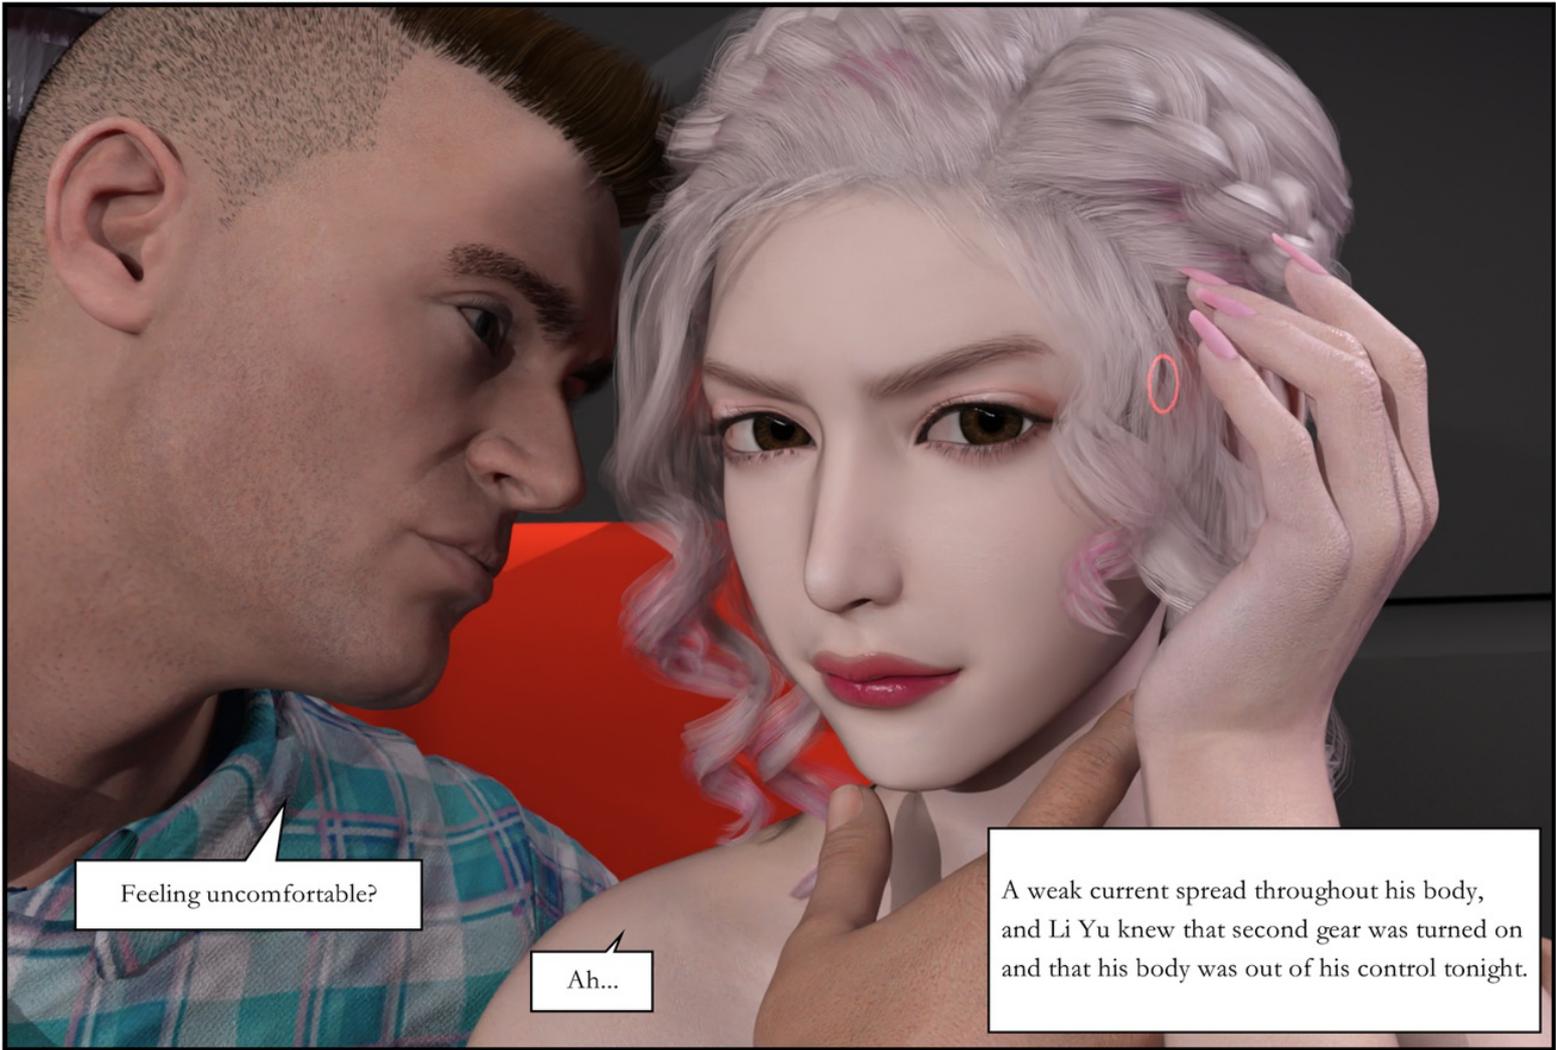

What's wrong pretty girl?
you looks distracted.

I'm sure you are shaken
Luckily, I still have one more move.

I... am okey...

Li Yu is now full of questions. But he knows that his daughter doesn't know his identity right now. She hasn't noticed that they look similar. He doesn't want his daughter to see him behave like a bitch. Only wish to go over tonight. Then he can find a chance to ask his daughter what happened to her.

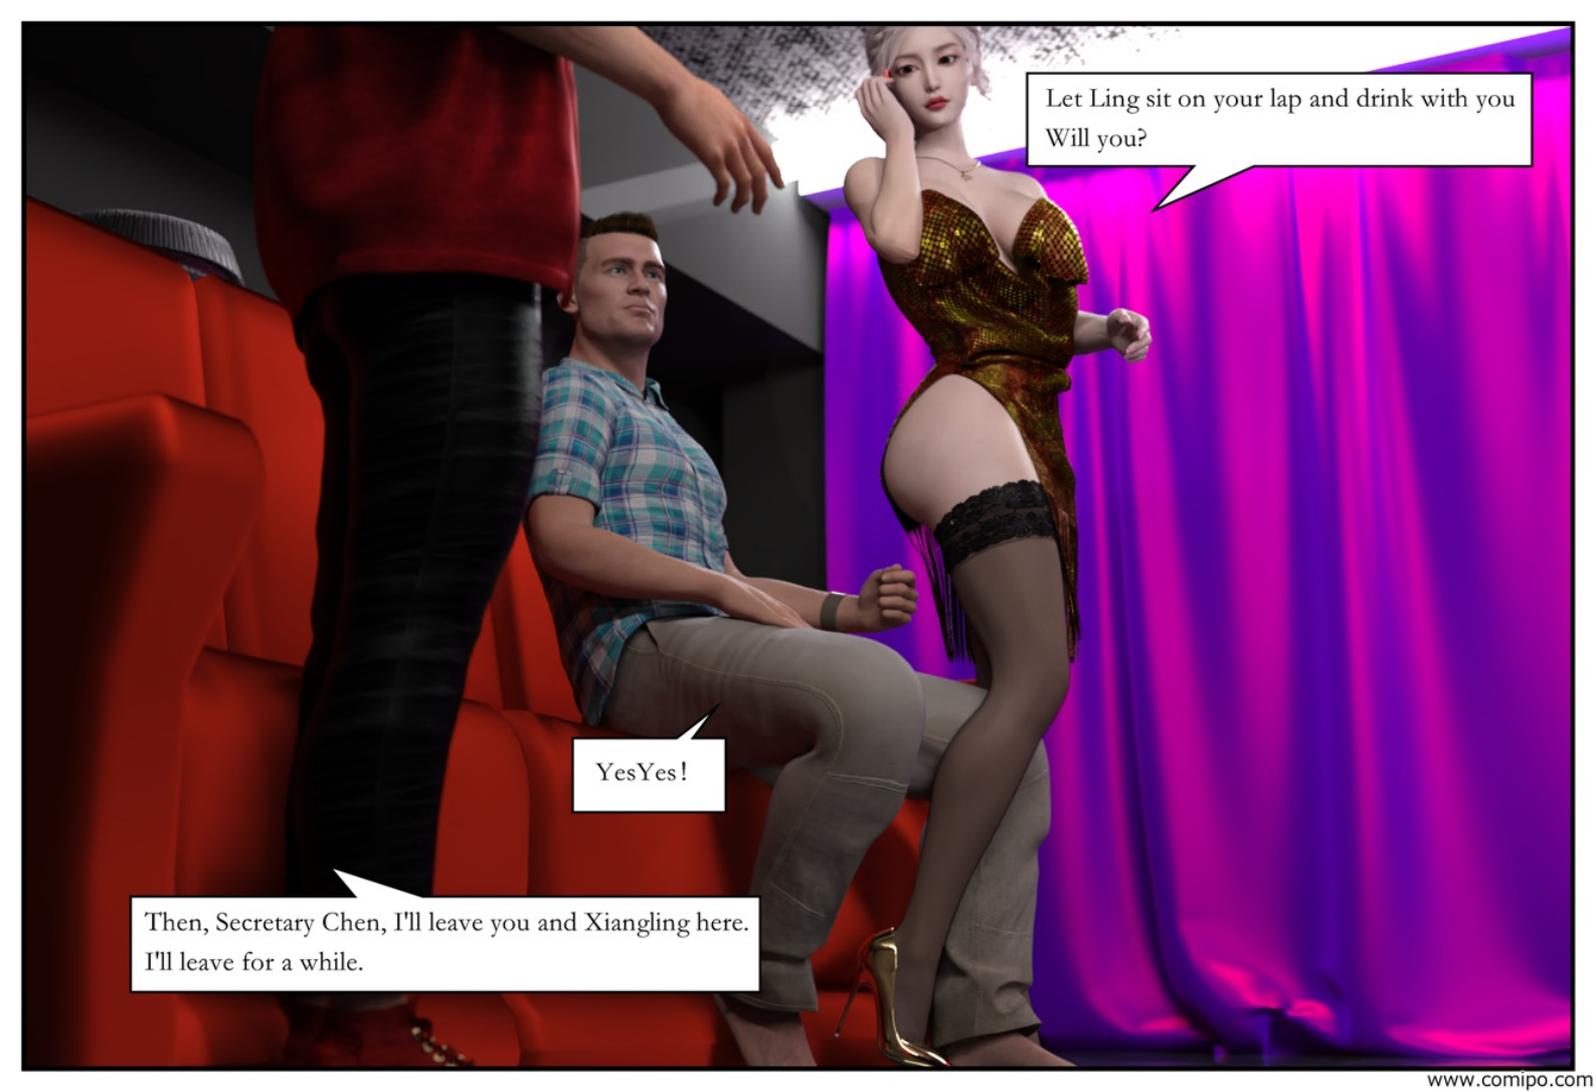

Feeling uncomfortable?

Ah...

A weak current spread throughout his body, and Li Yu knew that second gear was turned on and that his body was out of his control tonight.

How can it Secretary Chen ~
I was just thinking.
What can I do tonight
to make you happy?

Let Ling sit on your lap and drink with you
Will you?

YesYes!

Then, Secretary Chen, I'll leave you and Xiangling here.
I'll leave for a while.

Oops, what's up against Xiangling's ass?

The real Li Xiangling was pole dancing on the stage while her cock also gradually became hard. She was in a trance as if she heard the woman in front of she said her real name. She wants to stop and ask a question, but her body is out of control.

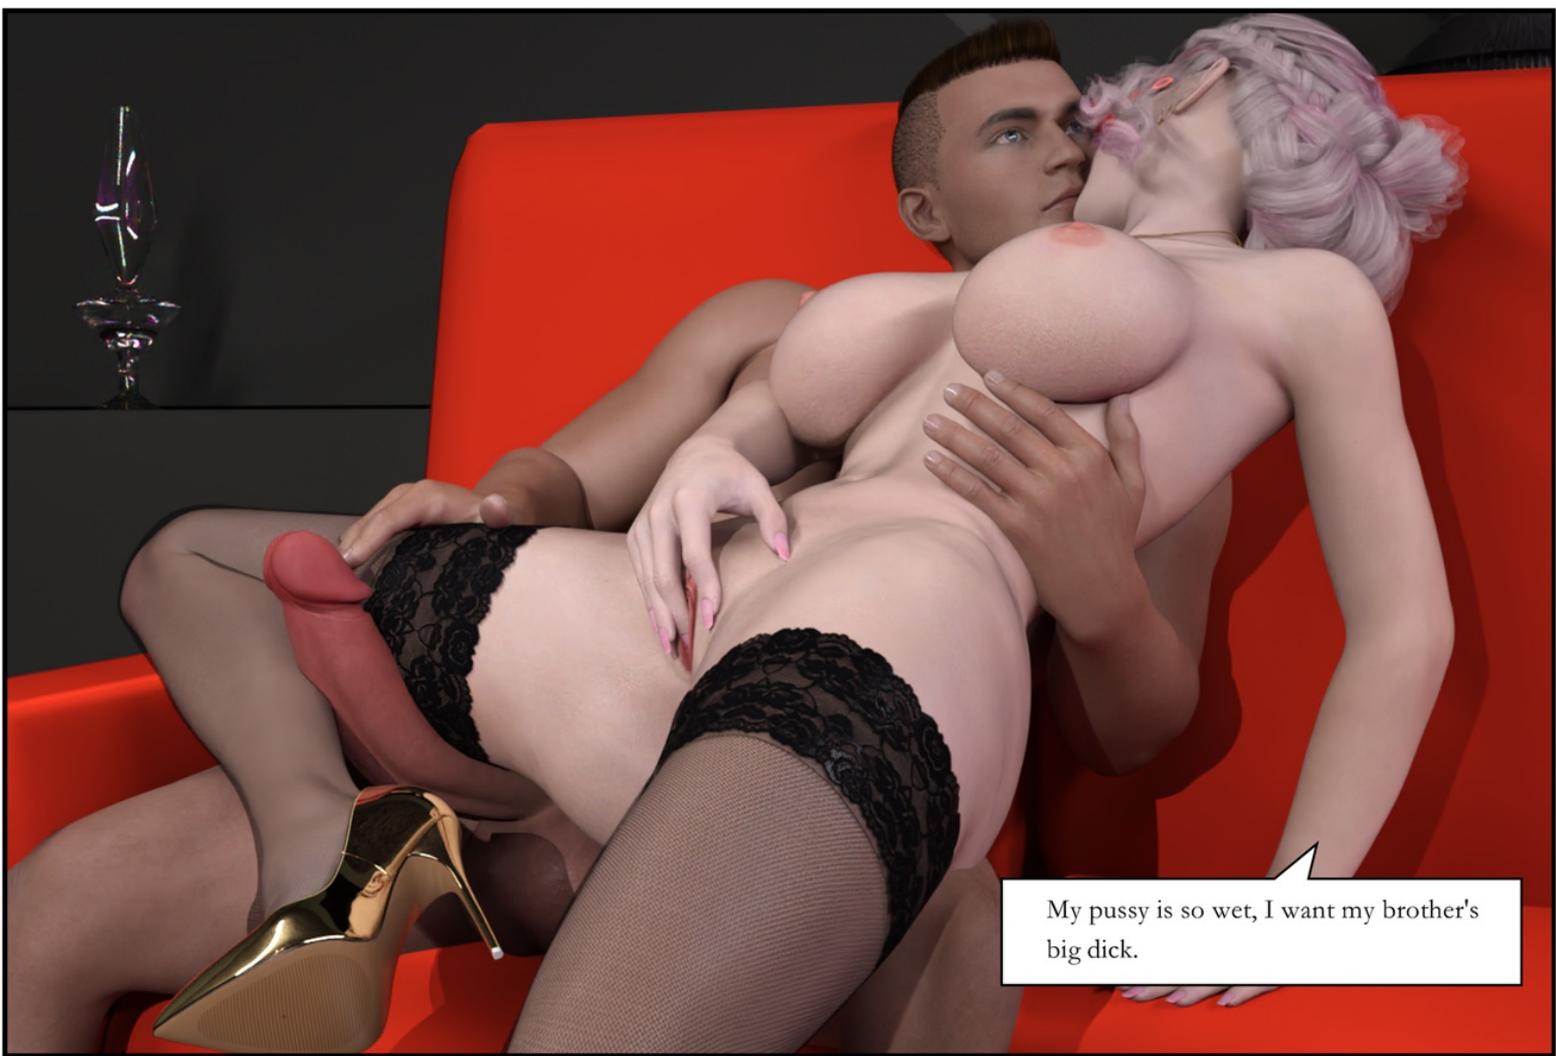

She saw the sexy woman in front of her and
couldn't help but be filled with the desire
of men in her brain.

Secretary Chen is so horny oh,
get me stripped. My breast are exposed.

Li Yu is now also under control. He can only look at his daughter on stage, hoping she will not notice his face.

My pussy is so wet, I want my brother's big dick.

Damn,
this big ass is really comfortable.

My sister's pussy is more comfortable inside oh.

Li Yu knows that his daughter's situation at this time must be the same as his own, is manipulated. But seeing his daughter, who was turned into this because of his own fault, performing a pole dance with a huge dick, his feeling is really complex.

Li Xiangling also does not know why she was suddenly called out tonight to pole dancing. These days she was only required to steaming as a shemale. Jerking off in front of so many people, she would shame to die.

So do people. Just stick it in.

No more.
I can't stand it anymore.

Looking at the two people making love in front of her, Li Xiangling could not stand it. Since she became like this, she has never had sex with a woman, only jerked off several times for her fans. But right now, she really wishes to fuck the woman in front of her.

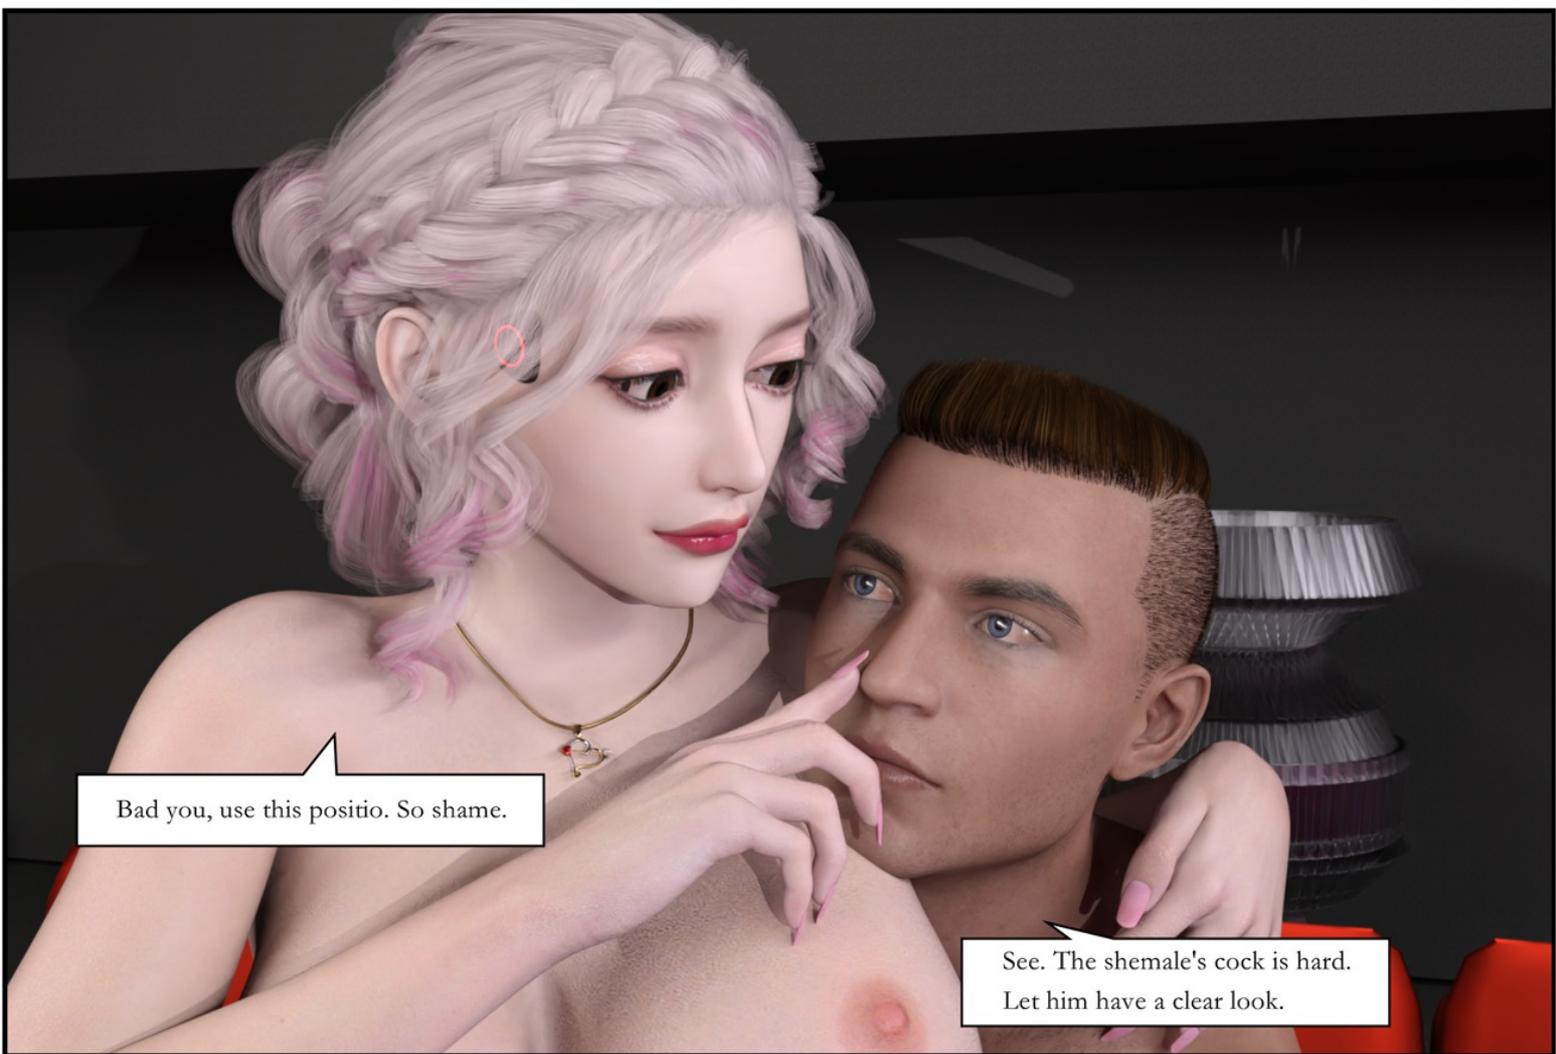

Eee~ going in.

Finally she find a chance to look at the face of the woman in front of her.

Looking in to the eye, Xiang Ling realized the women have the same face as she. While she has her father's eye. Is she has connection with father. Her body moves for another action before she can think more about this.

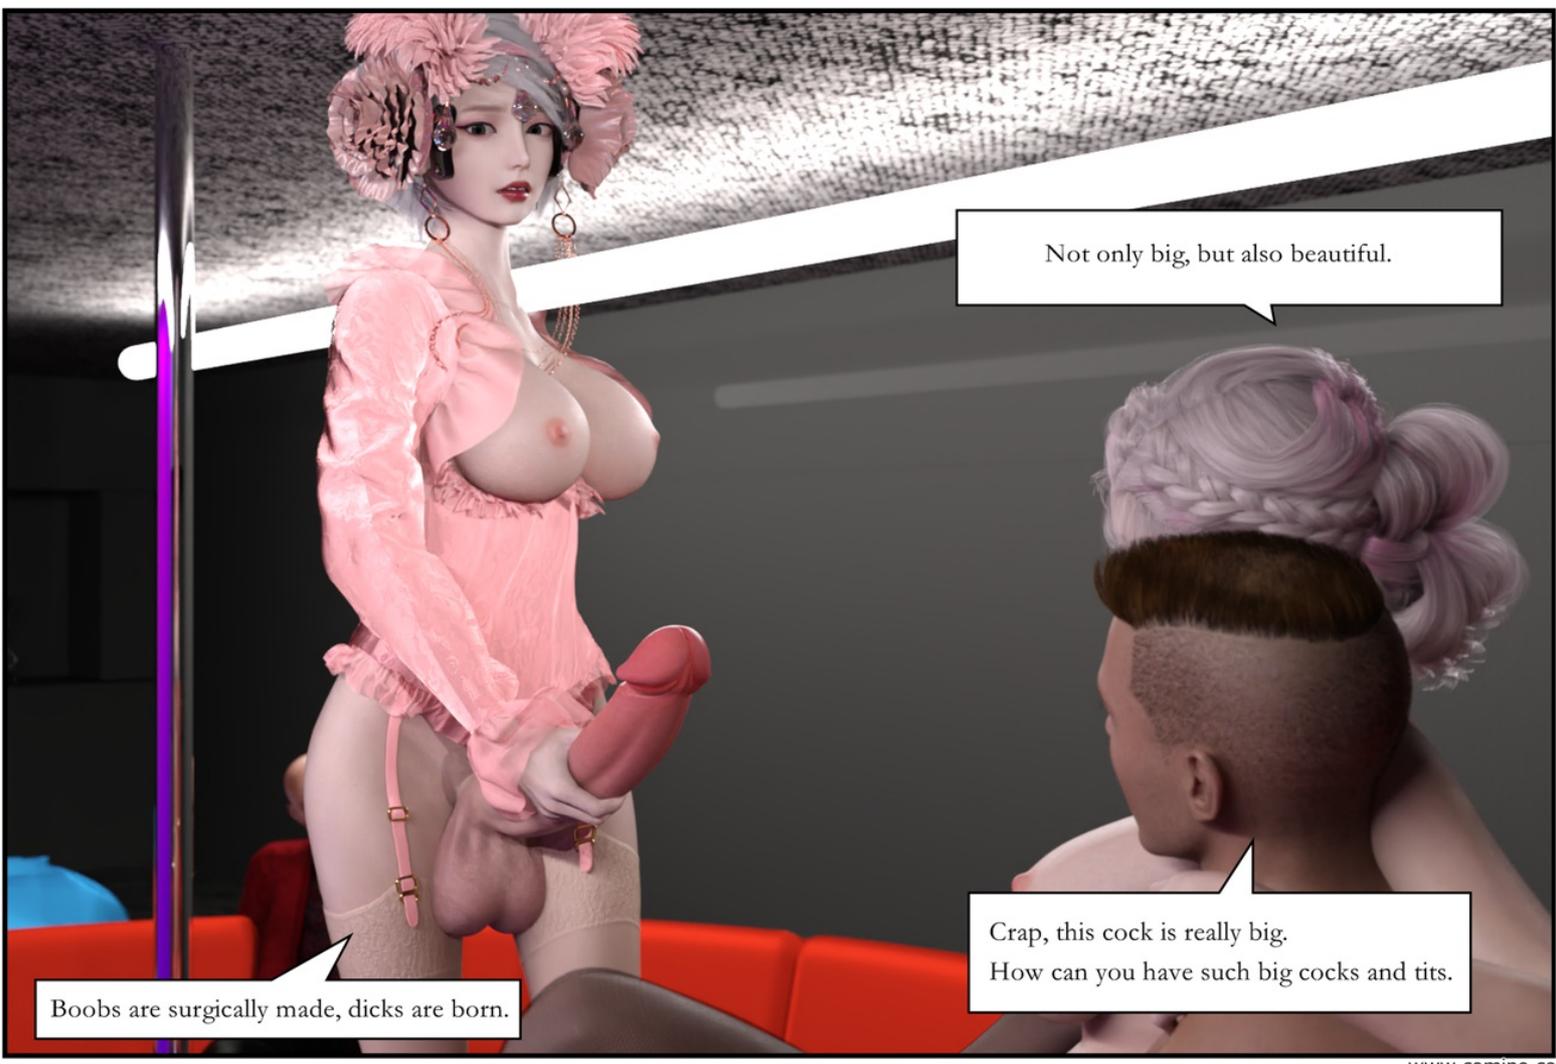

Bad you, use this positio. So shame.

See. The shemale's cock is hard.
Let him have a clear look.

Ah, jerking off... Good...

Hey, you stop dancing.
You perform a jerk-off.

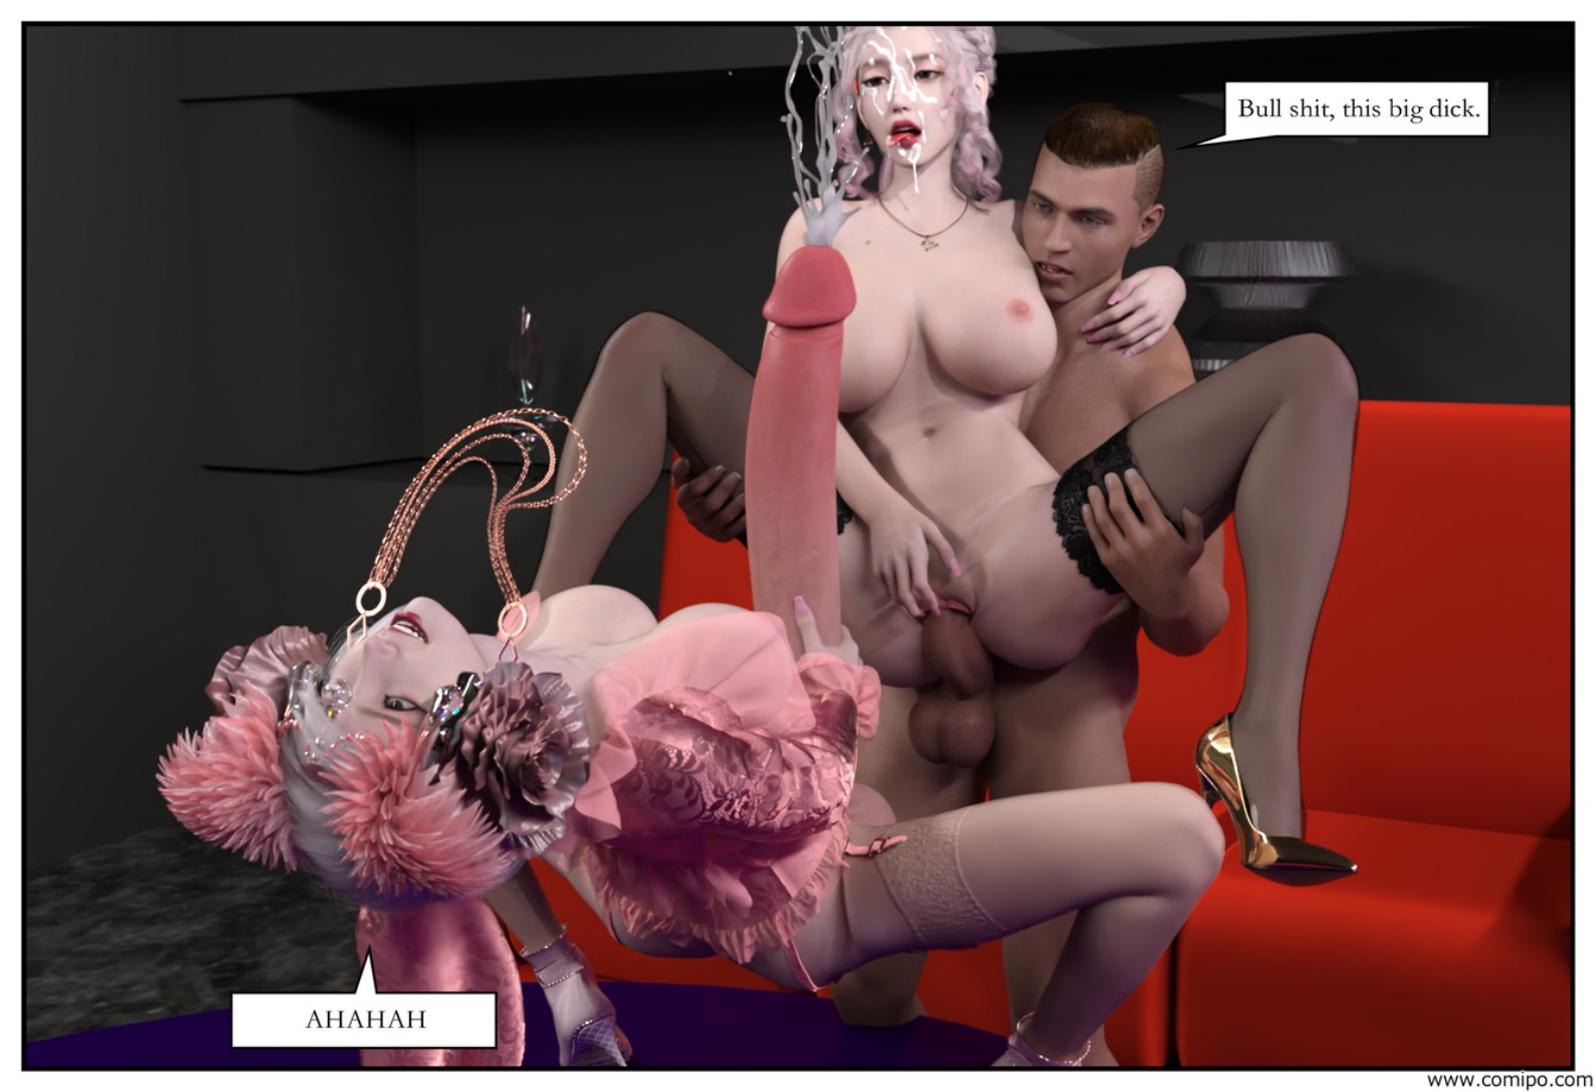

Not only big, but also beautiful.

Boobs are surgically made, dicks are born.

Crap, this cock is really big.
How can you have such big cocks and tits.

I can't, I'm going to cum.

Bull shit, this big dick.

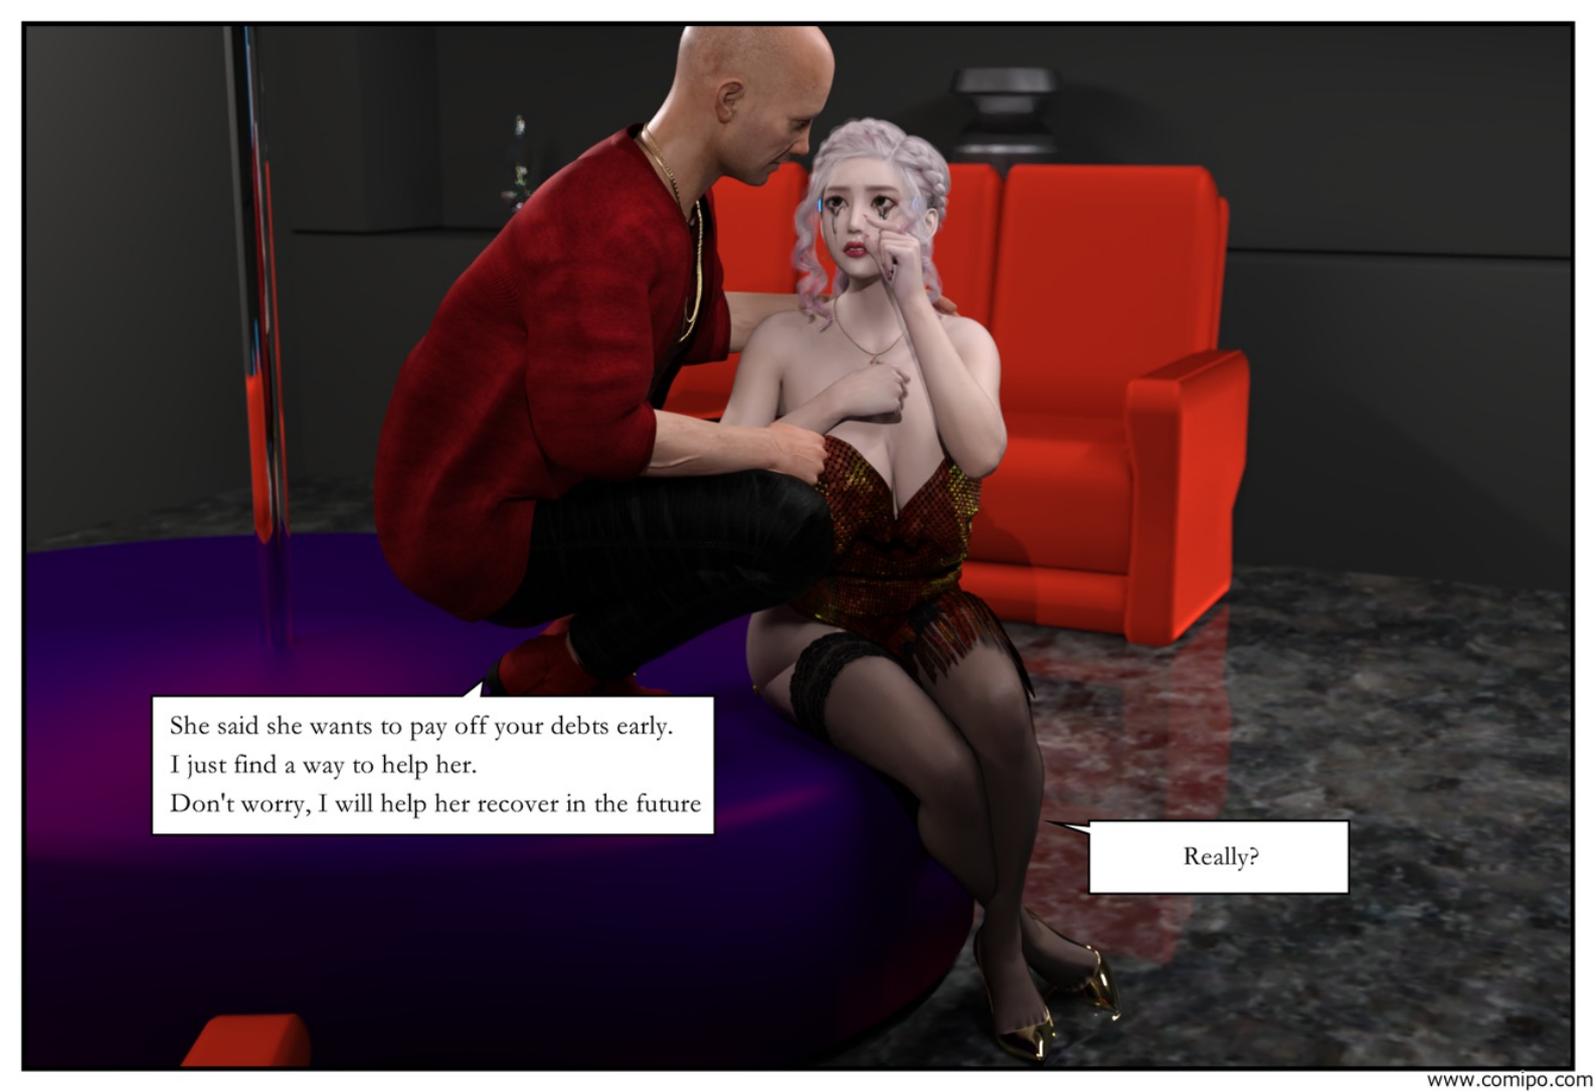

AHAHAH

Secretary Chen has leave.
You did well tonight.
You've worked hard these few days,
the company is giving you a few days off.
You can go back and rest for two days.

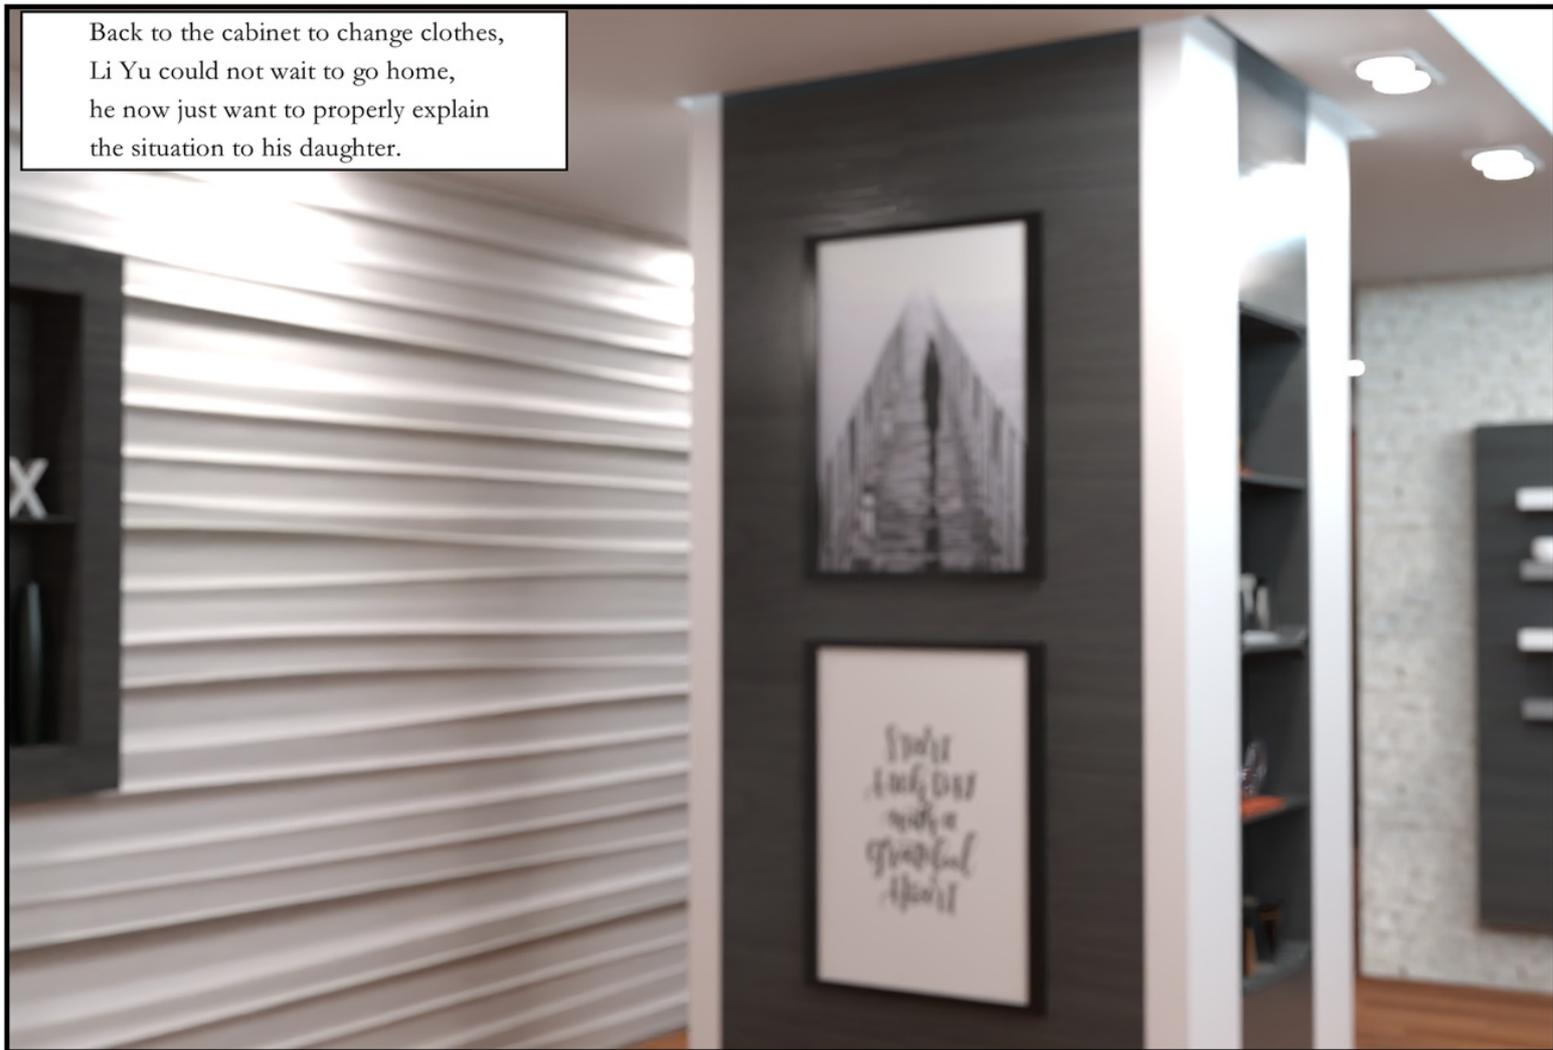

Wuwuwu? really?
Why did you turn my daughter
into that?

She said she wants to pay off your debts early.
I just find a way to help her.
Don't worry, I will help her recover in the future

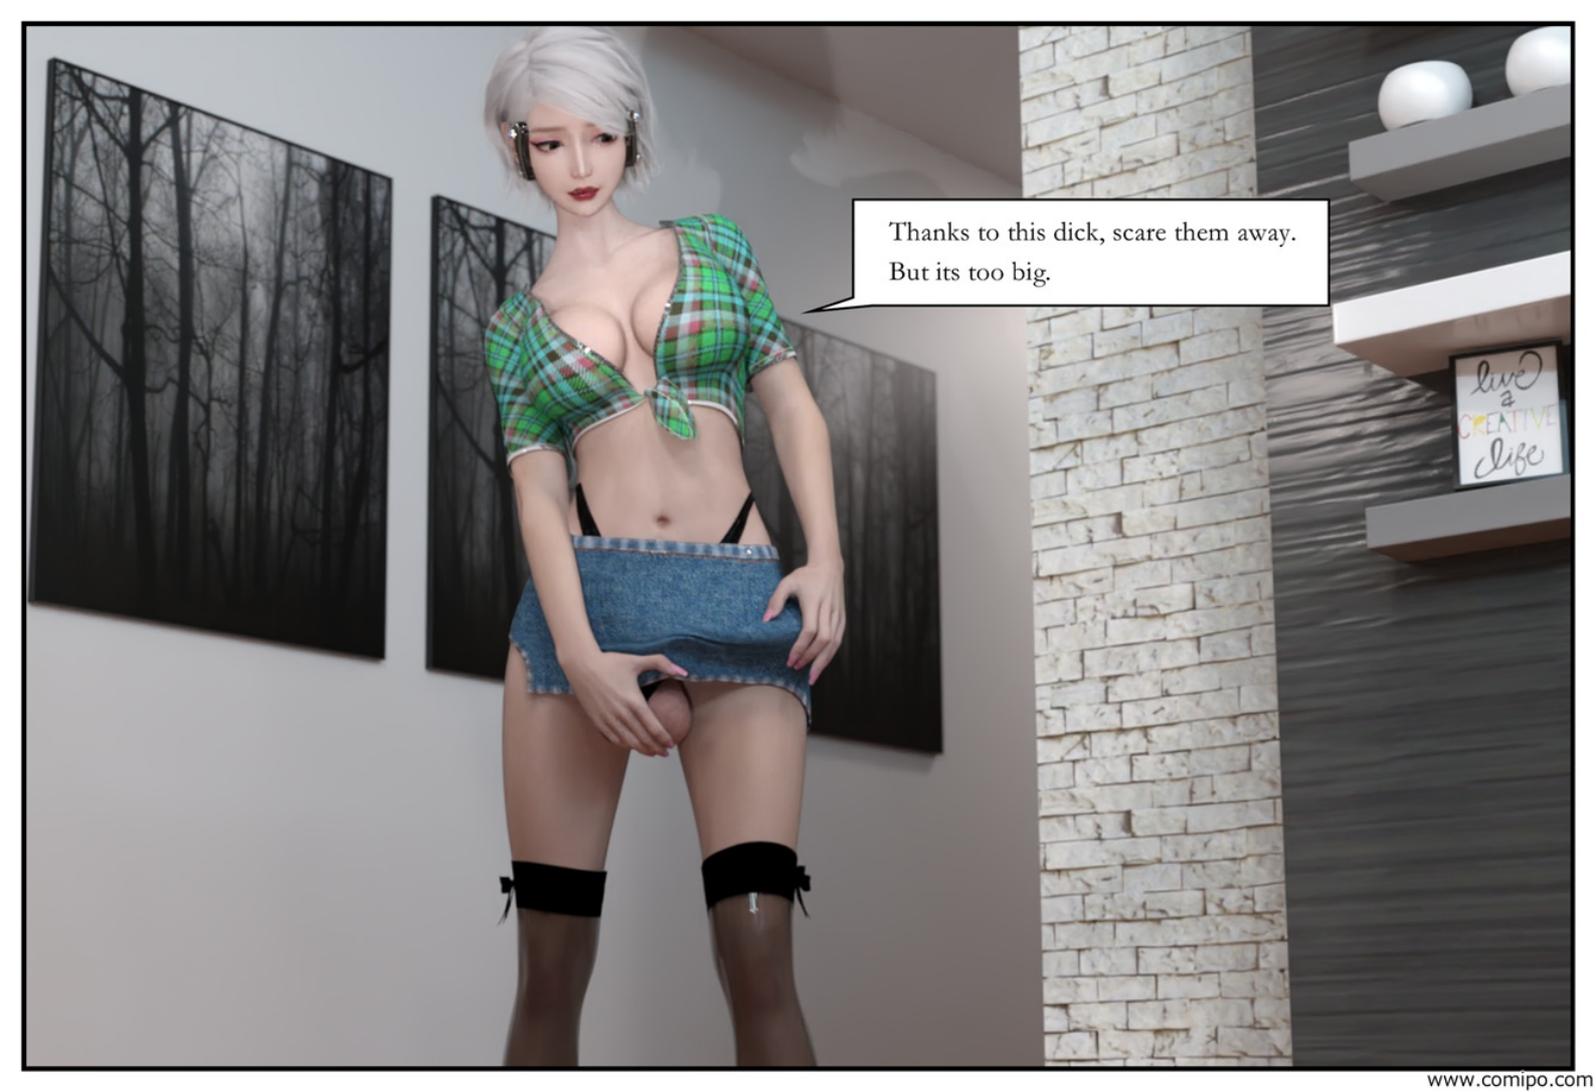

Really?

Back to the cabinet to change clothes,
Li Yu could not wait to go home,
he now just want to properly explain
the situation to his daughter.

Dress like this is too dangerous.
So many hooligans came up on the way.

Thanks to this dick, scare them away.
But its too big.

Hey? Who are you?
Why are you here,
and wearing my cloth?

A 3D rendered scene showing a woman with purple hair in a bun, wearing a pink dress and red polka-dot socks, sitting on a black sofa. She is holding a red smartphone. In the background, there is a dining table with white chairs. In the foreground, the back of a person wearing a green and blue plaid shirt is visible. Two speech bubbles contain dialogue.

Xingling! You are back.

Ah you are the sister the other day?

No Xing ling, listen, I am your father.

Dad? ! Are you? I knew it!

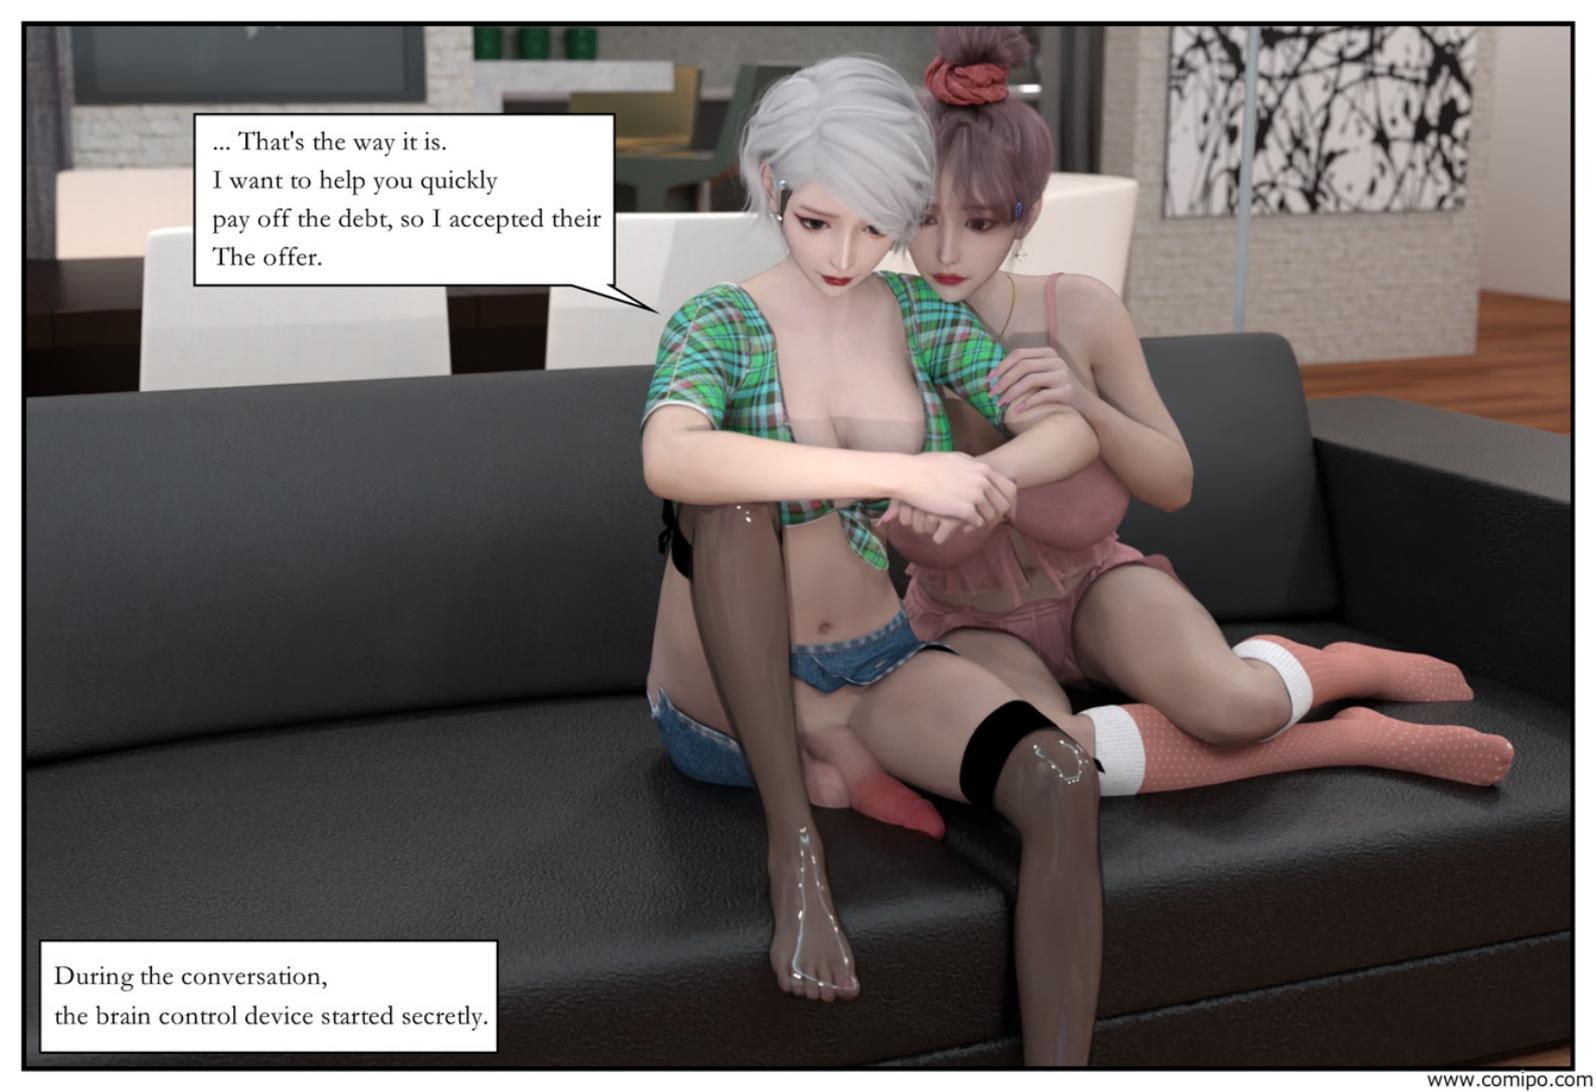

Xiangling your dick..

It's okay. Sit down.
Tell Daddy what happened.

Sorry I...

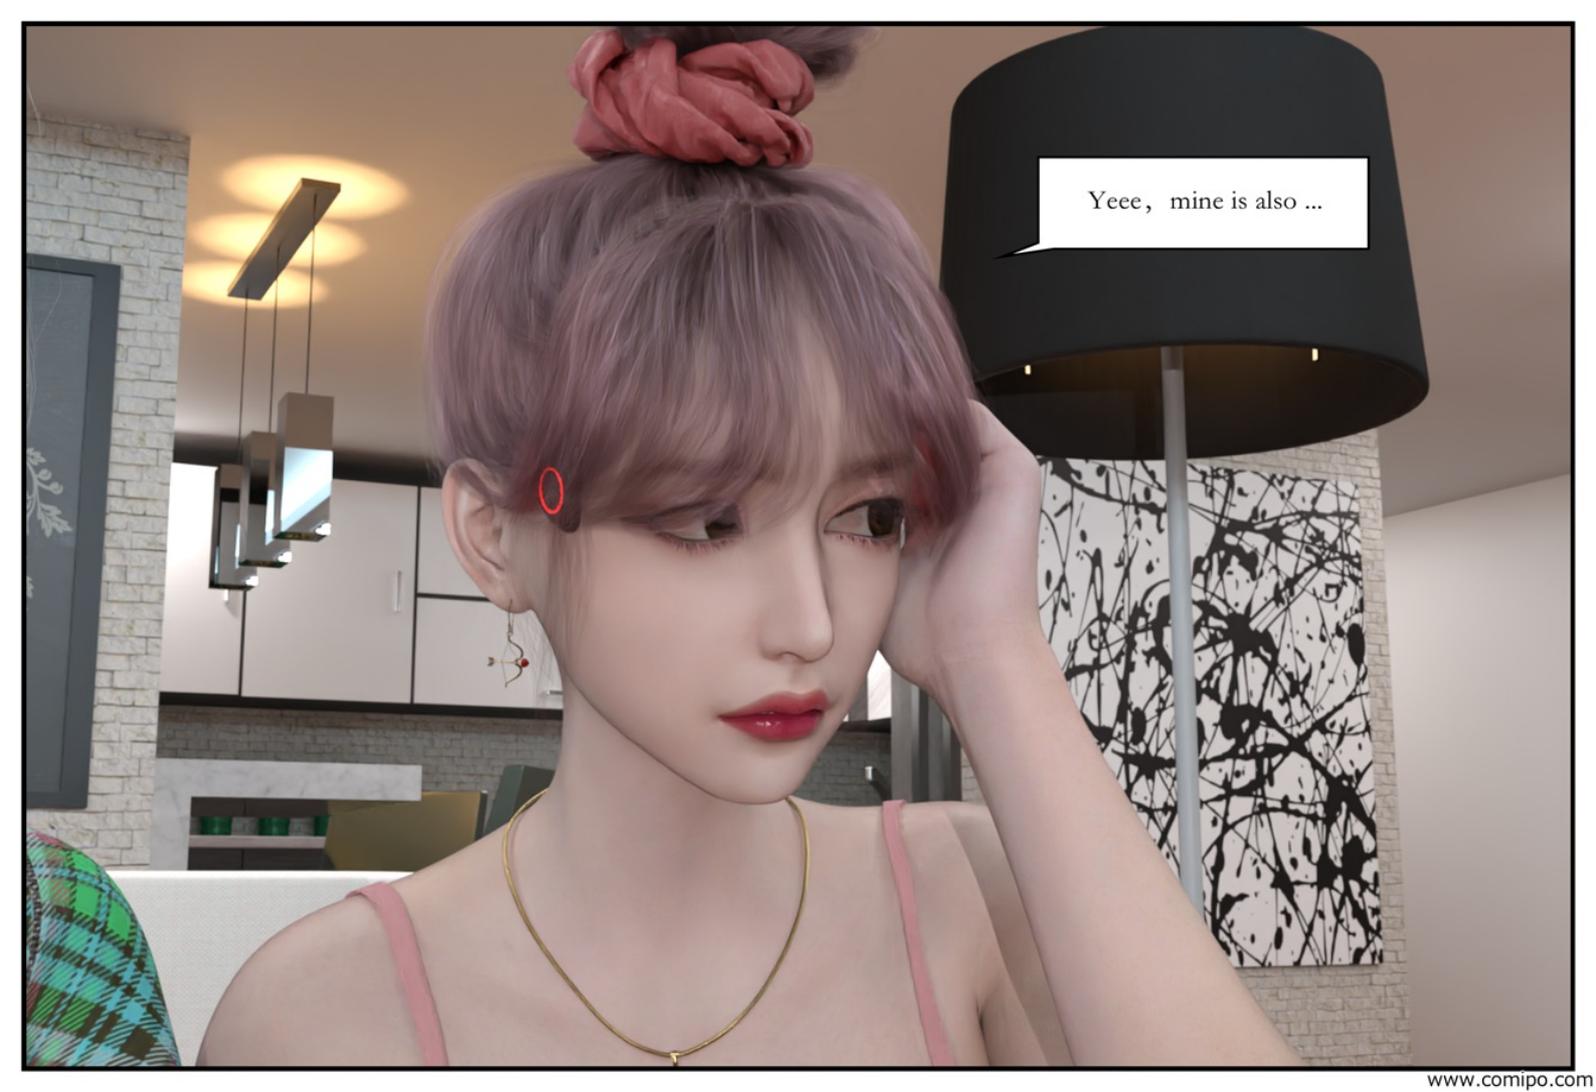

... That's the way it is.
I want to help you quickly
pay off the debt, so I accepted their
The offer.

During the conversation,
the brain control device started secretly.

Ma Ling why do you sound sudden
Your signal light, turn red!

Holy shit, really,
Just had a strange feeling.

Yeee, mine is also ...

A 3D-rendered scene featuring two anime-style women sitting on a grey couch. The woman on the left has short, wavy white hair and is wearing a green and red plaid bikini top and blue denim shorts. She is holding a large, realistic-looking red dildo. The woman on the right has short, reddish-purple hair and is wearing a pink lace-trimmed dress. She is leaning towards the first woman, with her hand near the dildo. The background shows a window with grey curtains and a bright blue sky. A speech bubble is positioned to the left of the white-haired woman.

Ah, my dick is hard on

No Xingling I don't mean it

Under the influence of the brain control device,
They can no longer express themselves as they wish.
Xiangling wishes to call her dad, but
her own name com out of her mouth.
Li Yu has the same problem.

Dad, Xingling knows

Xiangling knows, I 'm good at it
let me put of socks~

Look, Daddy's cock is so hard.
Good daughter still do not think of a way?

They cannot control their body anymore
Their behavior was controlled by the AI model.

Don't hurry, let me smell it first

Ah dad like my feet

And Li Xiangling's actions at this time, it is no different from those middle-aged men who usually served.

Wow~ Daddy's penis is longer than my feet.

ALL THAT WE BEHOLD
is full of
Blessings

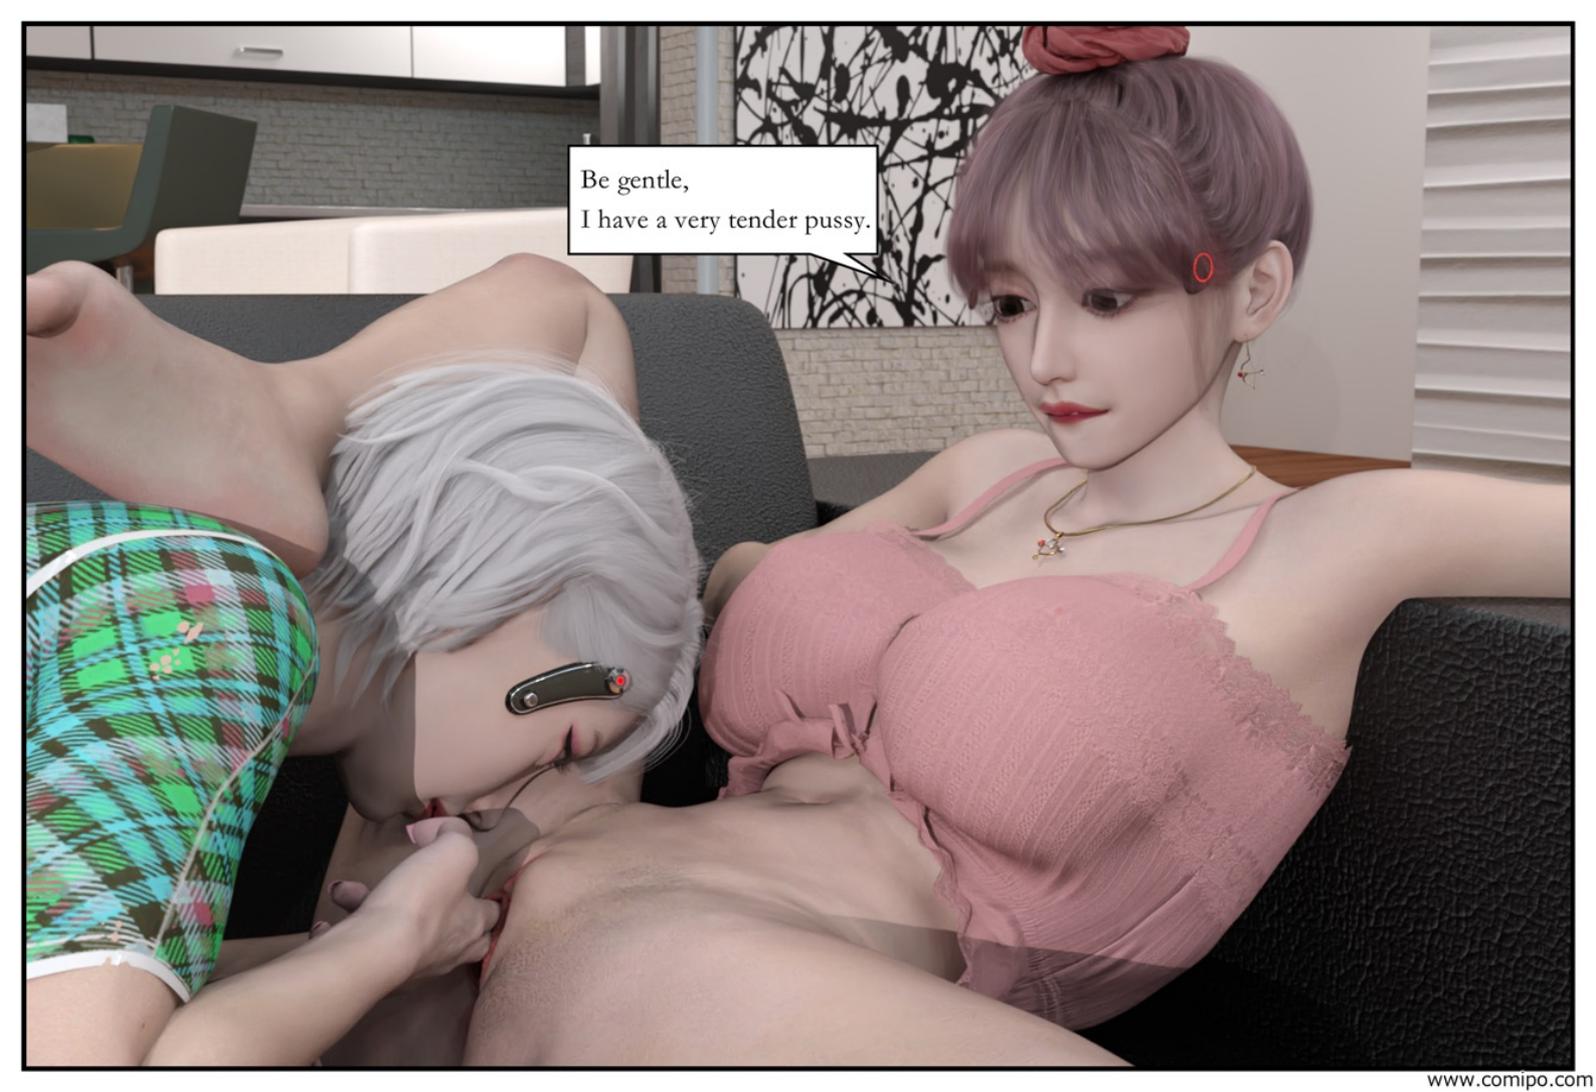

Hey, beautiful girl's
Original flavor ah.

Dad's glans is wet eh.
The same as my pussy.

Is that so? Then let me
Take a good look at your bottom.

Be gentle,
I have a very tender pussy.

That's a lot of water for you

Well, because I'm horny.

Don't drink, Dad, I'm so shy!

Be gentle, Daddy's cock is so big.
Once inside I will be broken.

Wu,En~

s dad's dick that's too ~ too thi

Fuck.
The slut is a little tight.

Ahhhhh, it's all coming in.

Can you enjoy it if it's not thick?

*Shakeing

*Shakeing

En~En~

That day at the bar
I wanted to fuck you,
You slut.

amm~ I wanted it so much that d
y's big cock.
m a slut, daddy.
me..

Uh ah ah ah ah, I can't.
I can't stand it anymore.

Well, it's big. Daddy's cock has gotten even bigger.

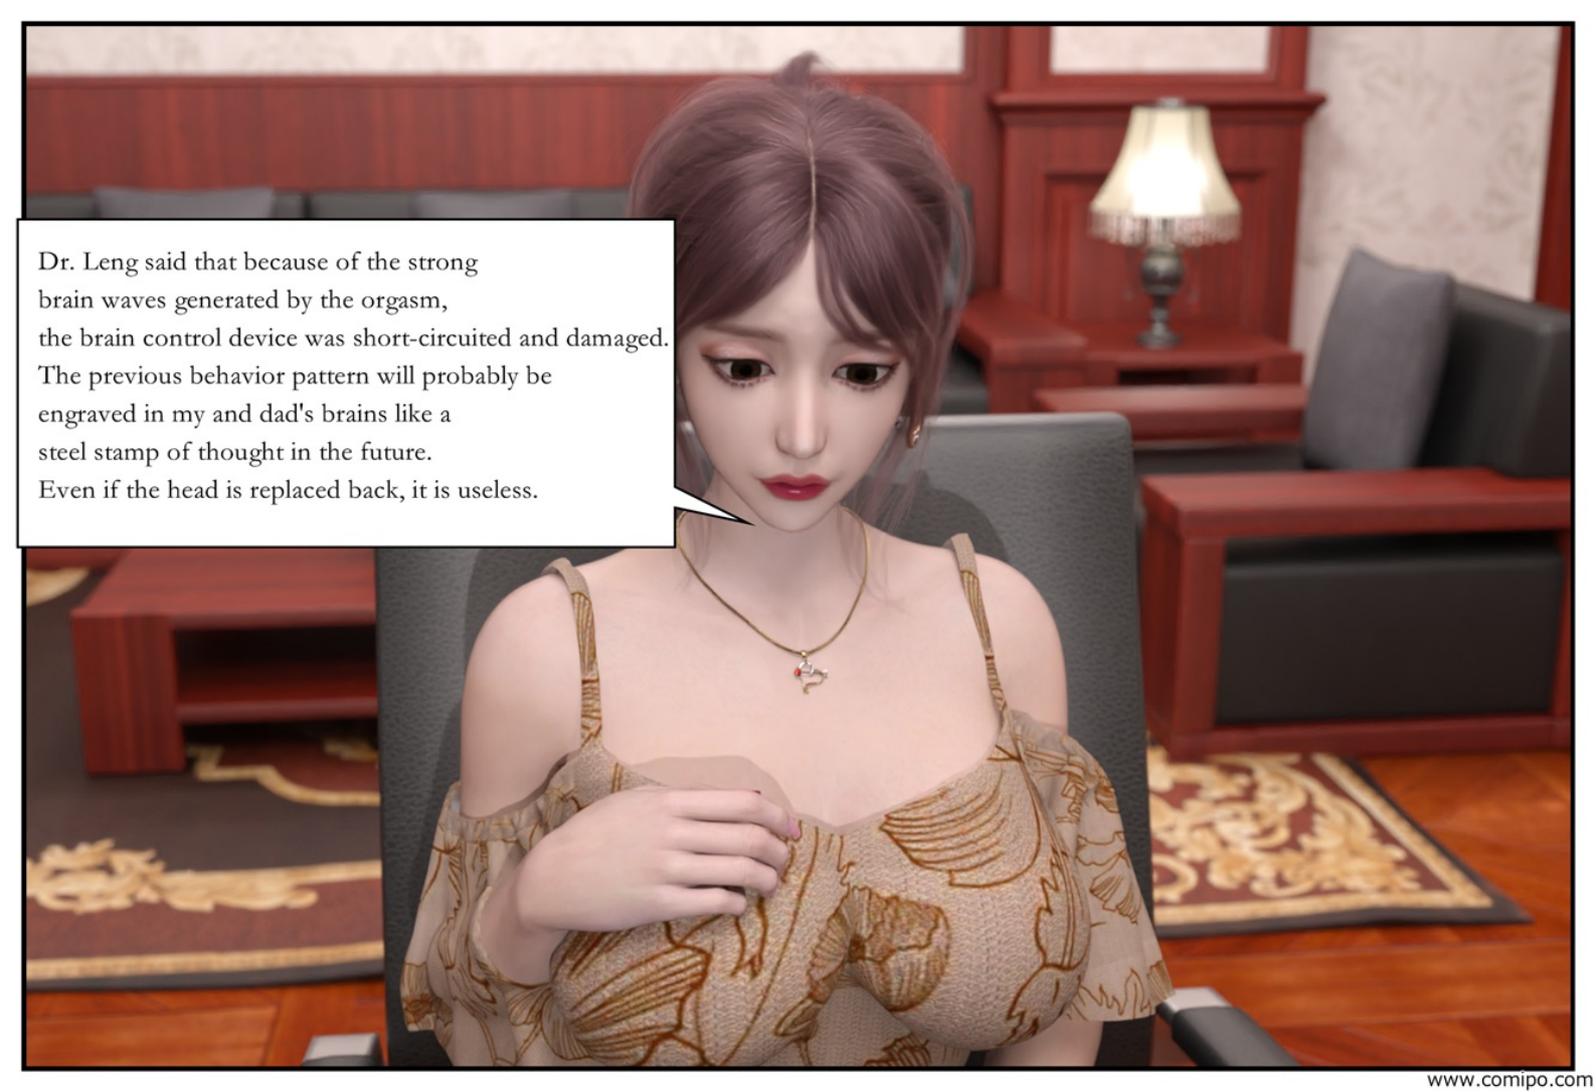

They got orgasm at the same time.
The brain control device reached
the maximum load and blinking quickly.

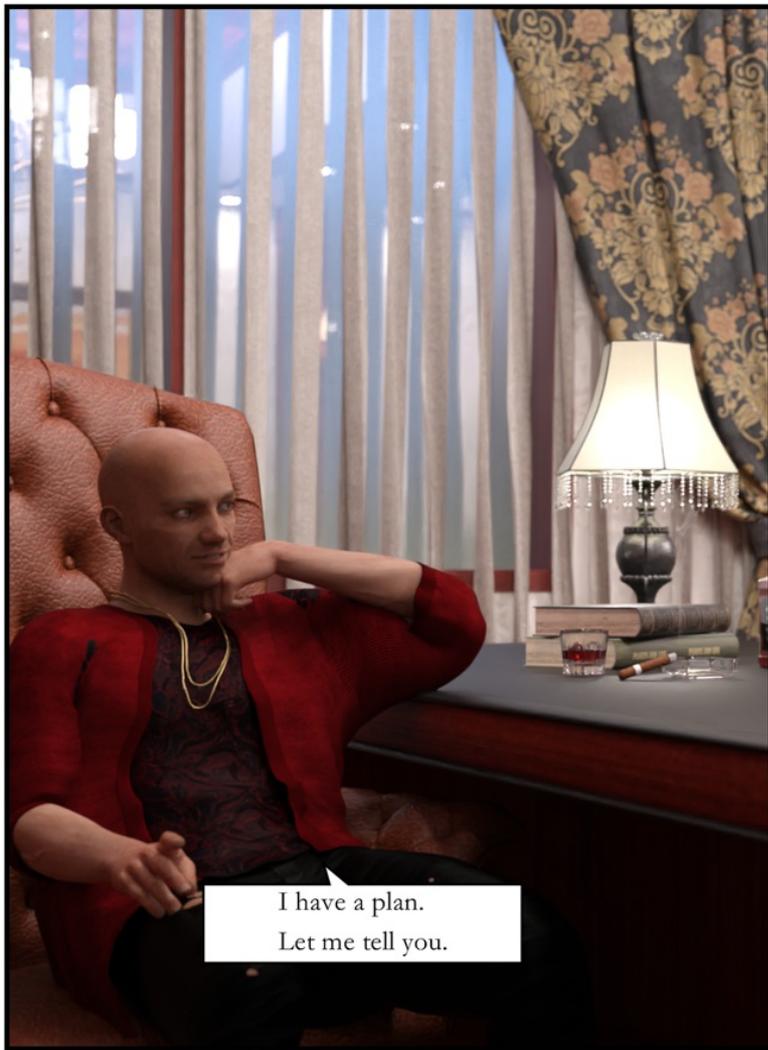

What about the results, what did Dr. Leng say?

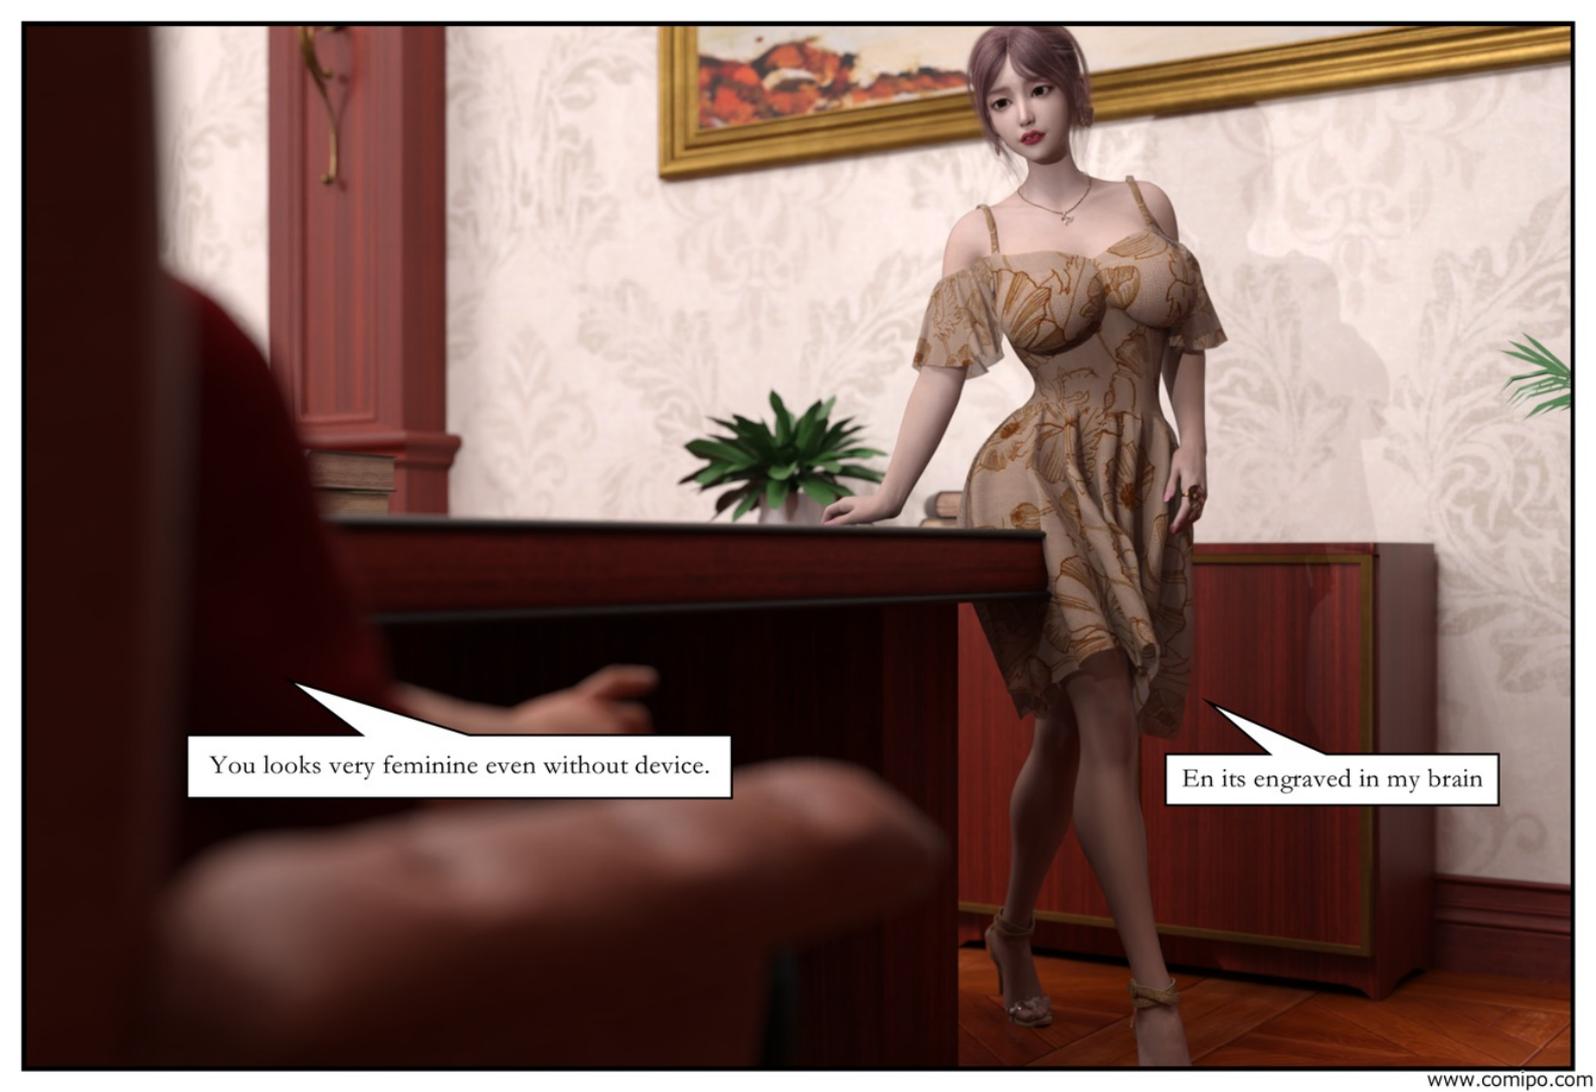

Dr. Leng said that because of the strong brain waves generated by the orgasm, the brain control device was short-circuited and damaged. The previous behavior pattern will probably be engraved in my and dad's brains like a steel stamp of thought in the future. Even if the head is replaced back, it is useless.

Oh? So what your plan ?

A 3D rendered woman with light purple hair, wearing a gold floral patterned dress and high heels, stands in a room with patterned wallpaper and a painting. She is leaning on a dark wooden table. In the foreground, a blurry figure is visible, with two speech bubbles containing text.

You looks very feminine even without device.

En its engraved in my brain

Tell me your plan .
Please~

I happen to be short of a secretary and a pet. Since that's all you can do from now on. Then you will stay by my side as my secretary, when you have nothing else to do continue to earn money as an idol.

But what about my dads?
His penis is too big and his daily life are affected.

A man with a shaved head and a woman with purple hair are shown in a close embrace. The man is on the left, and the woman is on the right. She has her hand on his neck and another hand near her chin. They are in a room with patterned curtains and a lamp in the background.

It is easy, your original body.
Isn't it still empty?
I'll pay her to replace that body.
This is to make up for the harm done to you both.

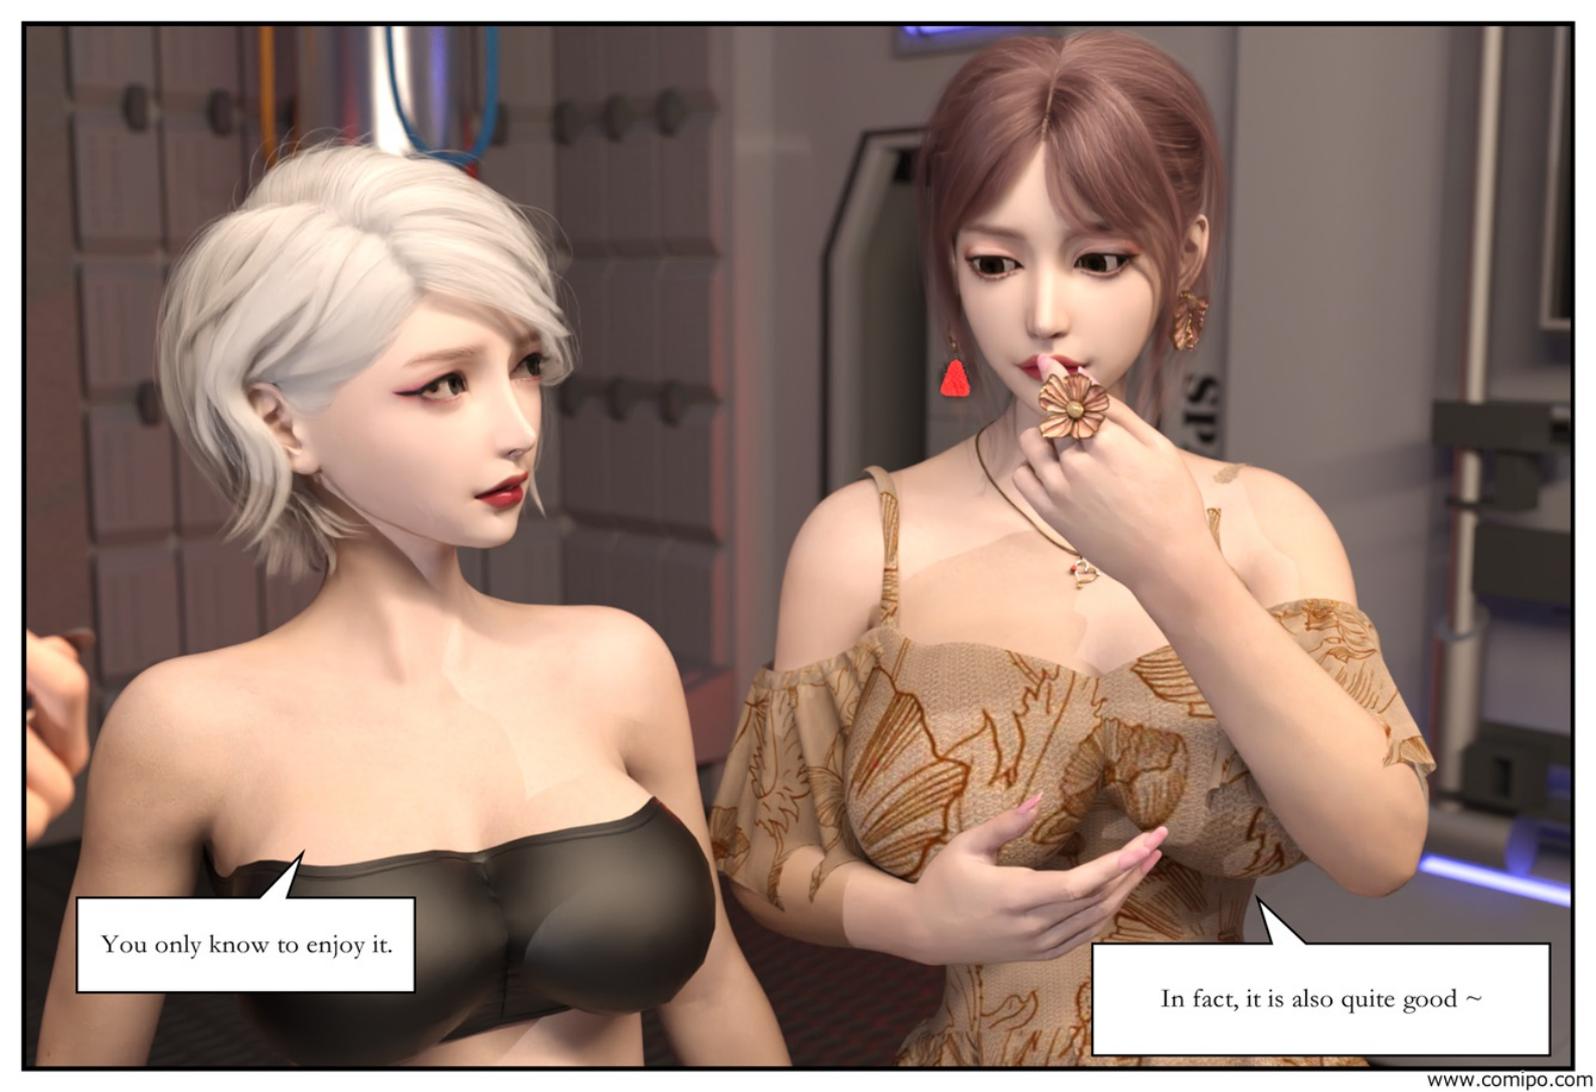

Now, bring her to Doctor Leng.

Really~
Thank you.

I didn't expect that kind of accident to happen.
But maybe if you pay attention,
you can slowly change the way you talk.

Those are secondary, the main problem is my dick.

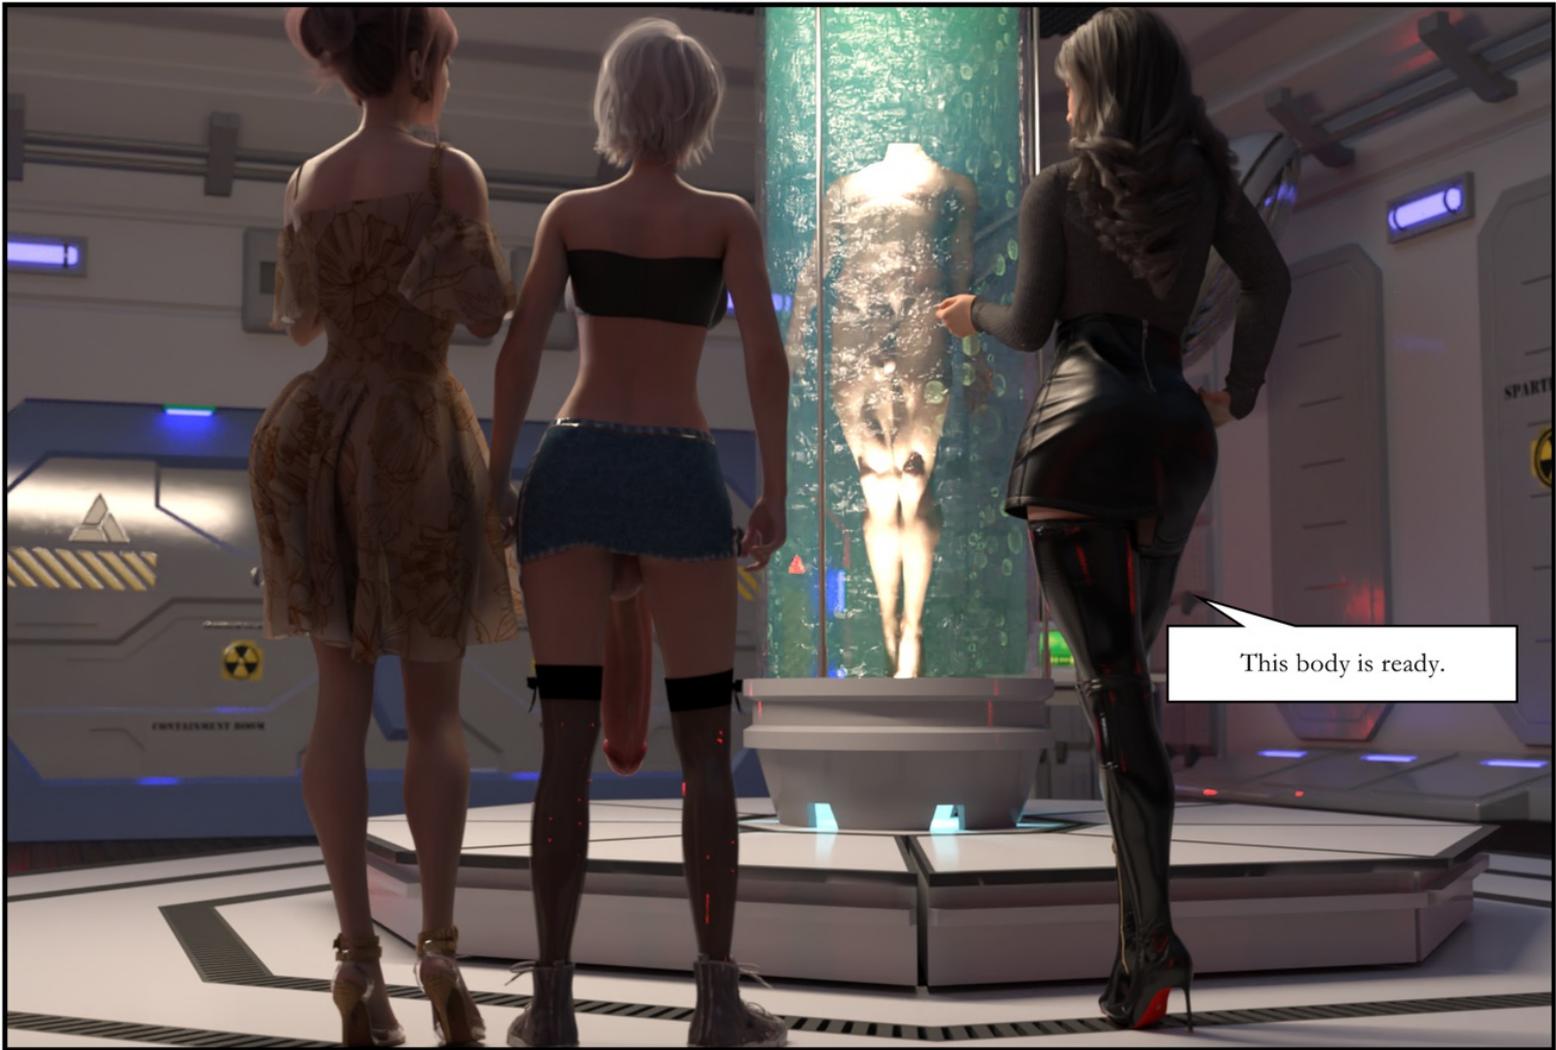

You only know to enjoy it.

In fact, it is also quite good ~

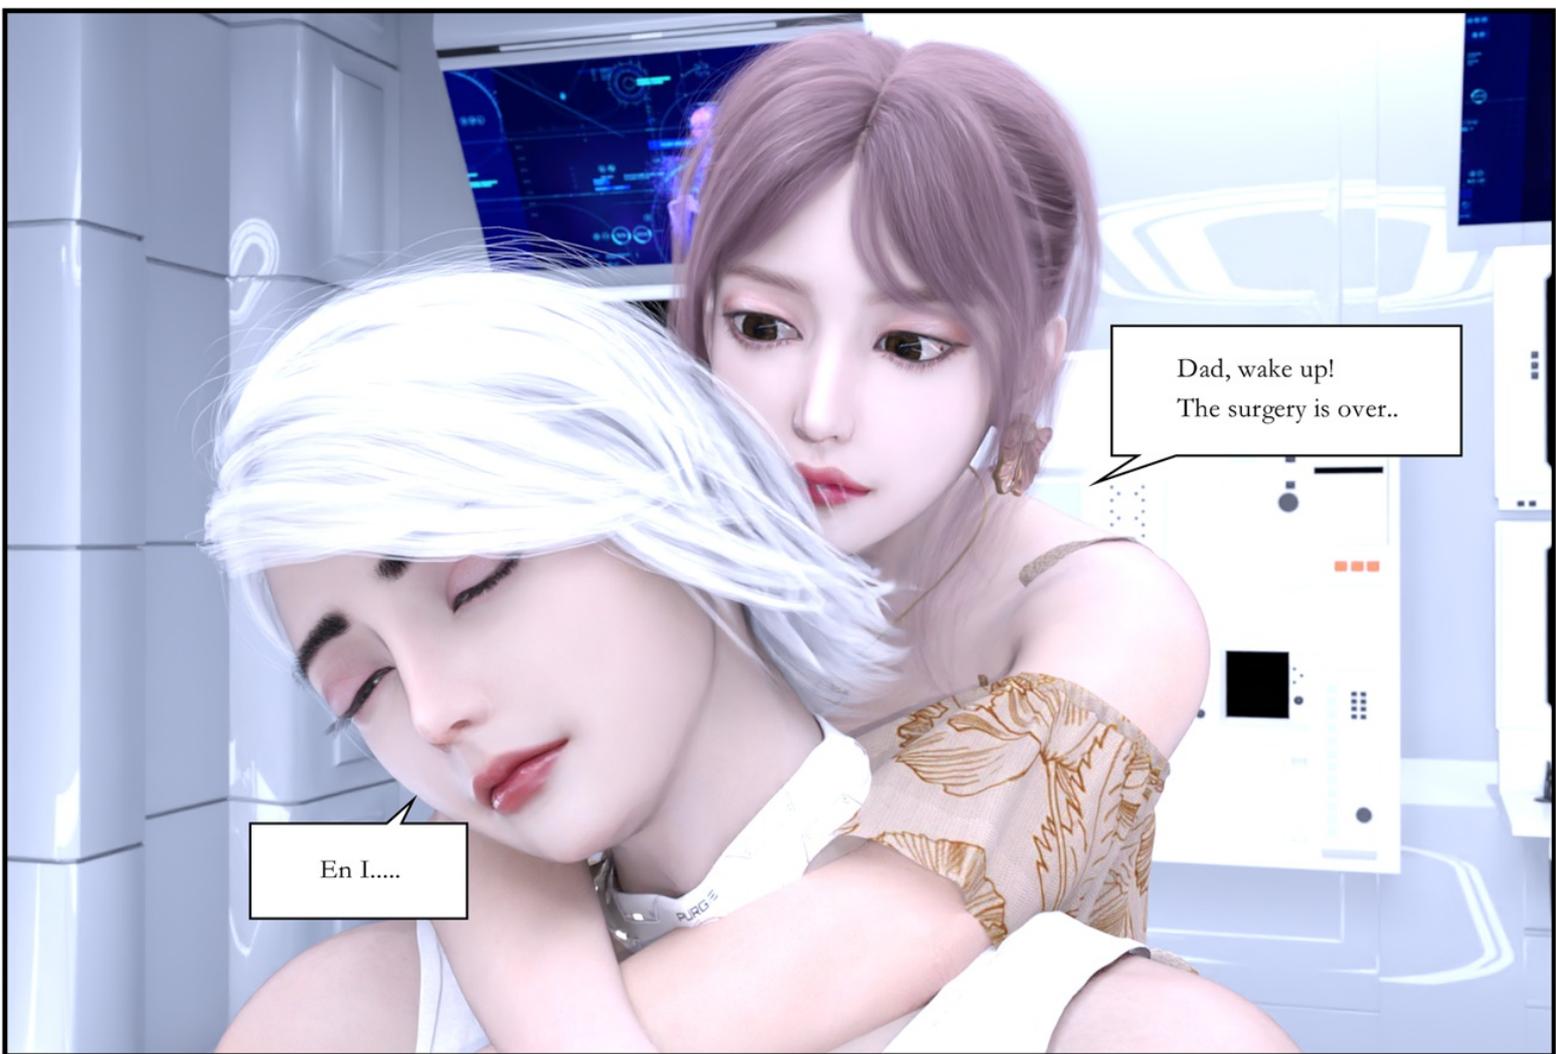

Don't you know how heavy it is?

Stop..

This body is ready.

Dad, wake up!
The surgery is over..

En I....

How's it going? Nothing wrong?

Not really...
Holy shit! My voice! So low...

Hey, now you've become a man.
And, this voice is so familiar.

Body, it really becomes your old
body now!

A man's body, it feels so amazing...

Don't move, you can't control your body properly yet.
You have to recover well for a while.

Doctor Leng

Don't be curious, wait for the recovery

Let Xiangling take care of you during the recovery period. She would have had the experience, and this was also her original body.

Hmmm, Xiangling will take good care of Daddy.

En..

A woman with blonde hair tied back, wearing a white short-sleeved shirt, a black skirt, and red high-heeled shoes, stands in a study. She is holding a black book and looking at it. The study features dark wood bookshelves filled with books, a framed picture of a sailboat on the wall, and a desk with a leather chair. A speech bubble points to her.

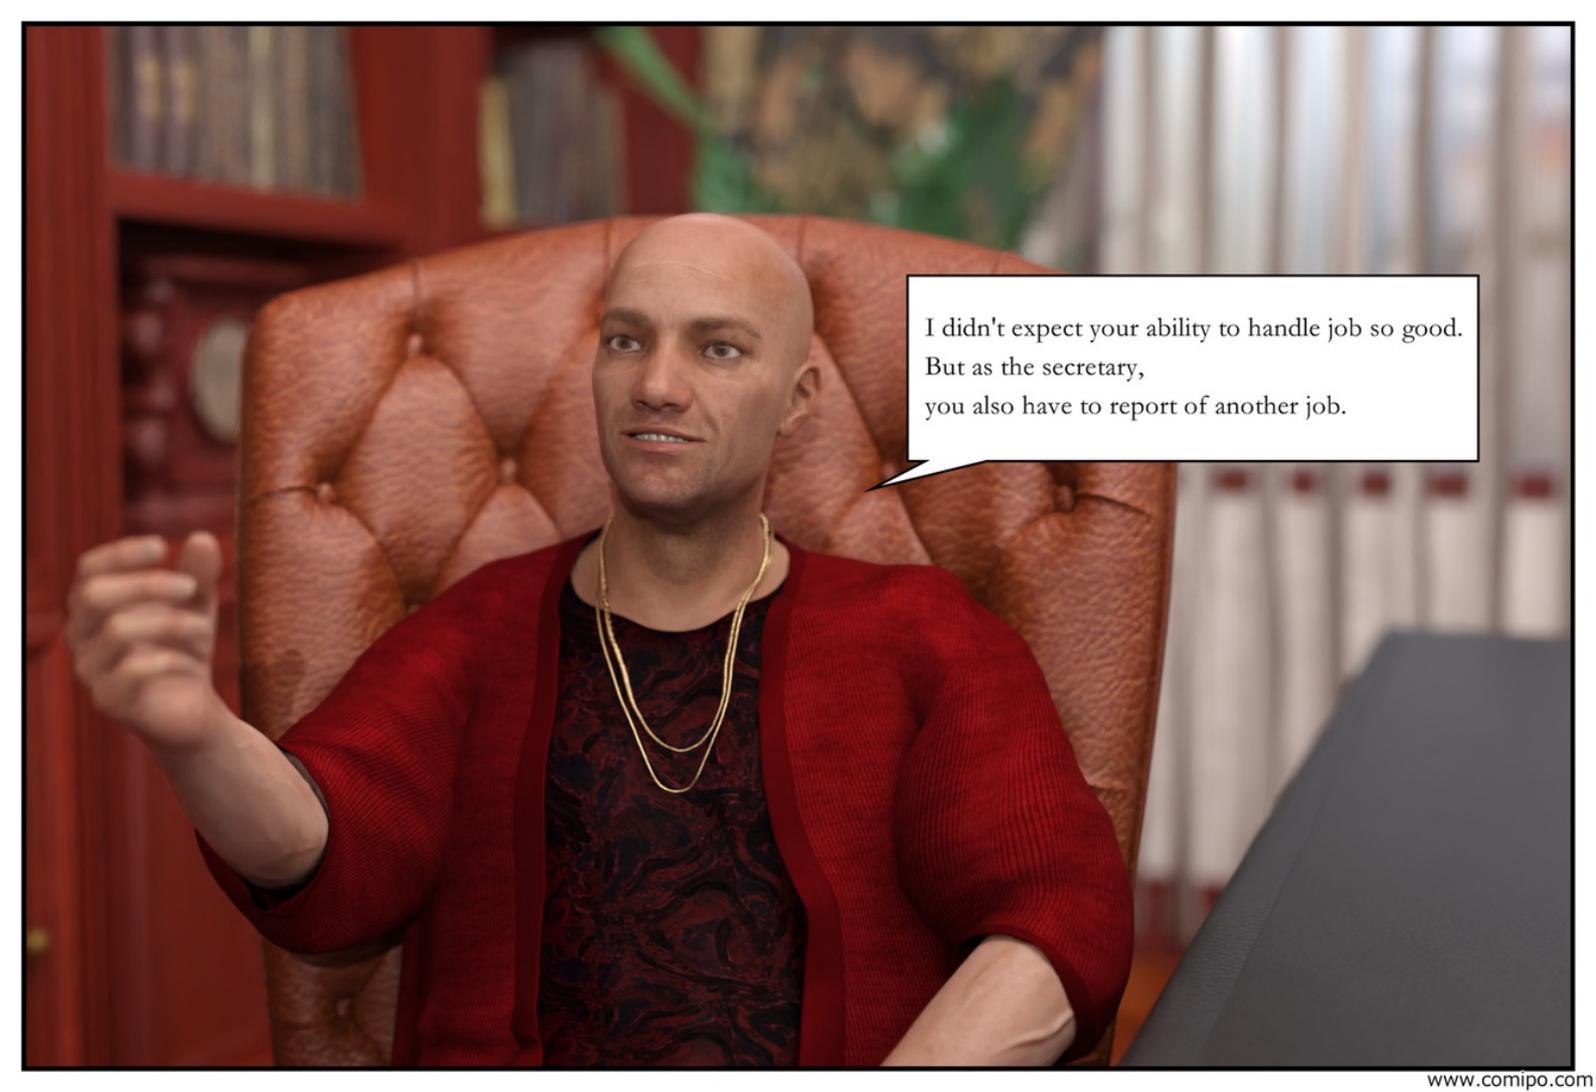

.... This part of the business growth data for the month
As follows...

After Li Xiangling's body recovered,
Zhang Huai'an, as previously agreed,
not only accepted Li Yu to stay by his side as Li Xiangling.
He also give a new identity and a job to the former Li Xiangling.

A woman with blonde hair tied back, wearing red-rimmed glasses, a white short-sleeved blouse, and a black skirt, is holding a large black folder. She is looking down at the folder. The background shows a room with a large framed picture on the wall, a green plant, and a wooden bookshelf filled with books. A red chair is partially visible in the foreground.

The above is the summary of today's work.

As a former divisional leader of a state-owned enterprise.
Being a secretary of the enterprise is a small case.

A bald man with a slight smile is seated in a large, tufted brown leather chair. He is wearing a red cardigan over a dark, patterned shirt and a gold chain necklace. His right hand is raised in a gesture. The background shows a bookshelf and a window with blinds.

I didn't expect your ability to handle job so good.
But as the secretary,
you also have to report of another job.

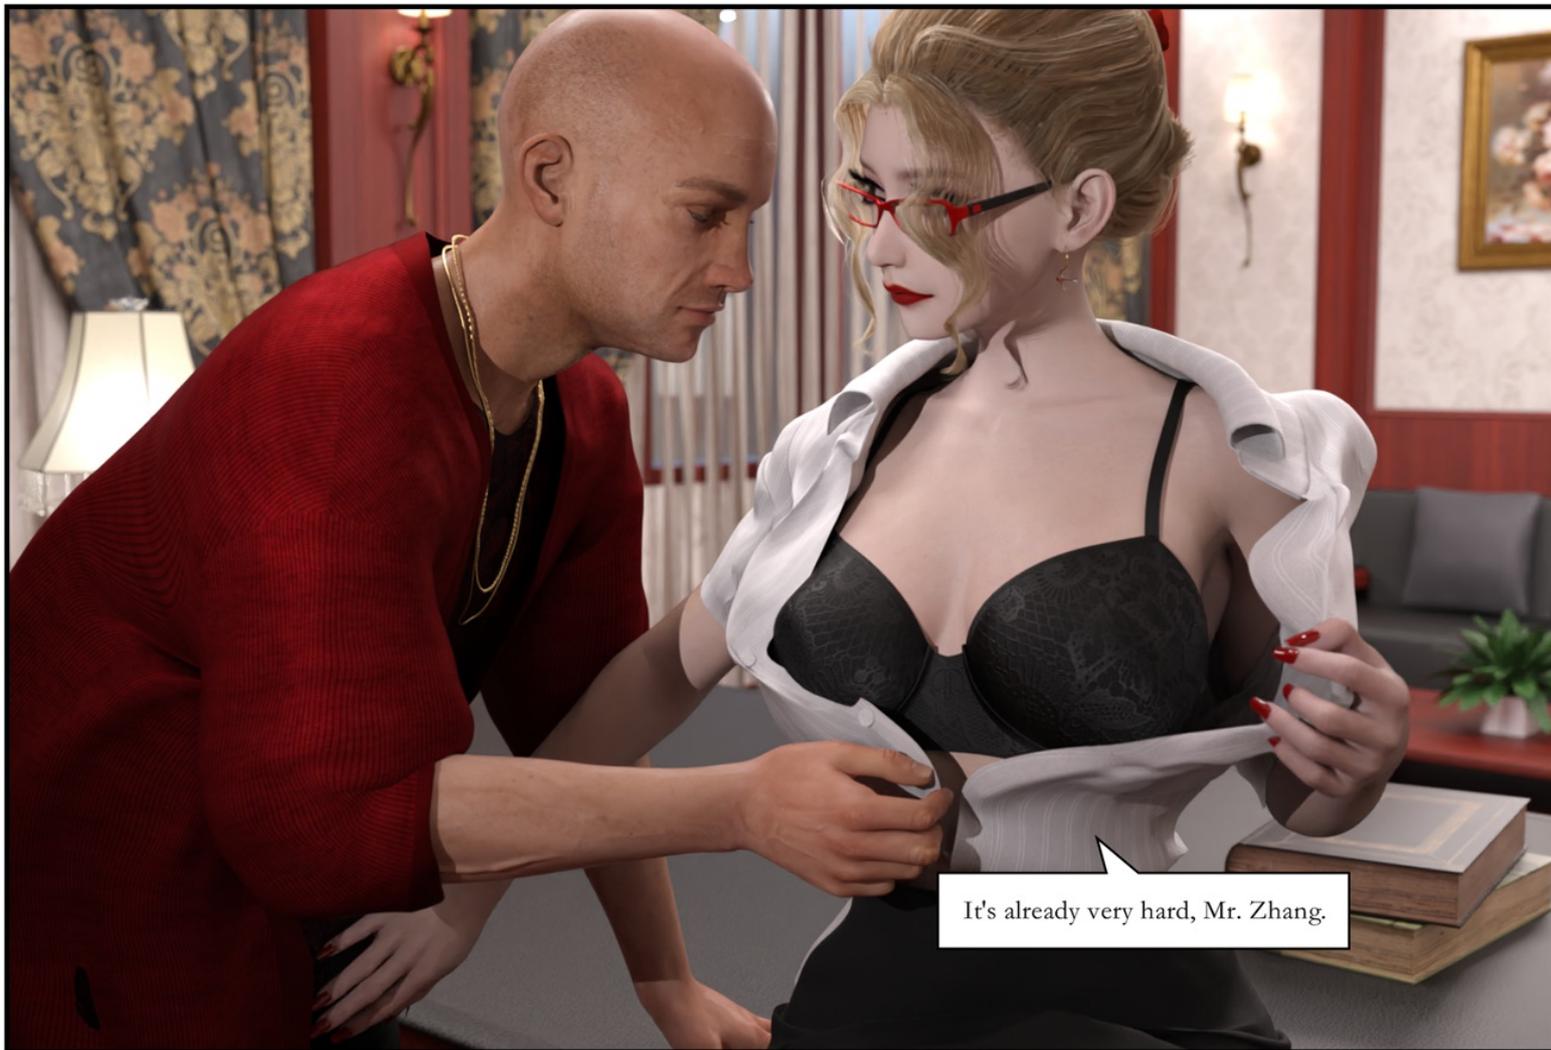

Another job, You mean ~
This one? ~Hmm~?

That's for sure, you've been a woman for so long I haven't even enjoyed you once.

As you wish. With pleasure.

It's already very hard, Mr. Zhang.

Twenty-year-old girl's body, really young.
Thanks to the body's blessing,
my 40-year-old uncle's head is
also slowly becoming younger.

Ya~

Common., Mr. Zhang.
How can I be 40 years old?
It's...

I can't. Give me a lick.

It's the first time sucking.
Do not blame me for not doing right ~

What is Mr. Zhang saying? There is no Li Yu.
I am your slutty secretary ~ Li Xiangling ~
Ling ah.

Hmph, Li Yu, Li Yu,
when you rejected me at the dinner,
and then repeatedly opposed me,
can you imagine today?

Hahahahaha, indeed indeed look at your lecherous face,
where is the incorruptible Director Li?

*Swallow

Your are ar borned bitch,
getting familiar so quick.
Let me see your pussy,
Is it as good as your mouth?

Wu

It's so good, Xiangling is being fucked so well.
Xiangling is a born bitch~

Cum inside me
Xiangling likes cum the most~

Although Dr. Leng said if he pay attention to the adjustment, the influence of the steel seal of thought can be overcome. However, probably because of a self-protective psychological defense mechanism. Since the reality is difficult to change. Li Yu accept the change, become Xiangling physically and mentally. As if in this way, nothing will change, no one be hurt

Tsk, tsk, tsk... kitty...
You're so good. If you'd been more obedient
Wouldn't everything have been fine?

Meow~

In addition to his job as a secretary,
Li Yu didn't expect he have to work part-time as a pet.

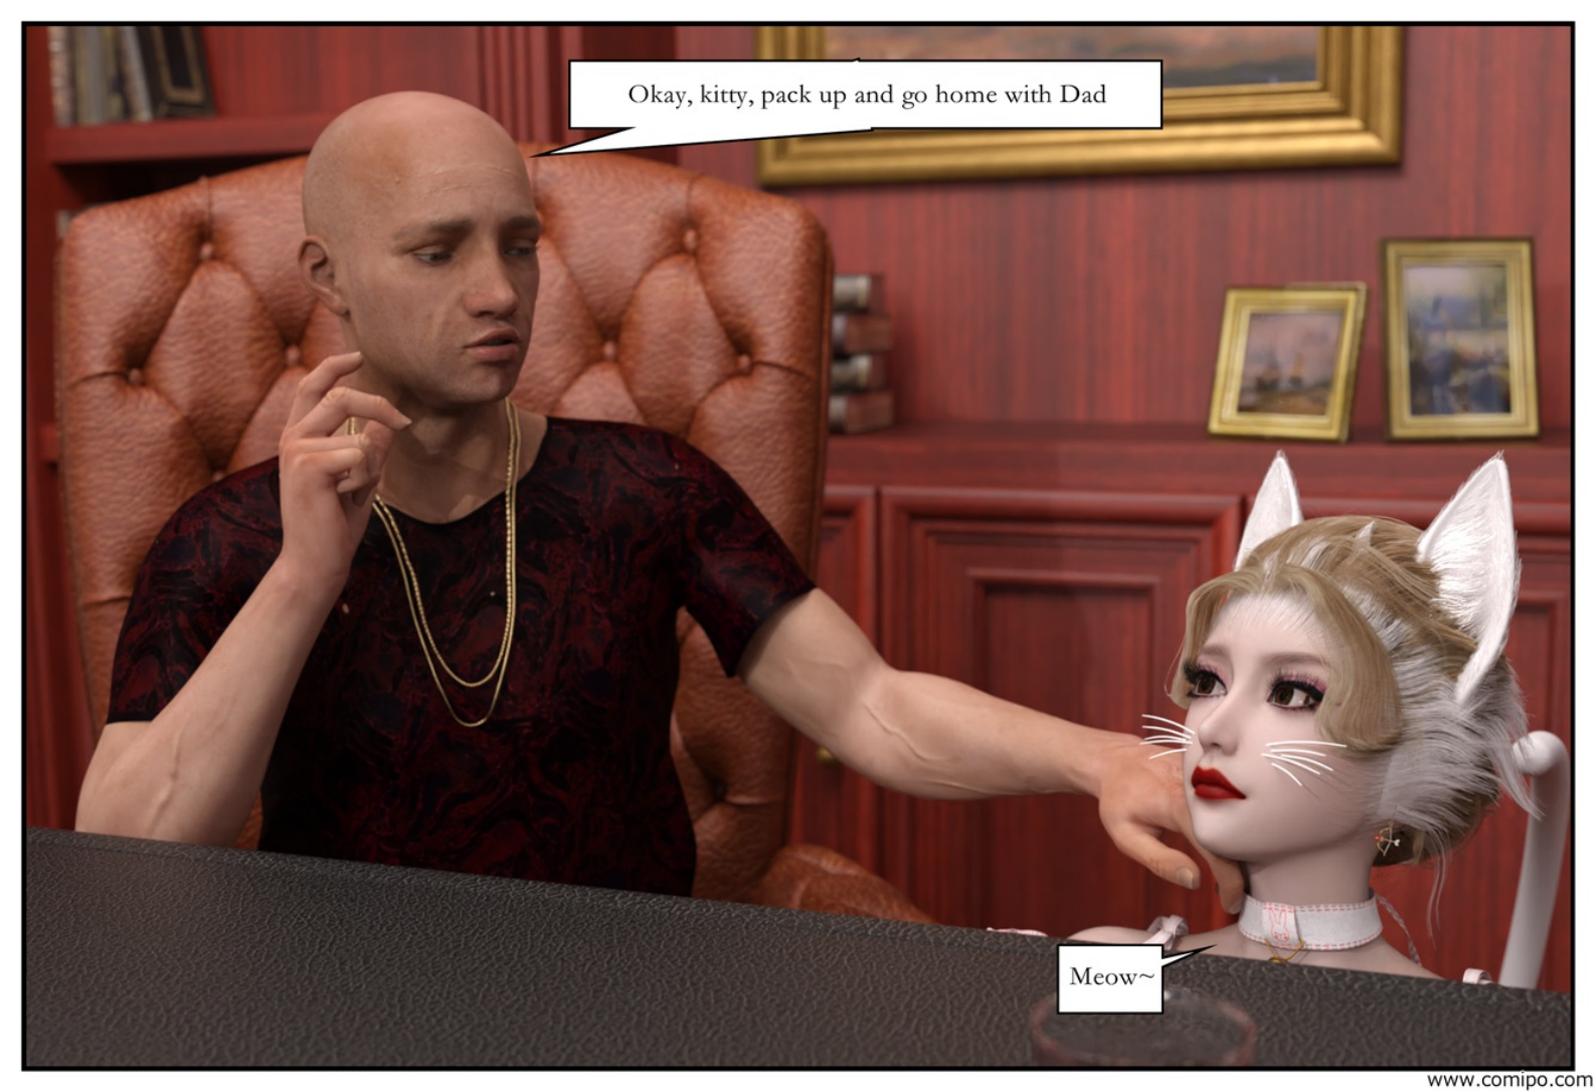

Yes, I konw.

Mr. Zhang, mission accomplished today.

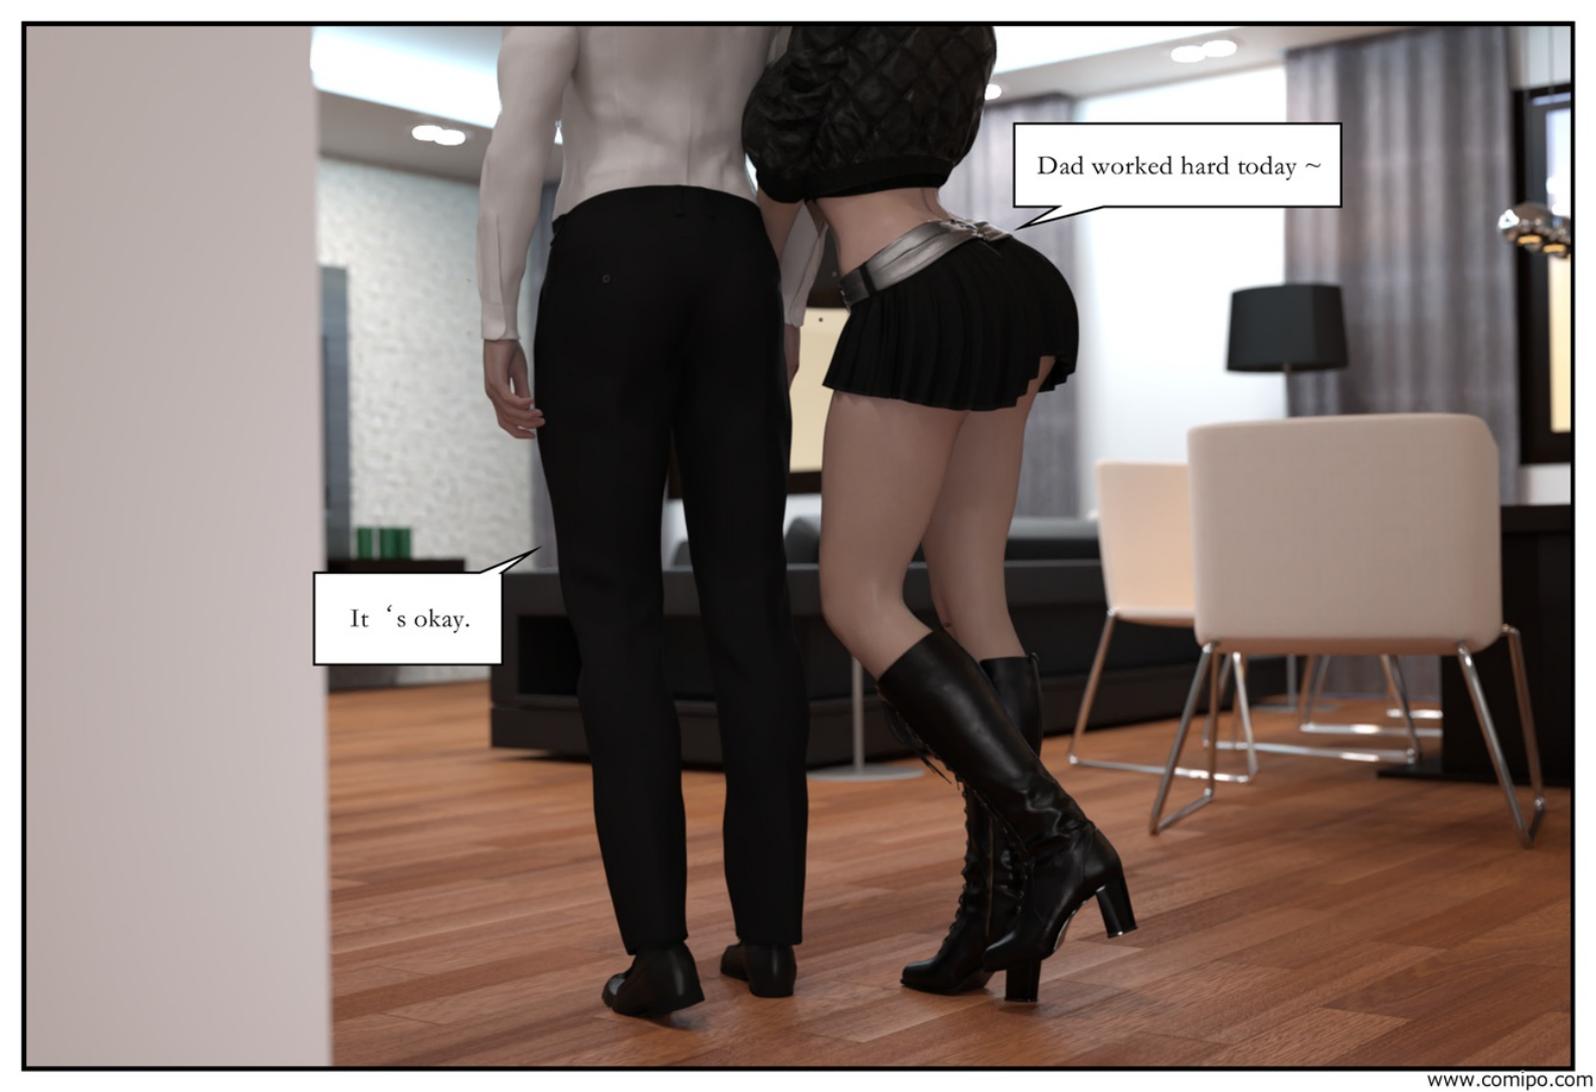

You got familiar with it, right?

Thank you Mr. Zhang for your concern, everything is going well.

Okay, kitty, pack up and go home with Dad

Meow~

Dad worked hard today ~

It 's okay.

Xiangling first help dad put the bath water.
Then go to finish cooking for dad, OK?

No hurry, Take bath with me.

Good.
Xiangling ~ long time no bath with Dad

Put off your cloth

Come on, hold it high!

Dad, stop it. Go to the Bathroom now.

Is Dad really not blaming Xiangling?

On what?

Because of Xiangling's previous mistake.
Turned us into this.

No, there is nothing bad with this.

A digital illustration of two women in a bathroom. The woman on the left is muscular, with her right arm raised and flexed. She has dark hair and is looking towards the right. The woman on the right has short, wavy white hair and is looking directly at the viewer. She has a black headband with a sparkly detail. Both women are unclothed. The background shows a bathroom with dark tiles and a shower area.

I kinda like the body of a man.
With the help of the doctor,
this body is getting more and more energetic

Really eh, the muscles are like when they were young.

真是的，下面也很有活力嘛。

After all, it is now a man,
and you stand naked in front
of me this reaction
It's normal.
Well, by the way,
I have to look at your bottom,
there is one thing to confirm.

When they gave you a new body at the beginning.
Did they tell you where this body came from.

No, they just said it was a
clone of some girl's DNA.

Yes, but I always feel that this body is exactly the same as my old
The body is exactly the same as my old one.
Even the two moles on the top of my labia are in the same place.
But when did they get my DNA?

In fact, just changed the body not soon,
Li Yu realized that the body they gave
him may be cloned from his own daughter.
But what else can he do?

Eeee, dad, why did you suddenly start
Lick on the ah.

*Trumbling

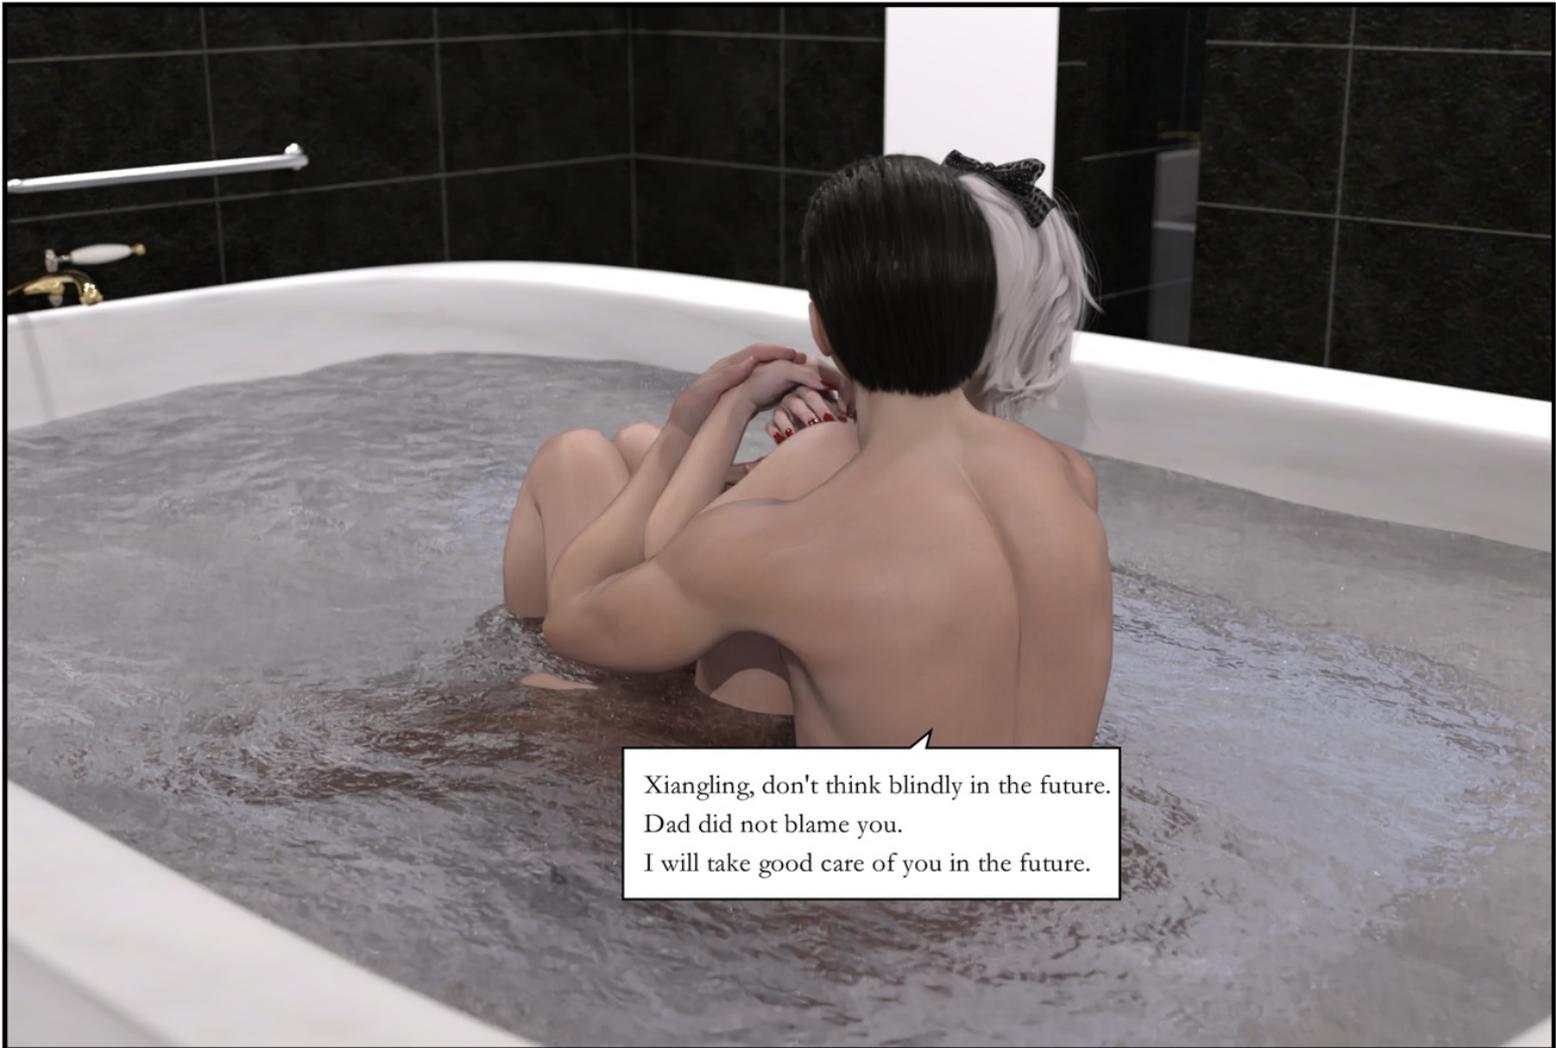

Ahhhh, Daddy, slow down.
It's too comfortable.

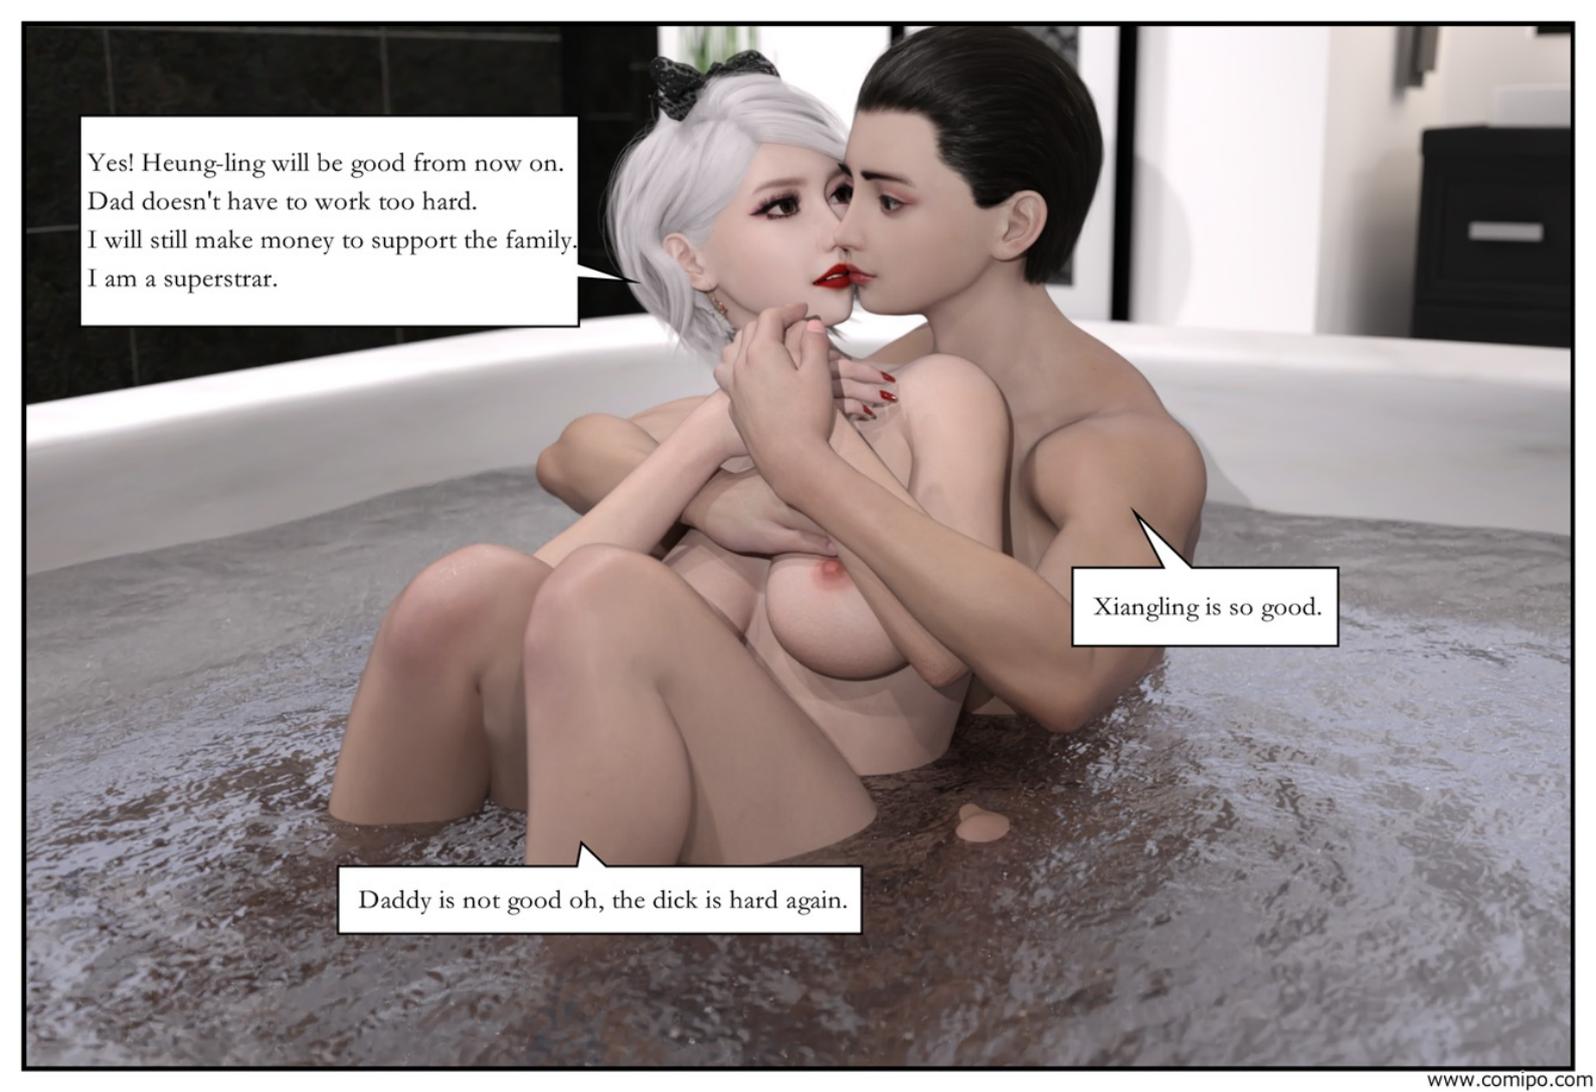

WUU its high.

Looking at the face of a mature man in the mirror.
Feeling the pleasure of dick being wrapped tightly around "daughter's" warm pussy.
Li Xiangling knew that from now on she was no longer
not Li Xiangling anymore, but the only man in the family, Li Yu.

Xiangling, don't think blindly in the future.
Dad did not blame you.
I will take good care of you in the future.

Yes! Heung-ling will be good from now on.
Dad doesn't have to work too hard.
I will still make money to support the family.
I am a superstar.

Xiangling is so good.

Daddy is not good oh, the dick is hard again.

Dad is really old and strong!

Although i'm more than 40 years old.
But my body functions are just under thirty.

Yes. Seeing Dad in such good condition
I'm relieved.

This dick...

What? How do you feel when you see your former dick
What do you think?

I want to swallow it~

Daddy, go in a little more.

End
